

**Chapter 1861 Avenge Sun Xuanyin (3)**

"I can't let him win" Sun Xuanyin would not let Ye Chen win, rather she would never let Ye Chen dominate over her.

Sun Xuanyin stepped forward, herself pushing Ye Chen down, her goal was to defeat Ye Chen.

"You may as well, but this young lady will not be easily defeated" Sun Xuanyin said to Ye Chen.

Sun Xuanyin preferred to dominate, herself preferred to dominate someone.

"You are very aggressive." Ye Chen said to Sun Xuanyin, this woman is very aggressive.

"Of course." Sun Xuanyin was indeed aggressive, she was extremely aggressive because of Ye Chen's stimulation.

"Ye Chen's stimulation just made Sun Xuanyin feel excited, Sun Xuanyin was very excited by Ye Chen's stimulation.

Sun Xuanyin couldn't take it anymore, she wanted to immediately fight Ye Chen with her skills.

"If you look closely, he is handsome." Sun Xuanyin saw that Ye Chen was very handsome, this man was actually very handsome.

"I have decided, I will make him a loyal servant." Sun Xuanyin had already decided to make Ye Chen a loyal servant.

Sun Xuanyin kissed Ye Chen, she kissed Ye Chen and started to tease Ye Chen.

Ye Chen was quite surprised by Sun Xuanyin's attack, this woman attacked him all of a sudden.

Honestly, Ye Chen was quite surprised when he saw Sun Xuanyin attack him suddenly, Ye Chen thought that Sun Xuanyin would not do that.

"She started to eat the bait" Ye Chen saw that Sun Xuanyin started to eat the bait that Ye Chen gave, now Ye Chen can start attacking Sun Xuanyin.

Ye Chen would not hold back, he would no longer hold back against Sun Xuanyin.

Ye Chen started to show his abilities, he started to become entangled with Sun Xuanyin.

Even though Ye Chen couldn't use his full strength, at least Ye Chen could still make Sun Xuanyin feel happy with the skills he had.

"This is very good." Sun Xuanyin was very happy, she felt that Ye Chen was very good.

This feeling was the best that Sun Xuanyin had ever felt, she was overjoyed by the feeling of kissing Ye Chen.

"Damn I'm starting to like this" Sun Xuanyin started to feel worried, she started to like kissing Ye Chen with her mouth.

"I want more" without Sun Xuanyin noticing, she wanted more when she kissed Ye Chen.

Sun Xuanyin turned very aggressive, she became very aggressive once when facing Ye Chen.

Ye Chen was still holding himself back, he still hadn't shown his full strength, Ye Chen could still be said to be holding back.

If Ye Chen didn't hold back, then Sun Xuanyin would definitely realize that Ye Chen was very experienced and he might be wary.

Ye Chen had to be able to make Sun Xuanyin stop being wary of him, which was why Ye Chen had to pretend to be weak and ignorant about this.

"How are you happy?" Sun Xuanyin asked Ye Chen.

"This is great." Ye Chen started to show his enthusiasm when Sun Xuanyin gave him a kiss.

"fufufufu, it seems that you are more obedient now." Sun Xuanyin was happy about this, Ye Chen was now much more obedient, she really liked seeing Ye Chen being obedient.

Ye Chen actually didn't want to do this kind of thing, but in order to make Sun Xuanyin feel the consequences, he was willing to do this.

"do you want more?" Sun Xuanyin asked Ye Chen, Sun Xuanyin teased Ye Chen, she showed her true nature right in front of Ye Chen.

"Umm" Ye Chen nodded at Sun Xuanyin, he said that he wanted more.

"Very good, I like obedient men." Sun Xuanyin was pleased with obedient men.

" knock . . .nock . . .nock . . .nock . . ." While the two were inside their own world, a knock came from outside.

"Who?" Sun Xuanyin asked, herself asking about the person outside.

"Miss we deliver the food" the waiter outside said that they were the waiters who came to deliver the food.

"Prepare a room for you and put all the food there." Sun Xuanyin changed the order, she booked a room inside this place.

Sun Xuanyin had already paid in advance, so the waiter could not refuse Sun Xuanyin's request.

"Come on, let's go" Sun Xuanyin took Ye Chen, she took Ye Chen's hand towards a room.

It was obvious that Sun Xuanyin was impatient, she wanted to eat Ye Chen immediately.

The current Ye Chen looked like a very tasty prey, it wasn't strange that Sun Xuanyin was attracted to Ye Chen.

Ye Chen's acting was excellent, he managed to make Sun Xuanyin think that he was a young man who was incompetent in love.

So Sun Xuanyin wanted to quickly make Ye Chen into a loyal person who would serve her well.

The service here was very fast, in no time they had prepared a room for Ye Chen and Sun Xuanyin.

"This place isn't bad." Sun Xuanyin seemed satisfied with the room she was given, although it wasn't the best, at least it was enough.

"Now no one will bother me anymore" from here on out, no one would bother her and Ye Chen anymore.

Sun Xuanyin started to take off her clothes, she easily took off her clothes and showed a nice body.

Ye Chen had seen Sun Xuanyin's body, Ye Chen already knew that Sun Xuanyin had a very beautiful and seductive body.

normal men would definitely not be able to put up with this, they would definitely not be able to stand it when they saw Sun Xuanyin's splendid body.

Ye Chen himself actually found it difficult, if not with strong determination, he might have fallen a long time ago.

"Why are you dumbfounded, am I beautiful?" Sun Xuanyin asked Ye Chen.

"yes, you are beautiful" Ye Chen tried to praise Sun Xuanyin, the best way to make women feel happy is to praise them.

"Very good." Sun Xuanyin was very happy, she was very happy with what Ye Chen said.

Sun Xuanyin felt very happy when she heard Ye Chen's words, she was very happy with the words that came out from Ye Chen.

"Then I will give you a present." Sun Xuanyin said that she would give Ye Chen a present.

Sun Xuanyin helped Ye Chen in taking off the clothes he had, she helped take off all the clothes that were on Ye Chen's body.

In a short time, the clothes on Ye Chen's body had already been removed.

"The bottom here is really cute" Sun Xuanyin said to Ye Chen, she told Ye Chen that the bottom is cute.

Ye Chen was still hiding the strength of his younger brother, he would not expose his younger brother's strength to Sun Xuanyin.

Sun Xuanyin started to play with things under Ye Chen, she used her hands and started to play with Ye Chen's.

because of its small size, Sun Xuanyin easily played with Ye Chen's.

"This is fun." Sun Xuanyin was happy, playing with Ye Chen's thing was fun.

"How do you feel comfortable?" Sun Xuanyin asked Ye Chen, Sun Xuanyin wanted to know how Ye Chen would react.

It should have made Ye Chen feel a great feeling when Sun Xuanyin used her hand.

"This is strange" Ye Chen said to Sun Xuanyin, he told Sun Xuanyin that this felt very strange.

"Fufufu, soon you will feel much better." Sun Xuanyin said that Ye Chen would feel much better than now.

#### **Chapter 1862 Avenge Sun Xuanyin (4)**

Sun Xuanyin started to use her mouth to help Ye Chen's thing, she used it to help Ye Chen's thing.

Ye Chen once again sensed Sun Xuanyin's technique, although this time it was slightly different from before.

If only Ye Chen took out his true size, it would definitely be an extraordinary, Sun Xuanyin would definitely be blown away.

"Let her enjoy this first." Ye Chen let Sun Xuanyin enjoy this, let her have fun and let her guard down.

The best way against Sun Xuanyin was to make this woman lower her guard, that way Ye Chen could easily attack her.

"Slurp. . ." Sun Xuanyin let out a lewd voice, she sucked on Ye Chen's very strongly.

Sun Xuanyin's skill was excellent, Ye Chen felt an irresistible feeling from Sun Xuanyin's small mouth.

"This woman, she has strong skills." Ye Chen felt that Sun Xuanyin was much stronger than before, was it because she had already increased her abilities so that she could make Ye Chen feel at ease.

"hehehe, looks like you can't stand it anymore." Sun Xuanyin saw that Ye Chen couldn't take it anymore, he couldn't take it anymore when facing the service she gave.

Sun Xuanyin continued to increase her strength, she wanted to make Ye Chen happy and fell for Sun Xuanyin.

"Oh. . ." to reassure Sun Xuanyin that he was happy, Ye Chen let out a groan.

"You don't need to hold back" Sun Xuanyin said to Ye Chen, Sun Xuanyin told Ye Chen not to hold back anymore.

"You're really great." Ye Chen said that Sun Xuanyin was really great.

"Of course, I'm great, if you ask for more, then I will make you more comfortable." Sun Xuanyin said to Ye Chen.

