

### Chapter 1831 Phoenix pure heart

"I was happy when you said that you like this" Ye Chen said to Ning Xia, he was very happy when he saw Ning Xia liked what he did.

Since Ning Xia liked what Ye Chen was doing, Ye Chen continued to tease Ning Xia.

Ye Chen's skills were well honed, he made sure that Ning Xia had the most comfortable feeling in her life.

Ning Xia did feel a very comfortable feeling, she could feel the warmth from Ye Chen.

"Damn, why did I become like this?" Ning Xia felt that she had changed, now Ning Xia was more passionate than before.

This was all Ye Chen's fault, it was because of Ye Chen who had made himself this way, Ye Chen had made Ning Xia into a very lewd woman.

If it wasn't for Ye Chen, maybe Ning Xia wouldn't be like this, this is all Ye Chen's fault.

Ning Xia knew that this was wrong, the problem was that she couldn't help feeling this comfortable, as a woman Ning Xia desperately needed this kind of comfort, this was a gift for a woman.

"Xia how, is it comfortable?" Ye Chen asked Ning Xia, she asked if Ning Xia liked the feeling Ye Chen gave.

"This is comfortable, how do you do something like this?" Ning Xia asked Ye Chen, she asked about how Ye Chen could do something like this.

"It's because I'm special, I have the Ancient (Yang) Body, so it's not strange that I have a technique to make a woman feel the most comfortable" Ye Chen replied to Ning Xia.

"Ancient (Yang) Body, it is a very good body, it's not strange that you can have so many women, it must be very troublesome for you" Ning Xia felt a little sorry for Ye Chen, Ye Chen's special body would make Ye Chen unable do a lot.

"I know that, I need a woman, otherwise I will" Ye Chen said.

Ancient (Yang) Body is both a blessing and a misfortune, sometimes Ye Chen gets into trouble because he has an Ancient (Yang) Body.

Ye Chen couldn't be without a woman for too long, it would be very dangerous for Ye Chen.

"if you want, you can get a disciple at this Jade Lotus Peak" Ning Xia said to Ye Chen

Ye Chen looked happy when he heard this, he was very happy when he heard that Ning Xia allowed Ye Chen to get a female disciple who was at Jade Lotus Peak.

"Make sure not to resort to coercion" Ning Xia said to Ye Chen.

Ning Xia gave Ye Chen a condition, Ye Chen had to do it without coercion, otherwise Ning Xia would not let Ye Chen.

"I won't do that" Ye Chen said to Ning Xia, Ye Chen would not use force, he would approach them with a subtle approach.

"why don't I believe you, you just now force me" Ning Xia said to Ye Chen.

Ning Xia wasn't sure about the answer given by Ye Chen, she wasn't quite sure about the answer given by Ye Chen.

"When I do coercion, won't Xia herself give up and ask for more" Ye Chen said to Ning Xia.

"Since when, I'm not that kind of woman" Ning Xia said to Ye Chen, Ning Xia was not a loose woman, so she couldn't possibly do something like that.

"Is that so, then how about this" Ye Chen touched Ning Xia's double peak, he squeezed it tightly.

" No . . ." Ning Xia screamed, herself screaming as Ye Chen squeezed hers.

Ye Chen's way of squeezing was so strong, Ning Xia couldn't stand Ye Chen's way.

Ning Xia's breath was unstable, she felt a tremendous pleasure from Ye Chen.

Ye Chen continued to help Ning Xia, he made Ning Xia reach the top quickly.

Ning Xia felt weak, she immediately put her body on Ye Chen's shoulders.

"This is too great, I can't think of doing this again." Ning Xia was too comfortable, she was too comfortable with what Ye Chen was doing.

"Xia, can you tell me your problem, I want to hear it" Ye Chen said to Ning Xia, Ye Chen wanted to hear the problem that Ning Xia had.

"I'll tell you" Ning Xia would tell Ye Chen her problem.

Ning Xia should probably tell Ye Chen about the problem she has, it's time for Ye Chen to know her problem.

Ning Xia told him where she came from, she was from the Phoenix Clan and Ning Xia's real name was Feng Xia.

"Ehhhhh, your first name is Feng" Ye Chen was surprised when he heard this, it turned out that Ning Xia's first name was Feng.

"That's right, I used a pseudonym to hide myself" Ning Xia said to Ye Chen.

Ning Xia said that she used a fake name to cover up her identity.

"Why did you do that?" Ye Chen asked Ning Xia.

"That's because I have an enemy who is after me" Ning Xia said to Ye Chen.

"Aiming at you, who dares, I will not let go" Ye Chen would not let the person who was after Ning Xia go.

Ning Xia was touched, she was quite touched by what Ye Chen said.

"Thank you very much, but that's not it, they were after me because they thought I was very dangerous, so I didn't dare to expose my strength" Ning Xia said to Ye Chen.

"Do you know who your enemy is?" Ye Chen asked Ning Xia, Ye Chen asked about Ning Xia's enemy.

"I don't know yet, but those who did this should be hiding within the great power that controls the God Realm." Ning Xia still didn't get her enemy's information.

The group that crushed the Phoenix Clan to the verge of collapse was still nowhere to be found by Ning Xia.

The group that Ning Xia was looking for was really not easy to track down, all the information Ning Xia had was unable to find the culprit.

"What made the group target the Phoenix Clan?" Ye Chen asked Ning Xia.

Ning Xia was silent, she didn't know what these people were after.

"Let me say it" Ning Xia's cold personality said and was about to explain it to Ye Chen.

In the blink of an eye, Ning Xia's eyes turned blue, she looked different from the Ning Xia who had previously spoken to Ye Chen.

"They are aiming for a precious thing, it is the phoenix pure heart, it is an object that can supply unlimited energy, it is even capable of making a person live forever" Ning Xia said coldly to Ye Chen.

"You are the Xia personality who is cold to me" Ye Chen asked Ning Xia.

"That's true," Ning Xia's personality said coldly to Ye Chen.

"So they took the phoenix pure heart." Ye Chen understood, he understood what Ning Xia's enemy had taken.

Plus it seemed to be a rare item, so the one who was aiming for it would be a strong person.

"Are you unable to trace the whereabouts of the person who took the phoenix pure heart?" Ye Chen asked if the cold personality could not trace the whereabouts of the phoenix pure heart.

"I can of course do that, but the enemy hid it using a special method, so finding it was difficult" Ning Xia said to Ye Chen.

"Then how long?" Ye Chen asked Ning Xia.

"Until they use the phoenix pure heart then I can feel it" Ning Xia said to Ye Chen.

### **Chapter 1832 Blood Seeker Organization**

"Wouldn't that be a very long time" Ye Chen said to Ning Xia, it should be a very long time, they don't know when the group will use phoenix pure heart.

"That's why we kept looking even though we knew it was difficult," Ning Xia said to Ye Chen.

Ye Chen started to think, he wondered whether the person who had committed the crime was the same person he was dealing with, then Ye Chen and Ning Xia had the same enemy.

"Okay, I'll start helping you, it just so happens that I have the same enemy as you" Ye Chen said that he had the same enemy as Ye Chen.

"You also have the same enemy as me." Ning Xia was quite surprised when she heard this.

Ye Chen nodded, he told Ning Xia about the enemy he was up against.

After listening to Ye Chen's explanation, Ning Xia understood, it seems that they both have the same enemy, Ye Chen and Ning Xia have had similar enemies all along.

"Good, then we will work together, let's exchange information" Ning Xia invited Ye Chen to exchange information.

Ye Chen agreed, he gave the information he had to Ning Xia, meanwhile Ning Xia also gave the information to Ye Chen.

With the combined information from the two of them, Ye Chen and Ning Xia began to find the light of their problem, they began to discover that the enemies they faced were actually all from great powers and had special positions.

