

A True God 1531

Chapter 1531 - Ye Chen & Chi Shui (2)

Every move that Chi Shui made was very well organized, she was able to make a harmonious movement.

"How, have you given up?" Chi Shui asked Ye Chen, she smiled towards Ye Chen.

Chi Shui was very confident in her abilities, she firmly believed that she could make Ye Chen submit to her.

"Pretty good, but it's still far away" Ye Chen said that what Chi Shui did was quite impressive, unfortunately it was still far enough to make Ye Chen fall.

Chi Shui raised her eyebrows, she didn't expect that what she did was still not enough to beat Ye Chen, even though Chi Shui had tried to use all her abilities, how could this still not be enough to excite Ye Chen.

From the reaction shown by Ye Chen, Ye Chen did look very relaxed, he looked very relaxed in the face of Chi Shui's onslaught.

Ye Chen was very good at restraint, so it wasn't strange that Chi Shui didn't notice Ye Chen's oddity.

Chi Shui's attack might do some damage to Ye Chen, but it was not an attack that could make Ye Chen fall easily.

"You're really great, I'm getting excited" Chi Shui felt a pleasant feeling in her heart, she saw Ye Chen's formidable ability, it seemed she had an opponent worthy of seriousness.

Chi Shui started kissing Ye Chen's lips, she crushed Ye Chen's lips and gave a Kiss filled with Passion.

Chi Shui's moves went without saying, she looked very skilled when facing Ye Chen.

Seeing the aggressive attack, Ye Chen didn't want to lose, he started to touch Chi Shui's snake waist, Ye Chen started to slightly show his skills to Chi Shui, Ye Chen started to circulate the Passion Goddess technique in Chi Shui's body

"Ahh. . ." Chi Shui couldn't help but as Ye Chen pinched her beautiful buttocks, somehow it felt so good when Ye Chen did this.

"What's with that voice, is this the only ability you have?" Ye Chen smiled at Chi Shui, he saw that Chi Shui seemed to be having a hard time dealing with the Passion Goddess technique.

"You" Chi Shui did not expect that Ye Chen would make herself scream with just one touch.

"What's the matter, if you have no resistance, or you can let me show it to you" Ye Chen smiled at Chi Shui, he intended to put up a fight against Chi Shui.

"This is dangerous, it seems his skills are much stronger than I imagined Chi Shui could sense that Ye Chen had skills far greater than she could imagine, which was why Chi Shui had to be careful when facing Ye Chen.

Ye Chen started to move, he started to use his fingers to touch Chi Shui's body, Ye Chen showed his skills, Ye Chen started to touch Chi Shui's two big melons.

The size of Chi Shui is quite impressive, only Li Jingyi can match Chi Shui.

"Don't touch there." Chi Shui started to feel weak, just now her weak spot was touched by Ye Chen.

"Oh, so here" Ye Chen found Chi Shui's weak point, it seems that this big double peak in his hand is Chi Shui's weak point.

Chi Shui tried to brace herself, she tried to withstand Ye Chen's attack, Ye Chen's finger strike was hard to resist, this man had managed to find his sensitive spot.

"If it continues like this, then I will. . ." Chi Shui could not stand still, if he continued like this, then he would lose to Ye Chen.

"I can't lose, I have to show my capacity as a mistress." Chi Shui couldn't show her weakness, she had to show her strength.

Chi Shui launched a counterattack at Ye Chen, she extended her hand towards the object beneath her body.

This was a man's weak point, by attacking this, Chi Shui would definitely gain victory.

"This is really big, is it bigger than the previous one?" Chi Shui started to suspect that this possibility was much bigger than before.

Even though in Ye Chen's dreamland it was already quite big, but now Chi Shui was very sure that Ye Chen had something even bigger.

Chi Shui looked even more excited when she found out about this, she wanted to immediately try to match her abilities with Ye Chen's big thing, whether it would be fun or not, Chi Shui was very curious about this matter.

Chi Shui immediately took out a large object belonging to Ye Chen, after exiting the prison, Ye Chen's property stood firmly under Chi Shui's body.

"It really is a treasure, little brother is indeed a dragon among men" Chi Shui's eyes lit up when she saw Ye Chen.

Chi Shui stretched out her hand towards Ye Chen's thing which was extremely large and long, abnormal in size and thickness.

What Chi Shui touched was real, this was definitely different from the dream realm, it was completely unreal, while what he touched and held was real.

This feeling of holding was much more comfortable and more lively, Chi Shui could feel the hardness and heat from Ye Chen's thing.

"Are you just going to take a look at it or do you want to give it a try?" Ye Chen asked Chi Shui, she wanted to know if Chi Shui would give it a try or she just wanted to take a look.

"Of course I want to try it." Chi Shui said that if he wanted to try it, she wanted to try Ye Chen's.

"Before that, let's change location, I want to do it somewhere else." Chi Shui asked Ye Chen to change location.

Apart from wanting to change Locations, Chi Shui also wanted to rest a bit, the fun that Ye Chen gave was too strong, Chi Shui couldn't stand what Ye Chen was given.

"Where's that?" Ye Chen was curious, he asked where Chi Shui wanted to change the location.

"Just come with me, I will lead you to a good place, where we can have as much fun as we like" Chi Shui said to Ye Chen.

Chi Shui have a very nice place, this place is a place one likes to visit while relaxing alone, it is a beautiful place, it is even more beautiful than a Resort that exists on modern earth.

"Then show me" Ye Chen told Chi Shui to show the place, Ye Chen wanted to know the place that Chi Shui was talking about.

Chi Shui pulled Ye Chen over, they went to a place not far from Chi Shui's private room.

Chi Shui led Ye Chen into a room, in this room there were several lounge chairs and sleeping beds, there was a swimming pool in the middle of this location with several flower trees and falling flower petals floating and beautifying the place.

"Not bad" Ye Chen saw that this was Chi Shui's place to pamper himself, this was an excellent place to indulge and have fun.

Chi Shui pulled Ye Chen, the two of them went straight into the pond.

"Byurr" Ye Chen was forced into the pool, This made Ye Chen's clothes wet.

"Why so suddenly?" Ye Chen asked why Chi Shui brought himself into the pool suddenly like this.

"Isn't this fun?" Chi Shui was also wet, Chi Shui's wet appearance looked very tempting, Chi Shui's charm grew even more when she was drenched, Ye Chen looked a little excited when she saw this.

Chi Shui immediately embraced Ye Chen's body, she immediately kissed Ye Chen, Ye Chen and Chi Shui kissed again, this time the kiss was much more passionate than before, doing a kiss in the water did feel very good, Ye Chen liked the feeling of doing this in the water.

"The water in the pool is a little strange, Ye Chen feels his body flowing with pure energy, it seems that this pool is full of great pure energy.

"This is pretty good, it looks like it's not a bad place to do Dual Cultivation." Ye Chen felt that this was a good place to do Dual Cultivation.

Ye Chen welcomed Chi Shui's kiss, this time Ye Chen cooperated with Chi Shui, this made a good continuity, Ye Chen and Chi Shui felt each other's pleasure.

"kisses. . . , Chu. . . , emmm. . . ." Ye Chen and Chi Shui kissed, both of them made an incredible sound, it was clear how passionate Chi Shui was in doing this with Ye Chen.

At the bottom, Ye Chen's younger brother was pinched by Chi Shui's two thighs, Chi Shui's two thighs pinched Ye Chen's younger brother, Chi Shui occasionally moved and rubbed her thigh.

This made Ye Chen feel a pleasant feeling at the bottom of his body.

Chi Shui was really well aware of what she was trying to do, Chi Shui managed to make Ye Chen feel excited very easily.

Chi Shui and Ye Chen kissed for a while, they both enjoyed this one-on-one session.

"Little brother, you are very good, you really are an enemy sent by the heavens for me" Chi Shui felt that Ye Chen was a very strong man, Ye Chen was able to make Chi Shui feel this comfortable feeling.

"What are you saying, it's still early, the real fun hasn't started yet." Ye Chen said that it was still a light warm-up, so the main event had not yet started.

"I can't wait to do that, I want to see my younger brother's true abilities," Chi Shui said to Ye Chen.

Chi Shui wanted to see Ye Chen's true abilities, a young male like Ye Chen must have a lot of strength, Chi Shui would definitely be satisfied with this.

"Come here" Chi Shui pushed Ye Chen aside, she told Ye Chen to relax, now Chi Shui will show one of her skills to satisfy Ye Chen.

Chapter 1532 - Ye Chen & Chi Shui (3)

Ye Chen couldn't put up any resistance against Chi Shui, the strength that this woman wielded was simply too great, this made Ye Chen only to be pushed over the edge.

Chi Shui smiled very gently and was full of temptation, this could make one feel self-conscious.

Chi Shui started to kneel down, he started to focus on Ye Chen's fully resurrected item, this is truly like a treasure at its finest for women.

"No matter how many times I think about it, she has a very extraordinary thing" Chi Shui had to admit Ye Chen had a very good capital, with such good capital, how could a woman endure this little brother temptation.

Chi Shui naturally didn't put up with Ye Chen's, she started to hold Ye Chen's.

Chi Shui needed both hands to hold Ye Chen's big thing, it was big enough that one hand couldn't fully hold this thing.

Chi Shui held Ye Chen's thing very carefully once, it seems that he is holding the most precious thing in this world.

"fufufu" Chi Shui smiled to Ye Chen as she held Ye Chen's large object, she looked at Ye Chen's with great demand and intense love.

