

A True God 1571

Chapter 1571 - Battle In Dreamland (2)

"What do you think I will do to you?" Ye Chen asked Chi Zuiye, Ye Chen has many ways to deal with Chi Zuiye.

"Let me go quickly." Chi Zuiye had a bad feeling, she felt that Ye Chen was planning something very bad against her.

Chi Zuiye's strength disappeared, so Chi Zuiye didn't know what to do in the current situation.

"You were quite arrogant earlier, but why do you look so weak now, where did your arrogance go?" Ye Chen said to Chi Zuiye.

"I was wrong, so please spare me." Chi Zuiye admitted her guilt, so she wanted Ye Chen to let go of herself.

"Hahahaha" Ye Chen just laughed when he heard what Chi Zuiye wanted, how could Ye Chen let Chi Zuiye go so easily.

Ye Chen started to punish Chi Zuiye, he started slapping Chi Zuiye's buttocks and thighs.

"Ahhh. . . , how dare you" Chi Zuiye gritted her teeth, she was truly furious when she saw Ye Chen slapping herself so hard.

"So you still dare to fight, then feel this." Seeing that Chi Zuiye still dared to resist, Ye Chen decided to continue attacking Chi Zuiye.

"Pah. . . , pah . . . , pah . . . , pah . . . ,," Ye Chen landed a few slaps on Chi Zuiye, he punished Chi Zuiye quite severely.

"Stop right now" Chi Zuiye told Ye Chen to stop right now, she couldn't stand Ye Chen's treatment anymore.

"I don't want" Ye Chen refused to stop, he refused to stop punishing Chi Zuiye.

Chi Zuiye couldn't stand Ye Chen's treatment, she was truly humiliated by what Ye Chen had done.

If Chi Zuiye could resist, maybe she had already fought Ye Chen, there was no way Chi Zuiye could endure this feeling and humiliation.

"hehehe" Ye Chen felt very happy, he was very happy when he saw what happened to Chi Zuiye.

The satisfaction of doing this was overwhelming, he was truly content to punish an arrogant woman like Chi Zuiye.

Chi Zuiye could only accept what had happened, she was completely unable to endure Ye Chen's punishment.

"I give up, so let me go." Chi Zuiye decided to give in, she gave in and asked Ye Chen to let go.

"What will you give if I let you go?" Ye Chen asked what Chi Zuiye would give her if she let go.

"I will give you something good." Chi Zuiye informed that she would give Ye Chen something good.

"What can you give me?" Ye Chen asked what Chi Zuiye could give him.

"I can give you anything you want" Chi Zuiye said to Ye Chen, Chi Zuiye can give anything to Ye Chen, she can give Ye Chen what he wants.

"Looks like you are quite rich" Ye Chen saw that Chi Zuiye was quite rich, this woman even dared to promise everything Ye Chen wanted.

"So let me go." Chi Zuiye said to release himself, so Chi Zuiye would give Ye Chen whatever he wanted.

"Hmmm" Ye Chen thought about the offer made by Chi Zuiye, Ye Chen thought about the offer that was being made by Chi Zuiye.

Chi Zuiye hoped that Ye Chen would be provoked by the offer she made, so that Chi Zuiye would be able to escape from Ye Chen's grip on the palm of her hand.

As long as Chi Zuiye was able to get out of this dreamland, then it was certain that she would be fine.

"Sorry but I probably wouldn't do that." Ye Chen said that he probably wouldn't do that, Ye Chen didn't want to let Chi Zuiye go.

" You bastards . . ." Chi Zuiye got even more annoyed when Ye Chen refused, even though she was already very kind.

"Hahaha" Ye Chen smiled, he smiled and continued to punish Chi Zuiye.

Chi Zuiye had to feel endless humiliation, this was all because Ye Chen was unwilling to let go.

"Bastard, why did she bring such a person into the Sect?" Chi Zuiye was angry and cursed Chi Shui, she cursed Chi Shui because she had brought a little monster like Ye Chen into the Sect.

The reason Chi Zuiye considered Ye Chen a little monster was because Ye Chen had caused her a lot of trouble, this made Chi Zuiye difficult and had a bad time.

After being quite bored playing with Chi Zuiye, Ye Chen decided to have some fun with Chi Zuiye.

"Are you going to react when I touch this tail too?" Ye Chen touched Chi Zuiye's tail, Chi Zuiye shouldn't feel anything when Ye Chen touched it.

"kyahhhhh" Chi Zuiye shouted, she screamed as Ye Chen touched her tail.

"why are you screaming, is this for real?" Ye Chen asked Chi Zuiye, Ye Chen did not expect that Chi Zuiye would scream when Ye Chen touched her tail.

"Stupid, do you think I'm a toy?" Chi Zuiye looked annoyed when she heard what Ye Chen said, to be honest what Ye Chen said was very annoying.

In dreamland, what Chi Zuiye made came true, so when she grew a tail, it was the same as Chi Zuiye's original part.

Ye Chen smiled at Chi Zuiye, he had other plans to fight Chi Zuiye.

"What are you planning?" Chi Zuiye started to feel worse feelings from Ye Chen, it seemed that Ye Chen was planning something worse.

"hahahahaha" Ye Chen laughed, he laughed evilly at Chi Zuiye, Ye Chen looked like a criminal bullying a young girl.

Ye Chen started to touch Chi Zuiye's tail and wings, he started to stimulate Chi Zuiye with his skills.

"Ahhh, no. . . ." Chi Zuiye groaned and shouted, she began to make a very melodious and passionate voice.

"Wow, she has a great voice." Ye Chen acknowledged Chi Zuiye's voice, Chi Zuiye's voice was very emotionally stimulating.

"What is this, what's going on, there's no way I could make a sound like that" Chi Zuiye couldn't believe that she was being forced to make a sound like this by Ye Chen.

Who is Chi Zuiye, she is a very talented person and very good at Dual Cultivation, how can someone like Chi Zuiye be treated like this by Ye Chen.

Chi Zuiye tried to hold back the feelings that Ye Chen gave her, unfortunately he couldn't do anything about this, the feelings that Ye Chen gave were very comfortable and hard to endure.

"Damn it, I can't hold it in." Chi Zuiye couldn't defend herself, she couldn't endure Ye Chen's extremely aggressive attack.

Ye Chen was very happy when he saw Chi Zuiye, he really enjoyed doing this.

Ye Chen did not hold back, he knew that this was only a dream world, so he did not hold back when dealing with Chi Zuiye.

Ye Chen had already used his full strength, so it was not surprising that Chi Zuiye had a hard time resisting Ye Chen's attacks.

Little by little Chi Zuiye began to sink and was defeated by Ye Chen, she was unable to withstand the waves that were launched by Ye Chen.

"Ahhh, this is convenient. . ." Chi Zuiye started to feel a very comfortable feeling, she really really liked what Ye Chen was doing.

Chi Zuiye began to lose at the hands of Ye Chen, the woman who usually dominated men was defeated at Ye Chen's hands

Chapter 1572 - Super Charming Illusion Art

"You really enjoyed this." Ye Chen said to Chi Zuiye, Chi Zuiye seemed to be enjoying this very much.

"Yes, it is very good." Chi Zuiye said that what happened was very good.

Chi Zuiye was already starting to be unable to defend against Ye Chen's attacks, she was already starting to be controlled by Ye Chen.

Ye Chen only smiled when she saw this, it seemed that it was very easy to control Chi Zuiye.

The pleasure given by Ye Chen was great, Chi Zuiye really liked the feeling that was given by Ye Chen.

Ye Chen became more and more aggressive, he began to show his abilities to Chi Zuiye.

Chi Zuiye was more and more helpless, she was unable to withstand Ye Chen's highly skilled attacks.

"ahhh, how can this be so good" Chi Zuiye couldn't believe what she was feeling, what she felt was so comfortable and delicious.

This was the best feeling Chi Zuiye had ever felt, nothing could match this feeling.

Ye Chen slightly raised his hand, when Ye Chen raised his hand, Ye Chen's hand touched a soft bulge.

"This is perfect." Ye Chen felt that Chi Zuiye had a perfect double peak and was very comfortable to the touch.

Although the size was not able to match Chi Shui's, it could still be said to be large and had a good texture, Ye Chen liked this feeling.

"Humph. . ." Chi Zuiye's breathing became more and more irregular, what Ye Chen touched was a point that made Chi Zuiye feel weak and weak.

Chi Zuiye closed her eyes, she could no longer endure this comfortable feeling, she had completely surrendered herself to Ye Chen.

