

A True God 1631

### **Chapter 1631 She is a very ambitious woman**

Yue Ya seemed to corner Sun Xuanyin, she was trying to corner this extremely proud Sun goddess.

"Did you come here to make trouble with me?" Sun Xuanyin said to Yue Ya, she didn't like what Yue Ya had just said.

"I don't want to cause trouble, but if you want to cause trouble, I don't mind fighting you." Yue Ya said that she didn't mind fighting Sun Xuanyin.

"You are actually challenging this young lady, feel this" Sun Xuanyin stepped forward, she attacked Yue Ya who was in front of her.

Yue Ya did not put up a fight against Sun Xuanyin's incoming attack, Instead Vei stepped forward to stop Sun Xuanyin's attack.

"Bam. ." An enormous impact occurred when Vei fought Sun Xuanyin, in this exchange, the two of them were both forced to retreat backwards.

"You are still not worthy to fight against the Moon Goddess" Vei said that Sun Xuanyin was still not worthy to fight against Yue Ya.

"I don't care about that" Sun Xuanyin didn't care about that, since Yue Ya had angered her, Sun Xuanyin wanted to fight her.

Sun Xuanyin knew from the start that she was no match for Yue Ya, but because she was teased by Yue Ya, Sun Xuanyin had no choice but to fight against Yue Ya.

"I already told you that I have no interest in fighting with you, why don't you just leave." Yue Ya told Sun Xuanyin to leave this place, to be honest she had no interest in fighting Sun Xuanyin.

"Just watch out." Sun Xuanyin had no choice but to leave this place, Sun Xuanyin knew that she would not be able to defeat Yue Ya with her current strength.

Sun Xuanyin and her maids left this place, they left and left this place.

"Sun Xuanyin, she is growing very fast, her strength and talent are also terrifying at such a young age." Yue Ya had to admit Sun Xuanyin's abilities, at such a young age, Sun Xuanyin was already able to be at this stage.

"Goddess, that woman has immense power, she also has the support of many parties, sooner or later she will become a big and powerful person" Vei said to Yue Ya, he said that Sun Xuanyin would continue to get stronger.

"With such a strong ambition, I predict that it won't take long." Yue Ya could confirm that it would definitely happen soon.

Sun Xuanyin had enormous ambitions, Sun Xuanyin's ambitions were enormous, perhaps even surpassing Sun Quan.

"By the way, how is the progress of your investigation, have you found the whereabouts of the Mask Hero?" Yue Ya asked Vei, she wanted to know the progress that Vei had made.

"Miss, to be honest I'm still having trouble finding that person" Vei said that he still seemed to have a hard time finding the whereabouts of the Mask Hero.

Honestly Mask Hero is very difficult to find, he is too good at hiding himself from outsiders

"is it really impossible to find him?" Yue Ya asked again, he wanted to find the whereabouts of the Mask Hero.

"I'm sorry, I've been looking for a lot of clues, unfortunately I can't find a single solid clue." Vei apologized to Yue Ya, he couldn't carry out the task Yue Ya gave him.

"Never mind, he seems to be much smarter than you can imagine" Since Vei couldn't find Ye Chen's whereabouts, it was certain that Mask Hero was a very smart person.

"Vei, how is Ye Chen doing, is he okay?" Yue Ya asked about Ye Chen's condition, she wanted to know Ye Chen's condition.

"He's fine, to be more precise he lives a very comfortable life in a place called Jade Lotus Peak, there are many beautiful women with good temperaments around him all the time" Vei told what she had found out from Ye Chen.

As soon as Vei said this, Yue Ya's body emitted a terrifying black aura.

"Moon goddess?" Vei was a little scared when she saw Yue Ya giving off a dark aura like this, to be honest Vei was the first time seeing Yue Ya giving off such a terrifying aura and pressure.

"Did I say something wrong?" Vei started to think that she had spoken wrongly and made Yue Ya angry with her.

"Ye Chen, it seems that you are enjoying your life freely, I can't wait to see you soon" Yue Ya really couldn't wait to meet Ye Chen, after everything was over, Yue Ya would go see Ye Chen and sort things out.

Yue Ya had to teach Ye Chen a bit of a lesson so he wouldn't act like that.

"Let's see for a moment, if the Mask Hero is not found, we will return" Yue Ya decided to wait for a while before returning, maybe the Mask Hero is still around this place.

After Yue Ya and Sun Xuanyin, there were quite a few people who came, that included Hai Wan, he came to see what was going on.

"Is everything fine here?" Hai Wan asked Hai Rang, he asked if the situation could be controlled by Hai Rang.

"Lord, I'm sorry it looks like that person managed to escape, he has quite a terrifying strength" Hai Rang reported what happened to Hai Wan, he had failed in the task that was given by Hai Wan.

"It seems that I underestimated this person too much, one person can make an army like this, it seems that more power is needed to capture him" Hai Wan underestimated Ye Chen too much, he underestimated Ye Chen's strength too much.

"Hai Rang, you have failed in your duty, temporarily suspend your position and treat your wound, you will return for an indefinite period of time" Hai Wan punished Hai Rang for failing in the mission.

"Okay, I understand" Hai Rang could only nod lightly, he knew that he might not be able to become a commander anymore because of this matter.

Hai Rang and re-enter, they come back to treat the wounds they have.

Hai Wan himself looked towards the Green Dwarf Star, Hai Wan reached out his hand and instantly crushed the Green Dwarf Star which had been enveloped by Ice.

In a short amount of time, the Green Dwarf Star was completely destroyed, Hai Wan's power was so strong that it could destroy a star with a single strike.

After destroying the Green Dwarf Star, Hai Wan left this place, he didn't care anymore what happened, he left without saying anything.

"This old man is a little crazy" Yue Ya who was looking for traces of Ye Chen saw what Hai Wan was doing, what Hai Wan was doing was a little crazy.

Yue Ya naturally knew the reason behind Hai Wan suddenly destroying the Green Dwarf Star, he must have vented his anger on the Green Dwarf Star.

"Let's go too" because the Green Dwarf Star was destroyed, Yue Yan and Vei left this place, both of them went back to Blue Moon God.

.

.

Meanwhile Ye Chen had already returned to his home, thanks to the Teleportation Ring Ye Chen was able to escape easily.

"Have they both fled or not?" Ye Chen wanted to know the state of Ning Xia and Mu Xueying, whether Ning Xia and Mu Xueying were safe or not.

Ye Chen hoped that the two of them would survive, he really hoped that Ning Xia and Mu Xueying had gone and saved themselves

### **Chapter 1632 You still remember to visit this old lady**

"Young master, you are back" Qi Yunzhi said to Ye Chen, she happened to be helping Li Jingyi to water the flowers in this house.

"Yes, I'm back." Ye Chen informed that he had returned, Ye Chen did not expect that Qi Yunzhi would return to this home.

"How about the training?" Ye Chen asked about how the practice had been.

"Everything went very well." Qi Yunzhi said that everything was going very well, she had received training at the Jade Lotus Peak.

"Very good." Ye Chen was happy when he heard this, he was very happy when he listened to Qi Yunzhi who was already practicing well.

"Go on with your work, I'll be gone for a while" Ye Chen said to Qi Yunzhi to continue her work, he was going to see Yan Fei.

Qi Yunzhi nodded, she will finish her pending work, there are still many flowers that have not been watered and cared for, Qi Yunzhi must do his best to make Ye Chen like her.

Ye Chen went to see Yan Fei, he was looking for the whereabouts of Yan Fei who was around this house.

It just so happened that Yan Fei was relaxing, he was enjoying a leisurely time cultivating near the pond.

"Wife" Ye Chen approached Yan Fei, he said to Yan Fei who was in front of him.

"Husband, you're back, what a coincidence, I've done what you asked." Yan Fei reported that she had done what Ye Chen asked.

"That's great." Ye Chen was happy when he listened to what Yan Fei had to say, it seemed that Yan Fei had done a very good job.

"Are you sure you want to give these resources to all the female disciples in Heaven Dream Sect?" Yan Fei asked Ye Chen.

