

A True God 1581

Chapter 1581 - Can't Stand To See What's Going On

Very dark clouds appeared, these dark clouds made a very large and very strong roar.

An enormous thunderbolt descended from the sky, this lightning instantly fell in front of Yun Kenz.

"Boom" a very, very large explosion occurred, this huge explosion was caused by the lightning with great power falling on Yun Kenz.

A huge explosion like a nuclear explosion occurred, this explosion was so huge that it swept through the area around Heaven Dream Sect.

the impact of the explosion was so strong that it shook nearly of the White Rose Star Realm.

Luckily the White Rose Star Realm was huge, if only the White Rose Star Realm was a small star, then it was certain that the White Rose Star Realm would be destroyed in just one hit.

"Zuiye's power is very, very strong." Ye Chen admitted that Chi Zuiye was so powerful, she was able to make a huge explosion that shook almost half of the White Rose Star Realm.

Ye Chen firmly believed that if Chi Zuiye had not yet fully used her full strength, there was no way that Chi Zuiye would immediately use her full strength.

"hahahaha, this is very interesting, you are strong, I will not be bored in facing you" Yun Kenz appeared with several wounds on his body, Chi Zuiye's attack was capable enough to injure Yun Kenz.

"He didn't die after receiving such an attack." Chi Zuiye began to believe that Yun Kenz was a strong person, it was evident from his attacks that were unable to kill Yun Kenz.

Yun Kenz released himself from the chains that bound him, he began to advance towards Chi Zuiye, Yun Kenz made a swift and deadly attack.

Chi Zuiye upgrade her speed, she began to follow Yun Kenz's movements.

"Bam. . ." Chi Zuiye and Yun Kenz again made several exchanges, they exchanged blows and attacks.

The moment the two attacks made direct contact with each other, an explosion and a massive explosion occurred, this blowing away the debris that was in the Heaven Dream Sect.

Each of Yun Kenz's attacks was extremely aggressive, he used an attack that was quite aggressive against Chi Zuiye.

"This man is very aggressive, his every attack is very aggressive." Chi Zuiye saw that Yun Kenz was a very aggressive person, every attack made by this person was very strong and had an enormous impact.

Chi Zuiye could not help but use his extra strength against Yun Kenz.

On the other hand Chi Shui and the Seven Fairy Succubus were showing their abilities, especially the Seven Fairy Succubus, they were showing the power they had just obtained, they were using extremely powerful techniques, even more powerful than those in the Heaven Dream Sect.

"Since when did they have such a powerful technique?" Chi Shui saw that the Seven Fairy Succubus were very strong, they had much greater strength than before.

"We can't continue like this, let's start with the girls around this place." Due to the difficulty against Chi Shui and the Seven Fairy Succubus, the mercenaries decided to attack the female disciples around Heaven Dream Sect.

"Ahhh. . ." the mercenaries started attacking the female disciples around this place, they launched wide area attacks to kill the disciples in the Heaven Dream Sect.

The female disciples weren't as strong as Chi Shui and the Seven Fairy Succubus, they naturally had to flee from this attack.

"These people, they are shameless" Chi Shui and the Seven Fairy Succubus were furious when they found out that they were targeting the female disciple who was behind.

Chi Shui and the Seven Fairy Succubus tried their best to stop these people unfortunately they had a hard time stopping them.

the mercenaries cooperation was excellent, they had a good cooperation, some people attacked the female disciples, while some held back Chi Shui and the Seven Fairy Succubus

"I can't stay still" Seeing what happened to Heaven Dream Sect, Ye Chen could no longer stay silent when he saw what happened to the Heaven Dream Sect.

"You should go, use all the abilities you have" Chu Yuechan told Ye Chen to use all the abilities he had, his current opponent was very strong, Ye Chen needed his full strength to fight them all.

"I will use the power of heavenly lightning, I can't stay silent when I see what happens" Ye Chen could no longer stay with him, he had to save them.

"Flashes. . . ." with our speed, Ye Chen went and protected everyone, himself protecting all the female disciples from the mercenary attacks.

"Who else is this?" the mercenaries directly asked about Ye Chen, they all didn't know where Ye Chen had come from.

"Who are you, why are you interfering in our business" one of the mercenaries immediately asked Ye Chen's identity, he asked why Ye Chen was interfering in their business.

"I just happened to be passing by around this place he saw something unpleasant to look at, so I decided to help" Hoarsely, Ye Chen said to the mercenary.

"We are giving time for you to leave right now and forget what happened, otherwise don't blame us if we kill you" the mercenary decided to give Ye Chen a stern warning.

"Sorry but I won't go, I won't let you guys act as you please" Ye Chen said to the mercenaries.

"You made a big mistake, you will be buried around this place" Seeing Ye Chen make a refusal, they decided to kill Ye Chen.

They were not very wary of Ye Chen, they were all not wary because they saw that Ye Chen's cultivation was extremely low.

It just so happened that Ye Chen used Reideran Pendant necklace, so its power was well hidden, then these people would definitely think Ye Chen was very weak and useless.

"I have to end things quickly" Ye Chen intended to end the battle quickly, he wouldn't be able to win if he didn't open the Lightning Vein.

"In this state, Ye Chen can only use Lightning Veins, otherwise he won't be able to win over this mercenary.

Even the heavenly lightning would not help much, the current Ye Chen had not been able to fully bring out the true power of the Divine Lightning.

Ye Chen opened the lightning vein, when Ye Chen opened the Lightning Vein, an enormous power flowed into Ye Chen's body, this naturally made Ye Chen very strong.

"You die" the mercenary tried to kill Ye Chen, he would crush Ye Chen to ashes with his powerful profound fire.

The moment the mercenaries tried to attack Ye Chen, from Ye Chen's body came a very strong white lightning, Ye Chen became slightly transparent and disappeared from the sight of the mercenaries.

Ye Chen appeared behind the mercenary body, just now Ye Chen passed through the mercenary body and attacked him.

"Uhh. . ." the mercenary's body was bleeding profusely, from his body was bleeding profusely from the multiple wounds that had appeared.

The mercenaries instantly fell to the ground, not only were the outsides injured, the insides of the mercenaries had also been shattered by Ye Chen's attack.

"What?" the mercenary comrades looked very surprised when he saw what happened, to be honest what happened was very shocking for them.

One of them was killed in just seconds, it was too suspicious at all.

"That lightning, don't tell me it's heavenly lightning" Seeing the lightning on Ye Chen's body, everyone immediately concluded that this was heavenly lightning.

Chapter 1582 - Powerful Lightning Vein Power

"Seems like he is the person that the great powers in this world are looking for." Upon seeing the heavenly lightning, these people could immediately conclude that the person in front of them was the person all the great powers in the God Realm were looking for.

"Wouldn't we get a very big reward if we could bring him?" if they could bring Ye Chen in, they would definitely get a very large reward.

"We can indeed get a reward, but he looks strong, he defeated one of our comrades very easily" Even though they could get a lot of rewards, they might find it difficult to win over Ye Chen.

"Let's all work together" to catch Ye Chen, they all have to work together, if they don't cooperate, then they won't win from Ye Chen.

"I agree with you" Everyone immediately agreed, they all immediately left as fast as they could, they went and attacked Ye Chen.

"cripple him, don't kill him" their target was to cripple Ye Chen, they must not kill Ye Chen because it would be of no value.

What the great powers need is Ye Chen's body, so if it is damaged, then they will not get the rewards they deserve.

"God Thunder Armor" Ye Chen's body was enveloped by lightning, after using the **God Thunder Armor**, Ye Chen stepped forward and fought the enemy in front of him.

Ye Chen only has a very limited amount of time, once the time runs out, then Ye Chen will have no chance of winning against the enemy.

With an extremely fast speed, Ye Chen directly attacked the mercenaries in front of him.

"Slashes. . ., Bam" Ye Chen used lightning to attack the enemy, Ye Chen's attack had already crossed the line, he had gained an enormous increase in strength.

Ye Chen's current body was like a volcano that was about to erupt, Ye Chen's strength could no longer be contained and leaked out.

This made some very strange phenomena, the ground below even started to crack and the earth started to shake.

Ye Chen's every attack is extremely lethal, every strike by Ye Chen takes down at least one enemy.

The enemies that originally numbered 8 now only had half left, Ye Chen defeated them in just a matter of minutes.

"Rumors are true, this person is very strong." The rumors they heard were true, Ye Chen was so strong that they had no resistance.

"I heard that the 1/2 Eternal Sun Star Realm was destroyed by this person, it seems that the news is true" After seeing firsthand Ye Chen's strength, everyone started to believe the news that the Eternal Sun Star Realm suffered destruction from the attacks of the divine lightning users.