"Little brother, soon you will see big sister's ability, this time I will seriously fight you" Chi Shui said to Ye Chen, she looked up and gave a triumphant smile for Ye Chen.

This time Chi Shui was very confident in her abilities, she seemed very confident in her abilities.

"Don't disappoint me" Ye Chen told Chi Shui not to disappoint him, Ye Chen hoped that Chi Shui could show the best ability he had to face Ye Chen.

"You'll see" Chi Shui accepted the challenge given by Ye Chen, she accepted the challenge given by Ye Chen.

Chi Shui was going to show what his service skills were like, definitely Ye Chen wouldn't be able to stand what she was about to do.

Chi Shui didn't want to waste any time, she immediately tasted Ye Chen's big thing, Chi Shui started with a small lick, she tried to make Ye Chen happy with her tongue.

"The movement is pretty good too." Ye Chen gasped when he felt what Chi Shui was doing, Chi Shui's tongue movement was very skillful.

"Fufufu" Chi Shui giggled, she could feel Ye Chen's body slightly stiffen as she helped Ye Chen with her mouth.

Chi Shui brought out all the abilities she had, she used all the techniques she had to please Ye Chen.

Chi Shui's hands did not stay still, both of her hands attacked Ye Chen's two balls, of course this made Ye Chen's defense falter.

"Oh, damn, this woman, she really is a Succubus, her skills can make a person suck dry" Ye Chen acknowledged Chi Shui's skill, this Glamorous woman was able to make Ye Chen feel a dangerous feeling.

"Her skills should be above Xue Suyin and Sun Xuanyin" From the skill Chi Shui displayed, Ye Chen could quickly conclude that Chi Shui was above Xue Suyin and Sun Xuanyin's level.

Back in the dreamland, Chi Shui still hadn't fully demonstrated her abilities, but now that she was starting to show all of her abilities, she displayed all of her best skills against Ye Chen.

The last experience had made Chi Shui not dare to underestimate Ye Chen, even if Chi Shui let her guard down, she might end up losing at Ye Chen's hands.

Chi Shui started to get serious with one move, Chi Shui could enter all of Ye Chen's pieces.

"This is too strong, my jaw feels numb." Chi Shui had a bit of a hard time doing this, she really worked hard to do this.

Chi Shui was quite extreme, she displayed her ability as one who could suck the souls of men dry.

"It's comfortable" Ye Chen liked this feeling, few of his women could do what Chi Shui did.

After successfully securing a position, Chi Shui started to move, she started to make attacks on Ye Chen's.

Chi Shui's movements were very lewd, her voice actually excited Ye Chen.

"Slurp . . . , Jubo . . . , Slurp . . . , Jubo . . . , Slurp . . . , Jubo . . ." Chi Shui had already started to go crazy and Aggressive, she made Ye Chen feel the most comfortable feeling in this world.

"Oh, this suction is so strong, is she trying suck me dry?" From Chi Shui's ability, Ye Chen could tell that this woman was trying to suck herself dry.

" younger brother. . . . you don't have to hold back. . . just enjoy this" Chi Shui's voice was not very audible, this was because her mouth was gagged and made it difficult for her to speak.

"I'm really enjoying this, you have pretty good skills" Ye Chen replied to Chi Shui, he told Chi Shui that she had good skills.

Chi Shui smiled, she became very confident, in a moment Chi Shui will definitely beat Ye Chen.

Chi Shui continued her mouth service for Ye Chen, unknowingly the time passed quickly already a few minutes had passed, but Ye Chen was still able to restrain him from Chi Shui's delicious attack.

"He is too strong, is he really young?" Chi Shui couldn't imagine Ye Chen's endurance, Ye Chen's endurance was amazing, Chi Shui had to admit that Ye Chen was too strong.

what got Ye Chen got, they might raise the white flag in less than 1 minute, but Ye Chen was different, she couldn't be easily defeated by Chi Shui.

"Not good, little brother is too strong, if it continues like this, I will not have a fight" Chi Shui felt that she would not win if he continued like this, it could be seen that Ye Chen had good abilities, so it was like this would not have much effect on Ye Chen.

Chi Shui decided to stop, she had to make an even more intense attack.

" what is it?" Ye Chen asked Chi Shui, why did Chi Shui stop suddenly, when Ye Chen just wanted to enjoy this.

"Little brother, let's move on to the main event, I can't wait to eat you." Chi Shui couldn't wait to eat Ye Chen.

It can be seen from the bottom of Chi Shui which is already very wet, it can be seen that Chi Shui can't stand Ye Chen's temptation.

"hoo, so you can't stand it anymore, you are a very lewd woman" Ye Chen said to Chi Shui, Chi Shui looked very lewd when she was with Ye Chen.

"I don't care, little brother, give it to me quickly." Chi Shui climbed up, she climbed into Ye Chen's thigh.

What Chi Shui did looked like a child trying to ask Ye Chen something.

"You are the one who asked for this so be prepared" because Chi Shui asked, Ye Chen decided to give Chi Shui what she wanted.

Ye Chen lifted Chi Shui's body, he immediately positioned Chi Shui's body in the right place.

"Let's use that?" Chi Shui invited Ye Chen to use the Yin & Yang Awakening Flower.

Ye Chen and Chi Shui used Yin & Yang Awakening Flower, when both used Yin & Yang Awakening Flower, they felt Yin & Yang overflowing from each other, they felt that they needed each other.

Ye Chen couldn't take it anymore, he directly barged into Chi Shui's deep honey cave.

"Ugh. . . ." Chi Shui's body was quite jolted with Ye Chen's attack, Ye Chen's attack made her body tremble with immense pleasure.

"This is so amazing, I feel full.." Chi Shui felt an indescribable feeling, he felt very full.

Chapter 1533 - Chi Shui Asks For Help

Chi Shui felt an extraordinary feeling, this feeling of fullness was extraordinary, she felt that her body could be crushed by Ye Chen's big brother.

Chi Shui didn't lie about what he was currently feeling, even Chi Shui's stomach shot up.

When facing the active and wild Chi Shui, Ye Chen couldn't refrain himself, he used all the abilities he had, even Ye Chen used his full size to fight against Chi Shui.

Not many women were able to put up with something this big, if they didn't have the experience, then it would be very dangerous.

"Your little brother is so fierce, I almost got crushed by your thing." Chi Shui said to Ye Chen, she was almost crushed by the big thing that Ye Chen had.

In addition to the impressive size, it also feels very comfortable, Chi Shui loves this.

"Are you ready to start the battle, I will make you remember who I am" Ye Chen said to Chi Shui, he will let Chi Shui remember today.

"I hope you can show something extraordinary" Chi Shui hoped that Ye Chen could show something amazing, she wanted to try what Ye Chen's taste was like.

"Don't be sorry, I will use my full strength" Ye Chen said to Chi Shui, lest Chi Shui regret what she said.

Ye Chen started to move, he started to drill into Chi Shui's honey cave.

"aaaaaah, it wraps me very tightly, he has something good" Ye Chen felt that Chi Shui had treasures, he was able to make Ye Chen feel very comfortable just from this.

The current Ye Chen seemed to be wrapped in lotus petals which only, there was a slight violent vibration that made Ye Chen feel excited.

Yin & Yang Awakening Flower played an active role in Ye Chen and Chi Shui's Dual Cultivation, Ye Chen felt that he had enormous stamina, Ye Chen might be able to do Chi Shui for a few days.

"Ah. . . , little brother is a little slow." Chi Shui tried to ask Ye Chen to slow down a bit, she still wasn't used to Ye Chen's.

Ye Chen's was very difficult to bear, so it was not surprising that Chi Shui had a little trouble.

In addition , Ye Chen used the Passion Goddess technique, this would give Chi Shui a very good feeling.

"No, how is this, my mind is melting?" Chi Shui felt an inexplicable feeling, this joy and happiness was incomparable.

"I like this, I want more" little by little, Chi Shui's mind started to be controlled by pleasure, she couldn't think of anything else except Ye Chen.

Ye Chen saw Chi Shui's expression, Chi Shui seemed to be enjoying this.

Chi Shui was very beautiful, she was much more seductive and beautiful when she showed this kind of expression.

"Damn, I will definitely get you" Ye Chen couldn't stand it, he couldn't stand the Chi Shui in front of him.

Ye Chen liked what Chi Shui was doing, this woman gave Ye Chen happiness.

"Little brother please more, make me ascend to heaven" Chi Shui begged and pleaded with Ye Chen, she wanted Ye Chen to give happiness.

"Call me master or husband, from now on you are mine" Ye Chen said to Chi Shui.

"Yes, master, my husband, I am mine, do whatever you want, I will accept it." Chi Shui had completely forgotten her goal of dominating Ye Chen, now she was the one who was ruled by Ye Chen.

"Pah. . ."Ye Chen's movements were very aggressive, Ye Chen messed up Chi Shui.

Ordinary women couldn't possibly endure this, this was a battle that was only fought by professionals.

If this was done by ordinary women, it was certain that they would pass out in a matter of minutes.

Ye Chen's hands started to move wildly, he played with Chi Shui's big melon.

"Don't be there you are evil!" Chi Shui shouted as Ye Chen played with her two big melons, Ye Chen started to eat and tasted both of Chi Shui's things.

Chi Shui couldn't stand Ye Chen's attack at least, this man was very skilled at teasing Chi Shui.

