

A True God 1771

Chapter 1771 [Bonus]Teacher and student game (2)

Zhao Yanyan was of course watching from afar, she was watching what Lin Rouxi was doing with her eyes wide open.

Zhao Yanyan didn't expect that Lin Rouxi would be so excited like this, Lin Rouxi was obviously very excited when she ate Ye Chen's big thing.

Lin Rouxi started to be more aggressive again, she served Ye Chen more seriously, Lin Rouxi tried to squeeze Ye Chen dry.

Ye Chen had to admit that Lin Rouxi had a very strong determination, she had a very strong determination to make Ye Chen.

Lin Rouxi didn't forget to teach Zhao Yanyan who was beside her, she taught Zhao Yanyan what to do.

Lin Rouxi looked like a teacher teaching couples how to please each other.

"Wanna try it?" Lin Rouxi asked Zhao Yanyan, satisfied, Lin Rouxi told Zhao Yanyan to give it a try.

"Of course" Zhao Yanyan had waited a long time for this, finally Lin Rouxi was willing to share it with herself.

Zhao Yanyan thought that Lin Rouxi wouldn't want to share with her, but now Zhao Yanyan had a chance to get Ye Chen.

Zhao Yanyan took Lin Rouxi's place, she started to serve Ye Chen's thing with her mouth, Zhao Yanyan did the same as Lin Rouxi, to be more precise she imitated what Lin Rouxi had previously taught.

Zhao Yanyan was much more skilled than Lin Rouxi, her current skills were already much stronger to deal with Ye Chen.

"She's trying to suck me in." Ye Chen felt threatened by Zhao Yanyan, Zhao Yanyan's abilities rose even more.

Zhao Yanyan had already learned to improve her strength and abilities, she was doing her best to improve herself so that she could compete with Ye Chen.

And now that his hard work paid off, Zhao Yanyan could fight Ye Chen using the skills she had.

Lin Rouxi didn't stay still, she went to Ye Chen's side and started teasing Ye Chen using her skills.

"Yanyan, you did very well." Lin Rouxi praised Zhao Yanyan, she praised Zhao Yanyan for doing so well.

Lin Rouxi could feel that Ye Chen was slightly cornered by Zhao Yanyan's attack, it seemed that Zhao Yanyan had made an attack that put Ye Chen into trouble.

Right now Lin Rouxi's job was to help corner Ye Chen, that way the two of them could defeat Ye Chen.

cooperation was formidable, the two of them working together against Ye Chen.

By cooperating with each other, Zhao Yanyan and Lin Rouxi really hoped that they could defeat Ye Chen.

"This is very comfortable." Ye Chen really enjoyed what Zhao Yanyan and Lin Rouxi were doing, he was very happy with what Zhao Yanyan and Lin Rouxi were doing.

The three of them were immersed in love, especially Zhao Yanyan and Lin Rouxi, both of whom were very excited and wanted to spoil Ye Chen.

Ye Chen really enjoyed this, he enjoyed the services provided by Zhao Yanyan and also Lin Rouxi.

"Yanyan let me join" Seeing Zhao Yanyan unable to overcome Ye Chen quickly, Lin Rouxi decided to join the battle.

Lin Rouxi and Zhao Yanyan were both serving large objects using their mouths, both of them working together to please Ye Chen.

"Oh, this is great." Ye Chen saw what Zhao Yanyan and Lin Rouxi were doing, the combination of the two was really great.

If it continued like this, then sooner or later Ye Chen would lose at the hands of the two beauties beneath him.

"Damn it, I can't take it anymore" Ye Chen couldn't take it anymore, he couldn't take it anymore when he received the combined attack from Zhao Yanyan and Lin Rouxi.

"Byur. . ." Ye Chen took out his Essence towards Zhao Yanyan and Lin Rouxi.

"kyahh. . ." Zhao Yanyan and Lin Rouxi were shocked when they saw what happened, both of them looked unprepared for Ye Chen's sudden attack.

Zhao Yanyan and Lin Rouxi were covered by Yang Qi Ye Chen who was quite rich and pure.

"Bad disciple, how dare you do this, it seems that you want to be punished even more severely" Lin Rouxi said to Ye Chen.

"Teacher, do whatever you want" Ye Chen said to Lin Rouxi, Ye Chen looked resigned to the situation, he had already given up on Lin Rouxi.

Lin Rouxi smiled very dazzlingly, she felt like an easy victory from Ye Chen.

"Yanyan I will go first" Lin Rouxi said to Zhao Yanyan, Lin Rouxi couldn't stand it, she was already quite excited and the bottom looked like a river.

Zhao Yanyan had much better skill and resilience than Lin Rouxi, that's why Lin Rouxi wanted Zhao Yanyan to come forward, she would go first to fight Ye Chen.

Lin Rouxi pushed Ye Chen onto the bed, after that she climbed onto Ye Chen's body, this was the female lead position where Lin Rouxi would lead the battle.

Lin Rouxi held onto Ye Chen's younger brother who had already returned to his feet, Ye Chen's strength was so strong that he was able to very easily get up after the battle.

"This is hard enough, you are very strong" said Lin Rouxi to Ye Chen, Lin Rouxi praised Ye Chen, Ye Chen had very good stamina.

"Of course, this is all for the sake of the teacher" Ye Chen said to Lin Rouxi, Ye Chen said that it was all for Lin Rouxi's sake, he wanted to make Lin Rouxi happy with her abilities.

"Then I'll start." Lin Rouxi started, but first she wanted to tease Ye Chen.

Lin Rouxi rubbed Ye Chen's and started to tease him, this would make Ye Chen feel uncomfortable.

Sure enough Ye Chen felt uncomfortable, Lin Rouxi didn't immediately start and instead teased herself, this made Ye Chen a little annoyed.

"Teacher, why are you teasing me, hurry up," Ye Chen said to Lin Rouxi.

"Do you really want to do that?" Lin Rouxi asked Ye Chen, Lin Rouxi smiled triumphantly, she managed to seduce Ye Chen.

"Damn I can't take it anymore" Ye Chen couldn't take it anymore, he decided to grab Lin Rouxi's waist and let her down.

"Ahhh. . . ." Lin Rouxi shouted, Ye Chen's thing went deep enough and made her feel a little sick.

Lin Rouxi felt a little sick, this was probably because her had not been opened for quite a while.

"Naughty disciple, how dare you do that." Lin Rouxi was annoyed with Ye Chen, she was annoyed when she saw Ye Chen force herself.

"It's because the teacher is too seductive, I can't stand it" Ye Chen replied.

"Is that how you love your teacher, I'm glad to hear that" Lin Rouxi was happy to hear that, she was happy to see Ye Chen loved her so much.

Lin Rouxi started to move, herself started to move up and down, she started her battle with Ye Chen.

Lin Rouxi felt a great feeling, it had been a long time since she had felt this kind of feeling.

Her voice even leaked out very loudly.

"This is great, you are very strong." Lin Rouxi started to go crazy, she really started to get excited and full of passion.

Ye Chen didn't stay still, he touched Lin Rouxi's double peak and started to make Lin Rouxi feel even greater comfort.

"Ahhhh!" Lin Rouxi's screams couldn't be contained anymore, she was really very comfortable at all by Ye Chen's treatment.

Time passed quickly, two hours passed and Lin Rouxi was already starting to look tired.

"He's too strong, his strength just keeps getting bigger." Lin Rouxi saw that Ye Chen was getting stronger and stronger, even after an hour, she still couldn't beat Ye Chen.

Lin Rouxi probably needed Zhao Yanyan's help to win, she was tired and needed a little rest.

"Yanyan, now you can give it a try." Lin Rouxi told Zhao Yanyan to take her place.

"Teacher, have you admitted defeat?" Ye Chen said to Lin Rouxi, seeing Lin Rouxi trying to run away, Ye Chen immediately mocked Lin Rouxi.

"I'm not running away, I don't want Yanyan to wait too long" said Lin Rouxi to Ye Chen.

Lin Rouxi tried to come up with an excuse, she couldn't lose face in front of Ye Chen.

Zhao Yanyan who had been waiting for a long time started to take Lin Rouxi's place, Zhao Yanyan started a battle with Ye Chen and moved up and down quickly.

"Husband, I will beat you" Zhao Yanyan said to Ye Chen, Zhao Yanyan was very confident in her abilities, she believed she could beat Ye Chen.

"Let's see if Yanyan is able to do that" Ye Chen held Zhao Yanyan and started to counterattack, he pushed Zhao Yanyan to the deepest and made Zhao Yanyan feel a pleasant feeling.

"They both enjoyed it, I will rest for a while" Lin Rouxi decided to rest, she would rest for a while before continuing her battle with Ye Chen again.

"Pah. . .,Pah. . .,Pah. . .,Pah. . .,Pah. . .,Pah. . .,Pah. . .," Ye Chen and Zhao Yanyan made an extremely lewd , both of them looking very excited about each other.

"This is great, it's been a long time." Zhao Yanyan was overjoyed, she hadn't had Ye Chen's love for a long time.

"Do you like it?" Ye Chen asked Zhao Yanyan.

"Of course, the best husband, I like this, please love me more" Zhao Yanyan said to Ye Chen.

Zhao Yanyan wanted Ye Chen to love herself more and more, Zhao Yanyan needed Ye Chen's love a lot.

