

A True God 1761

Chapter 1761 Ran Giku

"Sorry I don't want to come with you" Qi Yunzhi refused these people, she didn't want to go with these people.

"Why, what makes you unwilling, you are a beautiful woman, you should not waste this opportunity, you should know that we come from a rich and well-known background" the man around started to boast.

"That's because you guys can't interest me" Qi Yunzhi said to the naughty man in front of her.

"-_- " Qi Yunzhi's words were extremely painful, Qi Yunzhi spat out direct rejection words, this would definitely make anyone feel embarrassed.

"Looks like she's in trouble" Xia Qingyu said to Ye Chen, Xia Qingyu saw that Qi Yunzhi was in trouble.

"Let's see what Yunzhi will do." Ye Chen wanted to see what Qi Yunzhi would do.

"You, we don't know who we are talking to, I am the young master of the great Ran family" the young man said to Qi Yunzhi.

"I didn't know that, do you think you have great power?" Qi Yunzhi said to these people.

Qi Yunzhi looked so innocent, she looked so innocent like she didn't know anything.

"I am the young master from our Ran my name is Ran Giku, everyone in this city must know me" Ran Giku said to Qi Yunzhi.

"Qingyu, do you know where this person came from?" Ye Chen did not remember this person, to be honest the Ran family was never known to Ye Chen.

"It seems that there have been some changes, I don't know either" Xia Qingyu said to Ye Chen, Xia Qingyu estimated that there was a slight change in the strength of this city, considering that 1 year had passed.

"I don't know" Qi Yunzhi said that she didn't know, to be honest Qi Yunzhi didn't know who she was talking to.

"-_- " Ran Giku looked dark, he was really devastated by what Qi Yunzhi said, what Qi Yunzhi said made Qi Yunzhi's face crumble.

"It's useless to tell you" Ran Giku felt that talking to Qi Yunzhi was a waste of time.

Instead of spending time talking to Qi Yunzhi, Ran Giku could kidnap and take this woman by force.

"Alright, just come with me" Ran Giku invited Qi Yunzhi, he told Qi Yunzhi to come with him.

"I told you I didn't want to come with you, didn't you hear it?" Qi Yunzhi said to the person in front of her.

Qi Yunzhi didn't want to come, she didn't like going with someone she didn't even know.

"You, how dare you reject me, you don't know what trouble you're getting into" Ran Giku said to Qi Yunzhi.

Ran Giku's patience had a limit, Qi Yunzhi kept refusing his kindness, how could Ran Giku not be angry with this matter.

"You also don't know what kind of trouble you'll get into." Qi Yunzhi said to Ran Giku.

"What can you do to me, you can't do anything to me" Ran Giku said to Qi Yunzhi.

Ran Giku strongly believed in his abilities and strength, so it was not surprising that he was not afraid of the threat posed by Qi Yunzhi.

"Young master, look at this person trying to bully me" Qi Yunzhi said to Ye Chen, Qi Yunzhi ran towards Ye Chen, she hugged Ye Chen's arm and told Ye Chen about the bullying by Ran Giku.

"Why do you have to run like that, can't you solve this problem yourself" Ye Chen said to Qi Yunzhi.

Qi Yunzhi was already strong enough to defend herself, cultivators on this earth could not necessarily injure Qi Yunzhi.

"he's so weak, I'm afraid to kill him" Qi Yunzhi said to Ye Chen.

Qi Yunzhi did not know this person's cultivation level, this person was extremely weak and would probably be crushed if Qi Yunzhi used her strength.

"she's absolutely right, maybe her strength can kill this person." Xia Qingyu quite agreed, Qi Yunzhi made a pretty reasonable excuse.

"Okay, then I will take care of it" Ye Chen said to Qi Yunzhi.

Ye Chen decided to take care of this matter, it should be very easy to solve this matter.

"You better not disturb my maid" Ye Chen said to Ran Giku, Ye Chen told Ran Giku not to disturb his maid

"So that woman is your maid, hmm, your taste is good too" Ran Giku had to admit that Ye Chen had a good taste, he had very good taste and was good.

"Of course, compared to you, you are nothing" Ye Chen replied.

"What did you say ?" Ran Giku immediately got angry when he heard Ye Chen's words, he was really very angry with Ye Chen's rude words.

"Do I need to do it again?" Ye Chen said to Ran Giku.

"Bastard, you are so arrogant, it's not strange that your servant is like that, even the master is like that" Ran Giku said to Ye Chen.

"Hahaha, it's so funny, you have to look in the mirror, weren't you the one who teased other people and used coercion first, aren't you ashamed of yourself?" Ye Chen said to Ran Giku.

"grrr" Ran Giku gritted his teeth, he was furious with Ye Chen's words.

"You really don't know who you are dealing with" Ran Giku said to Ye Chen.

Ran Giku started to expend his own strength, he showed quite a lot of power in front of Ye Chen.

Ran Giku's strength was at the Sky Realm, on earth the Sky Realm stage was quite a high stage for someone under 25 years of age.

Ye Chen just smiled, he saw Ran Giku who was doing something very stupid.

"I will make you regret for having dared to challenge young master Ran" Ran Giku stepped forward, she advanced towards Ye Chen and started to take a kick.

"Turtle Round Kick" Ran Giku spun like a turtle, around

Ran Giku began to create a fairly strong wind.

"His attack is too open." Ye Chen saw that Ran Giku's attack was too open.

"You two retreat." Ye Chen told Xia Qingyu and Qi Yunzhi to retreat.

"The attack is weak, there is no need to retreat" Xia Qingyu said to Ye Chen, Xia Qingyu was confident in the face of the attacks that were coming towards her.

"My fiancée, don't be like that, step back for a while" Ye Chen said to Xia Qingyu.

Ye Chen told Xia Qingyu to back off, he would finish this quickly.

" dead . . ." Ran Giku's attack was getting closer and closer, in a few milliseconds it would hit Ye Chen.

Just as Ran Giku's attack was about to hit Ye Chen's body, Ye Chen stretched out his left hand towards the front.

With Ye Chen's hand in front, Ran Giku's attack automatically stopped.

"Clang. . ." Ran Giku's strike hit Ye Chen's hand, the crashing sound was so strong that it made quite a loud sound.

"arghh" Ran Giku shouted, he held his leg which he just used to kick Ye Chen's hand.

Ran Giku's leg was clearly broken from attacking Ye Chen.

Ran Giku's loud shout caught the attention of the people in the distance, they immediately saw what was happening.

People saw Ran Giku lying on the ground holding his leg, everyone could tell that Ran Giku's leg had been broken.

"What are you doing" people said to Ye Chen, they asked about what Ye Chen just did.

"I didn't do anything" Ye Chen said that he didn't do anything.

Chapter 1762 Interrogated by the police

"Call the police quickly" Ran Giku told people around to call the police and medics, the wound was really painful and not easy to treat.

the people around started calling the police, violence was handled very wisely by everyone.

"Ye Chen, we should go." Xia Qingyu asked Ye Chen to leave, it would be very troublesome for them to deal with the police.

"You guys go first, I need some information," Ye Chen said to Xia Qingyu and Qi Yunzhi.

Ye Chen needed information, he wanted to know what happened during this one year.

"It's fine if you say it like that" because Ye Chen said that, Xia Qingyu and Qi Yunzhi left, they both left Ye Chen and flew towards the Villa.

Ye Chen looked at Ran Giku, he wanted to know who this brat was, he looked so brave, it seemed he came from a family that was influential enough to have the courage to cause trouble in the city.

A few moments later the police came, they came carrying swords on their backs, from the outside, Ye Chen could see that they were cultivators and it seemed that they were very new.

"Who has made a mess" The police asked, they all asked about who the person who had made a mess.

"he" Everyone in this place immediately pointed at Ye Chen, they all pointed at Ye Chen who had made a mess.

"You, so you are the one who caused the chaos, don't you know that it is forbidden to create chaos in the middle of the city" the police informed to Ye Chen, they told Ye Chen that making chaos in the middle of the city is strictly prohibited.

Fighting in the city is forbidden, because it can endanger people, the battle arena has been prepared for battle, so the battle must be carried out in a prepared place, if fighting in the city then it will get a sanction or a punishment.

"I didn't make a mess, rather he was the one who made a mess" Ye Chen said while pointing at Ran Giku.

"Argh, how could I make a mess, obviously you have made a mess , just watch my leg break, "said Ran Giku in self-defense.

Ran Giku tried to do a play, he did something It's a charade to convince the police that he's innocent.

"You have dared to accuse the victim, are you not ashamed" said the policeman to Ye Chen.

