

A True God 1871

Chapter 1871 Build a strong & movable house

"They are like that" Huang Ying said to Ye Chen, they are like that and don't want to be seen by ordinary people.

"They are like gods who want to rule the world with their power." Ye Chen saw that these people were like gods who wanted to control the God Realm and rule over the God Realm.

"That's right, everything in the God Realm is governed by them, they control everything in the God Realm," Huang Ying said to Ye Chen.

"They've found Li Jingyi's whereabouts, they won't stop until they get it" Ye Chen said to Huang Ying.

"It's a little troublesome" Huang Ying agreed with Ye Chen, she felt that it was a little troublesome.

"Jingyi, what have you done, how did they find your whereabouts?" Huang Ying asked Li Jingyi.

Huang Ying asked Li Jingyi, she wanted to know why Li Jingyi was found by these people.

Li Jingyi should have hid herself very well, how could she be found so easily by the God Realm Illumination.

"That, a few days ago during a trip I healed some people who were in trouble" Li Jingyi said to Ye Chen and Huang Ying.

"You should be more careful" Ye Chen said to Li Jingyi, she told Li Jingyi to be more careful in using her strength.

"But it's strange, how did they find you, when you only heal people, there are still many people like you in the God Realm" Huang Ying said to Li Jingyi.

"They were hit by something strange, they couldn't recover from their wounds, when I used my power they healed" Li Jingyi said to Huang Ying.

"No wonder they discovered your power, that's the reason." Huang Ying now knew why the God Realm Illumination had discovered Li Jingyi's whereabouts.

"I'm sorry, I just feel sorry for them, I didn't expect this to happen" Li Jingyi apologized, she didn't know that the situation would turn out like this,

"It's okay. What you did was very good, I'm proud of what you did." Ye Chen was proud of what Li Jingyi did, he helped people in distress, so Ye Chen couldn't blame him.

"Thank you" Li Jingyi was happy that Ye Chen could understand her.

"Our place has been destroyed, I think I have to rebuild this place and strengthen it." Ye Chen wanted to build this place, he wanted to strengthen this place.

"we will help you" Fan Fumi and Li Jingyi are willing to help Ye Chen, both are willing to help repair this place together with Ye Chen.

"You don't need to do that, I can do it myself." Ye Chen was happy that Li Jingyi and Fan Fumi were willing to help him, Ye Chen could still do it himself.

"Looks like your place is completely destroyed" Qiao Xin came over, she said to Ye Chen and Li Jingyi.

"It can't be helped" Ye Chen said helplessly, everything was destroyed, the battle just now destroyed his home.

It was fortunate that Ye Chen was able to reduce the impact of the battle, otherwise it would be impossible for this city to be lost.

"Fufufufu, how about you stay at my place for the time being." Qiao Xin let Ye Chen stay at her place for a while.

"Of course, I won't turn down a good offer from my beautiful neighbor." Ye Chen didn't refuse Qiao Xin's kind offer, for the time being Ye Chen could let Li Jingyi and the others stay at Qiao Xin's place.

"Uh! ! !" Qiao Xin didn't expect that Ye Chen would say something like that.

"That's great, I'll stay at your place for a while" Li Jingyi told Qiao Xin that she would stay with Qiao Xin for the time being.

Huang Ying and Fan Fumi didn't mind, both of them didn't mind staying at Qiao Xin's place.

"Think of it as your own home" Qiao Xin couldn't go back on her words, she let all of Ye Chen's women stay where she was.

.

.

In the distance Nangong Xiang and Ning Xia saw Ye Chen's ruined house.

The two of them were already in the distance, both of whom saw the battle that Ye Chen and Pao Benz had fought.

"Did he just destroy the God Prison Cell with his bare hands?" Ning Xia asked Nangong Xiang who was beside her, was it just Ning Xia's vision having trouble or was Nangong Xiang seeing it too.

"he did" there was nothing wrong with Ning Xia's eyes, Ye Chen had indeed destroyed the God Prison Cell with his bare hands.

"If I remember correctly, it's a very strong thing and it's not to break, how can he destroy it so easily like that" God Prison Cell was such a powerful thing destroying it would be a difficult thing to do.

"I don't know either, he really isn't normal" after seeing this Nangong Xiang and Ning Xia thought Ye Chen was abnormal.

"Let's go back and talk about what we discussed earlier" Since Ye Chen could handle the matter on his own, Ning Xia invited Nangong Xiang to discuss the matter they previously talked about.

"Let's go." Nangong Xiang nodded, intending to continue their conversation.

Nangong Xiang felt that Ning Xia was someone who had the same fate as her, which was why she wanted to cooperate with Ning Xia.

Ye Chen started to build his own house, this time Ye Chen used a modern house design.

Ye Chen intended to make a house that could be used as a fortress, this should be able to be moved to another place quickly.

For that Ye Chen had to make a very good and stronger one from a profound ark.

Chi Shui and the woman from Heaven Dream Sect came, they originally intended to help Ye Chen, but when they arrived, Ye Chen had already finished everything.

Since they had already arrived at this place, they could only help Ye Chen clean up the rubble of Ye Chen's former house.

Ye Chen will probably take a little longer to build his house, even with the help of Clone he needs at least 2 weeks to complete everything.

"Time to work hard" now was the time for Ye Chen to work hard, he would be very busy for the time being.

Li Jingyi was taken care of by Huang Ying, he started to take care of Li Jingyi so that the previous situation would not happen again.

After what happened just now, God Realm Illumination will definitely send another person to capture Li Jingyi, Ye Chen can guarantee that.

Ye Chen began to be more vigilant and made sure that everything was fine and that nothing bad had happened to the people closest to him.

.
.

in a place that is most forbidden and cannot be entered by ordinary people, there are two old men who are currently sitting cross-legged, the hair of these two people looks white, from here it can be seen that they are very old.

"Both of them are cultivating, they have already spent hundreds of thousands of years cultivating and wish to gain enlightenment in order to ascend to the true god realm.

"Lord" Someone entered, he knelt down and saluted the two old men.

"What do you need?" The old man did not open his eyes, neither of them looked at the person who had just arrived.

" that. . ., the person who was sent was killed and couldn't take the woman" this man said that the person they sent couldn't take Li Jingyi,

"what are you saying" when they heard this, the two people immediately got angry, the place started to shake when both are angry.

strength of these two people was extremely strong, the pressure they possessed was capable of shaking an entire star.

Chapter 1872 Sun Vin

The person who reported this matter immediately shrunk when he felt the pressure from the two old monsters, the pressure of these two old men was so terrifying that it made him feel scared.

"How did it happen quickly tell us the truth" two old men asked how they failed to catch Li Jingyi, when it was only capturing a woman.

Even though it was only a woman, how could they fail to catch a woman was a very ridiculous thing.

"Lord, to be honest this woman is strong, she has several strong people beside her, we couldn't afford to catch her" This person told them that they failed because there were Ye Chen and Huang Ying, both of whom were strong people who were not easy to deal with.

"It's useless, if you can't handle this problem, you better get out." The two old men scolded the man in front of them, as if they wanted to kill the man in front of them.

the messenger felt very anxious, he felt like he was being watched by two huge, terrible monsters, to be honest it scared him to death.

"I'm really sorry" he apologized to the two old men in front of him, he really looked down and apologized for what happened.

"Sun Vin, you have to be able to get that woman, otherwise your life will be at stake" the two old men told to catch Li Jingyi immediately, otherwise the life of the man in front of him would be in danger.

"I understand, I will immediately do it" Sun Vin nodded, he will immediately carry out the orders given by the two old monsters.

"go" the two old monsters told Sun Vin to leave this place immediately.

"I understand Sun Vin immediately left, he immediately left this place, he immediately went and carried out the orders of the old monster.

Sun Vin came out of the forbidden place, he immediately went and looked for a way to catch Li Jingyi again.

