

A True God 1851

Chapter 1851 Fang Miyu

The projectiles return to the person who threw them, they are hit by their own projectiles.

"Ah. . ." the women screamed, they screamed when they were hit by their projectiles.

They fell to the ground and their faces started to turn red,

"It seems they are not fine" Ye Chen looked at the woman in front of him, Ye Chen could see that they were not fine.

"they got hit by the aphrodisiac poison they used" Qiao Xin said to Ye Chen, Qiao Xin knew the most used weapon by the Fang Clan.

"Hahaha, so they got their own poison, that's funny" Ye Chen said to Qiao Xin.

"Luckily you didn't get hit by that, otherwise then" Qiao Xin was relieved when she found out that Ye Chen wasn't exposed to the aphrodisiac poison, what would happen if Ye Chen got the aphrodisiac.

Without the aphrodisiac, Ye Chen's ability on the bed is already very strong, what will happen when Ye Chen gets hit by the aphrodisiac, it will probably be so terrible, Qiao Xin can't imagine it.

"What are we going to do?" Ye Chen wanted to know what they would do to these women.

"I don't know" Qiao Xin didn't know, she didn't have a solution to this problem.

"Do I need to help them?" Ye Chen tried to help, he wanted to help these women.

"Please stop right there" just as Ye Chen wanted to help, he was stopped by a woman who was quite beautiful.

"He" Qiao Xin instantly knew who the woman who had just appeared was, the woman who had just appeared wearing a dress covered in a white shawl.

"You know her right?" Qiao Xin definitely knew this woman, she could tell from the expression on Qiao Xin.

"She is Fang Miyu" Qiao Xin told Ye Chen about the woman in front of him.

"She is quite beautiful" Ye Chen said to Qiao Xin, Ye Chen saw that Fang Miyu was quite beautiful.

Hearing this Qiao Xin immediately stepped on Ye Chen's feet quite hard.

" ouch . . ." Ye Chen tried to suppress his voice, Qiao Xin did so suddenly

"Don't think nonsense" Qiao Xin said to Ye Chen, Qiao Xin told Ye Chen not to think about nothing.

"I'm just telling the truth" Ye Chen said that he was telling the truth.

"Okay, you can't be fooled, this woman is quite dangerous" Qiao Xin said to Ye Chen.

Qiao Xin warned Ye Chen, Fang Miyu is quite a dangerous woman, Ye Chen should be more careful with Fang Miyu.

"Big brother, Sister Qiao is right, this woman is dangerous, she has a hundred thousand divine poison body." Chu Ning'er said to Ye Chen, she told Ye Chen that Fang Miyu has a terrible poison body.

"Wait a minute" Ye Chen started to remember the One hundred thousand divine poison body, if I'm not mistaken it is a body that can make use of using quite dangerous poison.

"Looks like this woman is dangerous" Ye Chen said to himself, if what Chu Ning'er said was the truth, then the woman in front of him was indeed dangerous.

It wasn't strange that Qiao Xin tried to warn Ye Chen, the woman in front of him turned out to be quite dangerous.

"Oh who is this, isn't this Mask Hero, what are you doing at my place?" Fang Miyu asked Ye Chen.

"I came here because I heard that you are an important person in Blood Seeker" Ye Chen said to Fang Miyu.

"Fufufufu, not really, I'm not that important person" Fang Miyu said to Ye Chen.

Fang Miyu looked very friendly at all, she was different from the Clan leader Ye Chen had previously met.

When Ye Chen went to Di, Mo, Qun, Wan, Ye Chen were immediately attacked and threatened, their treatment was clearly unpleasant and made Ye Chen unhappy.

That's why Ye Chen crushed them to tatters.

"So what's your purpose in coming to this place, just say it" Fang Miyu said to Ye Chen.

"I came to this place because I wanted to deal with you" Ye Chen said to Fang Miyu.

"You came to fight me?" Fang Miyu said to Ye Chen.

"Of course" Ye Chen nodded, that was his purpose in coming to this place.

"Why do you want to fight me?" Fang Miyu asked Ye Chen, she wanted to know why Ye Chen had come to her place and wanted to challenge her.

"Don't you want to fight me" Ye Chen said to Fang Miyu.

"No, I don't want to fight you" Fang Miyu said to Ye Chen, she told Ye Chen that she didn't want to fight Ye Chen.

"Don't believe what she says easily" Qiao Xin said to Ye Chen, she told Ye Chen not to easily believe Fang Miyu.

"You heard, my wife told me that you can't be trusted" Ye Chen said to Fang Miyu.

Compared to Fang Miyu, Ye Chen believed more in Qiao Xin's words, Qiao Xin's words could be justified.

This was the first meeting between Ye Chen and Fang Miyu, Ye Chen of course was still quite wary of this woman in front of him.

"Fufufu, you are very careful, I like that" Fang Miyu said that she liked Ye Chen.

"Don't have bad thoughts about her" Qiao Xin was not happy when she heard this, Qiao Xin threatened Fang Miyu not to tease Ye Chen.

"Oh, the woman beside you is so terrible, why would you bring such a woman with you" Fang Miyu said to Ye Chen, herself saying that Qiao Xin was scary.

"She is my woman, don't say that" This time it was Ye Chen's turn to be displeased, he looked displeased when he saw Fang Miyu say Qiao Xin was scary.

Ye Chen started to show his strength, he took out his power and showed it to Fang Miyu.

Fang Miyu's body trembled slightly when she felt Ye Chen's strength, she felt that Ye Chen's strength was enormous and terrifying.

"This is the power of the Mask Hero, he is terrible." Fang Miyu finally realized that Ye Chen had terrible power.

Fang Miyu already knew a lot about the Mask Hero, she was the one who had wreaked havoc in the God Realm, almost all the strong people in the God Realm were looking for her.

"With his current strength, he won't be easy to approach" After seeing Ye Chen's strength, Fang Miyu was sure that approaching Ye Chen would be very difficult to do.

"Okay, I'm sorry, you scared this woman." Fang Miyu apologized, she apologized for what happened.

Since Fang Miyu wanted to apologize, Ye Chen lowered his strength.

"I don't want to cause trouble with you, so I won't interfere in your business" Fang Miyu said to Ye Chen.

"I might not be able to believe your words, what if you said otherwise" Ye Chen wouldn't believe it, he needed evidence from Fang Miyu.

"What do you need for confession?" Fang Miyu wasn't stupid, she naturally knew what Ye Chen wanted.

"How about you work for me" Ye Chen said to Fang Miyu.

"Huh?" Fang Miyu and Qiao Xin were both shocked, they all looked shocked when they heard what Ye Chen had just said.

"why did you do that" Qiao Xin asked why did Ye Chen do this

"I have a strong reason to do that" Ye Chen had a strong reason, he could use Fang Miyu for his purposes.

Chapter 1852 Fang Clan hidden Place

"Oh, do you want us to work for you?" Fang Miyu didn't expect Ye Chen to want to hold her hand.

"Don't you want to, even though you have great potential with a hundred thousand divine poison body" Ye Chen said to Fang Miyu.

"What!" Fang Miyu looked surprised when she listened to what Ye Chen said, what Ye Chen said made Fang Miyu quite surprised.

"how did he know this" Fang Miyu should have hidden herself well, how could Ye Chen detect this so easily.

Fang Miyu was still confused, she didn't know how Ye Chen could find out about this matter.

"What's wrong?, are you surprised by this?" Ye Chen said to Fang Miyu.

"That's quite surprising to me, it seems I can't hide something from Mask Hero" said Fang Miyu.

Fang Miyu couldn't hide this matter from Ye Chen, she couldn't hide this important matter from Ye Chen.

"So what's your answer?" Ye Chen asked Fang Miyu.

"I don't know, I haven't seen it myself" Fang Miyu wanted to see for herself, she wanted to see Ye Chen have something good.

Ye Chen stepped forward, he drew closer to Fang Miyu, Ye Chen took out something, he took out a book and showed it to Fang Miyu.

"Take a good look" Ye Chen told Fang Miyu to take a good look at the book he picked up.

Fang Miyu's interest immediately appeared, she took the book in Ye Chen's hand.

Fang Miyu started to see more clearly, she wanted to know what Ye Chen had.

After reading a few pages, Fang Miyu was quite surprised, she found that in this book there was a way to control her One hundred thousand divine poison body.