"I told you from the start, I didn't do anything, he broke his own leg, if you don't believe it, why don't you look at the CCTV in this place" Ye Chen pointed at the CCTV, almost every corner was monitored by CCTV to avoid things. - unwanted things.

The CCTV installed has been very well modified, turning it off is quite difficult for a cultivator to do.

"We will see, now you come with us" The police took a chain, they tied Ye Chen and took him with them to the police station.

Meanwhile Ran Giku was taken by the medic for treatment, the wound on his leg must be healed immediately so as not to leave a scar and disability in the future.

Ye Chen went with the police, he followed them to the police station.

The police station is not far, it only takes about 5 minutes to reach the destination.

After arriving at the police station, Ye Chen was taken to the interrogation site to find out the truth.

"Do you have anyone to call?" The police officer asked Ye Chen, he asked if Ye Chen had any acquaintances he could contact.

"I don't have any acquaintances," Ye Chen said to the police.

Ye Chen actually has acquaintances, it's just that he doesn't want to use his acquaintances.

"Then you won't be able to leave easily" said the policeman to Ye Chen.

Since Ye Chen has no guarantee, then Ye Chen won't be able to leave easily.

"Why don't you call your leader to this place" Ye Chen said to the police in front of him.

"leader is out and she can't accept someone like you" the policeman said to Ye Chen.

police leader was out, so the police leader couldn't meet Ye Chen.

"Where is the person who has dared to beat and break my son's leg" a middle aged man came in, he roared very loudly, this person was like an angry lion.

"he is here" The police informed the man who just came, he informed that Ye Chen was in this place.

"You..." This man immediately lifted Ye Chen's collar, he lifted Ye Chen's collar with one hand and tried to lift Ye Chen.

When this man wanted to lift Ye Chen, he found that Ye Chen's body was very heavy, this made him unable to lift Ye Chen into the air.,

"how dare you break my son's leg" Because he couldn't lift Ye Chen, this man decided to shout at Ye Chen

"Old man what are you saying, I didn't do that, quickly let me go" Ye Chen said to the old man in front of him.

"Son, you are so brave, don't you know who you are dealing with right now." The middle-aged man gave off a terrifying aura, he gave off an extremely terrifying aura around himself.

This aura was definitely a killing aura, the middle-aged man used a very strong killing aura on Ye Chen.

The policeman in front of Ye Chen was frightened, he retreated slowly to avoid the trouble that Ye was facing Chen.

"I really don't know who you are, why don't you introduce yourself" Ye Chen replied.

Ye Chen didn't know who the man in front of him was, he didn't have any information about this man.

"I am the head of the Ran family, my name is Ran Ging, I am the owner of a big business in this city" this man told Ye Chen his name.

"Oh. . ." Ye Chen opened his mouth and said oh well, this person's position is just ordinary, he is just a merchant who is arrogant because of his wealth.

"What's with that reaction of yours, aren't you scared?" Ran Ging said as he pulled Ye Chen by the collar.

" why should i be afraid?" Ye Chen asked Ran Ging, Ye Chen didn't have a reason to be afraid, there wasn't anything that made Ye Chen fear Ran Ging.

"You" Ran Ging was very angry, he was angry when he saw Ye Chen's behavior that was very disrespectful towards him.

"I will teach you a lesson" Ran Ging said to Ye Chen.

Ran Ging tried to teach Ye Chen a lesson, he raised his hand and wanted to hit Ye Chen.

"Feel this" Ran Ging intended to hit Ye Chen, he used his hand to hit Ye Chen.

"Stop right there" just as Ran Ging was about to hit Ye Chen, he was stopped by someone.

" Who ?" Ran Ging asked the person who had just arrived.

A woman with quite a dignified appearance came to this place, she was wearing a dragon outfit under her police uniform.

"Long Shumin" Ye Chen saw this person in front of him, it was clear that this was Long Shumin who was the leader of the dragon army.

"Leader Long, are you here?" the police immediately greeted Long Shumin, he welcomed the arrival of Long Shumin who came back from a trip outside.

Long Shumin looked at Ye Chen, she felt familiar with Ye Chen.

Ye Chen used a disguised appearance, she used a disguise to escape from the girl.

Chapter 1763 Long Shumin attacked Ye Chen

"What happened to this place?" Long Shumin asked the police, she wanted to know what happened to this place.

"Report, there is currently a dispute" the police immediately reported what happened.

"Separate the two" Long Shumin ordered the police to separate Ye Chen and Ran Ging.

"Let me go quickly, I have a problem with this person" when the police tried to separate Ran Ging and Ye Chen, Ran Ging put up a fight, he didn't want to let Ye Chen go.

"Let him go quickly or I will arrest you on charges of violence" Long Shumin said to Ran Ging.

"You, don't you know who I am, how dare you say that to me" Ran Ging was annoyed when he heard Long Shumin's words.

Long Shumin raised his eyebrows, she was not happy with what Ran Ging had just said.

"Master Ran, you better calm yourself down." The police at the side tried to calm Ran Ging down, if Ran Ging offended Long Shumin, he would be finished.

"Shut up" Ran Ging still has a very high arrogance, he doesn't want to listen to other people.

"You stupid old man, I'm here to save you, don't you know that" the police started cursing Ran Ging's stupidity, he didn't know what he was doing.

Ye Chen did not interfere in the debate, he was very relaxed as if he was not involved in this matter.

"So you don't want to let he go, then I have no other choice" Since Ran Ging was unwilling to let Ye Chen go, Long Shumin had no choice to act.

"Bam" Long Shumin hit Ran Ging, she hit right on Ran Ging's arm so that Ye Chen could be free.

"Argh. ." Ran Ging shouted, holding onto his arm which Long Shumin had just attacked.

Long Shumin did not harm Ran Ging, she only helped release Ye Chen who was strangled by Ran Ging.

"How dare you attack me" Ran Ging was displeased with this matter, he was displeased when he saw Long Shumin attack him.

"It's because you dared to disobey orders from the police, so don't blame me," said Long Shumin to Ran Ging.

"Master Ran please keep that attitude of yours, this is police chief Long, if you resist, you can be crushed" the policeman at the side reminded Ran Ging, he told Ran Ging to just give up.

It was useless to fight Long Shumin because he would lose, no matter how strong Ran Ging's underground strength was, he would not be able to defeat Long Shumin who was a trained army.

"Okay I'll let you go" Ran Ging said to Long Shumin.

"You are quite arrogant too" Long Shumin saw that Ran Ging was very arrogant, this man was very arrogant in front of her.

At first Long Shumin wanted to let go of this person, but now he had changed her mind, it seemed that she had to teach Ran Ging a little lesson.

Long Shumin advanced, she advanced at an extremely fast speed that Ran Ging couldn't see.

"Bam" Long Shumin landed a kick on Ran Ging's stomach, he landed a hit hard enough to make Ran Ging's body hit the wall.

"It must be painful." Ye Chen could feel what the pain was like, it must be very painful.

" Cough . . ." Ran Ging coughed, he coughed up blood several times from Long Shumin's attack.

"Remember not to be arrogant in front of me, don't make me use violence that is far more terrible than this," said Long Shumin to Ran Ging.

"you . . ." Ran Ging pointed at Long Shumin, Ran Ging didn't expect Long Shumin to dare to hit him.

"Take this person away" Long Shumin ordered the police under her to go and take Ran Ging.

"O . . .okay . . ."The police immediately left, he went and took Ran Ging with him.

After Ran Ging left, Long Shumin looked at Ye Chen, she looked at Ye Chen with a gaze filled with curiosity.

Long Shumin saw the case that Ye Chen had, when she saw this case, Long Shumin could see that Ye Chen had committed a mischief.

"You, how could you do such a thing?" Long Shumin asked Ye Chen.

" Do what?" Ye Chen asked Long Shumin, Ye Chen asked Long Shumin back.

"Of course the crime you have committed" Long Shumin said to Ye Chen.

"What kind of crime, I didn't commit a crime" Ye Chen said to Long Shumin, Ye Chen felt that he didn't commit a crime.

"Your case is here, and the evidence is also there, do you want to run away from responsibility?" Long Shumin pounded the table in front of Ye Chen, the table in front of Ye Chen instantly broke into pieces.

Long Shumin used a method to scare Ye Chen, Long Shumin hoped that this method of hiss would scare Ye Chen and Ye Chen would admit his mistake.

"I didn't do that" Ye Chen said to Long Shumin.

Ye Chen told that he didn't do anything like that, Ye Chen even dared to say that from the start he didn't do anything.

