

Chapter 181 - Night Still Very Long (2)

Ye Chen had no idea that Su Mengxin was very brave.

after showing it to Ye Chen, Su Mengxin began to swallow everything with one gulp of "Glup. . . ." All of Ye Chen's liquid was swallowed into Su Mengxin's mouth.

Su Mengxin's reaction was different from Fu Lanling's, Su Mengxin felt that Ye Chen's object tasted very good, this was even more delicious than the peach heaven she had ever eaten.

"From Lanling, you still have leftovers on your lips" Su Mengxin pointed to the white thing around Fu Lanling's cherry lips.

Fu Lanling took this white object by using her tongue then swallowed it, this view was very erotic.

"Why don't you share it with me" Zhao Yanyan also wants Ye Chen's Yangqi.

"Sister Yanyan, so far you already know that the taste of this object is very good, I never told us at all, you want to monopolize this thing yourself" Fu Lanling smiled wryly at Zhao Yanyan.

"I have never hidden anything from you, aren't you the ones who don't want to do it with, husband?" Zhao Yanyan tried to defend herself.

Fu Lanling could not answer, it was true that Fu Lanling initially refused, if she knew that this was fun and good for herself and her husband, she would have volunteered to do this.

Su Mengxin did not take part in the debate, she preferred to help Ye Chen clean up the remaining liquid that was still attached to this large object, in an instant Ye Chen's object returned clean.

"You two calm down, the night is still long, let's enjoy this together." Ye Chen tried to convince all his wives not to fight each other.

"Let's change location a bit" after that Ye Chen, Zhao Yanyan, Liu Yue, Fu Lanling and Su Mengxin turned into particles and disappeared from the living room.

They enter the dual cultivation room available inside the fairy gate, here they can do whatever they want.

"Let's get started" Ye Chen took off the pajamas and underwear that all women wore.

Now 4 beautiful women are all naked, no one has a piece of string on their bodies.

Zhao Yanyan, Liu Yue, Fu Lanling and Su Mengxin, have their own characteristics, they all look very beautiful like fairies in fairyland.

Ye Chen wanted to take off his clothes.

"Husband, let me help." Fu Lanling helped Ye Chen undress.

After the clothes were stripped, Ye Chen headed to the side of Zhao Yanyan, Ye Chen looked at Zhao Yanyan's naked body with his breath up and down, this body was very beautiful, before Ye Chen had never dreamed of being able to enjoy such a beautiful body.

Ye Chen began to caress every inch of the skin on Zhao Yanyan's body "Yanyan you're so beautiful" Ye Chen whispered in Zhao Yanyan's ear.

Zhao Yanyan's body wriggled like a worm, Ye Chen's touch began to make her body comfortable and itchy, Zhao Yanyan wanted to immediately feel the majesty of Ye Chen's large object.

Ye Chen opened both of Zhao Yanyan's legs to form the letter M, Ye Chen saw the lips of Zhao Yanyan's pink honey cave.

This made Ye Chen excited, he brought his face close and began to suck Zhao Yanyan's honey cave.

"Ah. . . Husband, don't suck it. "Zhao Yanyan's body trembled because of the pleasure that spread throughout her body, Ye Chen's technique was truly great in just a few seconds Zhao Yanyan was already out.

Zhao Yanyan who had just climaxed was still very sensitive, Ye Chen did not stop at all he kept licking Zhao Yanyan's honey cave.

Zhao Yanyan was made weak by the pleasure given by Ye Chen.

"Husband, don't tease me anymore, I want your things" Zhao Yanyan couldn't take it, she wanted Ye Chen to do immediately.

"Wife, I don't understand what you mean, say it very clearly, if you don't say it clearly how can I understand what you want" Ye Chen rubbed his large object outside Zhao Yanyan's honey cave.

Zhao Yanyan understood that Ye Chen was teasing her "hate it, husband, use your big meat stick to dry me" Zhao Yanyan said in a very sassy voice.

"Alright, this is for you" Ye Chen inserted his large meat stick into Zhao Yanyan's honey cave.

"Ughhhh. . ." Zhao Yanyan was forced, Ye Chen's large flesh stick came in with a jolt into her.

Zhao Yanyan's body almost broke because Ye Chen's object drilled deep into her, this was Ye Chen's first time to drill deep into Zhao Yanyan's body.

In the core of Zhao Yanyan's flower it felt amazing, Ye Chen felt that at this time Zhao Yanyan's honey hole squeezed his property very strongly.

"Very tight" Ye Chen began to move back and forth.

"Husband, slower, you can kill me" Zhao Yanyan asked Ye Chen to be slower, Zhao Yanyan was not yet accustomed to Ye Chen's deep insertion.

every time Ye Chen's object hit Zhao Yanyan's innermost part, Zhao Yanyan's body twitched with pleasure that couldn't be said with a single word.

in Zhao Yanyan's flat stomach, there was a bulge that appeared, it could be seen that there was a large protrusion that rose to the surface, this was Ye Chen's meat stick which was very ferociously drilling Zhao Yanyan's honey hole.

"Wife, don't hold it in, enjoy everything" Ye Chen pumped very fast.

"Ah. . . Husband, my body will break. . . . , I can go crazy. "This pleasure is a new world for Zhao Yanyan, Zhao Yanyan can't believe that the pleasure given by Ye Chen is getting more extraordinary.

All this time Ye Chen had always held back when dealing with all his women, but this time he was very earnest about wanting pleasure.

You can see that Ye Chen's objects almost 4/5 entered Zhao Yanyan.

Normally Ye Chen only used 1/2 to do all the women.

Zhao Yanyan didn't know how many times she had come out, her face showed satisfaction being Ye Chen's woman.

Zhao Yanyan felt so tired he involuntarily fell asleep, Zhao Yanyan passed out because the pleasure was too extraordinary.

Seeing Zhao Yanyan was no longer able to support Ye Chen pulled his younger brother out of Zhao Yanyan's body.

Liu Yue, Fu Lanling and Su Mengxin saw this with shocked eyes.

This was the first time they saw Zhao Yanyan defeated in just 5 minutes.

Although not as strong as Fu Lanling, Zhao Yanyan usually still can last for several hours, but this time Zhao Yanyan can only last for 5 minutes.

What kind of pleasure can make Zhao Yanyan become like this.

Ye Chen pulled Liu Yue to his side "Yue dear, now is your turn." Ye Chen first smoked Liu Yue's two cherries.

"Iyahhhh. . . . ", Liu Yue shouted very sassily.

Ye Chen knew that the sensitive part of Liu Yue, was the two peaks of this mountain, every time Ye Chen played this large object, Liu Yue would definitely not be able to stand it.

Ye Chen began to bite, suck and pull Liu Yue's cherries.

"Well, husband, that's amazing." Liu Yue was happy with how Ye Chen sucked her two cherries.

After seeing that the preparation was enough, Ye Chen told Liu Yue to kneel, he placed his hands on Liu Yue's buttocks.

Ye Chen's younger brother began to aim at Liu Yue's honey cave which was already very wet with water.

"Wife, are you ready? Ye Chen asked Liu Yue, whose face was currently sinking into the pillow.

Liu Yue was ashamed of the position she was doing, she felt this was a shameful way to make love.

Chapter 182 - Night Still Very Long (3)

Ye Chen did not immediately put it in Liu Yue's honey cave, he first wanted to hear Liu Yue ask him to put his belongings in Liu Yue's hole.

Ye Chen rubbed his large object around Liu Yue's honey cave.

Liu Yue was very itchy, she felt very uncomfortable. "Husband, quickly put it in." Liu Yue took the object belonging to Ye Chen and guided him to her honey.

After finding an entrance to drill, Ye Chen immediately drove his object into Liu Yue's honey cave.

"Uhhhhh. . . ." Liu Yue felt a very full feeling, Ye Chen's object entered Liu Yue's deepest flower path.

Liu Yue began to feel that the flower's core was broken due to Ye Chen's object being too big.

Without waiting for Liu Yue to adapt Ye Chen immediately did the piston up and down.

"Ah. . . ., ah. . . ., ah. . . ., ah. . . ., ah. . . .," Liu Yue bit down on the pillow to resist Ye Chen's invasion, which was too strong.

Her body felt like she was in a sea that was very very bumpy, even though it was a bit sick, her body enjoyed the pleasure she got from the large object Ye Chen.

"Husband, your big object is very strong, Yue can be destroyed by it" Liu Yue screamed hysterically, she felt that her mind was already very chaotic.

What was on Liu Yue's mind right now was enjoying this pleasure.

"Do you not like my big thing?" Ye Chen asked whether Liu Yue liked his big object or not?.

"Well, I really like it, ah. . . ., yours is very big, this makes me comfortable." Liu Yue expressed the pleasure that her body and mind received.

