

Chapter 151 - Tang Nu Grandmother Is Angry

"Fortunately Tang Nu's grandmother called the place of time", Zhao Jinshan and Su Wansen put down the game and went to the dining room.

In the dining room Zhao Yanyan and Tang Nu's grandmother helped the servants to prepare dishes.

"Where is Mengxin? Is she not awake?" Seeing that Su Mengxin was not here, Su Wansen immediately asked Tang Nu and Zhao Yanyan.

"Su's grandfather, now Sister Mengxin is asleep again, let me wake up the sister Mengxin" Zhao Yanyan said that Su Mengxin is currently sleeping in her room.

"The young lady is very lazy, let me wake her up" Su Wansen prepared to go upstairs.

"Grandfather, I'm awake" from the stairs came a very soft voice.

Su Mengxin walked down the stairs, this morning Su Mengxin looked very beautiful, with very fresh skin and a white dress wrapped around her body. Su Mengxin looked very beautiful.

A scarf draped around the back of the neck up to Su Mengxin's arm, Su Mengxin in this attire looked like a glamorous goddess descending from the sky.

Su Mengxin was very surprised to find herself looking younger and more beautiful, after receiving enlightenment from Zhao Yanyan Su Mengxin understood the cause of her body like this, this was the result of doing a dual Cultivation with Ye Chen last night.

Zhao Yanyan told Su Mengxin if doing it with Ye Chen was more routine then the effect would be extraordinary and she could not age.

Se Mengxin was a woman who might not like beauty, she was very excited after hearing that from Zhao Yanyan.

Ye Chen began to guess whether Su Mengxin was dressed and like this for himself.

Su Wansen felt that her granddaughter had started to get weird ever since coming to Zhao Jinshan's house. he rarely saw Su Mengxin dressed up like this.

At home, usually Su Mengxin wears clothes as they are, because from the start Su Mengxin was a beautiful woman, all the usual clothes were suitable for Su Mengxin to wear.

Su Mengxin walked down the stairs with a slight limp, when Su Mengxin found her bottom swelling quite badly, it was Ye Chen's fault for playing too strong last night.

Luckily Zhao Yanyan gave her a saleb to ease the pain, so she could walk a little normally.

Seeing Su Mengxin turn more humid and hobble like that, there was a strange glint in the eyes of Grandmother Tang Nu.

Tang Nu's grandmother is a woman who has been through various things, she certainly knows what makes women like this.

With a little extra effort, finally Su Mengxin reached Ye Chen's side.

Since everyone has already completed breakfast immediately, everyone starts taking food on the table and starts eating it.

Su Mengxin picked up every meal Ye Ye wanted to achieve, she was like a wife who served her husband wholeheartedly

"Mengxin if grandfather matched you with someone else what do you think?" While eating Su Wansen said to Su Mengxin.

Su Wansen had bet, he had to keep his promise, especially if he avoided sure Zhao Jinshan would always corner him.

"Grandfather, I don't want to, I already have a man I like" Su Mengxin dissatisfiedly told her grandfather.

"What!!!, who is that why grandfather never know that you like someone?" Su Wansen never knew, that Su Mengxin turned out to have someone in his heart.

"I do have someone I like, so I don't want to be matched with someone else" Su Mengxin didn't want to be matched by her grandfather.

Su Mengxin looked at Ye Chen, she wanted to see whether Ye Chen was angry or not.

Unfortunately Ye Chen's reaction was only ordinary, Su Mengxin was a little disappointed.

Tang Nu looked at every movement of Su Mengxin who always looked at Ye Chen, she began to guess the relationship between the two in her heart.

"Then, who is the person you like, we can start to get acquainted and make a relationship" Su Wansen was quite excited, he wanted to know who the man Su Mengxin liked.

"Grandfather, I like Ye Chen" Su Mengxin then hugged Ye Chen's arm and leaned on Ye Chen's shoulder.

Hearing this, Zhao Jinshan, Tang Nu and Su Wansen stared, they did not expect Su Mengxin to be very brave to say that.

Ye Chen was the future daughter-in-law of the Zhao family, and Ye Chen's fiancée Zhao Yanyan sat right next to Ye Chen.

How could Su Mengxin dare say this, right in front of Zhao Yanyan.

Su Wansen was only trying to match Ye Chen and Su Mengxin, he wanted to see Zhao Yanyan's reaction, if Zhao Yanyan did not agree then the problem would be solved and he had fulfilled the promise he had made.

"Su Mengxin, Ye Chen is Yanyan's fiancé as well as the future daughter-in-law of this family, how can you say that" Tang Nu's grandmother scolded Su Mengxin for trying to snatch Ye Chen from Zhao Yanyan.

Tang Nu's grandmother suspected that Ye Chen and Su Mengxin stole behind Zhao Yanyan.

Tang Nu's grandmother found it strange that Zhao Yanyan was not angry after hearing this "Yanyan how come you are not angry after hearing this?" Tang Nu's grandmother questioned Zhao Yanyan's love for Ye Chen.

Usually women will immediately get angry after knowing the man she likes is being taken away by other women.

"Tang grandmother, you don't need to worry about me and Zhao Yanyan having talked about this before" Su Mengxin looked at Zhao Yanyan.

"Your grandmother doesn't need to worry, me and sister Su Mengxin have decided together to be Ye Chen's wife," Zhao Yanyan said very casually.

"Bamm", this is like a thunder in Tang Nu's grandmother's ear, she had no idea that her granddaughter would say something like this.

How is it possible in a modern era like this there are women who are willing to share love with other women

Tang Nu's grandmother began to think whether Zhao Yanyan's head had just hit the wall, and it had become stupid

Zhao Jinshan and Su Wansen who were dazed for a long time finally realized, they did not expect Ye Chen's relationship would be like this.

"So it's like that" Su Wansen nodded for a long time.

"Grandfather, you are not going to set me up with someone else?" Su Mengxin asked her grandfather to no longer bring up arranged marriages in front of Ye Chen.

"You still dare to say it like that, do you know who the man I'm trying to match with you?" Said Su Wansen a little angry.

The person he wanted to match with his granddaughter, apparently had a relationship with his granddaughter.

"Grandfather, who is that?" Su Mengxin is a little curious who is the man whose grandfather chose as a suitable partner for her.

"Bad girl, that person is next to you" Su Wansen pointed at Ye Chen who was being hugged by Su Mengxin.

"Ahh. . . ." Su Mengxin was surprised after hearing this from her grandfather, why did her grandfather try to set herself up with Ye Chen.

"Grandfather, but why are you trying to set me up with Ye Chen ?, I want to know the reason" Su Mengxin wanted to know the reason why her grandfather wanted to set herself up with Ye Chen, this is not like the grandfather she knew.

"Actually when I play chess, I make a bet with Ye Chen, if I lose then I will try to set you up with Ye Chen, Zhao Jinshan can be a witness to this" Su Wansen explained everything to Su Mengxin.

"Bamm" Grandmother Tang Nu's hands spread the table

"My husband Jinshan, how can you not stop them from betting, you will instead sell our future daughter-in-law to others, if you don't give a pleasant answer I will not let you go"angrily Grandmother Tang Nu pulled Grandpa Zhao Jinshan's ear.

"My wife is sorry, I will explain it to you" Zhao Jisnhan tried to ask for mercy from Grandma Tang Nu.

"I want clarity right now" Tang Nu pulled Zhao Jinshan's ear harder.

Zhao Jinshan felt his ears would come off from his current location.

Ye Chen was surprised to see Grandfather Zhao Jinshan who looked very manly, apparently afraid of Tang Nu's grandmother.

On the other hand Zhao Yanyan who saw this giggled, Zhao Yanyan was used to seeing scenes like this from his grandparents

Chapter 152 - Bribe Grandmother

" wife calm down, don't make me ashamed in front of future Daughter-in-law, and brother Wansen", Zhao Jinshan tried to convince Tang Nu not to be angry anymore.

"I don't care, hurry and explain everything to me" Tang Nu was getting angry because Zhao Jinshan kept spinning.

Zhao Jinshan was helpless when fighting his wife, on the other hand Su Wansen did not want to interfere in the problems of other people's spouses, so Su Wansen just kept quiet and did not want to help Zhao Jinshan.

Tang Nu's grandmother finally calmed down and waited for Zhao Jinshan's explanation

After a fairly long explanation, Tang Nu finally calmed down and released Zhao Jinshan.

Tang Nu then looked at Ye Chen with a sharp look "Ye Chen, tell grandma how many women you have outside" Tang Nu immediately interrogated Ye Chen.

Grandmother Tang Nu's woman intuition said that out there Ye Chen still had another woman.

"There are still two more living in my house" Ye Chen answered very honestly.

"What? !!!" Tang Nu could not believe that out there Ye Chen still had 2 other women, whether Ye Chen was a playboy.