The most seductive moan sounded Chi Shui let out the most seductive moaning sound that could be sung in this life.

This can prove how pleasant the feelings received by Chi Shui.

"Husband, I love you, you still stronger, I will reach the top" Chi Shui couldn't take it anymore, she was at her limit.

"Oh. . . ." Ye Chen the faster Ye Chen's movement made a big ripple around the water.

"ahhhhhhhh."Chi Shui let out a scream, she was just forced by Ye Chen to reach the top.

"This is great" Chi Shui immediately hugged and rested her head on Ye Chen's shoulder, she really liked this.

"This little brother is great, I like you" Chi Shui said that he likes Ye Chen.

"Are you serious about what you just said?" Ye Chen asked Chi Shui.

Ye Chen smiled, he smiled triumphantly.

His target of obtaining Chi Shui had already been completely achieved.

"yes, after today, I will follow you, I don't care about anything else" Chi Shui said her determination, she said press her own to be with Ye Chen.

"It's up to you, but I'm still not done so let's continue this" Ye Chen said that he wasn't done yet.

"Eh?" Chi Shui looked surprised as she listened to what Ye Chen said.

Chi Shui did not expect that Ye Chen would still be able to restrain herself.

"Let me rest a bit" Chi Shui asked Ye Chen, she hoped that Ye Chen would give her some time to rest for a few seconds.

"How can you let me be like this, I will not let you go" Ye Chen refused Chi Shui's request, there was no rest in Ye Chen's dictionary.

"Ah. . . . , husband you is evil." Chi Shui complained, she could only endure Ye Chen's merciless attack.

1 day quickly passed, Chi Shui seemed to be at his limit, he was already filled with Yang Qi Ye Chen, her stomach had already enlarged to an abnormal size, even some Yang Qi Ye Chen was out because Chi Shui was unable to cultivate it.

"Is he not human, it's been 1 day, we haven't even rested yet, if it continues like this, I will die" Chi Shui started to fear Ye Chen, she was no longer able to withstand Ye Chen's attack.

"I'm at my limit, I have to call for help" Since Chi Shui didn't see the decline in Ye Chen's performance, Chi Shui was forced to ask the Seven Fairy Succubus for help.

A light appeared in Chi Shui's palm, the moment this light appeared, immediately the auras of all the Seven Fairy Succubus drew near.

They all entered by force, they wanted to know why Chi Shui was sending them an emergency signal.

"Emmmm. . . , ah" When the members of the Seven Fairy Succubus came, they heard Chi Shui's groan.

"Mistress?" The members of the Seven Fairy Succubus looked at Chi Shui who was being suppressed by Ye Chen.

They were all seeing this for the first time, to be honest it was quite a shock for them.

They were currently seeing how Ye Chen had conquered Chi Shui, they were all dumbfounded by what Ye Chen had to be honest it resembled a human leg, how it felt to taste such a terrible thing.

Chapter 1534 - Ye Chen Against Heaven Dream Sect

"what happened to the mistress, why is she like that" Chi Yung looked confused by what happened to Chi Shui, he saw Chi Shui in a very bad appearance.

"Why are you silent, help me, are you going to let me die?" Chi Shui asked for help, she asked the Seven Fairy Succubus for help.

"But, the mistress seems to be enjoying it." Chi Nan answered Chi Shui, she could see that Chi Shui really enjoyed this.

"you, why don't you help me, I can't stand it, he's too strong, he's not human" Chi Shui was currently in need of help, she couldn't stand Ye Chen who didn't show the slightest bit of fatigue.

"If Mistress is like this, then what about us?" Some of the Seven Fairy Succubus members hesitated, they saw Chi Shui who was in the worst condition, whereas in terms of ability and endurance, Chi Shui was the most powerful, seven of them could not possibly be compared.

"You guys, help me quickly, this is an order, if you don't help me, I will give punishment." Chi Shui had already reached her limit, someone had to help her in this kind of situation.

Chi Shui did not expect that Ye Chen would be so aggressive while using the Yin & Yang Awakening Flower, to be honest Chi Shui couldn't handle Ye Chen.

The Yin & Yang Awakening Flower was quite dangerous, this made Ye Chen so excited, he couldn't stop moving.

Hearing this, the Seven Fairy Succubus immediately left, they took off their clothes and entered the battlefield.

Honestly, the members of the Seven Fairy Succubus were both scared and excited, they were a little afraid of Ye Chen's abilities, meanwhile they were excited when they saw Ye Chen who had such a huge capital.

In terms of size and durability, it was a weapon that could kill a woman, under this weapon, they shouldn't be able to last very long.

Chi Yung, Chi Nan, Chi Bai, Chi Wue, Chi Maiya, Chi Rong, Chi Rou started pulling Chi Shui, one of them immediately took Chi Shui's place.

"Oh, so you called for help, do you think they can help you?" Ye Chen still had some consciousness, he realized when the Seven Fairy Succubus came to this place.

"Don't be too confident, we will let you know the strength of the Seven Fairy Succubus, no one can stand what we do" Chi Yung said to Ye Chen, she accepted Ye Chen's challenge

"ah . . . ,This is too strong" Chi Yung was the first in trying Ye Chen's skills, she felt an indescribable feeling from Ye Chen.

"Oh. . . , this is great, handsome brother is great, big sister likes you." Chi Yung let out a groan, she started to fall into Ye Chen's palm.

Chi Yung's arrogance disappeared in the blink of an eye, she was immediately subdued by Ye Chen.

"What's with Sister Yung's reaction, why is she being obedient like that?" The Seven Fairy Succubus members were shocked when they saw what happened.

"All of you be careful, he has something great, don't let your guard down or you may experience worse things than me" Chi Shui said to Chi Nan, Chi Bai, Chi Wue, Chi Maiya, Chi Rong, Chi Rou.

Chi Shui told that Ye Chen was so great, he had a way of driving a woman crazy in just an instant.

After saying that, Chi Shui closed her eyes, she started to absorb Ye Chen's Yang Qi Essence.

"Mistress" Chi Nan, Chi Bai, Chi Wue, Chi Maiya, Chi Rong, Chi Rou became afraid of what Chi Shui said, they were afraid to face Ye Chen.

"Can we win over him?" Chi Nan asked the other members of the Seven Fairy Succubus, it looks like it will be a tough battle.

"I don't know, but Sister Chi Yung is completely defeated." Chi Rou saw that Chi Yung had been completely defeated by Ye Chen.

It was only a matter of time until Chi Yung completely fell for Ye Chen.

"maybe we should advance together" Chi Wue and Chi Maiya immediately suggested to advance together, if they fought Ye Chen one Vs One, then the chances of them winning would be very small.

"I agree" Chi Bai and Chi Rong agree, they must go forward and fight Ye Chen together, as long as they join hands, they will definitely be able to win.

"But, after today we can go back?" Chi Nan doubted that after today they could return to their former selves, perhaps they would not be able to return to the way they were before.

"Sister Nan, why are you afraid, this is a golden opportunity to test the strength of that handsome man, don't you want to try that handsome man" Chi Rou gave a motivation to the members of the Seven Fairy Succubus, this was an opportunity they should not pass up.

"I agree" Chi Rong agreed, she didn't want to miss this once in a lifetime opportunity.

"Looks like you guys have already decided on this" Chi Nan had no other choice, since her friends were ready, they had no choice but to join.

"ahhh, you're great, I like this" Chi Yung continued to let out screams filled with passion, it seemed that he was enjoying the momentum of being with Ye Chen.

Chi Nan, Chi Bai, Chi Wue, Chi Maiya, Chi Rong, Chi Rou just watched from afar, they didn't directly join the battle, let the two fight to the end, it's not good to disturb someone who is still in a fierce battle.

Chi Yung was trying her best to fight Ye Chen, she used all the abilities she had against Ye Chen.

Unfortunately in just 30 minutes, Chi Yung had to succumb to Ye Chen, he was unable to defend against Ye Chen who was at full strength, it was a difficult thing to do.

After Chi Yung fell, Chi Nan, Chi Bai, Chi Wue, Chi Maiya, Chi Rong, Chi Rou came forward, the six came forward and started to fight Ye Chen.

They had already agreed to cooperate against Ye Chen, they could definitely win if they cooperated.

In success there must be such a thing as teamwork, so they worked together to deal with Ye Chen.

Chi Nan, Chi Bai, Chi Wue, Chi Maiya, Chi Rong, Chi Rou began to divide the tasks, some were in charge of teasing Ye Chen, and there was the task of taking direct resistance to Ye Chen.

The six of them started attacking Ye Chen, they used all the seductive skills they had to deal with Ye Chen.

Heaven Dream Sect had several techniques that could subdue a man with just a touch, when they used these on Ye Chen, they found that Ye Chen was not affected by the skills they possessed.

"This man isn't normal." Chi Nan couldn't think that Ye Chen would ward off her attacks, Chi Nan's attacks and techniques didn't work against Ye Chen.

It wasn't just Chi Nan who thought this way, Chi Bai, Chi Wue, Chi Maiya, Chi Rong, Chi Rou also thought the same thing, they saw that their technique had no effect on Ye Chen.

Since techniques didn't work, they could only use their own skills against Ye Chen.

It would be a very fierce battle between Ye Chen and the Seven Fairy Succubus.

Chi Nan, Chi Bai, Chi Wue, Chi Maiya, Chi Rong, Chi Rou took turns, they tried Ye Chen's big thing, when they tried Ye Chen's, they were all quickly defeated, Ye Chen's was something that could conquer women with easy.

