

Chapter 1781 Mischievous spirit imitating Shui Yixian

"awwwww" Ye Chen bounced, a very strong force sent Ye Chen flying.

"What was that?" Ye Chen rubbed his head that had just hit the wall, it seemed that something had just hit Ye Chen's head quite hard.

"are you okay?" Shui Yixian asked Ye Chen, Shui Yixian held Ye Chen's head, she used her power to heal Ye Chen.

"I'm fine, but what was that?" Ye Chen said to Shui Yixian.

Ye Chen asked about what just happened, it seemed that something strange had happened.

"I think I know what happened." Shui Yixian seemed to know what just happened, Shui Yixian looked at the statue of Shen Niang.

In front of Shen Niang's statue was a figure that looked very much like Shui Yixian, to be more precise, this was Shui Yixian's twin.

"Yixian, do you have a twin?" Ye Chen asked Shui Yixian.

Ye Chen just found out that Shui Yixian has a twin. Ye Chen didn't expect that Shui Yixian would have a twin like that.

"It's not a twin, it's a spirit that takes the form of a human" Shui Yixian said to Ye Chen.

Shui Yixian informed that the woman who looked like him was a spirit that had taken a form from her.

"So she's a spirit, it's only natural" Ye Chen didn't feel her presence, it turned out that she was a spirit from the start.

Spirits were not alive, so Ye Chen couldn't sense the existence of the life he had.

"what are you doing?" Shui Yixian asked the spirit in front of her.

"I am teaching a lesson to the humans who have done bad things in this place" replied the spirit to Shui Yixian.

"Wow, her voice is very similar to you." Ye Chen discovered that this spirit's voice was very similar to Shui Yixian's.

It turned out that besides being able to take on a human form, the spirit was able to imitate the voice of its owner, it was not strange that Ye Chen had previously heard Shui Yixian's voice,

Ye Chen was now starting to understand what was happening, he was starting to understand what was happening in this place.

It seemed that Shui Yixian indeed had nothing to do with what happened to Ye Chen, from the start it was this Spirit who had wreaked havoc on Ye Chen.

"You don't have to do that," Shui Yixian said to the spirit in front of her.

"Why are you defending him, he is not worthy of your defense?" the spirit said that Ye Chen was not worthy, why would Shui Yixian still want to defend Ye Chen.

"It's not a matter of being worthy or not, he is a special person, so don't make trouble with him." Shui Yixian said.

Shui Yixian forbade the spirit to cause trouble with Ye Chen, she didn't want the spirit to get into trouble.

"So that's how it is" said the spirit to Shui Yixian, the Spirit looked at Shui Yixian with a strange look, it was obvious that he was questioning the decision made by Shui Yixian.

"Yixian, who is this spirit?" Ye Chen asked Shui Yixian, Ye Chen wanted to know what kind of spirit this was.

"She is a weapon spirit, to be more precise, she is a weapon spirit belonging to the goddess Shen Niang" Shui Yixian said to Ye Chen.

Shui Yixian told Ye Chen that the spirit weapon in front was Shen Niang's legacy for Heaven Light Palace.

"Oh, so this is one of Goddess Shen Niang's weapons." Ye Chen understood who the spirit in front of her was, apparently this spirit is Shen Niang's weapon, it's not strange that this spirit has a terrible power.

"Is no one able to control it?" Ye Chen asked Shui Yixian.

Ye Chen wanted to know if there was no one who could control the spirit in front of him.

"Other than Shen Niang, no one can control her, she is a free spirit and will not obey anyone, not even me." Shui Yixian told Ye Chen that this spirit was very difficult for her to control.

Shui Yixian couldn't even control this spirit, you could say that in this world no one was able to control this spirit.

"I see, then I will try to make it a bit more polite to others." Ye Chen wanted to make this spirit more polite, he couldn't allow this spirit to be arrogant and act as she pleased.

"You better stop, she's not easy to deal with" Shui Yixian said to Ye Chen, Shui Yixian said that this spirit is not easy to handle.

"Wait and see" Ye Chen said to Shui Yixian, he would catch this naughty spirit.

"You want to try to find trouble with me, you will definitely regret it" said the spirit to Ye Chen, the weapon spirit was very displeased with what Ye Chen said, she looked very annoyed when she heard what Ye Chen said.

As Shui Yixian said, this spirit is very arrogant, she is very arrogant and does not want to listen to others.

"Let's see who will regret it" Ye Chen said to the spirit in front of him.

Ye Chen would never regret it, he would never regret challenging this rogue spirit.

"This human is so arrogant, I will make you pay for it." The spirit advanced towards Ye Chen.

This spirit will attack Ye Chen, she intends to attack Ye Chen using the strength she has.

Ye Chen stretched out his hand, intending to catch the attack that was aimed at him.

"Stupid human, you will definitely feel terrible suffering" said the Spirit to Ye Chen.

Ye Chen recited an incantation, he recited an incantation for the Spirit in front of him.

Ye Chen was already skilled in all kinds of sealing techniques, he intended to subdue this spirit.

"Boom" an explosion occurred, an explosion occurred when the spirit attacked Ye Chen.

This room was instantly covered by a very dense dust, the entire room was covered in thick dust due to the impact of the battle.

"It will definitely hurt you" Spirit said to Ye Chen.

The attack just now would have been enough to destroy Ye Chen, such an attack would have been enough to destroy an ordinary human like Ye Chen.

"Are you sure it will hurt me?" Ye Chen said to the spirit in front of him.

"How could it be ?" Spirit was shocked when she saw that Ye Chen was able to withstand her attack, the attack just now should have been enough to defeat Ye Chen.

Ye Chen was currently holding the spirit hand in front of him, he was holding the Spirit hand in front of him and did not let the spirit escape.

"Let go of me" the spirit said to Ye Chen, she told Ye Chen to let go her.

"no way, after everything that happened, I won't let go of you" after everything happened, Ye Chen would not let go of the spirit that was in front of him.

"You are cruel" said the spirit to Ye Chen, the spirit whined like a spoiled girl, from her nature alone one could tell that she was like a spoiled girl.

"I will make you serve me that way you won't be able to do anything naughty and disrespectful" Ye Chen said to the spirit in front of him.

Chapter 1782 catch Shen Niang's weapon spirit

Ye Chen will start the attack, he will not let the spirit in front of him be arrogant, to be honest Ye Chen doesn't like it when he sees the spirit in front of him arrogant.

"please don't do that" The spirit in front of Ye Chen pleaded with Ye Chen, she begged not to do that.

"It's too late, let's make a contract" Ye Chen said to the spirit in front of him, Ye Chen wanted to make a contract with the spirit in front of him, the contract used by Ye Chen was a one-sided contract, it could be said that Ye Chen was being forced.

A light appeared right in Ye Chen's hand and the spirit hand, this light began to envelop Ye Chen as well as the spirit in front of him.

"Ye Chen! ! !" Shui Yixian shouted at Ye Chen, she was afraid that Ye Chen would do something bad.

The light enveloped Ye Chen as well as the spirit, it covered both of them, making it invisible to Shui Yixian.

.

.

A moment later the light disappeared, Ye Chen and the spirit remained where they were.

"nothing happens?" Ye Chen felt strange, nothing happened to the spirit in front of him, even the contract used was not formed.

"Why did it fail?" Ye Chen wanted to know why he failed, it should have succeeded and he controlled the spirit of this weapon.

"Hahaha, human, you are so cute, do you think you can make a contract with me?" Spirit looked so arrogant once, she boasted in front of Ye Chen.

"Why can I fail, what abilities do you have ?" Ye Chen said to the spirit in front of him.

"That's because I still have a master, so you won't be able to get me" the spirit told Ye Chen that he wouldn't be able to get it.

"you mean?" Ye Chen asked the spirit in front of him.

"My master is still alive so you won't be able to control me" said the spirit to Ye Chen.

The spirit told Ye Chen that if her master was still alive, it meant that Ye Chen would not be able to control her.

"Is Goddess Shen Niang still alive?" After hearing this Ye Chen began to conclude that Goddess Shen Niang was still alive.

"Of course" said the spirit to Ye Chen, this female spirit seemed very arrogant when talking about her master.