"Looks like we can't be gentle with him, we use the full strength we have" Since Ye Chen was too strong, the mercenaries had no choice but to use the full power they had.

They would even use the techniques at their disposal to fight Ye Chen who was in his strongest mode.

"Flame Blow, Berserker Lightning, meteorite, Ice Flow Freezing" four attacks headed towards Ye Chen, all the attacks that were launched had an extremely powerful radiance.

"Boom" An enormous explosion occurred, it swept away everything around Ye Chen.

The mercenaries were not kidding, they used their full abilities to deal with Ye Chen.

"I think that's enough to beat him." The attack just now must be very strong, it must be enough to defeat Ye Chen.

"Tap. . . , Tap . . . , Tap" just as the mercenaries were overjoyed, they listened to footsteps from the front.

When they looked ahead, they found that Ye Chen was starting to emerge from behind the dust, Ye Chen was walking very normally, there was not the slightest trace of injury on his body.

"Crazy . . ." the mercenaries gaped at what was happening, their combined attacks were unable to defeat Ye Chen.

it wasn't even capable of scratching Ye Chen's body, it was completely unreasonable.

"How strong is that person, how come he was able to withstand such a powerful attack" the mercenaries started to lose their confidence, they started to lose their confidence against Ye Chen.

Ye Chen raised one hand up, the moment Ye Chen raised his hand up, a flash of white lightning instantly enveloped the entire White Rose Star Realm and several small stars around the White Rose Star Realm.

"What a terrifying phenomenon." Chi Shui and the Seven Fairy Succubus trembled as they listened to the roar that occurred, to be honest the heavenly lightning was extremely terrifying for all cultivators.

The mercenaries started to feel trembling and a little scared, this was the first time they had felt such extreme fear.

"This is truly terrifying, heavenly lightning is terrifying" the rest of the mercenaries were horrified when they saw Ye Chen display strength, they didn't know what to do in this situation.

"Accept your punishment, **God's Judgment Lightning**" Ye Chen dropped **God's Judgment Lightning** at the remaining 4 mercenaries.

"Roar. . ." Dragon lightning shot out from behind the clouds, it immediately descended towards the mercenaries.

"Boom. . ." A very big explosion occurred, this huge explosion destroyed all the creatures that were in it.

"Arghhh" cries of despair rang out, the mercenaries were wiped out by **God's Judgment Lightning**.

Ye Chen had defeated all the mercenaries, now only Yun Kenz was left.

"Damn it, I'm already at my limit." The use of the lightning vein was so fast, Ye Chen had almost reached his limit.

"There's still one more." Ye Chen saw that there was still one more left, there was still Yun Kenz alive.

"I only have one more attack" Ye Chen only had one more attack, so he shouldn't miss this opportunity to defeat Yun Kenz.

"God Slayer Lightning Shot" Ye Chen shot an extremely powerful lightning bolt towards Yun Kenz, an extremely powerful lightning bolt shot towards Yun Kenz.

Yun Kenz tried to dodge Ye Chen's attack, Ye Chen's attack speed was extraordinarily fast, so Yun Kenz shouldn't have much time.

Yun Kenz managed to dodge Ye Chen's attack, unfortunately some of his hands and arms were still hit by the God Slayer Lightning Shot.

Yun Kenz's arms and hands instantly disappeared, now he only had one arm and one arm.

"What a terrifying power." Yun Kenz actually saw something terrifying, if he didn't dodge in time, then he would completely disappear from this world.

Ye Chen's strength disappeared, after using Lightning Vein, Ye Chen wouldn't be able to use his profound energy for some time, he could only use his physique to fight.

"It's reached the limit, looks like I'll leave this matter to Zuiye and Shui" Ye Chen had already reached his limit, he wouldn't be able to use his profound energy for quite some time to come.

"Since Ye Chen already helped defeat 9 out of 10 mercenaries, then the rest will be taken care of by Chi Shui and Chi Zuiye.

Ye Chen left, he left this place with the help of his speed.

"he left" Chi Shui and the Seven Fairy Succubus were lost when they saw Ye Chen leave, they hadn't even thanked him for what happened.

Ye Chen hid his identity so well, even Chi Shui and the Seven Fairy Succubus were unable to recognize him.

"Mistress, let's help the ancestors" the members of the Seven Fairy Succubus wanted to help Chi Zuiye in fighting Yun Kenz.

Chapter 1583 - Half Of The White Rose Star Realm Was Destroyed

"Let's unite and help her" Chi Shui was going to help Chi Zuiye, they had to unite and defeat Yun Kenz as soon as possible.

several people had already fallen victim to the cruelty of these mercenaries, so Chi Shui could not ignore this and would seek revenge.

What a coincidence that Ye Chen had eliminated 9/10 of the mercenaries, now that only Yun Kenz is left, they will fight against Yun Kenz.

Chi Shui and the Seven Fairy Succubus set up a formation, they all pooled the strength they had.

this way everyone unites, they all unite against the existing enemy.

This is the formation of the Heaven Dream Sect, its name is ***Eight chains of Succubus***.

This formation required at least eight people with extremely high cultivation bases, otherwise it would be impossible to use this technique.

That's why this technique can only be used when Chi Shui is in the same place as the Seven Fairy Succubus, otherwise they won't be able to use the ***Eight Chains of Succubus***.

When this formation was used, an octagonal chain appeared on the surface, this chain instantly remembering Yun Kenz's body.

Yun Kenz's body was currently bound by extremely strong chains, these chains completely sealed Yun Kenz's movements.

"Bastard" Yun Kenz tried his best to free himself from the chains that bound him, unfortunately Yun Kenz was unable to break free, the chains that bound him were too strong, they were even stronger than Chi Zuiye's.

Of course this chain is strong, it is the combined strength of Chi Shui and the Seven Fairy Succubus, of course its strength will be stronger than Chi Zuiye's.

"What's wrong with my head, I feel dizzy" Yun Kenz started to feel dizzy, he started to feel dizzy and his consciousness was a bit blurry.

Besides having a function to bind the enemy, this technique is also very powerful to make the enemy weak, ***Eight chains of Succubus*** is able to make people shackled into feeling weak and helpless.

"Good job" Chi Zuiye was pleased with the performance of Chi Shui and the Seven Fairy Succubus, he was extremely pleased with the performance that the eight of them had put in.

Now that Chi Zuiye can show his abilities, he can use his full power to kill Yun Kenz.

"O lightning, for the contract we made, drop the strongest lightning you have." Chi Zuiye started to chant a spell, it seemed that this was the highest technique Chi Zuiye had.

Kenz. Chi Zuiye casting the spell, the sky began to change color, the dark black clouds began to turn purple.

Even the area around here was starting to be illuminated with an extremely dazzling purple color.

"Rumble. . . ." a very loud rumble sounded, this rumble was so loud that it made the ears hurt when he heard it.

Even though it was loud, it wasn't as strong as Heavenly Lightning, at least it wasn't capable of shaking Yun Kenz's soul.

"It would be terrible if I were to be attacked this time." Yun Kenz felt a dangerous feeling, it would be very bad if he was hit by Chi Zuiye's attack.

Chi Zuiye was no longer holding back, she used all her remaining strength to use this supreme technique.

If this wasn't able to kill Yun Kenz, then it was certain that things would end here.

Yun Kenz tried his best to break free from the shackles of the ***Eight chains of Succubus***, he had a hard time doing this because of his hazy consciousness.

"I can't, I can't escape myself." Yun Kenz couldn't escape, he was no longer able to escape from this fate.

"Hahahahaha" Yun Kenz suddenly laughed, he laughed with great satisfaction.

"what's wrong with you, have you gone crazy?" Chi Shui asked Yun Kenz, the current Yun Kenz looked like a person who had gone Crazy.

"I was crazy from the start." Yun Kenz didn't dodge Chi Shui's accusations, he was indeed a very crazy person.

Chi Shui probably didn't know how crazy Yun Kenz was, this guy was so crazy and so terrifying when he was killing people.

"Since I can't escape this fate, then I will take all of you with me" Since Yun Kenz couldn't dodge Chi Zuiye's strongest attack, Yun Kenz intended to use a suicide technique to take Chi Shui and the others away.

Yun Kenz started to gather all the profound energy he had into the heart point, he intended to use this power to blow it all up.

As Yun Kenz did this, the veins in his body began to emit flashes of lightning, within his body it seemed as if an electric current was flowing through him.

"Ancestor, hurry up" Chi Shui urged Chi Zuiye to finish her spell immediately.