"They are very good, I like it." Ye Chen liked the skills of each woman, they had different skills from each other, this was something that was very comfortable for Ye Chen.

Ye Chen did Chi Nan, Chi Bai, Chi Wue, Chi Maiya, Chi Rong, Chi Rou. He instantly used his full strength to penetrate into their flower cores, this left them unable to do much when facing Ye Chen.

Chi Nan, Chi Bai, Chi Wue, Chi Maiya, Chi Rong, Chi Rou struggled, they were only able to last for 5 hours, after which they had exhausted their strength and lay limp.

"he's too strong, what the heck" Chi Maiya couldn't understand Ye Chen's ability, how there was a man with such strong ability like Ye Chen, they couldn't even last for a long time.

Even though the strength of the Seven Fairy Succubus could be said to be very good, they had extremely good endurance.

Even though they had good endurance, in fact they lost to Ye Chen, their defeat was very fast.

Under the dominion of the Passion Goddess technique, the Seven Fairy Succubus were like normal women, they were unable to withstand the domineering power of the Passion Goddess technique.

"What should we do, I'm quite exhausted?" Chi Yung tried to find a solution, they couldn't handle Ye Chen.

Even Chi Shui still hadn't fully recovered, so they couldn't rely on Chi Shui's help to fight Ye Chen.

"I can't afford it anymore, this handsome man is too strong, how can he have such ability, he made me reach the top in just minutes" Chi Rou who was the bravest woman was quite scared when fighting Ye Chen, Ye Chen's techniques and skills were at the top on their expectations.

"You call core disciples, we must exert our full strength to fight this man, otherwise we will be crushed" Chi Nan told everyone to call the elders and core disciples in Heaven Dream Sect, they must work together to fight Ye Chen.

Ye Chen's abilities couldn't be overcome by the mistress and the Seven Fairy Succubus, so they had to put all of Ye Chen's strength into it.

Ye Chen was a terrible man, he alone was able to make a strong woman from Heaven Dream Sect become like this, was this man sent by heaven to destroy Heaven Dream Sect.

Chi Nan's words were heard by everyone, Chi Yung, Chi Nan, Chi Bai, Chi Wue, Chi Maiya, Chi Rong, Chi Rou started to summon their disciples, they all summoned the disciples they had trained to help them.

In an instant, dozens of women came over, they had beautiful appearances and were very seductive, it could be said that they were the best women in the world Heaven Dream Sect.

These women were well trained, they had good temperaments, normal men would definitely not be able to resist the temptations they had.

When the best core disciples came over, they saw a scene they could never imagine, they saw the Mistress and the Seven Fairy Succubus lying down and looking helpless.

This of course invites many questions for them, what actually happened to the Mistress and the Seven Fairy Succubus, why they could all be turned into such a terrible condition.

"All of you, quickly help us to fight that man, do whatever you can to defeat that man, those who can defeat that man will get our reward" Chi Yung ordered the best core disciples to go and fight Ye Chen, if they could win against Ye Chen, then there would be a reward waiting for them.

Hearing this, all the women immediately took off their clothes, they went straight towards Ye Chen, they tried their best to beat Ye Chen who was in full strength.

Ye Chen was very strong, he forced Heaven Dream Sect to put out full strength, Ye Chen was probably the first to do this, he was the only one capable of such an unreasonable thing.

Seeing more women coming, Ye Chen used his full strength, he showed his full strength to fight the women who came.

Inside this place echoed the moans and moans of women profusely, they showed their best ability to fight Ye Chen.

This place became so chaotic as hell, this was a battle that normal people couldn't imagine.

Chi Shui and Seven Fairy Succubus even had to take part in the battle, the best core disciples lost in few minutes, they were no match for Ye Chen.

Dozens of hours passed quickly, almost all of the women from Heaven Dream Sect had already lost, they were no longer able to face Ye Chen.

After dozens of hours the effects of the Yin & Yang Awakening Flower began to wear off, this made Ye Chen's consciousness fully recover.

Ye Chen saw nearby was Chi Shui and the members of the Seven Fairy Succubus, in the distance there were also some women who were asleep or maybe fainted, Ye Chen could see that they were all very exhausted.

"It seems that the Yin & Yang Awakening Flower's effect is too strong." Ye Chen felt that the Yin & Yang Awakening Flower's effect was very strong, Ye Chen was too excited when using the Yin & Yang Awakening Flower.

Ye Chen looked at Chi Shui, Chi Shui was now lying right on Ye Chen's chest, she looked very exhausted.

"umm" Chi Shui woke up when she felt the movement from Ye Chen, she looked at Ye Chen who had already woken up.

"Little brother, you are too strong, you almost destroyed us all, were you sent to destroy our Sect" Chi Shui said to Ye Chen, Ye Chen alone almost destroyed them all.

"It seems that I was too excited" Ye Chen apologized to Chi Shui, it seemed that he was too excited about this.

"You are too terrible, how can Jingyi endure alone with you?" Chi Shui didn't know how Li Jingyi could endure Ye Chen, she probably had a lot to learn from Li Jingyi.

"Jingyi is much stronger than you think, she has pretty great healing abilities" Ye Chen told Chi Shui about Li Jingyi.

"Not strange" Chi Shui now understood, it seemed like a reasonable reason why Li Jingyi was able to defend against Ye Chen.

"You are really unreasonable, now how can I live without you again" Chi Shui started to act spoiled, she said that he would not be able to live without Ye Chen.

"This is your destiny" Ye Chen said to Chi Shui, Chi Shui might have been destined for this.

Chi Shui just smiled, she went back to sleep on Ye Chen's chest.

"Shui, how about the festival, are we not going?" Ye Chen asked Chi Shui.

"I almost forgot, it's your fault, you're too strong." Chi Shui immediately got up when she heard what Ye Chen said, the Festival should be starting soon.

Chi Shui got up, she started to take a towel to cover her body.

"All of you quickly wake up, let's get cleaned up and go to the Festival." Chi Shui woke the Seven Fairy Succubus who was in a stupor.

"Mistress, we are still tired." The Seven Fairy Succubus were still tired, they needed a little rest.

"Hurry up and come with me right now" Chi Shui dragged Chi Yung, Chi Nan, Chi Bai, Chi Wue, Chi Maiya, Chi Rong, Chi Rou away, they went to tidy up their disheveled appearance.

"husband come with me" Chi Shui invited Ye Chen to come along with them, they would help Ye Chen clean up.

Ye Chen did not refuse Chi Shui's kind offer, he went with the eight of them.

Before leaving, Chi Shui woke up the core disciple, Chi Shui ordered them to immediately go and clean themselves up.

Core female disciples started to wake up, they all got up and helped each other, this was their first time doing something unreasonable like this, one man was actually able to beat all of them, this was something they couldn't believe.

Chapter 1535 - Nice Bath Time The Joy Suddenly Turned Into War

Chi Shui took Ye Chen and the Seven Fairy Succubus towards the bathhouse, they would clean themselves up.

This place was definitely different from before, this was a special place used for bathing, while the previous place was a place used for swimming and having fun.

"come on" Chi Shui took Ye Chen into the bath, she would help Ye Chen clean himself.

Seeing what Chi Shui was trying to do, the members of the Seven Fairy Succubus also came along, they didn't want to lose to Chi Shui.

Somehow a trivial thing like this suddenly turned into a competition between the women of the Heaven Dream Sect, it seemed that they were trying to fight over Ye Chen.

After the previous incident, Chi Shui and the Seven Fairy Succubus had completely fallen, they had all fallen under Ye Chen's domination, so it would not be strange for them to show affection towards Ye Chen.

Ye Chen is currently being served by eight beautiful and very seductive women, these eight beauties are helping to clean Ye Chen's body.

"Somehow I feel like a special person" Ye Chen felt that he was like a king being served by concubines.

Chi Shui and Seven Fairy Succubus started to look at every inch of Ye Chen's body, they all looked very excited when they saw Ye Chen's body.

These eight beauties saw the person they had subjugated, they naturally wouldn't be able to leave after what happened earlier.

Ye Chen didn't do anything bad, he received the treatment provided by Chi Shui and the Seven Fairy Succubus.

Chi Shui and Seven Fairy Succubus didn't dare to provoke Ye Chen too much, they still hadn't fully recovered, if they decided to provoke Ye Chen, they would have to endure consequences that they probably wouldn't have been able to imagine.

After they helped Ye Chen, the eight of them took turns to help clean up each one.

"Fufufufu, hahahahaha" A sweet, tickling laugh rang out in Ye Chen's ears, the laughter from Chi Shui and the Seven Fairy Succubus was indeed very crisp to listen to.

" Look, our skin is getting better." Chi Rou was the first to notice the big changes in her sisters, now they looked even more beautiful and moisturized.

Chi Shui, Chi Yung, Chi Nan, Chi Bai, Chi Wue, Chi Maiya, Chi Rong looked at each one, they did find a great change happening.

"This is all, don't tell." Chi Shui looked at Ye Chen, maybe this was the effect of Yang Qi Ye Chen.

Chi Shui clearly remembered that Ye Chen's Yang Qi was extremely pure, the purity of the Yang Qi in Ye Chen's body was something extraordinary for someone like Chi Shui.

"Looks like husband has something great." Chi Shui guessed that if Ye Chen had something great, he must have a very rare special body.

Chi Shui and the Seven Fairy Succubus felt happy about this, they liked to look beautiful and more charming, this was the pride of being a woman.

