

A True God 1731

### **Chapter 1731 Ye Chen playing with Queen Elf**

What happened was too much for Xing Shenyi, Xing Shenyi couldn't take it all at once.

Xing Shenyi started to get confused, a smart and wise Queen was confused about what had happened to her.

A large object in front of her is very formidable, if you look closely, Ye Chen has a very large object, he has something that is very large and long and looks very strong.

Its size was much more impressive when Xing Shenyi looked at it up close, Ye Chen had an enormous capital and was a dragon among men.

Xing Shenyi became excited, she became excited after seeing Ye Chen's huge thing right in front of her eyes.

Xing Shenyi was a lonely female Elf, so it wasn't strange that she got excited easily.

As a leader who was full of mental stress, this made her lust build up and couldn't be released, so it wasn't strange that he would easily get excited when she saw a lewd scene.

"Where are your eyes looking?" Ye Chen woke up Xing Shenyi who was dreaming, Xing Shenyi looked very seductive when she saw Ye Chen's thing.

"Sorry, I didn't mean to" Xing Shenyi apologized, being rude to Ye Chen.

"I didn't expect Queen to be such a lustful woman" Ye Chen said to Xing Shenyi.

Ye Chen immediately used a word to corner Xing Shenyi, his goal was to confuse Xing Shenyi.

"No, I am not that kind of woman" Xing Shenyi said to Ye Chen, she is not that kind of woman, Xing Shenyi is a good woman and would not do such a thing.

"Then how do you explain it?" Ye Chen said to Xing Shenyi.

Ye Chen asked for an explanation from Xing Shenyi, he wanted an explanation from Xing Shenyi.

" that . . ."Xing Shenyi looked confused to explain to Ye Chen, she was quite confused to explain that she wasn't a pervert.

The more Xing Shenyi explained to Ye Chen, the more he looked wrong, the more Xing Shenyi looked wrong in front of Ye Chen.

"It's all your fault" Xing Shenyi said to Ye Chen, because Xing Shenyi couldn't come up with a reasonable excuse, Xing Shenyi could only blame Ye Chen.

" Why me?" Ye Chen looked confused as to why Xing Shenyi was blaming himself for the problem.

"That's because you showed me something strange." Xing Shenyi thanked Ye Chen.

If only Ye Chen had not shown such a thing, then Xing Shenyi would not have been caught up in this matter.

In the past 2 weeks, Xing Shenyi thought about what she had seen before, she had often dreamed of the lewd things that Ye Chen had.

Xing Shenyi had used various means to get those thoughts out of her head, unfortunately all her efforts were unsuccessful, all in vain and Xing Shenyi always woke up with a wet bottom.

"Hahaha" Ye Chen laughed, himself laughing when he heard Xing Shenyi's excuse.

Xing Shenyi's excuses are very funny, Ye Chen likes Xing Shenyi's excuses.

"How could it be my fault, weren't you the one peeking yourself?" Ye Chen said to Xing Shenyi.

"I . . ." Xing Shenyi was shocked when she listened to what Ye Chen said, unexpectedly Ye Chen discovered her whereabouts.

Xing Shenyi was speechless, she was already speechless because she didn't have a solid reason.

Ye Chen saw that Xing Shenyi was already deeply cornered, he could no longer put up any resistance and deny what had happened.

"I think this is a good time." Ye Chen saw a very good opportunity, he saw a very good opportunity and could not pass it up.

Ye Chen extended his hand towards Xing Shenyi's waist, Ye Chen pulled Xing Shenyi towards him.

"Ah. . ." Xing Shenyi screamed, unconsciously the cloth towel on her body fell off when Ye Chen pulled it.

Now that Xing Shenyi in front of Ye Chen was fully exposed, she looked very seductive with the two double peaks pressed against Ye Chen's chest.

"Beautiful" Ye Chen whispered in Xing Shenyi's ear, he stimulate the weakest point of every Elf.

"Erm" Xing Shenyi immediately felt weak when Ye Chen teased the most sensitive part of her, Elf couldn't stand being teased at this part the most.

"what is it?" Ye Chen asked Xing Shenyi, he smiled evilly at Xing Shenyi who was having trouble while being teased by Ye Chen.

"Please don't tease me." Xing Shenyi said to Ye Chen, he couldn't stand Ye Chen's temptation.

Ye Chen had played with Xing Shenyi's sensitive point, how could Xing Shenyi put up with this kind of thing.

"I haven't even started yet" Ye Chen is not serious, he is still playing around.

" what! !!" Xing Shenyi was quite surprised when she listened to what Ye Chen said, how could Ye Chen still be playing around.

Even though Xing Shenyi already got a great feeling just from Ye Chen's blow.

"I will show how great I am" Ye Chen said to Xing Shenyi, Ye Chen confirmed that he would show Xing Shenyi something very amazing.

Xing Shenyi was a little anxious when she heard this, it seemed that she would not go easy against Ye Chen.

Ye Chen's hand touched Xing Shenyi's back, he used finger skills to tease Xing Shenyi.

"Ahhh. . . ." Xing Shenyi immediately shouted, she screamed when she felt a very comfortable feeling from Ye Chen.

Ye Chen's touch felt very comfortable, Xing Shenyi could feel a very beautiful and comfortable feeling from Ye Chen.

"This is great, my body feels very comfortable" Xing Shenyi couldn't imagine this kind of feeling, Ye Chen's finger massage made her feel an incredible ecstasy.

"Xing Shenyi looks dignified on the outside, but she is actually much more lewd than I imagined." Ye Chen finally saw what Xing Shenyi looked like, it turned out that the Queen in his hands was much more lewd than Ye Chen had imagined.

Ye Chen's impression of Xing Shenyi dignified instantly crumbled, now he knew that Xing Shenyi was quite lustful.

"It seems the old adage is proven, a dignified woman can be more lewd than a comfort woman." Ye Chen could find a proverb that suited Xing Shenyi's condition.

Xing Shenyi only teased her more, this made Ye Chen feel excited when he was with her.

Xing Shenyi still didn't show any resistance, she didn't show any resistance against Ye Chen.

Xing Shenyi was engrossed in the feelings that Ye Chen gave her, she just wanted Ye Chen to continue to make her feel happy so that Xing Shenyi could forget everything.

As Xing Shenyi received the joy of Ye Chen's touch, she felt all the burdens in her mind go away, she felt much lighter and more comfortable without a burden on her body.

After making Xing Shenyi happy enough, Ye Chen turned to the front, he saw the best part that Xing Shenyi had.

"Time to see what kind of capital he has" Ye Chen will try what kind of capital Xing Shenyi has, Ye Chen can't wait to try to feel what Xing Shenyi has.

Ye Chen touched Xing Shenyi's two super plump double peaks, touching them was very comfortable and pleasant for Ye Chen's fingers and hands.

"Erm" Xing Shenyi let out a seductive moan as she was touched by Ye Chen, Ye Chen's fingers squeezed her double peaks skillfully.

"Wait a minute" Xing Shenyi said to Ye Chen, she couldn't stand Ye Chen's touch.

Ye Chen played two double peaks as well as Xing Shenyi's Cherry buds.

When Ye Chen did this, Xing Shenyi must have felt a very strange feeling, his body was like being electrocuted and filled with an intense feeling.

"Ahhh. . ." Xing Shenyi's moans and sighs were very seductive, Xing Shenyi was able to make sounds that made Ye Chen feel excited.

When he heard Xing Shenyi's voice, Ye Chen became even more excited, he was even more excited when he teased Xing Shenyi's Cherry buds.

It didn't stop there, Ye Chen's other hand also started to actively explore Xing Shenyi's secret garden, this hand started to actively walk around Xing Shenyi's secret place.

"emmmmm" these two intense stimuli made Xing Shenyi feel helpless, she really couldn't withstand the two powerful attacks that Ye Chen had put out.

Xing Shenyi started to make lewd faces, she completely lost control and started to get even wilder.

Xing Shenyi is blessed with a very beautiful body, Xing Shenyi's body is a powerful weapon to make a man feel excited.

Elves are blessed with beautiful faces, good bodies and healthy skin, and among all the Elves, it could be said that Xing Shenyi was the tallest of them all, she even deserved to be called an Elf goddess because of her beauty.

Ye Chen was getting impatient, he was getting impatient in getting Xing Shenyi.

"Ahhh. . ." After enduring Ye Chen's attack for a long time, Xing Shenyi finally couldn't stand it and admitted defeat.

Her body trembled with the endless pleasure that Ye Chen gave her, Xing Shenyi loved what Ye Chen did.

"This is great." Xing Shenyi said in a low voice, she admitted that Ye Chen's skill was really great.

Xing Shenyi was a little tired, she leaned on Ye Chen's body and used Ye Chen's body as a support for her body.

