

A True God 1751

Chapter 1751 Xing Shenyi changed the rules

Ye Chen kissed Xing Shenyi, the two started to have a very vulgar adult kiss.

Xing Shenyi didn't reject Ye Chen, she accepted what Ye Chen did.

"This feeling is very comfortable" Xing Shenyi felt that kissing was very comfortable, Xing Shenyi really liked what happened.

Ye Chen thought the same thing as Xing Shenyi thought, he felt a very comfortable feeling from kissing Xing Shenyi.

Ye Chen and Xing Shenyi started to sink into their own world, they had already forgotten what was happening to the surroundings.

"Slurp. . . ., Chu. . . ." Ye Chen as well as Xing Shenyi became more and more entangled, both of them becoming more and more entangled with each other and unwilling to let go of each other.

Ye Chen kissed a very beautiful Elf Queen, he was naturally very proud of what had happened.

"Ye Chen, you are really great" Xing Shenyi said to Ye Chen, she told Ye Chen that he felt a very comfortable feeling.

"Of course I will never disappoint you" Ye Chen said to Xing Shenyi.

Ye Chen would never let Xing Shenyi down, Ye Chen would do his best to make Xing Shenyi feel the most comfortable feeling in this world.

"I can't wait to feel what kind of feeling you will give me" Xing Shenyi wanted to know what kind of feeling Ye Chen gave.

"Are you ready for what is about to happen" Ye Chen said to Xing Shenyi, Ye Chen started to move his tongue very skillfully, he started a movement that could make someone like Xing Shenyi feel endless pleasure from his skills. .

"emmm . . ., what's this?" Xing Shenyi couldn't stand what Ye Chen did, she couldn't stand what Ye Chen did.

"Emmmm" Xing Shenyi let out a very seductive moan, she let out a very seductive moan and made Ye Chen even more excited.

Ye Chen started to get impatient, Ye Chen couldn't stand Xing Shenyi's voice.

"What are you two doing?" When Ye Chen and Xing Shenyi were in critical condition, Fan Fumi suddenly approached and asked what happened.

Seeing Fan Fumi's arrival, Xing Shenyi immediately pushed Ye Chen away, she didn't let Fan Fumi see what had happened to him and Ye Chen.

Ye Chen smiled at Fan Fumi, why did Fan Fumi come at a time like this, when it was such a great moment.

"We are discussing something" Ye Chen told Fan Fumi that they were discussing something very important.

"Sorry to bother you" Fan Fumi apologized for disturbing YE Chen and Xing Shenyi.

"It's okay" Xing Shenyi said to Fan Fumi, she didn't mind what happened.

"Then I'll go and see how things turn out." Xing Shenyi said to Ye Chen and Fan Fumi, she would go and see what happened to everyone.

"um" Ye Chen and Fan Fumi nodded, both letting Xing Shenyi go see what was going on around this place.

Xing Shenyi was still a Queen, so she was still responsible for what happened to this place.

"Ye Chen, just now you ?" Fan Fumi asked Ye Chen, she asked what Ye Chen and Xing Shenyi had just done.

"You must already know what I just did" Ye Chen said to Fan Fumi.

"You really have bad thoughts about Queen, aren't you afraid of receiving a punishment?" Fan Fumi asked Ye Chen.

"Hahaha, why would I be afraid of such a thing?" Ye Chen said to Fan Fumi, Ye Chen had never been afraid of that kind of thing, he had never been afraid of making connections with the opposite sex.

"You are very naughty," said Fan Fumi to Ye Chen, Fan Fumi saw that Ye Chen was very naughty.

"I was naughty from the start, and this bad boy wanted to eat the little Elf in front of him" Ye Chen pounced at Fan Fumi, he pounced at Fan Fumi.

"ahhh" Fan Fumi shouted, she screamed as Ye Chen pounced towards her.

Ye Chen started to touch Fan Fumi and made her feel a very comfortable feeling.

"Erm, Ye Chen wait a moment" Fan Fumi said to Ye Chen, he told Ye Chen to wait.

"Nothing, let's do it" Ye Chen took Fan Fumu away, he took Fan Fumi to a quiet and quiet place, all problems would be solved by Xing Shenyi and the others.

Xing Shenyi together with the others began to repair everything, they began to repair the damage done to this place.

Elders who were punished by Xing Shenyi, their power was erased from this world, their power and possessions were also confiscated.

Now they were nothing more than ordinary Elves who had no power.

Xing Shenyi also abolished the ranking system, now All Elves have the same status, only their titles are not abolished.

Xing Shenyi also gave a special territory to the Cursed Elves, now they got their own territory and could live together.

Xing Shenyi also hoped that if they could cooperate with each other, he needed the Cursed Elf's cooperation to strengthen the Elf, of course Xing Shenyi would give him a decent reward.

Xing Shenyi changed everything, he changed the existing system, this was a very big revolution.

The tree of life is starting to be restored, how to restore the tree of life is very easy, it only needs to use blessing earth essence to restore the tree of life.

"Erm, Ye Chen is really great" when things got better, Ye Chen was currently having fun with Fan Fumi, he gave his love to Fan Fumi.

Fan Fumi was in a bit of trouble, she alone wouldn't be able to beat Ye Chen, Fan Yima was still recovering so it was very likely that she wouldn't be able to help Fan Fumi against Ye Chen.

" husband, I'm is tired, let me rest" Fan Fumi said to Ye Chen, Fan Fumi asked to stop, she was no longer able to fight Ye Chen.

"Okay, then you can rest" Ye Chen said to Fan Fumi, Ye Chen let Fan Fumi rest, let him rest because Fan Fumi was very tired.

"Thank you very much" Fan Fumi thanked Ye Chen, she was grateful that Ye Chen had let her go.

"Let's see what Xing Shenyi is doing" Ye Chen wanted to see what Xing Shenyi was doing, he wanted to know what Xing Shenyi was up to, who knew Xing Shenyi was already in her spare time so he could tease her.

Ye Chen was looking for Xing Shenyi's whereabouts, he was looking for Xing Shenyi's whereabouts in the palace.

When Ye Chen just came out, he met many Elves, these Elves tried to seduce Ye Chen with the skills they had.

What happened had made Ye Chen into a hero, this made the Elf in Elven Village feel that Ye Chen was a cool man.

"All of you please calm down." The situation started to spiral out of control, Ye Chen immediately left and ran away from the pursuit of the beautiful Elves that surrounded him.

The female elves didn't let Ye Chen go, they chased after Ye Chen who ran away.

Ye Chen ran away, she fled to Xing Shenyi's place, in Xing Shenyi's place no one would dare to disturb Ye Chen

Chapter 1752 Ye Chen & Xing Shenyi (1)

Ye Chen arrived at Xing Shenyi's place, when Ye Chen arrived at Xing Shenyi's place, he found Xing Shenyi discussing something with her subordinates.

"Is everything okay?" Xing Shenyi wanted a report, she wanted a report on what had happened.

"Everything is in order, everything that was ordered by the Queen has been completed by you" Elf said that everything that was ordered by Xing Shenyi had been completed.

"That's very good, your work is very good." Xing Shenyi praised the performance of his subordinates, they had done their best to make everyone live happily.

"No, it's all thanks to Queen, it's because of you that everyone can feel the best, they now live much more peacefully than before, even lower-class Elves are getting resources" Elf praised Xing Shenyi's performance, what Xing Shenyi had done had made a very big change for all the Elves.

Xing Shenyi smiled, she was happy when he heard the praise given by the Elf in front of her.

"You can go" after receiving the praise from the Elf, Xing Shenyi told her to leave, this kind of praise would make Xing Shenyi become complacent.

"Okay, I'll go" Elf left, she left Xing Shenyi's room and returned to her work.

"Finally it's all settled, I'm glad it's over" Xing Shenyi was overjoyed that everything was over, finally everything was over and the situation returned to normal as before.

More precisely now that the conditions are getting better, the Elves throughout this place have gained a lot of benefits that are far greater than before, now the Elf's resources are very evenly distributed, so all the Elves get an abundant supply of resources.

Cursed Elves also benefited greatly, they benefited from Xing Shenyi because they had worked so hard to be able to provide the best for Elven Village.

They even started to form relationships with other Elves in Elven Village.

Some of the Elves were still unfamiliar with the black-haired Elves, all of them needed adjustment before they were ready.

"Looks like you are quite busy?" Ye Chen appeared behind Xing Shenyi, he immediately hugged Xing Shenyi who was in front of him.

"Ahhh. . ." Xing Shenyi shouted, she was surprised when someone suddenly hugged her.

"who?" Xing Shenyi immediately asked who had hugged her, she put up a fight and tried to chase away the person who had dared to hug her.

"It's me" Ye Chen whispered to Xing Shenyi, he told Xing Shenyi that it was him.

"Ye Chen, why did you do such a thing, it scared" Xing Shenyi said in a dissatisfied tone.

Xing Shenyi wasn't happy with what had just happened, she wasn't happy with what Ye Chen had just done.