"So we are going to battle against all the great powers in this God Realm, won't that be difficult" Ning Xia said to Ye Chen.

"If it's just the two of us, then it will be difficult, but if everyone unites maybe it can be" Ye Chen said to Ning Xia.

"How many women do you have?" Ning Xia asked Ye Chen, she wanted to know how many women Ye Chen had, apart from the ones Ning Xia had met, Ye Chen should have more.

"Of course I have quite a lot" Ye Chen told that he had quite a lot.

"I don't like praising you, why are you being like that?" Ning Xia said to Ye Chen.

Ning Xia looked annoyed when she listened to what Ye Chen said, she looked very annoyed when she saw Ye Chen like that.

It was like Ye Chen was superior when faced with a woman.

"hehehehe, is Xia jealous?" Ye Chen said to Ning Xia.

Ye Chen didn't expect that Ning Xia would be jealous when she heard what Ye Chen said.

"Who's jealous, I've never been jealous" Ning Xia refused that she was jealous, she had never been jealous of matters like this.

"Hahahaha, the more you dodge, the easier it is to guess" Ye Chen said to Ning Xia.

"It's back to our topic. . ." Ning Xia told Ye Chen to get back on topic.

"That's right, how about we find out during the God Realm martial arts competition, everyone should be there," Ye Chen said to Ning Xia.

"Are you going to mess up the God Realm martial arts competition?" Ning Xia asked Ye Chen.

"Of course, I will mess up" Ye Chen said that he would mess up.

"You, why do you always make a mess, aren't you afraid of experiencing something bad?" Ning Xia said to Ye Chen.

Why would Ye Chen want to make such a mess, it would be a big commotion.

Plus Ye Chen was willing to cause trouble in a big place filled with strong people.

"Afraid?, it's time to fight back, I don't like to keep hiding like this" Ye Chen felt that it was time to fight back, he didn't want to keep hiding in the shadows.

Ning Xia was worried about Ye Chen, whether Ye Chen was indeed capable of such a thing, their opponent was too strong and difficult to deal with, it was not easy to deal with cultivators at the peak of God Realm.

Ye Chen's enemy had already moved, Ye Chen would of course also move, he couldn't allow the enemy to move while he stayed still.

"I will try my best to help you" Ning Xia will help Ye Chen, she will do her best to help Ye Chen.

Ye Chen nodded, with this his and Ning Xia's relationship was getting better, Ning Xia no longer kept her distance from Ye Chen and looked intimate when she was with Ye Chen.

Ye Chen spent time with Ning Xia, the two seemed very close and sometimes Ye Chen would tease Ning Xia.

Ye Chen teased and had fun with Ning Xia, he teased and kissed Ning Xia.

Ning Xia couldn't stand it, she actually got so much love from Ye Chen.

"Already you have to go" after a while, Ning Xia told Ye Chen to leave.

"Okay, I'll go" Ye Chen nodded, he was about to leave, he said goodbye and left this place.

"Why did I meet such a naughty boy" Ning Xia sighed, why did she meet such a naughty man like Ye Chen.

Although Ye Chen was a naughty man, in fact Ye Chen could provide comfort to Ning Xia, Ning Xia liked this feeling, she felt a long lost affection.

Ning Xia was quite excited, she was quite excited and wanted to quickly find her enemy and end it all.

.

.

Ye Chen left Jade Lotus Peak, he went to meet his woman, Ye Chen wanted to see what the woman was up to.

"masters. . ." Hu Yinan came to Ye Chen, she came and reported something to Ye Chen.

"Yinan, what's wrong, you haven't appeared in a long time" Ye Chen said to Hu Yinan.

"Master, I have bad news." Hu Yinan said that she had bad news.

"What bad of news?" Ye Chen asked Hu Yinan, Ye Chen wanted to know what kind of bad news Hu Yinan brought.

"It's about Qiao Xin." Hu Yinan said that it was news about Qiao Xin.

"What's wrong with Qiao Xin?" Ye Chen asked Hu Yinan, he wanted to know what happened to Qiao Xin.

"Qiao Xin has been kidnapped by someone" Hu Yinan said to Ye Chen.

"How is that possible, he can't be kidnapped so easily" Ye Chen couldn't believe it, how could Qiao Xin be kidnapped so easily.

"The person who kidnapped her is very strong, I can't do much" said Hu Yinan, Hu Yinan tried to explain that the enemy who had captured Hu Yinan was a strong enemy.

"How strong are they that they were able to capture Qiao Xin?" Ye Chen asked Hu Yinan, he needed information on the person who had captured and kidnapped Qiao Xin.

"It's the Blood Seeker Organization, they took Qiao Xin away" Hu Yinan said to Ye Chen.

"Blood Seeker Organization?" Ye Chen raised an eyebrow, it turned out that Qiao Xin was kidnapped by 's Blood Seekers the organization

"That's true." Hu Yinan nodded, saying that Qiao Xin was kidnapped by Blood Seeker Organization.

"This is dangerous, I think I have to save her." Ye Chen had to save Qiao Xin.

Ye Chen was quite worried about Qiao Xin, definitely Qiao Xin was in trouble and danger.

"Do you know where the Blood Seeker ?" Ye Chen asked Hu Yinan.

"That, I do know, but I don't dare to go there, anyone who sneaks in there will be killed and without a corpse" Hu Yinan said to Ye Chen.

### **Chapter 1833 go to the secret place of the Blood Seeker Organization**

"That's interesting, then take me there quickly." Ye Chen told Hu Yinan to immediately bring himself to the Blood Seeker Organization's place.

"Are you sure you want to do that?" Hu Yinan said to Ye Chen again, the place they were going to was a very dangerous place, no one would ever return after Blood Seeker Organization's secret base.

"You don't have to worry about that matter, I'll sort this out myself" Ye Chen said to Hu Yinan.

time for Ye Chen to take care of Blood Seeker Organizational, after what happened, Ye Chen will try to take care of the Blood Seeker Organizational.

The Blood Seeker Organization was indeed big and powerful, but now that Ye Chen had also become very strong, it was time to get rid of the troublesome organizations and send assassins to look for him.

"I'll tell you" Hu Yinan finally agreed to tell Ye Chen, she told Ye Chen about the whereabouts of the Blood Seeker Organization.

That place was in a secluded star and slightly far from the God Realm, it was a no-man's place that was the headquarters of the Blood Seeker Organization.

Hu Yinan also reminded that it was only a gathering place for Blood Seeker Organizations, he couldn't guarantee that Qiao Xin was here.

"Even if Qiao Xin isn't there, we can still find information in that place." Even though Qiao Xin wasn't there, Ye Chen could still find information about Qiao Xin's whereabouts from the person who was in that place.

"Then come with me, make sure you use something to protect your identity" Hu Yinan said to Ye Chen.

"Don't worry, it will be a very easy thing to do." Ye Chen said that it was a very easy thing to do.

Ye Chen took the God Mask, he took the God Mask and covered himself.

"Let's go" Ye Chen took Hu Yinan away, he told Hu Yinan to guide the way.

Hu Yinan led the way for Ye Chen, she led Ye Chen to the most dangerous place in God Realm.

Ye Chen and Hu Yinan flew over, they headed towards a remote part that was outside the God Realm.

This place is quite far away, around there are no stars and sun, it can be said that this place is very dark.

Ye Chen could understand why the Blood Seeker Organizational place was around this place, apparently this was the reason, this place was very remote and far from all kinds of things.

It's also very dark in here, everyone will find it difficult to see what's around.

Ye Chen saw a star that was black, this star was so dark that its surface was invisible.

"It's too dark" Ye Chen saw that the star in front was too dark.