"He has something really good, how did he get this thing" Fang Miyu looked at Ye Chen, she wanted to know how Ye Chen got something like this.

To Fang Miyu who had the One hundred thousand divine poison body, this was a treasure, the thing in her hands being a priceless treasure.

"How, are you interested?" Ye Chen asked again, he wanted to know if Fang Miyu was interested in what he was showing.

"I will serve you, from now on Fang Miyu and Fang Clan will be your subordinates, we will start serving you" Fang Miyu lowered her head, she decided quickly and without the slightest hesitation.

Fang Miyu gave her oath, she would serve Ye Chen together with the Fang Clan.

"That's a good answer" Ye Chen said to Fang Miyu, Ye Chen was quite satisfied, he was quite satisfied with what Fang Miyu did.

Fang Miyu was quite a smart woman, she immediately knew what kind of path they should take.

Qiao Xin didn't know what Ye Chen was planning, why did Ye Chen decide to do this.

"I can't understand his way of thinking" Qiao Xin couldn't understand Ye Chen's way of thinking.

"Young master, do you want to come to our place?" Fang Miyu asked Ye Chen.

"Of course" Ye Chen didn't mind, he didn't mind coming to the Fang Clan's residence.

"Please come with me" Fang Miyu said to Ye Chen, Fang Miyu told Ye Chen to come with her.

"What about them?" Ye Chen asked Fang Miyu, he was asking about the woman who attacked them earlier.

"Young masters don't need to worry, they are fine, it's just a light Aphrodisiac, it will only make them weak and excited in a moment" Fang Miyu said to Ye Chen, herself telling that they would be fine.

"Okay if you say like that" since Fang Miyu said like that, Ye Chen let them.

Ye Chen and Qiao Xin followed Fang Miyu, both of them headed towards the Fang Clan's place.

The Fang Clan lived in a small village, there might only be thousands of people living in this place.

"So this is the Fang Clan" Ye Chen nodded, it seems that this is the hidden village of the Fang Clan.

"Our place is small, it's not as big as other Clans." Fang Miyu said that the Fang Clan is small, it's not as big as other Clans which are much bigger and prefer to live in a city.

"Why do you want to live in a small place like this?" Ye Chen asked, he wanted to know why the Fang Clan chose to live in a place like this.

"This place is very good, not many people can enter this place, those who enter this place will not come out easily because they have to face us" Fang Miyu answered Ye Chen's question, she told Ye Chen that this place very suitable for the Fang Clan.

"Are you interested in seeing what we do?" Fang Miyu said to Ye Chen, she was going to show what the Fang Clan did.

"Of course" Ye Chen wanted to know what the Fang Clan was up to.

The Fang Clan are experts in making light weapons for women, they make poison and various weapons that are easy for women to use, every woman can use Fang Clan weapons with ease.

Light weapons include projectiles, needles, daggers, knives and some things that can be hidden under sleeves.

"You guys also make an antidote?" Ye Chen looked at one of the places that produced medicine.

"That's right, we produce various kinds of antidotes for poison, although we are still not fully capable of dealing with poison in the entire God Realm, but we have sent these to various places" Fang Miyu said to Ye Chen.

The Fang Clan had an antidote making division, they made the antidote from the samples they got.

The poison in the God Realm was overwhelming, the Fang Clan still didn't have all the antidote in this world, even so they gained a great deal of resources from selling this thing to the outside world.

The Fang Clan might be closed to the outside world, but in terms of trade, they turned out to be quite influential.

"Are you satisfied?" Fang Miyu asked Ye Chen if Ye Chen was satisfied after seeing what the Fang Clan had.

"Okay, that's enough to make me feel satisfied" Ye Chen was satisfied, he was quite satisfied with what Fang Miyu showed.

"Very good, then come to my place, I will welcome you" Fang Miyu wanted to welcome Ye Chen, she wanted to welcome Ye Chen with a party.

Fang Miyu needed to thank Ye Chen, Ye Chen had given herself a good thing.

"they're not bad" Qiao Xin felt that the Fang Clan wasn't bad, they had some things that could be of use to Ye Chen.

"I also think the same as you" Ye Chen also thought the same thing as Qiao Xin.

"The biggest problem you have is whether they will really work for you or not" Qiao Xin was still not completely sure about the Fang Clan, whether they were willing to serve Ye Chen wholeheartedly or not.

"You don't have to worry too much about that matter" Ye Chen told Qiao Xin not to worry too much, Ye Chen had already prepared a plan in case that happened.

"Okay" Qiao Xin nodded, she would no longer discuss this matter.

Ye Chen and Qiao Xin were taken to Fang Miyu's place, Fang Miyu had a fairly simple place, it was small and looked like an ordinary house.

almost everyone living in the Fang Clan had a small house, they didn't want to be too flashy and as much as possible to save space considering their territory was not too big and still had to share with farmland and plantations.

Chapter 1853 Ye Chen's orders for Fang Miyu

"My place is quite small, so I hope you guys get used to it." Fang Miyu said to Ye Chen and Qiao Xin, hers was very small, so Fang Miyu hoped that Ye Chen and Qiao Xin could accept this.

"We will accept this well." Ye Chen was used to living in this place, he was very used to living in such a small and minimal place.

"good" Fang Miyu smiled, she was quite happy with Ye Chen, she thought Ye Chen was very good and could accept everything well.

"I will make you something." Fang Miyu said that she would make Ye Chen something.

Ye Chen and Qiao Xin were left alone in this place, both of them were left alone and looked around this place.

"She doesn't have good taste." Ye Chen saw that Fang Miyu didn't have good taste, she didn't have good taste.

"she really doesn't have taste." Qiao Xin agreed with Ye Chen, Fang Miyu really didn't have an appetite.

"What do you think of them?" Ye Chen asked Qiao Xin, he asked Qiao Xin's opinion.

"They're pretty good, they should be able to help you when you're in trouble" Qiao Xin said to Ye Chen.

Qiao Xin was sure that Fang Miyu and the Fang Clan had the power to help Ye Chen.

"Do they have a great ability to infiltrate?" Ye Chen asked Qiao Xin.

"They should have the greatest ability, I can guarantee that" Qiao Xin wouldn't doubt the strength of Fang Miyu and Fang Clan, Fang Clan should be the most clever Clan in infiltrating.

The Jing Clan was quite hidden, they rarely appeared in public, this gave them a special ability that allowed them to sneak around very easily.

"Looks like I will tell him to do something" Ye Chen wanted to tell the Fang Clan to infiltrate a place.

"You, how many enemies do you actually have?" Qiao Xin shook her head, Ye Chen had quite a few enemies.

"Hahaha, I do have a lot of enemies, they all aim for the power I have" Ye Chen said that everyone is after his strength.

"It's not strange if they aim for your power, your strength is not normal, plus it's the Mask Hero that passes all the lightning of heaven" Qiao Xin said to Ye Chen.

Qiao Xin was initially surprised by Ye Chen's identity, Ye Chen had an unusual identity.

As Mask Hero who was designated as the most wanted person in the God Realm, Ye Chen did have a strong capacity, he possessed immense strength and made the world seek him out.

"Sorry for keeping you guys waiting" Fang Miyu came over, she made tea for Ye Chen and Qiao Xin.

It was rare for Fang Miyu to personally make someone tea, she almost never made someone like this.

Ye Chen looked at the tea in front of him, he saw that the tea in front of him was purple and gave off a terrifying darkness aura.

-" Qiao Xin didn't expect that Fang Miyu wouldn't be able to make tea, she made something terrible and probably wouldn't be drinkable.

whoever drank this would definitely die on the spot, Qiao Xin could guarantee that.

"I thought Jingyi was really bad at causing trouble the first time we met, but now I've changed my mind, this woman is much worse than Jingyi" it turns out that in this world there are still people who can make things even more terrifying.

"please enjoy" Fang Miyu told Ye Chen and Qiao Xin to try the tea she made.

Fang Miyu smiled, she waited for Ye Chen and Qiao Xin to drink the tea she made.

"-_-"" Ye Chen and Qiao Xin were silent, they didn't do anything about this matter, they both still cherished their lives.

"Okay let's forget this, let's talk more seriously" Ye Chen said to Fang Miyu.