Now that Liu Yue knew how strong Ye Chen's objects were, it was proper for Zhao Yanyan to make a satisfied face, apparently this pleasure was extraordinary.

Liu Yue shouted like a prostitute, the business queen who usually acted with great authority tonight moaned under Ye Chen's body.

"Husband, I'm out, ahh." Liu Yue easily reached the top.

Ye Chen did not stop moving at all, instead he accelerated the speed of pumping, right now he had to make Liu Yue remember a pleasure that would never be forgotten.

10 minutes later Liu Yue lost consciousness and fainted, Liu Yue's sleeping face looked very happy.

Until now Ye Chen hadn't come out yet, his large meat stick was still as hard as before.

"It's time for your turn" Ye Chen hugged Fu Lanling and Su Mengxin at the same time.

Fu Lanling and Su Mengxin were currently in Ye Chen's arms, Ye Chen kissed Fu Lanling's lips and Su Mengxin alternately.

Fu Lanling and Su Mengxin can work together very well.

Not satisfied with kissing Ye Chen playing with the two mountain peaks that belonged to Fu Lanling and Su Mengxin.

Fu Lanling's is a little smaller than Su Mengxin's, Fu Lanling has an E Cup size while Su Mengxin F Cup, Fu Lanling's is more resilient and flexible, while Su Mengxin feels softer and smoother.

Both Su Mengxin and Fu Lanling have their own characteristics.

When thinking of the two mountain peaks that belonged to Fu Lanling and Su Mengxin Ye Chen had an idea "wife, can you two help me with something?" Ye Chen whispered something to Fu Lanling and Su Mengxin, he wanted the two women to do something for him.

Fu Lanling and Su Mengxin looked at each other as they nodded in agreement with Ye Chen's request.

Ye Chen was very happy to know that these two women wanted to do what he wanted.

Ye Chen immediately lay on his back, Fu Lanling and Su Mengxin were on Ye Chen's left and right sides, they both knelt under Ye Chen's crotch.

Fu Lanling and Su mengxin brought their two mountain peaks closer and began to wrap Ye Chen's younger brother.

"Yeah. . . ."Ye Chen felt he was surrounded by two very soft objects, this feeling was quite comfortable for him.

Fu Lanling and Su Mengxin saw how Ye Chen was enjoying this, both of them started eagerly shaking the objects Ye Chen was using their soft milk.

Every now and then the two peaks of cherry blades Fu Lanling and Su Mengxin rub against each other which made their bodies both aroused.

Because Ye Chen's object was too big, Fu Lanling and Su Mengxin couldn't completely wrap Ye Chen's object, Ye Chen's object came out of the gap created by Fu Lanling and Su Mengxin.

Seeing this Ye Chen object, Fu Lanling wanted to eat it once again, she was addicted to Yangqi released by this object.

"Slurpppp. . . ., Slurpppp. . . ., Slurpppp. . . .,"Fu Lanling sucked Ye Chen's object very strongly.

Su Mengxin also began to lick Ye Chen's shaft, he and Su Mengxin took turns serving Ye Chen's objects by mouth.

Ye Chen saw how the two women were passionate, Ye Chen could not take it anymore, he erupted white magma all over Fu Lanling and Su Mengxin's upper body.

Fu Lanling and Su Mengxin were not ready to accept this, they only knew that their entire face was covered in white and warm objects that Ye Chen had just released.

In order not to waste Yangqi Ye Chen, the two of them began to lick each other.

Ye Chen saw how Fu Lanling became a lustful woman.

When he first met, Fu Lanling was an ancient woman, he had not thought that within a few days Fu Lanling would be a very brave woman like this.

It seems like after hanging out with Zhao Yanyan, Liu Yue and Su Mengxin Fu Lanling's thinking patterns began to change.

After everything was clean they looked at Ye Chen passionately.

"Husband, we want to" Fu Lanling and Su Mengxin both want Ye Chen to do a small hole that belongs to both of them.

Ye Chen piled these two women into One, below was Fu Lanling and above was Su Mengxin.

The two honey caves belonging to Fu Lanling and Su Mengxin overlap, both having red colors and different characteristics.

Since the two were already wet enough Ye Chen could easily get inside, the first to enjoy Ye Chen's large object was Fu Lanling.

When Ye Chen's large object entered, Fu Lanling's body formed an arc.

Ye Chen could put all his possessions into Fu Lanling's body, Fu Lanling's cave was deep enough to be able to eat all of Ye Chen's objects and only leave a little.

Ye Chen had crashed into a dead end, he could no longer put his belongings into Fu Lanling Cave, the depth of Fu Lanling's honey cave might be influenced by Fu Lanling's high body factor.

Ye Chen started pumping inside Fu Lanling's body, Fu Lanling continued and continued to moan, enjoying Ye Chen's large meat stick.

"Ahh. . . . , husband, I came out "after 2 minutes Fu Lanling came out.

Ye Chen immediately pulled out his object and put it in Su Mengxin's.

After Ye Chen's large object entered Su Mengxin immediately closed her teeth to endure Ye Chen's pain.

Su Mengxin had no idea that Ye Chen's object had entered into a part that had never been explored before, this was very different from last night, last night Ye Chen's object had only entered half, but this time, almost all of Ye Chen's objects had entered her honey cave.

After a while the pain begins to disappear, the pain is replaced by unrivaled pleasure.

"Ah Husband, you are so great, I will be your wife forever. "Su Mengxin could not possibly leave Ye Chen, he would always be loyal with Ye Chen.

Her heart, body and mind had been dominated by Ye Chen.

After Su Mengxin reached the peak, Ye Chen re-entered Fu Lanling.

Ye Chen continued to do this until the two women fainted.

Zhao Yanyan and Liu Yue were awakened by the loud sounds made by Fu Lanling and Su Mengxin.

Seeing Zhao Yanyan and Liu Yue waking up, he hurried to the side of the two women to have intercourse again, Ye Chen wanted to bring out his essence in the wife's honey cave

Tonight will be a sleepless night for these four people.

In the night sky of the fairy gate there was a woman flying with her wings.

This was Chu Yuechan, Chu Yuechan looked towards the dual cultivation room where Ye Chen was, because Ye Chen and Chu Yuechan were connected, Chu Yuechan could see how Ye Chen was having fun with Zhao Yanyan, Liu Yue, Fu Lanling, and Su Mengxin.

They all seemed to really enjoy the dual cultivation session with Ye Chen "master, I hope you soon become strong, I'm very impatient having fun with you" Chu Yuechan giggled, she then disappeared from the night sky.

Chapter 183 - Seventh Sword Sect Sect Disciples

At the moment on top of a building stand two people in old Chinese clothes. On their backs are hung a sword.

one of them carried three back swords, another one carried two swords on his back

"Xiao Kim, so this was where you lived when you were in the mortal world?" The man with three swords on his back asked Xiao Kim.

"Jin Wu's brother is my family 20 years ago, even though I have entered the path of a cultivator I still cannot forget them" The man by the name of Xia Kim spoke to Jin Wu.

The names of these two people are Xiao Kim and Jin Wu, Xiao Kim is in the first stage of the Earth Realm, while Jin Wu is at the peak stage of the Earth Realm.

both of them were disciples of the Seventh Sword Sect sect.

"Worthy of your speed in long cultivation, it turns out you still cannot leave your mind from the mortal world, Xiao Kim, if you want to become a great cultivator you must forget the mortal world and focus on the world of cultivators" Jin Wu who is a senior advises Xiao Kim to forget life mortal world.

As cultivators they can live for hundreds of years, whereas mortal humans are on average short-lived, there is no point in having a relationship with mortals even though it is a family.

"Well, I know, but I still can't do that, blood ties are thicker than anything else" Xiao Kim frankly couldn't do what Jin Wu said.

"I understand, we only have a few days to stay in the mortal world, if the master comes back and does not find our whereabouts, we will definitely be punished by the master." Jin Wu said that if they did not return on time, then the master would give a punishment for leaving the sect without permission.

"Brother Jin Wu, where exactly has the master gone? I only know the master will go away for a few days, but I don't know where the master will go" Xiao Kim doesn't know where their master is going.

"Master, currently going to the big 4 sect meeting, I don't know the full details" Jin Wu told me where the master had gone.

"I understand" Xiao Kim doesn't ask many questions anymore, he knows that, he hasn't been able to find out more details.

"Let's go" Xiao Kim invited Jin Wu into the Xiao family's residence.

Xiao Kim knocked on the door of Xiao's residence, a few moments later the door was opened, the person who opened the door was Xiao Luman.

"Who are you guys?" Xiao Luman's first reaction was to ask who these two people were.

Xiao Luman was afraid when he saw these two men carrying a sword on their backs, he began to think that this was a killer sent by someone.

Xiao Kim had no idea who this young man was, but this young man's face was almost similar to his brother's.