"Though I just wanted to surprise you" Ye Chen said to Xing Shenyi.

"But not in this way" Xing Shenyi said to Ye Chen, what Ye Chen did was very shocking, Xing Shenyi even thought that someone else had touched her just now.

"I like doing that, you can't complain about this matter" Ye Chen said to Xing Shenyi.

Xing Shenyi couldn't help but protest, Ye Chen did all this to show his feelings for Xing Shenyi.

Xing Shenyi felt touched by what Ye Chen did, she felt very touched by Ye Chen's words.

"So what brings you here?" Xing Shenyi asked Ye Chen, he wanted to know the reason Ye Chen was in this place.

"I came here because of you, I want to take this beautiful goddess of mine" Ye Chen said to Xing Shenyi.

Ye Chen was frank, he said it was his goal to come to this place.

"Aren't you being too forthright about what you want" Xing Shenyi said to Ye Chen.

Ye Chen was too direct, this person was too honest with others, even Ye Chen was not embarrassed when he said vulgar words in front of Xing Shenyi.

"Of course, you promised yourself first, I'm only here to collect the promise you have made" Ye Chen said to Xing Shenyi, he was only here to collect Xing Shenyi's promise.

"Why don't you forget it" Xing Shenyi said to Ye Chen, why didn't Ye Chen forget what happened, she should have forgotten what happened.

"There's no way I'll ever forget what happened, what a beautiful woman like you promised is something rare and shouldn't be wasted" Ye Chen said to Xing Shenyi.

Xing Shenyi's face was immediately embarrassed when she heard what Ye Chen said, to be honest what Ye Chen said was very embarrassing.

"Please don't say something like that" Xing Shenyi said to Ye Chen.

Xing Shenyi was very embarrassed, she was embarrassed when she heard Ye Chen's praise.

Every woman will be weak when they are praised as beautiful, that is the weakness of every woman in this world.

Ye Chen started to be a little naughty, he touched Xing Shenyi with his fingers, with his skillful hands that could make women excited easily, Ye Chen intended to make Xing Shenyi lose control and become a pervert.

Xing Shenyi's body started to heat up, she felt her body heat up when Ye Chen touched her, Ye Chen's touch made Xing Shenyi feel very comfortable.

"Ye Chen, please stop." Xing Shenyi told Ye Chen to stop for a while.

"What is it?" Ye Chen asked Xing Shenyi, he wanted to know why Xing Shenyi told him to stop.

"Let's change location." Xing Shenyi said to Ye Chen.

This place is very vulnerable, there are many people who can come to this place at any time.

Xing Shenyi didn't want to make any more mistakes, that's why she looked for a safer place so that no one would disturb her.

"My Queen, tell me what kind of place do you want to visit?" Ye Chen asked Xing Shenyi, he asked what kind of place he wanted to visit.

"we can use my room" Xing Shenyi said to Ye Chen, they can use her room for more intimate relationship.

"Tell me the location" Ye Chen told Xing Shenyi to lead the way, he carried Xing Shenyi like a princess and carried her into the room.

Xing Shenyi told the way to her room, she was currently snuggled in Ye Chen's arms and felt a very comfortable feeling from Ye Chen.

"This feels very comfortable" Xing Shenyi felt a very comfortable feeling, she felt warm when being hugged by Ye Chen, this feeling made her heart beat faster.

Soon Xing Shenyi and Ye Chen would do that, Xing Shenyi wasn't fully prepared to do such a thing, he was still afraid of Ye Chen.

Ye Chen had extremely formidable strength, he had extremely formidable strength in that area, Xing Shenyi didn't believe he could match Ye Chen's immense strength.

Ye Chen quickly arrived at Xing Shenyi's room, inside this room there was a fragrant smell similar to the one on Xing Shenyi's body.

Ye Chen felt very refreshed when he smelled this smell, he was very happy with the fragrant smell that was in this place.

After arriving, Ye Chen laid Xing Shenyi on her bed, he laid Xing Shenyi down slowly so that Xing Shenyi could feel a more relaxed feeling.

After putting Xing Shenyi down, Ye Chen jumped on the bed, he jumped up and hugged Xing Shenyi who was under him.

Chapter 1753 Ye Chen & Xing Shenyi (2)

"Now no one can disturb us anymore" Ye Chen said to Xing Shenyi, from here no one will disturb them.

"You really are very excited." Xing Shenyi said to Ye Chen.

"Of course, how could I not be excited when I see a beautiful goddess like this" Ye Chen replied to Xing Shenyi.

Ye Chen was still a normal male, he would naturally be excited when he saw a beauty like Xing Shenyi.

Xing Shenyi was an extremely perfect Elf, she truly had a very strong beauty and body and was also very seductive.

Her body was created to fascinate men, she is a masterpiece of splendid beauty.

Xing Shenyi turned her attention to hers, she looked very embarrassed when she looked at Ye Chen, Ye Chen was like a hungry wolf that had its prey.

Since there was not much time, Ye Chen immediately started, Ye Chen first teased Xing Shenyi's most sensitive point, Xing Shenyi's most sensitive point was the ear.

"Ahhh, no, don't be there." Xing Shenyi couldn't stand it when Ye Chen touched that part, ears were a very weak thing and made Xing Shenyi quickly reach the peak.

"What's wrong?, is this comfortable?" Ye Chen asked to know Xing Shenyi's reaction, more precisely Ye Chen wanted to see what kind of reaction Xing Shenyi showed when Ye Chen touched his ears and stimulated them.

"This feels really weird." Xing Shenyi was confused, she was flustered when Ye Chen touched her.

"You don't have to hold back" Ye Chen said to Xing Shenyi, Ye Chen told Xing Shenyi not to hold back, let it flow like water, then Xing Shenyi would get what he was looking for.

"Even if you say that" Even though Ye Chen said that, Xing Shenyi still couldn't do it, she was still a little stiff when it came to having sex with the opposite sex.

"Relax, don't think too much about it, I will teach you to be a woman" Ye Chen said to Xing Shenyi.

Ye Chen told Xing Shenyi to enjoy more, that way Xing Shenyi could get what she was looking for as a woman.

Xing Shenyi tried to calm herself down, she tried to calm down even more so she could have more fun.

As Xing Shenyi tried to enjoy more, he found much greater enjoyment, the way Ye Chen treated herself was simply amazing, this made Xing Shenyi feel incomparable pleasure.

"Ahhh. . ., I'm already in the limit" in just a matter of minutes, Xing Shenyi had already reached the peak, Ye Chen's skills were indeed unmatched.

Xing Shenyi was instantly helpless, she was instantly helpless when she received successive attacks from Ye Chen.

"Looks like he's not in the mood" Ye Chen saw that Xing Shenyi wasn't excited, she wasn't excited when she was with Ye Chen.

"Let's use the Passion Goddess technique." Ye Chen wanted to use the Passion Goddess technique on Xing Shenyi, so that Xing Shenyi could be more excited and not afraid anymore.

When Ye Chen used the Passion Goddess technique Xing Shenyi started to get excited, the strength in his body disappeared and he became very passionate.

"What happened?" Xing Shenyi started to feel a strange feeling, she felt a strange feeling when Ye Chen used the Passion Goddess technique.

Xing Shenyi felt very excited, she felt very excited.

Xing Shenyi wanted to express herself, she wanted to let go of everything that had been buried for a very long time.

"Ye Chen" Xing Shenyi hugged Ye Chen's neck, she hugged Ye Chen's neck and started kissing Ye Chen.

what Xing Shenyi did was very bold, she became a very aggressive woman towards Ye Chen.

Ye Chen was quite happy when he saw this, Xing Shenyi was finally willing to be honest with herself.

Ye Chen followed Xing Shenyi's style of play, Ye Chen did his best to keep up with Xing Shenyi.

Xing Shenyi's hands started to be dishonest, she started to be dishonest towards Ye Chen's body.

"You have become so brave," Ye Chen said to Xing Shenyi.

"Ye Chen, quickly give it to me" Xing Shenyi said to Ye Chen, Xing Shenyi wanted Ye Chen.

"Then why don't you do it yourself" Ye Chen said to Xing Shenyi.

Ye Chen told Xing Shenyi to start, he let Xing Shenyi take the lead.

"Alright" Xing Shenyi nodded, she would do what she could.

Xing Shenyi's knowledge is of course quite a lot, she naturally knows what to do between couples.

Xing Shenyi stripped Ye Chen of clothes, Xing Shenyi was quite skilled, she was able to disarm Ye Chen quickly.

"pretty skilled" Ye Chen had to admit that Xing Shenyi had abilities, she had pretty good basic skills.

After being disarmed by Xing Shenyi, Xing Shenyi looked at Ye Chen's who was already very excited.

"Is this excited because of me" Xing Shenyi said to Ye Chen, she started to play with Ye Chen's with her very soft hand.

"Oh. . ." Ye Chen groaned, he felt Xing Shenyi's comfortable smooth hand.

