

Chapter 21 - Meet Yu Ting Again

When Ye Chen left the eight people who lifted the piano down and saw that there were no casualties in the incident even though the Piano was somewhat damaged by collision with Ye Chen's elbows

"Hey it's your fault why you didn't hold it properly".

"Hah, why is it my fault that the skinny one is because he has no energy at all".

"It is clear that you are letting go of your memories why throwing a mistake at me".

The Eight people blame each other.

Ye Chen and Zhang Liao finally arrived at the school canteen but the queue was quite long "Ye Chen, what do you want me to order and you just sit and wait at the dining table," said Zhang Liao.

Ye Chen said several menus then handed over money to Zhang Liao and Ye Chen looked for a seat.

Since coming to earth again Ye Chen enjoyed a relaxed life, even though the problem always came to him but it was only a trivial matter.

Ye Chen knew that this kind of life could not be forever as the heir of Sage God Ye Chen Understood if he did not immediately become strong then many Strong people would aim for him, therefore Ye Chen was always careful not to expose his strength to people who were not Ye Chen believe in.

Two familiar people crossed Ye Chen's eyes. Of course, this was Ye Chen's ex-girlfriend and his mistress. After not seeing Yu Ting for a long time, it seems that Yu Ting has changed. Yuting is now wearing expensive clothes that are very open, showing all of her skin, and Yuting looks very proud of it. Ye Chen had to say that the cute girl Ye Chen had ever known was no more.

In just a few months the Yu Ting people had transformed very much now but this did not make Ye Chen interested but instead disgusted him

"Oh Ye Chen hasn't seen you in a long time" Yu Ting's tone of voice was slightly insulting, After gathering in a circle of rich people, the way of thinking of Yu Ting was a little different In his eyes people like Ye Chen were just rubbish Now.

Ye Chen: "oh Yu Ting long time no see, you look different now".

"Of course I'm getting more and more beautiful now. My new boyfriend always gives me everything I want, luxury clothes, luxury bags, luxury cosmetics and even the best-class spa treatments every week." Yu Ting flaunted everything that Ye Chen couldn't do while he was his girlfriend.

"Is he too confident when I praise him beautiful? I think his appearance is now disgusting" Ye Chen said in his heart.

"Ting Ting, who is this guy?" Yu Ting's girlfriend who was beside Yu Ting asked.

"Brother Hu, he was the person that we met a month ago when he was shopping at the mall and my ex-boyfriend," said Yu Ting.

"Oh," Hu Ji, where might you remember a poor person like Ye Chen, for him, Ye Chen is just rubbish that is not worthy of being noticed.

"Hahaha Ye Chen, I see that you are still alone, have you not found a new girlfriend?" Yu Ting asked, but questions like this really insult Ye Chen.

"Yes indeed I am still Alone Now what is the problem for you" said Ye Chen.

"I knew how it would be possible for a woman to be with a poor man like you," again Yu Ting teased about poor Ye Chen Yang.

If it was Ye Chen, he would have been angry with Yu Ting's words before, but Ye Chen now if he wanted to get money was like turning his palm.

The words Yu Ting motivated Ye Chen that Ye Chen had to Quickly get a lot of money Immediately making Yu Ting Regretful for leaving.

"Hah, Ting Ting, are you kidding me? Maybe there is a woman who wants to be a girlfriend from a bum, they would prefer a rich man like me" Hu Ji tried to brag himself in front of Ye Chen

"Huh? You think I can't get a woman who is more beautiful than Yu Ting. You'll see." Ye Chen said sarcastically.

"We will wait if you can get a woman who is better than me then I will eat poop in public," said Yu Ting, laughing.

A beautiful woman suddenly came and hugged Ye Chen's right arm. "Ye Chen, have you been waiting long?" Said the woman

This woman was Zhao Yanyan, Zhao Yanyan who followed Ye Chen out of concern with Ye Chen's wound, but when Ye Chen sat there were two people who approached Ye Chen so Zhao Yanyan wanted to know what happened to a woman's curiosity was very strong.

So Zhao Yanyan lifted up and eavesdropped on Ye Chen and Yu Ting's conversation. After learning that Yu Ting was Ye Chen's ex-girlfriend, and Zhao Yanyan knew that Yu Ting left Ye Chen only because Ye Chen was poor, which made Zhao Yanyan angry.

For Zhao Yanyan Ye Chen was thousands of times better than Hu Ji, even though Ye Chen was not rich at least Ye Chen had kindness even willing to sacrifice himself to save him, So Zhao Yanyan rushed to Ye Chen and helped him.

Ye Chen was quite confused as to why Zhao Yanyan suddenly hugged his arm.

" Who are you ? "Yu Ting asked curiously, because Yu Ting had to admit that Zhao Yanyan was far more beautiful than him.

Hu Ji knows who Zhao Yanyan is Flower School in her second year and Hu Ji also pursued Zhao Yanyan, unfortunately she was rejected.

"Let me introduce Ye Chen's girlfriend Zhao Yanyan" Zhao Yanyan introduced Himself to Yu Ting.

Yu Ting and Hu Ji were also struck by the lightning of the person they had just insulted having a very beautiful girlfriend instead of being slapped in the face directly.

Zhao Yanyan said spoiled "Ye Chen, let's look for food outside of school. I feel comfortable here".

Of course Ye Chen understood what Zhao Yanyan was doing, so of course Ye Chen followed his game "Yan my dear dear".

Ye Chen then left with Zhao Yanyan and left Yu Ting and also Hu Ji, while walking Ye Chen felt piercing stares from Sekita especially the men, those who looked at Ye Chen very fiercely were secret admirers of Zhao Yanyan.

"Looks like I've become a public enemy," Ye Chen said in his heart.

Before he reached the door, Ye Chen turned "hey I heard that someone was going to eat dirt in public. Now you can do it, Ye Chen burst out laughing and left the canteen with Zhao Yanyan.

Yu Ting and also Hu Ji did not have faces anymore so they both hurriedly left the canteen as fast as they could, afraid that people would force them both to eat poop.

Chapter 22 - Express Feelings

Ye Chen and Zhao Yanyan also went towards the school gate "Hey Zhao Yanyan why did you suddenly Help me earlier" Ye Chen asked with a little curiosity.

"I just don't like you being treated like that by that person," said Zhao Yanyan.

"Hahahahaha" Ye Chen laughed.

"Why are you laughing instead?" Zhao Yanyan asked

Ye Chen "Well I didn't expect that a girl like you would care about me."

Hearing Ye Chen's words, Zhao Yanyan's face turned red. "That's because you are the savior of this Young Woman so I have to repay your kindness" Zhao Yanyan tried to find an excuse.

Ye Chen "Hey Zhao Yanyan even though I ordered food earlier". "Forget the food, come with me to the seafood restaurant I'll pay" Zhao Yanyan pulled Ye Chen only needed to walk About 3 minutes before he got there.

Zhao Yanyan: "Well, we've arrived".

Ye Chen saw a pretty classy restaurant, Zhao Yanyan then invited Ye Chen in. When the two of them entered, it had been welcomed by a waiter.

"Young master and young lady want to order an ordinary table or private room" Asked the waiter.

Zhao Yanyan "Please provide a private room" Zhao Yanyan handed over the membership card to the servant.

After receiving the card, the servant escorted Ye Chen and also Zhao Yanyan to the Private Room.

The private room designed by Sebagus and as comfortable as possible for the customers, the waiter then handed over the menu to Ye Chen and also Zhao Yanyan.

When Ye Chen opened the menu, Ye Chen was dumbfounded because the prices on the menu list were almost hundreds and also thousands of dollars, even the most expensive one was tens of thousands of dollars.

Zhao Yanyan invited him to this expensive restaurant, "It seems like this girl's background is quite rich, otherwise how can treat in a place like this?" Ye Chen spoke in his heart.

Ye Chen didn't expect that the price of a meal could be this expensive, Ye Chen would always eat food with a price of a few dollars or tens of dollars, even the starbuck which according to Ye Chen was already luxurious could not be compared with this restaurant.

