

JOURNEY TO BECOME A TRUE GOD

Chapter 1521 - A Letter From Chi Shui

"Looks like this is enough." Ye Chen felt that if this was enough, this punishment would definitely make Chang Er uneasy.

Since Chang Er had already made a promise to Ye Chen, Ye Chen decided to let her go.

"Ouch, you're so mean, you're like a devil" Chang Er said to Ye Chen, Chang Er rubbed her waist and buttocks, the heat was still evident.

"It's up to you what you want to say, but remember your words, don't let yourself die because of that stupidity" Ye Chen said to Chang Er.

Ye Chen said to Chang Er, he told Chang Er not to do something unreasonable like before.

"I know about it" Chang Er also knew about it, she now can't do such a thing, otherwise bad things will happen to her.

"tap. . . , tap . . . , tap . . . , tap" From outside Ye Chen heard the sound of footsteps, it seemed that there were a large number of people starting to come to this place.

"Looks like Luo Bing and the others, looks like I have to go" Seeing this Ye Chen decided to leave immediately.

It seemed that this was Luo Bing and company from the Five Lord Divine Academy.

"Remember what you said, don't look for unnecessary trouble with me, otherwise . . ." Ye Chen disappeared from this room, he left this room very quickly.

Chang Er just sniffed coldly, she seemed to ignore what Ye Chen said.

"This girl" From afar Ye Chen saw Chang Er's attitude, it seemed that this woman's nature was difficult to shake off.

Ye Chen snapped his fingers, when Ye Chen snapped his fingers a very loud rumble was heard.

"Ahhh, no I'm sorry. . ." Chang Er immediately crouched down and covered her ears, she seemed frightened when she heard a very loud sound of thunder.

Even though Chang Er is a naughty girl, it turns out that she is still afraid of lightning from the sky, it seems that this woman is afraid of being struck by lightning from the sky.

"What is this ?" Luo Bing walked into the room, she asked what was really going on.

When Luo Bing entered the room, Luo Bing found Chang Er crouched on the floor, she looked very frightened by what had just happened.

"what are you doing?" Luo Bing asked Chang Er, he asked Chang Er who was in front of him.

"Nothing happened" Chang Er tried to act normal, she tried to act normal, it was like nothing had just happened to her.

"What's with this room, why does this room look so chaotic?" Luo Bing asked Chang Er why this room had become so chaotic.

Luo Bing could see that there were a lot of people who were unconscious, something must have just happened in this place.

"Nothing happened, I'm just sparring with these people" Chang Er told what just happened, she made an excuse to Luo Bing.

"Isn't this a little too much?" Luo Bing said to Chang Er.

Luo Bing felt that what happened was too much, Ye Chen did something too much.

"Do you have a problem with that?" Chang Er said to Luo Bing, from this woman's tone, she looked like she was challenging Luo Bing.

"rumbling" when Chang Er was rude to Luo Bing, outside again there was a very loud roar of thunder.

"No, I didn't mean to be naughty." Chang Er immediately lowered her head, she looked frightened when she heard a very loud sound of thunder.

"What's with her?" Luo Bing looked confused when she saw Chang Er's behavior, she thought Chang Er's behavior was very strange and confusing.

"Why suddenly there was thunder, when it was very bright outside" Luo Bing was confused even though it was very bright outside, then why was there thunder that sounded quite loud outside.

"It seems the heavens are angry with me" Chang Er started to get scared, she felt scared when she heard what Luo Bing said.

"Why would I do that, you idiot" Chang Er cursed herself, why would she want to swear at Ye Chen, this ruined her free life.

Even though Chang Er had a free life, but now that life might not exist anymore.

"Chang Er, master is calling us to return immediately, our mission is over, it seems that the whereabouts of the person we are looking for is not here." Luo Bing informed that their task was done, so they should be able to return now.

"Let's go back right now." Chang Er immediately agreed, she immediately agreed to return to the Five Lord Divine Academy immediately.

"Why is this so easy, didn't you insist on staying for a while before?" Luo Bing said to Chang Er, why did Chang Er suddenly want to come back.

Whereas previously Chang Er was the one who was the most opposed to returning to the Five Lord Divine Academy, but now she instead wanted to return as quickly as possible.

"I don't care, let's go now." Chang Er invited Luo Bing and the others to leave this place immediately, she couldn't stay in this place.

Chang Er had to return soon, she had to discuss this matter with her family.

"Okay" Luo Bing had no choice but to follow Chang Er, the sooner they left, the better.

Luo Bing still had a pretty hectic training schedule, so naturally she had to return to the Five Lord Divine Academy soon.

Luo Bing and Chang Er left, they had to return to the Five Lord Divine Academy immediately, their mission here was over, just like the others, they gained nothing.

"So they're gone." Ye Chen saw Luo Bing who had taken Chang Er away, it seemed that they were going back to Five Lord Divine Academy.

The disciples who came with Luo Bing have also left, they all left this star.

"Master, you scared her." Chu Yuechan giggled, she giggled when she saw what Ye Chen had done to Chang Er.

"Let her learn a lesson, it's for the good of her and others." Ye Chen answered Chu Yuechan's words, he told that what he was doing now was for Chang Er's good.

"Luo Bing is gone, don't you want to chase after her?" Chu Yuechan asked Ye Chen.

"No need, there's still plenty of time, we'll definitely meet again soon." Ye Chen said that he was still going to meet Luo Bing, so why rush.

"Okay, I've done everything, it's time to go back" Since everything was cleaned up by Ye Chen, it was time for Ye Chen to return.

"What a beautiful night, I want to go and enjoy tonight" Ye Chen looked up at the sky, it seemed that he was going to enjoy the night.

Ye Chen flew towards his residence, he immediately slipped into his room. it just so happened that Li Jingyi had just changed into a nightgown.

"Husband, you're back?" Li Jingyi welcomed Ye Chen's arrival.

"Of course, I've come back from getting some fresh air" Ye Chen informed that he had returned from walking outside.

"Husband, I have a letter for you." Li Jingyi told Ye Chen that she had a letter for Ye Chen.

"A letter from who?" Ye Chen asked Li Jingyi, he wanted to know who had sent him the letter.

"This is from Chi Shui, she send it from Heaven Dream Sect." Li Jingyi told Ye Chen that Chi Shui had sent him a letter.

JOURNEY TO BECOME A TRUE GOD

Chapter 1522 - Try Gravity Domain Practice Room

"She sent me a letter?" Ye Chen asked Li Jingyi, Ye Chen did not expect that Chi Shui would send a letter to him.

"Why don't you see it yourself" Li Jingyi told Ye Chen to look at the letter Chi Shui sent.

"Where let me see it" Ye Chen wanted to see the letter sent by Chi Shui, Ye Chen wanted to see what kind of letter Chi Shui sent.

"This is it" Li Jingyi handed the letter sent by Chi Shui, she showed the letter to Ye Chen.

the letter sent by Chi Shui has a very good cover, Chi Shui has his own taste in designing this.

"Let me open it" Ye Chen opened the letter sent by Chi Shui, Ye Chen saw what the letter sent by Chi Shui looked like.

Ye Chen read the letter written by Chi Shui, the contents in this letter are as follows: "Little brother how long have we not seen, I miss you quite a lot, I am writing this letter to you, I hope you will go to Heaven Dream Sect, there is a way that you will definitely be interested in, I hope you will come here." Chi Shui invited Ye Chen to come to Heaven Dream Sect.

It seemed that the Heaven Dream Sect was going to have a big event, Ye Chen wanted to know what was going on.

It was a shame that Chi Shui didn't write fully about what was going to happen, he only wrote part of it, probably to lure Ye Chen to come there.

"Husband, what is it?" Li Jingyi asked Ye Chen, he wanted to know what Chi Shui was planning.

"This is an invitation letter, it seems that Chi Shui wants me to come to Heaven Dream Sect." Ye Chen told what was written in this letter, Chi Shui tried to invite Ye Chen to Heaven Dream Sect.

"Are you going?" Li Jingyi asked, he wanted to know what Ye Chen would do.