"Please make me comfortable" Ye Chen said to Sun Xuanyin.

Ye Chen used Charm to bind Sun Xuanyin, he made Sun Xuanyin even more attracted to him.

"Your face is really really good, I can't stand it." Sun Xuanyin couldn't take it anymore, she really liked Ye Chen.

Sun Xuanyin pushed Ye Chen onto the bed, and started to climb onto Ye Chen's body.

From the position that Sun Xuanyin took, she wanted to lead Ye Chen, this woman was eager to show her strength and ability.

"are you ready?" Sun Xuanyin asked Ye Chen, Sun Xuanyin would show the true strength of a woman, Ye Chen would definitely feel the best from Sun Xuanyin.

"What are you going to do?" Ye Chen asked Sun Xuanyin, he looked like a very innocent person.

"Fufufufu, you will know" Sun Xuanyin said to Ye Chen, Ye Chen would know what he was doing.

Sun Xuanyin held Ye Chen's younger brother, he started to position Ye Chen's younger brother.

Since Ye Chen's was small, Sun Xuanyin found it difficult to match it.

"This is a little difficult" Sun Xuanyin said in her heart, Sun Xuanyin had a problem, she had a problem trying Ye Chen's thing.

After trying for a while, Sun Xuanyin finally succeeded in inserting the Ye Chen's little brother.

"This is strange." Sun Xuanyin felt strange, she felt that Ye Chen's was too small.

Sun Xuanyin looked at Ye Chen, she saw that Ye Chen's face looked very good.

"His face is really very handsome and cute" Sun Xuanyin felt happy just by looking at Ye Chen, she felt very happy when she saw Ye Chen's face.

"I'll start it" Sun Xuanyin was about to start, she started to show her skills.

Ye Chen began to feel a strong tightening of the walls of the Sun Xuanyin Cave, it actually squeezed Ye Chen's very strongly.

"This is great, he has something good down here." Ye Chen saw that Sun Xuanyin had something good down there.

He had good artifacts and could make Ye Chen feel happy and comfortable.

If Ye Chen wasn't holding back right now, perhaps he would have enjoyed this a lot.

"Do you like it?" Sun Xuanyin asked Ye Chen, Sun Xuanyin asked Ye Chen, she wanted to know what Ye Chen thought about doing Dual Cultivation together with him.

"This is very good." Ye Chen said to Sun Xuanyin that it was very good.

"If you will serve me every day, I will give you this every day," said Sun Xuanyin to Ye Chen.

This was a very opportune time for Sun Xuanyin, it was the best time for Sun Xuanyin to make Ye Chen obey her orders.

"No, I won't do that, I still have someone." Ye Chen said to Sun Xuanyin, he would not be easily defeated by Sun Xuanyin.

"fufufufu, very interesting, so you can still put up a fight." Sun Xuanyin was very interested, Ye Chen was still able to put up a fight.

Sun Xuanyin thought that Ye Chen had already lost, but apparently, he could still put up a fight against her.

"So you still haven't given up, well, let's make it even more interesting" As Ye Chen still refused to give up, Sun Xuanyin became more and more aggressive, she gave everything she had.

"Ugh. . ." Ye Chen started having problems, he started having problems when he was with Sun Xuanyin.

"This is really bad." Ye Chen saw that Sun Xuanyin had started to get serious, when Sun Xuanyin Ye Chen had a pretty big problem.

"You will definitely submit to me" said Sun Xuanyin to Ye Chen, Sun Xuanyin openly told Ye Chen that she would make Ye Chen submit.

Sun Xuanyin's waist movement was extremely fast, she used her above-average speed to make Ye Chen feel the most pleasant feeling in the world.

Sun Xuanyin started to suck Ye Chen's Yang Qi, she started to try Ye Chen's Yang Qi.

"His Yang Qi is quite good, I can make it a furnace for Dual Cultivation" When Sun Xuanyin felt that Ye Chen had good qualities, she immediately tried to turn Ye Chen into a furnace that Sun Xuanyin would use as she pleased.

"He started to move, this seems like a very good opportunity." Ye Chen saw that Sun Xuanyin was starting to move against him, which meant that this was a very good opportunity for Ye Chen to put up a fight.

Sun Xuanyin was enjoying Ye Chen's Yang Qi, she lowered her guard.

Ye Chen used his hand to touch Sun Xuanyin's waist, he did this and started an attack.

Ye Chen's younger brother who was below also started to enlarge and started to elongate to its original size.

"Ahhh. . ., what happened?" Sun Xuanyin felt that something was wrong, she felt that Ye Chen's had grown enormously and made Sun Xuanyin's stomach bulge a little.

Since Ye Chen's had returned to its normal size it was enormous, it wasn't strange that Sun Xuanyin felt full inside her body.

Sun Xuanyin first felt full, she felt that her brain was confused and unusable.

"That was really good, I want more" Ye Chen said to Sun Xuanyin.

Ye Chen started to make a move, he circulated the Passion Goddess technique to Sun Xuanyin.

"Ahhh. Sun Xuanyin let out a soft moan, she felt great pleasure from Ye Chen.

"What is this, this doesn't make sense" Sun Xuanyin started to lose her mind, she started to lose her mind when she was confused by Ye Chen's big thing.

Ye Chen no longer held back, he began to use his full strength in the face of Sun Xuanyin.

## Chapter 1863 Avenge Sun Xuanyin (5)

"Stop" Sun Xuanyin told Ye Chen to stop right now, Sun Xuanyin was not prepared for Ye Chen's attack.

"I can't stand it, you've made me excited" Ye Chen said to Sun Xuanyin.

Ye Chen made a powerful move, he penetrated to the very deep.

"Pah. . . , pah. . . , pah. . . , pah. . . , pah. . . ." Ye Chen's movement was very fast, voice sounded very loud.

"Ah. . ." Sun Xuanyin let out a very seductive voice, she let out a voice that was truly very seductive and excited Ye Chen.

Ye Chen felt very excited when he listened to Sun Xuanyin's voice, Ye Chen was getting stronger in carrying out Sun Xuanyin.

"Impossible, how did he become like this, it touched the very bottom" Sun Xuanyin couldn't believe what was happening.

Ye Chen had managed to touch the very depths of Sun Xuanyin's possession, Sun Xuanyin naturally felt an enormous threat from Ye Chen.

Sun Xuanyin tried to hold herself back, even though she tried to restrain herself, she still let out an extremely seductive voice.

"How do you like it?" Ye Chen asked Sun Xuanyin.

This time it was Ye Chen's turn to take the lead, he was now leading the battle.

"Stop right now." Sun Xuanyin told Ye Chen to stop right now.

"Why should I stop, aren't you enjoying this too?" Ye Chen said in an innocent tone.

"I'm not enjoying this, so hurry up and stop right now." Sun Xuanyin said that she wasn't enjoying this, so she wanted Ye Chen to stop.

Sun Xuanyin felt a dangerous feeling, if she continued like this, she would be in terrible danger.

Sun Xuanyin didn't want that to happen, she didn't want to be defeated by Ye Chen.

Sun Xuanyin didn't expect Ye Chen to be so big, how could Ye Chen do this.

"Did I just make it like this" possibility that previously Ye Chen had not been excited, now that Ye Chen has awakened, she made the unexcited Ye Chen become excited like this.

"But it's too big, I can't help it." The biggest problem was that Ye Chen was so big, it made Sun Xuanyin feel a mess.

Sun Xuanyin's confidence immediately dropped, she was no longer confident in facing Ye Chen.

Sun Xuanyin was initially very confident in her abilities, but now she was no longer confident in her abilities.

"This is very narrow." Ye Chen felt that Sun Xuanyin was getting tighter and tighter, this woman was getting tighter and made Ye Chen's bottom feel comfortable.

Because it was too comfortable, Ye Chen was more and more aggressive, he became very aggressive in carrying out Sun Xuanyin.

This naturally made Sun Xuanyin feel threatened, she couldn't resist Ye Chen's immense and extremely powerful strength.

Sun Xuanyin encountered such a powerful enemy that she was unable to withstand Ye Chen's attack.

Sun Xuanyin's mind started to blur, now she could only think of the pleasure that Ye Chen gave her.

"If it continues like this, then I will fall" if Sun Xuanyin continued like this, then sooner or later she would fall into Ye Chen's trap.

If that happened, then it would be a terrible thing, Sun Xuanyin could become Ye Chen's toy.

"I have to put up a fight." Sun Xuanyin intended to put up a fight against Ye Chen.

Sun Xuanyin used the Eternal goddess heart silk Art to attack Ye Chen, she tried to absorb Ye Chen's Yang Qi and make Ye Chen fall.