"So that's your defense" Long Shumin said to Ye Chen, Long Shumin looked at Ye Chen, she used her terrifying aura towards Ye Chen.

The best way to make a child speak was to frighten him, which was why Long Shumin wanted to scare Ye Chen.

"Are you willing to try to scare with such weak methods?" Ye Chen asked Long Shumin.

"It seems that police officer Luo Bing is much better than you" Ye Chen said to Long Shumin.

"You know Luo Bing, who are you?" Seeing that Ye Chen knew Luo Bing, Long Shumin immediately asked Ye Chen's identity.

"Why don't you figure it out yourself, can't you do that?" Ye Chen said to Long Shumin.

"I'm here to ask you, why do you always ask back like that, do you want to be punished?" Long Shumin said to Ye Chen.

"Can you do that?" Ye Chen asked Long Shumin.

Ye Chen questioned Long Shumin, he didn't believe this woman was capable of defeating him.

"You want to give it a try, it seems I also have to teach you a little lesson." Long Shumin used her legs to kick Ye Chen.

Ye Chen didn't move, he remained seated where he was and didn't want to dodge Long Shumin's attack.

Long Shumin's kick didn't hit Ye Chen, Long Shumin's kick pierced Ye Chen's body.

"What happened? ? ?" Long Shumin looked confused by what had just happened, even though she clearly hit Ye Chen's body, but why did it miss.

After dodging Long Shumin's attack, Ye Chen took hold of Long Shumin's long legs, he started to touch Long Shumin's feet in slight embarrassing movements.

Long Shumin blushed slightly when she saw what Ye Chen did, to be honest what Ye Chen did was very embarrassing.

Long Shumin pulled back her leg, when Long Shumin tried to pull her leg, Long Shumin found that she couldn't pull her leg.

"What happened, it's so strong." Long Shumin didn't expect that Ye Chen would grip her leg so tightly, Long Shumin couldn't pull her leg.

"Let go of me" Long Shumin told Ye Chen to let go of herself.

"Okay" Ye Chen let go of Long Shumin, he let go of Long Shumin very suddenly.

Because Long Shumin fell too suddenly, she was knocked to the floor by Ye Chen.

Chapter 1764 Talk with Long Shumin

Just as Long Shumin was about to fall, Ye Chen quickly caught Long Shumin's body.

Long Shumin was in Ye Chen's arms and didn't fall.

"Let go me" said Long Shumin to Ye Chen

"why should I let you go?" Ye Chen asked Long Shumin.

"If I say let go, then let go" Long Shumin was angry with Ye Chen, she told Ye Chen to release herself immediately.

"Okay" Ye Chen let go of Long Shumin, when Ye Chen let go of Long Shumin, Long Shumin fell back to the floor.

"you . . ." Long Shumin was angry with Ye Chen, she was angry with Ye Chen who released herself suddenly.

"Didn't you tell me to do that yourself?" Ye Chen said to Long Shumin.

"This brat, where did he come from, why is he so annoying?" Long Shumin had actually met an annoying brat, this was the first time he had ever met someone as annoying as Ye Chen.

Ye Chen sat back in his chair, he sat very relaxed.

"Miss Long we haven't seen each other for a long time, how are you? , what happened to this place?" Ye Chen said to Long Shumin.

"Have we met, you seem foreign to me" Long Shumin said to Ye Chen.

Long Shumin felt unfamiliar with Ye Chen, he didn't know Ye Chen and never knew about Ye Chen.

"Have you forgotten about me?" Ye Chen asked Long Shumin.

"I really don't know you." Long Shumin said that she didn't know Ye Chen.

" Too bad, Even though I expected more from you" Ye Chen said to Long Shumin.

"Why are you so convoluted, quickly tell me who you are right now" Long Shumin told Ye Chen to say who he was.

"Oh, so you don't remember me, fine, I'll show you myself." Seeing that Long Shumin didn't remember Ye Chen, Ye Chen decided to show his real self.

" you . . . "After Ye Chen showed his true self, Long Shumin finally remembered who the person in front of her.

"Aren't you Ye Chen, what are you doing in this place?" Long Shumin asked Ye Chen.

"What?, this city is where I live, shouldn't I go back to where I live?" Ye Chen said to Long Shumin.

"Not really, but haven't you been missing for a long time?" Long Shumin said to Ye Chen.

Ye Chen's whereabouts have been missing for a long time and it's even very difficult to find out, for people Ye Chen's whereabouts are a mystery that is difficult to solve.

"Hahaha" Ye Chen laughed, himself laughing when he heard what Long Shumin had to say.

"So funny, I've only been gone for 1 year, it seems like everyone has started to forget about me" Ye Chen said to Long Shumin.

"It's because you used a disguise, if you didn't use a disguise, then I would have known" said Long Shumin to Ye Chen.

Ye Chen used a disguise, this made Long Shumin not know who Ye Chen was.

"Yes, never mind." Ye Chen could understand what Long Shumin was thinking, he could understand that Long Shumin was confused because of Ye Chen's changed appearance.

"There seems to be some sort of difference on earth after I left" Ye Chen said to Long Shumin.

"Of course, you saw for yourself that everyone has become a cultivator and is starting to build up their power" said Long Shumin to Ye Chen.

"What happened to this country, I want to know everything, why don't you tell me?" Ye Chen asked Long Shumin.

"Our government has been disbanded, all that exists now is the Earth Guild, which is the institution that governs cultivators around the world."

"The human population is still not recovering, so all the leaders in the world have decided to cooperate together and create a large government. that covers the whole world."

Long Shumin started to explain what happened, she told Ye Chen that the earth is now ruled by a great power called the earth guild.

"Oh, I see, it's not bad, one star for one ruler." Ye Chen nodded, it was not a very bad thing.

"Why did you come back, didn't you already go to the God Realm, there is a comfortable place for you and there are also many amazing beautiful girl" said Long Shumin to Ye Chen.

"It's because my wife is here, how could I forget them" Ye Chen said to Long Shumin.

"Hemp" Long Shumin sniffed coldly, this man still remembered his woman on earth, Long Shumin thought that Ye Chen had forgotten everyone on earth.

"By the way why do you know so much about the God Realm?" Ye Chen asked Long Shumin.

Ye Chen wanted to know the reason Long Shumin knew about the God Realm.

"Yeah, that's because I've been there before." Long Shumin said to Ye Chen.

"you mean?" Ye Chen asked again, he wanted to know what Long Shumin meant.

"I went to the Five Lord Divine Academy once" said Long Shumin to Ye Chen.

"You have been to the Five Lord Divine Academy, then why are you here?" Ye Chen asked Long Shumin.

"That's because I don't fit in living in that place." Long Shumin didn't feel like living in the Five Lord Divine Academy, she thought that the earth still needed her, so Long Shumin left the Five Lord Divine Academy.

"Oh, so you and Luo Bing joined the Five Lord Divine Academy, how did they come here?" Ye Chen asked Long Shumin.

"One day someone came to recruit talented talents on earth, that person recruited all of us and made several talented people go to the Five Lord Divine Academy," said Long Shumin to Ye Chen.

"Then why did you come back, isn't there a good place to practice?" Ye Chen asked Long Shumin.

Ye Chen still didn't know the reason why Long Shumin had returned to earth, even though the Five Lord Divine Academy was a great place.

"I told you that I'm not fit to live there, it's full of unreasonable young masters and young ladies, they often bully weak people" said Long Shumin.

Long Shumin started to say the reason, she didn't like influential young masters and young ladies in the God Realm, these people often bully weaker people.

Long Shumin was too weak, there she lacked power and influence, harassing Long Shumin would be very easy to do.

"It's not strange if you don't feel at there, you often bully others, and when you are bullied, you will be angry and displeased" Ye Chen said to Long Shumin.

"Ye Chen, you " Long Shumin immediately got angry, she was really angry when she heard the words that Ye Chen just said.

How could Ye Chen say that Long Shumin often bullied someone, she felt like she had never done anything like that.

"Hahahaha" Ye Chen laughed, Long Shumin was so funny, her reaction really made Ye Chen laugh when he saw it.

"Okay thanks for the information you provided, I'll go see you later" Ye Chen said to Long Shumin.

Ye Chen already got the information he needed, that's why she left this place.

Long Shumin couldn't do anything, she couldn't stop Ye Chen, she couldn't stop this man from leaving this place.

"This man always gives me a headache" Long Shumin had a headache when she was with Ye Chen, Ye Chen was the man who gave Long Shumin a severe headache because of his behavior.

Chapter 1765 Reunion with Zhao Yanyan

Ye Chen left the police station, he already got what he needed about everything that happened to this earth.

