

A True God 1671

Chapter 1671 the beautiful goddess gives her lap

"I just saw what you did from afar, you should know that what you are doing is very beautiful and pleasing to the eye, the beautiful goddess swimming is a beautiful masterpiece" Ye Chen said to Shui Yixian.

"Your mouth is so sweet, I wonder how many women have been deceived by your sweet words" Shui Yixian said to Ye Chen.

"Hehehe" Ye Chen couldn't help but smile and chuckle as he listened to what Shui Yixian said.

"Ye Chen your courage is quite high too, you are very brave in doing something like this" Shui Yixian said to Ye Chen.

"I don't deny this matter, I like beautiful women like you" Ye Chen said to Shui Yixian.

"You lied a bit about what you said, just tell the truth?" Shui Yixian told Ye Chen to tell the truth.

"I guess I really can't lie to you." Ye Chen saw that he couldn't lie to Shui Yixian, it was very difficult to lie to someone like Shui Yixian.

Shui Yixian seemed to be able to understand what Ye Chen was thinking, tricking Shui Yixian was an impossible thing to do.

"Yixian, I have a question for you?" Ye Chen said that he had a question.

"what is your question?" Shui Yixian said to Ye Chen, he will answer questions from Ye Chen.

"Why do you keep helping me, you are very kind to me, I want to know the reason" Ye Chen wanted to know the reason why Shui Yixian was so kind to Ye Chen, it was like Shui Yixian knew Ye Chen very well.

Plus Shui Yixian almost had all the secrets that Ye Chen had, which was why Ye Chen couldn't just let Shui Yixian go.

"That's a very good question." Shui Yixian said to Ye Chen, Ye Chen's question was very good.

"You should know, I am helping you because it is the will of the heavens, I am doing it so that you can get the power you deserve" Shui Yixian said to Ye Chen.

"That still doesn't answer the question I had," Ye Chen said to Shui Yixian.

Shui Yixian's words still didn't answer Ye Chen's question, Shui Yixian still didn't answer the exact reason why he was so kind and willing to help Ye Chen.

"Why are you so curious about the matter?" Shui Yixian said to Ye Chen, Shui Yixian turned and looked at Ye Chen, her eyes looking at Ye Chen with tenderness.

Who was the man who would be able to stand the stares given by Shui Yixian, no one would be able to endure being stared at in such a manner by Shui Yixian.

"Of course, this is something really strange, a beautiful woman like you is suddenly so kind, plus you don't seem to put up any resistance even when I do something like this?, isn't that really weird?" Ye Chen said to Shui Yixian.

Among all the beautiful goddesses that Ye Chen met, Shui Yixian was the only one who didn't put up a fight when he was touched by Ye Chen, for some reason it felt like Shui Yixian had already belonged to Ye Chen.

"I know that you won't do anything bad, so why should I put up a fight?" Shui Yixian said to Ye Chen.

Shui Yixian seemed very sure of what she said, she believed that Ye Chen would not do anything to harm her.

"How can you be sure that I won't do something that will harm you?" Ye Chen asked Shui Yixian.

"I won't be wrong in judging someone" Shui Yixian replied, she quite trusted Ye Chen.

"I am still a passionate young man, so I can certainly do something for a beautiful woman like you," Ye Chen said to Shui Yixian.

Ye Chen could do something to Shui Yixian, he could do a lot of things if he wanted to.

"I'm sure you won't cross the line, you definitely don't like to force a woman" Shui Yixian said to Ye Chen.

"This beautiful goddess, she really understands me very well, she is more like Zhao Yanyan who understands what Ye Chen wants" Ye Chen said in his heart, Ye Chen felt that Shui Yixian was similar to Zhao Yanyan.

"You are very similar to my first wife, it's just that you feel much more complicated than her, I can't understand your way of thinking" Ye Chen told Shui Yixian the truth.

Ye Chen did not hide this matter from Shui Yixian, Ye Chen was very honest about matters like this.

Until now Ye Chen was still difficult to understand Shui Yixian, Shui Yixian was very difficult for Ye Chen to understand.

"Really, I didn't expect you to think that way about me." Shui Yixian didn't expect Ye Chen to think that way about her.

Shui Yixian showed a condescending smile, just now Ye Chen said that he was similar to Zhao Yanyan, it made Shui Yixian a little happy.

After being silent for a while, Ye Chen started to caress Shui Yixian's body, he started to hold the beautiful goddess in front of him.

Shui Yixian groaned as he was touched by Ye Chen, Ye Chen's touch made him feel a strange and mysterious feeling.

Ye Chen's movements were much rougher than last night, this time Ye Chen was extremely rude to Shui Yixian.

Ye Chen looked like he wanted to provoke Shui Yixian, which was why he made an aggressive attack towards Shui Yixian.

Shui Yixian certainly couldn't stand Ye Chen's attack, Ye Chen's little fingers made his body feel hot and aroused.

"Don't be so rude" In just a matter of seconds, Shui Yixian had already begun to be deceived by Ye Chen's abilities, even telling Ye Chen not to be rude.

"Yixian is very obedient" Ye Chen felt that Shui Yixian was very obedient, she was very obedient when she was in Ye Chen's hands.

Even Shui Yixian let Ye Chen do whatever she wanted.

Shui Yixian actually wanted to fight Ye Chen, unfortunately she didn't have the strength to do that, she felt weak when she was touched by Ye Chen, all her strength and resistance disappeared the moment she felt Ye Chen's touch.

Unlike last night, Ye Chen started to be a little more daring, he started to show his abilities in front of Shui Yixian.

This time Ye Chen would definitely let Shui Yixian feel his abilities, Shui Yixian would definitely never forget him after this incident.

In the water Ye Chen and Shui Yixian were playing together, Ye Chen was caressing Shui Yixian, he did his best to make Shui Yixian feel comfortable.

"Humph. . ." Shui Yixian's breathing started to become erratic, she started to get excited, Shui Yixian was still a normal woman, Ye Chen's stimulation naturally made her feel excited.

Ye Chen felt very satisfied, Shui Yixian was getting weak and helpless.

Ye Chen was satisfied that a beautiful goddess like Shui Yixian was made into this state by him.

Since Shui Yixian was already excited, it was now time for Ye Chen to launch an attack.

He tried to kiss Shui Yixian who was in front of him, how it felt to kiss a beautiful goddess like Shui Yixian.

"Don't do that." Shui Yixian said to Ye Chen, she didn't allow Ye Chen to do such a thing.

Ye Chen couldn't do it, Shui Yixian still had consciousness and refused Ye Chen.

"Let's go to the shore, looks like it's getting dark" Shui Yixian said to Ye Chen, Shui Yixian took Ye Chen to go to the bank to rest.

"Come on, I just started." Ye Chen was a little dissatisfied, even though he had just started and Shui Yixian had already taken him to the shore.

"Don't complain too much," Shui Yixian said to Ye Chen.

Ye Chen had no choice, he and Shui Yixian finally came out of the sea.

After coming out of the sea, Shui Yixian took Ye Chen to sit by the beach, they could enjoy the time until the sun went down, there was still a little time until the day became night.

"come here" Shui Yixian gave a confession to Ye Chen, Shui Yixian told Ye Chen to lie down on her soft thighs.

"Then I won't be polite" Seeing a quite tempting offer from Shui Yixian, Ye Chen immediately agreed, he did not refuse an offer given by Shui Yixian.

How could Ye Chen refuse the offer given by Shui Yixian, only a fool would refuse the offer given by Shui Yixian.

When else would a beautiful goddess offer Ye Chen something like this, perhaps only Shui Yixian would be willing to offer Ye Chen this kind of thing.

Ye Chen lay on Shui Yixian's lap, they looked towards the sea which was gradually turning dark.

"This place is quite beautiful, tomorrow when the sun rises, it will be something worth seeing" Ye Chen said to Shui Yixian.

"tomorrow ?" Shui Yixian muttered softly, there was a hint of disappointment when Shui Yixian said this.

"what is it?" Ye Chen asked Shui Yixian.

"Nothing" Shui Yixian said that nothing happened.

Ye Chen and Shui Yixian enjoyed their time, they both chatted and became very close.

Occasionally, Ye Chen would take the opportunity, he would slightly touch Shui Yixian.

Ye Chen's touch was quite stimulating, this made Shui Yixian unable to stand Ye Chen's touch.