Xing Shenyi actually played Ye Chen's little brother using both hands.

"It's because you are too beautiful, I can't stand it." Ye Chen said to Xing Shenyi, he told Xing Shenyi about what happened.

"I am very happy with what you said" Xing Shenyi was very happy with what Ye Chen said, she was very happy with Ye Chen's praise.

"I will give you a present" Xing Shenyi said to Ye Chen, she intended to give a present to Ye Chen.

Xing Shenyi no longer held back, and with Xing's powerful Passion Goddess technique, she showed a side that she had never shown to outsiders.

Xing Shenyi started to use the double peaks that she had, after which she used her small mouth to serve Ye Chen.

Ye Chen's little brother was eaten by Xing Shenyi, it felt very comfortable for Ye Chen.

Xing Shenyi's skills weren't bad, at least she had a very good foundation.

"The suction power is terrible." Ye Chen felt that the suction force was very strong, Xing Shenyi sucked in Ye Chen's power very quickly.

"Wait a moment?" Ye Chen stopped Xing Shenyi.

"What's wrong?, are my skills not good?" Xing Shenyi asked Ye Chen, she asked if his skills were not good so Ye Chen was uncomfortable.

"You. . . , do you want to suck your husband dry" Ye Chen said to Xing Shenyi.

Ye Chen told what happened, what Xing Shenyi did was not right.

"I'm sorry, I didn't mean to" Xing Shenyi apologized to Ye Chen, she didn't mean to do such a thing, she was too excited to do that.

"Then I will make up for it." Xing Shenyi said to Ye Chen, she would make up for what she had done earlier.

Xing Shenyi gathered pure energy around herself, she injected the energy into Ye Chen.

"Can she do such a thing?" Ye Chen felt very refreshed, he didn't expect that Xing Shenyi could do something like this.

Ye Chen felt pure energy filling him, it was extremely rich and the amount made Ye Chen feel like he was in the highest place in this world.

"Is this one of your hidden abilities?" Ye Chen asked Xing Shenyi who was serving his little brother.

"Of course, only I can do such a thing" Xing Shenyi said to Ye Chen.

"You Elves are truly terrifying, you have great abilities." Ye Chen saw a potential he had never seen before.

"There's still a lot more I can do" Xing Shenyi said to Ye Chen, Elves are very special, it's not strange that they try to hide themselves from humans.

"Is this one of the reasons why you are hiding in this place" Ye Chen said to Xing Shenyi.

Xing Shenyi stopped, she looked at Ye Chen with her crystal clear eyes.

"That's true, in the past Elves were often made slaves by gods and humans, that's why our ancestors made this place far from gods and humans." Xing Shenyi told Ye Chen the past, she told that in the past the Elf in made slaves by gods and men.

"I see, you all have great abilities, if greedy people come, they will definitely do bad things" Ye Chen said to Xing Shenyi.

"Fortunately you are not a bad person" Xing Shenyi said to Ye Chen.

"How do you know that I'm not evil, you should know that I'm a wolf that will eat you" Ye Chen said to Xing Shenyi.

"if you are evil, you will not help me to that extent, even you help the long discarded Cursed Elf, that is enough to prove you are a good person" Xing Shenyi smiled at Ye Chen, she showed a very very beautiful.

Ye Chen was blown away by the smile that Xing Shenyi just showed, his smile was very beautiful.

Ye Chen couldn't stand it, he pounced on Xing Shenyi who was in front of him.

"Ah. ." Xing Shenyi was surprised by what Ye Chen did.

"What are you doing?" Xing Shenyi asked Ye Chen.

"It seems that I have determined my third wish" Ye Chen said to Xing Shenyi who was below him.

"What's that?" Xing Shenyi asked Ye Chen, she wanted to know the third wish that Ye Chen had.

"I want you to be my wife, do you want to?" Ye Chen said as he took Xing Shenyi's hand.

Xing Shenyi's face immediately turned red, she immediately blushed when she heard Ye Chen's proposal.

"Why don't you answer it?" Ye Chen asked Xing Shenyi, he wanted an answer from Xing Shenyi.

Chapter 1754 Ye Chen & Xing Shenyi (3)

"I was both embarrassed and moved when I heard what you said." Xing Shenyi was both embarrassed and moved, this was the first time she had received a proposal like this from the opposite sex.

"I hope you answer quickly" Ye Chen said to Xing Shenyi, he really meant his words.

"Um. . ." Xing Shenyi nodded, herself nodded and accepted Ye Chen.

"Very good, I will not let you go" Ye Chen said to Xing Shenyi, Ye Chen will not let Xing Shenyi go, from now on Ye Chen will get Xing Shenyi.

Ye Chen couldn't take it anymore, he was going to take Xing Shenyi who was in front of him.

All preparations are ready, it's time to start the real event, Ye Chen will take over the first time Xing Shenyi.

Ye Chen started to break through Xing Shenyi's defense, he broke through Xing Shenyi's gate which was still tightly sealed.

"Erm" Xing Shenyi felt a pain when Ye Chen's possession broke through her defenses, it was excruciatingly painful when such a big thing came in.

"Ahhh. . . , this is very painful." Xing Shenyi said that it was very painful, she felt a stinging pain.

"Calm down, it will be over soon" Ye Chen said to Xing Shenyi, Ye Chen said that the pain would disappear soon.

"I can't believe it, it hurts so much" Xing Shenyi said to Ye Chen, Xing Shenyi felt the pain unbearable, she felt the pain from Ye Chen's big object.

"I definitely didn't lie to you" Ye Chen tried to reassure Xing Shenyi, he reassured Xing Shenyi that it would be convenient.

Xing Shenyi tried to believe what Ye Chen said, she tried to hold herself together until the pain went away.

A moment later, the pain had indeed disappeared, Xing Shenyi felt an itchy feeling all over her body.

"Emmm, Ye Chen looks like you can start" Xing Shenyi gave a green signal for Ye Chen, she allowed Ye Chen to do it.

"Get ready, this is going to be great" Ye Chen said to Xing Shenyi.

Ye Chen moved, he started a back and forth motion and started to ruffle Xing Shenyi.

"Emmm. . ." Xing Shenyi started to make a seductive voice, she started to feel her mind soar to the sky, she felt the most intense feeling in this world.

"This feeling is so great, I can't believe that there is such a feeling." Xing Shenyi couldn't believe that there was such a feeling, it felt really good.

"Oh, I'm getting addicted, my mind is starting to go blank" Xing Shenyi couldn't think straight, she began to sink into endless lust.

What Ye Chen did was very enjoyable, of course Xing Shenyi really liked this.

Every time Ye Chen reached the deepest point, Xing Shenyi's body would jolt and an intense pleasure would spread throughout Xing Shenyi's body.

"It keeps pulling me" Ye Chen sensed that Xing Shenyi kept pulling him, Xing Shenyi didn't let Ye Chen go so easily.

Xing Shenyi had narrow walls and was full of very strong grip, this made Ye Chen a little difficult to put up a fight.

For alone Ye Chen was stronger than normal men, so he could still survive Xing Shenyi's attacks.

Honestly, Xing Shenyi had great innate talent, she could make Ye Chen feel good even though it was the first time.

If Xing Shenyi wanted to develop her talents, then Ye Chen was sure that Xing Shenyi could be even better.

"Why does every Elf have such rich Yin Qi?" Ye Chen saw that Xing Shenyi had very rich Yin Qi, they could produce their own Yin Qi in huge quantities.

This makes Dual Cultivation efficient, Elf is a very good partner in Dual Cultivation.

it is not strange that in the past elves would be made slaves, they have very great abilities, there must be a lot of people who will look for them to be slaves.

Luckily Ye Chen wasn't like that, Ye Chen already had Fan Fumi, Fan Yima and now a perfect Elf like Xing Shenyi, Ye Chen didn't need that anymore, he had enough of these three beauties.

"How do you feel?" Ye Chen asked Xing Shenyi, Ye Chen wanted to know how Xing Shenyi felt.

"Erm, I don't know, it can't be described in words" Ye Chen said that this feeling couldn't be explained with words.

"Do you like this feeling?" Ye Chen asked if Xing Shenyi liked the feeling that Ye Chen had given.

"Of course, I really like this feeling" Xing Shenyi really liked the feeling that Ye Chen gave, she really liked the feeling that Ye Chen gave, for Xing Shenyi this felt very good.

"I like it too, let's get to know it more deeply" Ye Chen started to speed up his movements, he used the power of various movements to make Xing Shenyi feel the highest pleasure.

Xing Shenyi was getting wilder, she was completely limp by what Ye Chen did.

Xing Shenyi wanted Ye Chen to stop for a while, the problem was that her body didn't want to do that kind of thing, Xing Shenyi's body really liked the feeling of Dual Cultivation with Ye Chen.

"Hehehehe" Ye Chen was overjoyed, Xing Shenyi fell more and more into him, soon Xing Shenyi will definitely belong to Ye Chen.