The Seven Fairy Succubus continued to clean their bodies, meanwhile Chi Shui decided to get closer to Ye Chen.

"Little brother, what are you going to do after this, if you don't mind how about you stay in Heaven Dream Sect" Chi Shui made an offer to Ye Chen, she wanted Ye Chen to stay in Heaven Dream Sect.

"what's wrong?" Ye Chen asked Chi Shui, he wanted to know the meaning of Chi Shui's words.

"No, it's just that I don't want you to leave this place." Chi Shui said that she didn't want Ye Chen to leave this place.

"Oh, so it's like that, then why don't you just come with me" Ye Chen offered Chi Shui to go along with him.

"Looks like it's going to be a tough one, the ancestor will definitely not be happy with what you have to say." Chi Shui took a deep breath, she told Ye Chen that the ancestor probably wouldn't like this matter.

"ancestor?, are there still people who are much taller than you?" Ye Chen asked Chi Shui.

"Of course there is, above me there is still an ancestor, she is on a different level from me" Chi Shui told Ye Chen that there was still someone higher than her.

"I just found out about it" Ye Chen just found out about the matter, she didn't expect that Heaven Dream Sect had someone higher than Chi Shui.

"So to say that if I want to take you guys away, I have to get past this guy?" Ye Chen asked Chi Shui.

"That's right." Chi Shui nodded, that was indeed what Ye Chen had to do to take them away.

"Are you sure, ancestors are not easy to deal with" Chi Shui said to Ye Chen, Chi Shui told Ye Chen that Heaven Dream Sect ancestors were not easy to overcome.

"Do you not believe me, do you want to try my strength again?" Ye Chen pulled Chi Shui's body, he intended to show his strength to Chi Shui.

"Stop, do you want to kill me?" Chi Shui immediately retreated, she didn't dare to confront Ye Chen, Chi Shui already knew how strong Ye Chen was.

"Mistress, you are cheating, how do you keep the monopoly on?" Chi Yung and the Seven Fairy Succubus members approached, they started to approach Ye Chen and Chi Shui.

"All of you, she is mine, I brought her here" Chi Shui told Seven Fairy Succubus to release Ye Chen, Ye Chen was his.

"How can you be so stingy like that" the Seven Fairy Succubus members were dissatisfied with the answer given by Chi Shui.

"Do you have a problem with this?" Chi Shui said to the Seven Fairy Succubus members., Chi Shui got up, he showed his dominance as mistress Succubus from Heaven Dream Sect.

The members of the Seven Fairy Succubus didn't want to lose, they also started to show their abilities.

"oh, this is bad" Ye Chen started to feel that something was bad, so Ye Chen decided to slightly step away from the possible battle.

"this battle wasn't a real battle where they would use their full strength, it seemed like it was just a battle to show who was the strongest.

"Boom" Chi Shui started to show his strength, a series of explosions occurred as Chi Shui demonstrated his abilities

Fairy Succubus didn't want to lose, they showed the strength they had.

Nice bath time the joy suddenly turned into war, Chi Shui and the Seven Fairy Succubus made several exchanges near this place, this made the ground and floor damaged by their attacks.

The cheerful and peaceful bath had turned into a battlefield, storms and thunder churned around this place.

Ye Chen decided to get out of the bath, he didn't want to interfere in the battle that was being fought by Chi Shui.

"Geez, they look like little kids." Ye Chen shook his head, he felt that Chi Shui and the others were like children.

Ye Chen went and changed clothes, he changed into slightly nicer clothes.

They were going to a festival, so it was fine to wear slightly fancier clothes.

After finishing changing, Ye Chen immediately stood outside, he waited for Chi Shui and the others to finish their business.

"I hope they will finish quickly?" Ye Chen could only pray that everything would be quickly resolved.

Ye Chen didn't want to interfere in the battles fought by the women, Ye Chen felt that it was a little troublesome.

"Why are you disobeying my orders?" After approximately 30 minutes, Chi Shui and the Seven Fairy Succubus came out, they were now clad in extremely beautiful looking gowns.

"Mistress, we can't give up on this matter, Ye Chen is also ours, so we are entitled to him" Chi Yung said to Chi Shui, she telling that Ye Chen was theirs.

"That's right, Ye Chen is one for all" Chi Nan agrees with what Chi Yung said, Ye Chen belongs to them all.

"You guys really" Chi Shui pointed at the Seven Fairy Succubus, they were getting more and more unruly when it came to Ye Chen's matter.

"After all, if we don't come, what will happen to the mistress" Chi Rong mentioned about what would have happened then, if Chi Yung, Chi Nan, Chi Bai, Chi Wue, Chi Maiya, Chi Rong, Chi Rou didn't come, maybe Chi Shui was already devastated.

"hmm" Chi Shui sniffed coldly, she couldn't deny what Chi Rong said.

"You guys, can't you guys stop, let's hurry let's go right now" Ye Chen couldn't stand it, he told everyone to stop right now.

"Okay, forgive us" When Ye Chen told them to stop, Chi Yung, Chi Nan, Chi Bai, Chi Wue, Chi Maiya, Chi Rong, Chi Rou were very obedient to what Ye Chen said.

"Eh, they are very obedient to husband." Chi Shui looked at Ye Chen, she knew what she had to do to deal with Chi Yung, Chi Nan, Chi Bai, Chi Wue, Chi Maiya, Chi Rong, Chi Rou.

Chi Shui was going to use Ye Chen's strength to manage the Seven Fairy Succubus, it seemed that now only Ye Chen was able to manage the seven of them.

"Shui, let's go to Red Rose Heaven Land." Ye Chen took Chi Shui to the Red Rose Heaven Land.

"Come on, before that I will call some core disciples to guard around the Festival" Chi Shui nodded, he would send the core disciples who were there to guard around the Festival.

Chi Shui was trying to be careful in case something bad happened, he didn't want to take any chances in a place filled with strong People who might target them.

Ye Chen gave Chi Shui time, he gave Chi Shui time to make preparations, after all the preparations were sufficient, Chi Shui invited Ye Chen and the Seven Fairy Succubus to leave right now.

Chapter 1536 - Mysterious Iron Cube

Ye Chen, Chi Shui and the members of the Seven Fairy Succubus headed towards the Red Rose Heaven Land.

Since Ye Chen was still in this place for the first time, Chi Shui was the one taking the lead, she led everyone towards the Red Rose Heaven Land.

After a while of their journey they arrived near the Red Rose Heaven Land, when they arrived, they saw that there were already a large number of people gathered near the Red Rose Heaven Land.

"So it's the Red Rose Heaven Land." Ye Chen saw a huge land floating in the sky, around the land there was a huge and very strong barrier, this barrier must be very difficult to break through.

"Husband, it's Red Rose Heaven Land, Red Rose Heaven Land only has one way in and one way out, it's to avoid people trying to find trouble." Chi Shui told Ye Chen that Red Rose Heaven Land had one way in and out, this is to make people think twice if they want to create chaos in the Red Rose Heaven Land.

"Um" Ye Chen nodded, he immediately understood what Chi Shui meant, it seems that Red Rose Heaven Land is not an easy place to mess around.

"Are we going straight in or are we going to enjoy outside first?" Chi Shui asked Ye Chen, are they going to go inside or are they going to take a walk outside first.

"Why don't we take a walk outside first?" Ye Chen took Chi Shui and the others for a walk around this place.

"Would you like to go on a date with us" Seven Fairy Succubus said to Ye Chen, what Ye Chen said was a date.

"up to you guys" Ye Chen didn't explain further, he let them interpret what she wanted.

"Then let's go." Chi Yung, Chi Nan, Chi Bai, Chi Wue, Chi Maiya, Chi Rong, Chi Rou were so excited, they dragged Ye Chen around.

"They look very excited." Chi Shui shook her head, this was the first time she had seen the Seven Fairy Succubus so excited and excited.

Ye Chen was dragged around, they were looking for some good shops and places, This festival is very big, at least it is almost the size of a big city.

At the Festival there were a lot of good items and items, there were even slaves being sold in some places.

"Husband, are you interested in them?" Chi Shui looked in the direction where Ye Chen's eyes were looking, she saw Ye Chen who was looking at the slaves being sold.

"No, I just want to see them." Ye Chen shook his head, he was not interested in this kind of thing.

Ye Chen looked at the slaves, he saw that they looked very excited when they were sold to others.

"Hey, why do they look excited?" Ye Chen asked Chi Shui and the others, why did the slaves look like they were peddling themselves.

"They are looking for a suitable master for them, they want to find a decent life" Chi Shui said to Ye Chen.

Chi Shui explained to Ye Chen why the slaves looked so enthusiastic about this matter, it was because they were trying to find a more worthy master for them to live with.

"Hmm, so it's like that" Ye Chen nodded, it seemed they wanted to find a better life.

Ye Chen wished them a better and more decent life, right now that was all Ye Chen could do.

Ye Chen went around, he was looking for something he could be interested in, Ye Chen didn't forget to have fun with the Seven Fairy Succubus, Ye Chen let them all have fun as they pleased.

Chi Shui and Seven Fairy Succubus were very happy, they had never been this happy in their lives, this happy feeling was so beautiful.

"Master, there is something good over there." Chu Yuechan suddenly told Ye Chen that there was something good in the distance.

" where?" Ye Chen immediately asked Chu Yuechan, where was the good thing that Chu Yuechan just said.

"There, go quickly." Chu Yuechan told Ye Chen to quickly go and see.

