

A True God 1651

Chapter 1651 Another World abyss exit is very far away

"Okay, it's already started, I'll go and start taking care of the monster, you please keep an eye on this place" Ye Chen said to Shui Yixian, Ye Chen told Shui Yixian to keep an eye on this place.

"Just leave this matter to me" Shui Yixian would watch over this place, he would watch over this place while Ye Chen was away.

After handing this place over to Shui Yixian, Ye Chen immediately went to catch the White Tiger.

The White Tiger limped along, he was currently holding his aching stomach.

"Shit, I don't feel like eating anything weird, but why does it hurt so much?" The White Tiger didn't eat anything strange, but why did his stomach hurt so much.

As the White Tiger went to deal with his stomach problems, Ye Chen appeared in front of him.

"Huh?, Human?" The White Tiger was surprised when he saw a human suddenly appear in front of him.

White Tiger looked surprised when he saw Ye Chen in this place, to be honest it was quite shocking to see a human being in a place like this.

this was an area a very long way from the entrance to the Another World abyss, so no humans should be able to reach this place.

"How did a human get to this place?" White Tiger said to Ye Chen, he said why would a human like Ye Chen come to this place.

"You don't need to know about such matters, I need some information from you." Ye Chen said that he needed information from the White Tiger.

"I won't give any information to a human like you, you cunning creatures that don't deserve to live" said the White Tiger to Ye Chen.

White Tiger refused to give information to Ye Chen, he didn't want to give information to Ye Chen.

"Too bad" Ye Chen shook his head, it seemed like the White Tiger refused to give him the information he wanted.

Now the only way was to use force, that way Ye Chen could get all the information he needed.

Seeing Ye Chen want to fight, the White Tiger's body suddenly emitted an aura, the White Tiger's body was enveloped by a dense black aura.

Although the White Tiger has white fur, it is still a monster with dark abilities, almost the average monster in this place has dark power, dark power is the most dominating in this place.

Ye Chen raised one hand of his, he used his heavenly lightning to deal with this little tiger.

The moment Ye Chen let out the heavenly lightning, the White Tiger immediately trembled, it trembled as it felt the power of the heavenly lightning in Ye Chen's hand.

"What the heck, that feels really scary." His animal instinct told him that the power Ye Chen was using was terrifying.

"You don't have to worry, I'll make sure you don't die, hopefully I can do that" Ye Chen hoped that the White Tiger didn't die when he received his attack.

"Fucking human, don't underestimate me, I am a powerful king, not much can. . . ., Boom" Before the White Tiger could finish his words, the White Tiger was already hit by an attack.

The powerful attack hit the White Tiger and broke almost 90% of the bones in his body.

The White Tiger was currently lying on the ground helplessly, he looked very weak from the attack just now.

After successfully immobilizing the enemy, Ye Chen drew closer to the White Tiger.

"Don't come any closer, you monster." The White Tiger started to fear Ye Chen, the human in front of him had unreasonable strength.

"no one will save you from me" Ye Chen told White Tiger to scream as he pleased, in reality no one would help him.

Ye Chen had already put up a lot of barriers around this place, so no monsters would come and help the White Tiger.

White Tiger immediately felt frustrated as he listened Ye Chen, now there would be no one to help out of this situation.

Ye Chen looked for information directly in the White Tiger's head, he wanted reliable information that he could use.

As Ye Chen had predicted, the White Tiger had a lot of information it needed.

"yes, I found a way out of this place" Ye Chen found a way out of this place" Ye Chen finally found a way out of Another World abyss.

the biggest problem was that the place was very far away, even if Ye Chen used his fastest profound ark, it would still take more than 1 month.

In addition, there were many seals placed by the great power alliances that guarded this place so that no monsters escaped into the God Realm.

Ye Chen wouldn't stand a chance, he had to find another way to get out of Another World abyss.

Ye Chen looked for more information, he wanted to know a vehicle that could get him to the door in no time.

After searching for a while, Ye Chen found information about a rare Artifact that could take Ye Chen to the exit in less than 7 days.

The artifact belonged to the monster kingdom and was sealed in the most impossible places to touch.

"It seems that I have to go to the monster kingdom, I need that thing." Ye Chen desperately needed a rare artifact, so he had to go to the kingdom immediately.

"Are you done?" Shui Yixian said to Ye Chen.

"Why are you here?" Ye Chen was quite shocked by what had happened, he was quite surprised when he saw Shui Yixian beside him.

Shui Yixian appeared suddenly, even Ye Chen could barely sense her presence, it could be said that Shui Yixian was too skilled at hiding her existence from Ye Chen.

"Looks like the monsters are aware of what's going on, let's go." Shui Yixian told Ye Chen to leave.

"They're smart too, then let's go, I've got what we were looking for" Ye Chen had already found what he was looking for, now they just needed to find the artifacts they needed to be able to leave Another World abyss.

Ye Chen and Shui Yixian left this place, after Ye Chen left this place, White Tiger's men finally came, they came and saw that White Tiger fell to the floor and was unconscious.

"Boss, what happened to you?" a monster started asking what happened to the White Tiger, why did the White Tiger fall and become unconscious.

Ye Chen's attack was quite violent, this knocked the White Tiger unconscious, it would take at least some time for the White Tiger to wake up.

"Quickly find the person who has done this" White Tiger's men ordered his companions to find the whereabouts of the person who had intentionally injured the White Tiger.

"Good" all the monsters immediately moved, they all moved to find the whereabouts of the person who had attacked the White Tiger.

Ye Chen and Shui Yixian had left, neither of them knew that they had made such a big fuss.

"So what did you find?" Shui Yixian asked Ye Chen.

"I've found a way out of this place, the problem is very far away, it takes at least 1 month to get to that place, even if we use the fastest profound ark we have" Ye Chen said to Shui Yixian.

Shui Yixian nodded, the information Ye Chen had obtained was very useful.

"That's why I'm going to go and pick up an artifact that will shorten the time we have, the artifact is currently in the monster kingdom and it might be a little difficult to retrieve" Ye Chen said his next plan.

Chapter 1652 Looking for God Speed Disc

Ye Chen and Shui Yixian drew closer, both of them approaching towards the monster Kingdom which had the largest buildings and places in this entire place.

"So this is the place." Ye Chen saw a very large monster palace, when compared to the houses that Ye Chen had passed, it was clear that this place could not be compared.

"Let's go in?" Shui Yixian led Ye Chen inside.

"There are a lot of guards and arrays around this place, so be careful when you enter." Ye Chen was not worried about himself, Ye Chen had high confidence to pass this place.

On the other side Ye Chen didn't know if Shui Yixian could follow him, whether he could do that or not.

Ye Chen would not underestimate the strength of Shui Yixian, Ye Chen knew that Shui Yixian had a very strong ability, so Ye Chen would not underestimate her.

"You're worried about my safety?" Shui Yixian asked Ye Chen.

"Not really, I just don't want you to burden me, so if you can't I'll just be alone" Ye Chen said to Shui Yixian.

"I will come, you don't have to worry, I want to see what it's like inside." Shui Yixian wanted to know a little about the monster kingdom, whether there was a strong monster inside or not.

If Ye Chen met a strong monster that was difficult to fight, then Shui Yixian could help Ye Chen solve the problem.

"It's fine if you say that" Seeing Shui Yixian say that, Ye Chen let him come along.

Ye Chen and Shui Yixian started their sneak mission inside, they both sneaked with the abilities they had.

"This palace has a very extraordinary guard, it is even more stringent than all the places that Ye Chen visited.

Plus there are eyes on each side, these eyes serve as all CCTV in charge of monitoring and monitoring what is happening around the palace.

Ye Chen and Shui Yixian had to be extra careful, they had to be extra careful in every step they took, otherwise their whereabouts would definitely be discovered.

"This place is too heavily guarded, it's hard to move in this situation." Ye Chen tried to find a way to sneak inside.

If Ye Chen was alone, Ye Chen might find it easier to get inside, unfortunately Ye Chen was with Shui Yixian, so Ye Chen wouldn't be able to move more freely.

"I forgot to ask Mu Xueying about my Invisible Cloak" Ye Chen completely forgot to ask Mu Xueying's Invisible Cloak, he should have asked Mu Xueying's Invisible Cloak.

That way the problem will be quickly resolved and glue there is no need to do this kind of thing.

"The security in this place is quite strict, we have to do something about this matter" Shui Yixian told Ye Chen to do something.

"You mean we made a big riot" Ye Chen said to Shui Yixian.

Ye Chen thought of creating a riot big enough to distract from the monsters guarding this place.