"Is your father inside?" Xiao Kim asked if Xiao Luman's father was in the house.

"Of course, let me call" Xiao Luman feels familiar with people who are looking for his father, he immediately went to call his father.

Xiao Luman walked a little unsteady, Xiao Luman's back still hurt because he was kicked by Ye Chen, Xiao Luman really wanted to take revenge on Ye Chen for the treatment he received yesterday.

A few moments later, Xiao Luman's father came, Xiao Luman's father was named Xiao Lim.

"Brother, you're back," seeing who was at the doorstep Xiao Lim welcomed.

"My brother, it's been a long time since we met" Xiao Kim hugged Xiao Lim's body very tightly, he just missed his brother.

"Brother Kim, you haven't changed at all in the past two decades." Xiao Lim was surprised to see Xiao Kim not aging at all, she still looks like 20 years ago.

"Hahaha, you can do it" Xiao Kim laughed at this praise.

"Kim's brothers, who is this?" Xiao Lim asks who is the man next to Xiao Kim,

"This is my senior Jin Wu in the sect" Xiao Kim looks very respectful of Jin Wu.

"Greetings Senior Jin" seeing how his brother highly respects Jin Wu, Xiao Lim also respects Jin Wu.

Jin Wu only nodded and didn't say much.

"Let's go in, a meal has been prepared." Xiao Lim invited these two people to enter the house.

"What father is uncle, why is he still so young" Xiao Luman was shocked to see that his uncle was still very young, his uncle's age should be above Xiao Luman's own father, so Xiao Luman thought his uncle looked like a middle-aged man.

"That's because he is a cultivator, he is difficult to age," Xiao Lim told me that cultivators have a longer life than ordinary humans.

"Oh" Xiao Luman nodded at his father.

Xiao Lim and Xiao Luman went to the dining room at the banquet hall, there is currently a middle-aged man sitting on a chair.

This is Xiao Luman's grandfather, he is named Xiao Xian.

"Welcome" At this time Xiao Xian welcomed the arrival of Xiao Kim and Jin Wu.

"Dad" Xiao Kim bowed to his father, it's been 20 years he has not met his father.

"You are still the same as before, never change" Xiao Xian saw that Xiao Kim still looks the same as 20 years ago.

"Let's eat" Xiao Xian asked everyone to take their seats.

Xiao Kim and Jin Wu took their seats, on the table there was a lot of food that had been prepared very carefully.

Even the most expensive wine is available on the table, Xiao Xian poured his dinner into his glass "Let's toast" Everyone followed what Xiao Xian did.

Only Jin Wu was still silent, he didn't want to try wine from the mortal world, he had already tried the taste of wine in the mortal world, it tasted very bad.

Seeing that Jin Wu did not want to drink, Xiao Xian did not mind this, he could not possibly force a cultivator to do what they did not want.

After a toast at the start of the meal, Xiao Lim and Xiao Xian immediately asked about the experience Xiao Kim had been through for the past 20 years.

They even asked why in 20 years Xiao Kim had never returned to this family.

Xiao Kim answered Xiao Lim and Xiao Xian's questions, some of the questions were not answered by Xiao Kim because it was a sect's secret that should not be leaked.

If Xiao Kim divulges the sect's secrets, then he will be executed by the sect, even his family in the mortal world will not be released by the Seventh Sword Sect.

That's why Xiao Kim was very careful when answering questions related to the sect.

"Uncle, I want to ask for help from you" Xiao Luman asked Xiao Kim for help.

"What help?" Asked Xiao Kim.

"I want you to teach someone, yesterday that person beat me up" Xiao Luman wants his uncle to teach Ye Chen a lesson.

at least make it deformed, or lie in a hospital bed for several months.

"Who is that, tell me, no one can bully Xiao's family" Xiao Kim was very angry to hear someone dare to bully his family

"That is Ye Chen, this is his photo" Xiao Luman gave Ye Chen's photo to Xiao Kim.

Xiao Luman told the members of the martial arts club to secretly photograph Ye Chen

Xiao Kim accepted Ye Chen's xylophone "is this the person who beat you?" Asks Xiao Kim.

"Yes, that person is someone who has beaten me very hard" Xiao Luman exaggerated the problem in front of Xiao Kim.

"Calm down, I will report the account you have" After this Xiao Kim intends to look for Ye Chen's whereabouts.

Jin Wu was not at all interested in this matter, with Xiao Kim's power dealing with this person it would be very easy.

even if Xiao Kim wanted to kill Ye Chen, Jin Wu would not interfere, for him people in the mortal world such as ants, these people's life and death were nothing to him.

Xiao Kim took a spell paper, Ye Chen's picture was placed on this spell paper, the spell paper turned into an origami bird.

The basic principle of this origami bird is the same as a drone, it will monitor every corner to look for Ye Chen, the difference is that it can search for people more easily and a wider range.

now this origami bird will look for Ye Chen's whereabouts, Xiao Kim only needs to wait for the results.

Chapter 184 - Ye Chen Got A Few Rare Items

Ye Chen woke up from his sleep, he looked around, at this time Zhao Yanyan, Liu Yue, Fu Lanling and Su Mengxin were still asleep, the four of them looked very exhausted from doing dual cultivation with very insanity.

"Hey Yanyan, wake up" Ye Chen tried to wake Zhao Yanyan.

"Husband, let me sleep longer, I'm still sleepy" Zhao Yanyan was delirious, she still did not want to wake up from her sleep.

Ye Chen also tried to wake Liu Yue, Fu Lanling and Su Mengxin, all of whom could not get up, they said too tired.

Ye Chen smiled, it seemed like he was too excited when he did it last night, to the point that Zhao Yanyan and the three women looked very exhausted.

Thanks to Yinqi obtained from Zhao Yanyan, Liu Yue, Fu Lanling and Su Mengxin, Ye Chen easily broke through the fifth level Overlord Realm.

Zhao Yanyan also broke through, he was now at the third level of the Earth Realm, Ye Chen was quite surprised by the three-level breakthrough done by Zhao Yanyan.

Liu Yue was now in the eighth level of Spirit Profound Realm.

Su Mengxin was the lowest, currently he was in the 9th level of the Realm spirit formation.

Whereas for Fu Lanling it was still the same as before half a step towards the Divine Realm, Fu Lanling was still having trouble breaking through to the next level, maybe she had to do Dual Cultivation with Ye Chen a few more times to break through to the Divine Nascent Realm level.

Seeing everything still did not want to get up, Ye Chen left the dual cultivation room alone, he went to the training ground to stabilize his strength.

Ye Chen crossed his legs in the middle of the practice room, after several hours finally Ye Chen's strength became stable.

"Are you done? Chu Yuechan appeared next to Ye Chen.

"Yes, is Zhao Yanyan and the other women awake?" Ye Chen asked whether Zhao Yanyan and the women were awake.

"Not yet, they are all still sleeping, isn't that your fault for being too strong while doing everyone, giggling?" Chu Yuechan teased Ye Chen.

"You. . . ."Ye Chen pointed at Chu Yuechan, he had no idea that Chu Yuechan peeked at what Ye Chen and all the women had done last night.

"You always ask the situation of Zhao Yanyan etc., are you still not satisfied after doing it last night" Chu Yuechan slightly pulled the shirt with a chest to tease Ye Chen.

Today Chu Yuechan was wearing clothes that were topped open, Ye Chen could even see Chu Yuechan's gap, right now Chu Yuechan was pulling her shirt so that it attracted Ye Chen's interest to peek.

Ye Chen wanted to come closer and see the contents inside Chu Yuechan's clothes. Chu Yuechan didn't let Ye Chen succeed, she immediately took a few steps back.

"If you want why don't you try to catch me" Chu Yuechan giggled.

Ye Chen began to remember that in the past he could not catch Chu Yuechan "this time I definitely can catch you" Ye Chen was already very confident, now he was much stronger than before when Ye Chen first met with Chu Yuechan.

Ye Chen naturally still remembered what Chu Yuechan had promised, if Ye Chen had become strong and could surpass him, Chu Yuechan would gladly serve Ye Chen in bed.

Again Ye Chen played the chase with Chu Yuechan, with Ye Chen's current strength, he still could not capture Chu Yuechan.

"Master, you still can't catch me, you should do the Dual Cultivation more actively to become stronger, I will see the situation in the dual cultivation room" after saying this Chu Yuechan disappeared from the practice room.

"Damn, I'm being played again" Ye Chen was not satisfied being played by Chu Yuechan.

"Just watch, one day there will definitely come a time when you scream under my body" Ye Chen began to fantasize about Chu Yuechan who looked lustfully while in bed.

"Ye Chen wants to see if the fairy gate has leveled up ?, he opened the fairy gate status window.