That's why Shui Yixian tried to stop Ye Chen, she stopped Ye Chen who was becoming more and more aggressive.

In a short time Ye Chen and Shui Yixian's relationship had already developed.

Neither of them realized that it was already getting late, because that was the time for them to return.

Ye Chen and Shui Yixian returned to the building, the two of them separated and entered each other's room.

This time Shui Yixian refused to sleep in the same room, so she chose her own.

in this situation Shui Yixian had to be more wary of Ye Chen, she didn't want to take any risks.

"Yixian is very easy to approach, she has almost no defenses," Chu Yuechan said to Ye Chen.

"yes, you are absolutely right" Ye Chen had to admit what Chu Yuechan said, Shui Yixian didn't seem to have any defense towards Ye Chen.

It was quite rare to see a pure virgin woman as defenseless as Shui Yixian, to be honest Ye Chen was quite surprised by this matter.

"Tomorrow I will do my best, I just hope tomorrow will be even better" Ye Chen hopes that tomorrow will be even better.

Today was a good start, tomorrow must be even better.

Ye Chen started to think about what he would do with Shui Yixian, Ye Chen still had time to do fun things together with Shui Yixian, he shouldn't miss an opportunity like this.

Chapter 1672 Zhi Fuxe find out information about Ye Chen

Ye Chen decided to start cultivating, he sat on the bed and started cultivating, sooner or later morning will surely come.

.

.

Time pass very fast, now it is morning, the sun will soon rise.

Ye Chen couldn't wait to see the beautiful scenery together with Shui Yixian.

Ye Chen immediately went to knock on Shui Yixian's door, he invited Shui Yixian to come out.

After several calls, Ye Chen found that there was no answer from within.

This of course made Ye Chen a little suspicious, why was there no answer from the inside, because there was no answer, Ye Chen directly entered forcibly.

"Yixian, are you inside?" Ye Chen looked around, until now Ye Chen had not found the whereabouts of Shui Yixian.

This room is empty, there is no one in this room, there is only furniture around this place.

"she is not in this place" Ye Chen did not find the whereabouts of Shui Yixian, Shui Yixian was not in this room.

Not finding the whereabouts of Shui Yixian, Ye Chen immediately went to look for Shui Yixian's whereabouts, he searched every corner around this place.

Ye Chen had searched all the places around this place, in fact Ye Chen still hadn't found the whereabouts of Shui Yixian.

"Has she already left?" Seeing this, Ye Chen could confirm that Shui Yixian must have left this place, Shui Yixian must have left this place.

"I can't sense her existence either." Chu Yuechan couldn't sense Shui Yixian's presence around this place.

Ye Chen returned to Shui Yixian's room, when Ye Chen came back, he found a letter on the table.

Ye Chen picked up and read the letter that was on the table.

"Ye Chen, yesterday was quite enjoyable, but I'm sorry I have to go, I have a lot of unfinished business" the letter written by Shui Yixian said.

"So she really left" Ye Chen was quite disappointed when he found out about this matter, Ye Chen was disappointed that he couldn't get closer to Shui Yixian.

"I wonder if we will meet again in the future" Ye Chen wanted to know if they would meet again in the future, he hoped that in the future he could meet Shui Yixian again.

not being able to enjoy the sunrise together with Shui Yixian, Ye Chen was forced to see this sun alone.

Should Shui Yixian be beside Ye Chen, being accompanied by a beauty like Shui Yixian would definitely be a joy.

"Ye Chen" when Ye Chen saw the rising sun, he heard someone calling him, Ye Chen saw that Xia Qingyu had come along with two Ye Chen women.

"Qingyu" Ye Chen hugged Xia Qingyu who was in front of him, he hugged his beautiful fiancée.

"I'm glad you're okay, you should know that I'm really worried about you" Xia Qingyu said to Ye Chen, to be honest Xia Qingyu was really worried about Ye Chen.

Almost 4 months, Xia Qingyu always prayed for Ye Chen to be safe, she always prayed for Ye Chen to come back to her side, losing Ye Chen was very uncomfortable.

"I'm back, so you can rest easy" Ye Chen said to Xia Qingyu.

Ye Chen calmed Xia Qingyu down, he did his best to calm Xia Qingyu down even more.

Xia Qingyu felt an extraordinary warmth from Ye Chen, feeling that she had regained the feeling she was most pleased with.

Xia Qingyu came here with Huang Ying as well as Yan Fei, these two women who had brought Xia Qingyu to this place.

"Husband, do you really want me to do that to the Shin Clan" Yan Fei approached she asked Ye Chen about his plan.

"That's right, can you do it?" Ye Chen said to Yan Fei.

"I will try, but you have to help too" said Yan Fei to Ye Chen, Yan Fei can do what Ye Chen wants, only Ye Chen has to help himself to do it.

"Of course I will, after all Ying will also help us" Ye Chen said to Huang Ying.

"I can't be too flashy, so I'll help you guys from the shadows" Huang Ying said to Ye Chen and Yan Fei.

"No problem, that's enough." Ye Chen didn't mind this kind of thing, as long as Huang Ying was willing to help, then it would be a very good thing.

"Husband, I have lots of questions for you, for the time being you enjoy your time." Huang Ying had lots of questions for Ye Chen.

For now Huang Ying would give Xia Qingyu a chance, however Xia Qingyu wanted to be with Ye Chen.

"I know what you want" Ye Chen knows what Huang Ying wants, this woman definitely wants information from Another World Abyss.

Huang Ying nodded, she was satisfied with the answer given by Ye Chen.

Ye Chen hugged the three beauties nearby, they were enjoying their time to watch the sun rise.

Among all the women, Xia Qingyu was the closest to Ye Chen, she became the woman who was closest to Ye Chen.

.

.

Meanwhile in Zhi Fuxe's room.

Zhi Fuxe was looking at Ye Chen biodata, he saw that Ye Chen had a bio that was still quite mysterious.

"He is from Nine Immortals Peak Sect, to be precise from Jade Lotus Peak which is a place filled with women, this is very interesting." After reading the information about Ye Chen, Zhi Fuxe started to know what kind of background Ye Chen had.

"He's just a core disciple of a middle rank star, what's good about a man like him?" Zhi Fuxe didn't know what was good about Ye Chen, to be honest she didn't find anything good about Ye Chen.

From his background alone Ye Chen was only a middle rank star, so there was nothing good about someone like Ye Chen.

"What surprised me the most was that he could be accepted into a peak filled with beautiful women, where there are almost no men in this peak" The only thing that surprised Zhi Fuxe was Ye Chen who could be accepted into a peak filled with beautiful women who countless.

Besides that maybe there was nothing good about Ye Chen, Zhi Fuxe didn't find anything else from Ye Chen.

what makes Shui Yixian think that way about this kind of man before?, Zhi Fuxe still didn't know the answer, she was trying to figure out the answer to this question.

"Is this all you can find?" Zhi Fuxe asked the manager.

"Miss, that's all I can find, this man's data only ends there, I didn't find anything good about this man," said the manager to Zhi Fuxe.

Zhi Fuxe nodded, it seemed that there was indeed nothing good about Ye Chen, maybe he didn't need to think about this matter any further.

"You can go." Zhi Fuxe allowed the manager to leave, he allowed her to return to her place to work.

"Thank you very much" the manager was happy, she would not lose her job, she had done her best for Zhi Fuxe.

The manager was lucky enough that she didn't lose her job, if he did, it would be very detrimental to her.

Chapter 1673 attack on the Shin Clan bussines

Ye Chen enjoyed the sunrise together with the three, they seemed to be enjoying this.

What the maid said earlier was absolutely true, the Flame Dawn Star Realm has a very, very beautiful view of the sun, this view is very much worth seeing and watching.

"Let's discuss how to master the trade of the Shin Clan" Ye Chen said to Yan Fei.

"Ye Chen, why do you want to do that?" Xia Qingyu asked Ye Chen, she wanted to know the reason Ye Chen did this.

"Honestly I want to do this, they are very annoying" Ye Chen said to Xia Qingyu.

"What have they done to make you angry?" Xia Qingyu asked Ye Chen.

"They have been looking for unnecessary trouble with me several times, plus they sent several assassins to kill me, I can't stay silent on an enemy like this, I will destroy everything they have and make the Shin Clan homeless" Ye Chen said to Xia Qingyu.

