

A True God 1551

Chapter 1551 - Spar With Freedom Garden Sect (1)

Qi Yunzhi started to make a tea, she very casually made a tea for Ye Chen.

Qi Yunzhi looked very relaxed, she ignored the people in this place and started to make the best tea for Ye Chen.

people could only shake their heads when they saw what Qi Yunzhi did.

Qi Yunzhi turned the meeting place into a teahouse for Ye Chen, this was really something very bold.

Qi Yunzhi was very fast when it came to brewing tea, in just a matter of minutes Qi Yunzhi had already finished making tea for Ye Chen, Chi Shui and the Seven Fairy Succubus.

"slurp. . ." Ye Chen took a sip of the tea made by Qi Yunzhi, he wanted to know the taste of the tea made by Qi Yunzhi.

"This is delicious." Ye Chen said that the tea that Qi Yunzhi made was delicious.

"Thank you very much" Qi Yunzhi thanked Ye Chen's compliment, Qi Yunzhi made a very beautiful smile.

The men in this place felt envious when they saw this, they were all envious of what happened to Ye Chen.

How could Ye Chen get such good treatment, he was really very lucky to get such treatment from Ye Chen.

A while later the people from Freedom Garden Sect came, they came and took a seat.

The views of the people from the Freedom Garden Sect were less than friendly, this was probably because of what Chi Shui had done to Sao Zhinmi.

Sao Zhinmi wasn't present either, it was likely that the wounds caused by Chi Shui had still not healed.

"I don't like the stares of people from the Freedom Garden Sect, it looks like they'll be looking for trouble with us." Chi Shui didn't like the stares that came from the Freedom Garden Sect.

"I think they will soon find trouble with us, I am very sure about it" the Seven Fairy Succubus members understood Chi Shui's words, they also seemed to think the same thing as Chi Shui thought.

"If they are looking for trouble, then we will fight them" Ye Chen said that they would fight back when anyone dared to look for trouble.

"Of course we will." Chi Shui did intend to fight, if indeed the Freedom Garden Sect was trying to find trouble, then they would fight.

After waiting, finally everyone has arrived, everyone who has been waiting for has arrived.

"Hello everyone, welcome and enjoy the event at the Red Rose Heaven Land." A man came, this man came and gave a greeting to everyone in this place.

"Greetings Lord Meng" people greeted the man who had just arrived, they looked quite respectful towards this man.

"Is he the owner of the Red Rose Heaven Land?" Ye Chen asked Chi Shui, he asked if this was the owner of the Red Rose Heaven Land."

"Yes, he is the supreme owner of the Red Rose Heaven Land." Chi Shui asked if this man was the supreme owner of the Red Rose Heaven Land.

"his strength should be higher than what I had before" Chi Shui informed that Lord Meng's strength was strong enough, the former Chi Shui might not be comparable to him.

The current Chi Shui might be able to surpass Lord Meng, after Dual Cultivation with Ye Chen, Chi Shui's strength was already greatly improved, so Lord Meng was not a threat to him.

Although not a threat, but Chi Shui was quite careful when dealing with this person, to be honest this person was quite dangerous, he's very cunning and smart, it's not easy to deal with this guy.

"I thank all of you who have used the Red Rose Heaven Land as your gathering place." Lord Meng thanked everyone who had used the Red Rose Heaven Land as a gathering place.

"Red Rose Heaven Land is a very nice and comfortable place, here is the best place for all of us" Several people said to Lord Meng about Red Rose Heaven Land, they were happy when they were in Red Rose Heaven Land.

Lord Meng smiled as he heard this, he smiled because the reputation of the Red Rose Heaven Land would rise after this encounter.

You guys enjoy this gathering, you can exchange a lot of things with your comrades, this is a rare encounter, so enjoy your time" Lord Meng said to everyone.

"Okay" everyone nodded, they all nodded and would enjoy this gathering.

After giving words to everyone Lord Meng left this place no one knew where Lord Meng had gone.

"This man is a little strange." Ye Chen felt that Lord Meng was a little strange, he seemed to have ulterior motives in this meeting.

"You guys, want to spar with us." The group from the Freedom Garden Sect invited Ye Chen to do a spar.

"spar, are you sure you want to spar with us?" Chi Shui asked the elder of the Freedom Garden Sect.

"What's wrong, are you afraid of fighting us, if you are afraid, why didn't you tell me from the start" the woman from Freedom Garden Sect said to Chi Shui, this woman's words and tone sounded unfriendly.

Chi Shui and the members of the Seven Fairy Succubus were not happy about this, Freedom Garden Sect was trying to belittle them, how could they be silent.

"You guys, how, do you dare to accept the challenge of the elders of the Freedom Garden Sect" Chi Shui asked the Seven Fairy Succubus, she asked if they dared to go against the elders of the Freedom Garden Sect.

"Of course we dare, only some arrogant women are trying to find trouble with us, let's show the strength we have" the members of the Seven Fairy Succubus voiced one voice, they were naturally brave in fighting the elders of the Freedom Garden Sect.

"That's great." Chi Shui nodded in satisfaction, she was happy to hear the answer given by the Seven Fairy Succubus.

"We will accept your challenge." Chi Shui said that she had accepted the challenge from the Freedom Garden Sect.

"That's a very great answer, let's start a battle and compare strengths" The elders of the Freedom Garden Sect were very satisfied with the answer given by Chi Shui, the answer given by Chi Shui made them satisfied.

Since the two sides had agreed to compare strengths, they headed straight for the arena in this place.

Incidentally in this room there is an arena that is used for combat, they can use this place to fight at will.

"Wow, Freedom Garden Sect and Heaven Dream Sect will compare strengths, let's see." Everyone in this place was quite enthusiastic about what was happening, they all wanted to see the abilities that Heaven Dream Sect and Freedom Garden Sect had.

Apart from exchanging information, comparing strengths was a frequent occurrence, many of the people in this place would compare their strengths to show that they were great people, it could also make them an ideal Dual Cultivation partner.

Here strength is paramount, many women are looking for strong men, while many men are looking for beautiful and strong women, these two things are something that complement each other.

The advantage of Dual Cultivation is when both have the same strength, that way they can get the same benefits from each other.

The parties from the Heaven Dream Sect and the Freedom Garden Sect began to determine who they would send to fight.

"Little brother, why don't you advance first" Chi Shui told Ye Chen to come forward and fight.

"Isn't this your battle, why should I go forward?" Ye Chen asked Chi Shui.

Chapter 1552 - Spar With Freedom Garden Sect (2)

Ye Chen thought this would be a battle between the Seven Fairy Succubus and the elder from the Freedom Garden Sect.

"Husband, actually I want you to" Chi Shui whispered something to Ye Chen, Chi Shui wanted Ye Chen to do something for her.

"Oh, so that was your plan." Ye Chen nodded, he understood what Chi Shui wanted.

"You can do that can't you?" Chi Shui asked Ye Chen, Chi Shui smiled, she was very sure Ye Chen could do what he asked.

"Of course it's very easy to do" Ye Chen said to Chi Shui, Ye Chen of course was able to do what Chi Shui wanted.

"That's great" Chi Shui was very happy when she listened to what Ye Chen had to say, Chi Shui hoped that Ye Chen could teach the arrogant woman a proper lesson from Freedom Garden Sect.

"So who will come forward" one of the elders asked, they asked who would come first.

"he will advance" Chi Shui pointed at Ye Chen, she informed the enemy that Ye Chen would be the first to advance.

"Why are you letting outsiders interfere in this matter, don't you have the confidence to fight us?" The female elder from Freedom Garden Sect said to Chi Shui, she felt Chi Shui was cowardly for sending a young man like Ye Chen.

"scared, you guys are so funny, if you don't dare to fight this little brother, then how are you going to fight us, aren't you the ones making jokes in this place yourself" Chi Shui answered the question that the female elder from Freedom Garden Sect had just asked.

The women from Freedom Garden Sect looked at each other, they looked annoyed and angry when they heard what Chi Shui said.

The essence of Chi Shui's words was that she underestimated the abilities of the elders of the Freedom Garden Sect, they could not just sit back and watch something like this happen.

"Then, let me come forward and show my abilities" a woman with a hot appearance advanced, this woman has a very sexy appearance, she accentuates her body in public, of course any man will immediately glance at the bulge shown by this woman.

"Let's go and make her understand who you are" Chi Shui told Ye Chen to come forward, she told Ye Chen to show his abilities.

"Don't worry, I'll show you the abilities I have." Ye Chen said that he would show his abilities.

