Chapter 1511 - Master, I Have A Good Thing For You

"What exactly is he preparing for?" Ye Chen asked what Li Jingyi was preparing.

"Husband, I forgot to tell you, Lord Peak is coming to visit you, she wants to go to your house to see how you are" Mu Xueying said to Ye Chen.

" Ehhhhh, why so suddenly, what did he do here all of a sudden?" Ye Chen asked what Mu Xueying was doing, why did she come in such a sudden manner.

"That, actually when you weren't present at the Sect for a few days, I told him that you were sick, I think that's the reason why he came here." Mu Xueying told the reason why Ning Xia had decided to come to this place.

"Wait a minute, how can you make such an excuse when I didn't do anything?" Ye Chen asked Mu Xueying, why did Mu Xueying have to make such an excuse to Ning Xia.

"I don't have any reasonable excuses, even if I don't make excuses, surely Master will still be here, so I can't do anything about it" Mu Xueying replied with an innocent face.

Mu Xueying looked innocent, she didn't look like she had done a big and meaningful mistake.

"Why didn't you tell her that I was fine, so he didn't have to come here?" Ye Chen asked Mu Xueying.

Mu Xueying should have told Ning Xia that Ye Chen was fine, then everything would be resolved very easily.

"Of course I've already mentioned the matter, the problem is that Master doesn't want to listen to what I say, he doesn't believe what I say." Mu Xueying told Ning Xia that she didn't believe what she said.

"Never mind, everything happened, it's fine to let her come to this place" since everything had already happened, there was nothing Ye Chen could do.

"Master won't do anything to you anyway, so calm down" Mu Xueying said to Ye Chen.

"Okay, I understand" Ye Chen nodded, he is a good person, then when he comes we will take care of him" Since Ning Xia is a good person, Ye Chen decided to have a banquet for Ning Xia.

"That matter, Jingyi has already done that, so you don't have to think about it anymore." Mu Xueying told Ye Chen not to think about it anymore.

"Wow, Jingyi is so fast, I think I should give him a reward for what he has done." Ye Chen intended to give a reward for what Li Jingyi had done.

Ye Chen wore a lecherous expression when he thought of this, Li Jingyi is a submissive wife, of course it would be very easy to ask Li Jingyi for that.

"What are you thinking?" Mu Xueying tapped Ye Chen's head, she already sensed that Ye Chen thought something bad about Li Jingyi.

"Do you not like me thinking about Jingyi, then how about I just think about you" Ye Chen said to Mu Xueying, Ye Chen smiled at Mu Xueying, he told Mu Xueying that he would think about it.

"Husband, don't make my mood bad." Mu Xueying warned Ye Chen not to make her mood worse.

"Hahaha, fine, I won't make my wife's mood worse." Ye Chen laughed, he wouldn't make Mu Xueying's mood worse.

"Very good, I am going to do something." Mu Xueying wanted to go to do something, so she couldn't accompany Ye Chen here.

"Okay" Ye Chen nodded, he didn't have a reason to keep Mu Xueying in this place anymore.

Mu Xueying left, she left Ye Chen alone in the living room.

"What will I do after this?" Ye Chen wondered what he should do in a situation like this, there was nothing he could do in a situation like this.

"Master, why don't you go inside the fairy gate, i have something good awaits you" Chu Yuechan said to Ye Chen, she told Ye Chen that there is something good inside the fairy gate.

"What's that?" Ye Chen was immediately excited when he heard what Chu Yuechan said, Ye Chen was very excited when he heard what Chu Yuechan said.

"Come in" Chu Yuechan took Ye Chen inside the fairy gate, she was going to show it to Ye Chen.

Hearing this, Ye Chen immediately rushed into the fairy gate, he immediately saw what Ye Chen had.

When Ye Chen entered the fairy gate, Chu Yuechan sat sipping a cup of tea, what Chu Yuechan did was like a noblewoman.

"Where's the good one?" Ye Chen asked Chu Yuechan, he asked where the good things were waiting for him.

"Fufufu, you are so cute, don't you realize that I am tricking you" Chu Yuechan said with a giggle.

"-___-" Ye Chen felt cheated by what Chu Yuechan said, why did he believe so much in what this tempting fairy said.

"Fufufufu, master I was only joking with you, why did you show such a reaction?" Chu Yuechan said that she was joking with Ye Chen, why did Ye Chen show a funny reaction when Chu Yuechan was joking with Ye Chen.

"Come on, don't joke with me anymore, quickly tell me what you have for me" Ye Chen asked what Chu Yuechan had of him.

"Why don't you check the status of the fairy gate," Chu Yuechan said to Ye Chen.

"huh ?,Fairy gate level up again, how come so fast?" Ye Chen looked surprised when he learned this.

"Master, have you forgotten about Huang Ying?, he has a very big role in this matter" Chu Yuechan said to Ye Chen.

"Oh, you are absolutely right" Ye Chen now remember, by getting Huang Ying, she should get a lot of experience, that beautiful goddess will definitely give Ye Chen a lot of experience.

"hopefully this time I get something good and decent" Ye Chen prayed, he wanted something useful for Previously, there were only two that were most useful to Ye Chen, these two things had helped Ye Chen very well, this time Ye Chen wanted something even more powerful.

Ye Chen opened his status as the lord of the fairy gate, he saw the status hers inside the fairy gate

JOURNEY TO BECOME A TRUE GOD

Chapter 1512 - Ning Xias Arrival At Ye Chens House

"Your ambition is quite big too, but I like it" Chu Yuechan liked Ye Chen's ambition, she liked Ye Chen's ambition which was very big.

"Who are you aiming for next?" Chu Yuechan asked who Ye Chen would be after, whether it was the woman from Jade Lotus Peak or Lord Peak Ning Xia.

"I don't know, maybe Qiao Xin" Ye Chen replied, Ye Chen might try to mend his relationship with Qiao Xin, he hasn't been with Qiao Xin for a long time.

"Why don't you take a look at the reward you got" Chu Yuechan asked Ye Chen to see the gifts he had managed to get.

" Okay. . . "Ye Chen nodded, he looked at the reward he managed to get.

first reward is **God Domination Pressure**? a technique used to suppress the enemy, the suppressed enemy will have difficulty breathing until he faints, only people with very strong mentality can resist this technique.

second reward, **Time Vision?** : an ability that allows the user to see for a few seconds the future that will happen, this is a technique that is suitable for avoiding enemy attacks.

third reward, Invisible Cloak: can make the user invisible and undetected, this is very suitable for carrying out an intrusion, plus it can be used by some people considering its size is quite large.

Fourth reward, Teleportation Ring: a ring that can allow you to teleport to a marked place, this ring is only capable of storing a total of 50 different locations.

Fifth reward, Defense Vial: this can give the drinker a permanent increase in physical strength.

sixth reward, Strength Vial: this can make the drinker get a permanent increase in combat power.

seventh reward, stamina Vial : this can allow the drinker to gain a permanent increase in the amount of profound energy.

eighth reward, Evasion Vial : this can give the drinker a permanent speed boost.

"Gravity domain training room has opened, Tower Abyss training room has opened, Alchemist special room & Artifact Creator special room upgrade has been unlocked, higher artifact and weapon room unlocked, you can now access more weapons, higher medicine Room unlocked you now can access more medicine"

"Wow, this is really a great treasure, I really like it" Ye Chen really liked the gifts he got, all of them were really very good things, Especially Time Vision, it's very useful in future battles.

"Congratulations, you got a good gift" Chu Yuechan congratulated Ye Chen, Ye Chen got a lot of good things.

Ye Chen just laughed when he heard this, he took the Defense Vial, Strength Vials, Vial's stamina, and Vial's evasion." Ye Chen immediately used the four items.

After using these four items, Ye Chen began to feel a tremendous increase in strength, he felt a pretty big change in his body.