Since Li Jingyi was much stronger than Sun Vin had imagined, Sun Vin had to change his plans.

He had to change his plans and start using devious means to catch Li Jingyi.

The Illumination God Realm members were cunning, they could use an extremely cunning way to deal with someone.

.

.

Ye Chen started to build his own house, with hard work, his house started to formed.

Ye Chen used the best materials he had, with the top grade materials that Ye Chen had, he could build a house as well as a fortress.

This house could become a profound ark that could fly at full speed.

Ye Chen also equipped heavyweight weapons around to shoot at the enemy, Ye Chen had quite a lot of Solar Stones, so Ye Chen had plenty of ammunition to fight against the enemy who was about to attack again.

Luckily during these few days, there were no more attacks on Li Jingyi, everything was safe thanks to Huang Ying being next to Li Jingyi.

As long as Li Jingyi was with Huang Ying, then everything should be fine.

"Big brother Ye Chen are you busy?" Little Shen Niang often appeared and helped Ye Chen, she loved to play and interfere with the work Ye Chen was doing.

She along with Yin Ying'er interfered with Ye Chen who was working on building the most beautiful dwelling place.

"I'm busy, you can play around." Ye Chen said that he was busy, he told little Shen Niang and Yin Ying'er to go and play around.

"okay. . ." Little Shen Niang looked disappointed, she looked very disappointed when she listened to what Ye Chen said.

Ye Chen was still working, he just needed to polish his house to perfection.

The reason why Ye Chen took so long, was because the array was very complex, so it took a long time to process.

Every inch of the iron had been strengthened by using Runes and the outside was strengthened with the most powerful Array that Ye Chen had ever created.

Ye Chen really expended quite a lot of the resources he had, he expended quite a lot of resources to build this powerful fortress.

"Looks like you are busy" Qiao Xin came to Ye Chen.

"What's wrong dear wife" Ye Chen asked Qiao Xin, Ye Chen called Qiao Xin even more affectionately.

"I want to say that you got a gift from a Blood seeker." Qiao Xin told Ye Chen that the Blood seeker sent a gift of resources to compensate.

"Oh, so they have good intentions towards me." Ye Chen didn't expect Blood Seekers to have such good intentions.

"I think it's all because of Fang Miyu, most likely she is the one who did this" Qiao Xin said to Ye Chen.

Qiao Xin was sure that Fang Miyu was the one who made Blood Seeker send Ye Chen a gift.

"Hehehehe, that woman did a very good job." Ye Chen saw that Fang Miyu did a very good job.

"she did a very good job indeed, she also got the information you were looking for" Qiao Xin gave Ye Chen information about Yu Ting.

She handed her a letter about the activities Yu Ting had been doing this past week.

Ye Chen received the letter handed by Qiao Xin, Ye Chen wanted to know what this woman was up to.

In the letter sent by Fang Miyu, Ye Chen saw that Yu Ting was at the Five Lord Divine Academy and was trying to get close to one of the Top master in the Five Lord Divine Academy.

Yu Ting even got the young master of a rich family to follow her by using his powerful enchantment ability.

"How did she get into the Five Lord Divine Academy?" Ye Chen didn't know how Yu Ting got into the Five Lord Divine Academy, the Five Lord Divine Academy should not accept her as a member of the Vengeance Fate Sect.

"Looks like she changed her identity, she used a pseudonym to sneak into the Five Lord Divine Academy" Qiao Xin said to Ye Chen.

For the Vengeance Fate Sect sending someone to sneak into the Five Lord Divine Academy was not a difficult thing.

"Is the Five Lord Divine Academy that stupid?" Ye Chen asked Qiao Xin.

Ye Chen didn't expect that the Five Lord Divine Academy would be so stupid as to let Yu Ting in.

"They are not stupid, I can say that they let her into the Five Lord Divine Academy." With the strength of the Five Lord Divine Academy they should have known about this matter, rather they let Yu Ting in.

"I don't know what that woman is planning, but it will be troublesome when that woman builds strength by preying on young men from rich families" Yu Ting seemed to be building up the strength she had, she used young masters from rich families to build up the power she have.

"Do I need to get rid of her?" Qiao Xin asked Ye Chen, she wanted to help to get rid of Yu Ting.

Somehow when Qiao Xin heard Yu Ting's name, she became angry and wanted to destroy this woman.

"That's not necessary" Ye Chen told Qiao Xin not to do that, that woman was quite dangerous and cunning, she might do something bad to Qiao Xin.

"Why, you forbid me?" Qiao Xin asked Ye Chen, she asked why Ye Chen forbade her to go.

"It's because I'm worried for your safety." Ye Chen told that he was worried about Qiao Xin.

Chapter 1873 moon mirror necklace

Qiao Xin was quite touched by what Ye Chen said, she was happy that Ye Chen was so worried about her.

"Xin, where are you going, our game isn't over." Li Jingyi walked over to Ye Chen and Qiao Xin, saying that their game wasn't over yet.

"I'll be right there." Qiao Xin nodded, she gave Ye Chen a present and returned with Li Jingyi.

"Cheer up, if you are excited I will give you a gift" Qiao Xin said to Ye Chen, she said that she would give a gift to Ye Chen who had worked hard.

" okay. . . ."Ye Chen was very excited, he was quite excited when he listened to what Qiao Xin had to say.

Ye Chen of course knew what Qiao Xin was referring to, this woman must be discussing bed matters with Ye Chen.

Qiao Xin liked doing Dual Cultivation together with Ye Chen, it wasn't strange that she asked for more from Ye Chen.

"Young master, I have a letter for you." Qi Yunzhi came over to bring Ye Chen a letter.

"What's the letter?" Ye Chen asked Qi Yunzhi.

"I didn't know it was from Jade Lotus Peak" Qi Yunzhi said to Ye Chen.

Qi Yunzhi had not opened the letter, so it was not surprising that he did not know what was in the letter.

Ye Chen took the letter that was in Qi Yunzhi's hand, when Ye Chen read the letter, it contained a description of the test to enter the God Realm martial arts competition.

"Is it tomorrow" Ye Chen did not expect that the competition would be held tomorrow, it was too soon for Ye Chen.

"I think I'm going to get ready" Ye Chen had no choice but to start preparing, tomorrow was the time for the God Realm Martial Arts competition test.

This test will be followed by a lot of people, it should be a very big event, and only a few people will pass and enter the next stage.

"Thank you very much for giving this to me" Ye Chen thanked Qi Yunzhi for giving this to him.

"You're welcome." Qi Yunzhi nodded, her happy to help Ye Chen.

"You all work even harder" Ye Chen told his Clone to work even harder, he wanted to finish this faster.

With the order given by Ye Chen, all the clones immediately accelerated their work, they were very fast and started to finish the building given by Ye Chen.

.

In the Heaven Light Palace, at this time appeared three beautiful women who had just come out of the confined space.

"We're finally done" the three of them were happy because they had come out of a tiring and very long closed-door practice.

When this woman has her own characteristics, the first has a very glamorous look, the second has a very seductive and charming look, and when she has a cold and beautiful look.

The three of them were Su Mengxin, Qing Cheng and Mu Lanyin, the three of them had finished their training and had become stronger and stronger.

In addition to the increased strength, the three of them became even more beautiful, the three of them became more mature and more seductive.

"It's been a long time, I want to meet my husband" Qing Cheng wanted to meet Ye Chen, she had not seen Ye Chen for a long time.

"You look very excited, it seems you want to do that" Mu Lanyin could tell what Qing Cheng was thinking, Qing Cheng definitely wanted to be with Ye Chen.

"You know very well what I'm thinking" Qing Cheng nodded, she naturally wanted to be with Ye Chen, it had been a long time since Qing Cheng had been with Ye Chen.

"Fufufufu, you guys are so excited, then why don't we go and have a look." Su Mengxin took Mu Lanyin and Qing Cheng to see Ye Chen.

