

A True God 1881

Chapter 1881 Preliminary exam (7)

"ehhhhhhhh! ! ! ! !" everyone looked shocked when they listened to what Lei Qiaolin said, they were all really shocked when they heard what Lei Qiaolin just said.

To think that they failed this test, they were no longer able to participate in the God Realm Martial Arts competition.

"Now you can go" Lei Qiaolin ordered everyone who failed to leave immediately, they were no longer needed in this place.

The disappointed people left immediately, they were all very disappointed because they failed the exam.

"Okay, now let's move on to the next level" after all participants who failed, Lei Qiaolin invited everyone to continue with the second exam.

"Is there any more?" Everyone did not think that there was still another test.

"Do you think everything will end in this place, it's not as easy as you think" Lei Qiaolin will not let these people go easily, there are still many things for them to go through before becoming the chosen participants.

"This second test will be quite a fun test, all of you will hunt magical beasts" Lei Qiaolin told all the participants that they were going to hunt Lei Qiaolin.

The strong participants felt excited, they all looked quite excited when they heard this.

Finally they could show the abilities they had, they could show the abilities they had as a great cultivator.

"For this exam I can't guarantee your safety, so you must be able to survive on your own, if you don't have strong guts, you can retreat and surrender, I will not be responsible for your deaths due to battle" Lei Qiaolin said that she will not be responsible for the death of the participants who took part in this exam.

even though many people have been eliminated, in fact there are still very many participants, this number will be very difficult to monitor simultaneously.

That was why Lei Qiaolin would not be held responsible if the participants lost their lives when facing Magical Beasts.

"we are all ready with the consequences" all participants are ready, they are all ready for the consequences they will face.

"That's great, your courage is commendable" Lei Qiaolin nodded, she praised the courage of everyone, they were all very brave in taking a risk.

"Okay come with me" Lei Qiaolin ordered everyone to come along with her, Lei Qiaolin already had a place prepared for today.

All the participants followed Lei Qiaolin, they followed Lei Qiaolin and went straight to a star that was quite remote.

Everyone looked very shocked, they were all shocked to find out that the testing ground was not in the Sky Cloud Peak Star Realm.

"I know that all of you will be surprised to find out that I won't be using the Sky Cloud Peak Star Realm." Lei Qiaolin already knew the thoughts of everyone in this place, she already knew the thoughts of all the participants.

Lei Qiaolin deliberately looked for a place far enough away to make the participants confused and did not know the terrain they would face, if the participants already knew about the terrain they would face, then it would not be fair.

"This is the place, ahead is the battlefield you will face, you only need to defeat the Magical Beasts, the higher you beat the more points you will get, so try to get more" Lei Qiaolin said to everyone, she tells everyone to defeat more Magical Beasts so they can get more points.

"The top five hundred people will immediately enter the competition, so fight." Lei Qiaolin said that the five hundred people with the most scores would advance to the next level.

"only five hundred" everyone was shocked when they heard this, among the remaining millions of participants, there will only be five hundred more, this is very unreasonable.

"Don't protest too much, if you don't want to then you can just leave." Lei Qiaolin said to everyone, she told people who didn't want to follow the rules.

Lei Qiaolin's warning was of course heard by everyone present, everyone immediately didn't dare to go against the warning given by Lei Qiaolin.

"hehehe, they are so funny" Ye Chen felt funny with what happened, everyone in this place looked very scared of Lei Qiaolin.

Ye Chen would not be afraid of Lei Qiaolin, why would he be afraid of Lei Qiaolin, he was not a child who was easily bullied by Lei Qiaolin.

"Okay, since you are all ready, then I will start right away." Lei Qiaolin was about to start, she made a very large Array.

"I will immediately teleport you to a random place, you have 3 days, after three days a bell will horn indicating the end, you will gather again in this place to collect the results you get, I hope you can live until that time comes Lei Qiaolin said to everyone in this place.

Lei Qiaolin snapped her fingers, she teleported all the participants around this place.

Everyone including Ye Chen was also transported by Lei Qiaolin, they were transported to such a random place that they wouldn't know where they would appear.

Ye Chen was transported to a very dark place, there was little light in this place.

"Where is this?" Ye Chen wanted to know where he was now, to be honest he was quite curious about where he was now.

Ye Chen looked up, when Ye Chen looked up, he saw that there was a narrow sky above.

"I was transported into an canyon" Ye Chen saw that he was transported into an canyon.

"That woman, she must be on purpose" Ye Chen saw that this was not a coincidence, it must have been all very well arranged by Lei Qiaolin.

"I will go up" Ye Chen will go up, he intends to hunt the monsters above.

"Roar. . ." when Ye Chen was about to go up he listened to the roars and sounds of the monsters that were near this place.

Ye Chen immediately stopped and looked at what was around.

Around there were countless monsters staring at him, they had bloodshot and sinister eyes.

"Okay, looks like I don't need to go out anymore" Ye Chen felt that if he didn't need to go upstairs, he could directly fight the monsters in this place.

"Go ahead" Ye Chen told the magical beasts in this place to come forward, Ye Chen will fight them together.