"How can you look for another woman, even though you already have my beautiful granddaughter Yanyan" Tang Nu angrily pointed at Ye Chen using her finger.

"That ..., I'm sorry, Grandma" Ye Chen apologized to Tang Nu.

"Don't call me grandma, I'm no longer your grandmother" Tang Nu was already very angry at Ye Chen.

"Grandma, calm down I am the one who allowed Ye Chen to find a woman outside." Zhao Yanyan immediately helped Ye Chen calm her grandmother.

Tang Nu's grandmother could hardly believe what she just heard "Yanyan how can you do such a thing, don't you feel hurt when you see something like that" Tang Nu's grandmother increasingly questioned how Zhao Yanyan could do such a thing.

"Ye Chen, what soup did you give my granddaughter, until she wanted to do something like that" Tang Nu's grandmother took the knife from the table and headed for Ye Chen.

"In order to save Yanyan, I will cut you into several parts" Grandma Tang Nu wanted to use a fruit knife in her hand to cut Ye Chen.

"Grandma, calm down if you are like this, you can hurt someone" Zhao Yanyan ran in front of Ye Chen, she was blocking her grandmother from doing crazy things.

"You two move aside, I want to give a lesson to this playboy" Tang Nu's grandmother still insisted on cutting Ye Chen.

"Grandma, I really love Yanyan, to prove to you I am willing to accept that knife" Ye Chen said sincerely with all his heart.

"If, you really love Yanyan, then you have to leave all the other women, can you?" Tang Nu's grandmother wants to test Ye Chen's determination.

"I'm sorry Grandma, I can't do that, I love all my wives, if the other women want me to leave Yanyan then my answer will remain the same as this" Ye Che stood still in his stance, he would not let go of the woman he loved.

"Grandmother, I also like Ye Chen, if you separate us it would be better for me to die." Zhao Yanyan now looked almost in tears.

"You. . . ! , looking at the determination of Ye Chen and Zhao Yanyan, Tang Nu's grandmother's heart sank "Tang Nu tried to calm herself.

After returning to calm, Grandmother Tang Nu finally could think clearly again.

"You two really can't be helped anymore" Tang Nu said helplessly "Ye Chen you want these words to be fine, if in the future you dare to bully my granddaughter Yanyan, I myself will come to you and cut you into pieces" Tang Nu gave a warning to Ye Chen to always be kind to Zhao Yanyan.

"Yanyan I allow you to continue relations with Ye Chen, but if Ye Chen dares to bully you in the future, just tell me right away," Tang Nu said to Zhao Yanyan.

"Grandma, you really are the best" Zhao Yanyan went to embrace Grandmother Tang Nu.

Finally, Tang Nu's grandmother would compromise with Ye Chen and Zhao Yanyan.

"Oh yeah, I have a present for Grandma-in-law." Ye Chen took out a glass jar bottle, inside this bottle there were dozens of ageless pills.

If someone takes this pill, then that person will be much younger, all the impurities in the body of the person taking this pill will be removed.

Ye Chen handed it to Grandmother Tang Nu as a gift, in fact Ye Chen had prepared this gift for quite a long time, last night he wanted to hand it to Grandmother Tang Nu, unfortunately the timing was not right.

Ye Chen still had one more to give to Situ Rui's grandmother, now Situ Rui's grandmother was her in-law's grandmother too, Ye Chen shouldn't be stingy to family members.

Tang Nu's grandmother received this pill from Ye Chen "What is it?" She asked what little balls like candy were in this glass jar bottle.

"This is a youthful pill, if you take this pill regularly every day, then you will look young again like you used to and will not age forever" Ye Chen explained the benefits of taking this pill.

Hearing this benefit Grandma Tang Nu's eyes shone, Grandmother Tang Nu was still a woman, she also loved beauty.

Tang Nu's grandmother immediately hid her excitement "Ye Chen, you won't lie about the benefits of this pill, right?" Grandma Tang Nu asked seriously.

"Grandma, you don't need to worry, the benefits of this pill are very effective" Zhao Yanyan who was next to Grandma Tang Nu, immediately testified to reassure her.

"Huft, you young man who is very smart. You are trying to bribe me with a pill like this so that I approve your relationship with Yanyan," Tang Nu said, suspecting that there was another intention Ye Chen gave this precious pill to herself.

"Grandmother, this is what I prepared before coming here, this is a special gift from me," Ye Chen said reassuringly that there was no other purpose in this matter.

"Alright I will take this, if there is no visible effect I will look for you" Tang Nu put a glass jar bottle into her pocket.

"Let's continue breakfast" Grandmother Tang Nu returned to her seat.

"Ye Chen, where is this gift for your grandfather?" Zhao Jinshan complained that Ye Chen had never been given a present.

"What does grandfather want?" Ye Chen asked.

"Future daughter-in-law, do you have a very good wine for this grandfather?" Zhao Jinshan asked whether Ye Chen had a delicious, rare drink.

Hearing this, Grandmother Tang Nu looked at Zhao Jinshan with a sharp flash.

, Zhao Jinshan ignored the glint of dissatisfaction with his wife. In the past when Zhao Jinshan was still active as General, an acquaintance once gave him a wine that was extraordinarily delicious, the wine he said was made by a cultivator in a very special way.

The price of 1 bottle of wine made by the cultivator almost touched tens of millions of dollars.

"I don't have wine" Ye Chen rarely drank, he did not collect things like wine on his compartment ring.

Hearing this, Zhao Jinshan was disappointed.

Seeing Zhao Jisnhan's grandfather disappointed Ye Chen felt uneasy, he immediately said to Zhao Jisnhan "even though I don't have good wine, I have something far better than the best wine in the world".

Chapter 153 - Spring Palace

Ye Chen took out some heaven peaches from the fairy gate storage room, because he didn't sell this item anymore, the stock of heaven peaches that Ye Chen had was quite a lot.

at most Ye Xiu's little fox who would often eat this fruit

He immediately took out 20 heavenly peaches, all appearing on the table, seeing that the grandmother Tang Nu and Su Mengxin were shocked.

in the eyes of Grandma Tang Nu and Su Mengxin, what Ye Chen did was like magic.

Among all these people only Zhao Jinshan and Zhao Yanyan knew that Ye Chen was a cultivator

"Ye Chen don't tell me you are a cultivator" Su Wansen immediately stood up from his chair.

Su Wansen was a very influential person, he must have been accustomed to seeing events like this, which only cultivators could do.

In terms of the rank of the secret army of Dragon Army still under Su Wansen, that's why Su Wansen can command the secret army of Dragon army when searching for the lost Su Mengxin.

"Yes, I am indeed a cultivator," answered Ye Chen, Ye Chen had no intention of hiding this from everyone.

"Hahahaha, I did not think that you were a cultivator," Su Wansen laughed with pride, after stopping laughing he asked Ye Chen again "Then what stage are you at now? ", Su Wansen knows little about the level of a cultivator.

"Grandfather-in-law too praises me, my level is still quite low, I don't dare to be too arrogant" Ye Chen wanted to be low profile, he didn't want to boast about the strength he had.

"You are still young, your path to practice is also still long, one day you will definitely be able to climb a fairly high stage." Su Wansen gave encouraging words to Ye Chen to always be diligent in practicing, so that one day he could reach a very high stage.

"Thank you for the advice, I will remember it" Ye Chen smiled at Su Wansen.

"Ye Chen is not this just a peach, what is delicious about it" Zhao Jinshan was used to eating peaches.

"Grandfather, why don't you just try it" Ye Chen suggested Zhao Jinshan to try the peaches of heaven.

Zhao Jinshan told his wife to cut the peach in front of Ye Chen.

Tang Nu's grandmother very quickly cut some of the heavenly peaches and placed them on a plate very neatly.

Zhao Jinshan's grandfather, Su Wansen's grandfather, Tang Nu's grandmother, and Su Mengxin who had never eaten this fruit, they looked at the peach on the plate curiously.

They wanted to know how good this thing was, Ye Chen said this fruit was even tastier than the best wine in the world.

These four people immediately took one piece and put it in their mouths, when they started to chew heaven peaches they felt a very sweet sweet taste, this has never been felt by these four people.

After the peaches of heaven entered the stomach, they all felt a fresh taste throughout their bodies.

"Not only does it taste very good and delicious, but it also makes the body feel fresh," Zhao Jinshan praised the taste of peaches in heaven.

"You're right the taste of this fruit is extraordinary" Grandmother Tang Nu must also admit that the taste of this fruit is truly extraordinary.

In an instant everyone finished the peaches that were on their plates, because in front of Ye Chen there were still many, Zhao Jinshan, Tang Nu and Su Wansen took some to eat later.

Ye Chen could only smile at the greed of Zhao Jinshan, Tang Nu and Su Wansen.

"Yanyan, let's go to school", Ye Chen invited Zhao Yanyan to go to school.