Even though Ye Chen was quite happy with the one hundred thousand dollars he had gotten from selling Zillao's bracelets, but after seeing the price of rich people's food, the Hundred Thousand money was nothing.

Ye Chen had already decided to immediately get more money otherwise how could he defeat Yu Ting's current girlfriend.

Zhao Yanya Seeing Ye Chen did not immediately choose the menu so Zhao Yanyan asked "why not immediately Squeeze Ye Chen? ".

"That I am not too familiar with food. So what if you just choose food for me," answered Ye Chen.

"Oh well, Zhao Yanyan then chose the menu and addressed it to the waiter," then please wait a moment the food will be delivered soon "the waiter then came out of the private room.

And in the Private room there are only Ye Chen and also Zhao Yanyan,

Zhao Yanyan "Hey Ye Chen may I know why you want to save me when I will be hit by the piano earlier.

"Why what, isn't it the duty of a hero to save beauty" Ye Chen teased Zhao Yanyan.

Hearing the words from Ye Chen, Zhao Yanyan's face turned red again. "Is that your only reason?"

Ye Chen "You are a strange woman, why should I ask why I help you? If someone else is sure they will do the same as I did, what else Yanyan We are top-level beauty"

"Huft your mouth is so sweet, surely you have many ex-girlfriends first" Zhao Yanyan was quite happy when Ye Chen called Yanyan.

How could anyone possibly want to do something like Ye Chen did before if it was even the Chaser Zhao Yanyan Pun surely they would prefer to save themselves

"To be honest, I only have one girlfriend. Unfortunately, after a long ceremony he betrayed me, it's sad enough to think that love will lose with money," Ye Chen said sadly.

"Not every woman is like that there are women who are looking for true love," said Zhao Yanyan.

Ye Chen saw that Zhao Yanyan was very beautiful and also very considerate if Zhao Yanyan became his girlfriend, wouldn't he be very lucky.

"Huh, why not try to express my feelings anyway? I also like Zhao Yanyan since I first met," Ye Chen said in his heart.

"Yanyan I Have Something To Say" Ye Chen said seriously

"What is wrong?" Answered Zhao Yanyan.

Ye Chen grabbed Zhao Yanyan's hand and said "Yanyan would you be my girlfriend".

Seeing Ye Chen suddenly state his feelings Zhao Yanyan Blushed ashamed Zhao Yanyan also started liking Ye Chen when they first shook hands, but as a woman how could Zhao Yanyan express his feelings first.

"Yes I want to be your girlfriend" Zhao Yanyan cried happily.

"Is it true?" Ye Chen asked with disbelief

Zhao Yanyan "Yes I also like you and I am very happy to know you also like me".

"Yay I finally have a beautiful girlfriend" Ye Chen jumped with delight.

"Puchi" looks at Ye Chen who now looks like a little boy, Zhao Yanyan Laughing.

Ye Chen then hugged Zhao Yanyan and their two eyes faced each other "Yanyan".

"Yes," answered Zhao Yanyan.

Ye Chen suddenly grew bolder "may I kiss you"

Zhao Yanyan didn't talk and just nodded and closed his eyes. Ready to wait for a kiss, actually Zhao Yanyan had never felt a kiss, only read it from a book if the kiss felt so good so Zhao Yanyan wanted to try it with the person he liked.

And now Zhao Yanyan has someone he likes, so why should he refuse?

Ye Chen wanted to kiss immediately but forgot that Ye Chen was currently still wearing a skin mask, Ye Chen then took off the mask first.

Ye Chen's handsome face finally looked back, if Zhao Yanyan saw Ye Chen, now Zhao Yanyan would be surprised.

Zhao Yanyan waited for a kiss from Ye Chen but Ye Chen took so long. Zhao Yanyan opened his eyes and saw a very handsome man.

The man immediately kissed him which made Zhao Yanyan try to rebel, because it was kissed and it felt very pleasant. Zhao Yanyan's resistance finally disappeared, Zhao Yanyan closed his eyes and enjoyed it.

Ye Chen got more and more brave. Ye Chen put his tongue into Zhao Yanyan's mouth, both tongues met Zhao Yanyan welcomed Ye Chen's tongue, Zhao Yanyan who had been passive now became active.

The kiss from Ye Chen and also Zhao Yanyan lasted for several minutes before the two of them gasped.

The conscious Zhao Yanyan Soon rebelled from Ye Chen's arms, "let go of me big pervert".

Ye Chen was confused by Zhao Yanyan's reaction at the moment "Yanyan what's the matter, I'm Ye Chen".

"Huh, are you really Ye Chen?" Zhao Yanyan asked in disbelief.

Ye Chen almost forgot that he just took off his skin mask so Face This should be foreign to Zhao Yanyan.

"Yes, Yanyan, this is my real face, actually I have been wearing a skin mask so as not to cause problems" Ye Chen pointed at the leather mask on the table.

Zhao Yanyan saw the thing that Ye Chen showed and took the skin mask "Ye Chen why are you wearing this mask, in my opinion you are better looking if you don't wear this leather mask" Zhao Yanyan said.

"It's not that I want to wear it, but the problem is the reaction of the women is too excessive when looking at me," Ye Chen said helplessly.

"What do you mean?" Zhao Yanyan asked.

When Ye Chen wanted to explain further the door opened and a female servant brought a push table, when the woman saw Ye Chen's handsome face the woman was very excited.

The maid went inside and put food on top, but her eyes never left Ye Chen even once in a while. The maid teased Ye Chen by shaking her buttocks.

The movements of the servant were not spared From Zhao Yanyan's point of view, After the female waitress finished putting food on the table Zhao Yanyan immediately chased her away.

Seeing Zhao Yanyan angry Ye Chen laughed and said "Yanyan why is so angry with such a trivial thing".

"I just don't like the way the servant teased you," Zhao Yanyan said.

"Let's eat or the food will get cold fast" Ye Chen then opened the cover of the food and immediately ate it.

When eating, Zhao Yanyan Always Sees Ye Chen, Zhao Yanyan Happy because she has a Handsome Boyfriend who can protect herself, Zhao Yanyan feels that she is the luckiest woman in the world.

Chapter 23 - Teacher Lin Rouxi

Ye Chen and also Zhao Yanyan finally finished eating their meal, "Ye Chen We should return to Class immediately. After this is a lesson from brother Rouxi, I don't mean Teacher Lin" Zhao Yanyan tried to remind Ye Chen.

But Ye Chen didn't know who Teacher Lin was because in his class Ye Chen didn't remember a teacher whose name was Lin Rouxi "Yes Yanyan let's go back to class together" Ye Chen said.

Ye Chen wanted to pay the food bill, however Zhao Yanyan was his girlfriend and Ye Chen was a man so Ye Chen had to pay the bill.

"Ye Chen, let me pay it is very expensive." Zhao Yanyan tried to stop Ye Chen from paying because Zhao Yanyan knew that Ye Chen didn't have much money.

"It's okay, Yanyan, I still have enough money to pay for this and in the future I will definitely find a lot of money to make you happy," Ye Chen said seriously.

Zhao Yanyan "Yes I believe that you will definitely be a successful person and I will definitely continue to support you at every step of your way" Zhao Yanyan believes in Ye Chen.

Ye Chen Yang heard the words of Zhao Yanyan It was great because Zhao Yanyan wanted to Trust him.

Ye Chen wore a Kempali skin mask to avoid getting out of trouble

Zhao Yanyan "Ye Chen why are you wearing that leather mask if it is more suitable not to wear that mask".

"Yanyan I also don't want to wear this mask, you see the reaction from the servant right, if I don't wear this mask then your girlfriend might get kidnapped by another girl," Ye Chen said helplessly.

Zhao Yanyan "You praise yourself too much".

Ye Chen and also Zhao Yanya were finally Sammpai In class. The place when the bell rang, they both returned to their desks.