Ye Chen Yang Qi began to be absorbed very quickly by Sun Xuanyin.

"what are you doing?" Ye Chen asked Sun Xuanyin, Ye Chen put on a very innocent face, he seemed to know nothing about what was going on.

"This is your fault, I will dry you out." Sun Xuanyin regained her confidence, she was going to make Ye Chen dry.

"Very rich Yang Qi" Sun Xuanyin felt that Ye Chen's Yang Qi was extremely rich, he had a huge amount of Yang Qi and made Sun Xuanyin feel full.

"It's not that easy." Ye Chen wouldn't let Sun Xuanyin succeed so easily, he used the Passion Goddess technique to counterattack.

"uh. . .! ! !, what happened!" Sun Xuanyin looked utterly shocked, she seemed utterly shocked by what had happened.

Sun Xuanyin could no longer absorb Ye Chen's Yang Qi, instead the Yin Qi in her body was rapidly diminishing.

"What are you doing to me?" Sun Xuanyin was so shocked by what had happened, she saw that something unreasonable had happened.

"he reversed my power, no way" Sun Xuanyin couldn't believe it, how could Ye Chen reverse her power.

Sun Xuanyin's Eternal Goddess Heart Silk Art is so powerful, nothing should be able to reverse its effect.

Sun Xuanyin didn't know that Ye Chen had the Passion Goddess technique yet, this was one of the things that made Ye Chen invincible.

"I'll have fun and make her fall into a pit where she won't be able to come back again" Ye Chen was going to make Sun Xuanyin fall, this woman would feel something she would never forget.

"Don't do that" because her Yin Qi was sucked by Ye Chen, Sun Xuanyin finally started to panic, she became helpless and started to fear Ye Chen.

"This is so much fun, let's have fun." Ye Chen was happy, he would not stop and would continue to do Sun Xuanyin.

"Noooooooooooooooo . . ." Sun Xuanyin shouted quite loudly, it was obvious that she could no longer hold on.

Ye Chen's massive object drove Sun Xuanyin crazy, plus Ye Chen's super powerful technique had Sun Xuanyin brought to the highest level she had never reached.

"This is too great, I can't go back anymore" Sun Xuanyin had already tasted the greatest thing, she couldn't possibly come back, it was obvious that this was the heaven on earth that Sun Xuanyin had become addicted to.

Sun Xuanyin's defenses began to crumble, her mind was completely controlled by the passion she felt when she was with Ye Chen.

"more" Sun Xuanyin asked Ye Chen for more, she started to obey and only wanted Ye Chen to do her.

"You should ask for better" Ye Chen told Sun Xuanyin to ask for better.

"Honey, please more, I need more." Sun Xuanyin had already started to lose control, the Passion Goddess technique made her unable to think normally and she was now completely under Ye Chen's control.

"Since you are so obedient, your master will give you a gift." Since Sun Xuanyin was obedient, Ye Chen gave Sun Xuanyin a gift.

Ye Chen used his best skills, Ye Chen's piston movement was very fast and powerful, it hit Sun Xuanyin's most sensitive point.

"ahhhhhh" Sun Xuanyin reached the peak, she reached the peak very easily.

"This is too great." Sun Xuanyin was overjoyed, her mind was now only filled with Ye Chen, she was completely infatuated with Ye Chen.

"The day is still long, I will make her really fall" Ye Chen will make the goddess under him fall, he will train Sun Xuanyin and make him feel the most comfortable feeling.

"Master is terrible." Chu Yuechan saw that Ye Chen was quite terrible, he made Sun Xuanyin helpless.

Sun Xuanyin who was a goddess in God Realm and a dangerous seducer easily fell into Ye Chen's hands, she had no resistance under Ye Chen's thing.

"well he has a terrible thing, all women definitely can't stand it" with something as great as that, no one would be able to defend against Ye Chen.

### **Chapter 1864 Sun Quan's grand plan**

Ye Chen gave Sun Xuanyin various orders, Ye Chen gave Sun Xuanyin various orders and told her to do whatever he wanted.

Sun Xuanyin couldn't fight back, she didn't have the strength to fight Ye Chen.

Sun Xuanyin had already lost, she couldn't win against Ye Chen who had such terrifying strength, Ye Chen's strength was too strong and it was extremely difficult for Sun Xuanyin to fight.

Sun Xuanyin was already like a wrecked ship that was hit by a storm, she was completely unable to put up a fight against Ye Chen.

Sun Xuanyin couldn't even move her finger, she was too tired and couldn't do that anymore.

Ye Chen continued to absorb Sun Xuanyin's Yin Qi, because Sun Xuanyin's Yin Qi amounted to so much, Ye Chen didn't need to worry anymore.

"Very good, this should be enough" Ye Chen felt that the Yin Qi taken from Sun Xuanyin was enough for Ye Chen, Ye Chen should be able to overcome the bottleneck after obtaining the Yin Qi from Sun Xuanyin.

"Be prepared, I will give you a gift" Ye Chen said to Sun Xuanyin, Ye Chen intended to give a gift to Sun Xuanyin.

"Give it to me" Sun Xuanyin said to Ye Chen, she asked Ye Chen for a gift.

"Byur. . ." Ye Chen took out Yang Qi essence, he finally couldn't stand the grip of Sun Xuanyin's honey cave.

"Ahhh. . ." Sun Xuanyin reached the top again, fell down and lay limp on the bed.

Ye Chen gave Sun Xuanyin Yang Qi essence, Ye Chen's Yang Qi essence made Sun Xuanyin full and her stomach slightly bulged.

"Okay, looks like he has learned a proper lesson, now she probably won't fight me anymore" Ye Chen had already trained Sun Xuanyin, Sun Xuanyin shouldn't be looking for trouble with Ye Chen.

Ye Chen had a breakthrough, he had broken through the Dual Cultivation practiced with Sun Xuanyin.

"hehehe, very good" Ye Chen was happy, he was very happy with the results he got.

Sun Xuanyin herself fainted, she seemed to have been completely exhausted and had finally fallen unconscious.

"She fainted, that's good, I can leave easily." Since Sun Xuanyin had already fainted, Ye Chen was able to leave her peacefully.

Before leaving, Ye Chen made sure that no one would disturb Sun Xuanyin, Ye Chen was still quite good to Sun Xuanyin.

Right now Ye Chen had to quickly stabilize the breakthrough he had just made, he was looking for a quiet place.

Inside the fairy gate was little Shen Niang, maybe Ye Chen wouldn't be able to calm down if he went there.

So the forest on the outskirts of the city was the best place that Ye Chen could use.

Ye Chen went into the forest and started looking for a cave, he closed himself and started to stabilize his strength.

.  
.

Currently in Heaven Light Palace.

Nangong Xiang and Shui Yixian were talking, they discussed what they were going to do.

"How?, did you find anything?" Shui Yixian asked Nangong Xiang.

"When I went to the Eternal Sun Star Realm, I found something interesting." Nangong Xiang said to Shui Yixian.

"What did you find?" Shui Yixian asked again, Shui Yixian wanted to know what Nangong Xiang found.

"I know the old man's plan, he is trying to make himself immortal god" Nangong Xiang said to Shui Yixian.

"So he wants to make the immortal elixir, interesting." Shui Yixian immediately knew what Nangong Xia had discovered.

"He already got the Phoenix pure heart as well as the unicorn divine horn, I don't know where he got it from, but I believe he took advantage of his position to get them all" said Nangong Xiang.

"Then he only needs to obtain the immortal light profound pearl" Shui Yixian said to Nangong Xiang.

"That's very true," Nangong Xiang said to Shui Yixian.

"If he is able to concoct an immortal elixir, then it is certain that he will rule over the entire God Realm"

"But should immortal light profound pearl be a long lost object from the God Realm, he will not get it."

"No, it's there, the only one who still has it should be the Goddess Shen Niang" Shui Yixian said to Nangong Xiang.

"But she is no longer in this world," said Nangong Xiang to Shui Yixian.

"No she just came back to this world" Shui Yixian said that Shen Niang had just returned.

"Huh? ? ?, are you kidding me?" Nangong Xiang said in disbelief.

"Why would I lie to you?" Shui Yixian said to Nangong Xiang.

"But how did that happen?" Nangong Xiang couldn't believe what was happening.

"You can ask your husband," said Shui Yixian to Nangong Xiang.

"You mean Ye Chen?" Nangong Xiang was shocked when she heard this.

"That him, why does he always make unreasonable things" Nangong Xiang was helpless, why did Ye Chen always make such unreasonable things.

How he made the goddess Shen Niang rise, Nangong Xiang could not think about this matter.

"I am also surprised by what he has, to be honest what he has is unreasonable" Shui Yixian said to Nangong Xiang.