"Roar. . ." All the monsters came forward, they came forward and faced Ye Chen, they all faced Ye Chen using their claws and fangs.

"Sky wind law" a very large wind explosion occurred, this wind blast blew away all the magical beasts around this place.

Ye Chen didn't destroy the bodies of magical beasts, he didn't do that because the bodies of magical beasts had to be collected as evidence, that's why Ye Chen killed them without destroying their bodies.

"Bam. . . ." Ye Chen fought very aggressively, he didn't let the monsters around this place escape.

The Magical Beasts that were originally aiming for Ye Chen immediately ran away, they saved themselves from Ye Chen's rampage.

Magical Beasts thought of Ye Chen as a monster, it wouldn't be strange if they all ran away from Ye Chen.

Chapter 1882 Preliminary exam (8)

Sun Xuanyin currently started walking and looking for Ye Chen's whereabouts, it just so happened that she was currently in a very far away place from where Ye Chen was.

"It's really very troublesome." Sun Xuanyin felt that all of this was too much trouble, she had to find the current whereabouts of Ye Chen somewhere.

If only Lei Qiaolin hadn't moved herself to some random place, perhaps she would be able to find Ye Chen's whereabouts right now.

"Hey beautiful lady, are you alone?" When Sun Xuanyin was alone, she ran into several foreign men who were trying to get close to her.

"What do you need?" Sun Xuanyin asked the people who came to her.

"we came to invite you" these men came to invite Sun Xuanyin.

"Do you have the ability to invite me?" Sun Xuanyin asked the man in front of her.

Sun Xuanyin looked down on the man in front of her, she didn't really care about the man who invited her,

Sun Xuanyin was aware of what they needed, they approached Sun Xuanyin from the start for her beauty and strength.

The group of men who had invited Sun Xuanyin were speechless, they were speechless as they listened to what Sun Xuanyin had to say.

With Sun Xuanyin's strength above them, they were clearly incapable of going against Sun Xuanyin and unfit to invite Sun Xuanyin to join the group.

"You guys already know what's going on, so get out of my sight immediately." Sun Xuanyin told these people to leave immediately, she didn't need them.

Sun Xuanyin was more focused on finding Ye Chen's whereabouts, she couldn't be bothered by this kind of small thing.

"Wait a minute." The group of men didn't want to attack, they invited Sun Xuanyin in various ways.

Too bad Sun Xuanyin continued to reject them, Sun Xuanyin didn't want to come along with them.

"damn" This group finally couldn't stand Sun Xuanyin's attitude anymore, they threw powder at Sun Xuanyin.

Sun Xuanyin using her sleeves, she turned the powder that was thrown at her.

Sun Xuanyin had already prepared herself, so the sneak attack would have no effect and would not hit Sun Xuanyin.

"cough" the group of men were hit by the powder they threw, this made them cough and their faces turn red.

Their bodies became hot and they fell to the ground, they began to lose consciousness and fainted on the spot.

It turned out that these people threw a poison that could paralyze a person.

It was fortunate that Sun Xuanyin had not been hit by the powder just now, so she was still safe and had not fainted.

Sun Xuanyin was a top grade Cultivator, the powder should not be able to make Sun Xuanyin fall.

"These idiots, where are they from" Sun Xuanyin sneered, where did these idiots come from, they just interfered and made time for Sun Xuanyin.

Sun Xuanyin left these people, Sun Xuanyin didn't care about their fate, whether they would be eaten by Magical Beasts or not had nothing to do with her.

.

.

Meanwhile in the Sky Cloud Peak Star Realm.

Mu Xueying and Mei Yueli were currently sitting together, they were waiting for Ye Chen's results.

"Looks like it's going to be a long time." Mei Yueli said to Mu Xueying, it seemed like it would be a while until Ye Chen finished.

"I heard they have to hunt Magical Beasts for 3 days, so it should still be a while" Mu Xueying replied to Mei Yueli.

"Then we will go back first." Mei Yueli invited Mu Xueying to come back right now.

"Then let's go back." Mu Xueying agreed, it was still quite a while and they could go back right now.

.

.

Near where Mu Xueying and Mei Yueli were, three beautiful women appeared, they immediately went to look for Ye Chen's whereabouts.

These three beauties were Mu Lanyin, Su Mengxin and Qing Cheng, all three of whom appeared above the skies of the Sky Cloud Peak Star Realm.

"Look there are Xueying and Yueli." Su Mengxin saw that nearby were Mu Xueying and Mei Yueli.

"Very good, let's ask them about Ye Chen's whereabouts." Qing Cheng took Su Mengxin and Mu Lanyin to meet Mu Xueying and Mei Yueli.

" come on. . ." Su Mengxin and Mu Lanyin agreed, the three went and met with Mu Xueying and Mei Yueli.

"they?" Mu Xueying was aware of the arrival of Qing Cheng, Su Mengxin and Mu Lanyin.

"why are they here" Mei Yueli immediately looked at Qing Cheng, Su Mengxin and Mu Lanyin, she was shocked when she saw the three of them were in this place.

Qing Cheng, Su Mengxin and Mu Lanyin came to Mu Xueying and Mei Yueli, the three greeted Mu Xueying and Mei Yueli.

