

A True God 1791

### **Chapter 1791 Goddess of life and mercy is too strong**

"Fortunately you came at the right time." Chu Yuechan and Chu Ning'er were happy that Ye Chen had come at the right time.

"Hahaha, of course, how could I let you guys fight alone like that, I couldn't possibly let that happen" Ye Chen said to Chu Yuechan and Chu Ning'er.

"But it's a miracle, we can win against Shen Niang who is one of the strongest true gods" Chu Yuechan didn't expect that they could still win against Shen Niang, even though their probability of winning was 0.1%.

"As long as there is a chance, then we definitely can" Ye Chen said to Chu Yuechan.

Even though their chances were only 0.1%, they were actually able to beat Shen Niang.

"fufufufu, that's very true" Chu Yuechan said to Ye Chen, Chu Yuechan totally agreed with what Ye Chen said, even though their chances were few, in fact they were able to beat Shen Niang.

"Since when can you leave the fairy gate like that?" Ye Chen asked Chu Yuechan, himself asking since when was Chu Yuechan able to leave the fairy gate.

Ye Chen didn't even know that Chu Yuechan could do that.

"Fufufu, actually it's been quite a while, it's just that I'm lazy because I still can't go out for a long time" Chu Yuechan said to Ye Chen.

Chu Yuechan might be able to get out from within the fairy gate, but that still had a limit and couldn't be done often.

"I'm glad you were able to come out, maybe next time you should come out more often to help" Ye Chen said to Chu Yuechan.

"No, I won't help you." Chu Yuechan refused, she refused to help Ye Chen.

"How can you answer in such a tone, you should have helped me" Ye Chen said to Chu Yuechan.

"Hmmppp" Chu Yuechan sniffed coldly, she refused to help Ye Chen.

Ye Chen shook his head, Chu Yuechan really couldn't be persuaded or seduced.

It seemed that Ye Chen still had to rely on himself to face an enemy that was difficult to fight.

"giggle" Chu Ning'er giggled, she felt that Ye Chen and Chu Yuechan were like children when they had an argument.

" Cracks ! ! ! !" Just as Ye Chen and Chu Yuechan were discussing their victory, the three of them heard a cracking sound.

" what's that?" Ye Chen, Chu Yuechan and Chu Ning'er were instantly alerted by the voice they had just heard.

"Master, behind" Chu Yuechan told Ye Chen.

Ye Chen immediately looked back to confirm what happened, when Ye Chen looked back to see what happened, Ye Chen found that Shen Niang's seal was starting to crack.

"crack ! ! ! ! " Ye Chen became very wary when he saw this, the seal that Chu Yuechan had just used shattered.

"This is really bad." Chu Yuechan started to worry, God's Fate punishment seal couldn't even stop Shen Niang.

"Master, Ning'er and I can't help you, you better solve this problem with your brain" Chu Yuechan said to Ye Chen.

Chu Yuechan and Chu Ning'er couldn't help Ye Chen anymore, they could only pray for Ye Chen to get out of the current situation.

"You guys, how can you say that" Ye Chen did not expect that now that he was alone, Chu Yuechan and Chu Ning'er would not be able to help him.

Chu Yuechan and Chu Ning'er did not answer Ye Chen, it seemed that they were no longer able to answer because they were too weak.

"cracked . . . , cracked . . . , cracked . . . , cracked . . . , cracked . . . ," The cracks are getting wider.

I have to do something to patch it up, Ye Chen used the power of the ground to patch the crack.

What Ye Chen did was pretty ridiculous, he was trying to patch up the crystal with rock that was strong enough.

Ye Chen could only buy time, then he collapsed the dimensions around this place.

Ye Chen thought of the worst possible thing, he thought of the worst that if Shen Niang were to leave this place, there might be a very big disaster.

That's why Ye Chen took the initiative to seal this place down to keep things under control.

After stalling for time, Ye Chen managed to destroy the dimensions that were around him, to be honest Ye Chen needed quite a lot of energy to do that.

"This is much more tiring than I imagined." Ye Chen felt very tired, he really felt very tired from what had just happened.

To be honest, what happened was quite exhausting and required Ye Chen to use a lot of strength.

"Clank. . ." the crystal to seal Shen Niang was completely shattered, Shen Niang was again free from the seal that was holding her.

"Where are your two servan ?" Shen Niang asked Ye Chen, he asked where are the two servan that Ye Chen has.

"They're not here" Ye Chen answered Shen Niang's question, Ye Chen informed that the two of them weren't here anymore.

"So they've run away, that's ridiculous, they can't protect you now, what are you going to do now" Shen Niang said to Ye Chen.

"What will I do?" Ye Chen said to Shen Niang, Ye Chen thought about what he would do.

How to beat Shen Niang with his current strength, Ye Chen has to use his brain.

"I will try to use it, I hope it will work" Ye Chen hoped the method he was going to use worked.

"I have no escape route, neither do you" Ye Chen said to Shen Niang.

Shen Niang now would not be able to escape anymore, he would no longer be able to escape from this place.

"So you destroyed my way out" Shen Niang did not expect that Ye Chen would destroy his exit.

"Of course, now you won't be able to get out of this place" Ye Chen said to Shen Niang.

Now that the two were trapped in this place, they would not be able to get out of this place.

"you . . ., you must be the one who has inherited the power of the Sage God, only he can do something like this." Shen Niang said to Ye Chen, only the Sage God could do this.

"Of course, I won't be able to hide this from you" Ye Chen said to Shen Niang.

Ye Chen wouldn't be able to hide what happened, he wouldn't be able to hide this matter from Shen Niang.

Shen Niang was one of the rulers of the God Realm, hiding things from her was a foolish and impossible thing to do.

"let's make a deal" Shen Niang wanted to make a deal with Ye Chen.

"What kind of deal?" Ye Chen asked Shen Niang.

Ye Chen asked about what kind of deal Shen Niang wanted.

"If you take me out, then I will let you go" Shen Niang said to Ye Chen.

Shen Niang told Ye Chen that he would let Ye Chen go on one condition.

"Too bad, but I don't believe in you" Ye Chen didn't believe in Shen Niang, to be honest, Ye Chen didn't believe in the current Shen Niang.

According to Ye Chen, this extremely beautiful goddess has a bit of a problem.

Ye Chen felt terrible killing intent and evil, to be honest this made Ye Chen feel a little uncomfortable when he was close to Shen Niang.

she was like an evil demon, Ye Chen felt that releasing her to the outside world would be quite risky.

"Too bad, since you don't want to, then I have no choice but to force you" Since Ye Chen refused, Shen Niang could only force Ye Chen to do what she wanted.

## Chapter 1792 Ye Chen used Passion Goddess technique on Shen Niang

Something must have happened that made a beautiful and merciful goddess so evil and full of terrible hatred.

Ye Chen remembered the painting he had seen while inside the ten floor pagoda, it was clear that the image Ye Chen had seen was very similar to the current Shen Niang.

In the painting Shen Niang is depicted as a terrible person, he does something he should not do.

"I have a question for you, why did you turn out like this?" Ye Chen asked Shen Niang, why did Shen Niang become like this.

Though she should have been a person with kindness and full of the radiance of life, but now she was like a Demon who was closer to death.

"Why am I explaining this to you, you won't understand how I feel" Shen Niang said to Ye Chen.

"I don't really know how you feel, but I know that you're not okay" Ye Chen said to Shen Niang.

Shen Niang wasn't doing well, this woman must have gone through something bad and changed her nature to be like this.

Shen Niang appeared in front of Ye Chen, he again strangled Ye Chen's neck and lifted Ye Chen into the sky.

"Do you really know anything about me?" Shen Niang said to Ye Chen.

Shen Niang looked annoyed to hear Ye Chen's words, she didn't like what Ye Chen said.

"I don't really know about you, but I know that you're not doing well" Ye Chen said to Shen Niang.

Ye Chen didn't know anything about Shen Niang, after all this was their first meeting, so it wasn't strange that Ye Chen didn't know anything.

"Forget it, I won't tell you" Shen Niang refused to tell Ye Chen, she didn't want to tell Ye Chen about himself.

"Let's finish this as soon as possible" Shen Niang would force Ye Chen to pave the way for her.

"That's right, let's get this over with as soon as possible" Ye Chen quite agreed with what Shen Niang said, they should end things quickly.