"So now the goddess Shen Niang is with him?" Nangong Xiang asked Shui Yixian.

"Of course, currently the goddess Shen Niang is with him." Shui Yixian informed that little Shen Niang was with Ye Chen.

"Isn't that bad, it means he is being targeted" Nangong Xiang said to Shui Yixian.

"Yes, he is being targeted, but he should be fine." Ye Chen should be fine, he should be fine because Ye Chen is now quite strong.

"That's impossible, Sun Quan will definitely do all kinds of things" said Nangong Xiang.

Nangong Xiang knew what Sun Quan was like, that man would definitely get the immortal light profound pearl at any cost.

"If you're so worried, why don't you go and tell him right away, now he's with the Sun goddess," said Shui Yixian.

"What, that woman is with Ye Chen." Nangong Xia was getting more and more worried, she was even more worried when she listened to what Shui Yixian had to say.

If Sun Xuanyin was with Ye Chen, then it would be a dangerous thing, that woman could get Ye Chen into serious trouble.

"I will go and warn him" Nangong Xiang will go and warn Ye Chen.

"Good luck" Shui Yixian hoped that Nangong Xiang would not be late, it was probably too late by the time Nangong Xiang had found Ye Chen.

Nangong Xiang left, she went straight to where Ye Chen was currently in the Sky Cloud Peak Star Realm.

.

.

Sun Xuanyin opened her eyes, she started to open hers and looked around.

"What happened?" Sun Xuanyin's memory was still hazy, she still couldn't remember what happened before.

Sun Xuanyin began to gather her memories, after some time, Sun Xuanyin finally regained the memory of what had happened earlier.

Sun Xuanyin's face immediately turned red as she recalled what had happened.

"Impossible, how could I be made like that by a man" Sun Xuanyin couldn't believe that she had been conquered by Ye Chen, when she fought Ye Chen, Sun Xuanyin was so badly defeated that she fainted.

"My waist" Sun Xuanyin felt so much pain in her waist and bottom that she couldn't even move.

"This is impossible, I was defeated by a rookie, how could that be." Sun Xuanyin couldn't believe that she had lost to Ye Chen who was a rookie, Sun Xuanyin's pride was crushed when she found out about this matter.

Sun Xuanyin lost badly, was monopolized by Ye Chen and even complied with all of Ye Chen's unreasonable requests.

### **Chapter 1865 Try strength after breaking through**

"But it was so much fun." Sun Xuanyin loved it very much, she felt very happy when she was with Ye Chen, that feeling was the best that Sun Xuanyin felt.

"Speaking of which, where did he go?" Sun Xuanyin didn't find Ye Chen's whereabouts, she couldn't find Ye Chen's whereabouts.

"Wait, why do I bother thinking about that person" somehow Sun Xuanyin kept thinking about Ye Chen, she kept thinking about Ye Chen in her mind.

Sun Xuanyin tried to get rid of her thoughts about Ye Chen, when Sun Xuanyin did that, she was dizzy and confused.

"What's wrong with me?" Sun Xuanyin felt something was wrong, she didn't know what was wrong with her, it was obvious that Sun Xuanyin felt wrong about her right now.

Ye Chen had left behind a soul that Ye Chen would not be able to erase, she would not be able to erase the thoughts of Ye Chen from her heart and mind

"uh, what should I do" Sun Xuanyin was very confused, she looked very confused with her thoughts, Sun Xuanyin felt that things had become very chaotic.

"I must forget that, I must not be dominated by a man" Sun Xuanyin tried to erase her thoughts, she must not be dominated by Ye Chen.

Sun Xuanyin tried to get out of bed, when Sun Xuanyin tried to get up from the bed, Sun Xuanyin felt her back hurt terribly.

"Ouch, this hurts, he really is terrible." Sun Xuanyin complained, this was the first time she had complained and felt pain.

"I think I need a little rest." Sun Xuanyin needed a little rest, right now Sun Xuanyin needed some rest to recover her body that had just been messed up by Ye Chen's super large object.

Sun Xuanyin lay back down, closed her eyes and began to recover.

.

.

Ye Chen had finished cultivating the Yin Qi that he had managed to absorb from Sun Xuanyin, now Ye Chen had already reached the 2nd stage of the Divine Overlord Realm.

"That's great, your strength is getting stronger, I should be stronger now" Ye Chen is already improving, he is becoming stronger as time goes by.

Absorbing Sun Xuanyin's Yin Qi was a very good idea, he could become strong by doing this.

"congratulations" Chu Yuechan said to Ye Chen, she congratulated Ye Chen.

"This is very good, I want to try my strength" Ye Chen said to Chu Yuechan, he wanted to try his strength.

After arriving at the Divine Overlord Realm stage, Ye Chen should have gotten a tremendous increase in strength.

"Be careful not to destroy this little star" Chu Yuechan warned Ye Chen, she told Ye Chen not to destroy this place.

"I know" Ye Chen of course knew how to contain the strength he had.

"It's up to you." Chu Yuechan didn't care anymore that she had warned Ye Chen.

just in case, Ye Chen aimed his attack towards the sky, it was the safest path for everyone.

"Breaking Meteor Blow" Ye Chen used Breaking Meteor Blow, he used a higher power than usual.

An extremely powerful profound energy gathered in Ye Chen's hands, if it was released it would definitely create a huge explosion.

"Bam. . ." Ye Chen released a Breaking Meteor Blow, he released a Breaking Meteor Blow with his power.

"Bam . . ." a huge wind blast formed and blew away all objects around Ye Chen, the trees and mountains around Ye Chen were swept away by this wind blast.

The blast of wind spread out at a tremendous speed, it very easily reached the entire Sky Cloud Peak Star Realm.

The entire Sky Cloud Peak Star Realm could feel it, the blast of wind was like a powerful hurricane that destroyed everything in its path, countless trees were uprooted from this wind blast.

"What's going on?" All the powerful cultivators in the Sky Cloud Peak Star Realm could feel an immense power, this power was so huge that they had never seen it before.

Even Sun Xuanyin who was closing her eyes could feel an enormous burst of energy that was beyond her imagination.

"Immense power, whose power is this?" Sun Xuanyin did not know the origin of this power, she did not know where this great power had come from.

The power that Sun Xuanyin felt was immense, it was far greater than that possessed by Sun Quan.

Sun Xuanyin had to leave immediately and see what was going on.

"Damn this is so hard." Sun Xuanyin was still in pain, so her steps would be greatly hampered.

"I think I'm overreacting." Ye Chen felt that he had gone too far.

"You really have gone too far." Chu Yuechan agreed with what Ye Chen said, Ye Chen had gone too far.

"But my strength is great." Even though Ye Chen had overdone the power he just released was very strong.

"Be careful when using your strength, you can crush a small star" Chu Yuechan said to Ye Chen.

"Don't worry." Ye Chen nodded, he would do his best to control his strength.

"Husband, you are here" Nangong Xiang found Ye Chen, the power that Ye Chen had just released made Nangong Xiang find Ye Chen very easily.

"Xiang, what are you doing here?" Ye Chen asked Nangong Xiang.

"what else do i do, of course I'm looking for your whereabouts" Nangong Xiang said that she was looking for Ye Chen's whereabouts.

" What is the problem?" Ye Chen asked Nangong Xiang, there must be something that made Nangong Xiang look for Ye Chen.

"There are some things I want to ask you." Nangong Xiang said that she wanted to ask Ye Chen a lot of things.

"What is it?" Ye Chen asked Nangong Xiang.

Ye Chen wanted to know what Nangong Xiang wanted to ask, whether it was about something very important.

from the expression Nangong Xiang showed, there must be something important that Nangong Xiang wanted to say.

"I want to . . . , Wushhh" from afar Ye Chen and Nangong Xia listened to the sound of the strong wind.

"Looks like a few people are coming." Nangong Xia saw that there were quite a few people coming.

"Let's change places" Ye Chen invited Nangong Xiang to leave, they had to change places.

Ye Chen took Nangong Xiang towards the Jade Lotus Peak, this was one of the places that was intact after receiving the impact of the wind blast.

The chaos caused by Ye Chen had destroyed the forest around White Cloud city, there were countless buildings destroyed due to the impact of Ye Chen's attack.

People from Sects and cultivators around the city immediately went and saw what was happening, they were all curious about what was happening near the city.

Soon there would be more people coming, so leaving this place was the best thing to do.

"Okay, what do you need from me?" After arriving at the Jade Lotus peak, Ye Chen resumed his conversation with Nangong Xiang.

"Husband, is Sun Xuanyin in the Sect?" Nangong Xiang asked Ye Chen.