"ancestor" Mu Lanyin's being the most familiar looking woman, she seemed very familiar with Mu Xueying.

"Why are you all here?" Mu Xueying asked Qing Cheng, Su Mengxin and Mu Lanyin.

"We are looking for the whereabouts of the husband." Mu Lanyin said to Mu Xueying, the three of them came here to look for Ye Chen.

"You guys are a little late, he just left." Mu Xueying said that Ye Chen had just left.

"where to ?" Qing Cheng asked, she wanted to know where Ye Chen had gone.

"He is taking the test for the God Realm Martial Art competition." Mei Yueli told Qing Cheng, Su Mengxin and Mu Lanyin that Ye Chen was taking part in the God Realm Martial Arts competition.

"When is he coming back?" Su Mengxin asked when Ye Chen would return.

"He should be back in 3 days" Mu Xueying said that Ye Chen would be back in 3 days.

"That's too long." Qing Cheng couldn't stand it, she didn't like waiting.

"That's a long time" Su Mengxin also agreed with what Qing Cheng said, waiting three days was long enough for the three of them.

"Let's go and meet him" Mu Lanyin invited Su Mengxin and Qing Cheng to go and meet Ye Chen.

"Let's go after him" Su Mengxin and Qing Cheng agreed, they could catch up with Ye Chen.

"Where is Ye Chen at?" Qing Cheng asked Mu Xueying, she wanted to know where Ye Chen was right now.

Mu Xueying told where Ye Chen was, she told them where Ye Chen was now.

"Let's go now" Mu Xueying told Qing Cheng, Su Mengxin left, they said goodbye to Mu Xueying and Mei Yueli.

"Is it okay to let them go?" Mei Yueli asked Mu Xueying.

Mei Yueli was worried about Mu Xueying on Qing Cheng, Su Mengxin.

"You don't have to worry, they are already above you, they should be fine" Mu Xueying said to Mei Yueli.

"Ehhhh! ! !" Mei Yueli was shocked when she heard this, to be honest what Mu Xueying said made Mei Yueli feel shocked.

"You need to work harder in your practice, you're already far behind" Mu Xueying said to Mei Yueli.

Mu Xueying told Mei Yueli to train even harder, she was already quite behind the others.

"I'm going to train" Mei Yueli didn't accept it, she decided to train even harder so that she could be comparable to the others.

Mu Xueying smiled when she saw this, she managed to persuade Mei Yueli to be more active in her practice.

.

.

Back to the God Realm Martial Art competency test.

Lei Qiaolin was watching over the participants, she was keeping an eye on all the best participants around her.

"I'll see what that guy does." Lei Qiaolin intended to see what Ye Chen was doing and what Ye Chen was up to.

Chapter 1883 Reunion with Qing Cheng, Mu Lanyin and Su Mengxin (1)

Lei Qiaolin searched for Ye Chen's whereabouts, she easily found Ye Chen's whereabouts.

Ye Chen had finished fighting, he was currently relaxing on a tree and enjoying the refreshing sunshine.

Ye Chen had been in the abyss for hours, so now was the time to enjoy the very comfortable outside world.

"It's very comfortable." Ye Chen felt comfortable, relaxed and didn't care about what was around him.

"Someone is watching me" Ye Chen felt that someone was watching him, without needing to look Ye Chen already knew who was watching him.

"What is that woman doing around me, does she want to keep an eye on me?" Lei Qiaolin was around and watching Ye Chen from afar, Lei Qiaolin kept her distance from Ye Chen and made sure that he would not be found by Ye Chen.

Even though Lei Qiaolin was far enough away, in fact she was still found by Ye Chen, Lei Qiaolin would not be able to hide from Ye Chen, no one could hide from Ye Chen.

"Master, that woman is watching you, what are you going to do?" Chu Yuechan asked Ye Chen what Ye Chen would do.

"Just ignore her" Ye Chen told Chu Yuechan to ignore Lei Qiaolin, pretend that Ye Chen never saw and found Lei Qiaolin.

That way Lei Qiaolin would go away on his own and would no longer bother Ye Chen.

Ye Chen stayed asleep, he stayed asleep and enjoyed the sunlight that shone on this place, Ye Chen took out an umbrella and some snacks to accompany himself.

"What is he doing?" Lei Qiaolin saw everything Ye Chen did from afar, she wanted to know what Ye Chen was doing, why Ye Chen was so relaxed and didn't try as hard as the other participants.

The other participants were trying really hard, they were trying pretty hard to get a good catch, they were much better than Ye Chen who was just lazing around like this.

"I'll take a look at it for a while" Lei Qiaolin intended to see Ye Chen for a while, trying to keep an eye on what Ye Chen was doing.

Ye Chen was still sleeping and didn't want to move, he looked very lazy and didn't want to do anything.

After a few hours, Ye Chen still didn't move, it could be said that he had fallen asleep.

"Is he sleeping" Lei Qiaolin finally realized that Ye Chen was asleep, he was sleeping in the distance,

"this person" Lei Qiaolin was annoyed, why did she have to watch someone who was sleeping, this of course made Lei Qiaolin very annoyed.