Lvl: 5

Name: Ye Chen

Age: 19 years old

Strength: fifth level Overlord Realm

Inherited: God of Sage

Techniques: The King's Heart Technique, Dewa's Road Technique, Step Nine Shadow, DESOLATE PALMS Technique, breaking meteor blow

one hundred thousand fire Swords.

(Author's note: Other Technical Details follow).

Woman: Zhao Yanyan, Liu Yue, Fu Lanling, Su Mengxin

Current Exp: 50/789.

Ye Chen had no idea that the fairy gate had risen 2 levels, it seemed like this was because Ye Chen often practiced and Dual Cultivation with his women.

Ye Chen couldn't wait to see what he could get from increasing the level of the fairy gate.

items that Ye Chen obtained "1x 100,000 year old ginseng deity, 1x dual dragon cauldron, 1 x silk snow shawl artifact, x immortal pill 1 x, 3 x piller pillar, level 1 artifact warehouse open, purification arrays in an open medicine garden.

Ye Chen began to look at each item he got, the first was 100,000-year-old god ginseng, this could be a mixture for making pills together with the Golden Lotus Flower. Ye Chen wanted to see how it would effect if these two items were made into a pill.

Unfortunately Ye Chen did not dare to mix the pill because the level of difficulty was equivalent to pill tier 6 or tier 7, at this time Ye Chen was only able to make the tier 4 pill even though the success rate was still 80%, he still had a lot to practice with fire control so as not to burn the medicinal ingredients. .

To practice alchemy skills, one must continue to make a pill repeatedly in order to become accustomed to the process.

The second item is a dual dragon cauldron, this is a furnace to make a pill, this furnace has dragon heads on both sides, Ye Chen read the description of this item, dual dragon cauldron, a furnace that can increase the success rate in concocting a pill up to 50%, this too can multiply the pills that can be produced.

After reading the great dual dragon cauldron, Ye Chen was very happy, this furnace could be said to be a very rare treasure for an alchemical cultivator.

The third item is a silk snow shawl, this is a tier 6 weapon that is very suitable for cultivating ice elements, unfortunately Ye Chen doesn't have a wife who cultivates Ice elements, so for now this item isn't very useful.

The fourth item is the eternity pill, people who take this pill will extend the essence of life up to 300,000 years. This pill only has one x effect, so one cannot take this pill twice or it will be useless, this is a very

rare item or Not even in the God Realm, if this was known by the people in the God Realm it would definitely cause chaos on earth.

Maybe this could Ye Chen give to Gu Xuan who was very old, unfortunately Ye Chen didn't know where the master was at this moment.

The fifth item is pill pill, if taken this pill can increase the strength of the user up to 25x fold within a period of 15 minutes, there are no side effects after taking this pill.

This was a very extraordinary pill, this was what Ye Chen could use in dangerous situations.

There are two new functions that open at the fairy gate, the first is warehouse level 1 artifacts, in this warehouse is stored a lot of artifacts ranging from tier one to tier 3, although the tier is low, Ye Chen doesn't complain, this is free stuff so he has to be thankful to be able get lots of artifacts for free.

The second function is a purification array, this array can make the drug become very pure, this way the medicinal properties will increase even more effectively.

everything Ye Chen got were very useful items, the energy that was inside the fairy gate also became purer. In this way the speed of Ye Chen's and women's cultivation would become much faster.

Ye Chen wanted to check the medicinal garden, whether the medicinal plants he had planted were fertile or not, Ye Chen also planted immature medicinal plants in the medicinal garden, immature plants that Ye Chen got from the Holy Land of Kunlun, at that time several plants were Ye Chen took it very young and it was not yet time to be picked, that's why Ye Chen planted them back in the medicine garden.

Chapter 185 - I Think You're Much More Beautiful Than This Flower

When Ye Chen arrived at the medicinal garden, he saw an astonishing sight, at this time the little fox Ye Xiu was eating some of the high-quality medicinal plants in the garden.

Seeing this Ye Chen immediately ran towards Ye Xiu's little fox, he immediately pulled Ye Xiu away from the medicinal plants in the medicinal garden.

"Nyuuu. . . . , nyuu. . . . "Ye Xiu tried to get away from Ye Chen, she seemed to dislike it when Ye Chen bothered her while eating medicinal plants.

"Naughty fox, how dare you eat my medicinal herbs" Ye Chen scolded Ye Xiu's little fox.

Ye Chen had no idea that this fox could come out as she pleased, he thought Ye Xiu could only come out when Ye Chen called her out, apparently Ye Xiu could come out as she pleased.

It would be dangerous for all the medicinal plant assets that Ye Chen had, Ye Chen had to immediately use a barrier to protect the medicinal garden from Ye Xiu's little fox.

Ye Xiu turned her face to the side, she looked angry at Ye Chen.

"Husband, what are you doing" Zhao Yayan and Chu Yuechan came over to Ye Chen.

Zhao Yayan walked with a slight limp, it seemed like the bottom of Zhao Yayan was swollen from being too strong when entered by Ye Chen's object.

"I'm catching a small pest that's eating my medicinal garden" Ye Chen showed Ye Xiu.

"Hehehehe, maybe you didn't feed her enough so she stole in this garden" Chu Yuechan chuckled.

"Every day I have given her enough food, this little fox is too greedy" Every day Ye Chen had fed Ye Xiu, this little creature was still not satisfied with the food Ye Chen gave and stole in this medicinal garden.

"Husband, how can you be so stingy about this funny creature?" Zhao Yanyan took Ye Xiu from Ye Chen's hands.

Zhao Yanyan likes funny things, so she was very kind to Ye Xiu, Zhao Yanyan always spoiled Ye Xiu by giving her heaven peaches or medicinal plants in this medicinal garden.

"Instead I was stingy, medicinal plants are something that is very valuable to increase strength, if I let this little fox eat everything, then what about our fate" Ye Chen would not let the fox Ye Xiu eat all the medicinal plants in the medicinal garden.

"Yuechan, is there a special barrier function available at the fairy gate" Ye Chen asked Chu Yuechan to know about the details of the fairy gate.

"Of course there is, if the blocking function is activated except for you, no one can enter this medicinal garden, including your woman too, will not be able to enter," Chu Yuechan explained to Ye Chen.

"I understand, just activate that function, I don't want the medicinal ingredients that are here exhausted by this little fox" Ye Chen told Chu Yuechan to activate the blocking function.

Chu Yuechan waved her hand, immediately a transparent barrier enveloped the entire medicinal garden.

Ye Xiu broke free from Zhao Yanyan's embrace, she used her tail to try to attack the barrier that covered the medicinal garden.

"Clank. . . . "Ye Xiu's tail punch did not make the barrier unmoved, this barrier was very strong, Ye Xiu could not possibly destroy this barrier.

"Now the problem is over" Ye Chen was happy that the problem was finally over, now the Ye Chen medicine garden was safe from predator Ye Xiu.

"Nyuu. . . , nyuu. . . , nyuu. . . , nyuu. . . "Ye Xiu protested to Ye Chen, she was angry because her favorite eating place was closed by Ye Chen.

"Calm down, this is for you" Zhao Yanyan tried to calm Ye Xiu by giving her a heavenly peach, Zhao Yanyan knew that Ye Xiu was very fond of heavenly peaches.

Initially Ye Xiu refused the peaches in front of her, she was not easy to bribe with just one peach.

seeing one peach could not bribe Ye Xiu, Zhao Yanyan released one more "what if two" Zhao Yanyan showed two peaches in both hands.

Ye Xiu immediately took the two peaches from Zhao Yanyan's hand, Ye Xiu's fox was very easy to guess.

Zhao Yanyan stroked the head of Ye Xiu who was eating a heavenly peach.

"Oh yes, husband, you should buy clothes for Lulu, I see that Lulu only has 3 sets of maid clothes, she has no other clothes." Zhao Yanyan told Ye Chen to buy some clothes for Xiao Lulu.

Actually Zhao Yanyan wanted to give some of her clothes, unfortunately it was too small to be used by Xiao Lulu, especially on the chest of Xiao Lulu which was bigger than Zhao Yanyan.

For this reason Zhao Yanyan wanted Ye Chen to invite Xiao Lulu to shop for new clothes, another reason was for the two to become closer, Zhao Yanya was sorry to see Xiao Lulu always left at home alone.

"Alright, then I'll take Xiao Lulu to shop for new clothes." Xiao Lulu has worked hard enough, giving a little gift isn't too bad.

"What are you waiting for, hurry up and go" Zhao Yanyan pushed Ye Chen away from the fairy gate.

"But" actually Ye Chen still wanted to stay at the fairy gate for longer, he wanted to see the artifact warehouse that had just opened.

"Hurry up, Lulu is now alone in the villa" Zhao Yanyan looked like chasing Ye Chen out of the fairy gate.