"Time to go back" Ye Chen decided to go to his villa in the Golden Eagle district.

Ye Chen needed a little time to search for his Villa, there was a difference when Ye Chen went to the Golden Eagle district.

After searching for a while, Ye Chen finally found his residence.

"This is it, it's been a long time." Ye Chen hadn't seen this place in a long time, this place was where he lived with his woman.

"Why is it so quiet?" Ye Chen felt that this place was very quiet, there was not the slightest sign of people around this place.

"I'll go in and see what's inside." Ye Chen entered, he decided to see what was inside.

Ye Chen entered the villa, he entered through the front door, it just so happened that the front door was unlocked.

"Hello, is there anyone?" Ye Chen shouted, he shouted and found out if there was anyone in this place.

There is no answer, this place is still very quiet, no one wants to answer Ye Chen's words.

"Is there no one in this place?" Ye Chen confirmed whether or not there was anyone in this place.

Just when Ye Chen was trying to find the person in the villa, suddenly someone from behind was covering Ye Chen's eyes.

A hand that felt extremely soft once covered Ye Chen's head.

"guess who I am" the mysterious person asked Ye Chen, she told Ye Chen to guess herself.

"why is it a little foreign" Ye Chen saw that this voice was a little foreign, he tried to remember who the person behind him was.

The person behind Ye Chen was very smart, she hid herself very well, this person's voice was hidden so well that Ye Chen had a hard time knowing who was behind.

"If you fail, then I will be angry" said the woman behind Ye Chen.

"Who is this, I don't know" Ye Chen said to the woman behind him.

"Guess first" said the woman behind Ye Chen, this woman refused to tell Ye Chen, she told Ye Chen to guess who she was.

Ye Chen just wanted to make small talk, he was looking at who was behind him.

Ye Chen used his connections, that way Ye Chen could tell who was behind him.

"It's Yanyan" Ye Chen saw that behind was Zhao Yanyan, Ye Chen couldn't be wrong when he guessed the woman.

"she is trying to play with me, then I will play with her" seeing Zhao Yanyan trying to tease Ye Chen, Ye Chen decided to tease Zhao Yanyan.

"Is this Jingyi?" Ye Chen said to Zhao Yanyan.

"No" Zhao Yanyan said to Ye Chen,

"Then Xueying" Ye Chen said to Zhao Yanyan again.

"Not really." Zhao Yanyan said to Ye Chen again.

Ye Chen kept mentioning the names of several women, he tried to lure Zhao Yanyan who was behind him.

"Husband, you really never change" Zhao Yanyan said to Ye Chen.

After several rounds passed, Zhao Yanyan finally realized what was happening, she was being teased by Ye Chen, from the beginning Ye Chen tried to tease her.

"hehehehe" Ye Chen chuckled, he chuckled at Zhao Yanyan who was behind him.

"Yanyan, why are you doing this, let me see you" Ye Chen told Zhao Yanyan to let go, he wanted to see Zhao Yanyan.

"Go ahead." Zhao Yanyan let go of Ye Chen, she let go of her hand that was covering Ye Chen's eyes.

Ye Chen don't waste his time, he immediately turned around to look at Zhao Yanyan who was behind.

When Ye Chen turned around, Ye Chen could see Zhao Yanyan who was in front of him.

Zhao Yanyan who was in front of her looked more and more beautiful and as she matured, she grew into a very beautiful woman like a goddess.

Even though it was only a year, Zhao Yanyan's transformation was amazing, Ye Chen was amazed by the changes that Zhao Yanyan had.

Zhao Yanyan smiled when she saw Ye Chen surprised, she had managed to surprise Ye Chen with her appearance.

Today Zhao Yanyan was well dressed, she gave Ye Chen her best appearance.

Zhao Yanyan already knew that Ye Chen would return, which was why she took the initiative to greet Ye Chen.

"Yanyan is very beautiful " Ye Chen hugged and lifted Zhao Yanyan's body up.

"Thank you for the compliment" Zhao Yanyan hugged Ye Chen's neck, she hugged Ye Chen's neck who was in front of her.

Ye Chen hugged Zhao Yanyan very tightly, it was as if he didn't want to let go of Zhao Yanyan.

"husband you hugged me too tightly" Zhao Yanyan said to Ye Chen.

"I don't want you to go" Ye Chen said to Zhao Yanyan, Ye Chen didn't want to let go of this beautiful goddess in front of him, there was no way Ye Chen could let go of the beautiful Goddess in his arms.

"I won't run away from you" Zhao Yanyan said to Ye Chen.

"Who knew you would run away from me, you've grown even better now" Ye Chen said to Zhao Yanyan.

Zhao Yanyan looked more mature, she seemed to have mastered many things during her training.

Zhao Yanyan's face turned red, Zhao Yanyan still couldn't resist Ye Chen's seduction.

"Yanyan, where are the others?" Ye Chen asked Zhao Yanyan, he asked where the other beautiful wife was.

"There is only elder sister Rouxi here, the others are still in training" Zhao Yanyan said to Ye Chen.

Zhao Yanyan informed that the other women were still in training, they should not leave before finishing their training.

"Oh yeah, where are you guys practicing?" Ye Chen was quite curious where Zhao Yanyan and the others were training.

"It's a secret" Zhao Yanyan said to Ye Chen, Zhao Yanyan still kept a secret where they practiced.

"You are very stingy with your husband" Ye Chen said to Zhao Yanyan.

Ye Chen became more and more curious, he wanted to find out about this matter.

"giggle" Zhao Yanyan giggled, she giggled when she saw Ye Chen curious like that.

"You are trying to hide something from me" Ye Chen said to Zhao Yanyan.

Ye Chen could sense that Zhao Yanyan was hiding something from him.

"What am I hiding from you?" Zhao Yanyan asked Ye Chen, Zhao Yanyan asked what she was hiding.

"I don't know, you know about the matter" Ye Chen said to Zhao Yanyan.

"You are too suspicious" Zhao Yanyan said to Ye Chen.

"Then tell me" Ye Chen said to Zhao Yanyan, Ye Chen wanted Zhao Yanyan to tell him everything.

"I don't want to tell you" Zhao Yanyan refused, she refused to tell Ye Chen.

Ye Chen saw that Zhao Yanyan was getting more and more mischievous and mysterious, she was becoming more and more confused.

Ye Chen didn't know what Zhao Yanyan was thinking, nor did he know what Zhao Yanyan was planning.

"Looks like Yanyan is getting naughty, I have to give a little punishment" Ye Chen said to Zhao Yanyan.

"Does my husband want to punish me?" Zhao Yanyan said with a sad face.

Zhao Yanyan was getting more and more skilled at acting, she made a sad face as if Ye Chen was bullying her.

"Of course not, how could I punish my beautiful goddess" Ye Chen said to Zhao Yanyan.

Ye Chen couldn't possibly have the heart to do something like that to Zhao Yanyan.

Ye Chen couldn't possibly punish Zhao Yanyan after their first reunion after a long time of not seeing each other.

Ye Chen's hand that was on Zhao Yanyan's waist started to do something behind Zhao Yanyan.

Chapter 1766 what are you two doing during the day like this

"Husband" Zhao Yanyan said to Ye Chen, she said to Ye Chen who was trying to tease her.

"What is it?" Ye Chen asked Zhao Yanyan, Ye Chen pretended not to know, that way Zhao Yanyan wouldn't be suspicious of him.

"Your hand" Zhao Yanyan said to Ye Chen, Zhao Yanyan told Ye Chen's hand that it was starting to do something naughty.

"Yanyan, I'm sorry, it seems my hands are a little itchy, this may be because I haven't seen you for a long time," Ye Chen said to Zhao Yanyan.

Ye Chen told Zhao Yanyan about what happened, Ye Chen said naughty words against his hand.

"Who are you trying to lie to, obviously you are doing this on purpose" Zhao Yanyan said to Ye Chen.

Zhao Yanyan was absolutely certain that if Ye Chen did this on purpose, Ye Chen must have done this very deliberately to Zhao Yanyan.

"I couldn't help myself when I saw the beautiful goddess wife in front of me" Ye Chen said to Zhao Yanyan.

Ye Chen said to Zhao Yanyan, he couldn't stand Zhao Yanyan.

Ye Chen already missed Zhao Yanyan so much, it wasn't strange that he wanted to spend time with Zhao Yanyan.

"I'm speechless, it seems you miss me a lot, didn't you meet some beautiful women in God Realm" Zhao Yanyan said to Ye Chen.

Zhao Yanyan said that Ye Chen had met several beautiful women in the God Realm, most of them were also beautiful and not inferior to her.

