

"I will endure" The 125th elder nodded, he was going to fight Ye Chen, their focus was to save Hai Ming, Hai Ming's safety was far more important than anything in this world.

Even the safety of their lives paled in comparison to the safety of Hai Ming.

If anything bad happened to Hai Ming, then the families of the 52nd elder, 99th elder and 125th elder would be buried together with Hai Ming, the two elders didn't want that to happen, so they decided to take Hai Ming away as soon as possible. from this place.

"Let go of me, I want to fight him" Hai Ming tried to fight Ye Chen, he currently wants to kill Ye Chen.

"Prince please calm down, everything will be fine" the 99th elder told Hai Ming to calm Hai Ming down, Hai Ming started to lose control and gave off an extremely terrifying killing aura.

"want to run away?, that won't happen" seeing Hai Ming want to run away, Ye Chen immediately tried to stop him, he stopped the 99th elder who wanted to take Hai Ming away.

"Your opponent is me" the 125th elder blocked Ye Chen, he blocked Ye Chen who wanted to chase Hai Ming.

Ye Chen wasn't too happy with what happened, Ye Chen decided to attack the 125th elder using the God Master Shadow Sword.

Ye Chen slashed towards the 125th elder, although Ye Chen seemed to have made one slash, in fact Ye Chen had slashed a lot towards the 125th elder.

"Arghhhh" the 125th elder's body suffered quite serious injuries from Ye Chen's attack, the elder's wound to 125 can be said to be quite severe.

The 125th elder's body was quite tough, so Ye Chen wasn't easy to cut it with just one strike, to be honest everything would be easy if Ye Chen could finish this quickly.

"Bastard, I will kill you" the 125th elder went towards Ye Chen, he directly attacked Ye Chen using all kinds of attacks he had.

"Water Vortex, Sea Rain trident, Sea Colum Seal" the 125th elder used all the strength he had, he used all the attacks he had to deal with Ye Chen.

Ye Chen waved his arm, the moment Ye Chen did this, all the attacks from the 125th elder vanished.

"what ?" The 125th elder immediately gaped when he saw what had happened, what had happened was truly shocking.

All of his attacks disappeared with just a wave of his hand, to be honest this was a very shocking thing for the 125th elder.

"he's getting further and further away" seeing Hai Ming getting further and further away, Ye Chen had to quickly catch up with him.

"let's end this, God's Judgment Lightning" Ye Chen raised his hand upwards, black clouds instantly appeared above the sky, thunderous rumblings rang out and heavenly lightning began to fill the cave ceiling.

a dragon figure descended from the Clouds, this dragon figure was full of extremely terrifying power, the lightning dragon figure plunged towards the 125th elder.

"no . . ." The 125th elder tried to dodge, unfortunately he didn't have enough time to dodge.

"Boom." An enormous explosion of lightning hit the body of the 125th elder, this explosion was so strong that a very large earthquake occurred.

Parts of the cave collapsed and rocks fell on the people below.

The people left, they all went downstairs to secure themselves, this place was no longer safe, they couldn't stay here for too long.

Ye Chen's attack pierced the bottom, which led to a hole leading to the very bottom of this mountain.

"Should be enough to kill him" Ye Chen's attack should have been enough to kill the 125th elder, now Ye Chen was catching up with Hai Ming who was taken away by the 99th elder.

"Ye Chen, stop" Mu Xueying told Ye Chen to stop.

"what is it?" Ye Chen Stop, he asked what Mu Xueying needed from him.

"Master is injured." Mu Xueying informed that Ning Xia was injured, so Ning Xia needed treatment.

"How did that happen?" Ye Chen didn't see what was happening, he had previously been too focused on fighting Hai Ming and didn't pay attention to Ning Xia and Mu Xueying.

"One of the elders launched a sneak attack at master, that caused master to be injured" Mu Xueying informed that the 52nd elder was responsible for this matter.

"Where is that person?" Ye Chen asked where the 52nd elder.

"He managed to escape with Hai Ming and his partner." Mu Xueying answered Ye Chen's question, she informed that 52nd elder had fled from this place along with 99th elder and Hai Ming.

Chapter 1612 Save Ning Xia

"They managed to escape" Ye Chen was not happy about this, Hai Ming and the elders had managed to escape from this place.

"What a bad timing" The timing was so inopportune, Hai Ming had managed to escape from this place, chasing after him would be extremely difficult.

Ye Chen's better to focus on Ning Xia, Ning Xia is also injured, so Ye Chen will heal her first.

Although defeating Hai Ming was important, Ning Xia's safety was even more important, Ye Chen had to focus on the safety of Ning Xia.

Ye Chen and Mu Xueying headed towards Ning Xia, Ning Xia was currently sitting and leaning against a rock.

There were bloodstains on Ning Xia's veil, this proves that Ning Xia coughed up blood from the 52nd Elder's sneak attack.

Ye Chen immediately saw Ning Xia's condition, Ye Chen saw that Ning Xia's internal organs were injured.

"Her internal organs are injured, I will take care of her" Ye Chen will carry out treatment, Ning Xia's internal organs are injured and need urgent treatment, otherwise it will only get worse.

"Help me" Ye Chen told Mu Xueying to help, Ye Chen alone wouldn't be able to do it.

Mu Xueying helped Ye Chen, she held Ning Xia's body which was slightly pale from the wound.

"Please take off the back her clothes" Ye Chen gave orders to Mu Xueying, he gave orders to Mu Xueying to help take off Ning Xia's back clothes.

Mu Xueying didn't ask much, she just did what Ye Chen said, Mu Xueying helped Ye Chen in undressing Ning Xia.

Mu Xueying was quite dexterous, she was able to do it very well and very quickly.

This was probably because Mu Xueying was a woman, so she was able to do it very quickly.

Mu Xueying didn't take off all of Ning Xia's clothes, she only took off some of them.

After Ning Xia's clothes were removed, Ye Chen could see Ning Xia's extremely beautiful back, Ning Xia's bare back was extremely beautiful.

"Wow how beautiful" Ye Chen admired Ning Xia's back, Ning Xia's back looked very beautiful.

In addition, Ye Chen could see Ning Xia's neckline which was very sexy.

Mu Xueying deliberately moved Ning Xia's hair forward so as not to cover her back, this allowed Ye Chen to clearly see Ning Xia's extremely beautiful neckline.

"Where do your eyes look?" Mu Xueying discovered that it was Ye Chen who was looking at Ning Xia with a perverted gaze.

"What's wrong, I just admire her" Ye Chen said that he admired Ning Xia's beauty.

"Now isn't the time" Mu Xueying said that if this wasn't the time to do that, Ning Xia's safety had to come first.

"So I can do whatever I want when it's done?" Ye Chen said to Mu Xueying.

"No, what are you thinking, don't do anything like that." Mu Xueying told Ye Chen not to do anything like that.

Ye Chen was a little disappointed, it seemed that he couldn't do anything to Ning Xia, Mu Xueying wouldn't let Ye Chen do that.

Ye Chen already knew that Mu Xueying would definitely not allow Ye Chen to do anything strange, there was no way Mu Xueying would allow Ye Chen to do such a strange thing.

Ye Chen took out the golden needle, time to heal Ning Xia's internal wounds.

Ye Chen told Mu Xueying to hold Ning Xia well, lest Ning Xia put up a fight against Ye Chen.

Ye Chen started to put some gold needles on Ning Xia's body, he put some gold needles into Ning Xia's meridians.

"Emmm" Ning Xia let out a groan, she must be in pain from the wound she had.

"Hold on, this will be over soon" Ye Chen said to Ning Xia, he told Ning Xia to hold back because this would be over soon.