"Where is he now?" Mu Lanyin and Qing Cheng didn't know where Ye Chen was, they had never heard any news about Ye Chen.

"Let's ask Yanyan" Su Mengxin was about to ask Zhao Yanyan, she was one of the people who knew of Ye Chen's whereabouts.

"Let's go" Qing Cheng agreed, he wanted to ask Zhao Yanyan about Ye Chen.

"You guys are looking for me" Zhao Yanyan came over, she already knew that the three would come out.

"Yanyan" Su Mengxin hugged Zhao Yanyan, she hadn't seen Zhao Yanyan in a long time.

Zhao Yanyan hugged Su Mengxin back, their relationship was as close as their two grandfathers.

Su Mengxin and Zhao Yanyan had spent a lot of time together, so it wasn't strange that the two had become very close.

"Are you guys done practicing yet?" Zhao Yanyan asked Mu Lanyin, Qing Chen and Su Mengxin.

"We're done, now we're much stronger," Mu Lanyin, Qing Chen and Su Mengxin said to Zhao Yanyan.

"I'm glad to hear this," Zhao Yanyan said to Mu Lanyin, Qing Chen and Su Mengxin.

"But when compared to you, you are still behind," Mu Lanyin said to Zhao Yanyan.

Even though they had become stronger, in reality they were still below Zhao Yanyan.

"You don't have to worry too much, this is for you." Zhao Yanyan gave the resources Ye Chen had entrusted to Mu Lanyin, Qing Chen and Su Mengxin.

With the resources provided by Ye Chen Mu Lanyin, Qing Chen and Su Mengxin could become even stronger.

"Yanyan, This ?" Su Mengxin asked Zhao Yanyan.

"This is from husband, you can use it." Zhao Yanyan said to Mu Lanyin, Qing Chen and Su Mengxin.

Mu Lanyin, Qing Chen and Su Mengxin were touched by what Ye Chen said, Ye Chen was still very kind to them.

"Yanyan, where is husband now?" Qing Cheng asked Zhao Yanyan, she wanted to know where Ye Chen was.

"He's at the Sky Cloud Peak Star Realm." Zhao Yanyan said that Ye Chen was still at the Sky Cloud Peak Star Realm.

"Then we will go" after they listened to what Zhao Yanyan said, they immediately left, they wanted to meet Ye Chen.

Zhao Yanyan gave the teleport stone to the Sky Cloud Peak Star Realm, they should be able to find Ye Chen by themselves.

"Thank you very much" Mu Lanyin, Qing Chen and Su Mengxin Zhao Yanyan, the three took the teleportation stone and headed straight for the Sky Cloud Peak Star Realm.

Zhao Yanyan was left alone by Mu Lanyin, Qing Chen and Su Mengxin.

Zhao Yanyan showed a sweet smile, she saw that all her sisters looked very excited.

"Yanyan come here." Shui Yixian called out to Zhao Yanyan.

"I'll be there" Zhao Yanyan immediately left, she immediately went to Shui Yixian's place

"Sister what's wrong?" Zhao Yanyan asked Shui Yixian, when Shui Yixian called her, something must have happened.

"Liu Yue is almost out, before she leaves the closed door, you go to Blue Moon God Star Realm and ask for the moon mirror necklace from the Moon Goddess" Shui Yixian told Zhao Yanyan to go to Blue Moon God Star Realm.

"Is the moon goddess willing to give the moon mirror necklace?, it should be a precious treasure" Zhao Yanyan said to Shui Yixian.

"In the past he promised me, now is the time to collect it, so you go and say if I ask for it, it will be very useful for Liu Yue" Shui Yixian said to Zhao Yanyan.

"Then I will go and meet the goddess Yue Ya" Zhao Yanyan will do it, this is all for Liu Yue's sake.

Chapter 1874 Do you want to be hugged

the moon mirror necklace would be of great use to Liu Yue, it could make Liu Yue's strength even stronger.

"Then I will go" After hearing this, Zhao Yanyan immediately left, going to meet Yue Ya.

"Good luck to you." Shui Yixian hoped that Zhao Yanyan would succeed, he really hoped for Zhao Yanyan.

.

.

Tomorrow came, it was time to participate in the exam to become a participant in the God Realm martial arts competition.

Ye Chen was sleeping, he had just finished building the house and was currently exhausted.

"Young master, wake up right now." Qi Yunzhi woke Ye Chen, she woke up Ye Chen who was still asleep.

today was an important day, Ye Chen had to take part in the exam in order to become a regular participant in the God Realm martial arts competition.

"I want to rest a little longer." Ye Chen said that he would rest a little longer.

Ye Chen was a little tired and needed a little time to rest.

"Looks like there is no other way" Seeing Ye Chen who was still very lazy, Qi Yunzhi had no choice but to do this.

Qi Yunzhi climbed onto the bed, she unbuckling Ye Chen's belt.

What was done by Qi Yunzhi was immediately discovered by Ye Chen, Ye Chen swiftly held back Qi Yunzhi's hand.

"Yunzhi what are you doing?" Ye Chen asked Qi Yunzhi.

"I intend to wake you, I heard that this is one of the best ways to wake a man" Qi Yunzhi said to Ye Chen.

"Who taught you this method?" Ye Chen asked Qi Yunzhi, who taught Qi Yunzhi this method.

"Of course sister Shui" Qi Yunzhi told that Chi Shui was the one who taught this to Qi Yunzhi.

"Why is she teasing Yunzhi?" Ye Chen just shook his head, apparently this was all Chi Shui's teachings.

"I will wake up" Ye Chen said to Qi Yunzhi, Ye Chen had no other choice but to get up.

"fufufufu" Qi Yunzhi smiled, she seemed to be enjoying the momentum when teasing Ye Chen.

Ye Chen immediately tidied his clothes, he will leave as soon as possible.

"I'm leaving" Ye Chen said to Qi Yunzhi and the woman in the house that he was going.

"Be careful" Qi Yunzhi, Li Jingyi, Huang Ying, Fan Fumi and Qiao Xin greeted Ye Chen to continue to be careful.

They hoped that Ye Chen wouldn't cause trouble, instead of worrying about Ye Chen's safety, they were more worried about Ye Chen causing trouble.

Ye Chen waved his hand towards Qi Yunzhi, Li Jingyi, Huang Ying, Fan Fumi and Qiao Xin, himself headed towards the Jade Lotus Peak.

"You finally came too" Mei Yueli said to Ye Chen, she welcomed the arrival of Ye Chen.

"Are you coming too?" Ye Chen asked Mei Yulei.

"Are you mocking me, I didn't enter because I'm old" Mei Yueli said to Ye Chen.

Mei Yueli puffed out her cheeks dissatisfied, Ye Chen was just mocking her age.

"Hahahaha, I didn't mean it like that" Ye Chen didn't mean to do that, he didn't mean to mock Mei Yueli.

"Where are the participants from Jade Lotus Peak?" Ye Chen asked where the other participants were.

"There are only a few women who will come, they are still very young and still not as developed as you" Mei Yueli said to Ye Chen.

Within the Jade Lotus Peak there were indeed a few female disciples who still met the criteria, they were still young.

"Then let's meet them" Ye Chen invited Mei Yueli to meet them.

"Do you want to tease them?" Mei Yueli said to Ye Chen, Mei Yueli seemed to understand what Ye Chen was trying to do.

"Hehehe, wife really knows how I am" Ye Chen smiled, Mei Yueli knew very well about him.

"You, you don't change" Mei Yueli saw that Ye Chen never changed, he was still the same and liked to flirt with new women he met.

"Isn't that no difference, you can get another new sister, you must be happy about this" Ye Chen said to Mei Yueli.

"You're wrong" Mei Yueli immediately made a refusal, she didn't like this.

"You're lying I know you don't mind it" Ye Chen said as he hugged Mei Yueli.

