

### Chapter 1821 Earth Impact Destroyer

Yu Lung snapped her fingers, from underground a hot magma gushed out towards Ye Chen.

This hot magma covered Ye Chen's entire body, it wrapped Ye Chen's body like a cocoon.

"I will not kill you quickly, you will feel a painful torment" Yu Lung said to Ye Chen.

Yu Lung would not kill Ye Chen directly, she would torture Ye Chen first.

"Crack" Ye Chen's shattered everything in front of him, using his hands to crush the lava that was enveloping him.

" what ! ! !" Yu Lung was quite surprised when she saw this, how could her attack be destroyed so easily by Ye Chen.

"Just like this?" Ye Chen asked Yu Lung, Ye Chen asked again if this is all Yu Lung's strength is.

"Impossible, how could you possibly destroy that attack so easily?" Yu Lung couldn't believe what she saw, how could Ye Chen destroy her attack so easily, Ye Chen's strength shouldn't be able to destroy her technique.

"What's wrong?, why are you surprised like that" Ye Chen said to Yu Lung.

"I think I underestimated a brat like you too much." Yu Lung underestimated Ye Chen too much, she underestimated Ye Chen's ability.

Ye Chen waved his hand, he smashed the handcuffs on the body Min Caun Yu Diren, Tu Wentu, Bai Sangsa, Gu Finzu, Hun Xufi.

"You can move right?, take them all from this place" Ye Chen told Min Caun to take everyone away.

"Are you okay?" Min Caun said to Ye Chen.

"I'm fine, get out of here" Ye Chen told Min Caun to leave this place immediately.

The battle would soon reach a breaking point, at that time Ye Chen would not be able to protect them from Yu Lung's attack.

"okay I will take everyone away" With wounds on his body, Min Caun tried to take everyone away.

"Hahaha, you want to go like that, you are dreaming," said Yu Lung to Min Caun Yu Diren, Tu Wentu, Bai Sangsa, Gu Finzu, Hun Xufi.

Yu Lung closed the exit, she closed the exit for Min Caun Yu Diren, Tu Wentu, Bai Sangsa, Gu Finzu, Hun Xufi.

"Bam. . ." Ye Chen used his power to open the door, he paved the way for Min Caun Yu Diren, Tu Wentu, Bai Sangsa, Gu Finzu, Hun Xufi.

"You" Yu Lung was not happy about this, Ye Chen had let her pet toy just run away.

"Your opponent is me" Ye Chen said to Yu Lung, she told this woman that the opponent was him.

"Damn it, you are a very annoying young man, can't you be more gentle with women" Yu Lung said to Ye Chen, Yu Lung hated Ye Chen so much, this young man annoyed her.

"Why should I be gentle with a crazy woman like you, I wouldn't do such a thing to a crazy woman like you" Ye Chen wouldn't want to be gentle with Yu Lung, this woman was a little crazy and had a mental disorder.

Ye Chen could sense that Yu Lung was crazy and unreasonable, this woman would be irreversible considering she was crazy.

Talking to her would only be a waste of Ye Chen's time, it was better to beat him and capture her instead.

"What kind of reward will I get if I catch her?" Ye Chen was curious about the reward he would get when he caught Yu Lung.

The rewards for catching a fugitive like Yu Lung should be huge, considering that this woman is extremely dangerous.

On top of Yu Lung's forehead began to appear a lot of wrinkles, Yu Lung blushed and was very annoyed with Ye Chen.

Yu Lung's anger was already at its peak, she could no longer contain herself and wanted to tear Ye Chen into tens of thousands of pieces.

"Magma Net" Yu Lung licked his lips, from inside Yu Lung's lips hot magma started to form which formed a large net.

Ye Chen's made Ice in front of himself, an Ice wall appeared and restrained the Magma Net.

Thick plumes of smoke began to form when the ice met the magma.

"Looks like my attack isn't strong enough, maybe I should add more strength" Yu Lung saw that his attack wasn't strong enough, so he had to increase his strength again.

"Ten thousand killer fire fish" Yu Lung gathered his profound strength, her stomach started to expand and she looked a little big.

After feeling that he had gathered enough strength, Yu Lung blew out something inside her body.

A piranha in the form of fire appeared from Yu Lung's mouth, this fire piranha flew towards Ye Chen.

Thousands of fire piranhas of enormous size rushed towards Ye Chen, they were like a swarm of extremely dangerous fish that could destroy you in just a few seconds.

"Let's see if you can survive this wave." Yu Lung licked her lips, she seemed to enjoy the scene in front of her.

The Ice Wall that Ye Chen made was broken by the bite of the fire piranha, this fire bite shattered Ye Chen's Ice wall.

"she controls all of this, not bad" Ye Chen saw that all these fire piranha fish were controlled by Yu Lung, they all moved according to Yu Lung's wishes.

"Since she is serious, then I will be serious too" Ye Chen was about to get serious, he was getting serious in dealing with Yu Lung.

Ye Chen's body was trapped inside the vortex of the fire piranha fish, the fire fish started trying to bite and tear Ye Chen apart.

Ye Chen knelt down, he put one hand of his down.

When Ye Chen knelt down, his entire body was covered by the fire piranha fish, Ye Chen's body was nowhere to be seen and was being torn apart by the fire piranha fish.

"Hahahahaha" Yu Lung laughed evilly, he laughed evilly when he saw Ye Chen being eaten by the fire piranha fish.

"Earth Impact Destroyer" Ye Chen shouted loudly.

After Ye Chen's shout, a huge explosion occurred and swept across the ground within tens of thousands of miles.

This explosion shattered the mountains and rocks around this place, everything around was swept away by the ground.

"Gah ! ! !" Yu Lung was hit by this attack, her body had just been hit by something extremely hard and heavy.

Yu Lung was blown away, as was Cerberus who was hiding behind her.

This explosion swept away everything in existence everything crumbled and turned into scattered rubble.

A large crater appears, this crater is very large and the center is quite deep.

Ye Chen stood right in the middle of the crater and looked at his surroundings which had been annihilated.

"The destructive power is quite strong." Ye Chen was quite happy, the destructive power of the Earth Impact Destroyer technique was quite strong.

With this kind of strength, destroying a city should be done very easily, Ye Chen was sure that it would be of great use to him.

"is that woman still alive or not" Ye Chen wanted to know if Yu Lung was still alive or not.

Ye Chen searched for the whereabouts of Yu Lung, he looked around to see where this woman was.

Ye Chen saw where Yu Lung was, he saw that Yu Lung was currently near Cerberus lying on the ground.

It seems that Cerberus suffered a very severe injury when he received a powerful attack from the Earth Impact Destroyer.

"Wake up" Yu Lung said to Cerberus, this is the best pet she has, so it's not surprising that Yu Lung looks sad when she sees Cerberus in this state.

### **Chapter 1822 [Bonus] Yu Lung managed to escape**

"She can be sad too, I don't think she has a heart." Ye Chen thought that Yu Lung wouldn't be sad, but she could still be sad when she saw Cerberus dying right in front of her.

Ye Chen approached, himself approached and intended to catch Yu Lung, this is the time for Ye Chen to catch Yu Lung.

Yu Lung noticed the arrival of Ye Chen, she realized that Ye Chen was coming towards her.

"You, you will pay for what you have done" Yu Lung said to Ye Chen, she said that Ye Chen will pay for what happened.

"You better give up right now." Ye Chen told Yu Lung to give up right now.

"Give up, are you joking with me, you don't know who the woman you are fighting is" Yu Lung's body began to heat up, a puff of smoke began to emerge from Yu Lung's body.

"rumble. . ." the ground began to shake, there was a very large earthquake, this earthquake made the ground below begin to crack and create a large fissure.

" what is this woman trying to do" Ye Chen started cursing, he retreated and kept his distance from Yu Lung.

From underground, a huge Flame started to burst out and burst out at a terrifying speed.

This Flame spread very quickly, in a short time tens of thousands of miles away was enveloped in flames.

The area around this place was more like a spooky hell, flames churned and erupted from the ground as if they were coming out of the depths of a star's core.

"I will destroy you and this place" Yu Lung will destroy Ye Chen and this star.

"Aren't you quite exaggerating" Ye Chen said to Yu Lung, Ye Chen felt that what Yu Lung was doing was quite excessive.

"You will feel what I feel" Yu Lung said that Ye Chen would feel what she is currently feeling.

"You crazy woman" Ye Chen said to Yu Lung, this woman is not normal.

