

A TRUE GOD 1886

Chapter 1886 Su Mengxin, Mu Lanyin & Qing Cheng show strength (2)

The attack this time was no joke, everyone used their abilities and launched an attack towards Wan Gunkin.

"Boom" Several explosions occurred and hit Wan Gunkin's body, these explosions sent Wan Gunkin flying and bouncing away.

Wan Gunkin was flown hundreds of miles away, combined attacks were indeed very effective against Wan Gunkin.

"Oh, damn it" Wan Gunkin looked very angry, Wan Gunkin was very annoyed when he saw the people he had worked with attacked him.

"I will kill all of you" Wan Gunkin was very annoyed, he wanted to kill everyone who attacked him.

Wan Gunkin got up, he headed back to where Ye Chen, Qing Cheng, Mu Lanyin and Su Mengxin were.

"You all will pay for it!" Wan Gunkin shouted loudly, he said that Ye Chen's woman would pay for what they had done.

"You talk too much, why don't you show your strength" Qing Cheng told Wan Gunkin not to talk much and show his strength.

Qing Cheng didn't really like people who talked a lot, she didn't like that kind of thing the most.

Wan Gunkin gritted his teeth, he was really annoyed with Qing Cheng.

"Just watch, I will make you serve me on the bed" Wan Gunkin said that he would make Qing Cheng serve himself on the bed.

"Do you have the ability to do that, I'm not sure you can do it" Qing Cheng said to Wan Gunkin.

Qing Cheng wasn't sure that Wan Gunkin was capable of such a thing, to be honest bringing Qing Cheng was a very difficult thing to do.

There was Qing Cheng to control and make Wan Gunkin obey her.

"You'll see" Wan Gunkin showed his strength, he intended to show his full strength.

"Super Earth rolling" the ground below started to rise upwards, it started to roll up the forest and the people in front of it.

"he wants to roll us up" Qing Cheng didn't expect Wan Gunkin to want to roll them up.

"We only need to fly to avoid his attacks." Ye Chen invited Su Mengxin, Qing Cheng and Mu Lanyin to fly and dodge Wan Gunkin's attacks.

"Shit!" Wan Gunkin roared, looking displeased when he saw Ye Chen and his women dodge his attacks.

Wan Gunkin decided to increase his attack ,the ground started to rise even higher.

"Let's go higher." Ye Chen went back up, they dodged Wan Gunkin's attack.

"You guys always run away!" Wan Gunkin shouted at Ye Chen, Qing Cheng, Su Mengxin and Mu Lanyin.

"If you can afford it why don't you arrest us" Ye Chen teased Wan Gunkin.

"grrrr" Wan Gunkin gritted his teeth, he looked very angry when he saw Ye Chen making fun of him.

Qing Cheng and Su Mengxin smiled when they saw Ye Chen mocking Wan Gunkin.

Ye Chen was quite evil, he still had time to make fun of Wan Gunkin into anger.

"If you are a man, then come forward" Wan Gunkin told Ye Chen to come forward, he gave Ye Chen an open challenge letter.

"So you challenge me, fine." Ye Chen understood, he would go forward and face Wan Gunkin.

"You don't need to intervene" Su Mengxin stopped Ye Chen, she told Ye Chen not to intervene.

" what is it?" Ye Chen asked Su Mengxin, he asked what made Su Mengxin like that.

"I will handle it" Su Mengxin told Ye Chen that she would be the one to handle Wan Gunkin.

" Are you sure?" Ye Chen asked Su Mengxin, to be honest Ye Chen wasn't comfortable leaving this matter to Su Mengxin.

"It's okay, let me do it." Su Mengxin said to Ye Chen, she would show the results of the training she had been doing.

"Since you insist, then do it." Ye Chen invited Su Mengxin to come forward, from behind Ye Chen would watch Su Mengxin.

Wan Gunkin was quite a cunning person, at least Ye Chen had to keep an eye on Su Mengxin and make sure that Su Mengxin didn't fall into Wan Gunkin's cunning trap.

Su Mengxin's strength is now quite capable, so everything should be fine.

Su Mengxin stepped forward, intervened and faced Wan Gunkin.

"Beautiful lady, how could you step in and let your man see, can he not protect you?" Wan Gunkin asked Su Mengxin.