"In my heart no one can beat my dear Yanyan" Ye Chen said to Zhao Yanyan.

In his heart Zhao Yanyan was the best woman, she was the kindest woman Ye Chen had ever met.

Zhao Yanyan allowed Ye Chen to have so many women, it showed the kindness that Zhao Yanyan had.

If in the past Zhao Yanyan had not allowed Ye Chen to create his own Harem, he would not be where he is now.

"Is that true?" Zhao Yanyan asked Ye Chen, Zhao Yanyan wanted to know if what Ye Chen said was the truth or just bullshit.

"Of course, this is the truth" Ye Chen said to Zhao Yanyan, Ye Chen said that this is the truth, what he said is a truth that no one can deny.

Zhao Yanyan smiled, she smiled charmingly, Zhao Yanyan's smile was so beautiful it made Ye Chen's heart beat very fast.

Ye Chen started to get excited, he couldn't stand the sight of Zhao Yanyan's beauty.

"wife?" Ye Chen said to Zhao Yanyan, Ye Chen said to Zhao Yanyan in a pleading voice.

"what?" Zhao Yanyan asked in a gentle tone, Zhao Yanyan asked what Ye Chen wanted.

"May I?" Ye Chen asked Zhao Yanyan, Ye Chen asked Zhao Yanyan for permission.

"Why do you have to ask, do what you want, I am yours" Zhao Yanyan said to Ye Chen, Zhao Yanyan said that he is Ye Chen's, Ye Chen can do whatever he wants.

Ye Chen was happy when he heard this, Zhao Yanyan really knew very well about Ye Chen.

Since Zhao Yanyan had already given Ye Chen a green signal, then Ye Chen would not hold back any longer.

Ye Chen immediately kissed Zhao Yanyan's Cherry lips, his face approached and pecked Zhao Yanyan's lips.

Ye Chen started to stick his tongue into Zhao Yanyan's mouth.

Zhao Yanyan started to greet Ye Chen, she welcomed Ye Chen's arrival and started playing together with Ye Chen.

"Chu. . . , ummmm" Zhao Yanyan and Ye Chen's tongues entangled with each other, both of them having a passionate kiss.

Zhao Yanyan was no longer a child, she had excellent skills, she was able to make Ye Chen comfortable with her technique.

Ye Chen didn't want to lose to Zhao Yanyan, he used the best skills he had on Zhao Yanyan.

The two of them enjoyed this kiss, Ye Chen and Zhao Yanyan's passion couldn't be contained anymore after so long without seeing each other.

Zhao Yanyan and Ye Chen had already forgotten what was going on around them, they only focused on each other.

Ye Chen's hand started to move towards Zhao Yanyan's double peak, his hand started to extend Zhao Yanyan's double peak and squeezed it.

"emmm" Zhao Yanyan groaned, she groaned as Ye Chen touched her double peak.

"Wife, it's growing really well, can it still grow bigger?" Ye Chen said to Zhao Yanyan.

Ye Chen asked Zhao Yanyan if it was possible that Zhao Yanyan's dual peak could be even bigger.

"Maybe, I'm still young and maybe it will grow even better, maybe it can beat Qing Cheng" Zhao Yanyan said to Ye Chen.

"You are very confident, then I hope it happens quickly" Ye Chen said to Zhao Yanyan.

Ye Chen prayed for Zhao Yanyan to get what she wanted, so Ye Chen could enjoy what Zhao Yanyan had.

"You look really excited." Zhao Yanyan smiled, it seemed that Ye Chen was very excited when discussing this matter.

"Of course, this is one of the things that men like, of course I like this" Ye Chen didn't deny it, Ye Chen told Zhao Yanyan that he liked this.

Ye Chen started to squeeze Zhao Yanyan's, Ye Chen touched Zhao Yanyan with his skill.

"Erm, this is too comfortable." Zhao Yanyan felt very comfortable, what Ye Chen was doing made Zhao Yanyan couldn't stand it.

Zhao Yanyan was already wet, she was very excited about the relationship she was having with Ye Chen.

Zhao Yanyan didn't want to have fun alone, she decided to make Ye Chen comfortable.

Zhao Yanyan's hand started to down to the bottom, it headed for Ye Chen's younger brother who was below.

Zhao Yanyan's extremely soft hands touched Ye Che's little brother who was below.

Ye Chen immediately felt very comfortable when Zhao Yanyan's soft hand touched his, it felt very comfortable when Zhao Yanyan touched it.

Zhao Yanyan used her hands to please Ye Chen, she touched and started rubbing Ye Chen's big object.

Ye Chen and Zhao Yanyan helped each other, both of them helped each other to get more enjoyable enjoyment.

"You guys, what are you guys doing during the day like this" While Ye Chen and Zhao Yanyan were in their active period, someone came and said to Ye Chen and Zhao Yanyan.

Ye Chen and Zhao Yanyan immediately stopped, the two immediately stopped and saw who was coming.

They saw someone coming, it was Lin Rouxi in a casual suit.

"Dear teacher" Ye Chen shouted at Lin Rouxi who had just arrived, she didn't expect that Lin Rouxi would arrive here too.

"Big sister Rouxi" Zhao Yanyan greeted Lin Rouxi.

"Yanyan, I can't seem to leave you alone with Ye Chen," Lin Rouxi said to Zhao Yanyan.

"He was the one who teased me first" Zhao Yanyan said to Lin Rouxi.

Zhao Yanyan defended herself, she was teased by Ye Chen to become like this.

Zhao Yanyan couldn't stand it the most when she was with Ye Chen, when she was with Ye Chen, Zhao Yanyan would be a loving woman.

Whereas when together with other people, Zhao Yanyan tended to be indifferent and ignore them, but when she came together with Ye Chen, it would be completely different.

Chapter 1767 with Zhao Yanyan teasing Lin Rouxi

"Dear teacher would you like to join?" Ye Chen asked Lin Rouxi, Ye Chen asked if Lin Rouxi would like to join them.

Lin Rouxi only became more beautiful, she became more and more charming, Ye Chen naturally wanted Lin Rouxi to join in the fun.

"Ye Chen you are" Lin Rouxi looked displeased when she heard what Ye Chen said, she looked very displeased when she heard what Ye Chen said.

"Why are you a pervert as usual?" Lin Rouxi threw a ball of water at Ye Chen, the ball of water hit Ye Chen and made Ye Chen's body wet.

Luckily Zhao Yanyan had already stepped aside, so she wasn't hit by Lin Rouxi's attack that was headed towards Ye Chen.

"Dear teacher, how could you do this to me" Ye Chen said to Lin Rouxi.

Ye Chen complained to Lin Rouxi, he was complaining because Lin Rouxi got Ye Chen drenched.

"That's a punishment for you." Lin Rouxi said that it was a punishment for Ye Chen.

Lin Rouxi was still firm with Ye Chen, she didn't let Ye Chen do something like that freely.

"I didn't do anything wrong, how can the teacher punish me" Ye Chen said to Lin Rouxi.

Ye Chen didn't feel like he had done anything wrong, he didn't do anything wrong.

"Nonsense, you clearly made a mistake" said Lin Rouxi, Lin Rouxi refuted what Ye Chen said, Ye Chen clearly made a mistake.

"Is it wrong if I do something to my wife?" Ye Chen said to Lin Rouxi.

"Of course it's wrong, I won't let you do anything bad to Yanyan" Lin Rouxi said to Ye Chen.

"If you don't allow me to do anything with Yanyan, then how about I just be with you." Ye Chen appeared behind Lin Rouxi, he immediately hugged and locked Lin Rouxi's body.

Lin Rouxi was instantly unable to move when her body was locked by Ye Chen.

"Ye Chen let me go" Lin Rouxi said to Ye Chen, Lin Rouxi couldn't put up a fight, her strength wasn't enough to get herself out of Ye Chen's snare.

"Dear teacher, call me husband" Ye Chen said to Lin Rouxi, Ye Chen told Lin Rouxi to call himself husband.

"Why should I do such a thing" Lin Rouxi refused, she didn't want to do such a thing.

"Really, then" Seeing that Lin Rouxi was unwilling to comply with Ye Chen's request, Ye Chen decided to do something about Lin Rouxi.

Ye Chen's hand started to touch Lin Rouxi's double peak, he used his finger to pinch Lin Rouxi's Cherry bud.

"Erm!" Lin Rouxi immediately shouted, she couldn't stand what Ye Chen was doing, her body was tingling when Ye Chen pinched her Cherry buds.

"Ye Chen, stop it." Lin Rouxi said helplessly, unable to resist Ye Chen's temptation.