"This is great." Ye Chen had to admit that this was a very good item, it was something that was extremely good to use.

"Yuechan, do you know the ingredients to make those four things?" Ye Chen asked Chu Yuechan, he wanted to know the materials that should be used to make the Defense Vial, Strength Vial, Stamina Vial, and Evasion Vial.

"I don't know much about it, these four things are made with materials that are very rare and hard to find, I don't know much about it myself either." Chu Yuechan said that she didn't know about this matter, this matter was beyond his control

"Too bad, but if you knew, then that would be great." Ye Chen could only shake his head, whereas if Chu Yuechan knew about this, Ye Chen might be able to mass-produce it.

"Master, that item only has 1x usage effect, it can't be used over and over again." Chu Yuechan of course knew what Ye Chen was thinking, Ye Chen must be thinking of a way to mass-produce those four items.

"This is a pity." Ye Chen felt that this was a pity, even though this was the fastest way to increase strength.

Chu Yuechan smiled when she saw Ye Chen's expression, it seemed that Ye Chen was very disappointed with the answer she gave.

"okay no problem" since there was nothing to do in this situation, Ye Chen had no choice but to let go of this, he probably couldn't share this with his wife.

After that Ye Chen started trying to learn **God Domination Pressure & Time Vision**, these two skills seemed quite difficult to learn, so it was likely that Ye Chen would need some time to learn these things.

"I'm going, enjoy studying" Seeing Ye Chen start to learn **God Domination Pressure & Time Vision**, Chu Yuechan decided not to interfere, he let Ye Chen get his own world.

Ye Chen didn't realize Chu Yuechan had left, he was immersed in studying **God Domination Pressure & Time Vision**.

God Domination Pressure & Time Vision was something that was a little difficult to learn, Ye Chen needed some time to learn this.

"Hmm, why is this so difficult, is there nothing easy to do" Ye Chen muttered, this is indeed a difficult technique to understand, he will probably need some time and effort to learn this.

Ye Chen is the type of person who never gives up, Ye Chen will not give up easily just because of trivial things like this, Ye Chen is a hard worker, before he manages to master **God Domination Pressure & Time Vision** he will not give up.

Time passed quickly.

Ye Chen kept trying, in these few tens of hours, Ye Chen tried his best.

Ye Chen started to be able to use **God Domination Pressure & Time Vision**, he finally understood God Domination Pressure & Time Vision.

God Domination Pressure & Time Vision were difficult skills to grasp, even a genius would take thousands to tens of thousands of years to learn this difficult technique.

"Husband, are you here?" When Ye Chen had just mastered **God Domination Pressure & Time Vision**, Li Jingyi came over to Ye Chen.

" what is it?" Ye Chen asked Li Jingyi, why did Li Jingyi search for her whereabouts.

"Husband, it's getting dark in outside, you better prepare yourself, Ning Xia will be here soon" Li Jingyi told Ye Chen the reason she came here.

"Is it late, I'm not aware of this?" Ye Chen didn't realize that outside, he was already immersed in studying God Domination Pressure & Time Vision.

"Let's go out quickly." Li Jingyi asked Ye Chen to go out right away.

"okay, I will prepare." Ye Chen nodded, he was about to go out and prepare.

Ye Chen and Li Jingyi walked out of the fairy gate, after exiting the fairy gate, Ye Chen started to prepare to welcome Ning Xia's arrival.

Ye Chen was dressed quite neatly, he didn't let himself look bad when Ning Xia came here.

Li Jingyi herself had prepared everything very well, she had prepared all the dishes very well.

After the appointed time came, Ning Xia came to this place, she came together with Mu Xueying, Xia Qingyu and Mu Nianci.

Ning Xia had deliberately brought Xia Qingyu and Mu Nianci along with her, both of whom had a relationship with Ye Chen, so Ning Xia had a reason to bring the two of them to this place.

Ning Xia, Mu Xueying, Xia Qingyu and Mu Nianci came down, they entered Ye Chen's house.

"Lord Peak and Sister Xueying, Qingyu & Nianci welcome.." Ye Chen greeted Ning Xia, Mu Xueying, Xia Qingyu and Mu Nianci.

JOURNEY TO BECOME A TRUE GOD

Chapter 1513 - Ning Xias Gaze Is Like Looking At A Criminal

"Chen, how are you, are you okay, I heard you were injured after the battle" Ning Xia asked Ye Chen, she wanted to know the state of Ye Chen.

"I'm fine, it's only a minor injury so Lord Peak needn't worry" Ye Chen told Ning Xia if he was fine.

"So you've improved, it's good that you've improved we are happy to hear this" Ning Xia was happy to hear this.

"if Lord Peak Ning has returned from a trip?" Ye Chen asked Ning Xia.

"I immediately came back when I heard the news of the Sect being attacked" Ning Xia announced when she had returned.

"I see." Ye Chen now understood, it seemed that Ning Xia was back when she listened to the Sect being attacked.

What Ning Xia was worried about was not Sect, Ning Xia was more worried about the female disciple of the Jade Lotus Peak.

"Let's go inside, it's inconvenient to let you in outside like this" Ye Chen invited everyone in, he wanted everyone to go inside the house.

Seeing the invitation from Ye Chen. Ning Xia, Mu Xueying, Xia Qingyu and Mu Nianci entered the house.

When they entered the living room, Ning Xia, Mu Xueying, Xia Qingyu and Mu Nianci saw that there was already a lot of food inside.

"Please enjoy your time." Ye Chen invited all the ladies to enjoy the banquet.

"Ye Chen actually you don't need to do something like this" Ning Xia told Ye Chen not to do this kind of thing.

"You don't have to be so shy, you can do whatever you want" Ye Chen said to Ning Xia, Mu Xueying, Xia Qingyu and Mu Nianci.

Ning Xia, Xia Qingyu and Mu Nianci couldn't possibly refuse Ye Chen, they couldn't possibly refuse Ye Chen.

They all sat at the table, out of all the women only Ning Xia looked confused.

In this place only Ning Xia who has not had a relationship with Ye Chen, meanwhile all the women already have a relationship with Ye Chen

"Oh there is a guest" Huang Ying appeared, he saw that there was a guest in this place.

Seeing the arrival of an unknown person, Ning Xia immediately looked at Huang Ying, she saw the figure of a beautiful and very perfect woman.

"Oh my, who is this woman?" Ning Xia looked very surprised when she saw Huang Ying, Ning Xia didn't know anymore who the beautiful woman who appeared in Ye Chen's house.

"Is this Ye Chen's older sister, Ye Chen is quite handsome, so she might be Ye Chen's older sister" Ning Xia started to think clearly, maybe the woman who just appeared was Ye Chen's older sister.

Mu Nianci and Xia Qingyu looked at Huang Ying, unlike Ning Xia, Mu Nianci and Xia Qingyu could already guess who this woman was, this woman definitely had a close relationship with Ye Chen.

Both of them believed that Huang Ying was Ye Chen's woman, the odds were almost 99% accurate and reliable.

Mu Xueying could only shake her head, why did Huang Ying have to appear in this situation.

Mu Xueying had no right to protest against Huang Ying, she was not a worthy opponent for Huang Ying.

After all these two were sisters, so there was no reason to do such a thing.

"Sister Ying, why are you here?" Seeing Huang Ying who had suddenly appeared, Li Jingyi immediately went and pulled her away.

Li Jingyi's arrival took Ning Xia by surprise, she was again shown an extraordinary beauty like Li Jingyi.

"Jingyi why are you so suddenly, is there something?" Huang Ying looked confused by what was happening, he had absolutely no idea what was going on.

Li Jingyi pulled Huang Ying to leave the living room, they had to leave this place immediately.

Li Jingyi and Huang Ying left this place, both went to the living room where they could relax.

"Chen, ready those two?" Ning Xia was already very curious as to who the two women who had just appeared were.