Ye Chen started circulating profound energy into Ning Xia's body, Ye Chen tried to heal and bleed out the dirty blood on Ning Xia's internal organs.

Ning Xia started to rebel, she had a rebellion because it hurt a little.

"cough" Ning Xia started coughing, Ning Xia coughed mixed with blood, this blood started to wet the veil that Ning Xia was wearing.

Mu Xueying continued to hold onto Ning Xia, she made sure that Ning Xia didn't make much of a move.

The treatment continued, in this time, Ning Xia had several rebellions, fortunately Mu Xueying was able to prevent it.

"Okay done, now is the time to give her medicine" Ye Chen had finished curing Ning Xia, now Ye Chen gave a pill to Ning Xia.

Ning Xia's body already looked better, now she looked even better than before.

"Will he recover soon?" Mu Xueying asked Ye Chen, he asked if Ning Xia would get well soon or not.

"She should be fine soon, you don't have to worry too much about her condition." Ye Chen told Ning Xia that she would be fine, Ning Xia's injuries wouldn't put her in serious danger.

It was likely that Ning Xia would have to rest more for the time being to recover and she shouldn't move around too much.

"Good then" Mu Xueying looked very relieved, Ning Xia's safety was not compromised and she was fine.

Mu Xueying helped Ning Xia, she started to help restore Ning Xia's appearance.

When Mu Xueying helped Ning Xia, Mu Xueying told Ye Chen to stay away, she didn't want Ye Chen to do anything bad to Ning Xia.

Ye Chen was helpless, it seemed that he had to stay away for a while, otherwise Mu Xueying might force Ye Chen away.

Ye Chen had seen Mu Xueying's beautiful body before, so Ye Chen naturally didn't mind this too much.

Mu Xueying very quickly helped Ning Xia, Ning Xia's appearance was now restored to the way it was before, Ning Xia looked as beautiful and charming as before.

Ning Xia came to her senses, she looked around this place.

" what happened ?" Ning Xia asked Ye Chen and Mu Xueying, she asked what happened to her.

"before you were hurt, now you are fine" Ye Chen said that Ning Xia is fine.

Ning Xia saw the condition of her body, she felt a pain in her body because the wound on her body was still slightly felt.

"Let's continue our journey." Even though she had not fully recovered, Ning Xia immediately invited Ye Chen and Mu Xueying to continue their journey.

"Are you sure?, Your condition is still not recovered." Ye Chen said to Ning Xia, to be honest Ning Xia's condition is still not fully recovered.

"It's okay I can endure this, you two don't need to worry" Ning Xia said that she could handle this, so Ye Chen and Mu Xueying didn't have to worry.

Since Ning Xia insisted, Ye Chen and Mu Xueying had no choice but to go with her, both of them had already tried to persuade Ning Xia, it was a shame that both of them failed to persuade Ning Xia.

Ye Chen, Ning Xia and Mu Xueying went to the statue, Ye Chen was a person who knew how to work to pave the way to the top.

Ye Chen started to say the words he had read, as Ye Chen did this, the Eagle God statue started to emit a green glow.

A very strong wind began to fill this place, from the sky descended a wind that formed like a ladder that would lead them up.

"This is the way to the top, let's go up" Ye Chen took Mu Xueying and Ning Xia up the stairs, he told them that every time they went up they would receive a much stronger pressure.

Chapter 1613 Carrying Ning Xia

before climbing the stairs, Ye Chen explained what they had to do, they had to do before climbing the stairs, Ye Chen explained what they would face every time they stepped up.

Mu Xueying and Ning Xia nodded, they were prepared for the consequences they would face, it could be said that they were well prepared for the consequences they would have to bear when they set foot on these stairs.

Ye Chen, Mu Xueying and Ning Xia took the first step, they took the first step to ascend to the top.

.

.

Elsewhere, the 99th elder had taken Hai Ming away to a safer place, they had already left the cave and were looking for a safe hiding place.

"we have successfully saved the prince" 52nd elder was happy that they had successfully saved Hai Ming, they could now breathe a sigh of relief that Hai Ming's safety happened.

"What happened to the 125th elder, did he manage to survive or not?" The 99th elder wanted to know if the 125th elder could survive Ye Chen.

"Forget about him, the chances of him surviving are very slim, even if I crippled one of them, their strength is still strong.

"Even I myself was injured by that woman's attack earlier" 52nd elder was injured by Mu Xueying's attack, Mu Xueying's attack was very precise at 52nd elder's weak point.

"What are we going to do, are we going to call for help or are we going back" The 99th elder asked the 52nd elder.

"We'd better go back, we report and leave this matter to the king, after all I'm injured, so it's better to just go back" the 52nd elder decided to return, the situation did not allow to stay in place,

Hai Ming's condition is also currently serious and requires immediate treatment.

The 52nd elder was absolutely certain that Ye Chen and his group would not be leaving anytime soon, for the time being they could head back first.

The 52nd and 99th elders brought Hai Ming back to Immortal Profound Sea Realm.

.

.

Ye Chen, Mu Xueying and Ning Xia had already climbed hundreds of stairs, they were already starting to feel a little burdensome as they climbed the stairs.

what Ye Chen said became the truth, the more they went up, the more pressure they had to bear.

"It's getting heavier." Mu Xueying felt a heavy pressure pressing down on her body.

"It's getting heavier indeed." Ye Chen said that the pressure would become more and more intense as they climbed higher and higher.

Ye Chen looked at Ning Xia, he saw that Ning Xia's body was shaking slightly, it seemed that Ning Xia's injuries were affecting her as she stepped up.

"Not good, she's pushing herself too much" Ye Chen saw that Ning Xia was pushing herself too much, Ning Xia was pushing herself too much.

If Ning Xia continued to push herself, then it wouldn't be long before Ning Xia had a bad time.

"Lord Peak Ning, don't push yourself" Ye Chen said to Ning Xia, Ye Chen told Ning Xia not to push herself.

"I'm fine" Ning Xia said she was fine and told Ye Chen not to worry.

"Does Lord Peak want to lie to me, look at your body and legs, they are already shaking so badly" Ye Chen told Ning Xia that his body and legs were shaking from the intense pressure pressing on them.

"it's nothing to me" Ning Xia said if it's nothing to her, Ning Xia can definitely get through this.

As soon as Ning Xia said that to Ye Chen, Ning Xia suddenly knelt down, clutching her chest.

As Ye Chen had said, Ning Xia's injuries would only get worse.

"You don't have to lie anymore, I already know that you are within your limits." Ye Chen used his strength to protect Ning Xia from the strong pressure around this place, with Ye Chen's help, Ning Xia started to improve.

"Lord Peak, do we need to stop here?" Mu Xueying asked Ning Xia, with Ning Xia's condition, they should probably stop at this place soon.

"I should be able to reach the top of this place" Ning Xia said that she should be able to reach the top of this place.

Ning Xia was showing so much determination, Ye Chen and Mu Xueying could see that very clearly.

"Then I will help you" Ye Chen said that he would help Ning Xia, Ye Chen lifted Ning Xia's body who was kneeling.

"What are you doing?" Ning Xia asked what Ye Chen was doing, why did Ye Chen suddenly touch her like this.

"Don't ask too many questions" Ye Chen said not to ask more questions, he will help Ning Xia to get to the top.

Ye Chen was actually carrying Ning Xia, so Ning Xia's pressure wouldn't be too big.

Ning Xia didn't expect Ye Chen to carry her, to be honest what Ye Chen did was quite shocking.

Mu Xueying looked at Ye Chen, Mu Xueying didn't expect that Ye Chen would help Ning Xia in this way.