"I won't stop until you call me husband" Ye Chen said that he wouldn't stop until Lin Rouxi called herself more intimately.

"I won't do that" Lin Rouxi refused, she didn't want to do what Ye Chen said.

"Looks like dear teacher has forgotten the strength of this student of yours" Ye Chen said to Lin Rouxi.

Lin Rouxi had probably forgotten about Ye Chen's strength, so Ye Chen wanted to make Lin Rouxi recall her own strength.

"Ye Chen what are you trying to do, Yanyan please help me" Lin Rouxi was afraid of what Ye Chen would do, that's why Lin Rouxi asked Zhao Yanyan for help.

"Giggle, sister Rouxi, you better not fight, it's useless to fight back" Zhao Yanyan said to Lin Rouxi.

Zhao Yanyan didn't want to help Lin Rouxi, Zhao Yanyan instead told Lin Rouxi not to put up a fight against Ye Chen.

"Yanyan how can you do such a thing, aren't we sisters, you have to help me" Lin Rouxi was dissatisfied with what had happened, herself looking dissatisfied with what Zhao Yanyan had said.

"Yanyan don't listen to her, come help me" Ye Chen told Zhao Yanyan to help him, that way Ye Chen could get Lin Rouxi easily.

With the help of Zhao Yanyan, it should be easy for Ye Chen to defeat Lin Rouxi.

"Husband, I will help you." Zhao Yanyan would rather help Ye Chen than help Lin Rouxi.

"You two" Lin Rouxi felt trapped, she felt trapped by Ye Chen as well as Zhao Yanyan.

"Dear teacher, it seems that you are trapped" Ye Chen said to Lin Rouxi, Lin Rouxi was trapped, now she will not be able to escape from Ye Chen anymore.

"Husband, please let me go." Lin Rouxi had no other choice but to apologize to Ye Chen, she hoped that Ye Chen would be willing to let her go.

"Too bad, it's too late, I won't let you go" Ye Chen said to Lin Rouxi, Ye Chen refused to let Lin Rouxi go, he couldn't possibly let Lin Rouxi off after what happened.

"You, how could you lie to me" Lin Rouxi said to Ye Chen.

"I'm not lying, it's because you didn't want to listen to me from the start" Ye Chen said to Lin Rouxi, this was all because Lin Rouxi didn't want to listen to Ye Chen, if only he had listened to Ye Chen then things wouldn't be like this.

Lin Rouxi gritted her teeth, she was again tricked by Ye Chen.

Ye Chen was too smart, this man could always deceive Lin Rouxi, this irritated Lin Rouxi.

"Why have I never won against this brat?" Lin Rouxi felt helpless, she was helpless when she lost to Ye Chen.

Zhao Yanyan helped Ye Chen, she helped Ye Chen in capturing Lin Rouxi.

After being quite satisfied with teasing Lin Rouxi, Ye Chen kissed Lin Rouxi, himself kissing Lin Rouxi without permission.

Lin Rouxi was quite surprised by what Ye Chen did, what Ye Chen did was quite shocking, Ye Chen suddenly kissed her.

"Um. . ." Lin Rouxi couldn't put up any resistance, her body was quickly overpowered by Ye Chen's kiss.

Lin Rouxi stretched her hand towards Ye Chen's back, she hugged Ye Chen very tightly.

Lin Rouxi seemed to have given up, she was already starting to give up by the love Ye Chen gave her.

Ye Chen saw that Lin Rouxi had started to soften, it seemed that Lin Rouxi's condition had improved.

Ye Chen was now trying his best to help Lin Rouxi, he was helping Lin Rouxi with his skills in pleasing a woman.

In just a few minutes Lin Rouxi was subdued by Ye Chen's ability, she was completely subdued by Ye Chen's formidable ability.

Ye Chen's abilities could be said to be extremely formidable, he made Lin Rouxi obey so easily.

"Husband, more" Lin Rouxi asked for more from Ye Chen, she wanted more from Ye Chen.

"It's still noon are you sure" Ye Chen said to Lin Rouxi, Ye Chen said to Lin Rouxi, before he said that to Ye Chen and Zhao Yanyan.

Lin Rouxi's face turned red, Ye Chen used his words against Lin Rouxi.

"Puchi. . ." Zhao Yanyan couldn't help but laugh, she wasn't used to laughing when she saw Ye Chen teasing Lin Rouxi.

"Husband don't bully her anymore, look at sister Rouxi, her face is so red" said Zhao Yanyan

Chapter 1768 Together with Zhao Yanyan and Lin Rouxi (1)

"Really" Ye Chen looked at Lin Rouxi, when Ye Chen looked at Lin Rouxi, Ye Chen did see that Lin Rouxi's face was as red as an Apple.

"You embarrassed me" said Lin Rouxi to Ye Chen, what Ye Chen did had made Lin Rouxi feel very embarrassed.

"What are you ashamed of, we are a couple you don't need to be ashamed of me" Ye Chen said to Lin Rouxi, he told Lin Rouxi not to be ashamed of herself.

"You are too honest with your feelings" said Lin Rouxi to Ye Chen, Lin Rouxi saw that Ye Chen was very honest, Ye Chen was not ashamed to say something embarrassing like this.

"So are we going to continue this or not?" Ye Chen asked Lin Rouxi.

Ye Chen asked Lin Rouxi, she asked if Lin Rouxi wanted to continue more seriously or not.

"Don't ask me about this matter." Lin Rouxi didn't want to answer, it was too embarrassing to answer Ye Chen's question.

"If you don't answer, then I will stop," Ye Chen said to Lin Rouxi.

Ye Chen threatened Lin Rouxi, he gave a threat to Lin Rouxi to get Lin Rouxi to agree.

Lin Rouxi was desperate, she couldn't run away from what was happening to her.

Lin Rouxi was very uncomfortable, she needed Ye Chen's help, if she stopped here, then it would be very uncomfortable for Lin Rouxi.

But on the other hand, Lin Rouxi still had the pride of being Ye Chen's teacher, so she couldn't possibly ask such a thing from Ye Chen.

Lin Rouxi was very annoyed with Ye Chen, this man always did things like that, he had always embarrassed Lin Rouxi like this, every time with Ye Chen, Lin Rouxi had never won against Ye Chen.

Lin Rouxi asked Zhao Yanyan for help, in the current situation, Zhao Yanyan might be able to help Ye Chen.

Zhao Yanyan immediately understood the code given by Lin Rouxi, it was clear that Lin Rouxi asked Zhao Yanyan for help.

"Husband, let's go to the fairy gate." Zhao Yanyan invited Ye Chen to go to the fairy gate.

"Does Yanyan want?" Ye Chen asked Zhao Yanyan, Ye Chen asked if Zhao Yanyan wanted to do that.

"Are you still asking about it, see Sister Rouxi also wants to" Zhao Yanyan said to Ye Chen.

Zhao Yanyan told that Lin Rouxi also wanted to do something like that with Ye Chen.

"Okay, if you two force me" Ye Chen said to Zhao Yanyan and Lin Rouxi.

"Who forced you, obviously you forced us" Lin Rouxi said to Ye Chen.

"Dear teacher, you can't say things like that, it's obvious that you asked for it," Ye Chen said to Lin Rouxi.

Zhao Yanyan and Lin Rouxi must have been unable to stand it, they had not felt Ye Chen's affection for a long time, it made their lusts gather for quite a long time.

"Sister Rouxi, it's better to be honest." Zhao Yanyan told Lin Rouxi to be honest, if this continued then this would not end.

"Okay, I'll do it" Lin Rouxi nodded, she would listen to what Zhao Yanyan had to say.

Zhao Yanyan seemed wiser than Lin Rouxi, she was now very wise in making every decision.

Ye Chen, Zhao Yanyan and Lin Rouxi entered the fairy gate, the three entered the fairy gate and intended to go to the Dual Cultivation room.

"You two, it's been quite a while hasn't it?" Chu Yuechan greeted Zhao Yanyan and Lin Rouxi.

"Sister Yuechan, long time no see" Zhao Yanyan hadn't seen Chu Yuechan in a long time, she underwent closed-door training and didn't have many opportunities to enter the fairy gate.

"Looks like you guys have made great progress," Chu Yuechan said to Zhao Yanyan and Lin Rouxi.

Zhao Yanyan and Lin Rouxi had indeed made tremendous progress, they had made an astonishing development.

Especially Zhao Yanyan, she had a very great development of strength and appearance.

Zhao Yanyan had grown up, she was now worthy of being compared to goddesses in the God Realm.

"Isn't this also because of the resources you gave us?" Zhao Yanyan said to Chu Yuechan.