"Of course I will, I still owe Chi Shui a Yin & Yang Awakening Flower" Ye Chen said that he still owed Chi Shui.

Ye Chen didn't like postponing the debts he had, which was why Ye Chen wanted to immediately go and shadow Chi Shui.

"Oh I see." Li Jingyi understood, it seemed that Ye Chen would pay Chi Shui something in advance.

"Yuechan, how is the condition of the Yin & Yang Awakening Flower, has it been cultivated by Ning'er?" Ye Chen asked about the news of the Yin & Yang Awakening Flower.

"Of course, it has been completely cultivated by Ning'er, so it shouldn't be long before you enjoy it." Chu Yuechan told Ye Chen that he would soon be able to get the Yin & Yang Awakening Flower he wanted.

"That's very good news." Ye Chen was delighted when he heard this, it seemed that their last trip had produced great results.

"Of course" Chu Yuechan nodded, that was indeed very good news.

"Then I will go tomorrow" Ye Chen intended to leave tomorrow, he had to head to Chi Shui's place.

"Before that, I will try to practice, I feel that I have a lot of shortcomings" Ye Chen wanted to practice some of his abilities, it seems that he is still not very able to use his abilities to perfection.

Ye Chen must immediately improve himself, lest he be lazy and unwilling to improve himself.

Ye Chen may already be strong enough, even though he is strong enough, it doesn't mean that Ye Chen can relax when dealing with enemies.

Ye Chen never underestimated his enemies, he was always wary of his enemies, because in fact that vigilance would make Ye Chen a strong person.

Li Jingyi was probably happy when she heard this, she could rest for the night, doing Dual Cultivation every night was quite a tiring thing to do, so this was a perfect time to rest.

Ye Chen said goodbye to Li Jingyi, he was going to train inside the fairy, this was done to save time.

"Fight" Li Jingyi encouraged Ye Chen, she prayed that Ye Chen would become stronger.

Ye Chen nodded, he was happy with Li Jingyi's support, Ye Chen would definitely not let Li Jingyi down.

Ye Chen entered the fairy gate, he started intense training inside the fairy gate, as Ye Chen tried the new room inside the fairy gate, whether it would increase his strength or not.

Ye Chen tried to use the gravity domain training room, when Ye Chen used this, Ye Chen found that the gravity in this place was extremely heavy, the strength of gravity can be adjusted according to the user's wishes, Ye Chen is currently at level 4 of the existing 10 levels .

Even though at level four, the gravitational force in this place was quite a burden on Ye Chen, Ye Chen had a little trouble walking with this kind of gravitational pressure.

"This is a suitable place to train and forge the body." Ye Chen felt that this was a suitable place to place his body and strength.

Ye Chen started to practice, he started to adapt to this place, once Ye Chen was able to adapt, then everything would definitely feel very easy.

.
.

Meanwhile in another place, there is a young woman who is looking up at the sky, this woman is wearing very closed clothes, with clothes that are covered it is very difficult to see the figure of this woman.

Even though this woman was wearing clothes that covered her face, this woman had the prospect of a beautiful and elegant body and aura, anyone

who saw her would immediately know that she was a woman of a very high class.

This young lady was in a room with such exquisite decoration, this was definitely a very classy place, not many people could afford to make a place like this.

"Young lady, the bath is ready, are you going to take a bath right now?" A servant came, he came and approached this young woman.

"Auntie, I want to see the stars for a while" This young woman said that she wanted to see the stars for a while.

"Is there a shooting star outside, if there is a shooting star you might be able to make a wish" Aunt said to the young lady asking for a wish.

The young woman began to close her eyes, she began to ask a shooting star for something.

"I hope I find a master that I can follow" this woman prayed that she would get a good master, that was the wish she wanted.

"Young lady, it's time, if you don't take a bath soon, madam will punish you" aunt told the young lady to leave immediately, otherwise she will get a punishment.

"Okay I understand, let's go right now" this woman can only obey, she can't go against the madam's orders, otherwise punishment will await her.

The two of them left, they left the room, they disappeared into a very long hallway.

.

.

Ye Chen practiced all the abilities he had, Ye Chen used all the best abilities he had to improve his abilities.

In the extremely torturous gravity domain training room, Ye Chen's body was covered in sweat from training so hard.

"This place is very good, I haven't felt this hot and excited in a long time." Ye Chen felt that this place was very good, in this place Ye Chen felt that he could bring out all his strength.

"Master, how long are you going to train here, it's been a few days, have you forgotten your plan?" Chu Yuechan came to remind Ye Chen

JOURNEY TO BECOME A TRUE GOD

Chapter 1523 - White Rose Star Realm

"Oh, so it's about time." Ye Chen didn't expect that it was time to leave.

Ye Chen was too engrossed in his own practice, he had forgotten something very important like this.

"You are always like that." Chu Yuechan was helpless, Ye Chen was always like this.

"hehe" Ye Chen chuckled when he heard what Chu Yuechan said.

"Alright, time to go" Ye Chen decided to leave immediately, it was time to go to Chi Shui forging.

"Master, you should clean yourself first, don't let you leave like that." Chu Yuechan reminded Ye Chen to clean himself first.

Ye Chen looked at his body, it seemed that his body was indeed dirty, there was no way that Ye Chen would leave with a body like this.

Ye Chen decided to take a shower for a while, he wanted to look good while leaving, how could Ye Chen go with this appearance, maybe he could be laughed by Chi Shui.

Ye Chen went to take a bath, it didn't take longer for Ye Chen to get near the bathhouse.

When Ye Chen arrived at the bath inside the fairy gate, Ye Chen saw Huang Ying's figure, Huang Ying was currently washing himself in the cold water inside the fairy gate.

Huang Ying is currently wearing plain white clothes, when the clothes are exposed to water, Huang Ying's clothes become slightly transparent, Ye Chen can see Huang Ying's very good figure.

Seeing this Ye Chen wanted to give Huang Ying a surprise, Ye Chen tried to sneak close to Huang Ying.

Ye Chen tried to hide his whereabouts, he used Invisible Body Art to sneak close to Huang Ying.

With Ye Chen's Invisible Body Art being able to easily sneak in without being noticed by Huang Ying, Ye Chen also used a very light move, this made Ye Chen's whereabouts very hard to find.

"Husband, what are you doing here" just as Ye Chen was about to surprise Huang Ying, Ye Chen discovered that Huang Ying had found him.

"Too bad, I failed" Ye Chen was disappointed, it seemed that he failed to surprise Huang Ying.

"How did you find me?" Ye Chen asked Huang Ying how Huang Ying could find Ye Chen's whereabouts so easily

"We have a close connection, of course I can feel your presence, even though you are far away, I can still feel your presence" Huang Ying informed Ye Chen about what happened.

"Oh, so it's like that" Ye Chen nodded, he understood what Huang Ying said, it's the same as Ye Chen who could sense his wife's presence because they were connected to the fairy gate.

"Why are you here "Huang Ying asked why Ye Chen was in this place.

"I'm here to clean myself, I just finished training" Ye Chen told that he had just finished training.

"You are very diligent" Huang Ying praised Ye Chen, Ye Chen is very very diligent in his practice.

"Of course, I want to be strong and surpass everyone, so that no one can do anything bad to the people closest to me," said Ye Chen on Huang Ying.

"Your achievement is very good, as long as you keep holding on to it then it will be a way to make you stronger" Huang Ying nodded, he liked Ye Chen's goal.

"Husband, I want to tell you one thing, you must start to be careful, there are many people out there who are after you, it seems they are after the thing in your hand" Huang Ying told Ye Chen to be careful, outside there are many people who tried to target Ye Chen.

"How do you know?" Ye Chen asked Huang Ying about this, why did Huang Ying tell something like this.

"I got this information from a reliable source, it seems someone leaked it when you got the Yin & Yang Awakening Flower" Huang Ying told Ye Chen about this.

"Is it Yu Ting" Ye Chen began to estimate who was the most likely to talk about this matter, the most likely who had leaked this matter was Yu Ting, after all that woman had been deceived by the replica of the Yin & Yang Awakening Flower previously obtained by Ye Chen .