Yan Fei had already given resources to Heaven Dream Sect, with that many resources, it should be enough to repair the damage done.

"It's okay to give them that, we need the strength they have" Ye Chen has to start preparing for battle, he needs even more strength to help him deal with such a big problem.

"Looks like your ambitions are getting bigger and bigger." Yan Fei saw that Ye Chen had big ambitions.

"I just want to help Chi Shui and Chi Zuiye." Ye Chen said that he only wanted to help the rise of the Heaven Dream Sect.

There is still a far more powerful enemy waiting, Heaven Dream Sect must rise up and fight against that powerful enemy.

"Fei, you bought such a huge amount of resources, aren't you afraid of being discovered?" Ye Chen asked Yan Fei.

Yan Fei should have bought an enormous amount of resources, what Yan Fei did should be eye-catching.

"What you say is absolutely true, what I do will certainly attract attention, but you don't need to worry, I will be careful in doing it" Yan Fei said that he would be even more careful.

"caution is a very good thing, make sure you stay careful" Ye Chen said to Yan Fei.

Ye Chen wanted Yan Fei to be careful in doing everything, Yan Fei must not provoke suspicion from other powers.

"Husband, do you have any other business ideas?" Yan Fei asked Ye Chen, she asked if Ye Chen had any other business ideas.

Ye Chen's business was already huge, they had to continue to develop it while they were at the top.

"Don't you have any new innovations?" Ye Chen asked Yan Fei, should Yan Fei develop better innovation.

"Of course I did, the problem is that your idea is very important, the idea you gave is very valuable." Yan Fei needs Ye Chen's idea, Ye Chen's idea is very important.

"Okay. . . , I'll give you a little help" Seeing Yan Fei pleading in such a manner, Ye Chen decided to lend a hand.

Ye Chen helped Yan Fei develop the business they had, that way Ye Chen could get even more resources that he didn't have.

On the other hand, Chu Ning'er has also contributed a lot to Ye Chen, she has helped Ye Chen develop a medicinal garden so that everyone can enjoy this.

Ye Chen and Yan Fei discussed, both discussed for future business.

Ye Chen had very good views, he wanted to make Artifacts, Pills, medicinal sales services and much more.

For that, Ye Chen will take Fairy Zhen to help him in finding talent within the Sect to help.

"You have a good idea, looks like it will work" Yan Fei nodded, what Ye Chen wanted was a very good thing.

"Okay, I'll go back to work, this kind of thing must be done soon" Yan Fei said that if she had to go back to work, she had to immediately execute Ye Chen's plan.

Yan Fei was so excited, she immediately went to do what Ye Chen said.

"It seems that she is too excited." Ye Chen saw that Yan Fei was very passionate about this matter.

It wasn't strange that Yan Fei was so passionate about this matter, she was truly a woman who loved work.

Yan Fei is gone, it's time for Ye Chen to meet Fairy Zhen, it's been a while Ye Chen hasn't gone to see Fairy Zhen, Ye Chen wants to ask her for help with his plan.

Ye Chen had to quickly expand he strength, he couldn't be lazy in doing this.

Ye Chen flew towards the outer court, at this hour Fairy Zhen should still be in her private room in the medicine pavilion, this woman must be doing her own experiment.

Ye Chen only took a moment to get to the medicine pavilion, after arriving, he immediately snuck over to Fairy Zhen's place.

Ye Chen didn't want to cause a commotion because of his arrival, so he decided to just sneak around to trick everyone in this place.

Ye Chen sneaked into Fairy Zhen's place, when Ye Chen sneaked in, Ye Chen discovered that Fairy Zhen was selecting ingredients to concoct a pill.

Seeing this, Ye Chen immediately approached and hugged Fairy Zhen from behind, he wrapped his arms around Fairy Zhen's waist.

When Ye Chen hugged Fairy Zhen's body, Fairy Zhen immediately panicked, she tried to get away from Ye Chen.

"Who are you?, let me go quickly" Fairy Zhen was not prepared for Ye Chen's arrival, Ye Chen had hid himself very well.

Fairy Zhen rebelled, she rebelled against Ye Chen, it was obvious that Fairy Zhen was not aware that Ye Chen was behind her.

"Beautiful sister, it's me, did you just forget about me" Ye Chen whispered in Fairy Zhen's ear, he said in a tone full of temptation.

Hearing a very familiar voice, Fairy Zhen immediately knew that the person behind her was Ye Chen.

Fairy Zhen was relieved when she saw that behind her was Ye Chen, she thought someone else was behind her.

"Ye Chen why are you here?" Fairy Zhen asked Ye Chen, why was Ye Chen in his place.

"I came to visit you" Ye Chen said that he came to visit Fairy Zhen.

"You still remember to visit this old lady, I thought you had forgotten the time with the beauties at Jade Lotus Peak" Fairy Zhen said in a dissatisfied tone, she looked dissatisfied when she said this to Ye Chen.

Fairy Zhen was clearly angry at Ye Chen, she was not happy that Ye Chen had forgotten about her.

### **Chapter 1633 I will cheer you up and relieve your tiredness**

Ye Chen knows that Fairy Zhen must be angry with what happened, Ye Chen has not seen Fairy Zhen for a long time, of course this makes Fairy Zhen very angry with Ye Chen.

Ye Chen had to find a way to comfort Fairy Zhen, he had to find a way to comfort Fairy Zhen.

"How could I forget my beautiful wife" Ye Chen said to Fairy Zhen, he said that he couldn't forget Fairy Zhen.

"Hmph. . "Fairy Zhen still sniffed coldly, she was still angry with Ye Chen who rarely saw her.

"Come on don't be angry like that" Ye Chen tried to calm Fairy Zhen, he tried his best to make Fairy Zhen feel calm and comfortable.

Too bad Fairy Zhen didn't want to listen to Ye Chen's words, she was already in a rush.

"She is indeed the most difficult woman" Ye Chen admits that Fairy Zhen is indeed very difficult to manage, Fairy Zhen is still a little stubborn in love matters like this.

In order to deal with the slightly stubborn Fairy Zhen, Ye Chen had to be even more patient.

Ye Chen continued to hug Fairy Zhen's body, he didn't let Fairy Zhen escape from her embrace.

"Let me go, what are you doing" Fairy Zhen tried to push Ye Chen away, she pushed Ye Chen away from her.

"Didn't I already apologize, why are you still angry?" Ye Chen said to Fairy Zhen, even though Ye Chen had already apologized for what happened.

"That's not enough" Fairy Zhen said that Ye Chen's apology wasn't enough.

"Then what do you want?" Ye Chen asked what Fairy Zhen wanted, he asked what Fairy Zhen wanted from her.

Fairy Zhen was silent while listening to what Ye Chen said, Fairy Zhen did not answer Ye Chen's question.

It seems that Fairy Zhen doesn't want to say what she wants from Ye Chen.

Seeing this, Ye Chen probably knew what Fairy Zhen wanted.

Ye Chen started to touch Fairy Zhen's body, he started to comfort Fairy Zhen who was in his arms.

" No. . . , stop . . ." Fairy Zhen told Ye Chen to stop, she could at least resist Ye Chen's invasion.

"I will stop if you say what you want from me" Ye Chen said that he would stop when Fairy Zhen said what she wanted.

"You always bully me, don't you want to bully a woman?" Fairy Zhen saw that Ye Chen always bullied himself.

"How can that be said to be bullying, I'm currently comforting one of my wife who is angry" Ye Chen dodged that he was currently bullying Fairy Zhen, Ye Chen didn't feel that he was bullying Fairy Zhen.

" you . . ." Fairy Zhen was annoyed when she saw Ye Chen trying to dodge.

"Wife, you must be tired from doing experiments alone, let me help you" Ye Chen said to Fairy Zhen.

Ye Chen will help Fairy Zhen, he will help Fairy Zhen in overcoming fatigue.

"No, I'm not tired, I'm fine, so let me go quickly." Fairy Zhen said that she was fine, she felt that bad things would happen if she followed what Ye Chen said.

"You don't have to lie like that, I know if you're tired, leave it all to me" Ye Chen told Fairy Zhen to leave everything to him.