"Yes, she is in this Sect, she is undercover to look for me" Ye Chen said to Nangong Xiang.

"Has she found you?" Nangong Xiang asked Ye Chen.

"No, she hasn't found the real me yet, it's just that there are some things that I have to deal with" Ye Chen said to Nangong Xiang.

"what's that?" Nangong Xiang asked Ye Chen.

### **Chapter 1866 Nangong Xiang explained the current situation to Ye Chen**

"I will explain what happened" Ye Chen explained what happened to you" Ye Chen explained what happened to Nangong Xiang, he told what he had done to Sun Xuanyin.

"You are so reckless" Nangong Xiang scolded Ye Chen, what Ye Chen did was very reckless.

"hehe, I'm sorry, I was quite uncomfortable when that woman clung to me and made trouble for me" Ye Chen said to Nangong Xiang.

Ye Chen did this for revenge, what Sun Xuanyin had done had gotten Ye Chen into a very big problem.

"You are really terrible, you caused trouble with that woman because of such a matter, you should just kick her out" Nangong Xiang said to Ye Chen.

"How to get rid of that woman, to be honest, using all kinds of ways to get rid of her is impossible" Ye Chen said to Nangong Xiang.

"That's true, I believe you won't be able to do it." Nangong Xiang believed what Ye Chen said, she also believed that Ye Chen would not be able to get rid of Sun Xuanyin.

Sun Xuanyin was such an ambitious woman, she would definitely use any means possible to approach Ye Chen.

Fighting or not resisting would be the same thing, Ye Chen wouldn't be able to break away from Sun Xuanyin.

"What are you going to do to her?" Nangong Xiang asked Ye Chen, she wanted to know what Ye Chen would do to Sun Xuanyin.

"In the meantime I will train her, let's make her obey me" Ye Chen said to Nangong Xiang.

Ye Chen's goal was to make Sun Xuanyin obedient, as long as Sun Xuanyin could obey Ye Chen, then all problems would be resolved.

"It will be difficult" Nangong Xiang said to Ye Chen, Nangong Xiang felt that what Ye Chen did would be very difficult.

"Are you doubting me?" Ye Chen said to Nangong Xiang, Ye Chen reminded Nangong Xiang about his abilities.

"If it's you then maybe it can, but you have to stay alert, don't let your guard down, lest she get you into serious trouble" Nangong Xiang said to Ye Chen.

Nangong Xiang believed in Ye Chen's ability, this man could do things beyond common sense, even Nangong Xiang who was a former empress was shocked by what Ye Chen had.

"Husband, is the goddess Shen Niang with you?" Nangong Xiang asked Ye Chen, it was said that Shen Niang was with Ye Chen.

"Yes, she is indeed with me, little Shen Niang you may come out" Ye Chen told little Shen Niang to come out.

"Is it safe outside?" little Shen Niang asked Ye Chen.

"Of course, everything is safe, I have taught that woman a lesson" Ye Chen replied to little Shen Niang.

After getting confirmation from Ye Chen, little Shen Niang finally wanted to come out, herself came out and showed herself in front of Ye Chen and Nangong Xiang.

"So beautiful" Nangong Xiang was shocked when she saw Shen Niang's appearance, this woman was too beautiful and hard to describe in words.

Nangong Xiang is one of the beautiful goddesses in the God Realm, Nangong Xiang's beauty has been recognized by the western God Realm.

"Is she the goddess Shen Niang, she is so beautiful, what the heck" Nangong Xiang couldn't believe what she was seeing, she seemed to be staring at an absurd illusion.

"She's very beautiful isn't she?" Ye Chen asked Nangong Xiang, Ye Chen knew Nangong Xiang's initial thoughts, he must be shocked when he saw the goddess Shen Niang.

"Yes, I have to admit it." Nangong Xiang had to admit, the goddess Shen Niang was very beautiful.

"Elder brother Ye Chen, who is this woman?" Little Shen Niang asked Ye Chen, she wanted to know who the woman near Ye Chen was.

"This is Nangong Xiang, she is one of my beautiful wives" Ye Chen introduced Nangong Xiang to little Shen Niang.

"Why does she call you big brother, she looks so innocent and childlike" Nangong Xiang directly asked Ye Chen, she was curious about this matter.

Ye Chen explained why Shen Niang could be like this, Ye Chen told Nangong Xiang why Shen Niang was innocent like a girl.

"So that's what happened." Nangong Xiang nodded, she understood what had happened.

Nangong Xiang did not expect that Shen Niang would possess such a strong power of darkness, it would not be strange if he wanted to purify herself that was tainted by darkness.

"Hello I am Nangong Xiang, nice to meet you" Nangong Xiang introduced herself, she introduced herself to little Shen Niang.

"Hello beautiful sister" Little Shen Niang said to Nangong Xiang, Little Shen Niang said to Nangong Xiang is a very beautiful woman.

"Thank you very much" Nangong Xiang thanked to little Shen Niang for the compliment.

"Did you come to see me just to ask about these two things?" Ye Chen asked Nangong Xiang.

"No, I have something to talk to you about" Nangong Xiang said that he had something to discuss with Ye Chen.

" what's that?" Ye Chen asked what Nangong Xiang wanted to talk about.

"What is Shen Niang about?" Nangong Xiang said that she had come here to tell about Shen Niang's matter.

"What's with her?" Ye Chen asked with a serious face.

"Sun Quan will most likely go after her" Nangong Xiang said to Ye Chen.

"Does he already know?" Ye Chen asked Nangong Xiang.

Ye Chen didn't expect that Sun Quan had known of the whereabouts of little Shen Niang, there shouldn't be many people who knew about this matter.

"He may not know about this matter yet, sooner or later he will find out and aim for the immortal light profound pearl in Shen Niang's hands" Nangong Xiang said to Ye Chen.

"Immortal Light Profound Pearl? " Ye Chen looked at Shen Niang, whether Shen Niang had that.

"Little Shen Niang, do you have an immortal light profound pearl?" Ye Chen asked little Shen Niang.

"I have" Little Shen Niang took out a pearl that emitted a dazzling light, this light was so dazzling that it lit up the entire Sect.

Ye Chen and Nangong Xiang were dazed, the immortal light profound pearl was too dazzling for the two of them to see.

The entire Sect instantly couldn't see, their eyes turned white and they didn't know what was happening.

"You don't need to take it out, hurry up and save it now." Ye Chen told little Shen Niang to keep the immortal light profound pearl.

Little Shen Niang nodded, she kept the immortal light profound pearl in its original place.

After little Shen Niang kept the immortal light profound pearl, everything finally returned to normal, the bright light disappeared in an instant and everyone could see normally.

"she really has an immortal light profound pearl." Ye Chen did not expect that little Shen Niang had an immortal light profound pearl.

"So it's true that he has the immortal light profound pearl, then Sun Quan will definitely aim for the immortal light profound pearl in her hands." Nangong Xiang could confirm that Sun Quan would take the immortal light profound pearl.

"What does that old fart need to find the immortal light profound pearl?" Ye Chen asked Nangong Xiang.

"He is making an immortal elixir for people, if he can make it, then he will become immortal and live forever and is very difficult to kill" Nangong Xiang said to Ye Chen.

### **Chapter 1867 Ning Xia meets Nangong Xiang**

"His goal is very ambitious" Ye Chen saw that Sun Quan was very ambitious.

"He is indeed very ambitious, now he has almost everything he needs right, only the immortal light profound pearl is in the hands of the goddess Shen Niang" Nangong Xiang explained to Ye Chen that Sun Quan had already obtained all the ingredients, he only needed immortal the light profound pearl in Shen Niang's hand.

"What materials does he need, right?" Ye Chen wanted to know what ingredients were used to make immortal potions.

"Phoenix pure heart, also the unicorn divine horn and the immortal light profound pearl remains." Nangong Xiang said to Ye Chen, she told Ye Chen about all the materials needed by Sun Quan.

"Uh, wait a minute. . ." After hearing this, Ye Chen's brain started to work quickly, he analyzed what Nangong Xiang had just said.

"If I'm not mistaken unicorn divine horn is from your family right?" Ye Chen asked Nangong Xiang.

"Yes, haven't I said it before?" Nangong Xiang said to Ye Chen.

back then Nangong Xiang had already said it to Ye Chen, she had already said when Sun Quan attacked her and took the unicorn divine horn.

"I heard from Lord Peak Ning that the Phoenix pure heart from her family was stolen and many of his clan members were killed, is it possible that Sun Quan ordered this to happen?" Ye Chen said to Nangong Xiang.

"That's possible, he is a person of high position, his strength is not weaker and he can rule over everyone in the God Realm" Nangong Xiang said to Ye Chen.