Ye Chen hastily changed the topic, it would be very dangerous if Fang Miyu kept telling Ye Chen to drink that terrible thing.

"You definitely need something that makes you accept us" Fang Miyu said to Ye Chen.

"Can you guys find out about the person who has great influence behind the ruler of the God Realm" Ye Chen said to Fang Miyu.

"That's impossible, we won't be able to do such a thing, it's too heavy." Fang Miyu said that they wouldn't be able to, in the Fang Clan no one was able to get to that place.

"Is it difficult?" Ye Chen asked Fang Miyu.

"If I were to tell the truth, then it would be very difficult, they are far more terrible people than Assassins like us, the Fang Clan is just an ant in their eyes" Fang Miyu was honest, she told herself that the Fang Clan was no match for evil monsters who wreaks havoc in the God Realm.

"Too bad, it seems these people are really troublesome" Ye Chen said to Fang Miyu.

"If you want to know them, then you must be able to enter their environment, the upper-class star realm Fang Clan environment, not God Realm controlling environment" Fang Miyu said to Ye Chen.

"Then I want you to keep an eye on the Vengeance Fate Sect" Ye Chen asked Fang Miyu.

Ye Chen still considered the Vengeance Fate Sect a threat, there were people who were quite dangerous and Ye Chen had to be wary of.

"If it's possible we still can, who do you want to supervise" Fang Miyu could do this.

"Keep an eye on this woman and tell her what she is doing" Ye Chen gave Yu Ting a photo, this woman hasn't been seen in a long time, Yu Ting must be up to something.

Yu Ting was quite a dangerous woman, she was obsessed with fighting Ye Chen, she must be plotting something bad with Ye Chen and his women.

"beautiful woman, is she your ex?" Fang Miyu asked Ye Chen.

Fang Miyu was quite observant, she could find out about this matter easily.

" it's just that now he's a little troublesome and always causing trouble for me" Ye Chen said to Fang Miyu.

"Is it necessary to destroy it all?" Fang Miyu said to Ye Chen, because Ye Chen said that, Fang Miyu wanted to destroy Yu Ting.

"She won't be easy to fight, he should be protected by Vengeance Fate Sect, as a talented person, she has the abilities needed by Vengeance Fate Sect" Ye Chen said.

"Looks like it's troublesome, well if it's just watching, then it should be fine" Since the task was just to supervise, Fang Miyu was confident that she could do this.

"Okay" Ye Chen can rest easy, he gave this matter to Fang Miyu, he told Fang Miyu to keep an eye on Vengeance Fate Sect and Yu Ting's movements.

"For now that's all I need, if I need you, I'll contact you right away" Ye Chen said to Fang Miyu.

"Thank you very much, I won't let you down." Fang Miyu said that she wouldn't let Ye Chen down.

"This is a little gift for you, use it well" Before leaving, Ye Chen gave a pouch to Fang Miyu.

"Thank you very much" Fang Miyu received the pouch from Ye Chen, she thanked Ye Chen again.

"Let's go" Ye Chen took Qiao Xin away, Ye Chen was done, now it's time to go back.

Ye Chen and Qiao Xin left, both of them left using Ye Chen's teleportation ability.

Fang Miyu raised her head, she saw that the two people had already left.

Chapter 1854 Blood seeker emergency meeting

"This guy is terrible, he even dares to harass the master of darkness in God Realm" Fang Miyu stroked her chest, talking with Ye Chen had made her feel scared.

If it was a normal person who spoke like that with Fang Miyu, Fang Miyu would have knocked on that person's head, she would not let that person talk about things that could get them killed.

The great powers that control the God Realm are far more terrifying than the great powers that many know, they are far more dangerous than anything else.

"Fortunately he has the ability, otherwise he would have disappeared" Luckily Ye Chen had the ability, otherwise Fang Miyu was afraid that Ye Chen would have disappeared from this world.

"My job is just to watch and watch this woman's every move, it's very interesting, then it won't be too difficult" for Fang Miyu watching someone is not a difficult thing, this is a very easy task for Fang Miyu.

"But Mask hero is a little weird, about where he puts himself, almost all the great powers in God Realm become his enemy" Fang Miyu felt strange, Ye Chen seemed to have no allies, all the big powers became Ye Chen's enemies.

Fang Miyu didn't know that Ye Chen had several people, although not as strong as the God Realm Control Faction, the strength of Ye Chen and those close to him was worthy of consideration.

"I get dizzy when I think about this." A smart woman like Fang Miyu was dizzy, she met people who were hard to guess.

"but he can also" women like men who are difficult to guess, their instincts always direct them towards men who are not easy to guess.

Fang Miyu smiled to herself, she seemed to be thinking bad things about Ye Chen.

"Let's see what the new young master has to offer, I hope he's not stingy" Fang Miyu hoped Ye Chen wasn't stingy.

Fang Miyu already got a book on how to control her power, it should be a very valuable and priceless item, even if Ye Chen gave something bad then Fang Miyu wouldn't be able to complain.

Fang Miyu opened the storage pouch given by Ye Chen, when Fang Miyu opened it, there were countless profound crystals and pills coming out of the pouch.

"What !!!" Fang Miyu screamed, herself screaming when she saw the pile of Divine Rainbow Crystals.

Fang Miyu was naturally surprised, this amount was quite a lot, at least this amount was equivalent to the Fang Clan's income for thousands of years of working and selling their goods and services.

"Is he very rich?, what is his background?" Fang Miyu tried to guess Ye Chen's wealth, it should be if Ye Chen could expend this much resources, he should be very rich.

"I'm very lucky, it seems that my choice was not wrong" Fang Miyu was grateful, it seemed that she was not wrong in making a choice.

"Madam, what's wrong?" the guards outside asked Fang Miyu, just now they heard Fang Miyu's shocked screams.

"It's nothing" Fang Miyu immediately recovered herself, she immediately hid what happened to the woman who had just arrived here.

"Muxy, I have a task for you" Fang Miyu gave orders to Fang Muxy, Fang Miyu told Fang Muxy to carry out the task given by Ye Chen.

"What do you want?" Fang Muxy asked Fang Miyu, she asked what Ye Chen wanted.

"I want you to send our people to watch and find out this person" Fang Miyu told to watch and find out what Yu Ting was doing.

"This woman?" Fang Muxy looked at the picture of the woman Fang Miyu had given her.

"What's wrong, do you know this woman?" Fang Miyu asked Fang Muxy.

"I do know this woman, I have met this woman, to be honest this woman is dangerous, she has a terrible hatred" Fang Muxy explained about Yu Ting to Fang Miyu.

"So this woman is indeed dangerous" Fang Muxy was Fang Miyu's right hand , she would naturally believe Fang Muxy's words.

"Yes, she is indeed dangerous" Fang Muxy assured Fang Miyu that Yu Ting was a dangerous woman.

"But I promised that person, I won't be able to break it." Fang Miyu had promised Ye Chen, she wouldn't be able to leave the matter that Ye Chen had agreed to.

"If it's just monitoring, it shouldn't be a problem" Fang Muxy said if it's just watching then it'll be fine.

"I just need you to keep an eye on her, nothing more" Fang Miyu just wanted Fang Muxy to keep an eye on Yu Ting, she didn't intend to make a move against Yu Ting.

Ye Chen had already left a message for Fang Miyu not to do anything to Yu Ting, Ye Chen just needed information on what Yu Ting did.

"Okay, then I'll send our best person to go" Fang Muxy will send the best person, this is quite a complicated task, so they have to send a great person.

"do whatever, you are free to do whatever you want" Fang Miyu allowed Fang Muxy to do whatever she wanted, they had to finish this task quickly.

"Madam, I almost forgot, there will be an emergency meeting sent from Blood Seekers" Fang Muxy said to Fang Miyu.

"Meeting about what?" Fang Miyu asked what these people wanted to do, why there had to be an emergency meeting.

"I heard that all the leaders of the Jing, Di, Mo, Qun, and Wan Clans have been crippled" said Fang Muxy.

" who did it?" Fang Miyu asked Fang Muxy.

"That, is the Mask Hero, isn't he just in your room" Fang Muxy said to Fang Miyu.

"Oh, so this is all he doing, it's not strange, luckily I didn't put up a fight" Fang Miyu was grateful, she was grateful that she didn't put up a fight against Ye Chen.