During this time Nangong Xiang often gave them great resources, he took it from within the fairy gate.

"Oh, it belongs to Ye Chen," Chu Yuechan said to Zhao Yanyan and Lin Rouxi.

All the resources taken by Nangong Xiang belonged to Ye Chen, they were taken by Nangong Xiang and given to all of Ye Chen's women.

Ye Chen himself couldn't possibly use up all the resources that were inside the fairy gate, so Chu Yuechan gave it to Zhao Yanyan and the others.

"I understand, husband is very kind," said Zhao Yanyan to Chu Yuechan.

Ye Chen is very kind, he gives his resources to everyone, you could say Ye Chen is a person who is not stingy with his women.

"hehehe" Ye Chen chuckled at Zhao Yanyan, Chu Yuechan and Lin Rouxi.

"Where are you going?" Chu Yuechan asked Zhao Yanyan & Lin Rouxi.

"Sister Yuechan, do you need to ask about it, you should already know where we are going" Zhao Yanyan said to Chu Yuechan.

Chu Yuechan should have known where they were going, he and Ye Chen were connected, so Chu Yuechan should have known what they were going to do.

"Unfortunately your numbers are incomplete, if only your numbers were complete, you could use the Yin & Yang Awakening Flower" Chu Yuechan said to Zhao Yanyan and Lin Rouxi.

"Yin & Yang Awakening Flower, what is it?" Lin Rouxi asked Chu Yuechan, she wanted to know the reason.

"Come here, I will tell you the reason" Chu Yuechan told Zhao Yanyan and Lin Rouxi to come closer, she would tell a reasonable reason why the two of them couldn't use the Yin & Yang Awakening Flower.

Chu Yuechan started to tell what happened to Lin Rouxi, she told Lin Rouxi about what happened when Ye Chen used the Yin & Yang Awakening Flower with Chi Shui.

Zhao Yanyan and Lin Rouxi shocked when they heard that, it seemed quite dangerous to use it with Ye Chen.

"But if you have the strength, you can give it a try." Chu Yuechan said to Zhao Yanyan and Lin Rouxi, he invited the two of them to give it a try.

"No thanks, but I want to enjoy this well." Lin Rouxi was afraid to give it a try, she wanted to enjoy this relationship well, if Ye Chen became that crazy, then it would be dangerous for Lin Rouxi and Zhao Yanyan.

"I guess next time" Zhao Yanyan also thought the same thing as Rouxi, right now she just wanted to enjoy their relationship after not seeing each other for so long.

"I will respect your decision." Chu Yuechan respected the decision made by Zhao Yanyan and Lin Rouxi, they made a very right decision.

"Yanyan, dear teacher, why are you taking so long, let's go." Ye Chen couldn't stand it anymore, he took Zhao Yanyan and Lin Rouxi to the Dual Cultivation room.

Ye Chen wanted to immediately mend relations with Zhao Yanyan and Lin Rouxi, the two of them also definitely couldn't take it anymore and wanted to immediately mend their relationship with Ye Chen.

Chapter 1769 Together with Zhao Yanyan and Lin Rouxi (2)

"It seems, you are much more excited than us" Zhao Yanyan said to Ye Chen.

Zhao Yanyan saw that Ye Chen looked even more excited than them, Ye Chen was too excited and wanted to do Dual Cultivation with Zhao Yanyan and Lin Rouxi immediately.

"Come on" Ye Chen didn't want to wait any longer, he carried Zhao Yanyan and Lin Rouxi into his arms.

Zhao Yanyan and Lin Rouxi were carried away by Ye Chen, both of whom were led away to the Dual Cultivation chamber.

"Fufufufufu" Chu Yuechan giggled, she saw the extremely beautiful scene that Ye Chen together with Zhao Yanyan and Lin Rouxi had.

"I haven't seen such a cute thing in a long time." Chu Yuechan had not seen such a cute thing in a long time.

"Don't you want to join them?" Chu Ning'er came over, she asked if Chu Yuechan didn't want to join Zhao Yanyan and Lin Rouxi.

"What do you think, I can't possibly do that" Chu Yuechan replied.

Chu Yuechan couldn't possibly do such a thing, she still couldn't do that with Ye Chen.

"You have to do it right away, otherwise you will be old and unsold" Chu Ning'er said to Chu Yuechan.

"What did you say?" Chu Yuechan gave off a dark aura around her, it seemed that Chu Yuechan was enraged by Chu Ning'er's words.

"Hahaha" Chu Ning'er immediately fled, she immediately left this place to avoid fighting with Chu Yuechan.

"Where are you running?, I won't let you escape." Chu Yuechan would not let Chu Ning'er escape so easily.

Chu Yuechan and Chu Ning'er played catch-up, one trying to dodge, and the other trying to catch.

.

Ye Chen himself brought Zhao Yanyan and Lin Rouxi into the Dual Cultivation chamber.

"we arrived" Ye Chen finally arrived at their destination, they had already arrived at the Dual Cultivation chamber and no one would disturb them.

Zhao Yanyan and Lin Rouxi were whispering, the two of them were whispering to discuss something.

"What are you two talking about?" Ye Chen was quite curious about what Zhao Yanyan and Lin Rouxi were discussing.

"This is a woman's talk, you don't need to know" Zhao Yanyan said to Ye Chen, Zhao Yanyan didn't tell this matter, she didn't want to tell Ye Chen about the matter she just discussed with Lin Rouxi.

"That's very true" Lin Rouxi agreed with what Zhao Yanyan said, Ye Chen shouldn't know what they were discussing, this was all because the two were discussing something that would shock Ye Chen.

"You guys are trying to be stingy with your husbands, you'll see." Seeing Zhao Yanyan and Lin Rouxi trying to be stingy, Ye Chen would let them both know that it wasn't good for them.

"Already. You go out first" Zhao Yanyan said to Ye Chen, Zhao Yanyan suddenly chased Ye Chen away.

"Why so suddenly?" Ye Chen was disappointed, he was disappointed because Zhao Yanyan was kicked out of the Dual Cultivation room.

"Don't ask too many questions." Zhao Yanyan told Ye Chen not to ask too many questions, she told Ye Chen to listen to what she asked.

Ye Chen had no choice, he could only obey Zhao Yanyan's request.

The situation was very good, Ye Chen didn't want to mess this up because he didn't want Zhao Yanyan to be upset.

Ye Chen waited outside for a while, he waited very patiently, Ye Chen could only hope that this would be over soon.

"Alright, you can go inside" Zhao Yanyan said to Ye Chen, she allowed Ye Chen to go inside.

Ye Chen didn't know what Zhao Yanyan was up to, but Zhao Yanyan was definitely up to something.

"Okay I'm in." Ye Chen decided to enter, he entered the Dual Cultivation chamber.

"Click" Ye Chen entered and peeked inside, when Ye Chen peeked into the Dual Cultivation chamber, Ye Chen found something very interesting, Ye Chen actually found a very great sight.

Zhao Yanyan and Lin Rouxi had already changed into their clothes, they were now wearing even more seductive clothes than before.

Zhao Yanyan was wearing a girl's school outfit with a short shirt and short skirt, while Lin Rouxi was wearing a teacher's uniform which looked very seductive.

It was quite surprising to see Zhao Yanyan wearing a very mini-looking skirt, usually Zhao Yanyan would use a slightly longer skirt to cover the thighs so as not to be seen by others.

"Wow, your appearance" Ye Chen said to Lin Rouxi and Zhao Yanyan, Ye Chen looked very surprised by the appearance they showed for him.

"Do you like it?" Zhao Yanyan asked Ye Chen, she asked if Ye Chen liked what they showed.

"Of course, I like it, you guys are wearing very seductive clothes, especially dear teacher" Ye Chen said to Lin Rouxi.

Lin Rouxi's appearance was very seductive, she seemed to be deeply imbued with the character of a beautiful Master.

"Husband, don't make joke of me anymore" said Lin Rouxi to Ye Chen, Lin Rouxi was a little embarrassed, she had to wear the teacher's uniform again, even though Lin Rouxi was no longer a teacher teaching classes.

Plus the clothes that Zhao Yanyan chose were too revealing, this was different from her old uniform, if Lin Rouxi used this when teaching, surely all the students would look at her with gazes filled with meaning.

Ye Chen just now kept staring at Lin Rouxi, Ye Chen looked like a hungry wolf that wanted to eat Lin Rouxi.

Ye Chen stepped forward, he hugged Zhao Yanyan and Lin Rouxi on the left and right, it was a fortune to be able to hug beautiful women on both sides.