Zhang Liao Yang who saw Ye Chen and also Zhao Yanyan came together asking "Ye Chen, where have you been, I was looking for you in every corner of the canteen, because I did not find you and you did not appear also appeared eating food.

"Oh, it's okay. I just ate with Zhao Yanyan at a restaurant near the school."

"What, you just ate together with one of our school flowers" Zhang Liao could hardly believe what he heard from Ye Chen.

Zhang Liao often saw several boys in his class and other classes who tried to invite Zhao Yanyan to eat out, but they were almost always rejected by Zhao Yanyan and Ye Chen just ate together with the flowers of the Zhao Yanyan School.

"Looks like your relationship with Zhao Yanyan is pretty good" Zhang Liao while drinking water from a bottle.

"Now Zhao Yanyan is my girlfriend so our relationship is very special"

Zhang Liao who heard this immediately sprayed all the water he drank "what you just said, Zhao Yanyan is your girlfriend, you're not feverish" Zhang Liao almost could not believe how on the first day Ye Chen suddenly became the girlfriend of Zhao Yanyan.

"Huh, you do not believe you, Yanyan explain to him so that he understands" Ye Chen asked for help from Zhao Yanyan to explain

"Zhang's classmate is right that I'm Ye Chen's girlfriend now" said Zhao Yanyan, Zhao Yanyan didn't want to hide that she was Ye Chen's girlfriend

After Hearing directly from Zhao Yanyan Zhang Liao As struck by lightning "Ye Chen you were great on the first day you moved to our class you have got our school interest" Zhang Liao praised Ye Chen.

Ye Chen just smiled, then finally the homeroom teacher came to the podium, Ye Chen's homeroom teacher turned out to be a beauty that was not inferior to Zhao Yanyan, especially in the chest that had developed very well.

"Good afternoon everyone, my name is Lin Rouxi and I am the homeroom teacher, the reason I introduced myself is because there seems to be a new transfer student in this class." Lin Rouxi looked at Ye Chen.

"Quick new student introduce yourself to another classmate" Lin Rouxi asked Ye Chen to introduce himself.

Ye Chen walked and stood in front of the class "my name is Ye Chen, I'm 17 years old and I'm from Xxx Village, please cooperate now" After introducing Himself Ye Chen sat down.

"Just like that was your introduction?" Asked Lin Rouxi.

"Our teacher Lin is not on a blind date." Hong several people in the class who heard the words Ye Chen laughed.

"Shut up" Teacher Lin Rouxi hit the table with a book that made students who laugh became silent.

Lin Rouxi did not expect that there would be more problematic students placed in his class again "You may return to your seat" Lin Rouxi invited Ye Chen to sit.

"Okay Everyone, take out your English books now" Lin Rouxi Ordered the students in the class.

Strangely the students who previously spoke in class, gossiping and playing all suddenly became obedient which made Ye Chen ask Tanya in her mind.

When Ye Chen was Sitting Ye Chen Zhao Yanyan said next to his ear "Ye Chen you are brave enough too, teasing your teacher in front of the class, you are not afraid that Teacher Lin's fans are targeting you.

"What should be afraid of if they dare to look for trouble for me I will kick them all".

"Puchi, let's start the lesson, we should focus" Zhao Yanyan laughed.

"Good, my beautiful Queen" Ye Chen then opened an English book

Chapter 24 - Female Star Feng Xue

All students listen to what is explained by Teacher Lin Rouxi but the truth is that almost no students understand, they are just looking for a face so as not to be scolded by Teacher Lin Rouxi.

Ye Chen was quite lazy with the lesson because Ye Chen had memorized everything in the book, so to take care of the boredom Ye Chen looked at Zhao Yanyan who was focused on hearing what Teacher Lin Rouxi had said.

Zhao Yanyan who was listening to the teacher explained that he could not focus because Zhao Yanyan felt ashamed when Ye Chen looked at him "Ye Chen didn't look at me which made me embarrassed" Zhao Yanyan said embarrassed.

"So what's wrong if I find my girlfriend?" Ye Chen teased Zhao Yanyan.

"It's not wrong, but look at the situation and place first," said Zhao Yanyan.

"Okay then" Ye Chen looked to the front of the class at this time Teacher Lin was writing on the board and Ye Chen focused on Teacher Lin Rouxi's body Ye Chen looked at Master Lin Rouxi's thighs and found something interesting.

Her female instincts are very strong Lin Rouxi felt her butt was staring at someone, Lin Rouxi turned around and she saw Ye Chen staring at her "Ye Chen came forward and solved this question" Lin Rouxi was angry and wanted to avenge Ye Chen, Lin Rouxi told Ye Chen to do This difficult matter, when Ye Chen couldn't answer it correctly, Lin Rouxi had a reason to scold him.

Ye Chen knew that this beautiful lady teacher was angry because Ye Chen stared at her thighs, because being told, Ye Chen came to the front of the class and immediately arrived in front of the blackboard. For Ye Chen who now asked these questions very easily for him to answer, Ye Chen write all the answers to the Questions Quickly and correctly.

The face of Master Lin Rouxi was unsightly, Lin Rouxi did not expect that Ye Chen could answer all questions quickly and correctly, so Lin Rouxi did not have the opportunity to scold Ye Chen.

"Teacher May I return to my sitting place" Ye Chen asked.

"Come back" Lin Rouxi was helpless and could only release Ye Chen for this time.

Lin Rouxi Continued Continuing Lessons Like Before, Until the School Bell Bells Sounded and Teacher Lin Rouxi finally ended the class session.

All of the students had tidied up their books and stationery and prepared to go home, Ye Chen and Zhao Yanyan were the same as the others.

"Yanyan you have an event after this?" Ye Chen asked.

"Today I have a music instrument class so I will go there to study," said Zhao Yanyan.

Ye Chen "Yanyan turns out you like it too with music instruments too".

"I used to not like it but after hearing the female star Feng Xue play some musical instruments with a very beautiful I became interested and finally like" said Yanyan while spelling female star Feng Xue.

"Who is the star of Feng Xue?" Ye Chen asked.

Zhao Yanyan's expression was like seeing a ghost, Zhao Yanyan looked with a look of disbelief, in this country who does not know Feng Xue, a beautiful female star whose voice is very beautiful and smart In playing some musical instruments, Feng Xue has many magazines, newspapers and also television, and Ye Chen just said he didn't know who Feng Xue was.

Ye Chen was indeed not very interested in the world of entertainment even watching television. Ye Chen was very rarely, Ye Chen would rather play a cellphone game than watch television.

"You don't know Feng Xue who is the most popular star right now, have you never watched it on television at your home, Feng Xue is almost on every television channel in the country," said Zhao Yanyan.

"Never" Ye Chen answered honestly.

Seeing Ye Chen really honest Zhao Yanyan just shook his head "Forget it, Sunday with Feng Xue will be a guest at my course so next week make sure you take the time to accompany me".

"Ye Chen. We haven't exchanged cellphone contacts. It would be easy to get in touch if we were homesick," Zhao Yanyan said spoiled.

"Oh, it's Yanyan. I don't have a cellphone now, my old cellphone is gone, so maybe I'll buy a new one later."

"Oh, if so, then I go first Ye Ye" Zhao Yanyan Immediately left the class, in class only Ye Chen and also teacher Lin Rouxi

Chapter 25 - Lin Rouxi's Disease

"Ye Chen This is about your behavior in the classroom," said Lin Rouxi.

"What was in the classroom?" Ye Chen asked, getting confused with Teacher Lin Rouxi.

"Hmm, indeed you think the teacher does not know that you were silent, quietly looked at the teacher's buttocks" when said, the face of Lin Rouxi was rather red.

"Teacher, you misunderstood me. I just saw your thigh," Ye Chen said.

"Hemm, so you see my thighs?" Teacher Lin Rouxi's tone was rather angry,

Lin Rouxi sighed "Ye Chen Teacher knows that you are in puberty but that does not mean you can make your teacher your object of fantasy".

