

### **Chapter 1841 Jing Clan is in serious trouble**

"Of course, this is the young master of the Jing Clan, you must give some face" the Jing Clan member said to Ye Chen.

"Don't bother with that" Ye Chen didn't care, he felt like he had no work to do when he gave face to his enemy.

Ye Chen is a very simple person, as long as the other side gives face, then Ye Chen will give it to them.

"this bastard" everyone in the Jing Clan was furious, they were all angry with Ye Chen, Ye Chen challenging the Shin Clan in public this made all the Jing Clan members feel irritated by what happened.

"let's not just sit still and beat him" all the men in this place supported the Jing Clan, they wanted the Jing Clan to exterminate Ye Chen.

Ye Chen was very calm, he was very calm when faced with the angry mob's fury against him.

"Come on, I'll show you all the strength I have" Ye Chen told everyone to come forward, he told everyone to come forward and face him.

"Let's attack him" Ye Chen's words made a provocation, Ye Chen provoked everyone in this place.

Ye Chen was alone, so fighting Ye Chen was an extremely easy thing to do.

Qiao Xin had gotten Ye Chen into trouble, she had trapped Ye Chen in a sea of angry people.

Ye Chen only smiled when he saw what the people in this place were doing.

"Get lost all of you" Ye Chen swung his arm, with just one swing Ye Chen flew all those who wanted to attack him.

"what ?" everyone was shocked by what Ye Chen did, they all looked very surprised by what Ye Chen did.

Contrary to what everyone thought, Ye Chen became a very strong man, he became a person with high cultivation.

"okay, let's go" Ye Chen took Qiao Xin to leave, this is the right time to go.

"Ehh" Qiao Xin didn't expect that this man would take her away, this was beyond Qiao Xin's thinking.

"Stop, do you think you can escape after making a mess at my place" Jing Mazun and a few elders from Jing Clan came out, they came out and blocked Ye Chen's way.

"Get out of the way" Ye Chen told everyone to get out of the way.

"He is the leader of the Jing Clan, you will find it difficult to fight him." Qiao Xin told Ye Chen about the man in front of her.

"Do you think I care if he is the leader of the Jing Clan" Ye Chen said to Qiao Xin.

Ye Chen didn't care if this man was the leader of the Jing Clan, all he was thinking about now was taking Qiao Xin away from this place.

"I don't know who you are, but you have caused chaos in my place, so I won't let you go" Jing Mazun said to Ye Chen.

"Are you sure?" Ye Chen said to Jing Mazun.

Ye Chen gave a warning to Jing Mazun, he gave a warning to Jing Mazun that nothing would be good if he continued to be in this place.

"Of course, you will get into trouble for daring to seek trouble with the Jing Clan, cripple him." Jing Mazun ordered the two people behind him to cripple Ye Chen.

"Good" the two elders behind went towards Ye Chen, they went and attacked Ye Chen.

"Be careful I will help you" Qiao Xin said to Ye Chen, Qiao Xin wants to help Ye Chen, she will help Ye Chen solve this problem.

"You don't need to interfere" Ye Chen told Qiao Xin not to interfere.

Ye Chen had the Clone he made against the elder of the Jing Clan.

Ye Chen's clone appeared, the clone appeared and fought the elder.

"what happened" the elders looked at the clone that Ye Chen made, they saw a figure with a mask.

"Who else are you?" Jing Mazun asked the person who had just arrived, he asked the person who had just arrived at this place.

Clone Ye Chen couldn't speak, he just kept quiet and didn't say anything to Jing Mazun.

"Damn, trying to ignore me, quickly kill this person." Jing Mazun ordered the elder in front of him to kill the person who had just arrived.

"okay" the elders of the Jing Clan came forward, they fought the Clone created by Ye Chen.

Ye Chen's clone moved, he made a powerful attack towards the elder of the Jing Clan.

The clone that Ye Chen made using DESOLATE PALMS, after using this, Ye Chen's clone should disappear.

DESOLATE PALMS was an extremely powerful technique, it was a technique that required a great deal of profound energy.

The sky darkened, an enormous palm appeared, this huge palm appeared and covered the entire sky above.

"This" Jing Mazun looked up at the sky, he saw that above the sky the clouds were very black and dense.

The huge palm with an ancient aura made Jing Mazun feel scared.

"Whose power is this?" Jing Mazun started to wonder, he wanted to know whose strength this was, why this power was so terrifying.

"Let's get out of this place" Ye Chen took this opportunity to escape, Jing Mazun would definitely be busy to resist this attack.

If Jing Mazun did not withstand this attack, then it was certain that the Jing Clan would suffer an abyss.

Jing Mazun saw that Ye Chen had run away with Qiao Xin.

Jing Mazun wanted to chase after Ye Chen, but if he didn't fend off this attack, then part of the Jing Clan would be destroyed by this attack.

It would be a loss for the Jing Clan if this place were to be destroyed, which was why Jing Mazun had to fend off Ye Chen's attack.

Instead of chasing after Ye Chen and losing a lot of resources, Jing Mazun chose to save the Jing Clan.

DESOLATE PALMS descended downwards, the speed of DESOLATE PALMS was getting faster and it was about to hit the Jing Clan.

"activate the barrier" Jing Mazun activated the barrier owned by the Jing Clan, himself activating the barrier to withstand the impact of the DESOLATE PALMS attack.

The Jing Clan was a big Clan, they naturally had a huge Array that would protect them from bad situations.

"Boom" a huge explosion occurred as DESOLATE PALMS hit the Jing Clan's array.

"Crack. . . ." a shrill voice was heard, this voice was so loud that it made anyone who heard it feel sick.

Rumbles and earthquakes began to occur and shook the entire city.

" what happened?" the people in the city could immediately feel the earthquake and the terrible sound of explosions.

"Look it's from the Jing Clan." Everyone pointed at the Jing Clan, they all saw that the explosion just now came from the Jing Clan.

DESOLATE PALMS is huge, of course everyone can see it quite clearly.

"There was a battle in the Jing Clan" Everyone immediately knew what had happened, they all knew that the Di Jing Clan was having a battle.

The Jing Clan had to activate their protective Array, naturally this was a dangerous situation.

The Jing Clan Array began to wobble and tremble, the power of the DESOLATE PALMS was strong enough that the Jing Clan Array could not withstand it.

"Who exactly is that person?" Jing Mazun became more and more curious about the identity of the person who had just appeared, the strength of this person was able to destroy the Jing Clan's powerful Array.

"Clan head, if it continues like this then our defenses will be crushed" People started to report that their Arrays started to falter upon receiving DESOLATE PALMS.

### **Chapter 1842 managed to bring Qiao Xin to safety**

"It turns out that the power of this attack is much stronger than I imagined." Jing Mazun didn't expect that Ye Chen's attack would be so powerful, Ye Chen's attack was very strong and had a very strong destructive power.

"I'll stop it" as Array seemed to be starting to falter, Jing Mazun would step up and stop Ye Chen's attack.

"Great King Knife Flame" Jing Mazun used an extremely powerful ability, himself using the strongest technique to stop DESOLATE PALMS.

Jing Mazun knew that he would not be able to stop this by normal means, so he used this technique to stop DESOLATE PALMS.

"Boom" An explosion occurred, the huge blade of fire crashed into DESOLATE PALMS and made a huge explosion in the sky.

This huge explosion covered the city, countless buildings and various walls near the Jing Clan had to be destroyed by the impact of the huge explosion.

"Cough. . ." Jing Mazun backed away, he coughed a few times after trying to withstand the attacks from DESOLATE PALMS.

"much stronger" Jing Mazun felt that the power of DESOLATE PALMS was very strong and made him choke.

Luckily the attack just now was issued by Ye Chen's Clone, if Ye Chen was alone, then it would not be easy for Jing Mazun.

After dealing with the commotion, Jing Mazun immediately looked for Ye Chen's whereabouts, he immediately looked for the whereabouts of Ye Chen who was out there.

"Hurry and find that person" Jing Mazun told everyone to look for Ye Chen's whereabouts, he told everyone to look for Ye Chen's whereabouts.

All the Jing Clan members left, they were looking for the whereabouts of Ye Chen who had already left the Jing Clan.

Ye Chen went to the nearest town, Hu Yinan followed behind Ye Chen and made sure Ye Chen didn't leave a trace.

Qiao Xin just kept quiet, she kept an eye on who the man who had just saved her was.

Ye Chen took Qiao Xin to a small village far from the city, they would be safer staying in a secluded place for the time being.