Because Zhao Yanyan insisted, Ye Chen came out of the fairy gate, when he appeared in the living room of the starting place where he entered the fairy gate.

Ye Chen searched for Xiao Lulu's whereabouts, Xiao Lulu was currently in the front yard, Ye Chen wanted to find out what Xiao Lulu was doing in the front yard.

When Ye Chen reached the front yard, he saw Xiao Lulu watering flowers around this place, it seems like Xiao Lulu was very fond of ornamental plants like flowers.

Ye Chen approached Xiao Lulu who was watering the plants.

heard someone approaching, Xiao Lulu immediately turned around "Big Brother Ye Chen, you are awake" Xiao Lulu greeted Ye Chen with a smile.

"Well, I just woke up" Ye Chen was standing next to Xiao Lulu.

"Just what are you doing" Ye Chen was asking what Xiao Lulu was doing.

"I am enjoying the beauty of these flowers, the flowers planted by sister Lanling are very beautiful, I have never seen such beautiful flowers even when I still live in the village" Xiao Lulu admired the flowers embedded in the front yard of Ye Chen's villa.

If I'm not mistaken this flower is similar to the flower inside the fairy gate, it looks like Fu Lanling took this flower from the fairy gate, then planted it in the front yard of Ye Chen Villa.

"Yeah, you're right this flower is beautiful, but in my opinion you're much more beautiful than this flower," Ye Chen told me the truth.

After hearing Ye Chen's words, Xiao Lulu's face turned red, for some reason Xiao Lulu was happy when she was praised by Ye Chen, Xiao Lulu didn't dare look at Ye Chen.

"Big brother Ye Chen, I will prepare breakfast for you" Xiao Lulu tried to run away by making an excuse.

"No need, come with me" Ye Chen held Xiao Lulu's hand to stop her from running away.

Chapter 186 - Buy Clothes For Xiao Lulu

Ye Chen pulled Xiao Lulu off to the car garage.

"Um, big brother Ye Chen, where are we going?" Xiao Lulu shyly asked where Ye Chen would take her away.

"You've just come with me" Ye Chen continued to ride Xiao Lulu to the car garage.

"Get in the car" After arriving in the garage Ye Chen told Xiao Lulu to get into the car immediately.

After making sure Xiao Lulu had gotten into the car, Ye Chen was inside.

Ye Chen immediately drove his car to the center of the workshop, Xiao Lulu only dared to bow her head, she was embarrassed when she was alone with Ye Chen.

10 minutes later Ye Chen arrived near the shopping center, here there were lots of clothing stores from various brands, and various prices.

Xiao Lulu put her arm around Ye Chen's arm, she was not used to such a place of peace, moreover there were so many people staring at Xiao Lulu, maybe Xiao Lulu's maid outfit was too conspicuous for everyone to see.

"Let's go find the best clothing store" Ye Chen took Xiao Lulu to go looking for the best clothing store in this place.

Xiao Lulu thought that Ye Chen wanted her to accompany him to buy clothes.

After touring Ye Chen finally found a clothing store that has a well-known brand name.

"Welcome sir and miss. Can I help you?" When Ye Chen entered he was welcomed by the female employee at the door.

At first the female employees were very happy that a handsome man came to this shop, but after seeing next to a beautiful and cute woman, the female employees felt they had no chance to get Ye Chen.

"Please help me to find clothes that suit her" Ye Chen pulled Xiao Lulu forward so that female employees could see it.

Xiao Lulu was surprised to hear that Ye Chen wanted to find clothes for her.

The female staff see that Xiao Lulu is very cute like a doll, all the clothes will definitely be suitable for Xiao Lulu.

"Alright, let me find her the best clothes." The female employee was very impatient to pull Xiao Lulu into the dressing room.

"Big brother Ye Chen" Xiao Lulu called Ye Chen, she felt kidnapped by this female employee .

Ye Chen smiled at Xiao Lulu's behavior "calm down, let her choose some clothes that are suitable for you" Ye Chen tried to convince Xiao Lulu to cooperate with the female employees.

The service here is very good, while Ye Chen was waiting for Xiao Lulu to change clothes, he was given warm tea by the workers who were here.

5 minutes later Xiao Lulu came out of the dressing room "Buft ..." Ye Chen sprayed all the tea he had just drunk.

Ye Chen was surprised to see Xiao Lulu, right now Xiao Lulu was wearing a white bride dress that looked very beautiful, a shy expression adding to Xiao Lulu's allure.

"Wow, so cute and pretty" Some female employees took Xiao Lulu's photo, Xiao Lulu's face turned red.

Looks like these employees are playing with the cuteness that Xiao Lulu has.

"Come here, let your boyfriend assess your current appearance" The female employee invited Xiao Lulu to come towards Ye Chen.

"I'm not his girlfriend" Xiao Lulu tried to refute what was said by this female employee.

for the shy expression female employee made by Xiao Lulu, instead convinced her that Xiao Lulu was Ye Chen's girlfriend.

"Sir, do you like the clothes we chose, you see that your woman looks very beautiful and cute, while wearing a bride's dress" The female employee wants to show the cuteness that Xiao Lulu has.

"Well, she's very pretty and cute, but can you give her clothes that look a little more normal" Ye Chen asked the female employee to give normal clothes to Xiao Lulu.

Xiao Lulu ran into the dressing room, she couldn't stand being embarrassed while wearing these clothes.

"Sir, you are very fortunate to have a cute and beautiful girlfriend, all the clothes will definitely be suitable for her to wear." The female employee went back to Xiao Lulu to choose some clothes.

Finally, Xiao Lulu wants to come out, this time the clothes worn by Xiao Lulu are fashionable clothes with knee-length skirts and the upper part wearing clothes that are full of glitter decorations.

Xiao Lulu looks very suitable when wearing these clothes.

Seeing Ye Chen not say anything, Xiao Lulu immediately asked "Big brother Ye Chen, how do I look, does it look strange to me" this is the first time Xiao Lulu wears such fashionable and expensive clothes, usually Xiao Lulu only wears clothes ordinary already a little worn.

"You are very beautiful, let's see yourself" Ye Chen led Xiao Lulu to the large mirror in this shop, in this large mirror Xiao Lulu could see herself more clearly.

Xiao Lulu looked in the mirror, right now he was hugged by Ye Chen from behind, Xiao Lulu's face turned red again.

"Sir, how is it? do you like it?" the female employee immediately asked Ye Chen if the combination she chose was suitable for Xiao Lulu to use.

"Well I like it, we'll take this" Ye Chen likes to see Xiao Lulu's appearance wearing normal clothes, although maid outfits are still the best when it comes to male fetishes: V.

"Sir, are you just going to buy this or still want to try something else" the female employee asked whether Ye Chen still wanted to buy more clothes.

"No, that's enough." Xiao Lulu answered, this outfit was already very expensive, Xiao Lulu saw the price strips still attached to this outfit, this outfit was almost worth 10,000 dollars, this was an amount that Xiao Lulu had never imagined for an outfit single.

"I'll buy a few more, so please choose the best one in this store." Ye Chen still wanted to buy Xiao Lulu a few more clothes.

"Big Brother Ye Chen, that doesn't need to be enough for me." Xiao Lulu didn't want Ye Chen to buy clothes that were very expensive.

For Xiao Lulu to be accepted at Ye Chen's house as a blessing, Xiao Lulu didn't want to bother Ye Chen too much for clothes.

"You don't need to worry, I bought this as a present because you did a great job, so don't refuse it" Ye Chen stroked Xiao Lulu's head.

Xiao Lulu closed her eyes and enjoyed Ye Chen's touch.

"Now work together with employees so that we immediately go home" Ye Chen told Xiao Lulu to work with female employees to quickly get the clothes they wanted.

Xiao Lulu nodded, she went with the female employees to try on some clothes.

Within 1 hour Xiao Lulu had tried dozens of clothes, all of which were really suitable for Xiao Lulu to wear, of course Ye Chen bought all these clothes, Ye Chen almost spent 300,000 dollars on all the clothes that Xiao Lulu tried.

The female staff was also very happy to help Ye Chen, this way she would get a lot of bonuses.

After finishing paying for all the clothes, Ye Chen left with Xiao Lulu to find a restaurant to find food.

Xiao Lulu doesn't ask much, as long as it can be eaten and tastes good then there's no problem with the location.

Chapter 187 - Blocked By Enemy

Ye Chen took Xiao Lulu to go to the fast food restaurants around here, though it wasn't too fancy it seemed that Xiao Lulu really enjoyed the food here.

Some people who were buying food occasionally glanced at Ye Chen and Xiao Lulu, a handsome young man and a beautiful woman would definitely attract a lot of public attention.

Xiao Lulu didn't pay much attention to these people, she was now enjoying a meal together with Ye Chen.

Ye Chen was happy to see how Xiao Lulu ate, she was like a child who had good food.

