

A True God 1741

### **Chapter 1741 Looks like our bait has been eaten really well**

"they?" Xing Shenyi saw what Ye Chen had just discovered, Xing Shenyi didn't expect them to do something like this.

They really are cunning people, they don't even hesitate to get rid of their mother if necessary.

"It's not strange that mother was eliminated, apparently this is the reason." Xing Shenyi finally found a reason why her mother was eliminated.

It turned out that this was the reason, it turned out that all this time Xing Shenyi had an enemy under the covers.

"We've got what we're looking for, let's go save the Elves in Happiness Forest Village." Ye Chen invited Xing Shenyi to save the Happiness Forest Village residents.

"come on . . ." Xing Shenyi nodded, she would go and appear in front of everyone present.

Before leaving, Ye Chen sent a message to the Cursed Elves, telling them to come and help in case of a battle.

Han Rizu and the Cursed Elf's help was very important, they all had an important role in this matter.

Ye Chen, Xing Shenyi and Fan Fumi left, they were looking for the whereabouts of the residents of Happiness forest Village.

Ye Chen headed to where Fan Yima was, it was a coincidence that Ye Chen had already found the whereabouts of Fan Yima.

Ye Chen only had to go to Fan Yima's place and save her.

Fan Yima and the other Elves were held in a prison cell that had previously been used to confine Ye Chen and Fan Fumi.

They were imprisoned and their bodies bound with a special chain that made them immobile.

Ye Chen saw some of the injuries suffered by Fan Yima and the elves in the prison, Ye Chen saw that they had quite a few injuries all over their bodies.

"They were brave enough to injure Fan Yima and the others" Ye Chen was dissatisfied when he saw what had happened, he was truly displeased with what had happened to Fan Yima and the others.

They had dared to do bad things to their women, how could Ye Chen not be angry when he saw what was happening right in front of his eyes.

"I will not allow this" Ye Chen will not allow this to continue.

"Come in. . ." Xing Shenyi decided to show up and stop everything that was happening, she couldn't see anything bad happening.

"All of you, what are you doing?" Xing Shenyi asked the Elf knights why they were holding back Fan Fumi's friends.

"Queen. . ." All the Elf knights immediately lowered their heads, all of them paying their respects to Xing Shenyi.

"what happened in this place, quickly tell me" Xing Shenyi asked what happened, she wanted to know what happened in this place.

"Forgive us, we are only here to carry out Elder's orders to torture them and seek information" The Elf Knight said to Xing Shenyi, they only carried out the orders given by the Elder.

"How could an elder give such an order, it seems they are tired of living" Xing Shenyi couldn't accept what had happened.

An Elder was torturing other Elves, it seemed they had crossed the line and were not worth defending.

"we just follow orders" they just follow orders, as knights, they won't be able to go against an order from a superior.

"Go away" Xing Shenyi told the Elf Knights to leave, Xing Shenyi let them go because they were not involved in this matter.

"How did you let them go?" Ye Chen asked Xing Shenyi, why did Xing Shenyi let them go.

"Ye Chen they are not wrong, please release them" Xing Shenyi asked Ye Chen to release the innocent Elf.

"Okay, then I will take revenge on that Elder, I won't hold back." Ye Chen said to Xing Shenyi, he would take revenge on Elder who had put Fan Yima and the residents of Happiness Forest Village in this state.

"It's up to you." Xing Shenyi didn't mind such a thing, she allowed Ye Chen to do what she wanted.

Ye Chen went towards the unconscious Fan Yima, Ye Chen helped to release Fan Yima from the chains that bound her.

After Ye Chen released Fan Yima, Ye Chen gave Fan Yima a medicine, he hoped that Fan Yima would get well soon with the medicine given.

"Erm. . ." The medicine that Ye Chen gave worked really well, it worked and instantly brought Fan Yima to her senses.

"Ye Chen. . ." Fan Yima saw Ye Chen in front of her, Fan Yima thought he was currently daydreaming about Ye Chen.

"Yes, it's me" Ye Chen said to Fan Yima, he told Fan Yima that it was him.

"Ye Chen, why are you here?" Fan Yima asked Ye Chen, how come Ye Chen could be in this place.

"I came to save you." Ye Chen said that he had come to save Fan Yima and the Elf in Happiness Forest Village.

"Is everyone okay?" Fan Yima asked the other Elf's condition, she was more worried about the other Elf than herself.

"They are fine, let's free them." Ye Chen took Fan Yima to free the Elf who was imprisoned in this place.

"Okay" Fan Yima agreed, they went and freed all the Elves who were in this place.

Fan Fumi freed everyone, she helped everyone with the pills given by Ye Chen.

"Are you guys okay?" Fan Fumi asked all her friends.

"We're all fine, it's not much to us" All the Elves said to Fan Fumi, they were fine, it's just that some of the Elves had serious injuries and needed more treatment.

"Let's get out of here first, please help the seriously injured Elf." Ye Chen said to everyone, he ordered those who could walk normally to help their comrades who couldn't walk due to injuries.

Everyone understands, they work hand in hand and help each other.

Ye Chen together with everyone came out, they left the prison.

"hahahaha" when Ye Chen just got out of prison, he was already awaited by thousands of Elves as well as the six elders.

"Looks like our bait has been eaten really well." The Elder Elf laughed, they all laughed when they saw Ye Chen and Xing Shenyi had eaten the Bait.

"You guys, what are you guys planning?" Xing Shenyi asked Elder, she asked what they were planning.

"Queen, it seems your mind has been poisoned by this brat, of course we all want to save you." Elder Elf said to Xing Shenyi.

"I don't need to be saved." Xing Shenyi said to the six elders, she didn't need to be saved.

After all from the start nothing happened to Xing Shenyi, Xing Shenyi didn't experience anything bad.

"Look, this person must have done something to her, otherwise how could Queen Xing be like this?" Elder Elf said to everyone, they said that Xing Shenyi must have been brainwashed by Ye Chen.

"Listen old granny, why don't you try to keep your attitude and your words, I didn't do something like that" Ye Chen said to the Elder Elf in front of him, to be honest Ye Chen was already very sick of the Elder Elf's behavior in front of her.

"You bastard, you should take care of your attitude, this is our territory." Elder Elf pointed at Ye Chen, they all pointed at Ye Chen and said that this is their territory.

"Who made you rule over this land, this land belongs to all the Elves, you have no right to say such things" Ye Chen replied to the words of the elders, he told that this place belongs to everyone.

#### **Chapter 1742 Expose all the evil that was done by the Elder Elf**

"You" All the elders felt angry at Ye Chen, they were all angry when they heard what Ye Chen said.

All the elders could feel a sense of danger from Ye Chen's words, Ye Chen's words always threatened their dominance.

"You take a good look, this human is not good, you better catch him immediately and we will prosecute him for the crimes he committed." The Elder Elf said and gave orders to everyone in this place.

"All of you, stop right now." Xing Shenyi also gave orders, Xing Shenyi ordered everyone to stop right now.

Everyone was confused by what was happening, they all looked very confused by the difference of opinion that had occurred.

"All of you, don't listen to them, they aren't good people" Ye Chen said to all the Elves in front of him.

"What do you mean by those words?" Everyone was curious about the meaning of Ye Chen's words.

"All this time you have been fooled by all of them" Ye Chen said to all the elves in this place.

" Fooled?" All the Elves looked at each other, they didn't understand what Ye Chen was saying, how could they be fooled, this was something they didn't understand.

"All this time they have been controlling your supply of resources and preventing all of you from growing any bigger, they purposely did this to all of you so that they could control you" Ye Chen said to all the Elves.

"No way, don't listen at him" All the Elder Elf looked panicked when they listened to what Ye Chen just said, Ye Chen's words made their bad work exposed.

If Ye Chen's words were heard, then they would all be in trouble.

"Look, they are trying to cover up what happened" Ye Chen said to everyone.

"Would you listen to strangers instead of your elders?" All the elders said in a loud voice, they were trying to convince everyone that what Ye Chen said was a lie.

"What he said is the truth, you should listen to me right now." Xing Shenyi said to everyone, they had to listen to what Xing Shenyi had to say.