"Madam, what are you going to do, are you coming or not?" Fang Muxy asked Fang Miyu.

"Of course I will go alone" Fang Miyu will go alone, she will go alone in the meeting.

"Is madam sure about it, this will be a troublesome thing" Fang Muxy said.

"It's okay, I'll go, you are in charge until I come back" Fang Miyu left, she went alone to the meeting.

Fang Miyu didn't like carrying bodyguards, she preferred to go alone because it would make her steps easier.

Fang Muxy went to carry out the task given by Fang Miyu, she looked for the best talent they had to enter the Vengeance Fate Sect and started looking for information about Yu Ting.

.

Fang Miyu went to a secluded place, right where she was in a very small place like this.

"Strange, it's not uncommon for meetings to be held in a place like this" Fang Miyu found it strange, it wasn't usually a meeting held in such a hidden place, if Fang Miyu wasn't mistaken this wasn't a blood seeker's treason.

"What happened to the Blood Seeker's headquarters, was it destroyed?" Fang Miyu began to estimate what happened to the Blood Seeker's headquarters.

"Madam, all representatives have arrived, please come with me" a man came to Fang Miyu, he informed that representatives from Jing, Di, Mo, Qun, and Wan Clan were waiting.

"I will go" Fang Miyu nodded, she went inside where everyone was waiting for her.

Chapter 1855 Blood seeker's decision

Fang Miyu walked into the meeting place, here were representatives of the Jing, Di, Mo, Qun, and Wan Clans, they were great elders of each Clan.

"Fang Clan Head, you are fine" everyone was shocked when they saw Fang Miyu was still fine.

"Why are you guys surprised like that?" Fang Miyu smiled at the people in front of her.

"Of course we were all shocked, our Clan head has been dropped and is now dying, so how can you still be like this" people said to Fang Miyu.

"I'm not stupid like you guys, from the start I didn't support the decisions you made, so I'm safe" Fang Miyu said that she didn't support the decisions of these people, so it's not strange that she is still safe and can sit in this place.

Everyone looked at each other, they didn't expect that the reason Fang Miyu survived was because of such a small matter.

"So you are not touched by it, very interesting." The old man said to Fang Miyu.

This was the old man that Ye Chen had met for the first time, he had joined the meeting together with the other higher-ups.

"Of course" Fang Miyu smiled, her telling to everyone why she was able to survive while the others didn't.

"Then have a seat, let's talk about this matter." The old man told Fang Miyu to sit down and talk about this matter.

"Okay" Fang Miyu nodded, she sitting on her chair.

"Okay, you all must know why I called you in this emergency meeting, we are talking about Mask Hero, he has caused a lot of trouble for us, what are we going to do with him" The old man said to everyone who came from the Jing Di, Mo, Qun, and Wan Clan.

"we destroy him" Everyone from the representatives of Jing, Di, Mo, Qun, and Wan Clan, wanted to destroy Ye Chen.

"I agree, let's destroy that person" everyone agreed, they were very agreeable when it came to the matter about Ye Chen.

"Are you idiots, you just can't put up a fight, do you all want to be wiped out" Fang Miyu said in a dissatisfied tone, she was dissatisfied when she heard what these people were thinking.

Mask Hero is a strong opponent, it is not easy to face that person, Fang Miyu already knows how strong Mask Hero is and how he works.

"You coward, you don't dare do you?" said a member of the Jing Clan to Fang Miyu

"Fufufufu, don't provoke, I know that your Jing Clan is the most affected, so naturally you are the most excited, I don't want to follow your stupidity and end up like you guys are" Fang Miyu said to the Jing Clan's great elder.

The great elder of the Jing Clan was silent as he listened to Fang Miyu's words, he couldn't have a single word to reply to Fang Miyu.

Di, Mo, Qun, and Wan Clans looked at each other, it was true that among them the Jing Clan was the worst, they were still far better off when compared to the condition of the Jing Clan.

"Come on, don't fight anymore" the old man tells everyone not to fight, they won't solve this problem if it continues like this.

"Then what do you want?, everyone asked the old man, they asked about what this old man wanted.

"Let's choose whether we will fight or not" the old man said to everyone whether they will fight or not.

"I will not fight" Fang Miyu said that she would not interfere in this matter.

Fang Miyu is now Ye Chen's subordinate, she will not be involved in this matter, she is the most stubborn in rejecting this matter.

"Our Jing Clan will not be silent after what happened, we will meet against that person" Jing Clan's great elders would not remain silent, they would still put up a fight.

Di, Mo, Qun, and Wan Clan were thinking, they were thinking about the risks they had to take.

Fang Miyu's words made them think twice about fighting the Mask Hero.

The worst situation that could happen was for them to be destroyed, it was a scenario they didn't want to get into.

"Looks like we changed our minds and won't continue this matter." The Di, Mo, Qun, and Wan Clan thought more wisely, they decided to just give up.

"You are all cowards" the great elder of the Jing Clan was annoyed, he looked very annoyed when he saw how the other Clans had responded to this matter.

"Mask heroes are a big threat, even the great powers of the God Realm can't do much about them, what can you do" Fang Miyu said to the elder of the Jing Clan.

"Even if the great powers aren't able to touch him, then we won't be able to do anything to him either." The great elder of the Di Clan agreed, they wouldn't be able to touch the Mask Hero with their current strength.

The people here also agreed, they all seemed to completely agree with what Fang Miyu said.

"If the situation is like this, we will offer an apology and compensation to Mask Hero." Since the situation turned out like this, then they could only offer an apology.

"What will we give for compensation?" the people asked the old man.

"We send what is good we have" the old man said that they will send the best thing they have.

"I agree" Fang Miyu was the first to agree, she was very quick to agree with what the old man said.

The Di, Mo, Qun, and Wan Clans followed, only the Jing Clan disagreed with this matter.

"Just do what you want, our Jing Clan won't come." The great elders of the Jing Clan refused to come, they still had pride.

"Are you sure, if you get attacked, then we won't help you" said the old man to the great elder of Jing Clan.

If the Jing Clan did not cooperate, then they would no longer provide assistance to the Jing Clan.

"I don't care" the great elder of the Jing Clan was angry and left this place.

"Just ignore him" Fang Miyu told everyone to ignore Jing Clan, Jing Clan was indeed arrogant and didn't want to be humble in front of other Clans.

Everyone agreed, the Jing Clan had always been like that, they had always been like that and didn't want to cooperate with others.

"Okay let's discuss the compensation gift for the Mask Hero, I hope he won't be disappointed with the gift we will give" Fang Miyu said to everyone, she wanted to give Ye Chen a good gift.

They all offered good stuff at their disposal, there were tons of good stuff offered on Mask Hero by Di, Mo, Qun, and Wan Clan.

Ye Chen, Qiao Xin and Hu Yinan returned to Ye Chen's residence, they returned and started their lives.

Hu Yinan returned to her original life, she went to watch around Ye Chen's house and was ready to accept Ye Chen's task.

Meanwhile Qiao Xin went along with Li Jingyi, the two of them were quite close to each other.

Qiao Xin was still hiding what had happened to her and Ye Chen, she didn't seem willing to tell Li Jingyi about her relationship with Ye Chen.

Even though Qiao Xin didn't tell Li Jingyi, Li Jingyi could clearly guess the relationship between Ye Chen and Qiao Xin, he could clearly see the difference between Qiao Xin.

"Big brother" Shen Niang appeared, he appeared on Ye Chen's body and ride on Ye Chen's body.

" what is it?" Ye Chen asked little Shen Niang.

Chapter 1856 [Bonus]Bring little Shen Niang to play

"I want to go for a walk" Little Shen Niang told Ye Chen that she wanted to go for a walk.

"Wait a minute, who told you this kind of thing?" Ye Chen asked little Shen Niang, Ye Chen wanted to know who taught little Shen Niang about this.

"That, Ning'er sister told me about this matter." Little Shen Niang told Ye Chen about the person who brought up this matter.

"Oh so this is your doing" Ye Chen said to Chu Ning'er.

Ye Chen finally realized whose doing this was, it turned out that this was all Chu Ning'er's doing.

"Hehehehe" Chu Ning'er laughed, herself laughing when she saw Ye Chen who was in trouble.

"You don't teach anything weird, do you?" Ye Chen asked Chu Ning'er.

