

A True God 1721

Chapter 1721 Discovered the existence of the Flower of Life Seven Color

Han Rizu and the other Elves were uncomfortable when they heard this from Ye Chen, they felt they owed Ye Chen a lot.

"We can't go on like this, please tell me what you want" Han Rizu asked Ye Chen, she asked Ye Chen's wish.

"If you really want to help then help me find the Flower of Life Seven Color" Ye Chen said to Han Rizu, he wanted to ask Han Rizu for a favor.

"Flower of Life Seven Color?, I think I've seen it" Han Rizu said that she had seen the Flower of Life Seven Color.

"Really" Ye Chen looked very enthusiastic when he listened to what Han Rizu had to say.

"Sure, why would I lie to you" said Han Rizu to Ye Chen, Han Rizu would not lie, she would not lie to Ye Chen.

"Then show me the place." Ye Chen said to Han Rizu to show him the place, Ye Chen wanted to see the Flower of Life Seven Color for himself.

"Come with me" Han Rizu told Ye Chen to come with her.

Ye Chen and Fan Fumi followed Han Rizu, he followed Han Rizu to a place far from where she lived.

"If I'm not mistaken the Flower of Life Seven Color is on top of that cliff" Han Rizu said to Ye Chen.

Han Rizu had glimpsed the Flower of Life Seven Color, if I'm not mistaken the Flower of Life Seven Color was on top of the cliff.

"So just go upstairs" Ye Chen nodded, he would go upstairs and see for himself whether what Han Rizu said came true or not.

"Wait a minute" when Ye Chen was about to go upstairs, he was stopped by Han Rizu.

" what is it?" Ye Chen asked Han Rizu, Ye Chen was confused why Han Rizu stopped him.

"Yeah what's wrong, why did you stop it?" Fan Fumi also asked the same thing, she asked Han Rizu the same thing.

"There lives an Elf wizard" said Han Rizu to Ye Chen, Han Rizu warned Ye Chen, up there lived an Elf who was scary and didn't like to hang out with others.

Plus the Elf above was unfriendly, she definitely wouldn't be happy when she saw Ye Chen enter her territory.

"It's okay, I will ask nicely" Ye Chen said to Han Rizu, Ye Chen would ask nicely, Ye Chen was sure that the Elf above would accept Ye Chen's request.

"I think it's very difficult" Han Rizu said to Ye Chen, he felt that it would be something quite difficult to do.

"Let me try it" Ye Chen said to Han Rizu, he will try it first.

Ye Chen left, he went up the cliff to see if what Han Rizu said was the truth.

"Bam. . ." As Ye Chen went upstairs, he was stopped by a very strong barrier, Ye Chen's movement stopped instantly when he faced the barrier.

"Oh, there's a barrier ahead" Ye Chen didn't see the barrier in front of him, to be honest, he didn't see the barrier in front of him.

Ye Chen stretched out one hand of his, he shattered the barrier in front of him with a single touch.

"Clank. . ." The barrier in front of Ye Chen was smashed into pieces, the barrier was destroyed by Ye Chen very easily.

after the barrier shattered, Ye Chen continued his journey, he continued his journey up to the top.

"Ye Chen fight" Fan Fumi gave Ye Chen support, she fully supported what Ye Chen was doing.

Ye Chen disappeared and climbed up the cliff, he disappeared from Fan Fumi and Han Rizu's sight.

"I hope he is fine" Han Rizu hoped that Ye Chen would be fine.

"No need to worry, Ye Chen is very strong, so nothing bad will happen" Fan Fumi said to Han Rizu.

"But above is a witch, her cultivation is very high, in my place no one can fight her" said Han Rizu to Fan Fumi.

Han Rizu told that the woman who lived above was very strong, it was not easy to face her.

"Ye Chen is a great person, he can definitely solve this problem" Fan Fumi believes in Ye Chen's abilities, he believes that Ye Chen can solve this problem perfectly.

"I hope what you say is true" Han Rizu hoped so, she hoped that Ye Chen could come back.

Ye Chen reached the top, when Ye Chen reached the top, she was attacked by several rocks that were thrown vigorously.

Ye Chen used his sleeves to parry everything, he used it to parry all attacks.

"I came in peace, please don't attack me." Ye Chen didn't know who attacked him, that's why Ye Chen said that he came in peace.

"Who will believe your words" from inside a hut came a female voice, this woman did not believe what Ye Chen said.

"I really came in peace, why don't you believe what I say" Ye Chen tried to convince the woman in front of him that he had come honestly.

"Impossible, who would believe what you said, just now you had broken the barrier of someone's house, who would believe such a thing" the woman inside the hut said to Ye Chen.

"I'm sorry for what happened, I came in peace, so please listen to me" Ye Chen apologized for what happened, he actually didn't mean to do such a thing.

"hmpp" the woman in the hut sniffed coldly, she shot a pebble at Ye Chen.

Ye Chen used his hands to catch the pebbles shot by the woman inside the hut.

Ye Chen's body took two steps back, the fire made by the woman in the hut was quite strong.

"The strength is quite strong." Ye Chen just said that the woman in the hut was strong, she was actually able to make Ye Chen take two steps back.

"Oh, you have the ability too, you can withstand that attack" the woman in the hut showed surprise when she found out that Ye Chen had managed to withstand her attack.

"Please don't do something rude like that" Ye Chen pleaded with the person in the hut, he told the woman not to do anything like that again.

"Quickly tell me why you came to this place." After being persuaded several times by Ye Chen, this woman finally wanted to calm down a bit.

"I came here to ask for Flower of Life Seven Color" Ye Chen expressed his intention, he expressed his intention in front of the woman in the hut.

"I won't give it, you better go" The woman in the hut said to Ye Chen.

The woman refused Ye Chen, she openly refused Ye Chen's request.

"Please give it to me, I will give you what you want" Ye Chen will not give up, he will do whatever it takes to get what he wants.

Ye Chen needed the Flower of Life Seven Color, he should be able to get the Flower of Life Seven Color from the woman in front of him.

The woman in the hut looked at Ye Chen, she saw the seriousness that Ye Chen was showing.

"If you really want to get the Flower of Life Seven Colors, then you have to complete a task I gave you," said the woman in the hut to Ye Chen.

Chapter 1722 Task of finding the Supreme Earth Orb

"What kind of task, as long as I can do it, I will do it" Ye Chen asked, he asked about the task that the woman in the hut would give.

"I want you to take an Orb that is in a deep enough place." This woman told Ye Chen that she needed an Orb.

"What is the name?" Ye Chen asked the woman inside the hut.

"His name is Supreme Earth Orb" said the woman in the hut to Ye Chen.

"Looks like it will be a little difficult." Ye Chen saw that this task would not be easy to do.

"If you don't want to, then you can leave this place." This woman let Ye Chen leave this place.

"Okay-okay, I'll do it" Ye Chen nodded, he would.

Ye Chen had no choice but to accept this unreasonable request, after all, Ye Chen desperately needed the Seven Color Flower of Life.

"Go away, don't come to this place again if you haven't got what I want" this woman told Ye Chen, she told Ye Chen not to come back before getting the Supreme Earth Orb.

"Excuse me" Ye Chen greeted, he went down and back downstairs.

"Looks like it will be difficult to find Supreme Earth Orbs." Ye Chen saw that Supreme Earth Orb would be quite difficult to obtain.

"It won't be difficult" Chu Yuechan said to Ye Chen, she told Ye Chen that it could happen.

"You seem to be much more confident than me." Ye Chen saw Chu Yuechan's confidence, he saw that Chu Yuechan was very confident in her abilities.

"Of course, I can help you find it" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen that she could help Ye Chen find the whereabouts of the Supreme Earth Orb.

"Then let's see" that Chu Yuechan can help solve this problem, Ye Chen immediately invited Chu Yuechan to leave immediately.

Ye Chen came down, he met Fan Fumi and Han Rizu.

"How, did you get it?" Fan Fumi asked Ye Chen, she asked if Ye Chen managed to get the Flower of Life Seven Color.

