

Chapter 231 - Mu Nianci Suspicions

"What do you want to discuss with me, about your cultivation or something else?" Mu Nianci asked Mu Lanyin what problems she wanted to discuss with her.

Mu Lanyin shook her head "master, it's about the Four Frozen Fairy".

"So what happened to them?" Asked Mu Nianci.

"Master, Mu Zhue, Feng Xi, Mu Fei, Murong Xia are currently injured, they are currently very weak after using forbidden techniques" Mu Lanyin told Mu Nianci what had happened to the Four Frozen Fairies.

"Who is it that forced the Four Frozen Fairies to use forbidden techniques?" "With the power of Four Frozen Fairies right now, there are only a few people who are able to force the Four Frozen Fairies to use forbidden techniques.

"Mu Zhue said that people who attack use masks, but their fighting techniques and abilities are similar to those of the Seventh Sword Sect." Mu Lanyin told Mu Nianci that the culprit was most likely the Seventh Sword Sect.

"Why does the Seventh Sword Sect want to attack our people, so far our sect has never come in contact with their sect, this is very strange" Mu Nianci still looked very calm like swimming water.

"Master, people from the Seventh Sword Sect accuse our sect of harming their people, because they do not accept Mu Zhue and others arguing with people from the Seventh Sword Sect, they may want to take revenge on us," said Mu Lanyin.

Mu Nianci closed her eyelids, she began to analyze what she heard from Mu Lanyin. "It looks like the Seventh Sword Sect has started their plan" Mu Nianci muttered.

Mu Nianci already knew the ambition possessed by the Seventh Sword Sect, the Seventh Sword Sect wanted to rule this entire land alone, for this matter sooner or later surely they would get rid of the three big Sects that disrupted their plans.

The development of the Seventh Sword Sect was very terrible, within a period of 1 century, the Seventh Sword Sect became much stronger leaving other large sects, if this continued, the Seventh Sword Sect would sooner or later become the ruler of this land.

If what was said by Mu Lanyin was correct then this would be very dangerous for this sect, the Seventh Sword Sect was a very powerful sect, except for the three major sects joining it hard to defeat the Seventh Sword Sect.

"Lanyin, close the sect's door, don't let outsiders come in, and call all students outside to immediately return to the sect right now" Mu Nianci told Mu Lanyin to close all accesses to this sect.

"Try to contact other sects and ask them if they have experienced something similar to us." Mu Nianci wants Mu Lanyin to make contact with other large sects, this is to find out if other sects also experience the same thing as experienced by Four Frozen Fairy

"I understand, master, I leave first" Mu Lanyin immediately left, she immediately did what was ordered by Mu Nianci.

After Mu Lanyin left, Mu Nianci opened her eyelids again, she felt something was wrong with the current body of Mu Lanyin, but she did not know what was wrong with Mu Lanyin body.

Mu Nianci felt that Mu Lanyin's body was no longer as pure as before, but Mu Lanyin still issued a Pure Yin Aura, so she should still be a virgin "I hope my guess is wrong" Mu Nianci again closed her eyes and continued her cultivation.

After leaving the cave where Mu Nianci lived, Mu Lanyin immediately gathered all the disciples who were currently in the sect.

The number of Frozen Ice Sect students was very small, the total number of students currently in the sect were only 20, the rest were currently outside the sect doing an assignment.

I call all of you because there is an important thing that I want to convey, starting today our sect will be closed without a specified time, anyone can not get out of this sect, I have also sent a message to all students who are outside to return immediately "Mu Lanyin told all female students that the sect would be closed for an unspecified time.

The female students looked at each other, they nodded at Mu Lanyin "Sect master, we understand" All students obey the commands that have been issued by Mu Lanyin.

"You may disperse" Mu Lanyin told all female students to disperse.

The sect's gates were immediately closed, all barrier and protective arrays were immediately activated, the Frozen Ice Sect sect was now covered by a giant dome, only students and people from Forezen Ice Sect could go in and out of this barrier

After this Mu Lanyin intended to meet Qing Cheng and discuss something with her, after having a relationship with Ye Chen, Mu Lanyin became very close to Qing Cheng.