"Is he part of the God Realm ruler behind the scenes?" Ye Chen asked Nangong Xiang.

"If you say it like that, then it is very difficult, Those rulers should be old monsters above Sun Quan, they should be the ancestors of God Realm rulers, they are people who have power above Sun Quan and rarely show themselves in this world".

"Even so they still control the God Realm in the shadows" Nangong Xiang said to Ye Chen.

Above Sun Quan there is still an ancestral level, they are monsters that have a level above Sun Quan and rarely show themselves.

Even Nangong Xiang had never met and seen what they looked like, she had only heard of this from a servant who had already served the Eternal Sun Star Realm.

Eternal Sun Star Realm, Sacred Heaven Star Realm, Immortal Profound Sea Realm, Blue Moon God Star Realm, Five Lord Divine Academy, they all have strong ancestors, it seems that all ancestors cooperate with each other behind the scenes to control what happens to the God Realm.

"Your explanation is quite simple, it seems I already know what I am going to fight" Nangong Xiang's explanation was much easier than Huang Ying and Shui Yixian's explanation.

if what Nangong Xiang said was the truth, then the ancestors strength of the great powers that controlled the God Realm was on the same level as Huang Ying, it wouldn't be strange that Huang Ying was still trying to hide some things from Ye Chen.

It was likely that Huang Ying was trying to keep Ye Chen from being too rash and getting himself into trouble.

"Now that I'm getting stronger, everything should be fine." Ye Chen has become stronger, he should be able to fight this old monster.

"This information is very good" Ye Chen thanked Nangong Xiang, he hugged Nangong Xiang who was in front of him.

"Husband" Nangong Xiang blushed when she was hugged by Ye Chen, she blushed when she was hugged by Ye Chen.

"It's been a long time, let me hug you" Ye Chen said to Nangong Xiang.

Ye Chen hadn't seen Nangong Xiang in a long time, that's why he wanted to hug Nangong Xiang and kiss her.

"Wait a minute" Nangong Xiang tried to fight back, she wasn't prepared for what Ye Chen did.

When Nangong Xiang was about to fight back, Nangong Xiang found that she couldn't fight back, she was already restrained by Ye Chen and couldn't fight back.

"muuuuaahhh" Ye Chen kissed Nangong Xiang, he kissed Nangong Xiang with all his heart.

Ye Chen's kiss was very powerful, he easily crippled Nangong Xiang quickly.

"I can not stand . . ." Nangong Xiang couldn't stand it, she couldn't stand Ye Chen's kiss, it felt really good when kissing Ye Chen.

The two kissed passionately, Nangong Xiang was willing to cooperate with Ye Chen and had a very seductive kiss.

"Chen. . ., what did you just do, I know that this must be your doing" when Ye Chen and Nangong Xiang were kissing.

Ning Xia walked into the room, herself forcefully entered and asked Ye Chen.

Ning Xia knew that the glare just now was Ye Chen's doing, only Ye Chen could possibly do such an unreasonable thing.

"Uh. . . ." Ning Xia immediately froze when she saw the scene in front of her, she was quite surprised when she saw the scene in front of her.

Ye Chen kisses a beautiful woman, Ning Xia doesn't know who this beautiful woman is, what is certain is that this woman is very beautiful, she is like a goddess who descended from the sky.

Ye Chen and Nangong Xiang looked at Ning Xia, they both also fell silent when they saw Ning Xia who was in front.

Ye Chen's room became extremely silent, the three fell silent and didn't say anything.

"Ahem. . ." In order to dilute the ambiguous atmosphere, Ye Chen coughed lightly and tried to wake Ning Xia up.

Ning Xia immediately regained consciousness, she immediately realized what had happened.

"You, aren't you empress Sun?, what are you doing in this place together with her" Ning Xia pointed at Nangong Xiang, she realized who the woman in front of her was.

Ning Xia took a little while to recognize Nangong Xiang, the present Nangong Xiang had become much more beautiful.

thanks to doing Dual Cultivation with Ye Chen, Nangong Xiang became even more beautiful, she became an even more perfect woman.

"Husband, is she Ning Xia?" Nangong Xiang asked Ye Chen.

"Yes, she is Ning Xia, she is Lord Peak of Jade Lotus Peak" Ye Chen nodded, Ye Chen told Nangong Xiang that the woman in front of them was Ning Xia.

"Hello I'm Nangong Xiang" Nangong Xiang introduced herself to Ning Xia.

"I'm Ning Xia, nice to meet you" Ning Xia introduced herself to Nangong Xiang.

"Why is someone like you in this place?" Ning Xia asked Nangong Xiang again, she wanted to know why Nangong Xiang could be in this place.

"I came to see him" Nangong Xiang said to Ning Xia.

"You two have a relationship. . ." Ning Xia looked surprised when she saw that Nangong Xiang had a relationship with Ye Chen.

"of course" Nangong Xiang nodded, he did not hide this matter from Ning Xia.

"This is very complicated" Ning Xia was dizzy, she felt very dizzy when she heard Nangong Xiang's answer.

Ning Xia did not expect that Ye Chen would have an illicit relationship with Empress Sun, this was clearly a complicated matter.

If people found out about this matter, it would obviously be a very troublesome thing.

#### **Chapter 1868 a truth that Ning Xia had been searching for a long time**

The worst possibility was that Ye Chen could be considered a heretic by everyone in the God Realm and he would be exiled.

"Xia, calm down" Ye Chen tried to calm Ning Xia down, he tried his best to make Ning Xia calm down.

"You know what you've done?" Ning Xia asked Ye Chen, Ye Chen had made things very troublesome.

"I know what I've done" Ye Chen of course knew what he had done, he had already considered what he had done.

"aren't you afraid of Sun Quan" Ning Xia said to Ye Chen, Ning Xia said to Ye Chen that what Ye Chen did should anger Sun Quan.

"Oh old man, you don't have to worry, I'm not afraid of him" Ye Chen said that he wasn't afraid of Sun Quan.

"You are very brave, are you sure?" Ning Xia wasn't sure what Ye Chen said, if Sun Quan really came then it would be a very troublesome thing.

"Of course, I'm very sure." Ye Chen was very sure, he was very sure of what he had done.

Sun Quan was his enemy, he couldn't let his enemy roam as he pleased.

"fufufufu, it seems that you are very worried about Ye Chen" Nangong Xiang said to Ning Xiang, Nangong Xiang could see that Ning Xia was very worried about Ye Chen.

"I'm not worried about him" Ning Xia denied that she was worried about Ye Chen.

"You don't need to hide it, I can see that you have made a relationship with my husband" Nangong Xiang said to Ye Chen.

Nangong Xiang saw that Ye Chen and Ning Xia already had a relationship, she could immediately see from how Ning Xia treated Ye Chen.

"How do you know. . .?" Ning Xia was quite surprised when she saw Nangong Xiang had guessed her relationship with Ye Chen.

"Of course I know, I've been with her for quite a while, so I know that she won't let a beautiful woman like you go" Nangong Xiang said to Ning Xia.

"So it was like that from the start." Ning Xia looked at Ye Chen with a sinister look.

"Hehehe" Ye Chen just laughed when he saw Ning Xia's gaze.

"Empress Sun, why are you together with him?" Ning Xia asked how a goddess like Nangong Xiang could be together with Ye Chen.

"You don't need to call me that, my name is Nangong Xiang, now I am no longer an empress, I am just Nangong Xiang" Nangong Xiang said to Ning Xia.

"you mean?" Ning Xia looked confused by what Nangong Xiang had said.

"Actually I'm no longer an empress, I've been kicked out of that place for a long time, now there might only be my substitute person used by Sun Quan to replace my vacant place" Nangong Xiang said to Ye Chen.

"impossible" Ning Xia didn't believe what Nangong Xiang had said, she honestly couldn't believe that a beautiful goddess like Nangong Xiang was kicked out by the Eternal Sun Star Realm.

Nangong Xiang started to explain what happened to Ning Xia, she told her story to Ning Xia.

"I was framed by Sun Quan and was in a very bad state, luckily he saved me" Nangong Xiang said to Ning Xia, telling Ning Xia what had happened to her.

"So it's like that" After listening to what Nangong Xiang said, Ning Xia finally understood the situation Nangong Xiang was in.

"You're good too, it's not strange that she wants to follow you" Ning Xia praised Ye Chen, she wanted to help Nangong Xiang in a bad state, it wasn't strange that the former empress of the Eternal Sun Star Realm wanted to follow him like this.

"I just heard from my husband that you lost Phoenix pure heart, is that true?" Nangong Xiang asked Ning Xia.

"That's right." Ning Xia didn't deny what Nangong Xiang was asking.