Since Chi Zuiye had completely surrendered herself to Ye Chen, Ye Chen could do whatever she wanted to Ye Chen.

Ye Chen enjoyed Chi Zuiye, he did whatever he wanted to Chi Zuiye.

"I can't take it anymore" after receiving a very comfortable feeling, finally Chi Zuiye was unable to endure, she could no longer endure and was about to reach the top.

Just as Chi Zuiye was about to find happiness, Ye Chen immediately stopped, she wanted to torture Chi Zuiye even more.

Chi Zuiye was really in torment, even though it was a critical moment that brought her happiness.

"Why did you stop halfway?" Chi Zuiye asked why Ye Chen stopped halfway.

"why, do you have a problem with that?" Ye Chen looked indifferent, he started to ignore Chi Zuiye.

Chi Zuiye was extremely annoyed, even though it was so close, she almost got what she wanted.

It had been a long time since Chi Zuiye had felt this kind of feeling, just as Chi Zuiye was about to feel the ultimate feeling of happiness, Ye Chen suddenly stopped, how could Chi Zuiye not be upset about this.

from the beginning it was Ye Chen's intention, Ye Chen deliberately did that to Chi Zuiye, he wanted to punish this woman for daring to disturb him.

"You are so annoying" Chi Zuiye felt that Ye Chen was so annoying, Ye Chen was really really annoying and made Chi Zuiye feel annoyed.

"Hahahaha" Ye Chen laughed as he listened to what Chi Zuiye said, to be honest with Ye Chen, what Chi Zuiye said made him laugh.

"From the beginning my intention was to punish you, now you have received the punishment you deserve" Ye Chen said to Chi Zuiye.

"Just watch out." Chi Zuiye warned Ye Chen, she would not forget this.

Chi Zuiye turned into particles, she disappeared from Ye Chen's sight, Chi Zuiye really ran away, she left the dreamland.

Ye Chen just shook his head, he continued to rest for a while.

.
.

After leaving the dreamland Chi Zuiye immediately went away from Ye Chen's place, she looked for the best place to recover his strength.

By now Chi Zuiye's lower half was already very wet, what had happened just now had made Chi Zuiye very excited.

"Damn it, how could I be defeated by a brat" Chi Zuiye cursed very loudly, how could she be defeated by a brat like Ye Chen.

Being defeated by Ye Chen was extremely humiliating, Chi Zuiye didn't like it when she lost at the hands of someone like Ye Chen, this was a disgrace to Chi Zuiye.

"That man named Ye Chen's abilities are very good, it wouldn't be strange for Chi Shui to bring him to this place" After experiencing ups and downs for a while with Ye Chen, Chi Zuiye could conclude what Ye Chen was like.

Ye Chen was indeed very skilled, it was possible that Chi Shui brought him here for her own needs.

" Unlucky . . . , I kept thinking about what happened just now, it seems that what happened has left my head confused." Chi Zuiye kept thinking about what had happened earlier, she thought about every second when she received Ye Chen's touch and caress.

"I will go back to my room for a while." Chi Zuiye decided to return, she decided to return to her room.

Chi Zuiye had failed miserably, she had failed miserably while trying to seduce Ye Chen, as a result Chi Zuiye had to accept a crushing defeat at the hands of Ye Chen.

.
.

Time passed, after a while Ye Chen's mental strength began to recover, he already felt very refreshed and excited.

"Young master how are you?" Qi Yunzhi came over, she asked about the state of Ye Chen.

"I feel better" Ye Chen said that he was feeling better.

"That's good, do you want some tea and some food, I will prepare it" Qi Yunzhi deftly served Ye Chen, she immediately prepared what Ye Chen needed.

Ye Chen had not even answered Qi Yunzhi's question, and Qi Yunzhi had already left to prepare Ye Chen's needs.

"she really is very active." Ye Chen saw that Qi Yunzhi was very active in doing things.

Ye Chen did not refuse the services provided by Qi Yunzhi, he accepted everything that was given by Qi Yunzhi.

Ye Chen enjoyed everything that Qi Yunzhi gave him, he really liked the way Qi Yunzhi served him.

"Yunzhi, maybe now is the time for me to train you." Ye Chen said that he would start training Qi Yunzhi.

It was time for Qi Yunzhi to control the enchantment he possessed, that way Ye Chen would not be too difficult to interact with Qi Yunzhi.

"Is young master really going to teach me?" Qi Yunzhi looked excited as he listened to Ye Chen teach her.

"Of course, I won't lie to you" come with me" Ye Chen told Qi Yunzhi to come with him.

"um" Qi Yunzhi nodded, she immediately followed Ye Chen.

Ye Chen prepared some cultivation techniques and fought for Qi Yunzhi, he had already told Chu Yuechan to give him best for Qi Yunzhi.

With Ye Chen's request, Chu Yuechan immediately gave her best, she gave Qi Yunzhi the best cultivation and fighting techniques.

"Yunzhi, this is for you" Ye Chen took out some techniques for Qi Yunzhi, he told Qi Yunzhi to take a look,

Qi Yunzhi deftly took the technique given by Ye Chen, she saw the cultivation technique given by Ye Chen.

"Super Charming Illusion Art?" Qi Yunzhi saw the cultivation technique given by Ye Chen, Qi Yunzhi started to get curious and looked at the contents inside.

The **Super Charming Illusion Art** contains techniques to control and trap someone in an illusion.

"Does this suit me?" Qi Yunzhi asked Ye Chen, she asked if the Super Charming Illusion Art was suitable for her.

Chapter 1573 - Chi Shui Invite Ye Chen To Meet Ancestors

"Of course, it is the most suitable for you." Ye Chen said that this is the most suitable for Qi Yunzhi.

"Then I will study it" Since Ye Chen said that it was very good, then Qi Yunzhi would start studying.

"Good, then I will guide you as well as be a partner in training" Ye Chen said to Qi Yunzhi.

Ye Chen began to guide Qi Yunzhi, he began to teach Qi Yunzhi the basics of the ***Super Charming Illusion Art***.

With Ye Chen's guidance, Qi Yunzhi was able to quickly comprehend the ***Super Charming Illusion Art***, he was able to comprehend the ***Super Charming Illusion Art very*** quickly.

"Yunzhi is quite talented." Ye Chen saw that Qi Yunzhi was quite talented.

A few hours quickly passed, Qi Yunzhi had already begun to be able to use the Super Charming Illusion Art.

"Okay, that's a very good start." Ye Chen said that Qi Yunzhi had done something very good.

"Young master, thank you." Qi Yunzhi was very grateful to Ye Chen, she thanked Ye Chen because he had given something valuable, with this Qi Yunzhi should be able to control the strong Charm that she has.

"You have to be more active, you have to be able to use it well" Ye Chen told Qi Yunzhi to be even more active in practicing her abilities.

"I will definitely do it, I will never let you down." Qi Yunzhi said that he would not disappoint Ye Chen.

Ye Chen nodded, he very pleased with the answer given by Qi Yunzhi.

"Now let's see what you're good at." Ye Chen wanted to know what Qi Yunzhi was good at.

Ye Chen started to test Qi Yunzhi's abilities, when Ye Chen did the testing, Ye Chen saw that Qi Yunzhi was quite compatible with lightning.

It seemed that Qi Yunzhi was compatible with lightning, so Ye Chen could give Qi Yunzhi a lightning technique.

Ye Chen chose the technique Chu Yuechan gave him, he decided what Qi Yunzhi would use.

Sovereign Blue Thunder Technique seemed to suit Qi Yunzhi, after careful sorting, Ye Chen finally found the one technique that he thought was the most suitable for Qi Yunzhi.

"Yunzhi, this is fighting, you will meet this technique." Ye Chen told Qi Yunzhi that he was going to learn this.

"Okay" Qi Yunzhi just nodded, she believed that what Ye Chen gave was the best.

"Good, let's practice again" Ye Chen invited Qi Yunzhi to practice, Ye Chen will again guide Qi Yunzhi to master the ***Sovereign Blue Thunder Technique*** with.

Ye Chen taught the method using the ***Sovereign Blue Thunder Technique***, he used the easiest and most concise way to teach Qi Yunzhi.

Qi Yunzhi already had a good foundation, so she was naturally able to easily use profound energy, all Ye Chen needed to do was teach Qi Yunzhi how to use the ***Sovereign Blue Thunder Technique***.

First Ye Chen told Qi Yunzhi to start easy, he had Qi Yunzhi make a lightning bolt for the base.

