

Chapter 1811 Monster inside the vortex

Sun Xuanyin had come up with a plausible reason, but in order to prove it, Sun Xuanyin needed to continue to approach Ye Chen.

Sun Xuanyin was still quite curious about Ye Chen, she still had a very strong curiosity towards Ye Chen.

Sun Xuanyin's curiosity was immense, she would do anything to dispel this curiosity.

Sun Xuanyin was still trying to get close to Ye Chen, she used various means to try to get close to Ye Chen.

Ye Chen was much smarter than Sun Xuanyin could imagine, Ye Chen could easily dodge whenever Sun Xuanyin tried to get close to him.

It took quite a lot of determination to do what Ye Chen did.

Resisting a temptation from a beautiful woman like Sun Xuanyin was quite a difficult thing to do.

So it wasn't strange that Ye Chen had to do his best to do so.

"Friend, you are so great, how did you hold yourself back like that?" Min Caun came to Ye Chen, he asked how Ye Chen could resist the temptation of a Succubus goddess like Sun Xuanyin.

"That's normal." Ye Chen said that it was normal for him, he had seen extraordinary beauty before, so Ye Chen could restrain himself.

Until now Shen Niang was still the most beautiful woman Ye Chen had ever met, she was the most beautiful and most charming of all the women Ye Chen had met.

So Sun Xuanyin's temptation wouldn't work too well for Ye Chen.

"Oh so it's like that" Min Caun laughed, he laughed when he heard what Ye Chen said.

"Do you know what kind of Magical Beast we are going to hunt?" Ye Chen asked Min Caun.

"From the rumors I got we will hunt all the white wolf monsters which are strong and very agile" Min Caun told Ye Chen what they were going to hunt.

"Huh?, that's all." Ye Chen didn't expect that that was the only information Min Caun had.

"That's the only information I have." Min Caun only had this kind of information, so it wasn't surprising that Ye Chen was very disappointed.

"Listen to me, this Magical Beast is very powerful, not many people live after seeing it." Min Caun said that there was very little information from the Sect, so they still didn't know what kind of monster they would face.

"Is it that strong?" Ye Chen asked Min Caun.

"Of course, you should know that all the disciples who took this quest never came back" Min Caun said to Ye Chen.

"This is one of the reasons why this mission is called an S-class mission, it's because the difficulty level of carrying out this mission is too high, so the best student is chosen to carry out this task" Min Caun said and explained to Ye Chen.

"So it's like that" Ye Chen nodded, he understood that information about the enemy was still very minimal, Ye Chen had no choice but to wait and see for himself what kind of enemy he would face.

Ye Chen and the party members had arrived at the transportation station, they immediately went to a teleportation array to go to the nearest star they were aiming for, the Sky Red Gravel Star.

This place was quite crowded, there were countless people going in and out of this place, judging by their clothes, they were cultivators on a journey.

"We want to go to the Sky Red Gravel Star." Min Caun said that he wanted to go to the Sky Red Gravel Star.

"Please" the guard respectfully invited Min Caun and the others to go to the Sky Red Gravel Star.

This guard was not stupid, he could see that everyone was a core disciple of the Nine Immortals Peak Sect, no fool would want to get into trouble with the disciples of the Nine Immortals Peak Sect.

Min Caun and the others entered into the circular array, they were enveloped in light and disappeared from the Sky Cloud Peak Star Realm.

When their gazes returned, they discovered that in front of them was no longer the Sky Cloud Peak Star Realm.

They were currently on the Sky Red Gravel Star which had red soil and sky.

This place is quite arid, dust flying everywhere, this place is more like a very wide desert.

"We have arrived at the Sky Red Gravel Star, let's go immediately to the mission location" Min Caun invites everyone to go to the mission site.

Everyone nodded, they all followed Min Caun and headed towards the Quest place.

Ye Chen and the others relied on the maps they had, they shot towards the horizon and pierced through the thick dust storm.

Everyone coated themselves with profound energy, this place was extremely inhospitable to them.

A large vortex appeared several times, this vortex was red and threw millions of pebbles in all directions.

"The stars in this place are very troublesome, Xun Bingje is very lazy, she doesn't like the dust in this place, the dust in this place can pollute her and make her dirty.

Women are creatures who don't like dirty, they don't like dirty places like the Sky Red Gravel Star.

"Don't complain too much, if you don't like it you better go back and sleep in the bed." Ye Chen replied to Xun Bingje who was complaining because the terrain in this place was very unfriendly.

" You . . ." Xun Bingje pointed at Ye Chen, again Ye Chen attacked herself with a bang.

Ye Chen was indeed very annoying, every word that came out of this man's mouth made Xun Bingje feel irritated.

Sun Xuanyin looked at Ye Chen, this man has no kindness, to be honest approaching him might be difficult to do.

Min Caun and the others didn't want to get involved in this matter, they all didn't want to get involved in the trouble that Ye Chen and Xun Bingje had.

They are all looking for safety, they don't want to get in trouble for meddling in other people's problems.

It's better for them to be safe and not to get involved in a problem that will get them into a problem.

"Bamm" while they were on their way, they were suddenly hit by a huge boulder.

This caused everyone in the party to scatter, they were all scattered due to the rock explosion just now.

"What was that?" Ye Chen held back the stone that was thrown at him, it was very fast, and if he was a little late, Ye Chen might fall.

Apart from Sun Xuanyin, everyone else was hit by stones, they were all bounced off after being hit by stones.

"Roar" a very loud roar was heard, this loud roar came from behind the whirlwind.

"Are you all okay?" Min Caun asked about the condition of Yu Diren, Tu Wentu, Bai Sangsa, Gu Finzu, Hun Xufi.

"We're all fine" Everyone was fine, they weren't seriously injured from the attack just now.

Everyone in the party was a top-tier cultivator within the Sect, such an attack would not be able to injure them.

"It seems that there is a monster behind the whirlwind, everyone get ready we will fight" Min Caun gave orders to everyone, they will be fighting soon.

Everyone got ready and put into battle stances, they were ready to battle against the monsters in front of them.

Sun Xuanyin snapped her fingers, with a single flick the vortex of wind vanished.

Chapter 1812 perfect time to mock Ye Chen

A large monster similar to a caterpillar appeared from behind the vortex, this monster was quite large with lots of tentacles covering its body.

"a desert worm" Everyone immediately knew the monster that appeared in front of them, this was a desert worm, this monster usually ate people who were lost in the desert.

The size of this monster is quite large, it is estimated that the size of this monster is comparable to a skyscraper with an area of 1 mile.

"Everyone stay calm, this monster may be strong, but its intelligence is very low." Min Caun tried to calm everyone down, they tried to stay calm in this situation.

The monsters they were facing shouldn't have a great mind, so fighting these monsters would be very easy to do.

"Everyone please prepare now" Min Caun told everyone to get ready, he was about to make an attack.

Min Caun took his sword, he was the first to step up and fight the monsters in front.

After Min Caun several people also came forward, they also came forward and started helping Min Caun.

"Looks like I have to help out." Sun Xuanyin had to help, she had to help these people.

"Just an ordinary monster" Ye Chen yawned, he thought this was the monster they were looking for, it turned out to be just an ordinary monster.

"I'd better leave this matter to them" Ye Chen was lazy, he would leave this matter to these people.

They were all Elite core disciples, they should be able to get through everything easily and without a hitch.

There is still Sun Xuanyin there, this woman's cultivation is not weak, she can definitely defeat the desert worm monster with ease.

The desert worm monster started to spread its tentacles, it caught everyone who tried to get close to it.

Min Caun swung his sword, he swung his sword and cut all the existing tentacles.

Min Caun's speed and movement can be said to be fast, this guy's slashes look very arrogant.

Every time Min Caun swung his sword, there would definitely be pieces cut off from the desert worm's body.

Yu Diren, Tu Wenta , Bai Sangsa, Gu Finzu , Hun Xufi helped, they attacked from below and targeted the weak points of the monsters in front of them.