Ye Chen and Sexy woman entered the arena, after the two of them entered the barrier immediately descended, this was done so as not to cause any damage around this place.

"Handsome brother, why don't you just give up, this big sister doesn't like to hurt a handsome man like you" the woman from Freedom Garden Sect told Ye Chen to give up.

"Sorry, but the match hasn't started yet, so I can't just give up." Ye Chen didn't want to give up so easily, there was no way Ye Chen would give up so easily.

Ye Chen's opponent was a woman, so Ye Chen had a 100% guarantee of victory

"Then don't blame this big sister for doing such a cruel thing" this woman started to lick her index finger, her expression looks like someone who is ready to torture someone.

Hurry up, don't make us wait" Everyone was impatient to see the battle between Ye Chen and the Sexy elder of the Freedom Garden Sect.

" Handsome little brother, my name is Sao Lijei, prepare to accept your defeat" Sexy woman introduced her name to Ye Chen, she told Ye Chen about the name she has.

Ye Chen didn't really care about the identity of the woman in front of him.

" young master, fight, don't lose to that woman." Qi Yunzhi gave Ye Chen full support, she hoped that Ye Chen would not lose to this woman named Sao Lijei.

"Relax I will definitely win, just watch carefully" Ye Chen said that he would definitely win the match, he told Qi Yunzhi to take a good look at how he beat Sao Lijei.

"Okay, just start now, no need to delay." Chi Shui started the match, she ordered the two to fight.

In the match there would be no referee, so Ye Chen and Sao Lijei could do whatever they wanted.

The match will be stopped when one of the two loses or is no longer able to continue.

"I will attack first" Sao Lijei decided to attack first, she attacked Ye Chen using several wind attacks.

Several slashes of wind shot towards Ye Chen, these attacks aimed towards Ye Chen's body.

Ye Chen just stood there, showing no signs of avoiding Sao Lijei's attack.

Sao Lijei's wind attack suddenly pierced Ye Chen's body, it passed through Ye Chen's body.

Normal people would have thought that the attack just now cut into Ye Chen's body, but in fact the attack just now didn't hit Ye Chen's body.

"Damn it, he dodged my attack" Sao Lijei could feel that her attack didn't hit Ye Chen, her attack was dodged by Ye Chen.

"**Wind Garden Prison**" Sao Lijei started to use wind attacks against Ye Chen, she used a prison to lock Ye Chen up.

A wind wall appeared around Ye Chen, this wind wall began to narrow towards Ye Chen.

As the wind wall narrowed, a strong pressure began to press Ye Chen from all directions, this strong wind pressure could make a human body shatter and crumble.

It's a shame that this wind power didn't have much effect on Ye Chen, Ye Chen's body was already in place very well, that's why the attack just now was unable to destroy Ye Chen's body.

"I will crush your body, be prepared this will definitely hurt" Sao Lijei laughed, this woman's laughter sounded like the laughter of an evil woman.

"Big sister, is this all you can do?" Ye Chen asked Sao Lijei, he asked if this was all Sao Lijei could do.

"_-" Sao Lijei was silent while listening to what Ye Chen said, Sao Lijei didn't know what Ye Chen was trying to do.

Even though Ye Chen's situation wasn't fine, he was currently under immense pressure, it was not long before the sound of bones cracking would be heard loudly.

Ye Chen started walking out from inside Wind Garden Prison, Under the strong wind pressure, Ye Chen walked very leisurely, he walked up and out of the wind prison.

Sao Lijei eyes widened when she saw what Ye Chen was doing, Sao Lijei was quite surprised by Ye Chen's very relaxed behavior in passing her attacks.

After exiting the wind prison created by Sao Lijei, Ye Chen instantly disappeared into a flash of shadow.

"Where did he go?", Sao Lijei didn't see Ye Chen's movement, Ye Chen's movement was too fast.

"Big sister, I'm behind you" Ye Chen spoke from behind Sao Lijei's body, at this time Ye Chen was already behind Sao Lijei's body.

"Since when?" Sao Lijei was quite surprised when she saw Ye Chen who had slipped behind her body, Ye Chen was really very fast, he was able to show very fast speed.

"I think this is my victory." Ye Chen touched Sao Lijei, he used the *Passion Goddess technique* on Sao Lijei.

Sao Lijei didn't have time to dodge, without Sao Lijei noticing, Ye Chen's finger had already touched her cheek.

Chapter 1553 - Spar With Freedom Garden Sect (3)

"What are you doing?" Sao Lijei looked confused by what Ye Chen had just done, she looked confused by what Ye Chen had done.

"You'll soon know what I did." Ye Chen said that Sao Lijei would soon find out what he had just done.

Sao Lijei was getting more and more confused by Ye Chen, she looked very confused by what Ye Chen was doing.

"What are you doing, attack her quickly" the audience waited for the battle that was about to take place, but they didn't get such a battle.

Even though Ye Chen had a golden opportunity to attack Sao Lijei, Ye Chen actually missed that golden opportunity.

Ye Chen cared less about the assumptions of the people around this place, he was more focused on what was planned from the start.

A few seconds later, Sao Lijei began to feel uncomfortable, her body became hot and her strength began to dissipate.

"Ugh. . ." Sao Lijei started to fall to the ground, she started to fall and looked weak and helpless.

"What are you doing?" Another elder started to ask what happened to Sao Lijei, why did Sao Lijei suddenly fall like that.

Whereas previously Sao Lijei was fine and nothing was wrong.

"You, what have you done" Sao Lijei started to lose control of her body, in her heart she started to get very excited.

"What I do, I don't do anything" Ye Chen replied to Sao Lijei.

Ye Chen acted like he had nothing to do with Sao Lijei, Ye Chen was very skilled, of course he could play very well.

"My body is uncomfortable, it's hot" Sao Lijei started to feel hot, she started imagining very lewd things.

Sao Lijei's appearance was very seductive, with the skimpy clothes she wore, she made a very seductive appearance, the men in this place started to get excited when they saw Sao Lijei who was squirming like a hot snake.

Sao Lijei started to cheer herself up, she showed that he looked very seductive and sexy.

"Woah. . ." the men in this place started to get really excited, they were excited when they saw what Sao Lijei was up to.

Ye Chen looked at Sao Lijei, Sao Lijei started to show what he was like, he showed the most lewd side he had in front of everyone.

"It seems quite dangerous to use the Passion Goddess technique on a brave woman like Sao Lijei." Ye Chen felt that it was quite dangerous to use the Passion Goddess technique on a woman like this.

Sao Lijei is getting more and more daring, she is starting to show something more and more lewd.

"Quickly stop her" the elder of the Freedom Garden Sect tried to stop what Sao Lijei was doing.

Chi Shui smiled, she smiled when she saw the elder of Freedom Garden Sect is such a fluster.

The elders of the Freedom Garden Sect immediately went and secured Sao Lijei, they tied up Sao Lijei's body so as not to do anything more dangerous than what was happening now.

"You" people from Freedom Garden Sect looked at Ye Chen, they didn't expect that Ye Chen would use this method to confront Sao Lijei.

"What's wrong, do you have a problem with it?" Chi Shui came over, he intended to help Ye Chen solve this problem.

"We do have a problem with that." The elders of the Freedom Garden Sect said that they had a problem with what had just happened.

"How can he do that, it's so fraudulent." The elder of the Freedom Garden Sect said that Ye Chen was cheating.

"Do you mind if he uses Charm to fight back, there are no fixed rules that govern it, after all from the start you are also a Dual Cultivation Sect, so no one will mind if you use enchantments to fight enemies" Ye Chen answered the elder Freedom Garden Sect.

Ye Chen silenced all the elders of the Freedom Garden Sect, the elders of the Freedom Garden Sect were silent as they listened to what was happening, they were completely speechless when they heard Ye Chen's words.

They really couldn't deny that using Charm was something they used to do, whether in battle or not, then why did they protest when Ye Chen used Charm on Sao Lijei, it was a very ridiculous thing.

Some of the elders were getting embarrassed, they had just humiliated themselves.

Chi Shui and Seven Fairy Succubus smiled, they smiled upon seeing the reaction and face of the Freedom Garden Sect elder.

It was obvious the people from the Freedom Garden Sect were embarrassed by what had happened, they had just thrown dirt in their own faces.

"Do you still want to continue or not?" Chi Shui asked the people from the Freedom Garden Sect.

"of course we still continue" these people of course still want to continue the battle, they can't just sit back after the first defeat.

"Then let's continue" since the enemy still wanted to continue, Chi Shui decided to continue the battle.

"This second battle, who will advance?" Chi Shui asked who would come forward.