"This place is indeed very dark, this is the most suitable place for an assassin to fight" Hu Yinan said to Ye Chen.

"Then we will light up this place" Since this place is dark, Ye Chen will make it light.

"Master what are you going to do" Hu Yinan asked Ye Chen, she asked what Ye Chen would do.

"I don't like going through the back door, let's just knock on their front door" Ye Chen said to Hu Yanan.

Ye Chen didn't want to sneak, this place seemed too risky and they would be easy to find.

Assassins would become extremely powerful when the terrain was favorable to them, so fighting them required more than intelligence.

From Ye Chen's hand emerged a profound flame, Ye Chen made an enormous profound flame.

An enormous profound flame appeared, enormous in size and equal to the size of a sun.

The light that came out of this fire made a very strong light and made the area around this place very bright.

"So bright" Hu Yanan did not expect that Ye Chen would make such a huge sun.

"Okay, this sun will be here and illuminate everywhere." Ye Chen used this sun to illuminate everywhere.

"Come with me" Ye Chen headed towards the star in front of him, he went straight into the star.

What Ye Chen did was very conspicuous, naturally all assassins came out of their hiding places.

They wanted to ambush Ye Chen using their strength.

"God Domination Pressure" Ye Chen used God Domination Pressure, immediately a terrifying pressure enveloped the entire star.

This aura was extremely powerful, this aura enveloped the entire star and made a

weak Assassin instantly fall and become unconscious, some Assassins even knelt down when they felt the terrifying pressure released by Ye Chen.

"Where is your leader?" Ye Chen asked, he asked where the person who was the leader of the Blood Seeker Organization was.

Everyone in this place was silent, they were all silent and didn't want to say where the leader of the Blood Seeker Organization was.

"we won't say where the leader is" all assassins are very loyal, they have a rule where they won't reveal the information they have.

"Are you sure?" Ye Chen asked everyone, Ye Chen still has a little patience, he still has quite a lot of patience when facing assassins in this place.

Ye Chen's pressure became stronger, he had a very strong pressure and made the Assassins fall one by one.

"Who is this person, his aura is so terrifying" Everyone in this star couldn't stand it, they were all unable to defend against Ye Chen's strength.

"Oh, so you are Mask Hero, what made someone like you come to this place?" An old man appeared, he was an old man with quite a strong aura.

"It seems you are the person in charge of this place" Ye Chen said to the old man in front of him.

"I am the strongest person in this place" the old man told that he was the strongest person in this place.

"I want to ask you something" Ye Chen said to the man in front of him, he wanted information about someone.

"What kind of information do you need from me?" the old man asked Ye Chen.

This old man seemed unwilling to fight Ye Chen, he seemed to know that fighting Ye Chen was a difficult thing to do.

"I want to talk in a place that is not too crowded, it is too friendly here" Ye Chen said to the old man in front of him.

"Okay" the old man nodded, he told Ye Chen to follow him.

"First can you release the pressure, it's terrible" The old man said to Ye Chen, Ye Chen's pressure was terrible, he felt a great power from Ye Chen.

It turns out that the rumors about the Mask Hero are true, this person is very strong, it is not strange that the great powers in the God Realm are afraid of him.

The old man brought Ye Chen along with himself, the three of them went to a special room which looked very dark.

"So what do you need?" the old man asked Ye Chen.

"I need something from you, I'm looking for one of the people from this organization" Ye Chen said to the old man in front of him.

"This place is a large organization with a lot of individuals and clans within it, who you are looking for will be quite difficult to find considering there are too many people whose identities are still unknown" the old man told Ye Chen that it was difficult to know what Ye Chen wanted. .

### **Chapter 1834 Give the Blood Seeker Organizational warning**

"I don't care, I came here to look for someone, if I don't find him, I will turn this place around" Ye Chen said to the old man in front of him.

Ye Chen's threat was no joke, Ye Chen would destroy this place if this old man in front of him didn't want to tell Ye Chen the truth.

The old man just smiled, he was not angry when he heard what Ye Chen said.

"Damn it, you are so arrogant, don't you know where you are now?" Near the old man appeared a man and a woman.

both appeared to be Assassins, Ye Chen could sense that the two people who appeared were powerful assassins.

"What's wrong?, don't you guys like me ?" Ye Chen said to the two people behind the old man.

"we don't like you, do you think you can act like that at our place" both said to Ye Chen.

"Oh, so you don't like me, well since you don't like me, then I will fight you guys" Seeing these two people dislike him, Ye Chen intended to fight them both.

"Go ahead" both told Ye Chen to come forward, they both challenged Ye Chen to a battle.

"Okay" Ye Chen agreed, he didn't stand up straight away, he made a clone and attacked the two assassins.

"Bam" a powerful strike hit the two Assassins, both fell and collapsed on the spot.

Ye Chen didn't even need to act, he used Clone to end things.

"Emmmm" the old man smiled, he saw Ye Chen's strength, Ye Chen was able to make a very strong Clone and was able to take down two Assassins behind him easily.

"As expected of the Mask Hero, his power is so great, he took down two powerful Assassins using just a Clone".

"I don't think I'll be able to go and dodge, that's why I'll help you" the old man said to Ye Chen.

This old man agreed to help Ye Chen, he agreed to help Ye Chen solve his problem.

"You still remember the person and features that kidnapped Qiao Xin right?" Ye Chen said to Hu Yanan.

"Um" Hu Yanan nodded, of course he still remembered the person who kidnapped Qiao Xin.

Hu Yanan showed the figure and features of the person who had kidnapped Qiao Xin.

With Hu Yanan's very easy explanation, the old man immediately knew about the person Ye Chen was looking for.

"I see, I think I know who you are looking for" the old man said that he knew who Ye Chen was looking for.

"Who is it fast, tell me" Ye Chen told the old man in front of him to tell who he was referring to.

"This is the Jing clan, the Jing Clan is one of the most powerful assassination clans within this organization, they have great influence and are very difficult to touch, seeking trouble with them is like seeking death" the old man told Ye Chen about the Jing Clan being one of the powerful Clans in the God Realm.

"Is the Jing Clan strong?" Ye Chen asked Hu Yanan.

"The Jing Clan is indeed strong, they are one of the strongest Clans in the God Realm and cannot be touched" Hu Yanan said to Ye Chen.

"They seem dangerous." Ye Chen was intrigued when he heard this, it seemed that the person who kidnapped Qiao Xin was quite powerful.

Qiao Xin was in the hands of a dangerous Clan, what the Jing Clan wanted from Qiao Xin.

Ye Chen thought about it very wisely, he tried to find out what a Jing Clan wanted from Qiao Xin.

"You won't deceive me will you" Ye Chen said to the old man in front of him, Ye Chen said to the old man in front of him, Ye Chen doesn't like to be cheated.

The old man in front of him was an Assassin, it was a little difficult to see if the man in front of him was lying or not.

"Yuechan" Ye Chen asked Chu Yuechan, he asked Chu Yuechan to help himself.

"She is busy" Chu Ning'er said to Ye Chen, Chu Ning'er told that Chu Yuechan was busy.

"Can you find out whether this man in front is lying or not?" Since there was only Chu Ning'er at the moment, Ye Chen asked Chu Ning'er.

"Looks like he's not lying." Chu Ning'er said to Ye Chen, this old man isn't lying to Ye Chen.

"So he's telling the truth." Ye Chen understood, it seemed that what the man in front of him said was the truth.

If that was the case then Qiao Xin should be in the Jing Clan and should be rescued immediately.

"In that case, can't you help solve this problem?" Ye Chen asked the old man in front of him.

"I can't do that, it's not in my realm." The old man said to Ye Chen.

In the Blood Seeker Organization there was no absolute leader, power was held by the top few, so every major move had to be decided together.