If Ye Chen had not provided support for Xing Shenyi, then Xing Shenyi would have sunk into the bathing pool.

Ye Chen felt very happy, he was very happy because he could play with the beautiful Elf Queen.

Ye Chen couldn't wait to play more with Xing Shenyi, he wanted to make Xing Shenyi submit to his orders.

### **Chapter 1732 Xing Shenyi's chaser is coming**

Ye Chen let Xing Shenyi rest for a while, he gave Xing Shenyi time to rest after playing with him.

"master. . ." Chu Yuechan said to Ye Chen, she felt someone approaching and this person was very competitive.

"I see" Ye Chen felt a very strong person coming, he immediately took a towel to cover Xing Shenyi's body.

Ye Chen didn't know who had come to this place, he only felt a very strong killing and hatred aura from this person.

"This person is disturbing other people's fun" Ye Chen was quite annoyed, even though he was just about to play with Xing Shenyi.

Ye Chen would make this person regret having dared to disturb him and Xing Shenyi, Ye Chen would not let this person escape so easily.

"Boom" After a while, from the entrance there was an explosion, the entrance of the bath was shattered into several pieces.

An Elf man walked in, he walked inside with a very domineering aura.

Ye Chen looked closely at the Elf in front of him, this Elf looked very handsome and had a domination around him, he looked like a highly trained army.

"Who are you?" Ye Chen didn't know who the person in front of him was, he didn't know who this Elf man was at all.

"Let go of her right now" the Elf man said to Ye Chen, he told Ye Chen to immediately release Xing Shenyi who was in Ye Chen's arms.

"I don't want to let go" Ye Chen said that if he didn't want to let go, he wouldn't let Xing Shenyi go.

"Don't force me" the Elf man said to Ye Chen, he didn't have much patience to deal with Ye Chen.

"Wow you are quite arrogant too, it seems you are looking for trouble with me"

Ye Chen didn't like this person's way, he didn't like the arrogant way the Elf showed in front of him.

"Just watch" The male elf started to give off a terrifying aura, this Elf's strength was quite strong and was on the same level as Xing Shenyi.

Such a huge force must have made quite an impact, this place was starting to be shaken by the power released by the Elven man.

This great power certainly had a shocking effect, the bathing pool began to collapse due to the enormous power released by the Elf man.

"What happened?" Xing Shenyi woke up due to the great power that had just appeared, she woke up and found out what happened.

"Gao Win" Xing Shenyi seemed to know this Elf, she was surprised when she looked at the Elf in front of Ye Chen.

"You know him" Ye Chen asked Xing Shenyi, Ye Chen wanted to know who the man who just appeared was.

"Um, he is Gao Win, one of the Elf elders with the most strength, he has been in seclusion for a long time and one of the people who chased after me" Xing Shenyi said to Ye Chen.

Xing Shenyi told everything to Ye Chen, he told Ye Chen that this man was called Gao Win.

"Oh, so he's one of the people chasing you" Ye Chen said at Xing Shenyi, Ye Chen now understands the man in front of him, it turns out that he is a fan of Xing Shenyi.

Xing Shenyi looked embarrassed when she heard this from Ye Chen, for some reason Ye Chen seemed to be making fun of Xing Shenyi.

"It's not strange if he gets angry like that, isn't it your fault" Ye Chen said to Xing Shenyi.

"Why is it my fault, I don't like him" Xing Shenyi said to Ye Chen, Xing Shenyi didn't like Gao Win, so she had the right to refuse Gao Win.

"Look and listen to that, you should leave right now" Ye Chen said to Gao Win.

"Bastard you better go, I don't like seeing your face" Gao Win said to Ye Chen, he told Ye Chen to leave.

Gao Win took out a spear, he took out a spear with a terrifying aura.

"What's that?" Ye Chen was quite curious about what Gao Teng had just brought out.

"It is the Dragon Head Spear" it is a very powerful weapon, you should not fight it" Xing Shenyi said to Ye Chen, she told Ye Chen that the weapon in Gao Win's hand was very dangerous and could threaten Ye Chen.

"I see." Ye Chen nodded, he understood and would be careful.

"Master, it seems that there are a lot of Elves heading to this place, you are surrounded." Chu Yuechan reminded Ye Chen that he was already surrounded.

"Damn it, they don't seem to give up looking for trouble." Honestly Ye Chen didn't like the current situation, he didn't really like the current situation.

"I should just retreat and take Xing Shenyi to that place." Ye Chen couldn't stay in this place, he would take Xing Shenyi to the Cursed Elf's place.

Even though Ye Chen wanted to stay here longer, but the situation didn't seem to be in his favor.

"Okay I will go" Ye Chen nodded, he will leave this place.

Ye Chen brought Xing Shenyi along with himself, the two of them left this place.

"Quickly let her go." Gao Win was angry when he saw Ye Chen carrying Xing Shenyi with him, Gao Win couldn't stay still when he saw Queen being taken away by Ye Chen.

Gao Win chased after Ye Chen, he chased after Ye Chen using all the abilities he had.

Ye Chen's own speed is unquestionable, Ye Chen quickly left this place, Ye Chen immediately shot towards Fan Fumi.

"Ye Chen where have you been, why are you taking so long?" Fan Fumi said to Ye Chen, she asked why Ye Chen was taking so long.

"No time to explain, come with me quickly" Ye Chen said to Fan Fumi, he told Fan Fumi to come with him.

Ye Chen hugged Fan Fumi, he hugged Fan Fumi and left this place.

"Hey! ! !, what did Queen do?" After a while, Fan Fumi finally realized the existence of Xing Shenyi, she didn't expect that Xing Shenyi would be in Ye Chen's arms.

Xing Shenyi blushed slightly, she looked embarrassed when she faced Fan Fumi, for some reason Xing Shenyi felt that she was like a thief that Ye Chen's wife had just discovered.

"It's okay, she will come with us" Ye Chen said to Fan Fumi, he told Fan Fumi that Xing Shenyi would come with them.

"I see." Fan Fumi nodded, she finally knew what was going on.

When Ye Chen came out of the palace, Ye Chen discovered the existence of the Elf who surrounded this place, there were many Elf knights who surrounded this place and started preparing to attack Ye Chen.

"They, it seems they were ordered by someone" Ye Chen was very sure that the Elf Knights were ordered by Gao Win to attack Ye Chen.

"all the Elf knights are in this place, we have been surrounded, are we going to fight them all" Fan Fumi asked Ye Chen, he asked if Ye Chen would fight all of them.

"No, I won't fight all of them" Ye Chen said to Fan Fumi, he wouldn't fight all the Elves in this place.

For a while Ye Chen did not have time to take care of the Elves who were in this place.

"We are going to the cursed island of the elves" Ye Chen said to Fan Fumi, they will return to the cursed island.

"Okay" Fan Fumi immediately agreed, she will go with Ye Chen, wherever Ye Chen goes, Fan Fumi will follow him.

Ye Chen took his profound ark, he boarded together with Fan Fumi and Xing Shenyi, after everyone boarded, Ye Chen directly directed this profound ark towards the elven cursed island.

"See, them escape." The Elf Knights immediately attacked the profound ark that Ye Chen had just brought out, they launched a massive attack towards the profound ark that Ye Chen was riding.

It was fortunate that Ye Chen's profound ark was extremely fast, so Ye Chen was able to dodge in time and not be hit by the powerful attack launched by the Elf Knight.

"Damn they ran away" Gao Win was angry and annoyed, he was angry that Ye Chen managed to get Xing Shenyi to run away.

Gao Win hadn't even shown his strength yet, he didn't have time to show his strength to beat Ye Chen.

"Chase them" Gao Win gave orders to the Elf knights, he told them to chase after Ye Chen who had kidnapped Xing Shenyi.

"We will carry it out" with the order given, the Elf knights immediately rushed over, they took the battleship and started chasing Ye Chen.

Ye Chen's profound ark was extremely fast, chasing after him was a difficult thing to do.

Gao Win left, he wanted to discuss the matter with the other Elders.

Gao Win was furious, Ye Chen had kidnapped Xing Shenyi from him, so he was very upset.

Gao Win had been doing closed-door training for quite a long time, he probably wouldn't have come out too early had he not heard of Xing Shenyi being Ye Chen's captive.

Gao Win believed that Ye Chen was the one who had forced Xing Shenyi to do such a shameless thing.

"Human, I will never forgive you" Gao Win would never forgive Ye Chen, he would never let Ye Chen take Xing Shenyi away.

The news of Ye Chen kidnapping Xing Shenyi and forcing him to do bad things spread very quickly, some high-class Elves still couldn't believe what Ye Chen had done.

All the Elves were still expecting a present from Ye Chen, they all wanted a worthy gift from Ye Chen.