"I will be the first to come forward." Chi Yung was the first to volunteer herself for battle.

"Then go ahead, don't let us lose." Chi Shui told Chi Yung to go forward, lest they lose face in front of the enemy.

"Um" Chi Yung nodded, she would do her best to fight the enemy.

The Freedom Garden Sect sent a man, this man entered the arena and confronted Chi Yung.

"Miss Chi Yung, ready for battle" said the man from the Freedom Garden Sect to Chi Yung.

"Of course, I am ready to fight." Chi Yung was very ready, he was very ready to fight against her enemy.

"Then just start" Chi Shui ordered to start the battle, they could start the battle as soon as possible.

The man from Freedom Garden Sect moved at an incredible speed, he took out a sword and prepared to stab Chi Yung.

"Sorry, but let's end this quickly." Chi Yung was a little lazy in fighting the enemy, Chi Yung decided to use a strong streak of attacks to end the battle.

Successive lightning strikes began to rain down on the enemy, this large amount of lightning struck the enemy's body.

"ahhhh. . . ." the man from the Freedom Garden Sect shouted, he was instantly injured and burned by the lightning bolt released by Chi Yung.

"What a beautiful scream" Chi Yung enjoyed the screams coming from her enemy, it was seen that Chi Yung was trying to torture her enemy until he was helpless.

"Yung, don't play anymore" Chi Shui told Chi Yung not to play around anymore

"alright" Chi Yung nodded, he would no longer be playing around like before.

Sorry, but Mistress told me to end this as soon as possible, so there's more to come.

"rumble. . "An enormous lightning bolt struck, this made a fairly powerful explosion.

With a graceful style Chi Yung left the battle arena, victory was already confirmed when thunder fell.

"Since when did the Seven Fairy Succubus be this strong" People from Freedom Garden Sect started to get worried, they were worried when they saw the strength of the Seven Fairy The succubus who seemed to be getting stronger.

even though it had only been a few hundred years that they had not seen Chi Yung's abilities, now Chi Yung looked much stronger than in the past.

"Sister Yung, you are great" the Seven Fairy Succubus members congratulated Chi Yung on the victory.

"It's nothing.." Chi Yung smiled at everyone, her victory felt so easy.

Chapter 1554 - Absolute Victory In Sparring

After Chi Yung's battle, the battle continued, each of the Seven Fairy Succubus advancing, they fought against the elders of the Freedom Garden Sect.

All of the Seven Fairy Succubus got very easy wins, they could win this match very easily without any difficulty.

"Young master, the Seven Fairy Succubus are very strong, they can win very easily." Qi Yunzhi said to Ye Chen, she saw that the Seven Fairy Succubus was very strong and domineering.

"Of course they are very strong, you know that it was I who trained them to be like that" Ye Chen said to Qi Yunzhi, he told Qi Yunzhi that he had trained them all to what they are now.

"Ahem. . ., little brother what do you mean by that word" Chi Shui asked Ye Chen, she asked what Ye Chen just meant.

"What?, do you mind what I say, then do you want to try again on the bed?" Ye Chen said to Chi Shui.

"You are trying to bully people" Chi Shui complained to Ye Chen, obviously Ye Chen was trying to bully her.

Chi Shui had never been bullied like this, Ye Chen was the first to have dared to bully her.

"I really like to bully you" Ye Chen said to Chi Shui, Ye Chen was a little happy when he bullied Chi Shui, there was a special feeling when Ye Chen did this.

"Hmm" Chi Shui snorted coldly, she snorted coldly while listening to what Ye Chen said.

After Chi Yung, the members of the Seven Fairy Succubus began to show their strength, easily defeating everyone from the Freedom Garden Sect.

"We really lost." The elders of the Freedom Garden Sect couldn't believe that they were defeated by the Heaven Dream Sect, the strength of the Heaven Dream Sect was only increasing and increasing.

"Heaven Dream Sect is strong" people here also have to admit that Heaven Dream Sect is very strong, Seven Fairy Succubus is indeed worthy of that title, apart from being tempting, their fighting ability cannot be underestimated.

"You guys have already lost, do you already know our capabilities?" Chi Shui said to the elders of the Freedom Garden Sect.

The elders of the Freedom Garden Sect could only lower their heads, they had already been defeated, so there was nothing else they could do.

"The Matriarch will definitely be angry with us" they would definitely be scolded by Sao Zhinmi.

From the very beginning Sao Zhinmi was the one who had told them to find trouble with Chi Shui, Sao Zhinmi had intended to embarrass the Heaven Dream Sect.

Unfortunately, Sao Zhinmi's hopes were not in the plan, instead they were able to humiliate Heaven Dream Sect, instead Freedom Garden Sect was humiliated.

"Mistress Chi is indeed great, we admit our defeat, then we bid farewell" since they had already lost, there was nothing they could do in this place.

The defeat just now had made them lose face, so Ye Chen and Chi Shui no longer needed to embarrass them in front of everyone.

The Freedom Garden Sect group left this place, they were all out of the gathering.

Meetings continued, people began to exchange information and some were looking for partners.

Ye Chen was quite popular, there were already dozens of women who asked Ye Chen to do Dual Cultivation together.

Ye Chen himself was not interested in what was happening, so Ye Chen refused the invitation of the women in this place.

"Young master, you are very popular, dozens of women have asked you the same thing" Qi Yunzhi praised Ye Chen, Ye Chen was very popular among the women in this place.

From start to finish Qi Yunzhi was already standing beside Ye Chen, so Qi Yunzhi could count the woman who shot Ye Chen.

Ye Chen just smiled when he heard what Qi Yunzhi said, Qi Yunzhi is very good at praising Ye Chen, it seems Qi Yunzhi had been trained in order to make her future master happy.

"Yunzhi sister, come here" the Seven Fairy Succubus members called out to Qi Yunzhi.

" what is it?" Qi Yunzhi asked what happened, she wanted to know what the Seven Fairy Succubus wanted.

"Yunzhi sister, how is your relationship with Ye Chen, are you making progress?" Chi Bai asked Qi Yunzhi, she wanted to know Qi Yunzhi's relationship with Ye Chen.

"What kind of relationship? . ." Qi Yunzhi stuttered slightly as she listened to what Chi Bai said.

What Chi Bai said was something very sensitive and embarrassing.

"Come on, we're women, so you don't have to hide this from us." Chi Bai said that they were all women who had had their ups and downs with Ye Chen, so there was no need to hide things like this from them anymore.

Qi Yunzhi was getting more and more embarrassed, the seven members of the Seven Fairy Succubus were very brave, they were too open when discussing this matter.

"Honestly, I haven't done anything with him." Qi Yunzhi told that he hadn't done anything with Ye Chen.

"So you haven't started yet, what a shame." Chi Rou felt sorry that Qi Yunzhi hadn't done anything with Ye Chen.

"I'm not in too much of a hurry" Qi Yunzhi replied, Qi Yunzhi wasn't too hasty in this matter, she didn't want Ye Chen to feel uncomfortable with her.

"You should know that your master has unusual abilities" Chi Wue told Qi Yunzhi, he said that Ye Chen had abnormal abilities, so Chi Wue wanted Qi Yunzhi to be careful

"Abnormal?" Qi Yunzhi was even more confused by what Chi Wue said, she was curious about the meaning of Chi Wue's words,

"You don't need to know now, when the time comes you will definitely know it." Chi Maiya said that Qi Yunzhi didn't need to know this now, there would be a time when Qi Yunzhi knew how great Ye Chen was.

.

.

"Looks like they're trying to seduce Qi Yunzhi." Ye Chen saw that the Seven Fairy Succubus were teasing Qi Yunzhi, they must be teasing Qi Yunzhi on purpose.

"younger brother" Chi Shui came over, she sat beside Ye Chen.

"You're back, how is there something good?" Ye Chen welcomed Chi Shui's arrival, Ye Chen asked about the good news that Chi Shui had.

Chi Shui had just met her old friends who were in other Sects, she was looking for some information that might be of use to them.

"Unfortunately, there is no good information." Chi Shui said that there was nothing good they could find.

"Is there really nothing good?" Ye Chen asked Chi Shui, Ye Chen hoped that Chi Shui had good things for him.

Chi Shui shook her head, she didn't have anything good to say to Ye Chen.

"If there's nothing good then let's get out of this place" because there's nothing good, then they will leave this place, there is no longer anything that can attract Ye Chen.

"Okay" Chi Shui nodded, he invited Seven Fairy Succubus and Qi Yunzhi to leave this place.