"That . . ." Ye Chen was a little confused as to how he should explain it to Ning Xia, it seemed like it would be a very troublesome thing when he had to explain everything to Ning Xia.

"Master, actually" Mu Xueying told what happened to Ning Xia, she told everything to Ning Xia.

If they continued to lie, then this matter would not be resolved, so it was better to be honest about what happened.

Ning Xia's eyes widened when Listening what Mu Xueying said, Ning Xia looked straight at Ye Chen.

Ye Chen didn't feel well when he received Ning Xia's gaze, for some reason Ning Xia's gaze seemed to be interrogating a criminal.

"Ye Chen, I didn't expect you to be such a person." Ning Xia looked dissatisfied with this matter, she was dissatisfied when she heard this from Mu Xueying.

Even though Ye Chen already had Mu Xueying, Xia Qingyu and Mu Nianci, how could he still dare to look for another woman outside.

"Lord Peak Ning, what are you saying?" Ye Chen scratched his head, Ye Chen just smiled.

"How do you explain this to Qingyu and Nianci" Ning Xia asked Ye Chen.

Ning Xia asked how Ye Chen would explain this matter to Xia Qingyu and Mu Nianci.

"The two of them can accept this well, right Qingyu, Nianci?" Ye Chen turned to Xia Qingyu and Mu Nianci for help.

"It's up to you." Xia Qingyu and Mu Nianci replied nonchalantly.

It seemed that Xia Qingyu and Mu Nianci didn't really mind this, both of them were used to what Ye Chen was doing.

"The two of them didn't show any reaction when they saw this" Ning Xia couldn't believe what she saw, Xia Qingyu and Mu Nianci didn't react to this matter.

As Xia Qingyu and Mu Nianci did not react to this matter, Ning Xia looked at Mu Xueying, it seemed that Mu Xueying had not reacted to this matter either.

"Actually, how is their relationship, why is it so complicated?" Ning Xia felt that Ye Chen's relationship with all women was very complicated, Ning Xia herself didn't know what kind of relationship they had.

"Okay calm down, let them do what they want, as long as it doesn't harm anyone then it will be fine" Ning Xia tried to calm down, she shouldn't show this kind of thing to Ye Chen and the others.

After a while, Ning Xia finally calmed down, she was back to her usual Ning Xia.

"Chen, since they are here, why don't you invite them along with us" Ning Xia told Ye Chen to call Li Jingyi and Huang Ying, let them be in the banquet held by Ye Chen.

"Jingyi, Ying, come here" Ye Chen called Li Jingyi and Huang Ying, he asked both of them to come.

Being summoned by Ye Chen, Li Jingyi and Huang Ying arrived, both of them joined the banquet.

Huang Ying and Li Jingyi started to introduce themselves, they introduced themselves to Ning Xia, Xia Qingyu and Mu Nianci.

Ning Xia, Xia Qingyu and Mu Nianci were both shocked when they heard Li Jingyi's identity, they couldn't believe that Li Jingyi was a princess

"Your story is like a fairy tale" Xia Qingyu felt that what Li Jingyi told was like something in a fairy tale.

Xia Qingyu used to read stories like that a lot, of course she knew very well what kind of storyline she had read as a child.

"Thank you very much" Li Jingyi thanked Xia Qingyu for listening to her story.

JOURNEY TO BECOME A TRUE GOD

Chapter 1514 - If You Can Find It, Ill Give You A Present

"You seem quite special" Huang Ying said to Ning Xia, Huang Ying looked straight at Ning Xia, she seemed very interested in Ning Xia.

"what do you mean ?" Ning Xia only smiled when she heard what Huang Ying said, she smiled and returned Huang Ying's words.

"fufufufu" Huang Ying smiled at Ning Xia, she didn't tell Ning Xia anything, it could be said that Huang Ying was hiding what happened.

Huang Ying herself still didn't fully know whether her guess was right or wrong, Ning Xia hid herself very well.

Everyone started to enjoy the banquet, among everyone, Ning Xia was the one who touched the food the least, Ning Xia kept her elegance in front of Ye Chen.

It was indeed a little difficult to do something like this under the veil, so it wasn't strange that Ning Xia would be like this.

"Ye Chen, can you come with me" Ning Xia invited Ye Chen, there was a little thing she wanted to talk to Ye Chen about.

"Oh okay" Ye Chen nodded, he immediately left and followed Ning Xia, the two of them headed towards the backyard that was behind the house.

"Chen, I heard that you are doing really great things, is that true?" Ning Xia asked Ye Chen, she wanted to hear Ye Chen's testimony calmly the questions he gave.

Ning Xia listened that Ye Chen did great things, Ye Chen became a topic of conversation among the female disciples in the Sect, almost all the women from Jade Lotus Peak talked about what Ye Chen had done.

"Not really, I'm not that great" Ye Chen scratched his head, he wasn't as great as what Ning Xia said.

"You don't have to lie to me, I already know everything" Ning Xia told Ye Chen to be honest, she already knew everything, even Ning Xia knew that Ye Chen had beaten Luo Tian easily.

"Looks like I can't hide this anymore" Ye Chen said to Ning Xia who was in front of him.

"Of course, what you did was extraordinary, so why would you hide it from me?" Ning Xia said.

Ye Chen smiled as he listened to Ning Xia's praises, Ning Xia kept praising Ye Chen.

"Your increase in strength is fast, I am quite surprised by it" What surprised Ning Xia the most was Ye Chen's increase in strength, Ye Chen was increasing very quickly.

Even though Ning Xia still didn't have time to provide resources for Ye Chen, what happened was that Ye Chen was able to move up very quickly.

"I train very hard, so I want to be fast so I can protect what is precious to me, in this world strength is absolute that I learn" Ye Chen said to Ning Xia.

Ye Chen told the reason why he wanted to become stronger, Ye Chen wanted to become stronger so that he protects what he likes.

"That is a very good spirit." Ning Xia nodded, hearing Ye Chen's words, Ning Xia started to think of something.

Ye Chen looked at Ning Xia, Ye Chen didn't know what Ning Xia was thinking.

Even though he didn't know what Ning Xia was thinking, Ye Chen guessed that Ning Xia must be thinking about something important.

"Lord Peak, what are you thinking?" Ye Chen asked what Ning Xia was thinking.

Ning Xia still looked lost, she didn't listen to what Ye Chen just said.

"Am I being ignored?" Since there was no response from Ning Xia, Ye Chen felt that he was being ignored by Ning Xia.

"Lord Peak Ning. . . ."Ye Chen called Ning Xia several times, he checked whether Ning Xia was ignoring him or if she was really unconscious.

" this is dangerous ?." Ye Chen felt that this was dangerous, how could Ning Xia not react when she was called several times.

"I have to resuscitate her immediately" Ye Chen had to resuscitate Ning Xia immediately, he must not let Ning Xia be like this.

"Lord Peak Ning wake up, what's going on" Ye Chen held Ning Xia's shoulders, he slightly shook Ning Xia's shoulders.

With what Ye Chen did, Ning Xia began to regain consciousness, she began to regain consciousness and looked at Ye Chen who was in front of her.

" what is it?" Ning Xia asked Ye Chen, she asked why Ye Chen suddenly did this to her.

This time Ye Chen touched herself, this made Ning Xia feel a strange feeling from Ye Chen.

"What is this feeling?" Ning Xia didn't know what this feeling was, why every time she was with Ye Chen, she would always feel this kind of feeling.

It was because of this strange feeling that Ning Xia was so curious about Ye Chen, she was curious about Ye Chen.

"No, just now you looked absent-minded and couldn't talk, I thought you had something going on" Ye Chen said to Ning Xia.

"Nothing happened to me, I was just thinking about something?" Ning Xia replied to Ye Chen.