"Queen, your mind has been completely corrupted by this brat." All the elders said to Xing Shenyi.

"My mind is not corrupted, it should be yours." Xing Shenyi replied to the words of the Elf Elders.

"Don't all of you stand still, quickly capture them" Elder said to the Elf who were in this place.

"All of you, take a good look at this." Xing Shenyi showed a proof of what had happened to everyone in this place.

All the Elves immediately looked at the paper that Xing Shenyi found, they all saw some secrets that were carried out by the descendants of the Elders.

The elders stiffened when they saw what Xing Shenyi had just brought out.

They couldn't believe that Xing Shenyi could obtain such a thing, it should be hidden in a place where no one could find it.

"After you saw this, do you still believe in them?" Xing Shenyi said to all the elves.

All the Elves who were there were starting to get confused, they were all confused by what was happening, the situation now seemed very complicated.

They all don't know what is right and what is wrong, all the Elves are confused to make their choice.

All this time the Elder Elves had been controlling the supply of Blessing Earth Essence for themselves, this prevented the other Elves from getting enough rations so that their strength was not as strong as the Elder Elves.

It wasn't strange that the Elder Elf's descendants could continue to lead until now, they used a bad system from the start and didn't let the other Elves usurp their power.

"Stop everything you've been doing, what you've done has hurt everyone" Xing Shenyi thanked the Elder Elf, he told the Elder Elf that they had afflicted countless Elves just for power.

"What nonsense is this talking about?" The elder refuted what Xing Shenyi had said.

"All of you listen to me carefully, why don't we defeat the Elder and start from scratch, you can become strong if you listen to what Queen Xing has to say" Ye Chen said to everyone, himself telling everyone that they should listen what Xing Shenyi said.

The elves in this place are still very doubtful, they look confused when they have to make their choice.

"Useless" one of the elders said in a dissatisfied tone, he started to use a technique of

"mind control." One of the elders uses power to control one's mind, this technique can control and change other people's thoughts.

"They're finally moving." Ye Chen saw that the Elder Elves started to move, they all started to move and control the battlefield.

Almost all the Elves in this place were controlled, now they obeyed the orders that the Elder Elves had.

"You are the most annoying human we have ever met, now we will judge you for what happened" Elder said to Ye Chen.

"Hahahahaha" Ye Chen laughed, himself laughing when he heard what the Elder Elf said.

"You guys are still as cunning as ever, this time I will get rid of all of you" Ye Chen said that he would get rid of all the elves.

"Ye Chen, our situation is not good, we won't be able to help you." Fan Yima said to Ye Chen, they couldn't help Ye Chen because they were injured.

"No problem" Ye Chen could understand what was happening, he could understand that Fan Yima and the other Elves couldn't fight and help Ye Chen.

"It's a good thing I called for help" Ye Chen said to Fan Yima.

" You mean?" Fan Yima asked Ye Chen, she was confused by what Ye Chen said.

"Look carefully. . ." Ye Chen said to Fan Yima, he told Fan Yima to see carefully what would happen.

"Boom. . ." From underground came a vibration, when the vibration appeared there were many Hamsters that came to the surface, they came to the surface carrying Cursed Elves on their backs.

The Cursed Elves had arrived, they were much faster than Ye Chen had imagined.

"they ?" The Elder and all the Elves were shocked when they saw the Cursed Elf coming behind Ye Chen.

They couldn't believe that Ye Chen would bring the exiled Elf back to Elven Village.

"Sorry to keep you waiting" Han Rizu said to Ye Chen and Xing Shenyi, they came for quite a while.

"No problem, you guys came on time" Ye Chen said that Han Rizu and the others came on time.

"I'm coming" Tuo Ke also came, he came and gave Ye Chen a hand.

now that Ye Chen's army was increasing in strength, their strength was increasing very rapidly.

to be honest in terms of numbers they lost a lot, but in terms of strength they still had enough chances to win.

"Let's defeat the Elder and finally everyone" Ye Chen said to all the Elves behind him.

"Okay!" The Elf and Cursed Elf who were behind Ye Chen shouted in unison, they had all prepared themselves for battle and gained freedom.

"Everyone prepare" The elder said to the Elf he had controlled, they had to prepare to battle Ye Chen and the Cursed Elf who had come from nowhere.

Both sides were prepared, they were ready to battle each other.

### **Chapter 1743 one move defeat Gao Win**

Ye Chen had prepared himself very well, he had already prepared to battle against the six Elders.

"Boom. . . ." when the battle was about to start, suddenly someone came down from above the sky.

This guy hit the ground and made a big hole in the surface.

The person who just arrived was Gao Win, he arrived right in front of Ye Chen and pointed his spear at Ye Chen.

"Finally I found you" Gao Win said to Ye Chen, he told Ye Chen when he finally found Ye Chen's whereabouts.

Gao Win's eyes were red, he looked very, very annoyed with Ye Chen, it was clear that Gao Win was very, very angry with Ye Chen.

"Who is this, you come again" Ye Chen saw the male Elf in front of him, Ye Chen finally reunited with Gao Win.

"Gao Win don't put up any more resistance" Xing Shenyi said to Gao Win, he told Gao Win not to attack Ye Chen.

"I won't listen to you, I can't just let this human go away" Gao Win said to Xing Shenyi.

"So you won't let me go, fine, then I will fight you" Ye Chen said to Gao Win, he would not allow acting arrogant in front of himself.

"I will beat you quickly" Gao Win raised the Dragon Head Spear, he intended to kill Ye Chen with the Dragon Head Spear.

"Oh, so you want to fight me using Dragon Head Spear, that's great, show me how powerful a weapon you have" Ye Chen said to Gao Win, he told Gao Win to show his strength.

"Arrogant human, you will suffer painful consequences for daring to challenge me" Gao Win said to Ye Chen, he would make Ye Chen feel pain that he had never felt in this life.

"Go ahead and show the strength you have" Ye Chen said to Gao Win, he told Gao Win to come forward and show his strength in front of Ye Chen.

Gao Win stepped forward, he stepped forward and attacked Ye Chen with the Dragon Head Spear.

"Ye Chen you have to be careful, it's very dangerous" Xing Shenyi said to Ye Chen.

"Finally Gao Win has come, looks like we can let him fight this brat." Seeing Gao Win coming, all the elders were happy, they were all happy that Gao Win would fight and defeat Ye Chen.

With Gao Win's strength, he could definitely win against Ye Chen.

The Dragon Head Spear was pushed towards Ye Chen, he pushed the Dragon Head Spear towards Ye Chen with all his might.

Ye Chen stretched out his hand, he caught the Dragon Head Spear with one finger.

"Clang. ." Using one finger, Ye Chen managed to withstand the thrust of the Dragon Head Spear.

"What! !!" All the Elves were shocked when they saw Ye Chen restrain Gao Win's strength with just one finger.

"Impossible, how could he do such a thing" Elder Elf couldn't believe what was happening, Ye Chen blocked Gao Win's attack with just one finger.

"impossible" Gao Win tried to stab Ye Chen with his full strength, he stabbed Ye Chen with his full strength.

Gao Win hoped that with a stronger push, he could stab Ye Chen.

Unfortunately the Dragon Head Spear wouldn't move, it stayed where it was and wouldn't budge forward.

"I thought this would be a great thing, it turned out to be just like this, it's so boring" Ye Chen said to Gao Win.

Ye Chen thought Gao Win's Dragon Head Spear would be very powerful, it turned out to be nothing.

Ye Chen snapped his fingers, instantly Gao Win was blown away.

Gao Win spun several times in the air, he tried to land on the ground with the ability he had.

"Almost" Gao Win couldn't believe what was happening, his attacks were unable to win against Ye Chen.

Even though Gao Win's physique was already extremely strong, he was a very strong earth elemental person, so he should be able to break through Ye Chen's defenses very easily.

"I will kill him with one move" Gao Win decided to kill Ye Chen with one move he had.

Gao Win immediately used his aces, he didn't want to hold back any longer against Ye Chen.

"Dual Dragon Earth" Gao Win stepped forward, from under his feet appeared two dragon heads coiled around Gao Win's body.