"I don't know much about that matter, just be careful, Dual Cultivation cultivators will definitely target you" Huang Ying said to Ye Chen.

"Okay, I will definitely be careful" Ye Chen nodded, he will definitely be careful on this trip.

"Splatter"? Huang Ying got up, s he left the bathing pool.

"I'll go first, see you later" Huang Ying left, he left this place.

From afar Ye Chen watched Huang Ying's departing figure, Huang Ying's figure was very beautiful.

"Too bad, if only I had the time" Ye Chen was quite disappointed, if only he had the time, maybe he would have tried to do it with Huang Ying.

Ye Chen continued to clean himself, after feeling quite clean, Ye Chen decided to go out of the fairy gate.

It was time for Ye Chen to head to Heaven Dream Sect, Ye Chen this time went alone, it seemed that this time no one would go to accompany Ye Chen.

Ye Chen went to Heaven Dream Sect, if I'm not mistaken Heaven Dream Sect is in a star called White Rose Star, it is a high rank star that has beauty in its panorama.

The White Rose Star Realm was famous for extremely beautiful beauties and handsome men, it was a paradise for travelers who wanted to enjoy private life.

Ye Chen left using the dimensional current, it shouldn't take long for Ye Chen to arrive at the White Rose Star Realm.

Actually in terms of cultivation, Ye Chen was still unable to do that, but because Ye Chen was quite special, he was able to do just that.

"I'm still a little unfamiliar with the dimensional flow, I hope I don't get lost" Ye Chen is still a little unfamiliar with the dimensional flow, hopefully Ye Chen doesn't get lost or miss the trip.

Using the dimensional current, Ye Chen only needed a few tens of minutes to arrive at the White Rose Star Realm, the location of the White Rose Star Realm isn't too far away, so the time it takes won't be too long.

Ye Chen stepped out of the dimensional current, Ye Chen was now down in the White Rose Star Realm.

"The scenery in this place is pretty good, but it's still far from the fairy gate." Ye Chen looked at the view from the White Rose Star Realm, this place was indeed quite good.

"Let's see, did Chi Shui give me a map to go to Heaven Dream Sect." Ye Chen looked at the letter Chi Shui had given him, whether Chi Shui had given the location of Heaven Dream Sect.

When Ye Chen read the contents of the letter given by Chi Shui, Ye Chen found that Chi Shui did not tell him about the location of Heaven Dream Sect.

"Looks like I'll have to find it myself." Ye Chen had no choice but to search for the location of the Heaven Dream Sect.

Ye Chen flew, he intended to find the location of the Heaven Dream Sect, it should be very easy for Ye Chen to find the location of the Heaven Dream Sect.

The location of the Heaven Dream Sect should be easily visible, the White Rose Star Realm is a very large star, it seems that it will take time to find the whereabouts of the White Rose Star Realm.

"Hey handsome, do you need anything?" As Ye Chen flew, he met several women who had very seductive appearances, these women were quite good, they had enough beauty to seduce men.

JOURNEY TO BECOME A TRUE GOD

Chapter 1524 - A Woman Covered In A Very Strong Charm

Ye Chen stopped, he stopped and started to look at the people who appeared in front of him.

"Greetings beautiful ladies" Ye Chen greeted the beautiful women he met.

"handsome, are you free, how about you play with us?" these women were giggling, they all took Ye Chen to have some fun.

"The women here are very brave, it seems that this is much more free than I imagined." Ye Chen saw that the women in this place were so free, they didn't even want to invite Ye Chen to have fun.

"Sorry ladies, I'm busy, I want to go somewhere?" Ye Chen rejected the offers made by these women, he couldn't come along with them.

"Too bad, even though you are so handsome, why did you refuse us?" The women looked disappointed when they saw Ye Chen refuse their invitation.

"Where are you going?" One of the women asked Ye Chen, she wanted to know the purpose of Ye Chen.

"I want to go to Heaven Dream Sect" Ye Chen told his destination, he said that he wanted to go to Heaven Dream Sect.

"What !!!" All the women looked surprised when they listened to what Ye Chen said.

"what is it?" Ye Chen asked all the women in front of him why they reacted like that.

"Handsome are you sure you want to go to that place, Heaven Dream Sect is an unfriendly place for a handsome man like you, I'm afraid you won't be able to get out alive after entering that place" the women warned Ye Chen.

Heaven Dream Sect was a Sect that was quite famous for their power in manipulating dreams, many men had fallen upon entering that place.

The female abilities of the Heaven Dream Sect were formidable, many males were unable to resist the strength and techniques of the females in that place and as a result they lost and their bodily functions were damaged.

Sometimes women with lust are so dangerous, they can suck a man dry.

Ye Chen understood what these women were thinking, they were all afraid of Ye Chen being sucked dry by the women in Heaven Dream Sect.

"handsome you shouldn't go, it's much better here, this big brother will teach you a lot" one of the women immediately tried to stop Ye Chen, she didn't want Ye Chen to go to such a place.

Instead of Ye Chen being eaten by the women from Heaven Dream Sect, it was better for them to eat Ye Chen.

"Thank you very much, but I have business in that place, please show me the way." Ye Chen once again refused the offer of the woman in this place, he decided to immediately go to Heaven Dream Sect.

Since Ye Chen refused, they decided to tell the whereabouts of the Heaven Dream Sect.

Heaven Dream Sect was in the west, it was about 50,000 miles from where Ye Chen was now.

"Not bad." Ye Chen felt that if the distance to Heaven Dream Sect was far enough, he might take a few minutes to get there.

"Thank you very much for your information, I thank you, this is a little gift for you." Ye Chen gave a gift for the information that had been given.

"Thank you very much" these ladies looked very happy when they got the gift from Ye Chen, the gift from Ye Chen was good enough for them to use.

After giving the reward, Ye Chen immediately left these women, he shot with incredible speed towards the Heaven Dream Sect.

"help me ! ! ! " when Ye Chen was on his way to Heaven Dream Sect, Ye Chen came across a group that asked Ye Chen for a favor.

Seeing this incident, Ye Chen immediately stopped, he stopped to see who was asking for help.

Ye Chen went to the source of the sound, when Ye Chen reached the source of the sound, Ye Chen found a group of bandits surrounding a carriage.

This carriage is quite good, it looks like a carriage belonging to an official or an important person.

Currently a battle was going on between the guards and bandits, they were fighting and killing each other.

In the battle the victorious side was the bandits, they won in terms of numbers and strength, this made the allies feel difficult.

"Who are they, from which group?" Ye Chen immediately found out who was in the carriage.

Ye Chen used God Eyes to look inside the carriage, when he looked inside the carriage, he saw a woman with very closed clothes, it was quite difficult to see the beauty of this woman.

"Why is he dressed like that?" Ye Chen looked confused by the way the women in the carriage were dressed, this woman was even more secretive than the Jade Lotus Peak or the person in disguise.

"Master, you take a good look." Chu Yuechan told Ye Chen to take a good look at the woman in the carriage.

"Okay" Ye Chen took a good look at the woman inside, when Ye Chen took a good look at the woman, Ye Chen found a very strong Charm aura leaking out.

"She has a very strong Charm." Ye Chen could feel that this woman had a very strong Charm, this must be the reason why she was wearing such clothes.

"This woman definitely has a strong innate charm, this is definitely different from Fu Lanling, all the clothes on her body are artifacts, if she doesn't use it, there will definitely be madness around her" Chu Yuechan said to Ye Chen.

"Who is that woman?" Ye Chen became curious, he wanted to know who the female figure was in there.

"Ahem, master, are you going to help them or not?" Chu Yuechan asked Ye Chen.

The situation was getting out of hand, so Chu Yuechan asked Ye Chen.

"Alright I'll help them" Ye Chen wanted to help them, it's not good to let these people seize this woman.

Ye Chen did not appear and expose himself, Ye Chen only used a few ranged attacks to help the group that was fighting the bandits.

"Boom. . ." several explosions occurred. This knocked the bandits out and some died instantly.

"Who was it" the bandits didn't know who had just attacked, they weren't aware of the existence of the person who had just attacked them.