Ye Chen really has a headache Now, Ye Chen did not expect that this female teacher would misunderstand her "Teacher I will be honest with you now" Ye Chen said Seriously.

Lin Rouxi saw the seriousness of Ye Chen and his mind went wild "what does this kid want to express his feelings to me, Isn't he too Brave", Thoughts from Teacher Lin Rouxi had already gone wild.

Ye Chen "what teacher at night the teacher often feels your thighs pain that makes you difficult to walk".

"Our Ye Chen is a teacher and student so such a relationship cannot be accepted." Teacher Lin Rouxi spoke deviated from the topic.

"Eh" Lin Rouxi was surprised after hearing what Ye Chen said that was beyond his expectation.

Ye Chen "Teacher Lin what did you just say? "

"Ah forget what I said just now Ye Chen" Lin Rouxi was truly ashamed that he let his mind go wild.

"This is the fault of this bad boy. That makes me think like that" Lin Rouxi started blaming Ye Chen on the day.

"What did you say Ye Chen just now?" Lin Rouxi asked

Ye Chen "What do I say at night Teacher often feels both of your thighs Pain That makes you difficult to walk"

"Ye Chen, how do you know?" It is true that in a few weeks Lin Rouxi felt a little pain in his thighs, when he checked into the hospital the results were nothing strange and the hospital only gave him painkillers.

"Ah, it turns out it's true. It seems like when I saw the teacher in the class, I knew it," Ye Chen said

So Lin Rouxi has been misunderstanding Ye Chen, Ye Chen apparently saw his illness "then Ye Chen can you heal Teacher" Lin Rouxi Little Hope Ye Chen can cure him.

Initially the pain was not too felt but the longer the pain was getting more and more painful until Lin Rouxi could not walk when even days, and it was very disturbing.

"I do have a way to cure it, but I have a condition" Ye Chen tried to negotiate with teacher Lin Rouxi.

"What conditions?" Asked Lin Rouxi.

Ye Chen looked at Lin Rouxi from top to bottom, the beauty of teacher Lin Rouxi was not inferior to Zhao Yanyan, what else on the second part of the protruding mountain peak.

Seeing the direction of Ye Chen's eyes, Lin Rouxi was angry and reprimanded Ye Chen, "Ye Chen, where are your eyes looking".

Ye Chen immediately withdrew his gaze from the two mountain peaks that belonged to Master Lin Rouxi, "ah teacher the conditions are very simple,"

"Just say it quickly, you don't need too much basement anymore" Lin Rouxi was no longer a friend, If Ye Chen dared to ask for strange things, Lin Rouxi would immediately slap him on the spot.

Ye Chen "as long as you promise to treat food for 2 weeks" Free meals for one week can reduce Ye Chen's expenses.

"Huh, that's all." Lin Rouxi thought that Ye Chen would ask for something strange, but only asked for free food for 2 weeks.

Ye Chen "Do you really think I would ask for anything else? , how do you agree teacher ".

Lin Rouxi is like an apple today. Lin Rouxi was very chaotic by Ye Chen. "Well, I agree, then when do we start the treatment.

Ye Chen "how about tonight, I still have business now"

Lin Rouxi "OK, then how about my place".

"It's up to the teacher to want to do the treatment" said Ye Chen

Then Lin Rouxi handed the address of his place of residence to Ye Chen, Ye Chen did not see it and immediately put it in the pocket of his pants then left the Lin Rouxi Room.

Seeing the figure of Ye Chen who had disappeared Lin Rouxi felt relieved, today was the first time Lin Rouxi could be chaotic to this extent, but somehow Lin Rouxi believed in Ye Chen that Ye Chen could heal his pain.

When Ye Chen left Teacher Lin's room that was quiet, all the students had gone home, after this Ye Chen intended to buy a cellphone to make it easier to connect with each other.

Roads in the city during the afternoon really really crowded, Ye Chen walked to the mall the distance between the school and the mall is not far only just a few km.

After 20 minutes Ye Chen finally arrived at the mall Ye Chen went straight to the cellphone sales department, in the past Ye Chen could only look around and couldn't buy it, but now it's different Ye Chen had money and could buy it.

Ye Chen approached one of the shops, the seller who saw Ye Chen coming immediately offered the product they were selling, Ye Chen immediately bought an Iphone Cellphone which was the most expensive cellphone at the moment.

After completing Ye Chen's payment and then leaving the shop, Ye Chen was quite happy because he could finally buy the cellphone Ye Chen had always dreamed of from before and now Ye Chen could finally have it.

Ye Chen then went to his favorite place to eat, Yes this is a goat satay stall on the side of the road, which is the place where Ye Chen eats if Ye Chen is holding money, this little stall is not only affordable, but the taste of goat satay here is very good .

"Aunt Sater Goat 30 skewers" Ye Chen ordered.

Aunt who is really a chicken mendongan "Ye Chen, you haven't come to this place for a long time, did something happen to you? "Ask the aunt.

"It's just a small problem at home and now it's finished so it's no problem".

Auntie shop owner "oh good, sit down first I'll make the food"

The name of the aunt of the owner of this stall is Chen Qui, Chen Qui is always kind to Ye Chen and often gives extra portions to Ye Chen at the same price.

Chapter 26 - Red Wolf Gang Is Making Trouble Again

Finally, Chen Qui's aunt delivered food to Ye Chen's table, Ye Chen smelled her fragrant aroma and immediately put it in her mouth.

After becoming a cultivator Ye Chen felt that he was never full, even though Ye Cen could not eat for days but, when Ye Chen ate Ye Chen felt he could put all the food into his stomach.

Maybe because during practice only eating dry rations and bad fruits made the food here delicious and made Ye Chen addicted to continue eating.

In just a few minutes the whole satay goat was eaten up by Ye Chen "Auntie added 30 Skewers".

Chen Qui Seeing this was astonished he had never seen anyone eat that fast before and 30 goat skewers were still lacking for Ye Chen? .

Aunt Chen Qui then roasted it again for Ye Chen, suddenly several Gangs came to Bibi Chen Qui's stall.

"Hey aunt where's the protection money today," said one of the bad guys

Chen Qui "We just opened and we still haven't got money" Aunt Chen Qui tried to beg the gang guards.

"It's none of our business that we want is money," said one of the bad guys.

Ye Chen knew some of these people. They were the ones who were looking for trouble with Ye Chen at the antiques goods exhibition yesterday.

But the blond forgiving man yesterday had no possibility of currently carrying out the operation after being badly beaten up here at night.

Ye Chen didn't do anything to them yesterday but after seeing this Ye Chen really wanted to beat them all up.

Ye Chen stood up from his chair and walked towards these people.

"Hahah, look at someone pretending to be a hero." These bad guys began to mock Ye Chen.

"Son, you don't know who we are, if you lick my feet and apologize, I'll let you go." The bad guy pointed at his dirty feet.

"This is your last chance" Ye Chen was still standing and not afraid at all.

"Looking for death" bang. . . Bad people who tried to hit Ye Chen immediately flew towards the Trash Can on the other side of the Road.

The bad guys who saw this surprised Bang. . . Bang . . . Bang . . . But before they could act they had been beaten up by Ye Chen and ground on the ground in great pain.

Chen Qui Who saw It Was Surprised Chen Qui did not think that Ye Chen was as strong as this and could bring down the bad guys very easily.

Ye Chen then said "if you still dare to come again to this place then I will make sure you will never again be able to get up from the bed of the times".

These bad guys were already afraid of Ye Chen and immediately left as fast as they could.

"Ye Chen, Thank you for helping Aunt" Chen Qiu thanked Ye Chen.

Ye Chen "It doesn't matter auntie if they still dare to look for trouble in auntie stall just tell me".

"But Ye Chen how if they in the future come to you and look for trouble" Aunt Chen Qiu worried about Ye Chen.

Ye Chen "if they still want to live they will not dare come to look for trouble with me"

"Oh, looks like I'm too worried, the food boil will be ready soon" Chen Qui immediately roast the goat satay again.

After finished eating, all the lamb satay available, Ye Chen, paid and left the stall.