"I'm doing it" Chi Zuiye was trying her best, she was going to do the fastest she could.

Chi Zuiye was finally done, now she could directly attack Yun Kenz.

From above the sky began to form a very large purple of lightning ball , the diameter of this lightning ball is very large, it is possible that the diameter of this lightning ball is thousands of miles.

With such great power, Chi Zuiye seemed to intend to exterminate Yun Kenz along with this of the stars.

The battles of high-level cultivators were indeed extremely formidable, a star could be shattered in the face of a battle between cultivators who were at the peak of current cultivation.

"You guys get out of the way right now." Chi Zuiye ordered Chi Shui and the others to get out of the way immediately, they had to leave as soon as possible and take the female disciples as far away as possible.

"Okay we understand." Chi Shui nodded, they would soon leave this place.

Chi Shui and the Seven Fairy Succubus left the formation, they left the formation and left this place.

"Where are you going, you all won't be able to run" Yun Kenz would not let Chi Shui and the Seven Fairy Succubus go.

Yun Kenz is ready to release the enormous power in his body, when the enormous power in Yun Kenz's body is released, there will be an enormous explosion.

This explosion will definitely destroy the whole Heaven Dream Sect and everyone in it.

"I won't let you do that" Chi Zuiye wouldn't let Yun Kenz succeed, she had to stop this man's actions.

Chi Zuiye dropped the lightning ball towards Yun Kenz, the lightning ball fall down towards Yun Kenz and hit Yun Kenz's body.

Just as the ball of lightning was about to hit Yun Kenz's body, suddenly Yun Kenz's body emitted a great force, a huge explosion occurred and hit Chi Zuiye's lightning ball.

When two great forces collide with each other, this creates a phenomenon of enormous explosion impact, rock and earth are lifted and flown away from the source of the explosion.

Ye Chen is currently going to Qi Yunzhi's place, he is as fast as he can take Qi Yunzhi away from this place.

This place was extremely dangerous, so they had to leave as soon as possible from this place.

"husband, we better get out of this place" Chi Shui came to Ye Chen, she told Ye Chen to leave this place, soon a big explosion will definitely happen.

Right now Ye Chen didn't have the profound energy to leave this place, all he could do was take out his profound ark to carry himself away from this place.

At once Ye Chen could take the injured female disciple along with him.

"Everything quickly ascend right now" Ye Chen took everyone aboard the profound ark.

All the female disciples ascended, they all boarded Ye Chen's profound ark.

Fortunately Ye Chen's profound ark is huge, so there are a lot of people it can accommodate.

"Let's go quickly." Chi Shui told Ye Chen to leave immediately, otherwise they would be affected by the huge explosion that occurred.

"Um. . ."Ye Chen nodded, he controlled the profound ark to leave this place as soon as possible.

Using the best of Profound Crystal resources, a profound ark can of course fly very fast, it can cover great distances in mere seconds.

Ye Chen used a speed that was much faster than the speed of light, this would greatly drain the worn out profound crystals.

Ye Chen didn't care about this matter, as long as they could survive, then he would exchange all his profound crystals.

Safety was something more important, Ye Chen didn't want to be stingy on something like this.

.
.

Chi Zuiye tried her best to suppress the explosion from Yun Kenz, the explosion from Yun Kenz was so powerful, it could rival his attack power.

"If it continues like that then" If this situation continued, then it was certain that an even bigger explosion would occur, it would definitely cause even more destruction.

"Cracked. . . ." what Chi Zuiye feared happened, a crack began to appear amidst the two great powers colliding with each other.

"Boom. . ." a huge explosion occurred, this huge explosion swept away nearly half of the White Rose Star Realm.

The White Rose Star Realm now only had half of it left.

Ye Chen, Chi Shui, Qi Yunzhi and the others were already quite far away, they had already gone quite a distance from the White Rose Star Realm.

Ye Chen could see that the explosion just now shattered half of the White Rose Star Realm, Chi Zuiye and Yun Kenz's strength was indeed very strong.

"Is the ancestor okay?" Chi Shui was worried about Chi Zuiye's safety, she hoped that Chi Zuiye would be fine.

Ye Chen closed his eyes, he began to try to sense Chi Zuiye's presence.

Chapter 1584 - Great Spirit In The Midst Of Despair

With the connections he had with every woman he had conquered, Ye Chen had finally discovered the whereabouts of Chi Zuiye.

Chi Zuiye is currently quite far from White Rose Star Realm, she was bounced quite far from the White Rose Star Realm.

"Let's go and have a look." Ye Chen led Chi Shui to go to where Chi Zuiye was.

The profound ark immediately moved, it headed straight for Chi Zuiye's place, Ye Chen quickly arrived at Chi Zuiye's place.

Ye Chen saw Chi Zuiye floating in free space, Chi Zuiye was currently unconscious and some of his clothes were torn and shattered.

Ye Chen immediately took Chi Zuiye's body, he saw the condition of Chi Zuiye.

Chi Zuiye was injured, she was injured from the previous explosion, the explosion just now was strong enough to injure Chi Zuiye.

her injuries weren't too severe, she might be fine, luckily Chi Zuiye's injuries weren't so severe as to be life threatening, she would probably need some time to fully heal.

Ye Chen took a high grade healing pill, in the meantime, Ye Chen would use a healing pill to heal Chi Zuiye.

To treat Chi Zuiye, Ye Chen needed profound energy, right now he couldn't do that, so Chi Zuiye had to wait until Ye Chen's strength returned.

"Let's get out of this place, there will definitely be a lot of people coming to this place" Ye Chen decided to go first, there would definitely be a lot of people coming to this place.

Chi Shui and the Seven Fairy Succubus nodded, they had to leave this place as soon as possible.

the profound ark began to leave the White Rose Star Realm, the profound ark shot out at high speed and left the territory of the White Rose Star Realm.

Ye Chen took Chi Zuiye to a room, he laid Chi Zuiye on the bed.

"What is your next plan?" Ye Chen asked Chi Shui, he asked what Chi Shui's plan was next.

"For now, we will find a place to hide." Chi Shui would probably look for a place to hide, until the situation was completely safe, maybe they wouldn't come out.

"How about you go to Sky Cloud Peak Star Realm, I just happen to live in that place, I can find a hiding place for you " Ye Chen said to Chi Shui.

"Then we will rely on you" Chi Shui did not refuse Ye's offer Chen, she nodded and agreed with Ye Chen's offer

"Very good" Ye Chen was happy with Chi Shui's answer, Ye Chen just needed to find a suitable place for them all to hide.

There were so many people after Chi Shui and also Heaven Dream Sect, so they must find a very safe place to hide from these evil people.

And the most suitable place is a place that is close to Ye Chen, that way Ye Chen can protect them.

This profound ark immediately rushed towards direction Sky Cloud Peak Star Realm, it will take some time to arrive at Sky Cloud Peak Star Realm.

The destruction of the White Rose Star Realm naturally made a lot of people come, as a high ranking star with great strength, this naturally attracted the attention of everyone in the God Realm.

They all wanted to know what happened, they flocked to see what had happened to the White Rose Star Realm.

When they arrived at the White Rose Star Realm, they had already seen that half of the White Rose Star Realm was only halfway down, the other half had turned into rock scattered in space.

"This battle destroyed half of the White Rose Star Realm." The people who arrived were shocked, especially the few King Realms who were directly neighbors to the White Rose Star Realm.

"Let's see what just happened in this place." People started to find out what happened, they found out what was going on in the White Rose Star Realm.

With the number of people remaining, they asked what had happened to the White Rose Star Realm.

The people in the White Rose Star Realm answered what happened, they answered what happened to the White Rose Star Realm before the big explosion occurred in the White Rose Star Realm.

When they heard the white lightning in the sky bag, everyone immediately concluded what had happened.

"Quickly tell this matter, this news must be spread" Hearing this news, the King Realm immediately ordered his subordinates to spread this news, they will definitely get a reward if they provide information for the great powers in the God Realm.

God Realm is again in commotion, commotion is about to happen to the White Rose Star Realm.

There would definitely be many great powers appearing in the White Rose Star Realm and seeing what happened.

It was fortunate that Ye Chen had already left, so he would not be affected by what happened.

Ye Chen needed quite a long journey to reach the Sky Cloud Peak Star Realm.

At once Ye Chen could recover his strength and start healing the injured.

Although many people were rescued, there were still quite a number of victims.

Right now the Heaven Dream Sect was in mourning, they couldn't ignore what had happened to their friends.

"I have an important announcement for all of you." Chi Shui said that he had an important announcement for everyone.

Everyone gathered and listened to Chi Shui's announcement, they wanted to know what Chi Shui would announce.