These two dragon heads are like Gao Win's armor and weapons, Gao Win is like being protected by two very strong dragon heads.

"He came at full power, then I will use full power too" Ye Chen showed his aura.

A terrifyingly strong pressure enveloped Ye Chen's body, the ground around Ye Chen's body began to crumble and crack until it created an enormous fissure.

"amazing existence" Fan Fumi, Fan Yima and Xing Shenyi were mesmerized by the power that Ye Chen gave off, for them Ye Chen's strength was simply too great.

"Eagle Cloud Turner Claw" used his strength to deal with Gao Win's attack.

Gao Win approached, he was like a dragon that was angry with Ye Chen.

"Get lost from this world" Gao Win ran as hard as he could, he wanted to smash and crush Ye Chen's body to shreds.

"Your journey ends here." Ye Chen greeted Gao Win's attack.

The moment the Eagle Cloud Turner Claw hit Gao Win's attack, the two dragon heads around Gao Win were instantly crushed from head to toe.

Even Gao Win instantly spun around like a typhoon and shot towards the tree of life.

Gao Win's body hit the barrier of the tree of life and fell to the ground unconscious.

The attack just now was so powerful, there was no way Gao Win could withstand such a powerful attack.

Gao Win's body must have been damaged by the powerful attack used by Ye Chen.

"Okay, one has fallen, now there are only six left." Ye Chen looked at the Elder Elf, he had already overthrown Gao Win, now it's just a matter of finishing all the existing Elders.

"Let me help you" Xing Shenyi offered his help to Ye Chen.

"What a coincidence, I don't really like fighting women, then I'll have him take care of them after it's over" Ye Chen would let Xing Shenyi take care of everyone after everything was over.

Ye Chen didn't really like fighting women if it wasn't necessary, in the case of the Elder Elf, Ye Chen would teach them all a lesson for putting Fan Yima in a bad condition due to the torture they had endured.

"brat, don't underestimate us" Elder Elf said to Ye Chen, this time they will no longer underestimate Ye Chen.

"Let's unite the power to summon the monster of legend" Elder Elf intends to unite the power to summon, the monster of legend.

"It's terrible they will call Titan" Xing Shenyi said to Ye Chen.

"Titans?" Ye Chen asked Xing Shenyi.

"It is a huge monster with terrifying strength and very strong defense, it is one of the Elf's mainstay weapons when facing an opponent that is difficult to defeat." Xing Shenyi explained to Ye Chen about the Titan monster that the six elders were trying to summon.

"You will see our strength" All the elders said to Ye Chen, they started to perform the ritual to summon the Titans.

An enormous circle of runes appeared and enveloped everything nearby.

"Quickly retreat" Xing Shenyi told all the Elves to retreat, they all had to immediately retreat and get out of this place.

### **Chapter 1744 Titan**

All the Elves and Cursed Elves instantly retreated, they were as far away from the circle as possible.

The Elder Elf along with the other Elves kept on summoning, they used a lot of power to do the summoning.

The Elder Elves used the help of the thousands of Elves they had controlled, they all used the power of all the Elves to carry out this summons.

With this kind of strength, they could create a Titan that was very strong and could not be defeated by Ye Chen.

The ground that was inside the rune circle started to rise upwards, a huge monster started to emerge from the underground towards the surface.

"Arghhh" Everyone shouted, they were blown away by a huge super Titan that appeared from underground.

Ye Chen helped evacuate people, he helped move them to a safer place.

This Titan is so huge, it is estimated that he is more than 50 miles tall, this monster is so huge that it looks bigger than a mountain.

"A huge monster" Ye Chen saw that the Titan in front of him was enormous, its size was so huge that it made Ye Chen look like a grain of dust.

Ye Chen looked very small, the summoned Titan monster had an amazing size and height.

"This seems to be the biggest monster I've ever met." Ye Chen saw that this was the biggest monster Ye Chen had ever encountered.

"I will fight it" Tuo Ke tried to attack the Titan, he used his strongest attack to attack the Titan.

"Boom. . ." Tuo Ke's attack was very strong, a huge explosion occurred when Tuo Ke attacked the Titan.

Titan didn't move, Titan was still as still as a statue.

the attack sent dust flying, after the dust cleared, Ye Chen could see whether Tuo Ke's attack had succeeded in destroying the Titan or not.

"Such attacks don't scratch it." Ye Chen saw the Titan's strength, the attacks of monsters like Tuo Ke were unable to scratch the Titan's body.

"Titan is a very strong monster." Chu Yuechan said to Ye Chen, she told Ye Chen that Titan is a very strong monster.

"How strong are they?" Ye Chen asked Chu Yuechan, he wanted Chu Yuechan to measure the strength of this Titan.

"Very strong, you need to be a little more serious when facing this monster" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen to be more serious, she wanted Ye Chen to be serious in dealing with Titan.

Titan looked at Tuo Ke, Titan immediately attacked Tuo Ke with Titan arm.

" Wosssshhhh" An extremely powerful gust occurred, this powerful gust hit Tuo Ke and flew him tens of thousands of miles away.

"One swipe can make a strong monster like Tuo Ke like that, very interesting" Ye Chen felt even more excited, he found a strong monster, time to see his strength in the face of Titan.

"Titan, this human has made a mess, destroy him quickly" Elder said to Titan, they ordered Titan to destroy Ye Chen.

Titan didn't say, he couldn't say because from the start this monster couldn't speak.

Titan looked at Ye Chen, to Titan Ye Chen was like a dust in his eyes.

Titan again swung his arm, he threw Ye Chen away and intended to fly Ye Chen away.

Seeing the Titan start an attack, Ye Chen immediately put up a defensive stance, Ye Chen crossed his arms and was ready to block the Titan's attack.

"Blam " An extremely powerful attack hit Ye Chen's body, Ye Chen's body retreated for several miles.

"strong" Ye Chen saw the Titan's amazing strength, even Ye Chen's physical strength couldn't withstand such an ordinary attack.

"I told you that Titans are powerful beings" even though Chu Yuechan had reminded Ye Chen of the power possessed by Titans.

"God Thunder Armor" Ye Chen's coats his body with Lightning Armor, Ye Chen will attack Titan.

"Let's see how strong this Titan is" Ye Chen used physical strength to attack the Titan, he used a blow with 60% power to knock the Titan down.

"Blam. . ." Ye Chen shot, he shot himself and went straight to hit the Titan's stomach.

"Blam. . ." A very strong punch was delivered by Ye Chen, this made the Titan retreat a few steps back.

"still not enough" Ye Chen still wasn't enough, he came back with even more powerful attacks.

"Bam. . ." Titan's body was blown away, he was blown into the air when he received Ye Chen's second strike.

Ye Chen opened his Fire Vein, Ye Chen's strength immediately rose significantly when he opened his Fire Vein.

"Four-finger DESOLATE PALMS" Ye Chen used his fourth-finger DESOLATE PALMS, Ye Chen intended to fly Titan as far as possible.

This place is not suitable for fighting, in this place too many villagers will make a loss of life for the Elves.

Even though the Elves here don't want to listen to Ye Chen, Ye Chen is still kind to them, Ye Chen doesn't let them be crushed by the Titans.

A super large palm appeared, DESOLATE PALMS turned and directly hit the Titan's enormous size.

Ye Chen needed quite a lot of Profound Energy to create such a huge DESOLATE PALMS, otherwise its power wouldn't be enough to blow away a Titan.

With the power of DESOLATE PALMS which is quite large, the Titan Monster is able to be pushed away.

The central Elven Village was enormous, Ye Chen could only keep Titan away from the central part of the population.

Titan was flown as far as Thousands of Miles, it landed on a fairly large vacant land.

The six elders were shocked when they saw what Ye Chen did, they first saw a person capable of flying a Titan like what Ye Chen had just done.

Titan is a very large monster and has a very heavy body, it is impossible for anyone to fly a Titan like that.

"This person is so abnormal" All the elders felt that Ye Chen was abnormal, he was able to do things that were beyond the elder's imagination.

"Looks like we have to settle the matter here." Since Ye Chen was busy fighting the Titans, the Elder had to take this opportunity to get rid of the Elf and Cursed Elf who had sided with Ye Chen.