"Yixian is what she said the truth?" Ye Chen asked Shui Yixian, he was curious about this matter.

"I don't know, she's always been like that, she's been saying this for millions of years." Shui Yixian told this spirit that he had said this hundreds of thousands of times.

But until now there was no certainty about this news, not even someone like Shui Yixian knew about this matter.

"Isn't your ability very great, why don't you know about this matter?" Ye Chen asked Shui Yixian.

"Not everything I can know" Shui Yixian told Ye Chen that she couldn't figure out some things that were too secret.

"It turns out that you still have a weakness." Ye Chen didn't expect Shui Yixian to have such a weakness.

Shui Yixian turned her face away, she turned her face away as she listened to what Ye Chen said.

"So your master is still alive, no wonder you are so arrogant" Ye Chen said to the spirit in front of him.

"Now you know, so you better give up right now" said the spirit towards Ye Chen.

"Don't think because you have a master, I can't do anything to you" Ye Chen said to the spirit in front of him.

"Yuechan, give me something that I can use against her." Ye Chen asked Chu Yuechan for an item that he could use against spirits.

Ye Chen wanted Chu Yuechan to give himself something he could use against the spirit that was ahead.

"I will give you a special gourd, this can be used to imprison the spirit in front of you" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen that he could give Ye Chen what he wanted.

"Quickly give it to me" Ye Chen told Chu Yuechan to give it to him.

"This is it, the name of this thing is spirit bottle gourd, this will help you to get the spirit" Chu Yuechan said to Ye Chen, Chu Yuechan explained to Ye Chen.

"Just tell me how to use this thing." Ye Chen told Chu Yuechan to tell him how to use the gourd in his hand.

"You are so impatient." Chu Yuechan sighed, she sighed when she saw Ye Chen impatient with what she just gave him.

"You just open the bottle and direct it towards the spirit in front of you, then the spirit in front of you will automatically be sucked into the spirit bottle gourd"

"It seems very easy to use." Ye Chen felt that it would be easy to use.

"It's not going to be as easy as you think, you need quite a lot of strength to imprison a strong spirit like her" Chu Yuechan told Ye Chen about the conditions that had to be done.

"That's all, alright, it will be easy to do" Ye Chen felt that this would be easy to do, all Ye Chen needed to do was use his profound energy.

Ye Chen opened the gourd cover, he pointed the gourd towards the spirit in front of him.

The sv instantly sucked in Ye Chen's profound energy, this gourd sucked in Ye Chen's profound energy very quickly like a vacuum

"This thing sucks up my profound energy very quickly." Ye Chen finally understood what Chu Yuechan was saying.

Fortunately Ye Chen had a very large supply of profound energy. If normal people used this, then they might be sucked dry by this gourd.

"that thing ?" The spirit looked at the gourd that was in Ye Chen's hand, an extremely strong force began to suck in the spirit.

"Impossible, how do you have such a thing" the spirit did not expect that Ye Chen would have something like that.

"Are you surprised, hahaha, you won't be able to run away anymore" Ye Chen said to the naughty spirit.

"I have to escape" the naughty spirit tried to leave this place, if he continued to be in this place, then he would be completely sucked into the spirit gourd.

The suction power of the spirit gourd was extremely strong, its power was so strong that a mischievous spirit could not escape.

"Ahh" The weapon spirit was sucked into the gourd, he was now trapped inside the gourd.

Ye Chen immediately closed the gourd, himself blocking the way out from inside the gourd.

"Let go of me, useless human" said the spirit to Ye Chen, the weapon spirit was very angry with Ye Chen, it was very angry with Ye Chen who dared to lock herself in a rotten object.

"enjoy your time in there, you won't be out anytime soon" Ye Chen would not let go of Shen Niang's spirit weapon, let this spirit remain in the spirit gourd indefinitely.

"Please let me go, I know I was wrong, so I apologize for the mistake I've made." Shen Niang's spirit weapon apologized to Ye Chen.

"it's too late to apologize, I won't let you go" Ye Chen couldn't possibly release the spirit inside the gourd, capturing it back would be a very difficult thing to do.

"You rotten human, I will definitely look for opportunities to reply" the spirit said to Ye Chen, she started cursing Ye Chen with all kinds of words.

"Yixian, are you sure she is the weapon spirit belonging to the goddess Shen Niang, why does she have this temper?" Ye Chen asked Shui Yixian.

"I don't know much about that matter either, it's likely that her attitude will change over time" Shui Yixian said to Ye Chen.

Chapter 1783 Shen Faye

Shui Yixian told the most plausible reason she could think of.

"It seems that way, the development of the times is terrible." Ye Chen had to admit that what Shui Yixian said could be the absolute truth.

The development of the times is something terrible, it can change a person's behavior even the spirit.

"I will keep her for a while" Ye Chen said to Shui Yixian, Ye Chen will keep this gourd for a while.

"It seems impossible, the spirit weapon must not leave this place for a long time, I hope you can understand and quickly return it" Shui Yixian said to Ye Chen.

"I understand, after I educate her, maybe I will return it to you" Ye Chen promised Shui Yixian, he would educate the spirit in the bottle gourd, after that Ye Chen would return it to Shui Yixian.

Shui Yixian nodded, she believed what Ye Chen said.

"By the way what is the name of this spirit?" Ye Chen asked about the name of the spirit in his hand.

"This spirit name is Shen Faye, she has the same first name as the goddess Shen Niang" Shui Yixian said to Ye Chen.

"Oh so your name is Shen Faye, your name is not bad, but why are you behavior so bad" Ye Chen said to the spirit in the gourd.

"hemp" Shen Faye snorted coldly, she was displeased when a human like Ye Chen mentioned her real name.

"What's with your attitude it looks like you want to find trouble with me" Seeing Shen Faye's attitude, Ye Chen shook the bottle gourd in his hand.

"Stop, it makes me dizzy" Shen Faye said to Ye Chen, she felt dizzy when Ye Chen shook the bottle.

"hehehe, feel it" Ye Chen said the Shen Faye in the bottle gourd, Ye Chen looked happy when torturing the spirit in the bottle.

"Ye Chen please don't do that." Shui Yixian asked Ye Chen not to do such a thing.

"I want to make her realize a little, if you want to spoil her, then I won't allow it" Ye Chen said to Shui Yixian.

Ye Chen would not let Shui Yixian stop himself, he would not allow Shen Faye to be arrogant like this.

Shen Faye was already feeling very dizzy, inside this bottle was so chaotic, everything was spinning and he felt like throwing up.

"Stop right now, I'm sorry" Shen Faye said to Ye Chen, Shen Faye couldn't take it anymore, she really couldn't stand what Ye Chen did.

"You've given up?" Ye Chen asked Shen Faye.

"I have given up, quickly stop now" Shen Faye has given up, she is already unable to endure Ye Chen's punishment.

"Very good, I like obedient girls" Ye Chen said to Shen Faye, he really likes obedient girls.

Shen Faye gritted her teeth, now all Shen Faye could do was grit her teeth and endure Ye Chen's humiliation.

"I have to find a way to get out of this place." Shen Faye tried to find a way to get out of this place.

there was no way that Shen Faye would remain silent when he was confined in this place.

"Oh yeah, this statue reminds me of something" Ye Chen looked at Shen Niang's statue, he remembered the Snow Polar Star.

"Master, can you take the Life Mark Jade that is inside the statue?" Chu Yuechan said to Ye Chen.

"Let me try it, I will use Invisible Body Art and try to take it." Ye Chen stepped forward, he headed towards the statue of the goddess Shen Niang.

Ye Chen stretched out his hand and prepared to take what was inside the statue.

"Bzzzz" When Ye Chen used the Invisible Body Art to penetrate into the statue, Ye Chen felt a very strong force blocking his hand, this power prevented Ye Chen's hand from touching the Jade inside the statue.

"No, this barrier is very strong, it seems that it was made by someone with a very high cultivation." Ye Chen still couldn't break through the barrier even after using the Invisible Body Art.

"As I thought, that statue has great power, even with your current ability, you are still hard to obtain" Chu Yuechan said to Ye Chen.

Chu Yuechan felt that Ye Chen would not be able to retrieve what was inside the statue.