"Then let me help you" After listening to what Ye Chen said, Xia Qingyu decided to help Ye Chen.

"Are you sure?" Ye Chen asked Xia Qingyu.

"I have quite great experience in this matter, have you forgotten who I used to be" Xia Qingyu said to Ye Chen.

"I almost forgot, you are my Beautiful CEO, you do have the ability" Ye Chen said to Xia Qingyu.

Xia Qingyu was a CEO who had a lot of experience, so she could help in this matter.

Ye Chen said the plan, he told them what to do.

"First of all, we have to destroy their business." Ye Chen had to destroy their business first.

"I've looked into the matter, the Shin Clan's big income is the sale of pills, medicine and artifacts." Yan Fei had already looked into the Shin Clan's source of income, so they knew what to do.

"Okay, then let's give them a competition, we will lower the selling price and take some profit, what do you think" Xia Qingyu said to Ye Chen and Yan Fei.

"That's not bad either, but can we make a profit?" Yan Fei asked Xia Qingyu.

Xia Qingyu's plan was already quite good, only that the profit would be very small.

"Forget about profits, we've already gained a lot of profit, so for now we don't need it" Ye Chen said to Yan Fei.

In a trade war profit could be arranged when everything was over, the most important thing was that they could take control of the Shin Clan's business.

"If that's what you want then fine." Since Ye Chen said that, Yan Fei would do as Ye Chen said.

Yan Fei listened to Ye Chen very well, Ye Chen was a good businessman, he had a brilliant idea that allowed him to easily dominate in the trading sector of God Realm.

"Since we have already decided, let's start now, I will immediately send the best pills and the best artifacts to the place, besides that I have already sent people to distribute them" Yan Fei said to Ye Chen and Xia Qingyu.

Yan Fei had a huge stockpile of pills and artifacts, in which case they could start a war at any time.

"Let's find out the market base of the Shin Clan first, let's just hit them straight away, I'll also make some pills to sell" Ye Chen said to Yan Fei.

"That's great" Yan Fei looked happy when she heard this, Ye Chen was going to make pills to trade, surely the results would be really great.

Yan Fei knew how strong Ye Chen's skills were, so she could tell that if Ye Chen made a pill, it would definitely be liked.

"Please prepare the ingredients and enough Cauldron for me" Ye Chen said to Yan Fei, Ye Chen wanted Yan Fei to prepare all the ingredients for Ye Chen, he will start making pills.

"Cauldron, okay, I will do it right away" Yan Fei didn't ask much, she just did what Ye Chen ordered, she went straight and prepared everything.

Xia Qingyu was going to the field, she was now appointed by Yan Fei as the representative, so Xia Qingyu could do whatever she wanted.

Ye Chen, Xia Qingyu and Yan Fei worked together, the three of them working together very well.

Here Huang Ying became the person in charge of security, he would be in charge of security and prevent the Shin Clan from doing anything bad.

After all the tasks were divided equally, everyone immediately went to do the tasks they had.

In order to save time in concocting pills, Ye Chen entered the fairy gate, Ye Chen used Clone to help himself.

The Shadow Clone was not only good for combat, it could also be used by Ye Chen to make low grade pills, as long as it was a low grade pill, it should be able to be handled by the Shadow Clone.

With the help of the Shadow Clone, Ye Chen quickly made countless pills, he made tens of thousands of the purest quality pills in 1 day.

The sales of Yan Fei and Xia Qingyu started to succeed, they were immediately able to seize 40% of the market owned by the Shin Clan.

The Shin Clan still didn't mind this too much, they didn't immediately move when they heard of this matter.

They still thought that if the Shin Clan had a strong market, only small players would not be able to beat the dominance of the Shin Clan.

The first 1 week passed Shin Clan started to have a hard time during the first 1 week, their sales really dropped drastically, and they only had very few buyers during this 1 week.

This put the Shin Clan's finances into quite a serious problem, they lacked the money to carry out operations and carry out maintenance for the Alchemists that were hired.

If it continued like this, sooner or later the Shin Clan's business would definitely run into enormous trouble.

"What happened, why did our income decrease so much?" The leader of the Shin Clan slammed the paper in his hand, he was furious when he found out what had happened.

"Clan Master, it looks like a new merchant has taken market, the pills, medicines and artifacts they sell are of very high value and very pure, all of our customers are taken by them" one of the people in charge reported what happened.

"How can you let this matter, can't you solve a small problem like this" Shin Yong said to everyone in this place.

Shin Yong is really very angry, he is very angry when he listens to the answers given by the people who are in charge of this matter.

the elders in charge lowered their heads, they all bowed their heads because they had failed to carry out their assigned task.

"I don't want to know your reasons, you all must quickly go and end all this, if necessary destroy the enemy's business and send some powerful assassins to do it" Shin Yong said to the elder.

"Clan master, are you sure of what you say, we don't know the strength of the enemy, if we act too hastily, it will be very detrimental," said one of the elders to Shin Yong.

"Are you afraid just because of a small merchant, we are the Shin Clan, we can't be afraid and lose the position we have built for a long time" Shin Yong said to all the elders.

Several elders agreed with what Shin Yong said, they simply couldn't ignore this matter, if they didn't get rid of their rivals soon, then it was certain that they would lose their pride.

Chapter 1674 Shin Chan starts to interfere with business and spread slander

"Since they dared to destroy our business, we must not remain silent, we must also destroy their own business." Since Ye Chen wanted to destroy the Shin Clan's business, then the Shin Clan had to quickly counterattack, otherwise they would be in trouble. bad.

"Quickly carry out my orders, don't waste any more time" Shin Yong ordered everyone to immediately carry out what was ordered.

well, the elder and the ones in charge immediately set off, they immediately set out and launched a counterattack.

Ye Chen was currently still inside the fairy gate, he was still busy making lots of pills to stock up in the future.

Ye Chen only came out occasionally to ask how things were outside, after which Ye Chen would return and enter the fairy gate.

"Time to go out and get some more ingredients, it seems that the stock has started to decrease." Ye Chen came out of the fairy gate, he took the stock of medicinal plants and asked the situation.

"What is going on?" Ye Chen asked Yan Fei, he wanted to know what happened to the Shin Clan.

It's been 1 week, so everything should have been settled by the two of them.

"The Shin Clan is in a bad situation, their finances are in dire straits, their debt has increased since we launched the attack, if it continues like this, for less than 7 days, they might be in serious trouble" said Yan Fei.

"I see" Ye Chen was happy to hear this, their hard work finally paid off.

"Sister Fei, Ye Chen, the situation is a little dire." Xia Qingyu came over, she told Ye Chen and Xia Qingyu that the situation was a little dire.

" what is it?" Yan Fei and Ye Chen asked Xia Qingyu, they both wanted to know why Xia Qingyu was like that.

"it's about the Shin Clan, they started making a mess, they even dispersed the crowd trying to buy pills from us, they also threatened buyers and injured some workers" Xia Qingyu said to Ye Chen and Yan Fei.

"Oh, so they decided to use brute force, if that's the case, let's use a little brute force" Seeing that the Shin Clan started to act violently, Ye Chen decided to fight back.

"Order the guards to fight the Shin Clan, if they continue to seek the matter of disable them , there is no compromise in this matter." Ye Chen said to Xia Qingyu.

If the Shin Clan came and looked for trouble, then they had to fight back, if necessary disable the people sent by the Shin Clan.

"Okay, I will immediately deliver your order" Yan Fei immediately conveyed Ye Chen's order to the guards in every shop.

Yan Fei gave permission to counter the actions of the Shin Clan.

Since the Shin Clan had already lost in business, they decided to resort to dirty and violent means.

Ye Chen actually didn't want to use this method, since he had no other choice, Ye Chen had no choice but to fight back.

The Shin Clan members who were looking for trouble immediately got the consequences, they were attacked by the guards who had been prepared in every shop.

The people from the Shin Clan were eliminated very quickly, they were removed by the well-trained guards.

Due to this matter the Shin Clan lost quite a number of people, the people sent to create chaos were instantly wiped out.

Shin Yong is angry when he hears this, he is angry when he hears this news, the situation is getting out of control, so it is difficult for them to put up a fight.

"It's useless, I didn't expect that they have such great strength." Shin Yong didn't expect that the enemy would have such great fighting power.

The Shin Clan members who were dispatched were unable to wreak havoc on Ye Chen's place.