"For dear Yanyan, I will give my all" Ye Chen would give everything he had for Zhao Yanyan.

"Thank you very much" Zhao Yanyan kissed Ye Chen, the two of them looked very close like glue.

Zhao Yanyan's honey cave is very good, it is very comfortable for Ye Chen, Ye Chen is really made comfortable by Zhao Yanyan's abilities.

Ye Chen and Zhao Yanyan were intertwined for more than 1 hour, during this time Ye Chen kept trying to defend against Zhao Yanyan's strong attacks.

Zhao Yanyan had already reached the peak several times, she was a little difficult to fight Ye Chen even after gaining such great strength now

"I can't seem to take it anymore" Ye Chen couldn't take it anymore, he couldn't take it anymore.

Zhao Yanyan sensed that Ye Chen was also at his limit, it seemed that this was Ye Chen's limit.

Zhao Yanyan quickened her movements, she was going to end this soon.

"Yanyan I might not be able to take it anymore" Ye Chen said to Zhao Yanyan.

Perhaps this was because Ye Chen had previously fought with Lin Rouxi, this made Ye Chen already quite overwhelmed.

"Husband, let's get together." Zhao Yanyan invited Ye Chen to come together.

"Okay" Ye Chen agreed, the two of them would do it together.

"Ahhh" Ye Chen and Zhao Yanyan were both at their limit, they reached the peak at the same time.

Ye Chen gave Zhao Yanyan quite a lot of Yang Qi essence, Zhao Yanyan's body felt very warm when she got the Yang Qi given by Ye Chen.

Zhao Yanyan fell on Ye Chen's chest, she started refining Ye Chen's Yang Qi, Zhao Yanyan had Dual Cultivation technique, so she could refine Ye Chen's Yang Qi with her own ability.

"Yanyan, you cheated" Lin Rouxi envied Zhao Yanyan, Zhao Yanyan got Ye Chen's Yang Qi, even though Lin Rouxi also wanted it, it could increase Lin Rouxi's strength and beauty.

"I'm sorry, maybe Sister Rouxi can get it again after this" Zhao Yanyan said to Lin Rouxi.

The battle is still quite long, you don't need to worry too much" Ye Chen said to Lin Rouxi.

Ye Chen is still quite excited, one round is not enough for Ye Chen.

Ye Chen's property bounced back, Ye Chen started the second half with Zhao Yanyan.

"Your husband . . ." Zhao Yanyan was a little surprised, she was quite surprised by what Ye Chen had done.

"Sorry, but I can't stand it, Yanyan is very kind" Ye Chen said to Zhao Yanyan.

"I will join" Lin Rouxi decided to join the battle, the three of them entangled together and tried various positions.

The Dual Cultivation chamber was filled with delightful voices, the screams from Zhao Yanyan and Lin Rouxi were a very beautiful melody to listen.

Chapter 1772 Meet Xia Tian and Xia Qingyu

"My waist hurts" Lin Rouxi felt that her waist hurt so bad, Lin Rouxi's waist hurt from having relationship with Ye Chen for too long.

"That's right, He's too strong" Zhao Yanyan agreed with what Lin Rouxi said, Ye Chen was too strong, it made Zhao Yanyan and Lin Rouxi find it difficult to fight Ye Chen.

"What is it, why are you two complaining like old ladies?" Ye Chen said to Lin Rouxi and Zhao Yanyan.

In contrast to Zhao Yanyan and Lin Rouxi who were having a hard time, Ye Chen felt very refreshed, doing Dual Cultivation with Zhao Yanyan and Lin Rouxi brought his spirits back.

"You really are a monster" said Lin Rouxi to Ye Chen, Lin Rouxi and Zhao Yanyan were already completely exhausted, meanwhile Ye Chen still looked very refreshed.

"He is indeed abnormal." Zhao Yanyan agreed with Lin Rouxi, Ye Chen's strength was indeed abnormal.

"Hahaha" Ye Chen laughed, he laughed as he hugged Zhao Yanyan and Lin Rouxi who were on the left and right.

Lin Rouxi and Zhao Yanyan did not have the strength to fight Ye Chen, the two of them could only accept what Ye Chen did.

"Yanyan, why did Qingyu leave?" Ye Chen asked Zhao Yanyan, he wanted to know where Xia Qingyu was.

"She was with your maid heading to her house." Zhao Yanyan told Ye Chen about Xia Qingyu.

"It's okay, let her go." Ye Chen let Xia Qingyu go to her house, let Xia Qingyu meet her family.

"I've got the Flower of Life Seven Color, where is Ling Yin and Fu Lanling?" Ye Chen asked Zhao Yanyan.

"They exist, it's just that they aren't here," Zhao Yanyan said to Ye Chen.

"Then where are they?" Ye Chen asked Zhao Yanyan, Ye Chen wanted to know where Ling Ying and Fu Lanling were.

"They are in a safe place, I will take you there" Zhao Yanyan said to Ye Chen, Zhao Yanyan did not explain where he put Ling Ying and Fu Lanling, he said that they were in a safe place.

"Then take me there" Ye Chen said to Zhao Yanyan, Ye Chen wanted Zhao Yanyan to take him away immediately.

"Of course I will, but first I want to clean myself up" Zhao Yanyan said to Ye Chen.

Zhao Yanyan felt uncomfortable, she felt dirty after the long battle with Ye Chen, Zhao Yanyan needed some time to clean herself up.

"I'm coming" Lin Rouxi also wanted to come, she wanted to go with Zhao Yanyan to the bathhouse.

Women really didn't like seeing their bodies dirty, which was why Zhao Yanyan and Lin Rouxi wanted to clean themselves up as quickly as possible.

"Let's go" Zhao Yanyan said to Lin Rouxi, Zhao Yanyan took Lin Rouxi out together, the two of them could go together and take a bath.

"Then let me join to" Ye Chen said to Lin Rouxi and Zhao Yanyan.

" no ! ! ! " Zhao Yanyan and Lin Rouxi both rejected Ye Chen.

" why ?" Ye Chen asked Zhao Yanyan and Lin Rouxi, Ye Chen wanted to know the reason these two women rejected him.

"It's because we don't trust you, you might do something dangerous to us" Lin Rouxi said to Ye Chen.

Lin Rouxi didn't want Ye Chen to join, if Ye Chen joined, they might get into trouble.

Zhao Yanyan and Lin Rouxi were both tired, if Ye Chen asked them again, then they wouldn't be able to.

"Too bad" Ye Chen was disappointed, he was disappointed when he heard the answers given by Lin Rouxi and Zhao Yanyan.

"maybe another time" Zhao Yanyan said to Ye Chen, Zhao Yanyan promised Ye Chen, she would take a bath together with Ye Chen when the time was right.

"You promised to do that, you must keep it" Ye Chen said to Zhao Yanyan.

Ye Chen pinched Zhao Yanyan's buttocks, he couldn't stand the sight of Zhao Yanyan's beauty.

Zhao Yanyan and Lin Rouxi hurriedly left, they both looked like rabbits that had just seen a predator.

Ye Chen smiled, he smiled when he saw Zhao Yanyan and Lin Rouxi run away in such a manner.

Ye Chen also had to clean himself up, which was why Ye Chen had to wait for his turn.

Zhao Yanyan and Lin Rouxi needed at least 1 hour to shower and make up, they returned to their very beautiful appearance and full of charm.

Ye Chen immediately went and cleaned himself, Ye Chen didn't take long to clean himself.

After cleaning up, Ye Chen together with Zhao Yanyan and Lin Rouxi left the fairy gate.

"Yanyan about the place you mean, is it on earth?" Ye Chen asked Zhao Yanyan.

"sister Yin and Lanling is currently in the God Realm, so we will go to the God Realm," Zhao Yanyan said to Ye Chen.

Zhao Yanyan told Ling Yin Ye Chen

"I didn't expect you to take her there" Ye Chen didn't expect that Zhao Yanyan would take Ling Yin to God Realm.

"This was Sister Xiang's suggestion, so we brought her there, so that it would help the poison not to spread quickly" Zhao Yanyan said to Ye Chen.

The God Slaughter Poison was very strong, Zhao Yanyan and the others needed a way to suppress the poison, and the only way was with Shui Yixian.

"I see" Ye Chen could understand what Zhao Yanyan wanted, he could understand that Zhao Yanyan was doing this for Ling Yin's good.

"We should look for Qingyu's whereabouts first." Ye Chen took Zhao Yanyan and Lin Rouxi to look for Xia Qingyu.

"Let's go" Zhao Yanyan and Lin Rouxi agreed with what Ye Chen said, before leaving, they had better find the whereabouts of Xia Qingyu as well as Qi Yunzhi.

Ye Chen together with Zhao Yanyan and Lin Rouxi went to Xia Qingyu's residence, they were looking for Xia Qingyu's whereabouts.

Xia Qingyu was currently accompanying Xia Tian, they were playing a game of golf.

Ye Chen was quite surprised when he saw Xia Tian's new residence, it was obvious that Xia Tian had a much bigger residence than before, he even had a private Golf course, that was amazing.

"It seems Grandpa Xia's medicine business is growing very well." Ye Chen saw that Xia Tian's medicine business was growing rapidly.