"Heaven Dream Sect has been destroyed and experienced something you would never have imagined in your life, maybe even a great power will continue to target us" Chi Shui told what would happen to them in the future.

Heaven Dream Sect's future was really very bad, from now on maybe they wouldn't come to the surface like before.

Plus there was a big threat that might happen in the future, Chi Shui didn't want anything worse to happen like before.

Chi Shui and the Seven Fairy Succubus felt sorry to see women who did not know anything become victims, they really became victims of the greedy people who were hiding behind the influence of a great power.

"Mistress, don't tell me?" all the women immediately knew what Chi Shui was going to say they had already started to guess what Chi Shui was going to say.

"That's right, I want you to go and live your life, Sect will have a hard time, too many people will make us discovered, if that happens again, we don't know if we can get through this" Chi Shui said to the female disciples.

Heaven Dream Sect was in trouble, too many people would make it easy for them to be found and become easy targets.

"But we can't leave when we see the Sect is in this condition" All women can't leave, Heaven Dream Sect they already treat as their own home.

"Listen to me carefully, your safety comes first, I don't want you to get into trouble." Chi Shui didn't want the female disciples to get into trouble.

"We don't want to leave" the female disciples refused to leave, they would stay together and face this all.

"You guys" Chi Shui did not expect to receive an answer like this, an answer like this was beyond what he had thought.

"Mistress, we will all definitely fight to defend the Heaven Dream Sect" All the disciples said that they would defend the Heaven Dream Sect very compact, they didn't want to run away when they were in such a bad situation.

"They are very good, this union will definitely be a great thing" Ye Chen watched from a distance, he saw the spirit possessed by the woman from Heaven Dream Sect.

"Young master, are we going to be okay?" Qi Yunzhi asked Ye Chen, what happened just now was terrible.

"Everything will definitely be fine" Ye Chen said to Qi Yunzhi, If the situation would definitely be fine, he would definitely try to control things properly.

"I hope that happens, I feel sorry for them when I see them like that." Qi Yunzhi said that he felt pity when she saw the Heaven Dream Sect.

"You don't need to think about it, you just focus on your practice, I want you to become strong as soon as possible" Ye Chen told Qi Yunzhi not to think too much about this matter, Qi Yunzhi's main focus was to become strong in a short time.

Qi Yunzhi's power will be very useful in battle, it can confuse enemies and even control them to attack others.

as long as Qi Yunzhi was willing to practice her abilities, she could become an extremely formidable and extremely powerful person.

"Then I'll go back to training." Qi Yunzhi said that she was going back to training, she had already begun to become proficient in using her powers.

"Master, regarding this matter, what is your next plan?" Chu Yuechan asked Ye Chen, she asked Ye Chen about his next plan.

"I will ask Ying about this matter, she must know about this matter" Ye Chen will ask Huang Ying about this matter, Huang Ying must know very well about this matter.

"She does know about it, you just ask her directly" Chu Yuechan told Ye Chen to ask Huang Ying about this matter, Huang Ying must be very aware of this matter.

"But before that, we have to find a place for them." Ye Chen would find a place for Chi Shui and the others, he would find a very safe and best place for them.

Ye Chen would probably need help from Yan Fei for this matter, Yan Fei could definitely help Ye Chen find a very suitable place for Chi Shui and the others.

"I will see the condition of Zuiye" Ye Chen will see the condition of Chi Zuiye, whether Chi Zuiye has been better since last.

Ye Chen walked over to Chi Zuiye's room, he went straight into Chi Zuiye's room.

when Ye Chen entered, Chi Zuiye was already awake, she sat on the bed and saw the arrival of Ye Chen.

"Are you aware?" Ye Chen said to Chi Zuiye, he was happy that Chi Zuiye had regained her senses.

Chapter 1585 - Looking For A New Suitable Location For Heaven Dream Sect

"What happened?" Chi Zuiye asked what had happened, she asked what had happened after she fainted.

Ye Chen said what had happened, he told Chi Zuiye what had happened.

"So like that" Chi Zuiye was relieved that she had won and that everyone was safe, even so the Sect had to be devastated by the explosion.

"Where are we going now?" Chi Shui asked Ye Chen.

"we are going to find a new place, we have to go and find a new suitable place to use." Ye Chen informed that they would go and find a suitable place for them to hide.

"Looks like it won't be easy, our opponent is strong enough, we can't surface, otherwise it would be very dangerous." Chi Zuiye had already thought about what would happen, they probably wouldn't be able to live as calmly as before.

The great powers would definitely seek their whereabouts, Chi Zuiye was absolutely sure about that matter.

"I will try my best to protect you all" Ye Chen promised to protect them.

He definitely wouldn't let people like this continue to rule this world.

Chi Zuiye smiled, she liked Ye Chen's words, although Ye Chen's words were only words of consolation, at least they were very pleasing to Chi Zuiye's heart.

"You rest first, you're still not fully recovered." Ye Chen told Chi Zuiye that she needed more rest.

"I see, I do need more rest." Chi Zuiye did need more rest, she needed more rest to recover her strength and physical condition.

Ye Chen went and accompanied Chi Zuiye, he accompanied Chi Zuiye until Chi Zuiye rested.

Elsewhere, people began to gather and discuss the destruction of the White Rose Star Realm

These people were a lineup of several people involved in forbidden research, they met to discuss what was going on.

"The mercenary we sent was defeated, from the news I heard the person who destroyed it was a mysterious genius capable of using heavenly lightning" misrepresented what was going on in the White Rose Star Realm.

This news should be very accurate, the connections they have should be very, very accurate and there can be no doubting its authenticity.

"That person keeps making riots, he has caused so much chaos after that big incident" These people started to complain when they talked about Ye Chen, they were all complaining because Ye Chen had caused so many big troubles.

"This person is very powerful, until now, he still can't be found, all the major powers have tried their best to find his whereabouts, unfortunately they couldn't find his whereabouts" Ye Chen's whereabouts are very difficult to find, very difficult to find Ye Chen's whereabouts Chen.

"He was able to destroy a very powerful top-tier mercenary, his strength is likely to be comparable to the old monsters above us" From this alone, it could be concluded that Ye Chen was on par with powerful monsters who controlled him.

"if he was that strong, it would be a threat" if Ye Chen was that strong, he could become a very dangerous threat.

"everyone is looking for him, so it's really hard to act in a situation like this" since the situation was out of control, they couldn't act recklessly.

"We'll see what happens next, if the situation allows, then we will take action" the current situation was not favorable, so they could only wait until the appointed time.

Everyone nodded, they all agreed on what to do, waiting is a good way in this kind of situation.

.

.

After the trip, Ye Chen arrived at Sky Cloud Peak Star Realm, he immediately ordered to stay in the place he had prepared, while Ye Chen was looking for a place for them, they would hide in this place.

Ye Chen went with Chi Shui, he would discuss where they would live, Ye Chen would respect Chi Shui's decision and let him choose a place to stay.

"Sister Shui, you are coming" when Ye Chen arrived, Li Jingyi immediately greeted her, she immediately welcomed Ye Chen and Chi Shui's arrival.

"Sister Jingyi, long time no see" Chi Shui smiled at Li Jingyi, she seemed very familiar with Li Jingyi.

"Jingyi, did you see Fei?" Ye Chen asked Li Jingyi, he asked about the whereabouts of Yan Fei.

"she's inside, what a coincidence, she just finished work" Li Jingyi said that Yan Fei was inside, she just got home from business.

"Let's go and meet her" Ye Chen took Chi Shui to go and meet Yan Fei.

Chi Shui nodded, she went along with Ye Chen towards where Yan Fei was.

Li Jingyi followed the two, Li Jingyi was curious enough about what kind of problem Chi Shui was in to find Yan Fei.

After doing big business, Yan Fei enjoyed a leisurely time to cultivate and take a short vacation.

Since starting the business, Yan Fei rarely does anything heavy like before, all matters have been left to her trusted people, so Yan Fei has more free time.

"Husband, have you come back from the adventure?" Yan Fei welcomed Ye Chen's arrival, he welcomed Ye Chen who came home from adventure.

"I'm back" Ye Chen said that he had returned, he had returned from a long journey of 2 weeks.

"Who is this Sexy woman?" Yan Fei found out where Chi Shui was, she looked at Chi Shui in front of her from top to bottom.

Yan Fei's gaze was focused on the two towering double peaks, they were enormous in size.

"Jingyi have a new enemy" by her size, Yan Fei felt that this woman was Li Jingyi's natural enemy :).

"Fei, I need a little help from you" Ye Chen told that he needed a little help from Yan Fei.