"Wait a minute, why don't I just use that?" Ye Chen remembered that he had a technique that was far better than the Invisible Body Art.

"Perfect Steal" Ye Chen extended his hand towards the statue and used the Perfect Steal technique.

In that instant, the life-mark Jade inside the statue was directly in Ye Chen's hands.

"Ye Chen, what is it?" Shui Yixian went straight to Ye Chen's direction, Shui Yixian took the life Jade that was in Ye Chen's hands.

"This thing, so all this time it was in that place, I didn't even notice" Shui Yixian knew that this was someone's Life Mark Jade, he could immediately tell whose it was.

"It seems that what the mischievous spirit Shen Faye said is true, maybe it belongs to the Goddess Shen Niang, the power of this Life Mark Jade is very strong" Ye Chen said to Shui Yixian.

"So that's right, it seems to be getting more and more interesting" Shui Yixian said to Ye Chen.

This discovery made Shui Yixian feel even more intrigued, Shui Yixian felt even more intrigued by what Ye Chen had just discovered.

"I told you already" Shen Faye who was in the bottle gourd said to Ye Chen and Shui Yixian, she was not lying about this matter.

"Do you know where Goddess Shen Niang is?" Shui Yixian asked.

"I don't know, her whereabouts are a mystery that even I don't know, no one knows where she is and what she is doing" Shen Faye replied to Shui Yixian.

"Too bad" Shui Yixian was a little disappointed when she heard this, it seems that this is still a mystery that is difficult to solve.

"I will try to find out about this" Shui Yixian tried to find out about this matter

Shui Yixian decided to find out about this matter, she wanted to know the whereabouts of Goddess Shen Niang.

Shui Yixian closed her eyes, she tried to find out about this matter.

Ye Chen looked at Shui Yixian, it looked like he was going to use her abilities to see where Shen Niang was.

"bang. . . ." the moment Shui Yixian used his ability, an extremely powerful and violent thunderbolt appeared and shook the entire room.

" what happened?" Ye Chen looked around this place, himself preparing for something bad.

" cough . ." Shui Yixian suddenly coughed, Shui Yixian coughed up blood.

" What happened to you?" Ye Chen is holding Shui Yixian, he is helping Shui Yixian who looks just injured

Ye Chen used his power to heal Shui Yixian's internal wounds.

"It seems I just provoked the anger of the heavens, I can't see a thing that is the secret of heaven" Shui Yixian said to Ye Chen.

Shui Yixian's abilities had some limitations, there were some things that Shui Yixian couldn't see.

It seemed that Shen Niang's whereabouts were hidden by the heavens, even Shui Yixian couldn't peek at.

"Forget it, even I didn't know it, you two better forget about this matter" Shen Faye said to Ye Chen as well as Shui Yixian.

"Looks like he's right, you don't have to think about this matter" Ye Chen said to Shui Yixian.

Chapter 1784 Visit Snow Polar Star for the second time

"I see" Shui Yixian would not find out about this matter.

"Master, if I may say so, have you forgotten about the secrets and treasures that lie within the Void Abyss?" Chu Yuechan reminded Ye Chen calmly of the treasures behind the Void Abyss.

"that is very correct, Now that I have inherited the Sage God's dimension-controlling power, I should be able to see what's hidden in that place." Ye Chen remembered that within the Void Abyss there was a mysterious secret, there should be a good treasure in there.

"Yuechan, tell Yanyan that I might be late to eat with them, I have to go somewhere first." Ye Chen said to Chu Yuechan, he wanted Chu Yuechan to tell Zhao Yanyan and Lin Rouxi.

Ye Chen wants to head to the Snow Polar Star, Ye Chen will confirm something on the Snow Polar Star.

"Where are you going?" Seeing Ye Chen want to leave this place, Shui Yixian asked Ye Chen, she wanted to know where Ye Chen was going.

"I want to go somewhere" Ye Chen said that he wanted to go somewhere.

"I will go with you" Shui Yixian wanted to come along with Ye Chen.

"You are injured, you better not come with me" Ye Chen said to Shui Yixian.

"I'm fine, I can come with you" Shui Yixian said to Ye Chen.

"It's up to you if you want to come along, but the place I'm going to isn't a place you might like" Ye Chen said to Shui Yixian.

"It doesn't matter, I'll stay with you." Shui Yixian said that she would still go with Ye Chen.

"Alright let's go" Ye Chen couldn't stop Shui Yixian, he allowed Shui Yixian to come with him.

Ye Chen himself was happy because he was accompanied by a beautiful goddess like Shui Yixian.

Ye Chen and Shui Yixian left the Heaven Light Palace, the two of them headed towards the Snow Polar Star.

"So this is the place." Shui Yixian saw a white planet covered by a very thick snow.

"Yes, that's right, this is the place I want to visit." Ye Chen said that this was the place he wanted to visit.

"There is no sign of life here." Shui Yixian said that in this place there was no sign of life.

"There really is no sign of life here, it can be said that this place is not inhabited by anyone" Ye Chen explained to Shui Yixian.

"Then why do you want to go to this place?" Shui Yixian questioned Ye Chen's reason, he wanted to know why Ye Chen had go to a place like this.

"I came to confirm something" Ye Chen said that he came here to confirm something.

"What do you want to confirm?" Shui Yixian asked Ye Chen.

"Come with me, you will know what it is" Ye Chen said to Shui Yixian "Ye Chen told Shui Yixian to come with him.

"You're trying to act mysterious in front of me?" Shui Yixian was not happy when she saw Ye Chen acting mysteriously in front of her.

"Hehehe" Ye Chen smiled, this time he felt more senior than Shui Yixian.

Normally Shui Yixian knew better than Ye Chen, but this time he seemed clueless as to what was in front of them.

Ye Chen advanced first, meanwhile Shui Yixian followed behind Ye Chen.

Ye Chen took the goddess Shui Yixian to the place where he and Dongfang Xiu had been hiding, this was one of the places where Ye Chen and the goddess were super cold together.

"It's been a long time." Ye Chen recalled what had happened in the past, he remembered the moment when he experienced life and death together with Dongfang Xiu.

"This place" Shui Yixian looked around, she was curious about this place, for some reason Shui Yixian felt a familiar feeling around this place.

Ye Chen took Shui Yixian to the inside, they passed through the gate and entered the place where the items and statues of the goddess of life and mercy were located.

"Why is there a statue of the goddess Shen Niang here?" Shui Yixian became curious as to why a place like this had a statue belonging to the goddess Shen Niang.

Even this statue was better than the one in the Heaven Light Palace.

"Why did you stop?" Ye Chen asked Shui Yixian, he asked why did Shui Yixian stop in the middle of the road.

"Not only does this statue look much more alive than the one at my place" Shui Yixian said to Ye Chen.

"Oh" Ye Chen nodded, indeed the statues here looked more alive than the ones in Heaven Light Palace.

"Alright, come with me." Ye Chen told Shui Yixian to come with him.

"Alright" Shui Yixian nodded, she followed Ye Chen.

"How did you find this place?" Shui Yixian asked Ye Chen.

"I found it when I was with Dongfang Xiu" Ye Chen told about how he found this place.

"Oh, so you found this place when you were with the goddess with the coldest temper." Shui Yixian nodded, apparently he knew about this matter.

"she is cold, but there is kindness in that coldness" Ye Chen said to Shui Yixian.

Ye Chen had to admit that Dongfang Xiu was a pretty cold woman to someone, he would be very cold when he met other people.

Dongfang Xiu's cold nature is very different from anyone, on the one hand the goddess Dongfang Xiu also hides a gentle nature that can even melt a man's heart easily.

"I heard that she will marry the prince Hai, I heard that it will be accelerated" Shui Yixian said to Ye Chen.

Shui Yixian told Ye Chen the latest news, she informed Ye Chen that Hai Ming and Dongfang Xiu's marriage would be hastened again.

"Why is it speeding up again?" Ye Chen asked about the reason, why the marriage was getting faster and faster.

"Isn't that what you did" Shui Yixian said to Ye Chen.

"My doing?" Ye Chen asked Shui Yixian, he was still confused by the words Shui Yixian had just said.

"Isn't it a few months ago that you attacked Prince Hai and injured him seriously?"