"Oh yes, Lord Peak Ning, what are you doing?, why do you always go and disappear suddenly" Ye Chen asked Ning Xia, he wanted to know what Ning Xia was doing.

It was necessary to know that Ning Xia went out a lot, so it was not surprising that Ye Chen was curious about what Ning Xia was up to.

"I was going to look for something" Ning Xia informed that she was going to look for something.

" what's that?" Ye Chen asked Ning Xia, Ye Chen wanted to know what Ning Xia was looking for, it seemed that it seemed very important.

"This might sound silly to you, but I was looking for a hair ornament that I dropped." Ning Xia told Ye Chen what she was looking for.

Ning Xia still hadn't given up, she was trying her best to find out what was precious to her.

" What is it like ?" Ye Chen asked Ning Xia, actually Ye Chen already knew what Ning Xia was looking for.

"It looks like this" Ning Xia told what kind of jewelry she was looking for.

"Should I help find it?" Ye Chen asked Ning Xia.

Ye Chen took the initiative to help Ning Xia find what she was looking for.

"I don't think it's necessary, I don't want to bother you" Ning Xia replied to Ye Chen.

Ning Xia didn't want to bother Ye Chen, so she didn't want to accept any help from Ye Chen.

"I don't mind doing this" Ye Chen said that he didn't mind doing this for Ning Xia.

Ning Xia was slightly touched when she heard this, she was touched when she heard what Ye Chen said.

"But, do you think I will get a reward if I find that?" Ye Chen asked if he would get a reward if he found Ning Xia's jewelry.

"-_-"" Ning Xia's preconceived notions immediately disappeared when she listened to what Ye Chen said, even though she already thought Ye Chen was doing this sincerely.

"Lord Peak Ning, I was only joking, so don't take it too seriously." Ye Chen told Ning Xia that he was joking, so he wanted Ning Xia not to be too serious.

"No, if you can find it, I will give you a gift, I promise on my behalf" Ning Xia said to Ye Chen that she would give a gift to Ye Chen if she managed to find her jewelry.

Ning Xia looked indifferent when she said this, she didn't seem sure Ye Chen could figure it out.

JOURNEY TO BECOME A TRUE GOD

Chapter 1515 - What Do You Want From Me ?

"Are you sure about this?" Ye Chen asked Ning Xia, Ye Chen wanted to make sure Ning Xia was sure of what he just said.

"Of course, I believe in what I said." Ning Xia was sure of what she just said, if Ye Chen really could find it, then Ning Xia would definitely give Ye Chen a gift.

"What kind of gift is that" Ye Chen asked about the gift that Ning Xia would give him, he was curious about the gift that Ning Xia would give him.

"It is a special gift" Ning Xia said to Ye Chen, Ning Xia told that the gift to be given was very special.

"Oh. . ." Ye Chen was more interested when he listened to what Ning Xia had to say, Ye Chen was more curious about what Ning Xia had for him.

"Lord Peak Ning, can you give a little information about what you are going to give?" Ye Chen wanted a little leak from Ning Xia, to be more precise Ye Chen wanted to know what Ning Xia would give.

"Okay, it's something special, you probably won't get it that easily" Ning Xia replied to Ye Chen.

Ning Xia informed that it was something special and not easy to obtain.

Ye Chen was even more intrigued when he heard this, he wanted to know immediately what Ning Xia would give him.

"Okay, then I got it, so where's my present?" Ye Chen took out the luxurious jewelry that was owned by Ning Xia, he showed it to Ning Xia.

"....." Ning Xia was silent for a while, she fell silent when she saw that what she had been looking for was in Ye Chen's hands.

The atmosphere became extremely peaceful, both Ye Chen and Ning Xia did not speak.

"Chen, this?, where did you get this thing from?" Ning Xia immediately pointed at her hair ornament, she asked where did Ye Chen get this thing.

"When I was training, I found this on the road" Ye Chen told Ning Xia that he found this on the road.

"So this thing has been in your hands all this time" Ning Xia asked Ye Chen again.

"Yes of course, since I found it, I better keep it to myself" Ye Chen said to Ning Xia.

"So it's like that, all this time what I was doing was in vain, apparently it has been near me for a long time" Ning Xia felt that what she was doing was in vain, what she was looking for was right next to her.

"Okay, give it to me" Ning Xia tried to snatch her hair ornament from Ye Chen's hands.

" Wait a moment. . ., didn't Lord Peak Ning promised to give me a gift, so where's my gift?" Ye Chen didn't give the luxurious jewelry he had in his hand for free, Ye Chen wanted to know what gift he would get from Ning Xia.

Ning Xia now understood what Ye Chen was doing, Ye Chen was doing this on purpose, she had planned this from the start.

"How can I be fooled so easily like this" Ning Xia didn't know why she could be easily deceived by Ye Chen, Ning Xia should have been more wary of Ye Chen.

Mu Xueying had already warned Ning Xia to be more careful with Ye Chen, unfortunately Ning Xia had rarely heeded Mu Xueying's warnings.

When she was with Ye Chen, Ning Xia always relaxed her guard, Ning Xia looked carefree when she was with Ye Chen.

Ye Chen gave Ning Xia a special feeling, so Ning Xia was not too wary of Ye Chen.

"Okay, I'll give you a special gift" Ning Xia gave a gift to Ye Chen, she took something from her storage ring.

Ning Xia took a bottle, she showed the bottle to Ye Chen.

" what's that?" Ye Chen asked Ning Xia, he wanted to know what Ning Xia had.

"These are Phoenix tears, they can heal a person's wounds even if he is already very dying" Ning Xia told Ye Chen about what she had.

Phoenix tears were quite a precious thing that Ning Xia possessed, this was something that was not easy to obtain even for high ranking people.

So this gift should amaze Ye Chen, and Ning Xia hoped that if anything bad happened, Ye Chen would still have something to help him.

"Oh that, actually I also have it" Ye Chen said to Ning Xia that he also has Phoenix tears, even Ye Chen hasn't used it yet.

"Wait a minute, where did you get this thing from?" Ning Xia immediately asked Ye Chen , she asked where Ye Chen got this from.

"Oh, that I happened to get this thing by accident" Ye Chen happened to get this thing by accident.

"how could it happen" Ning Xia couldn't believe that it could happen , he couldn't believe that Ye Chen had phoenix tears, even though Ning Xia was already very confident in what she had, but the results were quite shocking.

"So does Lord Peak Ning still have anything to give?" Ye Chen asked Ning Xia.

Ning Xia started to think what she should give Ye Chen, what Ning Xia could give Ye Chen.

Ning Xia took out some things, she showed what she had, say Apparently everything that was owned by Ning Xia was already owned by Ye Chen.

"How do you have it all?" Ning Xia couldn't believe that Ye Chen had so many things at his disposal, so what should Ning Xia give Ye Chen.

"You have it all, so what do you want?" Ning Xia didn't know what else to give Ye Chen.

"I don't know, isn't it Lord Peak Ning who wants to give gifts to me?" Ye Chen said to Ning Xia.

Ye Chen himself didn't dare to say what he wanted, so it was better to let Ning Xia decide this.

Ning Xia became dizzy, how did she get her jewelry from Ye Chen's hands.

The atmosphere fell silent again, Ning Xia fell silent again and didn't say anything.

"Did I do something wrong again?" Ye Chen didn't know if he had done something wrong, so Ning Xia was definitely silent and didn't say anything to him.

The atmosphere became a little awkward, this was because Ning Xia didn't say anything to Ye Chen.

"Lord Peak Ning" Ye Chen said to Ning Xia, he was the one to start the conversation first.

"Just as Ye Chen was about to start a conversation, Ning Xia reached her finger towards Ye Chen's lips, telling Ye Chen to be quiet.

"Let's get this over with, what do you want from me, just say it" Ning Xia asked Ye Chen, Ning Xia's tone was full of tenderness.