"Clan master, why are we destroying their business by making slander" one of the elders gave a suggestion, they could slander Ye Chen's business.

"the method?" Shin Yong asked the elder who had just given advice.

"We hired several people to testify in front of buyers that their pills were fake, of very poor quality and poor, we can also do this in the artifact & medicinal plant sector.

"That's a very good idea, let's try it" Shin Yong immediately agreed with the idea that just came up, the idea just now is not bad to try.

Shin Yong immediately hired several cultivators to launch the action, they were told what they had to do, anyway they had to vilify Ye Chen's products in front of everyone who was buying Ye Chen's belongings.

these people know what they have to do, they only need to do a very simple task, they are experts at lying in public.

"Very good" Shin Yong was very happy, it seems that this time's plan will work, they can definitely destroy Ye Chen's business.

Mercenaries started going to every branch of the shop that Yan Fei had built, they started to launch their actions by saying that the potions from Ye Chen's shop had no effect and were fake.

Some people who have tried don't believe what this person says, but there are some who believe what this master swindler says.

Some people started to think about stopping buying, they didn't want to buy the things that Ye Chen sold.

"What's all this fuss about?" Ye Chen appeared, he appeared and looked at the impostor.

Ye Chen looked at the impostor and provocateurs in front of him, it was clear that this was an errand boy from the Shin Clan.

"You, how can you be shameless and sell these fake pills causing my body to suffer injuries after taking them" The impostor said to Ye Chen, he told Ye Chen about what happened after consuming the pills sold by him.

"What kind of pill did you buy, why don't you tell me the name" Ye Chen said to impostor.

"I bought a profound energy charger," the impostor said to Ye Chen.

"Oh sorry, but we don't sell anything like that" Ye Chen said to the impostor.

Ye Chen didn't sell anything like that, he only sold pills for health and speeding up one's cultivation.

The swindler was silent for a while, he didn't know what to do in this kind of situation.

The impostor wasn't told about the pills sold by Ye Chen, so he didn't know the names of the pills sold by Ye Chen.

"I don't care, I bought it at your place, so it should be real, you ignorant swindlers" After being cornered, the swindler began to use his signature move against Ye Chen.

This person was trying to twist the facts and trying to make Ye Chen's shop name even more ugly.

Ye Chen approached, he saw the wounds on this man's body, when Ye Chen approached, he found that everything was just a make-up.

"This is not a real wound, you must be deliberately trying to deceive" Ye Chen said to the man in front of him.

"How could I cheat, you bastard" Seeing Ye Chen coming to his senses, the impostor immediately avoided the accusations made by Ye Chen.

Ye Chen took the Sword that was in the shop, he immediately attacked the impostor in front of him until he bled.

The weapon that Ye Chen was selling was quite capable, it was capable of injuring an impostor with just one small scratch.

"argh. . . , what are you doing you bastard" the swindler shouted at Ye Chen, how could Ye Chen attack himself in front of so many people, this would get Ye Chen into trouble.

"You all see, he attacked someone to cover his badness" impostor shout to everyone around this place.

Chapter 1675 fool the impostor

People around this place started whispering to each other, they regretted what Ye Chen had done.

"Sorry, looks like my hand slipped, I just want to try the weapon I have" Ye Chen said to the impostor in front of him.

"You're talking nonsense, it's clear you want to kill me," said the impostor in a very loud tone.

The swindler did this on purpose, his purpose was very clear, he wanted everyone to know what Ye Chen was like, this would definitely affect Ye Chen's shop.

"Don't be so angry." Ye Chen said to the man in front of him, Ye Chen told him to calm down a bit.

"Are you stupid, after what you just did, you still dare to tell me to calm down?" The impostor was furious with what Ye Chen said.

After Ye Chen injured him, how could he possibly calm down again.

"Please get some medicine" Ye Chen said to the person behind him.

it just so happened that the person in the back was Xia Qingyu, she came together with Ye Chen to monitor what was happening.

This impostor was so unlucky, when he wanted to cheat, he ran into Ye Chen instead.

Xia Qingyu got some medicine, she got one for Ye Chen.

Without saying anything, Ye Chen directly forced the man in front of him to drink the medicine he had in his hands.

"ummm. . . ."The man in front of Ye Chen immediately struggled, he struggled when he was forced to take medicine by Ye Chen.

Everyone was confused, they seemed confused by what Ye Chen was doing.

"Bastard, what did you give me?" the impostor asked Ye Chen, the impostor tried to spit out the medicine that Ye Chen had given him, unfortunately all of them had already been drunk.

"I don't know, let's see if it works" Ye Chen said to the man in front of him.

"Bastard, so you actually gave me poison" the swindler thought that Ye Chen had given him poison.

"If you still want to live, say who has sent you to this place" Ye Chen asked the man in front of him.

Now was the time for Ye Chen to make a serious threat, he said that the man in front of him would die if he didn't tell who had sent him to this place.

The impostor is very confused, he is faced with a very difficult situation, if he does not admit it then he will die in this place, on the other hand, if he admits it then he will be branded as an impostor.

Choices like this are something that is quite heavy, hard enough to choose options like this.

"Time is limited, do you still love your life or not? You must be feeling uncomfortable in your body," Ye Chen said to the man in front of him.

"Well I'll admit it, the person who sent me here is the Shin Clan, so quickly give me the medicine" The swindler started to be afraid of the threat posed by Ye Chen, he was afraid of the threat posed by Ye Chen.

"Oh, so it was the Shin Clan who sent you, okay I understand now" Ye Chen said to the impostor in front of him.

"Quickly give me the antidote" said the impostor to Ye Chen, he told Ye Chen to give him the antidote.

"Why should I give it to you?" Ye Chen asked the man in front of him.

"Bastard, how could you lie to me" the impostor started to get angry at Ye Chen, apparently he had been tricked by Ye Chen all along.

Everyone also felt sorry for the impostor, even though he had committed a fraud, it was too cruel to let him die by being poisoned.

"Hahaha" Ye Chen laughed when he heard this, he laughed at the impostor in front of him.

"Since when did I give you poison?" Ye Chen asked the man in front of him.

"Then what did you give me?" asked impostor, if Ye Chen didn't give himself poison, then what did Ye Chen give him.

"look at your wound" The impostor and everyone looked at the wound previously made by Ye Chen, now the wound has completely disappeared, there is no visible scar.

"I just gave you medicine, what are you thinking, you idiot" Ye Chen said to the man in front of him.

The cheater felt very embarrassed, it turned out that he had been played by Ye Chen all this time, from the beginning until the end he had played on Ye Chen's palm.

Everyone saw how great Ye Chen's elixir was, they ended up being willing to quickly buy the potion.

The strategy used by the Shin Clan failed miserably, instead of making Ye Chen's business lonely, it made Ye Chen's business grow even more.

"You are very good at attracting customers' hearts" Xia Qingyu praised Ye Chen, he admitted that Ye Chen was an expert at attracting the attention of a customer.

"Not really, I'm not that good" Ye Chen said to Xia Qingyu, Ye Chen wasn't that good, Xia Qingyu was exaggerating.

"Qingyu please settle all the business in this place, I will go and settle something" Ye Chen told Xia Qingyu to arrange everything here.

Ye Chen wants to go somewhere first, Ye Chen will finish something very important.

"Okay, I'll do it." Xia Qingyu nodded, she would do her best to guard this place while Ye Chen wasn't in this place.

"Thank you very much" Ye Chen thanked Xia Qingyu, Xia Qingyu was very helpful to Ye Chen.

Ye Chen went to the casino, he looked for the whereabouts of Shin Xuing.

Ye Chen quickly discovered the whereabouts of Shin Xuing who was having fun with his friends.

Ye Chen came and immediately dragged Shin Xuing, he took Shin Xuing to a place.

"What do you need?" Shin Xuing asked Ye Chen, he asked about what Ye Chen wanted.

"I want to ask you something, where is the Shin Clan hiding their treasure?" Ye Chen said to Shin Xuing, he wanted to know the location where the Shin Clan kept the treasure.

Ye Chen would definitely need a lot of time to destroy the Shin Clan's business, because that was the time for Ye Chen to take the necessary actions.

After all that had happened, the Shin Clan had been looking for trouble with him several times, if it continued like this, then the Shin Clan could definitely send more troops to look for unnecessary trouble.