What Ye Chen did was indeed very good, the biggest problem was that Ye Chen would receive a much heavier burden if he did that.

"Let's continue our journey" Ye Chen invited Mu Xueying to continue the journey, meanwhile Ning Xia was already on Ye Chen's shoulder.

Ning Xia didn't make a sound while being carried by Ye Chen, to be honest this was the first time Ning Xia had experienced something like this in her life.

This was Ning Xia's first time experiencing something like this, to be honest Ning Xia had never been treated like this in her life.

Ning Xia is a very strong and independent woman, she would never be treated like this, maybe only Ye Chen would dare to do this to Ning Xia.

Ning Xia started to feel what it was like to be on a man's back, it felt quite comfortable and gave Ning Xia a very safe and secure feeling.

"This isn't bad." Ning Xia felt that if it wasn't bad, it felt much better than Ning Xia thought.

Ye Chen and Mu Xueying continued on their way to the top, the journey seemed very long, until now the end of the stairs was still nowhere to be seen.

The more Ye Chen went up, the more pressure Ye Chen had to endure, this made Ye Chen's steps slightly hampered.

It wasn't just Ye Chen who experienced this, in fact Mu Xueying also started to slow down as she climbed the many steps.

The higher and higher Ye Chen and Mu Xueying climbed, the slower their movements became.

"This seems impossible. . ." After a while, Mu Xueying finally gave up, she was no longer able to continue this journey.

"Are you unable to do it anymore?" Ye Chen asked Mu Xueying, Ye Chen saw that Mu Xueying had reached her limit.

"Looks like I can't push anymore" Mu Xueying couldn't push herself anymore, she couldn't continue this journey anymore.

"You can continue this journey and bring master to the peak, I will just go back" Mu Xueying didn't want to burden Ye Chen, so she decided to just go back.

Ye Chen tried to persuade Mu Xueying to stay, unfortunately Mu Xueying refused, she came down because it was impossible for her to continue this journey.

The ordeal this time is really very hard, until now they have not found the end of the stairs, that means there is still a long way to go.

Chapter 1614 Ahem, Lord Peak Ning, you better not act like that, yours is touching my back

Since Mu Xueying had left, now that only Ye Chen and Ning Xia were left, the two decided to continue on their way.

"Chen, are you okay?" Ning Xia asked Ye Chen's condition, she asked if Ye Chen was okay or not.

"I'm fine, you don't have to worry" Ye Chen was fine, this was nothing to him.

Ye Chen was currently feeling a double burden from himself and Ning Xia, of course this was very burdensome for Ye Chen.

If other people were in Ye Chen's position, they would probably feel unimaginable hardships, they would definitely not be able to deal with this kind of intense pressure.

Luckily Ye Chen was very strong, he was able to face this alone, Ye Chen was still strong enough to carry Ning Xia up, he was still able to do that.

Ning Xia acknowledged Ye Chen's determination, Ye Chen had worked really hard, and Ye Chen did all this for himself, how Ning Xia was not touched when she saw the sacrifice Ye Chen had made for her.

As the pressure grew stronger and stronger, Ye Chen's movements grew slower and slower.

"If you really can't afford it, we can just go back." Ning Xia couldn't bear to see Ye Chen like this, it seemed that Ye Chen was already at his limit and couldn't continue to climb to the top.

"I can still do it" Ye Chen said that if he can still do this, Ye Chen is still strong enough to rise to the top.

Ning Xia just felt more and more guilty, she felt more and more guilty about what happened to Ye Chen.

Because of his selfishness, Ye Chen had to endure such a heavy thing.

Ning Xia knew how heavy a burden Ye Chen was carrying, Ye Chen must have been carrying a very heavy burden, Ning Xia was absolutely sure of that.

"Let me down" Ning Xia asked Ye Chen to lower herself, she couldn't keep looking at Ye Chen like this.

"No, I won't let you down." Ye Chen refused to let Ning Xia down, with Ning Xia's current condition, it would be very dangerous to let her down.

Ye Chen was very concerned about Ning Xia's safety, Ye Chen couldn't possibly let anything happen to Ning Xia's safety.

"Let me down right now" Ning Xia tried to rebel, this made Ning Xia's double peaks press and rub against Ye Chen's back.

"Boing. . "Ye Chen felt two softness pressing down on him, this feeling was very good.

"I really like this" Ye Chen loved what happened, he loved the sensation of two softness touching his back several times.

"Ahem, Lord Peak Ning, you better not act like that, yours is touching my back" Ye Chen told Ning Xia not to do anything reckless.

Ning Xia immediately stopped and was silent for a while, Ning Xia of course knew what Ye Chen was talking about, Ye Chen was talking about the two double peaks pressing Ye Chen's back several times.

"Chen, you are so perverted" Ning Xia said that Ye Chen was very perverted.

"why me, wasn't Lord Peak the one who did that by accident" Ye Chen tried to defend himself, how could Ye Chen be blamed in such a situation.

"Still you are in the wrong, you have restrained me" Ning Xia said that Ye Chen was still wrong, Ye Chen had restrained himself from the start, if Ye Chen had not restrained Ning Xia, perhaps none of this would have happened.

"_-" Ye Chen was helpless, even though Ye Chen had very good intentions, it's a shame that Ye Chen's good intentions didn't seem to be very well received by Ning Xia.

"Never mind, the important thing is that she can calm down for a while" Ye Chen didn't mind this too much, as long as Ning Xia could calm down then everything would be fine.

Ye Chen had no choice but to remove the Geoling Bracelet that was on his body.

With that Ye Chen was able to reduce the burden he was carrying, now Ye Chen felt even lighter.

"What are you doing?" Ning Xia asked what Ye Chen was doing.

"I'm releasing the weight on my body" Ye Chen told Ning Xia that he was weighing me down.

"a ballast?" Ning Xia almost couldn't believe what Ye Chen had just said, she still couldn't believe that Ye Chen used a weight on his body.

Honestly, what Ye Chen said was absolutely impossible, how could Ye Chen use the weight on his body.

Ye Chen removed the Geoling Bracelets on his body, after Ye Chen removed all the Geoling Bracelets on his body, Ye Chen felt very relieved.

"Okay, I'm ready, let's continue." Ye Chen felt very free, he felt that the burden on his body became very light, Ye Chen felt that he could walk very fast.

Ye Chen ran and climbed every available ladder, he climbed the stairs very quickly.

Ning Xia was completely shocked by what Ye Chen did, Ning Xia's eyes widened when she saw what Ye Chen did.

In theory, what Ye Chen did was absolutely impossible, what Ye Chen did was absolutely impossible to believe.

Previously Ye Chen looked very troubled, but now it seemed to be the opposite, Ye Chen looked completely free and unaffected by the pressure around him.

"What are you really?" Ning Xia didn't know what Ye Chen was anymore, to be honest Ye Chen was very shocking, everything Ye Chen had was shocking for someone like Ning Xia.

From the beginning of the Heavenly Silver Flame, the heavenly lightning, the Dao of Sword, and now he was again shown something unreasonable.

"We're almost there I can see the end" Ye Chen told Ning Xia that they were almost at their destination.

"had reached?" Ning Xia couldn't believe that they had arrived, Ye Chen's speed was extremely fast.

Ye Chen finally stepped into the peak of his own, after Ye Chen stepped foot to the peak, the strong pressure that was pressing Ye Chen immediately disappeared.

Ye Chen now felt so light, he felt so light.

"We've finally arrived" Ye Chen finally arrived, he had reached the very peak.

Up here there was only a very large empty field, Ye Chen and Ning Xia saw nothing but empty space around the place.