"Honestly, I don't like Blood Seeker Organizations, actually I want to destroy Blood Seeker Organizations," Ye Chen said to the old man in front of him,

"Hahahaha, you may be able to destroy this place, but you won't be able to destroy the entire Blood Seeker Organization, the network of the Blood Seeker Organization is so strong and big, you won't be able to crush it to the root" the old man informed that Ye Chen would not be able to do anything. that.

The Blood Seeker Organization had countless members and hiding places, even if Ye Chen destroyed this place, it wouldn't change anything.

"This is what I hate about underground organizations" Ye Chen hated underground organizations quite a bit, they were like pests that were difficult to get rid of, if you wanted to eliminate them you would need to carry out a massacre that might involve innocent people in it.

This old man said that frankly the Blood Seeker Organization is a large organization, searching for everyone within it is like looking for a needle in a haystack.

"Then I'll warn everyone in the Blood Seeker Organization, if you guys get into trouble with me again, maybe I won't be so kind anymore." Ye Chen gave a warning, he gave a pretty stern warning to the old man in front of him.

If the Blood Seeker Organization had any more trouble with Ye Chen, then Ye Chen would immediately destroy and search for all the members of the Blood Seeker Organization.

"Hahaha, this is the first time someone has dared to say such a thing to a Blood Seeker Organization," the old man said to Ye Chen.

"I'm not playing, I have the ability to do something like that, if my patience is at the limit" Ye Chen could do everything, although it would take quite a while.

"I will remember this, I will tell all the higher-ups of the Blood Seeker Organization, I hope they will listen to you, otherwise we may meet again on the battlefield" said the old man to Ye Chen.

"Hopefully they will listen, otherwise the Blood Seeker Organization will disappear from the God Realm," Ye Chen said domineeringly.

"Let's go" Ye Chen would find out if Qiao Xin was in the Jing Clan.

Ye Chen and Hu Yinan left the Blood Seeker Organization's secret place.

#### **Chapter 1835 Information and whereabouts of Qiao Xin**

"Mask Hero, he really is someone with something strong, it wouldn't be strange for the Immortal Profound Sea Realm to bother looking for him, he is a dangerous person and could get a great power into trouble" After speaking with Ye Chen, the old man immediately can deduce what Ye Chen is like, this person is very dangerous, he is not afraid of anything, anything that gets in his way will be instantly removed mercilessly.

"You two hurry up" the old man tried to wake up the two people who were knocked down by Ye Chen, both of them were unconscious after receiving Ye Chen's attack.

The old man took some time to wake the two people beside him, it seemed that Ye Chen had knocked them both unconscious.

"Master, what happened" both of them asked about what just happened, both of them had forgotten about what just happened.

"The two of you were just dropped, you are too brave to challenge someone like him" the old man said that the two of them had been knocked down by Ye Chen.

"That person is terrible" The two Assassins said that Ye Chen was terrible, Ye Chen's strength was very strong, they were even knocked down very easily by Ye Chen's clone.

"He is indeed great, you are not an opponent for him" the old man acknowledged Ye Chen's ability, Ye Chen did have great ability.

"Quickly send this message to all the higher-ups." The old man ordered the two to send this message to the higher-ups.

"Okay, we'll all go immediately and send a letter to all the higher-ups" These two people left, they immediately sent a warning letter given by Ye Chen.

What happened would definitely shock the higher-ups, what would they do, whether they would accept or resist.

The biggest possibility was that they would not accept this, they would definitely put up a fight against Ye Chen.

"This is going to be a very interesting battle" the old man couldn't wait, what would happen, would they meet or be silent.

"After getting the information" Ye Chen and Hu Yinan went to Jing Clan, Jing Clan lived in a high ranking star called Eastern Horizon Star Realm.

It was a high rank star, the Jing Clan lived in a high rank star, it was not strange that they could become a powerful Clan.

"Yinan quickly help me find the whereabouts of the Jing Clan." Ye Chen ordered Hu Yinan, he told Hu Yinan to look for the whereabouts of the Jing Clan.

"I'll be leaving soon." Hu Yinan nodded, she would look for the information Ye Chen needed.

"Take this" Ye Chen gave the Invisible Cloak to Hu Yinan, he gave this to Hu Yinan so that he could survive the unfortunate situation.

" what's this?" Hu Yinan asked Ye Chen, she asked about what Ye Chen had just given her.

"I gave you a cloak that can make you invisible, you use this not to find out" Ye Chen said to Hu Yinan.

Ye Chen told that this robe would be of great help to Hu Yinan, it would be very helpful for Hu Yinan to escape in an urgent situation.

As long as Hu Yinan wears this, then he will not be found by the enemy, no enemy can see Hu Yinan.

"I will use it well" Hu Yinan understood, Ye Chen gave her an item that could be used to save her life.

While waiting for Hu Yinan to gather information, Ye Chen would look for a place to rest for a while.

Ye Chen was looking for an inn, he was looking for an inn to get the best food on sale.

Ye Chen managed to find a good inn, he ordered some food and started to enjoy the food.

Ye Chen was still unfamiliar with this place, so he listened to the conversation in this place.

"Hey have you heard that in the Jing Clan there is a very beautiful comfort woman?" The people inside the inn discussed about the beautiful women in the Jing Clan.

"That's true, last night I also saw her, she is very skilled at playing musical instruments plus her voice is very good" he agreed, he agreed because last night he saw that beautiful woman.

Ye Chen was immediately attracted by the direction the conversation was taking, he was interested when he listened to these people talking.

"Looks like they have the information I need?" Ye Chen felt that these people had the information he needed.

Ye Chen decided to join in on the conversation, himself joining in on these people's talk.

"Guys, may I have information about that beautiful woman?" Ye Chen asked the people at the table.

"Who are you?" these people didn't know Ye Chen, so it wasn't strange that they didn't answer Ye Chen right away.

"I am a traveler, I need information from you" Ye Chen said that he needed Qiao Xin's information.

"You know that information and news are not free" these people said to Ye Chen, they said that their information was not free.

"Hahahaha, then I'll treat you to some food." Ye Chen said that he would treat the food on the table.

"Hahahaha, that's great, come here" when Ye Chen said he would pay, everyone was excited, they all greeted Ye Chen well.

"So are the women in the Jing Clan really that pretty?" Ye Chen asked everyone.

"Of course, she's beautiful didn't you see the show last night?" said the man on the side.

"I just arrived today" Ye Chen said that he just arrived today, so he didn't know what happened.

"I feel sorry for you, you probably won't be able to see that, I heard that almost all the young members of the Jing Clan are trying to chase after that woman" said the man at the side to Ye Chen.

Ye Chen listened carefully to the figure depicted by the person in front of him, this woman looked dignified and quite dazzling, her appearance was able to hypnotize all onlookers, the possibility of becoming Qiao Xin was enormous.

Ye Chen spent his time together with the people at the table, the more Ye Chen asked about the figure, the more Ye Chen was convinced.

"Master I have found what you are looking for" Hu Yinan came, she came and said to Ye Chen that she had obtained the information Ye Chen needed.

"Your work is very good" Ye Chen was happy with Hu Yinan's work, he did the work very quickly.

"Okay friend, thank you very much, I will go upstairs to rest" Ye Chen said goodbye, he went upstairs together with Hu Yinan.

These people didn't realize that they had just spoken with a powerful person, they considered Ye Chen to be an ordinary person because he could get along with ordinary people like them.

Ye Chen and Hu Yinan went up, both of whom booked a room at this inn.

"How ?, what did you get?" Ye Chen asked Hu Yinan, Ye Chen wanted news from Hu Yinan.

"Master, Qiao Xin is there, she is locked up in a courtyard, there are several men who often come and try to seduce her" Hu Yinan said to Ye Chen, Hu Yinan did see Qiao Xin's presence, she was in a courtyard with a guard who strict.