Ye Chen's hands and mouth began to play with the double peaks below, the bouncing double peaks began to be touched and sucked by Ye Chen.

"you. . ." Xing Shenyi couldn't stand it, she couldn't defend herself against Ye Chen's huge attack like that, Ye Chen's attack was very difficult to resist.

"Ahhhh" Xing Shenyi reached the peak, she actually looked very satisfied with Ye Chen.

"Let's change positions." Ye Chen invited Xing Shenyi to change their positions.

"Um. . ." Xing Shenyi nodded, she followed Ye Chen's request to change positions.

Ye Chen taught Xing Shenyi various positions, both of them tried different positions to get more fun.

Xing Shenyi was easy to learn every move, she was able to adapt very easily.

Xing Shenyi's last position was to ride Ye Chen's body, Ye Chen let Xing Shenyi take over the reins.

That way Xing Shenyi could adjust her abilities to deal with Ye Chen.

"This is great, husband, your big thing is really great." Xing Shenyi praised Ye Chen, she admitted that Ye Chen had something really great.

Ye Chen smiled at Xing Shenyi, as time went on, Xing Shenyi became more and more skilled, Ye Chen found herself a move that she could use against him.

"It's too comfortable I can't stand it." Ye Chen couldn't take it anymore, he couldn't hold on after receiving Xing Shenyi's attack for a long time.

Xing Shenyi saw the changes made by Ye Chen, it seemed that Ye Chen was already at his limit.

"Husband, let's be together." Xing Shenyi said to Ye Chen, she wanted to be with Ye Chen.

"Alright" Ye Chen nodded, he started to move and resist Xing Shenyi's invasion.

The two of them both made a movement, this made both of them feel a great sense of comfort.

"Byurrr. . ." Ye Chen and Xing Shenyi simultaneously reached the peak, they both finally obtained happiness.

Ye Chen's Yang Qi essence filled Xing Shenyi, Xing Shenyi's body felt very warm, she felt a comfort that made her body feel very comfortable.

Ye Chen gave a fairly large amount of Yang Qi Essence, Xing Shenyi was full of this.

After the great pleasure, Xing Shenyi lay on Ye Chen's chest, Xing Shenyi looked utterly exhausted.

Ye Chen let Xing Shenyi rest for a while, he would let Xing Shenyi rest before continuing the second battle.

After Xing Shenyi improved, Ye Chen continued the second battle.

"Ye Chen, you. . . ? ?" Xing Shenyi didn't expect that Ye Chen would start the second round, Ye Chen's stamina was enormous.

"Hahaha, this is just the beginning, so let's enjoy it to the end" Ye Chen said to Xing Shenyi.

Ye Chen told Xing Shenyi that everything was just the beginning, they could enjoy this until the end.

"No, you really aren't normal" Xing Shenyi complained, herself complaining to the abnormal Ye Chen.

Ye Chen had abnormal abilities, he had above average human abilities which made Xing Shenyi tired.

Elves are usually stronger than humans, they have great survivability in bed and it is not easy for humans to defeat them.

But under Ye Chen, Xing Shenyi was completely helpless, herself helpless when faced with Ye Chen's extremely powerful little brother.

"Hahaha, I'm not an opponent you can underestimate" Ye Chen said to Xing Shenyi.

Ye Chen was an opponent that was not easy to be underestimated, he was an opponent that was not easily underestimated by women, even dozens of women had to think twice before being able to beat Ye Chen.

Ye Chen's spirit is still burning like fire, he is still very excited when facing Xing Shenyi, Xing Shenyi's beauty is the best fuel for Ye Chen, this makes Ye Chen very excited when facing Ye Chen with all his abilities.

"Ahhh. . ." Xing Shenyi shouted, she could only surrender to Ye Chen's attack, she let Ye Chen do what he wanted.

"With this kind of ability, how many women can beat him?" Xing Shenyi thought about how many women it would take to defeat Ye Chen.

She herself couldn't possibly win, Xing Shenyi thought that winning alone was a very difficult thing for Xing Shenyi.

Ye Chen continued to treat Xing Shenyi well, Ye Chen made sure not to hurt Xing Shenyi and made her feel the most comfortable feeling.

Chapter 1755 Ye Chen wants to leave Elven Village

Almost 1 month had passed, Ye Chen spent his time traveling together with Fan Fumi.

And also looking for new things together with Xing Shenyi and Fan Yima, Ye Chen enjoyed staying in Elven Village for a while.

Ye Chen actually wanted to go back, unfortunately he was restrained by Xing Shenyi, Xing Shenyi forbade Ye Chen to come back too soon, because Xing Shenyi needed Ye Chen's help to solve the problem.

Ye Chen couldn't leave, he couldn't leave because he was restrained by Xing Shenyi, he couldn't leave his woman who was in trouble.

That's why Ye Chen stayed in this place until the time was right, after which Ye Chen would leave and return.

Ye Chen's influence in Elven Village has become very strong, Ye Chen has a strength that makes himself respected by the existing Elves, so Ye Chen's position in Elven Village is very important.

In this one month Xing Shenyi, Fan Fumi and Fan Yima became more and more beautiful, the three of them had been moistened by Ye Chen, this made them look more and more beautiful.

Xing Shenyi was very charming, her mature charm was getting more and more radiant, this made her a very beautiful and charming Elf Goddess, normal men would definitely not be able to look at Xing Shenyi directly.

Fan Fumi's cute also started to grow, her two double peaks became bigger and bigger, all parts of her body grew and she looked more mature than before.

Fan Yima herself The more sexy she looks, the more powerful her charm , she sometimes uses her strong charm to seduce Ye Chen.

Ye Chen sometimes couldn't stand this temptation, in the end Ye Chen pounced on Fan Yima.

Ye Chen enjoyed the peaceful times , Ye Chen's mind was finally able to refreshing.

Ye Chen had already found what he was looking for, after 1 year in God Realm, Ye Chen had managed to get the antidote for Ling Yin and Fu Lanling.

"Ye Chen when are you coming back?" Fan Fumi asked Ye Chen.

"Maybe in a little while" Ye Chen may be leaving in the near future, he must immediately return to God Realm to give the antidote.

"Can I come with you?" Fan Fumi asked Ye Chen, she wanted to come with Ye Chen.

"Are you sure?" Ye Chen asked Fan Fumi.

"Yes, I'm sure." Fan Fumi said to Ye Chen, Fan Fumi was very sure, she wanted to go to God Realm.

"Of course, I will take you, but is it okay for Yima and Shenyi?" Ye Chen asked Fan Fumi.

Ye Chen might be able to bring Fan Fumi, the problem was whether Fan Yima and Xing Shenyi would allow Ye Chen to do such a thing.

"You don't have to worry, they will definitely allow me" Fan Fumi said to Ye Chen, Fan Fumi was very sure that Xing Shenyi and Fan Yima would allow Ye Chen.

"Then let's meet them." Ye Chen intended to meet Xing Shenyi and Fan Yima.

"Let's go." Fan Fumi nodded, the two of them went to where Xing Shenyi and Fan Yima were.

Fan Yima is now Xing Shenyi's assistant, she is doing very well under Xing Shenyi's management, Fan Yima was forced to leave her job and position.

"husband what do you need?" Xing Shenyi asked Ye Chen, she asked what Ye Chen needed.

"I want to say something to you two" Ye Chen said to Xing Shenyi, he wanted to say something to Xing Shenyi and Fan Yima.

" what's that?" Xing Shenyi asked Ye Chen.

"I will return to God Realm with Fumi" Ye Chen said to Xing Shenyi and Fan Yima.

"Why so rush?" Xing Shenyi said to Ye Chen.

"I have to immediately give the antidote I got to someone, I hope you guys can understand this" Ye Chen said to Xing Shenyi to Fan Yima.

Fan Yima and Xing Shenyi looked at each other, they both sighed when they heard what Ye Chen said.

"Looks like we can't hold you back anymore" Fan Yima said to Ye Chen, right now Fan Yima and Xing Shenyi couldn't hold Ye Chen, both of them could no longer hold back what Ye Chen wanted.

"I really apologize to you guys" Ye Chen said to Xing Shenyi and Fan Yima.

"It's okay, we both can understand what you're doing." Xing Shenyi and Fan Yima could understand what Ye Chen was doing, both could understand that Ye Chen had his own problems in God Realm.

"Thank you for understanding" Ye Chen said to Xing Shenyi and Fan Yima.

"I hope you visit us often" Fan Yima said to Ye Chen.

"Of course, I will definitely do it" Ye Chen said to Fan Yima.

"Is it possible, Elven Village only opens once in a thousand years, can you do that?" Xing Shenyi said to Ye Chen.

"Of course I can do that, what can't I do?" Ye Chen asked Xing Shenyi.

Xing Shenyi gawked when she heard this, she didn't expect that Ye Chen could do such an impossible thing.

Ye Chen has obtained Dimensional power, he can go wherever he wants,

Ye Chen just needs to train harder to use the technique, that way Ye Chen can better use the power he has.