Now that it might be very difficult to materialize, Ye Chen had run away with Xing Shenyi and was a fugitive, how would they get their reward.

This made many Elves feel disappointed, they hoped that Ye Chen would return soon so they could get their reward.

### **Chapter 1733 Xing Shenyi meet Han Rizu**

Ye Chen flew towards the Elf cursed island, he along with Xing Shenyi and Fan Fumi would soon arrive at the Elf cursed island.

Ye Chen's profound ark is very fast, he has a profound ark that is very fast so that it can reach its destination in just a few hours Even

although the Elf's profound ark takes a long time, meanwhile Ye Chen's profound ark only takes a very long time. very short.

Dongfang Xiu's profound ark was indeed very formidable, she had a profound ark that was extremely fast even beyond Xing Shenyi's imagination.

"We are almost there" Ye Chen said to Xing Shenyi and Fan Fumi.

"So fast" Fan Fumi was surprised by what Ye Chen said they arrived so fast.

"Is that true?" Xing Shenyi was also surprised, she was shocked when she heard what Ye Chen had to say about this matter.

"Of course, just look ahead" Ye Chen told Xing Shenyi and Fan Fumi to look ahead.

Xing Shenyi and Fan Fumi saw what Ye Chen said, when they both looked ahead, they both found that in front of them was an island.

"That's right." Xing Shenyi was shocked, she was shocked when she saw this.

Ye Chen had an extremely fast profound ark, if Ye Chen wanted to escape he could do so very easily.

Xing Shenyi's understanding of Ye Chen became deeper and deeper, she was now starting to understand what Ye Chen was like.

Ye Chen took Xing Shenyi to Lourberd, he would make Xing Shenyi fetch the Supreme Earth Orb.

Before going down, Xing Shenyi changed her clothes, she couldn't possibly continue to use the towel to cover her body.

"We're going to the Lourberd again" Fan Fumi returned to the Lourberd, different from before, Fan Fumi was much braver.

Previously Fan Fumi looked very scared when she entered the Lourberd, but now she looked very brave when she entered the Lourberd.

Fan Fumi is not afraid anymore, she already knows that in this place there are no more ghosts.

"Why did you bring me to this place?" Xing Shenyi asked Ye Chen, she asked the reason Ye Chen brought herself to a place like this.

"I need you to do something" Ye Chen answered Xing Shenyi's question, he needed Xing Shenyi's help to get the Supreme Earth Orb.

"This is my first request" Ye Chen said to Xing Shenyi, Ye Chen told Xing Shenyi about his request.

"Okay, if that's your request" because this was a request from Ye Chen Xing Shenyi finally agreed, she agreed to help Ye Chen.

"Good, come with me" Ye Chen told Xing Shenyi to come with him.

Xing Shenyi went along with Ye Chen, the three of them entered the mine and headed to where the Supreme Earth Orb was.

Ye Chen had already mapped out a path to the inside, so it wasn't difficult to head to the Supreme Earth Orb's place.

In a very short time, Ye Chen arrived at where the Supreme Earth Orb was, they were now in front of the Supreme Earth Orb.

"Take it please" Ye Chen said to Xing Shenyi, he told Xing Shenyi to take the thing.

"Supreme Earth Orb! !!" Xing Shenyi was shocked when she saw what was in front of her, unexpectedly Ye Chen told herself to take the Supreme Earth Orb.

"Okay" Xing Shenyi nodded, she went and started to take the Supreme Earth Orb.

Xing Shenyi stretched out her hand, she very easily took the Supreme Earth Orb.

"This is it" Xing Shenyi gave Ye Chen the Supreme Earth Orb, she had already tamed the Supreme Earth Orb with his strength.

"Very good." Ye Chen was very happy, he was very happy that he had managed to obtain the Supreme Earth Orb.

"Let's go and get the Flower of Life Seven Color." Ye Chen had obtained the Supreme Earth Orb, now Ye Chen can take the Flower of Life Seven Color.

"Come on" Fan Fumi nodded, they went to the hidden village of Cursed Elf.

Xing Shenyi could only follow Ye Chen and Fan Fumi, she didn't know what Ye Chen and Fan Fumi would do .

Ye Chen took Xing Shenyi to the Cursed Elf village, he would meet Xing Shenyi with Han Rizu and the other Cursed Elves.

Ye Chen really hoped that by bringing them together, the situation would be brought under control and Xing Shenyi could make the Cursed Elf return to Elven Village.

"Hello boss welcome back" Tuo Ke welcomed Ye Chen and Fan Fumi, as the new guard in this place, Tuo Ke naturally welcomed Ye Chen's arrival.

Ye Chen nodded, he passed Tuo Ke and went inside.

Xing Shenyi wanted to know what kind of place this was, she was quite curious about the place Ye Chen was trying to visit.

"You came back very quickly" Han Rizu welcomed Ye Chen and Fan Fumi's arrival, she welcomed Ye Chen who came back to this place.

Han Rizu thought that Ye Chen needed more time, unexpectedly that Ye Chen would only need a little time to return to this place.

"Han Rizu, I have brought someone for you, why don't you talk to her" Ye Chen said to Han Rizu.

" who?" Han Rizu asked Ye Chen, she wanted to know who Ye Chen was talking about.

"Take a good look" Ye Chen told Han Rizu to see for herself who he brought with him.

Han Rizu saw who Ye Chen brought, she wanted to know who Ye Chen brought.

When Han Rizu peeked back, Han Rizu saw a beautiful woman, this woman was the most beautiful Elf that Han Rizu had ever seen.

"she ? ? ?" Han Rizu was surprised by the figure of the female Elf in front of her, Han Rizu of course knew who the woman in front of her was.

"You are absolutely right, she is the Queen of Elven Village" Ye Chen said to Han Rizu.

"huh?" Han Rizu showed surprise when she heard this, she was quite surprised when she heard what Ye Chen said,

"I'm sorry for being impolite" Han Rizu apologized, she apologized for being rude.

"it's okay" Xing Shenyi easily forgave what Han Rizu had done.

"You, are you a Cursed Elf?" Xing Shenyi asked Han Rizu.

"Of course" Han Rizu answered Xing Shenyi's question, she said that she was indeed a Cursed Elf.

"So that's right, did they bring you to this place?" Xing Shenyi asked Han Rizu.

Xing Shenyi naturally knew about this matter, as a person in power, she should have known what had happened.

"That's right" Han Rizu answered Xing Shenyi's question, she trembled slightly when she answered Xing Shenyi's question.

"I'm sorry" Xing Shenyi was sad when she heard this, she was sad when she saw what happened to Han Rizu.

"if you can't do something about this matter, you can accept them" Ye Chen said to Xing Shenyi.

Ye Chen told Xing Shenyi to change the rules and allow the Cursed Elves to live together with the other Elves.

"It's not as easy as one might think, in an important matter like this a discussion has to be carried out with the Elders, this kind of decision can't be taken by me" Xing Shenyi told Ye Chen that she couldn't change something very important without Elder's intervention.

Even though Xing Shenyi had the highest position, she still had to follow the existing system, in the Elf system, important decisions had to be made together, so in this case Xing Shenyi could not change what was already there.

#### **Chapter 1734 Nan Rou**

"damn them again, to be honest I'm sick of seeing them" Ye Chen was sick of seeing the arrogant and annoying Elf elders.

"I know what you're thinking, but that's what happened and it's very hard to change" Xing Shenyi said to Ye Chen.

"Then I will use force to do it" because it can't be negotiated with Xing Shenyi, Ye Chen will use force.

"I hope you don't overdo it." Xing Shenyi said to Ye Chen, she asked Ye Chen not to overdo it.

Xing Shenyi didn't want too many victims, she tried to minimize the number of victims.

"You are too kind to the Elder Elves." Ye Chen saw that Xing Shenyi was too kind.

"They are the pillars of Elven Village, I can't take a risk, my strength alone won't be enough if something bad happens" Xing Shenyi said to Ye Chen.

"Why are you so naive?" Ye Chen said to Xing Shenyi, he saw that Xing Shenyi was too naive.

"what do you mean?" Xing Shenyi asked Ye Chen, she wanted to know why Ye Chen could say that.

"I told you that you are too naive, you should know that they might be able to do bad things and get Elven Village in trouble, just look at their behavior, they are too selfish, they don't deserve to be in that position" Ye Chen said to Xing Shenyi.

Ye Chen didn't want Xing Shenyi to maintain something like that, if Xing Shenyi maintained something like that, Elven Village would never thrive.

Sometimes the biggest enemy of a system is within the system itself, so it's better to replace with talents that can work well, so Elven Village can become even better.

Xing Shenyi started to think, she thought about what Ye Chen said.

"what he said is not wrong" Xing Shenyi started to think the same thing, it seems that what Ye Chen said has some truth too.