Ye Chen and Chi Shui left the gathering, heading straight for the exit of the Red Rose Heaven Land.

As Ye Chen and the others headed towards the exit, they saw that there were a large number of people lined up in front of the exit gate.

"What is this?" Ye Chen saw that if something happened, why were there so many people in front of the entrance.

"Looks like something happened, let's find out about this matter.." Chi Shui took Ye Chen to find out what was going on.

Chapter 1555 - Can't Get Out Of Red Rose Heaven Land

Ye Chen started to find out what happened, himself to find out what happened in front of the exit gate.

"What really happened in this place?" Ye Chen asked one of the people, he asked what happened in this place.

"You don't know, the exit gate was suddenly locked, now we can't leave this place" the person in front told what happened.

"Locked?, how is that possible?" Chi Shui couldn't believe what the person in front of her said, how could the gate in front of them be locked.

This gate is the only access in and out, if it is locked then that means they will be trapped in this place.

"some people are trying to figure out how to open the gate, so it should be over soon" by now there were already several people trying to fix this problem, so they should get out of here soon.

"Looks like it's a pretty serious matter." Ye Chen saw that this was a pretty serious matter.

"The exit cannot be used, so we can only wait in this place for a while" Chi Shui could only tell Ye Chen to wait, there was nothing they could do about this situation.

"Then let's wait, you guys don't mind that right?" Ye Chen asked Qi Yunzhi and the Seven Fairy Succubus.

"It can't be helped, the exit can't be used, so we can't do anything." The Seven Fairy Succubus had no choice but to wait, that was the only way they could do it.

Ye Chen waited together with the other visitors, waiting like this was very boring.

In order to overcome boredom, Ye Chen decided to cultivate, it was the only thing Ye Chen could do to overcome boredom.

After several tens of hours, the people became more and more, everyone was waiting for the gate to be repaired, they wanted to leave this place.

"Why is it taking so long?" Ye Chen had waited for dozens of hours, but until now there was still no sign of the gate being repaired.

"This really doesn't make sense, why is the repair taking so long, what are they doing?" Chi Shui felt something strange, why was the repair so slow.

"Do we need to find out what happened?" Ye Chen felt that he had to find out what happened, what had happened had made him wait too long.

"Let me come with you" Chi Shui and Qi Yunzhi wanted to come along with Ye Chen, they both intended to help Ye Chen find a solution to this problem.

Ye Chen, Chi Shui and Qi Yunzhi left, they went towards near the gate to look for the latest situation.

In front of the gate is now very crowded, everyone intends to go and get out of this place, unfortunately they all can't leave this place.

"let me out, I still have an important event to attend" some people were already starting to lose their temper, these people still had a lot of responsibilities and work to complete, so it wasn't strange that they were furious when they found out that they can't leave this place.

Some people even started breaking down forcefully, they tried their best to break down the gate.

"BAAM. . . , boom . . ." One by one they started trying to destroy the gate, they used their full strength to move the gate in front of them.

Unfortunately all of their attacks were unable to move the gate, the gate was still standing very firmly.

"Isn't that gate too strong?" Ye Chen felt that the gate in front of him was so powerful, the combined attacks of high ranking cultivators couldn't even move it.

Ye Chen observed closely, when Ye Chen observed this closely, Ye Chen immediately knew what material this gate was made of.

"It's not strange that this gate is able to withstand strong attacks, apparently it is made of one of the strongest irons in the God Realm." Ye Chen did not expect that this gate was made of iron that was strong enough.

The name of this iron should be Henyan iron, this is iron that is very strong and very sturdy, even to form this iron requires special methods and workmanship for hundreds of years.

The exit portal is behind this gate, if they can't get through this gate, they won't be able to get out.

"Master, try using **God Eyes** to look behind this gate." Chu Yuechan told Ye Chen to use **God Eyes** to look behind the gate.

"Let me use it" Ye Chen will follow the advice given by Chu Yuechan, Ye Chen uses **God Eyes** to see the portal that is behind the gate.

When Ye Chen used **God Eyes**, Ye Chen discovered that behind the gate there was only deep darkness, Ye Chen did not see the existence of the portal that had led him into the Red Rose Heaven Land.

"where did the portal go?" Ye Chen didn't see the exit, it could be said that Ye Chen saw nothing but darkness.

"Isn't this weird?" Chu Yuechan said to Ye Chen, Chu Yuechan felt that there was something strange about this.

"It seems that someone deliberately destroyed the portal and closed the gate." Ye Chen immediately came to a conclusion, he concluded that someone had done this on purpose.

"What happened?" Chi Shui asked Ye Chen, she asked what was going on.

Ye Chen explained what happened, he told Chi Shui about the situation he knew about.

"What's really going on, this is really very strange" Chi Shui started to become very suspicious and very wary, she was suspicious when she heard what Ye Chen said.

The current situation is not normal. Chi Shui wasn't sure what was happening in this place, perhaps the only way was to meet the owner of the Red Rose Heaven Land, Lord Meng.

"I will go to see Lord Meng" Chi Shui said that she would go and meet Lord Meng, Chi Shui was sure that she could get information from Lord Meng.

Ye Chen nodded, maybe asking Lord Meng this question was the right choice, he is the owner of this place, so he should know what happened to this place.

Chi Shui left, she immediately went to find the whereabouts of Lord Meng.

Meanwhile Ye Chen and Qi Yunzhi were exploring this place to find out what happened.

"Looks like they started it" Qi Yunzhi muttered, she seemed to know what was going on at the moment.

"Do you know what is going on right now?" Ye Chen asked Qi Yunzhi, he asked what was going on in this place.

"I don't really know what's going on, but I've heard that they're planning a big program, the value of this event is huge and profitable." Qi Yunzhi knew little, she knew that Lord Meng was planning a spectacular program.

Ye Chen started to think about what Qi Yunzhi said, he thought about what might happen.

"Hello everyone" a live broadcast suddenly appeared, there were countless projections appearing around where Ye Chen was.

The person in the projection was Lord Meng, he was sitting on a golden chair covered in profound crystals.

"Finally the most wanted person appeared" Lord Meng was the most wanted person, there were countless people searching for this person's whereabouts.

"You all must be trying to open the exit gate right?" Lord Meng said to everyone, he knew that everyone was trying to get out.

"Quickly repair the gate, we still have unfinished business" people started shouting, they shouted at Lord Meng to immediately fix the problem.

"Too bad, I can't do that" Lord Meng said that he couldn't do what everyone wanted him to do.

Chapter 1556 - Red Rose Heaven Land's Situation Is Getting Chaotic

"What do you mean, are you looking for trouble with us?" People looked angry as they listened to what Lord Meng said, they were not happy with what Lord Meng had just said.

"You all have no other choice, you are stuck in this place" Lord Meng said to everyone.

"Bastard get us out quick, don't make trouble with us" everyone started to lose their temper, they started to become anarchists and cursed Lord Meng.

"Hahaha, that's great, you guys have really good reactions, this will definitely be very entertaining" Lord Meng laughed instead when he saw the crowd starting to get angry with him.

What Lord Meng did made people even more angry, they looked very angry when they were laughed at.

"Just watch, we will definitely find and prosecute you" everyone shouted, they were going to prosecute Lord Meng for his actions that had gotten them all into trouble.

"Find me if you are capable, but I need to remind you that it won't be easy, and you may lose your life." Lord Meng ordered everyone to look for his whereabouts.

"Everyone let's find Lord Meng's whereabouts, we have to make him pay for what happened" one person invited the others to go and look for Lord Meng's whereabouts.

"The situation is getting out of control." Ye Chen secured Qi Yunzhi who was beside him, he saw that the situation was getting out of control.

"Young master, it seems we have to leave this place, the situation around this place is very dangerous." Qi Yunzhi asked Ye Chen to leave this place.

"Let's go back to the Seven Fairy Succubus side." Ye Chen invited Qi Yunzhi to go to the Seven Fairy Succubus side.

Ye Chen and Qi Yunzhi arrived at the place of the Seven Fairy Succubus, Ye Chen saw that the Seven Fairy Succubus was also intent on searching for Lord Meng's whereabouts.

"Looks like the situation is getting out of control, what Lord Meng has done has made the situation chaotic" Chi Yung said to all her sisters, the situation in this place is getting out of control, explosions and battles are starting to happen everywhere.

"Do we need to interfere in the battle?" Chi Wue asked if they should interfere in this matter.

"Maybe we should interfere, this might be fun." Chi Rong felt that this might be a fun thing to do.