"Then our situation is the same" Nangong Xiang said to Ning Xia.

"Erm, what do you mean?" Ning Xia still didn't understand, she still didn't understand what Nangong Xiang was saying.

"Right now the Phoenix pure heart is in Sun Quan's hands, as well as the unicorn divine horn that belongs to my family," Nangong Xiang said to Ning Xia.

" what ! ! !" After hearing Nangong Xiang's explanation, Ning Xia finally understood what had happened.

"So the Phoenix pure heart is in Sun Quan's hands" Ning Xia asked Nangong Xiang and Ye Chen.

"I just heard that too, he just told me too" Ye Chen said to Ning Xia.

"in that case. . ." Ning Xia's mood immediately changed, she could no longer maintain her composure in front of Ye Chen and Nangong Xiang.

"Xia , please calm down" Ye Chen stepped forward, trying to calm Ning Xia who was in a bad mood.

"Chen, that means our enemy is Sun Quan" Ning Xia said to Ye Chen.

"Yes, that's right." Ye Chen nodded, it seemed that the person who ordered the taking and destroying the phoenix clan was Sun Quan.

"I can't let this happen, I'm going to make calculations with Sun Quan" Ning Xia had already obtained the identity of the person who had brought her Clan down and had killed the people closest to her, so Ning Xia wanted to make calculations with Sun Quan.

Ning Xia wanted to leave, she wanted to go straight to Eternal Sun Star Realm to fight Sun Quan.

"Wait a minute" Ye Chen stopped Ning Xia, what Ning Xia did was very reckless.

"Why did you stop me?" Ning Xia asked Ye Chen, why did Ye Chen stop herself.

"Don't do anything reckless, let's settle this with a calm mind" Ye Chen told Ning Xia to calm down, being too hasty and reckless could ruin Ning Xia.

Ye Chen didn't want anything bad to happen to Ning Xia, so he decided to stop Ning Xia.

"But I can't let this happen." Ning Xia said that she couldn't let this matter.

"I know, but please calm down, we can think of a plan against him" Ye Chen knew how Ning Xia was feeling and in her mood, if Ye Chen was in Ning Xia's position he would have done the same.

"Okay" Ning Xia finally listened to Ye Chen, she wanted to listen to what Ye Chen had to say.

"You should calm down, the Eternal Sun Star Realm still has a terrifying weapon, if we all act rashly, then we will suffer ourselves" Since Nangong Xiang was a former empress, she knew some important details about the Eternal Sun Star Realm.

The Eternal Sun Star Realm possessed a top grade weapon that was extremely terrifying and could easily kill a peak level Divine Overlord Realm.

"So they have a secret weapon" Ye Chen nodded, it seems that his guess was right, the Eternal Sun Star Realm had a secret weapon they were hiding.

"Then when can we face off against the Eternal Sun Star Realm?" Ning Xia asked Nangong Xiang and Ye Chen.

"I'm developing the strength I have, maybe a few more months, plus many of my women still haven't come out of closed-door training, their can help a lot" Ye Chen said to Ning Xia.

Ye Chen had already built up strength, he was already at the stage of building enormous power and could rival the rulers of the God Realm.

### **Chapter 1869 God Prison Cell**

"My own Clan's strength is still a little lacking, they can help but not too much" Ning Xia said to Ye Chen.

"Since the number of the Phoenix Clan has decreased, their strength isn't that great when compared to Ye Chen's.

"It doesn't matter." Ye Chen didn't mind this, he didn't mind if the Phoenix Clan wasn't very strong.

"It doesn't matter if they are strong or not, the biggest problem is whether any of those people are traitors and Sun Quan's accomplices to keep an eye on you" Nangong Xiang said to Ning Xia.

Nangong Xiang was afraid that among the people from the Phoenix Clan had a traitor who became Sun Quan's accomplice and watched Ning Xia's movements.

"I don't know about that matter." Ning Xia didn't know, she didn't think about this matter.

"But why do you think such a thing?" Ning Xia asked Nangong Xiang.

"That's because I believe that that man must have done that, he must have bribed one of your men for his own sake." Nangong Xiang did not just guess, it could be said that Nangong Xiang already knew about this matter.

If what Nangong Xiang said became the truth, then it could be said that it was quite dangerous.

"Looks like I need to be even more vigilant" Nangong Xiang was right about this matter, Ning Xia should be even more wary of people who might be Sun Quan's accomplices.

Ning Xia became even more wary, she was even more wary of what Sun Quan was doing.

"Boom. . ." just as Ye Chen was talking to Nangong Xiang and Sun Xuanyin about Sun Quan's matter, Ye Chen sensed that someone was destroying the Array in its place.

"Someone attacked my place" Ye Chen could tell that someone had attacked his place.

"what is it?" Nangong Xiang and Ning Xia asked Ye Chen, they both saw the changes made by Ye Chen.

"My place was attacked, I will return" Ye Chen told Nangong Xiang and Ning Xia that his private residence was attacked.

Even if the array that Ye Chen created was destroyed from this attack, there should be someone strong enough to be able to destroy the Array he created.

"I'll go and take a look." Ye Chen decided to go back, he wanted to see who would dare to destroy and attack his private place.

"Wait a minute" Nangong Xiang and Ning Xia tried to stop Ye Chen, when they both tried to stop Ye Chen, they both found that they couldn't stop Ye Chen.

"That's him, why does he always act as he pleases?" Ning Xia said helplessly.

"He is like that." Nangong Xiang already knew that Ye Chen was like that, so she was not strange when he saw Ye Chen like that.

"What are we going to do, is it necessary to follow it?" Ning Xia asked Nangong Xiang.

"Of course, we need to follow him." Nangong Xiang took her golden mask, and used it to cover her identity.

If what Ye Chen said was true, then the person who attacked Ye Chen's place should be strong enough, they should be strong enough to be brave and capable of attacking Ye Chen's place.

Ning Xia saw Nangong Xiang, she knew that Nangong Xiang had problems of her own, so Ning Xia didn't really mind this too much.

Nangong Xiang and Ning Xia caught up with Ye Chen, both of them chasing after Ye Chen who had already left first.

Ye Chen quickly arrived at his place, when Ye Chen arrived, Ye Chen saw that his place was on fire and several holes appeared.

"Damn it, who did this?" Ye Chen looked for the person who had dared to destroy his place.

While looking around, Ye Chen discovered the presence of a strong person, this person was wearing a mask to cover his face.

The person who attacked Ye Chen's place was a male, this person had an enormous radiance of energy.

Currently the one facing him was Li Jingyi, he was facing the person who attacked Ye Chen's place.

"Who are you?" Li Jingyi asked the man who attacked her place, she wanted to know who this person was and what he wanted to do to attack Ye Chen's place.

"I came here to pick you up." This man said that he had come to pick up Li Jingyi.

"I don't know you, so I don't want to come with you." Li Jingyi refused to come, she didn't know who the person in front of her.

"I got orders to take you by force, so you won't be able to resist," the masked man said to Li Jingyi.

"Then don't blame me" Seeing this person want to take her by force, Li Jingyi put up a fight against the person in front of her.

"Water Glory Wave" Li Jingyi's made an attack, a huge wave attack appeared and lunged at the enemy in front.

"Flame God Wall" The man's in front made a huge wall of fire, this wall of fire repelled Li Jingyi's attacks.

"sssssss" when the two attacks met, a very thick vapor appeared due to the large temperature difference.

The masked man made good use of this opportunity, he attacked Li Jingyi from behind the fog.

"Water Glory Purgation" Li Jingyi made a shield from Water Glory Purgation, if someone touched it, their soul would float out.

the masked man touched the barrier made by Li Jingyi, he had no idea that touching this water barrier would put his life in danger.

"Arghhhhh." When the masked man touched the Water Glory Purgation, he felt his soul hurt so much, he seemed to have received millions of invisible attacks.

The masked man immediately withdrew, his hand immediately went limp after touching the Water Glory Purgation.

"Terrible strength" the masked man finally realized that Li Jingyi was so terrifying, his strength was truly terrifying and unusual.

"You have destroyed my house, I will not let you go" this person had dared to destroy her house to this extent, Li Jingyi would not let this person escape.

"Is that so, it seems I have no other choice" This man took out something that resembled a prison cell that could be called a mini version.

"This is the God Prison Cell, I will imprison you in this place" said the masked man to Li Jingyi.

Because ordinary means didn't work in dealing with Li Jingyi, he had no choice but to use a special artifact that could confine a god.

The masked man threw the God Prison Cell at Li Jingyi, the God Prison Cell enlarged and devoured Li Jingyi's body.

Li Jingyi was now in the God Prison Cell, she was confined within the God Prison Cell.