Ye Chen didn't really care what happened to Lei Qiaolin, he really liked to make a beautiful woman like Lei Qiaolin angry.

"I will ignore him already." Lei Qiaolin decided to ignore Ye Chen, she felt that Ye Chen was a strange and unreasonable man.

Ye Chen peeked at Lei Qiaolin who was leaving, he was finally able to get rid of Lei Qiaolin.

"Very good, she's gone." Ye Chen was quite happy that he had managed to get rid of Lei Qiaolin.

" husband . . ." when Ye Chen was watching Lei Qiaolin leaving, he felt a woman climb up to his body.

This woman hugged Ye Chen and her double peaks pressed against Ye Chen's body tightly.

"munyuuuuuu" this women's double peak is quite large, its size is above the average woman or can be said to be very large.

When Ye Chen tried to take a peek, he found that the person in front of him was Qing Cheng, Ye Chen could immediately tell when he saw Qing Cheng's double peak that was attacking only grew bigger.

"Ah, who is this, you are heavy" Ye Chen said to the woman in front of him.

"my weight is still normal and not gaining" Qing Cheng said to Ye Chen.

Qing Cheng looked angry when she heard what Ye Chen had just said.

"Who said that you body is heavy, I'm talking about this" Ye Chen touched Qing Cheng's double peak, he squeezed and played with it like an elastic toy.

"Emmmm" Qing Cheng groaned, she couldn't stand it at least when Ye Chen touching her double peak, it was quite a sensitive part.

"It's getting bigger and bigger" Ye Chen said to Qing Cheng, Qing Cheng's size seems to be getting bigger, it's comparable to Li Jingyi and Chi Shui.

"Isn't that because you touch it a lot" Qing Cheng said to Ye Chen.

It's all Ye Chen's fault, Ye Chen touched hers too many times so it got bigger and bigger.

"Is that so" Ye Chen laughed when he heard this, it might be a reasonable reason.

"Why are you in this place, what are you doing?" Ye Chen asked Qing Cheng, Ye Chen asked Qing Cheng, he wanted to know why Qing Cheng was in this place.

"I was looking for you" Qing Cheng said to Ye Chen, from the beginning Qing Cheng's goal was to find Ye Chen, he was looking for Ye Chen's whereabouts in this vast forest.

"I see." Ye Chen nodded, it seemed that Qing Cheng's arrival was to meet him.

"Oh yes, I also came with other sisters" Qing Cheng informed that she came with several people.

"who is that? ?" Ye Chen became curious, he was curious about who Qing Cheng was referring to.

"Guess what ?" Qing Cheng told Ye Chen to guess, she wanted to keep this matter a secret from Ye Chen.

"Why are you being so stingy?" Ye Chen told Qing Cheng to tell him who was with her.

"I won't tell this matter easily" Qing Cheng refused to tell this matter, she didn't want to tell Ye Chen this matter.

"We'll see if you'll tell or not. . ." Ye Chen was going to make Qing Cheng talk, he knew how to get Qing Cheng to talk and tell him what happened.

Ye Chen started to touch Qing Cheng's double peak which might be in the I Cup, he started to touch and play Qing Cheng's double peak.

Because it was too big, Ye Chen couldn't hold it with one hand.

"Ohhhhh, that's great." Qing Cheng was so happy, she hadn't felt Ye Chen's touch in a long time.

Qing Cheng missed Ye Chen's touch and caress, she hadn't felt this kind of feeling in a long time.

"You're enjoying this instead." Ye Chen didn't expect that Qing Cheng would actually enjoy this.

"Husband, this is very comfortable." Qing Cheng said that it was very comfortable.

"If you want to tell the matter beforehand, then it will be even more convenient" Ye Chen said to Qing Cheng.

Ye Chen promised that he would make Qing Cheng even more comfortable, as long as Qing Cheng was willing to tell who was coming with her.

"No I won't tell the matter" Qing Cheng still refused to tell Ye Chen, she wanted to promise Mu Lanyin and Su Mengxin to surprise Ye Chen.

"I think I will force you" because the situation was like this, Ye Chen was going to force Qing Cheng, he started to use his skills to tease Qing Cheng's Milf body.

"ahhhh. . . ., husband . . ." Qing Cheng shouted, she was already fully excited, Ye Chen's touch was only getting stronger, Qing Cheng couldn't last long against Ye Chen with just a few swipes could make Qing Cheng excited and excited.

Chapter 1884 Reunion with Qing Cheng, Mu Lanyin and Su Mengxin (2)

Qing Cheng's voice was very seductive, she had a voice that could make Ye Chen feel excited when he heard it.

"She is indeed a seductive woman" Ye Chen saw that Qing Cheng was a very seductive woman, she was able to seduce Ye Chen by using her very seductive voice.

Ye Chen who touched Qing Cheng was excited, who wouldn't be excited when they touched Qing Cheng.

Qing Cheng's body was very good, she had a very nice and seductive body, this was a combination that could be used to seduce a man like Ye Chen.

"You are indeed a great seducer" Ye Chen said to Qing Cheng, he is a very great seducer.