Ye Chen rented a house, he did this and had planned this from the start.

Ye Chen brought Qiao Xin in, himself threw Qiao Xin on the bed.

"You are a troublesome woman" Ye Chen said to Qiao Xin, Qiao Xin had made Ye Chen feel troubled, she had made Ye Chen feel troubled with what he was doing.

"What would you do?" Qiao Xin said to Ye Chen, Qiao Xin asked Ye Chen.

"Moreover" Ye Chen smiled at Qiao Xin, he smiled as he looked at Qiao Xin in front of him.

Qiao Xin quickly covered her body, she felt a fiery gaze from Ye Chen.

"Don't look at me with that look" Qiao Xin told Ye Chen not to look at her with that look.

"What, are you embarrassed" Ye Chen said to Qiao Xin, Ye Chen saw that Qiao Xin was ashamed of herself.

"Of course" Qiao Xin said to Ye Chen, Qiao Xin was indeed embarrassed, she was indeed embarrassed when she faced Ye Chen.

Ye Chen revealed his true appearance, showing who he was to Qiao Xin.

"Ehhh! !" Qiao Xin looked surprised when she saw the real Ye Chen, she was quite surprised when she saw who the real Ye Chen was.

"Ye Chen, it's you?" Qiao Xin said to Ye Chen, Qiao Xin didn't expect it to be Ye Chen.

"What's wrong?, Are you surprised to find out that it's me" Ye Chen said to Qiao Xin.

"Of course" Qiao Xin nodded, she was indeed surprised to find out that the person who had saved her was Ye Chen.

"Even though I went to great lengths to come up with a plan to save you, you ended up ruining it yourself" Ye Chen said to Qiao Xin.

Ye Chen's plan was in vain, he instead caused a huge mess and angered the Jing Clan.

"I'm sorry, I didn't know" Qiao Xin lowered her head, she didn't know that Ye Chen was trying to save her.

If only Qiao Xin knew about this, she would definitely cooperate with Ye Chen.

Too bad Qiao Xin didn't know about this matter, she didn't know about Ye Chen's plan to save her.

"Then I'll ask for a gift instead" Ye Chen climbed onto the bed, climbed onto the bed and started to hug Qiao Xin.

"What are you doing?" Qiao Xin asked Ye Chen, she asked what Ye Chen was trying to do.

"I want you" Ye Chen said to Qiao Xin, Ye Chen told that he wanted Qiao Xin.

"why suddenly" Qiao Xin was surprised by Ye Chen's confession, Ye Chen was too sudden and made Qiao Xin feel shocked.

"What's the matter, don't you want to?" Ye Chen asked Qiao Xin.

"It's not like that, it's just that you're in too much of a hurry" Qiao Xin said to Ye Chen.

"I don't want you to be in trouble like before, that's why I want you right now." Ye Chen saw that Qiao Xin continued to be in trouble, that's why he decided to get Qiao Xin instead.

"Wait a minute" Qiao Xin wasn't ready, she wasn't ready for Ye Chen's sudden confession like this.

Ye Chen ignored Qiao Xin's refusal, he immediately kissed Qiao Xin who was in front of him.

"umm" Qiao Xin couldn't resist, all her resistance and resistance wouldn't work on Ye Chen.

"Why can't I refuse this man?" Qiao Xin couldn't refuse Ye Chen, somehow Qiao Xin couldn't refuse Ye Chen's request.

Qiao Xin felt like she was being enchanted by Ye Chen, this made it difficult or even impossible for Qiao Xin to resist Ye Chen.

"This is very delicious" The kiss that was shared with Ye Chen was very delicious, Qiao Xin liked the kiss given by Ye Chen.

Since the early debut of the hidden relationship she had with Ye Chen, Qiao Xin became much more passionate, sometimes she often dreamed of Ye Chen and had sex with Ye Chen.

It was most likely because Qiao Xin liked Ye Chen, it made her mind always filled with Ye Chen and Ye Chen.

Qiao Xin started to follow Ye Chen's play, she followed Ye Chen's moves.

since Qiao Xin already had a lot of knowledge on male and female matters, Ye Chen didn't need to teach her.

Qiao Xin just needed practice, she just needed to practice and start developing her own abilities together with Ye Chen.

"Chu. . ., Chu. . ., Chu. . ., Chu. . . ." Qiao Xin started to be aggressive, she started to be aggressive and kissed Ye Chen passionately.

Seeing Qiao Xin getting wilder, Ye Chen decided to match Qiao Xin, he balanced Qiao Xin's strength with her own abilities.

Ye Chen would show Qiao Xin that he had the ability, he would show what kind of strength and ability he had.

"Ahhh. . ." Qiao Xin had an amazing pleasure, she felt happy and very comfortable with this kiss.

After a few minutes of kissing, Ye Chen started to take off Qiao Xin's clothes.

" Wait . . . ." Qiao Xin tried to stop Ye Chen.

"No need to be shy anymore" Ye Chen said to Qiao Xin, Ye Chen tried to persuade the timid Qiao Xin.

### **Chapter 1843 Qiao Xin help Ye Chen's little brother (1)**

With a little persuasion from Ye Chen, Qiao Xin was finally willing to open up, herself opening her up in front of Ye Chen.

Ye Chen took off the beautiful gown that Qiao Xin was wearing, he opened one by one, Ye Chen was like disarming a small enemy.

Qiao Xin could only accept Ye Chen's treatment, she didn't put up any resistance when Ye Chen stripped her clothes off.

Ye Chen chewed on Qiao Xin's body one by one, enjoying every inch of the beautiful skin on Qiao Xin's body.

To be honest, Qiao Xin was very embarrassed, she was very ashamed of what Ye Chen had done.

"This is embarrassing" Qiao Xin was very embarrassed, was it because she was with the person she liked that Qiao Xin felt embarrassed.

Qiao Xin was rarely shy, as a public figure, she shouldn't be shy when dealing with someone.

But when she faced Ye Chen, Qiao Xin felt very embarrassed, she was embarrassed when she faced Ye Chen.

The charm of Ye Chen's gaze made Qiao Xin feel embarrassed, Ye Chen's gaze was different from others

"Don't look at me like that" Qiao Xin told Ye Chen not to look at her like that.

"what's wrong?, don't you like it?" Ye Chen asked Qiao Xin.

Ye Chen asked Qiao Xin if Qiao Xin didn't like him.

"No it's not like that, it's just that it's embarrassing" Qiao Xin said to Ye Chen, her telling that it was embarrassing.

"You have to be more honest, why don't you just be more aggressive" Ye Chen said to Qiao Xin, Ye Chen told Qiao Xin to be more aggressive, he told Qiao Xin to be even more aggressive.

"Do you like women like that?" Qiao Xin asked Ye Chen.

"Of course, didn't you ever teach Jingyi about this matter, why are you embarrassed yourself?" Ye Chen asked Qiao Xin.

"I don't know, maybe I'm still not comfortable with Jingyi" Qiao Xin probably was still embarrassed because Ye Chen was Li Jingyi's husband.

Qiao Xin felt herself grabbing Ye Chen and Li Jingyi.

"You are still thinking about the matter, you don't have to worry about it, Qiao Xin can definitely accept this" Ye Chen said to Qiao Xin, he believed Li Jingyi would not be angry with this.

"Are you sure?" Qiao Xin asked Ye Chen, Qiao Xin wasn't sure about this matter, whether Li Jingyi would be angry or not.

The feeling of having intercourse from behind was pleasant, but Qiao Xin was still thinking about the risk of being discovered one day.

"Of course, he might even know already" Ye Chen said to Qiao Xin.

Ye Chen told that Li Jingyi had known about this matter for a long time, only that Qiao Xin didn't notice.

"So it's true that she already knows what happened" Qiao Xin had sensed it, she had long felt that Li Jingyi already knew of her relationship with Ye Chen.

"So there's no need to hesitate and be guilty anymore" Ye Chen said to Qiao Xin.

"Who's at fault, I actually feel sorry for myself for falling for a man like you, you have so many women, how do you make me happy?" Qiao Xin asked Ye Chen.

Ye Chen had so many women, Qiao Xin's question was how Ye Chen could make her happy.

"You don't have to worry, I will do my best to make you happy." Ye Chen would make Qiao Xin happy, he would give her the best that Qiao Xin would never get.

"What's that?" Qiao Xin asked Ye Chen, it seemed that Qiao Xin still didn't realize what Ye Chen meant.