But before that, Mu Lanyin had to confirm the healing of the Four Frozen Fairies first, before she went to the Cherry Blossom Sect to meet Qing Cheng.

But before that, Mu Lanyin had to confirm the healing of the Four Frozen Fairies first, before he went to the Cherry Blossom Sect to meet Qing Cheng.

During the day at the Fairy Gate, Ye Chen only practiced and continued to practice his alchemical abilities.

Ye Chen learned very quickly from the mistakes he made.

After a long training Ye Chen finally succeeded in making a pill in Tier 5 with a success rate of over 70% by using a dual dragon cauldron.

This is already a terrible speed to practice alchemy.

At the moment Ye Chen was already very tired, both his mental mind and his deep energy were tired from having to make pills hundreds of times, it was time for Ye Chen to rest.

Ye Chen had been inside the fairy gate for a whole day, It should have been outside already morning, it was time for Ye Chen to go to school, he couldn't wait to meet Zhao Yanyan and Lin Rouxi, beloved.

Ye Chen immediately went out of the fairy gate and changed his clothes, he ate the toast that had been prepared by Xiao Lulu before leaving for school.

Ye Chen's journey to school went without a hitch, no one disturbed Ye Chen's journey.

Ye Chen arrived at the school, after finishing parking his car, Ye Chen went to the girl's dormitory near the school.

he pulled out his cellphone and called Zhao Yanyan's number.

"Okay" Ye Chen hung up and waited for Zhao Yanyan to come down.

Some women who came down from the female dormitory looked at Ye Chen, a rich young woman smiling and waving at Ye Chen.

Ye Chen only replied with a gentle smile to every woman who waved to him.

"Hey handsome, do you want to have breakfast with us?" A group of women came to Ye Chen and invited him to go to the canteen.

"Bipp. "The call is being connected.

A few moments later Zhao Yanyan picked up a call from Ye Chen "husband, are you back? ", Zhao Yanyan looked happy when receiving a call from Ye Chen.

"Yanyan where are you now? , I am in front of the gate of the female dormitory. "Ye Chen told Zhao Yanyan that he was in front of the gate of the female dormitory.

"Wait a minute, I will get ready and come down to meet you" Zhao Yanyan told Ye Chen that she wanted to get ready before leaving for school.

Chapter 232 - Xia Ningzi

"Sorry, I'm waiting for someone" Ye Chen could not go with these women, he was waiting for Zhao Yanyan to come down.

"Come on, we really want to go with you" rich young woman acted spoiled while in front of Ye Chen.

"Ye Chen, sorry for the long wait" A very pleasant voice entered Ye Chen's eardrums.

This voice certainly belonged to the beautiful Zhao Yanyan, Zhao Yanyan immediately embraced Ye Chen's arm tenderly.

the woman who surrounded Ye Chen immediately became a statue, they had no idea that this handsome man turned out to be the boyfriend of Zhao Yanyan's school flowers.

Young women slowly began to retreat backwards, they knew that they were not all opponents to the beauty that Zhao Yanyan had, even beautiful female artists were difficult to defeat the beauty possessed by Zhao Yanyan.

Behind Zhao Yanyan stood Lin Rouxi, Lin Rouxi's eyes pierced towards Ye Chen very coldly.

At the moment Lin Rouxi looks cold to Ye Chen, Lin Rouxi passes Ye Chen and Zhao Yanyan goes to school.

When passing Ye Chen, not a word came out of Lin Rouxi's mouth.

Ye Chen felt strange, a few days ago Ye Chen remembered Lin Rouxi promised to be his woman, but why did Lin Rouxi's attitude turn cold to him, this was very strange.

"Yanyan, is there something wrong with Teacher Lin today? , did something happen to him? Ye Chen asked what was happening to Lin Rouxi, today Lin Rouxi looked very cold to him.

", Giggle, how do I know, I'm not a worm in the stomach of Rouxi sister" Zhao Yanyan giggled.