"I am indeed a Crazy woman, and this Crazy woman will have buried you in this place" Yu Lung said to Ye Chen.

"Gigantic Magma Flame Blow" Yu Lung used all the power he had, as Yu Lung did that, outside this star began to gather enormous amounts of fire and magma.

Even from down here Ye Chen could see it very clearly.

The magma and flames began to gather and form an enormous fist, its size grew and made the temperature on the surface of the Sky Red Gravel Star rise rapidly.

"A mass destruction attack, she wants to wipe out everyone" Ye Chen saw that Yu Lung was trying to annihilate everyone, this woman wanted to destroy Ye Chen along with the Sky Red Gravel Star.

"I won't let you do that" Ye Chen said that he wouldn't let Yu Lung destroy this place.

Ye Chen tried to stop Yu Lung's attack, he intended to freeze Yu Lung's attack.

"Get out of this world" Yu Lung said to Ye Chen, she really wanted Ye Chen to disappear from this world.

Yu Lung started to move the Gigantic Magma Flame Blow downwards, her dropping a destructive object towards Ye Chen.

Ye Chen stretched his hand upwards, he was going to destroy the Gigantic Magma Flame Blow using Ice Age.

"Ice Seal Cube" an Ice enveloped the Gigantic Magma Flame Blow and froze it instantly.

"What happened?" Ye Chen hadn't done anything, he still hadn't done anything about the Gigantic Magma Flame Blow.

"Damn, who's interfering with our battle?" Yu Lung was angry when she saw that someone had dared to interfere with their battle.

"Flame demon Yu Lung, I finally found you" a woman came, this woman was wearing a pure white dress and descended from the sky very elegantly.

"Who else is this?" Ye Chen didn't know who else had come, whether he was friend or enemy.

"You, aren't you Lei Qiaolin?" Yu Lung immediately knew who this woman in front of him was.

"That's right, we haven't seen each other for a long time, it looks like your situation is getting worse," said Lei Qiaolin.

The woman who had just arrived was Lei Qiaolin, she was a very elegant looking woman with a beautiful appearance.

"What business do you have to meddle in my problems?" Yu Lung said to Lei Qiaolin.

"I have a problem with what you are doing, I can't let you destroy a place and annihilate a life so easily" Lei Qiaolin just happened to be passing by, he would not let this demonic woman destroy a star.

"What a hassle, you have interfered with my business, don't blame me for doing this" Yu Lung attacked Lei Qiaolin, he attacked Lei Qiaolin with a fire palm attack.

"Ice Cube ultimate" several Ice Cubes appear, these Ice Cubes immediately shoot large amounts of Ice.

"Boom" Yu Lung immediately retreated, she immediately changed her movement to defensive.

"I won't let it go" Lei Qiaolin wouldn't let Yu Lung, she made an Ice to catch Lei Qiaolin.

"Damn it, this woman is really troublesome, plus that man hasn't reacted yet, if he doesn't take action until then" Yu Lung was getting confused, in a situation like this she wouldn't be able to fight Ye Chen and Lei Qiaolin.

The only way that Yu Lung can use is to escape and save herself.

"Young man, you are very lucky, I will look for you another time" Yu Lung said to Ye Chen, she will let Ye Chen loose for a while.

"Do you want to run away, I will not let you" Ye Chen will not let Yu Lung escape.

Letting this female monster escape would be the same as causing future trouble for everyone in the God Realm.

This crazy woman must not be allowed, Ye Chen can't let this crazy woman run around and cause trouble.

"Stop ! ! !" Lei Qiaolin stopped Ye Chen, she stopped Ye Chen who was trying to chase after Yu Lung.

"Why did you stop me?" Ye Chen asked Lei Qiaolin, why did this woman stop him.

"Don't chase her, she will go where you can't go, if you chase after her you will get in trouble" Lei Qiaolin warned Ye Chen, she asked Ye Chen not to chase Yu Lung.

Lei Qiaolin seemed to know where Yu Lung was going, this woman knew where Yu Lung was going.

Yu Lung opened the portal, he entered the portal and disappeared very quickly.

Ye Chen's chance was lost, he had no chance to catch up to Yu Lung.

"Did you know that you just got me into trouble" Ye Chen said to Lei Qiaolin, he was not happy with this woman suddenly and meddling in her troubles.

Lei Qiaolin raised her eyebrows, she seemed displeased when she heard what Ye Chen said.

"Is that how you thank someone?" Lei Qiaolin said to Ye Chen.

Ye Chen should be thanking her for saving him.

"I don't need your help to solve my problem" Ye Chen said that he didn't need help from Lei Qiaolin, from the beginning Ye Chen could solve this problem.

Lei Qiaolin's face was unsightly when she heard this, this beautiful woman was not happy with Ye Chen's ungrateful treatment Lei Qiaolin saved her.

"You ungrateful man" Lei Qiaolin said to Ye Chen, she was like a teacher scolding a student.

**Chapter 1823 ignoring Lei Qiaolin**

"Next time, before helping someone, you should first find out whether that person really needs help or not," Ye Chen said to Lei Qiaolin.

"Should I take a look before helping people?, what's with that weird line of thinking?" Lei Qiaolin was annoyed with Ye Chen.

How could Ye Chen tell her to take a look before saving someone, instead that person could be killed first.

If only Lei Qiaolin had not stopped Yu Lung's attack, then it is certain that this star would be destroyed and severely damaged, it would make the existing life disappear from this world.

Because of Lei Qiaolin's help, this star survived and was not destroyed and everyone in it was fine.

"Forget it, I don't like arguing with women" Ye Chen told Lei Qiaolin to forget everything, he didn't like arguing with a woman.

Ye Chen went towards the Cerberus carcass, Ye Chen's initial quest was to bring Cerberus, so it could be said that this task was well done.

"You, aren't you a disciple of the Nine Immortals Peak Sect?" Lei Qiaolin asked Ye Chen.

"Of course, I am from the Nine Immortals Peak Sect." Ye Chen answered Lei Qiaolin's question, Ye Chen wouldn't be able to hide his origins from Lei Qiaolin.

Ye Chen was still wearing the Jade Lotus Peak shirt, so few people naturally knew about him.

"Oh, so you really are from the Nine Immortals Peak Sect, I didn't expect that a person from the Nine Immortals Peak Sect would dare to say such a thing, don't you know who the woman you just came across was, she could crush you with a snap of a finger" said Lei Qiaolin to Ye Chen.

"Do I care about that ?" Ye Chen said to Lei Qiaolin, Ye Chen didn't care about this matter at all, to be honest he didn't really care about Lei Qiaolin's words.

"-\_- " Lei Qiaolin felt that he had just met such a troublesome person, this young man in front of her was too arrogant.

"It's not strange, he is still too young, pride is always attached to a young man and woman" Lei Qiaolin could understand this matter, she knew that youth is a time when one is not afraid of anything, it seems that is a word that suitable to use on Ye Chen.

"he's still young, but he's already like this, it seems that giving a little lesson will make him understand how harsh the world is" Lei Qiaolin is a good woman, she intends to teach Ye Chen a lesson so that Ye Chen knows the harshness of the world.

God Realm was for strong people, without strength one would not be able to do anything arrogant, people at the top would surely crush those below easily.

Lei Qiaolin made an Ice chain, she tied Ye Chen's body with the Ice chain.

" What does this mean ?" Ye Chen asked Lei Qiaolin, Ye Chen wanted to know what Lei Qiaolin meant to tie him up.

"I think you need a little special lesson" Lei Qiaolin said to Ye Chen.

"I don't need anything like that, so quickly let me go." Ye Chen told Lei Qiaolin to let go of himself.

"Look at your attitude, I will change your attitude a little and let you know how harsh the world is." Seeing Ye Chen's attitude, Lei Qiaolin decided to let Ye Chen know what the world was like.

Lei Qiaolin started to tighten the chains, she made Ye Chen unable to move his body.

Ye Chen didn't show any pain or fear, he seemed very calm in the face of Lei Qiaolin's attack.

Lei Qiaolin was quite surprised when he saw Ye Chen's reaction, Ye Chen's reaction was very ordinary.

"Have you had enough?" Ye Chen asked Lei Qiaolin, he asked if she was happy enough with what happened.

"This guy, he looks weird." Lei Qiaolin started to notice that Ye Chen was a little weird, this man was very strange and unreasonable.

should be in Ye Chen's current state, Ye Chen would be begging and pleading with Lei Qiaolin, but what happened was the opposite of reality.