Ye Chen didn't show himself, he just continued to launch attacks towards the enemy.

"Hurry up and attack him" the bandit leader ordered his men to go to Ye Chen's place, they should be able to kill Ye Chen who was in the distance.

With the order given, the bandits left immediately, they all headed straight for Ye Chen's place.

Several bandits headed towards Ye Chen's place, they immediately attacked Ye Chen who was hiding.

"Arghh" As these people tried to attack Ye Chen, a scream was heard, from the sound alone it was clearly the voice of a bandit member.

"What really happened?" The bandit leader asked what happened, the situation went quiet after the shouts just now.

In order to see the situation the bandit leader ordered one of the people to take a look at, they had to confirm what had happened.

One of the bandits stepped forward, he stepped forward and saw what was happening, when the bandit peered into the forest, suddenly a fireball flew and hit his face.

Suddenly the bandits flew up and hit their comrades in the back.

"Boom" an explosion occurred, this explosion was followed by a new, very powerful explosion.

In a matter of breaths all the bandits were already lying on the ground, it was unknown whether they were alive or dead.

"Auntie, what happened?" The woman inside asked what was going on, it seemed like there was a huge commotion outside.

JOURNEY TO BECOME A TRUE GOD

"There are indeed some bandits around who ambush us, but a senior has cleaned it up for us, so young lady needn't be too worried" Aunt said to the young lady in the carriage.

Thanks to Ye Chen's help, the situation was quickly brought under control, all the bandits were defeated, they couldn't put up a fight.

The guards immediately cleared the battlefield, they didn't seem to care about Ye Chen's whereabouts.

These people realized that they would not be able to find the whereabouts of Ye Chen, that's why they didn't look for the whereabouts of Ye Chen who was hiding.

They knew that they would not be able to locate Ye Chen's whereabouts, so they decided not to search for Ye Chen's whereabouts.

After clearing things up, the people started to leave, they all started to go on their way.

The woman in the carriage peeked out, she looked for the whereabouts of the person who had helped her, too bad she couldn't find that person.

"they're gone" after confirming that everyone left, Ye Chen finally came out, he came out while looking at the departure of the group just now.

"You didn't show yourself?" Chu Yuechan asked Ye Chen, why did Ye Chen not show himself in front of those people.

"It's not necessary." Ye Chen felt that he didn't need to do such a thing.

"You don't want to know the woman in the carriage?" Chu Yuechan asked Ye Chen, Chu Yuechan tried to provoke Ye Chen to be attracted to the woman in the carriage.

"Never mind, don't start again, I'll just go to Chi Shui's place." Ye Chen chose to go to Chi Shui's place.

"It's up to you." Chu Yuechan couldn't do anything, Chu Yuechan couldn't force Ye Chen.

"Let's go right now." Ye Chen immediately left this place, he headed for Heaven Dream Sect.

Ye Chen shot very fast, in a short time Ye Chen arrived at Heaven Dream Sect.

"Heaven Dream Sect is so big" Ye Chen looked at Heaven Dream Sect, Heaven Dream Sect looks really big.

Heaven Dream Sect is quite big, it is much bigger than Nine Immortals Peak Sect.

Besides that there was a palace that was quite majestic, this palace looked very good, it was most likely the main building of the Heaven Dream Sect.

"I will go down and enter from the front door" Ye Chen decided to go downstairs, he will leave from the front door.

The Heaven Dream Sect's entrance also looks very majestic, its massive size is simply amazing.

"Heaven Dream Sect must be very rich, they are capable of making something as amazing as this" Ye Chen began to suspect that Heaven Dream Sect must be rich, they are capable of making something like this, so it is certain that Heaven Dream Sect is very rich.

"Who is it, what are you doing here" Just as Ye Chen had just come down, he was already stopped by a woman, this woman came and stopped Ye Chen.

"I came to meet someone" Ye Chen said that he came to meet someone.

"Who did you come for, don't you know that not just anyone can enter the Heaven Dream Sect." This woman told Ye Chen, she said that not everyone could enter the Heaven Dream Sect.

This woman looked at Ye Chen with a gaze filled with curiosity, she wanted to know the identity of Ye Chen.

Ye Chen looked very handsome, this naturally attracted the interest of the woman in charge of guarding the entrance.

"This man is not bad, maybe I should taste it before giving it to the elder" this woman started to think about what to do with Ye Chen, she wanted to taste Ye Chen before giving Ye Chen to one of the Seven Fairy Succubus.

If Ye Chen knew about this, Ye Chen would definitely laugh at this woman, how could this woman think of something so unreasonable.

"I came here to look for Chi Shui" Ye Chen told his intention and coming to this place.

"You want to find Mistress? Don't you know that she is still very busy, so she probably won't be able to meet you" this woman told that Chi Shui was very busy and couldn't be bothered.

"Is she really that busy?" Ye Chen asked the woman in front of him.

"Of course, she is very busy, there are many things to prepare because soon there will be a large gathering held by the Dual Cultivation Sects from all over the God Realm, so Mistress is very busy with that" This woman explained to Ye Chen about what what Chi Shui did.

"Is this what Chi Shui meant in his letter?" Ye Chen pondered, he thought about what Chi Shui had written in his letter.

"Handsome, since the Mistress can't see you, why don't you just come with me?" This woman offered Ye Chen to be with her.

This woman started to use her tricks to seduce Ye Chen, she started to show her abilities in front of Ye Chen.

"I came here to look for Chi Shui, so I can't be here with you" Ye Chen said to the woman in front of him.

Ye Chen came here to meet Chi Shui, so he should be able to find out where Chi Shui was.

"-_- " women feel helpless with what happened, how can she be rejected by Ye Chen, even though she has used her seductive abilities, but she is still rejected by Ye Chen.

"This man is quite strong, I need to be more serious in seducing this man." Having been rejected by Ye Chen, women will try their best.

"handsome, are you sure you don't want to be with me, you will get something nice if you are with me" this woman drew closer to Ye Chen, she started to use her body to tease Ye Chen.

" what are you doing?" Ye Chen asked what the woman in front of him was doing.

Ye Chen acted like an innocent person, in fact he was much more experienced than this woman.

Women are confused about this, how can Ye Chen not be affected by this, even though this method always works when used on a man, but this time it didn't work on Ye Chen.

"Does he have a disorder?" This woman thought that Ye Chen might have a disorder that made him not attracted to women.

If that happened, it would be so terrible, it couldn't be cured by normal means.

Ye Chen would probably immediately fall down when he listened to what the woman in front of him had to say, how could the woman in front of him think something like that about him.

"Who dares to disturb an important guest" from a distance came a voice, this person's voice sounded cold and filled with killing intent.

The woman in charge of guarding the gate immediately turned around, she turned and looked in the direction where the voice came from.

"Mistress" This woman knelt down, she knelt down and saluted Chi Shui.

The person who had just arrived was Chi Shui, Chi Shui immediately came when she sensed Ye Chen's presence.

Chi Shui came down, he got down right in front of Ye Chen, Chi Shui smiled towards Ye Chen, Chi Shui's smile was very charming.

"Little brother, have you come to this place for a long time?, are you being bullied by this woman?" Chi Shui directly asked Ye Chen, she bombarded Ye Chen with many questions.

The woman in charge of guarding the gate broke into sweat as she listened to Chi Shui and Ye Chen's conversation, she felt that she had just kicked a hard iron.

JOURNEY TO BECOME A TRUE GOD

Chapter 1526 - Red Rose Heaven Land

"No she behaves well towards me" Ye Chen told that this woman was well-behaved.

"Is that true?" Chi Shui saw the woman in charge of guarding the gate, he couldn't easily believe what Ye Chen said.

The woman on duty was relieved when she heard this, she was relieved that she didn't mention what just happened, if Ye Chen mentioned the previous matter, then it was certain that he would be in trouble.

"Yes, she is indeed very well-behaved, to the point that he teased me on several occasions" Ye Chen continued what he had not said.

"no don't say that" the woman in charge of guarding the gate instantly broke out in cold sweat, she broke out in cold sweat as she listened to Ye Chen's words.

