

### Chapter 1801 Teasing Xia Qingyu inside the dressing room

"Choose as you wish" Xia Qingyu told Qi Yunzhi to choose as she liked, she would pay for it for Qi Yunzhi.

"Really, then I will choose as I like" Qi Yunzhi said to Xia Qingyu.

Since Xia Qingyu said so, Qi Yunzhi excitedly took the various clothes in this place and started to try them on.

Xia Qingyu looked clothes for herself, Xia Qingyu just didn't like wearing anything too flashy, so Xia Qingyu looked for casual clothes.

Xia Qingyu quickly found the clothes she was looking for, she had managed to find the clothes she was looking for.

Xia Qingyu looked at Qi Yunzhi, it was obvious that Qi Yunzhi was picking out very fine looking clothes.

"Why did you choose such bold underwear?" Xia Qingyu asked Qi Yunzhi.

"That's because young master likes things like this," Qi Yunzhi said to Xia Qingyu.

"You mean Ye Chen likes something like that." Xia Qingyu couldn't believe that Qi Yunzhi would say something like that.

"Yes, he really likes things like this, It was Sister Shui who told me" Qi Yunzhi said to Xia Qingyu.

"Hmmm, not strange, that person really likes things like that." Xia Qingyu wasn't surprised, she was sure that it was Ye Chen, that person was like that.

"Don't you want to try it?" Qi Yunzhi said to Xia Qingyu, Qi Yunzhi told Xia Qingyu to give it a try.

"Why should I try such a thing?" Xia Qingyu averted her gaze, why did she have to try such a thing.

"Come on, it will definitely make young master happy."

Qi Yunzhi tried to convince Xia Qingyu, she tried to get Xia Qingyu to give it a try.

"I . . ." Xia Qingyu hesitated, she doubted whether she should do something like this.

To be honest Xia Qingyu was a little embarrassed to do that, she wasn't used to using something as bold as that.

"Would he like it if I used something like this?" Xia Qingyu thought about what Qi Yunzhi said, whether Ye Chen would be happy if Xia Qingyu wore something like this.

"I will give it a try." Xia Qingyu dared herself, she would give it a try.

Xia Qingyu took a lingerie that wasn't too bold, although it wasn't too bold, it still looked very sexy.

Xia Qingyu took one and went straight to the changing section.

"Yunzhi you are very smart" Ye Chen praised Qi Yunzhi, he was very clever at influencing Xia Qingyu, Xia Qingyu finally took one of those sexy looking underwear.

"I want to see what Xia Qingyu is like." Ye Chen slipped, himself using the Invisible Body Art to sneak towards Xia Qingyu's place.

Ye Chen saw Xia Qingyu change clothes, he clearly saw how Xia Qingyu changed her clothes.

Xia Qingyu took out the Sexy panties that she had just picked up and got dressed.

Now Xia Qingyu was wrapped in a seductive-looking underwear.

Xia Qingyu started to look at herself in the mirror, to be honest Xia Qingyu quite suited this appearance.

"Not bad." Xia Qingyu felt that it wasn't bad, she felt that it was very good.

Behind Ye Chen looked at Xia Qingyu, he saw that Xia Qingyu looked very beautiful and seductive.

"That's great, that's just my fiancée" Ye Chen praised Xia Qingyu, Xia Qingyu looked very beautiful in bold underwear.

If only Xia Qingyu had been more daring, she might have been even more seductive.

"Time to tease her." Ye Chen couldn't stand it and wanted to tease Xia Qingyu immediately.

Ye Chen stretched out his hand towards Xia Qingyu, he touched Xia Qingyu who was in front of him.

Xia Qingyu was not aware of Ye Chen's arrival, she was completely unaware that Ye Chen was behind her and was watching her.

"Ah! ! !" Xia Qingyu immediately screamed, she screamed when she felt someone touch her.

Xia Qingyu was alert and started to put up a defense around herself, around Xia Qingyu did not see anyone, it could be said that Xia Qingyu was alone and there was no sign of anyone around.

"What happened, why does today feel so strange?" Xia Qingyu mumbled to herself, she didn't know why today felt so strange.

Xia Qingyu felt that today was very strange, all the strange things that happened today made her feel confused.

"Hehehe, this is really fun." Ye Chen was very happy, he was very happy in teasing his fiancée.

"Who is it, come out." Xia Qingyu ordered the person who had just touched her to come out immediately.

There was no answer, around this place there was no sign of life other than Xia Qingyu.

"Was it just my feeling?" Xia Qingyu was confused, could it be just a feeling.

Xia Qingyu was still wary, she was still wary of one another.

Ye Chen poked Xia Qingyu again, this made Xia Qingyu attack Ye Chen.

When Xia Qingyu attacked Ye Chen, she achieved nothing, she found nothing.

"what's this?" Xia Qingyu didn't know what just now, she actually felt someone touching her.

Surprisingly Xia Qingyu did not find anyone other than herself, this was very strange and unreasonable.

Seeing Xia Qingyu getting more and more alert, Ye Chen used the Passion Goddess technique on Xia Qingyu.

"Erm" Xia Qingyu became weak and helpless, she became weak and helpless when she received the Passion Goddess technique.

"My body" Xia Qingyu felt her body heat up, all the blood in her body was boiling with heat.

"Haaaa" Xia Qingyu was a little excited, she felt too excited and full of lust.

"What is this, this is really unreasonable." Xia Qingyu felt unreasonable, She felt that everything that happened was absurd.

"hehe" Ye Chen picked up Xia Qingyu who was sitting on the floor, he started to touch Xia Qingyu.

"Who is this?" Xia Qingyu felt someone lift her body, this time she felt it very clearly.

Ye Chen did not answer Xia Qingyu, he touched and enjoyed Xia Qingyu's body in front of him.

Xia Qingyu put up a fight, she put up a fight against Ye Chen.

Ye Chen didn't let Xia Qingyu put up a fight, he wouldn't let Xia Qingyu put up a fight against him.

Ye Chen used his female seductive skills on Xia Qingyu.

"Ahhh" Xia Qingyu felt an extraordinary feeling, she felt a very comfortable feeling.

This feeling made Xia Qingyu start to weaken, her body couldn't help but feel this way, it was too delicious that Xia Qingyu couldn't stand this feeling.

"stop" Xia Qingyu told the people behind her to stop right now, she couldn't stand Ye Chen's temptation.

"You won't be able to escape" Ye Chen finally said to Xia Qingyu, he used a quite hoarse voice to disguise his appearance.

"stop, let me go quickly, otherwise I'll scream." Xia Qingyu gave a threat.

"Scream, do you think others will believe you?" Ye Chen whispered to Xia Qingyu.

What Ye Chen said was true, if Xia Qingyu shouted, would anyone believe her.

"Ahh" Xia Qingyu felt comfortable, Ye Chen's touch made her feel something quite pleasant.

"what happened to me, how could I think of such a thing" how could Xia Qingyu be like this, she was actually enjoying the abuse that was going on.

Did Xia Qingyu really like being abused by someone, Xia Qingyu felt very embarrassed.

### **Chapter 1802 Ye Chen's request towards Xia Qingyue**

"I have to fight back, I can't let this person control me" Xia Qingyu had to fight back, she would not let this person control her.

Xia Qingyu did her best to fight the mysterious person behind, herself making several rebellious moves.

Despite not having the ability to resist, Xia Qingyu still tried her best, shedding her best to get away from Ye Chen.

Ye Chen could feel what Xia Qingyu was carry out a rebellion, Ye Chen felt that Xia Qingyu was constantly trying to keep away herself away from Ye Chen's palm.

Ye Chen would not let Xia Qingyu off the hook, he immediately caught Xia Qingyu and sealed her movements.

Xia Qingyu's resistance did not last long, in mere seconds, Xia Qingyu was already unable to put up any resistance to Ye Chen.

Xia Qingyu fell into Ye Chen's arms, she was unable to put up any more resistance.

"Already, you won't be able to escape" Ye Chen said to Xia Qingyu.

"You are evil" Xia Qingyu said to Ye Chen, Xia Qingyu was getting sad and helpless.

Ye Chen immediately felt pity when he saw Xia Qingyu being sad like that, he didn't expect that Xia Qingyu would be sad like that.

"Dear Qingyu, calm down" Ye Chen comforted Xia Qingyu who was crying.

Hearing a very familiar voice, Xia Qingyu immediately opened her eyes, she found Ye Chen in front of her and happily hugged her.

"Ye Chen so this is your doing, I should have known from the start" Xia Qingyu immediately put on an angry face at Ye Chen.

Xia Qingyu should have realized that it was Ye Chen, who else could do something so strange except for Ye Chen.

"Hahaha, I just wanted to tease you, I didn't expect your reaction to be like that" Ye Chen said to Xia Qingyu.

"Isn't what you did too much?" Xia Qingyu said to Ye Chen.

"No, who's exaggerating, I'm not overdoing it?" Ye Chen didn't feel like he was overdoing it.

"Just watch out for you" Xia Qingyu would definitely reply, she wouldn't let all this end just like that.

"Dear Qingyu, you are so cute" Ye Chen felt that Xia Qingyu was very cute when she was angry, Ye Chen wanted to tease Xia Qingyu even more.

"Quickly let go of me" Xia Qingyu told Ye Chen to immediately release herself.

"No, I don't want to let you go." Ye Chen said that he didn't want to let Xia Qingyu go.