"Yes, I did, but what does that have to do with it?" Ye Chen asked Shui Yixian.

"What you have done has prompted the Immortal Profound Sea Realm to hasten marriage and prepare for the coming of age, when Hai Ming will completely inherit the inheritance of the ancestor of the Immortal Profound Sea Realm," Shui Yixian said to Ye Chen.

"I just found out about it" Ye Chen's face started to become serious when he heard about this matter.

"Your face looks very serious, are you worried?" Shui Yixian asked Ye Chen, Shui Yixian saw that Ye Chen looked worried.

"No, I'm not worried at all, I think I need to hurry to save her, I won't let it happen" Ye Chen won't let it happen, he won't let Dongfang Xiu marry someone she doesn't like.

"Do you have the strength to fight them, the power of the Immortal Profound Sea Realm is very strong, plus the Sacred Heaven Star Realm will also not stand idly by if you interfere with their affairs." Shui Yixian told Ye Chen what would happen if Ye Chen kidnapped Dong Fang Xiu.

"I already understand very well the consequences that I have to face" Ye Chen already understands the consequences that he must face.

Chapter 1785 The secret behind the Void Abyss.

"As a man you have to be like that, you shouldn't be afraid to face anything" Shui Yixian had to admit that Ye Chen was a brave person, he was brave in facing big problems.

It took quite a lot of courage to do as Ye Chen said, plus what was being said was not an easy enemy to fight.

In the God Realm, there will definitely be many people who will think Ye Chen is crazy, Ye Chen's words are like seeking death.

Anyone who dares to challenge two powerful powers in the God Realm, they are the same as seeking death when fighting a great power that dominates the God Realm.

"Most likely you will get help, you need to know that the other great powers will not stand idly by when they find out about the matter" Shui Yixian said to Ye Chen.

"You mean they're not happy about this either?" Ye Chen asked.

"Of course, do you think they will just stand still when they see two great powers trying to unite, it will definitely jeopardize their position" Shui Yixian said to Ye Chen.

"Your words are true" Ye Chen felt that if Shui Yixian's words were true, the other great powers would definitely not remain silent when they saw what was happening, they would definitely try to intervene in this matter.

"I might be able to use them." Ye Chen felt that he could use them to help himself.

"The information you provided is very useful, thank you" Ye Chen thanked Shui Yixian, Shui Yixian had provided very useful information.

"You have to be careful, your strength is still not strong enough, at least you need Yanyan and the others to help you, they are currently in the process of becoming strong, you must be more patient," said Shui Yixian.

"I will help them, I will provide resources for all of them" Ye Chen said to Shui Yixian, he would give everything he had to all of them.

"I know you are very good, you can do it, they are all your women" Shui Yixian allowed Ye Chen to do that, it was because everyone was Ye Chen's woman.

"Thank you very much" Ye Chen thanked Shui Yixian for the compliment.

Ye Chen stretched out his hand towards Shui Yixian's hand, he took Shui Yixian's hand.

Shui Yixian was quite surprised when she saw what Ye Chen had done, to be honest what Ye Chen had done was quite shocking for Shui Yixian.

"Ye Chen?" Shui Yixian asked Ye Chen.

" why?" Ye Chen pretended not to know, he pretended not to know what was going on.

"Never mind, forget it." Seeing Ye Chen do that, Shui Yixian decided to forget about this matter.

Ye Chen together with Shui Yixian headed to the deepest part of this place.

In front of them was a rather terrifying Void Abyss.

"Void Abyss?" Shui Yixian muttered as she looked at the Void Abyss.

"We arrived" Ye Chen said to Shui Yixian, they finally arrived at their destination.

"Why do you want to go to a place like this?" Shui Yixian asked Ye Chen.

"I just wanted to make sure what was in there" Ye Chen said to Shui Yixian.

Ye Chen just wanted to confirm about what was behind the Void Abyss.

"So that's what you came to this place for?" Shui Yixian finally knew the purpose of Ye Chen coming here.

"Yes, I want to confirm something" Ye Chen said to Shui Yixian, Ye Chen told that he wanted to confirm something.

"About what is hidden ahead, this is something interesting" Shui Yixian said to Ye Chen.

"I feel the same way, let's see what's hidden in there." Ye Chen agreed with Shui Yixian's words, they could find out what was hidden in there.

"You can repair the dimensions around this place?" Shui Yixian asked.

"I will" Ye Chen will try to do it, he will try to create a new dimension in the Void Abyss.

Ye Chen started to close his eyes, he started to use his power to refine the dimension that was in front of him.

Up ahead a new dimension began to formed, the previously crumbling road had now returned.

"It's quite long." Ye Chen saw that the front was long enough, it would definitely take some time to fix everything.

Ye Chen could only be patient, he continued to refine the road ahead.

Ye Chen needed some time to do this, he needed at least 30 minutes to fix everything.

"Good, I fixed everything" Ye Chen said that he had fixed everything.

"Let's go." Ye Chen invited Shui Yixian to come forward and see what was hidden ahead.

"Okay" Shui Yixian came forward together with Ye Chen, the two taking care of each other.

It took them both a few minutes to get to the end.

"I feel an unpleasant feeling" in front of Ye Chen felt a bad feeling.

"I also feel the same way." Shui Yixian also felt the same, herself feeling something unpleasant.

"Do we need to go back?" Shui Yixian asked Ye Chen to just go back.

"We've come this far, there's no way we could just go back." Ye Chen had already come this far, so it was absolutely impossible for Ye Chen to return after coming this far.

"You are so brave, then I will come with you, please take care of me" Shui Yixian said to Ye Chen.

Shui Yixian told Ye Chen to take care of herself, now Ye Chen can take care of Shui Yixian.

"Of course, I will keep a goddess like you from getting hurt" Ye Chen said to Shui Yixian.

Ye Chen would take care of Shui Yixian, Ye Chen would not let Shui Yixian suffer an injury.

"we have reached the end" in front there is a portal, what is hidden in this portal.

An ominous aura came out, this aura made Ye Chen and Shui Yixian feel uncomfortable.

"Enter?" Shui Yixian asked Ye Chen.

"Sure, let's go in." Ye Chen led Shui Yixian inside.

Ye Chen and Shui Yixian entered, both entered the portal.

After passing through the portal, Ye Chen and Shui Yixian entered into a place that was similar to a hall, the walls and floors in this place were white and covered in a power.

Right in the middle of the hall there was a person who was confined with chains and sealed in a crystal.

"This woman?" Ye Chen saw the figure of a very beautiful woman, this woman's figure was the best ever, this woman's perfection was too amazing, it was very difficult to find a loophole from this woman.

this woman had silver hair that was really very pretty and looked shiny, her face was very pretty and didn't have any flaws.

plus her body was very well developed and she had two double peaks which were quite large and seductive.

"Is it master?" Shen Faye shouted at the woman who was sealed in the crystal.

"Is he your master?" Shui Yixian and Ye Chen looked surprised when they heard what Shen Faye said.

"Yes, I can't be wrong, she is my master, so she has been hidden in this place all this time" Shen Faye said to Ye Chen and Shui Yixian.

Chapter 1786 Goddess Shen Niang body is sealed

"But why does she look like that?" Ye Chen asked Shen Faye.

Ye Chen saw that Shen Niang had a slightly strange appearance, plus Ye Chen felt a very dangerous feeling from Shen Niang.

"I don't know" Shen Faye said that she didn't know about this matter, she didn't know what happened to Shen Niang.

"Something is wrong" Chu Yuechan said to Ye Chen, Chu Yuechan felt that something was wrong, she felt that something strange was going on.

"I feel it too" Ye Chen felt the same way, he sensed that something was wrong.

"Master, prepare yourself" Chu Yuechan told Ye Chen to prepare himself.

"I will be more vigilant" Ye Chen will be even more vigilant, therefore, Ye Chen covered his body with Heavenly Armor.

Ye Chen was prepared for the worst, he was prepared in case something untoward happened.

"Let's get closer" Shen Faye invited Ye Chen to come closer, they had to find out what was going on.

"Ye Chen, can you let go her" Shui Yixian told Ye Chen to let go of Shen Faye.

"I will" Ye Chen let go of Shen Faye, he let go of Shen Faye who was in the bottle.