"it is empty?" Ning Xia became a little anxious, they had arrived at this place, but everything seemed empty and nothing.

"There is only emptiness here, what actually happened" Ye Chen didn't know what had happened, why is there only empty space around this place, to be honest this is really weird.

"Roar..." A shout was heard, the figure of an Eagle appeared in front of Ye Chen and Ning Xia.

"Congratulations that you made it here, you are very surprising." Hios congratulated Ye Chen and Ning Xia for arriving at this place, while the others has failed to climb to the top.

"Greetings..." Ye Chen and Ning Xia gave a greeting to Hios, they saluted the owner of this place.

"Is a Legacy Awakening Fruit in this place" Ye Chen asked Hios, he asked if in this place there is a Legacy Awakening Fruit.

Chapter 1615 Legacy from Hios

"Too bad, it should have been taken by someone else" Hios said that Ye Chen and Ning Xia were already late.

" what! ! !" Ning Xia was a little disappointed when she heard this, to be honest what she heard was quite disappointing.

"I did say what you wanted to know, I won't lie to you." Hios said that he would not lie to Ye Chen and Ning Xia.

"then what is in this place?" Ye Chen asked what was in this place.

since the Legacy Awakening Fruit wasn't in this place, then what did they get in this place.

"Very interesting question" Hios was quite interested in Ye Chen's question, Ye Chen's question was very interesting.

"? ? ? ?" Ye Chen was confused why Hios said that he was very attractive, actually what was Eagle God, Hios thinking.

"Since you have arrived at this place, I will give you the legacy of my power, here is all I can give, there is nothing else I can give you" Hios said that he had nothing left but legacy, he did not have anything but the inheritance he had.

Hios who was now just a remnant soul that could vanish at any moment, he could only pass on an inheritance to the person who managed to get to this place.

"I see" Ye Chen nodded, it seemed that he would not be able to obtain the Legacy Awakening Fruit and could only obtain the inheritance from Hios.

Ye Chen looked to the side, he looked at Ning Xia, it was obvious that Ning Xia wasn't in a very good mood right now.

Ning Xia had arrived here and didn't get what she wanted, of course this was very disappointing for Ning Xia, Ning Xia must be very, very disappointed with what happened.

"Among the two of you it seems that you are the most suitable for me, while that young lady seems to already have two very strong inheritances in her body." Hios saw that Ye Chen was quite suitable to receive his inheritance from him, meanwhile Ning Xia might not be suitable because she already had the Phoenix legacy in her body.

"Wouldn't that be unfair?" Ye Chen said that what Hios did was unfair.

"Hahaha, I know that, that's why I'm going to give her a present." Hios said that he would give Ning Xia a present.

" Is that true?" Ye Chen felt a little relieved when he heard this, it seemed that Ning Xia still got something from the Hios.

"Prepare yourself well" Hios said to Ye Chen, he told Ye Chen to get ready because he will pass his legacy to Ye Chen.

After Hios said that, around Ye Chen's body began to appear a very strong wind, this strong wind enveloped and began to wrap Ye Chen.

Ye Chen's body is currently being enveloped by this wind, he is now in a very violent wind.

Hios gave Ye Chen a few drops of blood, he gave Ye Chen a few drops of pure blood that he had.

The blood of the Eagle God directly entered Ye Chen's body, this blood was directly absorbed by Ye Chen's veins.

Hios will guide and guide Ye Chen, he will make Ye Chen completely control the deadly wind power in this God Realm.

The blood from the Eagle God Hios began to spread throughout Ye Chen's body, it instantly spread throughout Ye Chen's body.

Hios controlled this, he made Ye Chen fully accept his inheritance.

When Hios wanted to replace Ye Chen's Vein, he found that Ye Chen's Vein was a little strange, he felt a great power blocking him.

"This power" Hios started to find out what the problem was, when he found out what the problem was, he found that Ye Chen's Vein was a little Special, Hios could see that it was an ancient Vein that was extremely powerful.

"The domination that can suppress my strength, don't tell me this is the power of the Sage God?" Hios finally discovered that Ye Chen had the inheritance of the Sage God, it wasn't strange that Hios felt that Ye Chen had a very high compatibility with his inheritance, so this was why.

"Looks like I won't be able to win against the domination of the Sage God's inheritance." Hios knew that the inheritance he gave would definitely not be able to win against the Sage God's, it would definitely be taken over by Ye Chen's Sage God inheritance.

"It seems that I don't need to help him" Since Ye Chen had the inheritance of the Sage God, Hios decided not to help Ye Chen, Ye Chen should have been able to handle this matter alone.

Ye Chen was indeed able to do this alone, he started to devour and fuse the Eagle God Hios' blood into his body.

"Roar. . ." Hios intended to withdraw from Ye Chen, as he did so, he heard the Azure Dragon roar,

"This voice, this is the leader of the Azure Dragon's strongest dragon race." Hios went straight to Ye Chen's Dantian, this is where the Azure Dragon's voice came from.

When Hios entered Ye Chen's Dantian, he discovered that the Azure Dragon spirit was in this place, this was the gift that Azure Dragon gave Ye Chen before he disappeared from this world.

"He obtained the complete inheritance as well as the Azure Dragon Spirit, what happened?" Hios was shocked when he saw this, to be honest it was quite surprising why the Azure Dragon would give his soul to Ye Chen, even though the Azure Dragon Soul was a very precious thing, this was a very great gift.

"I see, even Azure Dragon gave a good gift to the Sage God heir, then I will give you the best gift too, I hope it will help you in the future when you are in danger" Hios decided to give Ye Chen a special gift, this gift will save Ye Chen when the time comes, until then no one will know what Hios gave Ye Chen.

After giving the mysterious gift to Ye Chen, the Hios consciousness left Ye Chen's body Ye Chen, he immediately went and pulled away from Ye Chen's body, now Ye Chen should need some time to completely fuse with the blood he has given.

Hios turned his eyes to Ning Xia, he saw Ning Xia who was waiting.

"What do you want?, you already have two Phoenix and Ice Phoenix inheritance in your body, I can't give you anything too good" Hios said to Ning Xia.

Hios knew that Ning Xia had the inheritance of the two Phoenixes, even though the two Phoenixes had also fused the soul she possessed into Ning Xia's body.

Hios had to admit that Ning Xia had a strong body, Ning Xia had the ability to accept two Phoenix inheritances that were opposite to each other.

"I want to know the fastest way to awaken the inheritance that I have, please tell me" Ning Xia begged Hios to tell himself how to awaken his power.

"So that's the reason you're looking for Legacy Awakening Fruit" Hios finally knew the reason why Ning Xia was looking for the whereabouts of the Legacy Awakening Fruit.

"Is there any other way than using the Legacy Awakening Fruit?" Ning Xia asked if there was another way she could do it.

Hios thought of a way to help Ning Xia, he would give Ning Xia a suggestion.

"Of course there is a way, but I'm not sure you will do it" Hios said that he did have a way, the problem was that Hios didn't know whether Ning Xia could do it or not.

Chapter 1616 Ning Xia's other personality

"Please tell me, I'll give it a try." Ning Xia wanted to know what Hios meant.

"You see the person who came with you" Hios said to Ning Xia.

"Of course, he is Ye Chen, one of the disciples under my supervision." Ning Xia said that Ye Chen was the disciple under her supervision.

"Honestly, he can help you get what you're looking for." Hios said that Ye Chen could help Ning Xia get what she wanted.

"what do you mean?" Ning Xia was a little confused by what Eagle God said, she was a little confused about this matter.

"Let me be clear to you again, listen to this carefully" Hios told Ning Xia to listen to him, Hios would tell Ning Xia a secret that would let her know what Ye Chen was like.