"No need to think too much, you have to do it, you are a leader and must dare to take a step for a new and bright future" Ye Chen continued to persuade Xing Shenyi, he made sure that Xing Shenyi would listen to his words.

Ye Chen felt that this kind of system was unhealthy, obviously Elf elder would take advantage of Xing Shenyi, they were outnumbered with great veto power, so whenever Xing Shenyi wanted to take a step that changed everything, he would definitely be blocked.

"But with my own strength, I won't be able to do it." Xing Shenyi said to Ye Chen.

"Don't worry, I will help you." Ye Chen didn't mind helping Xing Shenyi.

"Thank you very much" Xing Shenyi thanked Ye Chen, she thanked Ye Chen for being willing to help.

Not only was Xing Shenyi touched, Han Rizu also felt grateful towards Ye Chen, Ye Chen was like a light that could take them out of their current situation.

"Okay, I'll go meet that woman" Ye Chen said that he was going to meet the Elf who had Flowers of Life Seven Colors.

"It seems that you have obtained the Supreme Earth Orb" Han Rizu asked Ye Chen, she saw that Ye Chen must have obtained the Supreme Earth Orb.

"Of course" Ye Chen had already obtained the Supreme Earth Orb, he had already obtained the Supreme Earth Orb and was ready to hand it over to the woman in the hut.

"May I come with you?" Xing Shenyi asked Ye Chen, she wanted to come with Ye Chen.

"Of course" Ye Chen didn't mind, he allowed Xing Shenyi to come with him.

Ye Chen and Xing Shenyi left, they went towards the top of the cliff where the mysterious woman lived.

Ye Chen brought Xing Shenyi up, the two of them were now in front of the small hut.

"hello. . ." Ye Chen shouted, he shouted and called the woman who was inside.

"You again, what do you need?" the woman in the hut looked displeased when she saw Ye Chen.

"I've already brought what you asked for, so quickly give what you promised" Ye Chen said to the woman in the hut.

"no way" the woman in the hut couldn't believe what Ye Chen said, there was no way Ye Chen could get Supreme Earth Orbs.

"If you don't believe, then . ." Ye Chen took out a Supreme Earth Orb, he showed it to the woman in the hut.

" It . . ." The woman in the hut looked surprised when she saw what was in Ye Chen's hand, what was in Ye Chen's hand was quite shocking.

"How is it possible" the woman in the hut still couldn't believe it, she couldn't believe Ye Chen was able to get the Supreme Earth Orb.

"Quickly give me the Flower of Life Seven Color" Ye Chen said to the woman in the hut.

The woman in the hut was silent, she was silent and did not answer Ye Chen's words.

"Click. . . ." A moment later, the woman in the hut came out, a woman with silver hair and long ears appeared in front of Ye Chen and Xing Shenyi.

" She . . ." Xing Shenyi covered her mouth, she saw that the woman in front of her had a disfigured face, there were countless wounds on her face and body.

Even this woman's hands were tied with handcuffs that were difficult to untie.

This female elf was actually beautiful, it was just that the wounds on her body and face had made her look scary.

"It's not strange that" Han Rizu said that this woman was like a magician, her appearance did look scary to most people.

"That's great, you managed to get the Supreme Earth Orb" The female elf said to Ye Chen.

"I already got it, so why don't you give me the Flower of Life Seven Color." Ye Chen asked the Flower of Life Seven Color to the woman in front of him.

"At first I thought you wouldn't be able to get it, but you can get it, it's amazing." The mysterious elf said to Ye Chen.

The name of the Elf woman with Silver hair is Nan Rou, she is an Elf who is more special than the other Elves, the case is very different, she has special Silver colored hair.

"That's because you underestimate someone like me too much" Ye Chen said to Nan Rou.

"That seems to be true." Nan Rou said to Ye Chen, she did underestimate Ye Chen a little.

"Quickly give me the Supreme Earth Orb." Nan Rou told Ye Chen to give her the Supreme Earth Orb.

"You can't, you haven't shown me the Flower of Life Seven Color." Ye Chen said to Nan Rou.

"I will give it after you give it to me" Nan Rou said to Ye Chen.

" no . . ." Ye Chen said to Nan Rou, he wanted to do what Nan Rou said.

"I see." Nan Rou smiled at Ye Chen, she looked dissatisfied with Ye Chen's answer.

"Ye Chen, this woman, I remember her." Xing Shenyi finally remembered who this woman in front of her was.

"You know her?" Ye Chen asked Xing Shenyi.

"Yes, I know her, she is Nan Rou, long ago she messed up in Elven Village and made a very big mess" Xing Shenyi said to Ye Chen.

"Really" Ye Chen just found out about this matter, it seems that this woman in front of him is very dangerous.

"Oh so you are the daughter of that annoying woman, I didn't expect that you would come to a place like this" Nan Rou looked at Xing Shenyi, Xing Shenyi reminded Nan Rou of the most annoying woman she had ever met.

### **Chapter 1735 Catch Nan Rou**

"what are you trying to do, I won't let you use it" Xing Shenyi said to Nan Rou, she wouldn't let Nan Rou use Ye Chen.

"hahaha, it seems it's too late, I already used it and he already brought the Supreme Earth Orb to me" Nan Rou said to Xing Shenyi, Xing Shenyi is too late because she already controlled Ye Chen and made Ye Chen bring the Supreme Earth Orb.

"So from the start you didn't want to give Flower of Life Seven Color to me" Ye Chen said to Nan Rou.

Ye Chen saw that Nan Rou was unwilling to hand over the Seven Color Flower of Life.

"I really don't want to leave it to you, from the start I gave you a difficult task because I didn't want you to get the Flower of Life Seven Color" Nan Rou said to Ye Chen.

"But you have a very good determination, you have a very good determination in obtaining the Seven Color Flower of Life" Nan Rou said to Ye Chen.

"If I had known this, I might have just stolen the Flower of Life Seven Color from you" Ye Chen said to Nan Rou.

"You may be strong, but stealing the Flower of Life Seven Color from me is a difficult thing to do" Nan Rou said to Ye Chen, she told Ye Chen that stealing the Flower of Life Seven Color would be a difficult thing to do.

"Who said I can't take Flower of Life Seven Color, I will definitely do it" Ye Chen will take Flower of Life Seven Color, he will not let Nan Rou cheat.

Ye Chen made a Clone, he told the Clone to find the Flower of Life Seven Color and take it.

"I won't let you" Nan Rou won't let Ye Chen, she won't let Ye Chen get the Flower of Life Seven Color.

"what are you doing, your opponent is me" Ye Chen blocked Nan Rou, he would not let Nan Rou destroy the Clone he had created.

"damn" Nan Rou sniffed coldly, she was quite annoyed when she saw Ye Chen stop herself.

Ye Chen was quite strong, he was able to match the strength of Nan Rou.

"Nan Rou, you better not put up a fight" Xing Shenyi said to Nan Rou, she told Nan Rou not to put up a fight.

There was Xing Shenyi here who was going to help Ye Chen, so Nan Rou's position was not very good.

"I don't care if you guys work together, it won't make any difference to me" Nan Rou said to Ye Chen and Xing Shenyi.

For Nan Rou there was no difference in fighting Ye Chen and Xing Shenyi at the same time.

"You are confident enough, let's see how confident you are." Ye Chen saw that Nan Rou was very confident, this woman was very confident in her abilities.

Nan Rou lifted the rock and earth that was under her feet, the rock and earth immediately rose up and formed a very high cliff.

"I give you one last chance, quickly hand over the Supreme Earth Orb to me" Nan Rou said to Ye Chen, she told Ye Chen to give her the Supreme Earth Orb.

"I won't give it to you, if you can afford it why don't you take it from me" Ye Chen said.

Ye Chen didn't want to give the Supreme Earth Orb, Ye Chen had been tricked by Nan Rou, how could he give the Supreme Earth Orb to Nan Rou.

"Then don't blame me." Nan Rou stomped her foot, suddenly rocks and dirt started flying towards Ye Chen.

"Sky Wind Law" Ye Chen used Sky Wind Law to ward off incoming attacks, he used Sky Wind Law to block out the rocks.

Using Sky Wind Law, Ye Chen managed to ward off and flip the stone towards Nan Rou.

"How annoying" Nan Rou didn't accept, she made a big Golem from the ground and attacked Ye Chen with the big Golem.

"Nine Shadow Step" Ye Chen used the Nine Shadow Step, he outwit Nan Rou's move.

"I will help you" Xing Shenyi helped Ye Chen, he started to make a dragon using the ground beneath him.

The dragon immediately wrapped around the golem and sealed the movement of the golem.

The tone made by Xing Shenyi was greater than the Golem, it was able to render the Golem unable to move.