"I dare not say, please you think about this" Ye Chen did not dare to say, let Ning Xia think about it.

"If you don't say it clearly, then I won't know what you want" Ning Xia put her hands on her two Peak, the pose Ning Xia was using was very seductive.

Ye Chen looked at Ning Xia, Ye Chen saw that Ning Xia was making a very seductive pose.

"what happened to her, why is she putting on such a seductive pose" Ye Chen couldn't lie to himself, Ye Chen of course saw Ning Xia's pose which was very seductive.

Chapter 1516 - How About You Put It On For Me

"Chen, where are you looking?" Ning Xia asked Ye Chen, she saw Ye Chen's irrational gaze towards her.

"That's not really" Ye Chen quickly averted his eyes, he didn't want Ning Xia to realize what she was looking at.

Ning Xia smiled when she saw this, the embarrassed Ye Chen looked really cute.

"Chen, what do you think?" Ning Xia asked Ye Chen.

" About what ?" Ye Chen answered Ning Xia's question, he wanted to know the meaning of Ning Xia's question.

"I asked about my this thing" Ning Xia clarified what she asked Ye Chen.

"Oh about that, I think it's quite big and shaped . . . " just as Ye Chen wanted to continue his words, Ye Chen realized what a mistake he had made. How could Ye Chen be so careless in saying something like this.

Ning Xia looked at Ye Chen with a slightly strange look, she was like looking at an animal.

" Since when did Lord Peak Ning become like this?" Ye Chen looked confused, since when did Ning Xia become like this, this was quite difficult for Ye Chen to believe.

Ning Xia was a calm person and rarely joked so it wouldn't be strange for Ye Chen to be surprised to see Ning Xia joking in such a manner.

Yuechan smiled when she saw Ye Chen surprised, she quite enjoyed Ye Chen's surprised reaction when she saw Ning Xia do something like that to him.

"Hey Yuechan, isn't he a little weird?" Ye Chen asked Chu Yuechan.

Ye Chen felt that Ning Xia had become a little strange, so it would not be strange for Ye Chen to ask Ning Xia about this matter.

"Maybe she is angry with you, you have teased her too much" Chu Yuechan said that Ning Xia might be Angry.

"why, did I do something bad?" Ye Chen thought again, he felt that he didn't do anything bad.

"Wasn't what you did just now bad enough" Chu Yuechan said to Ye Chen

"Which one?, I don't remember." Ye Chen didn't remember that he did anything bad to Ning Xia.

Chu Yuechan couldn't help and shake her head, how could Ye Chen not realize what he had just done to Ning Xia.

"You take care of this matter yourself, I don't want to interfere, this is your business with her, so don't drag me into it." Chu Yuechan decided not to interfere in this matter, she leave Ye Chen to solve this problem.

"-_-_" Ye Chen was hoping for help, but it seemed he had to solve this problem himself.

"Lord Peak Ning, I'm sorry." Ye Chen used his signature move to get out of this place, he had better apologize for what he had done.

"Sorry for what?" Ning Xia asked Ye Chen, what made Ye Chen apologize to her.

"Oh, now the situation is complicated" Ye Chen felt that the current situation was getting complicated, how would he solve this matter.

"I apologize for what I just did, so you don't need to give a gift" Ye Chen said to Ning Xia.

Ye Chen apologized to Ning Xia, he hoped that Ning Xia would forgive him.

"How can it be, I promised to give you a gift, so how can I take back my words" Ning Xia said to Ye Chen.

"That's not necessary, this hair ornament is yours." Ye Chen refused Ning Xia's gift, after all, there was nothing that Ye Chen thought could be used at this time.

"You are very kind" Ning Xia said that Ye Chen was very kind, he gave this for free to Ning Xia.

"How about you put it on for me" Ning Xia asked Ye Chen to put the hair clip on for her.

"Huh?" Ye Chen did not expect that Ning Xia would make such a request, Ning Xia became even more daring towards Ye Chen.

"What's wrong?, don't you want?" Ning Xia asked Ye Chen. Ning Xia really hoped for Ye Chen.

"Okay" Ye Chen nodded, how could he refuse a request from a beautiful woman like Ning Xia.

Ye Chen went straight to Ning Xia's side, he helped dress Ning Xia's hair.

Ning Xia's hair is very good, Ye Chen admires Ning Xia's long hair.

Ning Xia didn't fight back at all, she let Ye Chen help herself put on the ornaments in her hair.

Ye Chen tried to find the best place for it to look good, after finding a good place, Ye Chen started to put the jewelry on Ning Xia's hair.

This was the second time Ye Chen was close to Ning Xia, Ye Chen was currently very close to Ning Xia, Ning Xia's scent tickled Ye Chen's nose.

Ye Chen looked at Ning Xia, if Ye Chen took a closer look, Ning Xia's eyes turned red like a ruby, too bad Ye Chen didn't pay much attention to this.

"Okay it's done" Ye Chen said that he was done.

"Thank you very much, you are such a good boy" Ning Xia stroked Ye Chen's hair, Ning Xia treated Ye Chen like a child.

Ye Chen couldn't help but surrender when he saw this, he couldn't do much about what Ning Xia did.

"Chen, I still owe you, so if you have something you can tell me directly" Ning Xia said that she still owed Ye Chen, she owed Ye Chen a favor.

Without waiting for Ye Chen's answer, Ning Xia left, leaving Ye Chen alone.

"Wow, Lord Peak Ning can be like that too" After Ning Xia left, Ye Chen was finally able to say what was in his heart.

Honestly what just happened had left Ye Chen dumbfounded, Ye Chen was quite dumbfounded when he saw Ning Xia teasing him.

The Ning Xia just now was quite scary, Ye Chen felt a tremendous pressure when he saw Ning Xia.

"Fufufu" Chu Yuechan just giggled, she enjoyed what just happened, it seemed that Chu Yuechan liked what had just happened to Ye Chen.

"I'll be back" Ye Chen returned to the living room, he returned and gathered with his women.

Ning Xia herself was already sitting near Mu Xueying, she returned to the dignified Ning Xia as usual.

"Chen, we are going back, are you coming?" Ning Xia asked Ye Chen, she asked if Ye Chen would come back to Jade Lotus Peak.

"I think I'll be here for a while." Ye Chen informed that for a while, he would be here.

"Okay, if that's what you want" Ning Xia just nodded, she didn't force Ye Chen's will.

"Then we'll say goodbye." Ning Xia and the others left this place.

"They have already left," Li Jingyi said to Ye Chen and Huang Ying.

"Husband, you have such friendly women, it's hard to believe." Huang Ying saw that all of Ye Chen's women were very friendly, they all seemed very friendly to each other.

"Of course, they will definitely be friendly with each other, it's because my women," Ye Chen said to Huang Ying and Li Jingyi.

Huang Ying and Li Jingyi both smiled as they listened to what Ye Chen had to say.

"I'm going out" Ye Chen said that he was going out.

Ye Chen left Huang Ying and Li Jingyi, Huang Ying and Li Jingyi decided to return to their room.

JOURNEY TO BECOME A TRUE GOD

Chapter 1517 - Chang Ers Offer

"Yinan, come out quickly, what do you need to look for me?" Ye Chen called Hu Yinan, he asked what Hu Yinan needed to find him.

"master" Hu Yinan came over, she appeared in front of Ye Chen, he knelt down and saluted Ye Chen.

"What do you want?" Ye Chen immediately asked what Hu Yinan wanted, why was Hu Yinan looking for him.

"I came to report something to you" Hu Yinan came to report something to Ye Chen.

" what's that?" Ye Chen asked what Hu Yinan wanted to report ,apparently, what Hu Yinan was trying to report was something important.

"Master, in the past few days I've caught a lot of people, they're all trying to keep an eye on you." Hu Yinan told Ye Chen that these past few days he had caught a lot of suspicious people and kept an eye on Ye Chen's house.