"It's a shame that I didn't get it" Ye Chen said to Fan Fumi, he told Fan Fumi that he had failed to get the Flower of Life Seven Color.

"Too bad" Fan Fumi was also disappointed, she was disappointed that Ye Chen didn't get what he was looking for.

"As I thought, that woman definitely won't be easy to persuade" Han Rizu had already guessed this matter, the woman above would definitely not easily give what she had to Ye Chen.

"Even though I failed to get the Flower of Life Seven Color, I already got a good offer" Ye Chen said to Fan Fumi and Han Rizu.

"What offer is that?" Fan Fumi and Han Rizu were curious about the offer Ye Chen got.

"As long as I get the Supreme Earth Orb, then she will give me the Flower of Life Seven Color," Ye Chen said to Fan Fumi and Han Rizu.

"Supreme Earth Orbs? ? ? ?" Fan Fumi doesn't know what Ye Chen said, she has no knowledge of this matter.

"Supreme Earth Orbs! !!" On the other hand, Han Rizu seemed to know what Ye Chen was talking about.

"What's with your reaction?" Ye Chen asked Han Rizu, he saw that Han Rizu's reaction was very unusual.

"The Supreme Earth Orb is something that is quite difficult to obtain, it is underground and the existence is very far away, as far as I know at this time, there are only two people who have managed to find the whereabouts of the Supreme Earth Orb" Han Rizu said to Ye Chen.

"That means the Supreme Earth Orb is difficult to obtain" From Han Rizu's brief explanation, Fan Fumi could conclude that the Supreme Earth Orb is something that is not easy to obtain.

"That's right." Han Rizu admitted this, it was not easy to find the whereabouts of the Supreme Earth Orb.

"Don't worry, we still have a few more 5 days, so there's still time." Ye Chen still had enough time, he still had enough time to get the Supreme Earth Orb.

"You are going to find the Supreme Earth Orb?" Ask Fan Fumi.

"Of course, for that let's go now" Ye Chen replied, Ye Chen invited Fan Fumi to immediately search for the whereabouts of the Supreme Earth Orb.

"Let me come with you, I can be a guide for you" Han Rizu wanted to come, she wanted to come with Ye Chen.

"Of course, please" Ye Chen allowed Han Rizu to come along, Han Rizu could be their guide.

Han Rizu had lived in this place for a long time, so she should know all the locations that this place had.

Bringing them together would definitely be of great use to Ye Chen.

First Han Rizu prepared everything, herself prepared everything for the trip.

After everything was ready, Ye Chen Fan Fumi and Han Rizu immediately set off.

Since their goal was to find the Supreme Earth Orb, they had to find a place that was deepest.

Ye Chen asked Han Rizu, he wanted to know the deepest location on this island.

"The deepest location is in a place called Lourberd, it is the deepest place here" Han Rizu told Ye Chen about the deepest place on this island.

"Then let's go around that place." Ye Chen took Fan Fumi and Han Rizu to head to Lourberd.

Han Rizu nodded, she led the way for Ye Chen and Fan Fumi.

The trip this time was very easy, this is because Han Rizu did her job very well, she guided Ye Chen and Fan Fum very well, with the guidance given by Han Rizu, Ye Chen and Fan Fumi made it to Lourberd.

"Oh, so this is the place." Ye Chen looked at a mine, he saw a mine that had been abandoned for a long time.

This mine has been abandoned for a very long time, rumors say a lot of scary things have happened in this place" said Han Rizu to Ye Chen and Fan Fumi.

Before going inside Han Rizu reminded Ye Chen and Fan Fumi that this mine was a little strange and mystical, so they had to be careful.

"You mean this place is haunted?" Fan Fumi became afraid of what Han Rizu said, she became afraid of what Han Rizu just said.

"It's just a rumor that has been around for a very long time, that rumor has been around for hundreds of thousands of years, so the truth of this matter is unknown," said Han Rizu to Fan Fumi.

Han Rizu was trying to make Fan Fumi not panic, she was trying to make Fan Fumi not panic about the situation.

"I just hope that nothing happens in this place" Fan Fumi really hoped that nothing would happen, she just hoped that she wouldn't find anything unreasonable.

"Let's go" Ye Chen took Fan Fumi and Han Rizu away, there was nothing to be afraid of from this place.

Ye Chen headed downstairs, he asked Chu Yuechan if the existence of the Supreme Ear Orb was in this place.

"I feel it, it seems what you are looking for is in this place" Chu Yuechan said to Ye Chen.

Chapter 1723 enter into Lourberd mine

"So it's really here" Ye Chen happy when he heard about this matter, it seems that what Ye Chen is looking for is in this place.

"The problem is that it's quite far down" Chu Yuechan said to Ye Chen, Chu Yuechan told Ye Chen that what he was looking for was far below.

"Okay, I understand" Ye Chen could understand, it seems that what he was looking for was far down there.

"Can you map it out for me?" Ye Chen told Chu Yuechan to chart a path.

"I will" Chu Yuechan nodded, she was about to start charting a path for Ye Chen.

Ye Chen, Fan Fumi and Han Rizu came forward, the three stepped forward and descended down.

This place is very dark, the light in this place is so minimal that it makes vision very minimal.

Ye Chen used a torch for lighting, he made a fire to illuminate the path ahead.

Ye Chen saw what was around this place, Ye Chen found that the surroundings of this place were very dirty and already very bad.

"How long has this place been abandoned?" Ye Chen saw that this place was already so bad, nature had even taken over this place.

"It's been a very long time, maybe hundreds of thousands of years" Han Rizu answered Ye Chen's question.

Han Rizu didn't know the exact number on this matter, she only knew that this place had been abandoned a long time ago.

"That's a very long time." Fan Fumi didn't expect that this place had been abandoned for so long.

"That's a very long time." Ye Chen also thought the same thing as Fan Fumi, this place had been abandoned for quite a long time.

"This used to be the largest Blessing Earth Essence mine that ever existed, but it was abandoned after there was no Blessing Earth Essence anymore," said Han Rizu to Ye Chen.

This place was once the richest place of Blessing earth essence, but over time this place was depleted and could no longer be mined.

"I saw it, it must have been a very large mine in the past." Ye Chen nodded, Han Rizu's explanation was very clear.

"Tskkkkk. . . ." From far away came a scary voice.

"What is it ?" Fan Fumi immediately approached Ye Chen, she took cover near Ye Chen while holding a bow in her hand.

Fan Fumi prepares for the worst, if this is a monster, then Fan Fumi will immediately fight, otherwise if it is not a monster then they can run away from this place.

Fan Fumi still quite believed in the existence of ghosts, so she prepared for the worst possible encounter with ghosts.

"What is it ?" Han Rizu tried to see what was ahead, she felt a dangerous feeling from what was in front of him.

"tskkkkk . . ." This voice was getting closer and closer, several figures were approaching towards Ye Chen.

"That" Fan Fumi darkened when she saw what was happening, she became dark when she saw the monster skull moving by itself.

Ye Chen and Han Rizu prepared for battle, meanwhile Fan Fumi retreated and hid behind the rocks.

"Ye Chen, it's a ghost" Fan Fumi said to Ye Chen, she told Ye Chen and Han Rizu that in front of them was a ghost.

"No, it's not a ghost." Ye Chen said that it wasn't a ghost, he didn't feel the soul of this monster.

Ye Chen instead felt a power around this monster's body, or maybe it could be said that this monster was moved by something.

Ye Chen took a closer look, he found some thin threads, he saw that these threads were driving the monsters in front of him.

"I will find the source of the power that controls them." Ye Chen looked for the mastermind behind everything.

"attack . . ." Han Rizu fought, she stepped forward and directly attacked the skull of the monster in front of her.

Ye Chen also advanced, himself smashing the skull of the monster in front of him.

"Bam, Blam, Boom. . ." The battle between Ye Chen and Han Rizu took place, the two of them worked together to defeat the monster skull in front of them.

When a monster's skull is destroyed, the monster's skull will re-unite, this keeps repeating itself several times.