"master, you better let the Seven Fairy Succubus stay inside the fairy gate, it seems it would be dangerous to let them join in the battle" Chu Yuechan told Ye Chen to put the Seven Fairy Succubus into the Fairy Gate.

"I won't be able to control them if anything bad happens, plus I still have to protect Yunzhi." Ye Chen might have to do that, he would let the Seven Fairy Succubus stay inside the fairy gate while he was settling this matter.

"All of you sorry" Ye Chen put Chi Yung, Chi Nan, Chi Bai, Chi Wue, Chi Maiya, Chi Rong, Chi Rou into the fairy gate, they disappeared and entered the fairy gate.

"Young master, what was that just now?" Qi Yunzhi was quite surprised when she saw Chi Yung, Chi Nan, Chi Bai, Chi Wue, Chi Maiya, Chi Rong, Chi Rou who disappeared before her eyes.

"You don't have to worry about this matter, they have already been transferred to a safe place, let's go find the whereabouts of Shui and Lord Meng, can you guide me?" Ye Chen took Qi Yunzhi to find the whereabouts of Chi Shui.

"Of course, just leave this matter to me, I am quite familiar with this place." Qi Yunzhi was very confident, she was already quite familiar with the Red Rose Heaven Land..

"Very good." Ye Chen was happy to hear this, now he could let Qi Yunzhi guided himself.

Qi Yunzhi guided Ye Chen, they went to where Lord Meng was.

Around the Red Rose Heaven Land there was a battle, several people fighting each other for treasures and resources that suddenly appeared at several points in the Red Rose Heaven Land.

"Precious treasures suddenly appeared, this made everyone scramble, it seems that this was already prepared." Ye Chen felt that all of this was not a coincidence, obviously everything had been prepared.

Good treasures make people kill each other, they fight over precious treasures that are not easy to get.

"Somehow this is like a big riot and looting" Ye Chen saw that the Red Rose Heaven Land had turned into a chaotic field, people were starting to lose their sanity and humanity.

They were blinded by the precious treasures that appeared around this place.

"Young master, it is human nature, they will turn out like that when they see good stuff" Qi Yunzhi confirmed what Ye Chen said, humans would become inferior to animals when situations and conditions were difficult.

Ye Chen was a little worried about Chi Shui's condition, Ye Chen hoped that Chi Shui could overcome all the problems that occurred.

"Shui is quite far away from me." Ye Chen sensed Chi Shui's presence, currently Chi Shui was quite far away from him.

It might take Ye Chen a while to be able to meet Chi Shui, plus Chi Shui was constantly moving forward, so Ye Chen had to be a little fast.

"Stop, quickly hand over the woman beside you" Ye Chen was stopped by several people, they told Ye Chen to hand over Qi Yunzhi who was beside him.

These people were already drooling the moment they saw Qi Yunzhi, they wanted to play with a beautiful and very seductive woman like Qi Yunzhi.

"I'm giving you guys time to get out of the way right now, I'm not in a good mood" Ye Chen told people to get out of the way, Ye Chen was in a hurry.

"You dare to oppose us, it seems you don't know who we are" These people looked angry when they saw Ye Chen who had dared to refuse their request.

"I don't care who you are, if you keep getting in the way, then I will beat you up" Ye Chen told these people to get out of the way immediately, otherwise Ye Chen would take action.

"Bastard, quickly kill and attack him" these people were not satisfied with the answer given by Ye Chen, they finally attacked Ye Chen.

"Yunzhi, you just stay behind, I will finish this soon" Ye Chen told Qi Yunzhi to be quiet, Ye Chen will finish everything soon.

"Young master, be careful" Qi Yunzhi said to be even more careful against this group.

Ye Chen stepped forward, he advanced towards the enemy in front of him.

"Let's break their bones" Ye Chen couldn't wait to break these people's bones.

These people had dared to have bad thoughts towards Qi Yunzhi, Ye Chen couldn't possibly let them go.

" well . . ." the enemy charged towards Ye Chen, they used several weapons to attack Ye Chen.

"Nine Shadow Step" Ye Chen used **Nine Shadow Step**, he disappeared and appeared near his enemy.

"Bam. . . ., Bam, Bam, Bam," attack after attack was launched by Ye Chen, the enemy could not keep up with Ye Chen's movements.

"cracked, cracked cracked" The sound of bones breaking started to sound, it seemed that the enemy had broken bones from Ye Chen's attack.

Ye Chen was purely using physical strength, he defeated these people using his own physical strength.

"Young master is really great" Qi Yunzhi was amazed by what Ye Chen did, she was quite excited when he saw Ye Chen fighting.

Chapter 1557 - Being Monitored By Someone

In just the blink of an eye Ye Chen was able to take down his enemy.

"They are not very strong, it seems that they are just a few minor bullies." Ye Chen saw that the people who attacked him were minor bullies.

"Young master, that was great earlier." Qi Yunzhi came over, he praised Ye Chen for what just happened.

"It's nothing, there are still many things I can do." Ye Chen stroked Qi Yunzhi's head, Ye Chen told him that he could do even greater things.

"Let's continue our journey" Ye Chen invited Qi Yunzhi to continue his journey.

"Um" Qi Yunzhi nodded, she and Ye Chen continued on their way to Lord Meng's place.

Ye Chen and Qi Yunzhi tried to avoid the battle that was taking place, they stayed away from the ongoing battle.

"Master, there are so many quality items, are you not interested in getting them?" Chu Yuechan asked Ye Chen, she asked if Ye Chen was not interested in the items and items around this place.

"I'm not that stupid to fight for less valuable things, those things are still less valuable" Ye Chen wouldn't fight because of that kind of thing, after all the things in this place looked suspicious.

Ye Chen was very suspicious of what was happening, to be honest what happened made Ye Chen suspicious.

There must be a purpose behind all of this, Lord Meng couldn't possibly just put stuff like this on random place.

Ye Chen's journey was not easy, Ye Chen met several times with people who tried to attack him.

A few men were after Qi Yunzhi, meanwhile a group of men tried to steal Ye Chen and enjoy the night with Ye Chen.

Unfortunately they were all chased away by Ye Chen, Ye Chen used God Domination Pressure to scare everyone who tried to find trouble with him.

After a while, Ye Chen arrived at a gate, in front of the gate there were a lot of corpses lying, it seemed that in this place there was quite a fierce battle.

"Who did this?" Ye Chen looked for the person who did the murder.

As Ye Chen searched and surveyed the surroundings, Ye Chen felt danger approaching towards him.

Because Ye Chen sensed a danger, Ye Chen decided to hug Qi Yunzhi's body and retreated backwards.

"Boom. . ." A giant fist appeared where Ye Chen and Qi Yunzhi were, luckily Ye Chen managed to dodge the surprise attack, otherwise he would have to be hit by fist giant

The giant fist started flying backwards, it headed towards the statue that was near the fairy gate.

The giant statue near the gate began to emit red light from its eyeballs, the red light was terrifying to look at.

Ye Chen snapped his fingers, when Ye Chen snapped his fingers, dust started to fly around this place.

Ye Chen took this opportunity to run away and find a shelter for Qi Yunzhi.

Ye Chen looked for an opening to hide in, it just so happened that there was a good opening to hide in.

"what's that ?" Qi Yunzhi didn't know what he was dealing with, to be honest he never knew that a guardian statue could live and attack and even kill someone.

"It seems that there is a person's soul in that thing." Ye Chen could tell that within the statue there was a soul, that was what made the statue able to walk as if it had life.

Ye Chen didn't feel that this statue was a technique controlled by someone, it was obvious that the statue moved something with his will.

While Ye Chen was hiding, Ye Chen discovered that there were several small insects roaming this place.

Ye Chen felt strange, why would a clean place like the Red Rose Heaven Land have insects.

"Don't tell me" Ye Chen realized something, he caught one of the small insects flying in the distance.

Using light steps, Ye Chen managed to catch one of the insects.

"As I thought" After seeing the bugs that he had just caught, Ye Chen finally realized that these were insects used to spy on someone, there must be someone watching them.

"What are they planning?" Ye Chen started to become curious about what Lord Meng was planning, this situation must have been planned by Lord Meng.

"I will destroy all these annoying insects." Ye Chen decided to destroy the bugs that were used to monitoring him.

Ye Chen didn't leave any gaps for people to monitoring his movements.

After destroying and killing all the insects, now only the large statue remained blocking the path.

"Time to destroy the statue" Ye Chen stepped forward, he summoned the Divine Yin Yang Sword to fight.

using the Divine Yin Yang Sword Ye Chen went straight forward, he used the Dao of Sword against the two statues in front of him.