"The matter has been resolved, then you can take Fumi with you" Xing Shenyi said to Ye Chen.

because Ye Chen said that, Xing Shenyi could no longer stop Ye Chen, she allowed Ye Chen to leave.

"Husband, make sure you take good care of Fumi, humans will definitely do bad things to Fumi" Fan Yima said to Ye Chen, he asked Ye Chen to take care of Fan Fumi.

"Don't worry, I'll make sure she's fine, I won't let anyone hurt or do anything bad to her" Ye Chen said to Fan Yima.

"I believe in you" Fan Yima replied to Ye Chen.

"Then when are you leaving?" Xing Shenyi asked Ye Chen, Xing Shenyi asked when Ye Chen would leave, she was quite curious when Ye Chen would leave.

"Maybe 2 days" Ye Chen had found the right time, he would leave in 2 more days.

"Then I will prepare everything" Xing Shenyi will prepare everything, she will go and prepare everything.

"No need to bother too much" Ye Chen said to Xing Shenyi, Ye Chen didn't want to bother Xing Shenyi,

"then what do you want" Xing Shenyi asked Ye Chen.

"maybe I want you guys" Ye Chen said to Xing Shenyi, Fan Yima and Fan Fumi.

Xing Shenyi, Fan Yima and Fan Fumi blushed, they looked embarrassed when they listened to what Ye Chen had to say.

"Ye Chen, you, how can you do such a thing" Fan Fumi said to Ye Chen, Ye Chen was always like this, she always wanted to do embarrassing things.

"What's the matter, you three already know each other" Ye Chen said to Xing Shenyi, Fan Yima and Fan Fumi.

"husband, you is insensitive" Xing Shenyi said to Ye Chen, Ye Chen was insensitive, obviously Fan Fumi and Fan Yima would be embarrassed, they probably wouldn't be able to do that considering Xing Shenyi is Queen.

It would be a shame to do such a thing with the Elf Queen who had such high power and position.

Chapter 1756 Sun Xuanyin and Hai Ming discuss cooperation

" Not sensitive?" Ye Chen asked Shenyi , Ye Chen asked what Xing Shenyi meant.

"Never mind, I don't want to explain" Xing Shenyi said to Ye Chen, Xing Shenyi was embarrassed to explain what happened, that's why Xing Shenyi decided not to continue this matter.

Xing Shenyi knew very well what Ye Chen was like, Ye Chen would definitely get her in big trouble, this man was always like that, he often made Xing Shenyi do such embarrassing things.

Ye Chen was disappointed, it seemed that he couldn't lure Xing Shenyi out, if Ye Chen could lure Xing Shenyi out, then it would be great for Ye Chen.

Ye Chen still had 2 days left, he would use the time he had to do whatever he wanted.

Ye Chen would spend his time together with Xing Shenyi, Fan Yima and also Fan Fumi.

Somewhere else.

Sun Xuanyin was currently in her room, waiting for the latest news from Mask Hero.

Sun Xuanyin desperately wanted to take revenge on Ye Chen, which was why she tried her best to find Ye Chen's whereabouts.

Sun Xuanyin naturally knew that finding Ye Chen's whereabouts would be a difficult thing to do, unfortunately she had no other choice.

"This fellow, he hides himself too well" Sun Xuanyin was annoyed, she was annoyed with Ye Chen being too good at hiding himself, this made Sun Xuanyin unable to find him.

If Sun Xuanyin can find Ye Chen, then she can get a great strength increase, Yang Qi Ye Chen can make Sun Xuanyin invincible.

Sun Xuanyin was the same as Sun Quan, she was quite obsessed with strength, this made her want to get anything that could make her strength rise.

"Goddess Sun" A maid came in, she said to Sun Xuanyin who was busy thinking about Ye Chen's whereabouts.

" what is it?" Sun Xuanyin asked the maid who had just arrived.

Sun Xuanyin's tone seemed extremely high-pitched, from her tone alone, one could tell that Sun Xuanyin was not in a good mood.

The maid immediately freaked out, she was quite scared when she saw the angry Sun Xuanyin.

"I just wanted to let you know that Hai Ming came to see you." The maid informed Sun Xuanyin that Hai Ming had come to see her.

"Hai Ming, what brought him to my place, it's not usually someone like that would come to see me" Sun Xuanyin said to herself.

Sun Xuanyin didn't know what kind of motive Hai Ming wanted to pursue, this man definitely wouldn't come to his place without a purpose.

"Goddess Sun, if you don't want to see her then I'll make up an excuse" the maid said to Sun Xuanyin.

"That's not necessary, you don't need to make up an excuse like that, I'll go and see him" Sun Xuanyin said to the maid.

Sun Xuanyin was going to meet with Hai Ming, she wanted to know why Hai Ming had come to her place, surely Hai Ming had important business with her.

"Okay, I will immediately go and inform young master Hai Ming" the servant left Sun Xuanyin.

"Hai Ming, what brought you here?" Sun Xuanyin guessed where Hai Ming had come to meet her.

There was no way Hai Ming could do this kind of thing, this man must be up to something.

Sun Xuanyin left, she went and met with Hai Ming.

Hai Ming waited for Sun Xuanyin in a room, he sat with a glass of tea on the table.

Hai Ming's condition had not yet fully recovered, the battle with Ye Chen had inflicted quite severe injuries on Hai Ming.

"What made Prince Hai come to my place?" Sun Xuanyin directly asked what Hai Ming needed.

"I am here to discuss business with you" Hai Ming said to Sun Xuanyin.

"What kind of business?, if it's interesting I'll listen to it" Sun Xuanyin asked what kind of business Hai Ming wanted, if the business Hai Ming said was good, Sun Xuanyin would gladly listen to it.

"I thought you would definitely listen to this," Hai Ming said to Sun Xuanyin.

Sun Xuanyin smiled, she was more and more curious about what Hai Ming wanted.

"I want to discuss the Mask Hero with you." Hai Ming announced his intention to come to this place.

"So that's why you came to this place, what does that have to do with me anyway?" Sun Xuanyin replied to Hai Ming.

"Goddess Sun, don't lie to me, I know that you have a grudge with that person too, I'm here trying to cooperate with you" Hai Ming said to Sun Xuanyin.

"Cooperating?, what exactly do you have?" Sun Xuanyin said to Hai Ming.

Sun Xuanyin had already begun to understand what Hai Ming wanted, this man actually wanted to try to cooperate against the Mask Hero with her.

"I have an interesting information and offer for you. If you want then I will give it to you" said Hai Ming to Sun Xuanyin.

" information?" Sun Xuanyin became intrigued, she was intrigued by the information that Hai Ming was about to provide.

"Yes, that is absolutely true," Hai Ming said to Sun Xuanyin.

"Then the prize?" Sun Xuanyin asked Hai Ming.

"I thought that if you were to ask about this matter, you would definitely not let this matter off so easily" Hai Ming said to Sun Xuanyin.

Hai Ming knew very well about Sun Xuanyin, this woman would definitely not want to make a move without something good.

Hai Ming took out something, he took out a box the size of a palm and showed it to Sun Xuanyin.

"What is it, quickly open it now?" Sun Xuanyin told Hai Ming to open it, he wanted to know what Hai Ming brought.

Hai Ming opened the box in his hand, it turned out that the box in Hai Ming's hand contained a pearl.

"Sea Column Pearl!" Sun Xuanyin mumbled, she seemed to know what Hai Ming had just released.

"How are you interested or not?" Hai Ming asked Sun Xuanyin.

"Why are you doing something like this, can't you do it yourself?" Sun Xuanyin said to Hai Ming.

"If I could have done it myself, I would have already left, my condition is still not fully recovered, plus I still have an event with my fiancée" Hai Ming said to Sun Xuanyin.

"You also know my condition, I just got punished, if I do something wrong again, then I will definitely get more punishment" Sun Xuanyin said to Hai Ming.

"Is Goddess Sun afraid of a punishment, I didn't expect this?" Hai Ming said to Sun Xuanyin.

" you . . ." Sun Xuanyin raised her eyebrows, this man in front of her was truly very skilled, it seemed that the heir to the throne of the Immortal Profound Sea Realm was indeed worthy of being compared with Sun Xuanyin.

Sun Xuanyin thought of the offer Hai Ming had given her, Sun Xuanyin was weighing the matter.

Sun Xuanyin was not an easy person to use, she made sure that she would not be used by Hai Ming.

Sun Xuanyin preferred to use other people, she would not allow Hai Ming to use her.

"Unfortunately the gift you gave wasn't sincere enough, so I won't do that." Sun Xuanyin made another bargain with Hai Ming, she began to show her extremely strong Charm.

"Damn, this woman" Sun Xuanyin's charm was so strong, Hai Ming's mind was almost controlled by Sun Xuanyin.

Chapter 1757 Sun Xuanyin register in to Nine Immortals Peak Sect

Sun Xuanyin's Charm was indeed extremely strong, a normal male would definitely not be able to withstand Sun Xuanyin's abilities.