There were still a few hours left before night so Ye Chen, decided to go to a place that still had clean energy and tried to practice there and Ye Chen knew a suitable place.

Ye Chen flew and went to the parks in this city, the parks in this city were still clean and also the energy around this area was still naturally free from pollution.

Fortunately the park is quite quiet because this is not a holiday

Ye Chen crossed the stone and closed his eyes and absorbed the energy Ye Chen could absorb,

After more than 3 hours Ye Chen finally opened his eyes.

The energy on earth is far thinner than Ye Chen's training ground which used to be Ye Chen only increases its strength by very little, according to Ye Chen than absorbing energy from the earth more quickly absorb air (Yinqi) from Zhao Yanyan or teacher Lin Rouxi.

It was already late at night and Ye Chen prepared to go to the place where Master Lin Rouxi lived, Ye Chen opened the note given by Teacher Lin Rouxi, this was the address where teacher Lin lived.

And teacher Lin Rouxi lived in the Women's Dormitory provided by the School, the school actually also provided dormitories for both women and men, the reason Ye Chen chose to look for a rental place outside was because the price was cheaper.

the rental price for one month is around 400 ~ 500 dollars and for Vip class the price is 800 ~ 1000 dollars for the month, for Ye Chen 500 Dollars was the salary of working for one full month.

Ye Chen was lazy to walk and chose the fastest way yes it was flying, besides quickly also saving time, in the sky Ye Chen looked around to make sure that no one would see him go down.

Ye Chen finally arrived in front of teacher Lin Rouxi's door. On the 4th floor of this building, Ye Chen rang the bell after a few seconds the door finally opened.

The one who opened it was of course Teacher Lin Rouxi but teacher Lin Rouxi no longer wore after the teacher's clothes. Like this afternoon, Teacher Lin Rouxi Now wears casual clothes that are Suitable for Teacher Lin Rouxi.

It is important to know that this year's teacher Lin Rouxi is already 25 years old, this age is the age of the woman in the Glory, beauty will be at its peak at this age.

"Enter" Lin Rouxi invited Ye Chen to enter his residence.

Ye Chen then followed behind teacher Lin Rouxi and entered inside.

"Sit down" Teacher Lin Rouxi then went to the kitchen and made Ye Chen a drink.

Ye Chen Sitting In this soft chair, the place where women live was very fragrant. Once, Ye Chen began to ask whether this fragrance was from perfume or purely from a woman's body.

Chapter 27 - Treat Teacher Lin Ruoxi

Teacher Lin Rouxi made cold drinks for Ye Chen and put them on the table.

"Please drink first" Lin Rouxi then sat facing Ye Chen.

Ye Chen did not hesitate and immediately drank the cold drink.

"So Ye Chen, how are you going to cure my illness?" Asked Lin Rouxi.

Ye Chen "oh, the method is quite easy. I just need to massage the teacher, the muscle tissue of Master Lin has been frozen and if it continues to let it spread throughout the body until Teacher lin can be totally paralyzed".

"Is it as serious as that?" Lin Rouxi was afraid.

"Yes, if it is left alone, it will be a problem, but the teacher is very lucky to be able to meet me". Ye Chen said proudly.

"What are you waiting for Ye Chen, let's begin" Lin Rouxi was a little impatient

"Alright, let's be noble, first take off your lower skirt so I can massage your thighs" a sinister aura came out from Lin Rouxi.

"Ye Chen is shameless, you want to seek profit from me right, I do not want to do treatment then" Lin Rouxi was so angry that his chest went up and down, even though Lin Rouxi already believed in Ye Chen, but Ye Chen was the same as other men, always thinking fucks about a woman's body.

Ye Chen "well if the teacher does not want it does not matter to me either because after all the need is not me at first".

Although this disease was not very dangerous at first, but if you continue to leave it like this it can make the sufferer really paralyzed.

"Then what are you waiting for quickly leave here immediately" Lin Rouxi immediately took care of Ye Chen.

Because Lin Rouxi did not accept Ye Chen's Kindness, Ye Chen could only rise from the couch and leave this place.

Lin Rouxi who saw Ye Chen had gone sighed and was ready to return to his room, when Lin Rouxi got up and took a few steps from the sofa Lin Rouxi felt extreme pain on both of her thighs, which made Lin Rouxi's legs feel soft and Lin Rouxi fell into floor.

Lin Rouxi felt that from the thigh to the leg really hurt, every day the pain was getting worse and worse which made Lin Rouxi want to cry.

"What I will become paralyzed, No no I do not want to be paralyzed" Lin Rouxi began to fear that what was said Ye Chen was right.

"Ye Chen come back please, Ye Chen please help me quickly" Lin Rouxi began asking for help.

Ye Chen who had just come out of the room heard Teacher Lin Rouxi, Ye Chen wanted to come in and immediately see what was happening, but Ye Chen remembered that Teacher Lin Rouxi had just kicked him out of the Room so why did Ye Chen have to bother to enter again.

The Voice Asked Ye Chen to return from Lin Rouxi more and more loudly, Until Teacher Lin Rouxi cried Inside, Ye Chen who heard this could no longer bear the heart, how Ye Chen was a nice kind man, how could a woman cry.

Ye Chen then immediately reentered Teacher Lin Rouxi's dormitory, when Ye Chen entered Ye Chen saw Teacher Lin Rouxi on the floor and cried.

Hearing the sound of the door opening Lin Rouxi immediately stopped crying and saw that Ye Chen was back "Finally you are back, I apologize for just now, Please immediately heal my illness" Teacher Lin's tone of voice was like a person being bothered.

Seeing Teacher Lin sincerely apologize Ye Chen forgot the incident that earlier "so Teacher Lin changed his mind, it's good let's start the treatment".

Ye Chen then lifted Teacher Lin Rouxi off the floor and placed it on the couch. "My teacher will start." Ye Chen then removed the skirt from Teacher Lin Rouxi.

Lin Rouxi already knew what Ye Chen would do so Lin Rouxi did not reject him and only closed his eyes.

Teacher Lin's skirt had been removed and leaving only red lace underpants, Ye Chen swallowed his saliva, Ye Chen was ready with all of this but seeing this scene all men would definitely be aroused.

Ye Chen immediately threw away his bad thoughts anyhow. Now he was a doctor and Lin Rouxi was his patient.

Ye Chen then placed his palm on Lin Rouxi's thigh, Lin Rouxi trembled slightly as Ye Chen placed his hand on the thigh.

Ye Chen focused the disrupting energy on his palms, and began massaging Master Lin Rouxi's thighs.

Lin Rouxi felt that Ye Chen's hand suddenly became a little hot. And Lin Rouxi felt his body relax.

Ye Chen didn't give a chance and began using the king's heart technique to absorb (Yin) from Lin Rouxi's Body.

"Ahhhhh. . . "Somehow Lin Rouxi felt that his whole body became hot and the touch of Ye Chen felt very delicious which made Lin Rouxi moan.

Ye Chen in the middle was ready to concentrate but suddenly heard Teacher Lin Yang's voice moaning sweetly. Ye Chen felt the fire in his lower part rise. "Teacher, please don't make such a Sound," Ye Chen said.

"Ye Chen, I don't know ahhhh. . . How come I can make that sound ahhhh. "Lin Rouxi tried to cover her mouth with her hand but the sound could still leak.

Ye Chen had no choice but to continue this massage, for 5 minutes the massage session Ye Chen felt it felt like hours for Ye Chen to hear the moans from Teacher Lin made Ye Chen's desire rise, but unfortunately Ye Chen couldn't release it which made him upset .

After 5 minutes of massage, Lin Rouxi felt he was going crazy. in this life Lin Rouxi had never felt pleasure like this only from Ye Chen's massage, it felt like flying to the sky.

Lin Rouxi felt her bottom was wet And immediately pushed Ye Chen away, Lin Rouxi took her skirt then rose from the sofa, while walking Lin Rouxi felt her feet soft, Lin Rouxi Staggered toward her room.