"It's my turn to show off my skills." Xun Bingje wanted to show her abilities.

Xun Bingje took an umbrella, this woman's weapon turned out to be an umbrella.

Xun Bingje opened her umbrella, when she did this, several black rose petals came out from inside the umbrella.

"Feel this" Xun Bingje threw her umbrella, the umbrella started to spin above the monster and shot some black thorns at the desert worm.

The size of the black thorns was quite large, if it penetrated the human body it would be extremely painful and can kill people.

Although everyone comes from different places, they can create an amazing combination of battles, everyone can cooperate with each other.

The combined attack of eight people naturally made the desert worms cornered, the desert worms were already heavily injured by attacks coming from all directions.

"Boom. . ." The desert worm fell, the desert worm was seriously injured and died on the spot.

After confirming that the monster they were fighting was dead, they could finally relax a bit.

"Not bad, the defense of this monster is quite difficult to penetrate" Min Caun had to admit that the monster they were fighting had a pretty strong defense.

"Wait, where did that bastard go?" Xun Bingje looked for Ye Chen's whereabouts, for some reason he couldn't find Ye Chen's whereabouts.

"Looks like he's over there." Sun Xuanyin pointed at Ye Chen, Ye Chen was looking at something in the distance.

"What is he doing there?" Xun Bingje was annoyed, while everyone was fighting against the big worm, Ye Chen was standing there doing nothing.

"I'll go and see." Sun Xuanyin decided to go and see what Ye Chen was doing there.

Xun Bingje also came, she also wanted to know what Ye Chen wanted, now was the time to repay Ye Chen.

"What are you doing in this place?" Sun Xuanyin asked Ye Chen, she asked what Ye Chen was doing.

"Are you guys done?" Ye Chen asked Sun Xuanyin.

"Of course we're done, you yourself why don't you help us, are you afraid" Xun Bingje said while making fun of Ye Chen.

Xun Bingje had found the perfect time to mock Ye Chen, she had found the perfect time to make fun of Ye Chen.

"Why should I help, it's just a small monster" Ye Chen said to Xun Bingje.

"Even if it's just a small monster, you have to keep helping, this is a party, don't tell me you're a coward, talk big, in fact you're a man with no guts" Xun Bingje said to Ye Chen.

"Really, then why don't we go forward, it just so happens that in front there is still a desert worm monster that is much bigger than before" Ye Chen said to Xun Bingje.

Ye Chen took Xun Bingje forward, they were going to fight a worm monster that was much bigger in size than before.

After hearing Ye Chen's words, all the Party members immediately looked forward, they all looked forward to see dozens of whirlwinds that were the same as before.

"They are all desert worms that we just fought" Everyone immediately realized what Ye Chen said
Ahead there were still countless monsters waiting for them.

"Is it desert worm monster season, I've never seen desert worm monsters in this number"
Everyone hesitated a little to go forward, the number of monsters in front was very large, fighting them at once would be a big risk.

"How about we take a detour, it will save time" Min Caun invites everyone to find a detour, it will save more time.

"I quite agree with what you said, let's just find a detour" Xun Bingje agreed with what Min Caun said.

"Oh, are you scared?" Ye Chen said to Xun Bingje.

Whereas just now Xun Bingje was extremely arrogant when she spoke of how cowardly Ye Chen was.

"Are you stupid, don't you see that there are a lot of monsters in front and they are quite big in size, fighting them is possible, but it will take up quite a bit of the time we have." Xun Bingje had a reason, she had a very strong reason to against Ye Chen.

Everyone also agreed, fighting that many monsters would waste a lot of their time, plus there was still a long way to go, fighting that many monsters would only delay their journey.

"Isn't that the same?" Ye Chen said to Xun Bingje.

Ye Chen said in a mocking tone, Xun Bingje's excuse was not very strong and was only used to avoid trouble.

"If you really dare why don't you come forward, I want to see if you dare or not" Seeing herself being cornered by Ye Chen, Xun Bingje decided to challenge Ye Chen.

"Sure, I'm not like you, I'll go ahead" Ye Chen said to Xun Bingje.

Ye Chen had no fear, he was not afraid of anything.

"Oh he is brave enough, is he able to defeat the desert worm alone, it should take a long time" Sun Xuanyin observed Ye Chen, she wanted to see Ye Chen's way of fighting.

Ye Chen advanced, he charged forward towards the direction of the dozens of vortexes.

The moment Ye Chen started to approach, the desert worms began to detect Ye Chen's presence, all the whirlwinds headed straight for Ye Chen.

Chapter 1813 Beat desert worms without using touch

"Hey, what are you trying to do?" Min Caun asked Ye Chen, Min Caun asked what Ye Chen was trying to do.

"I will go ahead" Ye Chen said to Min Caun, Ye Chen did not explain what he was going to do, he only said that he would come forward.

"do you want to kill yourself" everyone questioned Ye Chen, they questioned what Ye Chen did.

What Ye Chen did was quite insane and unreasonable, so it wouldn't be strange for everyone to question what Ye Chen did.

Normally an ordinary person would avoid trouble, but it didn't seem like it was the case for Ye Chen, Ye Chen would rather look for trouble than avoid trouble.

"Are we not going to stop it?" Sun Xuanyin asked everyone, should they stop Ye Chen or just let him do what he wants.

"Just let him do what he wants" Xun Bingjie said to everyone, just let Ye Chen do what he wants, they have nothing to do with this matter.

"Everyone be careful" Min Caun said to everyone, he told everyone to be careful.

Ye Chen stepped forward, he continued to advance forward without caring about the wind vortex that was heading his way.

The wind vortex was heading towards Ye Chen very quickly, in a short time dozens of wind vortexes had already arrived near Ye Chen.

Ye Chen continued forward, he ignored everything in front of him, Ye Chen almost didn't care about what happened, he just stepped forward regardless of what happened.

The desert worms that were in the vortex started to attack Ye Chen, they threw pebbles at Ye Chen.

Even though they only threw a small pebble, in fact this small pebble had very strong firepower, getting hit by this was tantamount to being hit by a projectile.

Even though there were many projectiles waiting for Ye Chen in front, Ye Chen still walked forward, not a single projectile could hit Ye Chen.

"What is it, he dodged that many attacks" Everyone looked shocked by what Ye Chen did, they all looked very surprised when they saw Ye Chen dodge all the attacks.

Dodging that many attacks is quite a difficult thing to do.

Ye Chen did so well splendidly, everyone didn't even see Ye Chen's movements.

"What, was he dodging it or simply deflecting the enemy's attack?" Sun Xuanyin looked confused, she looked very confused when she saw what was happening.

Honestly Ye Chen didn't dodge the attack, he just walked forward and didn't make a move, strangely all the attacks didn't hit Ye Chen, it was a very strange thing.

"roar" saw Ye Chen managed to fend off all the attacks, the desert worms started to get angry, they started to get angry and attacked Ye Chen using their tentacles.

Millions of tentacles headed towards Ye Chen, there wasn't the slightest bit of room for Ye Chen to dodge from this attack.

"That's really bad, there's not the slightest chance to escape." Min Caun saw that there wasn't the slightest chance for Ye Chen to escape.

"There is no escape, what will he do?" Sun Xuanyin knew that if there was no escape, Ye Chen was surrounded and could no longer escape the desert worm's attack.

"God Domination Pressure" just before all the tentacles managed to catch Ye Chen, Ye Chen used an extremely strong pressure towards the desert worm.

In that instant all the desert worms stopped in place, even the enormous vortex of wind disappeared instantly.

"What's going on in this place?" Everyone looked very confused about what had happened, why did all the desert worms stop in place, it was like the time around Ye Chen had stopped for a while.

"Did he stop time?" Sun Xuanyin raised an eyebrow, did Ye Chen just stop the time around him?.

Honestly doing such a thing was impossible, Sun Xuanyin had never seen such a thing.

"Bammm" All the desert worms fell down one by one, all the desert worms fell and fell to the ground.