"So it's true" After hearing the news from Hu Yinan, Ye Chen finally believed that Qiao Xin was brought in by the Jing Clan.

"What made them arrest Qiao Xin?" Ye Chen asked Hu Yinan.

" It . . ." Hu Yinan couldn't explain the reason, she looked uncomfortable when she wanted to tell Ye Chen the truth.

### **Chapter 1836 Train the Five Lord Elements Technique**

"why are you hesitating to say it, quickly tell me" Ye Chen asked Hu Yinan, he told Hu Yinan to tell what happened to Qiao Xin.

"Master, if I'm being honest, their goal is to get good offspring" Hu Yinan said to Ye Chen.

"Huh?, what did you say?" Ye Chen asked Hu Yinan, Ye Chen still didn't understand what Hu Yinan said.

"They want to make Qiao Xin a candidate for the talented young master of the Jing Clan" Hu Yinan explained to Ye Chen, herself explaining what happened to Ye Chen.

" what ! ! !" Ye Chen didn't believe what Hu Yinan said, he didn't expect the Jing Clan to do that to Qiao Xin.

From Ye Chen's body began to emit an unpleasant aura, Ye Chen was not happy when he heard this.

The city began to be shaken by Ye Chen's strength, Ye Chen's strength was too strong and caused a big earthquake.

Everyone in the city felt a terrible power, they felt that someone with a high cultivation was angry and might destroy the city.

"I see, they are quite brave, hahahaha" Ye Chen was quite annoyed with what had happened, the people from Jing Clan were very brave, they were trying to find a problem with Ye Chen.

Ye Chen wouldn't stay silent, he couldn't stay silent when he saw his woman being snatched by someone.

"Yinan, find me a suitable time, I will immediately go and bring Qiao Xin" Ye Chen said that he would go and look for Qiao Xin's whereabouts.

"Tomorrow Qiao Xin will appear, she will show her abilities in public, you can go and meet her" Yinan said to Ye Chen.

"Very good, then I will go and meet him" Ye Chen was going to go and meet Qiao Xin, it was the right time for Ye Chen to meet Qiao Xin.

While waiting for the event to take place, Ye Chen told Hu Yinan to look for clues about everyone in the Jing Clan, he told Hu Yinan to get information about everyone in the Jing Clan.

Hu Yinan nodded, searching for all the information of the Jing Clan members.

Ye Chen was quite confident in Hu Yinan's abilities, he really believed that Hu Yinan could do her job very well.

Ye Chen waited inside the inn, himself waiting while practicing his abilities.

Ye Chen tried to practice a new technique that he got. Five Lord Elements was a pretty powerful technique and Ye Chen had to learn.

Ye Chen made the five Elements, the purpose of the Five Lord Elements was to unite the five elements and make them into one, it was a ridiculous and impossible thing.

Each element has a match and a mismatch with each other, if they match then they don't clash, and if they don't match then there's a big bang.

Moreover, when the five elements are combined, it will become a huge explosion and can greatly destroy everything around it.

Ye Chen wanted to try it, he wanted to try to combine the five elements into a terrifying power.

Ye Chen entered inside the fairy gate, it was the most suitable place to conduct an experiment.

"Big brother you better find a place outside, you might damage something if you use it inside the fairy gate" Chu Ning'er stopped Ye Chen, she stopped Ye Chen who was trying to train inside the fairy gate.

" Why do you say that?" Ye Chen asked Chu Ning'er, why did Chu Ning'er say that to Ye Chen.

The power of the five elements combined is very strong, it is a terrible destructive power, so you better go away or I have to repair the fairy gate." Chu Ning'er didn't want to repair the fairy gate, that's why she told Ye Chen to stay away.

"Okay, I'll do it" Ye Chen agreed, he agreed to leave this place.

Ye Chen ended up not practicing inside the fairy gate, he was chased away by Chu Ning'er and forced to find a secluded place.

For only the Eastern horizon Star Realm is very large, so Ye Chen doesn't have to bother looking for a quiet place.

"This seems like a suitable place." Ye Chen found a very large field, he found a very large field.

This vast field was enormous, it was a suitable place to practice.

"Alright, let's get started." Ye Chen started to practice, he started to combine all the elements into one.

First Ye Chen tried to combine the three elements namely Ice, fire and lightning, when Ye Chen did that, a destructive explosion occurred.

This explosion sent Ye Chen back hundreds of steps.

"What happened?" Ye Chen still didn't know his fault, he still didn't understand what went wrong, why an explosion occurred.

"It seems that combining three elements is a little difficult, it is easier to combine two elements" Ye Chen felt that combining a total of three elements was a little difficult.

"I will not give up, I will work continuously" Ye Chen will not give up, he will keep trying, Ye Chen can't give up in this place, he is a person who never gives up.

Ye Chen tried again, this time he tried more carefully and full of feelings.

When Ye Chen was more serious, he was able to combine the three elements into one.

"Very good, I succeeded, let's try." Ye Chen succeeded in this second stage, he wanted to try the power of the three elements combined.

Previously the explosion that occurred was not strong enough, it was because the three elements had not yet united and became perfect, meanwhile now the three elements were perfect, so it was time to see the true power.

"Okay, I will use the mountain there" Ye Chen decided to use the mountain there, he used the mountain in that place as an experiment.

"Throw" Ye Chen threw the combination of the three elements towards the mountain.

The moment the fusion of the three elements hit the mountain, an enormous explosion was formed, this explosion sweeping tens of thousands of miles away.

" what ! ! !" Ye Chen didn't expect that the impact of his power would be so terrifying, even though Ye Chen didn't use too much force just now.

He was still holding back from making a mess in this place, which was why he was holding back.

But the reality was not what Ye Chen thought, his attacks had destroyed the surrounding area.

"Fortunately I told him to leave, otherwise the fairy gate would be damaged." Chu Ning'er was grateful that she had kept Ye Chen away from this place, it kept the fairy gate safe and untouched.

"That's terrible, surely the explosion just now will make people come" The explosion just now must be clearly visible and can be felt by everyone, surely all cultivators can feel the existence of the explosion just now.

"I have to go and find a safe place" Ye Chen decided to go and find a safe place, he was looking for a safe place to practice.

.

.

Meanwhile in the Jing Clan, Qiao Xin was sitting on the bed thinking about something.

Qiao Xin couldn't leave this place, plus the young master of the Jing Clan kept coming to her courtyard and harassing Qiao Xin.

"I hate this" Qiao Xin hates living in this place, she really hates being told to live in this place.

Qiao Xin had already used quite a number of means to be able to leave this place, it's a shame that Qiao Xin's methods didn't work and were always found.

### **Chapter 1837 Qiao Xin was approached by young master of Jing Clan**

Jing Clan is a very strict place, here the guard is very strong and it is not easy to leave, currently there are countless people watching this place, almost everyone is watching where Qiao Xin is.

"This place is really annoying." Qiao Xin cursed lightly, she felt that this place was really annoying.

Qiao Xin wanted to leave immediately, she didn't like living in a place like this, unfortunately Qiao Xin couldn't do that, she wouldn't be able to leave this place because the security was too tight.

"Who can save me in a situation like this?" Qiao Xin wanted to know if there was anyone who could save her, she really wanted to be saved by someone.

Qiao Xin thought of Ye Chen, it had been a long time since she had been with Ye Chen.

"Where is that man now, did he just forget about me, that's the man they always are" Qiao Xin sighed, it seems Ye Chen had forgotten herself too quickly.

Even though Qiao Xin quite liked Ye Chen, she liked Ye Chen who became the man of her own best friend.

Somehow this kind of relationship felt so good, Qiao Xin was happy with the feeling of danger when Li Jingyi would find her.