Ye Chen didn't say anything, he didn't say anything or plead to Lei Qiaolin.

Ye Chen was less interested in serving Lei Qiaolin, Lei Qiaolin seemed to be a slightly troublesome woman.

Ye Chen moved his own body, with one small movement all the Ice chains on Ye Chen's body turned into Ice crystal grains.

" what ! ! !" Lei Qiaolin was quite surprised when she saw this, her chains were broken by Ye Chen hand.

"You better go, looking for trouble with someone is not a good thing" Ye Chen said to Lei Qiaolin.

Ye Chen told Lei Qiaolin to leave, looking for trouble with Ye Chen was not a good thing for Lei Qiaolin.

"Hmm, not strange, it turns out that you have the ability" Lei Qiaolin recovered from her shock, it is not strange that Ye Chen is very brave, it turns out that he has a decent ability.

"Who is he, I never knew that the Nine Immortals Peak Sect had such a strong figure." Lei Qiaolin didn't know remembering this matter, she never knew that the Nine Immortals Peak Sect had someone with abilities like Ye Chen.

The Ice Chain just now was so powerful, there was no way a normal cultivator would be able to break the chain so easily.

Surely Ye Chen's strength was so great that he could do this so easily, it was likely that Ye Chen was on the same level as Lei Qiaolin.

Ye Chen again ignored Lei Qiaolin, he collected Cerberus' corpse to be used as evidence in completing the quest.

Ye Chen tried to take some parts of Cerberus, there were some parts that could be useful for Ye Chen.

"he ignored me again" Lei Qiaolin was again ignored by Ye Chen, this was the first time someone had ignored her twice.

Lei Qiaolin was a beautiful woman, every beautiful woman felt displeased when they were ignored by a man.

"I'm not done with you." Lei Qiaolin said that he wasn't done with Ye Chen.

"You haven't left, I thought you left." Ye Chen looked at Lei Qiaolin, Lei Qiaolin apparently still hasn't left this place.

Lei Qiaolin started to have a headache, she had a headache when she saw how Ye Chen was behavior and character.

"This man, what kind of student is he, I'm afraid that the master will have a headache when facing someone like Ye Chen"

Ye Chen should have someone master, then how is he able to handle this naughty little monster.

"Calm down" Lei Qiaolin tried to stay calm, she must not lose her temper when facing Ye Chen.

"Okay" Lei Qiaolin finally calmed down, Lei Qiaolin was able to calm her heart.

Lei Qiaolin returned to her original appearance, now she was more relaxed in facing Ye Chen.

"Who are you name?" Lei Qiaolin asked Ye Chen, she didn't know who Ye Chen was yet.

"Is it necessary for me to introduce myself to you?" Ye Chen said to Lei Qiaolin.

"Of course, I will introduce myself to you too" Lei Qiaolin said to Ye Chen.

"That's not necessary, I already know your name, that evil woman calls you Lei Qiaolin, so I already know who you are and you don't need to introduce yourself" Ye Chen said to Lei Qiaolin.

"-\_-"" Lei Qiaolin again made a helpless expression, again unable to face Ye Chen's words.

"It really sucks, why do I have to meet someone like this" Lei Qiaolin started to lose her temper, she cursed Ye Chen a little in her heart.

### **Chapter 1824 Challenge from Lei Qiaolin**

"Okay that's enough, let's finish this." Lei Qiaolin was a little fed up, She was going to force Ye Chen to tell hER who he was.

"Let's have a bet" Lei Qiaolin asked Ye Chen to make a bet.

"Bet?" Ye Chen responded to Lei Qiaolin's words, Ye Chen wanted to know what this woman wanted.

"Let's have a game, if one of us wins, then that person can ask the loser something" Lei Qiaolin said to Ye Chen, he told Ye Chen what she wanted.

"Oh, that's interesting, then I'll come along" After hearing what Lei Qiaolin said, Ye Chen became interested, Ye Chen was interested in what Lei Qiaolin said.

"Very good, he was provoked" Lei Qiaolin looked happy when she saw Ye Chen who had been provoked by her words, now it was time to teach Ye Chen a lesson.

"Very good, then let's start right away" Since Ye Chen had agreed with what she said, Lei Qiaolin decided to start.

"Okay, this will be a very easy game" if you can catch me within 5 minutes, then you win" Lei Qiaolin said to Ye Chen.

Lei Qiaolin didn't have much time, so she decided to find something easy to do.

"Hmmm, okay" Ye Chen nodded, he didn't mind the game that Lei Qiaolin wanted.

"Didn't you agree very quickly" Lei Qiaolin said to Ye Chen, Ye Chen agreed very quickly, this man doesn't seem to think what Lei Qiaolin can do if he loses.

"What's wrong, aren't you the one who challenged me, don't tell me you're afraid" Ye Chen said to Lei Qiaolin.

"Who is afraid, I am not afraid of you" Lei Qiaolin is not afraid, she is not afraid of Ye Chen.

"Then let's do it" Ye Chen said as he looked at Lei Qiaolin.

Ye Chen thought about what he would do with Lei Qiaolin, he couldn't wait to do something bad to Lei Qiaolin.

Ye Chen was a bad boy, so it wasn't strange that Ye Chen planned something bad with Lei Qiaolin.

Lei Qiaolin started to feel a bad feeling, she felt an uncomfortable feeling from Ye Chen.

Lei Qiaolin didn't know who was in front of her, she had just challenged a small demon that was difficult to overcome.

"Don't worry, everything will be fine" Lei Qiaolin tried to calm herself, everything will be fine.

"Okay, are you ready?" Lei Qiaolin asked Ye Chen.

"You can start at any time." Ye Chen said that Lei Qiaolin could start at any time.

"Okay, then let's start now." Lei Qiaolin flew, herself flew and away from Ye Chen.

As Lei Qiaolin moved away, Ye Chen didn't show any sign of moving away, Ye Chen was still standing where he was.

"What's wrong with that person?" Lei Qiaolin saw that Ye Chen didn't move, which was actually what Ye Chen was planning.

Lei Qiaolin did not approach Ye Chen, she kept as much distance as possible from Ye Chen.

"Looks like he's not after me." Lei Qiaolin saw that Ye Chen wasn't after him.

"Wait a minute, don't tell me he ran away" Lei Qiaolin felt something was wrong, why didn't Ye Chen chase after Lei Qiaolin, did Ye Chen take this opportunity to run away.

"Damn, how could I be tricked by this brat" Lei Qiaolin felt cheated, how could she be deceived by Ye Chen.

Lei Qiaolin felt herself to be an idiot, how could she be fooled by a young man like Ye Chen.

"Why are you grumbling like that, don't you want to run away?" Ye Chen whispered behind Lei Qiaolin, he said near Lei Qiaolin's ear.

"Ah! ! !" Lei Qiaolin immediately retreated, she immediately retreated and away from Ye Chen.

"Since when have you been there?" Lei Qiaolin was surprised when she saw Ye Chen was already behind her.

Lei Qiaolin was not aware of Ye Chen's arrival or presence, Ye Chen suddenly appeared and surprised her.

"How can he appear like that?" Lei Qiaolin did not expect that Ye Chen would appear suddenly, his existence could not be detected by her Spirit Sense.

"You missed an opportunity earlier, you should have caught me when you had a chance" Lei Qiaolin said to Ye Chen.

"I still have many chances to catch you" Ye Chen still has many chances to catch Lei Qiaolin.

"Next I will make sure that you won't be able to catch me" Lei Qiaolin will make sure that Ye Chen won't be able to catch him.

"Let's see if you can escape from me, you won't be able to escape from me" Ye Chen said that Lei Qiaolin would not be able to escape from him.

"You expect too much" Lei Qiaolin said to Ye Chen, she immediately left and shot away from Ye Chen.

Unlike before, Lei Qiaolin became very serious, she used her full speed to escape.

"This way he shouldn't be able to catch up with me" with this speed, Ye Chen shouldn't be able to catch up with Lei Qiaolin.

"Is this the fastest speed you have?" Ye Chen was beside Lei Qiaolin, he followed close to Lei Qiaolin.

"Sigh, how come you" Lei Qiaolin was surprised when she saw Ye Chen clinging tightly to her, this man's speed was quite fast too.

Lei Qiaolin increased her speed again, she became so fast it made ripples while flying.