Ye Chen didn't waste his time, he immediately went to the place Chu Yuechan said, when Ye Chen arrived, Ye Chen found an ancient shop with some antiques.

"Is this the place?" Ye Chen asked Chu Yuechan, Ye Chen saw that there were a lot of antiques for sale in this place.

"That's right, you see that cube." Chu Yuechan pointed at a cube not far from where Ye Chen was standing.

Ye Chen immediately saw the object that Chu Yuechan pointed at, when Ye Chen saw the object that Chu Yuechan pointed at, Ye Chen found a cube-shaped iron with several complicated and confusing patterns.

" what's that?" Ye Chen tried to find out what it was, he didn't have any information about this thing.

"Do you know what it is?" Ye Chen asked Chu Yuechan, it was possible that Chu Yuechan knew what it was.

"I don't know either, I just feel that something is hidden inside it, to me it's like a box" Chu Yuechan replied to Ye Chen.

Chu Yuechan said uncertainly, she couldn't be sure with what thing was inside that thing.

"Then I'll check it myself" Seeing that Chu Yuechan couldn't see what was inside the thing, Ye Chen decided to use God Eyes.

Ye Chen used God Eyes, he used God Eyes to see what was inside the beam.

Ye Chen peeked inside The iron cube, when Ye Chen tried to peek at the contents inside the iron cube, Ye Chen saw a very deep dark abyss, the dark abyss seemed to have no end.

"What was that just now" Ye Chen immediately withdrew his eyes, he didn't peek into the iron cube.

"Hmm, very mysterious." Chu Yuechan felt that the iron block was so mysterious, even God Eyes couldn't see into it.

Actually what was stored within that thing, it must be something extraordinary, Chu Yuechan could sense it.

"Master, do you need something" an old woman came over, she was the owner of an antique shop that was in this place.

"Auntie, I want to find some things, may I have a look" Ye Chen said to the old woman who owns this shop.

"Of course, please find what you like." The old woman asked Ye Chen to look for the thing she liked.

Ye Chen circled around the shop, he saw if there was anything really good in this place or not.

After searching for a while and finding nothing good, Ye Chen finally headed towards where the cube was.

"How much is this thing?" Ye Chen lifted the iron cube, he asked how much the iron cube cost.

"It costs 5000 Divine Red Profound Crystals" the seller told the price of the item in Ye Chen's hand.

"5000 Divine Red Profound Crystals?" Ye Chen did not expect that this cube would be so expensive, it was much more expensive than what he had imagined.

"Can this not be less?" Ye Chen asked the old woman, Ye Chen felt that this was very expensive.

"no" said old woman to Ye Chen

"Old lady, how can you sell something at such a high price." Chi Shui came, she came and helped Ye Chen.

The old lady gaped as she looked at Chi Shui, she started to sweat when she saw Chi Shui coming and helping Ye Chen.

Chapter 1537 - Auction Leak

Chi Shui came to help Ye Chen, she couldn't let the old woman try to deceive Ye Chen.

"Succubus Mistress, what do you need in my little shop" the old woman looked very respectful towards Chi Shui, to be more precise she was very afraid of Chi Shui.

"Are you trying to deceive someone?" Chi Shui asked the old woman, Chi Shui looked at the old woman with a very sharp and piercing gaze.

"No, I didn't mean to do that" The old lady started to panic, it seemed that her intention to deceive Ye Chen had been discovered by Chi Shui.

When the old lady saw Ye Chen, she immediately knew that Ye Chen was a rich person, so she decided to raise the price on Ye Chen.

Unexpectedly that Chi Shui would come and help Ye Chen, this made the old woman very panicked and didn't know what to do.

"Tell me how much it really costs" Chi Shui asked about the original price of the thing.

"It's not that expensive, the original price is around 500 Divine Red Profound Crystals" the old woman told Chi Shui that the original price of the item being sold was around 500 Divine Red Profound Crystals.

"Is an iron cube worth that much?" Chi Shui did not expect that the original value of the cube was still so expensive.

"It is a very special item, it is a very strong iron, it is almost indestructible, even by any method." The old woman said that the iron in Ye Chen's hand was very strong, it was almost indestructible.

"Is that true?" Chi Shui took the cube in Ye Chen's hand, she started to use her lightning power to scratch the cube.

When Chi Shui used his profound lightning nothing happened, Chi Shui couldn't even scratch this cube.

"How did this happen?" Chi Shui did not expect that this cube was so strong, it was able to withstand his lightning strike.

"I didn't lie to you, did I?" The old lady said to Chi Shui, this time she did not lie to Chi Shui.

Chi Shui saw that this time the old woman was not lying, this cube was made of a material that was quite strong and difficult to break.

Ye Chen saw what Chi Shui was doing, he saw that Chi Shui's attack had no effect on the cube.

Even though Chi Shui was already very strong, plus now that he had broken through to a higher level thanks to having intercourse with Ye Chen, but Chi Shui was still unable to scratch the cube.

"It seems that I have to get this thing" Ye Chen had to get this thing, he must not miss the opportunity to get something as mysterious as this.

This cube must be holding something, Ye Chen firmly believed that it held something amazing inside.

"Okay, I'll take this." Ye Chen paid the price of the cube, he gave the Divine Red Profound Crystal to the old woman.

"Thank you very much" the old lady thanked Ye Chen, she was thankful that Ye Chen had bought this for her.

"Next time don't do such fraud again" Before leaving, Ye Chen didn't forget to remind the old lady not to do anything underhanded.

"I will remember this" the old woman nodded, she would remember what Ye Chen said.

"Let's go" Ye Chen took Chi Shui away from this place, Chi Shui only went with Ye Chen, he didn't know at all why Ye Chen insisted on buying this thing, even though the price of this thing could be said to be very expensive for the size of a cube.

"Why did you decide to buy something like that?" After a while, Chi Shui asked Ye Chen, she asked why Ye Chen kept buying that thing,

"Don't you see that there is something strange about this, with your current strength you can't scratch this thing, so this must be something That's great" Ye Chen replied.

Chi Shui nodded, the cube in Ye Chen's hand was indeed strange, Chi Shui himself couldn't even scratch the cube.

"What is it actually, do you know?" Chi Shui asked what the cube was, Ye Chen might know something about it.

"To be honest I don't know, I'll find out later" Ye Chen also still doesn't know, but later Ye Chen will find out what this cube in his hand is, Ye Chen was curious about the contents inside this cube.

From Ye Chen's tone of voice, Chi Shui could be sure that Ye Chen was also not very knowledgeable about it, most likely Ye Chen would find out later.

Ye Chen and Chi Shui go meet Seven Fairy Succubus, Seven Fairy Succubus happened to have ordered a luxurious dining venue at this festival.

"Here" when Ye Chen and Chi Shui arrived, Chi Maiya gave a signal to Ye Chen and Chi Shui.

Seeing this, Ye Chen and Chi Shui came and sat at the table they had ordered.

Coincidentally there was already a lot of food on the table, they could immediately eat the meal as they pleased.

Ye Chen decided to eat, he enjoyed eating together with Chi Shui and a member of the Seven Fairy Succubus.

What Ye Chen did invited several gazes, some people looked at Ye Chen with strange looks, how could Ye Chen sit with Chi Shui and the Seven Fairy Succubus, it was something that most people in this place had difficulty accepting.

In the White Rose Star Realm everyone naturally knew Chi Shui and the Seven Fairy Succubus, they were a group of women who were not easy to provoke, so not many men dared to approach Chi Shui and the Seven Fairy Succubus.

Ye Chen ignored the gazes of the people around him, Ye Chen didn't want to be bothered by trivial things like this.

"Hey, have you heard the rumors circulating, later there will be an auction of a very beautiful woman, I heard her beauty is extraordinary to the point of making strong men bend their knees" There were several conversations around, these people were talking about a woman which will be auctioned.

"Is that even possible, is there really a woman who can do that?" Some people didn't believe the rumors they heard, they didn't believe the rumors that were impossible to believe.

"Are you underestimating me, this news is very accurate, I guarantee it is 80% accurate, I heard this from one of the people in charge of the auction" said the man next to his partner.

"Then why don't we see and if that's the case, then we can join" because this news is 80% accurate, then colleagues around want to see and participate in the offer.

"Do you think it's easy to get something like this, listen to this, the starting price is very high, even I'm sure that your savings alone won't be enough for the starting price" this man sneered at his partner, there was no way they could take part in a big event involving people big and influential person.

"You're right too, we're only small figures, compared to people from big Sects and Clans, we can't possibly win" they admitted that they weren't worthy of being compared to people from good backgrounds.

"Shui, do you mean valuable is a slave girl?" Ye Chen asked Chi Shui who was nearby.

Chi Shui also listened to what the people around her had just said, they were discussing the auction that was going to be held.

"I don't know, it's quite rare for slaves to be the most special thing." Chi Shui wasn't sure, he wasn't sure if what was said was the truth.

"We can only wait for the auction to be held" Chi Shui said that they could only wait.

Chapter 1538 - Stone Gambling

"That's right, let's enter the Red Rose Heaven Land." Chi Bai invited everyone to enter the Red Rose Heaven Land, it was time for them to leave.

They had all been having fun, so now was the time to get serious and enter the Red Rose Heaven Land.

"Let's finish this and go to Red Rose Heaven Land." Ye Chen agreed, it was time to enter Red Rose Heaven Land.