"Ye Chen don't be naughty and quickly let me go." Xia Qingyu kept trying to tell Ye Chen, she wanted Ye Chen to let her go.

"Why, do you not like me, I want to give you some comfort feeling" Ye Chen said to Xia Qingyu, Ye Chen wanted to give Xia Qingyu some comfort feeling.

"No I don't want to" Xia Qingyu didn't want to, she didn't want to accept it, she honestly couldn't endure Ye Chen's evil grip.

Xia Qingyu knew how terrifying Ye Chen's technique was, she couldn't possibly endure Ye Chen's overly convenient technique.

"Is dear Qingyu afraid?" Ye Chen asked Xia Qingyu, from Xia Qingyu's reaction, Ye Chen guessed that Xia Qingyu was scared.

"I'm not afraid of you" Xia Qingyu said that she wasn't afraid of Ye Chen.

"Really?, then let's see." Ye Chen bit Xia Qingyu's ear.

"Ahh" Xia Qingyu screamed as she received Ye Chen's attack, Ye Chen's stimulation made Xia Qingyu unable to contain her voice.

"Hehehe, look how sensitive you are" Ye Chen said to Xia Qingyu.

Ye Chen only did a little trick on Xia Qingyu, Xia Qingyu immediately showed such a reaction when she encountered Ye Chen's technique.

"Stop now" Xia Qingyu told Ye Chen to stop immediately.

Ye Chen was quite mischievous, he didn't want to stop and continued to attack Xia Qingyu.

"Sister Qingyu what happened?" Qi Yunzhi asked Xia Qingyu, Xia Qingyu's voice leaked out and was heard by Qi Yunzhi.

Xia Qingyu became quite tense, it would be terrible if she were to be found by Qi Yunzhi.

"I just ran into a bit of a problem." Xia Qingyu immediately looked for an excuse to reassure Qi Yunzhi.

"Do you need help?" Qi Yunzhi asked Xia Qingyu.

Qi Yunzhi asked if Xia Qingyu needed any help from her.

"No need" Xia Qingyu immediately refused the help that Qi Yunzhi wanted to give.

"Why did you refuse?" Qi Yunzhi asked why Xia Qingyu refused her help.

"That's because I can solve this problem" Xia Qingyu said that she could solve this problem alone.

"Okay" Seeing that Xia Qingyu didn't need any help from her, Qi Yunzhi was no longer pushy.

"Emmmmmmm" when Xia Qingyu had just finished speaking and reassuring Qi Yunzhi, Ye Chen immediately teased Xia Qingyu.

"Ye Chen, what are you doing?, we can be found" Xia Qingyu said to Ye Chen.

Xia Qingyu glared at Ye Chen, what Ye Chen did could get them discovered by Qi Yunzhi.

"I don't care" Ye Chen didn't really care about this matter, he didn't care if Qi Yunzhi found out.

For Ye Chen to be no different from being discovered by Qi Yunzhi, Qi Yunzhi definitely wouldn't say anything when he found out what Ye Chen was up to.

Qi Yunzhi was Ye Chen's obedient maid, she would definitely not do anything even if he found Ye Chen and Xia Qingyu making out in the dressing room.

"I can lose face because of you" Ye Chen might not mind this, but Xia Qingyu still had this problem.

Xia Qingyu could lose face if she were to be found by Qi Yunzhi.

"Then right now all you can do is endure." Since Xia Qingyu had said that, then she could only endure Ye Chen.

"You are really mean, why do you always bully me" Xia Qingyu said to Ye Chen.

"It's because I like to bully my little lover" Ye Chen said to Xia Qingyu.

"Who are you to say little lover, I am older than you" Xia Qingyu was still a little older when compared to Ye Chen.

So Ye Chen's position was young and had to listen to the much more mature Xia Qingyu.

"Really, so should I call you aunty?" Ye Chen said to Xia Qingyu.

Xia Qingyu's face stiffened when she heard this, it seemed that Xia Qingyu was shocked when she heard this.

"Ye Chen, you. . ." Xia Qingyu pointed at Ye Chen, she seemed very dissatisfied with what Ye Chen said.

"Sister Xia, why are you so noisy?" Qi Yunzhi asked Xia Qingyu, Xia Qingyu was too noisy.

"It's okay, don't mind me." Xia Qingyu told Qi Yunzhi not to care too much about her.

" but. . ."Qi Yunzhi can't possibly do that, he has a duty to be with Xia Qingyu and ensure Xia Qingyu's safety.

"I'm really fine, you don't need to worry." Xia Qingyu said that she was fine and there was no need to worry about Qi Yunzhi.

"It's fine if you say it like that" since Xia Qingyu said that, then Qi Yunzhi would no longer be worried.

Ye Chen continued to tease Xia Qingyu, himself teasing Xia Qingyu using his skills.

Xia Qingyu could not stand Ye Chen's temptation, she couldn't stand it when she received Ye Chen's temptation.

Ye Chen kissed Xia Qingyu, Xia Qingyu didn't put up any resistance and started kissing Ye Chen, it could be said that Xia Qingyu liked the kissing feeling Ye Chen felt.

Both of them go crazy in the kiss, they both kiss passionately.

The current Xia Qingyu was much more skilled, she was now much more skilled than before, she was now getting used to having a kiss with Ye Chen.

Even Xia Qingyu had started to like the feeling of kissing Ye Chen.

Ye Chen was currently in a bad mood, to be honest he was uncomfortable with what had happened, Ye Chen had already failed to let go of the uncomfortable feeling twice, first with Shui Yixian and second with Shen Niang.

Honestly Ye Chen was currently excited and needed something to release this uncomfortable feeling, he probably needed help from Xia Qingyu.

"Will Xia Qingyu help me?" Ye Chen wanted to know if Xia Qingyu would help him.

"Let's try it." Ye Chen wanted to give it a try.

"Qingyu, can you help me?" Ye Chen asked to Xia Qingyu.

" what help do you need?" Xia Qingyu asked Ye Chen.

"help me . . ." Ye Chen whispered what he needed right.

Xia Qingyu immediately blushed when she heard what Ye Chen wanted.

"How can you ask for something like that?" Xia Qingyu said to Ye Chen.

Xia Qingyu looked embarrassed by what Ye Chen wanted.

"Don't you want to?" Ye Chen asked Xia Qingyu, Ye Chen asked Xia Qingyu again, he hoped that Xia Qingyu would do it.

" I . . ." Xia Qingyu blushed, she was cornered and couldn't dodge from Ye Chen's aggressive attack.

"You have to promise to let me go." Xia Qingyu made a condition for Ye Chen.

"Of course" Ye Chen immediately agreed to Xia Qingyu's condition, if Xia Qingyu wanted to help, then Ye Chen would let her go.

Xia Qingyu nodded, she nodded at Ye Chen who had promised.

Xia Qingyu knelt in front of Ye Chen, she didn't want to waste any more of her time and wanted to quickly resolve this matter.

Xia Qingyu freed Ye Chen's younger brother who was downstairs, she freed Ye Chen's younger brother who was downstairs.

When Xia Qingyu unbuttoned Ye Chen's, something big came out and shocked Xia Qingyu.

### **Chapter 1803 Items in the Space Ring**

"It's huge." Xia Qingyu was quite surprised by what Ye Chen had, the current size was quite shocking to Xia Qingyu.

Xia Qingyu was a person who came from the earth, she had naturally been taught about the knowledge of men's possessions.

but this time it might be a bit abnormal, this size is definitely something abnormal and probably only exists in fiction.

"Why are you silent instead?" Ye Chen asked the dazed Xia Qingyu.

"This surprises me." Xia Qingyu said that Ye Chen had something surprising.

"hehe, of course" Ye Chen said in a very proud tone, Ye Chen looked very proud when Xia Qingyu praised him.

Who wouldn't be proud of getting compliments from a woman like Xia Qingyu, all men would definitely feel proud when they were praised by Xia Qingyu.

"What's with that reaction of you?" Xia Qingyu turned her head away, she was already very red.

Xia Qingyu tried to endure this embarrassment, no matter how much she thought about this matter, Xia Qingyu still felt quite embarrassed about what had happened.

"Hurry up, otherwise Yunzhi will be suspicious of us." Ye Chen told Xia Qingyu to speed up his actions, otherwise, Qi Yunzhi could be suspicious of the two of them.

Qi Yunzhi must have started to suspect, she must have started to suspect what happened to Xia Qingyu.

"Okay I understand" Xia Qingyu nodded, she would try her best to help Ye Chen.

Ye Chen and Xia Qingyu had been in a relationship for quite a long time, so why was Xia Qingyu embarrassed by this.

Xia Qingyu strengthened her resolve, she strengthened her resolve and held Ye Chen's large object in her hands.

At first Xia Qingyu only used one hand, but in fact, one hand was not enough to hold Ye Chen's.

Even when using two hands, Xia Qingyu still had a hard time holding it.

"It's still too big." Xia Qingyu felt that if it was still too big, she wasn't enough to hold it all.

It's not strange that many women praise Ye Chen's abilities, apparently, this is the reason, to be honest, Xia Qingyu was also surprised when she saw this.

Xia Qingyu started to do what she could, first Xia Qingyu used her hands to help Ye Chen.

Xia Qingyu moved her hands, she made up and down movements that seemed to be very ordinary movements.

Her knowledge was very basic, he saw that Xia Qingyu's knowledge was still very basic.

"I didn't expect that Xia Qingyu's skills were still basic, let's teach her a little." Ye Chen decided to teach Xia Qingyu.