"It was one of the things that stood out the most to me" Qing Cheng looked very satisfied, he was very confident in his ability to seduce Ye Chen.

"Hehehe" Ye Chen smiled, he brought his face closer to Qing Cheng, the two of them got closer and kissed.

"Chu. . . ." Ye Chen and Qing Cheng had a god kiss, both of them had a very mature and passionate kiss.

"Umuuuuu, chu. . ." Qing Cheng was much more aggressive, somehow he became so aggressive, he seemed to be very excited and hungry.

This was probably because Qing Cheng had not received Ye Chen's love for a long time, it wasn't strange for her to be like this.

"I'm too excited" Qing Cheng was too excited, she was too excited when she was with Ye Chen.

Qing Cheng was already very wet, she was already very excited when she was with Ye Chen, The mature kiss she had with Ye Chen made her feel very excited and excited, Qing Cheng wanted to continue to have this comfortable feeling.

Qing Cheng started to move, the hand that was on Ye Chen's shoulder started to descend and touch Ye Chen's who was still trapped below.

"Oh, it's very big." Qing Cheng saw that Ye Chen's was big enough, she could see that it was very big.

Qing Cheng seemed to really want this thing, she really wanted the thing that Ye Chen kept, this was what Qing Cheng wanted.

Qing Cheng hadn't touched this thing in a long time, so he felt really nostalgic for Ye Chen's thing down below.

"Husband, it looks like downstairs is not okay" Qing Cheng said to Ye Chen.

"Whose fault is this?, aren't you already quite excited?" Ye Chen saw that Qing Cheng was also excited, he was already very excited.

"Then I will help you" Qing Cheng intends to help Ye Chen, she intends to help solve Ye Chen's problem.

Apart from wanting to help solve Ye Chen's problems, in fact Qing Cheng herself intended to solve her own problems.

She really hadn't been moistened by Ye Chen in a long time and needed Ye Chen's help.

"Cheng, what are you doing?" just as Qing Cheng and Ye Chen were about to start taking things further.

Su Mengxin and Mu Lanyin came over, they realized that Qing Cheng had already found out Ye Chen's whereabouts and didn't tell them.

Ye Chen saw the arrival of Su Mengxin and Mu Lanyin, the two of them became even more beautiful after a long time of not seeing each other, those who now had an imposing aura, their strength must have progressed quite far.

Mu Lanyin looked a little cold and beautiful, while Su Mengxin was just getting more and more glamorous.

"They're back" Ye Chen was happy when he saw Mu Lanyin and Su Mengxin who came to see him.

"I am with my husband" Qing Cheng said to Mu Lanyin and Su Mengxin.

"Didn't we all agree before that to look for him and tell after finding him?" Mu Lanyin said to Qing Cheng.

"It can't be helped, I can't stand it" Qing Cheng said that she couldn't stand Ye Chen, Ye Chen made Qing Cheng feel excited so Qing Cheng wanted to eat him.

"You shouldn't monopolize him alone." Su Mengxin said to Qing Cheng, she didn't let Qing Cheng monopolize Ye Chen alone.

Luckily Su Mengxin was quite gentle, so she wasn't too angry with Qing Cheng, just that she was trying to advise Qing Cheng to be more cohesive in doing things.

"I'm sorry" Qing Cheng apologized, she apologized for what he had done.

"Very good." Su Mengxin was happy to hear this, she was quite happy when she heard Qing Cheng admitting his mistakes.

"You two" Ye Chen moved Qing Cheng aside, he approached Mu Lanyin and Su Mengxin.

Mu Lanyin and Su Mengxin approached Ye Chen, both of them approached Ye Chen and immediately hugged Ye Chen.

Ye Chen caught the two beauties falling towards him, he was very happy about this.

Mu Lanyin who had a cold temper showed affection for Ye Chen, it seemed that Mu Lanyin also missed Ye Chen.

Women with a cold temper are indeed very difficult to get, when you manage to melt the ice and get their heart, they will become women who are full of love and loyalty.

Ye Chen enjoyed this moment, he sniffed the musty scent of Mu Lanyin and Su Mengxin, both of them had the same scent as before, this made Ye Chen feel comfortable when he inhaled it.

Qing Cheng could only stand still at the side, she gave time for Mu Lanyin and Su Mengxin to be with Ye Chen.

"I haven't seen you in a long time." Ye Chen felt that he had not seen Mu Lanyin and Su Mengxin for a long time.

"We should have said that" Su Mengxin should have said that, she should have said that to Ye Chen,

Qing Cheng, Su Mengxin and Mu Lanyin were the ones who felt that they had not seen Ye Chen for a long time.

This was their reunion after more than 1 year of not seeing Ye Chen, for Qing Cheng, Su Mengxin and Mu Lanyin it was a long and exhausting time.

"Why are you here, you should find a slightly better place to have a reunion" Ye Chen said to Qing Cheng, Su Mengxin and Mu Lanyin.

"She can't stand it and wants to see you soon." Su Mengxin told that Qing Cheng really wanted to meet Ye Chen.

"I see, she is indeed a bit of a pervert" Ye Chen replied.