"Huh?" Everyone looked shocked when they saw what happened, they were all really shocked when they saw what happened to the desert worm.

Xun Bingje was even in deep shock when she saw what was happening, what was happening in front of her was absurd.

A very long silence ensued, everyone was silent like statues.

A long silence ensued, all around them was the sound of the wind blowing past everyone.

"You guys, let's quickly continue our journey" Ye Chen said to everyone who looked dumbfounded.

After a long silence, everyone finally came to their senses and they realized what had happened.

"What did you just do?" everyone asked Ye Chen, they were all curious about what Ye Chen had just done.

What Ye Chen did was too great, they all wanted to know what Ye Chen did.

"I just knocked them all down, we better leave before they all wake up" Ye Chen only made all the monsters faint for a while.

" what ?" everyone looked very confused, they were all quite confused by what was happening.

"What kind of method did he use?" Sun Xuanyin tried to guess what kind of method was used by Ye Chen.

Honestly, the method that Ye Chen had just used seemed quite strange, it looked very strange, so Sun Xuanyin was quite curious.

"You don't need to ask too many questions, let's continue our journey" Ye Chen refused to answer everyone's questions, he preferred to hide his abilities.

Ye Chen couldn't possibly expose his power in front of Sun Xuanyin, doing so would be extremely risky for Ye Chen.

Everyone was very disappointed, to be honest they didn't get a satisfactory answer from Ye Chen.

Though everyone expected a good answer from Ye Chen, but in fact they did not get a good answer from Ye Chen.

Since all the obstacles had been cleared by Ye Chen, everyone could finally easily pass the road ahead, they occasionally checked whether the desert worms had been defeated by Ye Chen.

All of the desert worms have been defeated by Ye Chen, they have all been defeated by Ye Chen and will not wake up anytime soon.

Ye Chen and the party members continued on their way, this time their journey was very smooth without any obstacles.

"Ahead there is a very big storm" Everyone looked ahead, in front of them saw a very big storm, this big dust and gravel storm would definitely hinder their journey.

"It just so happens that near this place there is a city, we can stay there until the storm subsides" Min Caun invited everyone to go to the nearest town not far from this place.

"let's rest in the city" All party members agreed, they all agreed to continue the journey after the storm subsided.

Ye Chen didn't complain much, he left everything to the members of this party.

They went to a nearby town, after going to a nearby town, they found a not too big city with a big dome protecting this place from storms and monster attacks.

There were several guards guarding near the gate to make sure no small monsters managed to sneak in.

Chapter 1814 Stuck in the bath with Sun Xuanyin (1)

"Stop right there" When Ye Chen and the party members were about to enter the city, they were stopped by the guards.

"Show your ID" the guard told everyone to show their ID.

"We are disciples of the Nine Immortals Peak Sect and want to rest for a while in this city." Min Caun said to the guards, telling the guards the reason why they had come to this place.

"Before entering, you can show your sign" after the guard listened to Min Caun's words, the guard's tone immediately changed, they looked very friendly.

"So it's like that" Ye Chen could understand what had happened, the status of a core disciple from the Nine Immortals Peak Sect was extremely formidable, and this made the city guards respectful.

Min Caun showed the core disciple proof to the guards, with the issuance of the core disciple token, the guards could be sure that they were from the Nine Immortals Peak Sect.

"Sorry for making you wait, please come in, enjoy what is in this place, this place is not as good as the Nine Immortals Peak Sect" the guard invited everyone to enter, before entering he told everyone that this place would not be as good as the Nine Immortals Peak Sect.

"We understand, before that can you recommend an inn for us," Min Caun asked for an inn recommendation.

"Of course, the best inn is called oasis, it's the best place in this small town, it's just that the price to stay at is a little expensive, but if it's you then it will be fine," The guard said to Min Caun.

"Thank you very much, I will remember your words" Min Caun nodded, he had obtained very useful information.

"Let's go to the oasis inn" Min Caun invites everyone.

"Come on" everyone agreed, they agreed to go to the best place in town.

"Let's go" Min Caun is very excited, his enthusiasm is still quite a lot and he invites everyone to come with him.

Everyone was so excited, that they wanted to rest a bit before continuing on their way.

"Looks like everyone in the party is someone from the noble class." Ye Chen saw that everyone in the party came from prominent families, they all gave up too easily.

"If only Ye Chen was alone, Ye Chen would have already had to break through the storm, a storm like this wouldn't be a problem for Ye Chen.

Unfortunately, the party members didn't want to do that, they preferred to wait for the storm to subside before continuing on their way.

Actually, Ye Chen could have protested, the thing was that it would irritate the party and maybe they would get angry again.

Dealing with ordinary people would be much easier than facing young masters and young ladies from the upper classes.

Ye Chen followed Min Caun and others, they went straight to the Oasis inn that the gatekeeper said.

The city wasn't very big, so finding a large building wasn't difficult.

"So this is the place, quite big too, this is good for our resting place tonight" Min Caun was satisfied, he was very satisfied when he saw the inn in front of him.

The inn at the front was so beautiful, he would sleep well until the storm outside stopped.

"Come on in" Min Caun invites everyone to go inside.

"Welcome, welcome to our inn, what do you need" several beautiful maids and a handsome waiter greeted everyone, they greeted everyone with a friendly smile.

"We booked seven rooms" Min Caun booked a room for seven people.

"Why only seven, aren't we nine?" Xun Bingje asked Min Caun.

"That's because you are with a partner your female, meanwhile we have one partner here, so 7 rooms should be enough," said Min Caun.

There were a total of 7 disciples from different peaks, that's why Min Caun had purposely booked seven rooms according to the number of peaks participating in the quest.

"Okay I understand" after hearing this, Xun Bingje no longer protested, tonight she would be staying with Sun Xuanyin.

"Please come with us, you will prepare a room for you," the maid immediately responded to the orders given by Min Caun, maid and waiter escorted everyone to their rooms.

Everyone separated, still each of them got a maid who would escort them to their room.

Ye Chen here was escorted by a woman, the woman in front of him was quite good in body and physique, plus this woman's movements were seductive.

Ye Chen wasn't too surprised when he saw this, for Ye Chen this was normal in his world or the God Realm.

Ye Chen wasn't that innocent, he naturally knew the intentions of the woman in front of him.

"Young master, this is your room, please enjoy it." The maid told Ye Chen, she told Ye Chen that her room is at the front.

"Thank you very much" Ye Chen thanked her, he was grateful for the guide given by the waiter.

"Young master, are you an additional service?" The maid offered a special service to Ye Chen.

"No, I'm not interested, thank you." Ye Chen shook his head, he was not interested in this matter.

"Oh what a shame" the maid was disappointed when she heard this, it didn't seem easy to get Ye Chen.

The maid approached Ye Chen because Ye Chen was a core disciple of the Nine Immortals Peak Sect, if she could form a relationship with a core disciple of the Nine Immortals Peak Sect, then it was certain that she would have a very bright future.

"Then excuse me, if you need anything, you can contact me by pressing the bell in the room" the maid returned to her polite demeanor, she quickly recovered her disappointment.

The maid left, she left and left Ye Chen alone in front of the room entrance.

"Okay she's leaving" after seeing the maid leave, Ye Chen went straight into the room, the room here is quite good, this is enough to be a place to stay for one night.

Ye Chen went over to the bed, sat down cross-legged, and started to repair his body.

Ye Chen had to be able to hide from Sun Xuanyin, which was why he had to remove any traces of the body especially when he was close to Sun Xuanyin.

Ye Chen was sure that Sun Xuanyin would notice if she got too close to Ye Chen, so Ye Chen needed extra protection to hide from Sun Xuanyin.

"I thought this quest would be easy without any obstacles, but it turned out to be wrong, Goddess Sun's existence is causing me trouble, I can't use all my strength in this mission" Ye Chen felt unfree, he felt not free from being constantly monitored by Sun Xuanyin.

Sun Xuanyin was constantly watching Ye Chen, this woman's eyes were always on Ye Chen.