"Ok, it's time." Ye Chen took the opportunity Xing Shenyi had given him.

"You are interfering" Nan Rou was annoyed when she saw Xing Shenyi meddling, she didn't like it when she saw Xing Shenyi helping Ye Chen.

"diamond body shield" Nan Rou's body began to be covered in diamonds, she covered her body with extremely hard diamonds.

"Accept this, Breaking Meteor Blow" Ye Chen attacked Nan Rou with an extremely powerful punch.

"Blam. . ." Ye Chen's punch landed on Nan Rou's body which was covered in diamonds.

"Crack. . ." The diamond on Nan Rou's body cracked slightly, Ye Chen's strong punch made the diamond that coated Nan Rou's body crack.

"Accept this" Nan Rou attacked Ye Chen, she countered Ye Chen's attack with a very hard punch.

Nan Rou's fierce punch was blocked by Ye Chen with one arm.

Ye Chen took several tens of steps back, he took several tens of steps back after receiving Nan Rou's extremely powerful attack.

"Earth cultivator's physical strength is indeed great." Ye Chen acknowledged Nan Rou's physical strength, even though she was a woman, she was able to make Ye Chen retreat tens of steps with the use of a strengthened fist.

"Are you okay?" Xing Shenyi asked Ye Chen, Xing Shenyi looked worried about Ye Chen's condition.

"I'm fine." Ye Chen was fine, he was fine and there was nothing to worry about.

"She's strong too" Ye Chen had to admit that Nan Rou had abilities, this woman had quite a bit of strength.

"It's not much, you should know that she has much greater strength, she can't use his full power right now because of the chain in her hands." Xing Shenyi said to Ye Chen, she told Ye Chen that Nan Rou couldn't use her full strength, because it was constrained by the chain in her hand.

"So she still hasn't fought as hard as she can." Ye Chen finally realized that his opponent had not fought as hard as she could.

Ye Chen thought that it would be fun if he fought Nan Rou with all his might, it would definitely be an amazing thing to do.

"We have to defeat her before he can get free, she definitely wants to use the Supreme Earth Orb to get free" Xing Shenyi said to Ye Chen.

"Then I will end this quickly" Ye Chen would end it all, he would end this battle as soon as he could.

" ? ? ? ?" Xing Shenyi was curious, she was quite curious about what Ye Chen would do, what Ye Chen was trying to do to beat Nan Rou.

Ye Chen stepped forward, he again attacked Nan Rou and destroyed Nan Rou's defense.

Ye Chen used his full power attack on Nan Rou, he shattered the diamond armor that enveloped Nan Rou's body.

"Ahhh. . . ." With Ye Chen's consecutive blows, the armor that Nan Rou was wearing was shattered.

Ye Chen held Nan Rou's hand, he held it and didn't let Nan Rou escape.

"Damn it, let me go" Nan Rou was angry, she was angry at Ye Chen who was holding her hand.

"Hahahahahaha" Ye Chen laughed at Nan Rou.

### **Chapter 1736 Xing Shenyi jealous?**

"Looks like your resistance ends here," Ye Chen said to Nan Rou.

"What are you saying" Nan Rou said to Ye Chen, she didn't understand what Ye Chen said, Nan Rou was still capable of fighting, she could still fight Ye Chen with her strength.

"Hehehehe" Ye Chen smiled, he smiled towards Nan Rou who was in front of him.

Currently Ye Chen was using the Passion Goddess technique on Nan Rou, he was using it to weaken Nan Rou.

"Erm" Nan Rou's body immediately went limp, she fell to the ground helplessly.

"What did you do to me?" Nan Rou asked Ye Chen, she felt her body becoming very strange.

"what, I didn't do anything" Ye Chen said to Nan Rou, Ye Chen didn't do anything to Nan Rou.

"You must be lying." Nan Rou was absolutely certain that this was Ye Chen's doing, Ye Chen must have made her like this.

Nan Rou felt that her strength was disappearing, she was like an ordinary woman who was weak and helpless.

Under these conditions, Nan Rou wouldn't be able to fight someone.

"You are still brave enough, don't you know your current position?" Ye Chen said to Nan Rou.

Nan Rou's position was not fine, she was now in serious trouble for lack of strength.

Nan Rou gritted her teeth, she was angry and resentful towards Ye Chen.

"what have you done?" Xing Shenyi was quite curious about what Ye Chen was doing.

Ye Chen looks like he didn't do anything to Nan Rou, but why did Nan Rou fall to the ground and couldn't do anything else.

It was like Nan Rou's strength was being sucked in by Ye Chen.

"I only made her weak" Ye Chen said to Nan Rou, Ye Chen told that he had made Nan Rou weak.

"You are terrible, what kind of technique did you use on her?" Xing Shenyi felt that Ye Chen had such a terrible technique, he could weaken someone like Nan Rou with just one touch.

"Hahahaha, you don't need to know" Ye Chen said to Xing Shenyi.

Ye Chen didn't tell Xing Shenyi about the ability he had, Ye Chen deliberately hid this ability.

Xing Shenyi was disappointed, she was disappointed because she didn't know Ye Chen's abilities, even though Xing Shenyi was quite curious about Ye Chen's abilities.

"Now you can't do anything" Ye Chen said to Nan Rou.

"How dare you do this to me, quickly let me go" Nan Rou roared at Ye Chen, she was very unfriendly towards Ye Chen.

"I won't let you go." Ye Chen said that he wouldn't let Nan Rou go.

Nan Rou gritted her teeth, she was angry with Ye Chen.

"I will wait for the Clone I sent." Ye Chen waited for the results of the Clone he sent.

Ye Chen hoped that the Flower of Life Seven Color could be found.

A few moments later, Ye Chen's clone arrived, the clone was carrying flowers of seven colors.

"Finally" Ye Chen finally got the Flower of Life Seven Color, after a long wait, Ye Chen managed to get the Flower of Life Seven Color.

"Ye Chen why are you looking for Flower of Life Seven Color?" Xing Shenyi asked Ye Chen, she wanted to know what Ye Chen would do with Flower of Life Seven Color.

"I need this to cure my poisoned woman" Ye Chen told what he was going to do with the Flower of Life Seven Color.

"your woman?" Xing Shenyi looked displeased when she listened to what Ye Chen had just said, it was obvious that Xing Shenyi was not happy with what Ye Chen said.

" what is it?" Ye Chen saw Xing Shenyi's mood swing, it seemed that Xing Shenyi was angry when he heard of this matter.

"Nothing" Ye Chen said to Xing Shenyi, she said that nothing happened.

"You are obviously lying, are you jealous of them?" Ye Chen said to Xing Shenyi.

"Who's jealous, I can't be like that" Xing Shenyi dodged, she dodged Ye Chen's question.

"You are not good at hiding things" Ye Chen said to Xing Shenyi.

Ye Chen saw that Xing Shenyi was not good at hiding things, Xing Shenyi was very easy to guess.

Xing Shenyi turned her face away, she looked to the side and tried to dodge Ye Chen.

Seeing this, Ye Chen hugged Xing Shenyi.

" what are you doing?" Xing Shenyi asked Ye Chen, he asked about what Ye Chen did.

"What do you think I did?" Ye Chen asked Xing Shenyi.

"Quickly let me go. . ." Xing Shenyi said to Ye Chen, he told Ye Chen to let go of himself.

"Why are you like this, didn't you try to get close to me before?" Ye Chen said to Xing Shenyi.

Ye Chen mentioned what happened inside the bathhouse, it was obvious that Xing Shenyi had already given herself up to Ye Chen.

"I didn't mean to do that, you are too aggressive" Xing Shenyi said to Ye Chen, Xing Shenyi was still calm, she could still answer Ye Chen correctly.

"Really?" Ye Chen didn't believe what Xing Shenyi said, Ye Chen started to touch Xing Shenyi's double peak with his finger.

"Emmmm" Xing Shenyi let out a groan when she was touched by Ye Chen, Xing Shenyi felt a very good feeling when being touched by Ye Chen.

"Please stop, there are other people around" Xing Shenyi told Ye Chen to stop, there is Nan Rou around this place.

"It's okay, let her see" Ye Chen said to Xing Shenyi.

Ye Chen didn't care much for Nan Rou, now Nan Rou was helpless and couldn't do anything bad to Ye Chen and Xing Shenyi.

"Still, it's embarrassing." Xing Shenyi was still embarrassed, she felt embarrassed when she showed such shamelessness in front of others.

Xing Shenyi was still a Queen, so she naturally still maintained her dignity in front of others.

"I will stop when you want to say that you like me" Ye Chen whispered in Xing Shenyi's ear, Ye Chen told Xing Shenyi to say embarrassing words.

Xing Shenyi was quite embarrassed, Ye Chen made herself say slightly embarrassing words.