"Who are they, and what do they want to come to my place?" Ye Chen asked Hu Yinan, he wanted to know who the people who came to his place.

"These people are mysterious, I've been trying to find out information from them, unfortunately they don't know anything, they just received an order to

keep an eye on you from a mysterious person and wait for the right moment to kidnap you" Hu Yinan said to Ye Chen about what she found.

"Hahahaha" Ye Chen laughed, he laughed when he heard what Hu Yinan said.

"So someone tried to catch me, that's interesting" Ye Chen was very interested when he listened to what Hu Yinan said, Ye Chen was curious about the figure behind the person who tried to kidnap him.

"Yinan, you don't have to hold back these people anymore, I will turn myself in and see the person behind this" Ye Chen told Hu Yinan to stop catching these people, he would turn himself in and see who was behind All of these.

Honestly, Ye Chen was quite curious about the person behind all of this, Ye Chen wanted to see the person behind all of this.

"Are you sure about that?" Hu Yinan wasn't sure what Ye Chen was doing, what Ye Chen was doing sounded very dangerous.

"You don't have to worry too much about it, I can handle this well." Ye Chen said that he could handle this well.

"It's fine, if master said like" since Ye Chen said so, then there was no reason for Hu Yinan to stop them.

"You may go, if there is anything suspicious, then you just tell me" Ye Chen said to Hu Yinan, if there was anything suspicious again, Ye Chen wanted Hu Yinan to tell him.

"I understand, I will" Hu Yinan nodded, she would definitely immediately tell if something was wrong.

Hu Yinan left, she went to watch Ye Chen's house from a distance, her goal was to protect Ye Chen and the contents inside.

"Who is targeting me?" Ye Chen started to wonder who was targeting him, what this person wanted from him.

What is certain is that this person wants something from Ye Chen, otherwise why would this person go to the trouble of targeting Ye Chen.

Ye Chen had to quickly find out who this person was, he shouldn't waste any time.

Ye Chen left his house, if what Hu Yinan said was true, the person who targeted Ye Chen should have come out and caught Ye Chen.

"Stop and surrender yourself" when Ye Chen had only stepped out a few dozen steps, someone already stopped Ye Chen, a man stopped Ye Chen's steps.

Even though Ye Chen had just come out, in fact he had already been stopped by someone unknown.

"What do you want from me?" Ye Chen asked, he asked what this man wanted from him.

"I don't want too much from you, what I want is for you to come with me." This man didn't want anything, he told Ye Chen to follow him.

"Okay, I'll come with you, why don't you show me the way" Ye Chen raised his hand, he will go with this man, that way he will know who is after him.

"This is too easy" The mysterious man felt that it was so easy, he managed to carry Ye Chen without a fight, of course this would make his job easier.

Ye Chen was taken away by a mysterious person, this person took Ye Chen away towards a very large inn in White Cloud City.

"Who would it be" Seeing the direction this mysterious man was heading, Ye Chen became curious about the person Ye Chen would meet.

The man carried Ye Chen by force, he took Ye Chen towards the topmost building.

The topmost building is the most even place, only classy people can afford to live in this place.

When he arrived at this floor, there was a handsome man who came to Ye Chen, this handsome man came to Ye Chen.

"Your work is very good, this is your payment." This person immediately rewarded the person who had captured Ye Chen.

"thank you very much" this person is grateful, he is grateful for what has been given, after getting the reward this person left this place.

"Is this the person behind all this?" Ye Chen did not expect that the man in front of him was the mastermind behind all of this.

"Come with me right now, young lady wants to play with you" this handsome man said to Ye Chen, he said that Ye Chen will meet the young lady who will play with him.

"playing with the young lady?" Ye Chen was a little confused when he heard this, he was confused when he heard what this man said.

Who was this young lady that this person was talking about, Ye Chen became curious about this matter.

Ye Chen was dragged away by this man, Ye Chen did not put up a fight because he wanted to know who this young lady was talking about.

Ye Chen was brought into a room, in this room there was a woman waiting for Ye Chen, this woman was sitting on a chair, she was enjoying dinner with her slaves.

"This woman?, isn't she Chang Er?" Ye Chen remembered the figure of a woman who had two special eyelids, this woman was definitely Chang Er.

"Welcome to my place, it seems that my servant has caught you" Chang Er greeted Ye Chen's arrival, she greeted Ye Chen with a dazzling smile.

All the men looked very envious when they saw what Chang Er did, Chang Er's treatment of Ye Chen was very special.

"Oh, so you are the one who has been looking for trouble with me, you are brave enough to also look for trouble with me" Ye Chen now knew who had dared to seek trouble with him, it turned out that this woman was the one who was looking for trouble against him.

"I did this because you are disobedient, why are you disobedient like other men, there is still one place for you in my pet ranks" Chang Er said to Ye Chen.

"This woman may have been corrupted" Ye Chen felt that Chang Er might have been corrupted, he wanted to keep Ye Chen as a pet, how could he think such a thing.

Ye Chen obviously couldn't possibly agree to that, he couldn't possibly agree to be the pet of Chang Er.

JOURNEY TO BECOME A TRUE GOD

Chapter 1518 - You Will Know The Consequences

"There seems to be something wrong with that brain of yours." Ye Chen said that if there was something wrong with Chang Er's brain, this woman's brain was abnormal.

"How dare you say that to our young lady, do you want to die?" The handsome man beside Ye Chen immediately pointed at Ye Chen, he pointed at Ye Chen and threatened Ye Chen.

"Stop there don't hurt him" Chang Er immediately stopped her toy who had bad intentions towards Ye Chen, Chang Er would not let Ye Chen experience anything bad.

"You are still very lucky" to be honest this man was still lucky, he was lucky to be alive, if Chang Er didn't stop him, Ye Chen couldn't guarantee what would happen.

"How dare you be arrogant in front of me" The handsome man was furious, if Chang Er didn't stop him, then it was certain that he would attack Ye Chen.

"Ye Chen, why do you keep rejecting me, aren't you interested in me?" Chang Er asked Ye Chen.

Chang Er started to make a very seductive pose, an ordinary man would definitely not be able to stand the pose made by Chang Er.

"I'm sorry, but I'm not interested in little girls whose brains are a little off." Ye Chen said that he wasn't interested in Chang Er, this girl's brain might be a little weird.

Ye Chen doesn't know what obsession Chang Er has, as Ye Chen can see, Chang Er has a strange hobby, it seems she has a hobby of making men as her toys.

Ye Chen could see that from what he was currently looking at, it seemed that the men here had already obeyed and became the pets of Chang Er.

"It's not strange that this woman looks so good and popular, it turns out that this is what she is hiding" Ye Chen now understood Chang Er's good intentions, all good intentions were a cover to be worshiped by men who were thirsty for love.

"Ye Chen, you don't know who I am don't you, if I want I can easily tame, you know that I have a lot of great people behind me" Chang Er said to Ye Chen, she started to brag about her very strong background .

"Do you think I will care about your background? I don't care about that at all" Ye Chen said that he didn't care about Chang Er's background.

Chang Er looked at Ye Chen, it could be said that this was the first time someone dared to underestimate her background.

"You are so different from the men I met, I guess I have to make you understand who I really am" Chang Er might have to tell her who she is, then Ye Chen will realize that he can't mess around with her.

Chang Er saw that normal method wouldn't work against Ye Chen, Ye Chen had no interest in her or her background.

"This man, what does he really like?" Chang Er started to think, she was thinking about what Ye Chen liked.

Ye Chen must be into something, Chang Er might be able to find out about this matter.

Chang Er had already used all the learned enchantments, it was a pity that almost all the learned enchantments could be easily parried by Ye Chen, Ye Chen was like a rock that could not be influenced.

"Looks like I have to use violence to deal with him" Chang Er decided to use violence, she used violence against Ye Chen.