Zhao Yanyan was ready to go to school "grandfather, Grandma, we go first" Ye Chen and Zhao Yanyan said goodbye to everyone.

Su Mengxin escorted Ye Chen and Zhao Yanyan to the door in front.

"Mengxin, later I will pick you up after school" Ye Chen promised Su Mengxin to throw her back to his villa.

"Well I will wait here, you are also careful when on the road" glamorous adult woman Su Mengxin obediently obeyed Ye Chen's words.

Ye Chen and Zhao Yanyan left Zhao's grandfather's house,

Su Mengxin returned to Zhao's grandfather's house.

"Mengxin, grandfather will return to the capital, do you want to come or stay here?" Su Wansen asked if Su Mengxin wanted to come home or stay in this city, he must return to the capital for work that was still piling up.

"Grandfather, you can go back alone, I will live in this city with Ye Chen" how could Su Mengxin want to return to the capital, there Su Mengxin will be very lonely because everyone in her family is very busy with work, so Su Mengxin is always alone.

Here there was Ye Chen who could make her happy, of course she would stay here forever.

"If that's what you want, I'll go back myself" Su Wansen's grandfather already knew that what he would get was an answer like this.

"Jinshan brother, Sister Tang, I say goodbye first, in the capital I still have a job that is still very piling up, I'm happy to meet you even though only briefly" Su Wansen immediately said goodbye to Grandfather Zhao Jinshan and Grandma Tang Nu.

Outside was the sound of a helicopter engine ready to take Su Wansen back to the capital

"Are you sure you don't want to stay any longer?" Said Zhao Jinshan.

"No thanks, I have to go, please look after my granddaughter well" after saying that Su Wansen went out of the house to the helicopter.

Zhao Jinshan, Tang Nu and Su Mengxin drove Su Wansen's departure.

After waving at Zhao Jinshan, Tang Nu and Su Mengxin He entered the helicopter, the helicopter went up and flew out of the city.

After Su Wansen left, everyone went back into the house, Su Mengxin took the upper floor to Zhao Yanyan's room to take a nap, she was still a bit exhausted from exercising too much with Ye Chen last night.

After traveling for ten minutes using a car, Ye Chen arrived at the school parking lot.

After the car was parked, Ye Chen and Zhao Yanyan immediately got down and headed to class.

While on the way, Ye Chen saw a figure with an appearance he had not seen for a long time, this was Yu Ting with a cute appearance, an appearance that Yu Ting was using right now like when she was dating his.

Today Yu Ting did not wear the open clothes as before, Ye Chen wondered why Yu Ting returned to her usual appearance.

Seeing Ye Chen next to Yu Ting hurriedly tried to avoid Ye Chen.

Because of yesterday's incident she and Hu Ji broke up, all items that had been bought were taken back by Hu Ji.

At the moment Yu Ting again has nothing, in the past few months she has become accustomed to a very luxurious life, when all of that is gone Yu Ting feels very hopeless.

Yu Ting recalls what happened last night.

Last night Yu Ting wept in despair, suddenly there was a woman in a white robe appearing in front of Yu Ting.

"Ready for you?" Seeing that there is a stranger in her room, Yu Ting is very panicked, she believes that if he has locked the door, how can this person enter this room.

"Calm down, I won't do anything bad to you" the woman in the white robe tried to calm Yu Ting, this woman's voice was very gentle.

Seeing this woman in a white robe not wanting to reveal herself, Yu Ting began to feel relieved.

"Then what do you want from me?" Yu Ting asked what this mysterious woman wanted from her.

"Then what do you want from me?" Yu Ting asked what this mysterious woman wanted from him.

"Chuckle, I'm interested in you" this woman laughed with a lot of teasing, the man who heard this woman's laughing voice would immediately be gentle.

"Why are you interested in me" Yu Ting asked the mysterious woman in a white robe again.

"You are losing everything you have isn't, I came here wanting to offer you something, as long as you want to join our spring palace, I will give you the power that makes all men bow their knees under your pomegranate skirt" the woman in white robes reached out and offer a strength to Yu Ting.

Yu Ting did not understand what this mysterious woman in white robe meant.

Seeing this girl not understanding by his intentions, the mysterious woman sighed.

"Don't you like being a rich woman?" Asked the mysterious woman in a white robe.

Hearing the mysterious woman mention this, Yu Ting gave a fierce nod.

"If you want to join our spring palace, you can get all that, how are you interested?" A mysterious woman in a white robe simplifies it so Yu Ting understands.

Yu Ting was still unsure of what this mysterious woman was saying, was it true that a woman in a white robe could grant her request to be a rich woman.

Seeing Yu Ting still doubt the woman in white robes gave Yu Ting time to rethink "I don't need an answer from you for now, tomorrow night I will come back again, this is only a one-time opportunity in a lifetime, so don't waste this opportunity" .

"Chuckle" with laughter still echoing in this room the woman in white robes disappeared from Yu Ting's view.

Yu Ting who saw this felt scared, "whether the woman was a ghost" Yu Ting began to be afraid and pulled a blanket over her entire body.

And today Yu Ting has decided to try to go with a mysterious woman in a white robe, she does not want to live a life of poverty like this forever.

She did not know what would happen if after following the mysterious woman, this time Yu Ting tried to bet to change her current life.

Chapter 154 - A Beautiful Woman Looking For Ye Chen

Seeing Yu Ting leave in a hurry Ye Chen did not say anything, between himself and Yu Ting there was no longer any relationship.

Ye Chen and Zhao Yanyan went to their class, because it was still morning some people still hadn't arrived.

When Ye Chen reached the front of the class, he saw Zhang Liao standing by the window. Zhang Liao coolly received a telephone call from someone.

Seeing Zhang Liao busy, Ye Chen entered the classroom together with Zhao Yanyan.

Ye Chen and Zhao Yanyan went to their seats.

After getting to his seat Ye Chen immediately slept on the table, while Zhao Yanyan was reading a book to increase the knowledge she had.

"Ye Chen, there is a beautiful girl who is looking for you" Zhang Liao entered the room and told Ye Chen that a beautiful woman was looking for him.

Ye Chen immediately got up from his seat and headed out of the classroom to meet this beautiful woman.

Zhao Yanyan was curious who was the beautiful woman who was looking for Ye Chen "hey Zhang Liao, who is the beautiful woman who was looking for Ye Chen" out of curiosity and curiosity Zhao Yanyan asked Zhang Liao.

"The woman looking for Ye Chen is Cheng Mengyan's school interest, I don't know why that beautiful and smart woman is looking for Ye Chen," Zhang Liao said that the beautiful woman looking for Ye Chen was Cheng Mengyan.

"What !!!", Zhao Yanyan was surprised to learn that the person who was looking for Ye Chen was Cheng Mengyan, there was a strange smile on Zhao Yanyan's lips, no one knew what Zhao Yanyan was thinking right now.

Ye Chen came out and saw who was the beautiful woman who was looking for him, he saw a beautiful woman who was looking for him turned out to be Cheng mengyan.

This was beyond Ye Chen's estimation, he thought the woman who was looking for him was Li Qingzu.

"Cheng's school friend, why are you looking for me?" Ye Chen doesn't know what this beautiful woman wants from him.

"I came here because you need a little help to move some things to the warehouse", it turns out Cheng Mengyan wanted to ask Ye Chen for help moving the goods to the warehouse.

"Why should I, there are still many male students you can ask for help," said Ye Chen, Cheng Mengyan is a strange woman, with her reputation as a school flower, she should easily find someone to be interested in help.

"I tried to ask some men for help, they all refused to help me, I was just a woman how can I move such heavy objects" with a sad face Cheng Mengyan said to Ye Chen.

In her heart Cheng Mengyan was very angry, this was the first time, there was a man who dared to refuse requests from her.

"Lie, you think it can deceive me" Ye Chen cursed Cheng to cringe in his heart, Ye Chen couldn't possibly say it openly to Cheng Mengyan.

Cheng Mengyan was a cultivator whose strength was only slightly below that of Zhao Yanyan, it was impossible for a cultivator like Cheng Mengyan to not have the power to move goods to the warehouse.

Ye Chen felt there was another intention from Cheng Mengyan.

"But I'm busy right now" Ye Chen made an excuse not to be close to this woman, if this was a normal woman Ye Chen would have been happy to help her, unfortunately this woman was very mysterious, Cheng Mengyan mastered a charm technique that could captivate someone so that he could submit to her orders. Moreover Zhao Yanyan had already warned Ye Chen not to get close to Cheng Mengyan.

"Hik. . . hik . . . , why does everyone reject my request, do I also hate me?" Cheng Mengyan who was in front of Ye Chen suddenly cried.

The tears released by Cheng Mengyan were truly original.

The people who were in the corridor all looked at Ye Chen and Cheng Mengyan.