"I . . ." Mei Yueli immediately died when she was hugged by Ye Chen, she was immediately confused when she was hugged by Ye Chen.

"Let go of me" Mei Yueli told Ye Chen to let go, she felt embarrassed when she was hugged by Ye Chen.

"I want to be like this a little longer" Ye Chen said that he wanted to be like this a little longer.

Since Ye Chen said like this, Mei Yueli had no choice but to remain silent, she couldn't resist and free herself from Ye Chen's entanglement.

Ye Chen hugged Mei Yueli, he enjoyed the fragrance on Mei Yueli's body which was very fragrant.

"Sister Mei, Junior Ye what are you guys doing" When Ye Chen hugged Mei Yueli, came several female disciples who were beautiful and had charming appearances.

Their appearance that is wrapped by a veil makes every man feel curious about the beauty they have.

Mei Yueli hurriedly pushed Ye Chen away, she hastily pushed Ye Chen away.

"we . . ." Mei Yueli looked confused in answering the question that was just asked by the female student who caught the two together.

"I just helped her" Ye Chen said to the women in front of him.

Ye Chen helped Mei Yueli out of a bad situation.

"help?" these women were getting more and more curious, they wanted to know what Ye Chen meant.

"Yes, he was a little afraid of me, so I helped her to overcome that fear" Ye Chen said to the woman in him.

Ye Chen was very good at finding solutions, he easily found solutions to the problems they were facing

"Is that true?" these women seemed to trust Ye Chen very much, they did not have any suspicions on Ye Chen.

"That's right." Mei Yueli immediately nodded, reassuring the women in front of her.

"Would you like to try it too?" Ye Chen asked the woman in front of him.

"Are you going to do it?" These women looked very happy when they listened to what Ye Chen said, they naturally didn't mind feeling hugged by Ye Chen.

"All of you" Mei Yueli pointed at all the women in front of her, she didn't expect that all the women would want to be hugged by Ye Chen.

"What's wrong, is Sister Mei unhappy about this, if you don't agree we will report you to Lord Peak" these women threatened Mei Yueli.

"-_- " Mei Yueli couldn't help but be silent, herself being threatened by her own juniors.

"Come in" Ye Chen is a happy person, he can hug the beautiful woman in front of him, this is a fortune for him.

Ye Chen hugged the women in front of him one by one, he hugged them and started to tease these women.

Women are still innocent, they are the first time to do something like this.

" comfortable . . ." when they felt Ye Chen's embrace, they felt comfortable, the feeling of being hugged by a man felt very comfortable.

It wasn't strange that Mei Yueli didn't put up a fight when being hugged by Ye Chen, apparently this was the reason.

Ye Chen's hands began to touch the women in his arms, he began to tease the women in his arms.

Since Ning Xia had allowed Ye Chen to do whatever he wanted, then Ye Chen could do whatever he wanted to the beautiful women in Jade Lotus Peak.

Chapter 1875 Preliminary exam (1)

"Junior Ye Chen don't" these women felt hot, their bodies started to heat up when Ye Chen touched them.

"What's wrong?, don't you like it?" Ye Chen asked the female disciple in front of him, Ye Chen put on a disappointed face.

"No, we didn't mean to say that" all the women felt bad, they felt bad when they heard what Ye Chen said, they felt that rejecting Ye Chen was cruel.

"He cheats on these women" Mei Yueli saw that Ye Chen deceived the woman in his arms, Ye Chen was very good at deceiving women.

Mei Yueli wanted to save them, she wanted to save them from Ye Chen's evil hands.

"Wait a minute, why did I have to do that before they threatened me so why would I help them?" Mei Yueli didn't want to help, she didn't want to help the person who previously threatened her.

"Let them all feel the power of Ye Chen" Mei Yueli would let these women feel the ability of Ye Chen, they would definitely not be able to withstand Ye Chen's powerful attack.

"Ahhh. . . ." these women started to emit seductive moans, they let out sounds and moans when they received touch and stimulation from Ye Chen.

"This is great, junior Ye Chen. . . ." All the women were happy and satisfied, they felt a very comfortable feeling from Ye Chen.

"Do you like it?, and want more?" Ye Chen asked the women in his arms.

"Yes, we want more" All women want more, they all want more pleasant things from Ye Chen, they want more comfortable things from Ye Chen.

After getting the approval of the women in front of him, Ye Chen began to dare, he began to dare to touch the sensitive parts of these beautiful women.

"Ummm, ahhhh. . . ." these beauties instantly fell helplessly into Ye Chen's arms.

If Ye Chen didn't hold them back, they would most likely fall instantly, luckily Ye Chen held them back so they didn't fall.

"Are you satisfied? . . Ye Chen asked the women in front of him.

"Yes, it's comfortable, we want more" these women love the feeling just now, they just feel the best feeling they have never tried.

Ye Chen smiled, he managed to make the women in front of him submissive and captivated by his abilities.

Ye Chen's abilities only grew and he could easily make women like this.

"Ye Chen, stop teasing them" just as Ye Chen was just having fun and playing with the beauty in his arms, Mu Xueying came over and stopped Ye Chen.

"Sister Mu" when they saw Mu Xueying around, they were immediately scared, they immediately hid and didn't dare to look at Mu Xueying who had just caught what they were doing with Ye Chen.

"Sister Xueying, how are you?" Ye Chen said to Mu Xueying, he greeted Mu Xueying.

"Let go of them" Mu Xueying told Ye Chen to let them go.

"okay" since Mu Xueying was here, Ye Chen let go of the women in his arms.

"Sorry, looks like we'll continue this another time" Ye Chen apologized, he might be able to continue this matter another time.

"Okay" these women nodded, they were all looking forward to what Ye Chen said.

Honestly what Ye Chen just did was very good, they were all very happy with what Ye Chen did.

The beautiful ladies of Jade Lotus Peak left, they left and headed to where the test was.

"You are so naughty" Mu Xueying said to Ye Chen, Mu Xueying saw that Ye Chen was very naughty, Ye Chen teased the innocent girls in Jade Lotus Peak.

"What's the matter, Lord Peak has allowed me to do whatever I want" Ye Chen said to Mu Xueying.

Ye Chen already had Ning Xia's blessing, so Ye Chen was not afraid when he approached the beautiful women inside the Jade Lotus Peak.

"Are you kidding us both?" Mu Xueying and Mei Yueli didn't believe what Ye Chen said, neither of them believed what Ye Chen said.

"It's okay if you don't believe" Ye Chen didn't mind, he still had Ning Xia telling him to do whatever he wanted.

"Ye Chen let's go" Mu Xueying took Ye Chen away, they were going to attend the exam together with the other students.

"Why should there be an exam, it's so troublesome" Ye Chen asked Ning Xia, why should there be an exam which is quite troublesome.

"Western God Realm is very wide, you should know that if everyone joins, it will be very large, it is impossible to put that many people in the same place" Mu Xueying said to Ye Chen.

"You're right, putting many people in the same location is quite a difficult thing to do" Ye Chen quite agreed with what Mu Xueying said, it takes a really very large place to put all the participants in the same place .

Plus this time the requirements are very minimal, this is different from previous years.

It was estimated that the number of people signing up was tens of thousands of times better than usual.

Usually there are two criteria in entering the competition, first is the level of strength and the second is age, but now the level of strength is loosened up and everyone can enter as long as they have an age that is below the specified limit.

"There might be another purpose behind all of this." Ye Chen saw that there was another purpose behind all of this.

"You are very intelligent, I also thought the same thing, although everyone can participate, in fact only the best participants will advance, that means only the best talents are eligible to enter the God Realm Martial Arts competition".

"they are looking for the best talent" most likely they are looking for the best talent, that's why everyone can take part in the preliminaries.

"We only got a quota of a few in the hundreds, so it's likely that this will be a pretty tough preliminaries test," Mu Xueying said to Ye Chen.

"Very little" Ye Chen said to Mu Xueying.