Qi Yunzhi didn't succeed the first time, it took Qi Yunzhi several tries to be able to use the ***Sovereign Blue Thunder Technique***.

Ye Chen nodded, even though he couldn't use it in one try, at least Qi Yunzhi had a good spirit, Ye Chen most liked when he saw the spirit shown by Qi Yunzhi.

"Looks like you guys are busy." Chi Shui came over, she came and walked over to Ye Chen and Qi Yunzhi.

"You're back, is everything over?" Ye Chen asked Chi Shui, he asked if Chi Shui was done with her business.

"I'm done with business there, but there are some matters that are quite important." Chi Shui said that there were some matters which were quite important.

"What is it?" Ye Chen asked Chi Shui, he was curious about what Chi Shui was talking about.

"Husband, you should know this, some strong people appeared, they seemed to be watching something, I only detected them when I passed them" Chi Shui told Ye Chen that there were some people from big powers who had come to see the situation of Red Rose Heaven Land.

"They are faster than I thought, looks like this will be a problem" Ye Chen did not expect that the people behind Lord Meng would come so quickly.

They had come after learning that the Red Rose Heaven Land was destroyed, this was truly something that no one expected.

"You better take back all the disciples from Heaven Dream Sect." Ye Chen told Chi Shui to pull everyone back right now.

"Then I will." Chi Shui thought the same thing, she thought of the same plan as Ye Chen.

"do you want to come with me?" Chi Shui invited Ye Chen to come along with her.

"Yunzhi you practice here for a while, I will solve an important matter" Ye Chen told Qi Yunzhi, he told Qi Yunzhi that he was going to do something important with Chi Shui.

"okay" Qi Yunzhi will train himself, because Qi Yunzhi can't do anything, she can only train herself.

Ye Chen and Chi Shui left, both of them left Qi Yunzhi, before leaving Chi Shui gave an emergency order to return to the Sect as soon as possible.

"Where are we going?" Ye Chen asked Chi Shui, Ye Chen didn't know where Chi Shui would take him.

"We are going to see the ancestors of the Heaven Dream Sect." Chi Shui informed that they would go and meet the ancestors of the Heaven Dream Sect.

"I am quite curious about the ancestors of the Heaven Dream Sect." Ye Chen was quite curious about the ancestors of the Heaven Dream Sect.

"She is quite lazy and rarely goes out, if there is nothing interesting, he will not want to go out" Chi Shui told Ye Chen that the Heaven Dream Sect's ancestor was a lazy woman.

"Is she really like that ?" Ye Chen didn't expect the Heaven Dream Sect's ancestor to be like that.

"Even so, she is very strong and dangerous, she is also very difficult to deal with" Chi Shui informed that the ancestor was a difficult person to deal with

"Then why did you decide to take me away?" Ye Chen asked Chi Shui, Ye Chen wanted to know the reason why Chi Shui took himself away with her.

"I want you to help me persuade the Ancestor, I believe with your abilities it will be very easy to persuade the Ancestor" Chi Shui said to Ye Chen.

Chi Shui really hoped that Ye Chen would persuade the ancestor, with Ye Chen help, this matter should be solved.

Chi Shui needed additional strength, it seemed that with additional help from the ancestors, this matter should be resolved quickly.

"Okay, I'll help you" After listening to Chi Shui's explanation, Ye Chen decided to help Chi Shui in persuading the Heaven Dream Sect's ancestor.

"That's great, you are indeed a very understanding man" Chi Shui really likes Ye Chen, she likes Ye Chen who is very understanding.

Ye Chen just smiled, he smiled as he listened to the compliments given by Chi Shui.

Ye Chen and Chi Shui arrived at the ancestral property, it just so happened that the Heaven Dream Sect ancestor lived at the very back of the Heaven Dream Sect, not just anyone could afford to stay and be in this place, only certain people like Chi Shui could go to this place.

The entrance in front of Ye Chen was very beautiful, it was made of very solid diamond and cast with very strong and thick iron.

Chapter 1574 - We Meet Again

"This ancestor's taste is quite good." Ye Chen had to admit that the ancestor of the Heaven Dream Sect had good taste.

"Of course, she does have good taste." Chi Shui admitted that the Heaven Dream Sect's ancestor had excellent taste.

"Do you want to try it?" Chi Shui asked Ye Chen, Chi Shui told Ye Chen to give it a try.

"Hehehe, why do you always read my mind" Ye Chen said to Chi Shui, Chi Shui was very skilled when she read about Ye Chen's memories.

"fufufu" Chi Shui was giggling, she was giggling as she listened to what Ye Chen said.

"Let's go in" Chi Shui invited Ye Chen to go inside, they would soon meet the ancestors.

"ancestor, Chi Shui asks to meet" Chi Shui shouted, he told that he wanted to meet the ancestor.

"Come in, I just happen to have something I want to talk to you about" the person inside answered Chi Shui, he told Chi Shui to come inside.

Chi Shui nodded, she along with Ye Chen entered the ancestral room of the Heaven Dream Sect.

Chi Shui waved her hand, when she waved her hand the gate in front of her eyes immediately opened.

After the gate opened, Ye Chen and Chi Shui entered the room, when Ye Chen and Chi Shui went inside, they both found that it was very dark inside, all the windows and places were covered so that no light could enter.

Ye Chen saw a woman lying lazily, this woman seemed to be lazing on her bed.

From her figure, this woman had an excellent figure and temperament, she definitely had a good capital like Chi Shui.

"Ancestor, a place like this is not good for you." Chi Shui said that a place like this was not good to be left behind.

"Do you have a problem with this?" the ancestor of Heaven Dream Sect asked Chi Shui, she asked if Chi Shui had any problem with this.

"I don't want the ancestors to be lazy like this." Chi Shui didn't really like dark places, so she decided to open the curtains in this place.

"stop" just as Chi Shui was about to open the curtain, the ancestor of Heaven Dream Sect stopped her.

" what is it?" Chi Shui did not understand why the ancestor would stop her, even though her intentions were good.

"Don't do anything weird." Heaven Dream Sect's ancestor told Chi Shui not to do anything weird in her place.

"Why does the ancestor look so strange?" Chi Shui felt that the ancestor was so strange, she didn't usually stop Chi Shui for a small matter like this.

"Shui, why did you bring the man to my place, did you bring this old lady a present?" The ancestor asked about Ye Chen, she asked if Chi Shui brought Ye Chen for herself.

Chi Shui immediately looked at Ye Chen, moments later Chi Shui had a very good idea.

"Ancestor, I did bring it for you." Chi Shui said that she had brought Ye Chen for her.

"-_- " Ye Chen felt bad, it must have been Chi Shui deliberately doing this to him.

"I don't want to, you can take him away." Heaven Dream Sect's ancestor refused Chi Shui's kindness.

"huh?" Chi Shui did not expect that the ancestor would refuse this offer, this was not what Chi Shui had imagined,

Even though Chi Shui was very sure that the Heaven Dream Sect's ancestor would immediately be attracted and take Ye Chen, but apparently she refused this.

Even though Ye Chen was a handsome man and had a large Yang Qi, why would the ancestor suddenly reject something like this, this was very strange and unreasonable.

"Ancestor, are you unwell?" Chi Shui asked if she was unwell, there was no way the ancestor would reject Ye Chen.

"Of course I'm healthy and fine." Heaven Dream Sect's ancestor said that she was fine.

"Then why don't you want to?" Chi Shui asked the Heaven Dream Sect's ancestor.

"I don't like him." The Heaven Dream Sect ancestor told him that she didn't like Ye Chen.

Chi Shui was confused when she heard this, to be honest he was a little confused when she heard this from the ancestor.

"Little brother, the ancestors are very strange, what do you think happened?" Chi Shui said to Ye Chen, she saw that the ancestor looked very strange.

"Perhaps I know the cause." Ye Chen said that if he knew the cause, he knew why the Heaven Dream Sect ancestor didn't like him.

Ye Chen snapped his fingers, when Ye Chen snapped his fingers, the entire curtain was instantly lifted upwards.

This room became extremely bright, the ancestral figure of the Heaven Dream Sect clearly visible in the extremely bright room.

"Looks like we meet again." Ye Chen said to the woman who was sleeping lazily on the bed, the woman who was sleeping lazily was Chi Zuiye.

The Chi Zuiye now looked more mature than the one in the dreamland, he had a much better and more developed body than the one in the dreamland.

"You are too bold with this" Chi Zuiye did not like Ye Chen's courage, Ye Chen was indeed very brave in facing him.