Ye Chen used Passion Goddess technique on Shen Niang, coincidentally at this distance, he could touch Shen Niang.

Ye Chen didn't hold back, he used all his abilities to make Shen Niang fall.

Shen Niang started to feel something was wrong, she felt something strange about her.

"this ?" Shen Niang finally realized what had happened, her strength suddenly weakened and became extremely weak.

"Looks like it worked." Ye Chen sensed that if Shen Niang was weak, she should be affected by the Passion Goddess technique.

"What have you done?" Shen Niang asked Ye Chen, Shen Niang asked what Ye Chen had done.

"nothing, I'm just using what I have," Ye Chen said to Shen Niang.

"What kind of abilities did you use?" Shen Niang asked Ye Chen again, Shen Niang was quite curious about the abilities used by Ye Chen.

"It's the Passion Goddess technique" Ye Chen said to Shen Niang, Ye Chen told about the ability he just used.

"Passion Goddess technique, that technique" Shen Niang naturally knew the technique Ye Chen had just used, it was a very dangerous technique.

"I didn't expect he to have such a thing." Shen Niang didn't expect Ye Chen to have such a dangerous technique.

The Passion Goddess technique is a dangerous technique, even Shen Niang cannot resist this technique.

It wasn't strange that in the past this technique was so hostile to it, it turned out to be the reason.

Ye Chen removed Shen Niang's hand, he removed Shen Niang's hand which was strangling his neck.

Now that Shen Niang had no more resistance, he was really weak and couldn't do anything.

"Let's see, what I will do to you" Ye Chen laughed in his heart, he can do whatever he wants.

When Ye Chen thought about this matter, Ye Chen felt very happy, Ye Chen was happy when he found out what he was going to do.

Shen Niang was too beautiful, she was an extremely beautiful woman and it was difficult to compare to others.

The most unfortunate thing is that he's become very evil, honestly this is a pretty heavy point to consider.

"It's okay, I might be able to train it," Ye Chen said in a tone that was quite confident.

"-\_- " Chu Yuechan and Chu Ning'er really couldn't understand what Ye Chen was thinking, how could Ye Chen dare to think such a thing of a powerful true god like Shen Niang.

If ordinary people dared to think about things like this, they would have been completely crushed by Shen Niang.

"I won't let you" Shen Niang won't let Ye Chen, she can still put up a fight against Shen Niang.

Ye Chen used his hand and caught Shen Niang's hand.

"Wow, your hands are so soft." Ye Chen had just realized that Shen Niang's hands were very soft, just touching them made Ye Chen happy.

Shen Niang was getting angrier, she was getting angrier towards Ye Chen, a very strong killing intent was emitted by Shen Niang.

Ye Chen was able to withstand Shen Niang's killing intent, to be honest this pressure was quite a burden on Ye Chen.

"Don't look at me with that look, let me calm you down a bit more" Ye Chen said to Shen Niang.

Ye Chen would make Shen Niang calmer, he should be able to calm Shen Niang even more and not be angry like this.

Ye Chen started to use his skills, time to weaken Shen Niang.

Ye Chen didn't know if his ability could make Shen Niang feel weak and helpless, he would start to give it a try.

Ye Chen used his massaging skill, Ye Chen touched some of Shen Niang's sensitive points.

"Erm" Shen Niang resisted Ye Chen's attack, he was not easily influenced by Ye Chen's technique.

"As I expected, she is very strong indeed." Ye Chen admitted that Shen Niang was strong, this woman could withstand his attacks.

To be honest it was quite difficult to defend against Ye Chen's attack, Ye Chen's attack had thrown Shen Niang's defenses into disarray.

"This brat is very dangerous" Shen Niang felt that Ye Chen was very dangerous, he caused Shen Niang to have a chaos of mind.

Shen Niang had to do something, she had to do something to Ye Chen, if she continued like this, then maybe she would lose at Ye Chen's hands.

Shen Niang rebelled, she tried to break away from Ye Chen.

Ye Chen held Shen Niang quite tightly, Ye Chen did not let Shen Niang escape so easily.

"Want to try to run, do it and keep trying, you won't be able to do it" Ye Chen would not let Shen Niang escape, he continued to circulate the Passion Goddess technique into Shen Niang's body and began to mess up Shen Niang's mind.

Shen Niang was in complete chaos, she was in complete turmoil and could not put up any resistance against Ye Chen.

"Ah. . ." After several minutes of struggling to resist Ye Chen's invasion, Shen Niang finally lost, Shen Niang just let out a very soft sweet moan.

"Her voice" Shen Niang's voice was very beautiful, it was completely different from before, a voice full of anger and hatred now turned into one of happiness.

"she really did." Chu Ning'er did not expect that Ye Chen would actually do it.

**Chapter 1793 Ye Chen tried to get goddess Shen Niang (1)**

Ye Chen was very brave, he made a goddess like Shen Niang be like this, to be honest what Ye Chen did could not be imagined by Chu Ning'er.

"That is indeed my master." Chu Yuechan acknowledged Ye Chen, what Ye Chen did was a great thing.

"I hope he will survive after doing this." Chu Ning'er prayed that Ye Chen would be safe.

Don't let Ye Chen crumble after doing something like this to Shen Niang.

Shen Niang will definitely be furious, Chu Ning'er can vouch for this.

"Let's see if he can solve this problem." Chu Yuechan wanted to see if Ye Chen could solve this problem.

Both of them saw what Ye Chen was doing, both of them looked closely at what Ye Chen was doing.

Ye Chen was starting to have a bit of trouble, he was having trouble with Shen Niang's voice, Shen Niang's voice was too tempting for Ye Chen.

"I have to endure, I can't lose" Ye Chen had to endure, he couldn't lose to Shen Niang.

Ye Chen tried to calm his heart, he did his best to stay calm in this kind of situation.

Even though Ye Chen tried his best to calm down, in fact he still couldn't do that, Ye Chen was still affected by Shen Niang's overpowering charm.

Shen Niang had a charm that was hard to resist, even though he looked like this, she could still make one feel excited.

"Looks like master is in trouble." Chu Yuechan saw that Ye Chen was in trouble, Shen Niang's charm was too strong.

"He definitely can." Chu Ning'er was sure that if Ye Chen could do it, Ye Chen would definitely be able to get through all of this.

Shen Niang was really starting to get cornered, he was starting to lose control, what Ye Chen was doing was too comfortable, there was no way Shen Niang would be able to survive this problem.

Shen Niang who had already reached the highest stage was unable to withstand Ye Chen's technique.

Shen Niang should have been able to let go of everything in this world, but somehow she was still influenced by Ye Chen's lust.

Ye Chen's ability made Shen Niang feel unbearable, this was too delicious for a goddess like Shen Niang.

Shen Niang herself had never felt anything like this, this was probably the first time she had felt something like this.

"My mind is going blank" Shen Niang started to feel unable to think, his mind was completely blank and it was hard to think.

Ye Chen kept trying to corner Shen Niang, he did his best to corner Shen Niang.

"heheh" Ye Chen was overjoyed, he was overjoyed when he saw that Shen Niang had started to fall into his palm.

"You won't be able to run anymore" Ye Chen said to Shen Niang, Ye Chen said that Shen Niang wouldn't be able to run anymore.

"Damn it, just watch over you, I definitely won't let you go" Shen Niang said that she wouldn't let Ye Chen go.

"Hahaha" Ye Chen laughed when he heard Shen Niang's words, Shen Niang can still be arrogant when the situation is like this.

"I think I should let you know your current position" Ye Chen said to Shen Niang.

"Are you capable of doing that?" Shen Niang said to Ye Chen.

Shen Niang tried to lure Ye Chen, if Ye Chen tried to destroy her clothes, then it is certain that the mechanism of Shen Niang's clothes would activate, Ye Chen would be instantly thrown away.

"Are you trying to challenge me?" Ye Chen tore Shen Niang's clothes, he used dimensional power to tear them.

Honestly it's quite difficult to tear Shen Niang's clothes, Shen Niang's clothes are like an armor which is very hard to break.

If it didn't have dimensional power, Ye Chen probably wouldn't be able to destroy it.

"Impossible" Shen Niang was very surprised by what Ye Chen did, what Ye Chen did made her very surprised.