"Aren't you the same?" Qing Cheng said to Su Mengxin, Su Mengxin should be the same as herself, she also wants to meet Ye Chen soon.

They both wanted to meet Ye Chen, so there was no need to blame each other for what happened.

"Don't fight anymore" Ye Chen said to Su Mengxin and Qing Cheng who were arguing.

"Fufufu, we didn't fight Qing Cheng and Su Mengxin didn't fight, they were just joking.

Qing Cheng, Su Mengxin burst out laughing, while Mu Lanyin only smiled faintly.

Mu Lanyin was still the same as before, she still restrained herself and kept her cold demeanor.

It was one of the things that kept Mu Lanyin looking beautiful and cold.

"Someone is approaching" While the three were enjoying a good momentum, Mu Lanyin sensed that several people were approaching.

Ye Chen, Su Mengxin and Qing Cheng immediately went and looked in the direction where Mu Lanyin was standing.

They saw that several people were approaching them at high speed.

"they have finally come" Ye Chen knew that the purpose of these people was to hunt him down.

Chapter 1885 Su Mengxin, Mu Lanyin & Qing Cheng show strength (1)

"Who are they?" Qing Cheng asked Ye Chen, she wanted to know who dared to target Ye Chen.

"They are participants in the preliminaries, they must be after me" Ye Chen said to Qing Cheng.

"Why are they after you, did you make a big mistake?" Qing Cheng asked Ye Chen.

Qing Cheng could see that Ye Chen must have done something bad, otherwise they wouldn't have targeted Ye Chen.

"Looks like I pissed them off when I came with Xueying and Yueli" Ye Chen said to Qing Cheng.

"fufufufu, so they are angry that you are together with Xueying and Yueli, not strange, it seems they are jealous of you" Qing Cheng said to Ye Chen.

"It seems they don't like you because you have beautiful women like us." Su Mengxin said to Ye Chen.

"Of course, you all are too beautiful, they will envy me" Ye Chen said as he hugged Qing Cheng and Su Mengxin.

Qing Cheng and Su Mengxin were hugged by Ye Chen, meanwhile Mu Lanyin was already slightly away and was out of Ye Chen's reach.

Mu Lanyin seemed to already know the thoughts of a pervert like Ye Chen, Ye Chen would definitely hug her too.

Plus Ye Chen was definitely looking for an opportunity to take advantage of his woman.

Ye Chen was a naughty man, Mu Lanyin had already caught up with Ye Chen's tricks several times.

"That's it, we found it." Several people appeared, they appeared and arrived in front of Ye Chen.

When everyone arrived in front of Ye Chen, they found Ye Chen with several beautiful women, the three of them were of extraordinary beauty, there was a Sexy Milf, a glamorous woman as well as a beautiful cold woman, this was a great combination.

"damn, this person he really has another very beautiful woman" people were annoyed, they were more and more annoyed with Ye Chen who had so many beautiful women, first was beauties like Mu Xueying and Mei Yueli, now they saw Ye Chen together with three wonderfully beautiful women.

Every man would surely be envious when they saw this, to be honest they would be extremely envious when they saw the beautiful goddess continue to be with Ye Chen.

"Who are they?" Qing Cheng asked Ye Chen, she wanted to know who they were.

"I don't know either" Ye Chen didn't know who they were, he honestly didn't know these people.

"bastard" The high cultivation was so angry with Ye Chen, Ye Chen really didn't know about him.

This group was actually led by Wan Gunkin, he led this group to find and beat Ye Chen.

Wan Gunkin was the son of a rich family, it wasn't strange that he didn't like seeing Ye Chen together with beautiful women.

As a person from the Duke family, Wan Gunkin was always surrounded by many beautiful women, he had several beautiful concubines who indulged all of his wishes on Ye Chen.

But his gaze changed when he saw the beautiful women near Ye Chen, he saw the super beautiful women near Ye Chen like Mu Xueying and Mei Yueli, this naturally made Wan Gunkin feel annoyed.

Wan Gunkin was quite envious when he saw Ye Chen, plus the annoying Ye Chen made Wan Gunkin really want to destroy Ye Chen.

"I am Wan Gunkin, I am the son of a Duke." Wan Gunkin introduced himself to the three women near Ye Chen, he hoped that these three women would be interested when he introduced his identity as the son of a Duke.

"Who is this idiot?" Mu Lanyin, Su Mengxin and Qing Cheng didn't really care about Wan Gunkin's identity.

More precisely, they didn't want to know about Wan Gunkin and didn't want to pay attention to Wan Gunkin.

Wan Gunkin darkened when he saw Mu Lanyin, Su Mengxin and Qing Cheng ignoring him, to be honest this embarrassed Wan Gunkin.

"Damn it" Wan Gunkin was very annoyed, he was very annoyed when he saw Mu Lanyin, Su Mengxin and Qing Cheng ignoring him.

"You better go, we're not in the mood to fight you" Ye Chen told Wan Gunkin to leave.

"Bastard, I will cripple you" Wan Gunkin was very annoyed when he listened to what Ye Chen said, to be honest what Ye Chen said made Wan Gunkin feel very annoyed.