"You know her?" Chi Shui asked Ye Chen, from the conversation the two of them, looked familiar with each other.

"I'm not very familiar, but before he tried to find trouble by dragging me into dreamland" Ye Chen told the problem he had with Chi Zuiye.

"Ehhh! !, not strange" Now that Chi Shui was starting to understand why the ancestors didn't want to be with Ye Chen, it seemed that she had experienced what Chi Shui had experienced when trying to seduce Ye Chen.

Chi Shui still clearly remembered the first time she tried to seduce Ye Chen, that time Chi Shui really got into big trouble.

"Why don't we talk about business right away, we already know each other" Ye Chen said his purpose in coming to this place.

"Ancestor Zuiye, I came here to discuss something with you." Chi Shui also said the same thing as Ye Chen, she told the ancestor that he had come to discuss something with Chi Zuiye.

"Say it quickly, I'm lazy and want to sleep." Chi Zuiye looked lazy in listening to what Ye Chen and Chi Shui had to say.

"We are here to talk about the Red Rose Heaven Land and Lord Meng who have disappeared." Chi Shui stated her purpose.

"Red Rose Heaven Land has disappeared, How did it happen?" Chi Zuiye immediately woke up when she heard this news, it seemed that he was very interested in this matter.

Chi Shui explained what had happened, she explained everything to Chi Zuiye about what had just happened in the Red Rose Heaven Land.

"Lord Meng, she really did do that, it seems those old monsters want to reduce the population of the Sect like us." Chi Zuiye could immediately tell that was Lord Meng's goal.

"Ancestor, the people behind Lord Meng have sent several powerful cultivators, it seems they will move and fight all Sects present in the meeting" Chi Shui told what would happen.

"They are indeed very fast." Chi Zuiye had to admit that these people were very fast, they were moving at an extremely fast speed.

"Ancestors please help us." Chi Shui said that she wanted Chi Zuiye to help them.

"Actually I'm lazy to help, but since you asked for it, maybe I will help, but on one condition." Chi Zuiye wanted to help, but she had a condition to help Chi Shui.

"What is it?" Chi Shui immediately asked about the conditions needed by Chi Zuiye.

Chapter 1575 - Trying To Conquer Chi Zuiye

"I want him to apologize to me" Chi Zuiye told Ye Chen to apologize to her and admit that she was wrong.

"Why do I have to apologize to you, aren't you the first to find fault with me?" Ye Chen said that if Chi Zuiye was the first to find trouble, then it should be Chi Zuiye who should apologize to Ye Chen.

"I don't care, you have to apologize or I won't help you" Chi Zuiye threatened that she wouldn't provide help if Ye Chen didn't want to apologize.

"It's just an apology" Chi Shui whispered to Ye Chen, she told Ye Chen to accept what Chi Zuiye said.

"Okay, I'll do it, if it really makes you happy" because Chi Shui asked, Ye Chen finally wanted to give in.

"All right, I'm sorry for what I've done" Ye Chen stepped forward and apologized to Chi Zuiye.

"Hahahaha" Chi Zuiye was very happy when she listened to what Ye Chen said, she got this victory very easily.

"You don't look sincere to me" Chi Zuiye said that Ye Chen was not sincere in apologizing to herself.

"Hmmm" Ye Chen looked at Chi Zuiye, he saw that this woman deliberately made things difficult for Ye Chen.

"Then what do you want?" Ye Chen asked what Chi Zuiye wanted, this woman must want something from her.

"If you kiss my feet, I will immediately forgive you" Chi Zuiye said to Ye Chen.

Something suspected Ye Chen, Chi Zuiye was trying to do something difficult, she was trying to do something difficult for Ye Chen.

"ancestors, you really made a mistake" behind Chi Shui could only shake her head, she saw that Chi Zuiye made a mistake by challenging Ye Chen.

"So that's your request, all right, I'll do it" Ye Chen said that he would do what Chi Zuiye ordered.

Chi Shui looked surprised when she heard this, she was really surprised when she saw Ye Chen wanted to do what Chi Zuiye ordered.

Chi Zuiye smiled, she smiled as she listened to the answer given by Ye Chen, it was obvious that Chi Zuiye was very happy with the answer given by Ye Chen.

Ye Chen approached, he began to hold Chi Zuiye's leg, Chi Zuiye could not wait to see Ye Chen kissing her leg, it would be very nice to see Ye Chen do that.

"Finally I can repay what you have done" Chi Zuiye was very happy because he was able to repay what Ye Chen had done.

"Looks like you've forgotten what happened before" Ye Chen said to Chi Zuiye in a low voice.

"What?" Chi Zuiye looked confused by what Ye Chen said, she looked very confused by what Ye Chen had just said.

Ye Chen showed an evil smile, himself showed an evil smile at Chi Zuiye.

"Don't tell me if you" Chi Zuiye finally realized what Ye Chen was going to do, she finally realized that Ye Chen had bad intentions towards her.

Ye Chen did have bad intentions, it was unlikely Ye Chen would be so easily obedient to the words of Chi Zuiye.

Ye Chen returned to using the **Passion Goddess technique**, he used the **Passion Goddess technique** to weaken Chi Zuiye's strength.

"Again this feeling" Chi Zuiye finally realized what Ye Chen was trying to do, she realized that Ye Chen did something bad to her.

Chi Zuiye's power was gone again, now she couldn't do anything to Ye Chen.

"Husband, you. . .?" Chi Shui approached, she asked if Ye Chen intended to attack Chi Zuiye's ancestors.

"Shui, I initially didn't want to do this, but she forced me to do this, I hope you can understand this" Ye Chen hoped that Chi Shui could understand what Ye Chen was doing.

"I understand" Chi Shui understood, she understood what Ye Chen said, moreover there was nothing wrong for Ye Chen to do that.

"Chi Shui, how dare you conspire with outsiders" Chi Zuiye said to Chi Shui who conspired with Ye Chen.

"ancestors Zuiye, I have no other choice, you know if you are very difficult to manage, I will let your husband take care of you" said Chi Shui to Chi Zuiye.

"Hmmm" Chi Zuiye sniffed coldly, she didn't like what Chi Shui said.

"Husband, I will help you" Chi Shui will gladly help Ye Chen, she will gladly help Ye Chen in settling matters with Chi Shui.

With the help of Chi Shui, Ye Chen should be able to easily complete Chi Zuiye.

"I will finish this quickly" Ye Chen said that he will finish everything quickly.

Chi Zuiye looked at Ye Chen, he glared at Ye Chen with the beautiful eyes he had.

"Miss Chi Zuiye is very seductive, you have a pair of very beautiful eyes" Ye Chen said that Chi Zuiye has very beautiful and seductive eyes.

"Needless to say, I already know that I have beautiful eyes" Chi Zuiye of course already knew that she had beautiful eyes, she used these eyes to confuse so many men in this world.

"You start acting indifferent, I wonder where the friendliness went when we first met" Ye Chen asked Chi Zuiye, Ye Chen wanted to see the friendliness that was first shown by Chi Zuiye when they first met.

"Why should I be friendly to you, I will not be like that to a man who does not obey me" Chi Zuiye refused to be friendly to a man who did not obey her.

"Oh, so if I obey, you will be friendly, too naive" Ye Chen said to Chi Zuiye.

"You are too naive, do you think you can beat this woman" Chi Zuiye said to Ye Chen.

Chi Zuiye is very confident, she will not easily lose at the hands of Ye Chen, herself can be destroyed if she loses at the hands of Ye Chen.

"Is she really that great?" Ye Chen asked Chi Shui, he wanted to know if Chi Zuiye was really that strong.

"She's really strong, she's probably much stronger than me, and her skills are also pretty good, you'll know when you see her for yourself" Chi Shui told that Chi Zuiye has good skills.

"As an ancestor who has been a Mistress for a long time, Chi Zuiye's ability is certainly above Chi Shui and the Seven Fairy Succubus, so Chi Shui can estimate like the ability of Chi Zuiye.

"Then let me see it" Ye Chen wanted to compare the ability with Chi Zuiye, he wanted to see the original ability of Chi Zuiye.

Chi Zuiye is now under the influence of the *Passion Goddess technique*, so she shouldn't easily break away from Ye Chen's fangs.

Ye Chen didn't want to play around, he showed all his skills to conquer Chi Zuiye.

"Ahhh. . . ." Chi Zuiye began to shout, she began to experience the happiest moments of his life.