"Ahhh. . ." When Ye Chen's fingers touched Fairy Zhen's double peak, Fairy Zhen suddenly let out a very cute groan.

"Hehehe, the voice is very funny" Ye Chen was very happy when he heard Fairy Zhen's voice, Fairy Zhen's voice was very comfortable for Ye Chen to listen to.

Ye Chen squeezed and started to knead Fairy Zhen's double peak, he enjoyed the treasures that Fairy Zhen had.

"Hufft. . . ." Fairy Zhen's breathing started to become very fast, she became very excited when Ye Chen touched her two dual peaks.

Fairy Zhen was really very weak, she was very weak when Ye Chen touched her.

"how do you like it?" Ye Chen asked Fairy Zhen.

" no, I do not like . . ." Fairy Zhen said that she didn't like this.

"Really, then I will make you more honest." Ye Chen said to Fairy Zhen, he would make Fairy Zhen more honest.

"Ye Chen stop right now" Fairy Zhen told Ye Chen to stop, she couldn't stand this.

Fairy Zhen is already excited, if it continues like this, then it is certain that Fairy Zhen will become a pervert.

"I want to see the real you, don't cover it up anymore" Ye Chen preferred to see the honest Fairy Zhen, she was more seductive when she was honest with herself.

Ye Chen likes Fairy Zhen who often teases him, he likes Fairy Zhen like that.

Fairy Zhen was getting confused, her mind was getting out of control again, she wanted more from Ye Chen.

Ye Chen saw that Fairy Zhen was no longer fighting back, it seemed that Fairy Zhen had given up on facing Ye Chen.

"Looks like it's about time" Seeing this, Ye Chen firmly believed that Fairy Zhen had already fallen, she had already fallen and had no resistance .

When Fairy Zhen was already very excited, Ye Chen suddenly loosened his skills a bit, this naturally made Fairy Zhen's passion decrease.

"Ye Chen, what's wrong with you?" Fairy Zhen asked Ye Chen, she asked why did Ye Chen become a little weak.

"What's wrong?, don't you want me to do it?" Ye Chen said to Fairy Zhen.

Ye Chen had countless ways to deal with Fairy Zhen, teasing Fairy Zhen to be more honest would be very easy for Ye Chen.

Fairy Zhen already felt a very comfortable feeling, she didn't want to lose this feeling.

Fairy Zhen suddenly very boldly hugged Ye Chen and started teasing Ye Chen a little.

Fairy Zhen's skills were excellent, she was capable of some seductive moves.

"handsome brother, you are very bold in teasing me, do you know that this is inconvenient" Fairy Zhen said to Ye Chen, she showed dominance as a voluptuous older sister.

"I don't know, I'm not a worm in your stomach, so I don't know what you're thinking." Ye Chen said that he didn't do anything.

"You are very naughty, it seems this time I will punish you" Fairy Zhen said that she would punish Ye Chen.

"Do you have the ability to do that?" Ye Chen asked Fairy Zhen, he felt that Fairy Zhen didn't have the ability to do that.

"We'll see if I have the ability or not" Fairy Zhen would show Ye Chen, as an older Milf, Fairy Zhen should be able to lead a kid like Ye Chen.

Otherwise then his reputation as an elder elder would be damaged by Ye Chen.

"Then show me, don't disappoint me" Ye Chen told Fairy Zhen not to disappoint him.

Ye Chen gave an open challenge to Fairy Zhen, he wanted to challenge Fairy Zhen head on.

"Don't underestimate me, I won't give you a chance" Fairy Zhen didn't care anymore, she accepted Ye Chen's challenge.

Although Fairy Zhen's ability could be said to still not reach a level sufficient to face Ye Chen head on, Fairy Zhen still had some basics in Dual Cultivation, she naturally knew the basics of Dual Cultivation.

#### **Chapter 1634 Improve relationship with Fairy Zhen (1)**

First Fairy Zhen used her feet to tease Ye Chen's younger brother who was downstairs, after that Fairy Zhen kissed Ye Chen's lips.

Fairy Zhen became very brave once, she started to look aggressive after being provoked by Ye Chen.

Ye Chen was indeed very aggressive when provoking a woman, even Fairy Zhen was made this way by Ye Chen.

Ye Chen laughed when he saw what Fairy Zhen was doing, although Fairy Zhen looked very seductive and daring, Ye Chen saw that Fairy Zhen was still a little clumsy, she was still far from most Ye Chen women.

"Well, it doesn't matter, the important thing is that he is brave." Ye Chen didn't really mind this kind of thing, he could teach Fairy Zhen more.

Everyone needs learning for new things, not everyone can be great the first time they try to have a relationship with their partner.

"Chu. . ., Slurp. . ." Ye Chen put his tongue into Fairy Zhen's mouth, he started to entangle Fairy Zhen's tongue, Fairy Zhen was a little confused when Ye Chen did this, Ye Chen's mature kiss was very strange.

Fairy Zhen's body felt very hot, her brain started to get confused, she was now completely a lustful woman.

No matter what Fairy Zhen looks like, Ye Chen still likes her, he prefers this kind of Fairy Zhen, the Jealous Fairy Zhen is also good, but Ye Chen prefers this flirty Fairy Zhen.

Fairy Zhen teased Ye Chen for a while, currently Fairy Zhen has started to lose the ability to fight Ye Chen.

At first Fairy Zhen wanted to show off the strength she had, but getting here, it seemed that Fairy Zhen was even more controlled by Ye Chen.

He was getting trapped by Ye Chen's extremely skilled ability once, Ye Chen was really too strong to be Fairy Zhen's opponent.

"He is too strong" Fairy Zhen felt that Ye Chen was a formidable foe.

Fairy Zhen had to be even more serious in fighting Ye Chen.

Fairy Zhen tried to stimulate Ye Chen with her hands, this is a man's weakest part, so Fairy Zhen should be able to make Ye Chen lose.

What Fairy Zhen did had made Ye Chen more excited, Ye Chen became even more excited when he received stimulation from Fairy Zhen.

Fairy Zhen felt that what was in her hand was getting bigger and bigger until it became very large.

"It's too big" Fairy Zhen started to get scared, she started to get scared when she saw Ye Chen's amazing size.

Fairy Zhen couldn't back down anymore, she had to face Ye Chen no matter what.

Ye Chen stretched out his hand, he immediately took off Fairy Zhen's clothes.

With a very slight movement, Ye Chen was able to remove the clothes from Fairy Zhen.

Right now Fairy Zhen was completely naked in front of Ye Chen, her mature body was very seductive.

After doing Dual Cultivation with Ye Chen, Fairy Zhen became very beautiful, she became very beautiful and more charming, this made many women envious of Fairy Zhen.

Fairy Zhen tried to hide her body, she tried her best to hold onto the private parts she had.

"Why are you covering it up, let me see" Ye Chen told Fairy Zhen to let go of her hand so Ye Chen could see Fairy Zhen's.

"Pervert little brother, how can you do this during the day like this" Fairy Zhen said to Ye Chen, Ye Chen is too bold.

"here is your private space, so no one will interfere with what we are doing" Ye Chen stretched out his hand, he stretched out his hand and pushed Fairy Zhen's hand away.

Fairy Zhen easily put her hand away, she didn't put up a fight against Ye Chen.

Two beautiful double peaks appeared in front of Ye Chen, Ye Chen couldn't wait to try them.

"Myuuu" Ye Chen brought his face closer and started rubbing his face on Fairy Zhen's double peak.

"emmm" Fairy Zhen groaned when Ye Chen did this, she had a strange feeling when Ye Chen did this.

After several times trying the feeling of Fairy Zhen's double peak, Ye Chen immediately tasted Fairy Zhen's double peak.

"Ye Chen, no don't do that, you are just like a child" Fairy Zhen screamed as Ye Chen sucked hers, what Ye Chen did made Fairy Zhen's body feel great pleasure.

"This is very comfortable" Fairy Zhen admitted that Ye Chen's sucking and technique was very delicious, she liked the feeling that Ye Chen gave.

It didn't stop here, Ye Chen also started playing Fairy Zhen's honey cave, he attacked Fairy Zhen very aggressively.