Seeing Ye Chen not coming forward to fight him, Wan Gunkin mocked Ye Chen, he mocked Ye Chen who was hiding behind women.

"You're still not worthy to fight him" Su Mengxin told Wan Gunkin that he still wasn't worthy to fight Ye Chen.

"what ! ! !, did I not hear wrongly?" Wan Gunkin said to Su Mengxin.

"You weren't wrong when you heard it, you're not fit to fight him" Su Mengxin told Wan Gunkin again that she wasn't fit to fight Ye Chen.

"Do you really know what a woman like you is?" Wan Gunkin said to Su Mengxin, he said that Su Mengxin didn't know anything about him.

"Earth spiral kick" Wan Gunkin attacked Su Mengxin again, he attacked Su Mengxin with an Earth spiral kick.

Su Mengxin snapped her fingers, beautiful flower petals appeared near Su Mengxin's body.

Wan Gunkin paid no heed to the flower petals that Su Mengxin had just taken out.

He continued to attack Su Mengxin using his strength, he was aiming for Su Mengxin and was intent on defeating Su Mengxin.

Wan Gunkin would show Su Mengxin that he was a worthy person, after crippling Su Mengxin, Wan Gunkin would tie his up and keep her for himself.

Wan Gunkin had very bad thoughts, he had very bad thoughts towards Su Mengxin, Qing Cheng and Mu Lanyin.

As Wan Gunkin approached, the flower petals moved and blocked Wan Gunkin.

Wan Gunkin kept breaking into Su Mengxin's defenses, she kept breaking in and not caring about what was around her.

Wan Gunkin had made a mistake, he had made a mistake by forcibly breaking through, what Wan Gunkin had done was absolute stupidity.

"Slashes. . . ." Wan Gunkin's body suddenly hurt when he touched the flower petals, hundreds of cuts appeared on Wan Gunkin's body and fresh blood dripped and soaked Wan Gunkin's clothes.

"What the hell is that?" Wan Gunkin looked so confused, he looked confused by what had just happened.

Wan Gunkin retreated and kept his distance from Su Mengxin.

"You must be confused by what just happened, you won't be able to escape," said Su Mengxin to Wan Gunkin.

Su Mengxin moved her hand, when Su Mengxin moved her hand, the flower petals moved and chased after Wan Gunkin.

"So that's your ability." Wan Gunkin understood, he already knew Su Mengxin's abilities.

Wan Gunkin fled, himself dodging Su Mengxin's attack.

Su Mengxin's attack was so fast, Wan Gunkin had no chance to dodge or escape.

" Wait a minute . . ." Wan Gunkin tried to buy time, unfortunately the flower petals had already enveloped his body.

"Arghhhhh. . ." Wan Gunkin screamed, he received thousands of cuts on his body, this was very painful and inhumane.

" Stop . . . ! ! !" Wan Gunkin told Su Mengxin to stop, he was in pain from Su Mengxin's attack.

"Why should I stop, don't you want to fight me?" Su Mengxin said to Wan Gunkin.

"I won't fight you, please stop" Wan Gunkin asked Su Mengxin to stop, Wan Gunkin finally realized that Su Mengxin was much stronger.

Chapter 1887 all the participants are aiming Ye Chen

"It seems your education is not good, is that the right way to apologize?" Su Mengxin said to Wan Gunkin.

Su Mengxin felt that Wan Gunkin's education was not good, so Su Mengxin didn't want to let him go.

"Shit" Wan Gunkin was very annoyed, he seemed very annoyed with what Su Mengxin was doing.

"Looks like I have no other choice." Wan Gunkin had no other choice, he had no choice but to give in.

If the situation wasn't urgent, then Wan Gunkin wouldn't be willing to apologize to Su Mengxin.

"Alright, I will apologize" Wan Gunkin apologized, himself apologizing to Su Mengxin.

"Don't listen to him, he's lying to you" Qing Cheng knew Wan Gunkin, he knew what Wan Gunkin was thinking.

"I'm not lying" Wan Gunkin said that he wasn't lying, he was trying to justify what he did.

"You can't fool us, I know what you're thinking" Qing Cheng said that she knew what Wan Gunkin, she even knew what Wan Gunkin was thinking.