"How did this happen to me, I don't have a resistance" Chi Zuiye has no resistance, Ye Chen's skills have made someone like Chi Zuiye helpless, even Chi Zuiye was forced to reach the top in just seconds.

Chi Zuiye had no resistance, unable to resist Ye Chen's invasion.

"ancestor Zuiye, you have to be careful, little brother Ye Chen is very strong" Chi Shui told that Ye Chen is strong

Chapter 1576 - [Bonus]Ye Chen Dan Chi Zuiye (1)

"Shui what do you mean?" Chi Zuiye asked Chi Shui, she asked what Chi Shui was talking about.

"You will soon know what I mean, you need to know that the Seven Fairy Succubus and I, plus a few female disciples were unable to defeat Ye Chen's little brother, you should probably estimate that he is a worthy opponent, plus he has a weapon is very great and extraordinary." Chi Shui told a little about Ye Chen, she gave a warning to Chi Zuiye.

" what ?" Chi Zuiye looked very surprised when she heard what Chi Zuiye had just said.

Honestly, Chi Zuiye did not expect that Chi Shui and the Seven Fairy Succubus would be defeated by Ye Chen, how strong is Ye Chen's ability, is Ye Chen really that strong to be able to defeat Chi Shui and the Seven Fairy Succubus.

Ye Chen touched Chi Zuiye's secret garden, he started exploring around Chi Shui's secret garden.

"Ugh. . ., this is great." Chi Zuiye really felt very happy, she was very happy when she felt Ye Chen's touch caressing her honey cave.

"Wow, she's already really wet." Ye Chen could see that Chi Zuiye was already very wet, it seemed that this woman was already very excited.

With Chi Zuiye's condition, it should be enough to start conquering Chi Zuiye

"ahhh. . ., stop, let me rest." Chi Zuiye was getting impatient, Ye Chen's attack this time was really too dangerous.

Chi Zuiye had already started to lose her mind, she had started thinking about Ye Chen, in her head there was only Ye Chen.

"Ancestor Zuiye, you don't need to hold back, just let go of everything, don't hold back." Chi Shui whispered to Chi Zuiye, she whispered to Chi Zuiye not to hold back.

Chi Shui was like a tempting demon trying to provoke Chi Zuiye, she kept on provoking Chi Zuiye into falling for Ye Chen.

Chi Shui was very helpful, she used her Charm to confuse Chi Zuiye.

With the combined attacks of Ye Chen and Chi Shui, Chi Zuiye was in serious trouble.

"I'm not strong anymore" Chi Zuiye was made to reach the peak again, Chi Zuiye was really very happy with the feeling he had managed to get.

Chi Zuiye felt the best feeling during his life in this world, this could not be compared to the life that Chi Zuiye had lived.

Chi Zuiye looked tired after receiving Ye Chen's stimulation, she wanted to rest for a while.

"Husband, you are truly a woman's natural enemy, even ancestors can be easily treated like this." Chi Shui really recognized Ye Chen's ability, she had to admit that Ye Chen did have the ability to defeat a Veteran like Chi Zuiye.

"You're happy too soon, it's still early." Ye Chen informed that it was still early, for sure Chi Zuiye would rise up and put up a fight, there was no way Chi Zuiye would stay silent while receiving Ye Chen's attack.

Chi Zuiye started to recover herself, she tried to recover the strength she had.

"are you ready?" Chi Shui asked Ye Chen, she asked if Ye Chen was ready.

"Of course" Ye Chen was of course ready, he was ready to start a battle with Chi Zuiye.

"Then let me take it off for you." Chi Shui helped remove the cover on Chi Zuiye's body, Chi Zuiye's body was instantly exposed in front of Ye Chen.

Chi Zuiye's body in front of Ye Chen was much more seductive than before, Milf's well-developed body was the best.

"Very good" Ye Chen gave Chi Zuiye two thumbs up, Chi Zuiye had something very good, he had the capital to seduce any man.

"fufufu" Chi Shui only smiled as she listened to what Ye Chen said, Ye Chen started to show interest in Chi Zuiye.

Chu Yuechan saw what was happening, she enjoyed what Ye Chen and Chi Shui were doing.

"Master, show your abilities." Chu Yuechan wanted Ye Chen to show his abilities, so that he could defeat and obtain Chi Zuiye.

"aren't you going to start?" Chi Shui asked Ye Chen, Chi Shui asked Ye Chen, he asked after seeing Ye Chen who showed no signs to do Chi Zuiye.

"I won't do it until he begs herself." Ye Chen said that he wouldn't start before Chi Zuiye pleaded.

"You are really really bad" Chi Shui saw that Ye Chen was very mean, she intended to do bad things to Chi Zuiye.

Ye Chen smiled as he listened to what was said by Chi Shui, he smiled when he heard Chi Shui's words.

Ye Chen started to take out his younger brother, Ye Chen used this thing to lure Chi Zuiye.

"Ouch" Chi Zuiye felt that something hard was slap her, when Chi Zuiye opened her eyes, she discovered something truly amazing.

"what's this?" Chi Zuiye immediately gaped when she saw what was in front of her, what was in front of her was very shocking to Chi Zuiye.

Ye Chen's killing weapon scared Chi Zuiye, Chi Zuiye had seen something like this for the first time.

"The size is not normal, is he still human?" Chi Zuiye saw that Ye Chen was abnormal, Chi Zuiye even thought that Ye Chen was a monster incarnate.

Ye Chen would definitely be surprised when he heard Chi Zuiye's opinion of him, how could Chi Zuiye say that to Ye Chen.

"What are you waiting for, don't you want to give it a try?" Ye Chen asked Chi Zuiye.

Ye Chen told Chi Zuiye to try, Chi Zuiye probably never tried something like this.

Chi Zuiye actually didn't want to be ordered by Ye Chen, unfortunately her hand suddenly moved towards the killing weapon in front of her eyes.

"It seems that the ancestor looks surprised, not strange, Ye Chen does have a very good artifact, he is a dragon among men" Chi Shui looked very proud when she saw Ye Chen, she looked very proud when she saw Ye Chen's artifact.

Chi Shui was sure that Chi Zuiye would definitely not be able to leave after trying this, this female killing weapon was very strong and difficult to deal with, it was possible that a proud woman like Chi Zuiye would be easily subdued by Ye Chen.

"Wow, this is great, I want to try it." After holding on for some time, Chi Zuiye wanted to test the power of Ye Chen's huge thing, it would definitely be great to be able to try something like this.

"Ye Chen felt a touch coming from Chi Zuiye, to be honest Chi Zuiye's touch was very delicious.

"This skill, she really is a dangerous opponent" From Chi Zuiye's touch and manner, Ye Chen could easily conclude that Chi Zuiye had above average skills, it was evident from the comfortable feeling Ye Chen felt.

Without waiting for Ye Chen's order, Chi Zuiye started to lick and began to eat Ye Chen's large object.

Chi Zuiye took the initiative, she tried a few things that belonged to Ye Chen, Chi Zuiye was very interested in Ye Chen, she was already starting to get impatient with the passion in her body.

"This is the best" Chi Zuiye immediately gave Ye Chen an assessment, she gave Ye Chen a full assessment.

Chi Zuiye could immediately admit that Ye Chen had the best artifact, Chi Zuiye would not miss this opportunity to see what kind of ability Ye Chen's item was.

Chapter 1577 - Ye Chen Dan Chi Zuiye (2)

Chi Zuiye started to show the hand skills he had, Chi Shui's hands moved and tickled Ye Chen's little brother.

Ye Chen enjoyed this, he enjoyed what Chi Zuiye did, what Chi Zuiye did felt very comfortable.

Chi Zuiye's mouth also started to move, she used a double attack on Ye Chen, Chi Zuiye was very passionate and her expression was really very seductive.

"You really are a very lewd woman." Ye Chen said to Chi Zuiye, he saw that Chi Zuiye was a very lewd woman.

Chi Zuiye did not answer Ye Chen's words, she was more focused on serving Ye Chen's large object.

Ye Chen saw that Chi Zuiye couldn't be spoken to, it was obvious that he was really interested in what he was holding.

With Ye Chen skill, Chi Zuiye became very lewd.

"ahhh, I like this" Chi Zuiye liked Ye Chen's, Ye Chen's taste was very good.

Chi Zuiye put everything in her mouth, she will give her best to Ye Chen.

"Oh, this is great" Ye Chen was really excited, he was excited when he saw what Chi Zuiye did.

Inside Chi Zuiye is very comfortable, Ye Chen likes this feeling, Ye Chen feels that her soul is being sucked by Chi Zuiye.