"I will" Ye Chen will do it, he uses his Shadow Clone.

Using the Shadow Clone Ye Chen would outwit the enemy, he would divert attention to make the guard loose.

Ye Chen made dozens of Shadow Clones, Ye Chen told the Shadow Clones he made to create chaos and riots in this place.

Ye Chen originally wanted to do it slowly and neatly, but the situation didn't allow him to do such a thing.

"Boom. . ."The clones started to wreak havoc, they made a big raid around the palace.

"Duum. . . , Duum . . . , Duum . . . , Duum" The sound of the beat of the drums sounded, this indicates that the palace is under attack.

All the existing monster troops were immediately on alert, they immediately went and secured the post for the defense of the palace.

"This is our chance, let's go." Ye Chen invited Shui Yixian to leave, this was a very good opportunity to go in and retrieve the artifacts they needed.

Since all the monsters were taking care of Ye Chen's clone outside, the guard inside instantly became extremely weak, Ye Chen and Shui Yixian were able to enter very easily and head to the place where the Royal Artifacts were stored.

With Ye Chen's ability, Ye Chen discovered the existence of that place, it was in the secret part of the palace or rather a warehouse.

There were no guards or traps here, rather here guarded by countless powerful arrays that were impossible to break and break through.

Ye Chen saw the array of powerful Arrays in front of him, he would try to enter this Array.

"I'm going in, you just wait here" Ye Chen said that he would go inside "Ye Chen used the Invisible Body Art to forcibly enter, he used this to break through this array of arrays.

With this ability, Ye Chen could enter very easily, he could enter inside very easily.

"Finally I'm inside, I have to find the item I need" Ye Chen had to quickly find the item he needed, right.

"There are a lot of valuables here." Chu Yuechan saw that this place became a place to store various kinds of artifacts that belonged to the monster kingdom.

"It's great here, it seems that this is a treasure belonging to a monster." Ye Chen saw that this was a treasure belonging to the monster kingdom that ruled this place.

"You're absolutely right, they have a lot of great stuff." Shui Yixian reappeared beside Ye Chen.

"Where did you come from?" Ye Chen asked Shui Yixian, how did this woman get inside so easily.

"If you can enter, of course I can do it too" Shui Yixian said to Ye Chen.

Ye Chen could go inside easily, Shui Yixian could of course do the same with Ye Chen.

"-_-", she's quite talented" Ye Chen admitted that Shui Yixian was indeed talented, this woman's ability could not be underestimated.

"Come on, help me look for it." Ye Chen asked Shui Yixian to find the whereabouts of the object they were looking for.

Ye Chen gave a description of what the artifact they were looking for looked like, the artifact they were looking for was shaped like a disc that could accommodate five people inside.

Ye Chen and Shui Yixian searched carefully, they searched carefully around this place.

Here there are many treasures that attract Ye Chen's attention, Ye Chen occasionally tries to pick them up and take a look.

"It's useless, most of the artifacts in this place need the power of darkness to use them." Ye Chen discovered something wasn't right, most of the artifacts in this place needed the power of darkness to use them.

"To humans this is just trash, you won't be able to use it." Chu Yuechan agreed with what Ye Chen said, this was just trash to humans and became a precious thing to monsters.

Ye Chen continued to search, his goal was only one, he only needed an artifact that could take him away from this place.

" you found it?" Ye Chen asked Shui Yixian, until now Ye Chen still hadn't found what they were looking for.

"I didn't find it, are you sure it's in this place, I didn't see it in this place." Shui Yixian said that he didn't find what they were looking for.

"How strange" Ye Chen felt strange, whether the artifact they were looking for was not in this place, Where would it be, Ye Chen thought.

"Quickly open this place's Array, there must be someone inside." Outside Ye Chen heard several people say in a fairly loud voice.

"Oh shit, looks like we've been found" Ye Chen cursed, they've been found, looks like it's too soon.

"Let's get out of here" Shui Yixian took Ye Chen away, what they were looking for didn't exist so why would they stay in this place.

"Come on" Ye Chen agreed to Shui Yixian's invitation, there really wasn't anything here, so why did Ye Chen and Shui Yixian continue to be in this place.

"crack" the door opened, there were countless monsters that entered and surrounded Ye Chen, they all entered and began to surround Ye Chen with a complex formation.

"Humans, so you guys have caused trouble in our palace." A two headed dragon monster appeared, he spoke to Ye Chen and Shui Yixian in a disgruntled tone.

"It's too late to leave." Shui Yixian said that it was too late for them to leave.

"It's okay, let's talk to them." Ye Chen wanted to talk to this monster in front of him, he wanted to know the whereabouts of the Artifact they were looking for.

"We didn't come to look for trouble, we came here to look for something." Ye Chen said that they came to look for something.

"You guys have come and made a big fuss outside, plus you've entered the royal treasure room, and you're still saying that you're not looking for trouble, do you think we're stupid monsters.

The two headed dragon said to Ye Chen with overflowing anger, he was not happy with what Ye Chen had just said.

"Sorry for what happened, our goal is to find an artifact that can get us out of Another World abyss" Ye Chen said to the two headed dragon.

"You guys are looking for the God Speed ??Disc, what a shame it has been taken by another human who is as shameless as you guys" the two headed dragon said to Ye Chen and Shui Yixian.

"What does that mean, are there other humans who have arrived at this place?" Ye Chen said to the two-headed dragon.

"Of course, there are some humans who have been stranded in Another World abyss, they are stranded and often cause trouble in this place, for us humans like you are pests that must be killed to make this kingdom peaceful" the two headed dragon said to Ye Chen about his hatred against humans.

Chapter 1653 Ancient technique to open the God Sealing Cube

"How can you all think such things, I feel displeased when I hear what you guys have to say" Ye Chen was not happy when he listened to what the two headed dragon in front of him.

"Whatever you say is useless, you are a pest that must be removed immediately" said the two headed dragon to Ye Chen.

the two headed dragon has the name Long Tou, he is one of the subordinates of the lord of this place.

"It seems there is no point in talking to them" Ye Chen saw that there was no point in talking to Long Tou, from the start his hatred for humans was so great that it made him want to kill Ye Chen.

"We should just leave this place." Shui Yixian asked Ye Chen to leave this place.

"Why go, since it's like that, why don't we just face them" Ye Chen said to Shui Yixian.

"If we are facing killing all, what is the difference between us and the person they are referring to" Shui Yixian said to Ye Chen, he told Ye Chen what he was thinking.

"You're probably right, we didn't have any problems with them from the start" Ye Chen should probably admit to what Shui Yixian said, from the start they didn't have serious enough problems.

Ye Chen's purpose in coming to this place was to look for the God Speed ??Disc, since the God Speed ??Disc is not here, then why did Ye Chen continue to be in this place.

"But before leaving, I will give this monster one hit so he remembers me" Ye Chen wanted to give Long Tou a punch, Long Tou's words were the least liked by Ye Chen.

"Don't overdo it." Shui Yixian told Ye Chen not to overdo it.

"I will give it a try" Ye Chen will give it a try, he will try his best not to overdo it.

"Nine Shadow Step" Ye Chen used the Nine Shadow Step, he went straight to the front of Long Tou.

"Feel this" Ye Chen landed a pretty hard punch towards Long Tou.

It hit one of Long Tou's heads right, Long Tou's body fell straight onto the floor when he received Ye Chen's punch.

"Bastard" Long Tou roared, Long Tou felt the pain from Ye Chen's punch.

"Quickly attack him right now" Long Tuo ordered to immediately attack and capture Ye Chen.

"Good luck" Ye Chen left this place, he together with Shui Yixian knockdown all the guards and left this place.

with powerful attack, Ye Chen sent the guards flying, they were all blown away by Ye Chen's attack.

Ye Chen and Shui Yixian took this opportunity to leave, they both left as quickly as possible from this place.

"Hurry after them, order all the monsters to catch them, there will be a very big reward for the person who brought me the heads of both of them" Long Tou gave the order, he gave the order to immediately catch Ye Chen and bring him to himself.

Long Tou was very upset about what Ye Chen had done, he would definitely repay what Ye Chen had done.

All the monsters immediately went to catch up with Ye Chen, they all chased after Ye Chen and Shui Yixian.

Ye Chen and Shui Yixian were already quite far away, finding the whereabouts of the two of them was an extremely difficult thing to do.

Ye Chen and Shui Yixian were also very good at hiding traces, so it made it difficult to find them.

Even though these monsters have a very good sense of smell, they still won't be able to easily find Ye Chen's whereabouts, they have to search for Ye Chen in more ways and methods than usual.