"What is it?" Yan Fei wanted to know what kind of help Ye Chen needed, she was very curious about what Ye Chen needed, this must be something important.

"I want you to find a hidden and safest location." Ye Chen told what he needed.

"what do you need a place like that?" Yan Fei of course immediately asked what Ye Chen was going to do, she had to know more details in order to find a location that suited Ye Chen's wishes.

Ye Chen explained what he needed, he told Chi Shui to pick something by herself.

Yan Fei nodded, she would discuss this matter with Chi Shui.

"So what kind of place do you want?" Yan Fei asked about the location that Chi Shui wanted.

"I want a place that is quite hidden" Chi Shui wanted a place that was hidden and existed around this city.

"Hmm" Yan Fei started to think about this, she started to analyze all the places around White Cloud city.

"Why don't we go and have a look, you can definitely choose it." Yan Fei immediately took Chi Shui away and saw the place, it would be easier to show Chi Shui directly.

"Let's go." Chi Shui immediately agreed to Yan Fei's invitation, the two of them immediately went to see all the places that matched Chi Shui's criteria.

"You're not coming" Yan Fei asked Ye Chen, she saw Ye Chen was still silent and didn't want to come along with them.

"I want to talk about something important, you can go." Ye Chen said that he had something important, so he let Yan Fei take care of this matter for himself.

Chapter 1586 - Someday I Will Change The Current System

"We are going" because Ye Chen refused to come along, Yan Fei, Chi Shui and Li Jingyi left, they all went to see a suitable place.

After Yan Fei, Chi Shui and Li Jingyi left, Ye Chen immediately went and met Huang Ying, he wanted to ask Huang Ying something.

Ye Chen looked for Huang Ying's whereabouts, it just so happened that Huang Ying was in her room.

"knock. . . ."Ye Chen started knocking on Huang Ying's entrance, he knocked slowly.

"Come in" Huang Ying told Ye Chen to enter her room.

Ye Chen came in, he entered Huang Ying's room, Huang Ying is currently cultivating, he is sitting on the bed with his legs crossed.

" what is it?" Huang Ying asked Ye Chen, there must be something that made Ye Chen come looking for her.

"I have a question for you." Ye Chen said that he had a question for Huang Ying.

"What kind of question, haven't you already gained a lot of knowledge that I have?" Huang Ying asked Ye Chen, Ye Chen should already know about all the knowledge that Huang Ying has, so why did Ye Chen ask Huang Ying.

"It's about something I didn't know from you." Ye Chen said that this was something he didn't know.

"Oh. . . ." Huang Ying started to get really curious, she started to get really curious about what Ye Chen was talking about.

Ye Chen immediately told his purpose, he asked about the people who control the God Realm, especially the bad people in it.

"Hufft" Huang Ying sighed, why did Ye Chen ask such a thing, what just happened.

"why are you suddenly asking me" Huang Ying asked Ye Chen about the reason why Ye Chen could ask this kind of thing.

"I happened to meet the people they sent, it seems they are more dangerous than anything" Ye Chen said to Huang Ying

"they started attacking you" Huang Ying's expression started to get serious, she started to get serious when he listened to what Ye Chen just said.

Ye Chen nodded, he told that if he was being targeted by them, the possibility that they would be looking for more and more Ye Chen's whereabouts.

Huang Ying started to think, she was thinking about Ye Chen's words.

"Husband, I will tell you, these people are very dangerous, they will do something cruel for their personal goals, so you must be careful, they move in the shadows of the great powers and are hard to find, plus that old monster protects them all" Huang Ying said that these people were extremely dangerous.

"Why are they protected?" Ye Chen asked Huang Ying, why would a big power want to protect people like this.

"It's very simple, it's because these people have a very large contribution and are very strong influence, so it's not strange that they are protected." Huang Ying answered Ye Chen's question, she told the reason why these people were protected.

"So it's like that, it turns out that it's the same everywhere." Not on earth, not in the God Realm, bad people are always nurtured, they are nurtured because it is considered beneficial for some parties.

"You have to be more careful and not careless, they are difficult to handle and very cunning, you will definitely not find their whereabouts easily" Huang Ying said that finding these people's whereabouts is very difficult, not easy to find people like this .

"I will be careful, but I want to do something about this matter, maybe one day I will end this" now maybe Ye Chen will be careful, but one day Ye Chen will end this unworthy system.

"That would be very difficult to do, we are talking about all the great powers, dealing with them is not easy, you need a large force and army, and people like this will not be easy to deal with" Huang Ying said to Ye Chen.

Huang Ying knows Ye Chen's good intentions, but the God Realm system will be difficult to change, as long as the old monsters don't die, then the changes in the God Realm order will be very difficult to change, plus they have full power in it, even Sun Quan and Yue Ya's class still below the people in terms of power and influence.

"It's only a matter of time." Ye Chen said that it was only a matter of time, Ye Chen believed that he could build his own strength.

Although not as big as the big powers, Ye Chen can still match them in terms of strength, numbers are not everything, as long as Ye Chen has enough strength, then he can win.

"I will help you" Huang Ying said that if he was going to help Ye Chen, Huang Ying would try her best to help Ye Chen.

"Thank you very much, but I need more information" Ye Chen needed more information, it seemed that Huang Ying knew more than he did.

Huang Ying told a little information to Ye Chen, he told Ye Chen a little about the God Realm ruler.

"Do you understand what they are like?" Huang Ying said to Ye Chen, Huang Ying had already told Ye Chen about the strong people in the God Realm and what they had done in the past.

"They are much more ruthless than I imagined." Ye Chen hated this matter more and more, he hated the ruling system in the God Realm more and more.

"You may be able to change everything, but not now, you focus on your strength first" Huang Ying told Ye Chen to focus more on his strength, that way he can become stronger and stronger.

Ye Chen nodded, he will try to become stronger , the sooner Ye Chen becomes strong, the better it will be.

"I'll go first" Ye Chen is about to leave, he still has business to attend to.

Huang Ying nodded, she let Ye Chen go, after Ye Chen left Huang Ying got up from the bed.

She came out and looked out the window, Huang Ying was thinking about something, it could be seen from the expression on her face.

"They are moving much faster, if it continues like this, maybe they will find out where Chen is" Huang Ying While worrying about Ye Chen, there are countless people who are after Ye Chen.

In Ye Chen's body there is a lot of power that all beings in the God Realm desire, so it wouldn't be strange that there were countless people aiming for Ye Chen and wanting to get Ye Chen.

Huang Ying had to be even more protective, she couldn't let Ye Chen be in danger, she had to be more active in keeping an eye on Ye Chen, this was for Ye Chen's good.

After getting the answer he wanted, Ye Chen immediately went and helped Heaven Dream Sect in rebuilding the Sect, it just so happened that Chi Shui had found a suitable and quite hidden place, the place that Chi Shui had chosen was around a tall and towering mountain, this was the place to be which is very suitable for living and rarely visited by people.

in terms of building, it could be said that Ye Chen was an expert, he built very quickly, plus there were female disciples who were happy to help Ye Chen.

Chapter 1587 - Find Practice Experience For Qi Yunzhi

for the matter of materials Ye Chen and Chi Shui decided to search around this place, they didn't buy it because it would be very suspicious.

Ye Chen looked for materials that were strong enough, he looked for the strongest materials he could find at the bottom of the Sky Cloud Peak Star Realm.

With the help of God's Eyes, Ye Chen found everything he needed, the building process was also very fast because the Heaven Dream Sect was not as big as it used to be, it was nothing compared to the size of the former Heaven Dream Sect.

Too big won't be good for now, it's worth knowing that they are making a safe hiding place, so in the meantime they should quickly build a suitable place to live in.

Ye Chen helped prepare various arrays and suitable residences for practicing.

Huang Ying came over, decided to help Ye Chen put up a strong barrier that could guarantee the safety of the Heaven Dream Sect.

The strength of the barrier that Huang Ying created was very strong, its strength was no longer in question because it was built by Huang Ying who was extremely high in cultivation.

"This is done, you can put it to good use." Ye Chen said when everything was done, Ye Chen hoped that Heaven Dream Sect could return to how it used to be.

"Thank you very much" Everyone thanked Ye Chen, they all thanked Ye Chen for going to the trouble of doing something like this for them.

Ye Chen nodded, he was very happy that he could help them settle things well.

Heaven Dream Sect matter It's been completed, so Ye Chen can return to Jade Lotus Peak.

Ye Chen hasn't been to Jade Lotus Peak for quite a while, maybe there are already many people waiting for him.

"It's been a long time since I came back, I hope Lord Peak Ning isn't angry" Ye Chen hoped that Lord Peak Ning would not be angry with him.