Of the many participants who register, only a few hundred will be selected, this will definitely be a very fierce thing.

"You have great strength, so you shouldn't have to worry too much about what happened." Mei Yueli was sure that if Ye Chen could pass all of this, the preliminaries should be easy considering that there would only be Sky Cloud Peak Star Realm.

"We'll see." Ye Chen didn't dare promise too soon, he didn't know what kind of test he had to pass.

Mei Yueli and Mu Xueying nodded, both wanted to see what Ye Chen would do, to be honest both were quite curious about what Ye Chen would do.

Ye Chen, Mei Yueli and Mu Xueying arrived at the preliminaries, there were a lot of people here waiting for the preliminaries.

there were quite a number of people of various ages and factions, they were all gathered and waiting for the preliminaries.

"Hey who are those two beauties" when Mei Yueli and Mu Xueying came, everyone naturally became excited, they were excited when they saw the arrival of two beauties like Mei Yueli and Mu Xueying.

Mei Yueli was a little uncomfortable when they were seen by the people around, meanwhile Mu Xueying was cold and ignored everyone around.

Chapter 1876 Preliminary exam (2)

The two of them had an excellent combination, it wasn't strange that people were staring at them.

Seeing that someone was eyeing Mu Xueying and Mei Yueli, Ye Chen immediately reached out and hugged Mu Xueying and Mei Yueli.

Mei Yueli and Mu Xueying were both shocked by what Ye Chen did, Ye Chen was very bold in hugging them when in public.

"Go away" Ye Chen told everyone to leave, he told everyone to leave and stay away from Mu Xueying and Mei Yueli.

Several rich young masters from big Clans and rich families were not happy when they saw this, they all felt jealous of Ye Chen having two beauties beside him.

"damn" everyone was annoyed, they wanted to beat up Ye Chen because he had dared to flaunt two beauties like Mu Xueying and Mei Yueli.

"what are you doing?" Mu Xueying asked Ye Chen, Ye Chen hugged herself quite tightly.

"I'm protecting you two from predators who want to eat you two." Ye Chen protected the two, he wouldn't let these people harass Mu Xueying and Mei Yueli.

"You are more dangerous than them." Mu Xueying and Mei Yueli felt that Ye Chen was far more dangerous than the people around them.

"Hahahaha" Ye Chen laughed, he laughed when he listened to what Mu Xueying and Mei Yueli had to say.

Ye Chen was not angry, he thought that what Mu Xueying and Mei Yueli said was a compliment.

"We are not praising you" Mu Xueying and Mei Yueli were not praising Ye Chen.

"Whatever, but you guys are mine, I won't let people bother you" Ye Chen pulled Mu Xueying and Mei Yueli, he hugged them both quite tightly.

Mu Xueying and Mei Yueli blushed, both of them felt embarrassed by what Ye Chen did, Ye Chen was very brave, he was quite daring to do intimate things with Mu Xueying and Mei Yueli.

"What Ye Chen did made people feel even more angry, the people around felt angry with what Ye Chen did.

"Who is that man, I won't let him" people around will target Ye Chen, they will target Ye Chen who they think is very annoying.

All the men had nothing to do with what Ye Chen and Mu Xueying and Mei Yueli did together.

The problem is what Ye Chen did to make those men in this place annoyed and angry.

All the men in this place also want to have beautiful women on both sides, the problem is that it is very difficult to do.

Having two beauties like Mu Xueying and Mei Yueli was like climbing an endless mountain, it was extremely difficult to achieve.

Ye Chen waited for the preliminaries, he continued to cling tightly to Mu Xueying and Mei Yueli.

"Those two women" from afar Sun Xuanyin saw what Ye Chen was doing, she could see what Ye Chen, Mu Xueying and Mei Yueli were doing together.

Sun Xuanyin had to admit that Mu Xueying and Mei Yueli were beautiful, both of whom could be said to be high-level women in the God Realm, the beauty of the two was not easy to find.

Especially Mu Xueying, she might be able to surpass Sun Xuanyin in terms of beauty, with Mu Xueying's special body getting stronger, Mu Xueying's beauty also became stunning.

Anyone would be blown away by Mu Xueying's beauty, even Sun Xuanyin had to admit that Mu Xueying was a very beautiful and extraordinary woman.

"It's not strange that he's not interested in me, it turns out that beside him are two innocent beauties." With Sun Xuanyin's current appearance, she couldn't possibly compete with Mu Xueying, Sun Xuanyin had to use her original appearance to compete with Mu Xueying if she wanted to win.

"Ahhhh. . ." Sun Xuanyin screamed, she started to think about what happened to her and Ye Chen, she felt excited and her body became hot when she thought about what happened to her and Ye Chen.

"My body is hot, I want more" Sun Xuanyin began to get addicted to Ye Chen's ability, Ye Chen's strong and formidable ability made her feel very excited.

"I will look for another opportunity" Sun Xuanyin would look for another opportunity, she would steal that moment with Ye Chen again, she would tease Ye Chen like before again.

Sun Xuanyin was now obsessed with Ye Chen, she had now forgotten her original purpose of coming to this place.

Her goal now was more towards Ye Chen, she wanted to get Ye Chen and steal her from the women who surrounded him.

"When did this start?" Ye Chen couldn't wait, he wanted to start as soon as possible.

"You have to be more patient, all this will start soon, you just have to wait" Mu Xueying told Ye Chen to be more patient, things will start soon.

Ye Chen nodded that he would wait patiently, although this was a little boring, Ye Chen had no choice.

Luckily, there were Mu Xueying and Mei Yueli accompanying Ye Chen, otherwise it would be very boring to live in this place.

While waiting for things to start, Ye Chen teased Mei Yueli and Mu Xueying, Ye Chen made out with the others.

While all the participants were waiting anxiously to see if they would pass or not, Ye Chen was engrossed in teasing Mu Xueying and Mei Yueli instead.

Of course this made the male participants feel annoyed with Ye Chen.

Luckily the female participants were able to accept Ye Chen well, they kept seeing Ye Chen who was so handsome and charming, they had never seen a man as handsome as Ye Chen, Ye Chen was so handsome and made them feel like possessing him.

But when they saw Mei Yueli and Mu Xueying beside Ye Chen, they immediately gave up their intentions.

The situation around Ye Chen was quite tense, Ye Chen was surrounded by people who didn't like him, they could attack Ye Chen if the situation allowed.

"Hello" an old man came, he would be the one to start the preliminaries.

When this old man came, almost everyone around this place immediately turned their attention, they all turned their attention away from Ye Chen, Mu Xueying and Mei Yueli.

"Looks like it's already started, we're leaving." Seeing that the exams were about to start, Mu Xueying and Mei Yueli decided to leave.

"Too bad you two can't come." Ye Chen felt pity, Mu Xueying and Mei Yueli couldn't come with him.

If only the two of them could come along, that would be a very good thing.

"It can't be helped, they can't come, damn rules" Ye Chen was disappointed with the existing rules, there shouldn't be such a rule so Mu Xueying and Mei Yueli could come along.

"You have to go through everything alone" Mu Xueying and Mei Yueli told Ye Chen to go through everything alone, after saying that, Mu Xueying and Mei Yueli left this place and went to the side.

"All of you have already registered to take part in the God Realm Martial Arts competition, this time is a test for you, only those of you with decent strength can enter" the old man said to all the participants.

All participants listened to the old man's lecture carefully, they made sure to listen to every old man's talk so that they did not catch the wrong information.

Chapter 1877 Preliminary exam (3)

Ye Chen didn't really listen to what the old man in front of him said, he yawned and focused on the exams that were about to start.

"All of you will be filtered down to the most refined part, among you in this place, only 0.0000000001% will pass" the old man informed saying that among all the participants there would be only a few people who passed.

"glup. . ." Everyone gulped, they all didn't expect it to be so tight.

If it was like this, then the chances of them winning would be very small.