"Qingyu, can you be more serious, if it is like this, then it will not be finished," Ye Chen said to Xia Qingyu.

He told Xia Qingyu to be more serious and use the knowledge he had.

Xia Qingyu should have some basic knowledge, she should have some basic knowledge of male and female relationships.

"I'm getting used to it" Xia Qingyu nodded, she was still getting used to Ye Chen's quite big one

"Hurry up" Ye Chen started to urge Xia Qingyu, he urged Xia Qingyu to hurry up.

It was obvious that Ye Chen was impatient with this, he wanted to quickly resolve this matter.

Xia Qingyu in her underwear was too seductive, Ye Chen's passion became very high when he saw Xia Qingyu.

Xia Qingyu started to speed up, herself doing what she could.

Xia Qingyu didn't know much, she only saw what girls and boys did when they were in school, and even then she accidentally entered a special site.

"It's getting louder and hotter." Xia Qingyu felt that Ye Chen's was getting hotter and louder.

It's growing bigger and bigger, it's really amazing.

Xia Qingyu's skills were getting better and better, she started to touch Ye Chen's and did a little tickling touch to Ye Chen.

Xia Qingyu treated Ye Chen well, she made sure that she didn't hurt Ye Chen.

"Not bad" Ye Chen acknowledged Xia Qingyu's skill, he praised Xia Qingyu's skill which was good enough to comfort Ye Chen.

"Qingyu, let's use your little mouth," Ye Chen said to Xia Qingyu.

"no I won't do it, it's scary" Xia Qingyu refused, she didn't want to do it.

"Okay, then I won't let you go." Seeing Xia Qingyu refuse, Ye Chen made a slight threat to Xia Qingyu.

"you . ." Xia Qingyu was not happy about this, Ye Chen kept pushing herself to do shameless.

In anger, Xia Qingyu squeezed Ye Chen's younger brother quite hard, this woman was always trying to hurt Ye Chen's younger brother.

"Qingyu, don't be like that, you will destroy your husband's future," Ye Chen said to Xia Qingyu.

"I don't care, who told me to bully," Xia Qingyu said indifferently, Ye Chen bullied Xia Qingyu and irritated Xia Qingyu.

"Come on, you are my fiancée, why are you so stingy?" Ye Chen said to Xia Qingyu.

Ye Chen asked Xia Qingyu not to be so stingy, Ye Chen wanted Xia Qingyu to be more honest with their relationship.

Ye Chen felt that it would be more fun if Xia Qingyu would be more honest, it would make it easier for their relationship to develop.

"Hemp" Xia Qingyu snorted coldly, she snorted coldly when she heard what Ye Chen said.

Ye Chen could only shake his head, it seemed that it was quite difficult to persuade Xia Qingyu to do what she didn't want to do.

Ye Chen didn't give up here, he had to get what he wanted, otherwise, he didn't deserve to be called Ye Chen.

Ye Chen decided to make Xia Qingyu more excited, he decided to make Xia Qingyu more excited so that Xia Qingyu would help Ye Chen.

With Ye Chen's slight touch and teasing, Xia Qingyu's body felt strange again, Xia Qingyu's passion rose quite high and made Xia Qingyu start to be a little dazed.

"I hope he can be more honest." Ye Chen hoped that Xia Qingyu would be more honest, that way it would be easier for Ye Chen to get to Xia Qingyu.

For now, Ye Chen still couldn't damage Xia Qingyu, so maybe he wouldn't be able to Dual Cultivation with Xia Qingyu.

That's why Ye Chen dared to ask Xia Qingyu something like that, he really wanted Xia Qingyu to help him.

"Qingyu, do it." Ye Chen showed his strength, his thing was in front of Xia Qingyu's lips.

Xia Qingyu was slightly absent-minded, she felt like she wanted to do as Ye Chen was told.

To be honest, Xia Qingyu was curious about the feelings she would get from doing this.

A woman's curiosity is very great, sometimes it will get them into a problem or event that they do not want.

Xia Qingyu started not to fight back, she started to be honest with herself.

The Passion Goddess technique was indeed great, it was able to make Xia Qingyu much more honest.

Xia Qingyu opened her small mouth and started to eat Ye Chen's thing, she served Ye Chen's thing with a skill that could be said to be very novice.

"Don't use your teeth, I will guide you" Ye Chen gave guidance, Ye Chen was the most skilled at doing this.

With a little guidance from Ye Chen, Xia Qingyu became much nicer, she made Ye Chen feel comfortable with her mouth.

"Dear Qingyu, that's great, you are indeed talented" Ye Chen praised Xia Qingyu, Xia Qingyu is indeed very talented.

"Slurpp. . ." Xia Qingyu gave her best, she did the best she could.

Xia Qingyu wanted to please Ye Chen, she gave her best love to Ye Chen.

Xia Qingyu didn't limit herself anymore, she let go of all the barriers and gave what she had to Ye Chen.

Xia Qingyu felt that she did not have a burden, she felt very light without a burden and did not feel ashamed of what had happened.

Xia Qingyu put up quite an aggressive fight against Ye Chen, creating her own self-taught moves.

"That's great." Ye Chen enjoyed this very well, he enjoyed what Xia Qingyu did very well.

Xia Qingyu looked at Ye Chen, Ye Chen really enjoyed this very much, this made Xia Qingyu's heart very happy.

Xia Qingyu quickened her movements, she wanted to make Ye Chen feel happy with her skills, and she would make Ye Chen feel the best.

Ye Chen held Xia Qingyu's head, he stroked Xia Qingyu's head and started helping Xia Qingyu to have more fun.

Xia Qingyu did the best she could, in approximately 20 minutes, Xia Qingyu had already helped Ye Chen with her mouth.

Ye Chen couldn't stand it anymore, he felt very comfortable.

"Qingyu, I can not stand," Ye Chen said to Xia Qingyu, Ye Chen couldn't take it anymore.

"Ye Chen, wait a moment." Xia Qingyu immediately stopped, she should have known what was going to happen.

Too bad Ye Chen didn't let Xia Qingyu go, he restrained Xia Qingyu from leaving.

After that, he gave his Yang Qi to Xia Qingyu.

"Ummm" Xia Qingyu was quite surprised, one could tell she wasn't prepared for what was happening.

In Xia Qingyu's current situation, she had no choice but to accept it all, she swallowed it all with difficulty.

"This taste, this is great, what is this?" Xia Qingyu felt that this felt really good, she liked this taste.

"Glupp. . ." Xia Qingyu accepted everything, she received all the Yang Qi that Ye Chen gave her.

"Haaaaa" After finishing, Ye Chen finally let go of Xia Qingyu, Xia Qingyu rubbed her lips to remove any traces.

"Ye Chen you are really mean" Xia Qingyu said to Ye Chen, Xia Qingyu looked like a child complaining to Ye Chen.

"It was too comfortable, so I'm sorry." Ye Chen apologized to Xia Qingyu, it was too convenient and made Ye Chen not want to let Xia Qingyu go.

Xia Qingyu sniffed coldly, she started to ignore Ye Chen and looked annoyed.

Although he looked annoyed, in fact, Xia Qingyu liked what she had just eaten, to be honest, it was delicious and the taste was unbeatable.

But as a woman, Xia Qingyu couldn't possibly show that, she hid her feelings from Ye Chen.

"Ye Chen return my underwear" Xia Qingyu knew that her underwear was in Ye Chen's hands, she asked Ye Chen to return it to her.

"This is it." Seeing Xia Qingyu ask for her clothes back, Ye Chen gave them to Xia Qingyu.

"You go out first," Xia Qingyu told Ye Chen to come out, she had already granted Ye Chen's request.

"Okay" Ye Chen nodded, and he walked out of the dressing room.

Xia Qingyu put her clothes back on, she tidied herself up in front of the mirror, after making sure there was nothing out of the ordinary, Xia Qingyu went out to meet Qi Yunzhi.

"Sister Qingyu why are you taking so long" Qi Yunzhi happened to have finished, he was waiting for Xia Qingyu outside.

"Sorry, I was having a bit of trouble earlier, but everything is fine, have you got what you wanted?" Xia Qingyu asked Qi Yunzhi.

"Okay, I've also got what I wanted," Xia Qingyu said to Qi Yunzhi.

The two immediately went to the cashier and paid, in this case, Xia Qingyu paid for the goods that Qi Yunzhi had chosen.

The cashier saw the clothes chosen by Xia Qingyu, somehow the clothes that Xia Qingyu chose looked wet.

Xia Qingyu's face turned red, she made a mistake, she should have hidden this so that no one else could see it.

Too bad Xia Qingyu was late, she was too late in hiding it and might end up being discovered.

The cashier didn't think much of it, he directly gave the things to Xia Qingyu.

After paying, Xia Qingyu and Qi Yunzhi returned, they did not continue shopping and decided to return.

Ye Chen followed the two, he was behind Xia Qingyu and Qi Yunzhi.

Xia Qingyu and Qi Yunzhi returned to the Xia residence, coincidentally little Fu Lanling and Shen Niang were already waiting for them, as was Ye Chen.

"Young master," Qi Yunzhi said to Ye Chen, she said to Ye Chen who has returned.

Xia Qingyu looked at the woman beside Ye Chen, she saw Fu Lanling and another woman who was very beautiful and quite foreign to Xia Qingyu.