"Ahhhh. . ." Ye Chen's attack was very aggressive, Fairy Zhen instantly reached the peak.

"Ye Chen you are great" Fairy Zhen said to Ye Chen, she started to become an obedient woman to Ye Chen.

" You like . .? " Ye Chen asked Fairy Zhen, should Fairy Zhen be able to answer more honestly.

"Yes, I like this, you are great" Fairy Zhen said that Ye Chen was really great.

"Hehehehe" Ye Chen was very happy, he was really very happy to see Fairy Zhen who could be honest.

"Wife, are you willing to forgive what happened?" Ye Chen asked Fairy Zhen.

"Don't ask me, I'm embarrassed" said Fairy Zhen, Fairy Zhen said that she couldn't answer this question.

"Hehehehe" Ye Chen chuckled, it seems Fairy Zhen has started to forget the matter that happened.

Ye Chen continued to comfort Fairy Zhen, he used his best ability to comfort Fairy Zhen.

With Ye Chen's abilities, Fairy Zhen reached the peak several times and let out a very loud groan.

Fairy Zhen's voice leaked several times and could be heard outside this place.

"What sound is that?" Some of the female disciples in charge of taking care of the medicinal herbs could hear Fairy Zhen's moaning voice, even though they heard this, they didn't dare to find out what was going on, they could only pretend they didn't hear what was happening.

After a few times, Fairy Zhen was completely exhausted from what Ye Chen had done.

"I think it's time" Seeing Fairy Zhen was helpless, Ye Chen decided to start doing the real thing, he couldn't stand what was happening anymore.

Even though he had just done it with Ning Xia, Ye Chen still felt it wasn't enough, he needed more Yin Qi for himself.

Ye Chen took out his younger brother, he was ready to start a battle with Fairy Zhen.

Fairy Zhen saw Ye Chen's, this was the second time she saw Ye Chen's.

"The size is amazing, have I ever done this" Fairy Zhen asked if Ye Chen had ever used it on Fairy Zhen.

Since Fairy Zhen was already the second time, Ye Chen immediately entered her, he directly barged through Fairy Zhen's entrance with his spear.

"Ugh. . . ." Fairy Zhen felt pain, she really felt that it was very painful.

"This hurts" Fairy Zhen is still not used to it, Ye Chen's is indeed not normal and it is very difficult for Fairy Zhen to bear.

Seeing Fairy Zhen who was still not used to it, Ye Chen decided to help Fairy Zhen, he reduced his possessions a bit so as not to burden Fairy Zhen.

Because Ye Chen is a little merciful, Fairy Zhen can finally be a little more relieved, she can be a little more relieved than before.

"I'm ready" Ye Chen said to Fairy Zhen, he said that he will start.

"Um. . ." Fairy Zhen nodded, she gave Ye Chen the green light.

### **Chapter 1635 Improve relationship with Fairy Zhen (2)**

"It's already very wet inside, it seems that you are already very excited" Ye Chen said to Fairy Zhen, it was obvious that Fairy Zhen was already very excited.

"Don't say such embarrassing things." Fairy Zhen was so embarrassed, she felt that she wanted to find a place to hide.

Ye Chen chuckled when he saw what happened, what happened was so funny, he didn't expect Fairy Zhen to be like this when she was embarrassed.

Shy Fairy Zhen is quite beautiful Ye Chen likes this, Ye Chen really likes Fairy Zhen.

Ye Chen started pumping at a normal speed, he let Fairy Zhen feel this pleasure gradually, this was expected so that Fairy Zhen would enjoy doing Dual Cultivation with Ye Chen more.

The pleasure and feeling that Fairy Zhen gets is very good, Fairy Zhen really likes this feeling, she really likes the feeling that Ye Chen gives.

Fairy Zhen's moaning voice grew louder and louder, she had actually become a very lustful woman under Ye Chen's control.

Ye Chen's speed was getting faster as time passed, Ye Chen also started not to hold back while doing Fairy Zhen.

"Husband, it's getting bigger" Fairy Zhen felt Ye Chen's change, she saw that Ye Chen was getting bigger.

"It's okay, it will be more fun" Ye Chen said to Fairy.

Fairy Zhen did feel more pleasure, but she felt that Ye Chen's possessions were becoming more and more difficult for her to endure.

Fairy Zhen's strength started to weaken and her defense also started to get weak, she easily reached the peak.

"This is great" Fairy Zhen was very happy, she was really very happy with what she was doing with Ye Chen.

"Want to try another position?" Ye Chen asked Fairy Zhen, she took Fairy Zhen to try another position.

"of course" Fairy Zhen was very interested in what Ye Chen said, she wanted to try more things with Ye Chen.

Fairy Zhen was already very happy right now, she really was in a very good mood.

Ye Chen had given Fairy Zhen a very comfortable and pleasant feeling, of course Fairy Zhen was very fond of this.

Ye Chen taught Fairy Zhen some positions, he told Fairy Zhen to stand by the wall.

After that Ye Chen lifted one of Fairy Zhen's legs and immediately started the battle again.

"this is so embarrassing" Fairy Zhen felt very embarrassed, this position looked even more embarrassing than before.

Even so Fairy Zhen felt more excited when doing this position with Ye Chen, according to her position allowed Ye Chen to go deeper.

Fairy Zhen's body and mind began to be filled with thoughts of Ye Chen, this pleasure and feeling was so great that it made Fairy Zhen only think about what was going on.

"Husband, this is great, moreover, I like you" Fairy Zhen asked for more, she wanted more from Ye Chen.

"Of course, this is just the beginning, it will be even more fun" Ye Chen said that it would be even more fun.

"Pah . . . , pah . . . , pah . . . , pah . . . ." lewd voices echoed around this room, everyone who was near the room felt embarrassed, they were embarrassed when they heard Fairy Zhen's moans and lewd voices coming from inside Fairy Zhen's private room.

The female disciples didn't dare think anything of Fairy Zhen, to be honest they didn't dare think anything of Fairy Zhen because Fairy Zhen had a very high status.

Even if Fairy Zhen did such a thing with Ye Chen, they wouldn't be able to protest, they wouldn't be able to stop the battle that was going on between Ye Chen and Fairy Zhen.

.

.

The battle between Fairy Zhen and Ye Chen continued, Fairy Zhen was already completely exhausted.

They had been doing this for such a long time, even Fairy Zhen could barely remember how long she had been doing this with Ye Chen.

"Husband, please stop, I have given up" Fairy Zhen finally admitted her defeat, she was already unable to continue this battle.

"Have you given up, so from now on you will obey?" Ye Chen said to Fairy Zhen.

Ye Chen put a condition on Fairy Zhen, he wanted Fairy Zhen to be a bit obedient and not to act like before.

"Okay, I'll do it." Fairy Zhen had no choice, she had no choice but to give up.

If this continued, then Fairy Zhen would definitely be knocked out by Ye Chen whose strength was inhuman.

"Okay, you promised" after hearing Fairy Zhen's promise, Ye Chen finally wanted to let Fairy Zhen go.

Fairy Zhen was very relieved, she was very relieved that Ye Chen was willing to let her go.

Ye Chen and Fairy Zhen lay down together, Fairy Zhen used Ye Chen's body as a support.

"Wife, I want to say something" Ye Chen said that he wanted to say something to Fairy Zhen.

" what's that?" Fairy Zhen answered Ye Chen, she wanted to know what Ye Chen wanted to say.

"I want you to find some talented Alchemists for me" Ye Chen said what he wanted from Fairy Zhen.

"What do you want to do with it?" Fairy Zhen asked what Ye Chen wanted from it.

Ye Chen explained what he wanted, Ye Chen said what he wanted with the alchemist.

"So it's like that" Fairy Zhen finally understood what Ye Chen wanted, it turned out that Ye Chen wanted to start a pretty big business.

"Can you help me?" Ye Chen asked Fairy Zhen, he asked if Fairy Zhen could help him.

"Of course, I can help you" Fairy Zhen said that if she could do that, Fairy Zhen had many acquaintances, she could definitely do what Ye Chen said.