There were countless geniuses with above average strength here, they were strong people and extremely self-confident, for people with low cultivation, this would be a very difficult thing to do.

"Okay, this time we have a guest from the Five Lord academy" the old man announced that they had a guest from the Five Lord academy.

"What ! ! !" Everyone was shocked when they heard this, everyone wanted to know who had come to their place, to be honest everyone here was curious as to who the person who came from Five Lord academy was.

The Five Lord academy was one of the great powers and was home to the Geniuses of the various top-class stars that existed in the God Realm.

So this naturally shocked everyone present in this place, everyone was taken aback by what was just delivered.

A beautiful woman appeared, herself standing beside the old man, the old man immediately retreated and let this woman take over.

"Wow, so beautiful" all the men were immediately captivated by the beauty of the beautiful woman in front of them.

They all looked very surprised by the beauty of the woman in front of their eyes, the woman before their eyes was quite beautiful and was above the normal beauty.

"Why is this woman in this place?" Ye Chen was quite surprised when he saw the beautiful woman from the Five Lord academy.

Ye Chen knew a beautiful woman from the Five Lord academy, he had met this woman not long ago.

The beautiful woman who appeared in front of everyone was Lei Qiaolin, she appeared in front of everyone in this place.

"How did she appear in this place?" Sun Xuanyin was also astonished when she saw Lei Qiaolin appear, how did a woman like Lei Qiaolin appear in a place like this, supposedly a strong woman like Lei Qiaolin would not want to appear in a place like this.

"This time I will test your abilities" Lei Qiaolin said to everyone in this place, everyone said that she would test everyone in this place.

"what !!!" Everyone was shocked when they listened to Lei Qiaolin who was going to test them, those from rich families and influential Clans immediately shrunk when they heard this.

Since Lei Qiaolin would be the one to test them, that meant they wouldn't be able to cheat, if they did cheat, they would be easily discovered by Lei Qiaolin.

Lei Qiaolin smiled at everyone, she couldn't wait to see the abilities of the participants in this place.

Lei Qiaolin looked at all the participants, he was looking for the whereabouts of the person who had abused him, should the person who abused her take part in this preliminary exam.

"Looks like she's looking for me" Ye Chen could sense that Lei Qiaolin was looking for him, this woman must be looking for the whereabouts of Ye Chen who had dared to harass her.

Ye Chen decided to hide, him looking for the most suitable place to hide himself.

Ye Chen used the people around him to hide himself from Lei Qiaolin.

Ye Chen knew that he wouldn't be able to hide himself from Lei Qiaolin, at least Ye Chen wouldn't be found out quickly by this woman.

Lei Qiaolin didn't see Ye Chen's presence, Ye Chen was quite good at hiding himself.

"The number of participants in this place is large, finding it would be a very difficult thing to do" right now Lei Qiaolin would be very difficult to find Ye Chen, the number of participants who were participating was too many so it would be very difficult to find the whereabouts of Ye Chen.

"Okay, I'll get straight to the point, all of you will get into this thing." Lei Qiaolin took out a pagoda, himself took out a hand-sized miniature pagoda.

" ???, what is it?" everyone asked, they didn't know what was in Lei Qiaolin's hand.

"This is a tool that will be used to test you, in this tool there are several floors in which there are obstacles that will wait for you, who is the strongest and can reach the top level, then he will be the chosen one" said Lei Qiaolin on everyone.

After hearing Lei Qiaolin's explanation, everyone finally understood, they all understood what Lei Qiaolin had just released.

"Can this small object accommodate everyone?" the participant asked Lei Qiaolin again, whether such a small object could accommodate all of them.

"What a great question, this thing probably won't accommodate you at the same time, that's why I prepared a lot" Lei Qiaolin prepared quite a lot, everyone can use things in turn.

" Okay . . ." Everyone was excited, they all felt excited when they heard this.

"You all get ready" Lei Qiaolin told everyone to get ready, they had to prepare themselves.

Lei Qiaolin took out quite a number of pagodas, her taking out dozens of pagodas.

This thing was nothing special, it was usually used by disciples of the Five Lord Divine Academy.

So Lei Qiaolin had quite a lot of these things.

Although this item wasn't particularly special, for a cultivator at the mid-star rank it was still quite a difficult thing to handle.

They would definitely have a hard time tackling this pagoda and probably wouldn't be able to advance to a higher level.

"what's inside" Ye Chen was quite curious about what was inside this pagoda, to be honest Ye Chen was very curious about the contents inside the pagoda released by Lei Qiaolin.

"You can go straight in." Lei Qiaolin told all the participants to go inside, they were all free to have a place they would use.

After listening to Lei Qiaolin's cue, all the participants swiftly searched for a suitable place, they scrambled to be the first to enter the Trial pagoda.

Not wanting to be found by Lei Qiaolin, Ye Chen ran along with the crowd, making sure he wouldn't be found by Lei Qiaolin.

Lei Qiaolin didn't find Ye Chen's whereabouts, it could be said that Lei Qiaolin didn't see Ye Chen.

Ye Chen entered the Trial pagoda, Ye Chen chose so randomly that he didn't know who he was with.

"All participants welcome to the Trial pagoda, you will begin the difficult training, prepare yourselves, you will be transferred to the Trial site" a voice sounded and informed everyone that they would be transferred to the Trial site.

The people around Ye Chen were enveloped by the light, Ye Chen was also enveloped by the strong light and he disappeared.

Ye Chen appeared in an empty room measuring 20x20 meters, this room was quite empty and no one else could see Ye Chen around.

"Hmm, what is this?" Ye Chen didn't know what it was, this place was empty, there was no one around, plus there was no way out of this place.

Chapter 1878 Preliminary exam (4)

"Roar" Ye Chen heard a very loud scream, this voice appeared in front of Ye Chen.

"A Magical Beast?" Ye Chen saw that in front of him was a Magical Beast.

A bear Magical Beast appeared in front of Ye Chen, this bear was preparing to pounce on Ye Chen.

The bear used its long and big claws to pounce on Ye Chen, he wanted to tear Ye Chen apart and eat him.

Ye Chen used his one finger, he used his one finger to hold the bear's body.

The bear's body was held back by Ye Chen very easily.

"Go away" Ye Chen snapped his fingers, instantly the bear flew and shot towards the wall.

"Bang. . ." A very strong sound that occurred due to the impact of the bear and the wall.

The Bear Magical Beast was defeated by Ye Chen, Ye Chen only used one finger to defeat the bear.

"Too easy" Ye Chen saw that it was too easy, he felt that the Trial Pagoda was very easy to pass.

Ye Chen's body was enveloped by light, it seemed that Ye Chen had been transported to another place.

Ye Chen appeared again in the empty space, this time around Ye Chen there was a donut-shaped pool of water surrounding Ye Chen's body.

" byur . . ." The second monster appeared again, this time a flying fish appeared from the pond, the fish spouted water and shot it at Ye Chen.

Ye Chen used his arm to fend off the attack that had just come towards him.

Fish attacks did not work against Ye Chen, this attack had no effect on Ye Chen who was immune to water attacks from the start.

"So I've gone to the next floor." Ye Chen saw that he had already advanced to the next level.

By now Ye Chen should be in the second level, himself fighting the new monsters guarding this place.

"Then all I need to do is defeat them and I will advance to the next level"

Ye Chen already understood the rules of the Trial, now that he knew what he had to do, Ye Chen only needed to defeat every monster and magical beast on every floor, with once Ye Chen was able to advance to a higher level.

"Okay, let's defeat them" Ye Chen stepped forward, he started to defeat the monsters in front of him, he used physical attacks to fight the fish monsters.

Ye Chen even went into the water, himself into the pond to fight the monsters hiding inside.

The fish monster started to run away, Ye Chen kept chasing after him so the monster didn't have a chance to fight Ye Chen.

Ye Chen clung too tightly, this made the monsters unable to fire attacks at Ye Chen.