Even though there were still many people that Sun Xuanyin could see, why was Sun Xuanyin always looking at him.

It seemed that Sun Xuanyin was starting to get suspicious of Ye Chen, which was why she kept a close eye on Ye Chen.

Ye Chen had finished applying several runes on his body, it was quite complicated when Ye Chen had to hide his special body.

Chapter 1815 Stuck in the bath with Sun Xuanyin (2)

"Big brother Ye Chen, why are you so afraid of that beautiful big sister, isn't she quite good at it" Chu Ning'er appeared next to Ye Chen, she asked Ye Chen about the reason why Ye Chen was afraid of Sun Xuanyin.

"I'm not afraid of her, it's just that she can cause a lot of trouble, for now I just want to avoid her" Ye Chen said to Chu Ning'er.

Honestly, Ye Chen had never been afraid of Sun Xuanyin, it was just that a woman like Sun Xuanyin could give Ye Chen additional trouble.

When Sun Xuanyin found out Ye Chen's identity, this woman would definitely spread it all over the God Realm, after which Ye Chen would not have a quiet life.

Ye Chen already knew enough about Sun Xuanyin, this woman would definitely use what she could use against Ye Chen.

"So that's big brother's reason" Chu Ning'er nodded, she already understood the reason Ye Chen tried to avoid Sun Xuanyin

"My body is dirty, I'm going to take a shower" Ye Chen decided to go and come downstairs, it seems he needs a little cleaning.

Ye Chen came down from the top floor, and went straight to the public bath downstairs.

Chu Ning'er returned to the fairy gate, she had to stay close to Ye Chen and keep an eye on Ye Chen.

Chu Yuechan is currently busy with Fu Lanling, so Chu Ning'er is currently in charge of keeping an eye on Ye Chen.

Ye Chen took off his clothes and put on a towel, after which Ye Chen went straight into the water.

"this feels very comfortable." Ye Chen felt very comfortable, the bath in this place felt very fresh.

The water here is very fresh, it's perfect for relaxing after training or doing a job.

Ye Chen was not surprised that this place had a bath like this, considering that this place was very expensive, it should not disappoint.

Ye Chen was enjoying his time, this place was so quiet that it made Ye Chen feel calm and peaceful.

"I didn't expect that you would go to this place" Just as Ye Chen was feeling inner peace, he heard a female voice from behind.

Ye Chen of course immediately turned around and saw who the woman behind him.

The woman behind Ye Chen was Sun Xuanyin, she was behind Ye Chen and was looking directly at Ye Chen.

"Why are you in this place, isn't this exclusively for men?" Ye Chen said to Sun Xuanyin.

"Let it go, we're the only ones here." Sun Xuanyin didn't care, she didn't care about a small matter like this.

"-_-"" Ye Chen was helpless, this woman had no shame towards herself.

Sun Xuanyin was now wrapped in a towel, so now she only used the towel to cover herself from Ye Chen.

"So why are you here?" Ye Chen asked Sun Xuanyin.

"Of course I want to take a shower." Sun Xuanyin drew closer to Ye Chen, Sun Xuanyin entered the water together with Ye Chen.

"this is very fresh." Sun Xuanyin felt that the water in this place was very fresh, she loved this feeling.

Ye Chen kept his distance from Sun Xuanyin slightly, he made sure to have a safe distance with Sun Xuanyin.

Sun Xuanyin realized what Ye Chen was doing, she realized that Ye Chen was trying to stay away from her.

"Why do you keep staying away from me, I won't eat you" said Sun Xuanyin jokingly with Ye Chen.

"I was afraid that would happen" Ye Chen said to Sun Xuanyin, Ye Chen didn't believe Sun Xuanyin's words, this woman was clearly trying to take advantage of Ye Chen.

"Fufufufu" Sun Xuanyin laughed, she drew closer to Ye Chen, Sun Xuanyin came closer to Ye Chen.

Ye Chen moved away slightly, himself slightly away from Sun Xuanyin.

The more Ye Chen tried to stay away, the more Sun Xuanyin tried to get close to Ye Chen.

What Ye Chen and Sun Xuanyin were doing was so cute, they both looked like two rabbits one chasing and one running away.

Sun Xuanyin didn't want to give up, she kept trying to get close to Ye Chen using her skills.

Sun Xuanyin used her strongest Charm power, she used her highest ability to lure Ye Chen.

Ye Chen's defense was strong enough, Sun Xuanyin wouldn't be able to break through Ye Chen's defense.

After quite a long struggle, Sun Xuanyin finally gave up, she being the first to give up.

Ye Chen was completely unapproachable, this man was unapproachable by her.

"You are so unreasonable, if you are afraid of women then why did you join Jade Lotus Peak, isn't that a place filled with women?" Sun Xuanyin asked Ye Chen.

"Yes, it is indeed a place filled with women, why are the women there so kind, they are definitely different from you?" Ye Chen said to Sun Xuanyin.

"Unlike me ?, what really makes them look good?" Sun Xuanyin started to raise her eyebrows, Sun Xuanyin started to dislike it when someone compared her to other women.

"They are good women and also very beautiful, Peak Lord and Senior Sister over there are the best, you can't compare to them" Ye Chen said to Sun Xuanyin.

This was a good time, it was time for Ye Chen to irritate Sun Xuanyin, that way Sun Xuanyin would not come near him again.

Sun Xuanyin's face began to darken, it was obvious that she was annoyed by the words Ye Chen had just said.

this was the first time Sun Xuanyin had heard of this kind of thing, she was actually compared to a woman who came from a mid-ranked star, it was clearly a ridiculous thing for Sun Xuanyin.

"This man is annoying, if only I could reveal my true identity" To be honest Sun Xuanyin was very annoyed, she was annoyed with Ye Chen's treatment.

Sun Xuanyin had never been treated like this, most men would try to flatter her or perhaps lower their heads when they saw her.

The most dangerous of Sun Xuanyin was her Charm, Sun Xuanyin's Charm was the most powerful weapon he possessed.

Sun Xuanyin had already used this weapon to confuse countless people and make them submit to her orders, this was the second time she had failed to attract anyone other than the Mask Hero.

"We can finally relax" while Sun Xuanyin was teasing Ye Chen, Xun Bingjie and a few maids entered.

"Why did they come in?" Ye Chen don't believe when he saw this how the womanss got in.

"Oh, I forgot, I just exchanged signs at the entrance." Sun Xuanyin had already exchanged signs at the entrance, she wanted to tease Ye Chen alone and didn't want anyone else to enter.

And these women thought that this bath was the female side, so they entered without much thought.

"You, do you know what you have done?" Ye Chen did not expect that Sun Xuanyin would go this far.

"Everything is already done, so there is nothing we can do, hide quickly." Sun Xuanyin told Ye Chen to hide.

Ye Chen hid himself, looking for a place that no one would see.

Luckily this place was big and there were some rocks that could be used to hide, so it should be safe for Ye Chen.

Chapter 1816 It turns out that you only have something small here

Ye Chen hid himself, he hiding behind the rocks.

Sun Xuanyin helped Ye Chen, she covered Ye Chen's body with her body.

Currently Sun Xuanyin was in Ye Chen's lap, she told Ye Chen to stay underwater and not show himself to the surface.

"Yin, you are here" Xun Bingjie said to Sun Xuanyin, she gave Xuanyin a greeting.

"I was cleaning myself." Sun Xuanyin said why she was here.

"What a coincidence, let's enjoy this bath, what I heard from the maid of this place is that it is very good, I can't wait" Xun Bingjie said to Sun Xuanyin.

Xun Bingjie heard from the maids nearby that this place had good baths.

"This place is really good, please give it a try." Sun Xuanyin has tried it herself, this place is indeed very good and very comfortable.

"Right." Xun Bingjie stepped into the water, she began to try to feel what Sun Xuanyin was feeling.

"This is pretty good" after trying, Xun Bingjie admitted that it felt very comfortable, the feeling of going inside made her very comfortable.