Zhao Yanyan deliberately hid the conversation with Lin Rouxi last night from Ye Chen, she had promised Lin Rouxi not to say the conversation they had last night.

Zhao Yanyan naturally knew the reason Lin Rouxi was being cold towards Ye Chen, Lin Rouxi was intentionally cold and indifferent to avoid Ye Chen.

Lin Rouxi was too shy to meet Ye Chen in front of Zhao Yanyan.

"Don't mind it, let's go to class" Zhao Yanyan pulled Ye Chen into the classroom.

Ye Chen still thought about Lin Rouxi's attitude just now to him, what had happened to Lin Rouxi while he was not here.

Ye Chen and Zhao Yanyan immediately went to the classroom.

"Yanyan's sister !!" when the two of them were going to class the voice of a little girl called out from behind Ye Chen.

Ye Chen and Zhao Yanyan simultaneously looked back, they both saw Su Yuyu running towards both of them.

"Huft. . . . , Huft. . . . , Huft. . . . , Huft. . . . "Su Yuyu's breath looks very heavy.

"Yuyu, what's up early in the morning are you screaming? "Zhao Yanyan asked Su Yuyu what happened.

"Yanyan sister, I have mastered the movements you taught, can you give me a new movement? "It turns out that Su Yuyu just wants to ask Zhao Yanyan for a new martial arts movement.

For days Su Yuyu always practiced the movements taught by Zhao Yanyan, she now had the confidence to fight the bad guys who wanted to disturb her.

"Okay, I'll give you a new movement technique but not now, later after school I'll teach you" Zhao Yanyan promised to little Loli Su Yuyu.

"Yay" Su Yuyu was very happy, she was jumping for pleasure.

"Yuyu, why are you running so fast?" From behind Su Yuyu came a beautiful woman, this woman has a very nice body like a model, with long legs, slim hips and plump buttocks, a woman's chest size is D Cup, this size is not too big and not too small, this woman was Su Yuyu's roommate.

"Ningzi sorry for leaving you, hehehe" Su Yuyu laughed at this beautiful woman.

"Moo, you little brat. . ." Beautiful women complain to Su Yuyu.

Ye Chen saw this beautiful woman from top to bottom, the face of this beautiful woman Ye Chen felt familiar, the face of this beautiful woman reminded Ye Chen with someone "ouch" while Ye Chen was looking at the beautiful woman behind Su Yuyu, Zhao Yanyan nudged his stomach.

"Yanyan what are you doing?" Ye Chen was slightly confused by what Zhao Yanyan just did.

"Look at your eyes almost out" Zhao Yanyan was a little dissatisfied with Ye Chen's attitude when he saw a beautiful woman, Zhao Yanyan saw Ye Chen's eyes immediately glanced at this beautiful woman.

"Hehehe" Ye Chen chuckled, he was only admiring the woman behind Su Yuyu no more.

"Yuyu, who are these two people?" The beautiful woman asked Su Yuyu who were the two people in front of her.

"Ningzi introduces this is Zhao Yanyan's older sister and another one Ye Chen, as I told you before Zhao Yanyan is my master in practicing martial arts, both of them are in their second year" Su Yuyu told beautiful women about Ye Chen and Zhao Yanyan's identity .

Beautiful woman looked at Zhao Yanyan, she could not believe that the master who taught Su Yuyu was very beautiful like a fairy, moreover the man who was next to Zhao Yanyan was also very handsome, this man was like a prince in the drama series that she often watched.

"Senior Zhao Yanyan, Senior Ye Chen, nice to meet you two, I am Xia Ningzi's roommate Su Yuyu, currently I am in my first year" Xia Ningzi smiled and introduced herself to Ye Chen and Zhao Yanyan.

"Xia Ningzi? , isn't that the name of the school flower at number three?" Ye Chen recalled in his memory, Xia Ningzi should have ranked school flower third.

Ye Chen looked up and down on Xia Ningzi's body, which Zhang Liao said was true, Xia Ningzi's body had indeed progressed very well in the age that was still under Ye Chen, if Ye Chen did not know that Xia Ningzi was in his first year, Ye Chen must have thought Xia Ningzi had been 20 years and older.