Ye Chen was afraid that Chu Ning'er would teach little Shen Niang something strange, if that were to happen, then Ye Chen would feel very troubled.

"Don't worry, I didn't do that." Chu Ning'er didn't teach anything strange, she didn't teach little Shen Niang anything unreasonable.

"Very good, just watch out if you teach her something weird" Ye Chen said to Chu Ning'er.

Ye Chen didn't want little Shen Niang to be affected badly, let little Shen Niang be an innocent woman, Ye Chen would rather see little Shen Niang be an innocent woman.

"Don't worry, I'll try not to do that." Chu Ning'er would make sure she didn't.

"oh, so you still have such thoughts, you are naughty too" Ye Chen said to Chu Ning'er.

"hehehe" Chu Ning'er laughed, she was happy about this, she had quite a bit of fun teaching little Shen Niang strange things.

"Big brother, don't you want to go with me?" little Shen Niang asked Ye Chen.

"Of course I want, let's take a walk around the city" Ye Chen of course wanted to, he took little Shen Niang for a walk in the city.

"yeah" Little Shen Niang was happy, she was quite happy when she heard Ye Chen promise to her.

"Let's go" Ye Chen took little Shen Niang by the hand and left the courtyard.

From the outside Ye Chen and little Shen Niang were like a couple, the two of them seemed very close like a perfect match.

Ye Chen was handsome and Shen Niang were very beautiful women, the two of them matched very well together.

Outsiders don't know that little Shen Niang is still too innocent, her mind is still not far from mature.

"who is that woman ?" when Ye Chen had just left the district, he had already attracted a lot of attention, everyone looked at Shen Niang with awestruck gazes.

Shen Niang's beauty was on another level, they had never seen anything like this, for people who saw it for the first time, they would naturally regard Shen Niang as a goddess who descended from the heavens.

Shen Niang's beauty made everyone want to get closer, they all surrounded little Ye Chen and Shen Niang.

These people didn't care about Ye Chen who was near little Shen Niang, they all swarmed around Shen Niang like bees that found the best flower in the world.

"Big brother, the men around this place are terrible." Little Shen Niang was a little scared, she was afraid of people's gazes on her.

"It's because you're beautiful, so it's not strange that they are like that, if they dare to do something bad then I will kick their ass" Ye Chen said to little Shen Niang.

Ye Chen would protect little Shen Niang, he would not let little Shen Niang get into trouble or be harassed by others.

"Kid, what are you saying" The people around heard Ye Chen's words, they heard very clearly what Ye Chen just said.

Everyone was not happy, they wanted to snatch little Shen Niang from Ye Chen.

"You guys get lost, she is mine" Ye Chen said to the people around "Ye Chen casually answered the words of the people around him, Ye Chen told these people that little Shen Niang was his.

"She is a goddess, a man like you is not worthy" Everyone didn't agree that little Shen Niang was with Ye Chen, they were not happy when they saw Shen Niang with Ye Chen.

"Oh, they are making a fuss" Ye Chen has provoked the anger of the men around, it seems that Ye Chen will get into trouble.

"Wait a minute, I can avenge them" Ye Chen can reply to them, Ye Chen also has a weapon that is no less powerful.

Ye Chen had an Charm weapon that was strong enough to make women attracted and crazy towards him.

Ye Chen had been holding back this power all this time, to be honest Ye Chen didn't really like using his overpowered charm.

"Okay because the situation is out of control, I have no other choice" because the situation is out of control, Ye Chen has no other choice.

When Ye Chen released his charm, all the women started to look at Ye Chen with eyes filled with great admiration, they all felt very attracted to Ye Chen.

"Ah he's really good" All the women immediately approached Ye Chen, they wanted to be close to Ye Chen.

Ye Chen's domination is very strong, women are very close to Ye Chen.

"Get out of the way ladies, we will make him battered and unrecognizable" all the men tried to chase away the women who were close to Ye Chen.

"What are you saying, we won't let that happen" all women will not let these people succeed, they will do their best to protect Ye Chen.

"what, you guys want to challenge us" all the men are not happy with what happened, they want to fight.

"okay" the battle was inevitable, all the women started attacking the men while the men also started to fight back.

In the case that the number of women around was much greater, their strength wasn't weak either, so they could win very easily.

"Ahhh" in a matter of minutes, all the men have been defeated by the women, they defeated the enemy very quickly.

"They are so pitiful" Ye Chen was quite sorry for the man who provoked him, they learned a lesson quickly.

Ye Chen and Little Shen Niang had already left, they were hiding from the women chasing Ye Chen.

"how about we change places" Ye Chen invited Shen Niang to change places, they went to another place because this place was already very chaotic.

"I will go with you" Little Shen Niang said that she would go with Ye Chen wherever Ye Chen took her.

"That's great, then let's go." Ye Chen was pleased with little Shen Niang's understanding, he was quite happy that little Shen Niang could understand the situation and conditions that were going on.

Ye Chen took Shen Niang away from this place, they were looking for a place that was a bit far from the city center.

"Where is he going?" because Ye Chen disappeared, all the women immediately searched for the whereabouts of Ye Chen, they all searched for the whereabouts of Ye Chen who disappeared to nowhere.

They were looking for Ye Chen's whereabouts around this place, they didn't want to let Ye Chen go.

Ye Chen and little Shen Niang went to a shop that could make little Shen Niang feel happy.

Little Shen Niang saw all the new things she had never seen before, she tried everything that caught her eye.

Ye Chen gave little Shen Niang everything that little Shen Niang wanted, it could be said that Ye Chen spoiled little Shen Niang.

"Big brother, there seems to be danger approaching." Chu Ning'er informed Ye Chen that there was danger approaching.

Chapter 1857 A date invitation from Sun Xuanyin

"enemy?, where?" Ye Chen asked Chu Ning'er, he asked Chu Ning'er about the enemy she was referring to.

"She's nearby, the beautiful big sister that you are causing trouble for you" Chu Ning'er said to Ye Chen.

"She's here." Ye Chen certainly understood who Chu Ning'er was referring to.

"Little Shen Niang, you return to the fairy gate for the time being." Ye Chen told Chu Ning'er to enter the fairy for the time being.

"Why?" Little Shen Niang asked Ye Chen.

"Just listen to what I say, some evil woman will kidnap you if you come out" Ye Chen said to little Shen Niang.

"Is that true, then I will go." Little Shen Niang was scared, she went straight into the fairy gate after listening to what Ye Chen said.

"Big brother, you tricked her, fufufufu" Chu Ning'er smiled when she saw Ye Chen trick little Shen Niang.

"That's better, if that woman meets little Shen Niang, I don't know what she will do" Ye Chen didn't know what she would do if she saw little Shen Niang.

That woman would definitely not accept that her beauty was matched by Shen Niang's.

Shen Niang's beauty was formidable, she had the first beauty in the God Realm, so fighting her would be extremely difficult.

"Ye Chen, you are here" a while later Ye Chen heard a melodious voice from the back.

Without looking, Ye Chen could tell who he was talking to.

"Oh you, what are you doing in this place?" Ye Chen asked Sun Xuanyin, he wanted to know what Sun Xuanyin was doing in this place.

Sun Xuanyin came and looked for Ye Chen, Ye Chen didn't know what this woman wanted.

"Why are you so cold?" Sun Xuanyin sighed, Ye Chen was still quite cold to her.

Even though Sun Xuanyin was already well-dressed, but somehow she still couldn't attract Ye Chen's interest.

"This man is so annoying" why did Sun Xuanyin have to do this, why would she bother to beautify herself like this.

The answer was very clear, Sun Xuanyin didn't like it when a man didn't submit to her beauty, she didn't like things like this the most.

For this small reason, Sun Xuanyin continuously chased after Ye Chen and made Ye Chen admit her.

"When did I do that?" Ye Chen pretended not to know, he pretended not to know what Sun Xuanyin said.

It would be quite a troublesome matter for Ye Chen if he answered what Sun Xuanyin said.

Sun Xuanyin slightly gripped her hand, trying to contain her anger.

"So what are you doing here?" Ye Chen asked Sun Xuanyin again.

Ye Chen had not yet received an answer from Sun Xuanyin, he wanted to know why Sun Xuanyin was here.

"I just happened to be passing by and met you, so I greeted you," said Sun Xuanyin to Ye Chen.