Lei Qiaolin's speed was already abnormal, this woman's speed was abnormal and extremely fast.

She might be able to circle this star in just a very short time.

Lei Qiaolin used full speed, she used everything he had to escape from Ye Chen.

"Is this already the fastest?" just when Lei Qiaolin thought that he had run away from Ye Chen, Lei Qiaolin found that Ye Chen was still clinging tightly to her.

"Impossible, how could he possibly be able to catch up to me" Lei Qiaolin couldn't believe it when she saw Ye Chen who had returned to chase after her.

"why?, are you so surprised" Ye Chen smiled at Lei Qiaolin, he smiled seeing Lei Qiaolin who was surprised by him.

"Ice Seal Cube" Lei Qiaolin sealed Ye Chen's movement, he sealed Ye Chen in an Ice block.

"okay he won't be able to move anymore" with this Ye Chen won't be able to move, Lei Qiaolin just needs to wait for the time to run out.

" Cracks . . ." The Ice Cube that sealed Ye Chen's body shattered, it turned into a myriad of Ice shards.

"Is attacking allowed, you didn't say this from the start" Ye Chen said to Lei Qiaolin.

Lei Qiaolin gaped, she looked surprised when she saw that Ye Chen was able to free himself from her attack.

"No way, I've never seen someone break free that fast." Lei Qiaolin couldn't believe he couldn't believe it when he saw Ye Chen manage to break free within seconds.

"why don't you answer me" Ye Chen asked Lei Qiaolin, he asked Lei Qiaolin who was currently confused and thinking about something.

"You don't seem normal, who exactly are you?" Lei Qiaolin asked Ye Chen, Ye Chen is really not normal.

"I am still normal, maybe you are not normal" said to Lei Qiaolin.

"I'm still normal" Lei Qiaolin immediately refuted what Ye Chen said, Lei Qiaolin was still normal and didn't have any abnormality.

### **Chapter 1825 Lei Qiaolin reneged on the agreement**

"If you are normal, then why don't you run away, you should know that we are playing a game, I can catch you very easily if you stay in that place" Ye Chen said to Lei Qiaolin.

Lei Qiaolin almost forgot that currently she was still in a match with Ye Chen, how could she talk so casually with Ye Chen.

Lei Qiaolin again flew away from Ye Chen, she again used his full speed to leave and dodge Ye Chen's pursuit.

Ye Chen chased after Lei Qiaolin, he still had 2 minutes left to catch Lei Qiaolin.

Ye Chen continued to cling tightly to Lei Qiaolin, he followed Lei Qiaolin wherever she went.

Ye Chen clung too tightly, Lei Qiaolin was unable to free herself from Ye Chen.

"It doesn't make sense, I can't get away from this person" Lei Qiaolin couldn't get away from Ye Chen, she couldn't get herself out of Ye Chen's reach.

"I have to find a way, I have to be able to get away from this man." Lei Qiaolin had to find a way, she had to be able to get away from Ye Chen.

Lei Qiaolin looked confused, this was the first time she had encountered such a problem.

"There is no need to think about what will happen, victory is in sight" Ye Chen carried Lei Qiaolin, he caught Lei Qiaolin's body.

"Huh? ? ?" Lei Qiaolin was confused, she was completely confused by what had just happened.

Ye Chen had managed to catch Lei Qiaolin, right now Lei Qiaolin was being carried by Ye Chen.

"Impossible" Lei Qiaolin couldn't believe what was happening, Ye Chen caught herself very easily, this man was able to catch her even without Lei Qiaolin noticing.

"Okay I won now where is my prize?" Ye Chen had won in the game, Ye Chen was collecting the reward that Lei Qiaolin had promised.

"put me down first" Lei Qiaolin told Ye Chen to lower herself first.

"I won't do that until you give me something good" Ye Chen said to Lei Qiaolin.

Ye Chen will not put Lei Qiaolin down, Ye Chen wants a gift from Lei Qiaolin.

"Then what do you want?" Lei Qiaolin asked Ye Chen, Lei Qiaolin asked Ye Chen's wish.

"What do you have?, if there is something that interests me then I will ask for it" Ye Chen asked Lei Qiaolin, he wanted to know if Lei Qiaolin had anything good.

Lei Qiaolin should have something good, Lei Qiaolin looks strong and has a strong influence, it is certain that he comes from a big place.

Lei Qiaolin told Ye Chen about what she had, Lei Qiaolin told Ye Chen that she had many things such as abundant resources.

"Hahaha, do you think I will be interested in such resources, I already have a large amount of resources, you should have something even better" Ye Chen said to Lei Qiaolin.

"That's all I have" Lei Qiaolin said to Ye Chen, Lei Qiaolin only had that.

"You want to try to lie to me?, so funny" Ye Chen laughed when he saw Lei Qiaolin trying to lie to him.

Ye Chen knew that Lei Qiaolin was lying, Lei Qiaolin didn't want to hand over her valuables to Ye Chen.

"Hemppp" Lei Qiaolin snorted coldly, herself snorted coldly at and ignored Ye Chen.

"So you want to fight me, okay" Seeing Lei Qiaolin not wanting to keep her promise, Ye Chen would let Lei Qiaolin know that playing with him was a bad thing.

Ye Chen showed his abilities, he used his hands to tease Lei Qiaolin.

Lei Qiaolin was not aware of what Ye Chen was about to do, she was very relaxed and not afraid of Ye Chen.

The moment Ye Chen started to touch Lei Qiaolin, Lei Qiaolin started to feel something stinging all over her body.

"Ahhh! ! !" Lei Qiaolin subconsciously screamed when she felt something like electricity running through his body.

" what happened?" Lei Qiaolin looked confused by what had happened, she looked confused when she felt the changes in her body.

A strange feeling began to arise, her body began to squirm like a hot worm.

"What happened?, what happened?" Lei Qiaolin had no idea what had happened, she had a strange and unreasonable feeling.

Lei Qiaolin looked at Ye Chen, she saw an evil smile coming out of Ye Chen's face.

"What have you done to me?" Lei Qiaolin asked what Ye Chen had done.

"You have angered me, now you will suffer the consequences" Ye Chen said to Lei Qiaolin.

Lei Qiaolin had angered Ye Chen, now she was going to suffer the consequences.

Ye Chen's hand started to rise, he touched Lei Qiaolin's double peak which was quite large too, at least this woman's size was E, this is a size that can be said to be large and fit to grip.

"Emmm" Lei Qiaolin immediately let out a groan, Ye Chen's naughty hand had given Lei Qiaolin an unreasonable feeling.

"Stop right now! ! !" Lei Qiaolin said to Ye Chen, Lei Qiaolin told Ye Chen to stop right now, Lei Qiaolin felt her body getting hot and rebellious when she received Ye Chen's temptation.

Ye Chen's abilities were practically excellent, this feeling made Lei Qiaolin feel a feeling of pleasure and comfort that she had never imagined.

Ye Chen refused Lei Qiaolin's orders, he didn't want to do what Lei Qiaolin said.

"It's too late to apologize, now is the time for you to see your true strength" Ye Chen said to Lei Qiaolin.

Ye Chen showed his strength in front of Lei Qiaolin, himself using his female seductive skills on Lei Qiaolin.

Lei Qiaolin's breathing started to become unstable, she started to lose stability in her body due to the comfortable feeling.

"This is too comfortable, how can this happen, I might be addicted" Lei Qiaolin felt that she might be addicted to this feeling, to be honest this feeling was very comfortable for Lei Qiaolin.

Lei Qiaolin was the first to experience this kind of feeling, this was the first time she had felt pleasure and felt being touched directly by a man.

Plus the man in front of her was so young, how could Lei Qiaolin allow herself to be touched by a young man like Ye Chen.

Lei Qiaolin tried to put up a fight, when Lei Qiaolin tried to put up a fight, Lei Qiaolin found that she didn't have the strength to fight Ye Chen.

"How?, you seem to be enjoying this" Ye Chen said to Lei Qiaolin.

Ye Chen asked Lei Qiaolin, he saw that Lei Qiaolin enjoyed what he was doing.

"I'm not enjoying this, pervert, let me go quickly" Lei Qiaolin denied that she enjoyed what Ye Chen was doing.

"No, I won't let you go." Ye Chen refused to let go of Lei Qiaolin, he didn't want to let go of Lei Qiaolin.

"You are naughty" Lei Qiaolin said to Ye Chen, Lei Qiaolin was annoyed with Ye Chen, how could she lose to a bad guy like Ye Chen.