It would definitely have an impact on Ye Chen's business, which was why Ye Chen did what he had to do.

"The Shin Clan puts their treasures at the very back and is at a depth of tens of miles, the place is very difficult to penetrate only a few people can go there" Shin Xuing said to Ye Chen.

"Are you one of the people who can go there?" Ye Chen asked Shin Xuing.

"of course" Shin Xuing nodded, he said that he was one of the people who could enter the place

"So that's how it is, that's good information" after getting the information Ye Chen needed erased Shin Xuing's memory.

After doing so, Ye Chen immediately headed towards the direction of the Shin Clan.

In this case, Ye Chen used a leather mask and changed his appearance, he changed his voice to be like Shin Xuing.

"Young master Xuing, you're back." The guard wasn't suspicious at all, Ye Chen was able to change his appearance to be as close as possible to Shin Xuing.

"I want to go to the treasure place, I need something for family needs" Ye Chen said to the guard in front.

"Then come with me" the guard didn't ask much, he invited Ye Chen to go with him.

Chapter 1676 Take all the treasures of the Shin Clan

The guard immediately believed what Ye Chen said, he immediately believed because Ye Chen's appearance and voice were very convincing.

Ye Chen followed the guard in front of him, he followed the guard in front of him and headed towards the Shin Clan's treasure room.

Ye Chen went through several super-safe guard, he passed the guard that was prepared to block outsiders who wanted to enter inside by force.

"Young master, the door is at the front, you can enter alone." The guard only escorted Ye Chen to the front of the exit, after which Ye Chen could go inside alone.

The real Shin Xuing should have the key to go inside, it's a shame Ye Chen doesn't have something like that.

"No problem, I can still enter by force." Ye Chen didn't mind , he could still enter by force.

Ye Chen used Invisible Body Art, he forcibly went inside.

Inside the treasure room, Ye Chen found countless artifacts, pills and several piles of profound crystals.

"Wow, the Shin Clan is quite rich too." Seeing this, Ye Chen could confirm that the Shin Clan was quite a rich clan.

It's not strange that it's so hard to destroy the Shin Clan's business, it turns out that they have a lot of treasure reserves.

Ye Chen does not like war for too long, it is better to confiscate everything and leave the Shin Clan without treasure.

"Yuechan, have you seen any treasures around this place??" Ye Chen asked Chu Yuechan.

"There is only one good" Chu Yuechan said to Ye Chen, Chu Yuechan found one good item.

" where?" Ye Chen asked Chu Yuechan, Ye Chen asked where is the item Chu Yuechan was referring to.

"Over there" Chu Yuechan pointed at the wall, right on the wall was a Yin & Yang coin

"You mean the collectible coin?" Ye Chen asked Chu Yuechan.

Ye Chen did not expect that Chu Yuechan would point to a Yin & Yang shaped coin.

"That is something that suits you, the Yin & Yang Coin is an artifact that can turn one's Yang Qi into a powerful attack" Chu Yuechan briefly explained.

"This is similar to the ability of the Reideran Pendant necklace?" Ye Chen said to Chu Yuechan, Ye Chen remembered that the Reideran Pendant necklace can issue a large attack that accumulates for a long period of time.

"No, you can use Ying & Yang Coins as you wish, the pure Yang Qi in your body, the stronger the power will be" Chu Yuechan said.

"Oh, so it's like that" Ye Chen finally understood what Chu Yuechan meant, this thing needed his Yang Qi to be able to issue a powerful attack.

"its strength will increase if you combine it with a woman with rich Yin Qi" Chu Yuechan said to Ye Chen.

"I think it will suit every woman of mine" Ye Chen felt that it would suit every woman Ye Chen, so Ye Chen would keep it.

Ye Chen took out a Space Ring, he put everything in the treasure room into the Space Ring.

"Okay everything is entered, now is the time to put notes" Before Ye Chen left, he wanted to put a note for the people of Shin Clan, let them read what Ye Chen had written.

After putting down the notes, Ye Chen immediately left the Shin Clan, there was nothing else Ye Chen could do in the Shin Clan manor.

Ye Chen used his ability to teleport outside without being caught, Ye Chen instantly took off the leather mask and returned to his true identity.

The guards felt that something was odd, why did young master Shin Xuing still not come out, it was unusual for something like this to happen.

The guard went to see, he confirmed what Shin Xuing was doing.

When the guard returned downstairs, he found that there were no more people downstairs, this place was quiet.

"Where did the young master go?" The guard was looking for Shin Xuing's whereabouts, he was looking for Shin Xuing's whereabouts around this place.

After searching for some time, he still couldn't find the whereabouts of Shin Xuing.

"Something's not right, I'd better report this matter to the Clan Master immediately." Seeing that something wrong had happened, the guards immediately went and reported the matter to Shin Yong.

Shin Yong received the report given by the guard, after receiving the report, Shin Yong went straight to the treasure room.

He unlocked the Treasure Room and saw what Shin Xuing was doing.

Just when Shin Yong opened the door, he found that the treasure room was empty, there was nothing around this place.

"What happened in this place?" Shin Yong roared like a lion that had just been trampled on its tail, Shin Yong's tone sounded very high and filled with anger.

Shin Yong grabbed the guard near him, he immediately asked what happened in this place, where did all his possessions go.

"Clan master, I don't know about this matter." The guard said that he didn't know about this matter.

"Quickly tell me what happened, otherwise you will lose your life" Shin Yong shouted at the guard nearby, he shouted and roared at the guard who was incompetent in guarding the treasure room.

"Clan master, before that young master Xuing came here, he said that he took something, after that he never came out again" the guard told what had happened.

"That's impossible, Shin Xuing can't possibly dare to do such a thing, without the permission of me and the great elder, he wouldn't dare to enter this place" Shin Yong said to the guards.

Shin Xuing couldn't possibly do that, that person wouldn't be too interested in this kind of matter, he couldn't possibly come to the treasure room, except with the permission of the great elder.

The great elder was solving the Shin Clan matter and was outside, so it was impossible for them to give that permission to Shin Xuing, in that case then Shin Yong should have been informed of this matter.

Shin Yong saw that there was a note left on the floor.

Seeing this note, Shin Yong immediately went and took it, he read the contents in the note.

"Hello old man who reads this letter, I have confiscated all your possessions, now you have nothing left, I hope you enjoy your time" the letter in Shin Yong's hand.

Shin Yong burned the letter in his hand, to be honest he was very angry when he saw the contents of this letter.

"Clan master, please calm down" said the guard to Shin Yong.

When the guard tried to calm Shin Yong, the guard was burned by Shin Yong, as a result the guard burned and died in this place.

"Bastard, who dared to seek trouble with my Shin Clan" Shin Yong roared, who was the one who dared to seek trouble with the Shin Clan.

The Shin Clan continued to receive blows, this made the Shin Clan extremely depressed.

The death of Shin Ba and the elder had put the Shin Clan into serious trouble, now that a matter like this happened, it was certain that the Shin Clan would have a hard time getting out of this situation.

The Shin Clan was already on the brink, now the Shin Clan was completely unable to recovery.

The Shin Clan's treasures had been snatched away by someone, so it was impossible for the Shin Clan to recover strength in the near future, it would take tens of thousands of years to recover the Shin Clan's strength again.

Plus they still didn't know who they were fighting, the person they were fighting was still vague.

Chapter 1677 Two people who came uninvited

After what happened, Shin Clan immediately held another emergency meeting, the current situation of the Shin Clan was in quite serious trouble.

The news of the loss of treasure was enough to give all the elders a headache, they all had a headache when they heard this news come out.

"we are already on the verge of collapse, who exactly is the opponent we are facing" the elder council members immediately asked, they wanted to know who the opponent they were facing now was.

"Forget about it, our business is already hard to recover, plus we now have no reserves, what should we do now?" Shin Yong asked the council of elders, what should they do.

"It seems we have no choice but to sell our trading assets" because the situation has reached this point, they have no choice but to sell their assets.

"Are you sure?" Shin Yong asked the elder council member, he asked again about this decision.

"We can't keep our business, we don't have any money left?" the council of elders said to Shin Yong and the great elder.

"That's not a bad idea, we can start a small business" said the big elder to everyone.

Maintaining a business is now a very difficult thing, so they can only do such things.

"Who exactly are we fighting, this person we are fighting is so great the Shin Clan can't afford to move against this person" the council of elders asked who they were currently fighting.