"If you fight then you will be in big trouble" Ye Chen told Wan Gunkin to retreat, if Wan Gunkin insisted on fighting, then he would be in big trouble.

Ye Chen gave a warning to Wan Gunkin, he warned Wan Gunkin not to fight with him.

"You're threatening me?, what a fool." Wan Gunkin wasn't afraid, he wasn't afraid of Ye Chen's threat.

"You all beat him" Wan Gunkin told the people behind him to fight Ye Chen.

Wan Gunkin had paid and hired these people at a hefty price, they would follow Wan Gunkin's orders and do what Wan Gunkin wanted.

Since Wan Gunkin was from a Duke family, he was quite wealthy, he could do whatever he wanted to pass the test.

Cheating is a common thing, rich families will be more influential than ordinary families.

People started attacking towards Ye Chen, Mu Lanyin, Su Mengxin and Qing Cheng.

Mu Lanyin used her power, an Ice Phoenix exploded and froze everyone with great ease.

" what . . ." Wan Gunkin was quite surprised when he saw this, Mu Lanyin defeated everyone of hers very easily.

Before Ye Chen could do anything, strangely Mu Lanyin had already attacked the people and froze them.

"They dare to get into trouble with their husbands, I will repay them" Qing Cheng didn't stay silent, she wanted to avenge those who tried to find trouble with Ye Chen.

Qing Cheng used his own power to control a person, now Qing Cheng's mind was strong enough, with one glance he could control all frozen people.

"You can release them" Qing Cheng asked Mu Lanyin to release the people who had been frozen by Mu Lanyin.

"Um. . ." Mu Lanyin nodded, herself releasing the frozen person.

"Clank. . ." the frozen people were freed, they were now in Qing Cheng's control.

With the inheritance of the purple butterfly, Qing Cheng controlled them, now Qing Cheng could order them to do what Qing Cheng wanted.

"You all attack that person" Qing Cheng ordered the people to fight back and attack Wan Gunkin.

With Qing Cheng's command, everyone immediately attacked Wan Gunkin, they attacked Wan Gunkin with their strength.

"What a fool you are, I have paid you" Wan Gunkin shouted, he was the one who had paid these people, of course he would be angry when he saw the person he had paid attacked him.

Qing Cheng had entered into the minds of these people, they would no longer listen to what Wan Gunkin had to say.

"Shit" Wan Gunkin was annoyed, he had no choice but to fight against his enemy.

"Earth spiral kick" Wan Gunkin's started to spin, he started to attack the people heading his way.

"Bamm" Earth spiral kick hit several people, they were easily knocked down by Wan Gunkin.

Wan Gunkin did have the ability, he was able to take down several people with ease.

"Feel it" Wan Gunkin angry and roared, he said to the bastards controlled by Qing Cheng.

"Quickly attack him" Qing Cheng started to control these people, she made a rather aggressive attack.

Chapter 1886 Su Mengxin, Mu Lanyin & Qing Cheng show strength (2)

The attack this time was no joke, everyone used their abilities and launched an attack towards Wan Gunkin.

"Boom" Several explosions occurred and hit Wan Gunkin's body, these explosions sent Wan Gunkin flying and bouncing away.

Wan Gunkin was flown hundreds of miles away, combined attacks were indeed very effective against Wan Gunkin.

"Oh, damn it" Wan Gunkin looked very angry, Wan Gunkin was very annoyed when he saw the people he had worked with attacked him.

"I will kill all of you" Wan Gunkin was very annoyed, he wanted to kill everyone who attacked him.

Wan Gunkin got up, he headed back to where Ye Chen, Qing Cheng, Mu Lanyin and Su Mengxin were.

"You all will pay for it!" Wan Gunkin shouted loudly, he said that Ye Chen's woman would pay for what they had done.

"You talk too much, why don't you show your strength" Qing Cheng told Wan Gunkin not to talk much and show his strength.

Qing Cheng didn't really like people who talked a lot, she didn't like that kind of thing the most.

Wan Gunkin gritted his teeth, he was really annoyed with Qing Cheng.

"Just watch, I will make you serve me on the bed" Wan Gunkin said that he would make Qing Cheng serve himself on the bed.

"Do you have the ability to do that, I'm not sure you can do it" Qing Cheng said to Wan Gunkin.

Qing Cheng wasn't sure that Wan Gunkin was capable of such a thing, to be honest bringing Qing Cheng was a very difficult thing to do.

There was Qing Cheng to control and make Wan Gunkin obey her.

"You'll see" Wan Gunkin showed his strength, he intended to show his full strength.

"Super Earth rolling" the ground below started to rise upwards, it started to roll up the forest and the people in front of it.

"he wants to roll us up" Qing Cheng didn't expect Wan Gunkin to want to roll them up.

"We only need to fly to avoid his attacks." Ye Chen invited Su Mengxin, Qing Cheng and Mu Lanyin to fly and dodge Wan Gunkin's attacks.

"Shit!" Wan Gunkin roared, looking displeased when he saw Ye Chen and his women dodge his attacks.

Wan Gunkin decided to increase his attack ,the ground started to rise even higher.