"Very good, you are indeed my understanding wife" Ye Chen said to Fairy Zhen, Ye Chen was very happy, he was very happy with this matter.

"You still live alone?" Ye Chen asked Fairy Zhen who was in his arms.

"Of course, I still live alone, so what?" Fairy Zhen asked Ye Chen.

"How about you move to my place instead" Ye Chen invited Fairy Zhen to move to his place.

"is it true?" Fairy Zhen's eyes immediately lit up when Ye Chen said this, it seemed Fairy Zhen was really happy when she heard this.

"Of course" Ye Chen nodded, he said that Fairy Zhen would live with him, this would make things easier.

"Okay I'll do it" Fairy Zhen was very happy, she was really very happy with what Ye Chen said.

After that, Ye Chen and Fairy Zhen rested, they both rested and recovered strength.

After resting enough, Ye Chen left Fairy Zhen, before leaving Ye Chen left his residence with Fairy Zhen.

Fairy Zhen still had a lot of unfinished work, so she couldn't come along with Ye Chen.

Ye Chen decided to return to Jade Lotus Peak, he wanted to know if Mu Xueying and Ning Xia had returned or not.

The moment Ye Chen returned to Jade Lotus Peak, he was immediately greeted by Mu Xueying who was already standing in front of the Gate.

It turned out that Mu Xueying had been waiting for Ye Chen's arrival for a long time, she was waiting for Ye Chen to return safely.

Mu Xueying went closer to Ye Chen and immediately hugged Ye Chen who was in front of him.

### **Chapter 1636 kicked out by Ning Xia**

"husband" Mu Xueying's came and hugged Ye Chen, she came and hugged Ye Chen who had returned safely.

Mu Xueying was very happy when she saw Ye Chen returned safely, Ye Chen had returned safely and there was not the slightest wound on Ye Chen's body.

"Sorry for worrying you" Ye Chen apologized for worrying Mu Xueying.

"It's okay, the important thing is that you return safely." Mu Xueying didn't mind this, as long as Ye Chen returned safely, then that would be enough for Mu Xueying.

"What about Lord Peak Ning" Ye Chen asked Mu Xueying, he asked Ning Xia's condition.

"Master is currently in her room." Mu Xueying said to Ye Chen, she told Ye Chen that Ning Xia was in her room.

"Is she also okay" Ye Chen asked about Ning Xia's condition, whether Ning Xia is okay or not.

"She's fine, but it looks like she's in a bad mood." Mu Xueying said that Ning Xia was fine, it was just that Ning Xia seemed to be in a bad mood.

"Bad mood?" Ye Chen asked Mu Xueying, Ye Chen asked what Mu Xueying meant.

"Why are you asking me instead, you should know what happened, considering that master is always with you" Mu Xueying said to Ye Chen.

Mu Xueying asked about what happened, Ye Chen and Ning Xia should be together, so Ye Chen must know what happened to Ning Xia.

Ye Chen just smiled as he listened to what happened, Ye Chen of course knew what was going on, the problem was that Ye Chen didn't want to tell Mu Xueying what had happened.

Ye Chen had already made a promise to Ning Xia, so Ye Chen would not tell Mu Xueying what had happened back then.

"Why are you smiling, you must have done something" Seeing Ye Chen smile like that, Mu Xueying became more and more suspicious of Ye Chen.

"What's wrong, can't I smile when I see a beautiful woman hugging me by herself?" Ye Chen said to Mu Xueying.

Hearing this, Mu Xueying immediately pushed Ye Chen away, Mu Xueying immediately crossed her arms between her two double peaks.

"You ! ! !" Mu Xueying was dissatisfied while listening to what Ye Chen said, Mu Xueying was clearly dissatisfied when she saw Ye Chen trying to tease her.

"Then I'll go and see Lord Peak" Ye Chen said that he would go and see Ning Xia.

"You better behave yourself, Lord Peak Ning is in a bad mood" Mu Xueying told Ye Chen to be more careful.

"Don't worry, I'll do it." Ye Chen told Mu Xueying not to worry too much, she would definitely do her best.

Mu Xueying let Ye Chen go, after getting permission from Mu Xueying, Ye Chen immediately moved very quickly, he moved very quickly to where Ning Xia was.

In a matter of seconds, Ye Chen arrived near Ning Xia's room, Ye Chen immediately knocked on Ning Xia's door.

"enter. . ." Ning Xia told Ye Chen to come in, she allowed Ye Chen to enter her room.

"Xia, are you okay, I heard you are in a bad mood" Ye Chen walked in and greeted Ning Xia.

"Chen, call me Lord Peak, don't say such words" with a cold mood, Ning Xia said to Ye Chen.

The current Ning Xia looked extremely cold towards Ye Chen, Ning Xia's attitude was obviously very different from before.

"Am I being hated?" Seeing Ning Xia's cold and indifferent attitude, Ye Chen felt that Ning Xia might hate him.

"I don't think I did anything wrong that I was hated like that" Ye Chen felt that he didn't do anything wrong, so why did Ning Xia hate herself like that.

"Alright, I'll try my best to lighten the mood." Ye Chen would do his best to lighten the mood.

"What do you need right now?" Ning Xia asked what Ye Chen needed, she wanted to know what Ye Chen needed.

"I came here to see your condition" Ye Chen came here to see Ning Xia's condition, he wanted to see Ning Xia's condition.

"I'm fine, you don't need to worry too much, now you can go" Ning Xia allowed Ye Chen to leave, she is currently fine.

Ye Chen raised his eyebrows, Ning Xia seemed to be trying to avoid him, it could be seen from the way Ning Xia wanted to kick Ye Chen out of this place.

"I don't want to go, I want to be with you" because Ning Xia tried to chase Ye Chen away, Ye Chen decided to approach Ning Xia.

The best way that Ye Chen could do in a situation like this was to approach Ning Xia, with such an approach and understanding, Ning Xia would probably melt like before.

Ning Xia opened her own eyes, Ning Xia's eyes were now blue and filled with a piercing cold gaze, anyone who came face to face with Ning Xia would definitely avoid Ning Xia's gaze.

Ye Chen didn't shy away from Ning Xia's gaze, instead Ye Chen looked straight at Ye Chen.

Ning Xia looked at Ye Chen, she could see that Ye Chen was very serious about this kind of matter.

"Chen, I know what you're thinking, but we can't do anything like that anymore" Ning Xia said that they wouldn't be able to do anything like that again.

"Really, why?" Ye Chen asked Ning Xia, he wanted to know the reason why Ning Xia said that.

"To be honest, you and I are of different ages and statuses, the world might say bad things if they knew what happened" Ning Xia told Ye Chen what would happen.

"I don't care about that" Ye Chen said that he didn't really care about such matters.

"You may not care about such matters, but in reality there will be a lot of people who disagree" Ning Xia said to Ye Chen.

"We live our own way, listening to other people talk will only hinder us, why listen to other people's words when they don't care how we live our lives" Ye Chen answered Ning Xia's question, he told Ning Xia if he doesn't really care about the words of outsiders.

Outsiders often interfere in other people's business, meanwhile they won't care afterward, so why listen to them who might be hurting themselves.

It's better to live with each other's beliefs, it will be much more comfortable than listening to other people's words which they don't necessarily do it themselves.

Ye Chen was much smarter in this matter, Ning Xia was speechless about this kind of matter.

"That's enough, I don't want to listen anymore, you better leave now" Ning Xia told Ye Chen to leave, she didn't want to listen to Ye Chen anymore.

"I don't want to go." Ye Chen said that if he didn't want to go, he would still be here.

"Oh, so you don't want to go, then don't blame me" Since Ye Chen didn't want to go, Ning Xia immediately kicked him out of the room.

"Bam" Ye Chen was easily carried away by Ning Xia, Ye Chen flew and got out of this place.

After Ye Chen came out, Ning Xia immediately closed and locked the door.

### **Chapter 1637 looking for Xia Qingyu & Mu Nianci**

"I didn't think he would kick me out." Ye Chen didn't expect Ning Xia to kick Ye Chen out this way.