News of Ye Chen's attack spread very quickly, almost all the monsters in this kingdom immediately went and looked for Ye Chen's whereabouts.

Ye Chen had not completely left this kingdom, he was still in this place to see what happened.

"Looks like we have become the most wanted fugitives" Ye Chen said to Shui Yixian, now these two will be wanted by all the monsters in this place.

"They will definitely find us soon if we continue to be in this place" Shui Yixian said to Ye Chen.

"Let's get out of this kingdom" Ye Chen asked Shui Yixian to leave this place, maybe somewhere else they will find something that can help them get out of this place.

Ye Chen and Shui Yixian left, they left this kingdom very quickly.

News of the arrival of humans spread very quickly, in a short time all the monster kingdoms heard of this matter, they all immediately sent powerful troops to search for the whereabouts of Ye Chen and Shui Yixian.

It could be said that Ye Chen and Shui Yixian had been hunted by countless people, there were countless people hunting for Ye Chen and Shui Yixian.

Ye Chen and Shui Yixian decided to find a hiding place, they were now the most wanted fugitives.

Countless monsters kept coming to attack Ye Chen and Shui Yixian.

At first Ye Chen fought the monsters that came, but as time went on, more and more monsters came, which made the situation troublesome.

If Ye Chen had to fight for a long time, then he would lose even more time.

For Ye Chen, time is very important, he must not waste time on useless things.

Ye Chen and Shui Yixian finally agreed to find a cave to hide in, it was the only place that could possibly be the safest place to hide.

"It turns out that a large number of monsters is very troublesome." Ye Chen felt that fighting a large number of monsters was quite troublesome.

"They may be weak, but there are quite a number of them and it will be difficult for you to keep fighting them. Plus, their numbers keep growing and they don't want to stop coming." Shui Yixian answered Ye Chen, he admitted that it was very difficult to fight against such a large number of monsters.

"I have to rethink how to get out of this place." Ye Chen had to rethink how to get out of this place.

Ye Chen paced back and forth, he thought of something very important, Ye Chen couldn't go on like this, he had to think of something as fast as possible.

"Damn, why can't I think in a situation like this" Ye Chen couldn't think of anything in a situation like this, he was really at a loss as to how to get out of this situation.

In order to vent his emotions, Ye Chen punched the wall in front of him, when Ye Chen did that, the wall collapsed and the other side of the wall was exposed.

On the other side of the wall, Ye Chen discovered the existence of a place filled with strange images that he had never seen.

"What is this?" Ye Chen looked carefully, he tried to find out what was in this place.

In this place there is a human skull in monk clothes, this skull sitting cross-legged holding a roll of paper.

Ye Chen approached, he took the scroll that was in this man's hand, Ye Chen read carefully what was in this man's hand.

After reading carefully, Ye Chen discovered that this was an ancient technique to forcibly open the God Sealing Cube.

"Yuechan, is this true, this is a secret technique to open the God Sealing Cube" Ye Chen said to Chu Yuechan.

"I don't know, I don't know about that matter, it looks really complicated, I don't know if it's true or just bullshit." Chu Yuechan hesitated a little, she didn't know whether the technique this man possessed was the truth or not.

"Then let's give it a try, I didn't expect to find something like this in an unexpected place like this." Ye Chen did not expect that he would find a technique he needed in a place like this.

Ye Chen was already desperate enough with how to open the God Sealing Cube, to be honest everything Ye Chen did was a waste of time to open the God Sealing Cube.

The God Sealing Cube is an object that has a 99.9% percentage of being unable to be opened, once someone puts something in that place, the chances of opening it are only 0.1%.

The person who sealed something in the God Sealing Cube must have erased the existence of the key, they wouldn't be so stupid as to let the key to the God Sealing Cube exist in this world.

The need for them to seal within the God Sealing Cube was so that no one could open it no matter what.

"Are you sure about what you did?" You don't have much time left, if you spend time on something like that, you might regret it." Chu Yuechan said to Ye Chen, what Ye Chen did would probably be a waste.

"Yuechan, maybe within the God Sealing Cube there is something that can help us get out of this place, what's the harm in trying it?" Ye Chen said to Chu Yuechan.

"It's up to you" After seeing Ye Chen's determination, Chu Yuechan knew that he would not be able to stop Ye Chen, Chu Yuechan was sure that he would not be able to stop what Ye Chen was doing.

Ye Chen began to study the scrolls left by this mysterious monk, he began to study the methods in them.

Shui Yixian peeked at Ye Chen, she didn't come close to Ye Chen, rather Shui Yixian left Ye Chen alone.

"Looks like he's found the net" Seeing this, Shui Yixian was relieved, it seemed that Ye Chen was on the right path.

From the start Shui Yixian already knew how to get out of this place, unfortunately she didn't tell Ye Chen this matter, Shui Yixian wanted Ye Chen to live his destiny, if Shui Yixian interfered too much, maybe the future would change and Ye Chen wouldn't develop any further. far away

Chapter 1654 Dimension Mastery

from the start Shui Yixian was the one who had guided Ye Chen, she was the one who had guided Ye Chen to this place.

Shui Yixian's goal was for Ye Chen to become even stronger and he would become the most powerful person.

Shui Yixian should have known what was inside the God Sealing Cube, but Shui Yixian didn't want to tell Ye Chen about this matter.

Shui Yixian looked outside, she sensed that many monsters were approaching this place.

"They're too fast, I'll take care of them first." Seeing this, Shui Yixian decided to take care of the monsters, she wouldn't let the monsters in this place bother Ye Chen.

Shui Yixian came out, she went and faced the enemy who had come to attack them.

The moment Shui Yixian appeared, the monsters immediately went and attacked her, they all immediately pounced on Shui Yixian.

"get away from this place" Shui Yixian told all the monsters to leave, she didn't want to destroy them all at once.

"Bitch, don't talk too much, your head is mine" the monsters shouted, they didn't want to leave and instead challenged Shui Yixian.

Shui Yixian raised her hand, when Shui Yixian did that, a great light enveloped the place.

All the monsters instantly melted when they received the golden light emitted by Shui Yixian.

In a matter of seconds, all the monsters have been defeated by Shui Yixian, Shui Yixian's strength is very strong, he is able to defeat all the existing monsters very easily.

More and more monsters were arriving, there were countless monsters starting to arrive to fight Shui Yixian.

The number of monsters in this place is very large, when Shui Yixian decides to fight, then her position has been found, and the monsters will definitely come and fight her.

"This will be a very long battle, I hope you resolve this matter soon." Shui Yixian hoped that Ye Chen would soon resolve the matter.

Until then, it seemed that Shui Yixian had to stay in this place and prevent these monsters from getting any further and bothering Ye Chen.

Inside Ye Chen was still studying the contents inside the scroll, he was trying his best to quickly master the contents inside,

The contents inside these scrolls were very complicated and had to be retranslated by Ye Chen, so it might take a little longer to decipher everything .

.

.

Time passed by almost 2 days 2 nights Ye Chen almost translated all the contents in this scroll.

"This is finally over, Ye Chen is very happy, finally everything is finished, now only need to test it on the God Sealing Cube" Ye Chen took out the God Sealing Cube, he took out the God Sealing Cube and started to open it.

The process of opening the God Sealing Cube would also be a long one, this process was extremely complicated and took time.

Ye Chen used the technique he had just discovered, he used a special array of Arrays he had learned to open the God Sealing Cube.

With this Special Array named God Code, Ye Chen could open the God Sealing Cube, although Ye Chen would have to take a longer time to fully open and see the contents inside the God Sealing Cube.

.

.

Time went back already more than 4 days, Ye Chen still trying to open the God Sealing Cube.

Ye Chen had spent quite a bit of time, he needed more time to be able to open the God Sealing Cube.

"Click. . ." While Ye Chen was concentrating, Ye Chen found a voice, this voice came from the God Sealing Cube.

"open?" Ye Chen immediately opened his eyes, he immediately saw what was inside the God Sealing Cube.

This method turned out to be successful, Ye Chen managed to find a method to open the God Sealing Cube which was extremely difficult to open.

The God Sealing Cube began to open, this box began to emit a very strange crystal.

This crystal has an abstract shape that changes to fruit, even though it still retains its shape.

"This" Ye Chen stepped forward and took a closer look, Ye Chen felt a very familiar feeling about this crystal in front of him.

Ye Chen stretched out his hand towards the crystal, when Ye Chen did this, the crystal in front of him instantly entered Ye Chen's body.