Ye Chen left the current situation to Chi Shui and the Seven Fairy Succubus, his task was completely completed.

Heaven Dream Sect was already so hidden away, it would be very difficult to find the whereabouts of Heaven Dream Sect.

With such a wide array of arrays, the Heaven Dream Sect would not be easy to find, and its existence would be extremely difficult to find.

Ye Chen returned home, he took Qi Yunzhi along with himself, Ye Chen wanted to train Qi Yunzhi, so he would take him to Jade Lotus Peak, Ye Chen would try to ask Mu Xueying and Ning Xia for permission, hopefully they will allow Qi Yunzhi to stay .

At least Qi Yunzhi can practice and gain new experience.

When Ye Chen approached Qi Yunzhi, she was practicing, she was practicing very hard.

"Yunzhi spirit is indeed very good, I really like his spirit." Ye Chen really liked the spirit shown by Qi Yunzhi, Qi Yunzhi's spirit was very big.

If Qi Yunzhi continued like this, she would definitely become a very great woman, she could definitely become a very powerful person.

"Yunzhi" Ye Chen walked over to Qi Yunzhi, he had been away for a long time because he had to build the Heaven Dream Sect.

"Young master you are back" Qi Yunzhi greeted Ye Chen, she welcomed Ye Chen very well.

"Come with me" Ye Chen invited Qi Yunzhi to come with him.

Qi Yunzhi didn't ask much, she went together with Ye Chen towards Jade Lotus Peak.

went towards Jade Lotus Peak, Ye Chen carried Qi Yunzhi in his arms, Qi Yunzhi enjoyed Ye Chen's warm embrace.

When Ye Chen was about to enter the Jade Lotus Peak, Ye Chen was already greeted by several Senior female disciples who were going in and out of the Jade Lotus Peak.

"Junior Ye Chen, where have you been, you haven't been seen for a few weeks." several women naturally asked how Ye Chen was.

These women wanted to train with Ye Chen, Ye Chen's explanation was so easy to understand that they all wanted to train together with Ye Chen.

They could feel a tremendous increase when they were together with Ye Chen, when together with Ye Chen they could feel a huge increase in training and strength.

"I'm on business, so I'm temporarily leaving the Sky Cloud Peak Star Realm." Ye Chen told his reason, he said that he couldn't leave because he had a problem.

"Oh, so it's like that, we're glad that you're back." They were happy that Ye Chen was back now.

"Then I'll go in first" Ye Chen said that he would go in first.

Ye Chen took Qi Yunzhi in, Ye Chen immediately looked for Mu Xueying's whereabouts.

"Who is the woman beside Junior Ye Chen, she looks so extraordinary, she is so beautiful and full of amazing charm, I am a woman who is fascinated by her?" After Ye Chen left, the senior female disciples started to question Qi Yunzhi's identity.

Qi Yunzhi's appearance was extremely conspicuous, naturally the Senior female disciple looked at Qi Yunzhi questioningly.

Unfortunately they may not get the answer they want, figuring out this problem will definitely be very difficult to do.

Ye Chen was looking for Mu Xueying's whereabouts, it wasn't hard to find Mu Xueying's whereabouts.

Ye Chen very quickly discovered Mu Xueying's whereabouts, it just so happened that Mu Xueying was training some of the newly accepted disciples at Jade Lotus Peak.

"Sister Xueying" Ye Chen called Mu Xueying, he called Mu Xueying who was in front.

Mu Xueying immediately turned her head, she was looking for the whereabouts of Ye Chen who called out to her.

"You're finally back" Mu Xueying looked displeased when she saw Ye Chen who had not returned for a long time.

"There's a bit of business. . . ." Ye Chen apologized, it seems he took too long on the trip this time.

"Who is that woman behind you?" Mu Xueying directly asked about the woman behind Ye Chen, from her figure, this woman was beautiful and full of admirable charm.

"This is Qi Yunzhi, he is my maid." Ye Chen introduced Qi Yunzhi to Mu Xueying.

"maid ?" Mu Xueying did not easily believe what Ye Chen said, she did not easily believe Ye Chen's words.

Ye Chen nodded, he said that Qi Yunzhi was his servant who followed him voluntarily.

"Then why did you bring her to this place?" Mu Xueying questioned Ye Chen, she questioned why Ye Chen had brought Qi Yunzhi to this place.

"Actually I brought her here to train, I'm trying to get her to control the strong power she has?" Ye Chen said to Mu Xueying.

Hearing this Mu Xueying immediately looked at Qi Yunzhi, Mu Xueying was quite curious about Qi Yunzhi's abilities, Ye Chen couldn't possibly bring an ordinary woman to Jade Lotus Peak.

Mu Xueying wanted more details, which was why she asked what was so special about Qi Yunzhi.

Ye Chen told the strength of Qi Yunzhi, Ye Chen explained in great detail the strength of Qi Yunzhi.

"So it's like that" Mu Xueying understood, Qi Yunzhi strength was indeed great, but the Jade Lotus Peak might not be a suitable place to practice Qi Yunzhi abilities.

Mu Xueying wanted to suggest Ye Chen take Qi Yunzhi to the Dual Cultivation Sect instead, the problem might be that Qi Yunzhi would get into trouble, so Mu Xueying didn't say that.

"She might be able to train and gain experience with female disciples here, but Sect techniques might not be a match for him" Mu Xueying said to Ye Chen.

"You don't have to worry about that matter, I've already given her a powerful cultivation technique, so you don't have to worry.." Ye Chen had already given Qi Yunzhi a powerful technique, so Mu Xueying didn't need to worry.

Chapter 1588 - Waiting Is So Boring, Let's Have A Date

"Then she can join the practice" Since Ye Chen said that, Mu Xueying said that Qi Yunzhi could join the training.

"Thank you very much" Qi Yunzhi thanked Mu Xueying for being allowed to join the practice.

"Everyone, there will be a new person joining the practice, I hope you receive it well, she is still a beginner, so make sure not to bully her" Mu Xueying said to all the women she was training.

"We will definitely help her in her practice." Everyone nodded, they would help Qi Yunzhi practice.

Mu Xueying nodded in satisfaction, she could resolve this matter to all of them.

"Ye Chen, come with me" Mu Xueying invited Ye Chen to come along with her.

Ye Chen followed Mu Xueying, he told Qi Yunzhi to come here and train, let Qi Yunzhi get a good experience.

Mu Xueying led Ye Chen into the building, the two of them went straight to Mu Xueying's place.

Mu Xueying enter room, she made a tea for Ye Chen, it seems Mu Xueying wants to talk to Ye Chen about something.

"Why did you bring me here?" Ye Chen asked why Mu Xueying had brought himself to this place.

"Master wants to see you, so you stay here for a while" Mu Xueying said that Ning Xia wanted to meet Ye Chen.

"Why does she want to meet me?" Ye Chen asked Mu Xueying, she wanted to know what made Ning Xia want to meet her, did Ning Xia want to blush Ye Chen for what had happened.

"I don't know either, I was only given a will to bring you to this place when you return" Mu Xueying replied.

Mu Xueying didn't know much about this matter, to be honest Ning Xia didn't tell the full details of what she wanted to do.

Since Mu Xueying didn't know this was most likely not a punishment, there was no way Ning Xia would punish Ye Chen who was a good and great disciple.

Plus the last Ning Xia was very seductive, to be honest Ye Chen liked Ning Xia's boldness when he teased her.

"What are you thinking?" Mu Xueying asked what Ye Chen was thinking, Ye Chen must be thinking something strange.

"Nothing, I was thinking about something else" Ye Chen said to Mu Xueying, Ye Chen said that he was thinking about something.

Mu Xueying finished making tea for Ye Chen, she served three teas, one for Ning Xia who might be back in a bit.

Ye Chen asked about Xia Qingyu and Mu Nianci where they were now, why did Ye Chen not see them.

it just so happened that Xia Qingyu and Mu Nianci were doing an errand, they were with Song Ziyu, Mei Yueli and senior sister core disciples doing an Off-Sect Task.

No wonder Ye Chen didn't find all of them, it turned out that they were all on errands outside the Sect.

"So it's safe to say that you're the only one left here." Since Xia Qingyu, Mu Nianci, Mei Yueli and Song Ziyu left, only Mu Xueying was left here.

Mu Xueying nodded, here is only Mu Xueying left, she is responsible for training the female disciples.

Ye Chen and Mu Xueying were waiting for Ning Xia's arrival, almost 1 hour had passed, until now Ning Xia still hasn't come.