"Let go of me" Shen Niang started to panic, she rebelled again and tried to free herself from Ye Chen.

"You are so cute, before you were so arrogant, now you look so scared, I will definitely make you regret it" Ye Chen said to Shen Niang.

Ye Chen was very happy when he saw Shen Niang's expression, Shen Niang's expression was very funny.

The gods of the past would definitely not believe it when they saw this, Shen Niang was actually made into this by Ye Chen, to be honest this was an absolutely impossible thing to do.

Ye Chen tore Shen Niang's clothes, he destroyed all the clothes with ease.

Now Shen Niang was completely naked in front of Ye Chen.

"Wow, this is so beautiful" Ye Chen was stunned and amazed by the scene in front of him, the scenery in front of him was very beautiful.

"This is too beautiful, how in the world can there be something like this" Ye Chen was speechless, Shen Niang's body was extremely beautiful, she possessed something extraordinary and perfect.

Shen Niang had it all, she had a slender body, huge double peaks, beautiful buttocks, flat stomach and extremely soft skin, all of these were perfection that even Ye Chen could not understand.

"Damn, how does she have such a perfect body" even Chu Yuechan and Chu Ning'er who had extraordinary beauty had to acknowledge Shen Niang.

"The first level of beauty in the past was indeed extraordinary, I didn't expect that she would become like that" Chu Yuechan had to admit it.

He had to admit that Shen Niang was a stunning beauty and was impossible to resist.

"Master is very lucky, if he can get it, then." Chu Yuechan thought a little about what would happen if Ye Chen could get the first goddess in God Realm.

Shen Niang started to feel that her body had become windy, all of her clothes had been destroyed by Ye Chen.

"He doesn't mess with what he does" Shen Niang didn't expect things to come this far, to be honest Shen Niang didn't expect all of this to happen.

Shen Niang might lose, there was currently nothing he could do, she could only endure the humiliation that was inflicted on her by Ye Chen.

Ye Chen extended his hand towards Shen Niang's body, he touched the double peaks and sensitive parts of Shen Niang's body.

"Ahhh. . ." Shen Niang's voice immediately came out, Ye Chen's touch this time was much more extraordinary than before.

"What's this?" Shen Niang didn't understand this feeling, she was very confused and couldn't think anymore of what was going on.

This feeling made her body feel strange and her mind wandering, this was not like her.

Shen Niang was a very formidable woman, she was able to withstand Ye Chen's super powerful techniques.

So far, no one had been able to endure this long against Ye Chen.

"Wow this is really really good, touching it directly feels much more pleasant" Ye Chen was happy, touching it directly was much more fun than anything, to be honest it was a really great feeling.

Ye Chen was addicted to this feeling, he wanted more and more, Ye Chen wanted to feel more from Shen Niang.

"This is really very serious" Shen Niang really couldn't fight back, she couldn't hold on anymore.

Shen Niang's consciousness was already at the threshold, Ye Chen's touch this time made her unable to hold on anymore.

Shen Niang started to enjoy this, there was no more resistance from Shen Niang.

**Chapter 1794 Ye Chen tried to get goddess Shen Niang (2)**

Shen Niang had given up, now Ye Chen can relax even more, he can relax even more in facing Shen Niang.

"Let's enjoy this" Ye Chen will enjoy this, he wants to enjoy everything.

Ye Chen tasted the beauty that was in front of him, Shen Niang's beauty deserved Ye Chen's appreciation.

Ye Chen touched and kneaded Shen Niang's double peak, he squeezed it quite firmly.

"Erm" Shen Niang couldn't stand it, she couldn't stand the feeling Ye Chen gave her.

Ye Chen's other hand started to fall down, it started to misbehave and entered into Shen Niang's secret garden.

It's the first time anyone has done this, to be honest no one has ever done it this far.

Ye Chen started teasing Shen Niang with his fingers.

"Do not . . ." Shen Niang said to Ye Chen, she couldn't stand Ye Chen's stimulation.

Ye Chen's fingers felt very comfortable, Shen Niang couldn't stand the feeling that Ye Chen gave.

"she's already excited." Ye Chen found that Shen Niang was already quite wet.

Shen Niang's breathing was already starting to become unstable, he was actually extremely excited and couldn't help but feel the feelings she received from Ye Chen.

Shen Niang became very obedient, she did not put up any resistance and could only endure.

"Why are you just keeping quiet, don't you want to fight?" Ye Chen said to Shen Niang.

Shen Niang didn't answer Ye Chen, to be honest Shen Niang couldn't answer Ye Chen's question.

"Hehehehe" Ye Chen chuckled, it seemed that Shen Niang couldn't answer his question.

Ye Chen brought his mouth closer to Shen Niang's double peak, he kissed and licked Shen Niang's very beautiful and perfect Cherry bud.

"This is very delicious." Ye Chen felt that this was very delicious, Ye Chen really liked to lick this thing.

"Kyahhh . . ." Shen Niang couldn't stand it, she couldn't stand Ye Chen's treatment.

Moans after moans kept coming out of Shen Niang's mouth, Shen Niang was rendered helpless by Ye Chen's aggressive attacks.

"Why have I become like this, why can't I fight back" Shen Niang tried to ponder, she tried to reflect on what happened.

Shen Niang should have put up a fight against Ye Chen, she should have fought Ye Chen because of what Ye Chen had done.

In fact Shen Niang didn't do that, she couldn't fight Ye Chen because she honestly liked the feeling Ye Chen gave.

This feeling was comfortable and made Shen Niang's heart a little calmer, she felt at peace when she felt this comfort.

Ye Chen wanted to see what kind of reaction Shen Niang would have, which was why Ye Chen decided to stop and tease Shen Niang.

Shen Niang who was feeling happy suddenly felt empty, she lost the feeling of comfort that Ye Chen gave her.

"Why did you stop?" Shen Niang asked Ye Chen, Shen Niang asked why did Ye Chen stop suddenly like this.

"Why, didn't you refuse before, but why are you now asking me?" Ye Chen said to Shen Niang.

Shen Niang's face immediately turned red when she listened to Ye Chen's words, Shen Niang felt that she had just been tricked by Ye Chen, this made her look obscene in front of Ye Chen.

Ye Chen smiled, it seems that this beautiful goddess has started to fall into the palm of his hand, with a little touch, Ye Chen will probably get it in its entirety.

Ye Chen will try to engrave his soul in Shen Niang's heart, that way Shen Niang will not fight back.

As it seemed, Slave seals and marks would not work on Shen Niang, this woman was too strong and impossible to do such a thing.

It was possible that Shen Niang would reverse the slave seal on Ye Chen, it was more dangerous than doing this.

Honestly, Ye Chen didn't want to take a risk, doing so was quite risky for Ye Chen.

"If you beg me, maybe I will continue" Ye Chen said to Shen Niang.

Ye Chen said to Shen Niang, Ye Chen promised to continue this matter if Shen Niang was willing to plead against him.

This time Ye Chen put a condition on Shen Niang, Ye Chen put a condition on Shen Niang before continuing the fun.

Shen Niang couldn't possibly do that, what would Ye Chen think if Shen Niang really did such a thing.

"But I am very uncomfortable" Shen Niang started to rub his feet, he really felt uncomfortable, this feeling was very, very unpleasant for Shen Niang.

Ye Chen waited patiently, he observed the change in attitude shown by Shen Niang.

"Looks like he's starting to get impatient" Ye Chen saw Shen Niang's movements, Ye Chen saw that Shen Niang was starting to get impatient with his own body.

The Passion Goddess technique was quite a powerful technique, even Shen Niang could not withstand this technique.

Shen Niang's breathing was really irregular, she had already become completely confused.

"that. . . ." Shen Niang opened her mouth, she opened her mouth in a gentle and loving tone of voice.

Shen Niang started to soften, she started to soften towards Ye Chen.

"What, say it more clearly" Ye Chen told Shen Niang to say it more clearly.

"Go ahead and make me comfortable" Shen Niang said to Ye Chen.

Shen Niang told Ye Chen to continue and make herself comfortable.

"Is that how you ask someone, if that's the case I won't do it" Ye Chen said to Shen Niang, Ye Chen didn't see Shen Niang's sincerity.

"Please help me, this is very uncomfortable" Shen Niang said to Ye Chen, Shen Niang asked and pleaded Ye Chen, she felt uncomfortable and really needed help from Ye Chen.