"Huh?" Wan Gunkin looked surprised when he listened to what Qing Cheng had to say, he didn't expect Qing Cheng to know what he was thinking.

"Looks like he has started to develop her own abilities." Ye Chen saw that Qing Cheng had already developed her abilities, she was able to read Wan Gunkin's mind.

"You won't be able to fool us" Qing Cheng told Wan Gunkin that he wouldn't be able to fool himself.

"No way" Wan Gunkin couldn't believe this, he couldn't believe what was happening.

Wan Gunkin did not expect that Qing Cheng would be so terrifying, this woman had such terrifying abilities.

"Since he dares to lie, then there is no reason to let him go." Seeing Wan Gunkin lying, there was no reason for Su Mengxin to let him go.

"Argh. . . ." Wan Gunkin screamed, feeling the torment that Su Mengxin had given him.

The technique that Su Mengxin possessed was perfect for torturing someone, it was a great technique for torturing someone.

Wan Gunkin's body kept slashing, blood kept pouring out of Wan Gunkin's body.

This torture made Wan Gunkin feel crazy, he really felt crazy about Su Mengxin's torture.

"I think this is enough." Su Mengxin felt that if this was enough, Wan Gunkin was already helpless.

Su Mengxin stopped her attack, herself letting Wan Gunkin lay limp.

"Looks like he's unconscious, you're great too" Ye Chen praised Su Mengxin, he didn't expect that Su Mengxin could do something like this.

"I think I overdid it." Su Mengxin was probably overreacting, she had gone too far when she beat Wan Gunkin.

"It's okay" Ye Chen said that if what Su Mengxin did was a good thing, at least Wan Gunkin wouldn't be able to do anything bad again.

"You should all go, if you are found, it will be a problem for me" Ye Chen told Qing Cheng, Su Mengxin and Mu Lanyin to leave this place immediately.

If they were discovered by Lei Qiaolin, then it would be a very troublesome matter for Ye Chen.

"Too bad that you are still doing work" Qing Cheng was disappointed when he heard this, Ye Chen was currently in the exams and couldn't be with them.

"You guys came at the wrong time" Ye Chen informed that they all came at the wrong time.

"Don't bother him anymore" Su Mengxin said to Qing Cheng, she told Qing Cheng not to bother Ye Chen anymore.

Su Mengxin was quite mature, she knew that Ye Chen had his own problems.

"Then let's go back" Mu Lanyin invited Su Mengxin and Qing Cheng to go back.

"Okay. . ." Qing Cheng had no choice but to do what Ye Chen wanted.

"You want to return to earth?" Ye Chen asked Mu Lanyin, Su Mengxin and Qing Cheng.

"No, we will stay here for a while Sky Cloud Peak Star Realm" Su Mengxin said to Ye Chen, she told Ye Chen that they will stay in Sky Cloud Peak Star Realm.

"Then I'll go see you guys when all this is over" Ye Chen said that he would go see them when everything was over.

"We understand." Mu Lanyin, Su Mengxin and Qing Cheng nodded, they headed towards the Sky Cloud Peak Star Realm.

Before leaving, they all waved their hands towards Ye Chen, they bid farewell to Ye Chen.

Ye Chen was alone, he saw Mu Lanyin, Su Mengxin and Qing Cheng who had already left.

"Master, it seems that the battle just now drew a lot of people to this place." Chu Yuechan said to Ye Chen, she told Ye Chen that there were a lot of people heading to this place.

"They must be after me." Ye Chen felt an unpleasant feeling, he felt that he was being targeted by other participants.

Ye Chen had made all the participants angry, of course this made all the participants try to catch and get Ye Chen.

"Looks like you're always in trouble." Chu Yuechan said to Ye Chen, Ye Chen was always in trouble.

"This is a risk that I have to face, when you have beautiful women, then you must have the strength to defend them" This is the risk of having beautiful women, if a man does not have the power, then the woman will be snatched by someone else.

In this world strength is the main, without strength it will be very difficult to survive and maintain something.

The other participants were approaching towards Ye Chen, they were approaching towards Ye Chen very quickly, in less than 1 minute, there were already hundreds of thousands of participants gathered and surrounded Ye Chen.