"Don't be in a hurry, look at the sauce stain on your cheek" Ye Chen wiped the sauce stain on Xiao Lulu's cheek.

Xiao Lulu was very ashamed, she was enjoying this too much, until she didn't realize there was a stain on her cheek.

When Ye Chen and Xiao Lulu were cool eating, in a corner of a tree there was an origami bird who was watching Ye Chen's movements, this origami bird had found Ye Chen's whereabouts, after finding Ye Chen's whereabouts had returned ownership to report the results.

After finishing eating, Ye Chen immediately invited Xiao Lulu back to the villa.

On the way back to the villa, the road around here is very quiet, no one passes through this area

Seeing this oddity Ye Chen continued to drive the car forward, a few moments later in front of two people standing in the middle of the road, they were both carrying a sword on the back, this sword was not a toy sword, this was real.

Ye Chen began to suspect this was a killer sent by the Yun family to kill him, Ye Chen felt he only had enemies from the Yun family, so it was likely the Yun family was the one who sent a murderer, to take revenge for Yun Hao's death.

In fact when he was at a fast food restaurant, Ye Chen already felt someone was watching him, Ye Chen had no idea that person would act this quickly.

Ye Chen stopped his car a few meters in front of these two people.

"Lulu, you wait here, let me take care of these two people," Ye Chen told Xiao Lulu not to be afraid and stay in the car.

"Ye Chen's big brother, be careful" Xiao Lulu wanted Ye Chen to be careful when dealing with these two people.

Ye Chen nodded, he got out of the car and approached these two people.

Xiao Lulu was still afraid to see the two people in front carrying a sword on their backs.

the two people who blocked Ye Chen's path were Xiao Kim and Jin Wu, after getting the location where Ye Chen was, Xiao Kim immediately went to clear Xiao Luman's account.

Seeing Ye Chen get out of the car, Xiao Kim immediately said "so you are Ye Chen, you are brave enough to beat my niece".

"Who is that ?, I feel like I don't know you two" Seeing that this person wasn't the killer sent by Yun's family, Ye Chen began to wonder who these two people were.

"You still dare to dodge, aren't you the one who beat Xiao Luman yesterday" Xiao Kim made it clear who his nephew was to Ye Chen.

"Oh, so you guys have a relationship with Xiao Luman, hahaha, well, then what do you want from me, looking for trouble?" Ye Chen doesn't mind dealing with people who are trying to find problems with him.

Moreover, both of them are only in the early stages of Earth Realm, and the other one is at the peak of Earth Realm.

"You young man who is quite arrogant, let me give you a lesson that makes you know the limits" Xiao Kim intends to attack Ye Chen.

Xiao Kim immediately headed towards Ye Chen, Xiao Kim extended his palm intending to hit Ye Chen's chest.

How could Ye Chen let Xiao Kim manage to hit himself, Ye Chen punched Xiao Kim's face first? . . . ! "Xiao Kim was flown tens of meters away.

Xiao Kim fell down on the asphalt road, His mouth was bleeding a lot, almost half the teeth that belonged to Xiao Kim fell out after receiving a fist from Ye Chen.

Jin Wu was quite surprised at Ye Chen's strength, he immediately retreated tens of meters to secure his position.

"You bastard, how dare you hit my face" Xiao Kim tried to get up from the road, he issued a pretty deep killing intent on Ye Chen.

Xiao Kim pulled one of the swords on his back, the other sword threw himself into the sky, it can be seen that this must be a flying sword technique.

"Get ready to die damn brat" with a mouth full of blood, Xiao Kim said he wanted to kill Ye Chen.

Ye Chen used the nine step shadow, he reached Xiao Kim's side "breaking meteor blow, Bammm" Ye Chen hit Xiao Kim down and hit the road.

a hole formed by Xiao Kim's impact with the road.

This blow was far stronger than before, although Xiao Kim could survive, he would no longer be able to become a cultivator.

Xiao Kim who was hit by Ye Chen's attack immediately collapsed.

Jin Wu did not see the movement Ye Chen did just now, that he knew Xiao Kim had been defeated by Ye Chen, Jin Wu immediately attacked Ye Chen by using three flying swords on his back, three flying swords controlled by Jin Wu wanted to cut off the vital parts of Ye Chen's body.

Ye Chen parried this sword attack by using bare hands, "clank. , clank. , clank. ,
"The sound of a collision between Ye Chen's hand and the flying sword, like a collision between an iron against an iron.

Jin Wu was quite surprised to see how Ye Chen parried the attack he was carrying out.

Jin Wu had felt Ye Chen's cultivation base, even though this person's strength was only in the second stage of the Earth realm, how could this person easily fend off the attacks that he launched.

Ye Chen picked up all three of Jin Wu's ears and began squeezing "Crak. . . Crak. . . Crak. . . , "Jin Wu's three flying swords were destroyed by Ye Chen to pieces.

Jin Wu was the person who was most surprised when he saw all the flying swords he had destroyed by Ye Chen.

Jin Wu was the person who best knew how strong the sword he had, this sword was very strong, there was no way someone in the realm of the second Earth Realm could easily destroy this sword.

"Who exactly are you" Jin Wu asked who this person really was.

"You've heard from your own colleague, I am Ye Chen, remember my name carefully" Ye Chen told Jin Wu to remember his name.

"Alright, Ye Chen. I admit that you have a bit of skill, but I still haven't been serious about fighting you, if I'm serious, you're already dead." Jin Wu warned Ye Chen that he wasn't serious, if he was serious Ye Chen would definitely have lost before.

"Really, then show your true abilities, I really want to see how great your bragging power is, is it really as good as your speech or a gimmick to scare me?" Ye Chen laughed, he wanted to see what if Jin Wu was as serious as fighting.

"You are brave enough to underestimate me" seeing Ye Chen challenging himself, Jin Wu did not remain silent, he raised one hand and started to recite a special spell, after finishing chanting the spell, 4 green wind blades appeared above Jin Wu's head.

Unlike the iron sword, the four swords were made by using the deep energy possessed by Jin Wu.

Chapter 188 - Heavenly Sky Sword

"Let's see if you can fight my Heavenly Sky Sword technique." Jin Wu controlled this wind sword to attack Ye Chen.

There are 7 stages of Heavenly Sky Sword, each stage represented by a wind sword that can be made, because Jin Wu can make 4 swords, Jin Wu's Heavenly Sky Sword technique is already in the fourth stage.

Jin Wu's wind sword aimed at Ye Chen with very high speed.

"Slash. , Slash. , Slash. , Slash. "This wind sword cut Ye Chen's body.

When the flying sword sliced into Ye Chen, Ye Chen just stayed still, he did not fight when this sword attacked him.

Jin Wu had landed hundreds of cuts on Ye Chen's body, but until now there was still no blood coming out.

Jin Wu felt Ye Chen's body was very hard, in fact it was far harder than steel, because with the technique of Heavenly Sky Sword Jin Wu could easily split a steel in two.

Jin Wu couldn't hurt Ye Chen at all.

"Is that the only ability you have, if only then you make me disappointed" Ye Chen cleaned his body like cleaning dust.

Seeing what Ye Chen did, it was an insult to Jin Wu.

"Shining Slash" Jinwu's flying sword slashed simultaneously, a blade of light headed towards Ye Chen.

Ye Chen reached out his palm forward, the blade of light was easily deflected by Ye Chen.

"How could that happen?" Jin Wu was very surprised to see that his flagship technique could be easily deflected by Ye Chen.

Need to know to reach stage four of Heavenly Sky Sword, Jin Wu has practiced for 7 decades, every time he has spent is spent learning this technique.

Today he saw someone who was younger than him, very easily fending off his Shining Slash technique.

"Because you want to play sword cutting, I also have a flying sword technique, One Hundred Thousand Fire Swords" Ye Chen released the One Hundred Thousand Fire Swords.

One hundred flame swords appeared around Ye Chen.

Jin Wu's eyes widened after seeing 100 flame swords appear around Ye Chen, he had never seen someone able to release so many swords made of deep energy. Even sect patriarchs who have made Heavenly Sky Sword up to the sixth level can only make 6 swords.

For Jin Wu this is an impossible thing to do.

Ye Chen controlled the one sword he had to destroy Jin Wu's four wind swords.

"Slash. . ." Jin Wu's wind sword was easily destroyed by Ye Chen.

"Coughing" Jin Wu spouted blood, because his technique was broken by Ye Chen, his profound energy turned against him, this made Jin Wu's internal organs injured.

"Actually, what kind of monster are you?" Jin Wu knelt while holding his chest.

"I am not a monster, I am an ordinary person who loves peace, if someone dares to disturb my life, they will not end well" Ye Chen's principle is very simple, as long as that person does not look for a problem with himself, Ye Chen also will not look for problems with people that.