"I'm telling the truth," said Sun Xuanyin to Xun Bingjie.

Sun Xuanyin smiled at Xun Bingjie, she did this with a bit of coercion.

Sun Xuanyin was currently hiding Ye Chen, so she couldn't help but hide Ye Chen from Xun Bingjie.

Ye Chen was having a bit of trouble, his body was being squeezed quite tightly by Sun Xuanyin.

Ye Chen couldn't move, he couldn't move because Sun Xuanyin was pressing him tightly enough.

"This woman, she must have done this on purpose" Ye Chen was absolutely certain that Sun Xuanyin must have done this on purpose, this woman must have deliberately suppressed him and didn't let Ye Chen go.

Honestly Ye Chen could hide himself well, he didn't need Sun Xuanyin to help him.

too bad Sun Xuanyin pushed Ye Chen too much, so Ye Chen couldn't escape in time.

"Damn it, this woman must have done this on purpose, I can't stay silent" Ye Chen wasn't going to stay silent, he had to put up a fight.

In a situation like this, Ye Chen couldn't possibly survive, his male self wouldn't be able to survive in a situation like this.

Ye Chen touched Sun Xuanyin who was above him, he gave Sun Xuanyin a slight stimulation.

"Kyaaaaa! !!" Sun Xuanyin suddenly let out a scream, she was quite surprised by Ye Chen's touch.

" what is it?" Xun Bingje directly asked Sun Xuanyin, she asked what happened to Xun Bingje.

"Nothing." Sun Xuanyin tried to hide what had happened.

Sun Xuanyin was smart, she was able to hide what had happened from Xun Bingje and the maids at the front.

Just now, Sun Xuanyin was quite surprised when she felt Ye Chen's touch, to be honest it was quite a shock for Sun Xuanyin.

Sun Xuanyin couldn't help but think when she found out that Ye Chen had touched her.

what is currently happening was never imagined by Sun Xuanyin.

Sun Xuanyin thought of Ye Chen as someone who had no interest in her, so Sun Xuanyin did not make any guard for Ye Chen.

Ye Chen didn't stop there, he touched Sun Xuanyin again and gave Sun Xuanyin a stimulus.

Ye Chen didn't use his full ability, he pretended to be a poor person in front of Sun Xuanyin.

No matter how bad Ye Chen's abilities are, Ye Chen is still a veteran, his skills naturally make Sun Xuanyin unable to stand it.

"What's wrong?, why your face look red?" Xun Bingje asked Sun Xuanyin, she asked why Sun Xuanyin's face looked so red.

"Everything is fine." Sun Xuanyin said that everything was fine, she was fine and nothing had happened to her.

Sun Xuanyin really didn't expect that Ye Chen could make herself groan and turn red.

Even though Ye Chen's skills looked really bad, this man was just a random touch and didn't know how to appreciate a woman.

Luckily Ye Chen's ability wasn't very strong, so Sun Xuanyin was still able to withstand it well.

If Ye Chen used his true ability, it was very likely that Sun Xuanyin would not be able to withstand it, she would definitely not be able to withstand Ye Chen's extremely powerful attack.

Sun Xuanyin's face turned even redder, she continued to block Ye Chen's attacks using her skills.

Ye Chen's attacks were getting more and more severe, Sun Xuanyin was starting to not stand up to Ye Chen's attacks.

"What are you doing, quickly stop right now." Sun Xuanyin said to Ye Chen.

Although Sun Xuanyin initially thought Ye Chen was weak, in reality she couldn't stand Ye Chen's clumsy touch.

"You get out of the way quickly." Ye Chen said to Sun Xuanyin, he told Sun Xuanyin to get out of the way right now.

"Are you stupid, I won't do that" Sun Xuanyin wouldn't do the stupid word.

If Sun Xuanyin left, then Ye Chen's position would be easily discovered by Xun Bingje.

Xun Bingje would definitely think nothing of it when she found out what had happened to Sun Xuanyin and Ye Chen.

Sun Xuanyin was quite a cautious person, she would not allow Ye Chen to destroy her image.

That's why Sun Xuanyin refused when Ye Chen told her to leave, one could say that Sun Xuanyin didn't want to leave this place.

"You're giving me trouble, so leave quickly." Ye Chen didn't give up, he tried to push Sun Xuanyin away.

Sun Xuanyin did not move, she remained firmly in place and did not want to move.

"She is indeed a troublesome woman" Ye Chen was quite annoyed, Sun Xuanyin was indeed a very troublesome woman.

Ye Chen seemed to have to increase the intensity in teasing Sun Xuanyin even more, it was the only way for Ye Chen to get out of the current situation.

"Emmmm" Sun Xuanyin groaned, she groaned and let out a fairly low moan.

Sun Xuanyin was starting to get impatient, Ye Chen's way of teasing was getting better and better.

"What happened to you, you are very strange." Xun Bingje began to suspect what Sun Xuanyin was doing.

"It's okay," said Sun Xuanyin to Xun Bingje.

Sun Xuanyin tried to act normal in front of Xun Bingje, the situation was getting serious, if it continued like this then it would become a bit of a problem for Sun Xuanyin.

Xun Bingje tilted her head, she was even more confused by this new female disciple in front of her.

The new disciple in front of her was very strange, Xun Bingje didn't understand Sun Xuanyin.

Xun Bingje couldn't do anything to Sun Xuanyin, Lord Peak advised her not to do anything to offend Sun Xuanyin.

Xun Bingje knew that this woman must be from a good place, otherwise Mo Chiyi would not treat Sun Xuanyin well.

"You want to play with me, then I will make you regret it." Sun Xuanyin started to extend her hand downwards, Sun Xuanyin's target was Ye Chen's younger brother who was below.

Ye Chen realized what moves Sun Xuanyin was making, if until Sun Xuanyin found out Ye Chen had good things down, then this woman would definitely not let her go.

"there is no other way" Ye Chen only had one choice and that was to do so.

Sun Xuanyin's hand touched Ye Chen's younger brother, when Sun Xuanyin touched Ye Chen's younger brother, she found that Ye Chen's younger brother looked very small.

"It turns out that you only have something small here." Sun Xuanyin smiled when she find Ye Chen's young brother.

Chapter 1817 Managed to escape from Sun Xuanyin's entanglement

"Do you have a problem with that?" Ye Chen asked Sun Xuanyin.

Ye Chen was purposely hiding his possessions, he didn't want Sun Xuanyin to find out that he had such a good treasure.

Ye Chen had the ability to make the little brother below small, so his size wasn't as big as usual.

"Hmmm, it's not strange if you try to avoid girls, I think I already know the root of the problem." Sun Xuanyin already knew the root of the problem, she already knew why Ye Chen was trying to avoid a woman.

"-_- " this woman's words were so annoying and so hurtful, Sun Xuanyin tried to destroy Ye Chen's pride as a man.

Luckily Ye Chen wasn't angry when he heard Sun Xuanyin's words, otherwise Ye Chen would have silenced this woman using his abilities.

"what's small?" Xun Bingje apparently listened to what Sun Xuanyin had to say.

"Nothing, I was just guessing something" Sun Xuanyin said to Ye Chen.

Sun Xuanyin tried to stop laughing, unfortunately she couldn't hide this from Xun Bingje.

" ? ? ? " Xun Bingje felt strange towards Sun Xuanyin, what Sun Xuanyin did was very strange.

The more Xun Bingje was with Sun Xuanyin, the more she felt that this woman was strange.

Sun Xuanyin didn't care what Xun Bingje thought, she was having fun with Ye Chen.

For some reason Sun Xuanyin was very happy when she played with Ye Chen, she thought Ye Chen was very funny to play with.

Sun Xuanyin was getting more and more daring, she used her hands to stimulate Ye Chen.

"Damn, good technique" Ye Chen sensed that Sun Xuanyin was starting to put up a fight, she used her hands to tease Ye Chen's.

Ye Chen had to be able to withstand Sun Xuanyin's attack, defeat here could not be tolerated by Ye Chen.