"This can't be left" Physical attacks don't work, physical attacks won't work against the skull of the monster in front of him.

"One Hundred Thousand Fire Swords" Ye Chen made many fire swords, he controlled the fire swords and started to crush the monster skulls.

" burn . . ." Using the power of the profound fire, Ye Chen was able to crush and burn monster skulls to ashes.

"Okay I see" Ye Chen finally saw the figure who had controlled the monster, he found a hamster with a very long tail, this tail was like a lot of hair.

This rat monster has a tail that can be used to control things and things around it, its ability can be said to be quite troublesome.

Seeing the controlled puppet being destroyed by Ye Chen, the hamster picking up rocks and sharp objects around, the monster threw everything at Ye Chen and Han Rizu.

Ye Chen and Han Rizu started to dodge, both of them dodged the objects flying towards them.

The two of them dodged the attacks that were aimed at them with good moves.

"Hell Prison" Ye Chen made a prison around the hamster, he locked the monster.

"ckkkkk" The mouse monster was angry when it was locked up by Ye Chen, it immediately used its claws to dig down.

"uhh. . ." Ye Chen didn't expect that the hamster would run away in such a manner, the way this monster escaped was quite unique.

"Damn, I let the monster escape" Ye Chen didn't expect that hamsters could dig like that, Ye Chen should have coated the bottom with profound fire so that the rat monster couldn't escape.

It was too late, the monster had already fled.

Ye Chen didn't bother to chase the monster, he didn't bother to chase the monster that attacked him.

"Fumi, why are you hiding?" Ye Chen asked Fan Fumi, himself questioning Fan Fumi who was hiding behind a rock.

"That, I'm afraid" Fan Fumi said the reason why she was hiding, to be honest Fan Fumi was afraid of what was in front of her.

"No need to be afraid, there are no ghosts here, they are just monsters who want to scare you" Ye Chen said to Fan Fumi, he explained to Fan Fumi that there are no monsters around this place.

"Ehhh, really?" Fan Fumi was shocked when she heard what Ye Chen said, she finally realized that she had just been fooled by a monster.

"Damn, just watch out if I meet that monster" Fan Fumi will reply to this, how can you be fooled by a monster.

"Hahahahaha" Ye Chen and Han Rizu laughed when they heard this, both of them laughed at Fan Fumi who looked very funny.

Fan Fumi is very funny, she is very entertaining when in a situation like this.

The innocence that she has is something that makes her look really cute.

Ye Chen took the lead, he entered the deeper part of the Lourberd mine.

When Ye Chen had reached a fairly deep part, Ye Chen found a dead end, in front of him was an endless dead end.

"It seems that this is the basis" Han Rizu said to Ye Chen, he said that this is the foundation of this place.

Chapter 1724 can't take the Supreme Earth Orb

"A dead end" Fan Fumi saw that ahead was a dead end, it seemed that they could not continue forward.

"No, it's not a dead end." Ye Chen told Fan Fumi that it wasn't a dead end.

"you mean?" Fan Fumi asked Ye Chen, Fan Fumi still didn't realize what Ye Chen said, she still didn't realize what Ye Chen meant.

"From here we will dig in." Ye Chen said to Fan Fumi, from here they had to dig.

"Huh?" Fan Fumi looked surprised when she heard about this, not expecting them to have to dig deep.

"Can we do that?" Fan Fumi said to Ye Chen, Fan Fumi felt that digging would be very difficult to do.

"Don't worry, it will be very easy." Ye Chen reassured Fan Fumi, everything will be easily done.

Ye Chen used his own power, he started to open the ground that was in front of him, with the Dimensional power that was possessed by Ye Chen, Ye Chen could do whatever he wanted.

Ye Chen paved the way, he paved the way for Fan Fumi and Han Rizu.

Fan Fumi and Han Rizu followed behind Ye Chen, both of them followed Ye Chen to go deeper.

When Ye Chen got to a point, he found that in front of him there was a tunnel hole, it seemed that this hole was made by the hamster that Ye Chen had previously fought.

"Looks like this tunnel is going down." Ye Chen saw that the tunnel made by the hamster was going down.

"We can use this to go downstairs" Han Rizu said to Ye Chen, he told Ye Chen to use this tunnel to go downstairs.

"This can indeed be used, let's make good use of it." Ye Chen likes to take advantage of what can be used, so Ye Chen can use this thing to go down.

Ye Chen decided to use this tunnel, he paved the way for the two women who were behind him.

Because this tunnel is made by animals, the shape of the tunnel looks very complicated, there are many intersections around this place.

"Fortunately Ye Chen has a way of dealing with this matter, so he and the others can't possibly get lost.

"Master use the God Eyes you have." Chu Yuechan told Ye Chen to use God Eyes.

"I will." Ye Chen used God Eyes, he used God Eyes and looked at the place Chu Yuechan pointed at.

A few miles below, Ye Chen saw an orange colored Orb and let out a flash of light.

This orb is buried deep enough, it looks like it will be a challenge to retrieve the object.

"Okay, it looks like it's the Supreme Earth Orb we're looking for, we just need to pick it up and bring it back." Ye Chen only needed to take the item, then Ye Chen could get the Flower of Life Seven Color.

"Before that, you have to fight all the hamster monsters that are there" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen that there were a lot of Hamsters around the Supreme Earth Orb, it seemed that the Supreme Earth Orb gave them power.

"Oh, so it was the most troublesome monster we fought before, great, before I released one of them, now I will avenge what happened" Ye Chen will catch all the Hamsters in this place.

"Ahead is the nest of the Hamsters that we fought earlier, you two prepare for battle" Ye Chen told Fan Fumi and Han Rizu, he told both of them to get ready to prepare themselves for battle with the enemy.

"So there's a Hamster in front of us that we fought earlier." Fan Fumi looked excited, she looked very excited when she heard this.

"Let's catch them" Fan Fumi said to Ye Chen, she couldn't wait to catch the Hamster who had dared to scare her.

"Very good spirit" Ye Chen saw the enthusiasm that Fan Fumi had, Fan Fumi was very excited about this matter.

Ye Chen, Fan Fumi and Han Rizu, came forward, the three entered the Hamster's lair.

"ckkkkkkkkk" when Ye Chen, Fan Fumi and Han Rizu entered, immediately all the existing Hamsters shouted, the Hamster monsters immediately thought of Ye Chen as a threat that must be removed.

"Shut up" Ye Chen let out his strength, he showed a very domineering aura to scare the Hamsters.

The hamsters here were quite weak, with just a slight bluff from Ye Chen, they fainted on the spot.

" what ! ! !, did I go too far?" Ye Chen felt that he was overreacting, he just used a little pressure and all the Hamsters had fallen.

"Looks like they have little guts." Chu Yuechan saw that the Hamsters in this place had small guts, only their bodies were big but they were quite afraid of Ye Chen's pressure.

" what happened ! ! !" Fan Fumi and Han Rizu were shocked when they saw the Hamsters around this place collapsing, even though they hadn't made an attack yet.

"Ye Chen, this must be your doing." Fan Fumi immediately knew that this was Ye Chen's doing.

"This is indeed my doing" Ye Chen said to Fan Fumi, he answered truthfully.

"I want to fight with them," said Fan Fumi to Ye Chen, Fan Fumi wanted to fight against the Hamsters in this place.

"I'm sorry about that" Ye Chen apologized for what happened, this was really an accident by Ye Chen.

Fan Fumi and Han Rizu started tying up the Hamsters that were in this place, they won them over and didn't let them loose.

"Their fur is very soft" when Fan Fumi touched the Hamster's fur, she found that the hamsters here have very soft fur, they have soft fur that is very nice to hold.

"Looks like this monster can be used as a mount." Han Rizu felt that this hamster could be used as a mount.

" is it true ?" Fan Fumi did not expect that this hamster could be used as a mount.

"Of course, this just needs a little adjustment and also practice so that they become obedient" Han Rizu said to Fan Fumi.

"I see." Fan Fumi understood, so they needed trained so that they could be used as mounts.