"I am a student of the Seventh Sword Sect if you dare to kill me, my sect will definitely not let you go" Seeing he has no way to run, Jin Wu used the popularity of the Seventh Sword Sect to frighten Ye Chen.

"Oh, so you come from 4 large sects, you deserve to be very arrogant, it turns out that you have quite strong supporters" Ye Chen finally found out where these two people came from, it turns out they both came from the Seventh Sword Sect.

"Why?, Are you afraid after hearing the name of our sect, hahahaha, for our sect you are only a small ant." Seeing Ye Chen know the name of the sect for sure, Jin Wu thought Ye Chen wouldn't dare to kill himself.

"Afraid? Little ants, hahaha, you make me laugh" Ye Chen laughed at Jin Wu, this person thinks because behind him there is a great sect that can do whatever he wants.

, if Jin Wu met another cultivator and said this, surely the cultivator would be scared, unfortunately Jin Wu met with Ye Chen, for Ye Chen Seventh Sword Sect was not a serious threat.

Jin Wu was confused as to why this person was laughing, every cultivator who heard the name of the Seventh Sword Sect would immediately act respectfully.

Seventh Sword Sect is very famous for having the most powerful power among the four major sects, in the mortal world this sect ranks first in the list of strengths, then followed by the Cherry Blossom Sect, Frozen Ice Sect and finally the Fire Valley Sect.

Ye Chen approached towards Jin Wu, one hundred Ye Chen's flying swords aimed at Jin Wu.

"Wait, if my master returns and learns that you killed me, my teacher will definitely take revenge on you," seeing the threat not working, Jin Wu tried another way.

"So where is your master now, why don't you call him now to ask him for help" Ye Chen asked, Ye Chen felt funny about Jin Wu, if Ye Chen was not afraid of the Seventh Sword Sect for what he was afraid of the master of Jin Wu himself.

"My master, is currently having a meeting with the 4 major sects, when he returns he will definitely immediately look for our whereabouts, my master will definitely find the killer of us both easily" Jin Wu told Ye Chen not to kill him, or the master would take revenge on Ye Chen.

"The meeting of the four major sects" Ye Chen murmured, this seemed to be about the problem of exploring an ancient heritage site, If Ye Chen remembered carefully it should still be a few days before the meeting was held, it seemed that information from Li Sunhe was not very accurate.

If it was true that the four large sects did intend to explore the ancient inheritance, of course Ye Chen would also have to go there, who knows he might get valuable items or the like.

"Well, I won't kill you," Ye Chen pulled back the One Hundred Thousand Fire Swords.

"Huft" Jin Wu was relieved to see Ye Chen afraid of the threat.

"But I will eliminate the martial arts that you have" from Ye Chen's fingertips appeared a speck of fire, Ye Chen directed this fire on Jin Wu's forehead.

Jin Wu tried to retreat, he would rather die than lose his cultivation.

Fire starts to enter Jin Wu's body, this fire starts burning Jin Wu's deep veins.

"Ah." Jin Wu howled like a wolf, the pain was incredible, because the pain that was too extreme Jin Wu's consciousness began to disappear.

After eliminating the cultivation of these two people, Ye Chen returned to his car.

Ye Chen was not afraid of these two people looking for trouble, for a sect of people with disabilities was a useless item, even though these two people returning to their sect would definitely be driven away from their sect.

"Sorry to keep you waiting long" Ye Chen apologized to Xiao Lulu, for taking too long when fighting two students from the Seventh Sword Sect

"Big Brother Ye Chen, was that just a magic?" Xiao Lulu had seen Ye Chen's battle, suddenly this wind sword and sword appeared, in Xiao Lulu's eyes this was a magic trick.

"Yes, you're right. That was a magic trick, let's go home." Ye Chen very easily fooled Xiao Lulu.

Chapter 189 - Cherry Blossom Sect & Fire Valley Sec

After returning to the villa, Xiao Lulu carried the shopping bag to her room, Ye Chen took the map to the ancient heritage site.

The map that Li Sunhe gave was not very clear, Ye Chen memorized the image on this map.

After the map image was stored in his head, Ye Chen immediately flew to the location of the ancient inheritance, the journey there took a long time, Ye Chen needed at least 3 hours to go to the ancient heritage site.

According to the map drawings he got, the location of the ancient heritage is in a remote place, there is a village located not far from the place of ancient heritage.

Ye Chen decided to take a look around this village, possibly this was where the cultivators from the four big sects met for a while.

Ye Chen took a black robe and bamboo hat and then wore it, this was to hide the appearance he had.

After his appearance was hidden, Ye Chen entered the village, the village was still looking backward, here there was no electricity or other electronic items, electricity had still not entered this village

The location of this village is very difficult to reach, which is why the means of transportation still cannot enter this village.

in this village the community still uses the barter system, there are also some people who are willing to accept dollars.

Ye Chen stopped a local villager from the village. "Sorry, may I know where the inn is in this village? Ye Chen asked if there was an inn in this village.

"You just go straight and turn right, there will be a large building, it is the only lodging in our village," the villagers very kindly told the location that Ye Chen asked.

"Okay, thank you very much" Ye Chen thanked.

Ye Chen went to the place the villagers had told him.

After following the directions that were told, Ye Chen arrived at a wooden building that was quite large and majestic, this building had 3 floors, it seemed like the lower floor was to welcome the guests, while the 2nd and 3rd floors were used for the lone room.

Ye Chen immediately entered this inn, when Ye Chen opened the door all the people who were eating immediately looked towards Ye Chen.

Ye Chen could see dozens of people who were staring at him, almost 90% of the people who were staring at him were cultivators with bases from the initial cultivation of Earth Realm to the Peak of the Sky Realm.

in this place there was no one who had a cultivation base below the Earth Realm. It could be seen that the cultivator here was the most powerful person in the sect.

Seeing that Ye Chen was not the person they were waiting for they immediately turned their attention from Ye Chen's body.

for these people Ye Chen was not something worthy of attention.

The cultivators here used a bamboo hat to hide their appearance.

Ye Chen looked for a place to sit, he ordered some food and drinks and began to mingle with the people around him.

Ye Chen looked around, here there were two groups that had a cultivator at the peak stage of the Sky Realm, the first group consisted of 7 men dressed in flames like fire, the second group consisted of 5 beautiful women and one man, the second group wore pinkish whitish clothes.

These women have a very mature and very seductive body, this is like a fully ripe fruit that is sure to be very delicious if eaten by men, the special attraction they have makes some male cultivators glance at them several times, unfortunately The bamboo hat worn by the five women has a cloth covering the faces of the five women, this makes the faces of the five beautiful women invisible to outsiders.

These 2 groups are all filled by cultivators who have a cultivation base at the peak stage of the Sky Realm.

Ye Chen began to second-guess the identities of these two groups that had a fairly high cultivation base, both of them must have come from the four large sects.

"Friend, may I join you" while Ye Chen was analyzing these people, a middle-aged man came by Ye Chen's side to share a seat with Ye Chen, this man was at the peak stage of the Earth Realm.

"Please", Ye Chen invited this old man to sit down.

" thank you . . . ,thank you"Middle-aged man sit in front of Ye Chen.

Ye Chen returned to watch over the two groups that had the most powerful strength.

Middle-aged man joined to look at Ye Chen's eyes "Are you looking at the two groups belonging to a large sect" Middle-aged man said to Ye Chen, but the voice was rather small so as not to be heard by the big sect.

"Uncle, do you know where these two sects come from?"Ye Chen wants to be from which sect these two groups come from.

"Shut up. . . , don't be so loud, if both sects hear us, surely they will be angry, "the middle-aged man told Ye Chen not to be noisy, no one wanted to offend the big sect, this was the same as looking for death.

"Come closer, let me tell you a little information about these two big sects." Middle-aged man told Ye Chen to come a little closer.

"The group dressed in red came from the Fire Valley Sect, while the group that wore pink rather whitish clothes came from the Cherry Blossom Sect" Middle-aged man told Ye Chen the names of the sects of these two groups.

Ye Chen nodded "then who do you think is the strongest of the two sects?" Ye Chen wants to know the strength of these two large sect groups.

"I don't know about that, only the sect itself knows how great their strength is" The middle-aged man answered spontaneously.

"Shouldn't the sect's power be made a ranking of strength?" Ye Chen still remembered that Li Sunhe had once said the sect's rank on him.

"You mean sect power rank? , the rank of the sect is determined from the battle between the young generation once every 30 years. "Middle-aged men tell Ye Chen that the Sect's power ranking is certainly by the battle of the younger generation within the sect.

"I see." Ye Chen turned out to be digesting the information he had gotten wrong.