Sun Xuanyin continued to chat with Xun Bingje, she did this to distract from Xun Bingje.

Sun Xuanyin's hands never stopped, she continued to tease Ye Chen with her skillful fingers.

"Oh no, this is quite serious." Ye Chen was starting to feel threatened, he was starting to not stand up to Sun Xuanyin's attack.

Sun Xuanyin's skills were indeed very excellent, she possessed excellent skills and could make a man feel good with just a small touch.

"I won't stay silent, it's better to fight than to lose at the hands of this woman." Ye Chen didn't want to lose without putting up a fight, he decided to fight Sun Xuanyin.

Ye Chen again used his finger to touching Sun Xuanyin's sensitive spot, although it was still touching in a random motion, Ye Chen occasionally touched Sun Xuanyin's sensitive spot.

"Ahhh! !" The moment Ye Chen touched the most sensitive part, Sun Xuanyin let out a sweet moan.

"What the hell, even if his movements are careless, he can find my sensitive spot." Sun Xuanyin said in her heart.

Even though Ye Chen's movements were very bad, in fact Ye Chen was occasionally able to find his sensitive spot, Sun Xuanyin at least couldn't stand it when she saw her sensitive spot being touched by Ye Chen.

"Yin, why don't you come back, you look so red, you might be sick from the trip." Xun Bingje said to Sun Xuanyin, she asked Sun Xuanyin to return to the room.

"I'm fine, you don't have to worry." Sun Xuanyin again told Xun Bingje to be quiet, she was fine even now Sun Xuanyin was enjoying Ye Chen's touch.

"You're trying to lie to me, let's go back to the room." Xun Bingje took Sun Xuanyin back, she dragged Sun Xuanyin away from Ye Chen.

Sun Xuanyin initially refused, but when she knew Ye Chen's identity would be exposed if Xun Bingje looked back, Sun Xuanyin had no choice but to go with Xun Bingje.

Sun Xuanyin actually didn't want to leave her place, she was just having fun while replying to Ye Chen.

Ye Chen made good use of this opportunity, he immediately went and dived into the dark part.

Ye Chen swam without leaving a ripple, this made him invisible to others.

"Fortunately I was able to get away from that woman." Ye Chen was grateful that he was able to leave.

"This woman is quite brave, maybe I should find a chance to fight her" Ye Chen wanted to avenge what Sun Xuanyin had done, he would avenge what Sun Xuanyin had done to Ye Chen.

Ye Chen hated it the most when he saw a domineering woman like Sun Xuanyin, he preferred to make a woman like Sun Xuanyin fall from her throne.

"I'll just go back" Ye Chen decided to go back, he decided to just go back to his room.

Ye Chen continued to be in the room until the next day, he spent time doing some experiments with the items he got from the Space Ring inheritance.

"wow last night was really fun" everyone looked so excited, they just filled up again after nightfall.

At night Ye Chen heard some strange noises, he heard a strange sound coming from several rooms in this place.

Even without using God Eyes Ye Chen could tell what these people were up to, they hired the services of the maids at the oasis inn to entertain themselves.

"Master please come again when you have time" all the maids ushered Min Caun's party off, they just got extra paid and earned some trust from Min Caun's party members.

"Let's go quickly and complete this quest, don't delay any more." Ye Chen didn't want to delay, he had already delayed too long to let Min Caun and the young masters around have fun.

"Why are you in such a hurry, don't you use the additional services at the inn to relieve stress and fatigue" said Min Caun

"I'm not interested" Ye Chen was not interested, he chose his wife instead of using things like that.

"Listen we are men, so don't hold back" Seeing Ye Chen trying to restrain himself, Min Caun advised Ye Chen.

"Listen, I have a beautiful woman at home, why should I bother with the brand" Ye Chen said to Min Caun.

"Huh, you. . ., oh yeah that's right, you have a beautiful fiancée, I almost forgot." Min Caun remembered that Ye Chen had a beautiful fiancé like Xia Qingyu.

"He has a fiancé?" Sun Xuanyin immediately looked at Ye Chen with a strange look, she just found out about this matter.

If Min Caun hadn't said this, then until now Sun Xuanyin wouldn't have known that Ye Chen had a fiancé.

"Interesting, I wonder who this man's fiancée is." Sun Xuanyin wanted to know who Ye Chen's fiancée was.

Sun Xuanyin liked to snatch someone from a woman the most, so maybe she would do it to Ye Chen.

Even though Ye Chen wasn't good, at least this man was pleasing to the eye, Sun Xuanyin could use Ye Chen as a toy.

Ye Chen Min Caun and the party members left the city, they focused on finding the whereabouts of the monster they were hunting.

This time the weather was very good, the weather was very hot and their visibility was very good.

"If the weather continues like this, then we can find our target" with very favorable weather, they can find the target they are looking for.

Ye Chen used God Eyes, he searched for the whereabouts of any suspicious monsters.

Under the ground there were several monsters hiding, they wanted to ambush someone who passed above them.

Chapter 1818 Find magical beast's Quest

"There's nothing around this place." Ye Chen still didn't find any sign of a powerful monster dwelling around this place.

The quest given by Mu Xueying was not clear, this quest made Ya Chen have to find the monster he would hunt.

"In front there are several tents" Min Caun told everyone that in front there were several tents standing.

"Maybe they know about the monsters that are in a hurry, let's go right now" Ye Chen took Min Caun to ask the people around this place.

Ye Chen and Min Caun approached, they tried to ask the people living around the tent.

When Ye Chen and Min Caun tried to get closer, they didn't find anyone.

"there is no one around this place" Ye Chen and Min Caun felt strange, they found no sign of anyone around this place.

"You're right, there's no sign of anyone around this place, it's quite strange" Min Caun quite agreed with what Ye Chen said, he totally agreed when he heard what Ye Chen said.

"Let's look for clues around this place" Ye Chen asked Min Caun to look for clues around this place.

"Okay" Min Caun nodded, both of them looking for a clue around their current place.

Ye Chen and Min Caun found items that were brand new, it seemed that the people in this place left without taking their things with them.

"their stuff is still in this place, they should be around this place" because the stuff is still in the tent, people should still be around this place.

Ye Chen searched around this place, he hoped to find these people.

After searching for a few minutes, Ye Chen found no trace of the people setting up the tent.

"were they killed?" Having not found a clue, Ye Chen thought that the people around this place were killed.

"How did you find something?" Min Caun asked Ye Chen.

"No, I didn't find anything." Ye Chen said that he didn't find anything.

"I didn't find anything either, let's just go back" Since they didn't find anything, they went back and met the party members.

"How?" Xun Bingje asked Min Caun.

"We didn't find anything, how about we split up." Min Caun didn't find anything, so they should just split up.

"That's a good idea, why should we split up and send out a signal to let us know if we find anything important." Sun Xuanyin agreed, this suggestion was excellent.

"Okay, then we will split up, let's split." Xun Bingje agreed, they might be quick if they wanted to split up.

The team started to split up, Min Caun with Yu Diren, meanwhile Tu Entar with Bai Sangsa, and Gu Finzu with Hun Xufi.

Sun Xuanyin had to be together with Xun Bingje, they were from the same peak, so they had to stay together.

Meanwhile Ye Chen was alone, he didn't get a partner.

"Are you okay alone?" Min Caun asked Ye Chen.

If Ye Chen didn't want to be alone, then Min Caun would put him in one of the four teams.

"No need, I can be alone" Ye Chen said that he could be alone.

"You are too confident, lest you become a desert bone" Xun Bingje said to Ye Chen.

Xun Bingje didn't like Ye Chen's self-confidence, to be honest She didn't like Ye Chen's self-confidence.

"I didn't know that you were so worried about me, did you start to take an interest in me?" Ye Chen said to Xun Bingje.

"Who is interested in you" Xun Bingje immediately refuted what Ye Chen said, She refuted what Ye Chen had just said.