"So like that?" Chi Shui looked at the kneeling woman, Chi Shui looked angry when he heard this.

The female guard was getting more and more panicked, she panicked as she listened to what was happening.

"Mistress please forgive this disciple, I didn't mean to do this" the female guard apologized to Ye Chen.

"Do you know what you did wrong?" Chi Shui looked very unfriendly, she immediately scolded the person who had teased Ye Chen.

"Of course I know what I did wrong, so please forgive me," said female guard to Chi Shui.

"Never mind, he was just joking with me, so you don't have to worry too much about this." Ye Chen said to Chi Shui, he told Chi shui not to worry about this kind of thing.

"If you are like that then I will let her go." Chi Shui said that she would go and release the woman who had teased Ye Chen.

"Young master thank you for your kindness" the female guard thanked Ye Chen, if Ye Chen didn't help her, then she would definitely be scolded by Chi Shui.

"You go, go back to your place." Chi Shui told the female guard to return to his post.

"Alright" Hastily, she left this place, now in this place only Ye Chen and Chi Shui were left.

"So, what does this invitation mean, is there anything interesting?" Ye Chen asked Chi Shui if Chi Shui really had something that could interest Ye Chen.

"So you really came, it seems quite easy to get you to come here" Chi Shui giggled, she was giggling when she saw Ye Chen coming to her place.

"Oh, so you're trying to trick me with a letter like this." Ye Chen looked dissatisfied when he listened to what Chi Shui said, Ye Chen felt that he had been tricked by Chi Shui.

"It's not like that, what I wrote in the letter is the truth." Chi Shui denied what Ye Chen said, he just wanted to tease Ye Chen.

"So what will happen, why don't you tell me" Ye Chen said to Chi Shui.

Ye Chen wanted to know what was going on, from the woman's words just now, it seemed like there was going to be a big gathering.

"why don't we go in and talk about this matter, it's rude to keep you here" Chi Shui took Ye Chen inside, Chi Shui would explain what happened to Ye Chen.

"Come on, let's go right now." Ye Chen accepted the invitation that came from Chi Shui, both of them entered the Heaven Dream Sect.

When Ye Chen entered, several women started to stare at Ye Chen, they looked at Ye Chen with full eyes.

"It seems that women in this Sect are a little excited" Ye Chen said to Chi Shui.

"Of course, in front of them is a handsome man like a younger brother, of course this makes them hungry, if I wasn't here maybe you It's finished" Chi Shui said to Ye Chen.

Chi Shui smiled very charmingly when she said this, if Chi Shui wasn't in this place, then maybe Ye Chen would have been beaten up by the women in this place.

"Of course I just have to face them, it won't be too difficult" Ye Chen replied to Chi Shui, Ye Chen very easily replied that he would face all of them.

"Are you sure?, even though they are like that, their strength is far above ordinary women. However, I'm afraid that you won't be able to face all of them at once." Chi Shui wasn't sure what Ye Chen had said.

These women were quite strong, Ye Chen would definitely not be able to fight them all at once.

"We won't know until we try." Ye Chen said that he wouldn't know until he tried.

"oh, you have pretty strong self-confidence too, is it necessary for me to tell them to do that?" Chi Shui asked Ye Chen, Chi Shui didn't mind doing that.

"I'm afraid it won't end quickly" Ye Chen replied to Chi Shui, Ye Chen felt that it might not end quickly.

Chi Shui laughed when she heard this, Ye Chen's sense of humor was quite high, she liked Ye Chen's sense of humor.

it was quite rare for people to be able to make Chi Shui like this, not many were able to do what Ye Chen did.

Chi Shui brought Ye Chen to her own room, this was a private room owned by Chi Shui, so no one should dare to disturb them.

The Chi Shui room is very beautiful, everything is made of the best stone in the world, plus there are some ornaments and gold and diamond carvings that decorate this place.

"This is the God Realm, so this kind of scene is natural." Ye Chen realized that the standards in the God Realm were much higher, this kind of thing was normal.

If only this was placed on earth, surely this would be commotion, which rich people are capable of doing something like this.

"Sit down" Chi Shui invited Ye Chen to sit down, she would tell Ye Chen what was going to happen.

Ye Chen sat down, he sat next to Chi Shui, Chi Shui deliberately sat beside Ye Chen, he liked being close to Ye Chen.

"Little brother, in a few days there will be a meeting between cultivators who mostly cultivate Dual Cultivation techniques, they gather to conduct transactions and business, there you can find what you are looking for" Chi Shui told Ye Chen about what to expect. occur.

there will be a regular meeting held once every 3,000 years, this meeting is intended for people who want to buy various items suitable for Dual Cultivation or related to Yin & Yang, this meeting can be attended by everyone, everyone has the right to come.

"Is it a Festival?" from Chi Shui's words, Ye Chen concluded that this would be like a Festival.

"Yes, you can say it like that, I invite you to enjoy this, you might find something good, it can be an item or something that is hard to get" Chi Shui said to Ye Chen.

"Something hard to get?, what is it?" Ye Chen was curious about something that was hard to get, Ye Chen wanted to know what it was.

"Little brother, to be honest I still don't know what it is, but it looks like this is a good thing, many people will be eyeing it." Chi Shui was still unsure, the information he had was lacking.

"I like mysterious things like this." Ye Chen liked mysterious things, he felt like finding out what the Festival would show.

"I know you will be excited when you hear this." Chi Shui was sure that Ye Chen would be excited when he heard this.

"You do know what I like." Ye Chen looked at Chi Shui, this woman really knows what he likes. Ye Chen.

Chi Shui smiled, she smiled when she saw Ye Chen was happy with this news.

Chi Shui explained about the upcoming Festival, apart from gathering great people, there will be some battles going on, they will show their abilities.

"will it be held here?" Ye Chen asked Chi Shui, where the festival would be held.

"The festival will be held in a city not far from Here, it will be held in the Red Rose Heaven Land" Chi Shui replied.

"Red Rose Heaven Land?, what kind of place is that?" Ye Chen asked Chi Shui,

"it is , a place to have fun, and a place to cultivate for Dual Cultivation cultivators, it is the greatest place in the God Realm, it is a land that one can feel happy about, as long as you have money, you will enjoy everything you want" Chi Shui started to describe about Red Rose Heaven Land.

"Oh, I see..." Ye Chen immediately understood what Chi Shui said, maybe this is a kind of casino where one can do whatever they like.

"Then are you responsible for Red Rose Heaven Land?" Ye Chen asked Chi Shui

"I am responsible for my own Sect, I have to prepare everything for the gathering, I don't want to make a mistake that could embarrass the Heaven Dream Sect's name" Chi Shui replied to Ye Chen.

Ye Chen nodded, it seems Chi Shui is planning something in this Festival, whether to There was an exchange of strength between cultivators, Ye Chen was quite curious about this.

"Chi Shui, come out right now" While Ye Chen and Chi Shui were talking, from outside came a very loud scream, this scream was so loud that it was heard by Everyone in Heaven Dream Sect said,

"Who is it, is it your guest?" Ye Chen asked Chi Shui, who just called Chi Shui,

"it wasn't a guest, it was a dog that was barking at my place," Chi Shui replied to Ye Chen.

JOURNEY TO BECOME A TRUE GOD

Chapter 1527 - Yong Hu The Slave Seller

Judging from Chi Shui's tone of voice, the person who had just arrived was most likely not very friendly, it could be Chi Shui's enemy or rival.

"Why did he have to come at a time like this, this is really annoying." Chi Shui felt annoyed when she saw this person's arrival, she felt displeased when she saw this person's arrival.

"who is that?" Ye Chen asked Chi Shui, he asked Chi Shui about the person outside.

People outside kept shouting at Chi Shui, he kept shouting and calling out to Chi Shui.

This person's voice was getting bigger and bigger, this made those who heard it feel sick.

If people with low cultivators heard this, they would definitely feel an unbearable headache.

"He is one of those people who likes to meddle in my Sect's affairs, his goal is to dominate my Skills" Chi Shui told Ye Chen about the person outside.