"This is your fault, from the start you were the one who was looking for trouble with me, now you will suffer the consequences for daring to seek trouble with me" Ye Chen said to Lei Qiaolin.

Lei Qiaolin had made a pretty big mistake, this woman had made a big mistake for daring to try to lie to Ye Chen.

"I will give you what you want, so let me go" Lei Qiaolin said to Ye Chen.

## **Chapter 1826 Five Lord Elements Technique**

Lei Qiaolin finally gave up, she finally gave up on Ye Chen.

Lei Qiaolin was already unable to endure, Ye Chen's stimulation was too strong, she couldn't stand it.

"I'm sorry, but I don't think I will do that" Ye Chen refused to stop, he was just enjoying this well.

Ye Chen continued to touch Lei Qiaolin, he touched Lei Qiaolin with his finger and used his skills.

Lei Qiaolin couldn't stand what was happening, she couldn't stand what Ye Chen was doing.

Ye Chen's touch and caress made Lei Qiaolin's mind go blank.

"no . . . ." Lei Qiaolin began to fall, she began to fall into the comfort provided by Ye Chen.

This comfort made Lei Qiaolin unable to stand it, she couldn't stand the comfort that Ye Chen gave her.

Lei Qiaolin was getting wet, she was getting wet when she was teased by Ye Chen, this stimulation was so strong, Lei Qiaolin couldn't help it.

Ye Chen felt happy, he was satisfied when he could repay what Lei Qiaolin did.

What Lei Qiaolin did had made Lei Qiaolin experience something she would never forget.

Lei Qiaolin was wrong, she had been defeated by Ye Chen, she was unable to put up a fight against Ye Chen.

"Ahhhh" Lei Qiaolin reached the peak, she felt an overwhelming feeling welling up from her body.

"Looks like this is enough" Ye Chen saw Lei Qiaolin who was weak and limp, it seemed that for now Lei Qiaolin would not be able to put up a fight.

"What do you have here?" Ye Chen asked Lei Qiaolin, he asked what Lei Qiaolin had.

Lei Qiaolin was still in a daze the pleasure just now made her feel weak.

Lei Qiaolin tried to stand up, to be honest Lei Qiaolin was having a hard time standing normally.

"You're terrible" Lei Qiaolin said to Ye Chen, she felt that Ye Chen was terrible.

"Hahaha" Ye Chen smiled when he heard this, he was happy when he saw Lei Qiaolin getting a lesson.

Lei Qiaolin took out something, he took out a book and gave it to Ye Chen.

This was a cultivation technique, its name was Five Lord Elements Technique.

Ye Chen took the book in the hands of the Five Lord Elements Technique, the book in the hands of Five Lord Elements Technique attracted Ye Chen.

Ye Chen looked at the contents, after looking at the contents, Ye Chen found that this was an Five Lord Elements Technique that could combine all elements into a terrifying power.

" how ?" Lei Qiaolin asked Ye Chen.

"I like this, I'll take it." Ye Chen liked the art that Lei Qiaolin had just given him, this was something very good.

"Then you will let me go" Lei Qiaolin asked Ye Chen.

"Of course, you can go" Ye Chen let Lei Qiaolin go, he let Lei Qiaolin go because he already got what he wanted.

Lei Qiaolin gathered strength, she gathered her own strength before walking away from Ye Chen.

The experience just now had made Lei Qiaolin afraid, she felt extremely frightened by Ye Chen's unreasonable and strange abilities.

"she fled like a rabbit that just met a predator." Chu Ning'er appeared beside Ye Chen, she laughed when she saw Lei Qiaolin running away.

"Looks like she's afraid of me" Ye Chen saw that Lei Qiaolin was afraid of him, this woman probably wouldn't dare to meet and look for trouble with Ye Chen anymore.

"Master, it seems that this woman just gave you a very powerful technique." Chu Ning'er asked Ye Chen, she just saw that Lei Qiaolin gave Ye Chen a powerful technique.

"Looks like it's a powerful technique, I'll try it later." Ye Chen agreed, he felt that if it was a powerful technique, Ye Chen would try it later.

"Quest is over, time to go back" everything is over, it's time for Ye Chen to return.

Ye Chen brought Cerberus' body with him, he would use this as proof that he had succeeded in completing the quest.

Ye Chen carried Cerberus' body, he returned to the Sect using the Teleportation Ring

Ye Chen still hasn't fully mastered the dimensional power, so that can make him go all over the God Realm, now he uses the Teleportation Ring because it is easier to use.

Ye Chen arrived near the Sect, after arriving near the Sect, Ye Chen immediately reported his search results to the Sect hall.

It just so happened that everyone was in the Sect hall, they reported that they had failed their quest.

Min Caun Yu Diren, Tu Wentu, Bai Sangsa, Gu Finzu, Hun Xufi, Sun Xuanyin, Xun Bingje were there to report what happened.

"We want to report that we have lost one person in the quest" Min Caun said to the receptionist, he reported what happened in the quest.

It turned out that this quest was not as easy as they imagined, their opponent was the female demon Yu Lung, it wouldn't be strange for them to lose and be battered like this.

"This is very big news, I will immediately convey this to the elders" hearing this, the receptionist will immediately convey this news to the elders above.

"I'm quite sorry for him, he has sacrificed a lot for us" Xun Bingje said to everyone.

Xun Bingje felt sorry for Ye Chen, she had sacrificed for all of them.

"That's right, I hope he's about in the realm there" Everyone wished Ye Chen to rest in peace.

"-\_- " Ye Chen looked confused when he saw what happened, these people really wished him a rest in peace.

"I'm not dead yet, so don't say something unreasonable like that" Ye Chen said to Xun Bingje, Min Caun Yu Diren, Tu Wentu, Bai Sangsa, Gu Finzu, Hun Xufi, Sun Xuanyin.

"ghost" Xun Bingje shouted when she saw Ye Chen standing in front of them.

Hearing this, everyone immediately retreated, they all immediately retreated when they saw Ye Chen was in front of them.

Everyone was on high alert, they all brandished their weapons at Ye Chen.

"Put down your weapons" Ye Chen told everyone to put down their weapons.

"Are you alive or dead?" everyone asked Ye Chen.

"Of course I'm still alive, how can a dead person stand in front of you guys" Ye Chen said in a helpless tone.

After hearing this, everyone was instantly relieved, they were all relieved when they heard this from Ye Chen.

"I want to report the success of the quest" Ye Chen said to the receptionist.

"Did you manage to defeat the wanted monster?" asked the receptionist to Ye Chen.

"Of course" Ye Chen took out Cerberus' body, Cerberus's huge body.

"Huh?" Everyone in this place was shocked when they saw Ye Chen managed to defeat a huge monster.

Cerberus was a strong monster and was not easy to fight, but they saw that Ye Chen had managed to defeat this Cerberus.

"How are you still alive?" Xun Bingje asked Ye Chen, she asked how Ye Chen was still alive and brought Cerberus along with him.

Whether Ye Chen managed to defeat Yu Lung and bring Cerberus along with him, that was absolutely impossible.

"When you were gone someone strong helped me, she saved me from that female demon" Ye Chen said to Xun Bingje.

"Who is that?" Sun Xuanyin asked Ye Chen, she wanted to know who helped Ye Chen.

### **Chapter 1827 As for those two, you don't need to give it away**

"If I'm not mistaken his name is Lei Qiaolin, that's what I heard from the female demon Yu Lung" Ye Chen said to Sun Xuanyin.

Ye Chen told everyone the name of the woman he had just met.

"Lei Qiaolin, you met her?! here it seemed that only Sun Xuanyin knew who Ye Chen was referring to.

"Yes, I met her" Ye Chen said to Sun Xuanyin.

"I didn't expect that you would meet someone like Lei Qiaolin." Sun Xuanyin did not expect that Ye Chen would meet Lei Qiaolin.

"That name seems familiar." Some people felt familiar with the name Ye Chen had just said.

"Lei Qiaolin is one of the top 10 beauties in the God Realm, she is one of the top teachers in the Five Lord Divine Academy." Sun Xuanyin told everyone who Lei Qiaolin was.

"Eh!!! " Everyone was shocked when they heard what Sun Xuanyin had to say, they didn't expect that Lei Qiaolin would become the top teacher in the Five Lord Divine Academy.