"Obviously a lie" In his heart Ye Chen couldn't believe what Sun Xuanyin had said, it was clear that this woman had lied to Ye Chen.

"Oh I see, then I'll go first." Since there was nothing else, Ye Chen would leave.

"-_- " Sun Xuanyin's face started to turn dark and helpless, this was the umpteenth time she had been rejected by Ye Chen.

Sun Xuanyin had never been rejected to this extent, this was the first time someone had rejected her and stayed away from her.

Without waiting for a reply from Sun Xuanyin, Ye Chen intended to leave this place immediately.

"Wait a minute" as expected of Sun Xuanyin, she didn't let Ye Chen go, she didn't let Ye Chen go just like that.

Sun Xuanyin restrained Ye Chen from leaving this place.

This was a super rare and unheard of sight, the goddess Sun Xuanyin actually restrained Ye Chen from leaving.

Usually it was someone else who would restrain Sun Xuanyin from leaving, this time it was Sun Xuanyin's turn to restrain Ye Chen from leaving this place.

"What is it?" Ye Chen asked Sun Xuanyin.

"Would you like to go for a walk with me?" Sun Xuanyin said to Ye Chen, Sun Xuanyin tried to get Ye Chen to walk with her.

"I'm a little busy preparing for the God Realm competition." Ye Chen was still Ye Chen, he was very good at finding excuses.

"Come on, it's only for a moment," said Sun Xuanyin to Ye Chen.

Sun Xuanyin did not give up, she was still trying her best to invite Ye Chen.

Sun Xuanyin no longer cared about what happened, she should be able to get Ye Chen.

"Just watch I'll make you kneel down." Sun Xuanyin wouldn't let Ye Chen act as she pleased, she would make Ye Chen submit to her.

If she couldn't make this man submit, then she wasn't Sun Xuanyin.

"I told you I was busy," Ye Chen said to Sun Xuanyin.

Ye Chen was busy, so Ye Chen didn't have time to accompany Sun Xuanyin.

Sun Xuanyin's face started to twitch, she was again rejected by Ye Chen.

"How much will you reject this young lady, don't you know that this young lady is the most beautiful woman?" Sun Xuanyin said in her heart.

Sun Xuanyin was starting to lose her temper, she was starting to lose her temper when facing Ye Chen.

It was possible that Sun Xuanyin would use unreasonable means to deal with Ye Chen.

Women are strange creatures, they can do things that are beyond common sense if the situation is against their will.

"Looks like this is enough, time to get serious." Sun Xuanyin felt that this was enough, it was time to take Ye Chen even more seriously.

Sun Xuanyin would do something that would make Ye Chen want to obey her.

Sun Xuanyin used her Charm, herself attracting all the men within the radius to come to this place.

In a short amount of time, Sun Xuanyin was already able to draw countless men close.

"sob. . . , sob. . . , sob. . . , after attracting men's attention, Sun Xuanyin started acting and making Ye Chen look as if he had been mean to her.

"What are you doing?" Ye Chen said to Sun Xuanyin.

Ye Chen had a bad feeling, this woman must be plotting something against Ye Chen.

Ye Chen had already faced Sun Xuanyin several times, so he already knew what this woman was going to do.

Sun Xuanyin was very good at taking advantage of circumstances, she could take advantage of her surroundings to fight Ye Chen.

"How dare you make a woman cry, are you a man?" Several people came and lectured Ye Chen, they saw that Ye Chen was bullying Sun Xuanyin.

"There seems to be a bit of a mistake here, I never bully anyone" Ye Chen said that he had never bullied Sun Xuanyin.

"Then what is this?" People asked Ye Chen, people asked about the sad-looking Sun Xuanyin.

"I don't know either, maybe he has an abnormality" Ye Chen said to the people in front of him

Ye Chen said that Sun Xuanyin might have an abnormality.

"cough. . ." Sun Xuanyin faltered slightly, she didn't expect Ye Chen to say such a thing.

"this man is indeed the worst" Sun Xuanyin said in her heart

Chapter 1858 Expose Sun Xuanyin's identity

"How can you say something like that, when our relationship is fine, do you already have another woman outside and don't care about me anymore?" Sun Xuanyin said to Ye Chen.

Sun Xuanyin was a woman, she naturally could easily misunderstand Ye Chen.

When a woman played her role well, then it could lead others to misunderstand, and Sun Xuanyin used this to frame Ye Chen into making Ye Chen a public enemy.

"Now you have no way back." Sun Xuanyin was happy, Ye Chen had no way back, Ye Chen's escape route was blocked by Sun Xuanyin.

"Humph. . ." Ye Chen sighed, even though he was hoping to have a beautiful day, but it didn't happen, this woman came and ruined everything.

"You've ruined my fun day, maybe I should pay back a bit for what happened." Ye Chen wasn't going to stay silent, he had to take immediate action to deal with Sun Xuanyin.

"Okay, I'm sorry." Ye Chen said to Sun Xuanyin, Ye Chen apologized to Sun Xuanyin.

Ye Chen actually didn't want to do this, Ye Chen was just forced to do this.

"Okay I will forgive you, but in exchange, you must come with me" Sun Xuanyin said to Ye Chen.

Sun Xuanyin was happy, she had her first win with Ye Chen.

Ye Chen had predicted this, it was Sun Xuanyin's goal to anger Ye Chen.

"Okay" Ye Chen agreed, he agreed very quickly.

"Relax, I'll be back in a minute." Ye Chen tried to calm his heart, he tried to win over his heart that was not happy with what Sun Xuanyin had done.

"Let's go" Sun Xuanyin took Ye Chen away, she took Ye Chen's hand and led him away.

Ye Chen and Sun Xuanyin left the people gawking, they all didn't know what was happening, they were confused by what Sun Xuanyin and Ye Chen were doing.

These people didn't realize that they were only being used by Sun Xuanyin, they hadn't realized that Sun Xuanyin was only using them to get close to Ye Chen.

"What a shame, if I wasn't in disguise I wouldn't have done that." If Sun Xuanyin had not disguised herself, she would not have used that method.

If this was a normal Sun Xuanyin, she would have directly taken Ye Chen by force, Sun Xuanyin was the type of person who preferred to use strength and charm when the situation was not on her side.

Ye Chen could only be dragged away by Sun Xuanyin, he did not put up any resistance to Sun Xuanyin.

Sun Xuanyin took Ye Chen around, she took Ye Chen to various places in the city and looked around.

Sun Xuanyin was different from normal women, not many things were capable of attracting her interest.

"where do you come from?" Sun Xuanyin asked Ye Chen, she wanted to know where Ye Chen came from.

"I come from a very far away place." Ye Chen told that he was from a very far away place.

" where's that?" Sun Xuanyin was curious, she wanted to know where Ye Chen came from.

"It's a secret" Ye Chen said to Sun Xuanyin, Ye Chen wouldn't say where he came from, he telling origins would be very dangerous.

Sun Xuanyin pouted, Ye Chen tried to hide what was happening from her.

"How annoying" Sun Xuanyin was getting annoyed, she wanted to know where this bad boy came from.

"You are very stingy," said Sun Xuanyin to Ye Chen.

"You yourself are impolite for asking such a thing" Ye Chen replied to what Ye Chen said.

Sun Xuanyin was silent, she seemed to have a hard time responding to Ye Chen's words.

What Ye Chen said was true, she seemed impolite to ask Ye Chen's secret.

Even though it was impolite, Sun Xuanyin was still curious, she was still very curious about Ye Chen.

This person must be hiding something from her, Sun Xuanyin was absolutely certain.

"how should I deal with him formal approach and Charm doesn't work on him, even at this distance I still can't afford to influence him" Sun Xuanyin was still unable to influence Ye Chen, this man's mental strength was very strong.

After thinking for a while, Sun Xuanyin had an idea to deal with Ye Chen.

"Oh yeah, about what happened that time, is that the reason you are afraid of women?" Sun Xuanyin said to Ye Chen.

"-_- " Ye Chen was silent, this woman was trying to mention what happened at the bathhouse.

"Not really, I already told you that I have someone" Ye Chen said to Sun Xuanyin.

Ye Chen had Xia Qingyu, so Ye Chen had a reason to deny Sun Xuanyin's words.

"Does your fiancée know that you have something small down there?" Sun Xuanyin said to Ye Chen.