"Fight me" Xing Shenyi appeared, she appeared and challenged all the elders.

"Queen, I hope you don't interfere in this matter, we don't want to hurt you." Elders said to Xing Shenyi, they asked Xing Shenyi not to interfere.

"You have no right to rule over me." Xing Shenyi said to Elder, now Elder is not worthy to rule over her.

"Remember that we are all stronger than you, if you fight us, it will be a loss for you" said Elder Xing Shenyi.

"You have used quite a lot of power to summon the Titans, now you definitely don't have much strength left, it's time for me to fight you guys" Xing Shenyi said to the Elder.

Xing Shenyi knew that the elders in this place had used up a lot of strength, so this was the perfect time to fight them.

The elder's face darkened, indeed what Xing Shenyi said became the truth, their current strength was reduced by summoning a Titan, their strength was not at the prime level.

"Earth Dragon" Xing Shenyi summoned a dragon made of earth, he immediately attacked the Elder using the dragon.

The Elder Elf created a wall to block Xing Shenyi's attack.

"Boom" an explosion occurred and the ground began to scatter, the battle between Xing Shenyi and the six elders officially began.

"Quicksand Lake" Xing Shenyi created a lake filled with quicksand.

She pulled all the Elders who were hiding underground using quicksand.

### **Chapter 1745 Underground battle plan**

The six Elders were trapped in a mud puddle, they all couldn't leave because they had been trapped in it.

"Damn it, this is really troublesome." All of the elders were troubled, they were all troubled by Xing Shenyi's attack.

Although it didn't have any damaging effects, Xing Shenyi's attacks were extremely troublesome, they couldn't move from this place.

"Six part Earth Dragon" Xing Shenyi again used the Earth Dragon summons, this time she used the six headed dragon which was much bigger and stronger than before.

The six earth dragon heads instantly pounced on the Elder Elf.

The Elder Elves tried to use their strength, they summoned Golems to fend off Xing Shenyi's attacks.

A Golem appeared behind the Elders, all the Elders parrying the attacks used by Xing Shenyi.

The battle between the Earth Dragons and the Golems summoned by the Elders, this battle made the surrounding land tremble and crumble.

The battle became more and more fierce, Xing Shenyi and the Elder Elf mutually using their strength to defeat each other.

They didn't hold back and started to make a big attack towards each other.

Xing Shenyi used her defenses against the Elder Elf's attacks, she used a strong stone shield to block the Elder Elf's attacks.

"I didn't expect them to be so strong even under these conditions." Xing Shenyi didn't expect the Elder Elf to be strong enough.

Even though their condition was not in a good enough condition, they were in a state of exhaustion from using Titan summoning.

Xing Shenyi looked around, she found that around this place there was quite a fierce battle between Cursed Elves against high-class Elves and Elf knights.

The strength of the Cursed Elves was definitely lower than that of the high-class Elves, they were outnumbered as well as in terms of strength.

Tuo Ke who was supposed to be helping had been flown away by the Titan, now the Cursed Elf's power was weakening.

"Everyone, don't give up." Fan Fumi tried to give encouragement, she helped Cursed Elf from the back.

Fan Yima also provided assistance, she provided assistance from the rear to disrupt the enemy formation.

Even though they all tried their best, they still couldn't keep up with the strength of the Thousand Elves, their strength was still far from balanced.

"This is a little troublesome, our strength is quite far apart, if it continues like this then" Han Rizu felt that this victory would be difficult to obtain, their strength was very far compared to the enemy.

"Ye Chen and Queen are in battle, we can't disturb them" Fan Yima said to Han Rizu, currently Ye Chen and Xing Shenyi are fighting against the enemy and can't be bothered, they have to solve their own problems.

"we use our plan, prepare yourselves" Han Rizu said to Cursed Elf, they would use the plan that had been made with Ye Chen and Xing Shenyi.

"OK" Cursed Elves started to retreat, they backed away and went underground using the help of the hamster they were riding.

"Don't let them escape" Seeing the Cursed Elf run away, all the Elf knights immediately gave chase.

They went into the hole used by the Elves to escape.

Xing Shenyi saw that the Cursed Elves had already started a plan, they started to lure the Elves to come down and beat them one by one.

Since the number of Cursed Elves was limited, Ye Chen and Xing Shenyi came up with a plan that would allow them to win.

The plan was to create an underground Labyrinth that would scatter the enemies and get lost, so that they could defeat enemies one by one with ease.

Xing Shenyi hoped that this plan would work well, she really hoped that this plan would work so well that the Cursed Elves and the Elves of Happiness forest Village could win the battle.

The Elves entered the pit, they fell into the pit and passed through many misleading passages.

Han Rizu invited everyone to go deeper, they went deeper so that the high-class Elves and Elf knights were confused.

Sure enough, the enemy began to get confused, they were confused by the tortuous terrain, this made them have to separate and be divided into several teams in order to find the enemy who was hiding.

They don't realize that they have fallen into a trap, this makes their power scatter into many parts.

"They have started to disperse, let's start attacking them one by one" Han Rizu said to Fan Fumi and everyone who can fight, they will attack one by one the enemies who have been scattered into several pieces.

"Let's make them regret that they dared to enter this place." Fan Fumi was very excited, she was very excited when she saw the enemy who had fallen into their trap.

Fan Fumi and Han Rizu carried out the operation, while Fan Yima and several other Elves went to a safer place to treat the people who were injured in battle.

In this hole the Cursed Elves benefited greatly, they obviously knew better the terrain around this place because of those who had created this place.

Fan Fumi and Han Rizu attacked the Elf group, here they won in numbers so the battle was now more favorable for them.

"Arghh" In less than 30 seconds, Han Rizu, Fan Fumi and the Cursed Elf incapacitated any Elf they encountered.

Han Rizu didn't kill these Elves, she tied them up and made them captive.

Han Rizu had already promised Xing Shenyi, they would try their best not to cause any casualties on either side.

That way in the future there will be no more problems that make their relationship less harmonious.

.

.

Return to Ye Chen's place.

Ye Chen was currently battling a Titan, he was battling a Titan that had a body tougher than the hardest thing in this world.

"Even the power of DESOLATE PALMS is only able to scratch a little" This Titan is very strong, the strong DESOLATE PALMS is only able to scratch a little Titan's body.

"Ying'er" Ye Chen called Divine Yin Yang Sword, he was going to see if God Master One Sword was able to handle this Titan monster.

Titan got up, the monster got up and looked at Ye Chen with a terrifying aura.

Titan's aura is terrifying, this aura is like an ancient monster that wants to destroy you.

"Terrible pressure" Ye Chen admitted that this monster had a terrible pressure.

Titan raised his hand up, instantly lightning covered Titan's fist.

The Titan punched Ye Chen with a fist that had been strengthened by the lightning.

"One God Slash" Ye Chen's used the first move of God Master One Sword.

The domineering sword aura instantly enveloped Ye Chen's body, Ye Chen was now in the Dao of Sword mode.

"Slash" Ye Chen's launched a slash towards the Titan.

The slash aimed towards the Titan's hand that was going to be used to attack Ye Chen.

"Boooooooooooooom" An enormous explosion occurred, this huge explosion shook the entire Elven Village and made the clouds in the sky disappear as it was blown away by the impact of the explosion.

Even the surrounding trees were damaged from the impact of the two colliding attacks.

Ye Chen created a wind barrier, he parried the impact of the attack with a wind barrier.

"Did my attack defeat the monster?" Ye Chen wanted to know the result of his attack, whether his attack was able to destroy Titan or not.

Currently Titan is covered by thick enough dust, this makes Titan invisible to the naked eye.

After a while, the dust started to dissipate, Titan still standing in place with one hand crushed by Ye Chen's attack.

Ye Chen's attack turned out to be quite powerful, he destroyed one of the Titan's arms with his attack.

#### **Chapter 1746 Reduce the size of Titan**

The arm of the shattered Titan re-grows, the Arm of the Titan re-grows as if unaffected by the power of the Divine Yin Yang Sword.

"It's growing again" Ye Chen saw that this Titan was able to regenerate its body even after receiving an attack from the Divine Yin Yang Sword.