"Nice to meet you too" Zhao Yanyan and Ye Chen replied to Xia Ningzi with a smile.

Seeing Ye Chen's smile made Xia Ningzi blush, "ah. . . , very handsome, she is really my type "in her heart Xia Ningzi shouted that Ye Chen was like the handsome prince she often dreamed of.

"Ding. . . , ding. . . , ding. . . , ding. . . "The entrance bell rang.

"Yanyan let's go to class" Ye Chen invited Zhao Yanyan to go to class right now.

Zhao Yanyan nodded at Ye Chen "Yuyu, Xia Ningzi, we have to go to class, see you later" Zhao Yanyan said goodbye to Su Yuyu Xia Ningzi.

Ye Chen and Zhao Yanyan rushed to their class.

"Yanyan's sister, see you later after school" Su Yuyu waved her hand towards Zhao Yanyan and Ye Chen who left.

Next to Xia Ningzi also spread her hands towards Ye Chen and Zhao Yanyan. Xia Ningzi's face was still red from Ye Chen's smile just now.

Su Yuyu looked aside, she found something strange with Xia Ningzi "hey Ningzi why is your face turning red, are you not feeling well or have a fever" Little Lolo Su Yuyu was worried about Xia Ningzi's condition.

"No, I'm fine, maybe it's just a little hot out here, let's also go to our class." Xia Ningzi looked for a reason to hide this embarrassment.

"Okay" Su Yuyu nodded at Xia Ningzi.

Xia Ningzi and Su Yuyu also went to their class.

Chapter 233 - Ax Gang

Today was teacher Lin Rouxi's lesson, from the beginning Lin Rouxi did not look at Ye Chen at all, she completely ignored Ye Chen completely.

Ye Chen was not too satisfied being ignored by Lin Rouxi, after this he wanted to know why Lin Rouxi changed her attitude towards him.

The lesson went normally as usual, a few hours later the break bell sounded "okay, we finally got the lesson here" you finish the assignment I gave earlier "after finishing educating all the students, Lin Rouxi went out of the classroom.

Ye Chen wanted to overtake Lin Rouxi.

"Husband, wait" Zhao Yanyan stopped Ye Chen.

"Yanyan, what's up? ", Ye Chen wanted to know why Zhao Yanyan stopped him.

"Why are you rushing away, we haven't seen in a few days, let's go eat together at the Sea food restaurant" Zhao Yanyan invited Ye Chen to eat together, she wanted to spend time with Ye Chen together, for the past few days Zhao Yanyan really missed Ye Chen, she knew that he could not be far from Ye Chen for a long time.

Ye Chen looked towards Lin Rouxi's departure, because Zhao Yanyan asked him to leave, Ye Chen had to delay his interests with Lin Rouxi for a while.

"Okay, let's go to the Sea food restaurant." Ye Chen agreed to go with Zhao Yanyan to the Sea Food restaurant near the school.

Ye Chen knew that Zhao Yanyan really liked Sea Food, which was why Ye Chen did not want to confuse Zhao Yanyan's wishes.

Zhao Yanyan was happy that Ye Chen wanted to go with himself to the Sea food restaurant near the school.

Both of them left the classroom and headed to the Sea Food restaurant which was near the school, because it was close to Ye Chen and Zhao Yanyan could walk when going there.

"Hey, isn't that the person we are looking for" In a corner there are some people who are gathered on the side of the road.

These people were wearing matching black suits and wearing black round hats, this group of people looked at Ye Chen who was walking near the school gate.

One of these people immediately took a photo in his jacket pocket, he looked at this photo and compared it to Ye Chen, what the person in black was holding was Ye Chen's photo "You're right that person, come on we immediately finish him off, that person dares to make us all wait for days" the group leader immediately told his men to head towards Ye Chen.

Ye Chen was currently coolly talking to Zhao Yanyan, suddenly a group of strangers in strange clothes blocked Ye Chen and Zhao Yanyan's path.

Seeing this Ye Chen and Zhao Yanyan immediately stopped "Who are you guys?" Ye Chen asked who else these people were, and what these people wanted with him.