"Who is this woman, she is too perfect?" Xia Qingyu had to admit that women were too perfect and there was no gap, this was quite shocking to Xia Qingyu.

"You two are back, let's go back." Ye Chen invited Xia Qingyu and Qi Yunzhi to return.

"Wait a minute, I'll go tell grandpa," Xia Qingyu asked for time, she was going to see her grandfather and say goodbye.

Ye Chen gave Xia Qingyu time, he let Xia Qingyu do it.

Xia Qingyu left, she will be back soon.

Qi Yunzhi saw the new woman beside Ye Chen, she asked little Shen Niang and tried to get close to little Shen Niang.

With Qi Yunzhi's good experience, she was able to quickly blend in with little Shen Niang, she started to become close to little Shen Niang.

"I'm done, let's go." Xia Qingyu finished, and it was time for them to return to God Realm.

Ye Chen brought all the women back to his home in White Cloud City.

Ye Chen looked at little Shen Niang, honestly, Shen Niang's beauty was an attraction that people couldn't ignore, if she were to go out with Ye Chen, it would definitely be very conspicuous.

"Yuechan, I will let little Shen Niang stay at the gate to go with you." Ye Chen said to Chu Yuechan.

"That's possible." Chu Yuechan agreed with what Ye Chen said, it would be easier for Ye Chen to keep an eye on Shen Niang who was inside the fairy gate.

Ye Chen brought little Shen Niang into the fairy gate, Ye Chen informed them that little Shen Niang would stay in this place for a while.

Little Shen Niang likes fairy gates, this place is very beautiful and very beautiful, so she really likes it.

Ye Chen took the Space Ring that he got behind the Void Abyss, now is the best time to open it.

In order to break the seal that is in the Space Ring, Ye Chen uses dimensional power, this is the most powerful force to break the Seal.

"Crack. . ." The seal finally shattered, and everything within the Space Ring came out and turned into a sea of treasures in front of Ye Chen.

Ye Chen had to be buried in a pile of treasures, to be honest, the amount in this Space Ring was beyond Ye Chen's expectations.

#### **Chapter 1804 Get a very good treasure**

"what happened ?" Chu Yuechan came over, she asked Ye Chen about what happened in this place.

"Looks like I just found quite a number of gifts," Ye Chen said that he had just found a lot of treasures.

"Did all this come from the Space Ring that you found?" Chu Yuechan asked Ye Chen.

"That's right, everything is from the Space Ring that I found." Ye Chen nodded, everything here was indeed from the Space Ring that Ye Chen had just discovered.

Unexpectedly, the Space Ring that was found contained profound crystals, artifacts, pills, pill manuals, cultivation manuals, plant cultivation techniques and even books on the knowledge that were a shocking amount.

"Elder brother Ye Chen" Little Shen Niang asked Ye Chen for help, she was just buried in a pile of treasures.

Ye Chen helped little Shen Niang, himself helped Shen Niang out of the pile of treasures.

"Are you okay?" Ye Chen asked little Shen Niang.

"I'm fine, but what is all this?" Little Shen Niang asked Ye Chen, to little Shen Niang everything seemed like a toy.

"This is just a treasure" Ye Chen explained to little Shen Niang, Ye Chen explained quite clearly to little Shen Niang.

"treasure?" Little Shen Niang tilted her face, she looked confused by what Ye Chen said.

"It is something precious that we have managed to find, and it is called a treasure." Ye Chen briefly explained the basic knowledge to little Shen Niang.

"Okay, I see." Little Shen Niang understood, she understood what Ye Chen meant.

"Good, then you play a little further," Ye Chen said to little Shen Niang, Ye Chen told him to go a little away from this place.

Ye Chen didn't want Shen Niang to cause trouble, lest little Shen Niang activates an artifact that was unknown artifacts, it could give Ye Chen a headache.

Ye Chen began to collect artifacts and profound crystals one by one, these two items being the most abundant items among the treasures.

What was most surprising here was that all the profound crystals were Divine Rainbow Crystals, the numbers were extremely difficult to count.

Ye Chen estimated that the number might be millions or even more, which was definitely a lot.

Plus the artifacts have a high Tier too, the lowest is on the Tier 9 list and the highest is the Legend Tier.

Legend Tier Artifacts are only 3 pieces, although they are few in number, at least This is an extremely rare artifact and hard to find in the God Realm.

"Is this Shen Niang's or Sage God's?" After sorting out the profound crystals and Artifacts, Ye Chen was even more certain that this must be a Treasure that belonged to Shen Niang or perhaps the Sage God.

"I don't know, but the amount is huge." Chu Yuechan didn't know about this matter, she only knew that the number of treasures in the Space Ring was beyond what she had imagined.

Here are some weapons, maybe it will suit your woman" Chu Yuechan said to Ye Chen.

There were a total of 3 Legend Tier artifacts, it was a ribbon, a sword, and also a gauntlet.

the name of each artifact is the Celestial Red Ribbon, a weapon that will stick to the user's body, the user can control this ribbon and use it as a weapon to defend and attack, the Celestial Red Ribbon is able to extend indefinitely and can reach enemies hiding in places that far.

"should be quite suitable for Su Mengxin" between all these women would probably be very suitable for Su Mengxin.

Su Mengxin still hasn't come out, it's likely that Ye Chen will keep this until Su Mengxin finishes her training.

the second was the Celestial Moon Light Sword, this was a supreme weapon that was far above Yue Ya's.

"This is a little troublesome, who do you think will have it, whether Yue Ya is Liu Yue" Ye Chen was a little confused, to be honest, they both had the same ability, so Ye Chen was confused about who to give it to.

"Yue Ya already has a better sword artifact and is used more often, maybe Yue is more worthy, after all, Yue is still using the weapon given by Lanling" Ye Chen would probably choose Liu Yue because Liu Yue didn't have any better resources than the moon goddess Yue Yes.

Yue Ya's whereabouts were also unknown, until now Yue Ya had never met Ye Chen, it was possible that he had forgotten about Ye Chen.

The last is the God amulet Gauntlet, it can strengthen every weapon and shield that is used by the user, it will make the weapon stronger when used together with the God amulet Gauntlet, even when a Tier 1 weapon is strengthened by using a Legend Tier, it can match the power of a Legend weapon Tier.

"This is very good." Ye Chen saw that it was very good, when Ye Chen held a weapon, the weapon would be strengthened and become stronger.

"For this one, maybe I'll keep it." Ye Chen will keep the God Amulet Gauntlet, he will store the God Amulet Gauntlet and use it.

The God Amulet Gauntlet wouldn't be too flashy, so it would be suitable if used by Ye Chen.

"Not bad, you got quite a lot of gifts." Chu Yuechan saw that Ye Chen had quite a lot of gifts.

Other than that there are still some good items, there are some good pills here, especially the great Pill manual.

It was just that the medicinal ingredients needed were so scarce, that Ye Chen wasn't sure that he would be able to obtain them.

"Okay, I'll keep everything." Ye Chen kept everything, he put aside some pills that could instantly increase one's strength instantly.

It was a pity that the number of pills and medicinal ingredients wasn't much, so Ye Chen couldn't divide them evenly.

This is a pity, Ye Chen had to rack his brains to solve this problem, first, he told Chu Ning'er to cultivate the medicinal ingredients that he had obtained, relying on them would be very useful for the future.

Ye Chen was holding a pill bottle, this was a pill called Supreme Divine Overlord Pill.

If one takes this pill, one can directly reach the Divine Overlord stage, it just so happens that there is only one pill, and perhaps Ye Chen will pass it on to Fu Lanling.

Fu Lanling's cultivation was the lowest among all the women, it could be said that she was currently the lowest among all of Ye Chen's women.

So giving it to Fu Lanling was the right decision so that Fu Lanling wouldn't be sad and would be more enthusiastic about cultivating.

"Okay, it's all divided equally" Ye Chen had already made a complete list, he had divided evenly what he got.

"Let me see" Chu Yuechan looked at it, she wanted to know the list that Ye Chen made.

"Hmm, interesting, you give more to your woman, then why don't you take more for yourself?" Chu Yuechan asked Ye Chen.

"No need, I can become strong on my own, although my cultivation speed has slowed down a bit, I am now confident in my abilities," Ye Chen said to Chu Yuechan.

Even though Ye Chen's cultivation speed had slowed down a bit, Ye Chen was still sufficient with his current strength.

Instead of strengthening himself Ye Chen decided to focus more on his women, they could help Ye Chen and increase the level of the fairy gate, it would be of great help to all Ye Chen's Wives and women in the future.

### **Chapter 1805 Sun Xuanyin has arrived at Black Rose Peak**

Ye Chen will try to focus, he wants to immediately create a power that can shake this world.

Such a mighty power would shake this entire world and make all powers feel fearful, that was exactly what Ye Chen wanted.

In addition, Ye Chen focused on repairing the fairy gate, the better the fairy gate, the better the speed of Ye Chen and his woman.

"I will call Lanling." Ye Chen decided to call Fu Lanling, he would give the Supreme Divine Overlord Pill to Fu Lanling.

Ye Chen looked for Fu Lanling and took her inside the fairy gate, he gave Fu Lanling the Supreme Divine Overlord Pill.

" little husband, What is this ?" Fu Lanling asked Ye Chen, she asked about what Ye Chen had just given him.

"This Supreme Divine Overlord Pill, it can instantly make you reach the level to Divine Overlord Realm," Ye Chen said to Fu Lanling.