"That's him, he's a very annoying person." All the participants pointed at Ye Chen, they seemed to have a personal grudge with Ye Chen.

Ye Chen had been surrounded, he was now surrounded by participants who were annoyed with him from the start.

"Do you guys have a problem with me?" Ye Chen asked the participants who were in this place.

"Of course, we have a problem with you" all the participants answered Ye Chen's words, they all said that they had a problem with Ye Chen.

"How strange, I don't feel like I have a problem with you guys" Ye Chen didn't remember that he had problems with everyone.

"Damn, he's pretending to be stupid in front of us, looks like he wants to get beat up" people started to get annoyed, they started to get annoyed when they saw Ye Chen pretending to be stupid when he was in front of them.

Everyone started throwing curse words at Ye Chen, it was obvious that they were very angry with Ye Chen.

"Hahahaha" Ye Chen laughed, he laughed when he saw the people who were angry with him.

"Attack him" saw Ye Chen laughing, everyone was annoyed, they all got annoyed and started attacking Ye Chen.

"You guys are so troublesome, let me show you a little of my strength" Ye Chen would show a little bit of strength that he had.

"boom" An explosion occurred, Ye Chen began to fight against other participants, this battle was very chaotic, everyone was attacking each other, they didn't care about what was around, their goal was to attack Ye Chen and destroy Ye Chen, the safety of the people around was ignored by all of them.

Chapter 1888 Lei Qiaolin peeked at Ye Chen and Sun Xuanyin

Ye Chen used physical strength against everyone, himself used physical strength against everyone in front of him.

"Bam. . ." Ye Chen hit everyone with physical strength, he took down one enemy after another with ease.

One by one the enemies were dropped by Ye Chen, Ye Chen took down all the enemies that were after him.

Ye Chen looked like a delinquent making a fuss, he was making such a huge fuss.

The battlefield became very chaotic, Ye Chen made a terrible mess.

"Attack him" Seeing Ye Chen unwilling to fall, everyone worked together to defeat Ye Chen.

"Go ahead" Ye Chen told everyone to come forward and fight him.

Ye Chen welcomed the attack from the enemy, he fought and attacked the enemy in front of him.

The battle was quite fierce, Ye Chen was like an unstoppable monster, he was not stopped by the other participants.

While Ye Chen was fighting, there were countless other participants who came, they all came and joined the battle.

All who came were men, they all came to destroy Ye Chen.

It could be seen that everyone in this place was jealous of Ye Chen, they were all jealous of Ye Chen.

"There's no end" Ye Chen saw that the enemies he was fighting were endless, even though he had taken down quite a number of enemies, the enemies that surrounded Ye Chen were increasing.

"If it's like this, then it won't end." Chu Yuechan said to Ye Chen, if it continues like this, then it is certain that it will never end.

"I also know" Ye Chen understood, he knew that this would not end, the enemy just kept coming and joining the battle.

The number of participants was still very large, so it wouldn't be strange for all of them to come to fight Ye Chen.

"Looks like I have no other choice" Seeing that more and more enemies appeared, Ye Chen had no choice but to use a large scale technique.

"Frost Age" Ye Chen's used Frost Age, when Ye Chen used this thing, the area around Ye Chen started to freeze, the area around Ye Chen started to freeze and became a stretch of Ice.

"what happened" people in the distance saw that in front of them began to freeze.

" run . . ." Everyone wanted to run, they all really intended to escape Ye Chen's attack.

Unfortunately they were too late, they wouldn't be able to escape Frost Age's power everyone was easily frozen by Ye Chen, they all froze and became Ice statues.

This place became a sea of Ice, everything in the distance of thousands of miles turned into ice, rocks, trees and soil all became Ice, around Ye Chen now it was like a pole.

"This is better" Ye Chen was very satisfied, he beat everyone in front of him.

Now that everyone was frozen and unable to move, this was Ye Chen's chance to loot the catch that everyone had.

Ye Chen took the Magical Beasts obtained by the people in front of him, this way, Ye Chen no longer had to bother to go and look for Magical Beasts.

"I'm very lucky, I managed to get a Magical Beast for free" Ye Chen was very lucky, he got a Magical Beast for free.