"I was just joking, why are you reacting like that?" Ye Chen said to Xun Bingje.

"-__-" Xun Bingje made a helpless expression, she had just been tricked by Ye Chen.

"let's go" Min Caun invited everyone to go, they all left and scattered in all directions.

Since Ye Chen was alone, Ye Chen no longer needed to restrain himself, he immediately used his full speed to search for the whereabouts of the monster he was looking for.

With his speed as well as God's Eyes, Ye Chen was able to find the whereabouts of all objects in front of him, he could see everything that was hiding very clearly.

"There is a very strong smell of blood up ahead." Ye Chen felt a very strong smell of blood from the front, seeing this Ye Chen immediately went and saw what happened.

When Ye Chen left, Ye Chen found that in front of him was a pile of scattered bones.

"So many, how many people were killed" When Ye Chen saw the skulls around Ye Chen, he could tell that the number of people killed was very large.

"I think I found the monster" Ye Chen probably found the monster he was looking for, Ye Chen went straight in and looked into the cave.

Ye Chen walked leisurely, he kept looking at the movements of the monsters in front of him.

"In front of you there is a monster that looks like a Cerberus with three heads, each head is different, there is the head of a dog, a wolf and also a lion's head.

This Cerberus monster preys on humans, it swallows humans in front of it very easily.

"So this is the monster" Ye Chen saw that this was the monster he was looking for.

"I have found it, I will destroy it immediately" Ye Chen has found the target, now it is only to destroy this monster and return to the Sect.

Ye Chen walked forward, he went straight towards the direction of the Cerberus monster.

Cerberus immediately detected the presence of Ye Chen, this monster immediately attacked Ye Chen who was in front of him.

"Breaking Meteor Blow" Ye Chen directly hit Cerberus with Breaking Meteor Blow.

"Blam" Cerberus immediately bounced and hit the wall, with the huge body he had, the cave wall easily collapsed, the cave began to shake and the top began to collapse.

"Roar" Cerberus tried to get up, he made a roar towards Ye Chen.

"Don't yell at me, I don't like it when ugly monsters scream at me." Ye Chen didn't like the roar of the Cerberus.

Cerberus seemed to be able to understand the danger that Ye Chen had, he could understand what Ye Chen had just said.

Cerberus was a Magical Beast with high intelligence, so it wasn't strange that he was able to understand the dangers of the weapons used by Ye Chen.

Cerberus gave off a torrent of fire, Ice and lightning, this Magical Beast had three elements in each head.

"He has three elements, not bad." Ye Chen stretched his hand forward, fending off the three attacks that were launched at him.

"boom" The impact of the attack was enormous, the impact of the attack that occurred created explosions and huge holes in the walls and the area around Ye Chen.

Ye Chen was fine, Cerberus' attacks were unable to injure him.

"His strength isn't bad, it's just that he isn't strong enough." Ye Chen saw that the Cerberus in front of him was not as strong as Ye Chen had imagined.

"I will cut off his head" Ye Chen took out the Divine Yin Yang Sword, the Divine Yin Yang Sword appeared in Ye Chen's hand.

When the Divine Yin Yang Sword appeared, Cerberus began to retreat, this monster was able to sense the danger of the Divine Yin Yang Sword.

"Want to run away?, it's too late" Ye Chen swung his Divine Yin Yang Sword towards Cerberus, one Cerberus' head was instantly cut off by Ye Chen's slash.

Chapter 1819 Yu Lung

"Roar" Cerberus screamed in pain, he screamed in pain when one of his heads was cut off by Ye Chen.

"One has been cut off, only 2 are left." Ye Chen had already cut off one Cerberus head, now there were only two left.

Seeing that Ye Chen was very strong, Cerberus immediately ran away, he fled very quickly, Cerberus was like he was looking at a terrible monster.

"I won't let you escape" Ye Chen won't let Cerberus escape, he chased after Cerberus who ran away.

Cerberus fled from the cave, he went outside and started running in a direction.

"Where are you going to run to?" Ye Chen was chasing Cerberus, he was chasing Cerberus at an equally fast speed.

Unexpectedly, Cerberus' speed was very fast, he ran at a speed equivalent to lightning.

Most likely this was because Cerberus had the power of lightning, the finger wouldn't be strange if he was able to run so fast like that.

"Looks like Cerberus is going somewhere." Ye Chen felt that Cerberus was heading somewhere.

Ye Chen didn't know where this monster would go, he would follow behind this monster.

A few moments later Cerberus arrived at a place, in this place there were several corpses scattered everywhere.

"strange place?" Ye Chen looked at the front, the place in front of him was very scary, a lot of people were lying around this place.

There was no need to ask, these people were of course dead, they had all been killed a long time ago, some had even rotted and been left alone.

Ye Chen stepped forward, he went inside and saw what was inside.

When Ye Chen entered, he saw the presence of Min Caun Yu Diren, Tu Wenta, Bai Sangsa, Gu Finzu, Hun Xufi.

"Why are they all in this place" Ye Chen looked at Min Caun Yu Diren, Tu Wenta, Bai Sangsa, Gu Finzu, Hun Xufi who had been caught, he could see that they had been caught and were injured.

"We just parted, who could do this?" Ye Chen had just parted ways with them, and it was less than 1 hour, how did they get caught and his condition became what it is today.

Ye Chen certainly knows the strength of Min Caun Yu Diren, Tu Wenta, Bai Sangsa, Gu Finzu, Hun Xufi, they have high strength, they should be able to put up a fight when attacked.

"Oh there's another guest, welcome my guest" a female voice sounded and greeted Ye Chen's arrival.

Ye Chen of course immediately turned around, he immediately turned around to see who the woman who had just greeted him was.

When Ye Chen turned around, he found a woman with red hair and shrouded in a terrifying aura of darkness.

This aura of darkness was able to escape because this woman had already killed countless humans.

"So you are the one in power in this place." Ye Chen saw that this woman in front of him was the ruler of this place.

"Of course, I am the person in power in this place, you just injured my pet, do you know that?" said the woman in front of Ye Chen.

"So the ugly beast just now was your pet" Ye Chen replied to the woman in front of him.

"How dare you" This woman pointed at Ye Chen, she looked very angry when she listened to what Ye Chen said.

"What's wrong, are you mad?" Ye Chen said to the woman in front of him, Ye Chen continued to mock the woman in front of him.

"You are so brave, looks like you need a little punishment to straighten your mind that" the woman with red hair came forward, she got down in front of Ye Chen.

This woman's name is Yu Lung, she is one dangerous and terrible woman.

Yu Lung had a bit of trouble in mind, this woman had a penchant for murder wherever she was.

Yu Lung snapped her fingers, the surroundings were instantly enveloped by the smoldering flames.

This fire coiled and created a high wall of fire, Ye Chen would not easily get out of this place.

"Now you won't be able to get out of this place." Yu Lung said that Ye Chen wouldn't be able to get out of this place.

"Are you sure about that?" Ye Chen was very calm, he didn't show any signs of fear when facing Yu Lung.

"You're not afraid when you fight me, it's very interesting, even though all your comrades immediately fled when they saw me" Yu Lung said while praising Ye Chen.

"Why should I be afraid of you?" Ye Chen asked the woman in front of him, why should Ye Chen be afraid of the woman in front of him.

"Oh you don't know who I am, very interesting, this is the first time someone doesn't know me" Yu Lung said to Ye Chen.

"Friend, this woman is, she is a very dangerous female monster, she once destroyed several stars and killed everyone in them.

Min Caun was the only person who had the slightest awareness, he told Ye Chen about the dangers of the woman in front of him.

"Oh, so you are very dangerous." Ye Chen didn't show any surprised reaction, he just nodded a few times when he heard this.

Yu Lung raised her eyebrows, this man in front of her was really annoying, he didn't react even when he heard her name.

"I will make sure that you will get into very big trouble" Yu Lung would not let Ye Chen out so easily, she might just have fun and start torturing Ye Chen.

"I wonder if you can do that." Ye Chen wasn't sure that this woman in front of him would be able to do that.