Sun Xuanyin tried to confuse Hai Ming, Hai Ming started to get a little flustered as he faced Sun Xuanyin.

Hai Ming tried his best to hold on, himself thinking of something else to get his mind off of Sun Xuanyin.

"Not bad, it turns out that you can fight against my Charm." Sun Xuanyin praised Hai Ming's abilities, Hai Ming was able to withstand Sun Xuanyin's strong Charm.

"Goddess Sun, you don't have to do such a thing, I won't be easily tricked by you, so whether you want to or not with the offer I made," Hai Ming said to Sun Xuanyin.

Hai Ming must not be deceived by this demoness's abilities, lest he be deceived by Sun Xuanyin.

"You are so stingy, I don't think I can bargain with you," Sun Xuanyin said to Hai Ming.

"Give me your answer right now" Hai Ming told Sun Xuanyin to give her answer right now, otherwise Hai Ming would just look for someone else.

"Okay, I will accept your offer." After thinking for a while, Sun Xuanyin felt that if there was nothing to lose in this matter, there was nothing to lose for Sun Xuanyin to accept this cooperation.

Sun Xuanyin obtained information as well as gifts from Hai Ming, this was already good enough for Sun Xuanyin.

"Very good." Hai Ming looked pleased as he listened to what Sun Xuanyin had to say, he was happy to see Sun Xuanyin accept his offer.

Since Sun Xuanyin had accepted his offer, then Sun Xuanyin would definitely go find the Mask Hero, as long as Hai Ming could obtain this information, he would do everything.

Hai Ming couldn't let go of Ye Chen, what Ye Chen did had an imprint on Hai Ming's memory and heart, this was a demon that would hinder Hai Ming from doing everything, that's why Hai Ming needed a way to get rid of the demon in his heart.

That meant Hai Ming needed to kill and eliminate Ye Chen from this world.

The two of them made an agreement, both of them would exchange the information they had with each other.

"So tell me the information you have, don't disappoint me" Sun Xuanyin said to Hai Ming.

"Alright, the person you are looking for is in the Sky Cloud Peak Star Realm, to be precise he is in the Nine Immortals Peak Sect," Hai Ming said to Sun Xuanyin.

"Are you sure about this matter?" Sun Xuanyin asked Hai Ming.

"Of course I'm sure, he must be hiding among those disciples, it took a long time to find him, but if it was Goddess Sun, maybe it would be easy to do" Hai Ming said to Sun Xuanyin.

Sun Xuanyin's abilities were unquestionable, she should be able to find much more detailed information on this matter.

Sun Xuanyin had formidable techniques, any normal male could be controlled by this woman, seeking information in the Nine Immortals Peak Sect was something that should have been very easy to do.

Sun Xuanyin thought, if really the person she was looking for was in this place, then maybe Sun Xuanyin had a chance to find her.

"Waiter, quickly bring me information about the Nine Immortals Peak Sect." Sun Xuanyin told the maid to find information about the Nine Immortals Peak Sect.

"Okay" The maid left, he looked for the information Sun Xuanyin needed.

"Why do you really believe that person is in the Nine Immortals Peak Sect?" Sun Xuanyin asked Hai Ming.

"My father's people have already searched for traces of that person, although he is very skilled at concealing himself, we managed to trace a few traces of him, and the most traces that can be found are in the Nine Immortals Peak Sect" Hai Ming said.

"Then why don't you attack the Nine Immortals Peak Sect, then he will definitely come out" said Sun Xuanyin to Hai Ming.

"Do you think that method will work, he will definitely not come out so easily, that person probably won't care and will instead find a new place to hide from us" said Hai Ming to Sun Xuanyin.

"Maybe that's true too." Sun Xuanyin agreed with what Hai Ming said, it could have happened, the Mask Hero might not have appeared and instead would have gone and fled.

It would instead be another job for Hai Ming to find Ye Chen again.

"I will go and find out about this matter." Sun Xuanyin would go and find out about this matter.

"Alright, then I'll be going" Hai Ming said to Sun Xuanyin, Hai Ming has finished his business, now he has to leave.

"Does Prince Hai not want to stay any longer?" Sun Xuanyin asked Hai Ming.

"No thanks" Hai Ming left, he didn't want to be with Sun Xuanyin, this woman might cheat and blackmail him.

Hai Ming who was a high-level trainee still struggled against Charm Sun Xuanyin, if he took too long, then he might say what he couldn't say.

"So boring" Sun Xuanyin was bored, Hai Ming was too cowardly and didn't dare to confront her.

If Hai Ming were to stay for a while longer, it was very likely that Sun Xuanyin could get some more information, she wanted to find out what information Hai Ming had.

"Goddess Sun, I've got what you wanted" The maid returned, she brought the information Sun Xuanyin needed.

"Give it to me." Sun Xuanyin asked for information about the Nine Immortals Peak Sect.

The maid gave the information of the Nine Immortals Peak Sect to Sun Xuanyin.

Sun Xuanyin started to look at the Nine Immortals Peak Sect, she saw that the Nine Immortals Peak Sect was a very large Sect.

"Looks like it's going to take some time" After seeing the number of disciples in the Nine Immortals Peak Sect, Sun Xuanyin might need some time to find the whereabouts of the Mask Hero.

"You immediately go and settle this matter for me, I will go and register into the Nine Immortals Peak Sect" said Sun Xuanyin to the maid.

"Alright miss, I will make you enter the Nine Immortals Peak Sect immediately" the maid left, she would help Sun Xuanyin to enter the Nine Immortals Peak Sect.

"I hope I find what I'm looking for soon" said Sun Xuanyin to herself .

.

.

"okay, everything is done, I will go" Ye Chen finished everything, he was ready to leave from Elven Village.

"Be careful" said Fan Yima and Xing Shenyi.

Fan Yima and Xing Shenyi told Ye Chen to be careful, they both also really hoped that Ye Chen would meet them if he had time.

"I will definitely meet you guys if there is time" Ye Chen said to Xing Shenyi and Fan Yima,

"um" Xing Shenyi and Fan Yima nodded, they both believed in the promise that Ye Chen said.

Before leaving, Ye Chen kissed Fan Yima and Xing Shenyi, he kissed the two female Elves in his arms.

"Chuu. . . ., Chuuuu,ummm." the three of them kissed each other, they looked very passionate when kissing.

After approximately 20 minutes of passionate kissing, Ye Chen stopped, he let go of Fan Yima and Xing Shenyi.

"I'm leaving" Ye Chen said to Fan Yima and Xing Shenyi.

Ye Chen left, he left together with Fan Fumi leaving Elven Village.

Fan Yima and Xing Shenyi waved their hands at Ye Chen, both of them let Ye Chen off.

Chapter 1758 hiding the true appearance of Fan Fumi

Ye Chen and also Fan Fumi left, they both said goodbye to Xing Shenyi and Fan Yima.

There were only Xing Shenyi and Fan Yima here, only the two of them ushered in Ye Chen's departure.

Ye Chen didn't want to be too flashy, that's why he wanted something normal like this, Ye Chen didn't want to be too flashy in front of everyone, he preferred to go quietly so as not to make a fuss.

Ye Chen was sure that his departure would lead to chaos, that's why Ye Chen decided to leave quietly, so that Ye Chen would not need to be found.

Ye Chen and Fan Fumi disappeared, both of them left Elven Village and returned to God Realm.

"He's gone." Xing Shenyi sighed, Ye Chen had already left, she didn't know when she would meet again.

"He will definitely come back" Fan Yima said to Xing Shenyi, Fan Yima believed that Ye Chen would come back to this place again.

"I believe in that too, but we won't know when he will return" Xing Shenyi said to Fan Yima.

"I don't know about that matter either, only time can answer this problem" Fan Yima said to Xing Shenyi,

Fan Yima also didn't know when Ye Chen would return, only time would tell.

"Let's get back to our work, we still have to solve all the problems" Xing Shenyi said to Fan Yima.

They had to finish their work soon, the sooner things recovered, the better.

Fan Yima nodded, they really have to finish their work, they shouldn't delay the work they have.

Ye Chen took Fan Fumi out of Elven Village, the two of them exited Elven Village and immediately left the forest.

Ye Chen took out the profound ark that he had, after taking out the profound ark, Ye Chen invited Fan Fumi to board.

"Fumi, you should use a disguise" Ye Chen said to Fan Fumi.

Ye Chen didn't want to take a risk, that's why Ye Chen told Fan Fumi to use a disguise.

"Okay, I'll do it" Fan Fumi agreed, she would use a disguise as Ye Chen said.

"Very good" Ye Chen was very happy, he was happy that Fan Fumi wanted to do as he said.

Ye Chen gave Fan Fumi a tool that could be used to hide her appearance, with that tool Fan Fumi's appearance resembled that of a human.

"Wow, I look a lot like you." Fan Fumi was quite surprised by her change, she looked a lot like Ye Chen.