Some boys and girls looked at Ye Chen with sharp eyes, how handsome men like Ye Chen were bluffing Cheng Mengyan.

Ye Chen could feel the piercing stares of the men and women in the corridor.

Here Ye Chen looked like a bad man who was bluffing a beautiful woman.

"Alright, I'll help you, so don't cry anymore" Ye Chen helplessly had to accept Cheng Mengyan's request, he couldn't bear to see a woman cry, moreover it was still a beautiful woman.

Cheng Mengyan immediately stopped crying, "Really, then come with me," she was very happy to pull Ye Chen away.

3024/5000

"Damn, I was tricked by this woman" Ye Chen cursed in his heart.

Cheng Mengyan brought Ye Chen to an empty room in the school building.

"Come on in, in this room there are things you must move to the warehouse." Cheng cried to push Ye Chen into the room immediately.

After entering into Chen Chen felt confused, inside here was empty, there wasn't a single item that had to be moved.

"Clik" from behind came the sound of the door being locked.

Hearing this Ye Chen immediately looked back, Cheng Mengyan was currently standing in front of the door, Cheng Mengyan's small hand suddenly began to unbutton some of the buttons on the top.

Seeing what Cheng Mengyan did, Ye Chen was a little surprised, "what does this tempting woman want to do?" Ye Chen began to guess what Cheng Mengyan wanted from him.

After the two buttons on her shirt were opened, Ye Chen could see Cheng Mengyan's gap, the size of the large F Cup made the two Cheng Mengyan mountains look very comfortable to the touch.

Cheng Mengyan used a high-level charm technique to steal Ye Chen's soul, if Cheng Mengyan could steal Ye Chen's soul, then she could control Ye Chen at will.

Seeing Ye Chen staring at her with a passionate look, Cheng felt excited, it seemed that this time her charm was successfully used on Ye Chen.

Cheng Mengyan couldn't wait to see Zhao Yanyan's face after her favorite man was stolen by her.

"Ye Chen come and kneel before me" when Cheng Mengyan called the name Ye Chen, her voice was very soft and seductive, Cheng tried to try whether Ye Chen obeyed her orders.

Ye Chen walked closer towards Cheng Mengyan, he stood in front of Cheng Mengyan.

Seeing Ye Chen being obedient to her charm, Cheng Mengyan was very happy, "Yanyan from now, your favorite man will be my slave." Cheng Mengyan laughed with satisfaction, she waited for Ye Chen to kneel before her.

Cheng Mengyan waited for a few seconds, but Ye Chen had not knelt before her "why did you just stand up quickly get on your knees" Cheng Mengyan shouted at Ye Chen.

Ye Chen did not listen to Cheng Mengyan's command at all, he reached out and grabbed Cheng Mengyan's upper arm.

"You think with your weak charms can make me obey you" Ye Chen said to Cheng Mengyan, from the beginning Ye Chen was completely unaffected by Cheng Mengyan's charm technique, from the start Ye Chen only pretended to fall into Cheng Mengyan's hands, Ye Chen wanted to see what this woman wants from him.

After learning that Cheng wanted to want him to become a slave, he was very angry at Cheng Mengyan.

Chapter 155 - Looking Problems With The Wrong People

Cheng Mengyan was surprised to see that Ye Chen was not affected by her charm technique, for fear of seeing Ye Chen's angry face, she tried to break away from Ye Chen's grip.

Cheng Mengyan could not escape Ye Chen's grip, she felt he was being held up by something very strong, even with Cheng Mengyan's current base, she still could not escape Ye Chen's grip.

With her current strength Cheng Mengyan should be able to easily escape from Ye Chen, "quickly let me go, who exactly are you?" Cheng Mengyan was still trying to rebel so that she could escape from Ye Chen.

"You thought I would let you go, after you tried to make me a slave," Ye Chen said angrily.

Ye Chen tore Cheng Mengyan's clothes, Cheng Mengyan's black lace underwear was clearly visible in Ye Chen's vision.

Cheng Mengyan was very afraid to see Ye Chen tearing her clothes "what do you want to do?" Cheng Mengyan was afraid to see Ye Chen do this.

Even though Cheng Mengyan has teased many men, her body has never been touched even by a man.

At the moment Cheng Mengyan looked like a rabbit that had been cornered by a predator, she tried to cover her body parts by using her hands to avoid Ye Chen being seen.

Unfortunately Ye Chen did not allow that, he held Cheng Mengyan's hand up, because her hand was held by Ye Chen, Cheng Mengyan could not cover her body.

now it was time to take revenge, Ye Chen intended to drive Cheng Mengxin crazy by using the king's heart technique.

Ye Chen's hand began to touch Cheng Mengyan's smooth and smooth body.

When Ye Chen touched her body part, Cheng Mengyan felt her body begin to heat up, there was a special feeling carried by Ye Chen's hands.

Ye Chen rattled his hands dishonestly on Cheng Mengyan's body.

"Ah. . . ., Ah. . . ., Ah. . . ., what are you doing to my body? . . . "Why does my body become like this?" Cheng Mengyan felt an itchy feeling and a pleasure she had never felt before.

Cheng Mengyan's body became very passionate

she was uncomfortable shaking her own body, Cheng Mengyan's mind began to be chaotic because of this pleasure.

Ye Chen began to be even bolder, he removed Cheng Mengyan's black lace bra.

Cheng Mengyan, who was currently half-conscious, felt that her chest had become windy, when she peeked, Ye Chen had removed her black lace bra.

Ye Chen saw that Cheng Mengyan's pink cherry looked very beautiful, Ye Chen was eager to bite Cheng Mengyan's easy red cherry.

Ye Chen squeezed and pinched Cheng Mengyan's mountain peak, it felt very soft, it seemed like Cheng Mengyan was taking care of her body very well.

"What does he want, does he want to rape me, no I can't let this happen" Cheng Mengyan tried to use a technique to absorb Yangqi energy.

She wanted to drain Ye Chen's Yangqi energy, so Ye Chen became weak and dry.

Ye Chen felt that Yangqi energy in his body began to flow into Cheng Mengyan's body.

Ye Chen did not stop Cheng Mengyan from absorbing his Yangqi energy, Ye Chen wanted to see how great the cultivation techniques that Cheng Mengyan cultivated.

Cheng Mengyan didn't expect that Ye Chen's Yangqi energy was very pure, she was eagerly absorbing Yangqi Ye Chen's energy at top speed.

currently Cheng Mengyan cultivates women's heart-silk techniques

Because it was only through touch, Cheng Mengyan needed a long time to absorb Ye Chen's Yangqi energy.

Cheng cranky looked at Ye Chen with a cunning look, she held Ye Chen's hand so as not to leave her body "ah. "Cheng Mengyan shouted because the Yinqi energy in her body was suddenly absorbed by Ye Chen very quickly.

In this world almost no one can defeat the King's heart technique in everything about dual cultivation.

"Wait, I know I'm wrong, I beg you to stop absorbing my Yinqi energy," Cheng Mengyan tried to beg Ye Chen to restore the Yinqi energy she had.

"It's over, all the results of my cultivation over the years will disappear" Cheng Mengyan cried seeing her strength gradually go to Ye Chen's body.

Seeing this beautiful woman cry, Ye Chen returned Cheng Mengyan's Yinqi energy, now it was purer because it had been refined by Ye Chen.

Cheng Mengyan was surprised to see Ye Chen return her Yinqi energy, this time the energy returned by Ye Chen was very pure, immediately Cheng Mengyan's power surged.

Ye Chen removed his hand from Cheng Mengyan's body, he took his cellphone and photographed Cheng Mengyan's half-naked body several times.

"Remember to no longer look for trouble with me or Yanyan, otherwise this photo will soon be spread throughout the world" Ye Chen showed a picture of Cheng Mengyan half-naked.

Cheng Mengyan only lowered his head not daring to look at Ye Chen

Ye Chen approached and gripped Cheng Mengyan's chin, Cheng Mengyan was very embarrassed when Ye Chen saw her face.

"I really want to know what kind of face you have under this leather mask." Ye Chen was a little curious about what kind of face was hidden by Cheng Mengyan behind this leather mask.

Ye Chen wanted to remove Cheng Mengyan's skin mask

"Ding. . . . , ding. . . . , ding. . . . , ding."The entrance bell rings.

Hearing the bell was ringing Ye Chen let go of Cheng Mengyan "remember well what I said earlier".

After saying that, Ye Chen came out of this room, he used his strength to make the door forcefully.

Cheng Mengyan looked at Ye Chen's direction, her eyes were currently fixed on Ye Chen.

Cheng Mengyan felt that if Ye Chen's soul was drawn into her own soul, Cheng Mengyan felt that in this life he would not be able to forget Ye Chen

Initially Cheng Mengyan only wanted to play with Ye Chen and Zhao Yanyan, she had no idea the outcome would turn out like this.