"This little man has the inheritance of the Azure Dragon, even I found out that the Azure Dragon gave his marrow bone to this little man, plus he has an Ancient (Yang) Body, from here you can definitely know what I mean" Hios told what he was meaning.

Ning Xia was silent for a while, her brain a little slow in responding to what Hios.

Ning Xia was lost in thought, she naturally knew what Hios meant, it was obvious that if Hios wanted to say that Ning Xia wanted to awaken her power, she only had to do Dual Cultivation with Ye Chen.

Ning Xia of course thought about this very hard, she must have thought about this since Ye Chen was one of the Sect disciples under Ning Xia's tutelage, how could Ning Xia do such a thing.

Plus Ye Chen already had Mu Xueying, so how could Ning Xia do that, Ning Xia obviously wouldn't be at peace with this matter, she was a little hard to choose.

This is a very difficult choice, this choice will obviously be very, very difficult to choose.

"Why are you silent, I've told you what you can do, it's all up to you, the choice is yours, you need to know that the Legacy Awakening Fruit is something that is not easy to get, don't waste your time looking for something that is very difficult to obtain. obtained.

After saying that, Hios disappeared, he gave Ning Xia time to think about what she had just said.

To be honest, Ning Xia was extremely confused, her mind was spinning and she couldn't make a good decision.

"This seems like a very difficult decision" because this decision was so difficult, Ning Xia's other personality came over and helped.

"you?" Ning Xia saw two figures that were similar to her, one could say that these two figures were very similar to Ning Xia.

What set them apart was the color of their eyes, one pale blue and one red.

As Hios, Phoenix and Ice Phoenix have fused their souls into Ning Xia's body, of course this makes Ning Xia have several opposing personalities, there is a cold and indifferent personality, there is also a gentle and loving personality plus very tempting.

Ning Xia's two personalities rarely appeared, only occasionally appearing in special situations, for example when Ye Chen teased Ning Xia about hairpins, if Ning Xia's gentle and seductive personality didn't appear, the situation might become very ambiguous.

"So what decision will you make, we want to hear it" the three of them talked to each other, they were discussing what Hios had just done.

"I don't know I'm still confused about that matter" Ning Xia said that she was still confused about the matter, she really didn't know what to do in this kind of situation.

"Why are you bothered with that matter, look at Xueying, her special body has awakened very quickly, now you know the reason why Xueying's special body can awaken so quickly" The gentle and loving personality said to Ning Xia.

He told what happened to Mu Xueying and showed him the result he would get.

"But it would be a very messy thing, what would other people think about this matter" On the other hand a cold and indifferent personality said to Ning Xia, he told Ning Xia that it was a very difficult thing to accept.

These two personalities have their respective sides, they both have two thoughts that are different from each other.

It can be seen from the answers they both gave, one in favor and the other against.

"What's the matter, why care about such a thing, even when the Phoenix Clan is experiencing worldly problems like it doesn't want to know" the gentle personality said that this world is not good, listening to them is not worth doing, after all strength is everything, so It's useless to hear things like this.

"Still it's a shameful thing and we can't imagine" Cold personality still insists not to do that.

The situation became a little complicated, there was a difference of opinion between each other.

Even now Ning Xia looked more and more confused, she was more and more confused about what to do.

Neither of them helped Ning Xia, these two personalities made Ning Xia more and more dizzy tonight.

"Let's just leave this matter to him, I don't want to argue over this matter, it's all up to you" the two left this matter to Ning Xia.

They were just another Ning Xia's personality, all decisions were in Ning Xia's own hands.

After saying that, the two personalities disappeared, leaving Ning Xia to be confused and wondering what she should do.

.

.

Meanwhile Ye Chen had almost finished fusion with the Eagle God inheritance, Ye Chen could feel that his body was now filled with an extremely powerful energy flow.

Even Ye Chen's strength had already risen and broken through due to the fusion that took place.

"Good, I am getting stronger and stronger" Ye Chen was more and more pleased with the increase in strength he had.

Ye Chen stretched out his hand, he opened it and started to make a deep wind in the palm, when Ye Chen did this, an extremely strong wind power appeared in Ye Chen's hand.

Ye Chen decided to try, he decided to try the strength he had.

Ye Chen hit the ground beneath him with his wind power, when Ye Chen did this, the ground beneath Ye Chen instantly shattered and flew away.

"destructive power" Ye Chen's was quite surprised by the destructive power he had, now Ye Chen's wind power was getting more and more destructive.

"It seems that you have completely controlled the power that I have" Hios appeared in front of Ye Chen, he congratulated Ye Chen for successfully controlling the power he had been given.

"Thank you very much" Ye Chen thanked a lot, he was very grateful for what Eagle God gave Hios.

"This is a technique to control my power, take it" Hios gave the Eagle God Codex to Ye Chen, there is a way to control and use Hios's power.

Ye Chen accepted what Hios gave him, he would try to study this well.

"Okay, I'm done here, I've given you what you want, before I leave I will tell you something, I have given a gift for you, one day when that time comes, you can use it" Hios said to Ye Chen, he told Ye Chen that he had given Ye Chen a very great gift.

Chapter 1617 Chen, please treat me

"What is it?" Ye Chen became curious about what Hios had given him.

"You'll know when the time comes" Hios laughed, he said that Ye Chen would find out when the time came, when the time came Ye Chen would know what he meant.

After saying that Hios disappeared, he disappeared from Ye Chen's sight.

After Hios disappeared, the wind barrier in around Ye Chen also disappeared.

Ye Chen looked around, he looked around to look at Ning Xia, Ning Xia was closing her eyes, she seemed to be in a cultivating state and couldn't be bothered.

"Yuechan. . ." Ye Chen called Chu Yuechan, he wanted to ask Chu Yuechan something.

" what?" Chu Yuechan answered Ye Chen's question.

"Is the treasure you mean around this place?" Ye Chen asked Chu Yuechan, he asked if Chu Yuechan knew the treasure he said earlier.

"It has a ceiling, you can take it now." Chu Yuechan informed that Ye Chen could take the treasure right now.

"Okay" Ye Chen nodded, he would take the treasure that Chu Yuechan was referring to.

Ye Chen flew up, with the new power of the Eagle God, Ye Chen's speed increased enormously, now Ye Chen was able to increase his speed by several times.

And this is still not the full speed that Ye Chen has, Ye Chen can still be even faster than now.

Ye Chen went to the place said by Ye Chen, he used his hand to pierce the rocks and take the treasure hidden behind the rocks.

Ye pierced through the rocks with his hand, when Ye Chen did this, Ye Chen found that he had just grabbed something like a stick.

Ye Chen immediately pulled up and saw what he just got, Ye Chen was quite curious about what he just got.

"a flute" When Ye Chen pulled and looked at it, Ye Chen found that he had just picked up a flute.

"This is the Wind Beauty Flute." Chu Yuechan told what Ye Chen had just gotten.

" is this good?" Ye Chen asked Chu Yuechan, he asked if the Wind Beauty Flute was anything good.

"Hmm, this is pretty good, it's a pretty good weapon if used in the right hands." Chu Yuechan told that the Wind Beauty Flute would be a very dangerous weapon if in the right hands.

"Who do you think could use this thing?" Ye Chen wanted to know who could use this weapon.

"I don't know, but maybe it suits Qiao Xin best, I think she's close to perfection to use this" Chu Yuechan said to Ye Chen.

Among Ye Chen's women, Chu Yuechan did not find a suitable figure to use the Wind Beauty Flute, perhaps only Qiao Xin was highly suited to use this.

"Qiao Xin, I haven't seen her for a long time, so I'll just save it for now." Ye Chen decided to save this first.