As Fan Fumi and Han Rizu caught the Hamster, Ye Chen focused on taking the Supreme Earth Orb.

Ye Chen dug in and picked up the Supreme Earth Orb that was in front of him.

When Ye Chen touched the Supreme Earth Orb, Ye Chen found that the Supreme Earth Orb could not be touched, when Ye Chen touched this, the Supreme Earth Orb would put up a fight that made Ye Chen's hand feel numb.

"I can't touch it, this thing is putting up resistance." Ye Chen couldn't take the Supreme Earth Orb, this thing resisted very strongly.

"This thing has quite a lot of power, it seems you need someone with a large earth element to take it." Chu Yuechan explained to Ye Chen.

he explained that the Supreme Earth Orb cannot be taken by just anyone, it takes someone with very strong earth elemental strength to take it.

"I don't master the earth element, plus Han Rizu and Fan Fumi are also not very strong, Fan Yima also probably won't be able to take this" Ye Chen has a problem, who can help Ye Chen in solving this problem.

Chapter 1725 Picked up

Ye Chen thought for a moment, he thought for a while before finding out who was the most suitable.

"What about Xing Shenyi?" Ye Chen remembered with Xing Shenyi, that woman must have enough strength to take the Supreme Earth Orb.

"Master, what are you planning, you must be planning something bad." Chu Yuechan felt that Ye Chen was planning something bad.

"what did you say?" Ye Chen smiled at Chu Yuechan, Ye Chen's smile proved that Ye Chen was up to something.

"I knew it." Chu Yuechan had expected this matter, she had already guessed that this matter would definitely happen soon.

"Let's go back, I can't take the Supreme Earth Orb at the moment." Because Ye Chen couldn't take the Supreme Earth Orb, Ye Chen decided to go back first, he would bring Xing Shenyi with him to this place.

"How" Fan Fumi and Han Rizu had finished tying up all the Hamsters, now they could bring these Hamsters to the surface.

"It doesn't work, it looks like you and I won't be able to get the Supreme Earth Orb" Ye Chen said to Fan Fumi and Han Rizu.

"Is that so" Fan Fumi and Han Rizu didn't ask any further, neither of them asked further about this matter.

"Let's go upstairs" Ye Chen took Fan Fumi and Han Rizu upstairs, they left this place for a while.

Before leaving, Ye Chen snapped his fingers, Ye Chen's goal was to protect the Supreme Earth Orb from other people trying to take it.

Ye Chen, Han Rizu and Fan Fumi returned to the hidden village belonging to the Cursed elf, after arriving Han Rizu brought all the hamsters available to train, these hamsters could be used to fight against enemies and also used for work.

Ye Chen and Fan Fumi went to look for Blessing Earth Essence, both of them went back to looking for Blessing Earth Essence so that they could bring more Blessing Earth Essence.

.

.

Unknowingly 4 days had passed, Ye Chen and Fan Fumi had already spent the time they had in search of Blessing earth essence.

Ye Chen and Fan Fumi managed to get a lot of Blessing earth essence, the amount they were able to get was enormous.

Right now there shouldn't be anyone who can match Ye Chen's wealth in Elven Village.

"Roar. . ." a rumble sounded, when this rumble sounded Ye Chen and everyone could tell what was going on.

This voice was the voice of the Profound Ark, it seemed that the invitation that Ye Chen and the others had had already come to this place.

"Looks like our invitation has arrived." Ye Chen said to Fan Fumi, the profound ark that will bring them back has arrived.

"Thank you very much for what you all did, I will come back here again" Ye Chen thanked all the Cursed elves who were very kind, they were very kind to Ye Chen.

"You're welcome." Han Rizu and all the Cursed elves were happy with Ye Chen and Fan Fumi's arrival, Ye Chen and Fan Fumi had made them gain a lot of things.

"Oh yeah, make sure Tuo Ke doesn't cause trouble here." Ye Chen told everyone to keep an eye on Tuo Ke.

These monsters might just go on a rampage in Ye Chen's absence, so they had to keep an eye on Tuo Ke properly.

"He has taken an oath, if he does bad things to us, he will get in trouble" Han Rizu said to Ye Chen.

Tuo Ke had already sworn, so he wouldn't dare attack the hiding village they had.

Ye Chen nodded, he would return to Elven Village and settle the matter he had to solve.

"Let's go" Ye Chen took Fan Fumi away, the two of them should immediately go to the pick-up point.

"Come on . . ." Fan Fumi was excited, she was so excited to be back in her place.

Ye Chen and Fan Fumi flew over, both of them headed towards the profound ark that was waiting for them.

When Ye Chen and Fan Fumi arrived, they had not seen the other participants who had already gathered, it seemed that Ye Chen was the first one to have made it through.

"Welcome back" Ye Chen was greeted by an Elf, he was greeted by an Elf who was a little unfriendly towards him.

Ye Chen and Fan Fumi nodded lightly, the two immediately went to the side to see what was going on.

after Ye Chen there were so many humans who came back, they came back with very shabby bodies and clothes, it looked like they had a bad day.

Teng Domi has also returned, Ye Chen saw that some parts of Teng Domi's body were wrapped by a bandage.

It seemed that Ye Chen's attack had scalded some parts of Teng Domi's body, this made Teng Domi like this.

Teng Domi looked angry when he saw Ye Chen, there was a certain grudge when he saw Ye Chen.

"Welcome, we will prepare the best bath and service for you." Teng Demo and the other participants were warmly welcomed, they were greeted by some beautiful Elf maids who would pamper them.

These people are lucky enough, they are very lucky because they get this kind of treatment.

Seven of the 10 participants returned, while the other 3 still hadn't returned, the Elves were waiting for their arrival, if they didn't come soon, then they would be left behind and might not be able to come back again.

After waiting for a while, the 3 participants still hadn't appeared, Efl here estimated that they might have died.

"We're back" it turns out that of the 11 participants there are only 8 people left, those who survived were very lucky, while the 3 people who didn't survive had to accept their fate to be buried in this place.

the profound ark left the cursed island of the Elves, this ark brought everyone to the Elven Village.

Ye Chen and all the participants returned to their room, they had to wait for some time to reach their destination.

this might be boring, to be honest waiting was very tedious for Ye Chen and Fan Fumi.

Luckily Fan Fumi was still near Ye Chen, so Ye Chen could at least have intercourse with Fan Fumi if he was bored.

The other participants were having fun too, they were having fun with the Elf maids who were prepared to serve them.

Their participants themselves were like kings served by concubines, they all really enjoyed what the Elves were given.

.
.

Unbelievably 3 days had passed, Ye Chen and all the participants finally returned to Elven Village, they all returned to Elven Village and were greeted by Elf Elder and Xing Shenyi.

Elder Elf and Xing Shenyi were already waiting for the arrival of the participants, they were all curious about the results obtained by the existing participants.

Several high-class elves also came, they came to see if the participants managed to get enough Blessing earth essence.

Whether they can get a really great result or they get a bad result, everyone wants to know the result.

"Welcome back to all of you who managed to survive that terrible place, I am quite concerned to see some people not coming back" Xing Shenyi said to the participants who had returned safely.

"Thank you very much" All the humans thanked Xing Shenyi, they were grateful for the welcome given by the Elven in Elven Village.

Amongst everyone, Ye Chen was wearing very ordinary clothes, he was wearing clothes that were too ordinary to the point of making other people not notice him.

Chapter 1726 Now who is doing business here

"You all must have rested well while in the profound ark, so now is the time to distribute the rewards to you." Xing Shenyi said that he would distribute the rewards according to the Blessing earth essence they managed to obtain.

Everyone was extremely excited when they heard this, to be honest they really wanted to receive a gift from Xing Shenyi.

"Elder please." Xing Shenyi said to the elder, he invited the Elder to give a reward according to what all the participants got.

"Quickly gather and hand over what Blessing Earth Essence has shown." The elder told all the participants to line up and prepare the Blessing Earth Essence they had obtained.

Everyone gathered, they all lined up neatly and took out Blessing earth essence.

The elves in this place were excited when they saw the Blessing earth essence, they were like wolves looking at delicious prey.