Ye Chen immediately helped him by supporting him.

"Ye Chen please don't beg for me" Lin Rouxi felt that if Ye Chen touched him again he would go crazy.

Lin Rouxi released herself and walked towards her room and closed the door.

Ye Chen was truly left alone in the living room

Lin Rouxi who was in the room immediately released the wet underwear, the face of Lin Rouxi was completely red, Lin Rouxi Naturally knew what the sticky object was in her underwear.

What made Lin Rouxi embarrassed was that he had just come out of his own student's Touch, and Lin Rouxi did not know how he would see Ye Chen in the future.

Lin Rouxi immediately cleaned up the remaining sticky juice that was in her private parts and took new underwear from the wardrobe

Chapter 28 - Teacher Lin Rouxi Roommate

Ye Chen was currently left alone in the living room, it seemed like teacher Lin Rouxi still hadn't wanted to get out of his room.

Lin Rouxi actually did not have a Face to meet Ye Chen therefore Lin Rouxi locked himself in the room.

Ye Chen was tired of waiting for more than ten minutes and there were no signs that Teacher Lin Rouxi would come out.

So Ye Chen decided to check it out Ye Chen knocked on the door of the teacher Lin Rouxi's room
"Teacher Lin, are you OK?"

But there was no answer coming out from inside, Ye Chen then used his spirit Sensei to monitor Teacher Lin Rouxi, fortunately Teacher Lin Rouxi did not mind why.

Ye Chen felt that teacher Lin Rouxi did not want to see him, so Ye Chen decided to leave this dormitory.

Ye Chen walked toward the door and prepared to open the door, but it was unexpectedly evident that someone was holding the door handle and opening it.

And the woman who opened the door from outside turned out to be Zhao Yanyan who was carrying a shopping bag "Yanyan baby why did you come here" Ye Chen asked Zhao Yanyan.

Zhao Yanyan "Shouldn't I be asking that, after all this is my residence, so Ye Chen what are you doing in my room? "

Ye Chen had no idea that Zhao Yanyan actually lived here, let alone his roommate was Teacher Lin Rouxi, Wait. This afternoon Zhao Yanyan called Teacher Lin Rouxi with her sister Rouxi.

Ye Chen "I was invited here by Teacher Lin Rouxi, but now Teacher Lin Rouxi is in his room and doesn't want to come out".

Zhao Yanyan who heard this immediately put down his shopping bag and immediately went to the front door of Teacher Lin Rouxi's room.

"Rouxi sister, you're fine, aren't you?" Zhao Yanyan was a little worried about teacher Lin Rouxi.

Zhao Yanyan who lives in one roof. With teacher Lin Rouxi also knew of the illness Lin Rouxi was suffering from, usually Lin Rouxi would complain that her legs hurt when it was even days.

Zhao Yanyan who did not get an answer from inside Worried then Zhao Yanyan asked Ye Chen to break down the door "Ye Chen Quickly broke down the door maybe Rouxi's sister is in trouble inside".

Ye Chen had already used his Spirit Sensei and learned that Teacher Lin Rouxi was not in trouble but because his girlfriend asked Ye Chen to break the door.

"Yanyan I'm fine, you don't need to worry, it's just that I'm a little tired today so I want to be an innocent creator first" Lin Rouxi spoke from the room.

Actually, Rou Rouxi didn't want to answer Zhao Yanyan but saw Zhao Yanyan intending to tell Ye Chen to break the door.

Zhao Yanyan felt relieved after hearing it directly from Lin Rouxi.

Ye Chen "Looks like Teacher Lin is exhausted so we can let Teacher Lin rest in peace".

"You're right, it seems like Lin's sister is tired, oh yes Ye Chen what are you doing in this dormitory" Zhao Yanyan asked again because he had not gotten a satisfying answer from Ye Chen.

Ye Chen then explained from the beginning to the end, and a few embarrassing things that Ye Chen didn't tell Zhao Yanyan.

Zhao Yanyan now understands what happened "Oh so you came here to cure Rouxi sister's illness, but Ye Chen, have you ever studied medicine before Him?"

Ye Chen "only a little".

"Oh, so how can Roux's sister be healed? "Zhao Yanyan asked about the situation from Lin Rouxi.

Ye Chen honestly answered, "Actually, I still need one more therapy so that the disease can be completely healed, and I forgot to tell Teacher Lin earlier.

Ye Chen "Yanyan please convey that treatment requires 1 more time to Teacher Lin later".

Zhao Yanyan is "okay".

"Then I'll go home first Yanyan dear" Ye Chen suddenly hugged Zhao Yanyan.

After they were both satisfied, hugged Ye Chen then prepared to leave this dormitory.

"Ye Chen, wait, why are you in such a hurry? Do you not like being with me? "Zhao Yanyan complained to Ye Chen.

Ye Chen "It's not like that Yanyan dear but this is already late, wouldn't you be scolded by the dorm supervisor if you were caught carrying a man into the room".

"It's still 7 pm and the maximum limit of people visiting is 9 pm so we still have some more time, so how do you want to stay with me here? "Zhao Yanyan said timidly.

Ye Chen "if Yanyan Sanyang asked how I could reject it".

Zhao Yanyan smiled with a beautiful sagat "good, let's bring the bag containing food ingredients to the kitchen, and I will prepare a delicious meal for you".

Zhao Yanyan then went to the kitchen and Ye Chen followed behind him, when he reached the kitchen Ye Chen saw Set of complete cooking utensils.

It seems like the room occupied by Zhao Yanyan is the most expensive Vip room, but Ye Chen has to admit that the facilities offered are truly complete.

There was a living room, a kitchen, a private room, and many others, Ye Chen took off the leather mask he was wearing because only Zhao Yanyan was here now.

Zhao Yanyan was already somewhat used to what Ye Chen was doing, although Zhao Yanyan preferred it if Ye Chen didn't wear a leather mask because he was much more handsome.

But as Ye Chen's girlfriend Zhao Yanyan also knew what problems would be caused by such a handsome face, or maybe there were many girls who would steal Ye Chen from Zhao Yanyan.

Zhao Yanyan poked her hair into a ponytail so as not to interfere when cooking.

Want to be modeled Like anything Zhao Yanyan still Beautiful, Ye Chen did not want to remain silent, Ye Chen helped Yanyan to Wash Vegetables and Meat.

After the vegetables and meat have been washed, Zhao YanYan then chop them into small pieces. How to cut Zhao Yanyan can be said already used, Zhao Yanyan wants to cook Sauteed Spicy Soy Sauce.

Ye Chen who was currently behind Zhao Yanyan saw how attractive he was when Zhao Yanyan was cooking, so Ye Chen hugged Zhao Yanyan from behind.

Zhao Yanyan felt Ye Chen hugging him from the back and Ye Chen's dishonest hand was on his two soft breasts.

"Ye Chen is not so I am cooking now" Zhao Yanyan was not angry with what Ye Chen was doing but at this time Zhao Yanyan was cooking.

"Indeed, why are you still able to cook?" Ye Chen said and squeezed the two newly developing breasts belonging to Zhao Yanyan.

Ye Chen used Zhao Yanyan's Heart and absorbed (Yin) technique.

Again, when Ye Chen activated the king's heart, Zhao Yanyan groaned with extraordinary pleasure.

"Ye Chen Please don't do that I can't stand it if you keep touching me" Zhao Yanyan's breath was already breathing hard at the moment.

Ye Chen then didn't use the king's heart technique and Zhao Yanyan felt normal again even though he still felt the pleasure effect just now.

Ye Chen who saw this immediately concluded that when using the king's heart technique can make a woman feel extraordinary pleasure even if only from Touch.

Ye Chen's initial goal was to Overcome the Ancient (Yang) Body For cultivation problems it could wait later, because if Ye Chen did not immediately do dual cultivation with women then Ye Chen would become a beast controlled by lust, the worst part would be that Chen Chen could explode and Die.