Ye Chen of course knew the reason, everything was clear, the Earth is now filled with innumerable cultivators, so it's not strange that medicinal resources are indispensable on this earth.

This is what made Grandpa Xia Tian's business big and he made a good profit to be able to build a private golf course.

"Grandpa aren't you too excited" Xia Qingyu saw that Grandpa was very excited, Xia Tian seemed to have fully recovered and now looks young again.

"grandfather has found a great new hobby, so don't bother him" Xia Tian said to Xia Qingyu.

Xia Tian got a new hobby, it's not strange that he is very passionate when playing golf.

"Geez" Xia Qingyu was helpless, she was helpless when she saw Xia Tian didn't listen to her words.

"You seem to be in trouble" Ye Chen said to Xia Qingyu.

Ye Chen appeared in front of Xia Qingyu, he came together with Zhao Yanyan and Lin Rouxi.

"Are you done with your business?" Xia Qingyu asked Ye Chen, Xia Qingyu wanted to know if Ye Chen's business was finished.

"Of course, my business is done." Ye Chen nodded, he meant dual cultivation with Zhao Yanyan and Lin Rouxi.

Chapter 1773 Xia Tian's advice to Ye Chen

Zhao Yanyan and Lin Rouxi simultaneously pinched Ye Chen, they were both displeased with what Ye Chen said, Ye Chen said quite vulgar words in front of Xia Qingyu.

Honestly, Xia Qingyu didn't know what Ye Chen had just said, Xia Qingyu only assumed that Ye Chen had managed to settle his affairs at the police station.

"Grandpa Xia, greetings" Ye Chen greeted Xia Tian.

"Oh Ye Chen it's been a long time, come and play with me" Xia Tian looked happy when he saw Ye Chen, he took Ye Chen to play golf with him.

"I'll be there soon" Ye Chen decided to go there immediately, he would accompany Xia Tian to play golf.

"You guys talk first, I'll go and accompany Grandpa Xia" Ye Chen said that he would go play with Grandpa Xia.

Lin Rouxi, Zhao Yanyan and Xia Qingyu nodded, they could understand that Ye Chen wanted to play golf with Grandpa Xia.

"You didn't find your little sister?" Zhao Yanyan asked Xia Qingyu.

"Yeah that's right, I didn't find him, I heard from Grandpa that she went to Five Lord Divine Academy" Xia Qingyu said to Zhao Yanyan.

"she will definitely be fine, I believe she will be fine while he is at the Five Lord Divine Academy," Zhao Yanyan said to Xia Qingyu.

Zhao Yanyan was sure that Xia Ningzi would be fine, Xia Ningzi was a strong and talented woman, she and Su Yuyu could definitely become stronger in the Five Lord Divine Academy.

"Qingyu, how are you doing with Ye Chen, it's been a year already?" Lin Rouxi asked Xia Qingyu.

Lin Rouxi wanted to know the progress that Xia Qingyu had made after 1 year with Ye Chen, they had already spent a year, surely they had already progressed.

"that . . ." Xia Qingyu was a little confused when she heard this question, she didn't know how to answer the question asked by Lin Rouxi.

"Why is your expression like that?" Lin Rouxi asked Xia Qingyu.

"Actually I haven't made much progress" Xia Qingyu said to Lin Rouxi, Xia Qingyu decided to be honest, she would rather be honest than lie and add to the problem.

"How did it happen?" Zhao Yanyan said to Xia Qingyu, even though Xia Qingyu was in the same place as Ye Chen for 1 year, how could she not do anything to Xia Qingyu.

Zhao Yanyan and Lin Rouxi had no way that a big pervert like Ye Chen would not do something to Xia Qingyu.

"That's because Sister Xueying won't let me," Xia Qingyu said to Zhao Yanyan and also Lin Rouxi.

"Why didn't she let you together?" Zhao Yanyan asked Xia Qingyu, Zhao Yanyan should know about this matter, Mu Xueying had forbidden Xia Qingyu to have any contact with Ye Chen.

"sHe once said that this isn't the right time to do such things, I need to improve more," Xia Qingyu replied.

"I see." Zhao Yanyan and Lin Rouxi understood, both of them understood what Ye Chen wanted.

"But if you want to do Dual Cultivation with husband, then you will become even stronger," Zhao Yanyan said to Xia Qingyu.

Xia Qingyu's face turned red, she blushed as she listened to what Zhao Yanyan had just said.

Xia Qingyu was not a novice in the world of cultivators, she now understood what Zhao Yanyan had just said.

Zhao Yanyan told Xia Qingyu to do it together with Ye Chen, so Xia Qingyu would get the power she wanted.

"I will think about it" Xia Qingyu will think about it, she will think about what Zhao Yanyan just said.

"Looks like husband got a beautiful maid full of charm." Lin Rouxi turned her attention towards Qi Yunzhi, she saw a beautiful woman who Zhao Yanyan said to be Ye Chen's personal maid.

"Yes, she is beautiful and very charming, her charm is very strong, I forgot who she is" Zhao Yanyan didn't remember this one Ye Chen's maid.

"Her name is Qi Yunzhi." Xia Qingyu told Zhao Yanyan and Lin Rouxi about the name of the woman who was Ye Chen's maid.

"Qi Yunzhi" Zhao Yanyan and Lin Rouxi said what Xia Qingyu said, they both would remember Qi Yunzhi's name.

"Let's talk, I want to know more details about it" Zhao Yanyan said to Lin Rouxi.

Zhao Yanyan wanted to know more about Qi Yunzhi, she didn't know much about the woman Ye Chen in the God Realm.

"Come on" Lin Rouxi agreed, she took Zhao Yanyan to meet Qi Yunzhi.

Qi Yunzhi saw the arrival of Zhao Yanyan and Lin Rouxi, she saw the two beautiful goddesses in front of her.

"Are they both master wife, they are both very beautiful?" Qi Yunzhi had to admit that Zhao Yanyan and Lin Rouxi were very beautiful, both of whom had quite a shocking beauty.

Beauty like this wasn't easy to find in the God Realm, only those so-called high-level beauties could possibly have a beauty like Zhao Yanyan and Lin Rouxi.

"Hello" Lin Rouxi and Zhao Yanyan greeted Qi Yunzhi, both of whom wanted to get acquainted with Qi Yunzhi.

"Hello to you too" Qi Yunzhi said to Zhao Yanyan and Lin Rouxi, greeting the two of them very warmly.

Qi Yunzhi was very well aware of her position, she positioned herself as a maid of Ye Chen, so she was like a servant welcoming her master.

"You don't need to be so formal with us," Lin Rouxi said to Qi Yunzhi.

"How should I behave with you?" Qi Yunzhi asked Lin Rouxi and Zhao Yanyan.

"That's easy, you don't need to be so formal, just think of us as friends," said Zhao Yanyan.

"what ! ! !" Qi Yunzhi looked very surprised, he was actually very surprised by Zhao Yanyan's very friendly attitude.

Honestly all Ye Chen women are very friendly, Qi Yunzhi doesn't know how Ye Chen can make them like this, this is a very difficult thing for someone like Qi Yunzhi to think about.

"We want to know about you, can you tell me about you?" Zhao Yanyan and Lin Rouxi were very curious about Qi Yunzhi.

"I'll do it" Qi Yunzhi would do it, she would tell Zhao Yanyan about herself as well as Lin Rouxi.

.

.

"Ye Chen, how was your journey" Xia Tian asked Ye Chen, he wanted to know Ye Chen's journey.

Ye Chen was a hero who had saved the earth, so Xia Tian was curious what Ye Chen had done in this 1 year period.

"I don't do much, I'm just looking for an antidote for someone" Ye Chen said to Xia Tian.

"Too bad, you should be more ambitious and take big steps, your grandfather was very ambitious when he was young, unfortunately his steps had to stop because fate was not in favor, if fate was on his side maybe he would become an influential person in this world." Xia Tian said to Ye Chen.

"Your future looks much brighter, you should use your youth to do something that will impress you in your old age" Xia Tian said to Ye Chen.

"Why Grandpa Xia said like that" Ye Chen said to Xia Tian.

Ye Chen wanted to know why Xia Tian said such words.

"Youth only comes one time, don't miss it, don't let you regret in the future," said Xia Tian.

Xia Tian is a good old man, he considers Ye Chen as his grandson as well and advises Ye Chen

Chapter 1774 Go to Heaven Light Palace

Ye Chen immediately thought of Xia Tian's words, what Xia Tian said had some truth as well.

Ye Chen had already found what he had been looking for, maybe it was time for Ye Chen to pursue something even higher.

All this time Ye Chen was only looking for an antidote for Ling Yin, he was too focused on that matter and didn't do anything else, now Ye Chen is free, so he can do whatever he wants.

"After being in a foreign place you must already know that strength is everything" Xia Tian said to Ye Chen.

From the first, power was everything, people who would be at the top and have great power and influence, they could even change what would happen to this world.

"Sure, there is much stronger power over there than on earth." Ye Chen told that the God Realm was far more massive than on earth, where strength really was the measure of everything, without strength one would be trampled under one's feet.

"That's what I mean, so I hope you start making a big impact, you can definitely do it" Xia Tian said to Ye Chen.

Xia Tian had high hopes for Ye Chen, he really hoped that Ye Chen would be able to do what they couldn't in the past.