"Oh, so this is the reason you came back that time?" Ye Chen asked Chi Shui. Ye Chen started to understand why Chi Shui was in such a rush at that time, it seemed that it had something to do with this.

"This has something to do with it, previously that person had made a mess, it made me feel troubled" Chi Shui said to Ye Chen.

"So my guess is correct, this person has caused chaos" Ye Chen's guess was correct, it turned out to be this person who had caused chaos at Chi Shui's place.

"Let's go out, if we don't come out, then she will cause continuous chaos." Chi Shui asked Ye Chen to come out, otherwise there would be chaos.

"Come on, I want to see who made a mess at your place." Ye Chen nodded, he followed Chi Shui to the place where the screaming person was.

When Ye Chen and Chi Shui came out, they saw the Seven Fairy Succubus who had appeared, the Seven Fairy Succubus appeared and stopped the person who had made a mess.

"What do you want, are you not satisfied that you made a mess when we weren't around" one of the Seven Fairy Succubus members scolded the man who came, the woman who scolded the fat man there was Chi Yung, as the oldest and had the first position Chi Yung have to act.

What the Seven Fairy Succubus was fighting against was a man with a fat appearance, behind this man were hundreds of thousands of men and women.

"They're all slaves?" Ye Chen saw that the men and women behind the fat man were slaves, Ye Chen could tell because he saw the Slave Seal on everyone.

"They are indeed slaves, the man is a slave collector, he sells male or female slaves he also likes to play with the female slaves he gets." Chi Shui told Ye Chen about the fat man in front of him.

"Then, what is the purpose of him coming to this place?" Ye Chen asked what the purpose of this man came to this place.

"He came to make an offer, he wanted to buy skills from this Sect, I have rejected him several times, but he still insists" Chi Shui told the reason this man came here.

Heaven Dream Sect is a place where women are beautiful and seductive, here there are many skilled women on the bed, it is something that every man likes, so it is not strange that this man is attracted by Heaven Dream Sect's skills.

This man did not even hesitate to pay such a high price, as long as Chi Shui was willing to sell her Heaven Dream Sect skills to him, this man would definitely pay for it.

"Then why don't you kick him out of here." Ye Chen asked Chi Shui, Ye Chen wanted to know why Chi Shui didn't kill this fat man right away.

"It's not as easy as you think, this man has extensive business connections, if he does something bad, then surely the people behind him will go and attack Heaven Dream Sect." Chi Shui told about the connection from the fat man, this man's business connection So big, if Chi Shui were to be rash and anger the people behind the fat man, then it would be dangerous for Heaven Dream Sect.

Chi Shui might not be afraid of dealing with cultivators of the same level, the problem is that fat men also have patrons of the great powers that control the God Realm, offending a great power is taboo, the Heaven Dream Sect could be destroyed if one goes against the great powers that control the God Realm. .

Even though the Heaven Dream Sect could already be said to be a high ranking Sect, there were still some things they couldn't do.

"Yong Hu, why are you still looking for trouble at my place, I have told you many times that I am not interested in your business, why do you keep insisting like this?" Chi Shui said to Yong Hu, she said that she was not interested in the business that he was in.

"How can you not be interested in this business, it is a big business, this Sect can become bigger if you do that" Yong Hu said to Chi Shui.

"Didn't you hear what Mistress said, we're not interested in that, so why don't you go" the Seven Fairy Succubus member said to Yong Hu.

"You guys are very rude to me, you should be more friendly with me, if only you were more friendly and obedient, then you might have a high selling price" Yong Hu said to the Seven Fairy Succubus.

The members of the Seven Fairy Succubus were furious as they listened to what Yong Hu had to say.

This man's brain is indeed problematic, he considers all beautiful people as objects that can be sold, that is the thing that irritates them.

"Go now, we don't want to deal with you" Chi Shui told Yong Hu to leave this place immediately, his existence was very annoying and made them sick.

"This time I will not go, I will even fight with you" Yong Hu said that he will not go, Yong Hu will fight if he does not get what he wants.

Chi Shui was helpless, this person was so stubborn, he didn't want to give up on what he wanted.

"Fat why don't you just go" Ye Chen said to Yong Hu, seeing the situation getting out of control and Yong Hu trying to fight back, Ye Chen was forced to intervene in this matter.

"Who is it, how dare you insult me" Yong Hu said to Ye Chen, Yong Hu looked very annoyed when he heard someone calling him fat, he was annoyed with this matter.

The members of the Seven Fairy Succubus were confused by what happened, who just said that.

"Here, I called out like that, do you have a problem" Ye Chen came out, he showed himself in front of Yong Hu.

"Ye Chen, you" Chi Shui looked at Ye Chen, how could Ye Chen be like this.

"That person, why is he here?" Seven Fairy Succubus members looked at Ye Chen, they looked at Ye Chen who had just arrived.

"That handsome man is coming here, is he doing business with Mistress?" Chi Rou pointed at Ye Chen, she pointed at Ye Chen who came to her place.

JOURNEY TO BECOME A TRUE GOD

Chapter 1528 - One Second Beats Hundreds Of Thousands Of People
Chapter 1528 - One Second Beats Hundreds Of Thousands Of People

"Who are you, why are you here?" Yong Hu asked who Ye Chen was, he didn't know who Ye Chen was.

"I am a visitor in this place, and I don't like the way you talk." Ye Chen said to Yong Hu, Ye Chen didn't like Yong Hu's way of speaking.

"Bastard, what did you say?" Yong Hu looked angry when he heard what Ye Chen's words were like a greeting to start a battle.

"What's wrong?, do you have a problem with me?" Ye Chen asked Yong Hu.

Ye Chen didn't show the slightest bit of fear when facing Yong Hu, he didn't show any fear when facing someone like Yong Hu.

Yong Hu gritted his teeth, how could anyone dare say this to him.

"You seek death, you attack him quickly, whoever can kill him then I will give freedom to you" Yong Hu couldn't stand Ye Chen's words, he ordered his people to go and attack Ye Chen.

With an order from Yong Hu, all the slaves went to attack Ye Chen, they all went and attacked Ye Chen.

All of them obeyed Yong Hu, they all came forward and attacked Ye Chen, the slaves who advanced quite a lot, meanwhile there were some who did not advance, among the slaves who did not advance, it was a cultivator with very high strength, it seemed they were Yong's personal bodyguards Hu who will not get absolute freedom.

"Everyone, prepare to receive the attack" Chi Shui said to prepare for the impending attack.

"No need" Ye Chen shook his head, he told Chi Shui not to act.

"Are you sure, there are too many of them?" Chi Shui replied to Ye Chen, he said that the number of enemies was very large.

"I will overcome this quickly" Ye Chen said that he would overcome the enemy quickly.

Ye Chen's confidence is very high, Ye Chen is very confident in his abilities.

Ye Chen stepped forward, he advanced alone to face Yong Hu's slave.

Yong Hu laughed when he saw Ye Chen, where did this idiot come from, it seemed he was just a fool invited by Chi Shui.

Apart from being handsome there might not be anything special about this person, most likely this man was a white face raised by Chi Shui, that possibility was very high considering that Chi Shui was a quite famous Succubus Mistress.

Ye Chen seemed to be silent, Ye Chen didn't show any sign that he was going to attack or defend.

"He is mine"

"The head is mine"

"I will be free soon"

The slaves are after Ye Chen, they are after Ye Chen's head to give to Yong Hu, that way they will get freedom.

Ye Chen stared at the slaves in front, an enormous pressure appeared and swept over everyone in front of him.

The slaves that were heading towards Ye Chen instantly fell to the ground, they all fell like fallen leaves.

Even the strong cultivator behind Yong Hu had to fall and fall to the floor, Yong Hu was currently silent, showing a shocked face to everyone.

"what just happened?" Chi Nan and the rest of the Seven Fairy Succubus looked so shocked by what had just happened, they had no idea what had just happened.

Even though Ye Chen was silent, he was able to overthrow hundreds of people in the blink of an eye.

"Little brother, you're just getting better, it seems you've grown since last time." Chi Shui smiled, she smiled when she saw Ye Chen showing his abilities.