"Our enemy is very formidable, he didn't leave any traces, until now we still don't have enough information, we know we have a business rival that is owned by a woman named Yan Fei, she is a new person in the business world" said Shin Yong to everyone.

Shin Yong had already investigated their enemy, their enemy was a newly formed company, this newly formed new company was a company that was developing at a terrifying speed, there must be a figure behind Yan Fei's success.

"This company and women's trade is very fast, I am afraid that behind it is someone with a very strong background, now make our choice, do we need to get rid of this person or not?" great elders voted, whether they dared to fight back or not.

"The Shin Clan is already at this point, we have no choice but to put up a fight, if we can take control of the assets that this woman named Yan Fei has, then we can restore the Shin Clan" the council of elders had already decided, they would launch an attack on Yan Fei. , they will kidnap Yan Fei and force him to give up the treasures they have.

The Shin Clan directly sent the best elders to do so, they said two people, one was Yan Fei and the other was Xia Qingyu, these two women had a very big role in Ye Chen's venture, kidnapping them would be profitable.

.
.

Ye Chen currently saw that the Shin Clan's business was on the verge of collapse, the Shin Clan's business had completely stopped.

"Looks like this is more than enough" Ye Chen saw that what he had done was more than enough, now that the Shin Clan must be struggling to get back up, they won't be able to bounce back like they used to.

Ye Chen's task seems to have been completed, now Ye Chen just has to go back and prepare everything, soon the entrance to the Elven village will start soon.

Ye Chen looked for Yan Fei and Xia Qingyu, they both had done very well, plus Huang Ying had also secured the situation very well.

.
.

The Shin Clan sent people to kidnap Yan Fei and Xia Qingyu, they went to where Xia Qingyu and Yan Fei were.

The Shin Clan sent two people, they were great elders, first was Shin Ung, and second was Shin Kunce.

The two of them were sent to kidnap Yan Fei and Xia Qingyu, they were strong people whose strength was comparable to Shin Yong.

"We have arrived at the place, the person we are looking for should be inside" said Shin Ung to Shin Kunce.

"We don't need to waste time, we only need to kidnap two people, so we can finish this quickly" said Shin Kunce.

Shin Kunce wanted to get things over with as quickly as possible, so they had to quickly solve the problems that were in this place.

Shun Kunce and Shin Ung moved, they entered and searched for the whereabouts of Xia Qingyu and Yan Fei.

With their highly trained abilities, they easily found the whereabouts of Yan Fei and Xia Qingyu.

Xia Qingyu and Yan Fei were currently together with Ye Chen, they were discussing victory together.

"ready for this?" Ye Chen saw the arrival of uninvited guests, the arrival of these people proved that the Shin Clan did not remain silent about the matter.

Here Ye Chen only has one enemy, he only has one enemy, namely the Shin Clan, so this person must have been ordered by the Shin Clan.

"So you guys are behind all this" said Shin Ung, Shin Ung pointed at Ye Chen, Yan Fei and Xia Qingyu.

"what are you saying, I don't understand what you are saying" Ye Chen pretended not to understand what these two people were saying.

"Don't act stupid, you must be the one who destroyed the Shin Clan's business." Shin Kunce pointed at Ye Chen, he looked both angry and dissatisfied with Ye Chen.

"How can you accuse someone without any evidence" Ye Chen said to Shin Ung and Shin Kunce.

"You don't need proof for that matter, you already know that you are the ones who ruined our business." Shin Ung and Shin Kunce didn't need proof, in fact what Ye Chen did had ruined the big business that the Shin Clan had built.

"hahahaha" Ye Chen laughed while listening to this, he laughed at what the two old men the Shin Clan sent to his place were doing.

"You should go back and tell me that I want your Shin Clan business, otherwise the Shin Clan will completely lose power" Ye Chen said to Shin Ung and Shin Kunce.

"you . . ." Shin Ung and Shin Kunce were displeased as they listened to what Ye Chen had to say Ye Chen's words were full of provocation that made them displeased.

"Hurry and go now" Ye Chen said to Shin Ung and Shin Kunce.

"Bastard" Shin Ung was the first to come forward, he came forward and attacked Ye Chen who was in front of him.

The moment Shin Ung unleashed his strength, the room immediately shook and cracked.

This room is not able to withstand the power emitted by Shin Ung.

Ye Chen stretched out one hand of his, he snapped his fingers and made Shin Ung fly out.

"Big brother Ung" Shin Kunce called out to Shin Ung, he didn't expect that Shin Ung was flown so easily by Ye Chen's attack.

Ye Chen snapped his fingers again, he threw Shin Kunce out of this room.

"You guys stay here, I will settle this matter quickly" Ye Chen said that he would be back soon.

"Um" Yan Fei and Xia Qingyu nodded, both of them would be here and watch the battle from afar.

Yan Fei and Xia Qingyu's strength was still not comparable to the two great elders of the Shin Clan, which was why the two of them did not insist on helping Ye Chen.

Chapter 1678 the fate of a person who does not want to listen

"Looks like the Shin Clan really wants to fight me, they sent two people to fight me" Ye Chen said to Shin Ung and Shin Kunce.

"unlucky, He has quite a bit of strength." Shin Kunce didn't expect that Ye Che would have the power to be able to injure them with a single move.

"It seems that this man has controlled everything" Shin Ung confirmed that Ye Chen was the one who controlled everything, he had controlled everything against the Shin Clan.

"I warned you, you should go back and tell your Clan Master to hand over all the Shin Clan properties, I will let you go if you do that" Ye Chen said again.

Ye Chen made an offer, he told these two to come back right away, they had to tell Shin Yong what Ye Chen wanted.

"Do you think we are fools who would listen to what you have to say?" Shin Ung again refused, he again refused Ye Chen's unreasonable request.

"You guys are stupid for not listening to what I have to say" Ye Chen said to Shin Ung and Shin Kunce.

Shin Ung and Shin Kunce's anger escalated, both of them felt very angry towards Ye Chen, they wanted to kill Ye Chen and burn him to ashes.

"Let's work together to fight him" Shin Ung invites Shin Kunce to work together, the two must work together to fight Ye Chen.

They couldn't let Ye Chen continue to say provoking words, this made them even angrier and angrier.

Shin Ung and Shin Kunce started to charge towards Ye Chen, they launched attacks with weapons in both their hands.

Shin Ung's weapon is a sword, while Shin Kunce's weapon is a spear.

The two of them coated their weapons with fire and started attacking Ye Chen blindly.

Ye Chen dodged every attack, he avoided the attacks from Shin Ung and Shin Kunce.

"Why miss?" Shin Ung and Shin Kunce were furious when they saw their attacks missed.

Almost all the attacks launched by Shin Ung and Shin Kunce missed, Ye Chen dodged all the slashes and stabs.

"You guys are a little slow" Ye Chen told Shin Ung and Shin Kunce, both of them were very slow, this made their attacks unable to hit Ye Chen.

"We don't believe that you can dodge our attacks." Shin Ung and Shin Kunce didn't believe that Ye Chen could dodge their attacks, it was very difficult to do something like that.

In fact up until now Ye Chen was still untouchable, he was still untouched by the attacks made by Shin Ung and Shin Kunce.

Because it didn't hit, Shin Ung and Shin Kunce looked for other ways, they had to use tricks to hit Ye Chen.

"Brother, let's provoke him." Shin Ung had an idea to provoke Ye Chen, so Ye Chen would be angry and not dodge their attacks.

"That's a good idea, let's do it." Shin Kunce agreed with what Shin Ung said, they had to provoke Ye Chen.

"You only dare to dodge, is this a way of fighting, you are more like a loser and a coward than a knight" said Shin Ung.

"do you guys have any problem, I don't care about that kind of thing." Ye Chen didn't care, in battle all means can be used, so there is no limit in battle.

Shin Ung's face was not being looked at, he failed to provoke Ye Chen.

"You loser, you son of a bitch, a coward who doesn't dare to fight." Shin Ung and Shin Kunce tried to use a lot of inappropriate words on Ye Chen, their goal was to make Ye Chen want to fight.

Too bad what they did couldn't make Ye Chen angry, Ye Chen looked calm in the face of ridicule from Shin Ung and Shin Kunce.

"It's useless, he is not provoked by our words, what should we do now" Shin Kunce asked Shin Ung, what they did was fruitless.