"It seems that this Titan is not affected by the power of the Divine Yin Yang Sword." Chu Yuechan said to Ye Chen, she told Ye Chen that the Divine Yin Yang Sword had no effect on Titan.

"This is so troublesome" Ye Chen felt troubled, he was troubled when he found out that his attacks had no effect on Titan.

"What are you going to do now?" Chu Yuechan asked Ye Chen, she wanted to know what method Ye Chen would use to deal with this matter.

"Fortunately I have a way" Ye Chen has a way to fight Titan.

"I hope this method works." Ye Chen really hoped that the method he was going to use would work.

Ye Chen stretched his hand forward.

"Half Dimension" Ye Chen used a technique that could divide dimensions, he intended to reduce the dimensions around Titan.

The dimensions around Titan began to shrink, this made the Titan's body begin to shrink and shrink.

Ye Chen used a lot of Profound Energy, himself used a lot of Profound Energy to use Half Dimension.

Half Dimension had an enormous profound energy requirement, Ye Chen's enormous profound energy was being sucked in at an extremely fast rate.

Titan's body is getting smaller and smaller, in just a few seconds, the 50-mile-tall Titan becomes the size of a mouse.

The Titan was so small that Ye Chen didn't think it was a huge monster.

Ye Chen succeeded, he had succeeded in making a large Titan the size of a mouse.

Ye Chen stepped forward, he took the Titan that was already in its small size until it shrunk like a mouse.

The Titan in Ye Chen's hands started to attack Ye Chen, the Titan attacked Ye Chen using its strength.

Ye Chen saw that the Titan's strength became very weak when it was reduced to this size.

"This is very great." Ye Chen felt that this power was very great, this was the greatest strength that Ye Chen possessed.

"I didn't expect that it would turn out like this" Chu Yuechan said to Ye Chen.

Chu Yuechan didn't expect that the result would be like this, Ye Chen was able to defeat the Titans in such a manner, it was truly extraordinary.

Ye Chen kept the Titan in a cage, Ye Chen deliberately did this to give it to Xing Shenyi, let Xing Shenyi decide what to do with the Titan.

Just as Ye Chen was about to leave, he found that his body was weak, it was obvious that Ye Chen had run out of Profound Energy.

.

Xing Shenyi herself was still in a fierce battle, she was trying to attack the Elder who was being protected by the Golems.

"It is very difficult to break through their defenses." Xing Shenyi felt that it was very difficult to break through the defenses of the Elder Elf.

"Looks like you are having a hard time dealing with this matter." Nan Rou appeared behind Xing Shenyi, Nan Rou's appearance left Elder Elf confused.

"Who else is this woman?" The new elders didn't know Nan Rou, they didn't recognize Nan Rou's presence.

"You don't need to know who I am." Nan Rou said to the Elder Elf, she started to help Xing Shenyi and launched several meteor shower attacks towards the Elder Elf.

"Boom" several explosions occurred near the Elder, this made the Golem that was used to defend shattered by the combined power of Nan Rou and Xing Shenyi.

"Good, this is the time." Xing Shenyi saw this opportunity very well, he saw that this was a golden opportunity to capture the Elder Elf.

The earth dragon instantly won over the elder's body, itself capturing the elder's body.

"Arghhh" The elder's body was caught by the ground dragon.

After capturing the Elder's body, Xing Shenyi immediately used a seal, Xing Shenyi sealed them so they wouldn't put up any resistance.

"Successful" Xing Shenyi was happy that everything was over, all the elders had been captured and they would not be able to escape again.

Xing Shenyi looked at Nan Rou, for some reason Nan Rou helped her.

"Thank you very much" Xing Shenyi thanked Nan Rou, she thanked Nan Rou for helping her.

"No need to thank me, I helped you to take revenge" Nan Rou said to Xing Shenyi.

Nan Rou helps Xing Shenyi to take revenge against the Elder.

Nan Rou snapped her fingers, when Nan Rou snapped her fingers, the ground started to fly and attack Elder.

"Wait don't do that" Xing Shenyi stopped what Nan Rou was doing.

Too bad Xing Shenyi couldn't stop what Nan Rou was doing.

"argh. . ." All the elders shouted, they felt excruciating pain from Nan Rou's attack.

"They deserve it" Nan Rou said to Xing Shenyi, these people deserve this.

"You don't need to do such a thing." Xing Shenyi said to Nan Rou.

Nan Rou didn't need to do such a thing, Xing Shenyi would make a proper punishment for them.

"If that's what you want, then it won't happen, what you do will not discourage them and they will repeat it again" Nan Rou couldn't believe this matter, she was sure that these people would repeat this problem again.

They are very cunning people, they will definitely look for a loophole in the future to throw tantrums again.

"I" Xing Shenyi was a little confused when she was faced with what Nan Rou had said.

"It's okay let him do what he wants" Ye Chen came over, he let Nan Rou do what she wanted.

"Ye Chen, why did you do that?" Xing Shenyi asked Ye Chen, she asked why Ye Chen did such a thing.

"I'll let her do what he wants, just let her punish them" Ye Chen said to Xing Shenyi, he told the reason why he allowed Nan Rou to do that.

Ye Chen wouldn't do it himself, let Nan Rou do it for him, that way Ye Chen wouldn't have to get his hands dirty.

Xing Shenyi was silent, Ye Chen let Nan Rou punish the Elders.

"Before that, let's go help Fan Fumi and the others, looks like they are in danger" Ye Chen said to Xing Shenyi.

"Ye Chen what about the Titan you fought" Xing Shenyi asked Ye Chen, she asked where the Titan is now.

"If you're looking for a Titan, then this is it." Ye Chen pointed out the Titan's existence, he showed Xing Shenyi the Titan's whereabouts.

"Why is it so small?" Xing Shenyi asked Ye Chen, she asked why Titan became so small.

"Oh that, I purposely minimized it" Ye Chen said to Xing Shenyi.

Ye Chen did this on purpose, he did this on purpose to defeat Titan.

"This is amazing" Xing Shenyi was shocked by what happened, she didn't expect Ye Chen to be able to do that.

"You keep it." Ye Chen said to Xing Shenyi.

Ye Chen told Xing Shenyi to keep it, he knows what to do with a Titan that has been shrunk to such a degree.

After giving away the Titan, Ye Chen went to see what Fan Fumi and the others were doing, he really wanted to know if they could win with the plan he had made.

Ye Chen went into the hole, he looked for the whereabouts of Fan Fumi and Han Rizu.

### **Chapter 1747 Gao Win absorbs Essence**

"Ye Chen, wait a moment" Xing Shenyi said to Ye Chen, she asked Ye Chen to wait.

Unfortunately Ye Chen did not listen to what Xing Shenyi said, Ye Chen had already gone away and entered the pit.

"That him, why does he always don't want to listen to me?" Xing Shenyi was annoyed, she was annoyed when she saw Ye Chen who didn't want to listen to her.

Xing Shenyi couldn't catch up with Ye Chen, here she still had to keep an eye on Nan Rou, Xing Shenyi was afraid that Nan Rou would kill the Elder Elf.

"Master are you okay?" Chu Yuechan asked Ye Chen's condition, Ye Chen looked tired after using Half Dimension.

"I'm fine, it's just a little tired." Ye Chen was fine, Chu Yuechan didn't have to worry about her condition.

Ye Chen didn't want Chu Yuechan to worry, so Ye Chen didn't say that her condition was bad in front of Chu Yuechan.

Ye Chen had indeed run out of profound energy, even so Ye Chen was still able to endure and was fine.

Ye Chen wanted to see more of Fan Fumi's condition, whether they were okay or not.

Ye Chen quickly discovered the whereabouts of Fan Fumi and Han Rizu, both of whom were currently defeating the Elves they encountered.

Fan Fumi uses Shooting Star Hunter which he is proud of, with this technique, Fan Fumi looks very domineering.

Fan Fumi is very skilled, she is able to confuse enemies with her skills.

"It worked again . ." Fan Fumi was very excited, she managed to bring down a lot of people using her skills.

"Fumi, you are great" Ye Chen appeared, he told Fan Fumi who had done a very good job.