"Oh, my waist." After taking a few punches, Xia Tian felt a pain in his back.

"Grandpa Xia, are you okay?" Ye Chen asked Xia Tian, Ye Chen found out the situation from Xia Tian.

"It's okay, maybe because my bones are a little old, hahahahaha" Xia Tian said to Ye Chen.

"Is Grandpa Xia Not cultivating?" Ye Chen asked Xia Tian, Ye Chen wanted to know if Xia Tian was not cultivating.

"I'm too old to start with, you can see for yourself that I haven't made much progress" Xia Tian said to Ye Chen.

Xia Tian was too old, his level of advancement wasn't too much.

"Then let's rest." Ye Chen invited Xia Tian to stop and rest, it seems that Xia Tian needs a little rest.

"let go" Xia Tian nodded, he accepted the offer given by Ye Chen.

Both of them stopped playing golf, Ye Chen helped Xia Tian into the house and helped his illness.

After helping Xia Tian's illness, Ye Chen handed Xia Tian over to the Xia residence maids, they could take care of Xia Tian for him.

After confirming that Xia Tian was fine and safe, Ye Chen went straight to where Zhao Yanyan and the others were.

Coincidentally when Ye Chen arrived, he saw Zhao Yanyan, Lin Rouxi, Xia Qingyu and Qi Yunzhi chatting, they seemed to be very much engrossed in their conversation.

Even Xia Qingyu, who rarely spoke, seemed to follow the flow of the conversation.

"You all are having fun, can I come with you?" Ye Chen asked Zhao Yanyan, Lin Rouxi, Xia Qingyu and Qi Yunzhi.

"Ye Chen, are you done?" Xia Qingyu asked Ye Chen.

"Sure, your grandfather looks tired, now he is inside" Ye Chen replied to Xia Qingyu.

"Really?, I'll take a look." Xia Qingyu will see her grandfather's condition, it seems that her grandfather is pushing himself too much.

Xia Qingyu was still quite worried about her grandfather's condition, which was perfectly normal considering that Xia Qingyu was quite close to Xia Tian.

"Qingyu wait a moment" Ye Chen stopped Xia Qingyu.

"What is it?" Xia Qingyu asked about Ye Chen, she asked what Ye Chen wanted.

"I want to tell you that I am going to the God Realm" Ye Chen said to Xia Qingyu.

Ye Chen told Xia Qingyu what he was going to do next.

"Okay, I understand, I will stay in this place for a while." Xia Qingyu understood, she would stay here for a while.

"Okay if that's your decision." Ye Chen nodded, he would let Xia Qingyu be in this place.

"Yunzhi, please accompany Xia Qingyu" Ye Chen said to Qi Yunzhi.

"Okay." Qi Yunzhi nodded, she would accompany Xia Qingyu and take good care of her.

"Make sure not to cause trouble" Ye Chen warned Qi Yunzhi not to cause trouble.

"Why did master say that?" Qi Yunzhi asked Ye Chen, Qi Yunzhi wanted to know the reason Ye Chen said that to her.

"It's because you often cause trouble, so I don't want you to cause unnecessary trouble" Ye Chen said to Qi Yunzhi.

Ye Chen was worried about Qi Yunzhi, Qi Yunzhi was always causing trouble for herself, Ye Chen didn't want Xia Qingyu to get into trouble.

"Okay, I understand" I won't make trouble Qi Yunzhi nodded, he would listen to what Ye Chen had to say.

"Very good, Qingyu, please take good care of her, don't let her make trouble" Ye Chen said to Xia Qingyu.

Ye Chen asked Xia Qingyu to keep an eye on Qi Yunzhi, lest Qi Yunzhi cause trouble.

"I understand." Xia Qingyu nodded, she would make sure that Qi Yunzhi didn't cause any trouble.

"Yanyan, dear teacher, let's go." Ye Chen took Zhao Yanyan and Lin Rouxi to go to where Ling Yin and Fu Lanling were.

"Let's go" Zhao Yanyan and Lin Rouxi nodded, they immediately left together with Ye Chen towards Heaven Light Palace.

Here Zhao Yanyan was the one leading the way, she was the guide for Ye Chen.

Zhao Yanyan was well acquainted with the location of the Heaven Light Palace, so it wouldn't be strange for her to be the one leading the way.

Lin Rouxi herself had just come out of closed-door training, so she still wasn't very familiar with the location of the Heaven Light Palace.

Ye Chen himself was quite curious about the place that Zhao Yanyan was trying to visit, to be honest he wanted to know where Zhao Yanyan would take him.

After a while, Ye Chen arrived at a huge palace with an extremely bright glint of light.

"This place, is this Heaven Light Palace?" Ye Chen asked Zhao Yanyan and Lin Rouxi, if I'm not mistaken this is Heaven Light Palace which is a place where people with the power of light practice.

In the God Realm, light users could be counted on the fingers, they were all under the training of a Saintess who was most powerful in the power of light.

If Ye Chen remembered correctly, the leader of the Heaven Light Palace was one of the beautiful goddesses in the God Realm.

"This is Heaven Light Palace, this is where me and the others train," Zhao Yanyan said to Ye Chen.

Zhao Yanyan said that while she and the other Ye Chen women were training in this place, it just so happened that the other Ye Chen women were in closed-door training so maybe Ye Chen wouldn't be able to meet them.

"I didn't expect that you would train in a place like this" Ye Chen said to Zhao Yanyan and Lin Rouxi.

It wasn't strange that Zhao Yanyan and Lin Rouxi had become so strong, they actually trained in this place.

"Come on in, I'll take you to Ling Yin's place." Zhao Yanyan took Ye Chen into the room, she would take Ye Chen to Ling Yin and Fu Lanling's place.

"Let's hurry, I can't wait to meet them." Ye Chen couldn't wait to meet Ling Yin and Fu Lanling.

"Your spirit is very good, but before that the Lord of Heaven Light Palace wants to meet you" Zhao Yanyan said to Ye Chen.

Chapter 1775 Ye Chen knows Shui Yixian true identity

"Why does she want to meet me?" Ye Chen asked Zhao Yanyan, Ye Chen wanted to know why the lord of Heaven Light Palace wanted to meet him.

More precisely why would a Saintess want to meet him, could it be that the Saintess was interested in Ye Chen.

That was the only thing Ye Chen could think of, he could think about what the ruler of Heaven Light Palace wanted.

"How do I know, I'm not a worm in her stomach, so I don't know what he wants" Zhao Yanyan said to Ye Chen.

Zhao Yanyan didn't know the exact reason to be honest Shui Yixian was a woman far more mysterious than anyone else, in this world almost no one could read her mind, she had very complicated thoughts.

"Then let's go and see her." Ye Chen was quite curious about the figure of the Saintess who was said to be one of the goddesses in the God Realm, what she looked like, whether she was very beautiful or ordinary.

"Follow me." Zhao Yanyan invited Ye Chen to go to Shui Yixian's place.

"You guys can go together, I will go to Ling Yin's place." Lin Rouxi didn't come, she would wait at Ling Yin's place.

"Okay" Zhao Yanyan and Ye Chen nodded, both of them could understand the reason why Lin Rouxi didn't want to come with them.

Ye Chen and Zhao Yanyan went to Shui Yixian's place, the two of them headed to Shui Yixian's place walking normally.

"Yanyan, are there no guards here?" Ye Chen asked Zhao Yanyan, Ye Chen didn't see the guards, it's like this place is not guarded by someone.

"This is the Saintess' private territory, unauthorized persons or outsiders will not be able to enter this place, an enormous Array covers the surrounding area, so no one will be able to easily enter this place"

"So it's like that" Ye Chen nodded, he understood what Zhao Yanyan meant, it seemed that no one would be able to enter this place without the permission of the owner of this place.

Zhao Yanyan finally arrived in front of the private residence of Shui Yixian.

"Saintess is inside, husband, you better take care of your attitude" Zhao Yanyan said to Ye Chen, Zhao Yanyan told Ye Chen to be more careful with his attitude.

" why ? ?" Ye Chen asked Zhao Yanyan, why did Zhao Yanyan tell him to be careful.

"That's because you are often rude" Zhao Yanyan said to Ye Chen, Zhao Yanyan was a little familiar with Ye Chen's behavior.

Shui Yixian was a beautiful and very charming woman, Ye Chen would definitely be blown away when he saw her.

"Why are you two outside, hurry in right now" a voice that sounded very soft called out to Ye Chen and Zhao Yanyan.

"Okay" Zhao Yanyan nodded, she took Ye Chen along with herself to the inside.

Ye Chen went inside, inside he saw a large courtyard with a small house in the middle.

There were no people outside, only the beautiful and shining flower beds outside this courtyard.

"Looks like the Saintess is inside" Seeing that there was no one outside, Zhao Yanyan could confirm that Shui Yixian was inside.

"Then let's go in" Ye Chen said to Zhao Yanyan.

Ye Chen and Zhao Yanyan had received an invitation from Shui Yixian, so the two of them could directly enter Shui Yixian's house.

Zhao Yanyan led the way, she made sure Ye Chen didn't do anything bad in this place.

Ye Chen and Zhao Yanyan entered, the two of them entered Shui Yixian's residence.