"That sounds very sincere." Ye Chen saw that Shen Niang was starting to be very sincere.

"Looks like she's starting to change" Ye Chen saw that Shen Niang had started to change, now Shen Niang is starting to become lenient towards Ye Chen.

Ye Chen might have succeeded, he had managed to make Shen Niang quite obedient towards him.

Honestly making Shen Niang obedient was quite a difficult thing to do, Ye Chen needed hard work to do it.

Ye Chen's hard work paid off great results.

He managed to make the previously angry Shen Niang become obedient like this.

this was a pride for a man, Ye Chen had made a first goddess like Shen Niang obedient to him.

Since Shen Niang had decided to obey, Ye Chen started to continue, he started to touch and enjoy Shen Niang's body again.

Shen Niang regained the feeling she had previously lost.

Shen Niang seemed to be completely addicted to this feeling, she could no longer return after feeling the feeling that Ye Chen gave him.

Shen Niang was starting to become a lewd woman, her moaning voice and expression too seductive to look at.

Ye Chen's younger brother who was below started to rise up, Ye Chen's younger brother was already excited enough to start the battle immediately.

Ye Chen started to take off his clothes, Ye Chen showed his body in front of Shen Niang.

Shen Niang looked at Ye Chen, she saw Ye Chen's muscular body and looked very good.

Shen Niang may have seen a handsome man like Ye Chen for the first time, Ye Chen was very handsome and made Shen Niang a little nervous.

### **Chapter 1795 Ye Chen wants to resuscitate Shen Niang from the darkness**

"are you ready?" Ye Chen asked Shen Niang.

"Ready for what?" Shen Niang asked Ye Chen.

"Surely ready to feel happiness" Ye Chen told Shen Niang that he would experience a happiness that she had never felt before.

"happiness?" Shen Niang didn't seem to believe what Ye Chen said.

For Shen Niang happiness was long gone from her life, happiness was long gone from her life, this is what made Shen Niang to be as cruel as she is today.

"What's with your reaction?" Ye Chen asked Shen Niang, he asked about Shen Niang's reaction.

"It's okay, just go on" Shen Niang told Ye Chen to continue, she told Ye Chen to continue what she wanted.

"Okay, then let's continue." Since Shen Niang said that, Ye Chen continued.

Ye Chen brought his face closer to Shen Niang, he tried to kiss Shen Niang.

"umm" Shen Niang was quite surprised by Ye Chen's kiss which was quite sudden, Ye Chen's kiss was quite sudden once.

"This feeling" Shen Niang felt a very comfortable feeling, she was really very comfortable with what Ye Chen was doing.

Ye Chen and Shen Niang continued to kiss, both of them started a very passionate mature kiss.

This was Shen Niang's first time having a mature kiss, of course Shen Niang was a little clumsy when she did this.

Luckily there was Ye Chen, Ye Chen guided Shen Niang using the skills he had.

"Why does this feel different?" Ye Chen found kissing Shen Niang a little strange.

As Ye Chen absorbed Shen Niang's Yin Qi, Ye Chen felt a slight pain.

"Her Yin Qi is contaminated by darkness?" Ye Chen just realized that Shen Niang's Yin Qi was contaminated by darkness, this made Ye Chen feel sick when he absorbed it.

"Looks like his Yin Qi didn't hurt you, her Yin Qi was tainted by darkness, what is it that made her like that?" Chu Yuechan said to Ye Chen.

"I don't know, is there no way?" Ye Chen asked Chu Yuechan.

Ye Chen tried to find a solution for this problem, he couldn't find a solution for this problem.

"Honestly, I don't have a solution to this problem, cases like this are extremely rare." Chu Yuechan had no way of resolving this.

"It seems like, the only thing I can do is refine it" Ye Chen said to Chu Yuechan.

In this case, the only thing Ye Chen could do was purify Shen Niang.

"Fufufu, are you sure you can do that, the darkness in her body is too heavy, maybe only she alone can dispel the darkness in her body" Chu Yuechan said to Ye Chen, the only way now is to make Shen Niang dispel the darkness in her body.

"You know that it is quite difficult to persuade this woman." Ye Chen said to Chu Yuechan, it was obvious that it was very difficult for Ye Chen to persuade Shen Niang.

"You have to believe in yourself, she will definitely obey, if it's you I really believe" Chu Yuechan said to Ye Chen.

"Let's try" Ye Chen would give it a try, he would try to do as Chu Yuechan said.

"Why did you stop again?" Shen Niang asked Ye Chen, Shen Niang asked Ye Chen, she asked why Ye Chen stopped again.

"Goddess Shen Niang, to be honest I might not be able to continue, the power of darkness will hurt me" Ye Chen said to Shen Niang.

"Have you not inherited the power of darkness from the Sage God yet?" Shen Niang was probably one of the people who knew about the strength of the eighth Sage God.

"I really haven't got it yet" Ye Chen told Shen Niang that he still didn't get it.

"I see, it seems that it is hidden in a place that is very difficult to find." Shen Niang understood, he understood that Ye Chen had not yet obtained the full power of the Sage God.

"So what are you going to do now, are you going to give up?" Shen Niang asked Ye Chen.

"I won't give up so easily" Ye Chen said that he wouldn't give up so easily, how could Ye Chen just give up.

Then what can you do in your current condition?" Shen Niang asked Ye Chen.

"You can't rid yourself of darkness, shouldn't you have the power of light?" Ye Chen asked Shen Niang.

"I won't, before I can kill Mo Xin" Shen Niang refused, she would not waste his strength before defeating Mo Xin and her minions.

"God of Heaven Mo Xin, he shouldn't be around anymore" Ye Chen said to Shen Niang.

"What do you mean?" Shen Niang asked Ye Chen, she asked what Ye Chen meant.

"Goddess, to be honest this is no longer the era of true gods, now it is just the era of ordinary gods, now there is no such thing as true gods, that is over and now we are entering a new era where all cultivators are not as strong as they used to be.

Shen Niang changed her expression, Shen Niang finally showed her surprise.

"How long have I been sealed in this place?" Shen Niang started to hold her head, she didn't know how long she had been sealed in this place, unexpectedly that she had been in this place for such a long time.

"You're not going to lie, are you?" Shen Niang said to Ye Chen.

"Why would I lie, there's no point in lying" Ye Chen said to Shen Niang, there was no point in Ye Chen lying.

" Oh, I see. . . , everything is death . . . , Fufufufu" Shen Niang started to laugh, she seemed very happy when she heard this.

Ye Chen became confused, he was quite confused as to what was going on.

Shen Niang changed her expression very quickly when she learned of this.

"Too bad, I can't use my hands to kill him, if only I had the chance" Shen Niang gave off a strong killing intent.

Ye Chen who was at the side couldn't stand Shen Niang, his killing aura was extremely terrifying.

"Goddess please stop, can you stop and go back to the way it was?" Ye Chen said to Shen Niang.

Ye Chen persuaded Shen Niang, if it continues like this, then Ye Chen will not get Shen Niang.

"Why should I listen to you" Shen Niang said to Ye Chen, Shen Niang asked why she should listen to Ye Chen's words.

"That's because you should have a clean heart, lest you become like this, it doesn't look like you in the legends" Ye Chen said to Shen Niang.

In legend Shen Niang is always depicted with a kind and loving woman, why did she turn out to be like this, this is an oddity.

Shen Niang looked at Ye Chen, she looked at Ye Chen with a strange look.

"Why do you really want me to come back, even though I prefer the current me" Shen Niang prefers her current self.

"Do you like things like that, look at you, you don't look good, your heart must be very uncomfortable" Ye Chen said to Shen Niang.

Ye Chen told the truth, he told Shen Niang that she must be uncomfortable with herself.

Shen Niang immediately held her heart, what Ye Chen said might be the truth, she felt that her current self was different, she felt alone and lonely, now maybe others will stay away when facing Shen Niang.

The killing intent around Shen Niang would make anyone feel fearful.

## **Chapter 1796 Shen Niang's past**

"You must feel it too" Ye Chen said to Shen Niang, Ye Chen was sure that Shen Niang felt it too.

"Yes I do feel it" Shen Niang felt it, she felt what Ye Chen just said

"Then can you come back?" Ye Chen asked Shen Niang, Ye Chen tried to persuade and seduce Shen Niang, Ye Chen wanted Shen Niang to return to the right path.