Ye Chen began to feel power filling his body, Ye Chen's body began to be filled with a power that felt very strange.

Ye Chen closed his eyes, he just let this process happen, Ye Chen showed no resistance.

After about 15 minutes, Ye Chen opened his eyes, he had successfully fused with the crystal just now.

Ye Chen stretched out his hand, he tore apart the dimension that was in front of him.

"master, that power" Chu Yuechan asked Ye Chen, Chu Yuechan just saw an extraordinary thing.

"It's a Dimension crystal, I didn't expect that it would contain something like this." This coincidence was so great, Ye Chen didn't expect that the God Sealing Cube contained such a thing.

"Isn't this a very suspicious coincidence?" Chu Yuechan felt very suspicious about this matter, how could things be like this, how could the God Sealing Cube that Ye Chen had obtained could retain the inheritance of the Sage God.

"This may already be fate" Ye Chen said to Chu Yuechan.

"I can't believe it, all of this must have been arranged, could it be that Shui Yixian had arranged this matter?" Chu Yuechan felt that everything was arranged, how could things turn out like this, this coincidence was very unlikely to happen.

"I will learn a new ability that I have" Ye Chen was still quite unfamiliar with this ability, to be honest in this life Ye Chen had never seen anyone master the ability to control Dimension, so Ye Chen was still unfamiliar with this matter.

It was fortunate that Ye Chen had the legacy left by the Sage God, almost everything left behind by the Sage God was very useful to Ye Chen.

The Sage God left some notes on dimensional power, this power was capable of tearing apart and creating new dimensions, so Ye Chen had to be careful when using this power or the world order could change if Ye Chen was not careful.

There might even be countless Void Abysses that would appear due to the collapse of a dimension.

"This is an enormous power." From this record alone, Ye Chen could tell that it was a very large force.

"What are you waiting for quickly learn it" Chu Yuechan told Ye Chen to immediately learn what to learn, Ye Chen must quickly master the new power he got.

"Okay, I understand, you don't have to say it" Ye Chen said that he would do it soon.

The technique the God Sage left behind was called Dimension Mastery.

The first level is Dimension Breaker.

Second is Dimension Shaker.

Third is Half Dimension.

"I will learn it" Ye Chen decided to learn everything.

"Looks like this place is going to collapse" Chu Yuechan felt that this place was going to collapse, if Ye Chen really practiced everything, then this place would be destroyed.

In history only the Sage God was able to master this power, it was said that almost all beings were afraid when faced with this ability.

Ye Chen started to cultivate the basic strength he had, just as Chu Yuechan said, the cave was instantly shaken and shattered the moment Ye Chen used his power.

"This seems too much." Ye Chen only used a small amount of his strength, not expecting the result to be like this.

maybe Ye Chen should just find another place, this place is not suitable for training.

an open space would probably be the best choice for now, this place is too risky to be used to train a great power like this

Chapter 1655 Mesmerized by Shui Yixian's beauty

Ye Chen still had to respect the tomb of the person who had given the technique to open the God Sealing Cube.

"How did this person get to this place?" Ye Chen was curious about this matter, how did this person get to this place, was he banished or did he go to this place on purpose.

This person wrote some life notes, it turns out that this monk fled here because of the abilities he had, he didn't want this ability to fall into the hands of the wrong people and be taken advantage of, that's why he decided to go to a place where no one would find it. -people from the God Realm.

"May you rest in peace" Ye Chen prayed, himself praying for this person to rest in peace.

"Where is Shui Yixian?" After finishing, Ye Chen saw that Shui Yixian was not here, Ye Chen did not notice Shui Yixian's departure.

"Looks like she is outside." Chu Yuechan estimated that Shui Yixian was currently outside.

"Why did he come out?" Ye Chen decided to go out, he wanted to know the condition of Shui Yixian outside, what Shui Yixian was doing outside.

When Ye Chen came out of the cave, he saw that there was a pretty big battle outside.

This great battle took place between Shui Yixian against an enormous number of monsters.

Ye Chen didn't hear the sound of battle, it was because Shui Yixian had set up a barrier that prevented Ye Chen from being able to sense what was happening outside, it made Ye Chen not feel a battle that had been going on for a long time.

Shui Yixian's condition is not very good, it can be seen that Shui Yixian's clothes are quite torn, there are many tears in Shui Yixian's clothes, plus Shui Yixian's clothes are covered with blood.

Shui Yixian's body was intact with no visible scars, it was because Shui Yixian was able to heal herself, so the wounds on his body healed instantly without even leaving a trace.

Shui Yixian's hood has also been removed, in this battle Shui Yixian did not have the time to wear the hood again, she had no time to think about such things in a big battle.

If Ye Chen wanted to take a closer look, Ye Chen might be able to see Shui Yixian like a goddess, she was so beautiful that it would enchant anyone who saw her.

"Why would she do this kind of thing?" Ye Chen couldn't understand, why would Shui Yixian want to do this kind of thing, why would Shui Yixian want to do this kind of thing for Ye Chen.

Ye Chen knew that Shui Yixian must have been trying to protect himself, she had suffered countless injuries from protecting Ye Chen.

And everything Shui Yixian did alone, she was willing to do this for the sake of Ye Chen who could open the God Sealing Cube.

"You will just stay quiet or you will help her" Chu Yuechan said to Ye Chen, she told Ye Chen to go and help Shui Yixian.

"Of course I will go and help her" Ye Chen couldn't talk about Shui Yixian suffering any further, he was going to go and help her right now.

Ye Chen stepped forward, he immediately grabbed Shui Yixian's body which was already quite tired after a fairly long battle.

Right now Ye Chen was carrying Shui Yixian like a princess, he was saving Shui Yixian from the attacks launched by the Enemy.

Ye Chen looked at Shui Yixian in front of him, this woman was very beautiful, this woman was worthy of being called a goddess, her beauty fascinated Ye Chen.

Because of Shui Yixian's beauty appearance, Ye Chen had almost forgotten their current situation, whereas currently in front of them were countless enemies who were eyeing them.

"Wow, how beautiful." Ye Chen was mesmerized by Shui Yixian's beauty, this woman was very beautiful.

"Why are you making a face like that?" Shui Yixian said to Ye Chen, Shui Yixian just saw Ye Chen daydreaming alone.

Shui Yixian knew the reason why Ye Chen did that, she knew the reason why Ye Chen was lost when he saw her.

Ye Chen finally regained his senses, he regained consciousness after being woken up by Ye Chen.

"Are you okay?" Ye Chen asked Shui Yixian.

"You've made me wait long enough" Shui Yixian said to Ye Chen, Ye Chen had kept her waiting too long.

"I'm sorry, I didn't know you were in trouble" Ye Chen apologized to Shui Yixian, Ye Chen deeply apologized because he didn't know that Shui Yixian was fighting alone against the enemy.

"It's okay, you are already here, maybe I will relax a bit more" Since Ye Chen had already left, Shui Yixian could relax she might take a break and leave this matter to Ye Chen.

"I will definitely take revenge for what happened" Ye Chen said that he would definitely take revenge for what these monsters did to Shui Yixian.

Shui Yixian had tried his best to carry out a negotiation, unfortunately she didn't succeed in doing so, she kept getting rejected and attacked by the enemy.

It seemed that it was indeed impossible to reconcile, the monsters in this place didn't like the existence of humans like Ye Chen and Shui Yixian.

Ye Chen looked at the huge crowd of monsters, the number of monsters like foam in the vast ocean, the exact number couldn't be said, this was definitely a lot.

Shui Yixian must have done his best, he has done his best to fight against such a large number of monsters.

This is Ye Chen's first time fighting such a large number of monsters, the monsters dwelling in Another World abyss are numerous, even the current number Ye is fighting against. Chen is probably less than 1% of the monster population in Another World abyss.

"The number of enemies is extraordinary." Chu Yuechan saw that the monsters in this place were abnormal, even someone like Chu Yuechan had never seen something like this, these monsters could not be counted.

"I will end this quickly" Ye Chen said that he would end this very quickly.

Ye Chen's confidence was huge, Ye Chen was now confident that he could defeat all the monsters in this place.

"Give up right now" Long Tou appeared in front of Ye Chen, currently one Long Tou's head was bandaged, it seemed that Ye Chen's last attack had injured one head quite badly.

"You again, it seems that the last lesson I gave was still not enough to discourage you." Ye Chen saw that Ye Chen's last lesson had not made Long Tou tired.

Long Tou was very angry when he listened to what Ye Chen said, his anger only grew when Ye Chen said such provocative words.