"Ye Chen . . ." Fan Fumi looked very excited, she looked very excited when she saw Ye Chen.

"did you won?" Fan Fumi asked Ye Chen, she asked if Ye Chen won or lost.

"Of course I won, I saw you also won the battle" Ye Chen said to Fan Fumi.

"Of course, I also won the battle" Fan Fumi won the battle, their plan succeeded in making the enemy confused.

"I believe you guys can definitely win" Ye Chen believed in Fan Fumi and the others, they could definitely win the battle very easily.

"Let's take them upstairs" Han Rizu said to Ye Chen, he wanted to bring the Elf they had captured upstairs.

"Of course" Ye Chen nodded, he told Han Rizu and the others to bring all the Elves upstairs.

Ye Chen along with the others rose to the surface, everyone who was injured was immediately taken to a nicer place to get better treatment.

"Fortunately, in this battle there were no casualties, everyone could restrain each other so that there were no casualties.

"Argh. . ." On the other hand the Elders were still being tortured heavily by Nan Rou, this woman was very sadistic in torturing someone.

Ye Chen let this matter, just let Nan Rou vent what she had been holding back for a long time, what Nan Rou did had nothing to lose for Ye Chen.

Xing Shenyi was currently giving orders to the captured Elf, he was trying to get them all to listen to him.

With Xing Shenyi's gentleness, she was able to make all the Elves understand with conditions, Xing Shenyi explained the long term benefits they could get in the future to all the Elves.

Hearing this, all the Elves immediately understood, they all finally understood what Xing Shenyi wanted, it turned out that Xing Shenyi had very good intentions, he wanted everyone to be able to get the same thing.

The situation was getting under control, now that power was back in Xing Shenyi's hands, so everything should go back to the way it was.

"Crack. . . ." when everyone thought that the situation had returned to normal.

Suddenly there was an earthquake, everyone immediately panicked by what happened.

Elven Village never had an earthquake, this was probably the result of someone doing it.

"What happened?" Xing Shenyi immediately found out what had happened, why such a huge earthquake had occurred.

"Queen, this is terrible, the main barrier of the tree of life has been destroyed" Elf reported what had happened.

"Who did it?" Xing Shenyi immediately asked about the culprit, she wanted to know the person who had done it.

"This is elder Gao Win, he is the one who has barged in by force." Elf told what happened to Xing Shenyi.

"What is he doing?" Xing Shenyi immediately asked what Gao Win was doing.

"I don't know" Elf didn't know what Gao Win was doing, to be honest she didn't know about what Gao Win was doing.

"What is it?" Ye Chen asked Xing Shenyi, he immediately asked about what happened.

"It's about Gao Win, that person seems to be doing something bad" Xing Shenyi said to Ye Chen, she told Ye Chen that Gao Win was doing something bad.

"What are you waiting for, let's see." Ye Chen took Xing Shenyi to see what happened.

"Come on" Xing Shenyi immediately agreed, she along with Ye Chen went straight to Gao Win's place.

On the way Ye Chen and Xing Shenyi started to notice something was wrong, both of them noticed that the plants around them were starting to wither.

"Seems like something happened" what was happening around made Ye Chen feel something odd, it was impossible for the trees and plants to wither so quickly.

"Don't tell me that this fellow absorbed the Essence of the tree of life" Xing Shenyi knew the root of the problem right away, he immediately knew the root of the problem.

"Is it a dangerous thing?" Ye Chen asked Xing Shenyi.

"Of course, it can dry up the entire forest in this place" Xing Shenyi said to Ye Chen.

"Then we have to stop it before it's too late." Ye Chen immediately asked Xing Shenyi to stop Gao Win.

They couldn't let bad things continue, otherwise Elven Village would be in trouble.

"I should have crippled him until he was helpless" If Ye Chen had known that Gao Win would do something bad, Ye Chen would have crippled him to the core.

Ye Chen and Xing Shenyi arrived at the tree of life, when they arrived, they saw Gao Win who was absorbing the power of the tree of life and starting to get stronger.

"The strength has increased." Ye Chen saw the increase in Gao Win's strength, the increase in Gao Win's strength was enormous.

"He really did, Ye Chen quickly stop him" Xing Shenyi told Ye Chen to stop Gao Win.

If not stopped, then this will become a bigger problem.

Xing Shenyi didn't want any bigger trouble to happen, so Xing Shenyi told Ye Chen to stop Gao Win.

"Can I destroy it?" Ye Chen said to Xing Shenyi.

The current Ye Chen didn't have enough profound energy, he couldn't fight for a long time, if he could Ye Chen would have ended this with one move.

Xing Shenyi looked at Ye Chen, she seemed hesitant to answer Ye Chen's question.

"Do whatever you want" Xing Shenyi finally allowed Ye Chen to do what she wanted.

Xing Shenyi could understand that Ye Chen might find it difficult to fight if she held back, so Xing Shenyi told Ye Chen to give up everything he had.

### **Chapter 1748 back against Gao Win**

"Then I won't hold back anymore." Ye Chen didn't hold back, he attacked Gao Win with his full strength.

"Feel this" Ye Chen attacked Gao Win, Ye Chen made a powerful attack towards Gao Win.

Gao Win who was focused didn't see the arrival of Ye Chen's attack, he ended up being hit by Ye Chen's attack instead.

"Bam. . ." Ye Chen flew Gao Win, Gao Win was flown far enough away by Ye Chen.

"Damn it" Gao Win was angry, he was furious with what Ye Chen had just done.

"Just stop here" Ye Chen said to Gao Win, Ye Chen stopped what Gao Win was doing.

"Fucking human, in this place I will kill you" Gao Win said to Ye Chen, he wanted to kill Ye Chen using the full power he just got.

Gao Win's current strength is immense, he has immense strength that can defeat his enemies.

"I should say that to you, your journey seems to only end here, from now on I will end you here" Ye Chen said to Gao Win, he said that Gao Win's journey only ended here.

"God Fire Sword" Ye Chen's immediately used the strongest power, he intended to crush Gao Win to the root.

Ye Chen knew very well that Gao Win's weakness was fire, so Ye Chen intended to destroy Gao Win with his fire power.

A fire sword with a very strong radiance appeared, this fire sword had a rather powerful and terrifying aura.

Ye Chen didn't have much profound energy, he couldn't display the much bigger and stronger God Fire Sword.

"I hope this attack works." Ye Chen hoped that his attack would work against Gao Win.

"Just like that, it's too weak" Gao Win said to Ye Chen.

Gao Win summons a dragon, Gao Win's technique is almost the same as that used by Xing Shenyi.

The difference that can be seen is that Gao Win's dragon looks more rugged, while Xing Shenyi can make much better dragons than Gao Win's, this shows the difference in talent that the two of them have.

Although it wasn't as good as Xing Shenyi's, this earth dragon looked much bigger, it was dozens of times bigger than the one Xing Shenyi made.

"Destroy" Ye Chen pointed the God Fire Sword at the earth dragon, Ye Chen crushed the earth dragon with the fire laser.

The fire laser shot instantly exploded the earth dragon, the earth dragon instantly exploded and shattered into pieces.

Ye Chen took this opportunity to attack Gao Win, he pointed the God Fire Sword at Gao Win.

Gao Win stretched his hand forward, several Golems appeared in front of Gao Win and parried Ye Chen's attack.

Ye Chen's attack was stopped by these Golems, Ye Chen couldn't penetrate any further because it was too thick.

"Damn, he was able to withstand my attack" Ye Chen grumbled, he grumbled towards Gao Win who could withstand his attack.

"Ten thousand Hole fangs" Gao Win used the earth technique, from beneath the ground appeared a huge hole in which there were pointed fangs that spun like a mower.

A person who was sucked into it would definitely die instantly and turn into mush.

Ye Chen intended to go and dodge this attack, just as Ye Chen was about to dodge, Ye Chen felt a very strong pulling force pulling his body down, this made Ye Chen pull himself down.

It turned out that the spin generated by the fangs created a very strong suction vortex, it attracted anything that was on it including Ye Chen.

"Ye Chen" Xing Shenyi shouted, she was worried about Ye Chen's condition.

Ye Chen's body went inside, he was now in a place full of earthen fangs spinning like a cutter.