"With this your appearance has changed, no one will suspect you anymore" Ye Chen said to Fan Fumi.

Fan Fumi now looked completely different, no one would notice that Fan Fumi was an Elf.

"I like this" Fan Fumi likes this, she really likes her new look.

"Okay, let's go" Ye Chen said to Fan Fumi, Ye Chen and Fan Fumi headed straight to Sky Cloud Peak Star Realm.

Ye Chen hid this profound ark, this was so that no one would notice the existence of the profound ark he was using.

This profound ark was extremely conspicuous, it belonged to Dongfang Xiu, so there were bound to be many people who would notice it.

With a very fast pace, Ye Chen managed to arrive at the Sky Cloud Peak Star Realm.

"We arrived" Ye Chen said to Fan Fumi, they had arrived at his residence.

"Ye Chen, is this your birthplace?" Fan Fumi asked Ye Chen.

"No, this is not my birthplace, rather this is the place where I lived while training in the God Realm" Ye Chen said to Fan Fumi.

"Is that so" Fan Fumi understood, apparently this is not Ye Chen's real birthplace, used by Ye Chen when he was in the Sky Cloud Peak Star Realm.

"Come on down" Ye Chen invited Fan Fumi to come down, he wanted to introduce Fan Fumi to his woman.

"Come on" Fan Fumi wanted to know sister, she was quite curious about this. this, which woman Ye Chen will be her sister.

Ye Chen entered the house, coincidentally there was only Huang Ying in the house, it seemed that other women were not at home.

"Ying, where are the others" Ye Chen asked Huang Ying, where did Li Jingyi and the others go.

"they are out on business" Huang Ying said to Ye Chen.

Huang Ying informed that Li Jingyi and the others were doing something, they were doing some business important thing together with Yan Fei.

"Is Yunzhi also coming with Li Jingyi?" Ye Chen asked Huang Ying.

"No, Yunzhi is with Chi Shui." Huang Ying replied that Qi Yunzhi was with Chi Shui.

"I hope Shui doesn't teach Yunzhi anything weird." Ye Chen hoped that Chi Shui wouldn't do anything weird to Qi Yunzhi.

"Husband, behind you" Huang Ying asked Ye Chen, Huang Ying saw a new face behind Ye Chen, she asked who the person behind Ye Chen was.

"Oh this, he is Fan Fumi" Ye Chen said to Huang Ying, Ye Chen introduced Fan Fumi to Huang Ying.

"Fumi, welcome her quickly" Ye Chen said to Fan Fumi, Ye Chen told Fan Fumi to get acquainted with Huang Ying.

Fan Fumi was still lost in thought, she was lost in thought when she saw Huang Ying's beauty.

Huang Ying was extremely beautiful, she was an extremely beautiful woman and was beyond Fan Fumi's imagination.

"Looks like she's a little weird." Huang Ying found Fan Fumi's strangeness, she felt that Fan Fumi was a little strange.

"Fumi, don't daydream" Ye Chen said to Fan Fumi, he told Fan Fumi not to daydream.

"Yes, Yes, Yes, Yes, Yes," Fan Fumi answered Ye Chen, he woke up from her daydream.

"Ying, she is an Elf, I hope you can understand it" Ye Chen said to Huang Ying.

"Elves?" Huang Ying immediately got up from her seat, she immediately went and looked at Fan Fumi.

Huang Ying took the item that Ye Chen gave to Fan Fumi, when the item that was given by Ye Chen was taken, Fan Fumi's appearance returned to how it was before.

"She is indeed an Elf" Huang Ying finally believed, she finally believed that Fan Fumi was an Elf.

"Sister, please return it" Fan Fumi said to Huang Ying.

"I will return it, but you come with me first" Huang Ying told Fan Fumi to come with her.

Fan Fumi immediately looked at Ye Chen, she wanted to know what to do in this kind of situation.

"It's okay, come with her" Ye Chen said to Fan Fumi, he told Fan Fumi to come along with Huang Ying.

Ye Chen knew what was in Huang Ying's mind, this beautiful goddess must be curious about Fan Fumi.

The Elf existence had long since disappeared from the God Realm, so it would not be strange for Huang Ying to try to do some research on Fan Fumi.

"Come on" Huang Ying dragged Fan Fumi by force, with Huang Ying's strength, Fan Fumi had no resistance.

"Ying, don't overdo it," Ye Chen said to Huang Ying.

"I see." Huang Ying understood, he would not overdo it with Fan Fumi.

Since Fan Fumi was with Huang Ying, Ye Chen was able to head to Heaven Dream Sect alone, it was time to see how they developed.

Chapter 1759 back to modern earth

Ye Chen went to Heaven Dream Sect, Ye Chen quickly arrived at Heaven Dream Sect's hideout.

When Ye Chen arrived, he saw that were training both of them practicing Qi Yunzhi's strength and fighting ability.

"Oh, they are sparring." Ye Chen saw that the three were sparring.

Ye Chen watched from afar, wanting to see the battle that Zuiye , Qi Yunzhi and Chi Shui were fighting.

"Yunzhi, watch your step, don't make a carelessness that could kill you." Chi Shui said to Qi Yunzhi.

Chi Shui used her lightning whip to attack Qi Yunzhi.

"Alright" Qi Yunzhi nodded, she dodged the lightning whip that was swung by Chi Shui.

Chi Zuiye occasionally attacks Qi Yunzhi, she drops lightning at Qi Yunzhi, Chi Zuiye is in charge of training Qi Yunzhi's reflexes.

Qi Yunzhi dodged all attacks, she did her best to dodge Chi Zuiye and Chi Shui's attacks.

"Slow" Chi Shui saw a gap, she saw a gap made by Qi Yunzhi.

"Ahhh" Qi Yunzhi was hit by Chi Shui's attack, she was unable to dodge Chi Shui's attack.

"Ouch . . ." Qi Yunzhi felt like rubbing her buttocks, she fell very hard.

"You've left an opening again," said Chi Shui to Qi Yunzhi.

"I'm sorry, I made a mistake again" Qi Yunzhi said to Chi Shui.

"Yunzhi, you have a strong Charm, next time you have to use it, it will help in a battle" Chi Zuiye said to Qi Yunzhi.

Chi Zuiye told Qi Yunzhi to make more use of the powerful innate Charm she had, in battle it was very helpful.

"I'm still learning it, I'll try to hold it in until it can be used on young master ." said Qi Yunzhi.

"Yunzhi, that person isn't normal, your charm might not work, so just forget about it" Chi Shui said to Qi Yunzhi.

Chi Shui told Qi Yunzhi to forget about the matter, she would only waste her time doing such things.

"why?" Qi Yunzhi asked Chi Shui, Qi Yunzhi was very curious about this matter, why did Chi Zuiye and Chi Shui always say that.

"You don't know how strong that person is" said Chi Shui.

Qi Yunzhi still didn't know how strong Ye Chen was, so it wasn't strange that she didn't know how terrifying Ye Chen was.

"? ? ?" Qi Yunzhi was more and more curious about this matter, she was more and more curious about Ye Chen.

"Are you guys talking about me" when Qi Yunzhi, Chi Zuiye and Chi Shui were talking about Ye Chen, Ye Chen suddenly appeared behind them.

"husband . . ." Chi Zuiye and Chi Shui were shocked when they saw the arrival of Ye Chen, they did not expect Ye Chen to be behind them.

From what Chi Zuiye and Chi Shui heard, Ye Chen was currently in Elven Village and wouldn't be returning for a while, so the two of them were quite relaxed while talking about Ye Chen.

"You didn't do anything bad to Yunzhi, did you, you often had a bad influence on her," Ye Chen said to Chi Zuiye and Chi Shui.

Ye Chen didn't want Qi Yunzhi to be influenced by Chi Zuiye and Chi Shui, it would be dangerous considering Qi Yunzhi had a strong charm and was difficult to fight.

"why, don't you like it, you should like things like that, thanks to us maybe you can try Yunzhi which is beautiful and full of charm" Chi Zuiye said in a mischievous tone.

"You guys, you must have done this on purpose." Ye Chen was absolutely certain that Chi Zuiye and Chi Shui must have done this on purpose, both of them must have done this on purpose to repay Ye Chen.

Chi Zuiye and Chi Shui definitely knew Qi Yunzhi's potential, with Qi Yunzhi's potential, she should be able to give Ye Chen trouble with her strong Charm.

Qi Yunzhi possessed the Super Charming Illusion Art, with this technique she might be able to confuse Ye Chen.

Chi Shui and Chi Zuiye had high hopes for Qi Yunzhi, they hoped that one day Qi Yunzhi could defeat Ye Chen and help them.

Until now they still couldn't beat Ye Chen, Ye Chen was too strong and difficult to fight even with the help of Elite Disciples within the Sect.

"Fufufufu" Chi Shui and Zhi Zuiye were giggling, they were both giggling while listening to what Ye Chen had to say.

"Why is this place deserted?" Ye Chen asked Chi Shui and Zhi Zuiye, he wanted to know why this place was quiet like this.