Ye Chen wanted to know what the Red Rose Heaven Land was like, whether it was a very good place or just pure nonsense.

Ye Chen and the ladies started to enjoy their meal, they seemed to be enjoying this meal very well.

After they finished, they all headed straight for the entrance of the Red Rose Heaven Land.

"Please come in" when Ye Chen was in front of the entrance, Ye Chen was immediately welcomed in by the guards present.

The reason Ye Chen was so easily allowed in was because Ye Chen came with Chi Shui, if Ye Chen didn't come with Chi Shui, then Ye Chen would most likely not easily enter the Red Rose Heaven Land.

Being able to gain access to such a young man, Ye Chen and the others went inside.

The entrance to the Red Rose Heaven Land was a portal, so Ye Chen, Chi Shui and the others had to pass through the portal to enter the Red Rose Heaven Land.

After passing through the portal, Ye Chen was greeted by a very good sight, he saw a very luxurious place filled with very amazing interiors.

This place was full of people, there were people having fun with the hostess and enjoying their time with their peers.

Ye Chen looked at the people who were around, Ye Chen tried to find out the people who were present in this place.

When Ye Chen looked around, Ye Chen found that there was a group of women with very bold appearances, it could be said that they were wearing several pieces of cloth on their bodies.

"Their cultivation is quite high, they are definitely not comfort women." Ye Chen saw that this group of women were not workers working in the Red Rose Heaven Land.

When Ye Chen arrived, the group of women in bold clothes immediately turned their attention to Ye Chen, they looked at Ye Chen with strange looks.

"That Vixen, how dare they stare at little brother in such a manner." Chi Shui didn't like it when she saw this.

"Shui, that group, do you know them?" Ye Chen pointed at the group of women with extremely hot appearances.

"Oh that Vixen, they are a group from the Freedom Garden Sect, they can be said to be rivals who often seek trouble with us." Chi Shui informed about this group of extremely brave women.

"Oh, so you have a problem with them." Ye Chen just found out that Chi Shui had a problem with the Freedom Garden Sect.

"I don't have a problem with them, it's just that they often look for trouble when we are in the same place." Chi Shui said to Ye Chen.

"Isn't that the same?" Ye Chen said to Chi Shui, for Ye Chen what Chi Shui said to be the same thing, the point is that both sides have enmity.

"Mistress, it looks like they are trying to do something to Ye Chen, look at their eyes." Chi Yung saw the gazes given by the group from the Freedom Garden Sect.

"If they dare to mess around, then they will pay for it." Chi Shui didn't like this, if they tried to find trouble there would be a battle in this place.

It wasn't just Chi Shui who didn't seem to like the group from the Freedom Garden Sect, it turned out that the Seven Fairy Succubus also didn't like the group from the Freedom Garden Sect.

Freedom Garden Sect's group consists of woman and a few mans, it seems that this is a very free Dual Cultivation Sect.

Ye Chen estimated this from the way they were dressed, to be honest the way women from Freedom Garden Sect were very bold, they only wore clothes that were light and exposed their bodies, instead of calling them clothes, Ye Chen preferred to call them underwear.

"Look at that, Chi Shui from Heaven Dream Sect brought a very handsome man with her, who do you think that man is?" the group of women from Freedom Garden Sect immediately discussed who Ye Chen was, it was clear that they were all interested in Ye Chen.

It would not be strange if they were immediately attracted to Ye Chen, most of the women here also started to look at Ye Chen with strange looks, they all wanted to try to get close to Ye Chen.

Most of the women present in this place were those who cultivated the Dual Cultivation technique, so it wouldn't be strange for their minds to be extremely bold.

"Is it necessary for us to kidnap him from Chi Shui's hands?" One of the women from Freedom Garden Sect wanted to steal Ye Chen from Chi Shui's hands.

"That's a good idea, he can make a good toy" the other women quickly agreed, they looked impatient to kidnap Ye Chen from Chi Shui's hands.

"You guys, what are you planning, don't do anything weird" the male group immediately opposed what the female group was doing.

"Do you guys have a problem with that?, anyways why are you defending the women from Heaven Dream Sect, are you interested in them?" The group of women were dissatisfied when they saw the group of men who were trying to stop what they wanted to do.

The group of men seemed to be silent as they listened to what the group of women had to say.

It was obvious that the men looked interested when they saw Chi Shui and the Seven Fairy Succubus, they looked very tempting.

Each of these groups were elders, so the direction of their conversation seemed bold, it was because they had great position and power within the Freedom Garden Sect.

"Let's go." Chi Shui took Ye Chen away, her instincts felt something bad.

"Go where?" Ye Chen asked Chi Shui, even though this was a gathering place for strong people, why did Chi Shui even want to leave.

"Let's go to the stone gambling place, the meeting and auction probably won't start anytime soon, let's go find some profound crystals a bit" Chi Shui suggested to Ye Chen to do a stone gamble.

"Interesting, let's go." Ye Chen was intrigued as he listened to what Chi Shui said, he was curious as to what kind of stone Judi in the Red Rose Heaven Land was.

Chi Shui and Ye Chen headed towards the stone gambling place, meanwhile the Seven Fairy Succubus remained here to observe every movement of the people in this place.

Chi Shui couldn't possibly leave these people unattended, Chi Shui had to ascertain what these powerful people were doing.

That was why Chi Shui told the Seven Fairy Succubus to stay behind and mingle among the people to look for information that was useful to the Sect.

Ye Chen and Chi Shui headed to the stone gambling place, the two of them went to a special building that contained a lot of rocks.

In this place there are a lot of rocks, ranging in size from small to very large in size.

Ye Chen looked at every stone in this place, he felt that the stone used was not an ordinary stone, Ye Chen could feel that it was difficult to see what was inside the boulder.

Chapter 1539 - Sao Zhinmi & San Tiaye

"Oh Chi Shui, you came too, I thought you didn't come to this event." A woman and a man came to Chi Shui and Ye Chen.

The woman who came was a Milf with a beauty body, she was full of seductive charm, while beside her was a man who had a dashing appearance.

Ye Chen was completely unfamiliar with these two, it seemed that they were both acquaintances of Chi Shui.

"So you two are already here." Chi Shui answered the words of these two, she looked at the two of them with a questioning look.

"hahahaha, you're still the same as always, never changed when we met" the two people laughed when they saw Chi Shui's answer.

"They are the Patriarch and Matriarch of the Freedom Garden Sect." Chi Shui immediately explained who the two people who suddenly came towards them were.

"Oh so they are the leaders of the Freedom Garden Sect." Ye Chen now knew who these two people were, it turned out that both of them were the leaders of the Freedom Garden Sect.

"Did you come to try your luck?" the patriarch of the Freedom Garden Sect asked Chi Shui.

"Of course, I'm to try my luck" Chi Shui of course came to play, why did he come here if only to watch.

"That's good, I hope you don't lose much, I heard you lost quite a lot of stones in the past" said the Matriarch in a disdainful tone.

Chi Shui's face was slightly displeased when he heard this, it seemed that Chi Shui did not like the words of the Matriarch.

"This woman's mouth is still as annoying as ever." Chi Shui looked at the Matriarch in front of her, Chi Shui looked like she had met her mortal enemy.

"The relationship between the Dual Cultivation Sects doesn't seem very compatible." Ye Chen saw that the relationship between the Dual Cultivation Sects wasn't very good.

"I am like this, do you have a problem with this?" The Freedom Garden Sect's Matriarch said to Chi Shui.

"Zhinmi what's with that tone of yours, do you want to find trouble with me?" Chi Shui didn't back down, she said to this woman in front of her.

The Freedom Garden Sect's Matriarch's name was Sao Zhinmi, while the Patriarch's name was San Tiaye.

"Do you want to fight, let's settle this matter in the arena" Sao Zhinmi instead challenged Chi Shui, she didn't seem afraid of Chi Shui.

"So you want to fight, why don't you tell me, I will gladly accompany you and teach you a little lesson" Chi Shui was quite itchy, she wanted to give Sao Zhinmi a few blows.

"Never mind, why are you even fighting, our purpose here is not for that." Seeing the heated situation between Chi Shui and Sao Zhinmi, Ye Chen decided to calm Chi Shui.

"Yeah, you're right, we're here to have fun, why do I get carried away by this old lady's words?" Chi Shui agreed with what Ye Chen said, she shouldn't be influenced by the old lady's words.

"Old lady" Sao Zhinmi looked displeased when she heard what Chi Shui said, she didn't like it the most when someone dared to call her an old woman.

Looking at Sao Zhinmi figure, she still looked like a woman in age 30, she still maintained a good appearance and could seduce a man easily, so how could Sao Zhinmi accept when someone said something like this.

"Wait a minute, who is the person beside Chi Shui, he's pretty good too?" Sao Zhinmi noticed that Ye Chen looked pretty good too.

"Let's go" Chi Shui took Ye Chen away, let's go and have a stone to see the ruin they got.

Ye Chen and Chi Shui left, they both left from Sao Zhinmi and San Tiaye's side.

"I didn't expect you to run away" Seeing Chi Shui running away, Sao Zhinmi decided to scorn her.

Too bad Chi Shui didn't listen to what Sao Zhinmi had to say, she chose to ignore Sao Zhinmi's words.

Sao Zhinmi was even more angry when she saw this, she looked very angry with what Chi Shui had done.

"That annoying succubus, just look at you" Sao Zhinmi gritted her teeth, her expression looking a little ugly when she was angry.