"You are lucky enough to meet her and be saved by her" said Sun Xuanyin to Ye Chen, for Sun Xuanyin Ye Chen was lucky enough, this man was lucky enough to have been saved by Lei Qiaolin.

"hehehe" Ye Chen chuckled, he finding a very good reason to make Sun Xuanyin unsuspecting of him.

Everyone would definitely be shocked when Ye Chen told what had just happened between him and Lei Qiaolin, they would definitely not believe what happened to Ye Chen and Lei Qiaolin.

Lei Qiaolin had been played by Ye Chen, this strong woman who became an instructor and teacher was played by Ye Chen very easily.

"I didn't expect that the woman just now came from the Five Lord Divine Academy." Ye Chen didn't expect that the Lei Qiaolin he had just met was from the Five Lord Divine Academy.

To be honest this was quite surprising considering that Lei Qiaolin had been punished by Ye Chen.

"I hope that she won't look for any more trouble." Ye Chen hoped that Lei Qiaolin wouldn't look for any more trouble with him.

Ye Chen was quite lazy when it came to dealing with Lei Qiaolin, so it was best not to meet this woman again.

"If we met again, maybe Ye Chen would tease her again, it was quite fun to tease Lei Qiaolin".

"Okay, where is my reward" Ye Chen said to the receptionist in front of him, Ye Chen asked for his reward.

"This is the reward for the quest you took, I will share it with everyone who joins" the receptionist said that he would share it with everyone.

Everyone seemed happy when they heard this, especially Xun Bingje, she would get contribution points without bothering to do anything.

"Wait a minute" Ye Chen stopped the receptionist from distributing the points.

" what is it?" the receptionist asked Ye Chen.

"As for those two, you don't need to give it away" Ye Chen said as he pointed at Sun Xuanyin and Xun Bingje.

"What, what are you saying?" Xun Bingje immediately reacted when she heard what Ye Chen said.

"What?, didn't you run away and leave your teammates, do you deserve it?" Ye Chen said to Xun Bingje.

Ye Chen offended Xun Bingje who ran away when Ye Chen was in trouble, there was no way Ye Chen would let Xun Bingje get reward.

Xun Bingje bit her mouth, she couldn't find any words to reply to Ye Chen.

Sun Xuanyin didn't really care about this matter, she wasn't here looking for contribution points, she had a goal that was bigger than just looking for contribution points.

"We're still a party after all, so you should share it with me" Xun Bingje said to Ye Chen.

Xun Bingje still didn't want to give up, she didn't want to give up her contribution.

The contribution from completing the quest was enormous, so it was not surprising that Xun Bingje would not want to hand it over to Ye Chen so easily.

"I don't want to give it to you, do you have the strength to get it" Ye Chen said to Xun Bingje.

Ye Chen wouldn't give what he got, he wouldn't give Xun Bingje a penny.

Xun Bingje started to get annoyed, she started to get annoyed when facing Ye Chen, this time Ye Chen had made Xun Bingje furious, Xun Bingje would not let Ye Chen win and would get back hers.

Xun Bingje started to attack Ye Chen, she started to attack Ye Chen with her umbrella attack.

Ye Chen stretched out his hand, he took Xun Bingje's weapon.

"You won't win against me" Ye Chen said to Xun Bingje, he told Xun Bingje that she couldn't win.

Xun Bingje didn't give up, she again attacked Ye Chen using some of her powerful attacks.

"rose petal incision" Xun Bingje's attacked Ye Chen with a rose flower petal.

"Huft" Ye Chen sighed, this woman really didn't want to give up.

Ye Chen waved his arm, he waved his arm and broke the rose petal incision technique.

"ahhhh" Xun Bingje's body bounced when she received Ye Chen's attack.

Xun Bingje coughed up blood when she received Ye Chen's attack.

Even though Ye Chen's attack wasn't strong, in fact this attack very easily destroyed and injured Xun Bingje.

"Stop here, you are not the opponent" Sun Xuanyin told Xun Bingje to stop, Xun Bingje was not Ye Chen's opponent.

In terms of strength Ye Chen seemed to be stronger than Xun Bingje, plus this man was extremely brave, he wasn't afraid of anything.

Sun Xuanyin already knew that Ye Chen was very brave, he was very brave in the face of anything, even when faced with Yu Lung, Ye Chen did not have any fear.

when compared to Yu Lung, Xun Bingje was still far away, she couldn't possibly beat Ye Chen, both in terms of strength and courage she was still far behind Ye Chen.

"I will remember you" Xun Bingje would remember Ye Chen, she would remember what Ye Chen had done to her.

"Be careful going down the stairs, don't trip and damage your face" Ye Chen said to Xun Bingje.

Ye Chen told Xun Bingje to be careful when descending from this place.

Xun Bingje almost fell, Ye Chen's words were too provocative, Xun Bingje could only grit her teeth and left together with Sun Xuanyin.

she didn't have the face to fight and fight Ye Chen.

"We will meet again." Sun Xuanyin said to Ye Chen, they would meet again sooner or later.

"I hope that doesn't happen" Ye Chen hoped that he would never see Sun Xuanyin again, it was quite troublesome to meet and be with Sun Xuanyin.

"Young Master, here are your contribution points." After the matter with Xun Bingje and Sun Xuanyin was over, Ye Chen got his contribution points.

"This should be enough" Ye Chen already got what he was looking for, he shouldn't be getting into trouble from Mu Xueying.

Mu Xueying didn't have a reason to kick Ye Chen out of Jade Lotus Peak.

Min Caun Yu Diren, Tu Wenta , Bai Sangsa, Gu Finzu , Hun Xufi were happy with the contribution they got, they were very happy with the contribution they got from the Quest.

Ye Chen probably didn't really care about the contribution he got, he already had quite a lot of contribution points.

Different story with Min Caun Yu Diren, Tu Wenta, Bai Sangsa, Gu Finzu, Hun Xufi, they are very grateful for getting enough contribution points that they can use to practice.

### **Chapter 1828 Preparing for the God Realm martial arts competition**

Ye Chen returned to Jade Lotus Peak, now that he had completed the task and could return to his place.

.

.

Meanwhile Lei Qiaolin was currently heading towards the Five Lord Divine Academy, she had come for a meeting.

"Master Lei, why are you so late when you arrive?" Everyone in this place immediately asked Lei Qiaolin.

"I had a problem on the way" Lei Qiaolin told that she had a problem on the way.

"What kind of problem, what exactly could cause you to have a problem?" Everyone asked Lei Qiaolin they all wanted to know what caused Lei Qiaolin to get into trouble.

Everyone here were strong people who stood at the pinnacle of the Five Lord Divine Academy, they were the Elders, the very top teachers in the Five Lord Divine Academy, they could be said to be the pillars of the Five Lord Divine Academy.

"I met Yu Lung and a troublesome young man" Lei Qiaolin told that she met Yu Lung and a young man.

"Oh you met that female demon, it's not strange for you to be late like this" After hearing this, everyone could understand what had happened.

"Yu Lung is not a big problem for me, in fact I was made into trouble by a young man" Yu Lung said to everyone in this place.

"What ! ! !" Everyone in this place was shocked when they heard this, they all didn't expect that Lei Qiaolin would get into trouble from a young man.

"What can a young man do, is he causing trouble for you?" asked the teachers to Lei Qiaolin.

"Not only did that person cause trouble for me, that person also put me in a bad condition, to be honest it was the first time I saw someone with power above me" Lei Qiaolin said to everyone.

"Being on top of you, is that even possible?" hearing this, everyone didn't believe it, they didn't believe what Lei Qiaolin said.

Lei Qiaolin is at the ninth level of the Divine Overlord Realm, it is a high level in this entire God Realm, there are only a few strong people who can beat Lei Qiaolin.

"I don't know, all I know is that this person is weird." Lei Qiaolin wasn't sure, she wasn't sure about Ye Chen's abilities.

Ye Chen had a strange ability, so it wasn't strange that Lei Qiaolin was a little hesitant.

"Forget about that matter, let's focus on the meeting this time." The academy head said to Lei Qiaolin, he was the first person in the Five Lord Divine Academy.

The name of the head of the Five Lord Divine Academy was Khim Jix, he was a cultivator of the tenth level of the Divine Overlord Realm.

"Okay" Lei Qiaolin nodded, he sat down on his chair.

"Everyone has gathered, now is the time for all of us to talk about what will happen, all of you must have heard that the God Realm martial arts competition is about to start, we will be hosting the event" Khim Jix said to everyone who is in this place.