Ye Chen looked at the Blessing Earth Essence obtained by the other participants, he saw that there were around tens to hundreds of Blessing Earth Essence.

"Very good, I will exchange the gifts you got" the elder said to all the participants, he immediately gave the Divine Rainbow Crystal according to what all the participants got.

The first participant received 75 Blessing earth essence, he was rewarded with 375 Divine Rainbow Crystals.

This number is very large, this number is something very large.

"Thank you very much" the first participant thanked him, he was grateful for the gift that had been given.

Elder nodded, he nodded at the person in front of him.

"You have time, you should enjoy what you can do before leaving this place." The elder said to the participant in front of him, he told the human in front of him to enjoy the time he had before returning to his original place.

"um" this human nodded, he would make the most of this opportunity, he would enjoy the time he had.

After the first participant, it is now the second human's turn to advance, the second human is slightly inferior and only gets 60 Blessing earth essence.

The third participant got 80.

The fourth participant got 98.

The fifth participant got 70. The

sixth participant got 87.

And finally, Teng Domi got almost 200 this amount made him the participant who collected the most Blessing earth essence.

"Wow that's great" Teng Domi was very proud, he managed to get a very large amount of Blessing earth essence, this amount made him get more than 1000 Divine Rainbow Crystals.

"Congratulations to those of you who have successfully collected Blessing Earth essence and obtained Divine Rainbow Crystals." The elder congratulated everyone who had managed to obtain such a large amount of gifts.

"Hey, it's not over yet." Ye Chen said to the Elder Elf in front of him.

"Oh, so you're still alive, I thought you were dead." Elder Elf looked at Ye Chen, he saw that Ye Chen was still alive and looked fine.

"Are you myopic, obviously I'm still alive" Ye Chen said to the Elder Elf in front of him.

From the very beginning all the Elder Elves tried to find trouble with Ye Chen, they were still looking for trouble against Ye Chen.

"what do you want?" I don't have much time to deal with you" Elder said to Ye Chen.

Elder seemed to have no time when dealing with Ye Chen, he didn't want to deal with Ye Chen

"You don't want to do business with me" Ye Chen said to the Elder in front of him.

much did you get, it's only 5 or 10 at most" Elder looked down on Ye Chen, he seemed to underestimate Ye Chen's results.

howyou know about the results I got." Ye Chen showed a surprised face to everyone.

"As expected, you definitely won't get much" Elder looked very proud of himself, he managed to correctly guess the result that Ye Chen got.

"Quickly take it out and let's finally get everything out." Elder told Ye Chen to take out the Blessing earth essence that he had collected, Elder Elf didn't have time to deal with trash.

"Okay." Ye Chen took out some Blessing Earth Essence that he had obtained, he took out a large amount of Blessing Earth Essence.

"Boom. . ." When Ye Chen took out a very large amount of Blessing Earth Essence, the ground in this place shook, it could be seen how heavy the Blessing Earth Essence had been.

"Huh? ? ? . . ." Everyone showed surprise when they saw what Ye Chen had just taken out, they were very surprised by what Ye Chen had just taken out.

"hehehehe" Ye Chen chuckled when he saw the reaction that everyone had, Ye Chen was really very happy with the reaction of the rotten Elders in front of him.

"Now who is doing business here" Ye Chen said to all the elders in this place.

Ye Chen felt that if he was now in power, he had the right to determine the rules in this place.

"How is that possible?" The elders and all the elves couldn't believe what Ye Chen had done, they were quite shocked when they saw what Ye Chen had just done.

Ye Chen had just taken out a Blessing earth essence of such an astonishing size, they had never seen anything like it.

"What's wrong? Have you guys never seen anything like this?" Ye Chen said to all the elves in front of him.

"Glup. . . ." All the Elves gulped, they all gulped when they saw what Ye Chen had just let out.

Ye Chen let out a thing that made everyone in disbelief.

"Is it fake?" All the Elves whispered to each other, they all wanted to know if Ye Chen had brought something fake.

But from the light, this is indeed a Blessing Earth Essence, Elf is very sensitive to the existence of Blessing Earth Essence.

Plus the numbers are huge, it's like a very tempting resource for everyone.

"Ye Chen, how did you bring that much Blessing earth essence?" Xing Shenyi asked Ye Chen, she asked how Ye Chen could bring that much Blessing earth essence.

"Do I need to explain, here we are discussing business, I will sell this at 2x the price we agreed on from the start" Ye Chen said to Xing Shenyi.

Ye Chen doesn't want to 1:5, Ye Chen wants to raise the price to 1:10.

"How dare you do such a thing?" what Ye Chen did was not warmly welcomed, Elder didn't like hearing what Ye Chen said.

"It's up to you, if you don't want to buy it then I don't mind it, after all, I'm not the one who needs Blessing Earth Essence here," Ye Chen said to the elder in front of him.

Ye Chen didn't need the Divine Rainbow Crystal, so if Ye Chen didn't care too much about this matter.

" You?" The Elder Elf pointed at Ye Chen, she pointed at Ye Chen with a dissatisfied look.

"Don't you know where you are right now?" Another Elf Elder got up, they warned Ye Chen that this was in Elven Village, here they were the ones who decided everything.

Humans have no right to do what they want in this place.

"Oh, so you guys want to bully me" Ye Chen said to the six Elder Elves in front of him.

Chapter 1727 Trying to punish Ye Chen

"If you are looking for trouble in this place, you all will not hesitate to make you pay for it" all the elders agreed, they would not allow Ye Chen to be arrogant while in his territory.

"Oh really" Ye Chen said to all the Elf Elders in front of him, Ye Chen saw that all the Elf Elders were not friendly with Ye Chen, they were all trying to find trouble with Ye Chen.

"You guys have given me a trash tool and unfriendly service, do you think I will do as you say" Ye Chen said to the six elders in front of him.

"Are you willing to challenge us?" The Six Elders looked at Ye Chen, they gave off an extremely terrifying aura around their bodies.

The combined strength of the six elders was on par with Xing Shenyi, the strength of the six of them was so terrifying that they needed to be reckoned with.

"The situation is getting out of hand." Xing Shenyi saw that the situation was getting out of hand, she saw that Ye Chen was starting to clash with the six elders.

Xing Shenyi wanted to stop the dispute from happening, but that would be very difficult to do, the Sixth Elder Elf couldn't possibly just let Ye Chen go.

"Hahaha" Ye Chen laughed, he laughed freely without any pressure.

The pressure of the six Elder Elfs was not enough to frighten Ye Chen, Ye Chen would not be easily frightened in this way.

"Is that all you can do?" Ye Chen said to all the elders present.

Ye Chen asked about the strength possessed by the Elders, the strength possessed by the Elders was not enough to bully Ye Chen.

"This arrogant brat, looks like we have to teach him a lesson" Seeing Ye Chen who was so arrogant, the six elders decided to give Ye Chen a punishment, they couldn't let Ye Chen do as he pleased.

The elders gathered strength and started to punish Ye Chen, they made a big hole and pulled Ye Chen to the bottom.

Ye Chen did not put up a fight, he only saw what these people were doing, for Ye Chen to put up a fight was an unnecessary thing to do.

Ye Chen's reaction made Queens like Xing Shenyi feel strange, she felt strange about what Ye Chen was doing, Ye Chen's smile and relaxed posture made him feel like a strong person.

"Ye Chen" Fan Fumi tried to help Ye Chen, she tried to help Ye Chen who was currently sinking down.

At the time Fan Fumi wanted to help Ye Chen, at that time Fan Fumi was stopped by the Elf around this place, the Elf around this place forbade Fan Fumi to help Ye Chen.

Fan Fumi didn't give up she did the best she could to help Ye Chen.

Ye Chen's body began to be sucked into the ground, he began to sink into the ground and was about to disappear.

"Looks like he's going to be in very big trouble." Teng Domi seemed to really enjoy what happened to Ye Chen, he really enjoyed it when he saw Ye Chen being punished by the Elves.

Ye Chen's body sank, he was completely sucked in by the ground and did not reveal himself.