"Looks like this is going to be a pretty fierce battle." Chi Shui saw that this would be a pretty fierce battle, who would win, whether it was Ye Chen or even Chi Zuiye.

Ye Chen didn't want to lose, he started to touch Chi Zuiye's double peak and started to play it.

Ye Chen and Chi Zuiye attacked each other, they fought to show who was the best.

In terms of strength and skill Ye Chen was slightly better than Chi Zuiye, so Chi Zuiye was quite desperate when she received an attack from Ye Chen.

"Slurp. . . ." Chi Zuiye continued to suck up Ye Chen, she tried to suck up everything Ye Chen had.

Chi Zuiye had an extremely strong suction ability, it was like a black hole trying to suck Ye Chen dry.

Luckily Ye Chen has excellent strength and endurance, if Ye Chen didn't have good endurance and strength, maybe Ye Chen would have been sucked dry by Chi Zuiye.

"It's very strong, it can last quite a long time." Chi Zuiye was really surprised by Ye Chen's abilities, she couldn't easily beat Ye Chen.

"You think you can win easily, that won't happen." Ye Chen said to Chi Zuiye, Ye Chen immediately played Chi Zuiye double peak, Chi Zuiye was louder and more aggressive.

"Ahhh. . . , don't stay there." Chi Zuiye couldn't stand it, he couldn't stand Ye Chen's powerful attack.

Ye Chen's attack was very strong, this made it difficult for Chi Zuiye to defend against this powerful attack.

As a result Chi Zuiye was made to reach the pinnacle by Ye Chen, she had no resistance against Ye Chen's domination.

"Why is it like this, why have I become so weak?" Chi Zuiye felt that when she became so weak, she had no resistance against a bad boy like Ye Chen.

"I can't be like this, I can't lose to him" Chi Zuiye couldn't lose, she couldn't lose to Ye Chen.

Chi Zuiye showed her abilities, she strengthened her suction and touch on Ye Chen's large object.

"it looks like they are both serious" from afar Chi Shui saw the battle that was going on, the battle that was going on was very intense, Chi Shui felt like joining as well.

Chi Shui did not immediately join the battle, he gave Ye Chen time to subdue Chi Zuiye.

Chi Zuiye tried her best, even though he had come a long way many times, Chi Zuiye did not want to give up.

Chi Zuiye should at least be able to make Ye Chen lose once, otherwise she would have no ability.

Chi Zuiye became more and more aggressive, within these, Chi Zuiye used the best skills he had to serve Ye Chen.

"Looks like I can't stand it anymore, this Succubus is really trying to dry me out." Ye Chen couldn't stand it anymore, Chi Zuiye's attack got him into trouble.

Chi Zuiye's skills were much better than Chi Shui and the Seven Fairy Succubus, so it was not strange that Ye Chen had a hard time against Chi Zuiye's services.

Chi Zuiye could sense that Ye Chen was already at his limit, which was why he decided to use a last resort to make Ye Chen lose.

Ye Chen held Chi Zuiye head, he immediately took out his Yang Qi Essence at Chi Zuiye.

"Umm. . ." Chi Zuiye's eyes widened, she was surprised by Yang Qi Ye Chen's wealth, this was an enormous amount.

"Glup. . ." Chi Zuiye had no choice but to accept Ye Chen's Yang Qi, she took it all well without wasting any of it.

"Ah, this taste is very good." Chi Zuiye felt that Ye Chen had the best quality Yang Qi, this was the best quality available, plus the taste was great and made Chi Zuiye addicted.

"Humph. . ." After receiving Ye Chen's Yang Qi, Chi Zuiye lay weak, he had already expended a lot of strength to face Ye Chen.

If Chi Zuiye did not use her full abilities, then it was certain that she would not be able to defeat a brat like Ye Chen.

Ye Chen took Chi Zuiye's body, she held Chi Zuiye's body and prepared to start the real battle.

" you . . ." Chi Zuiye did not expect that Ye Chen would continue fighting, this man did not want to rest for a moment.

Ye Chen couldn't stand it anymore, he directly drilled into Chi Zuiye's cave.

"Ahhh. . ." Chi Zuiye immediately felt a stinging sensation, Ye Chen made himself feel a very full feeling.

"This is too strong, I can't stand it." Chi Zuiye felt that if Ye Chen was too strong, Chi Zuiye might not be able to withstand Ye Chen's powerful attack.

Ye Chen immediately moved, he immediately ruffled the defense of Chi Zuiye.

"ahhhh. . . um. . . . No" Chi Zuiye groaned, Ye Chen actually penetrated into the deepest depths that no one had ever explored.

Chi Zuiye wrapped her arms around Ye Chen's neck, eyes were filled with an intense love.

Chi Zuiye started to follow the battle, she started to move her hips to fight Ye Chen.

Chi Zuiye had a good artifact, an artifact like this one could bring men to their knees easily.

"Baby you are so great, you are driving me crazy" Chi Zuiye said that Ye Chen had driven her crazy, this feeling was great.

"I'm going to be more serious, so be prepared, I hope you don't get crushed." Ye Chen probably wouldn't hold back, he would use all the abilities he had to face Chi Zuiye.

When Ye Chen used all his abilities, Chi Zuiye was completely insane, he couldn't think of anything else.

Chi Zuiye's moans got louder and more seductive, her voice getting more and more hoarse as time passed.

Chi Shui who saw this was very excited, she became excited when she saw the battle that Ye Chen and Chi Zuiye were fighting.

Chi Shui couldn't stand it, he decided to join the battle, she actually went up and took off her clothes, she helped Ye Chen get Chi Zuiye.

Ye Chen was against Chi Shui and Chi Zuiye, he was against the two most seductive and most powerful beauties that existed in the Heaven Dream Sect.

Chapter 1578 - Heaven Dream Sect Is Under Siege

Ye Chen had fun, he harvested Chi Zuiye and Chi Shui's Yin Qi, Chi Zuiye and Chi Shui fought, they both fought against Ye Chen.

Chi Zuiye sucked Ye Chen's Yang Qi several times, she wanted to absorb all of Ye Chen's Yang Qi, too bad Chi Zuiye failed to do that, she was unable to attack Ye Chen's Yang Qi, Ye Chen's amount of Yang Qi was very large and it was impossible for Chi Zuiye to accommodate.

After fighting for dozens of hours with Ye Chen, Chi Zuiye had finally completely given up, her soul and body already being completely controlled by Ye Chen.

"Slurp. . ." Chi Zuiye cleaned up Ye Chen's thing, she served Ye Chen with all her heart.

"Honey, how about it, is this comfortable?" Chi Zuiye asked Ye Chen, Chi Zuiye's tone sounded very gentle and filled with love.

"Yes, that's good." Ye Chen was happy to see Chi Zuiye helping her, the current Chi Zuiye was very obedient to Ye Chen.

Chi Zuiye was happy to receive Ye Chen's praise, she was more and more eager to serve Ye Chen.

Chi Zuiye was already quite tired, she was already quite tired after a rather long battle with Ye Chen.

So for now, Chi Zuiye could no longer start a battle with Ye Chen, she could only do this for Ye Chen.

On the other side, Chi Shui was sleeping, she looked exhausted, she had been fighting hard to make Ye Chen happy, although she ended up exhausted and took a short nap.

Ye Chen had already stopped, Ye Chen knew that Chi Shui and Chi Zuiye were already at the threshold and they would not be able to have a fiercer battle with Ye Chen.

While Ye Chen was enjoying Chi Zuiye's service, Chi Shui suddenly woke up, she woke up and sat on the edge of the bed?

"What is it?" Ye Chen was shocked by what Chi Shui had just done, Chi Shui surprised Ye Chen.

"There are some strong people approaching towards the Sect." Chi Shui informed Ye Chen and Chi Zuiye that several people were approaching.

"Yes, there are indeed some strong people approaching, it seems that they are starting to move." Chi Zuiye could also sense that several people were approaching towards the Sect.

These people looked very foreign, they looked very foreign to Chi Shui and Chi Zuiye.

"Did they come looking for trouble?" Chi Shui began to consider what would happen, she began to consider that people had come to cause trouble.

"Most likely they were sent by evil people who conspired with Lord Meng" Chi Zuiye concluded, she concluded that these people were probably enemies sent by powerful people who controlled the God Realm from the shadows.

"Aren't they too fast?" Ye Chen saw that those people dispatched their troops too quickly.