"Of course this is what I mean." Ye Chen took out his thing, he took out his big thing in front of Qiao Xin.

"Very huge" Qiao Xin covered her mouth, she covered her mouth when she saw Ye Chen's little brother.

"Stupid, why would you bring out such a thing" Qiao Xin immediately turned her head away, she saw Ye Chen's huge one.

Ye Chen did have something big down there, its size was way above normal men.

This was one of the weapons that Li Jingyi was often proud of, Li Jingyi had often boasted of this to Qiao Xin.

"Are you embarrassed or surprised?" Ye Chen asked Qiao Xin, himself asking if Qiao Xin was surprised or embarrassed.

"I don't know" Qiao Xin refused to comment, she couldn't comment when she saw Ye Chen's extraordinary possession.

"Don't you want to try it" Ye Chen said to Qiao Xin, he told Qiao Xin to try it.

Hearing this, Qiao Xin felt itchy, she felt itchy and wanted to touch Ye Chen's.

Qiao Xin glanced occasionally, she glanced at Ye Chen's large object, even though she had seen it before, Qiao Xin was still quite surprised by Ye Chen's size.

"Could it still be bigger?" Qiao Xin wanted to know if it could be even bigger than this, if it could then it would be an amazing thing.

Whether it would fit hers, Qiao Xin slightly doubted such a big thing would possibly be very difficult to fit into her.

"Jingyi said that it is very convenient, is it really that good?" Qiao Xin wanted to try it, she felt that she really, really wanted to try it.

Qiao Xin works in a brothel and often hears things like this, she often sees people doing fun things in the room, even if she doesn't see it in person, the voices of women and men inside the room are loud enough to be heard from outside, that should prove if this is fun.

"Alright, I'll try to be even more daring" since the situation had become like this, there was no way for Qiao Xin to turn back.

Qiao Xin was holding Ye Chen's big thing, because she was too nervous, she gripped Ye Chen's thing quite firmly.

"ouch. . ." Ye Chen felt pain when Qiao Xin gripped hers, to be honest Qiao Xin did it quite strongly and injured Ye Chen's little brother.

"I'm sorry, I was too nervous ." Qiao Xin apologized to Ye Chen.

"It's okay, please be more gentle" Ye Chen told Qiao Xin to be more gentle, it would be dangerous if Qiao Xin ruined Ye Chen's future.

Qiao Xin's hand felt very soft, inside the softness of Qiao Xin's hand, it turned out to hold a power that could make Ye Chen's little brother experience bad things.

"Okay, I'll do it" Qiao Xin nodded, she would be even more gentle with Ye Chen.

Qiao Xin started to be more gentle, she treated Ye Chen even better.

This time Qiao Xin was gentler in touching Ye Chen's, she was gentler in touching Ye Chen's.

"This feels very comfortable." Qiao Xin's technique was good, she had very good hand technique.

Ye Chen liked it, Qiao Xin started to learn to be much better, now Ye Chen got a very good feeling.

"How, is this comfortable?" Qiao Xin asked Ye Chen, Qiao Xin asked Ye Chen, she asked if it was convenient

"Of course, your skills are very comfortable." Ye Chen said to Qiao Xin, admitting Ye Chen's ability.

"Then I will make you more comfortable." Qiao Xin said that she would make Ye Chen more comfortable, she had the ability to make Ye Chen feel more comfortable.

Qiao Xin was Li Jingyi's teacher, she naturally had abilities comparable to Li Jingyi's.

## Chapter 1844 Qiao Xin help Ye Chen's little brother (2)

Qiao Xin started to show her abilities, it turns out that Qiao Xin's abilities are still below Li Jingyi.

Ye Chen could tell the reason why Qiao Xin's abilities were below Li Jingyi's, it was because Qiao Xin had not yet developed her skill.

If Qiao Xin was able to develop her own abilities, then she would become extremely powerful, she would become a woman who could make Ye Chen feel happy.

"Your skills are quite good" Ye Chen said to Qiao Xin, he told Qiao Xin that she has a very good ability.

"Is that so" Qiao Xin was quite happy when she heard this, she was happy when she received Ye Chen's compliment.

Ye Chen's praise was very good, Qiao Xin felt very happy with Ye Chen's praise, she felt like she was in the sky when she received Ye Chen's compliment.

"Baby can you give me a favor using this" Ye Chen grabbed Qiao Xin's chin, he made a bold request.

"You mean" Qiao Xin said to Ye Chen, Qiao Xin was quite surprised by Ye Chen's courage to ask her to do that.

"Aren't you good enough at playing the flute, you should have a good ability at this" Ye Chen said to Qiao Xin.

"what are you saying, you are such a pervert" Qiao Xin was embarrassed, Ye Chen told her to do something like that.

"Come on" Ye Chen said to Qiao Xin, pleading with Qiao Xin.

Ye Chen pleaded with a pitiful face, he wanted Qiao Xin to accept his request.

"Emmmm" Qiao Xin thought about Ye Chen's request, she was a little confused about what to do with Ye Chen's strange request.

Qiao Xin naturally had knowledge of this from Li Jingyi, so Qiao Xin should be able to do what Ye Chen wanted.

"You are demanding too much" said Qiao Xin in a dissatisfied tone.

Ye Chen's request was too much, he was asking too much of Qiao Xin.

"Come on" Ye Chen kept asking Qiao Xin.

Hearing Ye Chen's constant pleas, Qiao Xin finally couldn't stand it and gave Ye Chen what he asked for.

Qiao Xin held Ye Chen's like a flute, she started to help Ye Chen and blew it.

"Wow" Ye Chen felt a strange feeling, he felt a strange feeling from Qiao Xin.

Even though it was only tricked and licked a few times, Ye Chen felt that it was very convenient, Qiao Xin's ability should be developed by Ye Chen immediately.

Qiao Xin did her best, she helped Ye Chen by using her hands as well as her mouth.

"What is this, why does it feel so comfortable?" Qiao Xin was satisfied, she was satisfied when she played with the object in front of her.

"This thing is even bigger and longer than the flute I have." Qiao Xin realized that Ye Chen had something big down here, its size wasn't normal at all.

Despite having something big, in fact Qiao Xin wasn't afraid of Ye Chen's, instead she was excited when she saw Ye Chen keep something like this.

"more stronger" Ye Chen told Qiao Xin to be even stronger, he wanted more from Qiao Xin.

With Ye Chen's request, Qiao Xin immediately ate Ye Chen's big thing.

"Jubo . ., Jubo . ., Jubo . ., Jubo . ., Jubo . . ." Qiao Xin tried to study better, herself trying to put her knowledge into practice.

"Oh. . ." Ye Chen likes, he likes this, Ye Chen feels Qiao Xin's mouth is very soft and makes Ye Chen happy.

Qiao Xin sucked in strongly, this made Ye Chen quickly attain pleasure.

Qiao Xin did the service for Ye Chen, 25 minutes had passed when Qiao Xin did this.

"This doesn't make sense, why is it still so strong?" Qiao Xin felt that Ye Chen was not normal.

Qiao Xin was tired enough, she was already very tired of helping Ye Chen.

"What's the matter, have you given up?" Ye Chen asked Qiao Xin, Ye Chen said in a disappointed tone.

"I'm not done yet" hearing Ye Chen's words, Qiao Xin got excited again.

Qiao Xin would not lose to Ye Chen, she would not accept defeat to Ye Chen.

If Jingyi is able to do this, then I should be able to too" Since Li Jingyi was able to handle Ye Chen's big thing, then Qiao Xin should be able to do it too.

Qiao Xin got her spirit back, she got the spirit to fight Ye Chen.

Qiao Xin's movements became more aggressive, she started giving Ye Chen even more aggressive mouth service.

While doing this, Qiao Xin's face looked so lewd , she looked so lewd with that face.

"That's amazing" Ye Chen felt pressured, this time Qiao Xin put up a very aggressive fight.

"You don't have to endure it." Qiao Xin could feel that Ye Chen was already unable to resist, she had already discovered Ye Chen's weakness.

Qiao Xin naturally knew a man's weak point, that's why she attacked Ye Chen's weak point and made Ye Chen feel comfortable.

Ye Chen did not expect that Qiao Xin would do this, this woman was far more powerful than Ye Chen imagined.

As a beginner, Qiao Xin's abilities were already very high, she had great abilities and techniques as a beginner.

As long as Qiao Xin could improve herself, then everything should be for the better.

Ye Chen held Qiao Xin's head, he started to help Qiao Xin and quickened the movement.