"You bastards, I will make sure that I hang your corpses at the city gates for 30 days and embarrass you both." Long Tou said to Ye Chen, he gave Ye Chen a threat.

"You should know that I don't like threats the most, so you better understand the consequences of what you say." Ye Chen clenched his fist, a force started to gather in Ye Chen's palm.

"Everyone, let's kill them, they can't fight anymore." Long Tou gave an order to all the monsters.

"Let's kill that human." Even though there were many monsters that were not under his command, these monsters were extremely unified, they were extremely unified when they faced Ye Chen and Shui Yixian.

It could be said that all the monsters in Another World abyss really hate the existence of humans, humans who come here will definitely get in very big trouble.

Chapter 1656 Treat Shui Yixian (1)

It is unknown what hatred they have, for sure the monsters and humans will not be able to live in peace, they will not be able to live in peace forever.

Ye Chen had completely concentrated the power he had, now he only needed to release it to destroy the surrounding

"Dimension Breaker" Ye Chen's struck towards the front, with an overwhelming force the dimension in front began to crack dimensions..

" Cracks . . . , Cracks. . . , Cracks. . . " A very large crack began to occur, this large crack began to spread very quickly and enveloped almost all parts of the front.

All the monsters were silent, they looked like they were frozen for a few seconds and couldn't move properly.

"Clank. . . ., boom" After the cracks spread throughout the enemy, a huge explosion occurred, the sound was like the cracking of a loud shattered glass, the ground was blown into the air and the monsters that were present were thrown and their bodies were blown to pieces from this attack.

In a matter of seconds, all the monsters were swept away by Ye Chen, all the monsters that were there fell like a very heavy rain.

"This is very strong." Shui Yixian had to admit that Ye Chen's strength was very strong.

"This is great, I like this" Ye Chen really liked the new power he got, this power is very strong and can be a terrible power.

The monsters couldn't stand up anymore, their bodies were really badly injured by the attack just now, almost all of the monsters had broken bones and torn bodies from the attack. Dimension Breakers.

"Everything is done" Ye Chen saw that this battle was over, one strike had succeeded, ending this battle.

"Everything is over, let's go back" Shui Yixian took Ye Chen back, the battle was over, so there was no longer any point in them being in this place.

Ye Chen nodded, it was time for them to leave this place and return to God Realm.

By using Ye Chen's new ability, Ye Chen should be able to return to the God Realm, he can manipulate the Dimension and return to the God Realm dimension.

Ye Chen closed his eyes, he thought that he was in the God Realm, when Ye Chen did that, Ye Chen's body completely disappeared and moved to the God Realm.

Ye Chen opened his eyes, he saw that they were in a quite unfamiliar and unknown place.

"Looks like we are currently in the Flame Dawn Star Realm." Shui Yixian instantly knew where they were.

"So we are in the Flame Dawn Star Realm." Ye Chen nodded, apparently they were in the Flame Dawn Star Realm.

it just so happened that Ye Chen just randomly teleported, so Ye Chen didn't know where he would appear.

If I'm not mistaken the Flame Dawn Star Realm was the place where the Shin Clan came from, Ye Chen didn't expect that he would go to the place where the Shin Clan was.

"Let's treat your wound" Ye Chen said to Shui Yixian, he will treat Shui Yixian's wound.

Ye Chen would treat Shui Yixian, he would make sure Shui Yixian's condition returned to normal.

Shui Yixian didn't refuse, she didn't reject what Ye Chen did, she let Ye Chen treat her wound.

Shui Yixian's injuries weren't too severe, she only had her usual injuries and would probably recover in a few days.

Ye Chen found an inn for Shui Yixian, he was looking for a suitable place to be a place to treat Shui Yixian.

Near this place there is a city, the city is quite large and quite a lot of people live in it.

Ye Chen decided to go in, he decided to go inside the city and immediately look for a place to stay for Shui Yixian.

Here Ye Chen is looking for the best place, she will do Shui Yixian in the best place in this city.

Shui Yixian's appearance was too flashy, when Shui Yixian was carried by Ye Chen, almost all the passersby looked at Ye Chen.

Ye Chen ignored everyone, Ye Chen didn't care because they were nothing, Ye Chen didn't really know them, so why did Ye Chen think about this kind of matter.

Ye Chen found an inn that was quite good, this inn was quite large and very luxurious, this would be a suitable place for them to stay for a while.

Ye Chen checked in inside the inn, after checking in, Ye Chen brought Shui Yixian into the room.

Ye Chen was currently alone with a beautiful goddess like Shui Yixian, it was possible that something would happen when Ye Chen was with an extraordinary beauty like Shui Yixian.

Ye Chen laid Shui Yixian down slowly, Shui Yixian still looked beautiful even in shabby clothes.

Because of Shui Yixian's torn clothes, Ye Chen could see Shui Yixian's skin was so smooth, Shui Yixian's skin was so smooth, Ye Chen felt as if he wanted to touch him and caress him directly.

"Calm down, don't lose control." Ye Chen shook his head, he had to focus on treating Shui Yixian.

Ye Chen couldn't stand a beauty like Shui Yixian the most, that's why Ye Chen was quite excited when he was with Shui Yixian.

Shui Yixian could see Ye Chen's fiery gaze, Shui Yixian could understand this matter, after all Ye Chen was still a passionate young man, seeing her beauty, would definitely make Ye Chen excited.

Ye Chen started to treat Shui Yixian's wound, he started to touch Shui Yixian's body and applied ointment to Shui Yixian's wound which looked a little red.

In this opportunity, Ye Chen touched and started to caress Shui Yixian's body, Ye Chen made the most of this opportunity.

Shui Yixian felt a strange feeling as Ye Chen started to touch him, this feeling made Shui Yixian squirm a little.

"What kind of feeling is this?" Shui Yixian felt this kind of feeling for the first time, it was the first time she had this feeling in her life.

This feeling could be said to be comfortable for Shui Yixian, she felt extremely excited when she received a touch from Ye Chen.

"Shui Yixian, your body feels very stiff, do you need help softening it?" Ye Chen said to Shui Yixian.

Ye Chen was quite happy while helping Shui Yixian, Shui Yixian had such a large amount of Yin Qi that Ye Chen didn't want to leave her.

"do it" Shui Yixian gave Ye Chen a pass, she allowed Ye Chen to give her a little massage.

Shui Yixian was curious about the feeling that Ye Chen gave, this feeling made Shui Yixian curious so she wanted to give it a try.

Shui Yixian is still like a normal woman, her curiosity about something is still very strong, she wants to try something that has never been done in this life.

"Are you sure ?" Ye Chen originally only wanted to joke with Shui Yixian, unexpectedly Shui Yixian would actually nod like that.

"Of course, what are you waiting for" Shui Yixian told Ye Chen to do it.

"Okay" Ye Chen nodded, Ye Chen stretched out his hand towards Shui Yixian's very beautiful legs, Shui Yixian's legs were very beautiful, Ye Chen really liked it when he touched Shui Yixian's legs.

Shui Yixian was a very perfect woman, she had an extraordinary beauty as a woman, Ye Chen naturally felt pleasure when touching Shui Yixian with his own hands.

"Emm" this time Shui Yixian let out a groan, she groaned when Ye Chen touched her feet.

The feeling this time was definitely different from before, this time Shui Yixian felt a much more comfortable feeling than before.

Ye Chen started doing a gentle massage for Shui Yixian, he made sure Shui Yixian had the best experience of her life.

Chapter 1657 Treat Shui Yixian (2)

Ye Chen's fingers rubbed and pressed Shui Yixian's feet, he did this to Shui Yixian's nerve points which seemed a little tense.

Ye Chen helped Shui Yixian to relax more, he gave Shui Yixian the best massage.

"Erm. . ." Shui Yixian was still trying to contain herself, she was still holding back from letting out a groan of her own.

Shui Yixian's face started to turn red, it seemed that Shui Yixian was getting embarrassed by what had happened.

The consequences that Shui Yixian faced were quite large as well, she faced the consequences of letting Ye Chen carry out an attack on her.

No matter how strong Shui Yixian's confidence was, he still had a hard time fighting Ye Chen, Ye Chen's ability was something that was extremely difficult to resist.

"It's too comfortable, I can't endure it." Shui Yixian felt a feeling that was too pleasant, she couldn't fight the feeling that Ye Chen gave.

The power and dominance of the Passion Goddess technique is the most powerful, even an untouchable goddess like Shui Yixian was created in this state.

Ye Chen seemed to enjoy seeing Shui Yixian expression, Shui Yixian's expression was the best, Ye Chen really liked it when he saw Shui Yixian expression.