Yu Lung began to show her strength, a terrifying pressure enveloped this place.

The woman's cultivation was at the eighth level of the Divine Overlord Realm, that level could be said to be quite high.

"You are so stupid, why don't you call us" Sun Xuanyin and Xun Bingjie appeared behind the fire, they paved the way for Ye Chen.

"Why should I call you?" Ye Chen asked Sun Xuanyin and Xun Bingjie.

"You don't know who you are fighting, she is Yu Lung, one of the dangerous female demons" Sun Xuanyin said to Ye Chen.

Sun Xuanyin knew who this woman in front of her was, she was quite a dangerous woman once, Sun Xuanyin had met her and fought Yu Lung.

Honestly, in the battle at that time, Sun Xuanyin was assisted by an Elder from the Eternal Sun Star Realm, otherwise Sun Xuanyin would not have won against this woman.

"Why is this woman here?" Sun Xuanyin didn't know why this woman was in this place, if this woman was in this place, then there must be something good here.

The existence of Yu Lung in this place must have a purpose, I don't know what this woman is looking for.

"What is your purpose in coming to this place?" Sun Xuanyin asked Yu Lung, Sun Xuanyin wanted to know Yu Lung's goal.

"Oh there are two new people coming, very interesting, it seems that tonight my pet will have a party" Yu Lung did not want to answer Sun Xuanyin's words, this woman ignored Sun Xuanyin's question.

Chapter 1820 Xun Bingje and Sun Xuanyin ran away

"Let's end this as soon as possible so I can return" Ye Chen wanted to end things quickly.

"You are too brave, are you sure you can do that?" Yu Lung smiled, she felt that Ye Chen was a little clown.

Ye Chen's words were like a child's, he tried to succumb to it and it was a difficult thing to do.

Yu Lung couldn't believe that a kid like Ye Chen could beat her, it could be said that Ye Chen was just a braggart.

"What's wrong with this woman, why does she look like a coquettish woman?" Ye Chen said in a dissatisfied tone.

"Don't be fooled by her appearance, she is a terrible woman, it is not easy to deal with her, if you make her angry, then it will be very terrible" Sun Xuanyin said to Ye Chen.

Sun Xuanyin told Ye Chen that Yu Lung was a terrible woman, this woman was even worse than Sun Xuanyin, she would not let her victims escape.

Once someone was caught or met this woman, it could be said that this woman would kill him.

"Is it true, that she will be angry if I make her angry?" Ye Chen said to Sun Xuanyin.

Ye Chen was quite interested when he heard this, to be honest Ye Chen wanted to give it a try.

"You don't do anything bad, it will be a terrible thing if it makes her angry" Xun Bingje said to Ye Chen, Xun Bingje told Ye Chen not to make this female monster angry.

Xun Bingje had been hanging out with Ye Chen, so she knew how annoying Ye Chen was.

If Ye Chen angered Yu Lung, then they would be in big trouble.

Ye Chen smiled when he heard this, it seemed that Ye Chen had a way of dealing with this woman.

"Hey ugly old lady, why don't you just give up, I don't want to hurt you" Ye Chen said to Yu Lung.

"stupid, What are you doing?" Sun Xuanyin and Xun Bingje shouted at Ye Chen, these two women said that Ye Chen was very stupid.

Yu Lung's face instantly darkened, he could no longer tolerate what Ye Chen said.

Previously Yu Lung could still tolerate Ye Chen's words, but now sahe could no longer tolerate this matter.

"You said I'm an ugly old woman, how dare you, it seems you haven't seen my beauty" Yu Lung's body started to emit a black and reddish aura, a terrifying killing aura emerged and attacked Ye Chen, Xun Bingje and Sun Xuanyin.

This killing aura was terrifying, it was capable of making one feel fearful.

"That's terrible" Even Sun Xuanyin who had a lot of experience started to feel a little goosebumps, she didn't expect that Yu Lung would have such a terrifying killing aura.

When compared to everyone that Sun Xuanyin had met, one could say that Yu Lung was the most terrifying.

"Stupid, you have angered her, now what are we going to do" Xun Bingje hated Ye Chen, this person did such a stupid and unreasonable thing.

Xun Bingje was starting to feel scared, she used to be afraid to face someone as terrifying as Yu Lung.

"What else can we do, of course we will fight back, there's no way we'll just stand still." Ye Chen was going to fight back, he couldn't possibly stay still.

Unlike Xun Bingje and Sun Xuanyin, Ye Chen was not affected by Yu Lung's aura, Ye Chen had no fear in his heart.

"What kind of person is he, I can't guess what kind of person he is?" Sun Xuanyin couldn't guess what Ye Chen was thinking, whether Ye Chen was really stupid or really brave.

Currently the only one who can match Yu Lung is Sun Xuanyin, Ye Chen's strength should not be comparable to that of a female monster.

Ye Chen stepped forward, he directly attacked Yu Lung using a punch.

"A child's attack" Yu Lung stretched out her hand, he turned Ye Chen over with one hand.

Ye Chen was thrown and fell to the ground by the surprise attack made by Yu Lung.

"Useless" Xun Bingje said in a helpless tone, to be honest what Ye Chen did was useless.

Ye Chen got up, himself again trying to attack Yu Lung.

"Bam" Yu Lung attacked Ye Chen, she knocked Ye Chen down again using physical skills.

Yu Lung had fairly strong physical techniques and skills, it wasn't easy to physically attack at her.

Sun Xuanyin and Xun Bingje tried to attack Yu Lung, they made a sneak attack towards Yu Lung.

Yu Lung noticed the attack from Sun Xuanyin and Xun Bingje, Yu Lung has good reflexes, she defends and counterattacked.

"Bam" Sun Xuanyin and Xun Bingje were hit by Yu Lung's attack, both took hundreds of steps back and knelt on the ground.

"cough . . ." Xun Bingje coughed up blood, the attack just now injured her internal organs.

"she's too strong" Xun Bingje had no chance of winning, a single light strike could seriously injure her.

"What should I do, should I run away?" Seeing the unfavorable situation, Xun Bingje had thoughts of running away.

"life is more important than everything" Xun Bingje felt that her life was more important than anything.

"Junior Sister Yin, let's just run away" Xun Bingje said to Sun Xuanyin, this is their chance to escape, fighting Yu Lung is impossible for them to do.

"Wouldn't it be a problem if we returned without them?" Sun Xuanyin said to Xun Bingje.

"It doesn't matter, as long as we live it will be fine" Xun Bingje said to Sun Xuanyin.

They were currently up against a dangerous woman, the strength of this party would not be able to defeat someone like Yu Lung.

At least in this case the Patriarch and Lord Peak should step in to resolve this matter.

Even then if they dared to do this, the Patriarch and Lord Peak would most likely not want to do this, this female monster was too risky for them to fight.

Sun Xuanyin quite agreed with what Xun Bingje said, fighting this woman was a very risky.

"I still can't let my identity be exposed in a place like this." Sun Xuanyin had just started looking for the Mask Hero's traces, if her identity was exposed it would be a big problem.

Xun Bingje pulled Sun Xuanyin, she carried Sun Xuanyin away from this place.

While Ye Chen was fighting Yu Lung, Xun Bingje took this opportunity to leave.

"Looks like your friend have run away and left you alone, I thought you two had a close relationship, but they left after taking one hit, so funny" Yu Lung said to Ye Chen, she told Ye Chen that Xun Bingje and Sun Xuanyin left.

"I don't care what they do" Ye Chen didn't really care about this matter, his focus now was on fighting against Yu Lung.

Leaving Sun Xuanyin was a great thing, Ye Chen didn't need to hold back since Sun Xuanyin wasn't around.

From the beginning Ye Chen held back and pretended to be weak, even though Ye Chen could be more serious against Yu Lung.

"You are a very ignorant man, we will see how many limits you have" Yu Lung felt that Ye Chen was an indifferent man, he seemed to not care about what was going on around him.