Cheng Mengyan had no idea that Ye Chen was a great cultivator, he was really looking for trouble with the wrong people.

Cheng Mengyan's soul and body were completely conquered by Ye Chen.

Cheng Mengyan took a new set of clothes from the storage ring, she immediately put on the new set of clothes, after tidying herself, Cheng Mengyan went to her class.

When on the way to the classroom, Cheng Mengyan always thought of the handsome Ye Chen, when Cheng Mengyan thought of Ye Chen suddenly her body began to heat up.

Cheng Mengyan repeatedly tried to erase her thoughts about Ye Chen, unfortunately she could not do that.

"What happened to me, why did my body and mind become so obscene" Cheng Mengyan began to feel a change in herself.

"This is all the fault of the man named Ye Chen, he must take responsibility for this" Cheng Mengyan could only blame Ye Chen.

Ye Chen didn't know that his soul had been embedded in Cheng Mengyan's soul, not only was Cheng Mengyan benefited, Ye Chen also benefited while managing Cheng Mengyan's Yinqi, with this Ye Chen could break through to the next level tonight.

As Ye Chen sat down, Zhao Yanyan immediately approached towards Ye Chen, Zhao Yanyan took Ye Chen's hand and sniffed it.

"Beloved husband, it seems like you have enough fun with my enemy" Zhao Yanyan could smell Cheng Mengyan in Ye Chen's hands.

"Yanyan dear, calm down, I can explain it to you" Ye Chen tried to explain it to Zhao Yanyan.

Chapter 156 - Womanizer

"Husband, what are you waiting for, hurry up and tell me" Zhao Yanyan was very curious about what had happened between Ye Chen and Cheng Mengyan.

Ye Chen explained what had happened to Zhao Yanyan "giggled, as expected of the husband" Zhao Yanyan was happy to hear this from Ye Chen.

Cheng Mengyan really dared to tease Ye Chen, the result was that Cheng Mengyan ended badly in Ye Chen's hands.

"Where is the photo?" Zhao Yanyan really wants to see Cheng Mengyan's half-naked photo.

Ye Chen showed a photo of Cheng Mengyan who was frightened like a rabbit who saw her predator.

Zhao Yanyan immediately took the cellphone that was in Ye Chen's hand, seeing this photo Zhao Yanyan smiled with great satisfaction.

Zhao Yanyan sent this photo to his cellphone, after that Zhao Yanyan deleted the photo on Ye Chen's cellphone.

"Here's your cellphone" Zhao Yanyan couldn't wait to get revenge on Cheng Mengyan.

Ye Chen took his cellphone from Zhao Yanyan, he saw that Cheng Mengyan's half-naked photo was gone "Yanyan why did you erase the photo of Cheng Mengyan in my cellphone", should Cheng Mengyan's half-naked photo be used as a weapon to ward off Cheng Mengyan so as not to looking for trouble again in the future.

"Husband, let me keep the photo, after all, you do not need something like that to be material to satisfy yourself? Zhao Yanyan teased Ye Chen.

How could Ye Chen need such a thing, if he wanted him to just ask his four wives.

"Yanyan is getting bolder, we'll see if you can still get out of bed tonight" Ye Chen smiled wickedly.

"Ah. . . , obscene villain, "Zhao Yanyan tried to stay away from Ye Chen.

Both of them were quite happy to tease each other, all the men in the class were jealous of how Zhao Yanyan was teasing Ye Chen, if only they found beauty like Zhao Yanyan.

A few minutes later, Lin Rouxi entered the classroom, for several days Ye Chen had not seen Lin Rouxi. today Lin Rouxi was wearing a gray suit, Lin Rouxi's skirt was slightly shorter than usual, Lin Rouxi's hair was rolled up, Lin Rouxi's snow white jade neck looked very seductive.

Today Lin Rouxi looked very seductive, the students especially the men whose eyes were almost out of place.

"All of you quickly open the 107th English book." Lin Rouxi told the students to open page 107.

The students swiftly opened their books.

Seeing Teacher Lin Rouxi's appearance today, Ye Chen began to imagine what if Zhao Yanyan and Lin Rouxi served him in the same bed.

"Ye Chen quickly climbed into bed, the teacher was waiting for you" Lin Rouxi who was naked was now covered by a blanket, she called Ye Chen to get into bed.

Next to Lin Rouxi was Zhao Yanyan who was hugging Lin Rouxi "husband hurry up, both of us are waiting for you", Zhao Yanyan very sassily called Ye Chen.

Ye Chen climbed onto the bed and intended to touch these two beauties, when Ye Chen was lacking a few inches from Lin Rouxi and Zhao Yanyan's bodies, someone hit his head.

"Ouch" Ye Chen rubbed his head just hit by someone, he looked up and saw Lin Rouxi holding a book in her hand, it looked like this book was used to hit Ye Chen's head, Lin Rouxi's face looked very angry.

Zhao Yanyan who was next to Ye Chen giggled.

"Teacher Lin, what's up? Ye Chen asked why Lin Rouxi hit his head.

"What did you say? Ye Chen, you are very brave to sleep in my class, after returning from school I want you to come to my room for additional lessons. "Lin Rouxi punished Ye Chen by giving him additional lessons.

Some students looked at Ye Chen with pity, no one in this class dared to be naughty during Lin Rouxi's lessons, they already knew what sanctions Lin Rouxi would give if they slept in class during class.

"But Teacher", Ye Chen tried to persuade Lin Rouxi not to give him additional lessons.

"There is no word but" Lin Rouxi interrupted Ye Chen's words.

Lin Rouxi returned to the podium and continued to explain English lessons.

Ye Chen was helpless seeing this, when Lin Rouxi's lessons were indeed like this, she was very fierce to all the students including Ye Chen, but when she was not a teacher Lin Rouxi would be very kind to Ye Chen.

Teacher Lin Rouxi's attitude really could not be Ye Chen guessed, Lin Rouxi did this to maintain the image she had in front of the students, if Lin Rouxi was gentle on Ye Chen, the other students would feel jealous and become naughty.

This is a class that is difficult to arrange, if Lin Rouxi does not act fiercely, it is difficult to discipline the students in this class.

Not feel the teacher Lin Rouxi lessons have ended, it's time for the school rest.

"Ye Chen remembers going to my room after school later" Lin Rouxi warned Ye Chen to go to her room after school.

Ye Chen nodded to Lin Rouxi.

"Hey Ye Chen, do you want to go to the school canteen?" , Zhang Liao invited Ye Chen to go to the school canteen.

"Sure, Yanyan, do you want to come? Ye Chen asked whether Zhao Yanyan wanted to come or not.

"No, I will stay here, you can go with Zhang Liao" Zhao Yanyan did not want to go, she was still cool reading a good book.

"Alright, I'll go to the canteen with Zhang Liao, let's go" Ye Chen invited Zhang Liao to go to the canteen.

"Ye Chen's classmate outside is a beautiful girl looking for you" this time a man told Ye Chen that a beautiful woman was looking for him, the tone of this man's voice was very jealous.

Zhang Liao wanted to see who was the beautiful woman who was looking for Ye Chen, this morning Cheng Mengyan was looking for Ye Chen, this time who was the beautiful woman who was looking for Ye Chen.

Ye Chen came out to meet the beautiful woman, Zhang Liao followed behind Ye Chen, he wanted to know the woman who was looking for Ye Chen.

Not only Zhang Liao wanted to know, some students also wanted to see who the beautiful woman meant by the man was.

When Ye Chen left the classroom, he saw Li Qingzu hugging a bag on her chest.

Seeing Ye Chen come out, Li Qingzu gave a smile to Ye Chen.

"Ye Chen" Li Qingzu called the name Ye Chen.

The male students in the class were surprised to see how Li Qingzu called Ye Chen with a smile.

All male students in the class certainly knew who Li Qingzu was. Li Qingzu was one of the four school flowers who had the nickname of untouched flowers.

Today they saw that if Li Qingzu smiled at a man, she also looked very close to that man.

"This man not only has Zhao Yanyan as his woman, but also has a good relationship with Li Qingzin," one male student said dissatisfied.

"This morning I saw this man together with Cheng Mengyan, it seems like he also had a relationship with Cheng Mengyan" another male student added fuel to the fire.

"Damn it must be that this man is a very greedy womanizer," said one student who was also dissatisfied with Ye Chen, for monopolizing 3 school flowers at once.

All male students looked at Ye Chen with hostile eyes.

Chapter 157 - Saintess's Body Began To Wake Up

Ye Chen ignored the gaze of hostility that was behind him, he approached towards Li Qingzu.

Ye Chen: "Li Qingzu, what are you looking for me for? "

"I want to give your coat that has dried, here it is" Li Qingzu handed the bag in her arms to Ye Chen.