"So we are the host this year" all the teachers nodded, they all understood what was going on, this meeting turned out to be to discuss this issue.

"I want you to work and prepare everything, this will take a very long time" Khim Jix said to everyone in this place.

He ordered everyone in this place to work together to prepare everything.

"Okay, we will." Everyone agreed, they will do their best to prepare for the God Realm martial arts competition.

"That's great, then let's start making plans." Now they will make the design of the God Realm martial arts competition, they will all make the rules in the God Realm martial arts competition.

In this case the hosts have the right to find out what the competition will be like, they can even determine what the preliminary round will be like.

.

.

Ye Chen returned to Jade Lotus Peak.

"Chen, go to my place right now" when Ye Chen just came back, Ning Xia directly contacted Ye Chen, she told Ye Chen to meet her immediately.

Ye Chen was quite surprised when he heard Ning Xia's voice transmitting, it was quite surprising to see Ning Xia calling out to him.

"Lord Peak Ning is calling me ?, I haven't seen her in a long time." Ye Chen had not seen Ning Xia for a long time, he had not seen Ning Xia in a very long time and spoke directly to Ning Xia.

Since that time Ning Xia didn't want to see Ye Chen anymore, maybe Ning Xia had hidden herself from Ye Chen and went somewhere.

Now that Ning Xia was looking for him, naturally Ye Chen would go and see her.

"I'll be there soon ?" he would immediately go to meet Ning Xia.

Ye Chen went to Ning Xia's place, he at full speed went to Ning Xia's place.

The speed used by Ye Chen can be said to be very fast, in a matter of seconds Ye Chen arrived at Ning Xia's place.

"Lord Peak Ning, it's me." Ye Chen said to Ning Xia.

"Come in" Ning Xia told Ye Chen to go inside.

After getting Ning Xia's approval, Ye Chen immediately went inside, himself went inside and met Ning Xia.

Ning Xia stood in front of the window, she looked out, Ning Xia was looking up at the sky to be exact.

Ye Chen looked at Ning Xia, Ye Chen saw that Ning Xia looked very beautiful, Ning Xia's beauty made Ye Chen stunned.

"She's becoming more and more beautiful" Ye Chen saw that Ning Xia was only getting prettier.

Ning Xia turned around, she looked at Ye Chen who was standing and looked at her with a look full of admiration.

"Have you seen enough?" Ning Xia said to Ye Chen, Ning Xia asked Ye Chen, her tone was quite cold towards Ye Chen.

"Sorry, Lord Peak is just getting prettier" Ye Chen said to Ning Xia.

Ye Chen praised Ning Xia, Ning Xia's beauty radiated more and more as time went on.

Ning Xia was getting more and more beautiful, Ning Xia's beauty was too strong that Ye Chen couldn't stand it and looked at Ning Xia with admiration in that way.

Ning Xia blushed slightly when she heard this, Ye Chen's words were too strong and made Ning Xia feel happy when they heard it.

Currently Ning Xia was using her own consciousness, she was now in complete control and awareness when she met Ye Chen.

At first Ning Xia was still hesitant to meet Ye Chen, she was still a little scared when she met Ye Chen.

The events of that time were still etched in Ning Xia's memory, there was no way Ning Xia would ever forget the events of that time.

Ning Xia had used all kinds of ways to forget what happened, the more Ning Xia tried to forget what happened, the more she couldn't forget Ye Chen.

It seemed that Ye Chen had already begun to be engraved in Ning Xia's heart, what had happened was engraved in Ning Xia's heart and could not be erased.

"Stop teasing me, you can't do that" Ning Xia said to Ye Chen.

Ning Xia quickly recovered herself, she wasn't lost in the sweet words that Ye Chen spat out.

"Okay, I will, so why did Lord Peak Ning call me?" Ye Chen asked Ning Xia, Ye Chen didn't know why Ning Xia had summoned him to this place.

### **Chapter 1829 Need an answer from Ning Xia**

"I'm telling you that if a God Realm martial arts competition will be held, you will participate in it" Ning Xia said to Ye Chen.

"Why should I come?" Ye Chen asked Ning Xia, he wanted to know why Ning Xia had him involved in something like this.

"You are the only strongest person in Jade Lotus Peak, you are age-wise in the standard God Realm martial arts competition" Ning Xia said to Ye Chen.

Ye Chen was of a suitable age, so Ye Chen was arguably one of the most suitable people to enter the competition.

Actually Ning Xia wanted to recommend Mu Xueying, but with Mu Xueying's age, then Mu Xueying wouldn't be able to enter, so the only one who could enter the competition was Ye Chen.

" but . . ." Ye Chen wasn't sure, he was a little lazy to join something like this.

"What's the matter, don't you want to?" Ning Xia asked Ye Chen, Ning Xia started to put her two hands on her waist, she put on an angry pose towards Ye Chen.

" that . . . " Ye Chen looked confused when he saw Ning Xia who was putting on a disgruntled pose, what should Ye Chen do, whether Ye Chen should accept it or not.

Seeing Ning Xia like that, Ye Chen had no choice but to accept it.

"Okay I'll do it" Ye Chen said to Ning Xia, Ye Chen will do it, he will participate according to Ning Xia's wishes.

"Very good, you are a good boy" Ning Xia was happy when she heard this, Ning Xia was happy that Ye Chen wanted to take part in the God Realm martial arts competition.

Ye Chen could get lots of great prizes when he entered the God Realm martial arts competition.

With Ye Chen's strong ability, Ye Chen should be able to get a very good place.

Ning Xia is doing this for Ye Chen's good, she wants Ye Chen to get the best and can be even better.

"Lord Peak Ning, if I may ask, where have you been for a few months?" Ye Chen asked where Ning Xia had gone, Ning Xia had been missing for months without news.

"I went to do something" Ning Xia said that she was going to do something.

"Do something like what?" Ye Chen was curious, he wanted to know what Ning Xia had done.

"I did something important, you don't need to know about this matter." Ning Xia didn't want to tell Ye Chen about the problem she had.

"Thank goodness, I thought you were avoiding me" Ye Chen said to Ning Xia, Ye Chen thought that Ning Xia was trying to avoid Ye Chen.

"Ummmmmmmm. . ." Ning Xia started to become awkward, she became quite awkward when she listened to what Ye Chen said, what Ye Chen said made Ning Xia feel awkward, what Ye Chen said became the truth.

Ye Chen saw Ning Xia's reaction, it seemed that Ning Xia was a little uncomfortable when Ye Chen brought up the matter of Ning Xia's departure.

Ye Chen decided to be bolder, Ye Chen wanted to ask Ning Xia what happened that time.

Ye Chen felt uncomfortable when the situation of the two continued like this, Ye Chen most disliked seeing the relationship become unclear.

Ye Chen had already done that with Ning Xia, he couldn't deny that he liked Ning Xia.

"Lord Peak Ning, about what happened that time" Ye Chen said to Ning Xia, he said about the incident that time when the two of them did Dual Cultivation.

"Chen please don't bring it up again." Ning Xia asked Ye Chen not to bring up the matter.

"I can't do that, I like you" Ye Chen said to Ning Xia, he prefers to be honest about what happened.

"What did you say" Ning Xia looked surprised by what Ye Chen said, what Ye Chen said was too sudden and sudden, Ning Xia was not prepared for Ye Chen's confession.

Ye Chen was very brave, Ye Chen's courage had never been imagined by Ning Xia.

"I can't help this" Ye Chen said to Ning Xia, Ye Chen couldn't help it, it's better to tell the truth.

". . . ." Ning Xia looked very confused as to how she should answer Ye Chen.

Ning Xia had mixed feelings, on one hand she felt happy and happy, on the other she felt that this was not right and was a mistake.

Ning Xia didn't know what to do in this situation, she had never faced a situation like this.

"What should I do?" Ning Xia was at a loss as to what she should do.

She was like a confused young woman who didn't know which direction to take.

whether he should reject Ye Chen firmly, but if he did that would it make things better or vice versa.

Ye Chen saw that Ning Xia looked confused, he might be able to take this opportunity to get closer to Ning Xia.

Ye Chen drew closer to Ning Xia, he came closer and started to hold Ning Xia's hand.

Ning Xia immediately came to her senses when she felt Ye Chen's warmth in Ye Chen's hand.

"Chen what are you doing?" Ning Xia asked Ye Chen.