"Why do you really want me back?" Shen Niang asked Ye Chen.

Shen Niang asked Ye Chen, she asked why Ye Chen wanted herself to return to the way she was before.

"It's because I expect more from you, I hope you can be better and return to the way you were before, it will definitely be amazing to see a Goddess like you return to the way you used to be" Ye Chen said to Shen Niang.

Ye Chen was very good at stringing words, he used good words to seduce and persuade Shen Niang.

Ye Chen's words started to affect Shen Niang, Shen Niang started to be affected by Ye Chen's words.

Shen Niang's heart started to move, her locked heart started to move again, life started to grow in Shen Niang's heart.

"Please" Ye Chen said to Shen Niang, Ye Chen begged Shen Niang, he begged Shen Niang to come back and be her true self.

"I . . ." Shen Niang hesitated to answer Ye Chen, she hesitated to do what Ye Chen said.

"Then tell me, why did you become like this, maybe I can find out about what happened" Seeing Shen Niang still refusing, Ye Chen decided to find out what happened.

"Would you like to hear my story?" Shen Niang said to Ye Chen.

"Of course I want to." Ye Chen certainly wanted to, he wanted to hear the story from Shen Niang.

Ye Chen was quite curious about Shen Niang's change, he wanted to know what caused Shen Niang's change to be like this.

a goddess like Shen Niang turned into this, there must be something going on.

"I'll tell you a little story from the past." Shen Niang decided to tell Ye Chen what happened.

Apart from Ye Chen, Chu Yuechan and Chu Ning'er are also curious about this matter, both of them are eager to know what happened.

This story begins before the era of the battle between Gods and Demons, at that time the world of the God Realm was enormous and inhabited by Gods and Demons.

Gods and Demons both have their own territory, they have their own territory and do not interfere in the affairs of other territories.

That was where Shen Niang had a brother from the Demon race who was one of the supreme Demon God leaders.

In history not many people knew that Shen Niang had a brother from the Demon race, this was never mentioned or explained.

They weren't siblings, rather they were adopted siblings, so it wasn't surprising that few people knew about them.

"Wait a minute, then why did you turn out like this, was this your brother's doing?" Ye Chen asked Shen Niang.

"Listen to my story further before you ask." Shen Niang told Ye Chen to listen to it first.

"Okay I will listen, please continue" Ye Chen understood, he would listen to what Shen Niang had to say.

"My relationship with brother is very good, we are very close to each other" Shen Niang said to Ye Chen, Shen Niang told Ye Chen that their relationship was very good.

Shen Niang's adopted brother's name was Di Tenzha, as said before, he was one of the Demon God with great power.

One day Shen Niang met Di Tenzha, at that time they had a private meeting and looked very intimate.

As the meeting took place, Mo Xin's heavenly god unknowingly knew about this, Mo Xin was one of Shen Niang's pursuers.

In the past Shen Niang had so many pursuers and fans, almost all the gods in the God Realm tried to get Shen Niang.

Although it seemed like it would be very difficult to do considering Shen Niang was not an easy woman to get hold of.

Mo Xin saw Shen Niang and Di Tenzha meeting, it was at that meeting that Mo Xin was not happy to see Shen Niang close to a Demon.

Shen Niang is a holy goddess, there is no way a Heaven god like Mo Xin would let Shen Niang be with a Demon, it would ruin her name.

Because of that Mo Xin decided to get rid of Di Tenzha, he used a method to destroy Di Tenzha.

In the past Mo Xin was the god with the most influence in the God Realm, his influence rivaled all the gods in this God Realm, no one could compete with him in terms of power.

With such immense power, it was not surprising that Mo Xin could easily move people to get rid of Di Tenzha.

Mo Xin moved his own people and got rid of Di Tenzha very easily.

In the past Mo Xin had subordinates called Nine God Warriors, it was the strongest army in the God Realm, whose members were the strongest Gods in existence, the strength of the Nine Gods was said to be comparable to Mo Xin's even more powerful.

By sending the Nine God Warriors and several powerful Gods, Mo Xin managed to get rid of Di Tenzha who was alone and without a bodyguard.

Shen Niang at that time knew about the matter, she immediately went and helped Di Tenzha.

By the time Shen Niang arrived, she was already late, Di Tenzha had been defeated by Mo Xin and killed.

This made Shen Niang very upset, she was very upset to see her adoptive brother killed by Mo Xin.

Di Tenzha tried to fight Mo Xin, but with her current strength, she was no match for Mo Xin's power.

The one with Shen Niang was instead easily caught by Mo Xin.

Mo Xin catches Shen Niang under the pretext that Shen Niang has been brainwashed by Di Tenzha, when his real intention is to get Shen Niang.

Mo Xin was quite skilled at taking advantage of circumstances, he knew that this was the perfect opportunity to get Shen Niang.

"Back then I was caught knowing what was going to happen, surely that man would have done something bad, that's why I learned a Demon God Fury technique given by Di Tenzha and ended up like this" Shen Niang told her short story.

she told Ye Chen about the reason why she was like this now.

In the past Shen Niang was forced to learn the Demon God Fury and became like that, this technique made Shen Niang lose control and often get angry and kill for no reason.

"So that's the story." Ye Chen now understood this, he now understood what had happened.

It turned out that this was the reason why Shen Niang turned out to be like this, it turned out that Shen Niang was forced to do this.

"That person is really bad" Ye Chen understood that in this world sometimes even good people can become evil and cunning, it seems that the God Realm has quite a chaotic history.

"Then how did you get to this place?" Ye Chen asked Shen Niang, he asked why Shen Niang was here.

"Who else in this world is capable of sealing this woman, it is Sage God, he brought me to this place and sealed me" Shen Niang said in a dissatisfied tone.

Shen Niang looked at Ye Chen who had the Sage God inheritance on his body.

Ye Chen felt uncomfortable when he heard this, perhaps this was the reason Shen Niang was not happy with Ye Chen.

## Chapter 1797 Little Shen Niang

"So, that's the reason you attacked me?" Ye Chen now understood why Shen Niang attacked him, maybe Shen Niang thought of Ye Chen as a Sage God.

"Yes, maybe you can think of it that way, plus you are still quite foreign to me" Shen Niang said to Ye Chen.

Shen Niang was still quite unfamiliar with Ye Chen, she had still met Ye Chen for the first time and didn't know what Ye Chen was like.

"Maybe soon we will become friends" Ye Chen said to Shen Niang, they would soon become quite familiar.

"You are very different from the people I met, you are a little strange." Shen Niang felt that Ye Chen was a little strange, this man somehow felt a little strange.

"strange?, strange why?" Ye Chen asked Shen Niang, he asked why he was called strange.

"It's strange that you are not afraid of me, you should be afraid, the power of the Demon God Furry should be enough to make someone with low cultivation like yourself feel afraid" Shen Niang said.

Shen Niang felt that Ye Chen had no fear, he was not afraid and tried to blend in with Shen Niang who had the Demon God Furry.

"Hahaha" Ye Chen smiled when he heard this, to be honest what Shen Niang did was very funny.

"That's very funny." Ye Chen said that it was very funny, what Shen Niang said was very funny.

"Why are you even laughing?" Shen Niang asked Ye Chen, why did Ye Chen even laugh at such a condition.

"After all, it's really funny, why should I be afraid, you don't look too evil" Ye Chen said to Shen Niang.

The current Shen Niang was helpless, right now she was nothing more than a normal helpless woman.

"You are really different" Shen Niang had to admit that Ye Chen was indeed different.

"Okay, the previous question, can you go back like before?" Ye Chen asked Shen Niang, Ye Chen asked if Shen Niang was able to return to her former.

"Maybe it will be a little difficult and time consuming" Shen Niang said that it would be a bit difficult and time consuming.

"It's okay, as long as it can happen, then please do it" Ye Chen said to Shen Niang, Ye Chen kept trying to make Shen Niang back to how he was before.

Shen Niang looked at Ye Chen, she saw a sincerity from Ye Chen, this man really wanted herself to return to the way she was before.

"Okay, since you insist" since Ye Chen begged like that, Shen Niang would probably do it.

Now that Mo Xin is no more in this world, so why is Shen Niang still like this, her purpose has also been lost, it's best if he returns to the way she was before.