"master" after coming out of the bottle gourd, Shen Faye headed straight for Shen Niang.

"Booom" as Shen Faye drew near towards Shen Niang, an extremely powerful attack ambushed Shen Faye.

Shen Faye who was a spirit, surprisingly she was instantly injured by this attack.

"There seems to be a pretty strong trap." Ye Chen looked ahead, it seemed that up ahead was a trap set up to prevent other people from approaching.

"Let's see how things are." Shui Yixian looked at Shen Faye's condition, she saw that Shen Faye had some minor injuries while trying to penetrate towards Shen Niang.

"I didn't see it, it seems that it was my fault." Shen Faye didn't see the barrier in front of her, she made a rather reckless mistake.

"Don't push yourself, we will find a way out." Shui Yixian said to Shen Faye, he told Shen Faye to calm down.

"I will do it myself" Shen Faye didn't want to listen to Shui Yixian's words, she refused while listening to Shui Yixian's words.

"Yixian, don't waste your time, she won't listen to you" Ye Chen told Shui Yixian that Shen Faye would not listen to her.

"Ye Chen, why don't you help her?" Shui Yixian said to Ye Chen, why did Ye Chen not help Shen Faye.

"Leave it alone, let's observe it first." Ye Chen would observe first, he wanted to know what kind of trap was placed near Shen Niang's body.

Shen Faye again tried to head to Shen Niang's place, this time using her full strength.

Shen Faye showed her true strength, a powerful light power enveloped Shen Faye's body.

"Seriously, spirit weapon have strong power?" Ye Chen looked at Shen Faye, he didn't expect a spirit to have such terrifying power, to be honest Shen Faye's strength was quite strong.

"Bamm" Shen Faye headed straight for Shen Niang, she tried to break through the barriers and traps that were near Shen Niang's body.

"Will she succeed this time?" From Shen Faye's strength, he should be able to break through the traps and barriers.

"Boom" another explosion occurred, Shen Faye's body was blown away again by a very strong force.

"Ahhh. ." Shen Faye was again flown away, this time she was flown even further.

Ye Chen caught Shen Faye, Ye Chen caught Shen Faye so as not to hit the wall.

"too strong, who created it" Shen Faye cursed loudly, who had created a trap in this place, this is too strong.

"Stupid girl, I thought you were smart, it turns out that you are more stupid than I imagined" Ye Chen said to Shen Faye.

"what did you say?" Shen Faye was not happy when she heard what Ye Chen said, in the current situation, Ye Chen still had time to mock Shen Faye.

"I said you are stupid" Ye Chen said to Shen Faye, Ye Chen told that Shen Faye was stupid.

Ye Chen even made his words clear, so that Shen Faye could understand what he was saying.

"You're trying to find trouble with me? Fine, I'll fight you" Shen Faye wanted to fight Ye Chen, she wanted to teach Ye Chen a lesson.

"it's enough, stop now." Shui Yixian intervened in the commotion.

Ye Chen and Shen Faye were too noisy, they made a lot of noise and made the situation even more tense.

"He started it first" Shen Faye said to Shui Yixian, she pointed at Ye Chen who was looking for trouble with her from the start.

"Indeed when did I seek trouble with you, I'm telling the truth, you should know who the goddess Shen Niang is your master, if that person can seal a true god like Shen Niang, do you think you can break through that trap, have a dream" Ye Chen said to Shen Faye.

Ye Chen told Shen Faye calmly the truth, even though the reality was unpleasant, Ye Chen still told Shen Faye the truth.

Shen Faye immediately thought of what Ye Chen said, Ye Chen's words did have some truth in it, Goddess Shen Niang is one of the few true gods with immense power, to be able to seal her in this place must be very strong.

Shui Yixian nodded, Ye Chen's words were an absolute truth, Shui Yixian had to admit that Ye Chen's words were a truth that was hard to refute.

"Then what can we do?" Shen Faye asked Ye Chen, Shen Faye asked what they could do.

"Let's think about this with a cool head" Ye Chen tried to think about this matter with a cool head.

They have to be patient for a while and figure out how to solve the problems they face.

Ye Chen was very careful, there could be a very powerful trap that could seriously injure Ye Chen.

As the person who was able to seal Shen Niang, surely the trapper in this place would be someone of unmatched strength, there might be a trap that could kill someone at the True God with ease.

"I will try to test the trap in front" Ye Chen decided to do a short test.

Ye Chen made a clone, he told the clone to come forward and trigger all the traps.

"Boom. . ., boom. . ., boom. . ., boom. . ., boom. . .," successive explosions occurred, a huge explosion was triggered by the Clone created by Ye Chen.

"Too many" Shui Yixian saw that too many traps were set, the worst being near Shen Niang, it seemed impossible to penetrate that place.

"Okay, I remember everything." Ye Chen had found a path, he found a path to Shen Niang's place.

"huh. . . ?" Shen Faye and Shui Yixian were both shocked when they listened to what Ye Chen had just said.

Finding your way among this pile of traps is quite a difficult thing to do.

Shui Yixian and Shen Faye didn't even see an opening they could use, they didn't find an opening to get to where Shen Niang was.

"Okay I'll start" Ye Chen prepared, he released all the weight in his body and used all the techniques to increase his speed.

"Ye Chen are you sure about what you are doing?" Shui Yixian said to Ye Chen, she doubted that Ye Chen could do it.

Chapter 1787 Ye Chen lost control of himself

"If you fail, you will become a roast pig or even be destroyed" Shen Faye agreed with what Shui Yixian said, if Ye Chen failed, then it was certain that he would become a roast pig.

The traps in front of them were countless, getting past that many traps was extremely difficult and perhaps impossible to do.

"Nothing is impossible, I will show it to both of you" Ye Chen said that nothing is impossible, he will show that he is able to overcome everything.

Ye Chen opened the Veins of wind and earth, he needed extraordinary defense and speed, this was just in case.

"Alright, I'll start" Ye Chen moved forward, himself moving forward towards the direction of the trap.

"Boom. ." Initial traps are active, these early traps are less and have some distance, as long as Ye Chen can walk well, then Ye Chen can pass easily.

Shui Yixian and Shen Faye looked at Ye Chen, they saw the moves made by Ye Chen.

"He passed the first part, I hope he can also pass the second." Shen Faye saw that Ye Chen could pass the first part easily, Ye Chen would soon pass the second which should be even more difficult than before.

"I hope he is fine." Shui Yixian hoped that Ye Chen would be fine.

Ye Chen passed the fewest traps, now he entered far more traps than before.

"Boom. ., boom . ., boom . .," the intensity of the explosions grew more and more, countless explosions occurred as a result of the traps set by Ye Chen.

Even though Ye Chen had tried not to set off any traps, in fact he had still triggered quite a number of traps.

"I have to go even faster" Ye Chen had to be even faster, he increased his speed.

"What kind of speed is that?" Shen Faye could not see Ye Chen's movements, Ye Chen's movements were too fast and could not be seen by Shen Faye.

"He's getting really fast, at that speed he should be fine." Shui Yixian felt a little relieved when she saw Ye Chen's amazing speed, Ye Chen's speed was really so fast that it made Shui Yixian unable to keep up with his movements.

Ye Chen passed all the obstacles, he was so fast that he set a trap unable to keep up.

"Okay I'm at the more difficult part" Ye Chen is at the hardest part, he is near Shen Niang's body.

"Very good, he is very close, continue" Shen Faye supported Ye Chen, Shen Faye gave a support to Ye Chen who managed to get close to Shen Niang.

Whereas previously she hated Ye Chen so much, but now Shen Faye supported Ye Chen.

"You have to be more careful, the front is more dangerous" Shui Yixian said to Ye Chen.

Shui Yixian gave Ye Chen a warning and advice, she told Ye Chen to be more careful because the front would be much more dangerous.

In Ye Chen's current situation, he was unable to answer Shui Yixian, Ye Chen only listened carefully to what Shui Yixian had to say.

"okay this is the bit difficult part" Ye Chen took a deep breath.

"Ye Chen should be calmer" Ye Chen should be calmer, he should be able to calm down even more so that he can avoid everything.