Ye Chen received a bag from Li Qingzu, he saw the contents inside, inside this bag there was a work suit that he was wearing yesterday.

"Thank you," Ye Chen thanked Li Qingzu for bothering to deliver this suit to him.

"No, I should be the one to thank you, for helping me yesterday" Li Qingzu frantically waved her hands.

Today Li Qingzu looks more cherry than usual.

"Looks like you look more cheerful today, is there something good going on?" Ye Chen wanted to know if Ji Kong did indeed provide a certificate of Li Qingzu's house.

"Yes, indeed, something great happened today. Ji Kong suddenly returned our house certificate." Li Qingzu told us that, Ji Kong returned the certificate of her house, strangely Ji Kong did not demand payment that made Li Qingzu and her mother surprised.

Now she and her mother no longer need to think about the debt that has burdened them for years.

"That's good," Ye Chen said.

"Ye Chen are you the one who made Ji Kong give up our certificate?", Li Qingzu guessed that Ye Chen was the one who had done this.

"yesterday maybe Ji Kong's brain shifted because I hit very hard, hahaha" Ye Chen laughed.

"maybe you're right" Li Qingzu joined in laughing, seeing Ye Chen avoiding this problem Li Qingzu did not continue this topic.

"Ye Chen, let's go to the canteen", Zhang Liao embraced Ye Chen, and invited him to go to the canteen.

"Wait a minute", Ye Chen told Zhang Liao to wait a little longer.

"Li Qingzu do you want to come with us to the school canteen", Ye Chen tried to invite Li Qingzu to go to the school canteen.

The male students were waiting for Li Qingzu's answer, whether Li Qingzu would refuse or accept Ye Chen's invitation, if this normal Li Qingzu would immediately reject a man's invitation.

"Alright, I happen to want to go there too," Li Qingzu felt unable to refuse a request from Ye Chen.

The male students who heard this all stared, whether this was still untouched school interest, how his attitude had changed 180 degrees, the male students were staring at Ye Chen with fiery eyes.

Seeing Li Qingzu agree, Ye Chen invited the two to go to the canteen together.

Seeing Ye Chen leave, everyone immediately dispersed.

"Hey Zhao Yanyan's classmate, your boyfriend is away with Li Qingzu's school flower, aren't you angry to see this, if it were me, surely I would immediately decide on the unfaithful man" a fat man spoke to Zhao Yanyan, Fat men wanted to badmouth Ye Chen in front of Zhao Yanyan.

The fat man thought Zhao Yanyan and Ye Chen would separate, and he himself would be labeled a good man by the goddess Zhao Yanyan.

Zhao Yanyan ignored the fat man, she continued to read the book without caring about the fat man in front of her.

Seeing Zhao Yanyan ignoring him, the fat man was disappointed, he immediately left the presence of Zhao Yanyan.

Zhao Yanyan was annoyed when this fat man mocked Ye Chen in front of her.

From Zhao Yanyan's palm out a small light sword, Zhao Yanyan controlled a small light sword to cut the fat man's shirt.

After finishing cutting the fat man's clothes, the sword returned to Zhao Yanyan's hand. This was very fast, no one noticed what Zhao Yanyan had just done.

involuntarily the clothes worn by the fat man who was tarnishing Ye Chen was torn into several pieces "ah. . . . "He screamed like a girl.

some students who were still left in class immediately saw the source of this scream, they saw a very interesting sight, a fat man who only wore underwear standing in front of the class.

Most students who live are female students, some women take cellphones and take pictures of this rare event.

Some women who saw this burst out laughing

Fat man does not know what just happened, suddenly the clothes he was wearing torn into pieces.

He tried to cover his body so as not to be seen by women in the class.

Unfortunately it is impossible, fat man's hands cannot cover his body which is too big, he tries to take various objects to cover his body which only has underwear.

Zhao Yanyan who saw this was satisfied, this fat man finally received a proper punishment.

Actually, if Zhao Yanyan wanted, she could kill this fat man, but she would not be that cruel woman who would kill for something like this.

If the family or person she loved was threatened, Zhao Yanyan could be a cruel woman.

Zhao Yanyan's special body of Saintess began to awaken, Zhao Yanyan's mindset began to change little by little, she no longer had the thoughts of an innocent young woman.

Ye Chen, Li Qingzu and Zhang Liao arrived at the school, the school canteen still looked as crowded as ever.

"What do you two want to order?" Zhang Liao asked Ye Chen and Li Qingzu what they wanted to order.

Zhang Liao was the most excited about being able to eat together with Li Qingzu who was an untouchable school flower.

Students from other classes especially the 3rd year were surprised to see Li Qingzu's school flowers coming to the school canteen, they had never seen Li Qingzu in the previous canteen.

For over 2 years studying at school, this is the first time students in the 3rd year have seen Li Qingzu come to the canteen.

They saw a handsome young man standing next to Li Qingzu

Li Qingzu himself felt uncomfortable being stared at by this many people, it was true that this was the first time Li Qingzu had come here.

Usually during recess Li Qingzu would study in class, or go to the library to borrow books she had never learned.

Ye Chen told him what he wanted to eat, Zhang Liao was surprised to hear so much food that Ye Chen had ordered.

Ye Chen felt his body was very tired and hungry, it seemed like this was because he was absorbing Yinqi energy from Cheng Mengyan, this might be a side effect of doing that.

Li Qingzu only ordered food that contained lots of vegetables, vegetables are very good for the body, what's more the price is very cheap for the bag.

Zhang Liao went to buy a message from Ye Chen and Li Qingzu.

"Let's find an empty table to sit, while waiting for our food" Ye Chen invited Li Qingzu to find a table for three people.

in the corner by the window there were still many empty tables, Ye Chen took Li Qingzu there.

from here Ye Chen could see the school field very clearly.

"Qingzu, how could you be here, didn't you say you didn't want to go to the canteen?" A young man with a tall posture and a handsome face went to Li Qingzu.

Chapter 158 - Xiao Luman

This young man is Xiao Luman, he is the head of the martial arts club in this school.

Xiao Luman is the pride of this school, he won several times the city-level school martial championship.

Xiao Luman is a very popular man in this school, there are a lot of women in this school who express love for Xiao Luman, but Xiao Luman rejects all these women, he already has a goddess in his heart, that is Li Qingzu.

Seeing Li Qingzu eating with another man, Xiao Luman was annoyed, it was unusual for Li Qingzu to be invited to eat by men.

Xiao Luman invited Li Qingzu almost every day to eat together, but Li Qingzu always refused his invitation.

"I was eating together with my friend" Li Qingzu answered Xiao Luman's question.

The relationship between Li Qingzu and Xiao Luman is just an ordinary classmate.

"Didn't you say you didn't want to go to eat with me?" Xiao Luman angrily questioned Li Qingzu.

Xiao Luman has tried very hard to get close to Li Qingzu, but Li Qingzu did not let Xiao Luman close to her.

"I really don't want to go with you, is that wrong?" Li Qingzu spoke quite coldly to Xiao Luman, as if Xiao Luman was nobody to Li Qingzu, what more could Li Qingzu's rejection words pierce Xiao Luman's heart immediately.

Xiao Luman was astonished to receive these words from Li Qingzu, although usually Li Qingzu often refused them, but Li Qingzu never said words of cruel rejection like this.

"You, what is your name" Xiao Luman wanted to know the man beside Li Qingzu, Xiao Luman was very upset because of Li Qingzu's words earlier.

he wanted to find an outlet for the man beside Li Qingzu, this was all the fault of this man for being close to Li Qingzu.

Xiao Luman wants to prove that no one can steal Li Qingzu from himself.

"My name is Ye Chen, what's the need for you to ask my name? Ye Chen could feel the animosity from Xiao Luman.

At present Xiao Luman can be said to be a young martial artist.

Xiao Luman's current strength is roughly comparable to stage 3 Martial Realm, if Xiao Luman continues to train his body diligently, maybe in a few more decades Xiao Luman can enter the path of a cultivator.

"So your name is Ye Chen? Ye Ye I warn you not to be close to Li Qingzu anymore, otherwise I will beat you up," Xiao Luman warned Ye Chen not to be close to Li Qingzu.

"Who do you think you are? How dare you manage my life?" Ye Chen most disliked seeing someone threaten him.

"You're quite brave too, as men, what if we prove ourselves by fighting?" Xiao Luman immediately challenged Ye Chen in public.

"Xiao Luman, how dare you threaten my friend" Li Qingzu immediately stood up and defended Ye Chen.

Li Qingzu certainly knew how strong Xiao Luman was, if the two of them fought it was difficult to know who was better.

Seeing Li Qingzu protect Ye Chen, Xiao Luman was increasingly jealous, "hehehe, Ye Chen, how does a man hide behind a woman, are you not ashamed?" Xiao Luman mocked Ye Chen.