"That's great." Ye Chen was happy when he heard this, Ye Chen finally persuaded Shen Niang.

It was also quite difficult to persuade Shen Niang, Ye Chen needed quite a lot of time to persuade Shen Niang.

"I may have to do something about this matter, maybe I won't be able to go out for a while" Shen Niang might need some time to purify herself from the power of darkness.

"You mean?" Ye Chen asked Shen Niang, Ye Chen asked the meaning of Shen Niang's words.

"I will be in the subconscious for a while, I have to clean myself from the inside, for that maybe I will use the personality I created to replace me" Shen Niang said to Ye Chen.

"Oh, you mean you can create your own consciousness other than your current self" Ye Chen said to Shen Niang.

"Yes, that's right, I will be using a different personality as a substitute for the time being, the personality I created may be slightly different from the current me" Shen Niang said to Ye Chen.

"Okay I understand" Ye Chen thinks, he understands the direction of the conversation that is being carried out by Shen Niang.

Shen Niang will create another A consciousness of herself, that means Shen Niang will create this artificial personality to control himself.

"Before that, I have to warn you a bit, the realization I'm about to make may not be too mature, so I hope you can be a little patient" Shen Niang said to Ye Chen.

Shen Niang told Ye Chen to be more patient in dealing with the realization made by Shen Niang.

"I will" Ye Chen will do it, he will be patient in facing the realization that Shen Niang will make.

"That's good" Shen Niang was happy that Ye Chen agreed with what he said, that way Shen Niang could be calmer.

"Yuechan, is it possible for her to do that?" Ye Chen asked Chu Yuechan.

Ye Chen asked if Shen Niang was able to create another personality.

Was it so easy to do that Shen Niang could do such a thing.

"It seems that it's not that difficult, you should know that he has abnormal strength and surpasses the limits you think, she can do whatever he wants very easily.

Chu Yuechan believed that Shen Niang was capable of such a thing, he was capable of such a thing very easily.

"I want to see what it looks like" Ye Chen honestly wanted to see it, he wanted to see what kind of strength Shen Niang had.

Shen Niang started to close her eyes, her body was enveloped by a slightly terrifying darkness.

Ye Chen retreated backwards, Shen Niang's strength made Ye Chen retreat by himself.

This darkness power entered Shen Niang's body, Shen Niang seemed to be gathering this darkness into her body.

Shen Niang started to make a Seal with her hands, this seal looked quite foreign to Ye Chen.

After making the seal, Shen Niang's body was enveloped by light, her body was now covered by a dazzling light.

Ye Chen closed his eyes, he couldn't see this light with the naked eye, to be honest it was quite difficult to see this light with the naked eye.

This light enveloped Shen Niang's body, Ye Chen didn't know what was happening now, he couldn't see what happened to Shen Niang.

After approximately 20 minutes, the light began to gradually dissipate.

Shen Niang's body began to undergo slight changes, Shen Niang's Silver hair had now returned to a black color and her eyes were golden.

Shen Niang's appearance now was much more beautiful and pure than before.

"What happened, is this what he said before?" Ye Chen looked at Shen Niang, Shen Niang's change was quite shocking.

Shen Niang opened her eyes, she started to look at Ye Chen with a strange look.

"that. . ., big brother who are you?" Shen Niang asked Ye Chen.

Shen Niang's tone was very cute and pleasant to listen to, it was more like a child's voice.

"Damn, she's too cute" Ye Chen saw that Shen Niang was too cute, Shen Niang was too cute when she was in this condition.

"My name is Ye Chen" Ye Chen told Shen Niang who he was.

"So big brother's name is Ye Chen" Shen Niang smiled at Ye Chen, she smiled gently at Ye Chen.

"From now on you will come with me, you will be with me" Ye Chen said to Shen Niang, he told Shen Niang that he would live with Ye Chen.

"Okay, I understand" Little Shen Niang understood, she was going to live together with Ye Chen.

Little Shen Niang was so innocent, Ye Chen did not expect that Goddess Shen Niang would create this kind of personality for Ye Chen.

"That's great" Ye Chen gave Goddess Shen Niang a compliment, she had made something truly amazing.

**Chapter 1798 find a Space Ring**

"You seem very happy." Chu Yuechan said to Ye Chen.

"Of course, look at little Shen Niang, isn't she cute and very beautiful?" Ye Chen said to Chu Yuechan.

Seeing Shen Niang with such a super innocent female personality was something that made anyone feel extremely happy.

"But isn't this too risky, in that case he will be easily taken advantage of by others." Chu Yuechan felt that what Shen Niang was doing was too risky, this could make other people take advantage of little Shen Niang.

Shen Niang's strength was so immense, she could destroy the balance within the God Realm.

"That's right, I have to take good care of her, otherwise her strength will be misused by others" Ye Chen must be able to take good care of Shen Niang, otherwise Shen Niang's small strength will be used by others.

"That, little Shen Niang, do you have the strength?" Ye Chen asked little Shen Niang.

"Strength?, I don't think I have any strength." Little Shen Niang said that she didn't have any strength.

"Is that true, then let's test it." Ye wanted to test little Shen Niang's strength, he tried to use a tool to measure little Shen Niang's strength.

"Okay, let's hit this thing." Ye Chen told little Shen Niang to hit the object in front of him.

"Okay" Little Shen Niang was very obedient to Ye Chen's words, she did whatever Ye Chen told her to do.

Little Shen Niang hit the tool Ye Chen gave her, when little Shen Niang did that, there was no reaction.

"Eh, her strength is gone." Ye Chen saw that little Shen Niang's strength was very weak.

"Her body is still filled with energy that protects her surroundings, but it doesn't react when she hits the power gauge, it seems that Shen Niang has already arranged this" Chu Yuechan said that everything might have been arranged by Shen Niang.

"That means she's harmless." Ye Chen understood what was happening, it seemed that Shen Niang had managed to keep her power from being used by the personality she just created.

"perhaps her power will activate if she is threatened" Chu Yuechan estimated that little Shen Niang's strength would activate when she was threatened.

"It's like a mechanism that activates when triggered." What Shen Niang did was excellent, she made a defense mechanism and thought that far.

"That means she won't be easy to use by others" Since Shen Niang had made a mechanism on herself with a special seal, then using little Shen Niang would be a difficult thing to do.

"Not really, there may still be many people who can use it, we have to be careful, we don't know if there is anyone who can create and trigger Shen Niang's power at will." In the God Realm there are countless people with strange skills, it's possible they could trigger Shen Niang's power and turn it into a tool.

Ye Chen had already promised to protect Shen Niang's body, so Ye Chen's job was to keep protecting her until the real Shen Niang came out and returned as before.

"How long do you think he'll be like this for?" Ye Chen asked Chu Yuechan, when will the real Shen Niang come out again as before.

"I don't know, but she is a cultivator in the realm of the true god, time for her is a short thing, even thousands of years is like a few days for her."

"-\_-!" Ye Chen did not expect that Chu Yuechan would say such a thing, it seems that it would not be as fast as Ye Chen imagined.

"Everything is already done, you should just go ahead with everything" Everything had already happened, so why was Ye Chen complaining about this matter.

Ye Chen touched little Shen Niang, Ye Chen wanted to see little Shen Niang's Yin Qi.

When Ye Chen absorbed little Shen Niang's Yin Qi, Ye Chen still felt pain and mismatch, which meant that Ye Chen would not be able to absorb Shen Niang's Yin Qi.

"Fufufu, you still can't touch it, that's absolutely impossible" Chu Yuechan said to Ye Chen.

Ye Chen wouldn't be able to touch little Shen Niang, even though the darkness aura on her body was sealed, in fact it was still in her body and Ye Chen couldn't do anything until Shen Niang got rid of it all.

"Don't laugh like that" Ye Chen said to Chu Yuechan in a dissatisfied tone, in a situation like this Chu Yuechan still had time to laugh at Ye Chen.

Ye Chen took his clothes, he put his clothes back on.

Little Shen Niang looked at Ye Chen, she kept an eye on what Ye Chen was doing.

Ye Chen took new clothes for little Shen Niang, he gave little Shen Niang the newest clothes.

Little Shen Niang was too tempting to wear nothing, it made Ye Chen feel excited when he saw her.