"Are you sure to give this to me?" Fu Lanling asked Ye Chen again, Ye Chen had already given something like this to her.

"It's okay, I gave this to you," Ye Chen said to Fu Lanling, Ye Chen deliberately kept this thing, he did intend to give it to Fu Lanling.

"Then thank you very much" Fu Lanling thanked Ye Chen, she was grateful that Ye Chen gave her something very precious.

Fu Lanling naturally felt very touched by this, she was really very touched by what Ye Chen had given her.

"I gave this to my beloved wife, you don't need to thank me." Ye Chen said to Fu Lanling.

They were a couple, so what was Fu Lanling thanking like that for.

"Then I will use it." Fu Lanling said that she would put this thing to good use.

"You can use the practice room inside the fairy gate, there no one will disturb you," Ye Chen said to Fu Lanling.

"I will go first" Fu Lanling went to the practice room, herself went to the practice room.

It seemed that Fu Lanling would need some time to refine the Supreme Divine Overlord Pill.

"I will guide her, I am afraid that he will be hit by Divine Thunder" Chu Yuechan will help Fu Lanling, she is afraid that Fu Lanling will experience Heavenly tribulation.

"Please take good care of her" Ye Chen told Chu Yuechan to take good care of Fu Lanling.

Chu Yuechan and Fu Lanling left, Ye Chen was now living together with little Shen Niang playing in the distance.

"Little Shen Niang, I am going out, you do whatever you want, please don't look for trouble" Before leaving the fairy gate, Ye Chen said to little Shen Niang.

"I'll be here, this place is fun." Little Shen Niang likes it here, there are many things that interest her.

"Very good" Ye Chen was happy, it seemed that he didn't have to worry too much about little Shen Niang anymore.

Ye Chen came out from inside the fairy gate, he met Fan Fumi who was with Huang Ying.

Huang Ying already got what she needed right, she now knew the ins and outs of an Elf.

"Are you used to living here?" Ye Chen asked Fan Fumi.

"I'm getting used to it" Fan Fumi said that she had gotten used to it while living in this place.

Everyone was very friendly towards Fan Fumi, they received Fan Fumi very well.

"Very good, I hope you feel comfortable living with the others." Ye Chen wanted Fan Fumi to be able to live with the others.

"I can definitely do it" Fan Fumi said that she could definitely do this.

"Husband, are you going back to the Sect?" Huang Ying asked Ye Chen.

"Of course, is there something?" Ye Chen asked Huang Ying.

"No, it's just that I want you to be a little careful when returning to the Sect." Huang Ying told Ye Chen to be careful.

"Be careful? What's the matter?" Ye Chen asked Huang Ying, why did Huang Ying give a warning to Ye Chen, and what actually happened.

"You will definitely know," Huang Ying said that Ye Chen would definitely know what was going to happen.

" ? ? ?" Ye Chen became curious, he was curious about what Huang Ying had just said.

"What did he just mean, I don't understand." Ye Chen still didn't understand what Huang Ying had just said.

"Alright, remember carefully what I said earlier" Huang Ying refused to tell what she knew, she just told Ye Chen to be careful.

"Okay, I will remember your words." Ye Chen nodded, he would remember the words that Huang Ying just said.

Ye Chen searched for the meaning contained in Huang Ying's words, there must be a meaning contained in Huang Ying's words.

Ye Chen said goodbye to Huang Ying and Fan Fumi, he was going to Sect.

.

.

Currently in the Nine Immortals Peak Sect.

there was a woman standing on the Black Rose Peak, she saw the entire Sect from the top of the Black Rose Peak.

"I finally got here" this woman was Sun Xuanyin, Sun Xuanyin was disguised as a disciple of the Black Rose Peak.

Sun Xuanyin changed her appearance, Sun Xuanyin's appearance looked different from her real self.

Even though she had changed her appearance, in fact, Sun Xuanyin's Charm was still very strong, men would definitely not be able to fight Sun Xuanyin's Charm.

Sun Xuanyin couldn't wait to find out about the Mask Hero, that person must be here and hiding or maybe not being conspicuous.

Sun Xuanyin's adventure was about to begin, she would start looking for clues and information around the Nine Immortals Peak Sect.

Sun Xuanyin had her own reasons when she chose Black Rose Peak, according to Sun Xuanyin, this was the most suitable place for her and made Sun Xuanyin not suspected by anyone including the Mask Hero.

"Miss Yin" A disciple from Black Rose Peak called out to Sun Xuanyin.

Sun Xuanyin did not use her real name, if she used the name Sun, it would be very conspicuous, Sun Xuanyin used a pseudonym that allowed her to blend in with the disciples at Black Rose Peak.

"what is it?" Sun Xuanyin asked the female disciple behind her.

Sun Xuanyin did not turn around, she still looked ahead at the Nine Immortals Peak Sect.

"Lord Peak is calling for you, you must complete the procedure" the female disciple said to Sun Xuanyin.

"Okay, I'll be leaving soon." Sun Xuanyin nodded, she would immediately go and meet Mo Chiyi.

Honestly, Sun Xuanyin was lazy to settle this matter, but Sun Xuanyin still had to settle the registration issue to facilitate her movement within the Nine Immortals Peak Sect.

Sun Xuanyin turned around, she headed over to where Mo Chiyi was.

Before leaving, she looked in the direction where Ye Chen was coming.

.  
.

As Ye Chen just got near the Jade Lotus Peak, Ye Chen felt an unpleasant feeling.

"What was that?" Ye Chen felt that someone unpleasant was looking at him.

"Was that just my feeling?" Ye Chen thought for a moment, was it just his feelings or what?

"Is this what Ying told me?" Ye Chen recalled the words said by Huang Ying, his mind was carried away by Huang Ying's words.

### **Chapter 1806 a very important announcement**

Ye Chen returned to Jade Lotus Peak, when Ye Chen had just arrived, he was already waiting for the female disciples who were at Jade Lotus Peak, all the women here couldn't wait to train together with Ye Chen.

"Okay, I will train all of you." Ye Chen couldn't refuse requests from beautiful women around this place, how could Ye Chen refuse requests from beautiful women in Jade Lotus Peak.

Ye Chen gave training to all the women, he did his best to train and strengthen the abilities of the women at Jade Lotus Peak.

While Ye Chen was looking for an opportunity to touch the women at Jade Lotus Peak, Ye Chen felt quite happy doing this.

The women at Jade Lotus Peak were extremely tolerant of Ye Chen, they all didn't fight back when Ye Chen did bad things to all of them.

"Ye Chen, you're back ?" while Ye Chen was engrossed in training everyone, Mu Xueying came over.

"Yes I'm back" Ye Chen nodded, he was back.

"How have you finished your business?" Mu Xueying asked.

Mu Xueying asked if Ye Chen had finished solving the problem he had.

"I've solved the problem I had" Ye Chen had already solved his problem, he had solved his problem very well.

"Very good." Mu Xueying nodded in satisfaction, she was very happy when she heard this news.

"You all go back to training, don't bother Ye Chen," Mu Xueying said to all the women.

"Good" All women nodded, and they all left this place.

Honestly, they were all disappointed when they heard Mu Xueying's order, they wanted to be with Ye Chen a little longer.

"maybe next time," Ye Chen said to everyone, Ye Chen tried to cheer everyone up, he did his best to cheer up everyone in front of him.

Ye Chen is a good person, of course, he will comfort everyone who is sad.

"Junior Ye Chen, you should spare more time for us." All the women nodded, they would listen to what Ye Chen had to say.

They all looked happy and returned to their places, one could say Ye Chen's words had made everyone feel happy.

"he's just like a herdsman." Seeing this, Mu Xueying felt that Ye Chen was more like someone who could control women.

"Wife, what will you need right?" after everyone left, Ye Chen asked Mu Xueying.

"I need you to do something" Mu Xueying informed Ye Chen that she needed help.

"What kind of help do you need?" Ye Chen wanted to know what kind of help Mu Xueying needed.

"You will be given a special mission to hunt a very dangerous monster," Mu Xueying told Ye Chen that Ye Chen would receive a special mission to hunt someone.

"Magic Beasts?" Ye Chen asked Mu Xueying, Ye Chen asked what kind of monster he would fight."

"I don't know the details, what is certain is that this is a very strong and very smart Magical Beast, its intelligence is so great that it was able to defeat dozens of core disciples and several Elders who were sent to fight it." Mu Xueying did not know, she did not know about this matter.

"You don't even know about this matter, then why did you ask me to join this mission?" Ye Chen asked Mu Xueying.

"You are the most suitable person for this mission." Mu Xueying said that Ye Chen was the most suitable person for this mission.

"But I'm busy" Ye Chen said that he was busy.

"You haven't contributed much to Jade Lotus Peak, if you don't do the mission and don't make a contribution, then you can be expelled." Mu Xueying informed Ye Chen about the rules.

"How can it be like that" Ye Chen complained, how can there be such a rule.

"Rules are rules, I hope you obey them, otherwise you will be completely expelled" Mu Xueying said to Ye Chen.

"Okay, I understand" Ye Chen nodded, he had no choice but to compromise with Mu Xueying.

Mu Xueying immediately gave Ye Chen the details of the task she was going to do, in this task, Ye Chen would be going with some people from other peaks.

"You're not coming?" Ye Chen asked Mu Xueying, Ye Chen thought Mu Xueying would come along, but she didn't come.