Qiao Xin smiled to herself when she was with Ye Chen, she felt happy and comfortable when she was with Ye Chen.

"Miss Qiao, why don't you come out" while Qiao Xin was thinking about Ye Chen, a male voice came from outside.

"he again, doesn't he get bored coming here every few hours" Qiao Xin's mood immediately changed, she felt annoyed when she heard the voices of people outside.

"Miss Qiao" people outside kept calling Qiao Xin, Qiao Xin felt annoyed when she heard this voice.

"why are you disturbing my nap" Qiao Xin came out, herself said to the person outside.

Qiao Xin tried not to get angry, she restrained herself from getting angry when she came out.

If Qiao Xin got angry, she might even be in danger considering this was the enemy's place, so being gentle with the enemy was something Qiao Xin had to do.

Qiao Xin had already carried out various sneak missions, blending in and getting close to the enemy had already been mastered by Qiao Xin.

A young man was in Qiao Xin's courtyard, this young man was handsome and had quite a bit of charm around him.

At first glance this young man was a handsome man with many fans.

Every member of Jing Clan was an Assassin, they were a dangerous Clan and good at infiltration, perfection in appearance was prioritized to support them in carrying out their duties.

Here are many handsome young masters and beautiful young ladies, they guard their bodies to lure the enemy.

Sometimes a dangerous weapon is ignorance, so Assassins will very quickly kill their targets.

This young man's name was Jing Sanli, he was the young master of the Jing Clan and one of the candidates who could approach Qiao Xin.

The Jing Clan already knew Qiao Xin's identity, they already knew that Qiao Xin was the Wind Shadow and they wanted to make Qiao Xin a good seed for the Jing Clan's descendants.

The Jing Clan guarded their bloodline well, they would only accept the best Assassins to carry on their Clan.

"Sorry for disturbing Miss Qiao's sleep, is Miss Qiao disturbed?" Jing Sanli asked Qiao Xin.

"of course, I want to sleep, can't young master Jing let me sleep" Qiao Xin said to Jing Sanli.

"Then how about I accompany Miss Qiao inside, I will take good care of Miss Qiao" Jing Sanli said to Qiao Xin.

"-\_- " Qiao Xin's face became uncomfortable, she met such a shameless person.

Jing Sanli seemed to have quite a bit of experience, Qiao Xin could see that from how this man was blatantly trying to get Qiao Xin.

Qiao Xin wasn't surprised when she saw this, the Jing Clan's education must be strict, men and women must have been told to do that since they were little.

"That's not necessary, I can sleep alone" Qiao Xin said to Jing Sanli.

Even though Qiao Xin was already angry and dissatisfied in her heart, she could still smile, Qiao Xin could still control her anger and not be angry with Jing Sanli.

had Qiao Xin not been in the Jing Clan, she might have already broken and crushed the lower half of Jing Sanli.

Qiao Xin didn't like Jing Sanli, she really didn't like this man, she thought this man was the worst she had ever met.

"Oh what a shame, even though I want to be with Miss Qiao" Jing Sanli didn't give up, he was still excited and tried to be alone with Qiao Xin.

"Young master Jing, if you don't mind, how about you give me a break, tomorrow I still have to perform" Qiao Xin said to Jing Sanli.

Qiao Xin asked in a gentle tone, she asked Jing Sanli to give herself some rest.

Qiao Xin's words and face made Jing Sanli unbearable, Qiao Xin's beauty was hard to resist and reject.

"Ahhh, Miss Qiao Xin is so beautiful, then I won't bother Miss anymore, I hope Miss will choose me" Jing Sanli said to Qiao Xin.

"It depends on the young master's ability" said Qiao Xin to Jing Sanli.

"I will definitely do my best" Jing Sanli said that he would do his best to get Qiao Xin's attention.

"Then I'll go first." Jing Sanli said goodbye, he said goodbye to Qiao Xin and left the courtyard.

"This sucks, I hope I get out of here soon" Qiao Xin hoped that she could quickly leave this place.

.

.

Because Ye Chen had made such a big mess, Ye Chen finally decided to go find a star that he could train with, Ye Chen was looking for a quiet place away from life.

Here Ye Chen continued to practice, he kept trying to perfect the Five Lord Elements Technique.

Right now Ye Chen was able to fuse four elements, but when Ye Chen tried to combine five elements, Ye Chen's profound energy was drained enormously, as a result Ye Chen could only use this for 1 to 2 times.

"The consumption of profound energy is enormous." Ye Chen saw that the consumption of profound energy when combining five elements into one was extremely terrifying, even with Ye Chen's profound energy, he couldn't afford to use this again and again.

Ye Chen had to be wiser when using the Five Lord Elements Technique, it absorbed too much of Ye Chen's profound energy.

As a result, Ye Chen might be forced to use his veins to defend himself and it wouldn't be good to use things like that for a long time.

I've been training in this place for a few hours, looks like I'll have to go back soon to meet with Qiao Xin.

Ye Chen wanted to come back soon, he wanted to go back soon and meet Qiao Xin.

Ye Chen returned, he went towards the inn and waited for news from Hu Yinan.

Hu Yinan came back, she brought news for Ye Chen, she got all the information Ye Chen needed.

"You did a great job" Ye Chen was pleased with Hu Yinan's work, Hu Yinan did a very good and tidy job.

"Thank you very much" Hu Yinan thanked Ye Chen, she was happy to be praised by Ye Chen.

Ye Chen saw all the information of important people in the Jing Clan, it turned out that there were many important people with great power in the Jing Clan.

### **Chapter 1838 Entertainment show at Jing Clan**

"The leader of the Jing Clan is called Jing Mazun." Ye Chen saw who the person who was the leader of the Jing Clan was, he saw the information about the person who was the leader of the Jing Clan.

"Ninth level Divine Overlord Realm, strength is strong." Ye Chen saw that Jing Clan leader was at level ninth, meaning that his strength was already comparable to strong people in God Realm.

Most likely Jing Mazun became one of the few strongest people in the God Realm, he must be in the top 1000 strongest people in the God Realm.

There were still many strong people in the Jing Clan, it wasn't strange that the old man earlier said to Ye Chen that going against the Jing Clan was an impossible thing to do.

There are still some powerful ancestors that Hu Yinan can't figure out, Hu Yinan can't know the strength of the Jing Clan ancestors because they are in seclusion.

"Looks like it's going to be a fierce battle." Ye Chen saw that it was going to be a fierce battle.

"You did a very good job" Ye Chen praised Hu Yinan, he stroked Hu Yinan's head and gave Hu Yinan a gift.

Hu Yinan was very obedient to Ye Chen, she was happy when she was treated well by Ye Chen.

Ye Chen gave a gift to Hu Yinan, Ye Chen gave a gift of some pills as well as some profound crystals.

Hu Yinan was overjoyed, she really liked the gift that Ye Chen had given her.

"Prepare yourselves, tomorrow I will go to Jing Clan, you watch over and make sure there are no disturbances" Ye Chen said to Hu Yinan.

"I will" Hu Yinan was excited, she would make sure that Ye Chen could see Qiao Xin at the Jing Clan event.

Hu Yinan was in a good mood, she was in a very good mood, thanks to the gift given by Ye Chen now Hu Yinan was much more excited.

Hu Yinan found a ticket for Ye Chen, she would find the best place for Ye Chen.

Ye Chen was satisfied with what Hu Yinan did, she did a very good job.

Ye Chen just needed to wait for Hu Yinan to finish her work, he would wait for Hu Yinan to finish her work.

.

.

The next night finally came, Ye Chen had already prepared himself and was wearing a very nice outfit.

Ye Chen's clothes were pretty good, he was dressed like someone from a rich family.