After entering the house, Ye Chen saw a beautiful woman drinking tea, this woman was drinking tea very gracefully.

"Huh?" Ye Chen gaped when he saw who was in front of him, to be honest the woman in front of him really surprised for Ye Chen.

"Why is she in this place?" Ye Chen's mind was a little confused, he was a little confused when he saw Shui Yixian was in this place.

"Ye Chen, long time no see, how are you?" Shui Yixian looked at Ye Chen, she smiled at Ye Chen with a warm smile.

"Yanyan, this woman, is she the lord of the Heaven Light Palace?" Ye Chen asked Zhao Yanyan, Ye Chen asked if the woman in front of him was really a lord of the Heaven Light Palace and was a Saintess.

"Yeah that's right" Zhao Yanyan confirmed what Ye Chen asked, she confirmed about the woman in front of her.

"impossible" Ye Chen was quite surprised when he heard this truth, it turned out that Shui Yixian was a holy Saintess.

Ye Chen remembered what he had done to Shui Yixian, it seemed that Ye Chen had done something bad to Shui Yixian.

"Your reaction is really funny" Shui Yixian said to Ye Chen.

Shui Yixian smiled happily when she saw Ye Chen surprised at her.

"You, so all this time you were a Saintess, it is not strange that you have such a strong power of light" Ye Chen said to Shui Yixian.

"So all this time you haven't been aware of my identity" Shui Yixian said to Ye Chen.

"Of course, I never thought that you would have such a great identity." Ye Chen estimated that Shui Yixian was a young lady from a big Clan or a royal family of a high-class star, but Shui Yixian's identity was far more shocking.

"I didn't tell you on purpose, I want to know your reaction when you meet me" Shui Yixian said to Ye Chen.

"So you've been doing this on purpose all this time." Ye Chen finally realized that Shui Yixian did this on purpose from the start.

"Of course" Shui Yixian didn't deny what happened, he did this on purpose.

"So, Saintess Shui, what do you need from me?" Ye Chen asked Shui Yixian, he wanted to know what Shui Yixian wanted.

"What do I want?, I just want to talk to you." Shui Yixian only wanted to talk to Ye Chen, she wanted to talk about many things with Ye Chen.

"But it looks like the three of you were just having fun." Shui Yixian said to Zhao Yanyan and Ye Chen.

"Huh?" Ye Chen took a little time to think about what Shui Yixian had just said.

Meanwhile Zhao Yanyan already knew what Shui Yixian had just done, her face turned red when she heard what Shui Yixian had to say.

"That's right, she can know what's in the future" Ye Chen just remembered that Shui Yixian can know what will happen in the future, it seems she already knows his arrival to the extent that Ye Chen had intimate things with Zhao Yanyan.

"Why would Saintess Shui mention such a matter?" Ye Chen said to Shui Yixian.

Ye Chen showed a bit of shame towards Shui Yixian, he was embarrassed when he saw Shui Yixian saying such things in front of him so openly.

Ye Chen used to tease Shui Yixian often, but now it seemed like it was his turn to be teased by Shui Yixian.

Ye Chen couldn't reply to Shui Yixian, he had promised Zhao Yanyan not to cause trouble in front of Shui Yixian.

"Why should you be embarrassed like that, I have taken care of all your women, do you need to be ashamed of me" Shui Yixian said to Ye Chen.

Chapter 1776 Provide antidote to Ling Yin and Fu Lanling

"I am very grateful that you have taken care of all my women." Ye Chen thanked Shui Yixian, Shui Yixian had taken very good care of Zhao Yanyan and the others.

"Is that all you can thank me for?" Shui Yixian asked Ye Chen.

"I don't have much to give you, if you want, I will give my body in exchange" Ye Chen replied to Shui Yixian.

"Husband" Zhao Yanyan elbow Ye Chen, she elbowing Ye Chen with her arm.

"Sorry" Ye Chen said to Zhao Yanyan, Ye Chen couldn't help himself, he wanted to tease Shui Yixian.

Shui Yixian smiled, Ye Chen could always make Shui Yixian smile with his very cute behavior.

"You are very funny," said Shui Yixian to Ye Chen, Shui Yixian admitted that Ye Chen was very funny.

"Thank you very much for the praise you give" Ye Chen said to Shui Yixian, Ye Chen was pleased with the compliment given by Shui Yixian.

"You must have managed to obtain the Flower of Life Seven Color" Shui Yixian said to Ye Chen.

"Of course I've got it, I will immediately make an offer for Ling Yin and Lanling" Ye Chen said to Shui Yixian.

"Congratulations that you have found what you were looking for, I am happy to hear that." Shui Yixian was happy when she saw Ye Chen who had managed to get the Flower of Life Seven Color for Ling Ying and Fu Lanling.

"Let's go to where Ling Yin is." Shui Yixian led Ye Chen and Zhao Yanyan to go to Ling Yin's place.

Ye Chen and Zhao Yanyan came along with Shui Yixian, the two of them heading towards where Ling Yin was.

With Shui Yixian's ability, she could take Ye Chen and Zhao Yanyan to Ling Yin's place in just a matter of seconds.

This was Shui Yixian's Domain, so Shui Yixian could travel wherever she wanted quickly and very easily.

"We've arrived." Shui Yixian told Ye Chen and Zhao Yanyan that they had arrived at their destination.

"So this is where Ling Yin is." Ye Chen nodded, he couldn't wait to meet Ling Yin as soon as possible.

"Come with me, there should be Rouxi inside," Shui Yixian said to Ye Chen and Zhao Yanyan.

Ye Chen and Zhao Yanyan already knew that Lin Rouxi was inside, before that Lin Rouxi had already told the two of them that she would be inside.

Ye Chen entered a room that contained a chest, right inside the chest was Ling Yin who was lying down with a pale face and black parts of his body.

Around the chest where Ling Yin was there was a array circle, she used this to stop the spread of the poison in Ling Yin's body

"that's it" Shui Yixian said to Ye Chen, she pointed at Ling Yin who was lying on top of the chest box.

Ye Chen immediately left, he went straight to where Ling Yin was.

Ye Chen approached and said to Ling Yin who was in the chest.

"Ling Yin, I'm back" Ye Chen said to the unconscious Ling Yin.

Ye Chen seemed to really miss Ling Yin, it had been a long time since he had seen and visited Ling Yin.

Ling Yin didn't say anything, she was in a coma and couldn't hear or answer Ye Chen.

Zhao Yanyan, Lin Rouxi and Shui Yixian let Ye Chen talk to Ling Yin, let Ye Chen talk to Ling Yin.

"Yanyan, call Lanling here." Shui Yixian told Zhao Yanyan to call Fu Lanling to this place.

"Okay, I'll be leaving immediately." Zhao Yanyan nodded, she immediately left and took Fu Lanling to this place.

Ye Chen looked at Fu Lanling who was in the chest his heart felt uncomfortable and hurt when he saw Fu Lanling in this state.

"Ye Chen now is the time to make medicine for him" After some time, Shui Yixian said to Ye Chen, he told Ye Chen to immediately make medicine for Ling Yin.

"Okay, I'll do it" Ye Chen nodded, he will do it soon.

Ye Chen took out the Flower of Life Seven Color and some other ingredients, he began to separate the pure essence of the Flower of Life Seven Color and other ingredients using Heavenly Silver Flame.

After refining and extracting it, Ye Chen then extracted it into a bottle.

"Done" Ye Chen finished it very quickly, it only took a few minutes to make an antidote for Ling Yin.

"I hope it will work to destroy the God Slaughter Poison." Ye Chen really hoped that it would be successful in destroying the God Slaughter Poison inside Ling Yin's body.

Ye Chen drank the potion he had brewed on Ling Yin.

"Glup. . ." Ling Yin drank some of the medicinal herbs given by Ye Chen.

"Let's see the reaction" Ye Chen wanted to see if it worked or not.

Ling Yin's body suddenly reacted, several small dots began to appear, these small dots began to enlarge and suppress the black part of the poison.

"It worked." Ye Chen saw that if it worked, the poison in Ling Yin's body started to dissipate very quickly.

Within 1 minute, Ling Yin's body was back to how it was before, now Ling Yin's body looks very healthy.

"Looks like it worked." Lin Rouxi and Shui Yixian saw that Ye Chen had managed to solve Ling Yin's problem.

"Why didn't she wake up?" Lin Rouxi saw that Ling Yin still hadn't woken up, even though the poison in her body had been cleansed by Ye Chen.

"Her condition is not good, it seems that this is because she has been sleeping on the spot for 1 year" Ye Chen said to Lin Rouxi.

"she needs some time to come to her senses, we should move her to a more appropriate place" Shui Yixian said to Ye Chen.

Shui Yixian felt that it would take a long time, so she decided to change the place where Ling Yin lived.

"That's a very good idea." Ye Chen totally agreed, he totally agreed with what Shui Yixian said.

Ye Chen moved Ling Yin, he moved Ling Yin to a more suitable place.

Shui Yixian had countless empty rooms in this place, all of them looking very good to use.

Ye Chen didn't have much choice, he just chose the closest empty spot instead.

Ye Chen laid Ling Yin on the bed and covered her with a blanket.

"Saintess Shui, roughly how long will it take for her to come to her senses?" Ye Chen asked Shui Yixian.