"I'm still in charge of this place, so I won't be able to come with you." Mu Xueying wouldn't be able to come along, she was still in charge of this place and wouldn't be able to come with Ye Chen.

"Too bad, I thought you would come along." Ye Chen was disappointed when he heard this.

"Just do the task, you will go together with disciples from other peaks, they will help you in this Quest" Mu Xueying said to Ye Chen.

"When will I go?" Ye Chen asked Mu Xueying, Ye Chen asked when he was going.

"You will leave in the afternoon," Ye Chen told Mu Xueying that he would be leaving in the afternoon.

It was still noon, so Ye Chen had time to laze around a bit before going on the quest.

" announcement . . . ! ! ! " A very loud voice filled with great power was heard by Ye Chen and Mu Xueying.

This voice was heard by everyone in the Sky Cloud Peak Star Realm, everyone looked up at the sky to hear what was to be said.

"What is it?" Ye Chen asked what happened, and why would someone use a sound transmission stone in such a wide range.

"Looks like this is an important announcement to the entire God Realm," Mu Xueying said to Ye Chen.

"Like a broadcast huh?" Ye Chen asked Mu Xueying.

"That's right, this is a broadcast that reaches everyone in the God Realm, everyone in the God Realm should be able to hear this voice" Everyone in the God Realm area can hear this, this voice can even be heard by everyone in the God Realm. in exile.

"What do you think will say?" Ye Chen wanted to know what he was going to say.

"Looks like it will be something important" Mu Xueying said to Ye Chen.

Things like this were only used in important situations, so it wasn't strange that Mu Xueying expected something important to happen.

"To everyone in the God Realm, in 3 months there will be a God Realm martial arts competition" in the announcement it was announced that there would be a God Realm martial arts competition to be held.

"The requirements are very easy, everyone under the age of 1500 is allowed to come to register, no cultivation level limit for registration, everyone can join" the requirements are also very easy, almost anyone can participate in it.

"Registration will start soon, you can contact the King Realm or the major Sects at your place." Everyone can join, they can contact the King Realm or the big Sects in their place.

"A God Realm martial arts competition, it's been a long time, it looks like it's going to be interesting." In just a short time the Nine Immortals Peak Sect became very lively, all the disciples wanted to take part in the God Realm martial arts competition.

Even female disciples from Jade Lotus Peak also wanted to enter this God Realm martial arts competition.

### **Chapter 1807 Meet Sun Xuanyin again**

"Everyone seems to be very excited about this matter." Ye Chen saw that everyone was very excited and enthusiastic about the competition.

"Of course, they are excited like that because they are all going to participate in something big." Mu Xueying said that this was quite a big thing.

"What's the big deal?" Ye Chen asked Mu Xueying.

"Ye Chen, it is one very big deal, it is something that everyone in the God Realm will look forward to." Mu Xueying told Ye Chen that this was something very important.

"Is that important?" Ye Chen asked Mu Xueying.

"Of course, this is very important, this is a very very important matter, there we can get what you want" Mu Xueying said to Ye Chen.

"Is that true?" Ye Chen couldn't believe it, he didn't really believe what Mu Xueying said.

"If you don't believe it, you can come and try it." Since Ye Chen didn't believe it, Mu Xueying told Ye Chen to come and try it

"Why should I participate in things like this?" Ye Chen refused to participate, he didn't want to be involved in things like this.

"There may be many beautiful women waiting for you," Mu Xueying said to Ye Chen.

"Oh, beautiful woman. . ." Ye Chen became interested when Mu Xueying said about beautiful women.

"As expected, you will definitely shine when you hear a beautiful woman" Mu Xueying crossed her arms, she was not satisfied with Ye Chen's reaction.

"Xueying is still the best, those women can't compare to you," Ye Chen said to Mu Xueying.

"is it true?" Mu Xueying changed her reaction, she didn't get angry with Ye Chen.

"Of course, why would I lie?" Ye Chen said with great confidence.

"Don't talk like that anymore, prepare yourself well, you will leave this afternoon" Mu Xueying told Ye Chen to prepare himself.

"I will go around the Sect" Ye Chen was about to leave, he was curious about what was going on, and the announcement was enough to shock everyone in the Sect.

Ye Chen could sense that there would be quite a number of people discussing this matter.

This was the best time for Ye Chen to find out the situation and information, he wanted to know what kind of information he could get.

Ye Chen descended from Jade Lotus Peak, it just so happened that quite a number of women from Jade Lotus Peak descended and started registering.

Ye Chen followed the women, he was quite curious about the registration that was going on.

When Ye Chen arrived at the registration area, Ye Chen found that a lot of people had registered, the number of people around this place was very large, to be honestly estimating this number of people would be very difficult to do.

"It's very crowded, I've never seen such a large crowd of people." Honestly, Ye Chen had never seen this number of people, in fact, it was far greater than the number of troops Ye Chen had encountered.

"Looks like it's impossible to register." Ye Chen felt that it was impossible to register, the number of people who registered was too large.

"Maybe later" Since the line was still very large, Ye Chen decided not to join the line, there was still enough time until the martial arts competition was held.

Ye Chen walked around, he heard the conversations of everyone he met.

Almost everyone is talking about the God Realm martial arts competition, everyone wants to know if they can pass and enter the God Realm martial arts competition.

The preliminaries would definitely be very tough, out of the millions or even tens of millions of participants in the Sky Cloud Peak Star Realm there would probably only be hundreds or perhaps thousands of people.

"Oh, so there will still be a preliminary round before reaching the God Realm martial arts competition." Ye Chen understood, he understood what was going to happen.

"This might be a pretty fun thing to do." Ye Chen felt that if it might be fun, there's nothing wrong with trying, Ye Chen can come along and have fun.

"Look, there's a pretty new disciple." While Ye Chen was gathering information, a pretty big commotion broke out, this big commotion naturally provoked everyone.

Ye Chen was also immediately interested, he saw what was going on.

A beautiful woman came, her immense charm made all men look at her.

This woman's charm is quite strong, almost the men in this place can't resist this woman's charm.

"Who is this woman? her charm is truly enormous" Ye Chen began to wonder who this woman was.

Ye Chen felt familiar with this woman in front of him, he felt he had met this woman.

"Hmmm, who is this woman, seems familiar to me" Ye Chen began to remember the woman in front of him, he began to remember who the woman in front of him was.

"I guess I have to find out" Ye Chen felt that he had to find out about this matter, Ye Chen used his God Eyes ability to find out who this woman in front of him was.

When Ye Chen used God Eyes, Ye Chen finally saw this woman's true figure, this woman's seductive beauty and body were not foreign to Ye Chen.

"This woman, why is she in this place" Ye Chen did not expect that he would meet this woman, why is this woman in this place.

This woman was Sun Xuanyin, she was a very troublesome woman for Ye Chen.

Honestly, Ye Chen felt that this woman was always causing trouble for him, plus Ye Chen was quite annoyed with Sun Xuanyin.

"Looks like she's already aware of your existence, it will be quite troublesome if she finds you," Chu Yuechan said to Ye Chen,

Sun Xuanyin had probably discovered Ye Chen's whereabouts, which was why she had come to this place.

"I won't let it happen." Ye Chen wouldn't let this matter, he wouldn't let Sun Xuanyin find him.

If Ye Chen exposed himself, then it would be a problem for Ye Chen, it was better for Ye Chen to fight Sun Xuanyin by hiding.

That way Ye Chen could easily put up a fight against Sun Xuanyin.

"So you have decided to fight this woman?" Chu Yuechan asked Ye Chen.

"Of course, I won't forget what this woman did." Ye Chen wouldn't forget what Sun Xuanyin had done, he wouldn't let this woman escape.

"ohhh, looks like this little goddess is going to get into trouble" Chu Yuechan felt that Sun Xuanyin would get into trouble, fighting Ye Chen would definitely not end well.

"Hehehe, since she wants to disguise herself, then I will also go undercover." Seeing Sun Xuanyin disguised, Ye Chen also disguised himself and changed his appearance.

Ye Chen's ability to change appearance was incomparable, he easily changed his appearance and was now impossible for many to recognize.

Ye Chen walked over to Sun Xuanyin, himself watching and approaching Sun Xuanyin.

Ye Chen kept his distance, making sure not to be too conspicuous in front of Sun Xuanyin.

"Too many people, where can I get some information?" Sun Xuanyin looked around, there were too many useless people around.

It wasn't strange for Sun Xuanyin to say that there were a lot of weak people around this place and it made her dispirited.

Sun Xuanyin looked for some people with high cultivation, they could definitely help her.

## Chapter 1808 Interfere with Sun Xuanyin's plans

Sun Xuanyin very easily found several people with high cultivation levels, it seemed that they were all the best core disciples.

"Okay, I'll go and start approaching them." Sun Xuanyin decided to leave and started approaching these people.

Sun Xuanyin very easily approached these people.

"Beautiful, what do you need right?" a core disciple asked Sun Xuanyin.

"Senior Brother, can you come along with me, I need a little help," Sun Xuanyin said to the man in front of her.

"Of course, I don't mind." This man didn't think long, he just accepted Sun Xuanyin's invitation.

"Come with me" Sun Xuanyin took this man, she took him to a quieter place.

Everyone was both jealous and envious, they were envious when they saw Sun Xuanyin invite someone over.

"he's too easy to deceive." Ye Chen saw that this man in front of him was too easy to deceive, this man was very easy to be tricked by Sun Xuanyin.

If it was Ye Chen, Ye Chen would have already left and moved away a bit, Ye Chen didn't want to be tricked by this woman.