" slash" Using the Dao of sword, Ye Chen was able to cut the body of the statue very easily, Ye Chen divided the body of the statue into several parts.

With his full strength Ye Chen was of course able to defeat the statue easily.

The parts of the statue that had been cut off suddenly rejoined, it was like a magnet that reconnected when it was split into two pieces.

"I see, it seems that they can divide and control their bodies at will." Ye Chen realized something, he realized that the monster's body was actually able to separate and split into several pieces, that meant physical attacks would not work.

No wonder there were so many victims, apparently this was the reason, they were all unable to face the indestructible statue, it was likely Chi Shui and a few people passed this statue without destroying it.

After the body parts fused, the statues charged towards Ye Chen, they used their body parts to attack towards Ye Chen.

The monster's body parts began to be thrown towards Ye Chen, it aimed directly at Ye Chen's body.

Ye Chen used the Divine Yin Yang Sword to block the attack, himself blocking the attacks that were aimed at him.

"I have to find a way to defeat this statue." Ye Chen decided to find a way to fight the statue in front of him.

Ye Chen used **God Eyes**, he used **God Eyes** to find out the enemy's weakness.

With **God Eyes**, Ye Chen could see the entire structure of the statue in front of him, Ye Chen saw that this monster had a spherical core that was constantly moving.

"That must be the soul's life core, it's the thing that allows them to move." Ye Chen could immediately conclude that the orb core was the lifeblood of the statues, if Ye Chen destroyed it, perhaps Ye Chen could stop these statues.

"Okay, I will destroy them" Ye Chen started to prepare, he would use a strong and fast attack to destroy the ball core belonging to the statue.

The core could continue to move at a very fast speed, that meant it would be very difficult for ordinary people to hit.

Ye Chen had the help of **God Eyes**, so Ye Chen would have no trouble finding the core of the statue.

"Start" Ye Chen stepped forward, he made a very fast slash towards the enemy.

"Slashes. . . , slashes . . . slashes . . . slashes . . . slashes . . . slashes . . . Ye Chen made hundreds of extremely fast and deadly slashes, Ye Chen's goal of course was to limit the movement of the ball core so that he could destroy it.

" Crackkkkk . . . "With a perfect timing, Ye Chen pierced the ball's core and crushed it.

Chapter 1558 - Qi Yunzhi Is Affected By The Aphrodisiac (1)

As Ye Chen shattered the core of the sphere, the statue in front of him started to crack like glass, the cracks started to widen and finally the statue shattered into rubble.

"Looks like it worked." Ye Chen saw that the trick he used had succeeded in destroying the statue in front of him, Now Ye Chen could continue their journey.

"Yunzhi, let's go." Ye Chen invited Qi Yunzhi to come forward.

Qi Yunzhi came out of hiding, she rushed to follow behind Ye Chen.

After passing through the gate, Ye Chen saw a purple mist shrouding this place.

"It's an aphrodisiac." Ye Chen could see that this place was covered in quite a strong aphrodisiac.

Ye Chen immediately covered his nose, Ye Chen ordered Qi Yunzhi to do the same to him.

Qi Yunzhi covered her nose, Qi Yunzhi tried his best not to inhale the mist.

"handsome why are you quiet, come here quickly" Several Sexy and seductive women appeared, they all appeared in front of Ye Chen and Qi Yunzhi.

Besides Sexy and seductive women, there were several handsome men who appeared, they were trying to seduce Qi Yunzhi who was beside Ye Chen.

The male group and female group started to approach, they started trying to tease Ye Chen and Qi Yunzhi.

Ye Chen looked around this place, he saw that several people were having fun with the beauty and handsome men in this place.

"Get out of the way" Ye Chen chased away the women and men around him, he didn't let them get any further.

"Ahhhh. . ." With a single swipe, Ye Chen got rid of everyone who tried to get close to him.

Ye Chen had seen the tricks used by these people, Ye Chen could see that these people were monsters who had transformed into handsome and sexy humans.

"why are you unaffected" these monsters were angry with Ye Chen, they started to attack Ye Chen who had dared to disobey.

"So you start showing your true nature, then I will make you regret it." Ye Chen let out a profound wind power, a profound wind power enveloped Ye Chen and Qi Yunzhi.

Ye Chen used his profound wind to block the approaching enemy.

The approaching monsters started to be bounced off by Ye Chen's attack, all of them bounced off as they tried to get closer to Ye Chen.

"**Sky Wind Law**" Ye Chen decided to use the **Sky Wind Law**, a strong wind blew away all the monsters in this place, even the people who were having fun were blown away by Ye Chen.

Ye Chen's intentions are very good, he is trying to wake up people who are under the influence of hallucinations, they all don't realize that they are under the influence of hallucinations, what they are doing is against their will.

In terms of strength, Ye Chen was still above these monsters, these monsters were strong because they were able to confuse people by using their Aphrodisiac and seductive abilities.

people started to wake up, they seemed confused by what had happened to them, they couldn't remember clearly what happened, one could say they didn't remember that they had just done that with a monstrous looking monster.

Some people are still not fully aware, they are still under the influence of the Aphrodisiac and attack those who are near them.

" Young master . . ." Qi Yunzhi started to tug on Ye Chen's shirt, she looked like she wanted to say something.

" what is it?" Ye Chen asked Qi Yunzhi, Ye Chen wanted to know what happened to Qi Yunzhi.

"I feel uncomfortable, can you help me?" Qi Yunzhi's face turned red, she gave Ye Chen a very seductive and lustful figure.

"You ?, don't tell me that" Ye Chen didn't expect that Qi Yunzhi would be affected by the effects of the Aphrodisiac, it seemed that Qi Yunzhi had been sucking in a lot of Aphrodisiacs.

"Even though I told you to cover your nose, why are you doing something reckless?" Ye Chen immediately pulled Qi Yunzhi away, before continuing on his journey, Ye Chen had to heal Qi Yunzhi.

"I can't stand it, please do something" Qi Yunzhi started to get weird, she started to be very active and very brave, Qi Yunzhi even started to tease Ye Chen using the knowledge she learned when she was young.

"Stop doing things like that" Ye Chen told Qi Yunzhi to stop, Ye Chen at least couldn't stand what Qi Yunzhi was doing.

Qi Yunzhi had a dangerous charm, she became much more dangerous when she used her abilities to tease Ye Chen.

"Fufufu, looks like someone needs help" Chu Yuechan giggled, it seemed that Ye Chen had to help Qi Yunzhi with the Aphrodisiac problem.

"You still laugh when you see me in trouble, you are indeed a naughty fairy" Ye Chen said to Chu Yuechan.

Ye Chen saw that Chu Yuechan was a naughty fairy, Chu Yuechan was still laughing when she saw Ye Chen who was in trouble.

"Fortunately I didn't bring the Seven Fairy Succubus, otherwise it would be more troublesome." Ye Chen was very grateful that she didn't bring the Seven Fairy Succubus, otherwise the situation might have gotten a lot worse.

"fufufu, they are currently engrossed in choosing cultivation techniques, and fighting." Chu Yuechan told Ye Chen that the Seven Fairy Succubus were enjoying being inside the fairy gate.

"Let them do whatever they want, I will focus on Yunzhi." Ye Chen let the Seven Fairy Succubus inside the fairy gate, now Ye Chen had to solve the problem that Qi Yunzhi had.

Ye Chen took Qi Yunzhi away to a safer place, it seemed that this place was not a very safe place to treat Qi Yunzhi.

Ye Chen pulled Qi Yunzhi, he carried Qi Yunzhi away towards a hidden place.

Ye Chen used the search with God Eyes, after searching for some time, Ye Chen found a very good place to treat Qi Yunzhi.

Ye Chen pulled Qi Yunzhi to where he had been found, Qi Yunzhi couldn't resist, she looked resigned as she was dragged by Ye Chen.

Qi Yunzhi felt an uncomfortable feeling, she really couldn't stand this feeling.

Qi Yunzhi is still a pure woman, to be honest she has never experienced a romantic life, Qi Yunzhi is only equipped with some knowledge, in practice, Qi Yunzhi has never felt feelings and comforts with the opposite sex.

Qi Yunzhi was something special, so it wasn't strange that she was treated specially, it could be seen that Qi Yunzhi was still pure until now.

"How do you feel?" Ye Chen asked about the feelings that Qi Yunzhi had.

"I still feel uncomfortable." Qi Yunzhi told Ye Chen that she still felt uncomfortable, Qi Yunzhi was already out of breath.

"You seem to be under the influence of an Aphrodisiac, I will help you" Ye Chen said that he would help Qi Yunzhi.