Ye Chen asked about the time it would take Ling Yin to regain consciousness.

"This might take a while, you better be patient" Shui Yixian said to Ye Chen.

Shui Yixian told Ye Chen that this would take quite some time.

"I see, fine, I understand." Ye Chen nodded, he knew that this would not be fast.

"Right now you can only be patient, there's nothing you can do about this" Shui Yixian said to Ye Chen.

Shui Yixian informed that Ye Chen would not be able to do anything about this matter.

Right now Ye Chen could only wait until Ling Yin was fully conscious of her own accord.

Ye Chen knew Ling Yin's condition, so he listened to what Shui Yixian had to say.

"Husband, I've brought Sister Lanling" Zhao Yanyan came back together with Fu Lanling.

Right now Fu Lanling looks a little pale, maybe this is because of the God Slaughter Poison residing within her body

Chapter 1777 Given space to be alone with Fu Lanling

"Lanling are you okay?" Ye Chen asked Fu Lanling, he asked about Fu Lanling's current condition.

"I'm fine" said Fu Lanling to Ye Chen, Fu Lanling is fine, it's just that she can't train hard like other Ye Chen women.

"I have found a cure for your poison, I hope you drink it" Ye Chen said to Fu Lanling.

Ye Chen made an offer to Fu Lanling.

Fu Lanling accepted the antidote given by Ye Chen, she immediately drank the antidote very easily.

Fu Lanling didn't think much of it, she immediately drank the potion that Ye Chen had given her.

"Glupp. . . ." Fu Lanling gulped down everything in the bottle, after gulping down what was in the bottle, Fu Lanling felt her body heat up.

"How do you feel" Ye Chen asked Fu Lanling, Ye Chen was worried about Fu Lanling's condition.

"My body is hot" Fu Lanling said to Ye Chen, Fu Lanling told her that her body was very hot.

"It's okay, it's just a reaction, soon it will definitely be over" Ye Chen said to Fu Lanling.

Ye Chen tried to reassure Fu Lanling that everything would be fine.

Fu Lanling nodded, she would endure the heat in her body for a while.

The medicine Ye Chen gave was against the God Slaughter Poison, so it wasn't strange that Fu Lanling felt extremely hot.

Time passed, a few minutes later Fu Lanling's condition seemed to improve, she seemed to be greatly improving and her condition began to gradually return to normal.

Fu Lanling's pale body returned and she looked very much alive.

"It worked." Ye Chen was happy, Fu Lanling seemed to have recovered, the God Slaughter Poison spots on her body had disappeared.

"Now you can start using the power" Ye Chen said to Fu Lanling.

Ye Chen told Fu Lanling to use her strength, whether she could use her power like before or not.

"Um" Fu Lanling nodded, she was about to start using her strength.

Normally Fu Lanling would feel pain when using her power, it was because the God Slaughter poison would react when Fu Lanling used her profound energy.

Fu Lanling let out her Phoenix flames, her body was enveloped by Phoenix flames.

"My body doesn't hurt anymore." Fu Lanling looked happy when she found out about this matter.

"How do you feel?" Ye Chen asked Fu Lanling, he asked about the feelings that Fu Lanling had.

"I feel very refreshed, I seem to have returned to how I used to be, thank you very much, little husband." Fu Lanling said to Ye Chen.

Fu Lanling thanked Ye Chen, she thanked Ye Chen for healing her.

"You're welcome" Ye Chen was happy, he was happy when he saw Fu Lanling back to normal.

Fu Lanling hugged Ye Chen, she was very grateful to Ye Chen, Ye Chen had made Fu Lanling heal, now that Fu Lanling was confident in her abilities, she would start catching up with the others.

In terms of cultivation, Fu Lanling was quite behind, she was quite behind all of Ye Chen's women, so now she was going to start catching up with the others.

Zhao Yanyan, Lin Rouxi and Shui Yixian saw Fu Lanling and Ye Chen, they were delighted with what had happened.

"Lanling, you are now healed, you should go with Ye Chen, Ye Chen has a Peak Lord with a very pure Phoenix bloodline, you can become strong if you are with that person" Shui Yixian said to Fu Lanling.

"I understand" Fu Lanling listened to what Shui Yixian said, she would try to learn from Ning Xia.

"Looks like it will be a problem" Ye Chen sighed, Shui Yixian's words made Ye Chen remember his relationship with Ning Xia.

Since then, Ye Chen has never seen Ning Xia, it seems that Ning Xia is still annoyed and doesn't want to meet Ye Chen.

Shui Yixian smiled at Ye Chen, Shui Yixian of course knew what Ye Chen was thinking, it seemed that Ye Chen still had an unresolved issue with Ning Xia.

"Let's go out and let her rest." Zhao Yanyan invited everyone to leave, let Ling Yin rest in peace without anyone disturbing her.

"I quite agree" Ye Chen quite agrees, he quite agrees with what Zhao Yanyan said, it's better if they don't disturb Ling Yin so that he will come to his senses soon.

Ye Chen and the four women left Ling Yin's room.

"I will go, enjoy your time" Shui Yixian said to everyone.

Shui Yixian still had problems, so she couldn't continue being with Ye Chen, Zhao Yanyan, Lin Rouxi and Fu Lanling.

Shui Yixian turned into a glimmer of light, she disappeared from before everyone.

"She's gone, this woman is truly startling" Ye Chen was quite surprised by Shui Yixian.

"You must be surprised when you find out who she is ?" Zhao Yanyan asked Ye Chen.

"Naturally, who would have thought that she was a Saintess, I never imagined this matter" Ye Chen had never imagined that Shui Yixian would be someone with such a high background.

"Fortunately, he's a good person, otherwise I don't know what happened to you" Zhao Yanyan said to Ye Chen.

Luckily Shui Yixian was a very kind person, otherwise she would have killed Ye Chen for what Ye Chen had done.

"Is it possible to get this Saintess?" Ye Chen said if it was possible for him to get Shui Yixian.

"Don't dream, she might be very difficult for you to get" Zhao Yanyan, Lin Rouxi and Fu Lanling thought the same thing, they all didn't believe Ye Chen was capable of such a thing.

"Why do you say things like that, you should support your husband" Ye Chen said to Zhao Yanyan, Lin Rouxi and Fu Lanling.

"we only tell the truth" Zhao Yanyan said to Ye Chen, Zhao Yanyan and the others said the truth, Ye Chen might find it difficult to get Shui Yixian.

"We'll see." Ye Chen said to Zhao Yanyan, Lin Rouxi and Fu Lanling.

"Come on, come with me, let's eat, you all must be hungry." Zhao Yanyan said to Ye Chen Lin Rouxi and Fu Lanling.

"I'll help" Lin Rouxi said to Zhao Yanyan, Lin Rouxi would help Zhao Yanyan cook, she hasn't cooked in a long time.

"I'll come too" Fu Lanling wanted to come too, she wanted to help Lin Rouxi and Zhao Yanyan.

"No need, just the two of us is enough, you can accompany husband" Zhao Yanyan said to Fu Lanling.

Zhao Yanyan told Fu Lanling to accompany Ye Chen, they haven't seen each other for a long time, there should be a lot of things they want to talk about.

"Okay" Hearing this, Fu Lanling could only step back and listen to what Zhao Yanyan had to say.

Zhao Yanyan and Lin Rouxi walked into the fairy gate, it just so happened that inside the fairy gate there was a kitchen they could use.

Zhao Yanyan and Lin Rouxi disappeared, the two of them entered the fairy gate.

Zhao Yanyan and Lin Rouxi purposely made room for Fu Lanling and Ye Chen, both of whom were good women, so both gave Ye Chen and Fu Lanling a place of their own.

"Wife it's been a long time, are you miss me?" Ye Chen asked Fu Lanling.

Ye Chen held Fu Lanling, himself holding the beautiful woman in front of him.

Fu Lanling was a beautiful woman, the charm of her face could hypnotize all men who saw her, That includes Ye Chen as well.

Chapter 1778 Shui Yi Xian annoys Ye Chen and Fu Lanling

"Why are you still asking about such a thing?" Fu Lanling asked Ye Chen.

"I just want to know" Ye Chen wanted to know if Fu Lanling missed him.

"Of course, I miss you." Fu Lanling said that she missed Ye Chen.

"Really" Ye Chen laughed when he heard this, it turned out that Fu Lanling missed Ye Chen.

"I will comfort my lonely wife." Ye Chen extended his hand towards Fu Lanling, he started to tease Fu Lanling.

"Little husband, don't do that." Fu Lanling tried to stop Ye Chen, Fu Lanling knew that Ye Chen's touch was too comfortable and she might not be able to stand Ye Chen's touch.

Ye Chen's touch was too comfortable, Fu Lanling couldn't stand being touched by Ye Chen like that.

Sure enough, Fu Lanling's body started to heat up, her body started to heat up when she received Ye Chen's touch.

"It's terrible, I can't help it." Fu Lanling felt very comfortable, she was comforted by Ye Chen's touch.

Fu Lanling started to feel excited, herself excited by Ye Chen's touch.

Ye Chen's touch was indeed the most comfortable, Ye Chen was able to make Fu Lanling feel very comfortable using her abilities.

"Hemph. . ." Fu Lanling's breathing started to become erratic, it could be seen that Fu Lanling was excited and her body started to heat up.