After storing the Wind Beauty Flute, Ye Chen went straight to Ning Xia's place, it just so happened that Ning Xia was still unconscious.

"Lord Peak Ning. ." Ye Chen tried to call Ning Xia, he wanted to resuscitate Ning Xia who was sitting cross-legged.

Actually Ning Xia was thinking about something, she was thinking about Hios's words, Hios's words were very clear, if Ning Xia wanted to become stronger, she had to do that.

"I can't continue like this, maybe I have to take the hard road" Ning Xia really couldn't go on like this, she needed more power to command the Phoenix clan, if she continued like this, the Phoenix clan would never be able to come out from a dire situation and having to live in an unfit place.

"The thing is I have no experience with this matter." Ning Xia had no experience with this matter, to be honest she did not have a good experience with this matter.

"For that you can leave it to me" Ning Xia's gentle personality could solve this problem, she would teach Ning Xia how to seduce Ye Chen.

Ning Xia's eyes suddenly began to change color, it seemed that Ning Xia's current consciousness had been replaced by something else.

"uhh. ., this atmosphere, why do I feel bad?" Ye Chen felt bad, he felt something bad was going to happen to him.

This bad mood came from Ning Xia, she felt that the situation was not fine.

Ning Xia suddenly came closer to Ye Chen, she took off her mask and looked at Ye Chen directly.

"Lord Peak Ning, what are you doing?" Ye Chen asked Ning Xia, he wanted to know what Ning Xia was up to.

Ning Xia didn't answer Ye Chen, she immediately hugged Ye Chen who was in front of her.

Ye Chen was of course a little confused by what Ning Xia did, to be honest what Ning Xia did was shocking to Ye Chen.

"I have a request for you" Ning Xia said that she had a request for Ye Chen.

"What do you ask for?" Ye Chen asked what Ning Xia wanted.

"I want you treat me" Ning Xia said that she wanted Ye Chen to do it herself.

"Huh? ? ?," Honestly Ye Chen couldn't respond to what Ning Xia said, what Ning Xia said was very shocking to Ye Chen.

"Why are you silent, am I not beauty for you?" Ning Xia asked Ye Chen, she saw that Ye Chen was silent, it was not strange that Ning Xia thought that Ye Chen thought that he was not worthy.

Ning Xia who now had very gentle and affectionate words, honestly this was the thing that made Ye Chen confused and couldn't digest what was happening.

"Lord Peak Ning, are you drunk?" Ye Chen thought that Ning Xia was drunk, Ning Xia must be drunk and unconscious.

Ye Chen still couldn't believe what Ning Xia had said, it was impossible for Ning Xia to say something like that, it was absolutely impossible for Ning Xia to do to Ye Chen.

To be honest, Ning Xia's request was very surprising, Ning Xia's request was certainly a little unreasonable.

How could Ning Xia, a woman with such high regard for discipline and dignity, want such a thing, something was obviously wrong.

"I'm not drunk, Chen, don't you want to do?" Ning Xia said to Ye Chen, Ning Xia tried to seduce Ye Chen by using a little seduction, with a little seduction, it should be able to make Ye Chen excited.

"This is the same as last time" Ye Chen saw that this was happening again, again Ye Chen felt like he was being teased and treated like a child by Ning Xia.

"Does Lord Peak Ning have a disease?" Ye Chen started to wonder if Lord Peak Ning had an illness, it felt really strange to see Lord Peak Ning being like this.

"Master, are you still not aware of something about Ning Xia?" Chu Yuechan said to Ye Chen.

"Realized something?" Ye Chen looked at Ning Xia, he was trying to figure out what Chu Yuechan meant.

"Don't tell me Lord Peak Ning has multiple personalities?" Ye Chen finally found out what Chu Yuechan meant, he finally knew why Ning Xia could be like this.

Chapter 1618 why so rush, let's enjoy this slowly

"It seems that the probability is very high." Chu Yuechan said that the possibility that Ye Chen said was very high, it is very likely that what Ye Chen said was also true.

"That might explain everything" Ye Chen finally understood, he finally understood a little what happened, he had been wrong about Ning Xia all this time, Ning Xia was much more mysterious than Ye Chen thought.

"Lord Peak Ning, please wake up" Ye Chen tried to resuscitate Ning Xia, he grabbed Ning Xia's shoulders and started to shake Ning Xia's body.

"Chen, I wake up, what's wrong with you." Ning Xia said that she was currently conscious.

"But you, what a weirdo" Ye Chen didn't believe what Ning Xia said, she honestly didn't believe what Ning Xia said about what had just happened.

"Chen stop being suspicious like that, I know what I'm doing, let's do it and finish this quickly" Ning Xia said to Ye Chen, she told Ye Chen to do this quickly.

Ning Xia tried to tease Ye Chen, she used her finger to make a circle on Ye Chen's chest.

Luckily Ye Chen was strong, he was able to survive the attacks made by Ye Chen.

Although he could still restrain himself now, Ye Chen wasn't sure if he could endure this any longer, to be honest the current Ning Xia was much more seductive, resisting the stimulation from the current Ning Xia would be a difficult thing to do.

"But you are very strange" Ye Chen said that Ning Xia looked very strange, to be honest Ning Xia looked very strange and unreasonable.

"Which is strange, are you not interested in me, I am starting to doubt whether you are a man?" Seeing Ye Chen still not taking any action, Ning Xia finally got up the courage to mock Ye Chen, maybe with this Ye Chen will act more seriously.

"-_-_" Ye Chen really felt that Ning Xia was teasing and testing him, what should Ye Chen do in the face of this, whether he should catch the bait or not.

"Act like a man, don't disappoint others" Ning Xia told Ye Chen to act like a more aggressive man.

"No need to hesitate, this is a very good moment, don't miss an opportunity like this." Chu Yuechan told Ye Chen not to hesitate, this was a good opportunity to get Ning Xia.

"Since she said that, I can't withdraw" because Ning Xia said that, Ye Chen would not back down, he couldn't withdraw after getting an open challenge letter from Ning Xia.

Ye Chen immediately hugged Ning Xia who was in front of him, he hugged Ning Xia and immediately hugged her into his arms.

"Lord Peak Ning, don't regret this." Ye Chen said to Ning Xia, lest Ning Xia regret what she said.

"I won't regret what I said" Ning Xia wouldn't regret, she wouldn't regret what she said.

Seeing that Ning Xia didn't regret or put up any resistance, then Ye Chen would eat Ning Xia.

Ning Xia was beautiful and dazzling, Ning Xia's charm was one of the best with an elegance that was like that of a Phoenix flying proudly in the sky.

"Just do it" Ning Xia told Ye Chen to do it immediately.

Here Ning Xia had no experience, so she decided to let Ye Chen take the lead.

No matter if this was a different personality, he still didn't have enough experience in Dual Cultivation matters, so let Ye Chen take the lead.

As someone who had done it with Mu Xueying and had conquered Mu Xueying, Ye Chen should have had an ability, it was impossible for Ye Chen to conquer Mu Xueying without an ability, it was impossible.

Ye Chen first took off Ning Xia's veil, Ye Chen wanted to see Ning Xia's real face.

Previously Ye Chen had not had a chance to see Ning Xia's beauty, now he had a chance to see Ning Xia's true beauty.

"Very beautiful . . ." Ye Chen highly praised Ning Xia's beauty, it could be said that Ning Xia was one of the most beautiful women Ye Chen had ever met.

Ning Xia blushed a little, she was a little embarrassed to do this, Ning Xia thought of retreating, but the situation had come to this, she wouldn't be able to back down again once everything got here.