"Where is Lord Peak Ning, it's been 1 hour, but he still hasn't arrived at this place?" Ye Chen asked about Ning Xia's whereabouts, until now Ning Xia still hasn't come.

"I don't know either, I'm not a worm in her stomach, so how do I know where she is now?" Mu Xueying didn't know Ning Xia's whereabouts either.

"This is boring" Ye Chen felt that it was very boring, waiting for Ning Xia to be very boring.

What could Ye Chen do to wait for Ning Xia's arrival.

Ye Chen looked at Mu Xueying, Mu Xueying looked very calm, she looked normal in waiting for Ning Xia, Mu Xueying was used to this, waiting for a while was not difficult for Mu Xueying.

Ye Chen drew closer to Mu Xueying, he immediately extended his hand towards Mu Xueying's waist, he pulled Mu Xueying's body closer to him.

"What do you want to do?" Mu Xueying asked, she asked what Ye Chen would do.

Even though Mu Xueying showed resistance, she did not put up any resistance against Ye Chen.

"wife, we have been together for a long time, I just want to be close to you" Ye Chen said to Mu Xueying.

"You are lying, you must be trying to take a chance from me" Mu Xueying said to Ye Chen.

Mu Xueying already knew Ye Chen, Ye Chen must be trying to find a chance against her.

"Hahaha, I don't think I can go easy on you" Ye Chen said to Mu Xueying, since Mu Xueying already knew so much about him, Ye Chen wouldn't talk about it anymore.

Ye Chen took off Mu Xueying's veil and immediately kissed Mu Xueying, he kissed Mu Xueying's Cherry lips which were very soft and very delicious.

Mu Xueying was used to kissing, she already knew the best way to do a mature kiss that made both parties feel happy.

"Chuu. . ." Mu Xueying and Ye Chen had a passionate kiss, they really enjoyed kiss.

The sound of kissing today was so delightful, the entire room was already filled with the lewd voices of Ye Chen and Mu Xueying.

Ye Chen's hand started to rise and touched Mu Xueying's double peak, he started to touch Mu Xueying's double peak.

"Emmm" Mu Xueying groaned, she was enjoying Ye Chen's very delicious touch.

Mu Xueying liked it the most when Ye Chen touched her, it was the best feeling she could feel.

Ye Chen wanted to touch Mu Xueying completely, so he wanted to take off Mu Xueying's clothes.

"Don't do it, let's do this slowly without having to let go of a thread." Mu Xueying rejected what Ye Chen had done, in a situation like this, they couldn't do such a thing.

Ning Xia could come at any time, so Mu Xueying didn't want her appearance to look bad in front of Ning Xia.

"OK" Ye Chen naturally knew what Mu Xueying meant, since Mu Xueying refused, Ye Chen would follow her wishes.

Ye Chen and Mu Xueying enjoyed their love date, they both made each other feel good.

The current Mu Xueying is not what it used to be, she has been turned into an experienced woman by Ye Chen, Mu Xueying of course has various tricks to make Ye Chen feel happy.

Even at this time Mu Xueying's hand had already started to tease little brother Ye Chen who was below.

With the stimulation given by Mu Xueying, Ye Chen naturally quickly got excited, how could he not be excited when he received a stimulus from a beautiful Goddess like Mu Xueying.

Mu Xueying became more and more beautiful, she became an extraordinary beauty thanks to Ye Chen.

At this rate, it was certain that Mu Xueying would become a beautiful goddess in the entire God Realm.

And this beautiful goddess is now owned by Ye Chen, Ye Chen is a very lucky man because he managed to get a beauty goddess like Mu Xueying.

"Husband, I like you, please be stronger." Mu Xueying asked Ye Chen to be aggressive again, she liked Ye Chen to be aggressive.

"I will" Ye Chen would be even more aggressive towards Mu Xueying.

Chapter 1589 - Being Disturbed When It Reaches Comfortable Feeling

Ye Chen started to become aggressive while stroking Mu Xueying's body, Ye Chen made Mu Xueying's clothes wrinkled from being too aggressive in touching.

Mu Xueying started to really enjoy this feeling, she was very satisfied with Ye Chen.

What Ye Chen gave was very satisfying to Mu Xueying, Mu Xueying's mind started to go blank and floated above the sky.

Mu Xueying and Ye Chen were already in their own world, they had both forgotten everything around them.

Ye Chen admired the beauty in front of him, no matter how many times Ye Chen was with Mu Xueying, he still couldn't believe that he could get Mu Xueying.

To be honest Ye Chen initially lacked confidence in getting Mu Xueying, Mu Xueying was too indifferent to Ye Chen, that made Ye Chen feel that Mu Xueying had no interest in the opposite sex, but that day Mu Xueying showed something unexpected, Mu Xueying turned out to be a very passionate woman in matters of love.

"Ahhh, this is great. . "Mu Xueying was bolted out by Ye Chen, she really enjoyed this.

"That was great." Mu Xueying was happy, she was happy with what happened, this feeling was very good.

"Are you happy?" Ye Chen asked Mu Xueying, Ye Chen asked Mu Xueying, it seemed that Mu Xueying was already very happy.

"Um. . ." Mu Xueying nodded, she was already very happy with what Ye Chen had done.

"That's great, then it's your turn now." Ye Chen said to Mu Xueying, he wanted Mu Xueying to return the favor.

Mu Xueying naturally understood what wanted, she already knew what Ye Chen wanted.

"Husband, it's still noon, so that's enough right" Mu Xueying said to Ye Chen, Mu Xueying couldn't possibly do that during the day, it would definitely be very embarrassing if a female disciple found her around.

"It's up to you, but you have to show your best." Ye Chen left everything to Mu Xueying, as long as Mu Xueying could do well, then Ye Chen would accept it.

"Are you underestimating my abilities, I'm skilled enough, you won't let go easily." Mu Xueying said that if she already had the ability, she would show it to Ye Chen.

It had to be admitted that Mu Xueying's abilities continued to improve, Mu Xueying's abilities continued to improve over time, both in terms of cultivation and the Dual Cultivation ability that Mu Xueying trained well.

"I want to see the ability of my little wife." Ye Chen wanted to see Mu Xueying's ability, Ye Chen had not seen Mu Xueying's ability to serve Ye Chen for a long time.

In the past Mu Xueying's ability was indeed good, but it was still a bit far when compared to Chi Zuiye, Chi Zuiye's ability was the best of all, she possessed skills that made Ye Chen feel the most dangerous feeling.

"Who is your little wife, you brat still dares to look at me small, you are still far below me" Mu Xueying knocked on Ye Chen, how could Ye Chen call Mu Xueying as little wife.

Ye Chen just smiled, he smiled when he saw the annoyed Mu Xueying, it was actually quite difficult Mu Xueying, Mu Xueying wasn't easy to upset, that's why it wasn't easy to joke with Mu Xueying either.

For Mu Xueying to be so open, she was so open when alone with Ye Chen, alone like this Mu Xueying could show her hidden side.

Mu Xueying started to kneel down, she took Ye Chen's younger brother who was downstairs.

Ye Chen's downstairs was already quite excited, he was already very excited.

"It's already very tense, it must be uncomfortable." Mu Xueying believed that Ye Chen was so uncomfortable, she must have endured an uncomfortable feeling.

"You are trying to tease me again" Ye Chen saw that Mu Xueying was trying to tease him, Mu Xueying was trying to take revenge on Ye Chen.

"This will be over quickly" Mu Xueying said that if it would be finished very quickly, she would be quick to beat Ye Chen.

Mu Xueying was really very confident, she was too confident when facing Ye Chen.

Even though Ye Chen is not easy to deal with, Ye Chen is too strong and very difficult for women to deal with, even strong women will not easily face Ye Chen who has an Ancient (Yang) Body.

Mu Xueying started to use combined attacks, she didn't warm up or any part of it, she just immediately enveloped Ye Chen's big thing with her dual peaks, meanwhile she ate the top and started the service for Ye Chen.

"Oh. . ." Ye Chen started to make a sound, Ye Chen really enjoyed what Mu Xueying was doing.

Mu Xueying used her tongue and teeth very well, she used excellent skills and strong suction.

"Xueying is getting more and more skilled, I like this" Ye Chen likes this, to be honest Ye Chen likes Mu Xueying's service.

Seeing Ye Chen's reaction, Mu Xueying started to become very confident, it seems that she is getting better and better, now she might be able to compare in strength with Ye Chen.

Mu Xueying was too quick to jump to conclusions, even though it had only just begun, so the victor was still extremely difficult to pinpoint.

Whether Mu Xueying was able to defeat Ye Chen very quickly or otherwise Mu Xueying would not be able to defeat Ye Chen, to be honest this would be an interesting battle.