Ye Chen wasn't wearing a mask, he was going to slightly change his appearance.

Ye Chen went alone, meanwhile Hu Yinan would be at a distance to help Ye Chen.

Tonight the Jing Clan had a show, there were countless people present just to get the entertainment from the Jing Clan.

Apart from Assassination missions, the Jing Clan's business was in entertainment, they had good talents in entertainment which made them quite popular among young girls and boys.

Ye Chen had already obtained his entrance ticket, he wanted to see what the Jing Clan was like.

In the Jing Clan there was a large music theater, above which were several people playing their musical instruments and entertaining the audience while waiting for people to gather.

Ye Chen looked for a seat, he looked for a seat that had been prepared by Hu Yinan.

Hu Yinan had managed to find a good seat, he had managed to find Ye Chen a good seat.

Beside Ye Chen there were countless young ladies and young masters with good looks, among them were fans of the looking and beautiful members of the Jing Clan.

Ye Chen was quite eye-catching, there were several women who were approaching Ye Chen.

Under normal circumstances Ye Chen would naturally talk and converse with these women, he would chat and greet women who approached him.

In the current case that refusing was something that Ye Chen couldn't do, Ye Chen would get in trouble if he denounced people.

As a result, Ye Chen served the young lady of their rich and pleasant family.

"This is troublesome." Ye Chen felt that this was troublesome, if he had no interest, then he would not have come to this place.

About 30 minutes later the people gathered, they all gathered and the show could start.

"Welcome everyone, tonight we will show you the best show, you will not feel a loss for seeing our show" a man said to the audience, it seems he is the host who is in charge of guiding everyone.

For some reason the Jing Clan was like a television artist family, Ye Chen felt that they had a very strong entertainment business.

If Ye Chen didn't know what the Jing Clan had behind the scenes, then he wouldn't have believed that they were a normal Clan.

"Okay, first we will show you the art of fighting" the host said to everyone, they will show an art of fighting with handsome actors who dazzle everyone.

"Ahhh. . . ." All the women screamed, almost all the women were excited when they heard this.

Ye Chen covered his ears, Ye Chen's surroundings were too noisy, the women around were too noisy as they shouted towards the stage.

the members of the Jing Clan began to show their abilities, they showed their skills and wowed the audience.

"nothing special" was different from the others, Ye Chen didn't see anything special, he didn't see anything interesting from the show.

It seemed that Ye Chen was expecting too much from the Jing Clan, they were not as good as Ye Chen thought.

After a few minutes, the Jing Clan members finished their moves, they thanked the audience.

"clap . . . ." The audience in this place immediately applauded, they gave a round of applause for the performance of the Jing Clan.

"Okay, next is a show from beautiful women, you guys will definitely like it" said the host.

"This is what we've been waiting for" This time it was the boys' turn to get excited, they were all excited and started to go too far.

They don't care, they want to see their idol performing.

Ye Chen felt like he was watching a concert, there were so many crazy men and women in this place.

"It can't be helped, this is their hobby" Ye Chen couldn't do anything, this was the hobby of every individual, so Ye Chen couldn't do anything about this matter.

Everyone has different hobbies and thoughts, there are some people who don't like this kind of thing, while there are some people who really like and even are too fanatical about artists or idols.

Some beautiful women came down with umbrellas and some carried long ribbons, they started to dance and some sang.

"An opera" this time Ye Chen saw that this was a show where there was good dancing and singing.

"not bad either" these women are quite entertaining, they are quite entertaining the men in this place.

"ahhh, goddess look here" the men were very enthusiastic, they were very enthusiastic when they saw beautiful girls dancing and singing.

"Where is Qiao Xin?" Ye Chen had not found Qiao Xin, he was curious when Qiao Xin would appear.

The show continued, the situation seemed to be getting hotter, everyone seemed happy and happy when they saw the show.

"Looks like something's not right" Ye Chen started to feel that something wasn't right, the people from the Jing Clan actually used charm techniques to make both men and women excited, that way their performances would still go well and would never be boring to the eyes.

No wonder Ye Chen didn't find anything interesting, it turned out that the Jing Clan used enchantments to get their audience excited and shouted like that.

### **Chapter 1839 Miss Qiao is there anyone you like ?**

The show from the Jing Clan went quite lively, the show went lively accompanied by beautiful female voices.

The audience in this place also looked quite excited, they all seemed very excited when they saw the performance of the extraordinary beautiful girl.

In this place only Ye Chen was still waiting patiently, Ye Chen was waiting for the main show to be held.

Luckily Ye Chen was patient enough, otherwise he would have forced everyone in the Jing Clan.

"Quickly finish everything" Ye Chen wanted to finish everything quickly, he couldn't help but finish everything.

Ye Chen's plan was to make a mess when Qiao Xin was about to appear, he intended to make a mess after that he would make a clone to take Qiao Xin.

Ye Chen had already prepared everything, he would definitely bring Qiao Xin along with him.

There were countless shows that went on, there were battles and countless attractions put on by the Jing Clan.

The performances performed by the Jing Clan were excellent, everyone liked the performances put on by the Jing Clan.

Everyone was still unaware that they were influenced by the Jing Clan, the Jing Clan's abilities were arguably strong enough to make these people unconscious.

Ye Chen was quite bored, himself was quite tired of waiting, Ye Chen just leaned back on the chair while waiting for the right time.

Ye Chen sighed several times, him several times sighed because he had to wait.

Ye Chen didn't like waiting, he didn't like waiting for something like this.

Ye Chen had gathered his patience, he had gathered his patience.

"Okay everyone, tonight Ms. Qiao Xin will show you how to play the flute, you all should hear it." The host told everyone that Qiao Xin would be performing.

"ohhhhh ! ! !" everyone looked so excited, they had been waiting for this.

They had already paid a heavy price to see Qiao Xin, so they had to make good use of this opportunity,

Qiao Xin's beauty was already quite famous, it wouldn't be strange for them to come to this place with a lot of profound crystals.

They wished that they could get Qiao Xin, these people didn't care, they tried the best they could.

They were a group of brave people, they were all very brave in seeking a risk, they did not know that they would not be able to do so and would only be used by the Jing Clan as cash cows.

Qiao Xin appeared, Qiao Xin was wearing a very pretty red dress.

"Wow" Everyone immediately clapped when they saw Qiao Xin, everyone was instantly blown away by Qiao Xin.

Qiao Xin's aura of beauty was unquestionable, she was extremely beautiful.

"Qiao Xin is very beautiful" Ye Chen became interested, he became interested in Qiao Xin who was in the appearance of an elegant dress.

Qiao Xin swept everyone, she looked at everyone who was in this place.

Everyone looked at Qiao Xin with a look of desire, they all looked at Qiao Xin with a look full of desire on her.

Qiao Xin was used to what was happening, she seemed used to being treated this way by others.

Qiao Xin felt the gaze was quite familiar, she naturally immediately looked for the whereabouts of the gaze.

Qiao Xin discovered Ye Chen's whereabouts, she managed to find Ye Chen's whereabouts.

"That handsome man is not foreign" Qiao Xin felt familiar with the handsome man in front of her, somehow she was already familiar with the existence of Ye Chen.

Ye Chen waved his hand towards Qiao Xin, he welcomed Qiao Xin well.

Qiao Xin's face turned a little red when she was seen by Ye Chen, for some reason Qiao Xin was shy when she faced Ye Chen.

"This girl is embarrassed" Ye Chen saw that Qiao Xin was embarrassed, this woman was embarrassed by Ye Chen.

"Does he realize that it's me?" Ye Chen felt that if Qiao Xin realized that it was her, Qiao Xin must have realized that it was Ye Chen.

"Miss Qiao come on. . ., come on . . ., come on . . ., come on . . ." everyone told Qiao Xin to sing or play a musical instrument.