Ye Chen got quite a lot of Magical Beasts, he got a lot of Magical Beasts and kept them inside the fairy gate.

"Very good" Ye Chen was very happy, he was very satisfied with the results, with this result, Ye Chen didn't have to worry.

"You are here" when Ye Chen was doing a harvest, Ye Chen met Sun Xuanyin.

Because of the commotion, Sun Xuanyin finally found Ye Chen's whereabouts, she managed to find Ye Chen's whereabouts and headed towards Ye Chen.

"You are also participating? ." Ye Chen saw Sun Xuanyin participating, this woman actually took part in the exam.

Ye Chen didn't know how Sun Xuanyin had participated, how he had participated in the God Realm Martial Arts competition.

As one of the beauties who belonged to a great power that controlled the God Realm, why would Sun Xuanyin be involved in something like this, she shouldn't be involved in something like this.

"Of course, this is quite a big thing, of course everyone will join." Sun Xuanyin told Ye Chen the reason why she was involved in this.

Ye Chen nodded, he naturally understood what Sun Xuanyin was thinking.

"You did all of this, you are quite great too" Sun Xuanyin acknowledged Ye Chen's strength, Ye Chen did a great thing.

"hehehe" Ye Chen smiled, himself smiling at Sun Xuanyin.

Sun Xuanyin started to be very friendly towards Ye Chen, it seemed like the lessons last time had made her interested in Ye Chen.

Ye Chen had gathered them all, he had managed to get quite a lot from the other participants.

"Okay I'll go" Ye Chen said that he would go.

"Where are you going, why are you in such a hurry?" Sun Xuanyin held Ye Chen, she restrained Ye Chen with her arms.

Sun Xuanyin leaned towards Ye Chen, she leaned towards Ye Chen and directly teased Ye Chen.

Sun Xuanyin was great at teasing Ye Chen, she knew a suitable way to tease Ye Chen.

Ye Chen wasn't surprised when he saw this, it could be said that he was used to it.

When Sun Xuanyin hugged Ye Chen, Lei Qiaolin came over, he looked back at Ye Chen and Sun Xuanyin who were hugging.

"Oh, these two know each other." Lei Qiaolin saw the relationship that Ye Chen and Sun Xuanyin had, he could see that the two had a very intimate relationship.

"Damn, why did this woman come again" Ye Chen should have been able to leave, too bad Sun Xuanyin got in his way so Ye Chen had run away from this place.

If Sun Xuanyin didn't restrain Ye Chen, Ye Chen should be able to leave this place, Ye Chen should be able to go and escape from this place to avoid Lei Qiaolin

"what are you doing quickly let me go" Ye Chen said to Sun Xuanyin, Ye Chen told Sun Xuanyin to let go of himself.

"I don't want" Sun Xuanyin didn't want to let go of Ye Chen, she pulled Ye Chen and continued to tease Ye Chen using her soft double peak.

Sun Xuanyin had a good body, teasing Ye Chen was not a difficult thing to do.

Ye Chen tried to resist Sun Xuanyin's temptations, as a normal man, resisting Sun Xuanyin's temptations was quite a difficult thing to do.

"I have to endure." Ye Chen had to endure, himself defending against Sun Xuanyin's attack.

Sun Xuanyin became more and more aggressive, she started to touch Ye Chen with her finger.

Sun Xuanyin's finger started to make Ye Chen's already tough little brother even tougher.

Previously Ye Chen had been teased by Qing Cheng who was very mischievous, now it was Ye Chen's turn to be tempted by Sun Xuanyin who was much more aggressive than Qing Cheng.

"what are they doing" Lei Qiaolin saw what Ye Chen and Sun Xuanyin were doing, she saw that both of them were doing something shameless.

As a person with a long life experience, Lei Qiaolin naturally knew what Sun Xuanyin was up to, this woman touching on something utterly humiliating.

"Oh, it's already tough." Sun Xuanyin saw that Ye Chen had been tough, it seemed that he had managed to excite Ye Chen.

Chapter 1889 Lei Qiaolin vs Sun Xuanyin (1)

"She is indeed a terrible seductress" Ye Chen had to admit that Sun Xuanyin was a terrible seducer, this woman could excite a man with lewd words.