Ye Chen looked at Sun Xuanyin, it seemed that Sun Xuanyin was trying to provoke Ye Chen.

"what's the purpose" Ye Chen wanted to know the purpose of Sun Xuanyin, he wanted to know the purpose of Sun Xuanyin saying this.

"Why, it doesn't matter to us." Ye Chen said that it wasn't a big problem.

"You may say that, but women are unpredictable sometimes," said Sun Xuanyin to Ye Chen.

Sun Xuanyin said that while women are not predictable, Ye Chen fiancée might not like this.

"I know her very well, so she definitely won't mind this." Ye Chen had already shown his possessions to Xia Qingyu, Xia Qingyu was even surprised by Ye Chen's.

From the beginning Ye Chen had hidden his younger brother below, he thought that Sun Xuanyin wouldn't be interested in him, but in reality this woman was still approaching him.

"I have to think of a way to get rid of her." Ye Chen thought of a way to expel Sun Xuanyin.

"But you seem unaccustomed to such mature things, do you work as a comfort woman?" Ye Chen asked Sun Xuanyin.

Sun Xuanyin's smile immediately disappeared, it was obvious that Sun Xuanyin was displeased when Ye Chen compared herself to a comfort woman.

"What are you saying, I'm not like that." Sun Xuanyin said that she wasn't like that.

"Really, why don't I believe it, I feel you like that" Ye Chen couldn't believe it, he was sure that Sun Xuanyin was indeed that kind of woman.

If previously Sun Xuanyin wanted to corner Ye Chen, this time it was Ye Chen's turn to corner Sun Xuanyin, how would Sun Xuanyin fight Ye Chen when Ye Chen brought up this matter.

"I am a woman from the upper class, do you think I would do that" Sun Xuanyin said to Ye Chen.

"Why not, you should know that we are only middle-class stars, there are still strong people above us, just an example Eternal Sun Star Realm," Ye Chen said to Sun Xuanyin.

"ummm" when Ye Chen said about the Eternal Sun Star Realm, Sun Xuanyin immediately sounded the alarm.

"Does he know that I am from the Eternal Sun Star Realm?" Sun Xuanyin immediately became a little wary when Ye Chen said that.

"Why are you surprised like that?" Ye Chen said suspiciously at Sun Xuanyin.

"Nothing." Sun Xuanyin tried to hide this matter from Ye Chen.

"Don't tell me you are. . ." Ye Chen said as he looked at Sun Xuanyin.

"No, it's not what you think." Sun Xuanyin tried to explain to Ye Chen.

Sun Xuanyin tried to explain what happened to Ye Chen.

Chapter 1859 Avenge Sun Xuanyin (1)

"Why do you look so panicked? , I haven't even said it yet" Ye Chen said to Sun Xuanyin.

Ye Chen still hadn't said about Sun Xuanyin's identity, he still hadn't guessed where Sun Xuanyin came from.

" that. . ." Sun Xuanyin was getting caught, she was getting caught by what Ye Chen said.

"This man, how could he think such a thing" Sun Xuanyin was quite surprised when she saw Ye Chen say such a thing, how could Ye Chen know about her origins.

"Are you related to the Eternal Sun Star Realm?" Ye Chen said to Sun Xuanyin.

Ye Chen started to guess where Sun Xuanyin came from, he said that Sun Xuanyin was from the Eternal Sun Star Realm.

Sun Xuanyin was very surprised, she was really shocked when she heard what Ye Chen said.

"Does he already know my origins, that can't be the case." Sun Xuanyin couldn't believe that Ye Chen found out about her origins, Sun Xuanyin had tried her best not to be too flashy.

"How could I come from such a place?" Sun Xuanyin said to Ye Chen, she told Ye Chen that she couldn't be from the Eternal Sun Star Realm.

"Yeah you're right, you can't be from the Eternal Sun Star Realm, when compared to you the Sun goddess is much better, it can't be" Ye Chen said again.

Sun Xuanyin was speechless, she was speechless when she listened to Ye Chen's next words.

"Is this a coincidence?" Sun Xuanyin looked at Ye Chen, whether this was a coincidence or was it on purpose.

"He shouldn't know me, my disguise can't be easily seen by ordinary people." Sun Xuanyin was confident in her disguise, there was no way other people would notice that this was Goddess Sun who was one of the beautiful goddesses in the God Realm.

"Never mind, I've never seen it myself." Ye Chen said to Sun Xuanyin.

"You have never seen the Sun goddess?" Sun Xuanyin asked Ye Chen, Sun Xuanyin was relieved when she heard this, Ye Chen probably guessed at random.

"Not yet." Ye Chen answered Sun Xuanyin's question.

"Then you are very lucky" Sun Xuanyin said to Ye Chen.

" what do you mean ?" Ye Chen asked Sun Xuanyin, Ye Chen didn't know what Sun Xuanyin meant.

Whereas now Sun Xuanyin was right in front of him and was talking to Ye Chen.

"I heard that she is very beautiful, she drives all men crazy, if you see her then maybe you will not be happy with the woman you have" Sun Xuanyin said to Ye Chen.

Now was the time for Sun Xuanyin to boast of herself in front of Ye Chen, she boasted of her beauty in front of Ye Chen.

"I don't believe in that" Ye Chen said that he didn't believe in this.

"What do you mean, don't you believe in this?" said Sun Xuanyin in an annoyed tone, Sun Xuanyin felt irritated when she saw Ye Chen underestimate her.

As a beautiful goddess, Sun Xuanyin would naturally get angry when someone dared to doubt her beauty.

"I wouldn't believe such a thing, I haven't seen it myself" Ye Chen said to Sun Xuanyin, Ye Chen hadn't seen it himself so he wouldn't believe what Sun Xuanyin said.

"This man, he is so annoying." Sun Xuanyin could feel that Ye Chen was so annoying, this man was so annoying.

Sun Xuanyin already couldn't stay still, she had to do something about Ye Chen.

"Come with me quickly" Sun Xuanyin took Ye Chen, she took Ye Chen to go to a place.

Sun Xuanyin took Ye Chen to a restaurant, they booked a private place for two.

"Why did you bring me to this place, do you want to treat me to a meal?" Ye Chen said to Sun Xuanyin.

"Of course, I'll treat you to some food, plus I'll make you taste something you haven't tasted yet." Sun Xuanyin said to Ye Chen.

"Sun Xuanyin doesn't accept Ye Chen's self-esteem being humiliated, that's why she will let Ye Chen know what her abilities are.

While waiting for the food to be ready, Sun Xuanyin started to tease Ye Chen, Sun Xuanyin used her feet to tease Ye Chen.

Sun Xuanyin's legs started to rise upwards, she started to tease Ye Chen with her feet.

Ye Chen tried to get rid of Sun Xuanyin's legs that were trying to tease him.

Sun Xuanyin didn't give up, she kept teasing Ye Chen with her skills.

Sun Xuanyin's temptation this time was unbearable, Ye Chen had a bit of trouble when he was teased by Sun Xuanyin.

"So she started to show her fangs" Ye Chen saw that Sun Xuanyin started to show his fangs to Ye Chen.

Sun Xuanyin smiled at Ye Chen, she gave Ye Chen a meaningful smile.

"You definitely can't stand the feelings I give you." Sun Xuanyin was sure that Ye Chen couldn't stand her technique.

Ye Chen held back, himself not showing any signs of being excited as Sun Xuanyin expected.

Sun Xuanyin was starting to get disappointed, she was starting to get disappointed when she saw what had happened.

This was different from what Sun Xuanyin expected, Ye Chen didn't show any signs of being excited when he gave such a temptation.

If these were normal men, they should feel happy when they received temptation from Sun Xuanyin.

But because it was Ye Chen, he was not easily seduced by Sun Xuanyin.

"Get rid of your feet" Ye Chen said to Sun Xuanyin, Ye Chen told Sun Xuanyin to get rid of his feet.

"I don't want to" Sun Xuanyin said to Ye Chen, she told Ye Chen that she didn't want to stop.

"You are a troublesome woman." Ye Chen said directly to Sun Xuanyin, he telling that Sun Xuanyin was a troublesome woman.

"thank you for the compliment" was not what Ye Chen expected, Sun Xuanyin actually felt happy when she received Ye Chen's compliment.