With Ye Chen's help and coercion, Qiao Xin was forced to speed up her movements, she went back and forth quickly and made Ye Chen more comfortable.

"I can't stand it" Ye Chen was already unable, Qiao Xin made Ye Chen feel comfortable.

"ummm" Qiao Xin had to accept Ye Chen's burden, an unreasonable amount of Yang Qi came out and filled Qiao Xin's mouth.

Qiao Xin couldn't move, her head was being held by Ye Chen and she could only accept this.

"Glup. . ." Qiao Xin accepted everything, herself accepted everything Ye Chen gave her.

"This thing is a little strange, but it feels taste." Yang Qi's essence was indeed a little strange, even so the taste was very good.

This was the best thing Qiao Xin had ever tasted, she liked this and asked for more from Ye Chen.

Qiao Xin helped clean up Ye Chen's little brother.

"Okay it's done" Qiao Xin was relieved, she had finished the request given by Ye Chen.

"what are you saying" Ye Chen said to Qiao Xin "this is still early, the real battle is still about to start.

"Why did it rise again?" Qiao Xin asked Ye Chen, why did Ye Chen get up so quickly.

Qiao Xin heard that men would be tired after going out, they would usually rest after reaching pleasure.

"It's because I'm still not enough." Ye Chen said that he wasn't enough, Ye Chen wasn't satisfied with what happened.

"Impossible" Qiao Xin did not expect that Ye Chen would become this strong.

"Let's start to be more intimate" Ye Chen held Qiao Xin, he helped Qiao Xin with his own hand.

"no . . ." Qiao Xin shouted, she felt an incredible feeling from Ye Chen's touch.

Qiao Xin's lower body was already wet enough, Ye Chen should be able to start.

"Let's get started, my dear wife" Ye Chen said to Qiao Xin.

## Chapter 1845 Ye Chen & Qiao Xin

Ye Chen lifted Qiao Xin's body, he was ready to get Qiao Xin.

"What would you do?" Qiao Xin asked Ye Chen, she asked what Ye Chen would do.

"I will eat you" Ye Chen said to Qiao Xin, he wanted to eat Qiao Xin.

Qiao Xin of course knew what Ye Chen was talking about, Ye Chen wanted to gain control over her.

"Please be gentler" Qiao Xin asked Ye Chen to be gentler, she asked because Ye Chen's was too big.

Qiao Xin didn't know if she could withstand Ye Chen's big thing, in terms of the size of Ye Chen's thing, it was very large.

Qiao Xin doubted it was able to match her, otherwise it might kill her.

Ye Chen would definitely smile if he heard what Qiao Xin said, what Qiao Xin said was very funny.

Ye Chen used his big thing, he was ready to hit Qiao Xin's.

Qiao Xin closed her eyes, preparing for the worst that could happen to her.

Ye Chen's thing started to drill into Qiao Xin's honey cave, when this big thing came in, Qiao Xin felt a pain.

"Ahhh, it hurts" Qiao Xin didn't expect it to hurt so much, was it because Ye Chen's was too big to make Qiao Xin feel so much pain.

"This will be over soon, hold on" Ye Chen told Qiao Xin to hold on, soon she would definitely feel at ease.

Qiao Xin tried to do what Ye Chen said, even though she tried to do what Ye Chen said, in fact Qiao Xin still couldn't endure this pain.

In order not to inflict enough pain, Ye Chen immediately accelerated with one move.

"Ouch" Qiao Xin felt torn apart, Ye Chen's was too terrifying.

Qiao Xin tried to contain herself, she didn't cry, Qiao Xin just endured this pain.

Qiao Xin's pain did not last long, in just a short time the pain was gone and Qiao Xin no longer felt a pain.

"How?" Ye Chen asked Qiao Xin, he asked if Qiao Xin was not sick.

"I'm fine, you can move" Qiao Xin said to Ye Chen, Qiao Xin was feeling better, she was feeling better and wanted to immediately get pleasure from Ye Chen.

"Then I'll start" since Qiao Xin was feeling better, it was time for Ye Chen to start.

Ye Chen no longer held back, he used the best skills he had.

Ye Chen moved at a normal speed, him to look for Qiao Xin's sensitive spot.

"Ahhh, what is this?" Qiao Xin couldn't help her voice, this feeling was very comfortable.

"Do you like it?" Ye Chen asked Qiao Xin, Ye Chen wanted to know Qiao Xin's feelings.

"This is great, this feeling is really comfortable and good." Qiao Xin said that it felt very comfortable and good.

"You will definitely get better things" Ye Chen said that Qiao Xin would get even better things.

"Husband please more, I want to feel something greater than this" Qiao Xin asked for more, she already liked the feeling that Ye Chen gave.

"Then" Ye Chen quickened his movement, he didn't hold back and started to drill into Qiao Xin's interior.

Every time Ye Chen reached the deepest part, Qiao Xin would feel something amazing, she quickly reached the pinnacle of happiness.

"Ahhh. . ." Qiao Xin's voice leaked out, it was quite loud, Qiao Xin didn't limit her voice, she didn't limit her voice leaking out.

.  
.

A few hours later, Qiao Xin was already starting to feel helpless, it seemed like she needed a little rest.

"He's too strong, it's been a few hours since we started" Qiao Xin looked surprised at Ye Chen's abilities, she looked very surprised at Ye Chen's very strong abilities.

It was not strange that Qiao Xin found it difficult, it turned out that Ye Chen's abilities were too terrible.

If Qiao Xin didn't get strong training, maybe she would have been knocked down by Ye Chen long ago.

"Husband, can we rest?" Qiao Xin asked Ye Chen, she asked Ye Chen to rest for a while.

"I'm still not enough" Ye Chen refused, he still wasn't enough.

" what ! ! !" Qiao Xin was quite surprised when she saw Ye Chen who was still not enough.

"You really aren't normal." Qiao Xin said that Ye Chen wasn't normal how Ye Chen had such strong strength, it was completely unreasonable.

"Many people say that" Ye Chen continued, he continued to do Qiao Xin with all his heart.

Qiao Xin was only able to defend, she couldn't put up a fight against Ye Chen, all Qiao Xin could do was defend.

After a few more hours, Ye Chen finally took out his Essence.

Qiao Xin felt very warm, she felt that the body was warmed by Yang Qi Ye Chen.

"Oh, it's so warm." Qiao Xin felt calm, this warmth was very good.

Ye Chen turned Qiao Xin's body, and now Qiao Xin was facing the back.

"What do you want?" Qiao Xin asked Ye Chen, she asked what Ye Chen wanted to do.

Qiao Xin felt bad about this, herself felt bad about this.

"It's still early, let's do this until morning" Ye Chen said to Qiao Xin.

" Noooooooooooo . ." Qiao Xin tried to refuse, she refused Ye Chen's invitation.

Ye Chen didn't let Qiao Xin escape, he would train Qiao Xin to adapt to her abilities.

Qiao Xin served Ye Chen for several hours, she was really very tired.

"Uh, my back" Qiao Xin felt her back quite stiff, it seemed like Ye Chen's rough movement made her body feel sore.

"That was so much fun" Ye Chen said to Qiao Xin, he said that earlier it was really fun.

"What fun, you almost killed me" Qiao Xin said to Ye Chen, Ye Chen almost killed himself, what Ye Chen did almost got Qiao Xin killed.

"Hahaha, didn't you like it earlier, you screamed so loud and wanted more" Ye Chen said to Qiao Xin.

Ye Chen said what happened earlier, Qiao Xin turned out to be quite wild while playing together with Ye Chen.

"It was just a spontaneous reaction," said Qiao Xin with a slightly red face.

Qiao Xin was embarrassed, she became a naughty woman while doing Dual Cultivation with Ye Chen.

"It's all her fault, she did so well, I can't stand it" Qiao Xin blamed Ye Chen, Ye Chen had done something that Qiao Xin couldn't stand.

Last night was so great, Qiao Xin will not forget this beautiful night and will engrave it in her memory.

Qiao Xin rested, she used Ye Chen's arm to lean on, Qiao Xin looked very peaceful when she leaned against Ye Chen.

"master" while Ye Chen and Qiao Xin were resting and enjoying their free time.

Hu Yinan suddenly came and disturbed the peaceful moment of the two of them.,

This immediately made Qiao Xin cover her body, she didn't let Hu Yinan see anything embarrassing.

"Jing Clan people are chasing, they should find our whereabouts" Hu Yinan told Ye Chen that Jing Clan sent assassination squad to chase Qiao Xin and Ye Chen.