The female disciples from Heaven Dream Sect were also amazed by what Ye Chen did, they were amazed when they saw Ye Chen take down so many enemies in just one breath.

Ye Chen just used God Domination Pressure, with this technique Ye Chen was able to make everyone he saw faint, the pressure released from God Domination Pressure was terrifying, it was like divine pressure descending from the sky.

"Do you still want to find trouble with me?" Ye Chen stepped forward, he walked over to Yong Hu who was silent like a statue.

"Please forgive me" Yong Hu immediately knelt down, he apologized to Ye Chen, the pressure just now was quite shocking to Yong Hu, Yong Hu looked terrified after receiving such terrible pressure.

In his life, this was probably the first time that Yong Hu had felt such a terrifying pressure, it was even more terrifying than when he was with the powerful people who came from the great powers that controlled the God Realm.

"Do you know what you did wrong?" Ye Chen asked Yong Hu, Ye Chen asked about the mistake that Yong Hu had made.

"Of course, I have made a mistake in offending you, so please spare me." Yong Hu asked Ye Chen to let him go.

"Let go of you, it depends, do you have something that can interest me, if there is maybe I will let you go" Ye Chen said to Yong Hu.

Since it's like this, Ye Chen might blush Yong Hu, let this man know that it's not good to play with him.

"As long as you let me go, I will give you whatever you ask for" Yong Hu said that he would do whatever Ye Chen asked, as long as he let him go, then Yong Hu would do anything.

"what do you have, quickly tell me" Ye Chen told Yong Hu to give what he had.

"For now I only have this." Yong Hu handed him his Space Ring, currently he only carried it in his hand.

Ye Chen took Yong Hu's Space Ring, he looked inside Yong Hu's Space Ring.

"Not bad either." Ye Chen saw that Yong Hu had a good Space Ring inside which contained a lot of Profound Crystals and valuable items.

Ye Chen scanned Yong Hu's body, he didn't see anything else on Yong Hu's body, it seemed that Yong Hu only brought this, he didn't hide anything anymore.

"You may go, take these people with you, don't show yourself in front of me again." Ye Chen told Yong Hu to take these people away.

"Alright" With a bit of a stutter, Yong Hu left immediately, he woke up the slaves who had fainted.

Yong Hu looked like he was having a hard time waking up his slaves, it seemed they were completely knocked out by Ye Chen.

"This person is terrible, who exactly is he?" Yong Hu started to look panicked, since when did Chi Shui have this kind of strong person acquaintance, it seems that this man is not Chi Shui's white face.

It was likely that he was the one who supported Chi Shui from the shadows, otherwise how could this fellow be so bold towards Yong Hu.

After a few minutes of effort, finally Yong Hu was able to wake up his slaves, he ordered the strongest slaves to immediately take the others away from this place.

In the blink of an eye Yong Hu and the slaves left this place, they all left quickly.

"That was really great earlier, you chased them away so easily" Chi Shui came to Ye Chen, he praised Ye Chen for easily expelling someone like Yong Hu.

"He's just a fat & stupid man , so there's no need to worry too much about him" Ye Chen said to Chi Shui.

JOURNEY TO BECOME A TRUE GOD

Chapter 1529 - An Invitation From Succubus

Chapter 1529 - An Invitation From Succubus

"handsome, you is so great, why are you here?" Chi Rou being the first woman to come, she spoke to Ye Chen as if they already knew each other.

"Rou, don't behave like that, you are impolite" Chi Rong came over, she told Chi Rou not to behave like that towards Ye Chen.

From Chi Shui's attitude, Chi Rong could tell that this man was not a random man, Chi Rong could feel that this man had something extraordinary in his body.

"There's no need to be so formal." Ye Chen told the members of the Seven Fairy Succubus to be less formal with him.

Chi Rong just nodded, it seemed that Ye Chen was much friendlier than he thought.

"handsome brother what's your name?" Member Another Seven Fairy Succubus came to Ye Chen, they all asked about the name that Ye Chen had.

Honestly Ye Chen made them interested, they felt like getting to know Ye Chen better.

Ye Chen was very friendly when facing the women nearby, he continued to smile and spoke kindly to them.

Chi Shui looked a little gloomy when she saw the Seven Fairy Succubus teasing Ye Chen, they dared to tease Ye Chen in front of her face.

"Ahem. . . ." Chi Shui coughed, she coughed to tell Seven Fairy Succubus to stop teasing Ye Chen.

"Mistress, what's wrong?" Chi Yung, Chi Rong and Chi Rou asked Chi Shui, why did Chi Shui suddenly cough like that.

"Don't you guys still have unfinished work, why don't you finish your work" Chi Shui said to the women, he ordered everyone to finish their work.

"oh yeah, we almost forgot" they forgot about work, they still have a lot to prepare.

"Handsome brother, see you later, when our work is done, we may play together with you." The Seven Fairy Succubus member said to Ye Chen.

It was obvious that these people had other intentions, they had other intentions for Ye Chen

"They very friendly" Ye Chen said to Chi Shui, Ye Chen felt that the Seven Fairy Succubus were very friendly to Ye Chen, they seemed to be an older sister who treated her sister well.

"they must be planning something with you, I am 100% sure of that" Chi Shui informed that Seven Fairy Succubus must be planning something against Ye Chen.

"Why do you think like that" Ye Chen asked why Chi Shui could think that Seven Fairy Succubus was trying to plot something against Ye Chen.

"I know them very well, so they will definitely do something bad to you" said Chi Shui to Ye Chen.

"Hmmm" Ye Chen nodded, it seemed that Chi Shui was very familiar with the mannerisms of the Seven Fairy Succubus.

"Ye Chen, you better stay at my place, if you stay in the usual place, they will definitely try to harass you." Chi Shui said to Ye Chen, he suggested Ye Chen to stay at his place.

"I'm afraid that you will eat me instead" Ye Chen said to Chi Shui.

"Well, if you don't mind it" Chi Shui replied to Ye Chen, Chi Shui gave quite a bold answer, she was very direct in teasing Ye Chen.

"Let's discuss the matter beforehand" Chi Shui invited Ye Chen to discuss the matter beforehand, there were many things that Chi Shui wanted to say to Ye Chen.

"Come on" Ye Chen also wanted to hear what Chi Shui had to say, Ye Chen was very curious about the Festival that would be held in Red Rose Heaven Land.

Ye Chen and Chi Shui went inside, behind there were many women looking towards Ye Chen, it seemed that they all started to look at Ye Chen with interest.

Chi Shui told Ye Chen about Red Rose Heaven Land, he explained in detail about Red Rose Heaven Land.

Red Rose Heaven Land there are so many games that can be done, from having fun with women, partying, sumptuous dinners, stone gambling, battles, auctions, music performances and much more that can be done in that place, all the pleasures in the world is in that place.

"Is it possible to go to Red Rose Heaven Land now?" Ye Chen asked Chi Shui, he wanted to know if it was possible for them to go to Red Rose Heaven Land.

"That place should be closed as it is under repair for the Gathering and Festival." Chi Shui told Ye Chen that the Red Rose Heaven Land was still closed, so there might not be anything interesting in that place right now.

"Too bad, looks like I can only wait a few more days" Ye Chen had no choice but to wait for a few more days.

"That's what you can do, as long as you can spend your time in this place, you can do whatever you want." Chi Shui told Ye Chen that he could do whatever he wanted.

"Are you sure about that?" Ye Chen said to Chi Shui, Ye Chen was not sure what Chi Shui said.

"Of course, even if you want to do something, I don't mind it." Chi Shui drew closer to Ye Chen, she started to play his finger on Ye Chen's chest.

Chi Shui tried to tease Ye Chen, she used her Skill to tease Ye Chen.

Chi Shui had never failed at flirting with someone, only Ye Chen had failed to seduce, so Chi Shui decided to try flirting with Ye Chen again.

Chi Shui had great pride, she couldn't possibly lose against a young man like Ye Chen, Ye Chen was still too young, so it shouldn't be difficult to fight a man like Ye Chen.

Ye Chen stopped Chi Shui's finger, he stopped Chi Shui who was trying to tease him.