"Ye Chen! ! !" Fan Fumi shouted, she called out to Ye Chen who disappeared into the ground.

"Feel it." All the elders said in a satisfied tone, they all felt very happy when they saw Ye Chen succeed in being punished.

"What you are doing is too much." Xing Shenyi said to everyone, she felt that all the elders had gone too far.

"We have to teach that little brat a lesson, otherwise he will still be arrogant in front of us." All the elders agreed to teach Ye Chen a lesson, otherwise Ye Chen would still be arrogant in front of them.

"Still what you're doing is too much." Xing Shenyi said to all the elders, she felt that all the elders had gone too far when they took care of Ye Chen.

"Queen, this is all for the sake of the Elf's pride, so you don't have to intervene in this matter" all the elders said in unison.

Xing Shenyi was silent as she listened to what the elder said, they were all very united in bullying Ye Chen.

"Pride, wouldn't it be more appropriate to call it selfish?" Ye Chen said to the six elders.

The six elders immediately turned around and looked at Ye Chen, they didn't expect that Ye Chen would reappear.

"You, how did you get free" All the elders were shocked when they saw Ye Chen who was free, Ye Chen should be buried below and couldn't escape.

"Do you guys think such a lowly technique can cause me trouble" Ye Chen said to the Elder Elf.

"Human, so you are looking for trouble with us, alright, we will show our strength" Seeing Ye Chen who is becoming brave, all the elders will give Ye Chen something that will make him understand.

The bodies of the six Elder elves were covered in an extremely powerful aura, this aura made them even more terrifying.

The moment the Elder Elves displayed their strength, the ground around here began to shake, the buildings and various things in the surroundings began to shake and crumble.

"This human, he wants to challenge all the Elders." The high-class Elf did not expect that Ye Chen would dare to do something like this, Ye Chen challenged the six Elder Elves alone.

"What Ye Chen did was very brave, he was very brave against the six Elder Elves with such high strength and cultivation.

"So you guys are getting serious" Ye Chen could see that all the elders were getting serious about meeting Ye Chen, they were all getting serious about fighting Ye Chen.

"Earth Wave" The of the ground below began to become like water, the ground below rippled and looked like churning mud.

The Elder Elf flicked her finger, when the Elder snapped her finger, the mud rose and headed towards Ye Chen.

This mud was like a tentacle that wanted to catch and prey on Ye Chen.

Ye Chen closed his eyes, a huge profound flame enveloped Ye Chen.

When this profound fire appeared, the mud that was near Ye Chen began to harden and break into several pieces.

Seeing that attacks like this didn't work against Ye Chen, one of the Elder Elf summoned a rock from underground and started shooting it at Ye Chen.

A large number of stones shot towards Ye Chen, they were like a bullet that could easily pierce a person's body.

Ye Chen puffed out his chest forward, he resisted all attacks using his body.

Another elder hit Ye Chen with a palm that was as hard as iron, this powerful blow should crush Ye Chen's ribs.

Ye Chen's body was too hard, an attack like this was just like a pebble being shot towards him.

All the attacks that were launched by the Elf Elder were stopped by Ye Chen, their attacks could not injure Ye Chen.

"What the hell is this guy, our attacks can't work." All the elders couldn't believe that their powerful attacks didn't work.

"What's his body made of, it's so hard" All the elders acknowledged that Ye Chen's body was very tough, all attacks couldn't hurt Ye Chen.

Chapter 1728 Xing Shenyi lowered her head and apologized to Ye Chen

"This guy's body is really tough, what kind of training did he do to have such a strong body?" Teng Domi could understand now what was Ye Chen's body, he had already hit Ye Chen and resulted in himself being injured.

"You guys really don't know who you're up against" Ye Chen said in a dissatisfied tone.

Ye Chen received all the attacks from the Elf, he was only defending and had not made an attack.

"You, what kind of human are you?" Elf elders started to question Ye Chen, they started to question Ye Chen who wasn't hurt by such an attack.

"You will know soon enough." Ye Chen said to the Elder Elf in front of him, they would soon know who he really was.

Ye Chen took out everything he had, he released the full power that was in his body.

The moment Ye Chen released the full strength that was in his body, an enormous shock occurred.

This massive shaking made the buildings and everything around here begin to crumble and fall.

The shock caused by Ye Chen was terrifying, it could be felt all over the Elven Village.

"The strength is terrible" Xing Shenyi saw the strength that Ye Chen had, the strength that Ye Chen had was extremely terrifying.

"Feel this." Ye Chen threw his arm out, a wave of fire appeared and charged towards the Elder Elf.

"resist the attack" Elder Elf worked together to withstand the attack launched by Ye Chen, they worked together to withstand the attack launched by Ye Chen.

A stone wall was created all around, they hoped to be able to withstand Ye Chen's attack with just this stone wall.

Waves of fire swept across the brick walls, the brick walls the Elders made were like sand washed away by the waves.

"Argh. . ." All of the elders shouted, they were all on fire after receiving the huge fire wave released by Ye Chen.

The six previously arrogant Elder Elfs had now fallen to the ground, fresh blood dripping from the corners of their mouths and dripping onto the clothes.

Ye Chen's attack had obviously injured them quite badly, Ye Chen's powerful attack had injured all the Elders inside as well as outside.

"Do you know my strength?" Ye Chen said to all the elders in front of him.

Ye Chen had only used a little of his strength, but the results were quite shocking, Ye Chen had injured all the elders and felt unbearable pain.

"You, how dare you injure us" all the elders cursed at Ye Chen, they cursed at Ye Chen for daring to attack.

"Weren't you the first to attack me, I was only defending myself" Ye Chen said to all the Elder Elves in front of him.

The Elder Elves were silent as they listened to what Ye Chen said, it was true that they were the first to attack Ye Chen.

"Before you accuse someone, you should see for yourself how you guys are" Ye Chen said to all the elders.

Ye Chen gave piercing words, Ye Chen's words must have made Elder Elf even more angry.

"Why are you quiet, attack him quickly?" Seeing that the high-class Elf was still silent and didn't make an attack on Ye Chen, the Elder Elf shouted.

Around this place there were still top grade Elves with quite strong cultivation bases, if they worked together, they might be able to win against Ye Chen.

hearing such an order, all the high-class Elves immediately got ready, they prepared to attack Ye Chen.

The high-class elves had no other choice, they had to submit to the orders given by the Elders.

Seeing all the Elves around this place wanting to attack him, Ye Chen used God Domination Pressure.

The terrible pressure made all the Elves fall, they fell and couldn't get up from the floor.

"Hey what are you doing" All the elders shouted, they shouted at the Elf who suddenly fell to the floor at the same time.

"Elder, our bodies feel heavy and immovable." All the Elves felt the same way, they felt like they were being pressed by a mountain above their heads.

" what ! ! !" All the Elder Elves didn't believe what the high-class Elves said, they were brought down so easily.

"This must be your doing." All the elders looked at Ye Chen, they knew that this must be Ye Chen's doing.

Ye Chen was probably the only person who could do something like this.

"Of course, I did this" Ye Chen said to all the elves in this place.

Ye Chen showed his strength, he let all the Elves in this place know how great he was.

Hearing this, all the elders gritted their teeth, they were really annoyed when they saw Ye Chen win the battle.

They were defeated by a human who was still a minor, this obviously cost them quite a bit of face.

"Young master Ye Chen please stop." After a long time Xing Shenyi finally wanted to act, she asked Ye Chen to stop right now.

"Why should I do what you say?" Ye Chen didn't want to do what Xing Shenyi said, he refused to do what Xing Shenyi told him to do.

Xing Shenyi looked at Ye Chen, she saw that Ye Chen was a man who was not easy to deal with.

"I apologize for the rudeness that my subordinates have done, I hope you can release them all" Xing Shenyi apologized for the wrong that Elder Elf had done, he sincerely apologized to Ye Chen.

"If you really want to apologize, why don't you make them kneel down and apologize to me, I want the six elders to apologize to me" Ye Chen said to Xing Shenyi.