"Master, it seems that he will be difficult to obtain, she has not been completely conquered by you." Chu Yuechan said to Ye Chen, Chu Yuechan said that Ye Chen had not completely obtained Ning Xia.

"It doesn't matter I will take it slowly" Ye Chen said that he would do this slowly, it seemed that it would be very interesting to catch up with Ning Xia who didn't want to admit what had happened.

Ye Chen got up from the floor, he patted the dust on his body, for Ning Xia didn't really fly Ye Chen, so Ye Chen didn't get serious enough injuries from what Ning Xia did.

Ye Chen saw that Ning Xia had closed the door for him, now Ye Chen would not be able to enter Ning Xia's room.

"It seems I can only wait, sooner or later she will definitely come out" Ye Chen can only wait, sooner or later Ning Xia will definitely come out of her room.

Having failed to speak to Ning Xia, Ye Chen decided to leave immediately, going to see what the female disciples at Jade Lotus Peak were doing.

Even if Ye Chen wanted to see how things were with Mu Nianci and Xia Qingyu, Ye Chen was quite curious as to what the two of them were doing right now.

whether they had returned from duty or not, Ye Chen was very curious about the matter.

Ye Chen immediately looked for the whereabouts of Mei Yueli and Song Ziyu, Ye Chen finally found the whereabouts of Song Ziyu and Mei Yueli.

Ye Chen had already searched for the whereabouts of Mu Nianci and Xia Qingyu, it was a pity that Ye Chen couldn't find any whereabouts of either of them.

Ye Chen came and met Song Ziyu and Mei Yueli, the two women immediately welcomed the arrival of Ye Chen.

"Ye Chen" Mei Yueli and Song Ziyu said to Ye Chen who had just arrived at this place.

"You guys are back" Ye Chen asked Mei Yueli and Song Ziyu, he asked if the two had returned from the quest they were working on.

"Yes, we have already completed the quest we have taken" Mei Yueli replied that they had already completed the quest they had taken.

" everything is fine?" Ye Chen asked Mei Yueli and Song Ziyu.

"The trip went really well, we didn't encounter any problems on this mission." Song Ziyu replied that they completed the mission perfectly.

"Then where are Qingyu and Nianci?" Ye Chen asked about the whereabouts of Xia Qingyu and Mu Nianci.

"If I'm not mistaken they just took on another mission, the two of them went together with some female disciples to deal with the criminals who spread terror in a village" Mei Yueli said to Ye Chen.

"Why don't you accompany her?" Ye Chen asked Mei Yueli, why didn't Mei Yueli go and accompany Mu Nianci and Xia Qingyu.

"There's already a Senior disciple with them, plus Qingyu and Nianci are both strong, so they should be able to complete the quest they took".

"The quest they took shouldn't be difficult, it's a basic quest, so everything should be fine." Song Ziyu reassured Ye Chen that Xia Qingyu and Mu Nianci would be very safe.

"I better take a look at them" Ye Chen wanted to see Mu Nianci and Xia Qingyu, he wanted to see what kind of abilities they both had.

"If you want to catch up with them, I'll give you their current place." Mei Yueli gave the coordinates of the quest that Xia Qingyu and the other female disciples took.

"okay . . ." Ye Chen nodded, he accepted Mei Yueli's kind offer.

Mei Yueli gave Ye Chen the place of whereabouts of Xia Qingyu and Mu Nianci, it turned out that both of them were in a village not far from this place, for Ye Chen, it was only a short trip from this place.

"Don't you want to come along?" Ye Chen asked Mei Yueli and Song Ziyu.

"We still have problems in this place, we still have an assignment given by Lord Peak" Song Ziyu and Mei Yueli couldn't leave, they had other tasks to do.

"So you guys have jobs, then I won't force you" Since Song Ziyu and Mei Yueli have jobs Ye Chen won't force them to come along.

Before leaving, Ye Chen hugged the two, Ye Chen did not forget to kiss the two.

What Ye Chen did was quite shocking, Song Ziyu and Mei Yueli stood still as they saw what Ye Chen was trying to do.

although surprised, in fact Mei Yueli and Song Ziyu did not fight back, both received a kiss from Ye Chen.

Song Ziyu and Mei Yueli were quite close, the two of them of course were already very familiar with each other and knew what kind of relationship they had with Ye Chen.

Ye Chen kissed Song Ziyu and Mei Yueli, both of whom had a passionate kiss filled with pleasure.

Ye Chen kissed and comforted the two, because Ye Chen didn't have much time, Ye Chen could only do this.

"Okay, I'm leaving." Ye Chen bid farewell to Song Ziyu and Mei Yueli, he left and bid farewell to both of them.

"Isn't he being too direct?" Song Ziyu looked at Ye Chen who was too direct, Ye Chen didn't seem to want to hide their relationship at all.

"He's like that, so it's not strange that he can have many women." Mei Yueli said helplessly, she told the reason why Ye Chen could get so many women.

"Does he really have that many beautiful women around him?" Song Ziyu asked Mei Yueli, she wanted more clarity from Mei Yueli.

"Of course, next time maybe I will introduce them to you more, plus they are beautiful" Mei Yueli said to Song Ziyu, Mei Yueli told that Ye Chen had many beautiful women, Ye Chen had various kinds of extraordinary beautiful women.

"So it's true." Song Ziyu was a little uneasy, she was restless when she heard about this kind of matter from Mei Yueli.

"You don't need to worry too much, they are all good people, if you don't believe you can ask Qingyu, She knows that the people around Ye Chen are good people.

Mei Yueli said to Song Ziyu, she assured Song Ziyu that everything would be fine.

Song Ziyu nodded, She believed what Mei Yueli said, Mei Yueli would not lie to Song Ziyu, there was no point in lying to Song Ziyu either.

.

.

Ye Chen went to the location where Xia Qingyu and Mu Nianci were, the map given by Mei Yueli was very helpful.

"It seems that Mu Nianci and Xia Qingyu were ordered to arrest the ruthless bandits who often carry out robbery and mistreatment in the village, it doesn't look like it's a difficult quest." Ye Chen saw that this quest wouldn't be difficult, so it wouldn't be surprising if Mei Yueli wasn't too worried. to let Xia Qingyu and Mu Nianci leave without her supervision.

Plus there were still a few Senior female disciples who were by Mei Yueli and Mu Nianci's side, so they should be able to deal with this matter on their own.

Even though he knew that Mu Xueying and Mu Nianci were fine, Ye Chen still wanted to see the two, he had not made time for Mu Xueying and Mu Nianci in a long time.

### **Chapter 1638 A long abandoned old house**

"This should be the place, but why is it so quiet" After some time, Ye Chen finally arrived at the Quest place, Ye Chen strangely saw that around this place was quite quiet, almost no signs of life around this place.

In order to find out what happened in this place, Ye Chen decided to look for clues, Ye Chen went around and looked for what was in this place.

Using Spirit Sense, Ye Chen could sense the presence of many people hiding inside their house, they were all hiding inside the house and didn't dare to come out.

"Hmm, it seems they are afraid to go out, quite strange." Ye Chen saw that these people were very afraid to go out, they didn't seem to dare to leave this place.

To find out, Ye Chen sneaked into the house of one of the residents of this place, Ye Chen entered and found one of the people hiding right under the bed.

"This person even made a hole under the mattress." Ye Chen didn't expect that the owner of this house would hide in a hole.

Ye Chen reached out and took the middle-aged man who was hiding.

"Please let me go" the middle-aged man shouted and pleaded with Ye Chen, he begged Ye Chen to let him go.

"Old man, what happened to this place?" Ye Chen asked the middle-aged man in his hand.

"You didn't come to kill me?" The middle-aged man asked Ye Chen, he asked if Ye Chen didn't come to kill him.

"Why did I kill you?" Ye Chen asked the middle-aged man in front of him, after all what was the point of Ye Chen doing that.

"So you're not one of them" hearing this, the middle-aged man was immediately delighted and took care of his own.

"Who are you talking about?" Ye Chen asked the middle-aged man, he asked who the middle-aged man was referring to.

"I thought that it was one of the bad guys who terrorized this place, you need to know that there are already a lot of villagers who have become victims" the middle-aged man told Ye Chen what had happened to this place.