Ye Chen started to touch Qi Yunzhi who was in front of him, he started to help with Qi Yunzhi's problem.

"Young master, what are you doing?" Qi Yunzhi looked panicked when she saw what Ye Chen had done.

"I'm helping you, you don't have to worry, leave everything to me" Ye Chen told Qi Yunzhi to shut up and leave this matter to himself.

" But . . . "Qi Yunzhi looked embarrassed when she heard what Ye Chen said, she was a little embarrassed by what Ye Chen did.

Ye Chen took the initiative to hug Qi Yunzhi, this made Qi Yunzhi feel a little better, she felt a sense of comfort.

"Why is this different from before?" Qi Yunzhi felt the difference, the feeling of hugging this time was very comfortable.

Chapter 1559 - Qi Yunzhi Is Affected By The Aphrodisiac (2)

Ye Chen started to petrify Qi Yunzhi, he started to give some touches to Qi Yunzhi.

"Ahhhhhh" Qi Yunzhi started to moan when she was touched by Ye Chen, Qi Yunzhi's body was very sensitive, so when Ye Chen touched it Qi Yunzhi felt a strange and very comfortable feeling.

"What is this feeling, it's so great" Qi Yunzhi didn't know that touching it would be so comfortable, why had she never known about this matter.

Of course Qi Yunzhi had never known about this kind of matter, she had never been touched by a man like Ye Chen.

"How are you feeling?" Ye Chen asked Qi Yunzhi, he asked how Qi Yunzhi was feeling at the moment.

"Ummm. . ." Qi Yunzhi couldn't answer Ye Chen's question, to be honest she couldn't answer Ye Chen's question because of incomparable pleasure.

"It seems that her consciousness hasn't returned yet." Ye Chen saw that Qi Yunzhi's consciousness had not fully recovered.

Ye Chen started to use his technique on Qi Yunzhi, he touched and stimulated Qi Yunzhi's exquisite body.

Even though it was just a light touch, the feeling of being touched by Ye Chen was so extraordinary, Qi Yunzhi felt his mind drifting off.

"Hufftt. . ." Qi Yunzhi's breath started to get a little faster, he started to get excited because of Ye Chen's touch.

The more Ye Chen stimulated Qi Yunzhi, the stronger the aura of Qi Yunzhi's Charm only, this caused Ye Chen to experience a bit of trouble.

"Yunzhi's charm just gets stronger, does stimulating her make her charm stronger?" Ye Chen discovered something new, he found that Qi Yunzhi would become stronger when stimulated.

Besides that Qi Yunzhi's Yin Qi was quite rich, Ye Chen felt this when he came into direct contact with Qi Yunzhi.

Even though Qi Yunzhi's virgin Yin Qi Aura was already very good, the moment it touched, it became more and more extraordinary for Ye Chen.

"Young master, please more" Qi Yunzhi begged Ye Chen to do more to herself, Qi Yunzhi wanted more feelings.

This feeling was unbearable, Qi Yunzhi couldn't help but feel comfortable and uncomfortable in her body.

"If you really asked for it" seeing Qi Yunzhi asking for more, then Ye Chen couldn't possibly disappoint Qi Yunzhi's wish.

Ye Chen started to be bolder, he touched some of Qi Yunzhi's sensitive points, from the double peaks to the sensitive parts that Ye Chen touched.

Qi Yunzhi felt more and more satisfied, she was very satisfied with what Ye Chen had done, Ye Chen had made her feel a new great feeling.

"This is good, young master is really great." Qi Yunzhi thought of Ye Chen, now in his mind there is only Ye Chen.

Ye Chen was also having a bit of trouble, he was having a bit of trouble coming into direct contact with Qi Yunzhi.

Honestly Ye Chen felt very excited, he felt his blood starting to heat up.

Honestly, it's really hard to get close to a woman who has such a strong innate charm, this makes Ye Chen who has great mental strength find it difficult.

"Master, it must be very hard for you, fufufufu." Chu Yuechan laughed and teased Ye Chen, she laughed when she saw Ye Chen who was in trouble.

"You always tease me, just watch over you later." Ye Chen was in a bad mood, and Chu Yuechan always teased him in this kind of situation.

"Fufufufu" Chu Yuechan giggled, she giggled when she saw Ye Chen who was annoyed with her.

Chu Yuechan really liked to tease Ye Chen, so it wasn't strange that she would tease Ye Chen in a situation like this.

"Ahhhh, I can't help it." Qi Yunzhi couldn't stand it anymore, she couldn't stand the pleasant feeling she was experiencing.

Finally Qi Yunzhi reached the peak, she first felt how a woman achieves happiness.

"I hope it works" Ye Chen hoped that this method would work well, after all, the Aphrodisiac is not very strong, so it probably won't be too difficult to get rid of it.

Qi Yunzhi's body shook for a while, Qi Yunzhi had experienced the most extraordinary thing in her life.

Qi Yunzhi opened her eyes, she looked at Ye Chen who was in front of her.

Qi Yunzhi felt her body very light, she felt her body slightly weak after what happened, to be honest what happened made Qi Yunzhi feel a heavy addiction, what Ye Chen did had made her feel the most comfortable feeling in this world.

Qi Yunzhi's fear was not without reason, she wanted to feel again the feelings that Ye Chen gave.

unfortunately Qi Yunzhi didn't dare to say that in front of Ye Chen, she didn't dare to say such things in front of Ye Chen, Ye Chen might think of herself as a lewd and shameless woman.

Qi Yunzhi didn't want that to happen, lest Ye Chen have bad thoughts about herself.

"Young master, I'm sorry" Qi Yunzhi apologized to Ye Chen, because she had caused Ye Chen such trouble.

Qi Yunzhi knew that she had just made a mistake, if Ye Chen didn't help her, then maybe Qi Yunzhi would be in trouble.

"You don't need to thank me" Ye Chen told Qi Yunzhi not to do that, Qi Yunzhi was now following him, so Ye Chen would treat Qi Yunzhi as best he could.

"Thank you very much" Qi Yunzhi smiled at Ye Chen, Qi Yunzhi thanked Ye Chen for what he gave.

Qi Yunzhi's smile was so beautiful, Ye Chen was blown away when he saw Qi Yunzhi.

"Ehemmm. . ." Ye Chen tried to wake up himself , lest Ye Chen drown in Qi Yunzhi's charm.

Chi Shui once told Ye Chen that Qi Yunzhi's charm was very strong, so if Ye Chen was careless, perhaps Qi Yunzhi could cause confusion.

"Can you stand?" Ye Chen asked Qi Yunzhi, he asked whether Qi Yunzhi could stand up or not.

"Of course" Qi Yunzhi tried to stand up, when Qi Yunzhi tried to stand up, Qi Yunzhi found that her feet felt soft.

This made Qi Yunzhi have to sit back down, she was unable to stand up completely.

"Young master, it looks like my leg is soft." Qi Yunzhi told Ye Chen, her leg felt numb.

"Looks like there's no choice, I'll carry you" Since Qi Yunzhi couldn't walk, Ye Chen decided to carry Qi Yunzhi.

"Won't that bother you?" Qi Yunzhi said to Ye Chen, he asked if Qi Yunzhi would not trouble Ye Chen.

"Of course not, if we continue here it will be dangerous." Ye Chen didn't want to wait too long, instead of waiting for Qi Yunzhi to recover, Ye Chen would rather carry Qi Yunzhi.

"Okay" Qi Yunzhi nodded, Qi Yunzhi had no choice but to obey Ye Chen's wishes.

Ye Chen carried Qi Yunzhi, he started to carry Qi Yunzhi behind his back.

Qi Yunzhi was now on Ye Chen's back, she could feel the feeling of Ye Chen's back being extremely wide.

"Men's backs are very broad and strong." Qi Yunzhi admired Ye Chen's very strong back, being on Ye Chen's back was very enjoyable.

"You said something?" Ye Chen asked Qi Yunzhi.

"no" Qi Yunzhi shook her head, she didn't say anything about Ye Chen.

"Then let's go." Ye Chen took Qi Yunzhi along with herself, they continued their journey to find Chi Shui and Lord Meng.

With the help of Qi Yunzhi, Ye Chen had finally gotten very close to the whereabouts of Chi Shui and Lord Meng.

"Chi Shui is over there." Ye Chen could feel that Chi Shui was up ahead.

Ye Chen didn't hold back, he went straight to Chi Shui who was in front.

When Ye Chen went to Chi Shui's place, Ye Chen did find Chi Shui, but what happened to Chi Shui shocked him.