"Time Vision" Ye Chen's uses the Time Vision, he can see the traps that are aiming at him, that way Ye Chen can avoid the traps that are aiming at him.

"whoosh . . . ,whoosh . . . ,whoosh . . . ,whoosh . . . ,whoosh . . . ," thousands of traps passed through Ye Chen's body, all of the traps passed through Ye Chen's body without any of them hitting Ye Chen.

"He was able to dodge everything?" Shen Faye was quite surprised to see that Ye Chen was able to avoid all the traps, otherwise he might not be able to.

"He's really great, I think I was too worried." Shui Yixian was probably too worried, it was obvious that Ye Chen had a great ability.

With Ye Chen's abilities, he should be able to get through it all.

"I have to go even faster" Ye Chen had to be even faster, he had to be even faster and dodge this attack.

Ye Chen increased his speed again, Ye Chen's speed could barely be seen by Shui Yixian and Shen Faye.

"Almost there, Nine Shadow Step" Ye Chen used the Nine Shadow Step and disappeared towards the front of Shen Niang.

Ye Chen was now right in front of Shen Niang's body that was confined within a crystal.

There was silence as Ye Chen managed to get past the obstacles.

"He really succeeded" Shen Faye said to Ye Chen, Shen Faye did not expect that Ye Chen would be able to avoid countless traps.

"he did it" Shui Yixian can rest easy, Ye Chen has managed to do it.

Ye Chen in front of Shen Niang, he finally arrived in front of Shen Niang.

"Now what will I do?" Ye Chen had already arrived in front of Shen Niang, what was he going to do next.

Ye Chen looked at Shen Niang, when Ye Chen took a closer look, he greatly admired Shen Niang's beauty, this woman is super beautiful, it is not strange that she was the most beautiful goddess in the past.

As Ye Chen looked directly at Shen Niang, Ye Chen was suddenly affected by an extremely powerful magic Charm.

This magic Charm was so strong that it made Ye Chen start to become dizzy and lose consciousness.

"Master, what happened to you?" Chu Yuechan immediately tried to resuscitate Ye Chen, she saw Ye Chen starting to lose control of himself.

There was an evil and enormous power trying to take over Ye Chen's consciousness.

"Damn, what's this?" Ye Chen tried to endure, he was trying to survive the strong enchantment that was trying to control him.

Despite doing his best, Ye Chen still couldn't resist, his consciousness was thinning and Ye Chen's vision became blurry.

"what happened to him" Ye Chen's strangeness was naturally visible to Shen Faye and Shui Yixian.

"There seems to be something wrong." Shui Yixian felt that something was wrong, she saw that Ye Chen was not in a good condition.

"Ye Chen, can you answer me, answer me quickly" Shen Faye shouted at Ye Chen, she shouted at Ye Chen in a very loud voice.

Ye Chen didn't listen to what Shen Faye said, it could be said that currently Ye Chen couldn't listen to what Shen Faye said.

"He's not listening to you, this is really bad." Shui Yixian saw that Ye Chen didn't listen to what they were saying.

Shui Yixian tried to find a way, she used her own strength to resuscitate Ye Chen, Shui Yixian's body was enveloped by a dazzling light force, she shot a strong light at Ye Chen.

"I hope this will wake him." Shui Yixian hoped that this would wake up Ye Chen.

An extremely strong light headed towards Ye Chen, it shot very quickly towards Ye Chen.

"Clink. ..." just as the Light was about to reach Ye Chen's place, suddenly a dark power appeared and devoured Shui Yixian's light.

"Dark power?" Shui Yixian was immediately alert, this power of darkness was able to eat Shui Yixian's light.

Chapter 1788 Goddess Shen Niang wants to kill Ye Chen

"What really happened?" Shen Faye looked confused as to why there was such a terrifying power of darkness.

The terrifying power of darkness had frightened Shen Faye, Shen Faye could feel that the darkness that had just emerged had a terrifying hatred and killing intent.

"We have to do something, it seems he is in serious trouble" Shui Yixian said to Shen Faye.

"What can we do, he is there, going there is impossible for us to do" Shen Faye said to Shui Yixian.

Currently going to Ye Chen's place was an impossible thing to do, they couldn't do anything about this matter.

Shui Yixian really couldn't do anything, what Shen Faye said became the truth, they couldn't go to Ye Chen's place.

Ye Chen started walking forward towards Shen Niang, Ye Chen extended his hand towards Shen Niang's crystal.

"What do you think he's doing?" Shen Faye tried to guess what Ye Chen was up to.

"I don't know about this matter, it's definitely not a good thing." Shui Yixian felt that this would be a bad thing.

Ye Chen touched the crystal that sealed Shen Niang's body, he used dimension power to destroy the crystal.

Dimension power is a very strong force, all objects will be destroyed easily under the power of dimension power.

"cracked . . ." The crystal started to crack, a dark force started to leak out.

"this ?" Shui Yixian and Shen Faye felt goosebumps, both of them had goosebumps as they felt the power of darkness leaking from within the crystal.

"What is it, it's so terrifying" Shen Faye was afraid, he was afraid of the darkness that came out of the crystal.

"It's terrible" even someone like Shui Yixian felt goosebumps when he felt this terrifying darkness, to be honest, this darkness was terrifying.

The darkness was expanding, it was getting stronger and spreading all around, Shui Yixian and Shen Faye felt weak from the terrifying pressure that was around them.

"This is dangerous" Shui Yixian started to fall, she didn't have the strength to stand up, the strong pressure had made her body feel so scared and unable to stand up.

Shen Faye is still much better, she can still stand, it's just that she can't move.

"Master, wake up" Chu Yuechan tried to resuscitate Ye Chen, she tried to resuscitate Ye Chen using all kinds of means.

" Where am I ?" Ye Chen saw the darkness around him, he was covered in the darkness all around and couldn't see anything.

Ye Chen started to remember where he was now, after knowing where Ye Chen was now, Ye Chen understood where he was.

"I'm too careless, I have to fight back" Ye Chen was too careless, how could he be controlled by this darkness.

"Scram" Ye Chen used all the strength he had, he removed all the darkness that was around him.

With Ye Chen's immense strength, Ye Chen got rid of the darkness that controlled him.

Ye Chen's consciousness returned, Ye Chen came back to his senses and knew what he was doing.

Ye Chen hastily pulled his hand back, he kept his distance from Shen Niang.

"You finally came to your senses" Chu Yuechan said to Ye Chen.

"Fortunately I was able to fight it, it was quite dangerous" Ye Chen was grateful that he was able to resist, otherwise he would be completely controlled.

"Yuechan, what do you think is going on?" Ye Chen asked Chu Yuechan, he asked what happened to Shen Niang.

"I don't know, but it seems that something happened to the goddess Shen Niang, she was filled with an extremely terrifying evil power, it was so terrifying that it gave me goosebumps" Chu Yuechan said to Ye Chen.

Even Chu Yuechan felt goosebumps when she felt the power of darkness leaking from within the crystal.

"Cracked . . ."The crystals are getting crushed, the cracks are getting worse and soon the crystals will break.

"I have to do something" Ye Chen had to do something, he couldn't let the crystal in front of him be broken.

Ye Chen stepped forward and tried to make a seal to prevent the crystal from sealing Shen Niang's body from being broken.

"break" when Ye Chen had just finished making the seal, suddenly the crystal shattered, a terrifying power of darkness came out and knocked Ye Chen away.

Ye Chen used the Heavenly Armor, he still had time to use the Heavenly Armor.

"Fortunately" Ye Chen was grateful that he was still alive, it was very dangerous.

After the crystal broke into several small pieces, the goddess Shen Niang was freed, and around her appeared a terrifying darkness.

"That darkness actually came from the goddess Shen Niang" Ye Chen finally realized that the terrifying darkness came from the goddess Shen Niang.

"Why does she have the power of darkness like this, it scares me" Chu Yuechan said to Ye Chen.

Chu Yuechan was really scared, this power of darkness was terrifying.

Shen Faye and Shui Yixian had even fainted, they had both passed out and were lying on the floor.

The power of darkness suppression had made both of them faint and unconscious, Shen Faye and Shui Yixian had been frightened to the point of fainting on the spot.

"So I'm left alone" Ye Chen saw that right now he was living alone, Shen Faye and Shui Yixian would no longer be able to help him.