Fu Lanling's body felt uncomfortable, Fu Lanling felt that there were tens of thousands of ants crawling all over her body.

Ye Chen tried to please Fu Lanling, Ye Chen used his best ability to make Fu Lanling feel at ease.

Fu Lanling must have been lonely, she needed Ye Chen's help to deal with the discomfort in her body.

Ye Chen looked at Fu Lanling, he couldn't help it when he saw Fu Lanling's face full of charm.

The goddess Fu Lanling's charm was simply irresistible, Ye Chen felt extremely excited when he looked directly at Fu Lanling.

Ye Chen wanted to immediately hug and kiss Fu Lanling, he wanted to kiss the beautiful wife in front of him

"Ye Chen don't make a mess at my place" when Ye Chen wanted to kiss Fu Lanling, he was hit by something hard.

Looks like someone just threw something hard at Ye Chen.

"Damn. . ." Ye Chen immediately saw who threw himself, Ye Chen didn't find anyone, around here were only Ye Chen and Fu Lanling.

"Just now?" Ye Chen recalled the voice of the person who had just shouted at him.

"Is that Shui Yixian?" Ye Chen felt that the person who had just thrown himself was Shui Yixian.

"master, this place is that woman's domain, she can do whatever she wants, so be careful, she can even keep an eye on you" Chu Yuechan said to Ye Chen.

"I knew." Ye Chen had already guessed this, this must all be Shui Yixian's doing.

"She wants to mess with me, okay I'll make a calculation with her" Ye Chen said in his heart.

"Are you ready to attack the venerable Saintess, are you not afraid to become the enemy of everyone in this God Realm" Chu Yuechan said to Ye Chen.

"I already know about the consequences I have to face" Ye Chen already knew what he would face if he attacked Shui Yixian.

A person with the power of light is something that is highly respected in the God Realm, they have a special place in the eyes of everyone in the God Realm.

In contrast to the darkness users who were hated and hunted, the light users were more respected and protected, they were precious assets that belonged to the God Realm.

if Ye Chen decided to seek trouble with Shui Yixian, he would definitely get into trouble.

"You still want to take such a risk?" Chu Yuechan asked Ye Chen.

"I am a man, I must not be afraid of this kind of thing" Ye Chen is a man, he must not be afraid and must be brave.

Ye Chen remembered the words spoken by Xia Tian, Ye Chen must do what he wants, this is the youth that belongs to Ye Chen.

"I will support what you do, you are my master" Chu Yuechan will support Ye Chen, she will support what Ye Chen does.

"But this is a little troublesome, this woman can know what will happen in the future, it looks like it will be difficult" Chu Yuechan said to Ye Chen.

Shui Yixian had an unusual ability, it was quite difficult to deal with him, there would definitely be trouble if he dealt with Shui Yixian.

"We won't know until we try" Ye Chen said to Chu Yuechan.

Ye Chen didn't know what the future would hold, which was why he wanted to give it a try.

"Little husband, what's wrong?" Fu Lanling asked Ye Chen, Fu Lanling asked Ye Chen, she wanted to know what happened to Ye Chen.

"Nothing" Ye Chen said to Fu Lanling, Ye Chen didn't want to say what happened, he hid what happened from Fu Lanling.

"Lanling I will go first" Ye Chen said to Fu Lanling, Ye Chen told Fu Lanling that he wanted to go.

"Where are you going?" Fu Lanling asked Ye Chen, Fu Lanling wanted to know where Ye Chen was going.

"I'll be leaving for a while" Ye Chen said to Fu Lanling, Ye Chen didn't give details of where he was going, he only told Fu Lanling that he was going somewhere.

Fu Lanling felt that Ye Chen was in too much of a hurry, Ye Chen was too hasty when he was going somewhere, this made Fu Lanling feel curious.

Ye Chen disappeared, he was looking for Shui Yixian's whereabouts, Ye Chen had to quickly find Shui Yixian's whereabouts.

"where is she now?" Ye Chen looked for the whereabouts of Shui Yixian, he tried to find the whereabouts of Shui Yixian, hopefully Ye Chen can quickly find the whereabouts of Shui Yixian.

Ye Chen used his abilities, he searched for the whereabouts of Shui Yixian while hiding himself very well.

Ye Chen knew that this was Shui Yixian's territory, so Shui Yixian could definitely sense wherever Ye Chen was, that's why Ye Chen had to do something, he had to hide his whereabouts very well.

Ye Chen used the Invisible Body Art at the same time using the Invisible Cloak, this combination would prevent Shui Yixian from finding Ye Chen.

"Master I managed to find the whereabouts of Shui Yixian." Chu Yuechan said that she had managed to find the whereabouts of Shui Yixian.

"Lead the way for me" Ye Chen told Chu Yuechan to lead the way for him.

"Okay" Chu Yuechan nodded, she led the way for Ye Chen, she told the direction where Shui Yixian was.

Ye Chen discovered the whereabouts of Shui Yixian, currently Shui Yixian was in a room in which there was a large statue depicting a stunningly beautiful goddess.

"That statue, isn't that the statue of the goddess Shen Niang who is the goddess of life and mercy." Ye Chen looked at the statue in front of Shui Yixian, it was clear that this was the statue that Ye Chen had seen before.

"It seems that the Saintess is one of the followers of the Goddess of life and mercy." Chu Yuechan could confirm that all the Saintes were one of Shen Niang's followers.

"I'll take a closer look." Ye Chen wanted to take a closer look and confirm this in detail.

Chapter 1779 revenge to Shui Yixian (1)

Ye Chen was approaching towards Shui Yixian, he was approaching at a very, very close distance.

Shui Yixian put her hands together, she seemed to be pray the statue in front of her.

"What is she doing?" Ye Chen wanted to know what Shui Yixian was doing, what Shui Yixian was doing made Ye Chen feel quite curious.

Shui Yixian's position seemed to be that of one who was praying, but apparently, Shui Yixian wasn't doing that.

Shui Yixian's body suddenly emitted a bright light, after which the statue of Shen Niang also emitted a very bright light.

"She's making a connection with the statue?" Ye Chen saw that Shui Yixian was communicating with the statue in front of her.

"It seems that inside the statue is a life-mark Jade belonging to someone who is extremely powerful," Chu Yuechan said to Ye Chen.

Chu Yuechan sensed a life-mark Jade that belonged to someone, the Life-mark Jade was extremely powerful and might be much stronger than Chu Yuechan imagined.

"Who do you think it belongs to?" Ye Chen asked Chu Yuechan, he was trying to guess about the life-mark Jade that was inside the statue.

"I don't know, if I don't know" Chu Yuechan didn't know, she couldn't see whose life sign it belonged to.

"Forget it, let's find out later, time for revenge." Ye Chen would forget about this matter for a while, he wanted to take revenge on Shui Yixian.

Ye Chen drew closer to Shui Yixian, he came closer and used the Passion Goddess technique on Shui Yixian.

Shui Yixian was still unaware of Ye Chen's arrival, he was still not aware that Ye Chen was currently behind her.

Ye Chen touched Shui Yixian with his hand, he touched Shui Yixian's back.

"Ahhh. . ." Shui Yixian shouted, he felt a very good feeling from Ye Chen's touch.

"Hehehe, it worked." Ye Chen chuckled, himself chuckling when he saw Shui Yixian who had been swayed by the Passion Goddess technique.

"What happened?" Shui Yixian was confused, her body suddenly became hot and lustful.

This feeling was very disturbing to Shui Yixian.

After seeing Shui Yixian who was in such a helpless state, Ye Chen decided to just take his revenge, he started to take revenge by touching Shui Yixian.

"It feels like someone is touching me." Shui Yixian felt someone touching her, she felt someone's unusual touch.

It seemed that Shui Yixian hadn't realized that the person who touched her was Ye Chen.

"It's good that she haven't realized." Seeing that Shui Yixian haven't realized, Ye Chen became even more daring, he touched Shui Yixian even more honestly.

Shui Yixian felt an indescribable feeling, this feeling was too comfortable and it threw my mind into chaos.

"I have to calm down." Shui Yixian had to try to calm down even more, she had to be calm in the face of the current situation.

"My power can't be used?" Shui Yixian just realized that her power can't be used, now Shui Yixian can't use the power she has.

"I can't use my strength" Shui Yixian became a little panicked, she didn't have the strength to fight back, if only she had the strength to fight back, then Shui Yixian would definitely be able to fight back.

"Ahhh. ." Shui Yixian let out a seductive voice, this voice was too comfortable to listen to.

"I really don't get bored when I hear this voice" Ye Chen didn't feel bored when he heard Shui Yixian's voice, Shui Yixian's voice is indeed the best.

Shui Yixian's face started to turn red, her face started to turn red and her breathing became erratic.

Shui Yixian felt very excited, she felt too excited when she felt the touch and teasing of Ye Chen's hand.

Ye Chen's fingers started to get more and more uncontrollable, it touched every part of Shui Yixian and headed towards Shui Yixian's most sensitive part.

Shui Yixian was in deep trouble, she was starting to lose her mind and was being controlled by her natural instincts.

The Passion Goddess technique makes women bring out their true nature, if it continues like this then Shui Yixian will bring out something that she has kept for a long time.