"If you don't want to, then I will. . ." Ye Chen started to show his skills, he showed his skills to Xing Shenyi.

An unbearable feeling began to be felt by Xing Shenyi, Xing Shenyi couldn't stand the feeling that Ye Chen gave.

" Okay. . ., okay . . ., I like you, are you satisfied now?" Xing Shenyi said to Ye Chen.

"I'm still a little dissatisfied, you should be more callous when you say it" Ye Chen was still dissatisfied, Xing Shenyi was still feeling heartless when she said that.

"You are really naughty" Xing Shenyi felt that Ye Chen was so annoying, Ye Chen really kept on making Xing Shenyi feel embarrassed.

"I am indeed naughty, I hope you get used to this problem soon" Ye Chen said to Xing Shenyi, he told Xing Shenyi to get used to this kind of problem.

"dear, I like you, can you let me go now" Xing Shenyi said in a voice filled with love, she ended up using very gentle words when talking to Ye Chen.

### **Chapter 1737 I'm not their doll**

"Hahaha" Ye Chen looked very happy, he was very happy when he saw and heard what Xing Shenyi had to say.

There was a feeling of satisfaction in Ye Chen's heart when he listened to what Xing Shenyi had to say.

"That's embarrassing, let me go quickly" Xing Shenyi said to Ye Chen.

Xing Shenyi was so embarrassed, she was forced by Ye Chen to do something embarrassing.

"No, I want to stay like this a little longer" Ye Chen said to Xing Shenyi.

Ye Chen refused to let Xing Shenyi go, Ye Chen still wanted to be with Xing Shenyi a little longer.

"You lied to me" Xing Shenyi said to Ye Chen, Xing Shenyi felt cheated by Ye Chen.

"Who lied to you, I already told you that I will let you go when I am satisfied".

"Now I'm not satisfied, so I won't let you go" Ye Chen said to Xing Shenyi.

Ye Chen did promise to release Xing Shenyi, he would let her go when he was satisfied.

Xing Shenyi was helpless, how could she be fooled by this naughty boy, it was clear that Ye Chen was very clever and not easy to deal with.

Even someone like Xing Shenyi could be tricked easily by Ye Chen.

"You two make me sick" Nan Rou was sick of seeing what Ye Chen and Xing Shenyi were doing, she was not happy when she saw Xing Shenyi and Ye Chen making out in front of her.

"You must be jealous of us right" Ye Chen said to Nan Rou.

Ye Chen was absolutely certain that Nan Rou was envious of what she was doing together with Xing Shenyi.

"Who is jealous of you two?" Nan Rou refuted what Ye Chen said, there was no way she would be jealous of what Ye Chen and Xing Shenyi were doing.

"The more you refute it, the more convinced I am" Ye Chen said to Nan Rou.

"Bastard. . ." Nan Rou was so pissed off, Ye Chen made her so angry that her blood rose to the top.

Ye Chen's goal was to anger Nan Rou, Ye Chen would not be satisfied before making Nan Rou angry.

Nan Rou vomited blood while facing Ye Chen, she couldn't help herself when faced with Ye Chen.

"Ye Chen, you've gone too far, we should stop this right now." Xing Shenyi said to Ye Chen, he told Ye Chen to stop right now.

Xing Shenyi felt sorry for what happened to Nan Rou, she felt very sorry for what happened to Nan Rou.

"I don't need your pity," said Nan Rou to Xing Shenyi.

Nan Rou didn't need Xing Shenyi's pity, she didn't need Xing Shenyi's pity.

"You saw it yourself didn't she, she said it" Ye Chen said to Xing Shenyi, he told Xing Shenyi that Nan Rou was not to be pitied.

"Still I can't let you do that" Xing Shenyi said to Ye Chen, he wouldn't let Ye Chen do anything worse.

Xing Shenyi knew Ye Chen's plan, she knew very well what Ye Chen was doing.

"Too bad, even though I'm in a good mood" Ye Chen was quite disappointed, even though he was in a good mood.

Xing Shenyi pushed Ye Chen, she pushed Ye Chen away from her.

Xing Shenyi then turned her gaze to Nan Rou, she wanted to know more about Nan Rou.

"I wonder why you attacked Elven Village in the past" Xing Shenyi asked Nan Rou.

"That is none of your business" Nan Rou said to Xing Shenyi, she told Xing Shenyi that this matter was none of her business.

"I hope you can cooperate well, otherwise I will." Ye Chen said to Nan Rou, he was not happy when he saw Nan Rou was unwilling to cooperate with Xing Shenyi.

"Well if you really want to know, I'll tell you the reason why I attacked Elven Village." Nan Rou finally told the reason why she attacked Elven Village.

"I attacked Elven Village because I wasn't happy with the elders who were in this place, in the past they had separated me from my parents and made me like this" Nan Rou said to Xing Shenyi.

Nan Rou told the reason why she attacked Elven Village, she attacked Elven Village to take revenge for the injustice that happened.

Ye Chen observed Nan Rou, he saw whether Nan Rou was lying or not.

As Ye Chen observed Nan Rou, Ye Chen saw that this woman was not lying, she seemed to be telling the truth.

"I see." Xing Shenyi understood the reason Nan Rou did this, it seemed that this was a personal grudge that Nan Rou had against the Elder in the past.

"Everything has changed, the elders of the past are gone and the elders that are now are new" Xing Shenyi said to Nan Rou.

"That won't change anything, after all you and the Elder are descendants of the previous rulers, so you two are the same" Nan Rou said to Xing Shenyi.

Xing Shenyi and all the Elders were still descendants of the Elders of the past, so they still had attachments to the past.

"I know that, but believe me I'm not like that" Xing Shenyi said to Nan Rou.

Xing Shenyi wasn't like that, she tried her best to allow all the Elves to coexist with one another.

"You won't be able to do that, you don't have the strength to do that" Nan Rou said to Xing Shenyi, she wouldn't be able to do that.

Nan Rou seemed to already know what kind of system Elven Village had, Xing Shenyi wouldn't be able to do that.

"Why did you say I can't do that?" Xing Shenyi asked Nan Rou.

"If you do that, I can assure you that Elder will immediately get rid of you" Nan Rou said to Xing Shenyi.

Ye Chen and Xing Shenyi were shocked when they listened to what Nan Rou had to say.

"You seem like a puppet controlled by them." Ye Chen looked at Xing Shenyi, from Nan Rou's words, it could be described that Xing Shenyi was like a puppet controlled by elders.

"I'm not their puppet." Xing Shenyi wasn't like that, she didn't feel like a puppet.

"Still you are easy to control" Nan Rou said to Xing Shenyi, she told Xing Shenyi that was the truth.

Even Xing Shenyi's mother is like that, both of them have the same thing.

"Shenyi, you have to be even more ambitious, if you don't want to be their toy, then you have to show strength and fight them" Ye Chen said to Xing Shenyi.

Xing Shenyi was silent for a while, it seemed that Xing Shenyi was thinking about the words that Ye Chen and Nan Rou had given.

"It's up to you guys, I'll go." Nan Rou said to Ye Chen and Xing Shenyi as well, she didn't care about what happened anymore.

Nan Rou had already lost her Flower of Life Seven Color, there was no longer any reason for Nan Rou to battle Ye Chen.

"Shenyi, what are you going to do, you will fight everything and change everything or stay like this" Ye Chen said to Xing Shenyi, he persuaded and convinced Xing Shenyi.

Xing Shenyi lacked ambition, she was different from the female lead that Ye Chen had met, if only Xing Shenyi was more ambitious, then surely she could become a great female goddess.

### **Chapter 1738 Elf elder meeting**

"Then from now on I will do what I want." Xing Shenyi said that she would do what she wanted, Xing Shenyi didn't want to be tied down like this anymore, he didn't feel free to do what he wanted.

Xing Shenyi's goal was to make all the Elves live in peace and prosperity, as long as there was an Elder blocking the way, then Xing Shenyi's dream would not come true.

"That is a very good thing, do you need help?" Ye Chen asked Xing Shenyi.

Ye Chen would help Xing Shenyi, he would help Xing Shenyi in solving any problems that occurred.

"I accept your help" Xing Shenyi received help from Ye Chen, she received help from Ye Chen.

"Okay, then let's start our plan." Ye Chen said to Xing Shenyi, he wanted to make a plan with Xing Shenyi.

Xing Shenyi nodded, he and Ye Chen began to prepare a very big plan.

"What are those two planning?" Nan Rou was curious about what Ye Chen and Xing Shenyi were planning, she was quite curious about what Ye Chen and Xing Shenyi were planning.

Nan Rou couldn't get close, she had already said that she would not interfere in this matter.