"Cringgg. . ." a loud voice rang out from within, it was a heart-wrenching sound for those who heard it.

"Hahaha he has definitely turned into mush, you won't find him again" Gao Win looked very happy to know this.

"Gao Win, how dare you" Xing Shenyi looked very angry, she seemed very angry with what Gao Win did.

"Dear Queen, don't be so angry, I did this for you, so I hope you give me a decent reward" Gao Win said to Xing Shenyi.

Gao Win asked for a decent reward, or rather he wanted Xing Shenyi's body and soul.

Gao Win now has a stronger power, now Gao Win can do anything including getting Xing Shenyi which was previously difficult to obtain.

"Dream, I won't do anything like that." Xing Shenyi wouldn't do what Gao Win said, she wouldn't do what Gao Win wanted.

"You have no reason to refuse, because you won't be able to do it." Gao Win stretched out his hand.

Gao Win's hands swelled and started to catch Xing Shenyi who was in front of him.

"arghhh. . ." Xing Shenyi couldn't dodge, Gao Win's speed was much faster than imagined.

"Quickly let me go." Xing Shenyi told Gao Win to let go of himself.

"I won't do that" Gao Win refused to let go of Xing Shenyi, he wanted to enjoy Xing Shenyi in front of him.

Gao Win couldn't wait to enjoy Xing Shenyi, he wanted to immediately taste a beautiful woman like Xing Shenyi.

Ye Chen felt that this was very annoying, what Gao Win did was very annoying.

"Slashes. . ." Ye Chen cut Gao Win's arm, he cut Gao Win's arm with the God Fire Sword.

"Arghhhh. . ." Gao Win felt the pain, Ye Chen's attack turned out to be effective enough to injure Gao Win.

"Bastard, this hurts" Gao Win roared, he felt excruciating pain.

The pain was excruciating, Gao Win was annoyed at what Ye Chen had done.

"Human, why don't you die" Gao Win was annoyed when he saw Ye Chen who was still alive.

"I'm not easy to kill" Ye Chen said to Gao Win, Ye Chen was not easy to kill, so what Gao Win did was still not enough to get Ye Chen killed.

"I will definitely kill you" Gao Win will definitely kill Ye Chen, he will do everything he can to kill Ye Chen.

"Hahahaha, I hope you are not disappointed" Ye Chen said to Gao Win.

Ye Chen opened the Water Vein, he opened the Water Vein and started to gain boundless profound energy.

"Okay, I'll end this right away." Ye Chen would end this as soon as possible.

"Shadow Clone" Ye Chen's made several clones, the strength of all the clones made by Ye Chen is the same.

"Use all the abilities you have to kill him" Ye Chen told the Clones to use everything they had to defeat Gao Win.

Ye Chen's orders were listened to by all the clones, all the clones immediately did what Ye Chen ordered.

They all directly attacked Gao Win with Ye Chen's various techniques.

"Boom. . . ." All techniques were used, all powerful techniques were launched towards Gao Win, this made a huge explosion and destroyed the area around this place.

The huge explosion that occurred caused destruction everywhere, various kinds of trees and ground were shattered by Ye Chen's attack.

that attack should be enough to defeat Gao Win.

"grrrrr" just when Ye Chen thought the battle was over, he heard Gao Win's growl, this voice was so loud that Ye Chen could hear it very clearly.

### **Chapter 1749 It's all over, I'm the winner**

Gao Win growled at Ye Chen, he looked very angry towards Ye Chen, Ye Chen's consecutive attacks were unable to kill Gao Win, this Elf man was extremely powerful, Gao Win became very strong after sucking the essence of the tree of life.

"Damn it" Gao Win was angry, Gao Win started to coat his body with rocks around this place.

rocks around this place began to gather, the rocks gathered and began to coat Gai Win's body.

Gao Win's body started to expand and formed a huge Golem in which was Gao Win.

Gao Win attacked Ye Chen, he hit Ye Chen with his big hand.

"Bam. . ." Gao Win's attack was very fast, even though his body was enlarged, his attack speed was still fast.

Gao Win hit Ye Chen's real body, this sent Ye Chen flying away from this place.

Ye Chen was sent flying towards the tree of life, Gao Win's attack was enough to make Ye Chen retreat quite a distance.

"Strong attack" Ye Chen was bruised, Gao Win's attack was enough to injure Ye Chen's strong body.

"This person, he is very strong, his strength has made him invincible" Chu Yuechan said to Ye Chen.

"Fighting cultivators with earth element is very troublesome." Ye Chen felt that fighting Gao Win was very troublesome.

"Big brother, behind your back, he said he wanted to give you something." Chu Ning'er said to Ye Chen, she told Ye Chen that someone behind her wanted to give something.

"What?" Ye Chen looked back, behind only a tree that had slightly dried up from being sucked in by Gao Win.

"Isn't this the tree of life that Gao Win sucked in?" Ye Chen said to Chi Ning'er.

"That's true." Chu Ning'er nodded, this was indeed the tree of life that Gao Win had just sucked up so that she became very strong.

The Tree of Life opened its root section, a root started to come out and was in front of Ye Chen.

"This ?" Ye Chen felt something, Ye Chen felt something that made himself feel a familiar feeling.

The root opened, a yellow crystal appeared in front of Ye Chen.

"This is the relic of the Sage God?" Ye Chen saw that this was the relic of the Sage God, this was the earth crystal left by the Sage God.

"Big brother, accept it" Chu Ning'er said to Ye Chen, Chu Ning'er told Ye Chen to accept this gift.

"Of course" Ye Chen nodded, he accepted the gift given by the tree of life.

The crystal entered Ye Chen's body, crystal began to fuse with Ye Chen's body and create a new Vein.

"Great power" Ye Chen felt that his physique was getting stronger and stronger, he felt his body becoming physically tougher.

"Okay, I got good strength, let's take revenge" Ye Chen was confident in his abilities, he just got a huge physical increase.

Sage God's inheritance made Ye Chen's body strong, Ye Chen's defense obviously rose significantly.

"Thank you very much" Ye Chen thanked the tree of life, he was grateful for giving what should be Ye Chen's.

Ye Chen returned to the battlefield, he went towards Gao Win's place.

Right now Gao Win was destroying the Clones that Ye Chen made, he was destroying all the existing Clones with a powerful and destructive attack.

"Let's see if I can destroy it." Ye Chen dashed forward, he used a normal punch towards Gao Win's huge body.

"Blam" Ye Chen's Physical Punch landed on Golem Gao Win's body, Golem Gao Win's body was instantly turned into pieces by the attack that Ye Chen had just launched.

"great increase in physical strength" Ye Chen got a huge increase in physical strength, he was able to destroy Golem Gao Win's tough body with just a physical attack.

"How could this happen, there's no way the Golem Armor that I made was destroyed so easily" Gao Win couldn't believe what was happening, there was no way the armor he was blinded shattered so easily like that.

"The real battle has just begun" Ye Chen was very confident, he was very confident in his new ability.

"Your self-confidence is very good, but unfortunately it won't help you" Gao Win said to Ye Chen.

Gao Win put his palms together, from the movement Gao Win tried to make, it was most likely that Gao Win was trying to use a skill that was quite strong.

"Sky Earth Hand" Gao Win shouted, Gao Win's shout gave rise to a very loud roar.

From behind the clouds appeared a large hand made of dirt that was of an enormous size.

This big hand descended towards Ye Chen, this hand was like a meteor, the closer to the ground, the greater the impact force.

"Open the Earth Vein" Ye Chen opened the Earth Vein, when Ye Chen opened the Earth Vein, Ye Chen's body was immediately covered by an invisible barrier.

This was the Earth Vein's ability, it allowed Ye Chen to obtain the Unlimited Armor which was extremely difficult to destroy.

" Destroyed. . . , Destroyed. . . , Destroyed. . . , Destroyed. . . , Destroyed. . . ." Gao Win shouted, he looked like a man in a trance.

"Ye Chen dodge quickly" Xing Shenyi said to Ye Chen, she told Ye Chen to dodge Gao Win's attack.