"they move too fast" Ye Chen saw that the Jing Clan was moving quite fast

## Chapter 1846 Set fire to the Jing Clan building

The Jing Clan had already started to move, which meant that they would soon discover the whereabouts of Ye Chen.

Ye Chen was quite confident in his abilities, the problem was that the opponent was an equally powerful assassination syndicate, so they would sooner or later discover Ye Chen's whereabouts.

"Sooner or later they will find our whereabouts." Qiao Xin said that the Jing Clan would definitely find out about them.

"That's right, we don't have much time." Ye Chen said that if they didn't have much time, the Jing Clan would definitely find out where Ye Chen was.

"Are you going to fight?" Qiao Xin asked Ye Chen whether Ye Chen was going to fight back or not.

"Of course I will fight." Ye Chen couldn't stay silent, he would fight the Jing Clan.

"They have dared to do bad things to my wife, of course I will make them regret it" The Jing Clan had dared to have bad thoughts towards Qiao Xin, so Ye Chen would make them suffer the consequences.

Ye Chen would never let anything bad happen to those closest to him, he would never let the likes of the Jing Clan get hold of Qiao Xin.

"So you will protect me?" Qiao Xin was touched by what Ye Chen said, she was quite touched by Ye Chen's words.

"Of course, I will protect you" Ye Chen said that he would protect Qiao Xin.

"You are very romantic" Qiao Xin said to Ye Chen, Qiao Xin saw that Ye Chen was very romantic.

"You two, stop teasing each other" Hu Yinan told Ye Chen and Qiao Xin to stop teasing each other in front of her, it made Hu Yinan feel uncomfortable and jealous.

"I also want Qiao Xin to notice." Hu Yinan was jealous, she wanted Qiao Xin to pay more attention.

For some reason Hu Yinan felt annoyed when she saw Qiao Xin being so close and intimate with Ye Chen.

Hu Yinan of course listened to what Ye Chen and Qiao Xin were doing, he clearly listened to the intimate relationship that happened last night.

Hu Yinan couldn't calm down when she heard Qiao Xin let out a sweet voice, her heart kept beating fast when she heard Qiao Xin's voice.

Hu Yinan wanted to take a peek, unfortunately Ye Chen didn't allow himself to do that.

"Ah, last night was a regret." Hu Yinan felt sorry, she was quite sorry for not peeking at Qiao Xin and Ye Chen.

"Oh yes, I have a nice gift for you" Ye Chen said to Qiao Xin, he had a good gift for Qiao Xin.

"You have a gift for me, is it a ring?" Qiao Xin said to Ye Chen, Qiao Xin didn't expect that Ye Chen would propose to her so quickly.

"No" Ye Chen said that he would not give it to Qiao Xin.

"Then what" Qiao Xin was immediately disappointed when she heard this, she thought Ye Chen would give a ring as a sign of their relationship.

"This is it" Ye Chen took out a flute for Qiao Xin.

"this?" Qiao Xin was more surprised when she saw the exquisite flute in Ye Chen's hand, the flute in Ye Chen's hand was extremely beautiful.

"This is the Wind Beauty Flute." Ye Chen told Qiao Xin what he had given her.

Ye Chen wanted to give this a long time ago, it was just that time was not in his favor and he rarely saw Qiao Xin.

"Thank you very much" Qiao Xin accepted Wind Beauty Flute, she thanked Ye Chen for giving something good.

"hehe" Ye Chen smiled, he looked happy when he saw Qiao Xin smile.

"Okay you can recover yourself" Ye Chen gave a pill, it will be fast in recovering Qiao Xin.

"Um. . ." Qiao Xin was obedient, she would recover herself as quickly as possible.

"Come with me" Ye Chen invited Hu Yinan, he invited Hu Yinan to go out.

"Master, where are you going?" Hu Yinan asked Ye Chen.

"Come with me already." Ye Chen told Hu Yinan to come with him.

"Okay" Hu Yinan could only obey, he could only obey and follow Ye Chen.

Ye Chen took Hu Yinan to a place, he wanted to see the movements of the Jing Clan.

"We will go and monitor the movements of the Jing Clan." Ye Chen said that he would go and keep an eye on the Jing Clan.

"Okay" Hu Yinan understood, she was going to go and help Ye Chen, the two of them went to see what Jing Clan was up to.

The Jing Clan had already dispatched quite a number of their own, they had already dispatched quite a number of people to look for Ye Chen.

Their job was to kill Ye Chen and bring Qiao Xin back in one piece.

Ye Chen and Hu Yinan had to disguise themselves, if they weren't disguised, they would be easily found.

"There are so many, are they part of the Blood seeker?" Ye Chen asked Hu Yinan.

"Jing Clan seems to be asking Blood seekers for help to find your whereabouts" Hu Yinan told Ye Chen that Jing Clan had Blood seekers to help locate his whereabouts.

"It seems that the Blood Seekers did not pay attention to the warning I gave." Ye Chen saw that the Blood Seeker organization did not pay attention to the warning given by Ye Chen.

"They really didn't care about the warning you gave, it looks like you're going to fight against them" Hu Yinan said to Ye Chen.

"If that's the case, then I have no other choice." Since the situation was like this, Ye Chen had no choice but to fight back.

"Come with me" Ye Chen took Hu Yinan to the Jing Clan, they would cause chaos in the Jing Clan.

"Master, don't tell me you want to." Hu Yinan already knew what Ye Chen was going to do.

"Of course" Ye Chen didn't dodge the question, he said truthfully to Hu Yinan.

Ye Chen used Invisible Body Art, meanwhile Hu Yinan used Invisible Cloaks.

the two of them headed towards the Jing Clan, they were both near the Jing Clan and neither one was aware of Ye Chen's whereabouts.

Ye Chen and Hu Yinan flew and circled the Jing Clan, currently the Jing Clan is on full alert, all the Clan members are outside and making sure that no one enters.

If there is a suspicious person, then Jing Mazun orders to kill that person.

"They are all quite alert" Ye Chen saw that Jing Clan was very alert, it seemed that they were starting to take into account Ye Chen's strength.

"Master, what are you going to do?" Hu Yinan asked Ye Chen.

"what else, let's make a mess" Ye Chen took out Heavenly Silver Flame, he took out the Heavenly Silver Flame and spread it towards the Jing Clan.

The Heavenly Silver Flame was a divine fire, so it spread very quickly.

In just a short time, the Jing Clan was on fire, the Heavenly Silver Flame spreading out very quickly.

"What happened?" Everyone on guard immediately sounded the alarm, they all immediately tried to extinguish the Heavenly Silver Flame.

The Heavenly Silver Flame was a divine fire, extinguishing it would be extremely difficult to do.

"Quickly call Elder" one of the people ordered to call Elder, they will not be able to solve this problem.

They needed help from Elder to solve this problem, that's why they went and looked for Elder's whereabouts.

The Heavenly Silver Flame burned almost of the Jing Clan, in an instant the Jing Clan's territory was covered by the Heavenly Silver Flame.

"Okay, looks like this is enough." Ye Chen felt that if this was enough, Jing Clan would be busy for a while.

### **Chapter 1847 against the Assassin sent by Blood seeker**

"This should keep them busy" with this the Jing Clan will be very busy, they will be very busy dealing with what happened to the Jing Clan.

"Looks like they won't bother you for the time being," Hu Yinan said to Ye Chen.

Ye Chen did something good, Jing Clan would definitely not disturb Ye Chen's song and would focus on repairing the burning Jing Clan.

"Let's go back, we've got what we wanted" Ye Chen had got what he wanted, now he knew what the Jing Clan was planning.

The Jing Clan was looking for and wanting to kill Ye Chen, they wouldn't stay silent when they discovered Ye Chen's whereabouts.

Jing Mazun came out, he looked very angry when he saw what had happened to the Jing Clan Manor.

"what happened, who did this?" Jing Mazun roared, he was like an angry lion and let out a strong roar.

"Clan head, we didn't know, the fire suddenly appeared and spread very quickly" the guards didn't know, they didn't know what had just happened.

The fire spread without them knowing and no suspicious person entered the Jing Clan.

"You guys are useless" Jing Mazun was angry, he killed all the guards who were negligent in their duties.

The guards instantly turned into bones, they were burned to the point of only bones

"Hurry up and help me put out this fire" Jing Mazun ordered people to help him put out the fire.