"time to fish" it was time for Ye Chen to fish, now was the time for Ye Chen to fish in the pond.

With one flick of the hand, Ye Chen managed to get the fish that attacked him.

"You want to run away, it won't be that easy" Ye Chen had already won, he had caught the fish monster and just killed it so that he could advance to the next level.

"Boom" when Ye Chen thought that everything was over, another fish monster appeared and attacked Ye Chen from behind.

A sneak attack hit Ye Chen and triggered a huge explosion in the pond.

This explosion was quite large, the contents of the water in the pool immediately rose to the top.

"I didn't expect that there were two monsters" Ye Chen could anticipate the attack just now, Ye Chen could anticipate the attack coming towards him.

Luckily Ye Chen was still very alert, so he was able to spot the sneak attack coming.

Even though it wouldn't hurt Ye Chen, what had just happened was quite fatal, if the attack just now had been carried out by a strong person, Ye Chen might have been injured.

"Okay I'll catch you too" Ye Chen left, he was going to catch the fish that had dared to attack him.

The fish in front of Ye Chen fled again and tried to hide from Ye Chen.

No matter how great the fish in front of him, he wouldn't be able to run away from Ye Chen, he wouldn't be able to run away from Ye Chen who was so fast.

"Where are you going, you won't be able to run" Ye Chen used his hand to grab the fish monster's body.

Ye Chen used a much stronger force to snatch the fish monster in front of him, because it was too strong, Ye Chen accidentally killed it.

"Never mind, it's okay" Ye Chen didn't mind this, his original goal was to kill the fish monster in front of him.

because one monster had been uprooted by Ye Chen, finally destroying another monster, he destroyed the monster in his hands.

After the two monsters were destroyed, Ye Chen was teleported to the next level, this time Ye Chen faced a horde of spiders that were the size of a human, these spiders shot a web at Ye Chen.

"One Hundred Thousand Fire Swords" Ye Chen took out One Hundred Thousand Fire Swords, he controlled One Hundred Thousand Fire Swords and attacked the spider in front of him.

All the cobwebs that were around were easily burned by the One Hundred Thousand Fire Swords.

"Slashes. . ." Ye Chen cut all the spiders in front of him, it was very easy for the spiders to be cut by Ye Chen.

Ye Chen finished all the spiders in just seconds, he was extremely fast and unstoppable.

Ye Chen continued to climb to the next floor, he was unstoppable and continued to advance to the next floor.

Every time Ye Chen went up to the next floor, he would find that on the next floor there would be more monsters, every time he went up the floor, the number of monsters there would be more and more.

The more the number of monsters, the better for Ye Chen, Ye Chen could clear them up faster by using the One Hundred Thousand Fire Swords.

After going up several floors Ye Chen finally reached the tenth floor, this was the highest floor in this place.

The tenth floor was much wider than the floor below, at least about 100M x 100M in size.

"What will I meet?" Ye Chen was curious about what he would fight, there should be a strong enemy in this place.

"Tap. . . . , Tap , Tap , Tap " An enormous footstep was heard, these footsteps were very large and made the listeners feel anxious.

"It looks like it's a huge monster." Ye Chen saw that it was an enormous monster, he saw that it was an enormous monster.

a large Knight with complete armor appeared in front of Ye Chen, this knight carried a two-handed sword that was quite large in size.

The size of the sword that the knight carried was quite large, a single slash might be able to destroy a skyscraper with ease.

The large Knight swung his sword towards Ye Chen, a very powerful sword slash towards Ye Chen.

Ye Chen stretched out his finger, he used the index finger he had to stop the great sword.

" clang" of the large Knight's sword was stopped with one finger by Ye Chen.

"Just like this?, quite disappointing" Ye Chen felt disappointed, this was not what he imagined, to be honest the enemy in front of him was not as strong as his appearance was so terrible.

"I'll end this as soon as possible" Ye Chen intended to end things quickly, he didn't have time in this place.

Chapter 1879 Preliminary exam (5)

"Master, are you sure you want to end this quickly?" Chu Yuechan said to Ye Chen.

"Oh yeah, why would I do that?" Ye Chen almost forgot, he completely forgot that Lei Qiaolin was outside, if Ye Chen came out at the earliest, then he would definitely be found by Lei Qiaolin.

"Okay I'll just stay here" Since there was still Lei Qiaolin outside, Ye Chen had no choice but to stay in this place.

Ye Chen sat down, sat down and took the attack from the large Knight behind him.

The large Knight just kept attacking Ye Chen, the large Knight attacked Ye Chen with full strength.

His attacks were fruitless and could easily be blocked by Ye Chen, Ye Chen was very relaxed at all, he was very relaxed inside and didn't think of the big monster in front of him as an enemy.

"I think I'm going to sleep for a while" Ye Chen decided to take a nap, he took a short nap to wait, it would be very boring to wait.

Outside Lei Qiaolin waiting for the results, she wanted to know if there was anyone who could get the best results or not.

"Is he going or not?" Lei Qiaolin wanted to know if Ye Chen was going or not, he should have come as he is a great student and able to keep up with her speed.

"Sister, will the husband be okay?" Mei Yueli asked Mu Xueying, Mei Yueli started to worry, she started to worry about Ye Chen's condition.

"You don't have to worry, he will definitely be fine" Mu Xueying said that Ye Chen would definitely be fine, nothing could harm Ye Chen.

"Um" Mei Yueli nodded, she believed in what Mu Xueying said.

"Blinks. . . ." A participant came out from within the Trial Pagoda, he came out while lying on the ground.

"someone's out, who's that" the onlookers wanted to know who came out.

A man came out, above his head there was a lift 3 indicating the floor he had crossed.

Immediately the committee immediately recorded the participants who had just left, there were many committees who recorded the scores obtained by the participants.

After one participant left, other participants started to leave as well, most of them got a score of 3,4,5, and the highest was six.

"disappointing" Lei Qiaolin was disappointed with the results obtained by the participants, the results they got were below her imagination.

"It's okay, there are still some people who came out, they should have got good results" there are still many people who haven't come out yet, most likely they can get much better results than the previous participants.

"Blinks. . . ." a participant appears, above his head there is a number eight which indicates the level he has surpassed.

"Good, finally there is a worthy person" Lei Qiaolin saw that there was a worthy person to be able to reach the eighth level.

The participant who just came out was Wan Gunkin, he was from one of the Duke families in the Immortal Sky Empire.

Wan Gunkin waved his hand at all the participants, he told all the participants that he was a great and invincible person.

It was not strange that Wan Gunkin dared to be arrogant, the results he had obtained had made him worthy of boasting.

"Blinks. . . ." there is another participant who made it to the eighth floor, he is Waru Baicil.

"blink" The next is Cao Gir, he also got the same score as Wan Gunkin and Waru Baicil.

These three people came from large families and were geniuses, they were geniuses that were recognized in the Immortal Sky Empire.

"Blinks. . ." Sun Xuanyin also came out, she got a score of nine, she was one of the people who got very high results.

"Who is that woman?" Lei Qiaolin looked at Sun Xuanyin, she was a little curious about Sun Xuanyin and felt a little familiar with the woman in front of her.

Sun Xuanyin could actually get a much higher yield, it was just that she didn't want to do that because it would be too flashy.

Whereas getting a score of nine was conspicuous enough, Sun Xuanyin was already quite conspicuous in front of the other participants.

"blink. . ." a man with a big build came out, this man got quite a shocking result, he managed to get a score of 9 and matched Sun Xuanyin.

"Ben Jumi" everyone immediately knew who the man who got the score 9 was, he was Ben Jumi one of the sons of the imperial generals.

Ben Jumi has the aura of a warrior, he shows a very strong warrior aura and makes others feel intimidated, in front of Ben Jumi an enemy will immediately feel pressured.

Those are some people who get the best score after that no one else can get better than the eighth level.