Shui Yixian was so seductive, she made Ye Chen feel excited just from the sound she made.

From the beginning Shui Yixian's voice had a gentle voice, when Ye Chen provoked with his technique, Shui Yixian became very seductive and made Ye Chen bone feel melt when he heard her voice.

Shui Yixian was starting to lose control herself, she was starting to lose control of herself, only great pleasure was currently controlling Shui Yixian.

"Shui Yixian, are you okay, is it necessary to stop here?" Ye Chen asked Shui Yixian, he asked if it was necessary for him to stop right now.

"no, don't stop" Shui Yixian told Ye Chen to continue, he still wanted to continue.

If Shui Yixian stopped here, it would definitely be a very inconvenient thing, it was better to make Ye Chen continue.

because Shui Yixian said that, Ye Chen continued, he continued to give Shui Yixian a massage.

Shui Yixian continued to make a very seductive voice, as time went on her voice became more and more seductive.

Ye Chen started to climb up, he started to climb up and touched Shui Yixian's thighs, once again Ye Chen was amazed by Shui Yixian's smooth thighs, these are too beautiful and comfortable to touch, the feeling of touching Shui Yixian's thighs is the best.

Shui Yixian already felt a little wet downstairs, she became a lustful woman while in Ye Chen's hands.

Who would believe what was currently happening, a Saintess with a clean heart like Shui Yixian would be treated like this by Ye Chen.

Under Ye Chen's ability, Shui Yixian was transformed into such a lewd and passionate woman.

If anyone else knew about this matter, they would definitely not believe what was happening, what was happening right now was very hard to believe.

Who would believe what happened, to most people Shui Yixian was a gentle and clean woman, she was a good woman who was quite revered in the God Realm, many people turned to Shui Yixian for help for healing, that's what made her a goddess. whom most people in the God Realm admire.

And now that this beautiful and clean goddess is in the grip of Ye Chen's evil claws, if Ye Chen wants to, he can easily eat Shui Yixian.

Luckily Ye Chen was still able to restrain himself, Ye Chen did this because he purely wanted to help Shui Yixian, even so Ye Chen still took advantage of this matter.

Ye Chen was getting up, he started to massage the back and abdomen, this part is the easiest to provoke a woman, Ye Chen can easily make a woman excited with a little trick of his.

"Ahhh. . ." sure enough, Shui Yixian let out a fairly loud groan, she was truly experiencing the pleasure of what Ye Chen was doing.

Ye Chen had just touched some of Shui Yixian's sensitive spots, it made Shui Yixian instantly get a great pleasure and reach the peak.

Shui Yixian was already doing his best, too bad Shui Yixian still couldn't hold back, he was made to reach the top by Ye Chen's skill.

Shui Yixian's body felt so light, she felt all the burdens in her life disappear in an instant.

Even though it looks like that, in reality Shui Yixian has a very big burden and responsibility, with her current position, Shui Yixian certainly has a big burden on her shoulders

Now that Ye Chen has helped her, Shui Yixian feels very light and the responsibility on her shoulders feels just getting lighter.

While Shui Yixian thought that everything was over, Ye Chen still continued to treat Shui Yixian, he continued to treat Shui Yixian as best he could.

It could be said that Ye Chen was still not done with massaging Shui Yixian.

"Ye Chen, why are you still continuing?" Shui Yixian asked Ye Chen, she asked why Ye Chen was still continuing this matter.

"That's because I haven't finished yet." Ye Chen said that he was still not finished, it was still early.

" what! " Shui Yixian looked surprised when she heard this matter, she didn't expect it to be so early.

This was of course a bit of a surprise, even though Shui Yixian thought it was over, but it turned out to be a start.

"Erm, ah. . ." Shui Yixian became more and more daring, she let out a voice that was only more and more seductive.

Ye Chen took this opportunity to absorb Shui Yixian's Yin Qi, he took this opportunity to make himself benefit as well.

Apart from giving Shui Yixian massage treatments, Ye Chen actually got great benefits, he got pure Yin Qi and was also able to see things that no one else had ever imagined.

Ye Chen treated Shui Yixian for approximately 30 minutes, during which time Shui Yixian was forced to reach the peak several times.

Of course this made Shui Yixian feel extremely exhausted, Shui Yixian didn't have much strength to keep going.

Shui Yixian waved her hand, she was enveloped by a dazzling light.

Because it was too dazzling for Ye Chen to close his eyes, Ye Chen didn't know what Shui Yixian was doing at the moment.

This light did not last long, within 15 seconds this light had disappeared, Shui Yixian was now clad in a new, very clean white dress.

Her appearance also became extremely beautiful, she was like a beautiful goddess lying on a bed.

"Please leave me, I will rest." Shui Yixian said to Ye Chen, Shui Yixian wanted to rest for a while.

"okay . . ." Ye Chen nodded, he was going to leave and leave Shui Yixian to rest.

"Master, there seems to be a lot of people looking for you." Chu Yuechan said to Ye Chen, there were a lot of women looking for Ye Chen's whereabouts.

"Are they already inside the fairy gate?" Ye Chen asked Chu Yuechan.

"That's right." Chu Yuechan nodded, she informed that Li Jingyi and the others were inside the fairy gate.

"Okay, I'll go and meet them" Ye Chen said that he would go and meet them.

Shui Yixian had already improved, so Ye Chen could leave her for a while.

Chapter 1658 Shui Yixian's beauty rumors spread

Ye Chen walked into the fairy gate, he wanted to see for what the situation was like inside the fairy gate.

"husband" When Ye Chen entered the fairy gate he was greeted by Li Jingyi, Mu Xueying, Mei Yueli, Song Ziyu, Yan Fei, Fairy Zhen, Chi Shui, Chi Zuiye and the Seven Fairy Succubus.

They all went and surrounded Ye Chen, they seemed to miss Ye Chen who had been away for a long time.

Honestly, for Ye Chen it might only be nine days, but for the women, Ye Chen's absence was almost 4 months, they were naturally very worried about Ye Chen's whereabouts.

Mu Xueying and Li Jingyi, and Yan Fei had put in quite a lot of resources to search for Ye Chen's whereabouts, and during that time they couldn't find any trace of Ye Chen.

This made them despair, the fairy gate also seemed inaccessible, of course this made the women feel worried about Ye Chen's safety.

"Sorry for worrying you" Ye Chen was really apologizing, he was very guilty for making everyone worry.

"Where have you been going all this time?" Mu Xueying asked Ye Chen, she wanting to know where Ye Chen had gone.

Ye Chen explained where he was going, Ye Chen said that he was stuck in a place that was very difficult to get out of, otherwise Ye Chen might have a hard time getting out.

Mu Xueying nodded, Ye Chen's answer was quite satisfactory, Mu Xueying could understand what had happened.

"Did something happen while I was gone?" Ye Chen asked what happened while he was away, he wanted to know what happened outside for almost 4 months.

"a few things happened while you were away" Mu Xueying informed that a lot happened while Ye Chen was away.

"what's that?" Ye Chen asked Mu Xueying if she wanted to know what happened while she was away.

Mu Xueying told what happened after Ye Chen left, a few things happened when Ye Chen was away for 4 months.

The first news was that the Immortal Profound Sea Realm was conducting a massive search. Right now, the Immortal Profound Sea Realm was looking for the whereabouts of the Mask Hero, they were sending troops to all over the God Realm to find the Mask Hero's whereabouts.

The previous defeat had brought disgrace to the Immortal Profound Sea Realm, so in order to clear that disgrace the Immortal Profound Sea Realm had to catch and find Ye Chen.

"They still don't give up either" Ye Chen honestly hated the Immortal Profound Sea Realm, if Ye Chen had the chance Ye Chen would destroy the Immortal Profound Sea Realm.

"Master has also been missing for more than three months, I can't find any trace of him" Mu Xueying informed that Ning Xia had also disappeared, Ning Xia had disappeared moments after Ye Chen's disappearance.

"Lord Peak Ning is quite strong, so she should be fine" With Ning Xia's strength, Ye Chen believed that nothing happened.

The most likely possibility was that Ning Xia was doing closed-door training to awaken the strength she had.

"There are more?" Ye Chen asked Mu Xueying, Ye Chen wanted to know more about the news that was happening in God Realm.

"I have news for you." Chi Shui said that Ye Chen had news for Ye Chen.

"What do you have?" Ye Chen asked Chi Shui, he wanted to know what news Chi Shui had.