Sun Xuanyin is a woman with a lot of deceit, if you let your guard down, she can fool you very easily.

"I want to see what he will do" Ye Chen wanted to see what Sun Xuanyin would do to the man just now.

Ye Chen followed Sun Xuanyin, he did not leave his sight of Sun Xuanyin.

Ye Chen was already great enough, he wouldn't be easy to find by Sun Xuanyin, Ye Chen's ability to conceal himself had been further strengthened.

Sun Xuanyin was not aware of Ye Chen's existence, she was not aware that Ye Chen had been following her.

Sun Xuanyin led the man behind her to a very remote place, it was quite rare for people to be in this place.

All the disciples were doing a registration for competition, they were all registering for the competition and the Sect was very quiet, there were only a few people walking around the Sect.

Sun Xuanyin really knew how to seize an opportunity, she took advantage of an opportunity like this to attract one of the best core disciples.

The best core disciple looked at Sun Xuanyin, he looked at Sun Xuanyin with a gaze filled with fire.

Sun Xuanyin was indeed a seducer, she was able to seduce and excite men just from her body movements.

If only Ye Chen wasn't familiar with this Succubus, maybe he would be easily tricked.

Fortunately Ye Chen had already dealt with Sun Xuanyin, so Ye Chen knew what to do against Sun Xuanyin.

"Come here." Sun Xuanyin led this man to a fairly quiet place, where there was a bench to sit.

Sun Xuanyin told the man in front of her to come closer to her, she used her charms to control the man in front of her.

With just a flick of a finger, Sun Xuanyin had used the strongest charm she possessed, she used her powerful charm against the man in front of her.

"Her charm is getting stronger, did she learn a new technique?" Ye Chen saw that Sun Xuanyin's enchantment technique was extremely powerful, it even surpassed Qi Yunzhi's enchantment.

"Wow, this woman has just learned a new Dual Cultivation cultivation technique, it's not strange that her cultivation has increased so rapidly." Chu Yuechan was also aware of Sun Xuanyin's change, it seemed that Sun Xuanyin had just used a new enchantment technique so her enchantment was getting stronger.

With just one finger, Sun Xuanyin instantly controlled the body and mind of the man in front of her.

This man headed straight for Sun Xuanyin, himself heading towards Sun Xuanyin without him even realizing it.

"Who told you to sit down, quickly kneel before me." Sun Xuanyin told the man in front of her to kneel down.

This man knelt down, he could not refuse the orders given by Sun Xuanyin.

"That's great, I like someone who is obedient." Sun Xuanyin was very happy with someone who was obedient, she really liked someone who was obedient to her.

"Thank you very much goddess" this man said to Sun Xuanyin, since this man was already controlled by Sun Xuanyin, this man certainly did as Sun Xuanyin said, it could be said that he did whatever Sun Xuanyin said and considered Sun Xuanyin as the goddess he worshiped.

"That's great, you are really very obedient." Sun Xuanyin started to give a small gift, she praised the man in front of her.

Sun Xuanyin's voice was like a hypnotist, this man felt very happy when he heard Sun Xuanyin's voice.

"Tell me, what has happened to this Sect." Sun Xuanyin told the man in front of her to tell her what had happened.

This man was so obedient, he started to do what Sun Xuanyin told him to do, he explained what was happening in the Sect.

"It's bad, if it continues like that, then I will be found out." Ye Chen felt that he had to take action, if he didn't take action, then it was certain that he would be found by Sun Xuanyin.

Sun Xuanyin was a smart and very astute woman, if Ye Chen gave this woman a chance, then this woman could find him.

Ye Chen threw a stone at the man in front of Sun Xuanyin, he intended to cripple and make this person forget.

"Bam. . "Ye Chen threw the stone right into the head of the man in front of Sun Xuanyin, this instantly knocked the man in front of Sun Xuanyin unconscious.

"What ! ! !" Sun Xuanyin was oblivious to what had happened, the attack just now was extremely fast and made her feel shocked.

Sun Xuanyin looked around, she immediately looked for the whereabouts of the person who had attacked the person she brought with her.

Sun Xuanyin used her Spirit Sense, there was no sign of anyone around this place.

"Who did it, come out quickly!" Sun Xuanyin shouted, she ordered the person who had committed the crime to come out immediately.

Too bad there is no answer, this place is very quiet like a secluded place.

"Who is that bastard who dares to interfere with the business I have?" Sun Xuanyin was extremely annoyed, who dared to interfere with her.

The person who harassed Sun Xuanyin was said to be extremely fast, he was able to disappear and conceal himself so well, Sun Xuanyin couldn't even find his whereabouts.

Due to the person himself that had been crippled, Sun Xuanyin had no choice but to find a new target.

Ye Chen kept an eye on Sun Xuanyin, he kept an eye on this woman and didn't let her get what she wanted.

Sun Xuanyin had already started to become wary, she was extremely wary of people following her.

Sun Xuanyin was looking for someone new, she needed information she could use.

When Sun Xuanyin wanted to find someone new, Sun Xuanyin discovered that everyone she brought along was incapacitated very easily.

Even though Sun Xuanyin was an intelligent woman, in fact she was unable to fend off Ye Chen's sneak attacks, every single one of Ye Chen's attacks could not be read by Sun Xuanyin.

"who dares to disturb me." Sun Xuanyin started to get angry and lost her temper

"I won't let you succeed" Ye Chen was enjoying himself annoying Sun Xuanyin, bothering Sun Xuanyin was a lot of fun for Ye Chen.

Sun Xuanyin was completely unable to move, she decided to search for the whereabouts of the person who had interfered with her plans.

Ye Chen used Invisible Body and Invisible Cloak, Sun Xuanyin would never be able to find Ye Chen's whereabouts.

## Chapter 1809 Quest Party

Seeing the oddities that kept happening, Sun Xuanyin guessed that this must be the Mask Hero's doing, but where he was now, Sun Xuanyin didn't see his whereabouts.

Sun Xuanyin couldn't find any sign of the Mask Hero, she couldn't find any sign of the Mask Hero.

"Is this him or not?" Sun Xuanyin began to doubt, herself began to doubt who was behind it all.

Sun Xuanyin did not find a clue, rather there was no clue around this place.

"I can't do anything." Sun Xuanyin bit her finger, for the first time she was confused about what to do.

"Heheheh" Ye Chen chuckled from afar, to be honest it was quite funny to see Sun Xuanyin bewildered like this.

"I'm really satisfied, this woman finally got what she deserved." Ye Chen was overjoyed, he was quite happy when he saw Sun Xuanyin get into such trouble.

"You really are quite naughty and evil" Chu Yuechan said to Ye Chen, what Ye Chen did was quite evil.

"Why, I did it for my own good" Ye Chen said to Chu Yuechan, Ye Chen did this for his own good.

"I know, but in reality you have confused the goddess" Chu Yuechan said to Ye Chen.

"You mean that bitch, do I care, she is such a troublesome opponent, I can't put down my guard if it's her" Ye Chen couldn't put down his guard, if he were to put down his guard, then it is certain that Ye Chen would get into trouble. .

Sun Xuanyin was an extremely dangerous woman, Ye Chen couldn't lower his guard when he faced someone like Sun Xuanyin.

If Ye Chen were to let his guard down, he would lose, so it was better to anticipate everything before it was too late.

Sun Xuanyin didn't make any progress, she didn't make any progress because she was stopped by Ye Chen.

Honestly, Sun Xuanyin was very upset about what had happened, the problem was that she couldn't do anything about it.

"I'll just go back." Sun Xuanyin decided to go back, she decided to go back right now.

"hehehe she has given up, that's great." Ye Chen was very happy, he was happy that Sun Xuanyin had given up.

"Okay, time to go back" Ye Chen decided to go back, he decided to go back and prepare for the Quest.

Ye Chen started to prepare himself, in a few hours he would go on a mission.

Ye Chen's time was wasted quite a bit. When Ye Chen bothered Sun Xuanyin, it made Ye Chen unable to use his time just to rest for a while.

"What a hassle" Ye Chen had prepared everything, now was the time to go.

Mu Xueying had already provided the coordinates for Ye Chen, Ye Chen was going to meet up with colleagues party on a mission.

The coordinates given by Mu Xueying were in front of the Sect's entrance, there they would gather.

"Hello, are you from Jade Lotus Peak and going on a mission together?" There were a total of six people already gathered at the Sect's entrance, they were all waiting for the other members.

Here is a total of the first five peaks of Cloud Sky Peak, Flying Sword Peak, Dewdrop Peak, Blooming Life Peak and Double Pair Peak.

Each sends one representative, only Double Pair Peak sends two.

"I'm from Jade Lotus Peak" Ye Chen told that he was from Jade Lotus Peak.

"Very good, we have been waiting for you, now we are just waiting for the representatives from Black Rose Peak" almost everyone has gathered, now they are just waiting for the representatives from Black Rose Peak.

This was an S tier Quest, so only the best disciples from each peak could take this Quest.

Everyone in this place was a list of the best disciples in their respective peaks.

"So I'm not the last." Ye Chen was relieved that he wasn't the last.

"Of course, we just have to wait for people from Black Rose Peak before we leave." They only needed to wait for people from Black Rose Peak before they left.

Like Jade Lotus Peak, Black Rose Peak was dominated by women, so they should just wait for the women who hadn't arrived yet.