Ye Chen told Xing Shenyi about the conditions they had to fulfill in order for Ye Chen to forgive them.

"We will never do that." All the elders didn't want to do that, they didn't want to do what Ye Chen said.

"If you don't want to then forget it" Ye Chen said to Xing Shenyi.

Seeing the six elders who were still adamant about not apologizing, then Ye Chen would not let them go.

Ye Chen increased his own pressure, when Ye Chen did this, all the Elves screamed and couldn't stand the strong pressure that fell on them.

Xing Shenyi saw that the high-class Elves were unable to withstand Ye Chen's strength, they were unable to withstand Ye Chen's immense strength.

Xing Shenyi looked at the Elder Elves, they were old people who didn't know the situation, they were too proud of themselves to forget that they had dragged all the Elves into the trouble they had created.

"I can't let this matter continue." Xing Shenyi couldn't let this matter continue.

Xing Shenyi got up from her throne, she advanced towards Ye Chen.

"What will he do?" Ye Chen wanted to know what Xing Shenyi would do.

Xing Shenyi arrived in front of Ye Chen, she lowered her head and apologized for what happened.

"Please let them go" Xing Shenyi said to Ye Chen to let everyone go, she couldn't see this going on.

Ye Chen saw what Xing Shenyi did, this beautiful Elf actually lowered her head to apologize to Ye Chen, she is a good leader and willing to apologize for the mistakes of her subordinates.

Chapter 1729 Ye Chen promised a reward for Elf

"I didn't expect that you would do something like this for someone else's fault." Ye Chen didn't expect that Xing Shenyi would do something like this for someone else's fault.

"They are my responsibility, so I have the right to apologize for what they have done." Xing Shenyi wanted to apologize as she was the one who was responsible for all of them.

"Don't look down on this brat" all the elders said to Xing Shenyi, they forbade Xing Shenyi to be humble in front of Ye Chen.

"You guys, don't you know your situation" Xing Shenyi said to the Elder, she said to the Elder who was still adamant even after their position was like that.

All the Elders fell silent as they listened to what Xing Shenyi had to say.

They're all in a bad position, they're all at a disadvantage.

Ye Chen smiled at Xing Shenyi, he thought of a good idea.

"I will let them go, but on one condition" Ye Chen said to Xing Shenyi.

"Just say it, as long as I can do it, I will definitely do it" Xing Shenyi said to Ye Chen.

Xing Shenyi promised Ye Chen, she promised to do as Ye Chen said.

"I want you to do the 3 wishes I gave you, are you able to do it or not?" Ye Chen told Xing Shenyi what he wanted.

"You, how can you ask our Queen for something like that?" All the Elves said in disgruntled tones, they were all displeased with Ye Chen's request which seemed too shameless.

"It's up to you, I'm not forcing it, if you really don't want to do it, then I won't force it" Ye Chen said to Xing Shenyi

Ye Chen will not force Xing Shenyi, he will give freedom to Xing Shenyi.

Xing Shenyi thought about what Ye Chen said, she thought about the worst that could happen and was asked by Ye Chen.

After thinking for a while, Xing Shenyi finally knew what she had to do, she had already decided to save everyone.

"Okay, I agree with that" Xing Shenyi said to Ye Chen.

Xing Shenyi agreed to the conditions given by Ye Chen, she agreed to what was proposed by Ye Chen.

"Wow, I didn't expect that you would say such a thing" Ye Chen didn't expect that Xing Shenyi would agree, this was much easier than Ye Chen imagined.

Because Xing Shenyi had already made a promise to Ye Chen, Ye Chen finally let go of everyone, he released all the Elves who previously dared to fight against him.

The moment Ye Chen let them go, all the Elves felt very free, they all felt free and could go back to doing what they wanted.

The pressure exerted by Ye Chen was extremely terrifying, all the Elves already knew how strong Ye Chen was.

"Okay, now that you are free, do you want Blessing earth essence?" Ye Chen said to the high-class elves in this place.

The high-class elves that were here looked at each other, they were curious as to what do Ye Chen

"Don't you want?" Ye Chen asked the high-class Elf that was in this place.

"Of course we want" who will refuse Blessing Earth Essence, all Elves naturally want Blessing Earth Essence.

"That's great, then you just need to find the whereabouts of the Flower of Life Seven Color and give it to me, after that I'll give you some quite large chunks of Blessing Earth Essence," Ye Chen said to the high-class Elf in this place.

Hearing this, all the high-class Elves were instantly excited, the reward that promised was enormous.

Of course they all wanted to, who could refuse a gift like this, it was obvious that they wouldn't want to refuse a gift of this magnitude.

"all of you, Don't be fooled by Human ." The Elder Elf said to all the high-class Elves, they were all being fooled by Ye Chen.

Hearing what the said , the Elves here started to think about whether they should do what Ye Chen said or not.

"I swear to you if you can bring me Flower of Life Seven Color, I will give Blessing earth essence to you" Ye Chen swears, he will give Blessing earth essence to the person who can give himself Flowers of Life Seven Colors.

"We don't care, it's a huge Blessing Earth Essence, if we can get it, then our future will be bright." All the high-class Elves had already thought about what they could do with such a large amount of Blessing Earth Essence, they could definitely become stronger than what promised Ye Chen

Why did they have to listen to Elf Elder's orders, when they could get so much more from Ye Chen.

Ye Chen had also dared to swear at them, so Ye Chen's words did not need to be doubted .

All of the Elf Elders were dumbfounded by what had happened, they were all dumbfounded when they were opposed by an Elf whose status was below them.

Since Ye Chen's actions of Elder Elf's dominance had begun to fade, all of the high-class Elves were no longer willing to listen to what the Elder Elf had to say.

"What are you guys waiting for, hurry up and leave right now, you won't get anything, if you just stand still like that" Ye Chen told everyone to quickly go and look for the Flower of Life Seven Color.

If they remained silent, then when would they be able to obtain the Blessing earth essence that promised Ye Chen

"Tap. . . ., Tap," After listening to what said , all the Elves who were present left immediately, they set out to look for the whereabouts of the Flower of Life Seven Color.

With the high ranking Elf gone, in this place only a few people remained, there were six elders, Xing Shenyi and a few knights on duty.

All the Elders looked shocked when they saw what happened, they all looked shocked when they saw Ye Chen commanding all the Elves that were in this place.

"Remember this carefully, strength and resources are one way to order someone, without it they won't listen to you" Ye Chen said to the six elders, Ye Chen told them what was wrong.

The six elders could only contain the anger they had, they were not happy with what done Ye Chen

"Please take the elders away from this place, make sure they get treatment" Seeing Ye Chen trying to provoke the six elders, Xing Shenyi ordered the knights who were in this place to immediately take the six elders away.

she ordered the Elf knights to escort the humans to the resting place

The female elf knights immediately rushed over and carried the injured Elder, they dragged the injured Elder away from this place.

"huftt. . . ." Xing Shenyi looked very relieved when she saw that all the elders had been evacuated to a safe place, with this war can be avoided.

"Elf Queen, you are very kind to your people" After everyone left, Ye Chen said to Xing Shenyi who was in front of him.

"I thought, from the start you were a dangerous person, it seems that my initial assessment was not wrong" Xing Shenyi's intuition turned out to be right, Ye Chen was a dangerous man to fight.

Chapter 1730 Xing Shenyi helps Ye Chen take a bath

"So you have realized from the start" Ye Chen said to Xing Shenyi, Ye Chen saw that Xing Shenyi had already realized the power that Ye Chen had.

"Of course, you look a lot weirder than the other human participants, of course I noticed" Xing Shenyi's first impression of Ye Chen was too bold.

Unlike the other humans, Ye Chen looked much more relaxed, he was able to remain relaxed even when facing Xing Shenyi as well as the six Elf Elders with enormous strength.

"It seems that you are much smarter than the six stupid Elder Elfs." Ye Chen felt that Xing Shenyi was much smarter than the six Elder Elfs who foolishly tried to find trouble with Ye Chen.