Jing Mazun knew that this was the Heavenly Silver Flame, it was a very dangerous fire and was not easy to deal with.

Jing Mazun would take some time to extinguish the Heavenly Silver Flame, before the Heavenly Silver Flame, Jing Mazun would not be able to locate Ye Chen's whereabouts.

After everything was over, Jing Mazun would go back to look for Ye Chen, he would immediately look for Ye Chen's whereabouts and would immediately make Ye Chen feel the consequences.

Jing Mazun had already guessed who the person behind all of this was, he was absolutely certain that the person behind all of this was Ye Chen, he was the only person who could do something like this.

Ye Chen and Hu Yinan returned, they had already finished wreaking havoc in the Jing Clan.

"You're back?" Qiao Xin did not expect that Ye Chen would return so quickly.

"of course, we brought soup for you" Ye Chen brought a soup for Qiao Xin, he wanted Qiao Xin to get well soon.

Hu Yinan had an assignment from Ye Chen, Ye Chen told Hu Yinan to go and secure the area around this place.

Hu Yinan should be able to secure this place from the Jing Clan and Blood seekers.

"Thank you very much" Qiao Xin ate the Soup bought by Ye Chen, she was quite voracious in eating the soup that Ye Chen gave her.

Ye Chen accompanied Qiao Xin, he accompanied Qiao Xin and paid more attention to Qiao Xin.

"What's wrong?, why are you looking at me like that?" Qiao Xin asked Ye Chen, when Qiao Xin was eating, she was always seen by Ye Chen.

"What? ??, I'm looking at my beautiful woman" Ye Chen said to Qiao Xin, Ye Chen was looking at Qiao Xin's beauty, he was very interested in Qiao Xin's beauty.

"Don't embarrass me" Qiao Xin blushed, Ye Chen was very good at teasing her.

"You are so cute when you are shy" Ye Chen said to Qiao Xin, Ye Chen saw that Qiao Xin looked very cute when she was shy.

"Don't tease me anymore" Qiao Xin told Ye Chen not to tease her anymore.

"Okay-okay" Ye Chen nodded, he would no longer tease Qiao Xin, it seemed that this was enough to tease Qiao Xin.

"Husband, looks like they found us" While the two were eating, Qiao Xin sensed the presence of several people.

They were most likely from Blood seekers.

"Looks like they are from Blood seekers, Jing Clan should still be busy with their business" Ye Chen estimated that this was an Assassin from Blood seeker.

"They will be much more troublesome than the Jing Clan." Qiao Xin said that Blood Seekers would be more troublesome than the Jing Clan.

"You are right, then I will fight them, you stay here" Ye Chen was about to fight them, he could no longer let Blood Seekers chase him.

Ye Chen took the God Mask, he immediately went out and met the Assassin of the Blood seeker.

Qiao Xin was a little worried about Ye Chen, she was worried about Ye Chen's situation.

"I might have to see" Qiao Xin wanted to see Ye Chen, she wanted to see if Ye Chen was okay or not.

When Ye Chen came out, he saw that there were several dozen people in front of him, all of them wearing face masks to cover their faces.

The average killing power that exists is the 7th level of the Divine Overlord Realm.

"Didn't your leader tell you not to make trouble with me?" Ye Chen came out and said to the Assassin in front of him.

"We have an order to hunt you down, this is the highest order from our leader" Assassin said that this was an order from superiors.

"hahahahaha" so your leader doesn't listen to my words okay, then I will destroy the entire Blood seeker organization.

Since Ye Chen's warning was ignored, now Ye Chen can only destroy the Blood seeker.

"Don't play games, do you think you can do that?" Blood seeker Assassin said to Ye Chen.

"I can do whatever I want" Ye Chen will do it, he will destroy everything that stands in his way.

"Kill him" after hearing Ye Chen's words, the leader of the Assassin group ordered to kill Ye Chen.

All the Assassins came forward, they all advanced towards Ye Chen quickly and wanted to kill Ye Chen.

Ye Chen took out the Black Dragon Sword, he held the sword and started to use it.

"God Master Shadow Sword" Ye Chen used the second move of God Master One Sword.

Ye Chen did hundreds of extremely powerful slashes towards the enemy.

The assassins of the Blood Seekers didn't have time to dodge, they didn't have time to dodge Ye Chen's attack.

They were all cut down by the Black Dragon Sword and fell to the ground.

Dozens of Assassins were quickly defeated by Ye Chen, now only their leader remained.

"Everything is over, it's just you, whether you give up or not" Ye Chen said to the leader of the Assassins.

"Damn" the leader of the Assassin is Ti Ron, he is one of the strongest assassins in Blood Seeker.

Ti Ron didn't expect Ye Chen to kill so quickly, all of the well-trained and strong Assassins were defeated by Ye Chen in a matter of seconds.

"You don't want to give up" Ye Chen asked Ti Ron.

"Give up, there is no surrender in my dictionary" Ti Ron will not give up, for him there is no surrender.

"Very good, then I will beat you" Ye Chen will cripple Ti Ron and seek information from this man.

"Die" Ti Ron took a sickle, he slashed Ye Chen's neck with the sickle.

Ye Chen didn't dodge, he didn't dodge Ti Ron's attack.

Ti Ron's sickle directly hit Ye Chen's neck, when it hit Ye Chen's neck, it shattered into pieces.

"What !!!" Ti Ron was shocked by what happened, how could his weapon be destroyed so easily.

### **Chapter 1848 Jing Clan brings out full power**

Ye Chen held the part that had just been hit by the sickle, the attack just now didn't hurt him.

"Looks like the Earth Reflex armor is working really well." Ye Chen had just used the new ability left behind by the Sage God, this was a technique that would return attacks to his enemies.

"You better give up, it will make it easier for me" Ye Chen told Ti Ron to give up right now.

"I told you that I will not give up" Ti Ron will not give up, he will not give up on Ye Chen.

Assassins are required to always be professional, they will not reveal their identity to outsiders and anyone.

"Humph. . ." Ye Chen sighed, talking to this person was a waste, he still didn't want to listen Ye Chen.

"I will kill you, Snake Poison Palm" Ti Ron used poison technique, he wanted to poison Ye Chen.

Ye Chen didn't dodge the incoming attack, he wanted to see if the Earth Reflex armor could reverse the enemy's attack.

What Ye Chen did was quite risky, although it was very risky Ye Chen still wanted to try it.

"I hope it works." Ye Chen hoped that if it worked, he hoped that the Earth Reflex armor could return the enemy's attack.

"Bam. . ." Ti Ron's attack hit Ye Chen, it hit Ye Chen's body right.

"Hehehehe, this person is very stupid." Ti Ron said that Ye Chen was very stupid, Ye Chen did not dodge an attack that was clearly very dangerous.

"Hmmm, Arghhhh" Ti Ron suddenly felt pain, he was in pain after giving up Ye Chen.

"What happened" Ti Ron didn't know what happened, he didn't know why he was hurt.

"Looks like it worked." Ye Chen saw the success of the Earth Reflex Armor which was successful in repelling Ti Ron's attack.

Ti Ron's body ached, he was hit by his own poison from his own attack.

"Impossible, what's going on?, this doesn't make sense" Ti Ron didn't know what was happening, according to him this was all absurd.

"Looks like you got hit by your own attack" Ye Chen said to Ti Ron.

"What have you done to me?" Ti Ron felt strange towards Ye Chen, how could he be injured when he attacked Ye Chen, it should be Ye Chen who was injured from his attack.

"Hahahaha, how do I know, why don't you ask yourself" Ye Chen told Ti Ron to ask himself.

"Damn it" Ti Ron was annoyed, he was quite annoyed when he listened to what Ye Chen said.

"I have to drink the antidote immediately" Ti Ron took the antidote, he prepared to take the antidote.

"Perfect Steal" Ye Chen took the antidote that was issued by Ti Ron forcibly.

"No way" Ti Ron couldn't believe it, he couldn't believe what had just happened.

"This is impossible, how could he do that" what Ye Chen did was unreasonable, to be more precise, this person's abilities were unreasonable.

"Is this the Mask Hero who is famous for his ability to hide from the great powers that exist in the God Realm" Ti Ron finally knew how strong the Mask Hero was, this man was terrible, all his abilities were absurd.

"Looks like you don't have the antidote anymore, what are you going to do next" Ye Chen said to Ti Ron, now he won't be able to fight Ye Chen anymore considering he got poisoned.

"Just kill me" said Ti Ron to Ye Chen, instead of giving information to Ye Chen, Ti Ron would rather die.