"This is about the Eternal Sun Star Realm, I recently received news that they are making a strange move, I discovered that they are planning quite a big thing" Chi Shui said to Ye Chen.

"What kind of grand plan?" Ye Chen wanted to know what kind of grand plan Chi Shui came up with.

"The Eternal Sun Star Realm is gathering some rare resources that are very hard to find." Chi Shui said that the Eternal Sun Star Realm was gathering resources that were rare and hard to find.

"what's wrong with that?" Ye Chen asked Chi Shui, Ye Chen wanted to know what was wrong with this.

"They are doing this by force, it can be said that they seize the resources of a Clan by force, maybe they will come and look for trouble with us" Chi Shui informed that this matter was quite big and very troublesome.

"How can that be done, wouldn't that damage their own reputation" What the Eternal Sun Star Realm did was very dangerous, they could damage their reputation.

"They used the services of the mercenaries who previously destroyed the Heaven Dream Sect." Chi Shui made it clear that the Eternal Sun Star Realm hired powerful mercenaries to carry out the action, that way their hands would be kept clean and they would not lose their reputation.

"Oh, I see, it seems that now that I understand what you are saying, it seems that the Eternal Sun Star Realm is one of the masterminds behind that incident." Ye Chen finally understood what Chi Shui meant.

Chi Shui and Chi Zuiye nodded, both of them also thinking the same thing as Ye Chen.

"Where is Ying now?" Ye Chen didn't see Huang Ying's figure.

"All this time, she went looking for you, she was the most active looking for you in various places, I already called her, maybe she will return in a few days" Li Jingyi said to Ye Chen.

"So she was looking for me" Ye Chen was quite touched, it seemed that Huang Ying was quite considerate of Ye Chen.

Ye Chen had two big problems, one was the Immortal Profound Sea Realm and the second was the Eternal Sun Star Realm, these two great powers seemed to have a very deep dark side, right now Ye Chen had to think of a way to deal with these two great giants.

Ye Chen asked Yan Fei and Fairy Zhen's plan to gather strength, he wanted to know if the two of them had done what Ye Chen said.

Yan Fei and Fairy Zhen had already done what Ye Chen said, the business had grown rapidly and now that they had enormous resources, Yan Fei started to give part to Heaven Dream Sect and part to Jade Lotus Peak, meanwhile some again for the troops assigned to protect their business.

Ye Chen was satisfied when he heard this, all the plans have gone well, the power has begun to be formed and it may soon develop even more rapidly.

"Husband, when are you coming back, Qingyu looks sad every day, you should go back and see him" Mei Yueli said to Ye Chen, Mei Yueli couldn't bear to see Xia Qingyu sad because of Ye Chen.

"Maybe I'll be back soon, I'm with someone so I'll be there for now" Ye Chen said to Mei Yueli.

When the time comes, Ye Chen will definitely come back, he will definitely come back and see Xia Qingyu.

Mei Yueli nodded, she hoped that Ye Chen would return soon.

"Little husband, what did you just do, I saw that the lower brother here has risen." Chi Zuiye asked Ye Chen, Chi Zuiye suddenly grabbed Ye Chen's younger brother who was below.

Chi Zuiye saw that Ye Chen was already very excited, she didn't know what made Ye Chen like this, the important thing was that he wanted to do it with Ye Chen.

Chi Zuiye had been holding herself back for a long time, this made her feel extremely dry and needed some nourishment from Ye Chen.

Chi Zuiye opened Ye Chen's lower half, she began to serve Ye Chen with her abilities.

All the women looked at Chi Zuiye, Chi Zuiye was very brave in this matter.

When they saw what Chi Zuiye was doing, they were all so excited that they finally couldn't stand it and decided to join in.

Ye Chen saw the enthusiasm shown by everyone, Ye Chen saw that everyone was too excited about this, maybe because they had been holding back for a long time.

"Come on" Ye Chen invited everyone, he invited everyone to do it.

Everyone quickly agreed, they all agreed to do it together, this would be a fun thing to do.

Ye Chen together with all the women entered the Dual Cultivation Chamber, they started to have a fierce battle inside the Dual Cultivation Chamber.

.

.

Meanwhile outside, rumors about the existence of the extremely beautiful Shui Yixian were spreading very quickly, everyone in the city had already heard of a beauty appearing out of nowhere.

"A very beauty woman appeared, who is it?" Shin Xuing wanted to know who this rumored big beauty was, the news about it was very hot.

This Shin Xuing is the person who became the heir after Shin Ba, because Shin Ba was gone, the Shin Clan was forced to find another heir to replace him.

And Shin Xuing was the most talented in this matter, he became the best successor besides Shin Ba.

Usually a Clan heir is determined by his future talent, abilities and connections, with these three criteria, one can become a Clan heir who is recognized by all Clan members and elders.

Even though Shin Xuing was quite a talent, he was probably far more dangerous than Shin Ba, this man was more aggressive when facing his enemies and his methods were also quite cruel, plus he really liked female beauty, almost all the beautiful women in the city had tried.

Shin Xuing could be said to be handsome and had quite a bit of influence, so it wouldn't be strange if he could do whatever he wanted, no one would dare to go against him.

"slave. . ." Shin Xuing summoned his slaves.

"Did master call us?" several slaves from the Shin Clan entered, they immediately knelt down and greeted Shin Xuing.

"I need you to search for the rumors that are currently circulating fast, find him and bring him to me." Shin Xuing ordered the slaves to look for Shui Yixian's whereabouts.

"Okay, we'll do it." All the slaves immediately carried out Shin Xuing's orders, they would search for Shui Yixian's whereabouts and confirm the rumors.

Chapter 1659 Shin Clan kidnapped Shui Yixian

slaves of Shin Xuing started to move, they spread out and started searching for information very quickly.

With the intelligence they had, they began to narrow the search, they had found traces of Shui Yixian's whereabouts.

Everything was done very quickly, in just 1 day they discovered Shui Yixian's whereabouts.

"The woman we are looking for is in this inn." They finally found the inn that Shui Yixian was in.

Right now they just needed to go and catch Shui Yixian and bring him to Shin Xuing.

These slaves went inside, they asked about the whereabouts of the beautiful woman who was staying at this place.

Because the slaves from the Shin Clan were so violent, the owner of this place was forced to tell the whereabouts of Shui Yixian, he was afraid that these people would destroy the inn.

After getting Shui Yixian's room number, the slaves immediately rushed over there, they all broke down the bedroom door and entered the room that Ye Chen had rented.

When they broke down the door, they discovered the whereabouts of Shui Yixian, Shui Yixian was currently inside and was recovering.

When these slaves saw Shui Yixian, they paused for a moment, Shui Yixian's beauty was indeed worthy of admiration, she had a beauty like a goddess from the sky.

These people were silent for a while, they were completely taken aback by Shui Yixian's beauty.

"Is there a woman like this in this world?" These slaves really couldn't believe that there was a woman as beautiful as Shui Yixian, Shui Yixian's beauty was a shocking thing.

Some of the slaves had already started drooling, they had all started drooling the moment they saw Shui Yixian.

Shui Yixian had a very strong attraction, this made the slaves want to get her.

"all of you wake up" the slave leader slapped everyone, he did this to make everyone regain consciousness.

With a hard slap, everyone came back to their senses, they all regained consciousness from the charm that Shui Yixian had.

"Let's take her, our job is to take her, if we are late we will lose our lives" The leader of this group warned all the slaves that they were on duty.

If they arrived late, their lives could be lost, rather than the beauty of Shui Yixian in front of them, their lives were far more valuable.

"Too bad, even though we can enjoy this woman" the slaves felt very disappointed.

"Why are you guys so disappointed, if our young master is bored, he might give this woman to us, have you forgotten that he often lets us do things like that?" the group leader tries to convince everyone that they can try.

"That's right." Everyone regained their spirits, they were sure that a day would come when they would enjoy Shui Yixian.

Shui Yixian woke up when he saw that someone had entered this room.

"Who are you?" Shui Yixian asked these people, she asked who these people were.

"Miss, our young master would like to meet you, I hope you will cooperate to make things easier" the slave leader said to Shui Yixian, he invited Shui Yixian in a gentle manner.

Before resorting to harsh methods, these slaves preferred to use gentle methods, that way they would not injure Shui Yixian's beauty, it would be a bad thing when Shui Yixian was injured by them.

"Who is your young master?" Shui Yixian asked again, she wanted to know who sent these people.

"Our young old lady is a person of high position in the Shin Clan, so you definitely won't be disappointed when you meet her" said the slaves to Shui Yixian.