Little Shen Niang wore the clothes given by Ye Chen, fortunately little Shen Niang was able to wear them herself without needing any help from Ye Chen.

"It's done, you look very beautiful." Ye Chen praised little Shen Niang, he praised little Shen Niang who looked very beautiful.

"Big brother Ye Chen, thank you for the new clothes." Little Shen Niang was delighted with Ye Chen's compliment and new clothes.

"Let's leave this place, we will have dinner" Ye Chen invited little Shen Niang to leave this place.

"Dinner?" Little Shen Niang looked confused, it seemed that there were still some things she didn't know.

"Yuechan, are Shui Yixian and Shen Faye awake?" Ye Chen asked Chu Yuechan.

"I will wake them both up immediately." Chu Yuechan said that he would wake them both up immediately.

"Please wake them up" Ye Chen asked Chu Yuechan to wake up Shui Yixian and Shen Faye.

While waiting for Shui Yixian and Shen Faye to wake up, Ye Chen wanted to see if there were any treasures around this place.

There should be some treasure stored in this place.

Ye Chen was looking for treasures, he was looking for the whereabouts of the treasures around this place.

By relying on his abilities, Ye Chen found a ring.

"Is there anything in it?" Ye Chen wanted to know what was inside this ring.

There should be something good in this ring, otherwise Ye Chen's trip this time only got a beautiful goddess beside him.

Ye Chen tried to open the Space Ring Seal, that way Ye Chen could see what was inside.

Little Shen Niang clung tightly to Ye Chen's side, she saw what Ye Chen was doing, she observed what Ye Chen was doing very seriously.

Shui Yixian and Shen Faye were woken up by Chu Yuechan, both were ordered by Chu Yuechan to leave the fairy gate to meet Ye Chen.

Shui Yixian and Shen Faye came out from within the fairy gate, they both appeared in front of Ye Chen.

When Shui Yixian and Shen Faye appeared, they saw little Shen Niang clinging tightly to Ye Chen.

"Ye Chen, what does this mean?" Shui Yixian directly asked Ye Chen, she asked what all this meant.

"Okay, I'll explain later" Ye Chen will explain what happened.

"Very good" Shui Yixian and Shen Faye were looking forward to Ye Chen's explanation, both of them wanted a good explanation from Ye Chen.

Ye Chen kept the ring he found, he would try to open it once he got to a safe place.

### **Chapter 1799 As expected of my naughty student, wherever he goes, he will surely stumble with beauty**

Ye Chen along with Shen Niang, Shui Yixian and Shen Faye left the Snow Polar Star, they headed back to Heaven Light Palace.

On the way Ye Chen started to tell what happened when Shui Yixian and Shen Faye were unconscious.

"So that's what happened" Shui Yixian and Shen Faye finally knew what had happened, so as long as they were unconscious, Ye Chen met against Shen Niang and made Shen Niang understand about him.

"But you're also pretty good for making my master aware." Shen Faye praised Ye Chen for his abilities, Ye Chen had managed to calm down an angry Shen Niang and had a good discussion.

"Of course, it is me" Ye Chen said very proudly.

"It's not strange that Yanyan said that you are the natural enemy of women now I understand what Yanyan means" Shen Niang said.

"Hehehe" Ye Chen laughed as he listened to Shen Niang's sarcasm.

"But why did master create a personality like that in her stead, she should have made an even more mature personality".

"What are you saying" Ye Chen hit Shen Faye.

"What are you doing?" Shen Faye asked Ye Chen, he asked about what Ye Chen did.

"Sometimes think a little, if he is not easy to manage, then what can we do" Ye Chen said to Shen Faye.

Ye Chen didn't know where Shen Faye's brain was, what was certain was that what Shen Faye said was unreasonable.

Shen Niang must have her own reasons for creating a substitute personality.

Shen Niang did this so that her strength would not be misused.

"You are always like that, do you want to find trouble with me?" Shen Faye said to Ye Chen.

"Sure, go ahead, I will face you" Ye Chen said to Shan Faye.

Ye Chen accepted Shen Faye's invitation to fight, Ye Chen had a fight with Shen Faye.

Shui Yixian saw what Ye Chen and Shen Faye were doing, the two of them were really like children fighting over a small matter.

Little Shen Niang was sleeping on the sofa, she seemed very peaceful and didn't care about what was going on around them.

Ye Chen and Shen Faye continued to argue, both debated what they believed in, Ye Chen and Shen Faye were both unwilling to attack and continued to attack each other.

After some time, Ye Chen and the beauties finally arrived at Heaven Light Palace.

Ye Chen woke little Shen Niang, he took little Shen Niang along with him.

It just so happened that Zhao Yanyan and Lin Rouxi had finished preparing the food, Fu Lanling also helped tidy the dining table.

"I'm back" Ye Chen said to Zhao Yanyan, Lin Rouxi and Fu Lanling.

"Welcome back" Zhao Yanyan, Lin Rouxi and Fu Lanling welcomed Ye Chen's arrival.

"Husband, woman beside you" Zhao Yanyan, Lin Rouxi and Fu Lanling asked Ye Chen.

"Oh this, she is Shen Niang" Ye Chen told Zhao Yanyan who the woman beside him was.

"she is similar to the figure on the statue, is she the goddess of Life and mercy" Among Zhao Yanyan, Lin Rouxi and Fu Lanling, Zhao Yanyan was the one who had seen the statue of Shen Niang.

At that time Shui Yixian took Zhao Yanyan to her private place, so Zhao Yanyan naturally knew about the woman beside Ye Chen.

"Yes, you are right." Ye Chen nodded, the woman beside him had indeed become Shen Niang's god of life and mercy.

"But how can that be?" Zhao Yanyan, Lin Rouxi and Fu Lanling asked in unison, how could Ye Chen bring someone who lived in the past, or could Ye Chen bring the dead back to this world?.

"we met her by chance" Shui Yixian helped explain, she helped Ye Chen explain the current situation.

"As expected of my naughty student, wherever he goes, he will surely stumble with beauty" said Lin Rouxi in a disgruntled tone.

"That's how great a little husband is." Fu Lanling agreed with what Lin Rouxi said, what Lin Rouxi said was an absolute truth.

"Husband, you brought something really amazing" Zhao Yanyan said to Ye Chen, Zhao Yanyan admitted that Ye Chen was great, Ye Chen just brought the first goddess in the history of God Realm.

"hehehe, my wife, you guys can say something like that." Ye Chen only chuckled when he heard the compliments and sarcasm from Zhao Yanyan, Lin Rouxi and Fu Lanling.

"Wow it looks beautiful" Little Shen Niang looked at the food that Zhao Yanyan and Lin Rouxi made, the food they both made looked delicious and beautiful to look at.

"Do you want?" Zhao Yanyan asked little Shen Niang, she asked if little Shen Niang would like to eat the food she made.

"big brother Ye Chen, may I?" Before answering Zhao Yanyan, little Shen Niang asked Ye Chen.

"Of course, you can eat what you like" Ye Chen allowed little Shen Niang to do as she pleased.

"Thank you very much" After getting Ye Chen's answer, little Shen Niang decided to eat everything that caught her attention.

"Wow, she really listens to you." Zhao Yanyan was quite surprised when she saw that little Shen Niang was obedient to Ye Chen.

"It's nothing" Ye Chen said to Zhao Yanyan, Ye Chen said that it was nothing.

"Let's eat" Ye Chen took Zhao Yanyan, Lin Rouxi Fu Lanling and Shui Yixian to eat, Shen Faye left, she looked like she didn't need any food, so she returned to her place.

The dining atmosphere was quite good, Ye Chen, little Shen Niang, Zhao Yanyan, Lin Rouxi, Fu Lanling and Shui Yixian enjoyed this meal.

Little Shen Niang tried all the dishes made by Zhao Yanyan and Lin Rouxi, she seemed to like the dishes made by Zhao Yanyan and Lin Rouxi.

"Big sister, you guys made this very well," said little Shen Niang to Zhao Yanyan and Lin Rouxi.

"Thank you, don't hesitate to eat it" Zhao Yanyan told little Shen Niang not to hesitate to eat her cooking, Zhao Yanyan just happened to make enough for everyone.

"Okay" Little Shen Niang nodded, she wouldn't hold back.