Actually Ye Chen wanted to try Dual Cultivatioan with Yanyan but the timing alone wasn't suitable so Ye Chen had to be a little more patient for now.

Zhao Yanyan had recovered from a sense of pleasure, Zhao Yanya was confused as to why he suddenly felt a very pleasant feeling when Ye Che touched him.

Whereas Ye Chen also touched him repeatedly this afternoon. But it didn't feel like what he just said. "Ye Chen, what did you just do?" Zhao Yanyan asked Ye Chen.

"Of course it touches Yanyan's chest dear" Ye Chen said.

Zhao Yanyan "I mean why when you touch me it feels very pleasant, when I do it myself it doesn't feel like it".

"That's because you were touched by the man you like, of course it's different from touching it yourself, but Yanyan, unfortunately I didn't expect you to often touch your own two soft rabbits" Ye Chen teased Zhao Yanyan.

Zhao Yanyan his face was red Like an apple, he exposed his shameful secret to Ye Chen "die Ye Chen I will ignore you" Zhao Yanyan went back to cooking and started ignoring Ye Chen.

Ye Chen just laughed seeing Yanyan blush, Ye Chen couldn't possibly tell Zhao Yanyan About the King's Heart Technique for now.

If it was the woman Yang who was a Veteran in bed and felt the pleasure of Ye Chen's Touch, they would definitely not believe what Ye Chen said just now.

But fortunately Zhao Yanyan is a girl who has never been touched by a man so he will definitely believe.

Ye Chen no longer teased Zhao Yanyan Dah obediently waiting for food to be ready at the dinner table.

"A few moments later Zhao Yanyan had finished cooking food for Ye Chen, and put all the dishes on the dining table.

"Ye Chen, let's taste the food I made," Zhao Yanyan told Ye Chen to try his cooking.

Ye Chen looked at the dishes on the table, Zhao Yanyan's cooking looked delicious so Ye Chen took sauteed meat and put it in his mouth.

Danging saute has a salty, sweet and sour taste that is just right and it's pretty good, Zhao Yanyan's cooking skills are good enough according to Ye Chen.

"How's it delicious?" Zhao Yanyan asked.

"Of course this is pretty good" Ye Chen again took the stir-fried meat and put it in his mouth.

Zhao Yanyan was happy "thank God you like the food I made".

"Hahaha, I didn't expect that besides Beauty, Yanyan will also be good at cooking," Ye Chen praised Zhao Yanyan.

Zhao Yanyan was quite happy being praised by Ye Chen, every woman would be happy if being praised by the man they liked including Zhao Yanyan.

Zhao Yanyan "I just learned to cook and this is nothing compared to the cuisine of Rouxi's sister".

Looks like Zhao Yanyan learned cooking from Master Lin Rouxi "Really but my Yanyan cooking is very delicious too."

Zhao Yanyan smiled "' Come quickly finish the meal. "Ye Chen and also Zhao Yanyan continued to eat.

After finishing eating Ye Chen helped Zhao Yanyan wash the Dishes Together.

Ye Chen accompanied Zhao Yanyan to study and also talked a little.

Seeing that the clock on the wall was already showing eight o'clock more Ye Chen intended to leave, As long as Ye Chen was here Lin Rouxi never came out of his room.

"Yanyan I'll go first" Ye Chen then rose from the Sofa and prepared to leave.

"Ye Chen is waiting first" Zhao Yanyan rushed to Ye Chen and pecked Ye Chen's lips.

Ye Chen also quickly responded and began working with Zhao Yanyan, the two of them kissed for a long time and let go after it was hard to breathe.

Zhao Yanyan "Ye Chen see you again tomorrow".

"See you later Yanyan" Ye Chen then left the girl's dormitory.

After Ye Chen's departure, Zhao Yanyan immediately crouched down and covered his face with his hands, Zhao Yanyan didn't know why he suddenly wanted to kiss Ye Chen.

But Zhao Yanyan had already started to bill with feelings while kissing.

The door of the room behind Zhao Yanyan opened and Lin Rouxi finally wanted to get out of his room, the reason Lin Rouxi had to wait for Ye Chen to come out of his room was that he was very embarrassed to meet Ye Chen after that incident.

"Is Ye Chen gone?" Asked Lin Rouxi.

Zhao Yanyan Charming "yes Ye Chen just left just now, sister Rouxi how is your leg better or better?"

Lin Rouxi "It's getting better".

"Oh yeah, Rouxi Ye Chen's sister left the message earlier, if sister's foot care requires 1x more so she can recover completely" Zhao Yanyan conveyed what Ye Chen said earlier.

Hearing that there was still one more Healing session, Lin Rouxi remembered what happened a few hours ago and Lin Rouxi's face turned red like an apple.

"Okay, I understand" After saying that Lin Rouxi returned to her room.

Zhao Yanyan who was left alone felt that Rouxi's sister was very strange tonight.

Zhao Yanyan Immediately discarded his strange thoughts, Zhao Yanyan wanted to take a shower and then immediately go to sleep, so he could meet again with Ye Chen tomorrow.

Chapter 29 - Dragon Machete Sect

Ye Chen preferred to fly back to his hotel because Ye Chen had already paid the fee until next Sunday. Therefore, this time Ye Chen would stay at the hotel.

Ye Chen looked from above the sky and saw a battle between cultivators, Ye Chen saw that there were 3 people who fought 1 had been seriously injured and 2 other people were only suffering wounds all over his body.

Ye Chen decided to approach the three people and see what Cultivators were like on this Earth.

From the aura of these three people they were all in the early stages of spirit formation Realm, these 3 people were all over 50 years old and had just stepped on to the initial realm of spirit formation.

Bang Bang bang the three weapons clash with two people wearing a machete and 1 person who has been injured wearing an iron fist glove.

"Hey Li Sunhe, your death will arrive soon, hahaha," said the man who was carrying the machete.

"Big brother don't waste time with him. Quickly kill him and immediately take all the items in his body," the second man spoke.

From here it's clear that this fight 2 against 1 and that Li Sunhe person seems to have received a pretty serious injury.

"You two are shameless, didn't you say before that you wanted to work together but now you are trying to kill me disgracefully," said Li Sunhe, furious.

The old man's parents looked at each other "haha it was true before we worked together to explore the ancient heritage place, but unfortunately the place was too dangerous and we have lost one of our brothers and did not get anything".

"Therefore we want to confiscate all the items that you get at the inheritance and when you return to the Sect we will not be punished" The oldest man said.

"You guys from the dragon machete Sect are indeed despicable people" Li Sunhe did indeed get some valuable pills from the ancient heritage site.

But both Saurdara and his teacher died while trying to get the Pill because Li Sunhe really did not want to give the pill to the two people from this dragon machete sect.

Li Sunhe did not want the sacrifice of his two brothers to be in vain.

Li Sunhe tried to stand up with his legs trembling, Li Sunhe raised his two iron fist gloves ready to fight to the point of death.

Ye Chen who heard the conversation from the beginning until the end knew what was going on, it seemed like the person from the Dragon Machete Sect wanted to seize it, an important item that was owned by the old man named Li Sunhe.

Ye Chen didn't like seeing a traitor, so Ye Chen took a mask from his storage ring and wore it, and went towards the old man named Li Sunhe.

When they all want to start a battle an object falls from the sky, which makes their Surroundings invisible, and covered by dust flying everywhere.

When the Dust had disappeared, two people from the Machete Sect saw a young man wearing a mask standing in front of them.

"Who are you?" Asked one of the members of the Dragon Machete Sect.

Ye Chen said, "I'm just a wanderer who just happened to be passing by and seeing an injustice then I had to interfere".

The two men from the dragon machete sect were not afraid of their Ye Chen because they did not feel the energy in Ye Chen's body at all.

Of course they couldn't feel Ye Chen Yang's current level of strength, because Ye Chen's strength was far higher than the two of them.

"If you don't want to end badly you should go now, and don't ever do this for the second time" Ye Chen still gave the two people a chance to repent

"Hey Oldest brother. Looks like this boy is using a tool to hide his strength, this boy wants to frighten us, this boy is using artifacts that make his power seem higher than us." Members of the dragon machete Sect whispered to his older brother.