Nan Rou could only watch Ye Chen and Xing Shenyi from afar, she was observing everything Ye Chen and Xing Shenyi were doing.

After deciding on a plan, the two of them descended, the two of them went to meet Fan Fumi and Han Rizu.

"Ye Chen, How is the result ?" Fan Fumi asked Ye Chen, she asked Ye Chen about the result.

"I managed to get the Flower of Life Seven Color" Ye Chen said to Fan Fumi, he told that he managed to get the Flower of Life Seven Color.

"Congratulations" Fan Fumi congratulated Ye Chen, after a long time, Ye Chen managed to fulfill his wish to get the Flower of Life Seven Color.

Ye Chen smiled at Fan Fumi, he greeted Fan Fumi's words with a quite warm smile.

"Congratulations on getting the Flower of Life Seven Color" Han Rizu congratulated at Ye Chen.

"Thank you again, it's all thanks to you, if not for your help, then I might still have trouble finding the Flower of Life Seven Color" Ye Chen said to Han Rizu.

" Not. . . , I didn't mean to." Han Rizu said to Ye Chen.

Han Rizu looked embarrassed when she received a compliment from Ye Chen, she looked embarrassed when she received a compliment from Ye Chen.

"Ahem. . ." Xing Shenyi coughed lightly, she coughed lightly so that Ye Chen would no longer tease Han Rizu.

"What's wrong, are you sick?" Ye Chen asked Xing Shenyi, he asked why Xing Shenyi was coughing.

"nothing" Xing Shenyi said to Ye Chen, Xing Shenyi didn't say anything, she didn't tell Ye Chen the truth.

"Let's talk to them about our plan" Xing Shenyi reminded Ye Chen to talk about their plan to Han Rizu.

"Yes, you are absolutely right." Ye Chen remembered, they needed help from Cursed Elf to deal with the problem.

Ye Chen discussed the plans they had, they told Han Rizu about the plans they had.

"You want to overthrow the Elder Elf?" Han Rizu was quite surprised when she heard this, she didn't expect that Ye Chen would do such a thing.

"Of course, we need your help to do this" Ye Chen said to Han Rizu.

" But . . . , we are few in number, we won't be able to win against them" Han Rizu wasn't sure, the Cursed Elves were just so few they couldn't possibly win against the Elven Village's hundreds or even thousands of times.

"Never give up, we will use our brains to play, we don't need to use our full strength to fight them" Ye Chen said to Han Rizu, he told Han Rizu that they don't need too much strength.

"Okay, if that's what you want, then" Han Rizu will come along, she will tell the other Cursed Elves.

"I hope you guys can work together." Xing Shenyi hoped that Han Rizu and the other Elves could work together.

"I will try" Han Rizu will try, she will try to help Xing Shenyi.

All this for the sake of their future, they want to reunite with their families.

.

.

Currently in Elven Village.

The six elders gathered they were discussing what they would do with Xing Shenyi.

They had all recovered from Ye Chen's attack, now they were in quite a prime condition.

"Things are starting to fall apart, it seems Queen is with the human boy, I'm afraid that human boy will poison Queen with his mind" Elder Elf was starting to worry if Xing Shenyi was poisoned by Ye Chen.

If that were to happen, then they would get into a pretty big problem.

"If that's the case, then we're all in trouble." Another elder thought to deal with this matter.

"Do we need to get rid of Xing Shenyi?" Another elder had thoughts of getting rid of Xing Shenyi.

"it seems difficult to do, some people will not agree with what we are doing" what happened is quite risky, they can't do something like that.

"We can do it, we will create a rumor that says that Xing Shenyi has been brainwashed by humans." The elders in this place had a very good idea, they would use the rumors to make Xing Shenyi step down from her throne and replace her with someone else.

"That's a pretty good idea, but if we can do that, Gao Win won't let us do that" This idea was a good one, the problem was Gao Win didn't agree with Gao Win.

"That man, he is too infatuated with Xing Shenyi, we can leave Xing Shenyi to him, then we can use him" Elders had a smart thought, they could use Xing Shenyi to bribe Gao Win.

That way they would no longer have to worry about Gao Win.

As long as Xing Shenyi was given to Gao Win, then things should be fine.

"let's try" they want to try it, they will try to do it.

" One more thing . . . , I've found the residence of the Elf named Fan Fumi, I've sent the best troops to there and took all the Elves there as captives." The Elder Elf had already found the whereabouts of where Fan Fumi came from.

They had even sent their troops to capture all the Elves in the Happiness forest Village.

"That's great, we'll see if that person will come back or not" With this Ye Chen and Fan Fumi will definitely come back, they will definitely come back.

The people from Happiness forest Village were close relatives of Fan Fumi, Fan Fumi would definitely come back to help them, taking hostages was a very good choice.

"They will definitely return soon, I can't believe they won't be back." All the elders believed that if Ye Chen and the others would return, they would definitely return soon.

Everything was very well planned, everything was arranged very well.

They could definitely win this and make Ye Chen regret challenging them.

All the Elders hated Ye Chen so much, they all hated Ye Chen who had defied the domination they had.

This kind of thing could not be tolerated by those who currently ruled Elven Village.

### **Chapter 1739 Happiness Forest Village under attack**

In Happiness forest Village, Fan Yima along with the other Elves were doing their daily routines, they were gardening and hunting around the forest for their daily needs.

Fan Yima was in his room, Fan Yima was currently receiving reports about what had happened in Happiness Forest Village.

Happiness forest village has become very advanced, now they are starting to build a very strong defense just in case, plus their income has also increased because they have succeeded in developing their abilities.

"good job" Fan Yima was pleased with the work that everyone was doing, they all did very well.

All the Elves have done an excellent job, they have all worked hard to make this village more developed.

"Boom" the peaceful atmosphere suddenly disappeared, a huge explosion occurred.

Outside there was a very big explosion, this explosion made a very big shock.

"What happened?" Fan Yima immediately got up from her chair, she asked what was going on out there.

"Village Chief, there is an attack." An Elf came and told Fan Yima that there was an attack outside.

"What kind of monster is attacking us?" Fan Yima asked about the monsters that attacked them.

"We were attacked by Elf wearing full armor, they all look very strong" Elf reported what happened to Fan Yima, she told Fan Yima about what was happening out there.

"How is this possible?" Fan Yima couldn't believe this news, how could they be attacked by fellow Elves, this had never happened before.

"Village head, I'm not lying, if you don't believe it then you can see for yourself" Elf said to Fan Yima, she told Fan Yima to see for herself.

"I will go and see for myself, come with me" Fan Yima left, he will see what is happening out there.

When Fan Yima got outside, Fan Yima found that outside there were a lot of Elves riding a bird, they destroyed the Array made by Ye Chen.

"This is true" Fan Yima was quite surprised when she saw this, he didn't expect that this place would be attacked by fellow Elves.

"They're from Elven Village, why did they attack this place?" Fan Yima realized the origin of the Elves in this place, the Elves in this place came from Elven Village which is the center of the Elves.

Those who came were 3rd class Elves who were knights there were also 2nd class Elves who came to this place to help.

"Why did they attack us?" Fan Yima didn't know the reason why this village was attacked by Elven Village, even though they didn't do anything.

"Head, the barrier is starting to crumble." The Elf reported that the barrier and array created by Ye Chen was starting to crumble.

If it continued like this, then the village could suffer bad luck from this attack.

"Tell everyone that we will start fighting" Fan Yima gave an order, they will fight against the Elf who attacked the village.

They couldn't stand still while their village was being destroyed, so they had to put up a fight against the enemy.

"Everyone get ready" With the order given by Fan Yima, all the elves started to get into their positions, they shot arrows at the elves that were in the air.

With the skills they have been honing every day, the Elves here are getting more and more proficient in archery, every arrow never misses the target.

"How is that possible, their attacks never miss." All the Elves who made the attack were shocked, they were all shocked when they saw the abilities displayed by the Elves in Happiness forest Village.

It wouldn't be strange if they were surprised, the Elves here had above average shooting abilities.

Elven troops from Elven Village find it difficult, they find it difficult to break down the defenses of Happiness forest Village.

"we won't be able to break through, we have to use even more power" if it continues like this, they will lose to the elves in Happiness forest Village.

The Elven Army from Elven Village immediately formed a formation, they made a Formation that was similar to a bow.

All the Elves focused the strength they had, they combined their power at one point.

An enormous force gathered and was ready to shoot towards Happiness Forest Village.

"This is bad" Fan Yima felt a danger, he felt a danger from an attack.

"I have to protect everyone" Fan Yima had already decided, she would protect everyone by using her power.

Fan Yima's cultivation could be said to be extremely high, after cultivating with Ye Chen, she had quite a bit of strength.

Fan Yima took her Staff, she knocked her Staff to the ground.