Since Ning Xia's personality had already finished teasing and provoking Ye Chen, now that the main personality had taken over, it could be said that Ning Xia was now fully aware.

"Good luck" Ning Xia's personality gave encouragement, she told Ning Xia to do her best, these were important moments that Ning Xia had to go through to awaken the legacy she had.

When that time came, Ning Xia would gain much stronger strength than she is now.

"Don't look at me like that, it's embarrassing" Ning Xia told Ye Chen not to look at her, to be honest Ning Xia was embarrassed when she faced Ye Chen in this way.

The calm Ning Xia, this time was very embarrassed when facing Ye Chen, the situation this time was really embarrassing for Ning Xia.

"why are you embarrassed, didn't you ask me" Ye Chen whispered to Ning Xia, Ye Chen became bolder, he became even more daring in doing Ning Xia.

"Just do it quickly, why are you being so late" Ning Xia told Ye Chen to hurry up, she didn't want to waste time.

What Ning Xia did was very embarrassing, Ning Xia felt that she wanted to find a hole to hide in, to be honest what was happening now was very embarrassing and hard to bear.

"why so rush, let's enjoy this slowly" Ye Chen said that they will enjoy this slowly.

Ye Chen was going to enjoy Ning Xia slowly, he couldn't wait to enjoy Ning Xia slowly, Ning Xia's beauty was worthy of being enjoyed by Ye Chen.

Ye Chen stretched out his hand, he started to touch and caress Ning Xia's body.

When Ye Chen stroked Ning Xia's body, Ye Chen found that Ning Xia's body was shaking slightly, it seemed that Ning Xia was still not used to what was happening, she was still not used to what was happening at this time.

"Looks like he's still inexperienced" From what happened, Ye Chen could conclude that Ning Xia was still inexperienced, Ning Xia was still inexperienced in this matter.

"This is very interesting, Lord Peak Ning is still a very pure, I will try to tease her" Since Ning Xia was still a very pure, Ye Chen decided to tease her.

Ye Chen started to show the skills he had, he started to show the abilities he had in front of Ning Xia.

"Ummm. . ." Ning Xia let out a groan, she let out a very, very beautiful and melodious moan.

"she has a beautiful voice, I like this" Ye Chen really liked Ning Xia had a very beautiful voice and was full of temptation.

Overexcited, Ye Chen directly touched Ning Xia's double peak, he confirmed Ning Xia's size and texture.

"No don't stay there" Ning Xia groaned, she groaned when Ye Chen touched the double peak that Ning Xia had, what Ye Chen was doing made her body hot and felt very strange.

Chapter 1619 Ye Chen & Ning Xia (1)

"Why is this so great?" Ye Chen said that Ning Xia had very good things, Ye Chen liked the feeling that Ning Xia's two double peaks gave when touched by hand.

Ning Xia's double peak was above the female average, it was still big and comfortable to touch.

"Ah. ." Ning Xia started to lose her mind a bit, she lost control when she saw Ye Chen touch her like this.

Ning Xia really didn't know that being touched by a man would be so pleasant like this, to be honest she didn't expect being touched by a man to be so comfortable like this.

This comfortable and pleasant feeling made Ning Xia slightly confused, Ning Xia felt that her body was floating in the sky.

"Chen, stop for a moment" Ning Xia told Ye Chen to stop, she still wasn't used to what Ye Chen was doing.

"no need to hold back" Ye Chen whispered to Ning Xia, he told Ning Xia not to hold back.

"Even if you say that" Even though Ye Chen said that, in fact Ning Xia couldn't do it, she still tried to restrain herself.

Ning Xia was a woman of good character, so doing this would be against Ning Xia's boundaries.

Even though Ning Xia had pleaded with Ye Chen, Ye Chen still didn't hold back, he would make Ning Xia feel the feeling of her technique and skill in seducing a man.

"Humph. . ." Ning Xia's breathing was already very fast, Ning Xia was already really very excited, she had started to become hot and helpless with Ye Chen's attack.

Ning Xia's mind had become extremely chaotic, Ning Xia could no longer control herself.

Ye Chen looked at Ning Xia, Ning Xia was already starting to look confused, now was the perfect time to make an attack on Ning Xia.

Ye Chen kissed Ning Xia, he pecked Ning Xia's Cherry lips.

"ummm. . ." Ning Xia's eyes immediately widened, she was really shocked by what Ye Chen had done.

"What kind of feeling is this, it's very embarrassing but on the other hand it feels very comfortable" Ning Xia didn't know what kind of feeling this was, on one hand Ning Xia felt very embarrassed, on the other hand she was happy with what Ye Chen did.

Ye Chen started to teach Ning Xia who was still a virgin, he taught Ning Xia the basics of kissing.

Ning Xia began to imitate Ye Chen's movements, she tried to match Ye Chen's ability.

Because Ning Xia was already very talented, Ning Xia was able to learn everything in one try, she was extremely talented when it came to practicing and learning things.

Ning Xia began to sink, she began to sink into an immense desire, it was difficult for Ning Xia to return after being trapped in this place.

"Chuu. . ., Chuu . . ., Chuu . . ., Chuu . . ., Chuu" Ye Chen and Ning Xia had a passionate kiss, with the help of Ye Chen, and Ning Xia's talent, the two were completely immersed into their own world.

In addition to kissing Ning Xia, Ye Chen also made several other attacks on Ning Xia, Ye Chen touched and continued to play with Ning Xia's entire body which had developed very well.

Ning Xia has a good and Sexy body, Ning Xia's body feels very soft and elastic when touched by Ye Chen's fingers, this makes Ye Chen feel very difficult to leave Ning Xia.

With all kinds of stimulation going on, Ning Xia was naturally at her limit, she had tried quite hard to fight Ye Chen, unfortunately Ning Xia's resistance had to end here.

"Not . . ." Ning Xia shouted, she seemed to have reached the pinnacle of happiness in this world.

Ning Xia felt a very extraordinary feeling, this was the most beautiful feeling in her life.

After reaching Ning Xia Peak lying on Ye Chen's chest, she used Ye Chen's chest as a support.

"Master, I have prepared a chamber for you two." Chu Yuechan told Ye Chen that he had prepared a Dual Cultivation chamber for Ye Chen.

"Aren't you too bothered?" Ye Chen asked Chu Yuechan, Ye Chen saw that Chu Yuechan was in a lot of trouble, he seemed to be trying to persuade Ning Xia to use the Dual Cultivation Chamber.

"You got a big catch, of course you have to eat it in a good place" Chu Yuechan giggled at Ye Chen, he told Ye Chen to eat a big catch in a good place too.

"Geez, you take Lord Peak Ning as a catch, what if he knows what you are saying" Ye Chen shook his head, he said in a helpless tone.

"why, she is currently helpless, she will not put up any resistance, it seems she has completely left everything to you" Chu Yuechan saw that Ning Xia had completely given up, she had completely given up fighting Ye Chen.

"I will take her to the fairy gate" Ye Chen had already planned it, he would do it with Ning Xia in the Dual Cultivation chamber, there they would get a huge benefit.

Ye Chen carried Ning Xia inside the fairy gate and placed her directly onto the bed.

Ye Chen wasted no time and immediately took off every single one of Ning Xia's clothes.

When Ye Chen helped Ning Xia, Ning Xia suddenly woke up, Ning Xia immediately looked at Ye Chen who was in front of her.

Ning Xia looked around, she found that she was in a very strange place that she had never seen before.

Ning Xia saw what Ye Chen was doing, when Ning Xia saw what Ye Chen was doing, Ning Xia immediately pushed Ye Chen's hand away.