"Some of our disciples have left this place, now there are only a few left" Chi Shui said to Ye Chen.

"Why did you do that?" Ye Chen asked Chi Shui, he asked Chi Shui's question.

"Husband, it seems that too many people are quite conspicuous for us, a few weeks ago a group of inner court disciples were attacked and killed by unknown, it seems that there are still people who are targeting members from Heaven Dream Sect, that's why it is better to reduce the number of disciples, I don't want them to die in vain, plus we can prioritize the resources given to the best." Chi Shui explained the situation, she told the reason why she did this.

"So it's like that" Ye Chen clasped his hands, it seemed that they were still being targeted by the evil people who controlled the God Realm.

"But you don't need to worry, they will still help when you need their help" Chi Shui said to Ye Chen.

Chi Shui tried to comfort Ye Chen, she told Ye Chen that the disciples who left from Heaven Dream Sect would still help out when Ye Chen needed them.

"I am sorry about this matter, I will find a solution for this matter" Ye Chen said to Chi Shui and Chi Zuiye.

"You have done your best for all of us, we all know that this situation is out of control, so we just can hide for a while." Chi Zuiye understood what Ye Chen was up to.

She knew their current situation was still under, they couldn't force themselves to attack the enemy who was hiding, otherwise they would dig their graves.

"seeing your progress, it seems that you guys have improved from your last situation, then I will leave the Sky Cloud Peak Star Realm" Ye Chen told his purpose in coming here.

Ye Chen came to see the progress of Heaven Dream Sect, it seems Heaven Dream Sect has started building their strength returns, their resources are focused on the best disciples available, this will greatly strengthen the Heaven Dream Sect.

"didn't you just come back?" Chi Shui asked Ye Chen.

"I want to give an antidote to Ling Yin, so I have to return immediately" Ye Chen replied.

Chi Shui and Chi Zuiye nodded, they could understand Ye Chen's reasoning.

"Yunzhi come with me" Ye Chen said to Ye Chen. Qi Yunzhi

"Okay" Qi Yunzhi nodded, he went to follow behind Ye Chen.

Before returning to earth, Ye Chen took Xia Qingyu and also Mu Nianci, it has been almost 1 year they have not returned to earth, they should want to come back

Ye Chen meet Xia Qingyu and Mu Nianci, when Ye Chen came, it happened that only Xia Qingyu wanted to come along, meanwhile Mu Nianci didn't want to come along because she was closed training intense

.

Chapter 1760 The current state of the earth

Since Mu Nianci didn't want to come along, Ye Chen could only go along with Qi Yunzhi and Xia Qingyu.

"It's been a long time" Xia Qingyu said to Ye Chen, Xia Qingyu had not seen the earth for a long time, she missed her little sister a little.

How is Xia Ningzi, Xia Qingyu wants to know the latest news from her sister, whether her sister is okay or not.

"We will return to earth after a long time" Ye Chen said to Xia Qingyu.

Ye Chen also couldn't wait to return to earth, it had been a long time since he had returned to earth.

Ye Chen wanted to see what the earth was like now, whether it was awakened or not, Ye Chen really wanted to know the condition of the earth after being left for some time, the remaining humans should have started building civilization.

Qi Yunzhi herself didn't understand what Ye Chen and Xia Qingyu had just talked about, she didn't come because she didn't want to interfere with what Ye Chen and Xia Qingyu were talking about, she would be very rude when interrupting other people's conversations.

"Too bad that Nianci doesn't want to come with us" Ye Chen said to Xia Qingyu, Ye Chen really wanted Mu Nianci to come with him, it would be a great thing if Mu Nianci wanted to come along.

"Sister Nianci is in an important time, she can't be bothered with something like this" Xia Qingyu said to Ye Chen, Xia Qingyu knew what Mu Nianci was doing, she definitely couldn't be bothered with this kind of matter.

"Since we can't take it, then we can't do anything." Ye Chen couldn't do anything, he couldn't force his will.

"We have arrived" Ye Chen said to Xia Qingyu, they had arrived on earth.

Ye Chen along with Xia Qingyu and Qi Yunzhi were above the earth, from up here, they could see the state of the Earth.

"The earth looks much greener than before" Ye Chen said to Xia Qingyu.

"Yes, now the Earth looks much greener" Xia Qingyu totally agreed with what Ye Chen said, the Earth seemed greener than before.

"It seems that humans have realized the mistakes they have made in the past, destroying nature will deplete the pure energy" Ye Chen said.

Ye Chen was happy because humans realized the mistakes they had made, they had learned the mistakes they had made in the past.

"Young master, is this where you live?" Qi Yunzhi asked Ye Chen.

"Yes, this is where I live." Qi Yunzhi nodded, this was where he lived.

"It looks very small." Qi Yunzhi saw that the earth was very small, compared to the stars in the God Realm, clearly the earth was very, very small.

"Hahaha, my place is indeed small, although it is small, there are many things that you will not find in the God Realm" Ye Chen said to Qi Yunzhi.

Ye Chen didn't deny that the Earth was small, the Earth was indeed very small, it was a star in the shores of the God Realm, even a low grade cultivator in the God Realm would not want to glance at a place like this.

"Let's go inside" Xia Qingyu took Ye Chen to go to earth, he wanted to see more clearly what was new on earth.

"Wait a minute" Ye Chen stopped Xia Qingyu, he didn't want Xia Qingyu to be too hasty in doing things.

" why?" Xia Qingyu asked Ye Chen, even though Xia Qingyu wanted to go to Earth as soon as possible.

"It seems that someone has set up a very strong barrier around this earth" Ye Chen explained his reasoning, he told Xia Qingyu about what happened.

"where" Xia Qingyu couldn't see it, she couldn't see the barrier Ye Chen was referring to.

"Your strength is still not enough to see that" Ye Chen told Xia Qingyu that her strength was still not enough to see what Ye Chen saw.

"The power of light is very strong." Ye Chen looked at the barrier in front of him, this was a very strong barrier.

It must have been a very great person who made such a super large and strong barrier.

" isn't this light even stronger than Yanyan?" Ye Chen saw the barrier in front of him, he started to guess who had made this barrier.

Ye Chen wasn't sure that this wasn't Zhao Yanyan's strength, this profound light was obviously extremely powerful, Zhao Yanyan might not have been able to reach this level yet.

In Ye Chen's mind there was only one person he knew, that was Shui Yixian, only that woman alone was capable of making something this powerful.

"But does he know about the earth?" Ye Chen didn't think that this was Shui Yixian's job, how could Shui Yixian know about the earth.

"I will take the two of you in secretly" Ye Chen said to Xia Qingyu as well as Qi Yunzhi.

Ye Chen hugged Xia Qingyu and Qi Yunzhi, he was about to enter the earth secretly.

Ye Chen had great Teleportation ability, so it was easy to enter without breaking the barrier.

Qi Yunzhi was a little embarrassed when she was hugged by Ye Chen, her heart was very happy when she was hugged by Ye Chen.

Ye Chen, Xia Qingyu and Qi Yunzhi entered the earth, they entered the earth and landed safely without any obstacles.

"There are many high-rise buildings here." Qi Yunzhi looked around, he saw the same high-rise building as Ye Chen's.

Ye Chen had a tall building on the Jade Lotus Peak, so Qi Yunzhi wasn't too surprised by this.

"It seems that the city has begun to be repaired." Xia Qingyu saw that the facilities in the city were being repaired.

"Looks like our city has started to be repaired, I see that there are many workers who are starting to build businesses" Ye Chen said to Xia Qingyu.

Ye Chen totally agreed with what Xia Qingyu said, the earth started to rebuild their civilization.

Maybe in the next 10/20 years, the earth will be much better than it is today.

The population of the earth is not too much, this makes this city very loose.

Apart from using transportation, there were several people flying in the sky, they were cultivators who were most likely from the kunlun holy land.

"Qingyu, let's go to my Villa first" Ye Chen said to Xia Qingyu.

Ye Chen invited Xia Qingyu to go to his Villa first.

"Okay, I'll do it." Xia Qingyu agreed, she totally agreed with what Ye Chen said.

Xia Qingyu wanted to meet the others, it had been a long time since she had seen the woman Ye Chen.

"Hey beautiful girl, do you have time" several people came to Qi Yunzhi, they immediately swarmed around Qi Yunzhi like bees finding the best flower.

Xia Qingyu could now emit a chilly aura all around, this made her not easy to approach.

Xia Qingyu is indeed beautiful, the problem is that it is not easy to get close to her, this makes these people unable to approach Xia Qingyu.

Qi Yunzhi looked much more charming and seductive, they thought of Qi Yunzhi as a mischievous woman and easy to approach.

"What do you guys need?" Qi Yunzhi said to these naughty people.

"Beautiful lady, you definitely need some warmth, don't you, how about we give it to you" said the mischievous young man to Qi Yunzhi.

This young man was too bold, he was too bold in teasing Qi Yunzhi.