"Everyone please listen to me" Qiao Xin said to everyone in this place.

Qiao Xin quickly recovered herself, her focus was on giving the best for everyone.

Qiao Xin started to play a musical instrument, she played the flute in her hand.

A calming melody began to be transmitted to everyone in this place, everyone felt at peace when they heard this voice.

"Very good" Ye Chen admitted that Qiao Xin had good skills, the way she played a musical instrument was not inferior to Zhao Yanyan.

"This is amazing, she really is a goddess" everyone said to Qiao Xin, they all acknowledged that Qiao Xin had a great ability.

Qiao Xin was flooded with praise from everyone, almost everyone in this place praised Qiao Xin, they praised Qiao Xin with great pride.

Qiao Xin was a beautiful and intelligent woman, it was not strange for her to be the center of attention.

"If only this woman was born on earth, maybe she would become a super star." Qiao Xin lived in God Realm, if only she lived on earth, maybe she would become a popular female star like Feng Xue.

"Thank you very much." Qiao Xin had unknowingly finished playing the flute, time passed quickly and was imperceptible to everyone in this place.

"again . . . , again . . . , again . . . , again . . . , again ,. . ." people were not satisfied, they still wanted to listen to Qiao Xin, even the young master of the Jing Clan also wanted to hear it again.

"Sorry, but I can only do this once" Qiao Xin said to everyone.

Qiao Xin was rejecting, she was rejecting everyone.

Everyone was a little disappointed, they were all a little disappointed when they heard this.

"Everyone calm down, you don't need to worry, now you have a chance to ask Miss Qiao" the host said to everyone, they had a chance to ask Qiao Xin.

"is it true ? ? ?" everyone was excited, they were all excited when they heard this.

"For that, you have to pay a fair price for every question" Turns out there was another intention behind all of this, the Jing Clan was trying to take advantage of Qiao Xin's beauty.

Qiao Xin's beauty was an attractive selling point, they could get tons of resources just from displaying Qiao Xin.

Plus Qiao Xin had an excellent innate talent, she could be a good candidate for future generations of the Jing Clan.

"I will pay" everyone took out the profound crystal pouch, they took out the profound crystal pouch they had.

"Calm down, you all will get" the host told everyone to be more orderly.

In her heart Qiao Xin sighed, she sighed when she saw what happened.

Ye Chen saw an opportunity, he could take this opportunity to take Qiao Xin away.

Ye Chen made a clone, he made a clone and prepared to take Qiao Xin away.

"Miss Qiao, is there anything you like?" one of the people asked if Qiao Xin had someone she liked.

"Of course" Qiao Xin nodded, she had someone she liked.

" who is that?" Everyone asked, they all wanted to know who Qiao Xin liked.

Qiao Xin was confused, how, she should answer this question, what should she do in the current situation.

Qiao Xin looked at Ye Chen, she saw that Ye Chen looked happy when he saw her being beaten by fans.

### **Chapter 1840 Hurt Jing Sanli**

"Somehow he looks annoying." Qiao Xin felt that Ye Chen was really annoying.

"I will do something to him" because Ye Chen smiled when Qiao Xin was in trouble, Qiao Xin intended to find a problem for Ye Chen.

"That's actually I like that person" Qiao Xin pointed at Ye Chen, she told everyone that she liked Ye Chen.

"Eh, what is she trying to do, she's interfering with my plans" Ye Chen didn't expect Qiao Xin to do something like that, to be honest he didn't expect Qiao Xin to do something like that to Ye Chen.

" what! ! !" Everyone who was here was shocked, they immediately looked at Ye Chen with gazes filled with hostility.

"Who is it, who is he?" Everyone immediately looked at Ye Chen with curious eyes, who was the man that Qiao Xin had just pointed at.

There were countless terrifying killing auras, especially the killing aura emitting from the young members of the Jing Clan.

"This is so bad" the emcee started to sweat, he started to sweat when he saw the anger escaping from the crowd.

"Everyone, please calm down" the emcee tried to calm everyone down, he tried his best to lighten the tense atmosphere.

"shut up" everyone told the emcee to be quiet, the current situation was very tense and made everyone angry at Ye Chen.

"Things are getting out of control, I didn't expect Qiao Xin to cause such a big problem" Everything is now outside of Ye Chen's plan what Ye Chen should do, Ye Chen has to change the plan.

"Okay, since everything has happened, then I will do it immediately" because the situation has become like this, then Ye Chen will change the existing plan.

Ye Chen stood up from his chair, immediately went downstairs and hugged Qiao Xin's waist.

"what! ! !" Now it was Qiao Xin's turn to be surprised, Qiao Xin was surprised by what Ye Chen did.

Ye Chen hugged her waist, this made Qiao Xin feel very annoyed.

Qiao Xin wanted to try to free herself from Ye Chen, when Qiao Xin tried to free herself, she was held back by Ye Chen.

Ye Chen used his strength to make Qiao Xin weak.

"My body" Qiao Xin felt weak and weak, she didn't know what had just happened.

Ye Chen retaliated for what Qiao Xin had done, he made Qiao Xin weak and helpless with her abilities.

"Feel it, who told you to look for trouble" Ye Chen said to Qiao Xin.

Ye Chen came to this place to save Qiao Xin, not to think that Qiao Xin would actually cause trouble for Ye Chen.

"I didn't expect that Miss Qiao would like me, it's an honor for me" Ye Chen said to Qiao Xin.

Ye Chen tried to act as romantic as possible with Qiao Xin, what Ye Chen did would make everyone who saw what happened annoyed.

"Damn, how dare he tease Miss Qiao" Everyone was annoyed when they saw Ye Chen teasing Qiao Xin, they all didn't like seeing Ye Chen tease Qiao Xin.

"What's wrong, didn't you hear that Miss Qiao really likes me, you should go" Ye Chen said to everyone around this place.

"Don't be arrogant you brat." Everyone was angry, they were all angry when they listened to what Ye Chen had just said.

Ye Chen's words were a provocation to everyone in this place, they were not happy with Ye Chen's provoking words.

"How dare he touch my woman" Jing Sanli was furious when he saw Qiao Xin being touched by Ye Chen, he was furious when he found out about this.

Not only was Jing Sanli angry with Ye Chen, almost all the young masters in the Jing Clan were angry with Ye Chen, they were all displeased with Ye Chen being liked by Qiao Xin.

"let go of me" Qiao Xin told Ye Chen to let her go.

"Do you think I will let you go after you make trouble for me" Ye Chen said to Qiao Xin.

" who are you?" Qiao Xin asked Ye Chen herself to ask who the real Ye Chen was.

"I am the one who will take you" Ye Chen said to Qiao Xin, Ye Chen told that he would take Qiao Xin away from this place.

" what did you say?" Qiao Xin did not expect that Ye Chen would say such a thing.

Qiao Xin still didn't know who this man was, this man was very mysterious and hard to guess.

"Quickly release her right now" Jing Sanli came forward, he told Ye Chen to release Qiao Xin.

"Who are you, how dare you order me" Ye Chen said to the man in front of him.

"My name is Jing Sanli, I am the young master of the Jing Clan, and Miss Qiao is my future wife" Jing Sanli said to Ye Chen.

"Hahaha, are you dreaming?" Ye Chen laughed at Jing Sanli, this man was probably dreaming and hallucinating.

Jing Sanli was getting annoyed, he was getting annoyed when she heard what Ye Chen said.

"I will kill you" Jing Sanli couldn't stand it, he couldn't stand it and wanted to kill Ye Chen.

"Then what, should I be gentle with my enemy?" Ye Chen said with a sneer.

This was one of the reasons why Ye Chen hated big clans, they always bullied small people like Ye Chen.