"There are only a few people." Lei Qiaolin saw that there were only a few people who could get very good results, while the rest could be said to be ordinary.

Almost all the participants have made it out, they all had bad results and some had good ones.

"Is everything out?" Lei Qiaolin asked the committee that did the scoring.

"There is still someone who has not come out" the committee informed that there are still people who have not come out.

"So it's still there, then let's wait" Since there are still some that haven't come out yet, Lei Qiaolin didn't mind waiting.

"Sister, isn't this husband?" Mei Yueli said to Mu Xueying, the only person who hasn't come out is Ye Chen.

"This is husband, what is he doing?" Mu Xueying indeed has not seen Ye Chen's whereabouts, what Ye Chen did, she still hasn't come out.

"Looks like he's having a problem." Mei Yueli thought that Ye Chen had a problem.

"Did he have a problem?" Mu Xueying doubted what Mei Yueli had said, there was no way Ye Chen had a problem.

"But he still doesn't want to come out, is he really in trouble?" Because Ye Chen was still out, Mu Xueying was also worried and thought about what Ye Chen had done.

While others were waiting and worried for him, Ye Chen was sleeping very leisurely, falling asleep while being beaten by the big knight.

Ye Chen was very relaxed, he was very relaxed and seemed to really enjoy it.

Ye Chen didn't count the time, he just relaxed as long as possible until the right time to come out.

"very long time . . ." all the participants started to lose their temper, they lost their temper while waiting for Ye Chen to come out.

"Who is this, why is it taking him so long?" Lei Qiaolin started to lose her temper, she started to lose her temper and couldn't stand what Ye Chen was doing.

"Okay I'll wait a little longer" Lei Qiaolin decided to wait a little longer, if Ye Chen still didn't come out, she would kick Ye Chen by force.

"Master, it seems like it's been quite a while." Chu Yuechan said to Ye Chen, he told Ye Chen that quite a while had passed.

"Hoaaaaaaam. . . ." Ye Chen yawned, he had been content to sleep for the near future.

"Okay, looks like it's time to go out" It seems that it's time for Ye Chen to come out, before leaving, Ye Chen slightly changed his appearance to look shabby.

This was so that everyone would believe that Ye Chen had just encountered a terrifying thing in the Trial Pagoda.

Chapter 1880 Preliminary exam (6)

"How do I look?" Ye Chen asked Chu Yuechan, he wanted to know how he looked at the moment.

"That's great, you seem to have just encountered a terrible thing." Chu Yuechan gave a thumbs up, herself saying that Ye Chen looked like someone who had just faced a difficult trial.

"That's great, then I can come out now" Since his appearance was convincing enough, Ye Chen immediately used a punch to knock down the knight in front of him.

"Bam. . ." A punch was sent by Ye Chen, the great knight fell instantly upon receiving an attack from Ye Chen, Ye Chen's attack was able to overthrow the enemy in one fell swoop, the knight's large body was nothing in the face of Ye Chen's punch.

After defeating the enemy on the tenth floor, Ye Chen began to disappear and exit the Trial pagoda.

"So long, how dare he make me wait" Lei Qiaolin was annoyed when she was told to wait by Ye Chen, to be honest she was very annoyed at being made to wait so long.

It was not only Lei Qiaolin who was annoyed by Ye Chen, almost all the participants in this place were annoyed by Ye Chen's act of being so late.

"I don't have much time, I better end this as soon as possible" Seeing Ye Chen not coming out, Lei Qiaolin was forced to kick him.

"I'll take him out by force" Lei Qiaolin said that he would force Ye Chen out.

After hearing this, all the participants were happy, they all strongly agreed with the decision taken by Lei Qiaolin, the decision made by Lei Qiaolin was a very good and correct thing.

"Let's get him out, let's get him out." All the participants who got good grades asked Lei Qiaolin to get Ye Chen out immediately.

Lei Qiaolin closed her eyes, she preparing to take Ye Chen out of the Trial Pagoda.

"Blinks. . . ." Just as Lei Qiaolin was about to take Ye Chen out, Ye Chen suddenly appeared in front of everyone.

"there he is. . . ." Everyone pointed at Ye Chen, they all pointed at Ye Chen who had kept them waiting for so long.

"That bastard again" everyone already knew Ye Chen, from the start this man was so annoying and pissed them off.

First he showed off his affection with the beautiful woman in front of them, and now that he had dared to keep them waiting, this was inexcusable.

"I haven't out, what happened?" Lei Qiaolin was confused, she hadn't even let Ye Chen out, did Ye Chen come out of his own accord.

Lei Qiaolin looked at Ye Chen, Ye Chen's appearance was quite disheveled as if he was going through a very difficult time.

"What happened to him?" Lei Qiaolin was curious about what happened to Ye Chen, what made Ye Chen like this.

Lei Qiaolin managed to find Ye Chen, but somehow the Ye Chen in front of her was different from the Ye Chen she had met before, was it because Ye Chen changed the aura around her that Lei Qiaolin felt that Ye Chen was not the same person.

"What did he just go through, why is his appearance so bad?" Mei Yueli wanted to know what Ye Chen had just gone through, Ye Chen seemed to have just had a very fierce battle.

"I don't know, I don't know what he's thinking." Mu Xueying didn't know what Ye Chen was thinking, Ye Chen's thoughts were quite complicated and not easy to guess.

Ye Chen just smiled, himself smiling at all the participants who had been waiting for him for a long time.

"It seems I have kept them waiting for a long time." Ye Chen saw that he had kept these people waiting for a long time.

Ye Chen could tell this because the people around sneered and insulted Ye Chen, they insulted and sneered at Ye Chen with provocative words.

Luckily Ye Chen wasn't easily provoked, he was very calm when he listened to the chatter that came out of these people.

Ye Chen walked, he started to go towards the other participants, all the participants looked at Ye Chen with a fiery gaze, they gave off a fiery gaze when facing Ye Chen.

"I will record your score" the committee said that he would record Ye Chen's score.

Above Ye Chen's head came the number 10 Clear, it proved that Ye Chen had completed all the challenges.

The people who were sneering at Ye Chen were speechless without a word, they were speechless when they saw the results that Ye Chen had obtained.

"What's with that look?" Mei Yueli wanted to go and start tidying up Ye Chen's appearance, Ye Chen's appearance was quite disheveled.

"Looks like he wants to show that he has a hard time dealing with the enemy" Mu Xueying said that Ye Chen probably did that to convince everyone that he worked hard and endured a fierce battle.

In reality, Ye Chen was just sleeping and doing nothing, Ye Chen made everyone wait for him to sleep.

"Shut up. . ." Seeing everyone being so noisy at all, Lei Qiaolin told them all to be quiet.

Everyone immediately fell silent when Lei Qiaolin, no one else dared to speak and berate Ye Chen.

Lei Qiaolin's dominance was very strong, she frightened everyone with her powerful aura.

For Lei Qiaolin to scare the participants like she would scare a child, she could easily scare and scare everyone away from her.

"All of you please shut up and don't make a fuss in this place, otherwise you will be disqualified" Lei Qiaolin told everyone to be quiet and not make a mess, otherwise they would be disqualified.

Everyone immediately fell silent, they all fell silent and didn't say anything else.

"Hahahaha" Ye Chen laughed, he was happy when he saw that everyone was silent and didn't dare to bless him anymore.

"In this place no one can cheat, he also doesn't cheat and it's impossible to do that, so you all just shut up" Lei Qiaolin said that Ye Chen wouldn't be able to cheat, it was almost impossible to make a cheat in this place and before Lei Qiaolin's eyes.

After listening to Lei Qiaolin's explanation, finally everyone was able to accept Ye Chen's result, they all didn't dare to underestimate Ye Chen's score.

"All of you who are below level 5 automatically fail, so get out of this place right now" Lei Qiaolin gave the results obtained by the participants, for participants who couldn't reach the fifth level, they were automatically disqualified.