Ye Chen ate quite a lot of food, to be honest he was a little tired after what happened earlier, and the fastest way to recover strength was to eat trouble from his beloved wife.

After approximately 30 minutes, everyone finished, Zhao Yanyan and Lin Rouxi cleared the table, while Shui Yixian had already left, this woman went somewhere.

"Okay I will return to the Sect" Ye Chen said to Zhao Yanyan and Lin Rouxi, that he will return to the Sect.

It just so happened that he was going to take Fu Lanling with him to the Jade Lotus Peak to meet Ning Xia.

"Careful, if you need us, we will be here" Zhao Yanyan said to Ye Chen, they will stay in Heaven Light Palace.

Zhao Yanyan and Lin Rouxi still had to take care of Ling Yin and the sisters who hadn't come out yet, so they probably wouldn't be able to go together with Ye Chen.

"I understand, I will wait for all of you patiently" Ye Chen understood, he would wait for everyone patiently.

Ye Chen will make sure to provide resources for all the women, he will come back and tell Yan Fei about this matter.

Ye Chen went with little Shen Niang and Fu Lanling, little Shen Niang decided to go along with Ye Chen, she wanted to go along with Ye Chen and didn't want to stay with the others people.

### **Chapter 1800 Took Xia Qingyu and Qi Yunzhi's underwear**

Ye Chen brought the two to earth, they had to go meet Xia Qingyu and Qi Yunzhi.

Ye Chen went to the Xia residence, when Ye Chen arrived at the Xia residence, Ye Chen did not find the whereabouts of Xia Qingyu and Qi Yunzhi.

Grandpa Xia told Ye Chen that they were taking a walk.

"Ling'er please take care of little Shen Niang for a while, I will go look for the two of them" Ye Chen said to Fu Lanling.

"I'll do it" Fu Lanling agreed, herself agreeing to do as Ye Chen asked.

"Little Shen Niang, you are with her for a while, I will go for a while," Ye Chen said to Shen Niang.

"Um I understand." Shen Niang nodded.

"Okay, I will go" Ye Chen was happy that little Shen Niang listened to him well.

Ye Chen left, he went to find where Xia Qingyu and Qi Yunzhi were in the city.

Ye Chen easily discovered the whereabouts of Xia Qingyu as well as Qi Yunzhi.

They were in town and were shopping.

"The two of them are actually shopping." Ye Chen saw that the two were shopping.

Several people followed Xia Qingyu as well as Qi Yunzhi, they all seemed to have bad intentions towards Xia Qingyu and Qi Yunzhi.

"Yunzhi really draws a lot of bad people close, the enchantment is still very strong even though it was successfully controlled" Ye Chen shook his head, he saw that Qi Yunzhi's enchantment was still very strong and able to attract other people who saw it.

"Why do you guys keep following us?" Xia Qingyu looked displeased when she saw that someone was following them.

"who follows you, we don't follow you" these people tried to lie to Xia Qingyu, they lied to Xia Qingyu.

Xia Qingyu wasn't that stupid, naturally she wouldn't believe the words these people said so easily .

"Then why do you all keep walking near us?" Xia Qingyu said in a cold tone.

Xia Qingyu chased everyone away, she didn't want to get involved with the delinquents.

"We're not leaving" the delinquents refused to leave, they all didn't want to leave Xia Qingyu and Qi Yunzhi.

"You should go, don't upset us." Qi Yunzhi said to the delinquents, she ordered them to leave this place immediately.

The people on earth were too bold, they continuously tried to tease Qi Yunzhi and started to irritate Qi Yunzhi.

In the God Realm, it is rare to find this, there are quite a few people who seduce women, most of them will focus more on the cultivation they have.

"Beautiful sister, you better come with us, we will make you happy" said the delinquent to Qi Yunzhi.

"I told you to leave immediately" Qi Yunzhi said to the people in front of her.

Qi Yunzhi started to show a displeased face, he felt displeased with people who didn't understand the words he said.

"Perhaps I should teach them a little lesson" Xia Qingyu decided to teach these people a lesson.

"Sister Qingyu, what are you going to do?" Qi Yunzhi looked at Xia Qingyu, she wanted to know what Xia Qingyu would do .

Xia Qingyu waved her hand, a mist of wind enveloped the body of the delinquent who continued to follow Xia Qingyu.

the delinquents felt a piercing cold, they felt cold and began to experience hypothermia.

Xia Qingyu punished these people quite cruelly, she carried out a fairly severe punishment for these people.

Xia Qingyu didn't control her Ice power well, this made the delinquents feel their bottoms shrink and freeze.

It must be very uncomfortable for these people, they get the punishment they deserve.

The delinquents fell, they fell and sat on the floor helplessly.

"let's go" Xia Qingyu took Qi Yunzhi away, they better ignore these people.

"Looks like Qingyu has started to get a little bolder." Ye Chen saw that Xia Qingyu was starting to get bolder, she didn't even hesitate to do something like that to people who dared to get into trouble with her.

This was a pretty good thing, Xia Qingyu was starting to take good care of herself, so she didn't have to be afraid of being disturbed by people.

"Looks like I'll be bothering them" Ye Chen decided to tease the two, it seemed that it would be interesting to tease Xia Qingyu.

Ye Chen followed Xia Qingyu and Qi Yunzhi, he crept behind the two.

Ye Chen's hiding ability was so excellent, there was no way that neither Qi Yunzhi nor Xia Qingyu would find Ye Chen's whereabouts.

"Let's see what I can do." Ye Chen thought about what he could do in this situation.

After thinking for a while, Ye Chen had an idea to tease Xia Qingyu and Qi Yunzhi.

"Okay, I got an idea" Ye Chen got an idea, he had an idea to tease Qi Yunzhi and Xia Qingyu.

Ye Chen used God Eyes, he looked at Qi Yunzhi and Xia Qingyu.

Xia Qingyu was wearing plain white underwear, meanwhile Qi Yunzhi was wearing a lingerie that looks sexy and looks very tempting

"wow she is very brave" Ye Chen admitted that Qi Yunzhi was very seductive, Qi Yunzhi was very seductive in Ye Chen's passion.

"Okay let's tease them" Ye Chen couldn't wait to tease Xia Qingyu and Qi Yunzhi, he couldn't wait to tease the two of them.

"Perfect Steal" Ye Chen used Perfect Steal, he took the underwear that Xia Qingyu and Qi Yunzhi had.

"ahhh. ." Xia Qingyu and Qi Yunzhi were instantly shocked, they both looked shocked at what had just happened.

"What happened?" Xia Qingyu and Qi Yunzhi both looked confused, they both felt that the clothes they were wearing had mysteriously disappeared.

Xia Qingyu checked her underwear, she couldn't find any on her clothes.

"Lost, where did it go?" Xia Qingyu looked panicked, she looked panicked when she saw the clothes she was wearing had mysteriously disappeared.

Qi Yunzhi also found the same thing, her underwear was also missing.

Xia Qingyu and Qi Yunzhi were immediately alert, they looked around and tried to find the thief.

"Oh, they're aware" Ye Chen hid, he hid himself well so that Xia Qingyu and Qi Yunzhi would not find him.

Xia Qingyu and Qi Yunzhi did not find anything strange, neither did they find anything strange around this place.

"Yunzhi, let's go." Xia Qingyu took Qi Yunzhi away, they went to find the nearest shop in the vicinity.

"My plan worked" Ye Chen's plan had worked, Ye Chen had managed to get the two of them to head to the nearest women's clothing store.

Ye Chen knew that Xia Qingyu wouldn't be able to stand it when she wasn't wearing something under her clothes, that's why Ye Chen thought of this plan.

"Okay, everything is going according to plan, I will immediately follow them." Ye Chen followed Qi Yunzhi and Xia Qingyu to a shop.

The two of them entered a fine shop which was quite luxurious.

"What just happened, where did my underwear go?" Xia Qingyu was really confused, she was confused when she found out that her underwear was gone.

"My underwear are missing too" Qi Yunzhi said the same thing, looking confused as to what had happened.

"Let's hurry and find a replacement." Xia Qingyu asked Qi Yunzhi to look for a new one, coincidentally she brought enough money to buy new clothes.

"There are quite a few good-looking clothes here and the designs are much bolder." Qi Yunzhi looked around, she saw that the clothes in this place were much more daring than those in the God Realm.