"Can you explain to me in more detail what happened in this place?" Ye Chen wanted to know more details, he wanted to know the situation in this place.

It turned out that some unknown people had started attacking and forcibly taking the people here, and all the people who had been taken had never appeared again or had probably died.

"Have you seen some disciples from Nine Immortals Peak Sect?" Ye Chen asked the middle-aged man in front of him, he asked about the whereabouts of Xia Qingyu and Mu Nianci.

"Honestly I don't know about the matter, I've never been out of this place at all, but I heard that there are indeed some people who come to this place, and they are all women" The middle-aged man didn't really know about this matter.

Previously he had heard that there were several women passing in front of his house, the middle-aged man couldn't confirm this, he only knew that all of them were women.

"I hope they are fine" Ye Chen hoped that Mu Xueying and Mu Nianci were fine.

the information from the middle-aged man is too little, Ye Chen doesn't know whether this information is true or not, it seems that Ye Chen will have to figure this out himself.

"Thanks for the information, I'll go first, take care of yourself." Ye Chen said goodbye to the middle-aged man, he had to leave immediately to find more valid information.

Ye Chen came out from inside the middle-aged man's house, Ye Chen went and toured around this place.

Ye Chen hid himself by using the Invisible Body Art, with this Ye Chen could freely go wherever he wanted without fear of being discovered by others.

When Ye Chen walked around the village, Ye Chen found that there were several people who just came, they came to ruffle the houses around this place.

They're looking for people who live around this place.

"Are these the bandits that have messed up this place?" Ye Chen immediately guessed that it was the bandits that had messed up this place.

These bandits found a woman, a young woman was dragged from inside her house, meanwhile there were several young men who were also dragged by these people.

"Please, don't take us" these people started begging, they started begging not to be taken away.

"Shut up, if you say any more words, you will be killed on the spot" one of the bandits told them to be quiet, otherwise they would be killed immediately.

These weaklings were naturally afraid that when they were threatened like that, they didn't dare to voice their discontent anymore.

These people were taken away, they were carried away from the village to other places.

"It seems that what the middle-aged man said is true, these people actually brought people from this village" Ye Chen now believed, it seemed that the information he just got was the truth.

"Where are they going to go?" Honestly Ye Chen was quite curious about this matter, he wanted to know where these people were going.

In order to find out about this matter, it seems that Ye Chen has to follow these people, he has to follow behind the bandits.

Ye Chen followed quite casually, these people would definitely not be able to find his whereabouts.

These people flew to a place not far from the village, from afar Ye Chen saw an old building that was quite large like a Mansion, unfortunately this place looked very dirty and not maintained.

Most likely this building was abandoned by the owner long ago, otherwise how could this place be so dirty and look like a spooky haunted house.

"Looks like this is the place." Ye Chen was absolutely certain that this was the place, this must be the place where people were being held captive.

"Qingyu and Nianci must be in this place" Ye Chen believed that Xia Qingyu and Mu Nianci were in this place, his instincts told him something like that.

"I'll go in and look for it." Ye Chen decided to go in and find out.

Ye Chen sneaked in, he slipped from the guard around this Mansion.

The mansion was guarded quite tightly, there were a lot of people guarding around this place.

They must be guarding something very important, otherwise how could there be so many people in this place.

Ye Chen went inside, the inside looked very messy, this place looked like a house that had been neglected for decades.

"Isn't there a better place, why should it be like this?" Ye Chen didn't understand the mindset of these people, why they had to find a place like this to be their hideout.

Even though there are many places that are much better and more hidden than this place.

This is a Mansion, here there are lots of rooms and there are also lots of hallways which are quite confusing.

Ye Chen used God Eyes to guide his own path, he was looking for a path that could lead him to the place of the people who had been held captive.

Ye Chen found his way down, this was the only way to the very bottom of this place.

"Looks like this is the hidden place." Ye Chen immediately went downstairs.

"Roar" just as Ye Chen landed, a monster screamed behind Ye Chen's body.

Ye Chen immediately turned around and saw what kind of monster was behind him.

#### **Chapter 1639 strange and senseless monster**

When Ye Chen looked back, Ye Chen found that behind him were several monsters that looked like a wolf, the difference was that this monster had a long face and very sharp teeth.

They also have a lot of eyes on their faces, this makes these monsters very scary to look at.

What made the most sense was that on top of this monster's back there was something that closely resembled a human's body, one could say that this monster had an upper body similar to that of a human.

To be more precise, this monster was fused with a whole human body, the lower part of the monster while the upper part was a human body with terrible hands.

"What is this?" Ye Chen was taken aback by the scene in front of him, he had never seen anything like this.

Honestly, it's far more terrifying than demi-humans, it's even more terrifying than the scariest monsters.

Ye Chen started to see more clearly, he wanted to know what was really going on.

Honestly what happened was quite confusing, Ye Chen was quite confused about what was happening.

"Looks like it's not a magical beast species" Ye Chen recalled, he searched for information about magical beasts in his memory.

"They're terrible, what exactly is this?" Chu Yuechan had never seen anything like this, so she didn't know what exactly the monster in front of her was.

"Yuechan, what do you think?, don't you think that this monster is strange, is it possible that it was created by someone?" Ye Chen estimated what might happen.

"The possibility is quite high, there might be someone who created this." Not knowing what kind of monster this was, Chu Yuechan also thought that this was created by someone.

"Most likely it's the villagers, they were captured and made experimental" Ye Chen probably knew why the villagers were forcibly taken away, apparently this was the cause.

"Master, I have a question for you." Chu Yuechan had a question for Ye Chen.

"What is it?" Ye Chen asked Chu Yuechan, he wanted to know what Chu Yuechan wanted to ask.

"Don't you think that the monster is staring at you" Chu Yuechan said to Ye Chen, Chu Yuechan told Ye Chen that it was possible that he was being watched by the enemy.

"How did that happen, I shouldn't be seen right?" Ye Chen shouldn't be seen, he shouldn't be seen by anyone.

In order to confirm what happened, Ye Chen decided to try to move, he moved right and left.

When Ye Chen did that, Ye Chen discovered that the monster in front of him was also following Ye Chen's movements, the eyes of this monster followed Ye Chen away.

"This is impossible" Ye Chen couldn't believe what he saw, this monster was actually able to see him.

These monsters headed straight for Ye Chen, they immediately ran towards Ye Chen and intended to prey on Ye Chen.

These monsters went straight towards Ye Chen, they immediately rushed towards Ye Chen at an incredible speed.

"This is absolutely impossible" Ye Chen still couldn't believe what had happened, Ye Chen decided to leave and leave this place.

"I told you , from the start I felt something was strange." Chu Yuechan said to Ye Chen, from the beginning Chu Yuechan had felt that something was wrong.

"This is not the time to discuss that matter, what kind of monster is it, why can it see us?" Ye Chen wanted to know the monster they were fighting, why this monster was able to see Ye Chen.

"I don't know, but try to fight it first." Chu Yuechan really didn't know, she didn't know what kind of monster they were fighting right now.

If she did know what kind of monster they were fighting, she would have already told Ye Chen this.

"Then there is no choice but to fight them" Ye Chen had no choice but to fight them.

"Master what about the human who is above the monster, he should still be alive and his body fused with the monster.

"Honestly I don't know about such matters, I don't know if they still have consciousness or their consciousness has been erased by the monsters." Ye Chen knew that these humans were still alive, the biggest problem was Ye Chen didn't know if they still had consciousness. they or they have been turned into that monster.

"You guys, can you hear me?" Ye Chen decided to try summoning one of the monsters, he hoped that he would receive an answer.

"Too bad what Ye Chen did was in vain, he didn't get any response from the monsters, they just kept quiet and occasionally said words that Ye Chen didn't understand.

"No answer" Ye Chen said that he didn't get any answer, it was obvious that these people couldn't answer Ye Chen's question.

"Then there is no other way" since there was no answer, then Ye Chen had to defeat him, he had to defeat this monster no matter what.

Ye Chen would try to cripple the monsters at the bottom, it was possible that after crippling the monsters at the bottom, the person who fused with the monsters could return to how they were before.