"Jubo . . . , Slurp . . . , chuuuu" Mu Xueying is getting more and more aggressive, she is becoming more and more aggressive in fighting Ye Chen.

Ye Chen started to feel the threat from Mu Xueying, Mu Xueying wasn't lying with her skills, she was getting better and better.

"Just give up quickly" Mu Xueying told Ye Chen to give up immediately, it would be better if Ye Chen admitted defeat.

"I won't lose easily, I will defend against my little wife's attack" Ye Chen said that he would defend himself from Mu Xueying's attack.

"You are stubborn" Seeing Ye Chen unwilling to budge, Mu Xueying decided to continue attacking Ye Chen's big thing.

Mu Xueying liked Ye Chen's the most, she liked serving Ye Chen's big thing the most, this feeling was the most satisfying for Mu Xueying.

Honestly Mu Xueying liked Yang Qi Essence the most, it was the taste that made her the most addicted and made her body feel an extremely good feeling.

That's why Mu Xueying wanted to absorb all of Ye Chen's Yang Qi Essence for herself.

Mu Xueying might be too greedy, she tried to monopolize Ye Chen for herself.

Ye Chen tried to endure the pleasant feeling that was given by Mu Xueying, meanwhile Mu Xueying continued to serve Ye Chen with her mouth,

"knock" when the two of them were very engrossed and in a state of n most comfortable, from outside there is a knocking sound.

Ye Chen and Mu Xueying were naturally shocked, they knew right away that this must be Ning Xia.

Panicked too much, Ye Chen couldn't help himself, he finally took out his Yang Qi and gave it to Mu Xueying.

"Um. ." Mu Xueying couldn't stand it, she was completely unprepared for what was happening.

Mu Xueying tried her best, unfortunately she couldn't accept it all.

Unable to accept it, Mu Xueying finally found another place to dispose of Ye Chen's Yang Qi essence.

Chapter 1590 - Ning Xia Subconsciously Drank The Yang Qi Essence

Because it was too hasty to find a suitable place to put Yang Qi essence.

Mu Xueying looked around, she looked around to find a place where she could use it.

Mu Xueying's place was too clean and tidy, there was hardly anything she could use.

Mu Xueying looked at the closest object, she looked at the teacup in front of her.

Mu Xueying was forced to put the rest of the Yang Qi in her mouth into the teacup, Mu Xueying didn't think much, she did her best to hide what she just did with Ye Chen.

After doing that, Mu Xueying tidied up her clothes, Ye Chen also tidied up hers.

After the two of them performed very well, Mu Xueying opened the door for Ning Xia.

"Where is Ye Chen?" When Mu Xueying opened the door for the first time, Ning Xia immediately asked about Ye Chen.

"He is there" Mu Xueying pointed at Ye Chen, she pointed at Ye Chen who was sitting on the chair.

Ning Xia looked at Ye Chen, what Mu Xueying said was true, Ye Chen was currently on the chair and seemed to be waiting for Ning Xia.

As Ning Xia looked at him, Ye Chen gave Ning Xia a smile.

Ning Xia had put back the hair jewelry that was in Ye Chen's hand, she put it jewelry on her hair, it made Ning Xia's appearance even more beautiful.

Seeing Ye Chen inside, Ning Xia immediately went to Ye Chen's side, she was now sitting next to Ye Chen.

"Where have you been?" Ning Xia asked Ye Chen, she asked where was Ye Chen from.

Ye Chen was very easy to disappear this man easily went to an unknown place.

"I went to see an old friend" Ye Chen told that he was going to meet an old friend.

Ye Chen purposely didn't tell Ning Xia that he had just gone to the White Rose Star Realm, Ning Xia would definitely be worried when she heard this.

Ning Xia nodded, it seemed that Ye Chen had not done anything dangerous.

Ning Xia was worried that Ye Chen would do something dangerous, which was why she asked where Ye Chen had gone.

"Lord Peak, why are you looking for me?" Ye Chen asked why Ning Xia was looking for him.

"I want to take you out with me" Ning Xia said that she wanted to take Ye Chen out.

"Go where?" Ye Chen asked Ning Xia, to be honest Ye Chen was quite curious where Ning Xia would take him.

"We're going somewhere." Ning Xia said that they were going to a special place.

"Special place?" Ye Chen asked Ning Xia, where did Ning Xia want to take Ye Chen to go.

"You don't need to ask much, one thing, we are leaving tomorrow, so you can prepare everything you need" Ning Xia said to Ye Chen to prepare everything.

"Is Senior Sister Xueying coming along?" Ye Chen asked Ning Xia if Mu Xueying would come too or not.

"Of course, she will come" Ning Xia said that Mu Xueying would also be invited, it could be said that Ning Xia would bring Ye Chen and Mu Xueying.

Ye Chen nodded, it seemed that Ning Xia would show a place to Ye Chen and Mu Xueying.

"Lord Peak, if the two of us leave, who will guard Jade Lotus Peak?" Mu Xueying asked about who would be guarding Jade Lotus Peak.

"I will leave this matter to someone I trust" Ning Xia informed that she could leave this matter to someone else.

There were still quite a few people who could take Mu Xueying's place of responsibility within the Jade Lotus Peak.

"If Lord Peak really says that, Xueying will obey." Since Ning Xia said that, then Mu Xueying wouldn't be able to go against her orders.

To be honest Mu Xueying didn't know where Ning Xia was taking her either, she didn't know what Ning Xia was planning.

Ning Xia nodded in satisfaction, the answers given by Ye Chen and Mu Xueying were very good, she didn't need to force the two of them.

Ning Xia looked at the tea in front of her, it was obvious that Mu Xueying had already prepared this for her arrival.

The reason Ning Xia thought that Mu Xueying prepared this for Ning Xia, Ning Xia saw three cups, it means that Mu Xueying deliberately prepared one for her.

Ning Xia took the teacup in front of her and started sipping it, what Ning Xia was doing was naturally shocking to Mu Xueying.

"master. . ." Mu Xueying tried to stop Ning Xia, unfortunately it was too late Ning Xia had already tasted tea.

"Hmmm" after tasting a bit, Ning Xia started to feel something from the tea made by Mu Xueying.

Mu Xueying naturally panicked when she saw this, she was panicked by what had just happened and what Ning Xia would do if she found out what was in the tea.

"Xueying" Ning Xia called Mu Xueying, she looked serious when she called Mu Xueying.

" what is it ?" Mu Xueying was both panicked and tense, this was the first time Mu Xueying had been so tense in front of Ning Xia.

What Ning Xia would say to Mu Xueying, Ning Xia would probably start questioning Mu Xueying.

"I didn't expect your skills to be so good." Ning Xia said that this tea was delicious, it was the most delicious tea Ning Xia had ever tasted.

"Oh that. . ." Mu Xueying didn't know what to say, she couldn't tell what happened earlier.

Mu Xueying looked at Ye Chen, she looked at Ye Chen with a dissatisfied look.

Ye Chen tried to dodge Mu Xueying's accusations, he acted like he didn't know anything.

Ye Chen himself also did not expect that this situation would occur, this situation was never imagined by Ye Chen.

Ning Xia who was beside him was drinking Ye Chen's Yang Qi Essence, this was naturally quite a shock to Ye Chen.

Ning Xia ate it all up, she liked the taste of this thing, to be honest it was really good.

When Ning Xia had just finished the tea, Ning Xia felt an enormous flow of Yang Qi.

This was naturally quite a shock to Ning Xia.

"What's this?" Ning Xia started to wonder about what happened, she started to ask what just happened to her.

"I'll go first, you guys prepare yourself" Ning Xia decided to leave, she tried to cultivate the rich Yang Qi flowing through her body.

Ning Xia immediately left this place, she went out and returned to her room.

Ye Chen and Mu Xueying looked at each other, they looked at Ning Xia's departure.

"That was close, it's all your fault" Mu Xueying said to Ye Chen, Mu Xueying blamed everything that happened to Ye Chen.

"Aren't you the one in the wrong, how can you do that and accuse me, when I didn't do anything wrong" Ye Chen said to Mu Xueying.

"You're still trying to dodge, you were the one who teased me in the first place." Mu Xueying pinched Ye Chen's ear, to be honest if Ye Chen hadn't teased her, maybe this situation wouldn't have happened.

Mu Xueying felt sorry for Ning Xia, how she would do such a thing to Ning Xia, Mu Xueying was really very sorry for what had just happened.

Ye Chen and Mu Xueying had a small argument, after they finished doing the fun stuff, the two of them got into a small fight because of the matter that had just occurred.