"Let's go higher." Ye Chen went back up, they dodged Wan Gunkin's attack.

"You guys always run away!" Wan Gunkin shouted at Ye Chen, Qing Cheng, Su Mengxin and Mu Lanyin.

"If you can afford it why don't you arrest us" Ye Chen teased Wan Gunkin.

"grrrr" Wan Gunkin gritted his teeth, he looked very angry when he saw Ye Chen making fun of him.

Qing Cheng and Su Mengxin smiled when they saw Ye Chen mocking Wan Gunkin.

Ye Chen was quite evil, he still had time to make fun of Wan Gunkin into anger.

"If you are a man, then come forward" Wan Gunkin told Ye Chen to come forward, he gave Ye Chen an open challenge letter.

"So you challenge me, fine." Ye Chen understood, he would go forward and face Wan Gunkin.

"You don't need to intervene" Su Mengxin stopped Ye Chen, she told Ye Chen not to intervene.

" what is it?" Ye Chen asked Su Mengxin, he asked what made Su Mengxin like that.

"I will handle it" Su Mengxin told Ye Chen that she would be the one to handle Wan Gunkin.

" Are you sure?" Ye Chen asked Su Mengxin, to be honest Ye Chen wasn't comfortable leaving this matter to Su Mengxin.

"It's okay, let me do it." Su Mengxin said to Ye Chen, she would show the results of the training she had been doing.

"Since you insist, then do it." Ye Chen invited Su Mengxin to come forward, from behind Ye Chen would watch Su Mengxin.

Wan Gunkin was quite a cunning person, at least Ye Chen had to keep an eye on Su Mengxin and make sure that Su Mengxin didn't fall into Wan Gunkin's cunning trap.

Su Mengxin's strength is now quite capable, so everything should be fine.

Su Mengxin stepped forward, intervened and faced Wan Gunkin.

"Beautiful lady, how could you step in and let your man see, can he not protect you?" Wan Gunkin asked Su Mengxin.

Seeing Ye Chen not coming forward to fight him, Wan Gunkin mocked Ye Chen, he mocked Ye Chen who was hiding behind women.

"You're still not worthy to fight him" Su Mengxin told Wan Gunkin that he still wasn't worthy to fight Ye Chen.

"what ! ! !, did I not hear wrongly?" Wan Gunkin said to Su Mengxin.

"You weren't wrong when you heard it, you're not fit to fight him" Su Mengxin told Wan Gunkin again that she wasn't fit to fight Ye Chen.

"Do you really know what a woman like you is?" Wan Gunkin said to Su Mengxin, he said that Su Mengxin didn't know anything about him.

"Earth spiral kick" Wan Gunkin attacked Su Mengxin again, he attacked Su Mengxin with an Earth spiral kick.

Su Mengxin snapped her fingers, beautiful flower petals appeared near Su Mengxin's body.

Wan Gunkin paid no heed to the flower petals that Su Mengxin had just taken out.

He continued to attack Su Mengxin using his strength, he was aiming for Su Mengxin and was intent on defeating Su Mengxin.

Wan Gunkin would show Su Mengxin that he was a worthy person, after crippling Su Mengxin, Wan Gunkin would tie her up and keep her for himself.

Wan Gunkin had very bad thoughts, he had very bad thoughts towards Su Mengxin, Qing Cheng and Mu Lanyin.

As Wan Gunkin approached, the flower petals moved and blocked Wan Gunkin.

Wan Gunkin kept breaking into Su Mengxin's defenses, she kept breaking in and not caring about what was around her.

Wan Gunkin had made a mistake, he had made a mistake by forcibly breaking through, what Wan Gunkin had done was absolute stupidity.

"Slashes. . . ." Wan Gunkin's body suddenly hurt when he touched the flower petals, hundreds of cuts appeared on Wan Gunkin's body and fresh blood dripped and soaked Wan Gunkin's clothes.

"What the hell is that?" Wan Gunkin looked so confused, he looked confused by what had just happened.

Wan Gunkin retreated and kept his distance from Su Mengxin.

"You must be confused by what just happened, you won't be able to escape," said Su Mengxin to Wan Gunkin.

Su Mengxin moved her hand, when Su Mengxin moved her hand, the flower petals moved and chased after Wan Gunkin.

"So that's your ability." Wan Gunkin understood, he already knew Su Mengxin's abilities.

Wan Gunkin fled, himself dodging Su Mengxin's attack.

Su Mengxin's attack was so fast, Wan Gunkin had no chance to dodge or escape.

" Wait a minute" Wan Gunkin tried to buy time, unfortunately the flower petals had already enveloped his body.

"Arghhhhh. . . ." Wan Gunkin screamed, he received thousands of cuts on his body, this was very painful and inhumane.

" Stop . . . ! ! !" Wan Gunkin told Su Mengxin to stop, he was in pain from Su Mengxin's attack.

"Why should I stop, don't you want to fight me?" Su Mengxin said to Wan Gunkin.

"I won't fight you, please stop" Wan Gunkin asked Su Mengxin to stop, Wan Gunkin finally realized that Su Mengxin was much stronger.