If Ye Chen were to be hit by that attack, Ye Chen would definitely die, Xing Shenyi of course knew very well what Gao Win had just used.

This was a very powerful technique that could destroy anything very easily, if Ye Chen were to be hit by this technique, Ye Chen would definitely be completely crushed.

The earth hand was getting closer, it was getting hotter as it fell towards Ye Chen, this looks like a fire hand being dropped towards Ye Chen.

"boom" A huge explosion occurred as a huge hand hit the ground, this explosion swept away everything around this place.

"Arghhh" so many Elves were flying, they were swept away by the impact of the explosion.

Even though they were quite far away, they were still affected by Gao Win's attack.

"Cough. . , cough . . ." Xing Shenyi was also affected by the attack that had just taken place, Xing Shenyi was injured from the impact that occurred.

Luckily Xing Shenyi was a little further away, so the impact he felt wasn't too bad for her .

"Ye Chen. . ." Xing Shenyi was looking for Ye Chen's whereabouts, she was looking for Ye Chen's whereabouts.

Xing Shenyi looks very worried about Ye Chen's condition, she looks very worried about Ye Chen's condition, whether Ye Chen is okay or not, this is a question in Xing Shenyi's heart.

Unbeknownst to Xing Shenyi, Ye Chen had become quite a precious person, he had already occupied a space in Xing Shenyi's heart and became an important person to Xing Shenyi.

"Hahaha" Gao Win appeared from underground, the explosion just now had also injured Gao Win's body.

Even though it was Gao Win who had used the technique, in fact he was also affected by the attacks he used, this proved how much impact Gao Win's attacks had.

"It's all over, I'm the winner" Gao Win was overjoyed, he became the winner in this battle.

#### **Chapter 1750 Final battle against Gao Win**

"Gao Win, how dare you" Xing Shenyi pointed at Gao Win, she looked very angry towards Gao Win.

"Now that he's really dead, you probably won't even find his body" Gao Win said to Xing Shenyi.

Gao Win looked very satisfied, he seemed to really enjoy seeing Ye Chen being killed before his eyes.

The human who had dared to sully the goddess in his heart was gone, now Gao Win could get what he wanted.

Xing Shenyi gritted her teeth, she really wanted to fight Gao Win and started to crush this guy.

Xing Shenyi had never been this angry before, this was the first time she had been so angry and so resentful of someone.

"What's with that expression of yours, are you displeased with what I did, what I did for your happiness, I've made the person who dared slander you suffer the consequences" Gao Win said to Xing Shenyi.

Xing Shenyi looked very angry, she was angry with what Gao Win said about Ye Chen.

Ye Chen is not that kind of person, he is a very kind and very understanding person, Xing Shenyi likes the treatment Ye Chen gives her.

Unfortunately Gao Win had done something bad to Ye Chen, this made Xing Shenyi angry and annoyed with what Gao Win had done.

"What's with that expression of yours, you jump to conclusions too quickly" Ye Chen said to Gao Win.

Ye Chen emerged from the crater, he appeared in a very good state without any injuries on his body.

It was obvious that Gao Win's attack was unable to injure Ye Chen, Ye Chen was in 100% good condition.

Gao Win gaped when he saw what happened, such a powerful attack was still unable to injure this person, just how strong was Ye Chen, why was an attack with such strong destructive power unable to defeat him.

"Ye Chen" Xing Shenyi went towards Ye Chen, this time she hugged Ye Chen.

Xing Shenyi really gave herself to Ye Chen, she did this of her own volition.

"I'm glad you're safe" Xing Shenyi said to Ye Chen, Xing Shenyi was very happy when she found Ye Chen who was in good condition.

"I'm fine, don't cry like that" Ye Chen said to Xing Shenyi, he said to Xing Shenyi that everything is fine.

"You are really ruthless, you have worried me so much" Xing Shenyi said to Ye Chen, Ye Chen had worried her.

"I'm sorry" Ye Chen said to Xing Shenyi, Ye Chen apologized for what happened.

"It's okay, I'm happy that you're okay." Xing Shenyi was happy that Ye Chen was fine, that alone made Xing Shenyi feel happy.

"Bastard. . ." Gao Win was angry when he saw Ye Chen hugging Xing Shenyi, he was very angry when he found out Xing Shenyi was hugging Ye Chen very intimately.

"Why are you angry, don't you like seeing a partner do this, you should know that he is mine, I won't let you get him" Ye Chen said to Gao Win.

"I will take it back from you" Gao Win will reclaim Xing Shenyi, he will snatch what is his.

"You won't be able to do it" Ye Chen said to Gao Win, Gao Win would not get what Ye Chen already had.

Gao Win was provoked by Ye Chen's words, he started to attack Ye Chen and Xing Shenyi.

"Ye Chen, he's coming." Xing Shenyi said to Ye Chen, she told Ye Chen that Gao Win was coming.

"Don't worry, I will end this as soon as possible." Ye Chen would end it all, he would end this battle as soon as possible.

"Dimension Breaker" Ye Chen used Dimension Breaker, he used this power towards Gao Win.

Gao Win received the Dimension Breaker attack from Ye Chen, he was quite confident when he received Ye Chen's attack.

The current Gao Win has a very strong defense, he has a defense that is quite strong and is not easy for Ye Chen to penetrate, Ye Chen's attacks will not be able to self-destruct.

"You are too confident in your abilities, this will destroy you" Ye Chen said to Gao Win.

"I should have said that" Gao Win should have said that, Ye Chen was too confident in fighting himself, even though Ye Chen had no chance to win over him.

" feel this . . . , Cracks. . . ." A dimension crack appeared around Gao Win's body.

Gao Win's body stopped instantly as the dimensions around him cracked, the time around seemed to suddenly stop and Gao Win looked like a statue.

"Clanks. . ." Gao Win's stone-covered body cracked and broke into several pieces, the Dimension Breaker's power was able to destroy Gao Win's strong body very easily.

In front of the Dimension Breaker Gao Win looked like he had no defense, he was no different from an item that shattered with a single touch.

Xing Shenyi closed her eyes, she couldn't bear to see what happened to Gao Win, Xing Shenyi couldn't help but see what was happening.

" damn it . . ." Gao Win cursed, he was still alive after being crushed by Dimension Breaker.

Gao Win's body couldn't return, it seemed that his core strength had been destroyed and couldn't regenerate anymore.

"Your resistance only ends here" Ye Chen said to Gao Win.

The battle is over, Gao Win has lost and will not be able to continue the battle, even Gao Win's life is only a little.

"This bastard isn't finished yet, I will definitely repay you" Gao Win roared at Ye Chen, he continued to say inappropriate words and insults at Ye Chen.

Gao Win's voice started to become weak, at that instant Gao Win's consciousness disappeared and he disappeared from this world.

Gao Win's body turned into sand, it was blown away by a gust of wind and disappeared into the wind.

"Everything is done" Ye Chen said to Xing Shenyi, he told Xing Shenyi that everything was done.

"Yes, everything is done, I thank you for what you have done" Xing Shenyi thanked Ye Chen for what she had done.

"Just like that, is that how you thank me?" Ye Chen said to Xing Shenyi.

"What do you want?" Xing Shenyi asked Ye Chen, she asked what Ye Chen wanted.

"Hmmm, I think I just want you" Ye Chen said to Xing Shenyi.

Ye Chen wanted Xing Shenyi, he wanted Xing Shenyi who was in front of him.

Xing Shenyi's face turned red, she looked very embarrassed when she heard what Ye Chen said.

"Why do you always say such embarrassing things" Xing Shenyi complained to Ye Chen, Ye Chen always did such things, it was quite embarrassing for Xing Shenyi.

"Don't you want to ?" Ye Chen said to Xing Shenyi, Ye Chen was quite disappointed when he saw Xing Shenyi make a refusal.

"It's not like that, it's just that I'm not ready to do something like that." Xing Shenyi told Ye Chen that she wasn't ready, there were still a lot of things that Xing Shenyi hadn't done, so Xing Shenyi didn't want to rush things.

"Then I will wait for you" Ye Chen said to Xing Shenyi, he kissed Xing Shenyi who was in front of him.

Xing Shenyi was quite surprised when she saw what Ye Chen had done.