Li Jingyi used her power to destroy the God Prison Cell.

" Clang . . ." a very big sound occurred when Li Jingyi tried for the God Prison Cell.

"don't want to be destroyed" Li Jingyi saw that she couldn't destroy the God Prison Cell.

Every time Li Jingyi scratched the God Prison Cell, it would come back and recover very quickly, so Li Jingyi wouldn't be able to destroy this thing.

"It's useless, you won't be able to destroy the God Prison Cell, it's a very powerful object used to imprison gods" The masked man said to Li Jingyi, he had imprisoned Li Jingyi in an indestructible place.

Li Jingyi was upset, how did she get out of this place, she was trapped in this place and couldn't ask for help.

"Husband, where are you? . ." Li Jingyi's only hope was Ye Chen, only Ye Chen could save her from her current situation.

### **Chapter 1870 God Realm illumination**

"What are you doing" Ye Chen came, himself attacked the masked man and destroyed the God Prison Cell using Dimension Breaker.

"Who are you?" The masked man was quite surprised when he saw Ye Chen being able to destroy the God Prison Cell so easily.

"You don't need to know who I am, how dare you attack my place and try to catch my wife" Ye Chen said to the man in front of him.

Ye Chen didn't want to tell who he was, Ye Chen looked at the man in front of him with a look of quite strong hostility.

" husband. . ." Li Jingyi said to Ye Chen, she was quite happy when she saw Ye Chen come and save her.

"Jingyi, who is this person" Ye Chen asked Li Jingyi, he asked Li Jingyi about the person in front of him.

"I also don't know, he suddenly came and attacked our house, it seems he was targeting me" Li Jingyi told that this person's target was her.

"So this person is after your strength" Ye Chen could immediately understand that this person in front of him was aiming for the strength Li Jingyi had.

Li Jingyi possessed immense strength, it wouldn't be strange if there were so many people targeting her.

"How did they know about Jingyi's whereabouts?" Ye Chen was quite surprised when he saw that these people knew of Li Jingyi's whereabouts.

That means that Ye Chen has started to be watched by someone, now it seems that Ye Chen has to start taking the fight seriously.

"I came to take it from you" the masked man said that he had come to take Li Jingyi, on orders from his superiors.

"Who is your boss, tell him to come and see me I will tear it apart him up" Ye Chen said to the man in front of him.

"Hahahaha" the masked man smiled as he listened to what Ye Chen's words were like a joke.

"You are not worthy to meet the leader, an ant like you is still not enough" the masked man said to Ye Chen.

"You have no right to say that to me" Ye Chen replied to the words of the man in front of him, this person is not worthy to say such things to Ye Chen.

"Let me tell you my true strength" the masked man advanced towards Ye Chen, using his bare hands he intended to fight Ye Chen.

"Flame God Hand of Destruction" The masked man's launched an attack at Ye Chen, he used an extremely powerful gripping attack to destroy Ye Chen's body.

The masked man's arms began to be enveloped by scorching flames, the temperature of the flames was so hot that it was able to melt objects around Ye Chen's house.

This house was made of good materials, it was made using fine stones that could withstand attacks and explosions, but in front of this man, the house that Ye Chen had bought started to melt.

"If I let it, my house will be destroyed" If it continues like this, Ye Chen's house will be destroyed, his house is already damaged enough, this person has destroyed the house that Ye Chen bought.

"I will make him pay for it." Ye Chen would make the person in front of him pay for the damage to his house.

Ye Chen stretched out his hand, he blocked the enemy's attack with his bare hands.

"I will make sure that no body parts are left." The masked man said that he would not spare Ye Chen's body.

"Husband be careful, this person's strength is very strong" Li Jingyi warned Ye Chen, she looked worried about the attack that was aimed at Ye Chen.

"It's too late, die." The masked man said to Ye Chen.

"Boom. . ." an explosion occurred, this explosion destroyed Ye Chen's house even more.

Ye Chen resisted the Flame God Hand of Destruction with just his bare hands.

"My house is completely destroyed, you will feel the consequences" Ye Chen's house has been destroyed, this person has destroyed Ye Chen's house.

"Impossible" the masked man couldn't believe that Ye Chen was holding back his attack with his bare hands.

"Crack. . ." Ye Chen broke the hand of the enemy in front of him, he used his strength to crush the body of the person in front of him.

With the power of the earth that Ye Chen had just mastered, Ye Chen's physical strength was extremely terrifying, he could crush a person's body with a slight grip.

"Gahhhhh" the masked man shouted, his arms and half of his body crushed by Ye Chen.

"Bam. . ." After immobilizing the masked man, Ye Chen directly hit the mask that belonged to the man in front of him.

This person fell down and his mask shattered very easily by Ye Chen's one punch.

"damn" a handsome man with an age range of 25 years appeared in front of Ye Chen.

"You are still young, it's not strange that you are arrogant, with this little bastard I now give you a chance, hurry up and order your leader to come, otherwise I can't guarantee your life" Ye Chen said to the man in front of him.

"I won't do that, I am Pao Benz, the person from the God Realm Illumination who is the ruler of the God Realm," this person told Ye Chen about himself.

"God Realm Illumination?" Hearing this, Ye Chen knew that this person was referring to the ruler behind the scenes of the God Realm.

"So they want to get Jingyi, it seems they are too greedy, then I won't hold back anymore" Since Ye Chen already knew who the enemy was, Ye Chen would immediately defeat the person in front of him and look for more in-depth information.

"Long Wind Suction" Ye Chen pulled the body of Pao Benz in front of him, Ye Chen wanted to catch Pao Benz.

Pao Benz put up a fight, using the remaining half of his body to defend against the Long Wind Suction's suction.

"There's no point in fighting back" Ye Chen said to the enemy in front of him.

Ye Chen strengthened his own strength, with this strong power Ye Chen could suck up anything in front of him.

"Impossible, too strong." Pao Benz really couldn't resist, the suction force exerted by Ye Chen was too strong.

Pao Benz could no longer hold on, his body was attracted by Ye Chen's wind power.

After Pao Benz was attracted, Ye Chen immediately grabbed his neck and stopped Pao Benz's movement.

"Ughhh, let me go." Pao Benz told Ye Chen to let go of himself.

"I won't do that, I need the secret you have" Ye Chen will not let Pao Benz go, he needs the secret of the man in front of him.

"I won't give it away, if God Realm Illumination finds out, you won't have a place in this world anymore" Pao Benz said to Ye Chen.

In the current situation, Pao Benz could only threaten Ye Chen to let himself go.

"I told you, I'm not afraid of the threats you pose" Ye Chen wasn't afraid of the threats that Pao Benz gave him, he was already hostile to the God Realm Illumination .

"Arghhhhh" Ye Chen tightened his grip, when Ye Chen did this Pao Benz couldn't breathe.

before Ye Chen sought information from Pao Benz, Ye Chen wanted to make Pao Benz helpless, that way it would be very easy for Ye Chen to get information from Pao Benz.

Pao Benz started to faint, he started to faint due to Ye Chen strangling his neck so hard.

"Okay, time to search for information in his mind" Ye Chen immediately searched for information in Pao Benz's mind, it would be faster and save a lot of time.

Ye Chen began to enter into Pao Benz's mind, when Ye Chen just opened Pao Benz's mind, a seal in Pao Benz' mind was activated.

"unlucky . . ." Ye Chen rushed out of Pao Benz's mind, threw Pao Benz's body and used Half Dimension to shrink Pao Benz's body.

Ye Chen also set up a barrier around Pao Benz just in case

"Boom" Pao Benz's body suddenly exploded, the explosion was huge, if Ye Chen didn't create a barrier then the Sky Cloud Peak Star Realm could only be halfway.

"they planted a bomb in someone's body, they are really crazy" Ye Chen didn't expect that in Pao Benz's body there would be a bomb that would be instantly triggered if someone dug into his mind.

this method was quite extreme, God Realm Illumination actually did this to keep their secret.

"That means I won't get any information about them" If it was like this, then it was very likely that Ye Chen would never get the information he wanted.

"They are like that." Huang Ying and Fan Fumi came in, both of whom were outside when the attack took place.

"What happened to this house?" Fan Fumi asked what happened to Ye Chen's house, why did Ye Chen's house crumble and turn into a pile of rubble.

"Looks like we're under attack and that person destroyed this house, looks like I'll make a new one and strengthen it" Ye Chen will build a new one and strengthen it to withstand the big battle like before.

"So they are like this" Ye Chen asked Huang Ying, yes they won't give you any information, if you try to find information about them things like this happen often" Huang Ying said to Ye Chen.

God Realm Illumination works behind the scenes, their whereabouts should not be known to outsiders and remain a secret