"You still dare to tease me, have you forgotten what happened last time?" Ye Chen said to Sun Xuanyin.

Ye Chen reminded Sun Xuanyin of what had happened, he reminded Sun Xuanyin that she was not his opponent.

"That's precisely the reason why I came to see you, I came to have a rematch." Sun Xuanyin said to Ye Chen, she wanted to have a rematch with Ye Chen.

"Can't you see that I'm busy" Ye Chen said to Sun Xuanyin, Ye Chen was busy, if he wasn't busy, he could accept Sun Xuanyin's challenge.

"I didn't see that you were busy." Sun Xuanyin didn't see that Ye Chen was busy, she felt that Ye Chen wasn't busy.

"You may not care about this matter, the problem is that I care about this matter" Ye Chen said to Sun Xuanyin.

Ye Chen knew that if Sun Xuanyin didn't care much about this matter, this woman definitely didn't care much about a small matter like this.

From the very beginning Sun Xuanyin's goal was to tease Ye Chen, she had no interest in competition.

Ye Chen wanted to chase Sun Xuanyin away, but if you remember well, Ye Chen didn't need to do that.

With Ye Chen's little strength, he could already render Sun Xuanyin powerless.

"Then I will finish this as soon as possible" Ye Chen said that he would finish this as soon as possible, he intended to finish everything quickly and there was a sign of an obstacle.

Ye Chen's hand started to touch Sun Xuanyin, when Ye Chen did this, Sun Xuanyin could feel an extraordinary feeling.

"Yeah, that's great." Sun Xuanyin was happy, she got what she needed right.

Ye Chen started helping Sun Xuanyin, he would end this quickly.

When Ye Chen was serious, Sun Xuanyin naturally couldn't stand it, with just the touch of Ye Chen's finger Sun Xuanyin had already reached the peak.

"It's much stronger than before." Sun Xuanyin saw that it was much stronger than before, she could feel that Ye Chen's skills were extremely formidable and unrivaled.

After trying Ye Chen's skills, Sun Xuanyin would no longer be able to return to her former self, she was already completely controlled by Ye Chen.

Sun Xuanyin was not aware of this, she was not aware that she was being controlled by Ye Chen.

Sun Xuanyin probably wouldn't care too much about matters like this, as long as she got what she wanted, then Sun Xuanyin wouldn't care anymore.

"They're both really." Lei Qiaolin couldn't stand it when he saw what was happening, to be honest this was a very embarrassing thing for her.

"You guys stop right now" Lei Qiaolin appeared and stopped what Ye Chen and Sun Xuanyin were doing.

Ye Chen and Sun Xuanyin saw the arrival of Lei Qiaolin, both of whom looked confused when they saw Lei Qiaolin coming.

"Why did you come and interrupt?" Sun Xuanyin looked displeased when she saw Lei Qiaolin coming and interrupting her moment with Ye Chen.

"I came and stopped you guys from acting inappropriately" Lei Qiaolin said that he had come and stopped Ye Chen and Sun Xuanyin from doing any inappropriate actions.

"Who the hell are you to do that?" Sun Xuanyin said to Lei Qiaolin, no one could command Sun Xuanyin including Lei Qiaolin.

Lei Qiaolin did not expect that Sun Xuanyin would be so bold, this woman was so bold in challenging her.

"Do you dare to fight me, you are only a participant, you can be disqualified" Lei Qiaolin said to Sun Xuanyin.

"I don't care." Sun Xuanyin didn't care, Sun Xuanyin didn't intend to interfere in this kind of thing from the start.

If only Ye Chen had not taken part in the preliminaries, then Sun Xuanyin wouldn't have bothered to register either.

Lei Qiaolin raised his eyebrows, starting to get annoyed with Sun Xuanyin.

"I guess I have to tell me." Lei Qiaolin was going to teach Sun Xuanyin, she didn't like Sun Xuanyin.

"Go ahead." Sun Xuanyin was not afraid, she challenged Lei Qiaolin back.

Sun Xuanyin was in a bad mood, Lei Qiaolin came at an inopportune time, this angered Sun Xuanyin.

"Only against disciples of middle-class stars, it shouldn't be difficult" Since her opponent was only Sun Xuanyin, Lei Qiaolin didn't need to use too much of her strength.