"Fire Valley Sect is a sect that cultivates fire techniques, this sect is very expert in alchemy, therefore the Fire Valley Sect is needed by 3 other big sects, this sect also gets a lot of benefits when concocting pills for 3 other big sects, they will want to make you pills if you want to pay them a fair price, "the middle-aged man explained to Ye Chen little he knew about the Fire Valley Sect.

Ye Chen listened carefully to the explanation of the middle-aged man.

"For the Cherry Blossom Sect, they are a sect that cultivates dual cultivation techniques, the Cherry Blossom Sect can also be called a paradise for men, there are many female students who are very beautiful and have very seductive body shapes, female students Cherry Blossom Sect is very skilled in bed, the ability of a woman's sex in Cherry Blossom Sect doesn't need to be questioned anymore "when explaining about Cherry Blossom Sect, middle-aged men look very excited.

Ye Chen smiled when he saw a middle aged man very enthusiastic about the Cherry Blossom Sect. "Have you ever gone to the Cherry Blossom Sect before? ", Seeing that middle-aged man knows very well about the Cherry Blossom Sect, it's likely that this middle-aged man had gone to the Cherry Blossom Sect.

"Well, I've been there once, if I'm not mistaken 20 years ago, when I was young" Middle-aged man said that he had entered the Cherry Blossom Sect 20 years ago.

" what do you do there ? "Ye Chen wondered what this middle-aged man was doing in the Cherry Blossom Sect.

"Moreover, of course, get a beautiful virgin woman," Middle-aged man said to Ye Chen.

"Virgin woman, didn't you say they were a dual Cultivation sect how there are still virgins in the sect who cultivate the Dual Cultivation technique? "Ye Chen is getting confused with the words of middle-aged men.

"You really don't know anything huh, let me explain it to you" Middle-aged man sighed because Ye Chen did not know information about the 4 major sects.

Chapter 190 - Frozen Ice Sect Arrival

"Every twenty years, the Cherry Blossom Sect will hold a contest to get the hearts of beautiful women who are still virgins, these women have been very well prepared by the Cherry Blossom Sect, not only have beautiful and charming faces, all these women given training to satisfy men, usually the Cherry Blossom Sect will invite lots of young masters or influential people to attend this event, anyone who has a large background can attend this event "middle-aged men explain the traditions they have by the Cherry Blossom Sect on Ye Chen.

"What is the purpose of the Cherry Blossom Sect to do something like this? "Ye Chen wants to know what the Cherry Blossom Sect support is holding events like this.

"Hehehe, of course to expand the influence of the Cherry Blossom Sect, imagine if the students of the Cherry Blossom Sect marry a rich person, their sect will be able to benefit, the sect can get funding money without having to do anything, what more female students who marry a rich person is guaranteed to be metially, "a middle-aged man explained how the Cherry Blossom Sect could become a large sect.

The way the Cherry Blossom Sect can be said is quite clever, they use female students to expand sectarian influence in the mortal world by entering into rich families, that means female students from the Cherry Blossom Sect are easily found in rich families in big cities.

"Does Cheng Mengyan also come from this sect?" Ye Chen began to remember Cheng Mengyan, Zhao Yanyan's childhood enemy, Cheng Mengyan possessed a technique of enchanting men, presumably she was from this kind of sect.

Ye Chen looked towards where the Cherry Blossom Sect Group was.

When Ye Chen stared towards the Cherry Blossom Sect Group. One of the women stared back at Ye Chen, this woman had the highest cultivation base, this woman's cultivation base was in the ninth stage of the Sky Realm. this woman suddenly opened the little cloth she was using.

When the cover was opened Ye Chen could see the beauty of this woman, this woman had a sperm-shaped egg-shaped face with a touch of glamor, this woman's purple eyes could suck Ye Chen's soul.

Secretly, this woman tried to use a charm technique to confuse Ye Chen's soul.

Ye Chen smiled wryly towards this woman, this kind of charm wouldn't work on him.

Ye Chen's guess turned out to be right, Cheng Mengyan's charm technique was very similar to the one that had just been used by this woman, but I had this woman far stronger than Cheng Mengyan had.

"Master, look at that woman daring to provoke you with weak charm charms, why don't you reply with the king's heart charm technique that you have, after that do that woman in bed, I'm sure that woman will definitely crawl under your feet" Chu Yuechan told Ye Chen replied to the woman from the Cherry Blossom Sect who had just used the charm technique on Ye Chen.

Chu Yuechan wanted Ye Chen to show who his boss was in terms of dual cultivation

Chu Yuechan already knew what dual Cultivation techniques were cultivated by the Cherry Blossom Sect sect.

The name of the technique cultivated by the Cherry Blossom Sect is the female heart sutra, this technique is a very common technique among all existing Dual Cultivation techniques.

With such a technique, how dare you provoke the highest level of heart technique of the king.

The woman who used the technique of charm also smiled at Ye Chen, the "attractive man," this beautiful woman murmured.

"Sect leader did you say something? "The woman next door calls out to the beautiful woman who looks at Ye Chen as the sect leader.

It seemed like the woman who had just used the charm technique on Ye Chen was the leader of the Cherry Blossom Sect.

"Looks like there is someone who is very attractive" This beautiful woman stared at Ye Chen, this was the first time someone had broken the charm technique that she had so easily, what else the other party was only at the peak stage of the Earth Realm.

Beautiful women knew Ye Chen's strength because the other party did not hide anything from her.

By using the Riederan Pendant necklace Ye Chen had transformed his strength to level 8 Earth Realm, this would not make him suspect.

"Yuechan just forgot that woman just wanted to play with me" Ye Chen knew that a beautiful woman just wanted to test him, there was no other purpose.

"Master, are you afraid to fight these women in bed, if I remember carefully until now you only fight with virgin women who are still innocent, you have never tried the taste of veteran women's beds like them right? "Seeing Ye Chen refuse to act, Chu Yuechan provokes Ye Chen more.

Ye Chen: "-_- !! Ye Chen did not answer Chu Yuechan's taunts, it was true that until now Ye Chen had only been in a dual cultivation relationship with a virgin woman who was still innocent and didn't really know about male and female relationships.

From Chu Yuechan's point of view it seems that Ye Chen is only interested in virgin women, in this world women who are not virgins are not a bad thing, as long as you give them their love and satisfaction they will certainly each of you, Chu Yuechan wants to change the way of thinking Ye Chen is still very naive.

"You are also a Cultivation dual Cultivation, you must understand this matter, virgin or not is not important, as long as you do that woman's heart they will definitely not be able to leave you" Chu Yuechan slightly advised Ye Chen to treat every woman the same.

Ye Chen didn't want to answer Chu Yuechan, Ye Chen's four wives were also women, if he spoke wrongly Chu Yuechan would definitely tell this to Zhao Yanyan and the others, it's better to just stay quiet to find safety.

"Huft. . . "Seeing Ye Chen not speak made Chu Yuechan sigh, it seems like it would be very difficult to change Ye Chen's way of thinking.

"Ngikkk. . . " When Ye Chen was thinking of Chu Yuechan's words just now, the door opened.

When the door was opened all eyes looked towards the entrance, there were five women in white phoenix clothes entering the inn, these women were wearing a bamboo hat that had a cloth covering, on the faces of these five women there was still a white veil covering their faces.

The five women headed to the Cherry Blossom Sect u0026 Fire Valley Sect group.

"Qing sect leader, Feng sect leader, long time no see" one of the five fairy ladies came forward, she saluted the leaders of the Cherry Blossom Sect u0026 Fire Valley Sect.

This woman's voice was quite cold, Ye Chen was very familiar with this voice, isn't this the Mu Lanyin fairy who wanted to kill him because of a very spelled thing, Ye Chen still remembered how Mu Lanyin wanted to kill him for releasing the veil that was used by Mu Lanyin.

Ye Chen had no idea he would meet Mu Lanyin in a place like this.

"Mu sect leader, long time no see" the two leaders from the Cherry Blossom Sect u0026 Fire Valley Sect simultaneously returned greetings to Mu Lanyin.

The Cherry Blossom Sect leader named Qing Cheng cultivation base was in the ninth stage of the Sky Realm.

The Fire Valley Sect leader named Feng Tu cultivation base is in the ninth stage of the Sky Realm.

"You see the Frozen Ice Sect sect has come, their appearance looks like a snow fairy falling from the sky" Again, the middle-aged man looked excited when he saw the arrival of the Frozen Ice Sect.

Ye Chen didn't think that Mu Lanyin was the leader of the Frozen Ice Sect. It was just right that the cultivation bases owned by Mu Lanyin were very high, apparently he was a leader of the Frozen Ice Sect sect.

after the five women saluted the Cherry Blossom Sect u0026 Fire Valley Sect group.

the five women from the Frozen Ice Sect were looking for a seat, they were now just waiting for the arrival of the last sect, the Seventh Sword Sect.

Seventh Sword Sect was the sect which was the one who arrived late in this meeting