"You better not provoke, last time you had a hard time" Ye Chen said to Chi Shui.

Ye Chen reminded Chi Shui of what happened in his dreamland, Ye Chen had already realized that at that time Chi Shui was the one who entered his dreamland and teased him.

"Oh, so you are fully aware, as expected of little brother, you are very clever." Chi Shui admitted that Ye Chen was very clever, she was able to deduce what happened that time.

"But, I feel like testing your abilities whether your abilities are as good as in the dream or is it just a coincidence." Chi Shui licked her lips, she seemed to want to taste the feelings that Ye Chen gave at that time.

it was a very pleasant thing, Chi Shui felt very excited when she thought about what happened when she was in dreamland, it was the most beautiful moment Chi Shui had ever passed.

"Then come on" Ye Chen accepted Chi Shui's invitation, no maybe Ye Chen refused Chi Shui's invitation.

Chi Shui looked happy when she heard what Ye Chen said, she felt very happy when she heard Ye Chen want to do that with herself.

Without waiting for Chi Shui to be ready, Ye Chen immediately pulled Chi Shui's body , he pulled Chi Shui's snake waist.

Chi Shui was quite surprised by what Ye Chen did, what Ye Chen did was very shocking.

"Why am I even embarrassed?" Chi Shui felt that something was wrong, why was she even embarrassed when she was close to Ye Chen.

JOURNEY TO BECOME A TRUE GOD

Chapter 1530 - Ye Chen & Chi Shui (1)

Chi Shui was a woman who liked to dominate, so how could she be like this by Ye Chen.

"What happened to me actually?" Chi Shui started to wonder what had happened to her, how could she be embarrassed when she faced Ye Chen.

"she has a nice body" Ye Chen had to admire the body Chi Shui was holding, Chi Shui's body was quite beautiful and very seductive.

Chi Shui gave off a very seductive aura, this was probably due to his special body which attracted men when he saw her.

"What's with your reaction?, it's not like you're the first time" Ye Chen asked Chi Shui, Ye Chen felt that Chi Shui was a little calmer than before.

Whereas previously Chi Shui looked wilder when teasing Ye Chen, but now he was calmer when facing Ye Chen.

"Do you like me taking the initiative to tease you?" Chi Shui wrapped her arms around Ye Chen's neck, she wrapped her arms around Ye Chen's neck and started to tease Ye Chen.

"It wouldn't be fun without a fight" Ye Chen said that this wouldn't be fun without Chi Shui's resistance, Ye Chen hoped for a little bit of Chi Shui's resistance.

Chi Shui should have some experience, so it would be fun to see the abilities this Lady had.

Last time Chi Shui teased Ye Chen with her seductive skills, even though in the end Chi Shui had to lose at Ye Chen's hands.

"Fufufu" Chi Shui giggled, she smiled as she listened to what Ye Chen said, from what Ye Chen said, it seemed like Ye Chen was trying to fight with herself.

Chi Shui did not want to be underestimated, Chi Shui had to show her abilities, otherwise how could Chi Shui be called a Succubus.

Don't underestimate Chi Shui's ability, Chi Shui's teasing ability is very good, even Ye Chen must be wary of Chi Shui's ability.

Chi Shui started to use her Charm to tempt Ye Chen, she used her Charm to tempt Ye Chen.

Chi Shui felt that Ye Chen was very difficult to seduce, this woman was very difficult to seduce using Charm.

Even though Charm is a powerful weapon possessed by Chi Shui, with her special body, Chi Shui can strengthen his Charm ability to the level where she can control other people's thoughts.

The problem was that the ability didn't seem to have any effect on Ye Chen, Ye Chen's mind was too strong to be an opponent for Chi Shui.

Ye Chen saw that Chi Shui had already started to attack, this woman had already started to show her abilities as a Succubus.

For a while Ye Chen would let Chi Shui show his abilities, he wanted to see the skills that Chi Shui had.

Seeing that Charm still didn't work against Ye Chen, Chi Shui had no choice but to tease Ye Chen with physical contact, it was a quick way to get Ye Chen.

"I can't believe I can't beat you." Chi Shui was confident, this time she would definitely beat Ye Chen.

Last time she was defeated by Ye Chen, so this time she had to defeat Ye Chen, that way they could balance each other out.

"Little brother, you have a strong mind, it seems like this big sister's Charm doesn't work for you" Chi Shui said to Ye Chen.

"Fight better" Ye Chen told Chi Shui to fight even better, maybe Chi Shui had a chance to win against Ye Chen.

"Looks like I have to show my abilities." Chi Shui snapped her fingers, in an instant Chi Shui's clothes disappeared, she changed into clothes that were much more sexy and seductive.

"ohhh, you immediately changed your clothes to very sexy clothes, it seems you are very serious about getting me" Ye Chen said to Chi Shui.

"I really want to get a younger brother, I will not be satisfied until I get you" Chi Shui said that she would not be satisfied before getting Ye Chen, Ye Chen was like a curse that couldn't be removed, before Chi Shui got Ye Chen, Chi Shui felt if her heart will not be able to calm down.

"Looks like it's going to get more and more interesting" Ye Chen felt that this was getting more and more interesting, Ye Chen couldn't wait for what Chi Shui was trying to do.

What was Chi Shui going to do, was she really able to show her abilities in front of Ye Chen or vice versa.

"Oh yeah, before that, this is for you" Ye Chen gave the Yin & Yang Awakening Flower to Chi Shui.

"Oh" Chi Shui saw the Yin & Yang Awakening Flower in Ye Chen's hand, she did not expect that Ye Chen would keep her promise, even though Chi Shui thought that Ye Chen might have used the Yin & Yang Awakening Flower With Li Jingyi.

The appearance of the Yin & Yang Awakening Flower would definitely create a commotion, especially in the Heaven Dream Sect, where all women wanted to obtain a Yin & Yang Awakening Flower.

"I am temporarily not interested in Yin & Yang Awakening Flower, I am more interested in you" Chi Shui pushed Yin & Yang Awakening Flower aside, she was more interested in Ye Chen.

"Are you unwilling to use the Yin & Yang Awakening Flower?" Ye Chen said to Chi Shui.

"Of course I will, and I have already found a candidate to use it, little brother, do you want?" Chi Shui asked Ye Chen.

Here the best candidate is Ye Chen, he is the only best candidate in this world.

Plus Chi Shui still couldn't get Ye Chen, it would definitely be fun to get Ye Chen.

Chi Shui was very aggressive and wild, she was very bold in speaking what was in her heart.

Chi Shui started to take off the clothes that belonged to Ye Chen, she started to use her skillful fingers to tease Ye Chen.

Ye Chen tried to resist the attack made by Chi Shui, this woman's attack was quite aggressive, it was much stronger than when she was in dreamland.

Chi Shui smiled when she saw the expression on Ye Chen's face, it seemed that the attack used was enough to make Ye Chen feel difficult.

"You don't need to hold back, just leave everything to this big sister, I will make you feel the most comfortable feeling" Chi Shui said to Ye Chen.

Chi Shui whispered and blew Ye Chen's ear, she gave Ye Chen a strong temptation.

Chi Shui showed her full abilities, this time she didn't hold back when she faced Ye Chen.

Chi Shui knew that Ye Chen was not easy to deal with, so she had to use her full strength against Ye Chen.

"Then please teach me" Ye Chen said to Chi Shui, Ye Chen joined in the game, he told Chi Shui to teach him.

Chi Shui bit Ye Chen's ear with a soft bite, she also used her tongue to make Ye Chen.

Besides that Chi Shui's hands started to wander around Ye Chen's body, she started to touch Ye Chen's chest and stomach.

Meanwhile Chi Shui used her legs to stimulate Ye Chen's younger brother who was below, with a little stimulation from Chi Shui, Ye Chen's younger brother started to rise from her sleep.

"oh shit, how did she use an attack like this" Ye Chen did not expect that Chi Shui would use a combination attack to stimulate Ye Chen.

Obviously this was a wonderful combination, Ye Chen felt pleasure and a feeling of comfort all over his body, all of them getting pleasure from the stimulation provided by Chi Shui.