"Who do you say is hiding behind a woman, to me you are still very weak to be able to fight me" Ye Chen said that Xiao Luman is still very weak, when compared to his, the difference is indeed very far away, like heaven and earth.

The veins in Xiao Luman's head all came out, as a martial champion, no one had ever dared to say this to him.

This is the first time anyone has dared to underestimate himself openly.

A few students who were eating looked at Ye Chen and Xiao Luman.

Because Ye Chen often made a fuss in the canteen, several students began to recognize Ye Chen.

They all gathered to see what happened next, many female students gathered, they wanted to see the idol Xiao Luman fight.

"If you really say that I am weak, let us prove who is greater among us" with this Ye Chen could not possibly avoid fighting.

"Alright" Ye Chen stood up from his chair, if he didn't give a proper lesson, then Xiao Luman would definitely look for trouble again.

This time Ye Chen would make Xiao Luman know that in this world there were people far more powerful than him.

Seeing the two of them going to fight, the audience gave a large space for Ye Chen and Xiao Luman to fight.

"Ye Chen, wait" Li Qingzu stopped Ye Chen from fighting.

"What is wrong?" Ye Chen asked why Li Qingzu wanted to stop himself from fighting with Xiao Luman.

"Ye Chen Xiao Luman is the head of the martial arts club, I'm afraid you will have a hard time fighting him" Li Qingzu was worried that Ye Chen would lose to Xiao Luman.

Li Qingzu understood that Ye Chen was quite good at fighting, but Xiao Luman was a martial arts expert, he must have deadly movements for his opponent.

"It's too late to back out now, hahaha" Xiao Luman laughed arrogantly.

"You don't need to worry, I will defeat him in one move" Ye Chen said that he could defeat Xiao Luman in one move.

Hearing this there was an insulting smile on Xiao Luman's face, defeating him with just one move was impossible, the probability was only 0%.

Ye Chen stood 2 meters in front of Xiao Luman.

"Are you ready?" Xiao Luman asked whether Ye Chen was ready to fight.

"We can start whenever you want, I will give you 5 times the opportunity to attack me, in the 5 times that I give I will not respond to your attacks", Ye Chen gave Xiao Luman a chance 5 times to show the strength he had, this matter will not be interesting if completed in just one move.

The students who were looking surprised, Ye Chen was very brave to give Xiao Luman the opportunity to attack first.

The admirers of Xiao Luman sneered at Ye Chen very loudly, they shouted for Xiao Luman to defeat this person with a single attack.

Xiao Luman was very angry because he was constantly underestimated by Ye Chen, he immediately made an attacking pose.

Xiao Luman made a stance, his body slightly lowered, his hands clasped very tightly.

on the side, Ye Chen put his hands into his pants pocket, he very casually waited for Xiao Luman to make a move.

Xiao Luman took a step forward, he swung his right leg up to want to kick Ye Chen's head.

When Xiao Luman's feet were only inches from his head, Ye Chen pulled his body back, if Ye Chen attacked at this time surely Xiao Luman would immediately lose.

During the attack Xiao Luman Defense was very wide open.

"One move", Ye Chen counted Xiao Luman's movements.

Xiao Luman was surprised to see that Ye Chen could avoid his attacks very easily.

Xiao Luman wasted no time, he jumped forward like a tiger, Xiao Luman held his fist very tightly, he wanted to hit Ye Chen's head.

Ye Chen was helpless seeing how Xiao Luman fought, this person had no defense at all when he wanted to attack.

Ye Chen dodged aside, what Xiao Luman hit was just empty air, because there were no motorbikes in front, Xiao Luman lost his balance and fell to the ground.

"Hong."Some of the viewers who saw this laughed, admirers of Xiao Luman had an unpleasant face.

Ye Chen wondered with this ability, how could this person become the chairman of a martial arts club.

Chapter 159 - Really One Move

Xiao Luman tried to get up from the floor, Xiao Luman's face was black, he had no idea the situation would turn out like this.

Lots of people laugh at themselves when they fall to the floor.

Intending to humiliate Ye Chen, it turns out he himself was embarrassed in public.

"That was the second step, you still have 3 times the chance" Ye Chen counted Xiao Luman's attack again.

Xiao Luman didn't care anymore, he attacked Ye Chen very blindly.

Ye Chen still easily dodged Xiao Luman's every attack.

Xiao Luman was getting angry because Ye Chen kept avoiding the attacks he made.

As a martial arts family, Xiao Luman has been trained very closely by his father and grandfather since childhood, now Xiao Luman has inherited half the techniques that belong to his father and grandfather.

Because of that Xiao Luman was very confident in his fighting abilities, today Xiao Luman met a pretty great enemy, Ye Chen.

Xiao Luman mobilized all the abilities he had to attack Ye Chen.

"I will count that as a fourth step." Ye Chen gave Xiao Luman leeway.

Xiao Luman's body was already wet with sweat, he had never fought to break a sweat.

"Is it hot in here? I'll open the window for you." Ye Chen had good intentions, he turned to open the window door.

Seeing this Xiao Luman didn't waste the opportunity, he immediately rushed to attack Ye Chen's back.

Xiao Luman jumps into the air "ten shadow kick" Xiao Luman kicks dozens of times in the air.

Seeing Xiao Luman approach Ye Ye twisted his body 360 degrees going behind Xiao Luman.

"Your chance is up, it's time to end this" without much style Ye Chen kicked Xiao Luman out of the window.

Xiao Luman only felt his back bend due to Ye Chen's kick.

He was flown tens of meters and rolled on the ground near the field.

Seeing this people who are doing activities in the field were surprised.

Suddenly someone flew and rolled on the ground.

The watchers were more astonished to see Ye Chen very easily kicking Xiao Luman out of the window.

especially now that Ye Chen still put both hands in his pants pocket.

Ye Chen really defeated Xiao Luman just by using his feet.

Xiao Luman who is on the ground can't wake up, he feels his spine is very painful.

"Chiefs" of the martial arts club members who followed Xiao Luman jumped out of the window, they approached Xiao Luman, who was lying on the ground.

This was beyond everyone's expectations, Ye Chen completely defeated Xiao Luman with just one move.

"Are you okay, chairman?" Several members of the martial arts club helped Xiao Luman rise from the ground.

Xiao Luman couldn't speak, right now he was enduring the pain in his back.

"Let's bring the chairman to the school health unit," one member of the martial arts club suggested bringing Xiao Luman to the school health unit.

Some members of the martial arts club began to lift Xiao Luman off to the school health unit.

several members of the martial club left a threatening eye on Ye Chen.

From now on the strongest person in the school is no longer Xiao Luman, the new strongest person in the school is Ye Chen.

because the battle was over the audience dispersed, some people who idolized Xiao Luman were disappointed to lose.

Ye Chen was quite happy to see Xiao Luman getting a decent lesson.

"Ye Chen, are you alright?" Li Qingzu immediately rushed to Ye Chen's side, she wanted to make sure that Ye Chen was fine.

"I'm fine, you don't need to worry" Ye Chen told Li Qingzu not to worry.

Li Qingzu was relieved to hear that Ye Chen was fine, this was the first time Li Qingzu had worried about anyone, other than her own family.

"Wuhuuu, Ye Chen you are so great" Zhang Liao came while carrying Ye Chen's order.

In the crowd Zhang Liao saw Ye Chen's fight against Xiao Luman.

Zhang Liao did not think that Ye Chen was very good at fighting. Even Xiao Luman reached the embarrassment.

"That's normal, let's start eating." Ye Chen took a plate of food from Zhang Liao.

Zhang Liao handed over Li Qingzu's dishes, the three of them began to eat.

In another corner there was a beautiful girl who saw Ye Chen with starry eyes, the girl seemed to have just found a new idol.

The figure of this girl is only about 155cm tall, with a very beautiful face, and a perfectly slim body. Both of the girl's hair are tied into twintails, the biggest drawback of this beautiful girl is in the chest that is very flat like an airplane runway, its size may be A cup .

At first this girl idolizes Xiao Luman, she wants Xiao Luman to train her to become a great martial artist.

Because she often watched ancient battle films exhibiting martial arts, this girl really likes to see people fight very cool.

Xiao Luman once told her that when she was a child, martial arts were not suitable for study by little girls like her.

today the beautiful girl saw someone stronger than Xiao Luman, she wanted to find time to get acquainted with Ye Chen.

Maybe this person wanted to train herself to be a great martial artist.

Members of the martial arts club took Xiao Luman to the school health unit.

They laid Xiao Luman on a bed in the school health unit.

"Damn, this is very painful" Xiao Luman grumbled in pain, he felt his back was still very sick.

"Chairman, do we all need to join hands to fight the boy" Martial Arts Club members wanted to take revenge on Ye Chen.

"Do you think you can win against people like that, even that person only needs one move to defeat me", these people could not even defeat him, how they foolishly wanted to defeat Ye Chen who was far stronger than himself.