"Servant, now you can do whatever you want, make sure you don't kill him" Chang Er gave her orders, she allowed all her pets to fight Ye Chen.

"Finally, I've been waiting for this for a long time" Everyone here had been waiting for this moment, they had been waiting for the moment when they could beat Ye Chen.

"Are you sure you want to do that, are you not afraid of the consequences you will bear?" Ye Chen asked Chang Er, he looked at the people around him.

"Ye Chen, you underestimate my pets too much, even though like this, they can be said to be strong people, so you better be careful." Chang Er told Ye Chen that the people around him were quite strong.

The servant here were what Chang Er brought, they were geniuses that Chang Er had completely conquered and became his toys, so it wouldn't be easy to beat them.

"You better worry about yourself, you will know the consequences" Chang Er said to Ye Chen, Ye Chen will accept the consequences of what happened.

Ye Chen just smiled as he listened to what Chang Er had to say, it just so happened that Ye Chen needed someone to test the technique he had just learned.

several people started to surround Ye Chen, they surrounded Ye Chen and prepared to attack Ye Chen.

they started attacking Ye Chen, all of Chang Er's servant charged towards Ye Chen.

Ye Chen uses ***Time Vision***, by using ***Time Vision***, Ye Chen can see the movements that his enemy will make.

Even if it was only for a moment, Ye Chen could see all the moves the enemy was making, he knew the direction of the attack the enemy was trying to launch.

Ye Chen dodged all of the enemy's attacks, he deftly dodged all of his enemy's attacks.

The enemy started to try their best to deal with Ye Chen, they launched a tremendous attack towards Ye Chen.

What these people were doing was quite risky, they attacked Ye Chen in a very tight space, this could get them in trouble.

The enemy didn't think the same as Ye Chen, they only thought of defeating Ye Chen and getting Chang Er's praise.

These people were already so thirsty for praise, they would do their best to try to gain praise from Chang Er.

"Why didn't it hit?" Everyone looked very confused, they looked very confused when they saw what happened, how could all of their attacks be avoided by Ye Chen, this was quite an unreasonable matter.

"What are you doing, hurry up and do something well, do you want to be punished?" Chang Er shouted, she told her servant to be more serious in dealing with Ye Chen.

Everyone was afraid when they listened to what Chang Er had to say, they didn't want to be punished.

"Feel this" these people started attacking Ye Chen blindly, they all attacked with all their might.

When the battle got serious, there was quite a strong vibration, this was because they were fighting in a building with several floors, of course. this course makes a vibration.

Ye Chen was still the same as before, he was still very relaxed when facing the attacks coming from the enemy.

Ye Chen dodged all the attacks launched by these people.

"Why didn't it hit?" Everyone couldn't believe that their attacks would miss, their attacks couldn't hit Ye Chen.

Not holding back any longer, they all started destroying objects and buildings in this place.

"Do you want to attack me or do you want to destroy this building?" Ye Chen asked the man in front of him.

"Don't talk too much, you'll soon regret it." These people tried to gag Ye Chen's mouth, they didn't like Ye Chen's way of speaking.

"So rude, I think I have to make you realize that you are nothing." Ye Chen said to everyone here, let them realize who they really are.

"shut up, we are servants who serve miss, so don't talk anymore" said one of the people towards Ye Chen.

JOURNEY TO BECOME A TRUE GOD

Chapter 1519 - Looks Like You Missed A Punishment

Ye Chen looked at these people, Ye Chen could see that they had been completely influenced by Chang Er.

"It seems that there is no point in talking to these people anymore, their hearts and minds are completely controlled by Chang Er." Ye Chen felt that it was useless to talk to these people, their hearts and minds were completely controlled by Chang Er.

Since there was nothing else Ye Chen could do, Ye Chen decided to end this immediately, Ye Chen went and attacked everyone in this place.

"**Nine Shadow Step**" With a very fast movement, Ye Chen knocked everyone down, he knocked everyone down in the blink of an eye.

"what! ! !" Chang Er was quite surprised when she saw Ye Chen take down everyone, to be honest what Ye Chen did was quite great, he brought down everyone that Chang Er had worked so hard to gather.

"Why are they all useless, it's useless I brought them" Chang Er started cursing very loudly, she felt that these people were useless.

"Looks like I have no choice but to deal with this matter on my own." Chang Er couldn't rely on her servants, now she could only rely on herself.

"It's quite impressive to see you manage to beat my people" Chang Er stood up from the chair, she walked towards Ye Chen.

"Little girl, why don't we stop this, you know I don't want to hurt someone like you, so you better stop now" Ye Chen said to Chang Er, he told Chang Er to stop.

"Shut up, don't tell me, in this world there are only a few people who have the ability to order me" Chang Er told Ye Chen to be quiet, in this world there are only a few people who can tell Chang Er.

"This little girl is more troublesome than Su Yuyu and Xing Mei" Ye Chen felt that this little girl was more troublesome than Su Yuyu and Xing Mei.

Although Su Yuyu and Xing Mei are naughty and unruly, both of them still have kindness in their hearts, but this woman, Ye Chen can't see that.

"Master, how can you call that woman a little girl, she should be much older than your current age, Chu Yuechan told that Chang Er is bigger than Ye Chen.

"Shut up, don't embarrass me like that" Ye Chen told Chu Yuechan not to embarrass himself, if Chang Er were to hear this, Ye Chen would definitely be embarrassed.

"giggle" Chu Yuechan giggled, Chu Yuechan couldn't help but laugh when she heard what Ye Chen said.

Chang Er snapped her fingers, a flame shot out from Chang Er's palm.

The fire in Chang Er's palm started to get bigger and bigger, it got bigger and started to envelop this room.

Things and walls started to melt when facing the extremely hot temperature, as the room temperature increased, people started to emit steam, it seemed that they were unable to withstand the temperature around this place.

"Hey, your people will get hurt if you do that" Ye Chen said that the slaves around would die if Chang Er didn't stop now.

"I don't care about it, their life and death is not my responsibility." Chang Er told that the life and death of these people was not her responsibility.

If they died Chang Er could find a new one, it was quite easy for Chang Er to find a new one.

"Wow, how can you say that, have you never been taught anything like this?" Ye Chen pointed at Chang Er, how could this man dare to say such a thing to him.

"What's the matter, do you have a problem?" Chang Er said to Ye Chen, Chang Er was getting impatient in fighting Ye Chen, she wanted to end this battle as soon as she could.

"Perhaps I should teach this naughty young lady a lesson, otherwise she won't learn how to appreciate things." Ye Chen would teach Chang Er a lesson, let this woman be aware of valuing things.

"I won't kill you, but I will make you feel a little pain, so enjoy this" Chang Er said to Ye Chen.

"I'm not that bad, how can I enjoy the pain, it's not tasteful" Ye Chen said to Chang Er.

"Feel this" Chang Er threw the fireball in her hand towards Ye Chen, the fireball shot towards Ye Chen.

when the fireball shot out, Ye Chen flicked his finger, with one flick, Chang Er's fireball instantly disappeared.

"Huh?, how did that happen ?" Chang Er looked confused about what just happened, why her attack disappear

"strength is quite formidable, as expected of someone from the Five Lord Divine Academy" Ye Chen had to admit that Chang Er did have abilities, this

woman possessed an ability that could make her a disciple of the Five Lord Divine Academy.

"Of course I'm great, otherwise how could I become a core disciple of the Five Lord Divine Academy" Chang Er confirmed what Ye Chen said, if she wasn't great and strong, how could she be she would be accepted into the Five Lord Divine Academy.

"But a thousand dear, you have a bad nature" Ye Chen said to Chang Er again.

Chang Er's smile immediately disappeared, she looked at Ye Chen with a dissatisfied look.

"What's with the reaction you have, are you dissatisfied with what I just said?" Ye Chen asked Chang Er.