Ye Chen had to face this matter alone, he was only left alone with no one to help him.

Goddess Shen Niang opened her eyes, Goddess Shen Niang's eyes were red and a little scary.

The red eye color and the dark aura around her made Shen Niang look terrifying.

Ye Chen was very wary, he was very wary of Shen Niang.

Ye Chen still didn't know what was going on, so it wouldn't hurt for Ye Chen to be more wary of the goddess Shen Niang.

Goddess Shen Niang looked at Ye Chen, she looked at Ye Chen blankly.

"that . . ., you . . .?" Ye Chen intended to ask Goddess Shen Niang.

"Ugh. . ." Ye Chen suddenly choked, the goddess Shen Niang was already in front of Ye Chen and immediately strangled Ye Chen's neck.

"Too fast, is this true god power?" Ye Chen couldn't see Shen Niang's movements, Shen Niang was very fast.

"who are you?" Shen Niang asked Ye Chen, she asked Ye Chen about his origin.

Shen Niang felt quite familiar with Ye Chen, she felt very familiar with the strength in Ye Chen's body.

Ye Chen felt so much like someone, Shen Niang couldn't remember who it was.

"I am Ye Chen" Ye Chen told Shen Niang his name.

"Can you let me go" Ye Chen said to Shen Niang, Ye Chen asked Shen Niang to release himself.

"Who are you, how dare you order me?" Shen Niang said to Ye Chen, Shen Niang was not happy with the orders given by Ye Chen.

"I'm not ordering you, I'm asking you to let me go" Ye Chen said to Shen Niang.

Ye Chen tried to stay calm in his current state, Ye Chen's condition was indeed bad, he was now in Shen Niang's hands.

"I will not grant your request, you should just disappear from this world" Shen Niang said to Ye Chen.

Shen Niang really looked very vicious, he really wanted to eliminate Ye Chen.

"What's with this woman?, this is even the first battle, why is she like this?" Ye Chen was helpless, why would the goddess of life and mercy be like this.

A terrifying killing intent emanated from Shen Niang's body, this killing intent was truly terrifying.

"That's terrible, she's not joking." Chu Yuechan panicked, she panicked when she saw Shen Niang wanted to kill Ye Chen.

Chapter 1789 [Bonus]Chu Yuechan came out from inside the fairy gate

"Ning'er quickly help me." Chu Yuechan said to Chu Ning'er, they have to help Ye Chen.

"But she is scary, her strength is terrible" Chu Ning'er said to Chu Yuechan.

The normally brave Chu Ning'er is now afraid of Shen Niang, Shen Niang's strength makes Chu Ning'er fairy scared.

"Stop whining, we have no other choice, if we don't fight back, we will be destroyed." Chu Yuechan said to Chu Ning'er.

Their fate would be the same, neither of them would be able to escape from what happened.

"Alright, I'll help you" After receiving Chu Yuechan's insistence, Chu Ning'er finally agreed to help.

"Let's go out" said Chu Yuechan to Chu Ning'er.

"Can you get out?" Chu Ning'er asked Chu Yuechan.

"I can go out, but it's only for a short time, let's make the most of this opportunity" Chu Yuechan said to Chu Ning'er.

With Chu Yuechan's current condition, she might only be able to stay outside for approximately 5 minutes, they should be able to take advantage of this opportunity to defeat Shen Niang.

"Okay, I will help you, so we only have a limited amount of time, well, I also only have a limited amount of time." Chu Ning'er also only has a limited amount of time, the two of them can only fight for a short time.

Chu Ning'er and Chu Yuechan appeared in front of Ye Chen and Shen Niang, they directly attacked Shen Niang who caught Ye Chen.

"Boom" Chu Yuechan used her Wind and Ice power, meanwhile Chu Ning'er used lightning and earth to attack Shen Niang.

"Erm" Shen Niang retreated, the attacks from Chu Ning'er and Chu Yuechan made her retreat.

"Who else are you guys?" Shen Niang looked at Chu Ning'er and Chu Yuechan.

she looked at the two fairies in front of her, with a look of intense hostility.

"We are fairies" Chu Yuechan said to Shen Niang.

"So you are the fairy race" Shen Niang was not surprised when she heard what Chu Yuechan said.

To Shen Niang the fairy race was nothing surprising.

"If you interfere, you will get into trouble" Shen Niang said to Chu Ning'er and Chu Yuechan.

"From the very beginning you were the one looking for trouble with us, you have attacked our master, how will we stay silent when you do that" Chu Yuechan said to Shen Niang.

"Your master, so this brat is the one you serve" Shen Niang looked at Ye Chen, she just realized that Chu Yuechan was serving Ye Chen.

"Of course, we do serve him" said Chu Ning'er and Chu Yuechan did serve Ye Chen, their job was to protect Ye Chen.

"he pissed me off, it's best not to interfere in my business" Shen Niang said that Ye Chen had annoyed her, that's why she told Chu Yuechan and Chu Ning'er not to interfere in this matter.

"Looks like we can't let the matter happen." Chu Yuechan wouldn't let the matter happen, she still needed Ye Chen.

Ye Chen was the best candidate that Chu Yuechan had, there was no way that Chu Yuechan would let anything bad happen to Ye Chen.

"So you refuse my orders, then you will feel pain." Shen Niang attacked Chu Yuechan and Chu Ning'er.

A dark power attacked Chu Ning'er as well as Chu Yuechan.

"Quickly dodge" Chu Yuechan told Chu Ning'er to dodge immediately.

Chu Ning'er and Chu Yuechan managed to dodge, both managed to dodge Shen Niang's attack.

"Booom" A huge explosion occurred, the room shook as it received Shen Niang's attack.

Fortunately this room was made to withstand the attacks of a true god, so it was able to withstand attacks from Shen Niang.

"This woman's attack is terrible." Chu Ning'er saw that Shen Niang's attack was extremely terrifying.

"Don't get hit by that attack, otherwise you will get in trouble" Chu Yuechan told Chu Ning'er to dodge Shen Niang's attack.

Shen Niang's attacks were extremely difficult for the two of them to block.

"Let's join forces" Chu Ning'er invited Chu Yuechan to combine attacks, by combining attacks, they could definitely defeat Shen Niang.

Chu Ning'er and Chu Yuechan started to combine the strength they had, both of them combined the power they had with and charged towards Shen Niang.

"Bam. . . , bam . . . , bam . . . , bam . . . ," the battle between Chu Yuechan and Chu Ning'er against Shen Niang continued.

Their battle looks so extraordinary, their battle makes this room very messy.

"How did they get out?" Ye Chen didn't expect Chu Yuechan to be able to get out from inside the fairy gate.

Chu Yuechan was able to get out from inside the fairy gate, which meant that Ye Chen and the fairy gate's level was already quite high.

"I think I have to join the battle" Ye Chen had to join the battle.

"You don't have to join, just take care of the two of them." When Ye Chen wanted to join the battle, Ye Chen was stopped by Chu Yuechan.

Chu Yuechan stopped Ye Chen and told Ye Chen to focus on seeing Shui Yixian and Shen Faye's condition.

Ye Chen looked at Shui Yixian and Shen Faye, it seemed that they were not in a good condition.

"I will secure both of them" Ye Chen decided to secure Shui Yixian and Shen Faye.

Ye Chen took the two of them towards the inside of the fairy gate so that both of them were safe.

"They have left, we both don't need to hold back anymore." Ye Chen, Shui Yixian and Shen Faye had left, now Chu Yuechan and Chu Ning'er would not hold back anymore.

"Don't we need to hold back anymore?" Chu Ning'er asked Chu Yuechan.

"You don't need to hold back anymore, use all the strength you have." Chu Yuechan told Chu Ning'er to use everything she had.

"If you say so, Bam. . . ." Chu Ning'er started to show her strength, she used her full strength.

An enormous aura instantly emanated from Chu Ning'er's body, this aura filled this place.

Chu Yuechan also started to get serious, she brought out all the strength she had.

Chu Yuechan and Chu Ning'er possessed terrifying strength, both of whom were capable of displaying a power that could give others goosebumps and perhaps fright.