As Fan Yima did this, the ground beneath Fan Yima began to rise and create a bunker.

"Everyone lower their heads, there will be a big explosion." Fan Yima told everyone that there was going to be a big explosion.

All the Elves that were around lowered their heads, they all covered their ears and prepared for the impact.

"I hope it's strong enough" Fan Yima really hoped that the Bunker she made was able to withstand the powerful attacks of the Elf Knights.

"shoot . . ." The Elf Knights had finished gathering strength, they fired a mighty force towards Happiness forest Village.

"Boom. . ." a loud explosion occurred as the attack collided with the Array and the barrier within Happiness forest Village.

The arrays and barriers in Happiness forest Village were so strong, Elf knights had a hard time breaking them down.

"This barrier is very strong, we need to add more strength" Seeing that they were unable to break the barrier, the Elf Knights decided to increase their strength.

The high-class elves joined the battle, they began to combine forces to make a very powerful attack.

"Crack. . ." The barrier created by Ye Chen cracked, the barrier cracked and shattered due to the combined power of the numerous elves.

After the barrier was shattered, the attack finally aimed at the Bunker that Fan Yima had created.

"Boom." An enormous force hit the bunker that Fan Yima had made.

"Arghh" the bunker that Fan Yima made vibrated very strongly, the Elf in the bunker trembled when they heard a loud noise.

"Are we safe?" After a while, they all finally regained their hearing, all the Elves could see around this place.

The bunkers made by Fan Yima were cracked in several places, even so, they were still able to protect them from attacks.

If Fan Yima didn't provide protection for everyone, it was certain that they would all suffer a huge loss.

"I didn't expect that a low-class Elf would be able to withstand such a powerful combined attack." The high-class Elf and the Elf Knight couldn't believe it when they saw Fan Yima being able to withstand the attacks they launched.

"Our attack failed, carry out the plan" Seeing their attack failed to destroy Fan Yima and the Elf of Happiness Forest Village.

The high-class elves decided to use the second plan, they used a gas bomb to make Fan Yima and All the Elves of Happiness forest Village became weak and helpless.

"Several handmade smoke bombs were thrown into the bunker, because the bunker Fan Yima made was cracked, smoke of course could get inside.

"What is this?" Fan Yima and all the Elves covered their noses, they did their best not to inhale the air around them.

### **Chapter 1740 looking for evidence**

Elf instincts are very sharp, of course they know which things are dangerous and which things are not.

They know that the smoke that comes in is dangerous for them and they shouldn't breathe it.

" cough. . ." some of the Elves coughed, they all coughed and started to lose consciousness.

"I have a headache" Fan Yima also felt the same way, they all felt the same way when they inhaled the smoke.

All the Elves were unconscious, they were all passed out and unconscious.

After Fan Yima fainted the Bunker's power became very weak, the high-class Elves could enter and immediately bind all the Elves.

In a short time, all the elves in the bunker were tied up.

"Let's take them and leave it to the Elder." The Elf Knights had finished their task, they had completed the task they had.

Fan Yima and Elf from Happiness forest Village were brought to the center of Elven Village, their fate would soon be decided by the Elders, whether the Elders would torture them or just lock them up, everything was decided by the Elders.

.

.

Back to Ye Chen.

"This" Ye Chen sensed that the Array he had installed in Happiness Forest Village had been destroyed, the Array Ye Chen had installed in Happiness Forest Village had been destroyed by someone.

" what is it?" Fan Fumi asked Ye Chen, why did Ye Chen look so worried.

"Fumi, it seems that something happened to Happiness forest Village." Ye Chen said to Fan Fumi, he had a bad feeling about Happiness forest Village.

" what happened?" Fan Fumi asked Ye Chen, she asked Ye Chen about what happened.

" I don't know. . . , looks like someone is destroying Happiness Forest Village" Ye Chen said to Fan Fumi.

"Let's go back and have a look" Fan Fumi Said to Ye Chen. they should go back and take a look.

"come on . . ." Ye Chen nodded, he took Fan Fumi to the Happiness Forest Village.

" where are you going?" Xing Shenyi asked Ye Chen.

"We are going to Happiness Forest Village, looks like that place is under attack" Ye Chen told what the two of them were going to do.

" what ! ! !, is this what they did?" Xing Shenyi was also surprised by what Ye Chen had just said, it seemed that it was Elder's doing.

"We'll go back and see what happens." Ye Chen and Fan Fumi would go back and see what was happening in Happiness Forest Village.

"Let me come along." Xing Shenyi came along, she would help Ye Chen and Fan Fumi.

"Go ahead" Ye Chen allowed Xing Shenyi to come along with them.

Ye Chen, Fan Fumi and Xing Shenyi headed towards Happiness forest Village, the three of them using full speed to head towards Happiness forest Village.

Ye Chen, Fan Fumi and Xing Shenyi did not take long, the three arrived at Happiness forest Village.

When Ye Chen, Fan Fumi and Xing Shenyi arrived, they saw the chaos ensuing, Happiness forest Village was destroyed by an attack.

"Where is everyone?" Fan Fumi asked Ye Chen, she was worried about everyone's safety.

"I didn't see anyone" Ye Chen said to Fan Fumi, he didn't see anyone around this place.

"Ye Chen, could it be?" Fan Fumi looked sad, she looked sad when she heard what Ye Chen said.

"Fumi, don't be too quick to conclude" Ye Chen said to Fan Fumi, he told Fan Fumi not to be too quick to conclude something.

Ye Chen used his connection with Fan Yima, he searched for Fan Yima's whereabouts.

Ye Chen closed his eyes, he felt the presence of Fan Yima who was in the distance.

"Fan Yima is still alive" Ye Chen felt the presence of Fan Yima, that means Fan Yima is still alive.

"Looks like they're still alive." Ye Chen told Fan Fumi that the people from Happiness Forest Village were still alive.

"Thank God" Fan Fumi was relieved when she heard this, this news was enough to make Fan Fumi feel relieved.

"We should go and free them." Xing Shenyi said to Ye Chen and Fan Fumi.

Xing Shenyi couldn't stay still, he had to finish the Elf Elder who was getting worse and worse.

"Before that, let's look for evidence at the sixth elder's place, then we can get rid of them" Ye Chen said to Xing Shenyi, he invited Xing Shenyi to go and look for information at the elder's place.

"I agree with you" Xing Shenyi said to Ye Chen, Xing Shenyi totally agreed with what Ye Chen said.

Ye Chen and Xing Shenyi went to infiltrate the Elder Elf's house, meanwhile Fan Fumi was in charge of watching from a distance.

"They have a very large residence." Ye Chen didn't expect that an Elder's residence would be so vast.

The area may be tens of times the size of a golf course, this is of course very large for a place to live.

"They are indeed given a large territory" Xing Shenyi said to Ye Chen, she told Ye Chen that the Elder was given a very large territory for them to use.

"Let us find. . ." Ye Chen and Xing Shenyi started searching, both looking for evidence they could use against the Elder.

Ye Chen searched the Elder Elf's boudoir for evidence that could be used to bring down Elder.

"There isn't any. . ." Ye Chen and Xing Shenyi didn't find any evidence, this was just a normal residence.

"About where do they keep things?" Ye Chen wanted to know where they kept things.

"Perhaps it is in the treasure storage room, that place seems to be the most reasonable place" Chu Yuechan said to Ye Chen.

"Looks like it's possible" Ye Chen agreed with what Chu Yuechan said, he went straight to the treasure area.

Ye Chen has God Eyes, he can easily find the treasure room.

Ye Chen left alone, while Xing Shenyi looked for evidence elsewhere.

The two decided to split up so they could find the evidence they were looking for.

When Ye Chen went inside, Ye Chen found a very, very large treasure mound, most of these treasure mounds were Blessing earth essence as well as Divine Rainbow Crystal.

"They are quite rich." Ye Chen saw how rich Elder Elf was, they were hiding something like this.

Ye Chen started looking for what he needed, after looking around, Ye Chen found a file stored in a box.

A sealed box holds an archive of the past, this box is lined with a strong seal.

Ye Chen didn't need a key, he used his power to break the seal outside the box.

Ye Chen looked at the contents in the box, he found a lot of things in the box.

"Interesting" Ye Chen discovered that the Elder had hidden many things, they were hiding evil and embezzling resources.

"Wow, I didn't expect that they would do something like this for their own purposes" Ye Chen now knew what Elder, Elf was like, they turned out to be a bunch of people who did anything for their own ends, they didn't even hesitate to kill someone if they did. needed.

"I will show this to Shenyi, she will definitely be very interested in this matter" Ye Chen intended to show Xing Shenyi his findings, Xing Shenyi would definitely be interested in this matter.

Ye Chen looked for Xing Shenyi, he gave what he found to Xing Shenyi.