"Bastard, why don't you help me" Sao Zhinmi was angry at San Tiaye, how could San Tiaye not help herself when she was arguing with Chi Shui.

"why are you blaming me, isn't that your problem, don't take me into women's affairs, your business looks so complicated" San Tiaye said not to drag him into trouble, she didn't like being dragged into complicated matters between Chi Shui and Sao Zhinmi, for San Tiaye the matter of the two of them was very troublesome.

"You, see how I will pack you on the bed" hearing San Tiaye's reply, Sao Zhinmi seemed to be getting angrier, this woman was really starting to lose control.

"Let's follow them, I won't let that woman have fun." Sao Zhinmi wouldn't let Chi Shui have fun.

San Tiaye just went along with it, he didn't intend to interfere too much in the battle between Sao Zhinmi and Chi Shui, there was nothing good about this two women's battle.

Ye Chen and Chi Shui started to go look around, they were trying to find a stone that contained a precious profound crystal.

The stones in this place are categorized based on the shape, size, and type of stone, the better the stone, the more expensive the price.

"Let's start with small ones." Chi Shui said to start with stones that were not too big, so they wouldn't lose too much money.

"That's a good idea, I'll try to pick it up." Ye Chen agreed, he didn't want to rush to go and look for a boulder of a fairly large size.

Ye Chen and Chi Shui started looking for rocks, they both searched together with the other people who were in this place.

Because small stones are cheaper, the price of stones here ranges from tens to hundreds Divine Red Profound Crystal.

The stone that was prepared this time could be said to be for a guest of a high position, so it wouldn't be strange that it would be very expensive.

This kind of price is not expensive for strong people, it is also very cheap for people who live in high ranking stars.

Ye Chen had God Eyes, so he was able to see behind the rock that was in this place.

"Interesting." Ye Chen was quite intrigued when he looked at the contents inside the stone, he saw that there were several lumps, Purple Profound Crystals, Divine Red Profound Crystals and even some Divine Rainbow Crystals.

"Interesting, maybe I should get all of these" Ye Chen felt that he had to get all of this.

Ye Chen would try not to be too flashy and not too suspicious of others, he must not show the power of God Eyes that he has.

On the other hand Chi Shui looked confused, she looked confused when choosing which stone to buy.

Chi Shui was interested in this game, but sometimes she was very unlucky and ended up getting Purple Profound Crystals.

As Chi Shui was confused, Ye Chen had already finished having the stones he was going to buy.

"So fast." Chi Shui did not expect that Ye Chen would choose so quickly.

"Why are you taking so long, do you need help?" Ye Chen asked Chi Shui.

"You are so fast, don't you need to observe before buying?" Chi Shui asked Ye Chen.

"I believe in my luck" Ye Chen said that he believed in his luck.

"hahahaha Chi Shui, isn't the handsome boy you brought a little stupid" Sao Zhinmi came over, she came to mock Ye Chen.

Chapter 1540: Betting Challenge From Sao Zhinmi

"This old lady again, why are you following us?" Chi Shui immediately put on a dissatisfied face when she saw the arrival of such an annoying person.

"Who followed you, from the beginning we wanted to have fun in this place" Sao Zhinmi immediately denied what Chi Shui said, she didn't want Chi Shui to misunderstand what was happening.

"I don't believe the words of a woman like you" Chi Shui did not easily believe Sao Zhinmi's words, she no longer believed the words that came out of this woman's mouth.

"It's up to you if you don't believe it, it's none of my business" Sao Zhinmi easily answered Chi Shui, she didn't want to waste words with Sao Zhinmi.

"Hempp" Chi Shui sniffed coldly, she didn't seem to believe what Sao Zhinmi said.

"Hey kid, what did you just say, are you trying to use your luck, are you kidding around here, if you are like that, you might end up spending the money that belongs to that woman beside you" Sao Zhinmi suddenly said to Ye Chen, she said that Ye Chen would probably spend Chi Shui's money.

"No problem, Shui has a lot of money, so it's okay to spend what she has" Ye Chen answered Sao Zhinmi's words, he said that he would spend.

"-_-'" Chi Shui didn't know what Ye Chen was thinking, she looked confused by what Ye Chen said.

Ye Chen's words were clearly a provocation, he was deliberately provoking Sao Zhinmi.

"Chi Shui, where did you get this guy, he looks really cute" Sao Zhinmi laughed, she laughed at Chi Shui who brought Ye Chen to a place like this.

"We just want to have fun, so what's your problem, if you don't want to have fun, you better get out of here right now." Chi Shui told Sao Zhinmi to leave this place.

"I told you that I came here to have fun, if you don't believe it, take a good look at this." Sao Zhinmi clapped her hands, after she clapped her hands, a man came over to Sao Zhinmi.

"Chi Shui, this is Master Dong, he is an expert in stone gambling, his judgment ability is the best in this place." Sao Zhinmi introduced the person she had just summoned, she told Chi Shui that this man was a stone gambler.

With someone like Master Dong, Sao Zhinmi's winning rate would increase greatly.

"Do you dare to fight with us" Sao Zhinmi gave a challenge to Chi Shui, she said that she wanted to fight with Chi Shui.

Whoever gets the most prizes when gambling rocks will be the winner.

Sao Zhinmi smiled, she smiled triumphantly, obviously this victory would be hers.

"This old lady hired an expert to help her" Chi Shui was not happy when she heard this, with such an expert around, she probably wouldn't have too much of a chance of winning.

"Okay let's play" Hearing Sao Zhinmi challenge, Ye Chen decided to accept it.

"Little brother, what are you doing" Chi Shui did not expect that Ye Chen would immediately accept Sao Zhinmi's challenge.

"Why, let's have some fun with this woman, I can't wait to see what ability she has" Ye Chen said to Chi Shui.

"Did you not see the expert beside her, he is quite skilled in stone gambling, so it will be very difficult to beat her" Chi Shui said to Ye Chen.

"What, you mean that useless man, it is an easy matter just leave it to me" Ye Chen said to Chi Shui.

Ye Chen was very confident in his abilities, so it wasn't surprising that he wasn't afraid of the man called Master Dong.

Master Dong looked at Ye Chen, he felt humiliated when he was belittled by Ye Chen.

"Chi Shui, this handsome little brother is quite brave, he seems to have big guts" Sao Zhinmi said to Chi Shui, Sao Zhinmi saw that Ye Chen had big enough guts to challenge him.

"What's wrong, are you scared?" since the situation was already like this, Chi Shui had no choice but to challenge Sao Zhinmi, Chi Shui had enough faith in Ye Chen.

"Oh..., well, you are very confident." Sao Zhinmi saw how Chi Shui had suddenly become so confident, it seemed like this would be an interesting thing.

"If you lose in the battle later, I will take the younger brother for one night" Sao Zhinmi said to Chi Shui, she told them the bet they would make.

"Old lady, so you started showing your fangs" Chi Shui realized what this old lady wanted, this old lady was after Ye Chen.

In this place there were too many dangerous tigers, their goal was to capture Ye Chen by all means at their disposal.

"Hahaha, are you afraid?, if you are afraid why don't you give up now, it's not too late to give up and admit that you are lowly" Sao Zhinmi laughed, she belittled Chi Shui with that laugh.

Chi Shui's gaze looked cynical, Chi Shui didn't seem to like it Sao Zhinmi way of laughing at h.

"Just accept it, let's make her regret it" Ye Chen said to Chi Shui, he told Chi Shui to accept it.

"But, this woman is trying to do bad things" Chi Shui said to Ye Chen, Chi Shui I don't like Sao Zhinmi's methods.

"It doesn't matter, we will teach this woman a lesson" Ye Chen said to Chi Shui.

Ye Chen told Chi Shui that he would teach Sao Zhinmi a lesson.

"Okay, if that's what you want" because Ye Chen saying that, Chi Shui had no choice but to come along.

"Okay, I agree, if I win I want you to give me the ring on your finger." Chi Shui said that she wanted the ring on Sao Zhinmi's finger.

"are you kidding me?" Sao Zhinmi thought Chi Shui was joking with her, how could Chi Shui want the ring on her hand, this is way more valuable than Ye Chen.

"what is it?, if you are scared why don't you give up now, it is not too late to give up and admit that you are lowly" Chi Shui said to Sao Zhinmi.

Chi Shui returned Sao Zhinmi's words that were previously used against her, let this woman feel the consequences for challenging her and Ye Chen.

Sao Zhinmi gritted her teeth, her words were returned by Chi Shui.

"Don't regret this" Sao Zhinmi told Chi Shui not to regret, victory is definitely in her hands.

"You also don't regret this, victory will definitely be in my hands" Chi Shui said to Sao Zhinmi.

After making an agreement, Chi Shui and Sao Zhinmi started looking for stones, they searched for stones with the best contents and proved who was more powerful

Ye Chen helped Chi Shui, he helped Chi Shui get an stone with the best content, no matter what they had to win against Sao Zhinmi.

"Shui, grab the stone quickly." Ye Chen told Chi Shui to take the stone he pointed at.

"where" Chi Shui immediately looked for the stone that Ye Chen pointed at, Ye Chen pointed at a stone that looked ugly and had an irregular shape.

"Are you sure I should use this to fight, old lady?" Chi Shui asked Ye Chen.

"Believe me, you can definitely win" Ye Chen told that Chi Shui could definitely win.

Thanks to the encouragement given by Ye Chen, Chi Shui became very confident, he became very confident in what Ye Chen chose.