"Shin Clan, oh I see." Shui Yixian now understood, it seemed that one of the Shin Clan members was trying to find trouble.

"Alright, I'll come with you" Shui Yixian agreed, she agreed to come along with these people.

The slaves looked at each other, they didn't expect that they would take someone like Shui Yixian so easily, it seemed they didn't need to resort to violence to bring Shui Yixian along with them.

"Shui Yixian came with these people, he came with them to meet Shin Xuing.

In order to face all the women with sufficient experience, Ye Chen used his full strength and skills, this made all the women defeated very quickly.

Among all the women Li Jingyi was the best, her stamina was excellent against Ye Chen.

Even so Li Jingyi would still quickly lose, Ye Chen's big thing really made her unbearable.

All the women lay limply on the bed, they were exhausted and at the same time very satisfied with what Ye Chen had done.

"Hehehe, it seems that this is my victory." Ye Chen was quite satisfied, it seemed that this was his victory.

"Master, it's been a few days, don't you want to see Shui Yixian's condition?" Chu Yuechan came over, she told Ye Chen that a few days had passed.

After leaving the fairy gate, Ye Chen reappeared in the room he had rented.

"Shui Yixian, how are you?" Ye Chen asked about Shui Yixian's condition.

"Ehhh. . . ." Ye Chen stopped in place, Shui Yixian was not in this place.

"Where is she, has she gone?" Ye Chen didn't see Shui Yixian around this place, nor could he sense Shui Yixian's presence around this place.

Ye Chen looked towards the entrance, as he did so, he found that the entrance of this room had been damaged.

"was she kidnapped by someone" Ye Chen's first thought was that Shui Yixian had been kidnapped by someone, otherwise how could the door be broken like this.

"Who is capable of doing this" Ye Chen wanted to know who was the person who was able to kidnap Shui Yixian, with Shui Yixian's strength, there should be few people who could do this.

"There's no point in thinking, I'll look for him" Ye Chen didn't want to think too much, he immediately went and looked for Shui Yixian.

First Ye Chen went downstairs, he asked if the owner of this place knew where Shui Yixian was right now.

The owner of this place told Ye Chen about what had happened, it was obvious that he was a little scared when he told about the trouble that had befallen Shui Yixian.

"How could you allow something like this to happen" Ye Chen said to the innkeeper, how could he do this kind of thing.

"young master, I'm really sorry, I don't dare go against the people of the Shin Clan, if I fight them, then this place will be razed to the ground" the owner of this place said to Ye Chen.

the owner of this place was just an ordinary man, if he challenged the Shin Clan, then it was certain that this place would be crushed and razed to the ground.

"Is that your only reason?" Ye Chen said to the owner of this place, how could the innkeeper say that to Ye Chen, his answer made Ye Chen unhappy.

"young master, Our is really sorry" The owner of this place apologized to Ye Chen, he was very sorry about what happened.

"I don't need an apology from you" Ye Chen said that he didn't need an apology from the owner.

"Do you know where that person took him to?" Ye Chen asked where the Shin Clan slave took Shui Yixian.

"Most likely they took him to a gambling place, it's Shin Xuing's favorite place." The owner told Ye Chen about Shin Xuing's favorite place.

"Casino?, fine, I'll be there" Having found out where Shin Xuing was, Ye Chen just needed to go and meet him.

Ye Chen wanted to know why he had brought Shui Yixian along with him, and Ye Chen wanted to teach the Shin Clan a lesson about what had happened.

The shameless members of the Shin Clan were always looking for trouble and irritated Ye Chen.

Ye Chen left the inn, he headed over to where Shin Xuing was.

Ye Chen left at an unbelievably fast speed, in just a matter of seconds Ye Chen had arrived at the biggest gambling ground in this city.

Ye Chen discovered that this was a fairly large building with all sorts of games in it, there were a lot of Sexy women hanging around this place.

"So that person is in this place" Ye Chen looked at the casino in front of him, the person who had brought Shui Yixian was in this place.

Ye Chen decided to enter, he entered and started looking for Shui Yixian's whereabouts.

"Handsome, do you want company?" when Ye Chen had just walked in, he was already greeted by countless comfort women, these women offering themselves to accompany Ye Chen.

Their profession is to serve guests and get paid, as long as they accompany guests, then they will get a small gift from the guest.

The women in this place act very coquettish and seductive, they use charm to lure the opposite sex.

Most of the women in this place use a Charm to seduce customers, it is one of the most powerful ways to seduce a customer.

"Do any of you know of Shin Xuing's whereabouts?" Ye Chen asked these women, for women who can answer, Ye Chen will give a gift.

"I know" almost all the women knew the existence of Shin Xuing, they all knew the existence of Shin Xuing who was in the room with a very beautiful woman.

"For those who can deliver me, I will give a gift." Ye Chen said that if anyone could deliver him, he took out a bag full of profound crystals and showed them to all the women in this place.

The eyes of all the women seemed to light up when they saw what was in Ye Chen's hand, to them the crystal in Ye Chen's hand was of great value.

"I will take you" all the women started to scramble, they all scrambled to get the gifts from Ye Chen.

Besides handsome Ye Chen being a benefactor, all the women in this place wanted to get close to Ye Chen.

Seeing the chaos that was happening, Ye Chen decided to choose one of the women in front of him, this was so that there would not be a riot.

"You over there" Ye Chen chose a woman who looked a little more normal.

"Thank you very much sir" this woman looked very happy when Ye Chen chose her, she was happy because she got a gift from Ye Chen.

"Quickly deliver me right now, after that you will get your payment immediately" Ye Chen said to the woman in front of him.

"Okay, I understand" The woman in front of Ye Chen immediately took Ye Chen, she immediately took Ye Chen to go to Shin Xuing's place.

With the direction given by the woman in front, Ye Chen made it to Shin Xuing's place, he saw that Shin Xuing was sitting and in front of him was Shui Yixian who was tied with rope.

"Hahahaha" Shin Xuing laughed when he saw Shui Yixian, he finally got Shui Yixian.

Shin Xuing was mesmerized by Shui Yixian's beauty, Shui Yixian's beauty was the best he had ever seen.

"Beautiful lady, what is your name, do you want to be my wife, a beauty like you is the masterpiece of a creator, it would be a shame to abandon a beauty like you" Shin Xuing said to Shui Yixian.

"No need for small talk, what do you want from me?" Shui Yixian asked what Shin Xuing needed.

"I mean it, I want you to marry me, do you want it or not?" said Shin Xuing to Shui Yixian.

"Are you kidding me?" Shui Yixian said to Shin Xuing.

Shin Xuing's face immediately darkened as he listened to what Shui Yixian said, Shui Yixian's words were very piercing.

From afar, Ye Chen couldn't help but laugh when he saw what was happening, what was in front of Ye Chen was far different from what Ye Chen had imagined.

Ye Chen thought Shin Xuing had done something bad to Shui Yixian, in fact he hadn't even done anything to Shui Yixian.

"Miss, this is the first time someone has rejected me" Shin Xuing said to Shui Yixian, to be honest Shin Xuing was not happy with this kind of rejection.

"Sorry but I already have someone" Shui Yixian said that she already had someone.

"Who is it tell me, I will destroy the person you belong to" Shin Xuing was not happy when he heard that Shui Yixian already had someone.

"What a coincidence, he has already arrived at this place." Shui Yixian looked at Ye Chen who had just arrived at this place.

When Shui Yixian said this, everyone immediately looked at Ye Chen, they all stared at Ye Chen who had just arrived.

"So he's the person you mean, he's just a handsome man with no power, what's so good about him?" Shin Xuing pointed at Ye Chen, he saw that Ye Chen was a weak man.

It just so happened that Ye Chen hid his strength in the stage Divine Spirit Realm, this obviously made Shin Xuing insult Ye Chen.

"You should know that he is tens of thousands of times better than you." Shui Yixian said that Ye Chen was tens of times better than Shin Xuing.

"Just watch this, I will destroy it, we will see if you will still say that when I destroy it" Shin Xuing wanted to destroy Ye Chen, he wanted to destroy Ye Chen's handsome face.

Apart from being handsome, there was nothing good about Ye Chen, after Shin Xuing destroyed Ye Chen, it was certain that Shui Yixian would not be attracted to Ye Chen.

"why did she provoke them" Ye Chen didn't know Shui Yixian's intentions, why did Shui Yixian bother to provoke Shin Xuing.

"Slave, destroy him, cripple him quickly, if you don't do it quickly, you won't get your pay." Shin Xuing easily ordered his slave to destroy Ye Chen.