Actually Ye Chen still had more, it's just that now there was only Zhao Yanyan and also Lin Rouxi, if everyone gathered it would definitely be a lot.

Because Ye Chen was a man, he was the first to start, Ye Chen didn't want to waste any more time, he immediately kissed Zhao Yanyan and Lin Rouxi in turn, Ye Chen used his left and right hands on Zhao Yanyan and Lin Rouxi.

Ye Chen had to share everything with Zhao Yanyan with Lin Rouxi, that way he could make both of them feel happy.

Zhao Yanyan and Lin Rouxi started to get excited, both of them experienced a very comfortable feeling when they were with Ye Chen.

Zhao Yanyan and Lin Rouxi seemed to miss Ye Chen's touch and caress so much, it was the most comfortable thing they had ever felt in their lives.

"Husband, this is great" Zhao Yanyan was very happy, after a long time, she could feel Ye Chen's technique again, this feeling was the best ever.

"I also miss you guys a lot, touching you is a very precious thing to me" Ye Chen said to Zhao Yanyan and Lin Rouxi.

Ye Chen had also missed Zhao Yanyan and Lin Rouxi, after so long, he was able to touch the two women who had accompanied him the first time and didn't have as much strength as now.

"Husband, are you interested in playing a game?" Zhao Yanyan asked Ye Chen.

Zhao Yanyan wanted to play a game with Ye Chen, she invited Ye Chen to play a game.

"What kind of game is that?" Ye Chen wanted to know the details about the game that Zhao Yanyan wanted.

"Husband, how about we have a game between teacher and student." Zhao Yanyan said what she wanted, she wanted to have a game between teacher and student.

Chapter 1770 Teacher and student game (1)

"That's a very good idea, but is teacher Rouxi willing to do this?" Ye Chen asked Rouxi, Ye Chen wanted to know if Lin Rouxi was willing or not to do that, otherwise it would be pointless to do so.

"Of course, I will be your teacher, you two have to listen to what I have to say" Lin Rouxi took a ruler, she didn't know where she got this ruler from.

"See Sister Rouxi is very excited" Zhao Yanyan said to Ye Chen, Zhao Yanyan smiled, it seemed that Lin Rouxi was very excited to do that.

Ye Chen did not expect that Lin Rouxi would prepare to do something like this, it seemed that Lin Rouxi and Zhao Yanyan had already planned this matter.

"Okay, I'll take part in the game" Ye Chen said that he would participate in the game played by Lin Rouxi and Zhao Yanyan.

"Very good." Zhao Yanyan was overjoyed when she heard this, they were going to have as much fun as they wanted.

After all this time, they were finally able to do something as fun and free as they are today.

The game started, Lin Rouxi was standing in front of Ye Chen in a very seductive outfit, meanwhile Zhao Yanyan was sitting beside Ye Chen.

"Ye Chen, why do you look at your teacher like that" said Lin Rouxi to Ye Chen, Lin Rouxi asked Ye Chen, she asked why Ye Chen looked at herself with such lustful eyes.

"I didn't do that" Ye Chen said to Lin Rouxi, Ye Chen tried to avoid the question asked by Lin Rouxi.

"You lied to me, then why is this so loud?" Lin Rouxi used her foot, she used her foot towards Ye Chen's little brother and started teasing Ye Chen's younger brother who was below.

"emmm" Ye Chen let out a slight scream, he felt a comfortable feeling when Lin Rouxi's legs teased his lower half.

Lin Rouxi's way of rubbing and massaging was so skillful, she used her feet to stimulate Ye Chen's little brother.

"Teacher what did you do to Ye Chen" Zhao Yanyan asked Lin Rouxi, Zhao Yanyan helped Ye Chen, in this story, Zhao Yanyan is a good woman.

"I am punishing him" Lin Rouxi said that she was punishing Ye Chen.

Lin Rouxi was very passionate about her role, it was obvious that she wanted to punish Ye Chen from the start.

Finally Lin Rouxi got an opportunity like this, she wouldn't miss this opportunity because she wanted to punish Ye Chen.

"But isn't that so cruel, don't you have pity," Zhao Yanyan said to Lin Rouxi.

"cruel, what cruel, you see he seems to be enjoying it very much" Lin Rouxi said to Zhao Yanyan.

Ye Chen seemed to really enjoy what Lin Rouxi was doing, he seemed to really like what Lin Rouxi was doing.

"Do you want to join, this will be very fun" said Lin Rouxi to Zhao Yanyan, Lin Rouxi took Zhao Yanyan, she would teach Zhao Yanyan how to make Ye Chen happy.

Here Lin Rouxi was a teacher, so she should be able to put herself above Zhao Yanyan in terms of ability.

Lin Rouxi had learned so much, she had learned all kinds of ways to please a partner.

Even though on the outside Lin Rouxi often rejected what Ye Chen did, in fact she remained faithful and tried her best to be a good wife and be able to please her partner.

"Can I join?" Zhao Yanyan said to Lin Rouxi.

"Of course, let's teach this brat a little lesson" Lin Rouxi said to Zhao Yanyan.

Lin Rouxi was getting serious, she was getting more aggressive in attacking Ye Chen's weak point, on the other hand Zhao Yanyan started to join the battle.

she knelt under Ye Chen and started to see what Lin Rouxi was doing.

Ye Chen seemed to be enjoying this game, for some reason he felt very excited when he played a game like this.

Who wouldn't be excited when playing a game like this with two beautiful women like Zhao Yanyan and teacher Lin Rouxi, it was a man's dream to be able to enjoy a game like this.

During his time in the God Realm, Ye Chen might never have done anything like this, there women were more virtuous and unaffected by television series or dramas, so they considered a couple's relationship normal and mutually pleasing to each other.

Even though doing a game like this will make your partner feel happier and more passionate.

Ye Chen's thing started to grow, this already couldn't stand the temptation of Lin Rouxi's comfortable legs.

"It's getting bigger" Zhao Yanyan said to Lin Rouxi, Zhao Yanyan saw that the thing in front of her was growing bigger and bigger.

Apart from Lin Rouxi, Zhao Yanyan was also very soulful, she actually looked very innocent and ignorant.

"Looks like it's about time, Yanyan you take a good look, the teacher will teach you something" Lin Rouxi said to Zhao Yanyan.

Lin Rouxi knelt right beside Zhao Yanyan, she would teach Zhao Yanyan how to punish Ye Chen and make Ye Chen happy.

Lin Rouxi started to release little brother Ye Chen from his shackles, just then a large, long and powerful object appeared in front of Lin Rouxi and Zhao Yanyan.

"It's so big, it seems like it's growing even bigger" Zhao Yanyan said in her heart, Zhao Yanyan saw that Ye Chen's property was getting bigger and bigger, it was growing into something terrible.

"You have something very good, it seems that teacher is quite lucky" Lin Rouxi said to Ye Chen.

Lin Rouxi stretched out her hand towards the large object in front of her, she started to use her hand to play with it.

"Teacher, don't do that." Ye Chen asked Lin Rouxi not to do such a thing.

"What's wrong?, don't you like it?" asked Lin Rouxi while still playing with the object in her hand.

Lin Rouxi looked very excited, she started to show her love for Ye Chen, you could say Lin Rouxi no longer held back when she was with Ye Chen.

"Of course I like it, a beautiful teacher helps me like this, of course I like this" Ye Chen said that he liked what Lin Rouxi did, what Lin Rouxi did was very comfortable.

"Very good, teacher likes obedient children, I will give you a special gift" Lin Rouxi said to Ye Chen.

Ye Chen was quite surprised by Lin Rouxi's attitude, Lin Rouxi was really very passionate about the role she was given.

Lin Rouxi started to open her mouth and gave Ye Chen a great warmth, she ate the big thing that was in her hands.

"Ohhh" Ye Chen enjoyed this, he enjoyed the services rendered by Lin Rouxi.

"Chu. . ., Jubooo, Jubooo," Lin Rouxi used her small mouth to serve Ye Chen, she used the technique she had mastered against Ye Chen.

Lin Rouxi's skills were excellent, she had extremely excellent skills, now Lin Rouxi was able to level with Veterans and become an opponent worthy of reckoning.

"Looks like Sister Rouxi is having fun by herself." Zhao Yanyan felt a little envious, she saw that Lin Rouxi was having fun alone.

Whereas Zhao Yanyan wanted to join in on the fun too, she wanted to join the battle that was going on between Ye Chen and Lin Rouxi.

"Yanyan, please pay attention." Lin Rouxi told Zhao Yanyan to pay close attention, currently Lin Rouxi was teaching Zhao Yanyan.