"Breaking Meteor Blow" Ye Chen used Breaking Meteor Blow, he used Breaking Meteor Blow to knock out the monsters in front of him.

"Bam" The monsters in front of Ye Chen were blown away by Ye Chen's attack, they were bounced off by Ye Chen's powerful attack.

"Their bodies are very hard" Ye Chen felt that the monster's body in front of him was very hard, Ye Chen just had a hard time breaking through the defenses of the monsters in front of him.

Because Ye Chen's attack couldn't directly kill the monsters, the monsters immediately woke up and attacked Ye Chen again.

Ye Chen returned to attack, he was now using his profound fire to fight the enemy in front of him.

Since physical attacks didn't work, Ye Chen had to use fire attacks to defeat his enemies.

Ye Chen burned the monsters in front of him, with the strength that Ye Chen had, Ye Chen was able to burn the monsters in front of him.

"arghhhh" A terrible scream was heard, the people who joined together with the monsters felt excruciating pain.

"Do they also feel pain?" Seeing this Ye Chen immediately stopped, he immediately stopped attacking the monster in front of him.

Seeing Ye Chen stop attacking, the monsters attacked Ye Chen instead, they used this opportunity to attack Ye Chen.

"Damn, this monster is smart" Ye Chen saw that the monsters in front of him were very smart, they knew how to take advantage of opportunities in such matters.

"This monster's intelligence is above average." Chu Yuechan saw that these monsters were extremely intelligent, they took advantage of the moment when Ye Chen had compassion on people.

Monsters started attacking Ye Chen, they used black colored breaths to attack Ye Chen.

Ye Chen used the wind barrier to fend off attacks from the enemy, the black breath escaping from this monster looked dangerous.

This black breath made Ye Chen's profound energy decrease, Ye Chen felt that his strength was like being devoured by something.

"You're too kind, they're just taking advantage of you" When Ye Chen was under pressure, a woman voice sounded, this voice sounded very good and filled with something that made Ye Chen feel comfortable.

An extremely dazzling light appeared, this dazzling light enveloped Ye Chen and everything around this place.

### **Chapter 1640 Dark research with human subjects**

This light is really very dazzling, Ye Chen's vision immediately blurred when he saw this light.

"Damn, I can't see anything else" Ye Chen couldn't see what was happening, his eyes were completely covered.

This light is very bright, Ye Chen can only see a golden light that is very, very bright beyond the sun's rays.

This did not last long, in just a short time, the golden light disappeared from Ye Chen's sight.

When Ye Chen opened his eyes and saw what was happening, Ye Chen discovered that the monster in front of him had disappeared now that Ye Chen's front was empty and nothing.

"What was that just now?" Ye Chen didn't know what was going on, everything was going so fast, Ye Chen didn't see what had just happened.

"Who are you, come out" Ye Chen tried to find out who just did this, he wanted to know the person who just helped him.

The surroundings were very quiet, Ye Chen didn't find any sign of someone in this place.

"???" where did that person go?, Ye Chen found out where the person just went, Ye Chen was quite curious about the whereabouts of the person who just helped him.

"When Ye Chen tried to find out, Ye Chen found that he couldn't find anyone just now, this place was completely empty, there was only Ye Chen alone.

"Yuechan, the person just now" Ye Chen asked Chu Yuechan, he was asking about the person who just helped him.

"She's gone, you won't find him, besides he's very mysterious, she hides herself very well.

Chu Yuechan told Ye Chen that the person who had left just now, this person was quite mysterious, she left so quickly that Ye Chen couldn't see it.

Ye Chen was quite curious, he was quite curious about the person who had just helped him.

Just now, Ye Chen felt a very, very strong light power, it was even more powerful than Zhao Yanyan's.

"Too bad she's gone." Ye Chen felt pity when he saw that the person who had just helped him had left, but Ye Chen wanted to know who was capable of wielding such strong power.

"Master take a good look at the floor" Chu Yuechan told Ye Chen to look at the floor in front of him

"what is it?" Ye Chen took a good look at the floor in front of him, when Ye Chen did that, Ye Chen found that the floor underneath was black slime.

" this?" Ye Chen approached and found out what it was, Ye Chen began to do a research to find out what was in front of him.

When Ye Chen was looking for what was in front of him, Ye Chen found something strange, it seemed that this was a trace of a melted monster's body.

"Did the monsters just melt, so their weakness is light." Seeing this, Ye Chen could tell what the weakness of the monster he was fighting was, it seemed that the monster he was fighting was weak to light.

"It seems that the monsters you are fighting are very weak against the power of light." Chu Yuechan noticed this, she was also thinking the same thing as Ye Chen.

"So it's true." Now that Ye Chen finally believed, he already knew the weakness of this enemy.

"Even if you don't have the ability to control light, you should know about it." Chu Yuechan said to Ye Chen.

"I don't have the power of light, but I can still rely on the Heavenly Armor that I have." Ye Chen may not have a strong light element, even so, Ye Chen still has the light ability of the Heavenly Armor.

"Are you sure you want to use that?" Chu Yuechan doubted that Ye Chen would use the Heavenly Armor to do battle.

"no choice, it seems that the enemy is not normal" Ye Chen had no choice, if the situation was urgent, then Ye Chen had to use it.

"Let's continue and look for the whereabouts of Qingyu and Nianci" Ye Chen had already found the enemy's weakness, now Ye Chen was only looking for the whereabouts of Mu Nianci and Xia Qingyu.

Ye Chen stepped forward, he walked through this place, this place was so dark it was quite hard to see what was in this place.

it wasn't strange that the previous monsters were able to live in this place, it was probably because this place had an air and darkness that suited them, if they came out, it was likely that their strength would be weakened.

Ye Chen continued to advance, he didn't expect that the road in this place was so long and full of branches, there were so many paths to choose from in order to find Xia Qingyu and Mu Nianci.

Ye Chen had to use God Eyes, it was the only way for Ye Chen to be able to find a suitable path.

Ye Chen didn't want to get lost, therefore using God Eyes was the best path.

"I found them" Ye Chen finally found the whereabouts of Xia Qingyu and Mu Nianci, both of whom were currently tied up in a place guarded by the same monster that Ye Chen had previously fought.

"As I thought, the monsters here have intelligence." Ye Chen had already guessed this, the monsters in this place must be controlled by someone, how could they be obedient and not eat the humans they are guarding.

Ye Chen wanted to know who was behind all of this, he was curious about the person who was behind all of this.

Ye Chen sneaked in, himself looking for the person responsible for this matter.

Ye Chen searched around this place, he found a young man with long hair who was doing some research, this person seemed to be performing surgery on someone.

Ye Chen didn't know who this person was, he didn't know and had never met this person, so Ye Chen was naturally unfamiliar with this person in front of him.

Ye Chen didn't immediately go and beat this person, he observed what this person was doing.

What this guy was doing was like he was carrying out an operation, he was stuffing something in the body of one of the villagers he had captured.

"With this seed you will obey me" This man took out a seed that looks like a human heart, the color of this heart is black and filled with very disgusting mucus.

"What is that thing, I feel a very strong sense of danger." Chu Yuechan felt danger when she saw the object in this young man's hand.

Chu Yuechan had never felt this kind of feeling, she first felt something like this when she saw the thing in the young man's hand.

"The name of the young man in front of Ye Chen is Zhong Yole." He was a crazy and dangerous researcher, even in the God Realm he was highly sought after and hated by countless people.

Zhong Yole also joined the Vengeance Fate Sect, he was quite active while in the Vengeance Fate Sect and at the same time became one of the most protected people by the Vengeance Fate Sect.

Zhong Yole's research was very useful, he carried out forbidden research that could make a person very strong in a very short time.

So it's not strange that there are so many people from the Vengeance Fate Sect who have enormous and terrifying strength.

"arghhh. . ." Zhong Yole started to insert the heart core into the human body in front of him, as Zhong Yole did that, a loud scream of pain immediately rang out in the ears of Ye Chen and the people around this place.

The hostages were terrified, they were all terrified as they listened to what Zhong Yole was doing.