Shin Ung started to think, he started to think about how to solve this problem.

Shin Ung looked at Yan Fei and Xia Qingyu, while Shin Ung looked at the two of them, he came up with an idea.

"Listen, since we can't force him to fight, let's just kidnap the two women over there" Shin Ung said to Shin Kunce.

"That's a good idea, let's do it." Shin Kunce immediately agreed with what Shin Ung said, the two of them headed straight for Yan Fei and Xia Qingyu.

"You guys want to attack my two women, how could I ever let you do something like that" Ye Chen couldn't possibly let Shin Ung and Shin Kunce attack Yan Fei and Xia Qingyu.

"Long Wind Suction" Ye Chen opened his hand, towards Shin Ung and Shin Kunce, when Ye Chen did that, a very strong suction force immediately pulled Shin Ung and Shin Kunce.

" what happened?" Shin Ung and Shin Kunce felt pulled by an enormous force, they could no longer advance forward and began to retreat backwards.

Long Wind Suction sucked in Shin Kunce and Shin Ung, both of which headed towards Ye Chen at an extremely fast speed.

Just when Shin Ung and Shin Kunce were very close, Ye Chen used the Yin & Yang Coin and fired a very powerful force towards Shin Ung and Shin Kunce.

The explosion that happened was so powerful, Shin Ung and Shin Kunce felt that they had just been hit by thousands of mountains hitting their bodies.

Fresh blood spurted from the mouth and body from Shin Ung and Shin Kunce.

"cough. . ." Yin & Yang Coin's attack was enough to injure Shin Ung and Shin Kunce, both of whom were seriously injured from Ye Chen's attack.

The Yin & Yang Coin attack was quite strong, Ye Chen was satisfied with its great strength.

Ye Chen wanted to try to combine it with his woman, whether it would become even stronger and how big the impact.

"I told you that you will regret for ignoring my warning" Ye Chen said to Shin Ung and Shin Kunce.

Because Shin Ung and Shin Kunce's wounds were quite deep, the two of them couldn't answer Ye Chen's words.

Shin Ung and Shin Kunce could only point at Ye Chen, both pointed at Ye Chen and signaled that Ye Chen would regret what he had done.

Ye Chen was tired of the threats made by Shin Ung and Shin Kunce, both of them were too threatening to Ye Chen.

Ye Chen hit Shin Kunce and Shin Ung, he was forced to cripple Shin Ung and Shin Kunce's cultivation.

Instead of killing the two of them, Ye Chen chose to cripple the cultivation that they both had, it would be more cruel than killing them.

"Husband, did someone attack you" Huang Ying came over, she came and walked over to Ye Chen.

"Nothing, it's just two people trying to make trouble with me" Ye Chen said to Huang Ying.

Huang Ying looked at the two people who had just been knocked out by Ye Chen, Huang Ying looked displeased when she saw these two.

"What are you going to do with him?" Huang Ying asked Ye Chen.

"I think I will go and return the two of them to the Shin Clan." Ye Chen would return Shin Ung and Shin Kunce to the Shin Clan, letting the Shin Clan know that they would have no chance of winning.

Chapter 1679 Shin Clan lost everything

"Then just let me go." Huang Ying volunteered, she was going to take the two crippled people over.

"Are you sure?" Ye Chen asked Huang Ying.

"Sure, just leave this matter to me." Huang Ying told Ye Chen to leave this matter to herself.

"If you really say that" since Huang Ying said that, then Ye Chen let Huang Ying do it.

Huang Ying left, he took Shin Ung and Shin Kunce towards the direction of the Shin Clan headquarters.

"Let's clean this place, looks like the battle just now was quite destructive." Ye Chen took Yan Fei and Xia Qingyu to tidy up this place.

Even though Ye Chen tried not to do any damage, but it seemed that damage was unavoidable.

The battle between high-level cultivators was indeed like this, the surrounding damage was unavoidable.

"I called some of the staff there." Yan Fei and Xia Qingyu would call some of the staff, let them help clean up the place.

.

.

headquarters Clan, he threw Shin Ung and Shin Kunce in front of the Shin Clan headquarters.

"big elder" The guard who was in the front could immediately recognize Shin Ung and Shin Kunce, they immediately saw the condition of Shin Ung and Shin Kunce.

Huang Ying wore a hood to cover her appearance, she made sure her identity was not seen by others.

"Who are you, what have you done to our two great elders?" The Shin Clan members asked Huang Ying.

"They've offended someone, so they're paying for it, I hope this will be a lesson to you guys" Huang Ying said to the Shin Clan gatekeeper.

"How dare you say that to the Shin Clan" Shin Yong came out, he came out and looked at Huang Ying.

Shin Yong's body was filled with an extremely terrifying killing intent, he seemed to be ready to kill Huang Ying.

In this state, Huang Ying was still very calm, there was not the slightest trace of fear on Huang Ying's face.

How could Huang Ying be afraid of a child like Shin Yong?

"You have injured two great elders, that means you are the enemy of our Shin Clan." Shin Yong said to Huang Ying, he already considered Huang Ying as an enemy.

"That's none of my business" Huang Ying said to Shin Yong, what happened was none of his business.

Shin Yong is getting more and more annoyed with Huang Ying, Shin Yong's killing intent overflows to make the Shin Clan members around him feel scared.

"Clan master is terrible, he wants to kill that woman" Everyone thought that Shin Yong wanted to kill Huang Ying.

"I will kill you" Shin Yong stepped forward, himself advancing towards Huang Ying.

Huang Ying was still where she was, she showed no signs of surviving Shin Yong's attack.

Shin Yong didn't care if Huang Ying didn't want to fight, he would still take Huang Ying's life.

"Flame Dawn Kick" Shin Yong kicked Huang Ying, he kicked Huang Ying with full force.

When Shin Yong's attack was about to hit Huang Ying's body, Huang Ying's body turned into Ice mist, Shin Yong's attack pierced through Huang Ying's body.

The moment Shin Yong came into contact with the Ice mist, Shin Yong's body instantly froze into Ice.

He froze into an Ice statue and fell to the bottom.

Everyone fell silent the moment they saw what happened, a Clan master was frozen instantly by Huang Ying.

"She has attacked the Clan Master, let's attack her" Seeing Shin Yong being frozen by Huang Ying, the elder and all the guards present immediately attacked Huang Ying, they made a massive attack on Huang Ying.

Huang Ying covered herself with snow, around Huang Ying there was snow that resisted all attacks.

"Actually I don't want to fight you guys, but because you want to fight me, then I will make you feel the consequences" Huang Ying's hands began to make some movements, Huang Ying intended to make a formation.

Above the Shin Clan sky was covered by an enormous formation, an enormous formation enveloped the entire Shin Clan around.

The temperature around the Shin Clan became extremely cold, people began to shiver from the extreme cold.

The bodies of everyone in the Shin Clan turned pale blue, they looked cold from the low temperature.

If it continues like this then they will get hypothermic, this makes the Shin Clan members start to fall one by one, they fall and fall to the ground.

In an instant all of the Shin Clan members had fallen to the ground and were unconscious.

"Looks like this is enough, they won't be able to do anything bad anymore." Huang Ying had made them all feel the consequences, now the Shin Clan was about to experience the worst time of their lives.

they would lose everything they had in this world, Huang Ying could guarantee that

Huang Ying left the Shin Clan, she returned to where Ye Chen was.

.

.

A few moments later, one by one the Shin Clan members started to wake up, they got up and looked around.

When they woke up, all the members of the Shin Clan were shocked by what had happened, they were all unable to use the strength they had, it could be said that their veins and Dantians were damaged due to the extremely high temperature changes.

Everyone in the Shin Clan now couldn't use their strength, now they were nothing more than ordinary humans without power.

The news of the Shin Clan losing power spread very quickly, this made the enemies of the Shin Clan flock in.

The Shin Clan had so many enemies, they had wreaked havoc and destruction in various places and regions, so it was not strange that they had quite a number of enemies.

This made the Shin Clan more and more destroyed, the members of the Shin Clan had to flee and leave the Flame Dawn Star Realm.

Ye Chen immediately received news that the Shin Clan had left the Flame Dawn Star Realm and left everything behind.

"Hmm, who did this?" Ye Chen started to guess who did this to the Shin Clan, why it happened so fast.