A beautiful goddess like Shui Yixian actually showed a lewd voice and face, this was something that was astonishing for Ye Chen to see.

"feel it" Ye Chen said to Shui Yixian.

Unlike before, Ye Chen didn't hold back anymore, he used all the abilities he had to make Shui Yixian both comfortable and happy.

"no. . ." Shui Yixian reached the peak, this feeling was too comfortable and Shui Yixian couldn't put up a fight against what he was feeling.

Shui Yixian couldn't lie to her body, Ye Chen's touch was really too comfortable.

Shui Yixian was tired, she had just reached the peak and needed a short rest, the feeling of reaching the peak was indeed very pleasant for Shui Yixian.

"I won't let her rest" Ye Chen won't let Shui Yixian rest, he will try to subdue this woman.

Ye Chen took off the clothes that Shui Yixian was wearing, Ye Chen took off the clothes that Shui Yixian was wearing easily.

"Don't do it." Shui Yixian tried to put up a fight, she tried to put up a fight against Ye Chen.

Unfortunately Shui Yixian couldn't do anything, her strength disappeared and she couldn't fight Ye Chen.

There was also no guard around this place, Shui Yixian would not turn to anyone for help.

This place is quite closed, only Shui Yixian can come here, so other people will not be able to enter this place.

Now that no one would be able to disturb Ye Chen and Shui Yixian, they could have fun without anyone daring to disturb them.

Ye Chen saw the beauty of Shui Yixian whose clothes were partly open, Shui Yixian was too seductive, this made Ye Chen's young blood excited.

Honestly as a healthy young man, Ye Chen couldn't stand being faced with a beauty like Shui Yixian, just an abnormal person who wasn't interested in what was going on.

"This time I won't hold back anymore" Ye Chen won't hold back anymore, he won't hold back like before.

Previously Ye Chen was too restrained, it made him unable to get Shui Yixian, now Ye Chen would not do that and he would no longer be willing to hold back.

"Master, you are too excited." Chu Yuechan saw that Ye Chen was very excited, it was clear that Ye Chen was very excited when faced with a beautiful goddess like Shui Yixian.

"Are you crazy, how could I not be excited when I see a beautiful goddess like this, to be honest it is impossible" Ye Chen said to Chu Yuechan.

"I know that, but it's a little weird, why doesn't he put up a fight?" Chu Yuechan felt a little strange, why did Shui Yixian not put up a fight.

"she might not be able to do that, don't say much anymore, I'll take revenge because she dared to interfere" Ye Chen said to Chu Yuechan.

Ye Chen was sure that Shui Yixian wouldn't be able to put up a fight against Ye Chen, he couldn't possibly be able to fight Ye Chen.

"This is still her domain, even if she has no strength, she can put up a fight." Chu Yuechan said in her heart, she felt awkward about this.

"I also feel the same way, she should still be able to put up a fight." Chu Ning'er also felt the same way, she felt strange about Shui Yixian's behavior.

"For some reason, whenever this woman is with master, she always doesn't want to put up a fight, it seems that she doesn't really want to fight or does she like being harassed," Chu Yuechan said to Chu Ning'er.

"Is that even possible?" Chu Ning'er couldn't believe that Shui Yixian would become such a woman, it seemed that it was very difficult for that to happen.

Shui Yixian was an honorable and very pure woman, how could she do such a thing.

"I'm not lying to you, I don't know what this woman wants." Chu Yuechan said in a low voice.

Chu Yuechan was still figuring out what Shui Yixian was planning, this woman was extremely mysterious.

It was really hard for Chu Yuechan to figure out what Shui Yixian was doing, This woman is really complicated.

Whether this woman was trying to harm Ye Chen or not, this was a very difficult question for Chu Yuechan to answer.

Ye Chen looked at Shui Yixian's half-naked body, to be honest it was very tempting, Ye Chen felt drawn by Shui Yixian's special charm.

Ye Chen reached out and started to touch Shui Yixian's double peak.

"This is so soft" Ye Chen felt that Shui Yixian's was very soft, this touching feeling was completely different from being behind the cloth.

"emmm. . ." Shui Yixian really couldn't stand it, she couldn't stand it when Ye Chen played her sensitive part.

"Slurp. . ." Ye Chen opened his mouth and swallowed Shui Yixian's double peak, Ye Chen actually started to use his abilities to make Shui Yixian happy.

"no . . ." Shui Yixian shouted, she couldn't stand the fun that Ye Chen gave her, to be honest this pleasure was too big for Shui Yixian to bear.

Shui Yixian felt so weak, the pleasure and comfort she had gained had made her unable to put up any more resistance.

Her body had completely surrendered in Ye Chen's hands, Shui Yixian's body had no more resistance against Ye Chen.

Ye Chen continued to play with Shui Yixian's double peak, Ye Chen was like a naughty baby.

"Please stop" Shui Yixian really couldn't stand it, she couldn't stand this fun, she really couldn't endure Ye Chen's attack.

Shui Yixian was already at the threshold, she would soon reach the peak if Ye Chen didn't stop teasing her.

Ye Chen's goal was to make Shui Yixian feel his strength, he would not stop before making Shui Yixian lose at his hands.

"Ahhh" Shui Yixian reached the peak, she really couldn't stand Ye Chen's temptation.

"I did it." Ye Chen was overjoyed, he had managed to seduce Shui Yixian and made this beautiful goddess feel great pleasure.

"You naughty, how can you do this to me" Shui Yixian said to Ye Chen, she was really annoyed with Ye Chen.

Shui Yixian was so great, in the blink of an eye, she had regained her consciousness.

If these were normal women, they would definitely be trapped in lust and find it difficult to return.

"I think I've been caught." Ye Chen saw that he had been caught.

"How did you know it was me?" Ye Chen asked Shui Yixian.

Ye Chen asked Shui Yixian, he wanted to know how Shui Yixian was able to know him.

"I won't forget this feeling." Shui Yixian said that she would never forget the feeling that Ye Chen gave, the feeling of joy and comfort that Ye Chen gave was impossible for Shui Yixian to forget.

"So you remember that feeling" Ye Chen smiled, it turned out that Shui Yixian still felt the comfortable feeling that Ye Chen had given her.

"Quickly let me go, you are so naughty" Shui Yixian said to Ye Chen.

"I won't do it, I am taking revenge for what you have done" Ye Chen said to Shui Yixian.

"What have I done?" Shui Yixian asked Ye Chen.

Shui Yixian didn't know what she had done, to be honest she didn't know what made Ye Chen angry.

"Don't pretend you don't know?" Ye Chen said to Shui Yixian.

"Are you confusing me even more?" Shui Yixian said to Ye Chen, Shui Yixian was confused about what Ye Chen was doing, what Ye Chen was doing made herself feel confused.

"Didn't you disturb me and Lanling earlier," Ye Chen said to Shui Yixian.

Ye Chen told what Shui Yixian had done to upset Ye Chen.

"When did I do that?" Shui Yixian asked Ye Chen, to be honest Shui Yixian didn't do that.

"so before?" Ye Chen asked Shui Yixian, it was clear that Shui Yixian was the one who had disturb him before.

"I really didn't do that" Shui Yixian said to Ye Chen, Shui Yixian said to be honest, she didn't do anything like that.

From the moment Shui Yixian was in this place, she had not done anything to Ye Chen.

Ye Chen looked at Shui Yixian, Ye Chen looked very confused when he saw Shui Yixian's reaction.

"Was it not her before, then who?" Ye Chen became confused, he became confused when he found out about this.

if it wasn't Shui Yixian, then who threw something at Ye Chen.

Ye Chen looked at Shui Yixian again, obviously Shui Yixian wasn't lying, she really didn't know what was going on.

Ye Chen scratched his head, he looked dizzy with what happened.

"Actually what happened in this place, then who was disturb me earlier?" Ye Chen said to himself.

If it wasn't Shui Yixian earlier, then who had stopped Ye Chen and Fu Lanling.

Ye Chen was thinking hard enough, he was trying to think really hard about what had happened earlier, Ye Chen was trying to remember the person who had thrown himself with something.

"There seems to be something wrong." Ye Chen felt that if something was wrong, there must be something wrong in this place.

"Why bother thinking about it, just focus on your original goal" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen to focus on the original goal, let Ye Chen focus on the original goal.

"That's right" Ye Chen didn't want to think about this matter, it was useless to think about this matter.

Ye Chen had better focus on what he was doing to Shui Yixian, this was a very good opportunity for Ye Chen to get Shui Yixian.

Ye Chen again touched Shui Yixian, he restarted the battle with Shui Yixian.

"naughty boy, stop now quickly." Shui Yixian told Ye Chen to stop, she told Ye Chen to stop right now.

Ye Chen didn't want to be ordered by anyone, he didn't want to be ordered by anyone.

"Since it's come this far, then let's make something unforgettable" Ye Chen whispered to Shui Yixian.

"What are you trying to do?" Shui Yixian asked Ye Chen, Shui Yixian felt something bad, it seemed Ye Chen was trying to do something bad to her.

"Hehehe, let's see what I'm going to do." Ye Chen said to Shui Yixian, he wanted to do something bad to Shui Yixian.

"Ye Chen, I told you not to make a mess at my place." A huge force blew Ye Chen away, this power was so great that Ye Chen was able to be blown away.