Currently Chi Shui was being tied up with chains, she looked unconscious.

Near Chi Shui there were also several patriarchs and Matriarchs from the big Dual Cultivation Sects, they were the same as Chi Shui, they were all tied up and unconscious.

"How could Shui be like that, isn't he already strong enough?" Ye Chen was starting to worry, there seemed to be a strong person capable of capturing and defeating Chi Shui and the higher-ups of the Dual Cultivation Sect.

"Welcome to my place, it seems that you are a great person who was once again able to reach this place" Lord Meng appeared, Lord Meng appeared all of a sudden.

"What exactly are you planning?" Ye Chen immediately asked what Lord Meng was trying to plan.

until now Ye Chen still didn't know about what happened, he still didn't know the purpose that Lord Meng had.

"hahaha, do you really want to know what I want?, actually my goal is very easy, I make entertainment for the strong people who stand in this God Realm" Lord Meng told what he was doing.

"You mean you let everyone fight for the entertainment of some strong people in the God Realm?" Ye Chen asked Lord Meng.

"Of course, that's what I've been doing all along, I provide entertainment for those in need, I'll do anything for it, even if I have to use someone else" Lord Meng said to Ye Chen.

"You really are a terrible person" Ye Chen felt that Lord Meng was a very bad person.

"Hahahaha, why, even if half the population of the Dual Cultivation Sect disappears, then it will not affect this world, instead new seeds have the opportunity to thrive" Lord Meng said to Ye Chen.

"That's not a good thing, if everyone thought like you, then this world would have been destroyed." Ye Chen saw that Lord Meng's thoughts were a little unreasonable, how could he think something like that.

"You won't understand what I'm thinking, you still can't understand what I'm saying right now" Lord Meng knew that Ye Chen wouldn't be able to understand what he wanted and thought, only certain people would know about the matter.. this.

Chapter 1560 - Golden Illusionist Bell

"Oh, so you're trying to insult my intelligence." Ye Chen didn't expect Lord Meng to insult his intelligence.

"Is it wrong if I tell you that, you should know that this God Realm is controlled by powerful people, what is happening right now is all interference from the rulers of this world, you and I are just a pebble moved by them." Lord Meng said that he and Ye Chen were just like pebbles in front of the God Realm rulers.

"I don't know why, I don't like what you said" Ye Chen really didn't like what Lord Meng said, he didn't like being played by other people.

"It's useless to waste time and energy with you, I will make you join the others" Lord Meng was no longer interested in Ye Chen, he was no longer interested in Ye Chen.

Lord Meng took out a bell, he started ringing it.

"Argghhh" Qi Yunzhi screamed when she heard the sound of the bell, she felt her brain hurt when she heard the sound just now.

Ye Chen did not feel anything, it could be said that Ye Chen's mental strength was strong, so he was not affected by the sound of the bell.

"Is that the Golden Illusionist Bell?" Ye Chen saw the bell in Lord Meng's hand, Ye Chen could tell that it was.

"The Golden Illusionist Bell is an artifact capable of confusing one's mind and controlling one's mind, it is not strange that Shui can lose, it seems that he was defeated by this artifact." Chu Yuechan could immediately deduce what had happened, she could deduce what had happened to Chi Shui.

It would not be strange if Chi Shui could be captured, it turned out that his opponent had the Golden Illusionist Bell, it must be difficult for Chi Shui to fight against Lord Meng who had the Golden Illusionist Bell.

"I need to create a vacuum immediately" Ye Chen had to quickly create a vacuum, he couldn't let the sound of the bell hit Qi Yunzhi.

With the profound wind, Ye Chen was able to instantly isolate his surroundings, all sound could not enter into this place.

"Yunzhi, are you okay?" Ye Chen asked Qi Yunzhi who was on his back.

"Yes, but my head is very dizzy." Qi Yunzhi was a little confused, she seemed to have lost consciousness when he heard the Golden Illusionist Bell.

It was fortunate that Ye Chen moved quickly, otherwise Qi Yunzhi would be controlled by the Golden Illusionist Bell user.

As the Golden Illusionist Bell's voice sounded, Chi Shui and the others started to open their eyes, they opened their eyes and made blank expressions.

Even their eyes turned a little pale and colorless, Ye Chen saw that they didn't seem to have full consciousness.

"Shui has been controlled" Ye Chen clasped his head, he didn't expect Chi Shui to be controlled by Lord Meng.

The chains that bound Chi Shui and several people began to untwist, they went down and just stood still in this place.

"You really are very strong, you can fight the Golden Illusionist Bell so easily" Lord Meng had to admit that Ye Chen had great abilities.

Ye Chen did not hear what Lord Meng just said, fortunately Ye Chen knew lip language which allowed him to know what Lord Meng was trying to say.

"I will try to deal with this person" Ye Chen couldn't stay still, he had to save Chi Shui.

Ye Chen couldn't possibly let Chi Shui continue to be controlled like that, Ye Chen felt pity when he saw Chi Shui being controlled by the Golden Illusionist Bell.

Ye Chen came out of the isolation of the voice void, himself coming out to destroy the Golden Illusionist Bell that was in Lord Meng's hands.

"It doesn't look like it's working for you, then I'll let them take care of you" Since Ye Chen couldn't be dealt with with the Golden Illusionist Bell, then Lord Meng ordered Chi Shui and the others to fight Ye Chen.

"Looks like I have no choice but to fight you" Ye Chen also had no other choice but to fight Lord Meng.

"Skip them first if you want to fight me" Lord Meng told Ye Chen to go past everyone if you wanted to fight him.

Ye Chen closed his eyes for a while, he started to take a deep breath, he had to use all his strength to fight the enemy.

After Ye Chen concentrated all his strength, it was time for Ye Chen to battle.

Lightning power emerged from Ye Chen's body, this fire power spread very quickly.

This place was enveloped in an extremely powerful lightning bolt, Ye Chen's strength and speed instantly increased greatly.

"God Thunder Armor" Ye Chen used the God Thunder Armor, instantly lightning enveloped Ye Chen's body and made an armor that was difficult to penetrate and gave Ye Chen a lot of strength and speed increase.

"What are you guys waiting for, hurry and finish him as soon as possible" Lord Meng looked relaxed when he saw Ye Chen's strength, there was nothing too surprising about Ye Chen's strength.

Chi Shui and the people directly charged towards Ye Chen, they launched an attack towards Ye Chen.

The moment Chi Shui and the others attacked Ye Chen, Ye Chen instantly disappeared, Ye Chen turned into a glimmer of light and arrived in front of Lord Meng.

"What?" Lord Meng was shocked when he saw that Ye Chen was already in front of him, Ye Chen's speed was extremely fast.

Ye Chen's speed had already been increased by tens or maybe hundreds of times, so it wasn't strange that Lord Meng couldn't keep up with Ye Chen.

"Feel this" Ye Chen attacked Lord Meng, he attacked with full strength.

"Boom. . ." When Ye Chen attacked Lord Meng, in front of Ye Chen there was a very strong barrier.

raiser prevented Ye Chen's attack from touching Lord Meng, Lord Meng only smiled when he saw the experiment being carried out.

"It was a good trial but still not completely able to defeat me" Lord Meng informed that what Ye Chen did was not strong enough to win over Lord Meng.

"The artifact on this man's body is extremely troublesome." The barrier just now was clearly an artifact that had been created by someone so powerful that Ye Chen was unable to break through it.

Ye Chen only had a few seconds to attack Lord Meng, by that time Chi Shui and the others were already behind Ye Chen and attacked Ye Chen.

"Boom. . ." Ye Chen avoided the enemy's attacks, there was no way he would receive the attacks of cultivators like Chi Shui and the others.

"Shui alone is troublesome to fight, plus they are all cultivators at the mid and peak stages of the Divine Overlord Realm." Ye Chen honestly had a hard time winning against Chi Shui whose strength had increased quite significantly.

"Shui, can you hear me?" Ye Chen said to Chi Shui who was in front of him.

Unfortunately Chi Shui did not listen to Ye Chen, Ye Chen's voice was unable to reach Chi Shui's ears or heart.

The Golden Illusionist Bell's ability had blocked all of Chi Shui's senses, Chi Shui couldn't fully control herself or recognize Ye Chen, Chi Shui only knew that Ye Chen was an enemy worthy of defeat.

"It's useless, she can't listen to you, you have to wake her up right away.." Chu Yuechan said that what Ye Chen did would not be able to resuscitate Chi Shui, Ye Chen had to use stronger means to resuscitate Chi Shui.