Indeed, this masked man may be less than 20 years old and it is impossible if the level of skin is above those of those who have practiced for decades.

"Sister, it seems like you are definitely right that the device can be expensive if we sell, today is really our lucky day. One more sheep is coming to the wolf nest hahaha".

Ye Chen heard what they said, these two people were very greedy people.

Ye Chen warned for the second time "I'm being kind Now if you two want to go now and won't repeat this again, then I won't make things difficult for you two".

Hearing Ye Chen's words, the two people were not afraid but instead felt happy, they began to increasingly believe that Ye Chen's power was beneath them and Ye Chen hid his power with a special artifact just to frighten them.

If the masked men in front of them did have the ability to defeat them on horseback, surely they would not talk much and had fought with the two of them earlier.

"Hahaha son, today is your bad day, you are trying to scare us with your weak artifacts by hiding your power base" the two men from the Machete dragon sect laughed in contempt.

"Unfortunately we are not as stupid as you think, because you want to bail out Li Sunhe, why don't your friends go to hell" they both raised their machete weapons and rushed towards Ye Chen Ready to kill him.

Ye Chen just shook his head looking at the fools of these two people.

Slash . . The second slash of the machete cut Ye Chen right on his shoulder.

"Hahahaha" The two men from the dragon machete Sect laughed.

Ye Chen didn't even feel the pain of these two machetes, to Ye Chen these two weapons were like toys.

Ye Chen let out his aura and enveloped several tens of meters around Ye Chen.

At this moment the two people from the dragon cleaver sect felt crushed by a large mountain, which made them both kneel before Ye Chen and cough up Blood.

The pleasure of the two men from the Dragon Machete Sect turned into extreme fear, they both knew that they had just offended someone they could not mention.

"Elders, please spare us both, we promise not to repeat it in the future." These two men tried to find mercy on Ye Chen.

"I have given you two times to go but you refuse it now. Accept the consequences." Ye Chen then drew his palms and hit them both in his chest to Fly tens of meters, and these two men sprayed more blood from his mouth and they both fainted .

Ye Chen didn't kill both of them but made them both lose their cultivation bases, they would both return to being ordinary people from now on.

Ye Chen then approached Li Sunhe and gave him a pill to restore his wound. "Eat it." Ye Chen then handed the pill over to Li Sunhe.

Li Sunhe who saw the masked man approaching was getting more nervous but seeing the masked man giving him a pill, Li Sunhe did not dare not to refuse and immediately took it and ate it.

Li Sunhe felt his energy returned and all the pain had disappeared, even though the wound had not yet healed.

Actually Ye Chen wanted to ask some information to the old man in front of him about the cultivators in this country and information from the Sect sect and their strength.

Chapter 30 - Important Information

"Thank you for the majesty of Senior who has been willing to save me" Li Sunhe highly respects the masked man who is Ye Chen.

In the world of cultivators strong people will always be respected, therefore even though the person in front of him is quite young but seeing his strength is very strong Li Sunhe must respect.

Ye Chen "don't need to be too formal with me, actually there are some things I want to ask you".

"As long as this person can answer, then please, Senior, just ask," said Li Sunhe.

Ye Chen went straight to the point "I want you to tell me about the Sect or the Great Power that is in this Country to me"

"There are quite a lot of Senior Sects in this country and I don't even know everything because they hide themselves, so in this world the sect is also called a hidden Sect, except for members of the Sect that no one knows about the location of their headquarters" said Li Sunhe by apologizing.

It seems like Ye Chen was too hopeful of more than Li Sunhe given the level of his cultivation which was still weak, maybe he was not strong enough to know the big sects.

Seeing Ye Chen who was dissatisfied with his answer Li Sunhe immediately said again "Senior even though I don't know much about the Sects in this country but I do know some names of the strong Sects who are in this mortal world".

Well Ye Chen was interested in the power of this large sect Sect "say it all".

Li Sunhe then said, "There are four of the strongest Sects that I know of, the Seven Swords of the Langin Sword, the Cherry Blossom Sect, the Fire Valley Sect, the Frozen Ice Sect, which is the strongest sect currently in the mortal realm, and there is still an organ of the Government called," the six-door organization and the Dragon army.

"Then do you know how strong the Sect Sect is?" Ye Chen asked.

"I don't know, but the strength of their elders must be at the level of the Sky Realm," Li Sunhe said uncertainly.

Then which of the Sects and Organizations was the organization which was stronger.

Li Sunhe "for the strongest is the Dragon Army their job is to fend off attacks from people who have special abilities so as not to enter this country.

"Then it was overtaken by a six-door organization in charge of overseeing the Sect Sect so as not to involve the Normal people in it.

Then the Seventh Sword Sect

Cherry Blossom Sect

Frozen Ice Sect

Fire Valley Sect

"That's the order of power that dominates this mortal world," said Li Sunhe.

"Mortal world? what do you mean mortal world ?.

"Senior cultivators who are not from the Holy Land of Khulun in Sebut are also mortal nature cultivators".

"You mean there are still other great powers that are stronger than them," Ye Chen asked.

Of course Senior Khulun is a holy land for cultivators and the people there have tremendous power, Senior himself is not from khulun? "Asked Li Sunhe.

"I'm not from there, then do you know where the khulun holy land is," Ye Chen asked.

Li Sunhe "What I have heard from the rumors is the Gate to the holy land of khulun Being on Mount Khulun, but to get there it is said to be very dangerous even cultivators whose cultivation is at the level of Sky Realm is still not strong enough to go to the holy land of khulun".

Ye Chen was even more curious about what Li Sunhe said.

Ye Cehen "Is that all you know? "

"Yes, Senior, that's all I know," Li Sunhe.

Even though this information was quite a bit but this was enough to help Ye Chen know how strong the cultivators that were on this earth.

"I am from your talk if you just came from an ancient heritage place, is that right?" Ye Chen asked.

"Yes, indeed I just went there with two brothers like my teacher but we did not think that the place was very dangerous which made my two brothers have to die there" when Li Sunhe said he cried.

"Then can you tell me where the location of the ancient inheritance is" Ye Chen asked the location of the ancient inheritance to Li Sunhe.

Li Sunhe then pulled out a map from inside his shirt and handed it to Ye Chen. "This senior is on the map to that place, but the core part of that place is still a barrier seal that makes people unable to enter."

"Therefore the Seventh Sword Sect, Cherry Blossom Sect, Fire Valley Sect, Frozen Ice Sect, intend to work together to break the barrier seal, and I hear the time is in about 2 weeks." Ka Li Sunhe.

"The seniors will definitely have a lot of sects participating in it because of that, seniors can see for themselves the power of the upper-level sect," Li Sunhe said.

Ye Chen accepted the scroll and saw that it was indeed a hand-drawn map and showed the location of the ancient Heritage Site.

Surely Ye Chen was interested. To go there too, Ye Chen wanted to see how strong the sect's power that was not from Khulun was.

"Alright, thank you for wanting to answer my question if that's the way I left first" after Ye Chen said those words Ye Chen then left immediately.

Li Sunhe didn't even see where Ye Chen had gone "it seems like the seniors just now were very strong. I was lucky to be able to see a strong cultivator in my life" Li Sunhe also didn't stay, and also left that place.

Ye Chen returned to the hotel room right where he was staying and immediately went to his bed, Ye Chen began to think what was said li Sunhe earlier, It turns out that in this world there is also a cultivator.

If Yu Ting didn't decide that time Ye Chen might Now be a normal person until the end of his life, and Ye Chen also might not be able to see the vastness of the world.

Ye Chen closed his eyes and relaxed as much as he could, so Ye Chen did not know that Ye Chen was finally asleep.

When Ye Chen slept, the gate-like iron glowed and absorbed a little Energy from Ye Chen's body, but Ye Chen did not know that it absorbed Ye Chen's Little Energy.