Ye Chen looked at Huang Ying, it was likely that this was done by Huang Ying.

This is just a guess, maybe someone else did.

Since the Shin Clan had fled and left the Flame Dawn Star Realm, all the businesses within the Flame Dawn Star Realm had been acquired by Ye Chen, now all the properties in the Shin Clan belonged to Ye Chen.

Now that the Shin Clan could only run and hide, they couldn't possibly dare to reveal themselves as they had countless enemies who would kill and torture them if they dared to appear.

It was very likely that the Shin Clan would never appear in this world again, they would not dare to make a mess in the future.

"Everything is done, let's go back" because everything is over, it's time for all of them to go back.

Their task was done, so returning home was the thing they had to do.

.

.

News of the Shin Clan spread very quickly, Zhi Fuxe also heard the news.

"Shin Clan is destroyed, who can do this?" Zhi Fuxe wanted to know who was able to destroy Shin Clan.

The Shin Clan is a powerful and powerful Clan in the Flame Dawn Star Realm, there shouldn't be many people capable of destroying the Shin Clan, there must be strong people who have helped destroy the Shin Clan.

Zhi Fuxe started to think about this matter, she started to think who is capable of doing something like this.

"Impossible, is it him" Zhi Fuxe thought of Ye Chen, somehow her intuition told her that this was Ye Chen's doing.

Chapter 1680 giving a lesson to Qi Yunzhi (1)

Zhi Fuxe thought about this matter carefully, she tried to resolve this matter as quickly as possible.

Zhi Fuxe had already started her search, she used the help of the best people she had to find a light on this matter.

Zhi Fuxe is a very careful woman, she is very careful with her every move.

If Zhi Fuxe wasn't careful, then he would be in quite a bit of trouble.

Zhi Fuxe looked out the window, she was thinking about something, it was obvious that Zhi Fuxe was thinking about something.

.

.

Ye Chen, Xia Qingyu, Yan Fei and Huang Ying returned to Sky Cloud Peak Star Realm, they returned to Ye Chen's house.

Business continued to grow and Ye Chen's strength became stronger and stronger, without realizing it, Ye Chen had built an enormous power.

He built a great power from the shadows, this made the great power in the entire God Realm not know about this matter.

"Master, you're finally back, do you want some tea, or do you want to eat something?" Qi Yunzhi asked Ye Chen.

Qi Yunzhi now looked even more mature and more dazzling, her every move becoming more and more seductive.

Even once in a while Qi Yunzhi teased Ye Chen with some very seductive moves.

Qi Yunzhi did some seductive poses in front of Ye Chen, now Qi Yunzhi started to be able to use some seductive poses in front of Ye Chen.

Ye Chen didn't know where Qi Yunzhi learned this from, there must be someone who taught how to do this, otherwise how could Qi Yunzhi know something like this.

Ye Chen pretended not to know what Qi Yunzhi was up to, he acted as if nothing had happened.

"Why doesn't young master show any interest in me?" Qi Yunzhi found it strange, why did Ye Chen not show any interest in him, even though Qi Yunzhi had tried his best to seduce Ye Chen with his skills.

Unfortunately what he did was fruitless, the effort put in by Qi Yunzhi was unable to tempt Ye Chen.

Ye Chen had already seen something more than this, so something like this couldn't possibly make Ye Chen easily deceived.

It took something bigger to be able to provoke Ye Chen, otherwise Ye Chen would be easily provoked.

Even though Qi Yunzhi's charm and beauty was getting better and better, she became a beautiful and seductive woman, if Qi Yunzhi opened up more, maybe it would be enough to make Ye Chen feel excited.

If Qi Yunzhi wore an even more revealing outfit, she would be extremely seductive.

Qi Yunzhi had to use a stronger skill to be able to seduce Ye Chen.

"Looks like Qi Yunzhi keeps trying to tease you." Chu Yuechan said to Ye Chen, she saw that Qi Yunzhi kept trying to tease Ye Chen.

"I know, this must be Chi Shui and the Seven Fairy Succubus, when I wasn't around they would have taught Yunzhi something strange".

"Who else can teach such a thing?" Chu Yuechan agreed with what Ye Chen said, it must be Chi Shui who had taught Qi Yunzhi this kind of matter.

"I think I will teach him a little lesson" Ye Chen intended to teach Qi Yunzhi a little lesson, Qi Yunzhi would know Ye Chen's strength.

"Yunzhi, come here" Ye Chen told Qi Yunzhi to come closer to him.

"Young master, what is it?" Qi Yunzhi came towards Ye Chen, he asked what Ye Chen wanted.

"Come here" Ye Chen told Qi Yunzhi to come closer to him, he wanted to give something to Qi Yunzhi.

Qi Yunzhi drew closer to Ye Chen, she wanted to know what Ye Chen would give her.

As Qi Yunzhi approached, Ye Chen immediately pulled Qi Yunzhi's body towards him, he hugged the waist of Qi Yunzhi who was in front of him.

"Ah. . ." Qi Yunzhi shouted, she wasn't prepared for what was happening, Qi Yunzhi didn't expect that Ye Chen would suddenly hug her like that.

"Young master, what are you doing?" Qi Yunzhi asked Ye Chen, why did Ye Chen hug her suddenly like that.

"Why, can't I do it?" Ye Chen asked Qi Yunzhi.

"Of course you can do it" Qi Yunzhi of course allowed Ye Chen to do what he wanted, she considered herself to be Ye Chen's.

So everything Ye Chen wanted to do, Qi Yunzhi would dedicate herself to Ye Chen, that's why she tried her best to learn how to seduce a man from the Seven Fairy Succubus and Chi Shui.

Chi Shui and the Seven Fairy Succubus were masters at teasing someone, so it wasn't strange that they could seduce anyone with their skills.

Too bad they all lost at Ye Chen's hands and they now don't dare to do such a thing again.

Chi Shui and the Seven Fairy Succubus already knew what the consequences would be if they teased Ye Chen, they already knew how strong Ye Chen was and how terrifying Ye Chen was.

Ye Chen touched Qi Yunzhi's body, he started to see what Qi Yunzhi's body looked like.

"She has a nice body" Ye Chen admitted that Qi Yunzhi had a very nice body, her body was very seductive and she had an extraordinary beauty.

If normal men saw Qi Yunzhi, they would naturally be infatuated with Qi Yunzhi.

"emmm" Qi Yunzhi started to groan, she groaned as she was touched by Ye Chen.

Ye Chen's touch felt very comfortable, Qi Yunzhi started to feel a great pleasure.

"What is this, is this what sister Shui said to me" Qi Yunzhi finally felt for herself how Chi Shui and the Seven Fairy Succubus always felt.

Qi Yunzhi admitted that what Ye Chen was doing was very comfortable, she admitted that the feeling felt really, really good.

"She's actually very sensitive." Ye Chen saw that Qi Yunzhi was very sensitive, just a little movement of Ye Chen made Qi Yunzhi feel excited.

Seeing this Ye Chen wanted to tease Qi Yunzhi even more, she would make Qi Yunzhi feel a little pleasure.

Qi Yunzhi was still too innocent, it seemed that he still hadn't felt the feeling of a woman's comfort.

"Humph. . ." Qi Yunzhi's breathing started to become erratic, she started to get very excited.

"Young master, my body feels strange." Qi Yunzhi said to Ye Chen, he felt something strange when she was touched by Ye Chen.

"You like it or not?" Ye Chen asked Qi Yunzhi, she wanted to know if Qi Yunzhi liked this feeling or not.

"I like it" Qi Yunzhi told Ye Chen that he liked this feeling.

"It's good that you like it." Ye Chen was happy when he heard this, it seems that Qi Yunzhi also liked the feeling he gave.

"Young master, please do more" Qi Yunzhi asked Ye Chen to do it more heartily, she wanted more from Ye Chen.

"Aren't you too bold, I didn't expect Yunzhi to be that lecherous" Ye Chen said to Qi Yunzhi.

Qi Yunzhi's face immediately turned red, Qi Yunzhi turned red when she heard what Ye Chen said, Ye Chen's words were as if Qi Yunzhi was a lewd woman.

"Young master please don't say such embarrassing things." Qi Yunzhi asked Ye Chen not to think like that.

Ye Chen laughed when he heard this, to be honest Qi Yunzhi was very entertaining, he made Ye Chen laugh with his very funny behavior.