"Oh that, I'm trying to persuade Lord Peak Ning" Ye Chen said that he was persuading Ning Xia.

"It won't work, let me go quickly" Ning Xia told Ye Chen to let go of himself.

"I don't want to do that" Ye Chen didn't want to let Ning Xia go, he didn't want to let Ning Xia go because he was afraid that Ning Xia would leave.

This is a good opportunity for Ye Chen, Ye Chen must not waste this opportunity.

"How did you become a disobedient disciple" Ning Xia said to Ye Chen, Ning Xia saw that Ye Chen didn't want to obey.

"Let it go, I didn't like obedience from the start" Ye Chen said to Ning Xia.

Ye Chen likes freedom, he really likes freedom, he wants to do whatever he wants.

"Lord Peak Ning, so how is it?" Ye Chen asked Ning Xia, Ye Chen needed an answer from Ning Xia.

Ning Xia was still confused, she didn't know how to answer Ye Chen, how to answer Ye Chen's confession.

"I need an honest answer from you" Ye Chen needed an honest answer from Ning Xia.

"Chen, This is something difficult, you should know that this can't be decided quickly" Ning Xia said to Ye Chen.

Ning Xia couldn't decide this quickly, there was a lot of doubt in Ning Xia's heart.

"Then when are you going to give an answer" Ye Chen asked Ning Xia, Ye Chen needed an answer to Ning Xia.

"Humph. . ." Ning Xia sighed, she didn't know if she could give Ye Chen an answer.

" what is it?" Ye Chen asked Ning Xia, why did Ning Xia sigh instead.

"Chen, it's not as easy as you think, I still have something to do and it's something dangerous" Ning Xia said to Ye Chen.

Ning Xia said that she had something to do, she still had to get her Phoenix Clan to rise from adversity.

"Then I will help solve the problem" Ye Chen will help Ning Xia, he will try to help Ning Xia.

Ning Xia looked at Ye Chen, Ning Xia could see the seriousness that Ye Chen had.

Ye Chen was very sincere in helping Ning Xia, he would help Ning Xia in solving her problems.

### **Chapter 1830 Convince Ning Xia's heart**

"This will be a very dangerous thing" Ning Xia said to Ye Chen, she told Ye Chen that this would be a very dangerous.

"I don't care, I will never be afraid of danger" he doesn't care about the danger he has to face.

For Ning Xia, Ye Chen would not be afraid to face trouble, even if it was a big problem and put himself in danger.

Ning Xia was silent, she was speechless when she listened to what Ye Chen said.

Ye Chen's words were very touching, they touched Ning Xia's heart deeply.

Ye Chen made Ning Xia's heart feel at ease, there was a special feeling when she listened to Ye Chen's words, Ning Xia felt that Ye Chen gave her a safe feeling.

" what's this?" Ning Xia was confused, she was confused about what had happened, why she could feel this kind of feeling.

Ning Xia could see that Ye Chen had a protective figure, the words that Ye Chen spoke made Ning Xia feel safe and at peace.

Ning Xia was getting more and more confused, she was getting more and more confused about what she should do.

In this kind of situation, what should he do, should he believe and involve Ye Chen in his troubles.

"It's okay, he is a good man, he is sincere in helping you, just accept him" Ning Xia's gentle personality said to Ning Xia.

"Don't be fooled, he's quite good at seducing women, you just see how many women he has" cold personality said to Ning Xia.

Ning Xia's two personalities were not good, they made Ning Xia even more dizzy.

"How can you say that, he has helped quite a lot, look now our strength has increased drastically" The gentle personality said that Ye Chen had helped them a lot.

"He has got our first time, so it can be considered even, here we are mutually beneficial" said the cold personality.

"Stop it right now, please don't say anything weird again" Ning Xia was annoyed, both of which made her even more dizzy.

Ning Xia is dizzy, the two have different views on Ye Chen, this is not helpful for Ning Xia.

"Lord Peak" Ye Chen called out to Ning Xia who was dreaming, he called Ning Xia who was dreaming about something.

"Chen, That. . ." Ning Xia was still trying to string words together, she was trying to answer Ye Chen with words that matched and didn't hurt Ye Chen's feelings.

"Lord Peak Ning, I will do what is best for you" Ye Chen said to Ning Xia, Ye Chen would do his best, even if he had to risk his life.

"Shhh" Ning Xia covered Ye Chen's lips, she told Ye Chen to be quiet.

Ning Xia knew that Ye Chen was very serious about this matter, she could understand Ye Chen wanting to help her.

Ning Xia can no longer say, Ye Chen's character is indeed like this, it is not strange that the cold Mu Xueying is willing to follow Ye Chen and is willing to share, this man has something Ning Xia has never seen.

Ning Xia now also wants to follow Ye Chen, she really wants to follow Ye Chen because Ye Chen can make Ning Xia feel safe.

Ning Xia and Ye Chen were getting closer, the distance between the two was very close and slightly adrift.

Ye Chen stretched out his arms and hugged Ning Xia's waist, he pulled Ning Xia closer.

Ning Xia was shocked by what Ye Chen did, Ye Chen's hand was already on her waist and touched Ning Xia's waist.

"Chen, you" Ning Xia said to Ye Chen, Ye Chen pulled her very close.

"Lord Peak Ning, I want to hug you" Ye Chen said to Ning Xia, Ye Chen said that he wanted to hug Ning Xia.

"Don't call me that, it's embarrassing for me" Ye Chen embarrassed Ning Xia, the way he called Ye Chen made Ning Xia feel very embarrassed.

"Then what should I do, should I call you Xia like before?" Ye Chen said to Ning Xia.

Ye Chen once called Ning Xia intimately, sadly it was rejected by Ning Xia.

Ning Xia blushed a little, to be honest if the situation was like this, then she liked Ye Chen to use an intimate name.

"If it's the two of us, you can call me that way" when the two of them were together then Ning Xia allowed Ye Chen to call herself by an intimate name.

"Then you can also call me husband like the others" Ye Chen said to Ning Xia.

"No, I don't want to do that." Ning Xia said that she didn't want to do that, she didn't want to do anything like that again.

"Why, are you still embarrassed, after what happened?" Ye Chen said to Ning Xia.

After all, they had gone quite far, so why should Ning Xia be embarrassed.

"Chen, why are you so pervert" Ning Xia said to Ye Chen, Ning Xia could feel that Ye Chen was a very pervert.

"I've always been like that, didn't Xia also have that" Ye Chen said to Ning Xia.

Despite looking dignified, when on the bed, Ning Xia can be very lewd and full of passion.

"Please don't say that" Ning Xia said to Ye Chen, Ning Xia felt that it was embarrassing to remember.

"No need to be ashamed, you will get used to such things, it is normal for a couple" Ye Chen said that it was very normal for a couple.

"Your experience is big enough, I'm not like you" Ning Xia was not like Ye Chen, she didn't have as much experience as Ye Chen.

"Do I need to teach you?" Ye Chen asked Ning Xia, he wanted to teach Ning Xia.

"Teach what?" Ning Xia asked Ye Chen, Ning Xia asked what Ye Chen would teach.

"Of course it teaches you a lot of things." Ye Chen would help Ning Xia, he would help Ning Xia adapt to herself.

Ye Chen's one hand started to touch Ning Xia, he started to climb to Ning Xia's double peak.

"Chen, you. . ." Ning Xia tried to fight back, Ye Chen touched her in a quite sensitive part.

Ye Chen didn't let Ning Xia fight back, with a little trick, Ning Xia immediately felt an amazing pleasure.

"This feeling, it's been a long time" After so long Ning Xia finally regained this comfortable feeling, it had been a long time since she had felt this comfortable.

Ning Xia quite liked the feelings given by Ye Chen, the feelings given by Ye Chen made Ning Xia feel that she was in the seventh heaven.

"Xia, do you like it?" Ye Chen asked Ning Xia.

"I . . ." Ning Xia couldn't answer Ye Chen's question, Ye Chen's question was too embarrassing for Ning Xia.

"If you don't want to answer, I'll just stop, you might not like it" Ye Chen said while teasing Ning Xia.

"no don't stop" Ning Xia had just had fun, so how could she let Ye Chen stop when she had just had fun.

"Then tell me" Ye Chen told Ning Xia to say the feeling she had.

"I like this" Ning Xia said to Ye Chen, she ignored the embarrassment and told the truth.

In this world perhaps only Ye Chen could do this, Ye Chen was the only person who could make Ning Xia be honest with herself.