"I will not let you be killed just like that, I need information from you" Ye Chen will not let Ti Ron be killed, he still needs a lot of information from this person.

Ye Chen stretched his hand forward, a blue light appeared and enveloped Ti Ron.

Ti Ron's body instantly froze into ice, now he would no longer be able to commit suicide or fight Ye Chen.

"I will immediately look for what I need, right?" Ye Chen intended to find the information he needed directly from Ti Ron's memory.

That way Ye Chen wouldn't be fooled by this man, Ye Chen could find out who the supreme leader of the Blood seeker was.

Ye Chen took information from Ti Ron, he took everything that Ti Ron knew.

This person turned out to have quite a lot of information, he had a lot of information about Blood seekers.

"Very good" Ye Chen was very satisfied, he was really very satisfied with what he got.

"I just found out that Jing Mazun is one of the higher-ups of the Blood seeker" Ye Chen just found out that Jing Mazun is part of the highest leader in the Blood seeker.

"It's not strange that Blood seekers would lend a helping hand to the Jing Clan, apparently they are one of the most high-ranking people." Ye Chen now understood, he understood everything well.

The Jing Clan turned out to be a member of the Blood Seekers, which meant that Ye Chen had to face the threat.

"Master, there are a lot of people from the Jing Clan coming to this place." Hu Yanan said to Ye Chen, he gave a report to Ye Chen when the Jing Clan came.

"Just let them come" Ye Chen said to Hu Yinan, it just so happened that Ye Chen wanted to fight them.

"But there are too many of them" Hu Yinan said to Ye Chen, the Jing Clan's number is very large, this is much bigger than Hu Yinan's data.

"It's good if they all come, it will make it easier for me" Ye Chen was actually happy when he heard this news, this way Ye Chen didn't have to bother anymore to find the whereabouts of the Jing Clan.

"There he is, we found him." A moment later, the Jing Clan troops came, they all came and surrounded Ye Chen.

Jing Mazun and Jing Sanli led the troops, they surrounded Ye Chen and prepared to fight Ye Chen.

"Finally I found you" Jing Mazun looked happy that he had found Ye Chen's whereabouts.

"It was also a coincidence for me, I managed to find you guys." This was also a coincidence for Ye Chen, Ye Chen had managed to find the whereabouts of the Jing Clan, with this Ye Chen didn't have to bother to find the Jing Clan.

"You will suffer the consequences" Jing Sanli said to Ye Chen, he would suffer the consequences for daring to destroy the Jing Clan and take his woman.

"Let's see who will be destroyed." Ye Chen released his profound energy, he released his own profound energy.

Ye Chen didn't need to hold himself back anymore, he used Heavenly Silver Flame and showed it to everyone.

"It turned out to be the culprit" everyone finally came to their senses and found out that Ye Chen was the culprit who had destroyed the Jing Clan.

"You have burned Jing Clan, you will pay with your life" Jing Mazun said to Ye Chen.

"You guys will pay for it for daring to get into trouble with me, you are members of the Blood Seekers, then you will suffer the consequences for challenging me." Ye Chen used Heavenly Silver Flame, himself attacked several people from the Jing Clan.

"Defend" Jing Mazun ordered a defensive formation.

With Jing Mazun's order, all the Jing Clan members immediately defended, they set up a defensive formation against Ye Chen's attack.

"Your attacks will not break through this formation" Jing Mazun said to Ye Chen.

The Jing Clan set up a defensive formation that was quite strong, Ye Chen shouldn't be able to break through it.

"Don't be happy too soon" Ye Chen told the Jing Clan not to be happy too soon.

### **Chapter 1849 clean up the Jing Clan**

Ye Chen said to everyone in the Jing Clan, they were too confident and ignored his strength.

Because the Jing Clan underestimated Ye Chen too much, Ye Chen showed his strength.

Ye Chen swept through the entire Jing Clan formation, he swept through all the Jing Clan formations with great ease.

"arghhh" the Jing Clan members were on fire, they were burned by the Heavenly Silver Flame.

"Damn it" Jing Mazun was very annoyed, he was very annoyed when he saw Ye Chen destroy his formation so easily.

"You all get out of the way now, I will fight it myself" Jing Mazun was going to fight Ye Chen, he could no longer allow this matter.

Jing Mazun stepped forward, he took off his clothes, underneath his clothes was a light armor that was most suitable for use as an assassin.

"After a long time, I finally fought again" Jing Mazun had not used this thing in a long time, he had not used light armor against his enemies in a very long time.

This special armor was great, it was able to accelerate Jing Mazun's speed by up to 3 times, Jing Mazun's body could even be lighter than a cotton ball when he used this armor.

Jing Mazun hadn't used this in a long time, he had kept it for a very long time and didn't wear it.

Jing Mazun hadn't taken on an assignment in a long time, he just sat quietly and watched what his men were doing.

"Your clothes are weird" Ye Chen commented on the clothes that Jing Mazun was wearing.

Jing Mazun almost fell, he didn't expect that Ye Chen would say such a thing to him.

"Damn it" Jing Mazun was annoyed, he looked very annoyed when he listened to what Ye Chen said.

"Soon you will know the function of this thing." Jing Mazun said that Ye Chen would know the function of the light armor he was wearing.

"What is the function of that armor, show me" Ye Chen told Jing Mazun to show the function of the thing in front of him.

"You will see" Jing Mazun disappeared, he used his full speed and appeared behind Ye Chen.

As an Assassin, speed is number one, speed is needed to support success.

"Feel this" Jing Mazun took out a dagger, wanting to stab Ye Chen's back with a dagger.

Ye Chen dodged, he shifted his body to the side to avoid Jing Mazun's stab.

"No way, did he see it?" Jing Mazun couldn't believe what he saw, Ye Chen saw his movement.

"Your movements are still very clearly visible" Ye Chen said to Jing Mazun, he informed that Jing Mazun's movements were still very clearly visible.

"Impossible, he was able to read the movements of the Clan Chief" Everyone on the scene couldn't believe it, they couldn't believe it when they saw Ye Chen who managed to dodge Jing Mazun's attack.

"It was just luck, this time you will die" Jing Mazun couldn't play around anymore, this time Jing Mazun would aim for Ye Chen's head and end things quickly.

"Come on, kill him" All the Jing Clan members gave Jing Mazun their support, they told Jing Mazun to kill Ye Chen immediately.

Jing Mazun would not disappoint everyone, he would do his best to kill Ye Chen.

"four fire shadows"Jing Mazun's tried to outwit Ye Chen by using fire shadows, four fire shadows resembling Jing Mazun appeared and covered the real Jing Mazun.

As someone with God Eyes ability Ye Chen could easily find and see where Jing Mazun was.

"Stop wasting my time" Ye Chen hit the real Jing Mazun, he beat Jing Mazun into a fool.

Jing Mazun fell, he was knocked down by Ye Chen with just one light hit.

" impossible. . . . , one hit. . . ." Everyone couldn't believe what had happened, they all didn't expect Jing Mazun to be defeated with one hit.

"How can the clan head be taken down with one hit?" The Jing Clan troops started to lose their fighting spirit, they started to lose their fighting spirit when they saw Jing Mazun defeated with just one blow.

"Who's next?" Ye Chen asked the people in the Jing Clan.

The Jing Clan troops were silent, they were silent when they listened to what Ye Chen said.

Previously they were fierce when facing Ye Chen, but now they all looked like stupid animals.

"Quickly run and save yourselves" everyone is trying to run away, they are trying to save themselves.

"stupid, why did you guys run away" Jing Sanli shouted at everyone, he told everyone to come back right away.

"no we have to save ourselves" everyone immediately refused, they all didn't want to die silly against Ye Chen.

Everyone in the Jing Clan already knew Ye Chen's strength, they already knew that Ye Chen was very strong, even someone like Jing Mazun couldn't withstand a blow from Ye Chen.

"Want to escape, it won't be easy." Ye Chen made a big stone wall, this big wall blocked off the escape route for Jing Clan.

"damn" the people from the Jing Clan cursed, they cursed at Ye Chen who had blocked the escape route.

"Let's see what I will do to you guys" Ye Chen couldn't wait, he wanted to know what he would do to the people from the Jing Clan.

"Leave them to me" Qiao Xin appeared, Qiao Xin descended from the sky and appeared in front of the Jing Clan army.

"That's Miss Qiao" Everyone immediately looked excited when they saw Qiao Xin appear.