Lei Qiaolin gave off an aura with a terrifying pressure, Lei Qiaolin's aura cracked the area around her and instantly rose into the sky.

With an aura like this, it should be enough for Lei Qiaolin to frighten Sun Xuanyin.

"Is that all you can do?" Sun Xuanyin asked Lei Qiaolin.

Sun Xuanyin did not feel any pressure emanating from Lei Qiaolin, the strength of the two was the same, so Sun Xuanyin was not affected by Lei Qiaolin's strength.

"How strange" Lei Qiaolin began to feel that something was wrong, how could Sun Xuanyin be able to withstand her pressure.

"I'm not in a good mood, let's get this over with." Sun Xuanyin wasn't in a good mood, she wanted to end this quickly so she could be with Ye Chen.

Sun Xuanyin showed her strength, intending to fight Lei Qiaolin.

A pressure aura that was stronger than Lei Qiaolin emanated from Sun Xuanyin's body.

"What, how could it be, who are you?" Lei Qiaolin looked surprised when she saw Sun Xuanyin's strength, Sun Xuanyin's strength was actually able to match her own.

"What is it, are you surprised?" Sun Xuanyin said to Lei Qiaolin.

Sun Xuanyin showed a triumphant smile, it was as if she had already obtained absolute victory.

"Well done they fought, time to sneak away" Seeing Sun Xuanyin and Lei Qiaolin starting the battle, Ye Chen took this opportunity to leave.

With Ye Chen's ability, he was able to leave so easily, Ye Chen slipped away unnoticed by Sun Xuanyin and Lei Qiaolin.

Sun Xuanyin and Lei Qiaolin were too focused, both of them looking very focused when facing each other.

"You . . . , who are you really?" Lei Qiaolin began to realize about Sun Xuanyin's identity, she felt that Sun Xuanyin came from a powerful background.

"Why do you know about my background, you don't need to know about this matter." Sun Xuanyin said to Lei Qiaolin, she refused to reveal her background.

"Then don't blame me because I fought you with full strength" Seeing Sun Xuanyin refuse to reveal her background, Lei Qiaolin would force Sun Xuanyin to tell her.

If Lei Qiaolin fought Sun Xuanyin, she would be able to know where Sun Xuanyin came from.

Sun Xuanyin already knew Lei Qiaolin's intent and purpose, she had already predicted what Lei Qiaolin would do.

Sun Xuanyin was an intelligent woman, she always tried to think far ahead of her enemies.

In this world only a few people could fight this, Ye Chen was among the people who could go against Sun Xuanyin's intelligence.

"This might be a bit of a hassle, but I'll make sure not to expose my identity".

Battling Lei Qiaolin without her full strength would be a very troublesome thing, this was something that was a little difficult for Sun Xuanyin.

Chapter 1890 Lei Qiaolin vs Sun Xuanyin (2)

Sun Xuanyin's body was enveloped by a very strong fire, this fire made everything around Sun Xuanyin melt.

Lei Qiaolin's body also began to be enveloped by Ice, the area around Lei Qiaolin froze.

When these two powers met, an enormous lightning bolt occurred, this lightning strike was enormous and covered almost the entire place.

"What happened" all the participants started to get scared, they started to feel the tense situation around them.

Earthquakes and earth splitting began to occur, all participants were very afraid of this.

"Will this star be destroyed" everyone thought that the star in this place would be destroyed.

Everyone immediately tried to save themselves, they didn't want to die silly.

Ye Chen, who had already seen the strange phenomenon in front of him, knew that this must be because of the battle between Sun Xuanyin and Lei Qiaolin.

"Looks like they have gone too far." Ye Chen saw that Sun Xuanyin and Lei Qiaolin, it had gone too far, the two of them must have used their full strength against each other.

Ye Chen allowed this, he let Sun Xuanyin and Lei Qiaolin fight and solve the problems they have.

"Leave it alone, I don't have to worry about the two of them." Ye Chen didn't have to worry about Sun Xuanyin or Lei Qiaolin.

Both were equally strong and it was impossible to worry about the two of them.