The people in the party looked at Ye Chen, they looked at Ye Chen with curious gazes.

To be honest, Ye Chen was the only male disciple in Jade Lotus Peak, of course Ye Chen's existence would be very conspicuous.

Ye Chen was one of the strongest people in this Sect, only a few people know Ye Chen's strength.

They know that Ye Chen have enough power, so this is a good help for everyone.

Ye Chen was forced to wait together with the rest of the Party, they were waiting for the arrival of the Black Rose Peak.

Ye Chen got acquainted with his party members, here are a few people who are willing to get acquainted with Ye Chen.

Here were Min Caun, Yu Diren, Tu Wentu, Bai Sangsa, Gu Finzu, Hun Xufi

"she took so long" after waiting for almost 1 hour, there was no sign of arrival from Black Rose Peak.

"whether they forget or not come along" Everyone was getting tired of waiting, they were all tired of waiting for quite a long time.

"It's possible that they didn't come." Ye Chen said that it was possible that the representatives from Black Rose Peak would not participate in this mission.

"If that's the case, we will immediately inform the Sect." Min Caun said that they should tell the Sect this matter.

"Looks like it's not necessary, it's just a waste of the time we have, we'd better go straight away" Ye Chen said to everyone, there's no point for them to report this matter, they can just leave.

"Yes, that's right, it will take a long time if we have to report to the Sect, we should go right away and complete the mission" Everyone agreed with Ye Chen, they all agreed with what Ye Chen said.

"if you say so" since everyone agreed to go, then Min Caun had no choice but to go with the majority vote.

"Are you guys waiting for us?" After a while finally the representative from Black Rose Peak came as well.

Black Rose Peak sent out two people, one was named Xun Bingje, and the other was a woman Ye Chen was already familiar with.

"Why should she come?" Ye Chen shook his head, in a situation like this why did this woman have to come.

Honestly, Ye Chen's mood immediately dropped when he saw who had come together with the representatives from Black Rose Peak.

Honestly Ye Chen was the laziest to meet this woman again.

The woman beside Xun Bingje was Sun Xuanyin, she came and went along with Xun Bingje.

"Why are there two, isn't there only one?" Min Caun asked Xun Bingje, should Black Rose Peak send one person to complete the task.

"This is an order from Lord Peak, so I brought it with me." Xun Bingje informed that this was a request from Mo Chiyi.

"Hello everyone, please take care of me." Sun Xuanyin said to everyone, showing a gentle and full of smiles to everyone.

"We will take good care of you, you stay close to us" all the men said to Sun Xuanyin, they would protect Sun Xuanyin well.

Hun Xufi glared at her partner, she was annoyed when she saw her partner looking at Sun Xuanyin with such lustful gaze.

Hun Xufi was Gu Finzu, they were a couple within this Sect, so it wasn't strange that Hun Xufi was angry when she saw her partner seeing another woman who was much prettier.

### **Chapter 1810 Sun Xuanyin tried to get close to Ye Chen**

"Don't look at her with that look." Hun Xufi told the man beside her not to look at Sun Xuanyin with that look.

"She's too beautiful, I can't help it" Gu Finzu said that Sun Xuanyin was too beautiful, he couldn't stand the sight of Sun Xuanyin's beauty.

"You dare say that, see how I will deal with you after all this is over" Hun Xufi was angry, she was furious with what happened.

Ye Chen smelled the quarrel between the couple, Ye Chen could feel the quarrel between the couple that was about to happen.

Ye Chen couldn't do anything, Sun Xuanyin was the source of the trouble that gave him a headache.

"Why does he have to come, it will be very troublesome." Ye Chen was quite annoyed, why did Sun Xuanyin have to come, this made him feel a little annoyed.

"I hope he doesn't bother me." Ye Chen could only hope that Sun Xuanyin wouldn't bother him, even though it would be extremely unlikely.

Sun Xuanyin began to observe Ye Chen, she began to observe Ye Chen who had never seen her before.

Sun Xuanyin seemed to be starting to get suspicious of Ye Chen, out of everyone, only Ye Chen didn't welcome her.

"There seems to be someone interesting" what Ye Chen did had made Sun Xuanyin feel attracted.

The more Ye Chen tried to dodge, the more Sun Xuanyin was attracted to Ye Chen.

Sun Xuanyin started to approach Ye Chen, she started to try to get close to Ye Chen.

Ye Chen tried to move away, himself away from Sun Xuanyin who was approaching him.

Sun Xuanyin looked dissatisfied when she saw this, she did her best to approach Ye Chen.

Honestly, Sun Xuanyin was very difficult when she tried to get close to Ye Chen, whenever Sun Xuanyin wanted to be close to Ye Chen, Ye Chen always avoided her.

"Senior, why did you dodge?" Seeing Ye Chen keep dodging, Sun Xuanyin asked with a very gentle expression and voice.

Sun Xuanyin's voice was like that of someone who had just been abandoned, her voice was like that of a woman who had just been bullied by Ye Chen.

" what is it?" Ye Chen asked nonchalantly, himself asking what Sun Xuanyin needed.

"Why do you seem to be avoiding, when did I do something wrong?" Sun Xuanyin asked Ye Chen.

"No, I'm just trying to avoid the Black Rose Peak, I heard the woman there is enough to make a man trouble, I don't want to get into trouble" Ye Chen told his reason.

Ye Chen found a plausible reason, he found a reason that could make him get rid of Sun Xuanyin.

Sun Xuanyin's face darkened slightly as she listened to this, Ye Chen's reasoning made her feel low.

All Party members were shocked when they listened to what Ye Chen had to say, to be honest Ye Chen was very open about this matter.

What Ye Chen did was so bold, he brought up this matter right in front of Xun Bingje.

Xun Bingje was one of the senior disciples at Black Rose Peak, challenging her would put Ye Chen in quite a bit of trouble.

"You, how dare you say something like that" Xun Bingje had to admit that Ye Chen had some courage, this person was quite brave in going against Black Rose Peak.

"What's wrong, isn't what I said right, everyone in the Sect already knows about this matter" Ye Chen said to Xun Bingje.

Xun Bingje added to the trouble for Ye Chen, this made Ye Chen unhappy about the matter.

Sun Xuanyin alone had given Ye Chen a headache, and now Xun Bingje wanted to find some trouble with him.

"you" Xun Bingje pointed at Ye Chen, he seemed annoyed by the answer given by Ye Chen.

This man in front of him was very annoying, to be honest she didn't really like Ye Chen.

"That's enough, stop now" Seeing the situation getting chaotic, Sun Xuanyin decided to mediate the dispute.

"Don't let this woman upset you, or else" Xun Bingje pointed at Ye Chen, she warned Ye Chen not to provoke her, otherwise Ye Chen would be in trouble.

"Who wants to be close to you, I will try my best to stay away" Ye Chen said to Xun Bingje.

Xun Bingje almost fell, this was the first time she had seen someone reject her, she honestly didn't expect that she would be treated like this by a man.

Xun Bingje could only grit her teeth, she couldn't do anything to Ye Chen, she didn't have the strength to fight Ye Chen.

"Just watch out, I won't let you off so easily" Xun Bingje swore that she wouldn't let Ye Chen go.

"Come on let's go now" Min Caun invited everyone to leave immediately, they all had to leave as soon as they could.

"Let's go" Everyone immediately agreed, they all immediately agreed to leave as soon as possible.

everyone flew, they all went towards the interstellar teleportation place.

This time's quest was not in the Sky Cloud Peak Star Realm, rather it was near the Sky Cloud Peak Star Realm.

The name of the star is Sky Red Gravel Star, it is a small star that belongs to the Sky Cloud Peak Star Realm realm.

That's why they went to the teleportation station to head to the Sky Red Gravel Star.

Ye Chen along with everyone flew towards the teleportation station, they all headed there at full speed.

Since everyone was a cultivator with an above-average cultivation base, they could all fly at a balanced speed.

The teleportation station was at least 1 hour's drive from the Sect, with their current speed, they would arrive in 30 minutes at most.

On the way everyone was chatting with each other, some of the men in the party even started to tease Sun Xuanyin.

Only Ye Chen and Gu Finzu were not involved in this matter.

Gu Finzu didn't come because his partner had tied him up, so he couldn't leave.

While Ye Chen was not very interested, he was less interested in this matter.

Ye Chen was on 100% alert, several times Sun Xuanyin had tried to use her charms on Ye Chen.

Unfortunately Ye Chen was quite strong, he reversed the enchantment used by Sun Xuanyin.

"This man, there is no reaction, is he not interested in women?" Sun Xuanyin felt strange towards Ye Chen, Ye Chen had absolutely no reaction to Sun Xuanyin.

In normal cases, these people usually have a disorder.

"Sister Bingje, that man, he really is very strange." Sun Xuanyin asked Xun Bingje.

"Just ignore that man, he is indeed a little abnormal, he is the only man who can enter the Jade Lotus Peak, so maybe he is having a bit of trouble and isn't interested in the opposite sex" Xun Bingje said to Sun Xuanyin.

"Is it like that?" Sun Xuanyin did not expect that Ye Chen would become like that.

Ye Chen of course listened to what Xun Bingje had to say, to be honest this woman was as annoying as Sun Xuanyin.

Fortunately Ye Chen restrained himself well, Ye Chen thought Xun Bingje's words were nonsense.

"It wouldn't be strange if he tried to dodge." Sun Xuanyin found a bit of a plausible reason why Ye Chen had avoided her.