"They must be prepared to eliminate the eyewitnesses of what happened." Chi Zuiye said that these people were probably sent to eliminate the eyewitnesses.

In the Red Rose Heaven Land there were a lot of research and forbidden things, if this news leaked out, it would jeopardize their position.

"Are you guys capable of dealing with it?" Ye Chen asked Chi Shui and Chi Zuiye, he asked if the two of them were capable of dealing with the people who came and attacked them.

"Of course, I've improved a lot, it shouldn't be difficult to fight them." Chi Zuiye was getting more and more confident, she was very confident in her abilities.

After thousands of years, Chi Zuiye was finally able to overcome the stuck, now she possessed strength that was not inferior to strong people like Sun Quan and the others.

Plus Chi Shui should be almost comparable to Chi Zuiye, as long as there are no old monsters among these people, the two of them should be able to handle this.

"Then I'll leave this matter to you two." Ye Chen would leave this matter to Chi Zuiye and Chi Shui.

Chi Zuiye and Chi Shui nodded, they would definitely not let these people destroy the Heaven Dream Sect.

Ye Chen gave some medicine to Chi Zuiye and Chi Shui, with the medicine given by Ye Chen, both of them recovered like normal, now Chi Zuiye and Chi Shui can fight like usual, they are at the peak level.

"Let's go" Chi Shui took Chi Zuiye away, it was time for the two to defend the Sect.

Chi Zuiye and Chi Shui left, both of whom went to greet the arrival of the people who were approaching the Heaven Dream Sect.

"master, you will not help" Chu Yuechan asked Ye Chen, she asked if Ye Chen would not help Chi Shui and Chi Zuiye.

"I will go and observe, when the situation is urgent, I have no choice but to help, but with my strength, I might find it difficult to fight them." Ye Chen's strength was still not comparable to Chi Zuiye and Chi Shui, the only strong power Ye Chen had is a heavenly thunder.

Too bad Ye Chen couldn't use this power to his heart's content, the risk was too great to be found out, plus his opponents were people who were sent directly by the criminals behind the great power in the God Realm.

if Ye Chen was too rash and did everything in a hurry, then it was certain that Ye Chen would be found, Ye Chen had to find the best way to help Chi Zuiye and Chi Shui from the shadows.

Ye Chen got up from the bed, he put on his robe and God Mask, after putting on his disguise, Ye Chen immediately went to see the situation outside.

.

.

Outside, there are currently hundreds of people gathered, they are the best cultivators in the Heaven Dream Sect, these people are the most powerful core disciples in the Heaven Dream Sect.

The Seven Fairy Succubus were also here, they had already received orders from Chi Shui to come and guard this place.

Chi Shui and Chi Zuiye came, they came over to the people who had already arrived at this place.

"Respect to ancestors and mistress" The Seven Fairy Succubus and core female disciples of Heaven Dream Sect gave advice to Chi Shui and Chi Zuiye.

"How are things?" Chi Shui asked Chi Yung, she asked the

current situation about 15 miles from the Sect gate, they are very close and making a move" Chi Yung reported what happened, she reported to Chi Shui that the enemy was still silent and not doing anything.

"Are all defenses active?" Chi Shui asked if the Sect's defense mechanisms were active.

"You have activated some, it might be able to hinder them for a while" Chi Yung said to Chi Shui.

"Ancestor, what do you think, should we attack or wait first?" Chi Shui asked Chi Zuiye, she wanted an opinion from Chi Zuiye.

"We don't know the enemy we are facing, we should wait first, patience will definitely pay off." Chi Zuiye said that they had to be more patient, that way they would get a victory.

"Then let's send people to see what happens." Chi Zuiye sent one of the Seven Fairy Succubus who was the greatest at spying on the enemy, and the most powerful was Chi Maiya.

Chi Maiya has the most powerful abilities, she is very good at sneaking into the enemy's place, so Chi Maiya is assigned to go and observe the enemy.

Chi Maiya immediately went to carry out Chi Zuiye's orders, she would watch the enemy's movements from a distance.

.

.

Ye Chen had also started to move, he was looking for the enemy that surrounded Heaven Dream Sect.

Chapter 1579 - Heaven Dream Sect In Calamity (1)

Ye Chen sneaked and immediately looked for the whereabouts of the people who controlled this place, with the abilities that Ye Chen had he was able to very quickly sneak into the enemy's place.

In order to make Ye Chen completely safe, Ye Chen used Invisible Body Art .

Ye Chen didn't want to underestimate the strength possessed by the enemy, so Ye Chen decided to use abilities and artifacts to hide himself.

Who knows the enemy has an artifact that can detect the enemy, it will be very risky.

These people were sent by people of great power in the God Realm, they must be caressed with a powerful artifact like Lord Meng, Ye Chen had already learned from his previous mistakes, so for now Ye Chen would no longer be deceived by the enemy. .

With the help of the Invisible Body Art and Invisible Cloak, Ye Chen could easily approach and listen to the conversations these people were having.

Ye Chen counted the people who surrounded this place, the number of people who surrounded this place was only about 10 people.

These 10 people hide themselves so well, they use a head covering to hide themselves.

From the clothes they wore, they wore light and agile clothes, it was likely that the clothes had been designed to increase their speed when carrying out a battle.

Although only 10 of these people's strength could be said to be quite capable, the highest was at the 9th stage of the Divine Overlord Realm, while a few others were at the 7th and 8th stages.

There was another person with an undetectable cultivation base, it seemed this person used an artifact to hide the power he possessed.

"Even if it's only ten people, they are really very strong." Even though the number of enemies that came was only 10, their strength was enough to shake the entire Heaven Dream Sect.

"So this is our final target." These people looked towards the Heaven Dream Sect. They looked at the Heaven Dream Sect with extremely powerful killing gazes and auras.

These people were specialists in eliminating large Clans or even Sects, they were able to eliminate a major power like Sect without leaving a trace.

"Heaven Dream Sect is quite strong, they have some strong people and it's difficult to deal with, it won't be as easy as the previous Sect." One person said that Heaven Dream Sect is a Sect that is on the list of strong Sects.

"No matter how strong the Heaven Dream Sect is, they have offended the monsters within the great powers, they will not be able to escape death" replied one of the people in the group.

"Let's finish this as soon as possible, after that we will get our payment" a man with mysterious cultivation invites everyone to finish this quickly, so that they can get their rewards immediately.

"Yun Kenz, aren't you too excited, are you impatient to carry out a ruthless killing, among us you are the most ruthless when it comes to killing enemies".

the man with mysterious cultivation was Yun Kenz, he was the most vicious among all the people who is in this place.

"I hope to find someone who can cheer me up, I'm already very bored." Yun Kenz was already very bored, he was already very bored when carrying out this task.

"Let's go" these ten people left, they all went straight to Heaven Dream Sect.

"Looks like they are mercenaries" From the direction of the conversation that Ye Chen listened to, Ye Chen could tell that these people were just mercenaries, they were all paid to destroy the Sects that took part in the meeting.

"Their strength is not weak, it will be very difficult to face them." Chu Yuechan said that it would be very difficult to face these people.

"With her current strength, the odds of winning are probably only 30%." Ye Chen felt that the chances of winning were still very small.

Chi Shui and Chi Zuiye still hadn't learned any new abilities within the fairy gate, meanwhile the Seven Fairy Succubus were also still completely in control of the new technique they had acquired.

So their abilities might still be slightly below these mercenaries.

"But I still believe in Zuiye's abilities, she should have broken through to the tenth level." Ye Chen believed that Chi Zuiye could definitely turn things around.

"Her cultivation may be high, but that doesn't mean his combat power will be that strong either." Chu Yuechan informed that cultivation didn't guarantee everything, to be honest Chu Yuechan and Ye Chen had not seen Chi Zuiye's strength, so neither of them could conclude how strong Chi Zuiye was.

"Let's follow them, I will try my best to help Shui and the others" Ye Chen will help everyone, he will go and help fight the mercenaries sent to eliminate Heaven Dream Sect.

Ye Chen followed behind these people, he was watching everyone's every move.

Ye Chen tried to find clues about the strength these people possessed, he wanted to know how strong all of them were.

Before they could enter the Heaven Dream Sect, they had to pass through a barrier mechanism that existed around the Heaven Dream Sect, without going through it, they would never reach the Heaven Dream Sect.

That's why this is a very good opportunity for Ye Chen, Ye Chen can easily see the abilities of these people, in that way, Ye Chen can know what kind of abilities they have.

As soon as the mercenaries arrived in front of the barrier array, they saw that in front of them were countless barriers waiting for them.