Ye Chen left, himself tried to leave and avoid Sun Xuanyin and Lei Qiaolin, these two women were very troublesome for Ye Chen.

.

.

Back in the battle Sun Xuanyin and Lei Qiaolin both clashed with each other, they used their strength to suppress each other.

"She is able to suppress my strength very well." Lei Qiaolin had to admit that Sun Xuanyin was a very strong person, she possessed extraordinary strength.

"I have to be more serious" Lei Qiaolin had no choice, she had to be even more serious in dealing with Ye Chen, otherwise he would not be able to win against Sun Xuanyin.

Lei Qiaolin decided to take Sun Xuanyin even more seriously, if she wasn't serious in facing Sun Xuanyin then she would lose in this place.

Lei Qiaolin used her full strength, when the two used her full strength, she started to be able to suppress Sun Xuanyin.

"She's getting serious." Sun Xuanyin saw that Lei Qiaolin was getting serious, it looked like she was going to fight Sun Xuanyin at full strength.

"Let's get started" Lei Qiaolin was the first to step up and attack Sun Xuanyin.

Sun Xuanyin didn't want to lose to Lei Qiaolin, and came forward to face Lei Qiaolin head-on.

Both of them stretched their palms forward, they tried to attack each other using their strength.

Sun Xuanyin's palms were enveloped by fire that was as hot as the sun, meanwhile Lei Qiaolin was enveloped by extremely cold ice.

"Boom. . ." When these two great powers met, an enormous explosion occurred, this explosion destroyed everything around, even everyone in the distance was affected by the battle waged by Sun Xuanyin and Lei Qiaolin.

In this exchange of attacks, Sun Xuanyin and Lei Qiaolin seemed very even, the two were able to balance each other out.

"You can match me, not bad either." Lei Qiaolin admitted that Sun Xuanyin could match her.

"Of course, I am not the weak woman you think." Sun Xuanyin was not a weak woman, she would not be easily defeated by Lei Qiaolin.

"Ice Seal Cube" Lei Qiaolin's froze Sun Xuanyin, Sun Xuanyin's body was easily frozen by Lei Qiaolin.

"It's over." Sun Xuanyin was no longer able to move, Sun Xuanyin was no longer able to move against Lei Qiaolin.

The battle ended very quickly, Lei Qiaolin ended everything very quickly.

"Sssssssss" just when Lei Qiaolin thought that everything was over, the unexpected happened, Sun Xuanyin's body heated up and started to melt the Ice Seal Cube.

"she melted it from the inside" Lei Qiaolin didn't expect that Sun Xuanyin could do that, she melted the Ice Seal Cube from the inside.

In a matter of seconds, all of the ice that was confining Sun Xuanyin melted away.

"Not bad." Sun Xuanyin acknowledged Lei Qiaolin's abilities, he had good abilities.

"This is just the beginning." Lei Qiaolin didn't want to lose, he told Sun Xuanyin that everything was just the beginning.

Sun Xuanyin couldn't use her abilities, if Sun Xuanyin used her abilities, Lei Qiaolin would discover her identity.

In this battle, Sun Xuanyin was slightly pressured by Lei Qiaolin's attacks, she was unable to withstand Lei Qiaolin's many attacks.

If only Sun Xuanyin could use her abilities, then she could turn things around.

"Ye Chen, can you help me?" Sun Xuanyin asked Ye Chen for help.

When Sun Xuanyin tried to ask Ye Chen for help, Sun Xuanyin found that Ye Chen did not give an answer.

"Where did he go?" Lei Qiaolin was not aware of Ye Chen's departure, to be honest she was not aware that Ye Chen had left this place.

"This is all your fault, he left because of you" said Sun Xuanyin in a disgruntled tone.

Sun Xuanyin was annoyed with Lei Qiaolin, she had made Ye Chen go and run away from her.

If only Lei Qiaolin had not interfered and decided to watch from afar, then Ye Chen would not have run away like this.

"Why are you blaming me, it's all your own fault" Lei Qiaolin didn't accept what Sun Xuanyin said, it wasn't her fault from the start.

"I don't care, it's all your fault" Sun Xuanyin said to Lei Qiaolin.

"you are an annoying woman" Lei Qiaolin said to Sun Xuanyin, di is a very annoying woman.
