Time passed so quickly Liu Yue felt A hand stroking her hair so Liu Yue opened her eyes, when Liu Yue opened her eyes she saw her grandmother who was supposed to be in a coma woke up.

Liu Yue thought that she was dreaming, Liu Yue pinched her cheek and felt sick so this must be the reality "Yue how can you sleep here" said Liu Yue's grandmother.

"Your grandmother, waking up, how are you feeling, do you feel something unpleasant in your body?"
"Liu Yue began to look worried about her grandmother's body.

"I already feel a little better even my body feels fresher and lighter than before," said Grandmother Liu Yue trying to move some parts of her body.

"Don't move your grandmother much first, I'll call the doctor to know your condition" Liu Yue immediately rushed to call the doctor.

Finally the doctor arrived and examined the condition of his grandmother. "How is my grandmother's condition, Doctor?" "Ask Liu Yue.

"His heart rate and body temperature are normal but the results have to be delayed Check up Tomorrow morning to find out the results and the patient should be well rested" the doctor then left the ward.

Liu Yue is quite happy to see her grandmother is fine "grandmother, you heard what the doctor said, you have to rest a lot" Liu Yue pulled the blanket and covered her grandmother.