" what are you doing?" Ning Xia asked Ye Chen, she asked what Ye Chen was trying to do.

Ning Xia tried to cover her body, she tried her best to cover her body so as not to be seen by Ye Chen.

What Ning Xia did was a waste of time, Ye Chen had already seen what Ning Xia had, Ning Xia wouldn't be able to hide something like this from Ye Chen.

"I'm helping you" Ye Chen said that he was helping Ning Xia.

Hearing this, Ning Xia started to think about what was going on, she finally remembered what was going on.

"Where are we?" Ning Xia asked, she asked Ye Chen who was in front of her.

"This is my private place" Ye Chen said to Ning Xia, he said that this is his private place.

Ning Xia was a little curious, she was a little curious about what Ye Chen said.

"No need to think about it, let's start right away" Ye Chen told Ning Xia not to think about where they are now.

Ye Chen took off his clothes, he showed Ning Xia a rather stout body.

"What is that...?" Ning Xia covered her mouth, just saw something very shocking.

Ning Xia looked at Ye Chen's big thing, to be honest Ning Xia was surprised by what Ye Chen had.

"It's too big right?" Ning Xia felt that Ye Chen had something too big, Ning Xia didn't know if it could match her.

Ning Xia felt a little scared, she felt a little scared when she saw Ye Chen's big thing.

Chapter 1620 Ye Chen & Ning Xia (2)

This was a normal reaction for a virgin, even someone like Ning Xia who had quite a bit of experience would look shocked like this.

Ye Chen drew closer to Ning Xia, he came closer and hugged Ning Xia who was in front of him.

Ning Xia was still keeping an eye on Ye Chen's, she still felt a great threat from Ye Chen.

"Let's do it" Ye Chen said to Ning Xia, he told Ning Xia that they will continue.

" but, I" Ning Xia started to show a little doubt, she showed a little doubt after seeing Ye Chen hiding something awesome under his body.

"There is no time to retreat" Ye Chen said that he would not let Ning Xia back down, how could Ye Chen let Ning Xia retreat after what happened.

To be honest Ye Chen was now very uncomfortable and needed Ning Xia's help.

Ye Chen had restrained himself enough, now he no longer held back and decided to let it all go.

It's time to eat Ning Xia who is in front of him, this is Ye Chen's chance to eat Ning Xia.

Ning Xia seemed to be still very hesitant at all, she seemed to still hesitate when she was with Ye Chen.

Seeing the slightly hesitant Ning Xia, it was time for Ye Chen to make Ning Xia make up her mind.

Ye Chen kissed Ning Xia for the second time, he kissed Ning Xia with passion and sincerity.

Ning Xia felt weak with what Ye Chen did, she felt very weak when Ye Chen kissed her, all her strength was lost when she kissed Ye Chen.

"Um. . Why did I become weak like this?" Ning Xia felt strange, why did she become weak like this by a kiss, this was something unreasonable.

Ye Chen kissed Ning Xia even more aggressively, the two of them having a passionate kiss that was very strong and made lewd sounds.

Ye Chen and Ning Xia's tongues intertwined with each other, they were trying to pull themselves together.

Ning Xia was already quite hot, she already felt very wet at the bottom.

Ye Chen also felt the same way as Ning Xia felt, to be honest Ye Chen felt very hot and wanted to go in immediately.

"Lord Peak Ning, may I do it now?" Ye Chen asked Ning Xia, she asked if she could do it now.

"Don't ask about such things, it's embarrassing" Ning Xia couldn't answer Ye Chen's question, what Ye Chen said was a very embarrassing thing.

"If you don't say so, I'll assume it's a yes." Since Ning Xia couldn't decide, Ye Chen would assume that Ning Xia agreed with him.

Ning Xia didn't show any strange reactions, she was very calm and didn't put up a fight against Ye Chen.

Ye Chen liked Ning Xia more and more, he still couldn't believe that he could do it with Ning Xia.

Ye Chen honestly couldn't expect this, Ning Xia is the most calm woman and doesn't overreact when she's with Ye Chen, Ning Xia's reactions can be said to be very normal when she's with Ye Chen.

No matter how hard Ye Chen tried to show Ning Xia, Ning Xia didn't seem too interested in this, she only occasionally showed surprise and after that she returned to normal as usual.

Now that Ning Xia was showing a side that probably no one else could see, who would believe that Ning Xia asked Ye Chen something unreasonable.

Ye Chen immediately readied his weapon, he was already preparing to penetrate into a place no one else had ever visited.

"It's quite beautiful" from here Ye Chen could see that Ning Xia had a Honey Cave which was very beautiful and looked tempting.

Ye Chen rubbed Ning Xia using his younger brother, he was trying to tease Ning Xia.

Ning Xia felt very uncomfortable, what Ye Chen was doing made her even more uncomfortable.

"Why are you even teasing me?" Ning Xia complained to Ye Chen who was teasing her instead.

Ning Xia wanted to get this over with as soon as possible, she wanted to finish things quickly.

"be patient" Ye Chen tried to tease Ning Xia, he tried to tease Ning Xia even more.

It was quite fun when Ye Chen tried to tease Ning Xia, he really enjoyed it.

Ning Xia felt more and more uncomfortable, her body slightly squirming to try to relieve the discomfort that was in her body.

"Chen quickly do it. . ." "Because she couldn't stand it anymore, Ning Xia decided to ask Ye Chen to do it right away, Ning Xia really couldn't stand it.

"Alright, if that's your wish" Since Ning Xia had pleaded, Ye Chen decided to use his possessions to enter Ning Xia's restricted area.

"Ummm, ah. . ." Ning Xia's body flinched slightly, she gasped when she received Ye Chen's big one.

"This hurts. . ." Ning Xia didn't expect it to be so painful, it felt like her body had just been torn apart.

It was fortunate that Ning Xia was a strong cultivator, so she could naturally endure the pain that was in her body.

Even though she could endure the pain, in fact Ning Xia was still in tears, after all this time she gave Ye Chen the most precious thing as a woman.

Ye Chen saw a little blood, it seemed that Ning Xia was still a pure person.

"I really got it" Ye Chen was satisfied, he got Ning Xia for the first time.

It was an immense satisfaction for a man to conquer Ning Xia, conquering a woman like Ning Xia was something not just anyone could do.

Inside Ning Xia is very comfortable, Ye Chen feels hot and cold while inside Ning Xia, this feeling can be said to be something great and the first time Ye Chen felt

Ye Chen didn't immediately start a battle, he gave Ning Xia getting used to him.

Luckily Ye Chen gave Ning Xia time, that way Ning Xia could better adjust to Ye Chen's big one.

After a while, Ning Xia finally started to feel better, the pain that had previously subsided and was replaced by a rather strange feeling.

After seeing that Ning Xia had improved, it was time for Ye Chen to make a move, Ye Chen drilled inside Ning Xia's honey cave.

"Ahhh, this. . ." Ning Xia immediately felt a very good feeling, she felt a very beautiful feeling in this life, this was a feeling that Ning Xia could not explain.

"Is this good?" Ye Chen asked Ning Xia who was below him.

"This is great." Ning Xia said that it felt great and comfortable, she liked it.

Ye Chen smiled when he heard this directly from Ning Xia, it seemed that Ning Xia was very fond of Dual Cultivation.

"I'm glad you said that." Ye Chen said that he was happy with what Ning Xia had to say.

"More please" Ning Xia asked Ye Chen more, she still didn't have enough of what Ye Chen did.

"You might regret what you said" Ye Chen said to Ning Xia, Ning Xia might regret what she said.

"Just show what you have, don't hold back" Ning Xia told Ye Chen to show his strength, lest Ye Chen hold back his ability.