"Master, it seems that you run into trouble when I'm not around." Chu Yuechan said to Ye Chen, she said to Ye Chen in a sweet tone.

"You're back, how did it go?" Ye Chen asked Chu Yuechan, he wanted to know the result that Fu Lanling got.

"Everything went very smoothly" Chu Yuechan said that everything went very well "Fu Lanling is now very strong and is already at the 8th level of the Divine Overlord Realm.

"Oh that's great" Ye Chen was happy when he heard this news, Fu Lanling now could be on par with Zhao Yanyan and Ye Chen's other women.

"By the way this woman is trying to seduce you, why don't you return it" Chu Yuechan said to Ye Chen.

Chu Yuechan asked Ye Chen, she wanted to know why Ye Chen didn't fight back.

"I'm looking for the right time" Ye Chen said that he was looking for the right time.

"Are you sure about that, aren't you still stuck at the peak level of Divine Preceptor Realm, if you can absorb Yin Qi from Nine Heaven Pure Yin Body, maybe you will overcome the congestion" Chu Yuechan said.

What Ye Chen said became the truth, Ye Chen was stuck at the peak level of the Nine Heavens Pure Yin Body, even though he had dual cultivation with many women, Ye Chen still couldn't advance to the Divine Overlord Realm.

Ye Chen previously thought he would be able to advance to the Divine Overlord Realm level after Dual Cultivation with Qiao Xin, but in reality he couldn't do that.

Ye Chen was still stuck at his current level.

Chapter 1860 Avenge Sun Xuanyin (2)

"This woman is a little troublesome, but maybe it's a good idea" Ye Chen might do it, it's not a bad idea and can be used by Ye Chen.

Ye Chen needed an increase in strength, he needed a lot of strength to defeat a strong person who controlled the God Realm.

"Are you unwilling to take revenge on this woman?" Chu Yuechan asked Ye Chen.

"No need to ask anymore, I naturally want to take revenge" Ye Chen naturally wants revenge, Ye Chen has many grievances with Sun Xuanyin.

"Then now is the right time, instead of crippling it, you can use it" Chu Yuechan said to Ye Chen.

"You are quite cruel too" Ye Chen said to Chu Yuechan, Ye Chen did not expect that Chu Yuechan would think such a cruel thing.

"But training her would be quite difficult, she is quite an ambitious woman" training Sun Xuanyin would be quite difficult, this woman would definitely put up a fight against Ye Chen.

"You don't believe in yourself, with the abilities you have now, you should be able to do that" Chu Yuechan said to Ye Chen.

Chu Yuechan told Ye Chen to give it a try, he told Ye Chen to try to train and make Sun Xuanyin a servant.

"I will accept this challenge" Ye Chen will accept this challenge, it is time for Ye Chen to repay Sun Xuanyin.

As much as Ye Chen would try to hide his identity, he should be able to hide his identity well.

Sun Xuanyin's attacks started to become aggressive, this woman started to attack Ye Chen's younger brother with her legs.

Under the foot table Sun Xuanyin teased little brother Ye Chen, Sun Xuanyin's skills could be said to be excellent, she possessed above average techniques and skills.

This was the first time that a woman had teased Ye Chen under the table, only Sun Xuanyin would dare to do this to Ye Chen.

"What's wrong, are you happy?" Sun Xuanyin asked Ye Chen, Sun Xuanyin was confident in her abilities, she could definitely excite Ye Chen with her skills.

"Is this all you can do?" Ye Chen said in an arrogant tone, he looked unfazed by Sun Xuanyin.

"Impossible, I can't believe you weren't affected." Sun Xuanyin couldn't believe that Ye Chen wasn't affected by the stimulation of her feet.

"Try again harder" Ye Chen told Sun Xuanyin to try even harder.

Ye Chen's words made Sun Xuanyin feel challenged, Sun Xuanyin felt challenged by Ye Chen's words.

"Then be prepared." Sun Xuanyin was about to use her skills, she used her power to make Ye Chen feel happy.

Sun Xuanyin used Eternal goddess heart silk Art, this was a high level technique that could easily ensnare men.

"I will use my full strength, I hope it works." Sun Xuanyin hoped that it would work.

last time his Charm didn't work, this time it should be a direct touch to make Ye Chen fall.

Ye Chen could feel Sun Xuanyin using the Dual Cultivation technique on him, a strong current began to enter Ye Chen's body.

Ye Chen's body started to get excited, he felt much more excited than usual.

" how?" Sun Xuanyin said to Ye Chen, she told Ye Chen what he was feeling right now.

"I feel strange." Ye Chen said to Sun Xuanyin, he felt a strange feeling.

Sun Xuanyin smiled, this time she managed to excite Ye Chen, now what Ye Chen can do, Ye Chen will not be able to fight it.

Sun Xuanyin further increased her strength, her legs gently teasing Ye Chen's little brother.

"This is a little worse than I imagined, it seems I have to fight back" This is much worse than Ye Chen thought, Sun Xuanyin has good skills.

Sun Xuanyin smiled, she was enjoying this very well.

"Now do you dare to doubt this woman" Ye Chen shouldn't have dared to underestimate Sun Xuanyin, Sun Xuanyin was a Succubus who could seduce men to the bone.

"I don't know, why I like playing with this man." Sun Xuanyin felt very happy when she played with Ye Chen, she was very happy when she played with Ye Chen.

Sun Xuanyin already thought that Ye Chen was her toy, she had a lot of fun playing Ye Chen.

"hehe, I can't wait to train you" Sun Xuanyin couldn't wait to train Ye Chen, she was very impatient in training Ye Chen.

Ye Chen still didn't know about Sun Xuanyin's thoughts, if he knew, then Ye Chen would definitely do the opposite to Sun Xuanyin.

"You don't have to endure it, I will teach you how to be a real man" Sun Xuanyin said to Ye Chen.

Ye Chen was going to teach Ye Chen how to become a real man, he couldn't wait to teach Ye Chen the best way to become a real man who obeyed Sun Xuanyin's orders.

Rather she would make Ye Chen into a pet who would do whatever Sun Xuanyin wanted.

"Can you stop?" Ye Chen said to Sun Xuanyin, Ye Chen told Sun Xuanyin to stop, he now looks weak and helpless.

"Didn't you ask for it yourself, now I won't stop" Having already felt the upper hand, Sun Xuanyin refused to stop, herself refusing to stop teasing Ye Chen.

Everyone has come this far, there's no way Sun Xuanyin will stop when the situation gets to this point.

This was the perfect time to bring down the overbearing Ye Chen against her.

"Ahhh. . ." Ye Chen couldn't stand it, he tried to hold Sun Xuanyin's leg.

"It's useless, you won't succeed" Sun Xuanyin smiled evilly, Ye Chen would not succeed in resisting his attack.

"Looks like it's time to fight back" Ye Chen felt that this was the right time to fight back.

Ye Chen used the Passion Goddess technique to face the Eternal goddess heart silk Art, he did this to win against Sun Xuanyin.

Ye Chen touched Sun Xuanyin, this time Ye Chen used his feet and started flirting.

Sun Xuanyin's smile immediately changed when she felt Ye Chen's feet, she didn't expect that Ye Chen would be so bold like this.

"You what are you doing. ., Ahhh. . ." Sun Xuanyin felt pleasure in her body, once again this man touched her sensitive spot.

"No way, how could he find every sensitive spot of mine" Sun Xuanyin couldn't believe what was happening, how could Ye Chen find her sensitive spot so easily.

"you . . ., stop right now." Sun Xuanyin told Ye Chen to stop right now.

This time it was Sun Xuanyin's turn to tell Ye Chen to stop, she couldn't stand Ye Chen's temptation.

Sun Xuanyin's arrogance quickly collapsed, she did not become arrogant in front of Ye Chen.

"I'm just repaying what you did" is it wrong Ye Chen said to Sun Xuanyin.

"Of course it's wrong." Sun Xuanyin said that what Ye Chen did was a mistake.

Sun Xuanyin couldn't defend against Ye Chen's counterattack.

"Then what you did earlier was not wrong," Ye Chen replied to Sun Xuanyin.

Ye Chen's movements were still chaotic, even though it was chaotic it still caused Sun Xuanyin to run into trouble.

"What the hell, there's no way I could lose to an inexperienced person." Sun Xuanyin couldn't believe that she would lose to an inexperienced person like Ye Chen.