Hearing this martial arts club members bowed their heads, they were indeed no match for Ye Chen.

"Forget it, my legendary uncle will return after 20 years of training, I will ask my uncle to give the boy a proper lesson." Xiao Luman intends to ask his uncle for help in overcoming Ye Chen.

My father and grandfather said that he had gone to practice for more than 20 years, he was said to be practicing in a sect that had a very high reputation.

20 years ago uncle Xiao Luman helped a sect elder, to repay uncle's kindness, the elder brought uncle Xiao Luman back to the sect to be trained to become a cultivator.

finally after 20 years, uncle sent a letter, in the letter it was written that he would return to the family for a few days.

My father and grandfather always said that his uncle was a person who was very good at martial arts, after 20 years of practicing in the sect his uncle's skills would be extraordinary.

actually Xiao Luman had never seen his uncle directly, he could only see my uncle's face in the picture frame in the living room.

Xiao Luman can't wait to meet his uncle who is now a cultivator, he wants to see the greatness of a cultivator that is often told by his grandfather and father.

Ye Chen didn't know that Xiao Luman still wanted to find a problem with him.

Right now Ye Chen was absorbed in eating the food on his plate.

After finishing eating, Li Qingzu could not stay here long, he still had to study.

Li Qingzu bid farewell to Ye Chen.

Zhang Liao was quite depressed because Li Qingzu never mentioned his name.

"let's go back to class" Ye Chen invited Zhang Liao back to class.

"ouch" while on his way back to class. a little girl suddenly hit Ye Chen and fell to the floor.

Ye Chen looked down, he found a pretty pretty girl sitting on the floor, this woman had a beautiful face and her hair was tied into twintails.

Even though this girl's chest is flat, it can still be covered by the beauty she has.

Seeing this beautiful girl's face, Ye Chen felt like he had seen a face similar to this girl somewhere.

"You're all right" Ye Chen reached out to help this girl get up from the floor.

The beautiful girl accepted Ye Chen's helping hand and rose from the floor

Chapter 160 - Su Yuyu

"Thank you very much," the beautiful girl thanked Ye Chen.

"Aren't you the little Su Yuyu from the first year?" Zhang Liao seemed to know this beautiful girl.

"Do you know me?" asked Su Yuyu

"Hahaha, of course I know very well about you, people often call you a flat-breasted loli" Zhang Liao who likes gossip certainly knows Su Yuyu who is a beautiful Loli.

"Who do you call a flat-chested loli, I've been 14 years", Su Yuyu was very upset when being called a flat-chested loli by Zhang Liao.

because of anger Su Yuyu kicked in the groin of Zhang Liao with quite strong.

"Ouch" Zhang Liao who was laughing suddenly felt a stinging pain from his lower body, he knelt down holding his lower body, Loli Su Yuyu really dared to kick his lower body very strongly

Ye Chen was a little horrified to see Su Yuyu kicking Zhang Liao's lower body very strongly.

Su Yuyu turned her attention to Ye Chen, "That. . . ." "I saw you fighting, it was really cool, can I learn martial arts skills from you?" Su Yuyu immediately said what she wanted from Ye Chen.

"Eh, why do you suddenly want to learn martial arts from me?" Ye Chen asked.

"Of course, because I really like martial arts" when I said martial arts, Loli Su Yuyu's eyes began to glow.

"Martial arts are very dangerous for little girls like you, you have to wait even more mature before practicing martial arts," Ye Chen said.

"I'm not a child anymore, this year I'm 14 years old" Su Yuyu again said that she was not a child.

Ye Chen sighed "if you want to grow up you should be at least 16 ~ 17 years old, wait 2 ~ 3 years for you to grow up, maybe I would consider training you" not because Ye Chen didn't want to train Su Yuyu, the

problem Ye Chen still had training Zhao Yanyan, Liu Yue and Su Mengxin, if added to this little loli, Ye Chen would definitely be more inconvenient.

Besides, this beautiful girl was nobody to Ye Chen, for what Ye Chen bothered to train.

"Let's go" Ye Chen helped Zhang Liao to his feet, it looks like Zhang Liao's bottom still feels a little sore.

"Little loli, just watch, one day I will repay your actions today" Zhang Liao threatened Su Yuyu's loli.

"Never mind, she is still a little girl, don't take it too deeply" Ye Chen told Zhang Liao not to be too serious when dealing with little girls.

"Wait, I beg you, teach me martial arts" Su Yuyu did not want to give up, while holding Ye Chen's hand she whined to ask Ye Chen to teach martial arts.

"Little girl quickly release, I must return to class" Ye Chen tried to break away from this little girl.

Su Yuyu didn't want to let go of Ye Chen, she hugged Ye Chen's arm very tightly.

Seeing this Ye Chen was helpless, Ye Chen ignored Su Yuyu and went to the classroom.

Su Yuyu still clung tightly to Ye Chen's arm, she followed Ye Chen all the way to class.

Zhang Liao laughed seeing Ye Chen being wrapped tightly by Su Yuyu.

"How long will you hold me. quickly return to your class ", when he arrived at the entrance of class J, Ye Chen told the little girl Su Yuyu to release himself.

"No, until you promise to train me, I will never let you go" Su Yuyu was still steadfast in her stance, she would not let Ye Chen go until Ye Chen would teach her martial arts.

"Whatever you say" Ye Chen entered the classroom, he immediately went to the side of Zhao Yanyan.

Zhao Yanyan saw Ye Chen's arrival, the strange thing about Ye Chen's arm was a beautiful little girl who was holding Ye Chen's arm very tightly.

"Ye Chen who is this girl? Zhao Yanyan wanted to know the girl who was holding Ye Chen's arm very tightly.

"I don't know, Yanyan help me get rid of this girl" Ye Chen asked Zhao Yanyan's help to get rid of this girl.

Ye Chen tried to push Su Yuyu away, this really looked funny.

"Little girl, what is your name?" Zhao Yanyan asked the name of this girl.

"I'm not a little girl, I'm 14 years old, I'm now in my first year" Su Yuyu denied Zhao Yanyan's words that she was a little girl.

"Ok, I understand, then Su Yuyu what do you want from Ye Chen" Zhao Yanyan immediately asked the main problem.

Su Yuyu, "I want him to teach me martial arts".

"Su Yuyu, Ye Chen is a busy person, what if I just taught you martial arts" is different from Ye Chen's Zhao Yanyan instead wants to teach Su Yuyu martial arts.

"Is it true?," Su Yuyu immediately let go of Ye Chen's arm, she turned to Zhao Yanyan's side.

"Beautiful sister, is it true that you have martial arts techniques?" Su Yuyu immediately asked Zhao Yanyan.

"Of course, I got some of my skills from Ye Chen" Zhao Yanyan smiled at Su Yuyu.

"Yay, from now on I will call you Master" Su Yuyu salutes Zhao Yanyan.

"Get up quickly, now you go back to your class, then after school meet me at the school gate" Zhao Yanyan ordered Su Yuyu.

"Yes, master, I understand" Su Yuyu immediately left Class J and returned to her class.

Ye Chen had no idea Zhao Yanya could make Su Yuyu be very obedient.

"Yanyan are you sure you want to teach that girl to be a cultivator?" Ye Chen asked Zhao Yanyan.

"You don't need to worry, I will only teach the girl a little fighting technique," said Zhao Yanyan.

"So you lied to that little girl" Ye Chen didn't think Zhao Yanyan was very good at lying to Su Yuyu.

"Who is lying, I never said I would teach Su Yuyu to be a cultivator, I only said I would teach Su Yuyu a martial art, those were two different meanings of words" Zhao Yanyan explained the meaning of her words to Ye Chen.

"Well, whatever you say, the important thing is that the girl is no longer bothering me" now Ye Chen could sleep peacefully.

"Geez, why are you so lazy", Zhao Yanyan was helpless when she saw Ye Chen go back to sleep.

Ye Chen had fallen asleep, he hadn't heard Zhao Yanyan's words just now.

Time continued to go on, when Ye Chen woke up it was late, it was time to go home from school "finally time to go home" Ye Chen couldn't wait to return home.

"Husband, wasn't that Rouxi's sister telling you to go to her room?" Zhao Yanyan reminded Ye Chen to go to teacher Lin Rouxi's room.

"Well, I know, it seems like I will get a lecture from teacher Lin" Ye Chen was helpless if he had to hear the ravings of Lin Rouxi,

"Giggling" Zhao Yanyan squeaked laughter.

"I'll wait for you at the school gate" Zhao Yanyan took the bag and left first.

Ye Chen went to Lin Rouxi's teacher's office, the school road was very quiet, it seemed like all the students had left early.

A few moments later Ye Chen arrived in front of Teacher Lin Rouxi's room.

When Ye Chen was about to open the door, from inside he heard teacher Lin Rouxi's groans