"They are like that, sometimes they can't be controlled if they don't agree with me" Xing Shenyi said to Ye Chen.

"Looks like you're having a bit of trouble dealing with them." Ye Chen saw that Xing Shenyi who was a Queen was even bothered by the six Elder Elfs.

Ye Chen could understand the problems Xing Shenyi was facing, Ye Chen himself was also dissatisfied with what the six Elder Elfs were doing.

"So what is your request?" Xing Shenyi asked Ye Chen, she wanted to know what Ye Chen wanted.

"Let me think about it" Ye Chen will think about it, he needs Xing Shenyi to help get the Supreme Earth Orb.

"I need your help to get something, but not now" Ye Chen said to Xing Shenyi.

Ye Chen told Xing Shenyi what he needed, when the time came, Ye Chen would tell Xing Shenyi what he needed.

"Fine if that's what you want" Xing Shenyi understood, it seemed that Ye Chen needed her help to do something quite important.

"Fumi, do you want to take a bath with me?" Ye Chen said to Fan Fumi, he invited Fan Fumi to take a bath together.

"Okay, I'll do it" Fan Fumi wanted to do just that, it just so happened that she hadn't cleaned up yet.

During the 3 days in the profound ark, Ye Chen and Fan Fumi did not receive proper treatment, neither of them received proper care from the Maid Elf inside the profound ark.

Now that Ye Chen had taken the lead in this place, he could use all the facilities in this place.

"I will prepare everything" Xing Shenyi said to Ye Chen, she would prepare a bathhouse for Ye Chen and Fan Fumi.

"do it" Ye Chen did not refuse the offer given by Xing Shenyi, there was no way that Ye Chen would refuse this offer.

Xing Shenyi summoned several personal concubines who specially served her, she told them to bring Ye Chen and Fan Fumi and take very good care of them.

Xing Shenyi was quite skilled at taking care of someone, she knew how to take good care of a guest, this was definitely different from an Elder who didn't know how to take care of a guest.

Ye Chen and Fan Fumi were taken to a place where they were provided with a private room by Xing Shenyi.

.

.

News of Ye Chen's contest spread very quickly, all the Elves in Elven Village immediately went and looked for the whereabouts of the Flower of Life Seven Color.

The search for the Flower of Life Seven Color was carried out on a large scale, surely they would soon be able to find the whereabouts of the Flower of Life Seven Color.

Ye Chen hoped that they could find the whereabouts of the Flower of Life Seven Color, that way Ye Chen would not have to bother dealing with the woman who previously refused to give the Flower of Life Seven Color to Ye Chen.

If indeed the Elf couldn't get the Flower of Life Seven Color, then Ye Chen could only bring Xing Shenyi to help get the Supreme Earth Orb.

"Not bad, Xing Shenyi's taste is quite good, she has a special and very beautiful bath." Ye Chen was currently soaking in a beautiful bath full of flowers, at first glance this must be Xing Shenyi's private place.

Ye Chen smelled a familiar scent around this place, it was clear that the scent in this place was very similar to the one on Xing Shenyi's body.

Ye Chen didn't expect that Xing Shenyi would lend his private place for Ye Chen to use.

Xing Shenyi's personal concubine has already left this place, only Ye Chen is left here, Ye Chen is waiting for Fan Fumi's arrival.

Fan Fumi should be changing clothes, Ye Chen wanted Fan Fumi to dress up a little to look even more beautiful.

Fan Fumi is a beautiful woman, unfortunately her beauty is still not fully out because of the way she dresses.

"I wonder if he will use the swimsuit I gave her" Ye Chen had given a swimsuit to Fan Fumi, Ye Chen hoped that the clothes Ye Chen gave would be suitable.

"tap. . ., tap. . ., tap. . ., tap. . . ." Just as Ye Chen was thinking about Fan Fumi's whereabouts, Ye Chen listened to the footsteps of the approaching.

"What took you so long?" Ye Chen asked Fan Fumi, he asked why Fan Fumi took so long.

Fan Fumi did not answer Ye Chen, she continued to approach Ye Chen at a slightly slower speed.

Ye Chen felt strange about what happened, it was unusual for Fan Fumi to just sit around and not answer Ye Chen's words.

Ye Chen turned his attention towards the back, behind him, Ye Chen saw the figure of a elegant and sexy woman who was wearing a white towel wrapped around her body.

"Why is she in this place?" Ye Chen was quite surprised when he saw this beautiful woman in this place.

The beautiful woman who had just entered was Xing Shenyi, the Queen of the Elf suddenly walked into Ye Chen's place for no reason like this.

"This woman is brave enough, she dares to enter the lion's den." Chu Yuechan saw that Xing Shenyi was very brave, this woman was brave enough to go to Ye Chen's place in such a manner.

Xing Shenyi was a little embarrassed, it could be seen from the blush on her cheeks.

"What are you doing?" Ye Chen asked Xing Shenyi, he asked why Xing Shenyi was in this place.

"I'm here to help you" Xing Shenyi said to Ye Chen, she would help Ye Chen take a bath.

Ye Chen was quite surprised by what Xing Shenyi said, this woman was very brave, she was very brave and wanted to help Ye Chen in this kind of business.

"I didn't expect you to do that" Ye Chen said to Xing Shenyi.

"Please don't misunderstand" Xing Shenyi said to Ye Chen, he told Ye Chen not to misunderstand what she was doing.

"Okay, I understand." Ye Chen understood, he would not say anything more to Xing Shenyi.

Xing Shenyi walked into the bath, she went to Ye Chen's side and started helping Ye Chen.

The movements made by Xing Shenyi look quite clumsy, it seems that Xing Shenyi is still a little hesitant.

Ye Chen didn't do anything, he wanted to see what Xing Shenyi would do.

Ye Chen observed every move that Xing Shenyi made, he wanted to know what Xing Shenyi was trying to plan.

Surely Xing Shenyi was up to something, there was no way Xing Shenyi would do this on purpose.

Xing Shenyi went to Ye Chen's side and started to help Ye Chen, she washed Ye Chen who was in front of her.

Having seen and felt washed by Concubines frequently, Xing Shenyi already knew what she had to do, she would do her best to wash Ye Chen well.

Ye Chen began to be served by Xing Shenyi, Xing Shenyi washed all parts of Ye Chen's body using a damp cloth.

There was also a flower that was used as a shampoo to make Ye Chen smell much better.

"No, I didn't expect him to be good enough at this kind of thing." Ye Chen didn't expect Xing Shenyi to be good enough, she washed Ye Chen very well.

"How long are you going to hold on, quickly attack her" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen to attack Xing Shenyi, this was the best opportunity to attack and eat Xing Shenyi.

"Wait a minute, we'll see what we do." Ye Chen was still quite enjoying this, he entered to enjoy the services provided by Xing Shenyi.

Ye Chen wasn't in too much of a hurry, he was quite relaxed in dealing with Xing Shenyi.

Ye Chen knew that Xing Shenyi would not be able to escape easily, this woman would not be able to escape Ye Chen's grip.

Xing Shenyi washed Ye Chen from behind, she almost finished washing Ye Chen from behind, Now only the front is left.

After finishing washing on the back Xing Shenyi came forward to the front, he was now face to face with Ye Chen.

Seeing Xing Shenyi in front of him, Ye Chen smiled at him, this made Xing Shenyi feel embarrassed and his heart skipped a beat.

"what happened?" Xing Shenyi looked confused, she looked confused by what had happened.

Xing Shenyi had been confused by Ye Chen, the charm that Ye Chen used made Xing Shenyi bewildered.

Ye Chen used his own charm on Xing Shenyi, this made Xing Shenyi feel embarrassed when he looked at or faced Ye Chen.

Xing Shenyi lowered her head, she didn't dare to look at Ye Chen.

As Xing Shenyi lowered her head, she saw something that shouldn't have been seen.

Yes, Xing Shenyi saw Ye Chen's big thing in the water, she was now right in front of Ye Chen's thing which looked very big and long.

"Glup. . ." Xing Shenyi gulped, she really couldn't endure this kind of temptation.