"I am indeed dissatisfied with what you said, you are really very mean, I will definitely give you a proper punishment" Chang Er said to Ye Chen.

According to Chang Er, Ye Chen was a bad man which was why he intended to give Ye Chen a punishment.

"We'll see who gets punished, I will punish you with all my heart" Ye Chen said that he would go and punish Chang Er.

Ye Chen stepped forward, he stopped just inches in front of Chang Er.

"Too fast" Chang Er almost had a hard time seeing Ye Chen's movements, she couldn't clearly see Ye Chen's movements.

Chang Er tried to back away, when Chang Er tried to retreat, Ye Chen grabbed her hand.

"Quickly let me go." Seeing that his hand was caught by Ye Chen, Chang Er immediately put up a fight.

"Sorry, but I won't do that, the bad girl must be taught a lesson, that way she can change" Ye Chen said to Chang Er.

As a good person, Ye Chen had to teach a lesson, with this Ye Chen hoped that Chang Er would return to the right path.

"Bastard, if you don't let me go, you and your family will disappear" Chang Er said to Ye Chen.

Chang Er gave a warning to Ye Chen, she hoped that Ye Chen would be scared and let her go.

"Boom" hearing this, Ye Chen took out his own strength, he showed Chang Er the power he had.

"It seems that you miss a punishment, I will give you a punishment that you will never forget" Since Chang Er had dared to threaten Ye Chen, then Ye Chen would definitely make this woman pay for what she had said.

If Ye Chen didn't give Chang Er a proper punishment, then Ye Chen didn't deserve to be a man.

JOURNEY TO BECOME A TRUE GOD

Chapter 1520 - Force Chang Er

"I said, quickly let go of me right now." Chang Er told Ye Chen to let go of herself.

Chang Er used her free hand to attack Ye Chen, she used her claws to attack Ye Chen.

"Slashes. . ." A slash of wind appeared, it appeared the moment from Chang Er's fingernail.

Ye Chen swiftly dodged from Chang Er's attack, he dodged the attack launched by Chang Er.

"Cling" the building's roof was instantly cut off, it was cut very neatly by Chang Er's attack.

"Just now?" Ye Chen looked at Chang Er, what this woman had just used was the wind element.

"So she has two elements, it's not strange that she is quite confident in her abilities." Ye Chen looked at Chang Er, it turns out that this woman has two elements, it seems that Chang Er is a woman who is quite a genius.

"Why did you run away?" Chang Er cursed Ye Chen, why did Ye Chen dodge his attack.

"Should I take an attack from you, quite funny" Ye Chen said to Chang Er.

Ye Chen felt that Chang Er was more like a child who was immature, her mind still looked like a child who wanted to win on her own.

"How can this woman be accepted into the Five Lord Divine Academy, is the Five Lord Divine Academy really filled with spoiled young masters and young ladies, I feel sorry for Luo Bing" Ye Chen began to deduce what the Five Lord Divine Academy was, it seemed that it was a place where the unreasonable gathering of young masters and young misses.

"You still won't let me go, feel this" Seeing Ye Chen who was still unwilling to let go, Chang Er had no choice but to attack Ye Chen with all her strength.

Chang Er used her hands to attack Ye Chen, she used her full attack to injure Ye Chen.

"Boom" Chang Er's attack hit Ye Chen, the attack hit Ye Chen's vital point.

"Feel it, it must be very painful" Chang Er believed that it must be very painful, she firmly believed that Ye Chen had already experienced immense pain from his technique.

"That, is this all you can do?" Ye Chen asked Chang Er, Ye Chen looked unharmed when he received Chang Er's attack.

"how could this happen ?" Chang Er couldn't believe what she was seeing, how could Ye Chen still survive after receiving her attack, it was an impossible thing to happen.

"How did you not get hurt after receiving an attack from me?" Chang Er asked Ye Chen, how could Ye Chen not be injured after receiving an attack from her.

"I don't know, there might be something wrong with you" Ye Chen pretended not to know.

Even though Ye Chen knew the reason why he wasn't injured by Chang Er's attack, Ye Chen inherited the Sage God, naturally the profound elements would have no effect on Ye Chen.

Chang Er couldn't believe what was happening, she kept trying to attack Ye Chen.

Each of Chang Er's attacks landed perfectly on Ye Chen's body, unfortunately all of his attacks had no effect on Ye Chen.

"This doesn't make sense, why did my attacks have no effect on this person?" Chang Er started cursing, why her attacks had no effect on Ye Chen.

"What you did was a waste, you won't be able to hurt me" Ye Chen said to Chang Er, Ye Chen telling her that the attack would have no effect on him.

"It's about time" Ye Chen felt that it was time for him to carry out his punishment against Chang Er.

Ye Chen stretched out his hand, he started to slap Chang Er's buttocks and thighs.

"Ouch, what are you doing you bastard" Chang Er shouted, she started to scream as loud as she could.

Chang Er didn't like Ye Chen's treatment, so it wasn't strange for Chang Er to put up a fight.

Chang Er's resistance was a waste, Ye Chen still carried out a punishment against her.

"Ahhh. Stop right now" Chang Er shouted at Ye Chen, she told Ye Chen to stop right now.

Chang Er started to feel embarrassed and hurt by what Ye Chen did, she felt that what Ye Chen did was more accurately called humiliation.

"I will stop, but on one condition, I want you to turn into a good girl, can you?" Ye Chen told that he would quit, but Ye Chen put a condition on Chang Er.

"Fine, I will do that, but please stop" Chang Er quickly gave up, she gave up on Ye Chen.

Ye Chen felt something strange, why did Chang Er give up so quickly, this woman was most likely trying to fool Ye Chen.

"Want to try to fool me?, So funny" Ye Chen found it funny, he found it funny what Chang Er was trying to do, this woman was trying to fool Ye Chen.

"I want you to swear not to do what you just did and not be naughty again" Ye Chen said to Chang Er, he wanted Chang Er to swear not to do that again.

"how can you do that, I won't do that" Chang Er said that she would not do what Ye Chen wanted.

"Oh, so you refuse, then I won't let you go, accept your punishment" Since Chang Er didn't want to admit the wrong she had committed, Ye Chen had no choice but to continue punishing this girl.

"Ahhh. . . ." The screams and screams of desperation were heard very clearly, Chang Er still persisted in not wanting to give up on Ye Chen.

"Stop, don't continue anymore" After tens of long and tiring minutes, Chang Er finally decided to give up.

What just happened was like a hell for Chang Er, it was like the most terrible hell that Cheng Er had ever been through.

"I will not stop before you fully swear, until then, I will not stop" Ye Chen smiled evilly, he smiled evilly towards Chang Er.

"You shameless monster, bastard, bullying" Chang Er said to Ye Chen, she gave some mockery towards Ye Chen.

"So you think I'm that kind of person, okay, fine, I'll be even more ruthless" because Chang Er? asked him, Ye Chen decided to be even more ruthless.

"Kyahhhh" Chang Er shouted, she screamed when she saw Ye Chen who was getting serious in facing her.

"Quickly stop, I will immediately do as you tell" Chang Er to have completely given up, she can't stand what Ye Chen is doing.

Ye Chen smiled as he listened to what Chang Er had to say, it was his aim to punish Chang Er, by scaring him, it was enough to make Chang Er not dare to seek trouble with him anymore.

"I promise not to repeat what I did, I swear to the heavens about it" Chang Er finally vowed not to do something like this again.

"That's not true, take it more seriously, I know you don't mean it." Ye Chen didn't just let Chang Er go, he wanted this woman to really say it.

Chang Er gritted her teeth, this man was the most annoying person she had ever seen.

Chang Er repeated the words she had previously said right, she vowed not to repeat this kind of thing again, otherwise she would be struck by lightning a thousand times more painful than death.