Shen Niang still didn't show any signs of being surprised or anything, she looked very calm when she saw Chu Yuechan and Chu Ning'er showing their strength.

The darkness on Shen Niang's body began to grow and grew stronger, it was obvious that her strength was so terrifying that it suppressed the strength of Chu Yuechan and Chu Ning'er.

Chu Yuechan and Chu Ning'er were not to be outdone, they both expended the more profound energy they had.

"We can't waste time, we only have 3 minutes left." Chu Yuechan said to Chu Ning'er.

Chu Yuechan only had 3 minutes, if it was too long, they would not win and would be forced back into the fairy gate.

"Use everything we have" Chu Ning'er told Ye Chen to use everything they have, they should be able to win against Shen Niang.

"Fairy Flow Wind seal, Fairy Ice spike" Chu Yuechan used her two powers, she combined the power of wind and Ice and attacked Shen Niang.

Shen Niang stretched out one finger of hers, she moved one finger and blocked Chu Yuechan's attack.

"Restrained with just one finger" Chu Yuechan was completely shocked when she saw her attack being blocked with one finger.

"blind the eyes please" Chu Ning'er told Chu Yuechan to blind the sight of Shen Niang.

"I will." Chu Yuechan's wings started to glow, a dazzling light appeared and blocked Shen Niang's vision.

Chapter 1790 Work together to seal Shen Niang

"Very good, bushes seal" Chu Ning'er immediately locked Shen Niang's body with a very dense thicket.

"Eighteen Palms Thunder God" Chu Ning'er's unleashed a powerful lightning strike.

"Bamm" Eighteen palms of enormous lightning struck Shen Niang's body.

"It hit her." Chu Ning'er saw that her attack hit Shen Niang, it should have stopped Shen Niang.

"Don't get excited too soon, our enemy is not a weakling, she is one of the true gods holding the power of life, killing her is a difficult thing to do" Chu Yuechan reminded Chu Ning'er of Shen Niang's strength.

"Is her ability that strong?" Chu Ning'er did not expect that Shen Niang would have such strength.

"You see" Chu Yuechan said to Chu Ning'er, Chu Yuechan told Chu Ning'er to take a look.

"Crack. . . ." Shen Niang started to come out from the hole, she looked at Chu Ning'er and Chu Yuechan.

Shen Niang was not injured at all, she was not injured by Chu Ning'er's attack.

"Not scratched at all." Chu Ning'er really couldn't help but think when she saw that Shen Niang was unharmed when she received an attack from her.

The attack just now should have been strong enough to render Shen Niang powerless.

"She really isn't normal." Chu Yuechan and Chu Ning'er had to admit that Shen Niang was abnormal, it could be said that this woman had abnormal strength.

"What should we do now, our attacks won't work against her?" Chu Ning'er asked Chu Yuechan, their attacks barely working against Shen Niang.

"Looks like we have no choice but to use sealing techniques, defeating them is impossible for us to do." Chu Yuechan said that they should use sealing techniques on Shen Niang.

"What kind of seal?" Chu Ning'er asked, Chu Ning'er wanted to know what kind of seal Chu Yuechan wanted to use.

"You don't need to know, your job now is to outwit her." Chu Yuechan told Chu Ning'er to outwit Shen Niang.

"You really are stingy." Chu Ning'er was dissatisfied with Ye Chen's answer.

"Quick, do as I tell you." Chu Yuechan told Chu Ning'er to do as she was told.

"Okay, I'll do it." Chu Ning'er had no choice, she decided to do as Chu Yuechan said.

Chu Ning'er advanced towards Shen Niang, this time she would begin to perform a technique to outwit Shen Niang.

"Useless, no matter what you do, the result will be the same" Shen Niang said to Chu Ning'er.

"Never underestimate the fairy race, we are a race that is not easy to underestimate" Chu Ning'er said to Shen Niang.

Chu Ning'er told that she and Chu Yuechan were not to be underestimated, both of them possessed abilities that the world needed to taken into account.

"I will break down the arrogance that you guys have." Shen Niang said that she would break down the arrogance of Chu Ning'er and Chu Yuechan.

Shen Niang raised her hand upwards, she made several arrows of darkness which were innumerable in number.

"What do you think she will do?" Chu Ning'er wanted to know what Shen Niang was going to do, Shen Niang had already made quite a number of arrows above her.

The number is at least tens of thousands, if it is shot, then it will be very difficult to dodge.

"Prepare to accept death" Shen Niang said to Chu Ning'er and Chu Yuechan.

Shen Niang aimed at Chu Yuechan and Chu Ning'er, both of whom were within Shen Niang's aiming range.

"I need to stop this immediately." Chu Ning'er had to stop all of this immediately.

"tree fortress" Chu Ning'er's made thousands of trees, which were very tall, Chu Ning'er wanted to fend off all attacks by using these trees.

"I hope it works," Chu Ning'er said to herself.

Chu Ning'er hoped that this tree would succeed in resisting Shen Niang's attack, Chu Ning'er slightly doubted whether it would be able to withstand the attack that Shen Niang was about to launch.

"Yuechan sister, you have to hide, it looks like there will be a heavy blow." Chu Ning'er told Chu Yuechan to hide.

"I see, I will help you with my strength." Chu Yuechan understood, she would help to withstand Shen Niang's attack.

Chu Yuechan created a current of wind around the trees, she created a strong current of wind to block the arrows that were heading towards them.

"Get lost from this world" Shen Niang pointed forward, all the arrows shot straight towards Chu Yuechan and Chu Ning'er.

Chu Yuechan and Chu Ning'er hid, both of them hiding to dodge the attacks that were aimed at them.

"destroyed. . . ." trees and wind were penetrated with great ease, the arrows of darkness that Shen Niang fired were able to pierce through anything.

Chu Yuechan and Chu Ning'er hid well, they hid in the safest place so they wouldn't be touched.

"We only have 1 minute left." Chu Ning'er said to Chu Yuechan, they only had 60 seconds left.

"I understand too." Chu Yuechan understood that they had only 60 seconds left, the two of them had really run out of time.

"Now is the time to make an attack, I will use the God's Fate punishment seal" Chu Yuechan said to Chu Ning'er.

"It is a high-grade seal, it will definitely work to contain it." Chu Ning'er was sure that the seal used by Chu Yuechan would be able to seal Shen Niang.

Chu Yuechan and Chu Ning'er were waiting for the right time, they were waiting for Shen Niang's attack to stop.

Should the attack from Shen Niang not last long, it will definitely stop soon.

Chu Yuechan and Chi Shui waited very patiently, both waiting for the right time.

Honestly they don't have much time, they only have very little time.

"55, 54,53,52,51,50" time was running out, Shen Niang's attacks still didn't stop until now.

"We're running out of time." Chu Yuechan and Chu Ning'er were running out of time, they were both running out of time they had.

"We can only be patient" Chu Yuechan said to Chu Ning'er.

In a situation like this, they could only be patient, they couldn't be too rash in battle.

"Dimension Breaker" an attack hit Shen Niang from behind, this made her stop attacking Chu Yuechan and Chu Ning'er.

"That's master, he helped us" Chu Ning'er said to Chu Yuechan.

"Quickly use the opportunity he has created." Chu Yuechan had to use the opportunity that Ye Chen had created, the two of them could not pass up the opportunity that Ye Chen had created.

"God's Fate punishment seal" Chu Yuechan and Chu Ning'er worked together, both gathered strength and started to seal.

Several chains appeared around Shen Niang's body, these chains bound Shen Niang's body.

After that a bubble appeared and enveloped Shen Niang's body.

"You guys, so this is a plan that you guys have" Shen Niang finally realized that they had sealed her.

"You return to your place," Chu Ning'er said to Shen Niang.

Chu Ning'er hoped that Shen Niang would return to her place.

The bubbles began to turn into crystals and locked onto Shen Niang's body.

"Finally it's over" Shen Niang was back in the seal, Chu Yuechan and Chu Ning'er returned to the fairy gate again.

"You two have done a very good thing." Ye Chen said to Chu Yuechan and Chu Ning'er.

"It's quite tiring" Chu Yuechan said to Ye Chen.

Chu Yuechan and Chu Ning'er were quite tired, they were both quite tired when facing Shen Niang.