Qiao Xin's beauty radiated more and more clearly, she was even more beautiful and seductive in the eyes of men.

After doing Dual Cultivation with Ye Chen, Qiao Xin became beautiful, the effect of Dual Cultivation was obvious to Qiao Xin.

Qiao Xin had realized this long ago, she had already seen how Li Jingyi developed into a beautiful woman under Ye Chen's tutelage.

Qiao Xin flew over the people from the Jing Clan, herself using the Wind Beauty Flute given by Ye Chen.

Qiao Xin wanted to test the power of the Wind Beauty Flute, she wanted to see how strong the Wind Beauty Flute Ye Chen gave her.

The Wind Beauty Flute was a high grade artifact, it should increase Qiao Xin's strength by several times.

Qiao Xin played the Wind Beauty Flute, a melodious flute sounded from within the Wind Beauty Flute.

"Wow that's beautiful" Everyone was mesmerized by the sound of the Wind Beauty Flute, they all looked very excited when they heard the Wind Beauty Flute.

These people still don't realize that they are in great danger, they are in great danger considering the Wind Beauty Flute is a weapon capable of controlling the wind.

The Wind Beauty Flute did have a beautiful sound, the sound produced from the Wind Beauty Flute couldn't be compared to an ordinary flute.

After Qiao Xin played the flute, a huge super wind vortex appeared, this huge wind vortex appeared amidst the crowd from the Jing Clan.

"Ahhhh" people started to panic, they tried to save themselves.

Unfortunately the power of the vortex was too great, they couldn't resist and were dragged into the vortex.

All the members of the Jing Clan entered into the whirlwind, they all entered and were trapped within the whirlwind.

A huge vortex like this would definitely make a devastating impact, Ye Chen was sure that the people inside would have a bad time.

After a while Qiao Xin stopped playing the Wind Beauty Flute, it seemed that Qiao Xin still couldn't control the Wind Beauty Flute to her heart's content.

## Chapter 1850 Beat the higher-ups of Blood seeker

"I guess I still haven't fully mastered this yet." Qiao Xin admitted that she still wasn't able to fully master the Wind Beauty Flute.

Qiao Xin didn't mean to do that, she just wanted to use a small attack on the enemy, as a result Qiao Xin blew away everyone from the Jing Clan and many of them probably didn't survive.

"I didn't expect that you would use that much power" Ye Chen said to Qiao Xin.

"I might have to learn more how to use the Wind Beauty Flute." Qiao Xin would learn more, she would try to learn more and be able to master the Wind Beauty Flute perfectly.

"Do I need to teach you?" Ye Chen said to Qiao Xin, he said that he would teach Qiao Xin.

"teaching?" Qiao Xin didn't know that Ye Chen could play a musical instrument, she just found out that Ye Chen could play a musical instrument.

"That's right" if you want to study, we can start in the bedroom" Ye Chen said to Qiao Xin.

"Why do you have to be in the bedroom?" Qiao Xin was still not aware of the direction of Ye Chen's conversation, she was still thinking positively about what Ye Chen said.

After a while Qiao Xin finally understood, she finally realized where Ye Chen was talking.

"You are so pervert, I don't want to" Qiao Xin said to Ye Chen, Qiao Xin finally knew what Ye Chen meant.

"Hahaha" Ye Chen smiled, he smiled when he saw the pouting Qiao Xin.

"You're great, you can beat Jing Mazun with just one hit" Qiao Xin praised Ye Chen, she was quite surprised when she saw Ye Chen beat Jing Mazun with just one hit.

"It's just an ordinary thing." Ye Chen said that if it was a normal thing, he could still do much greater things.

Jing Clan and Blood seekers are looking for you, what are you going to do?" Qiao Xin asked Ye Chen, Qiao Xin asked what Ye Chen would do.

"I intend to destroy Blood seekers throughout the God Realm" Ye Chen told Qiao Xin about his plan.

"That's impossible, you won't be able to do that" Qiao Xin said to Ye Chen, Ye Chen couldn't possibly be able to do that.

Blood seeker is the biggest assassin underground organization in the God Realm, there are countless members scattered throughout the God Realm, destroying them is really very difficult.

"Then I just need to start with the higher-ups there." Ye Chen might find it difficult to find all the Blood Seekers in the God Realm.

That's why Ye Chen would only aim for Clans and higher-ups within Blood Seekers.

"You can help me right?" Ye Chen said to Qiao Xin.

"I can indeed help you" Qiao Xin can help Ye Chen, she can indeed help Ye Chen to get what he wants.

"I've got a Clan that is a member of the Blood seeker, I will go and destroy their leader" Ye Chen said to Qiao Xin.

"Then I'll come with you" Qiao Xin will come along, she will accompany Ye Chen to go find a Clan that is part of the Blood Seeker.

There are several big Clans that participate in Blood Seeker, their names are Di, Mo, Qun, Wan, and Fang, they are the same as Jing Clan, they are powerful Clans in God Realm.

Ye Chen went to every Clan that was part of the Blood seeker, Ye Chen aimed for their Clan master and crippled them very quickly.

Jing, Di, Mo, Qun, Wan, now have no leader, Ye Chen has crippled their Clan leader and they should be in chaos.

"I didn't know he was this strong" the more Qiao Xin was with Ye Chen, the more Qiao Xin became attracted to Ye Chen, she saw that Ye Chen was pretty cool when he was serious.

"Okay, now only the Fang Clan is left." Ye Chen took Qiao Xin to the Fang Clan, the Fang Clan was the most closed clan among all the Clans.

"Are you sure they live in a place like this?" The road to the Fang Clan was very winding, there were countless towering bamboos blocking Ye Chen's route.

"The Fang Clan lives in a confusion bamboo forest , entering the Fang Clan's place is quite a complicated thing and takes a very long time" Qiao Xin said to Ye Chen

"So they didn't let us in easily, then instead of bothering, it's better to just forcefully enter." Ye Chen swept the bamboo around them, himself sweeping everything around them.

"You are impatient" Qiao Xin saw that Ye Chen was so impatient, he destroyed everything in front of him.

Ye Chen's goal is to stir up a commotion, he is deliberately doing this to get the Fang Clan out.

With Ye Che's super terrifying strength, Ye Chen turned the confusion bamboo forest.

"Stop right there" when Ye Chen made such a big mess, the Fang Clan finally appeared, they appeared and wanted to reveal themselves.

"Who are you?" Fang Clan members appeared, they appeared and stopped Ye Chen.

"There were around five women who stopped Ye Chen, they had good figures like the women from the Jing Clan.

"they have good bodies" Ye Chen couldn't speak anymore, he could see that Assassin had a nice and seductive body.

"Don't look at the brand with that gaze, remember why we are here" Qiao Xin said to Ye Chen.

Qiao Xin was jealous, she looked jealous when Ye Chen looked at another woman with such a gaze.

"Don't worry, the wife is still the most beautiful," Ye Chen said to Qiao Xin, Ye Chen told Qiao Xin that she was still the most beautiful.

"I forgot to tell you, the Fang Clan is a dangerous clan, their method of killing is unique" Qiao Xin said to Ye Chen.

"Oh" Ye Chen understood, he understood what Qiao Xin meant.

"Who are you?" People looked at Qiao Xin and Ye Chen, they were alert and asked who Ye Chen was.

"I'm a Mask Hero, I came here to meet your leader, tell her to come out right now," said Ye Chen, the woman in front of him.

"Our leader doesn't have time to meet someone like you, you should just go" Ye Chen was expelled, he was not welcome in this place.

"Do you think you guys have the things to say such a thing" Ye Chen said to the woman in front of him.

"Don't underestimate us, we are not easy to beat, be prepared" the five women attacked Ye Chen.

Qiao Xin prepared to fight them, she was going to fight those who wanted to touch Ye Chen.

"Let me alone" Ye Chen said to Qiao Xin, he told Qiao Xin to be quiet and he would solve this problem.

" but . . ." Qiao Xin didn't seem willing to leave this matter to Ye Chen, she didn't want to leave this matter because the Fang Clan was a different Clan from the Clan they belonged to.

"feel this" women from Fang Clan attacked Ye Chen, they fired projectiles at Ye Chen.

Ye Chen stopped the projectiles that were fired at him, himself using the profound wind to stop the projectiles that were aiming at him.

"I'll return this to you guys" Ye Chen returned the projectile to its owner.

The women from the Fang Clan tried to fend off Ye Chen's attack, when they tried to block the returned projectiles, they found that it was much stronger than the one they fired.