"Let me handle this" one of the ten people stepped forward, he immediately burst forward towards the defense mechanism.

"Boom. . . ." this person directly broke through the barrier, he took all the attacks and broke the barrier.

"He's crazy" Ye Chen saw that this person was crazy, this person broke into the defense mechanism regardless of himself.

" hahahaha " strangely this guy enjoys what is happening , he enjoys being attacked and the pain that occurs .

"_-_" Ye Chen saw that this person might have an abnormality, he had an abnormality when breaking through defenses.

"That defense won't last long." Chu Yuechan said that the Heaven Dream Sect's defense would not last long.

"Of course, the person who crushed is not normal, he crossed the barrier in a strange way" Ye Chen replied to Chu Yuechan's words.

This fellow isn't completely immune, there are countless injuries that have arisen as a result of clashing with the defenses of the Heaven Dream Sect.

Despite getting a lot of wounds, this person seemed to really enjoy what was happening, he enjoyed every feeling of being hurt.

Possibly he belongs to the masochistic group of people who like to accept feelings of pain.

Knowing that these people had arrived within the defense, Chi Shui, Chi Zuiye & the others immediately came out, they immediately waited right in front of the gate.

"They broke through the defenses very easily" Chi Shui did not expect that their defenses would be so fragile, even though this defense was strong enough to withstand a very strong enemy attack.

Knowing these people had arrived within the defense, Chi Shui and the others rushed out, and they immediately waited right in front of the gate.

"The artifact on his body is of high rank." Chi Zuiye said that the person who was barging in had an artifact that allowed him to dare to break through the Heaven Dream Sect's barrier.

"All of you within the Heaven Dream Sect, just give up and accept your fate, that way we won't have to bother killing you," said one of the people to Chi Shui, Chi Zuiye and the people from Heaven Dream Sect.

Chapter 1580 - Heaven Dream Sect In Calamity (2)

"You should be the one saying that, you should leave this place, I just so happen to not like your coming." Chi Zuiye warned the people to leave this place immediately.

Chi Zuiye tried to avoid fighting, fighting would definitely only bring losses to the Heaven Dream Sect.

If Chi Zuiye could bully these people, then they would definitely be fine and there would be no need to fight.

"Hahahahaha, how funny, do you think we are afraid of that bluff" The ten mercenaries laughed as they listened to what Chi Zuiye had to say.

They greatly underestimated the warning given by Chi Zuiye, they did not want to listen to the warning from Chi Zuiye.

"Ancestors, they are mercenaries who were ordered to destroy our Sect and other Sects that have participated in the gathering in the Red Rose Heaven Land, it's useless if you tell them that, they will definitely attack us anyway" Chi Maiya informed that people this will not be compromised.

Chi Zuiye nodded, it seemed that they would not be able to compromise with the enemy, the enemy was a mercenary, they would definitely carry out the task they were given.

"All of you prepare for battle, our opponent is quite strong, so don't hold back" Chi Shui said to everyone, he told them to be more alert with the battle that was about to start.

"We can definitely win, as long as we are united, we can definitely win." Chi Shui tried to raise the morale of the women from Heaven Dream Sect.

as long as they had enormous fighting spirit, they would definitely be able to win this match.

Everyone nodded, they would do their best to fight against the enemy.

"You all help us from behind, we really need your help from behind." The Seven Fairy Succubus said to her disciples at the back, they had to help from behind.

The strength of the core disciples was not comparable to the mercenaries in front of them, so instead of them fighting on the front line, it was better for them to help from the rear.

"I will immediately destroy this Sect, **Flame Spear Rain.**" One of the people immediately used a technique, he used an extremely wide area technique.

From behind the clouds appeared millions of fire spears, these fire spears directly raining down on the barrier of the Heaven Dream Sect.

The barrier dome began to vibrate and crack as it received hundreds of millions of spears hitting it, the spear's power was extremely strong and difficult to block.

"I'll come help you" several people used Ice, Lightning, Earth and wind attacks to break the barrier.

"The barrier is at its limit, you should all set up a barrier" Chi Shui told everyone to make a defense, it seemed like the barrier was about to collapse.

"Cracked . . ." The barrier was no longer able to withstand the combined attacks launched by the enemy, as a result the barrier was shattered and the mercenaries' attacks directly hit the Heaven Dream Sect.

"Boom. . ." Heaven Dream Sect was hit by countless explosions, Heaven Dream Sect's beautiful buildings and gardens were instantly destroyed by being hit by a large boulder.

Even some of the outer court and inner court disciples who were around were hit by this attack.

Chi Shui, Chi Zuiye and the Seven Fairy Succubus had done their best, they had done their best to withstand the enemy's attacks.

It was a shame that the enemy's attack was too strong and they couldn't withstand it completely, resulting in Heaven Dream Sect having to suffer destruction from this attack.

"Just one strike has destroyed Heaven Dream Sect." Ye Chen couldn't believe what was happening, the strength of these people was very strong.

Even though Ye Chen had done his best to reduce the impact of the attack, as a result, the Heaven Dream Sect still suffered an enormous amount of destruction.

"So it's still standing, it's great enough, it doesn't die immediately after being hit by such an attack." Yun Kenz acknowledged the Heaven Dream Sect's ability, they were able to withstand the combined attacks they did.

"You seem very excited, this is going to be quite a fierce battle" said one person, this might be quite a fierce battle, their current opponent is much stronger than before.

"Let's go." Yun Kenz stepped forward, he immediately advanced towards Chi Zuiye, Yun Kenz could immediately detect the powerful figure of Chi Zuiye, so he headed straight for Chi Zuiye.

The remaining nine people advanced, they all advanced towards Chi Shui and the Seven Fairy Succubus.

"Don't hold back your strength, all of you must use the full strength you have" Chi Shui told everyone to use all their strength, they should not hold back when fighting the enemy.

"We understand." The Seven Fairy Succubus members nodded, they would all use their full strength to kill the enemy.

They would not be able to underestimate the abilities possessed by the enemy, if they were not vigilant, then they would be instantly killed on the scene.

Chi Shui led the Seven Fairy Succubus, they directly faced the nine mercenaries present.

"Boom. . ." Explosion after explosion began to occur, at this time there were countless great battles, the entire Heaven Dream Sect was shaken by the fighting that was taking place.

from a distance Ye Chen was watching the battle, he would find the right time to launch an attack on the enemy.

Chi Zuiye, Chi Shui and the Seven Fairy Succubus fought splendidly, they displayed fierce resistance, meanwhile the female disciples from the Heaven Dream Sect also helped by making small attacks from behind, their aim was to outwit the enemy to confuse them.

"Bammm" Chi Zuiye and Yun Kenz exchanged a few blows, both exchanged some very powerful blows.

"Not bad, your ability is really great." Yun Kenz acknowledged Chi Zuiye's ability, Chi Zuiye's ability was worthy of facing him.

"Who are you, why have I never seen you?" Chi Zuiye was surprised to find that Yun Kenz could match her own strength, most likely the strength of this man was on par with the great elders and leaders of the God Realm.

If Chi Zuiye's strength still hadn't increased from Dual Cultivation with Ye Chen, then it was likely that he would be easily defeated.

Yun Kenz's strength turned out to be at the tenth level, it was really comparable to the strong people in the God Realm, at least his strength should be in the top 200 strongest people in the God Realm.

"You'll never know my name, I a mercenary, my name changes frequently with the tasks I do" Yun Kenz told that his name was always changing, he didn't have a fixed name, he always used many names to use.

"You are a mercenary, why don't you just work for me, I can pay you more." Chi Zuiye said that she could pay more for Yun Kenz.

"I have no interest in getting paid, I will carry out my task to completion, I will never fail in carrying out my duties" Yun Kenz firmly refused Chi Zuiye's offer, he did not want to fail in the task, it would affect the reputation of the mercenaries.

"Too bad" Chi Zuiye felt pity, even though Yun Kenz had the power to use against the enemy.

"Boom" Yun Kenz's body began to be enveloped by lightning, his body was enveloped by a lightning so strong that it made the ground beneath him lift and shatter into small pieces.

"**Lightning Chain Trap**" Chi Zuiye's used the lightning chain technique, he bound Yun Kenz's body.

Hundreds of lightning chains instantly enveloped Yun Kenz's body, within seconds, Yun Kenz's body was completely restrained by the chains.

"**Supreme Purple Lightning**" Chi Zuiye used an extremely powerful attack, an extremely powerful lightning bolt appearing above the sky.