"Boss girl near this man is very beautiful, after finishing getting rid of this person, may I have fun with this beautiful girl" One of these people looked at Zhao Yanyan passionately.

"What is in your head is only a woman, we are not here for women, we come here to get rid of this person" The boss of these people is angry, their purpose in coming here is to get rid of Ye Chen, for the beautiful girl next to this man his fate will be decided by the big boss.

hearing this Ye Chen was very angry, who else was the person who intended to find trouble with himself, he would not let go of people who were trying to find problems with him.

A group of men in black suits and wearing round black hats pulled out small axes from behind their sleeves, these people hurried towards Ye Chen using the small ax they were holding now.

"Boommm. . . "Ye Chen used his aura to push the hordes of these people to the street floor.

Ye Chen didn't have time to deal with small anchovy like these people.

The aura of pressure exerted by Ye Chen was very heavy, blood began to emanate from these people's mouths.

Ye Chen walked toward the boss of these people, Ye Chen grabbed this person's hair "who are you and why do you want to harm me" Ye Chen no longer was kind to his enemies anymore.

People in black suits looked afraid of Ye Chen, they had never been in a situation like this, whether this person was a witch or something, now he and his men felt that their bodies were covered with heavy objects, this made them all very in pain even difficult to breathe.

"We are from the Ax Gang, I only got orders from the big Boss to finish you off, I don't know anything else" this person said that he was from the Ax Gang.

If I'm not mistaken it's a gang that has a big strong force in this city, the Ax Gang has a power comparable to the Red Wolf Gang.

"Quick call your big boss I want to talk to him" Ye Chen told the people from the Ax Gang to call their big boss.

This person took his cellphone with a trembling body, he was very afraid of Ye Chen who looked more fierce than the big boss Geng Ax himself.

This person pressed the number that belonged to the big boss Geng Ax, "bipp. . . ." "The call is trying to be connected.

"Hey Wu, how's the work I told you to do, have you completed it or not?" A voice on the other hand asked the man Ye Chen was holding.

"My big boss. . . ." before the man named Wu could finish his words, his cellphone was taken away by Ye Chen.

"He hasn't finished the job you told me to, tell me who was the one who told you to finish me off" Ye Chen asked the person on the other side of the phone.

"You. . ." The big boss of the ax gang was surprised after hearing Ye Chen's voice.

"I have no more patience, if you don't say it I will make sure your gang disappears from this city" If this person does not tell Ye Chen, he will eliminate the Ax Gang from this city.

"Damn, you think our Gang is a soft persimmon that you can trample over, just look at it sooner or later I will finish you off" The big boss of the Ax Gang looks angry at Ye Chen, this is the first time anyone dares to threaten the Ax Gang frankly- blatant.

The man named Wu was scared to death, the big boss did not know that the person he was referring to was not a normal person, this person was very frightening, the man named Wu was sure that this person was indeed able to get rid of the Ax Gang from this city.

"So you choose to fight, well I will let the Ax Gang disappear from this city" heard the other party threatened him, Ye Chen was very unhappy, he would eliminate the people from the Ax Gang from this city.

Before the person on the other side can answer, Ye Chen destroyed the cellphone in his hand. " Bamm . . ." "After destroying the cellphone, the people from the Ax Gang were knocked at Ye Chen until they were unconscious.

"Yanyan, let's continue to go to the Sea Food restaurant" Ye Chen invited Zhao Yanyan to go to the Sea Food restaurant.

Chapter 234 - Slap Policeman

"lets goo" Zhao Yanyan put her arm around Ye Chen's arm again, Zhao Yanyan was used to the bad guys who tried to disturb her and Ye Chen, Zhao Yanyan wanted to make these bad people disappear as far as possible from her and Ye Chen's lives.

Ye Chen let the people of the Ax Gang faint in the middle of the road, he didn't care about the people of the Ax Gang.

After a few minutes of traveling, Ye Chen arrived at the Sea Food restaurant.

This is where the beginning between Ye Chen and Zhao Yanyan's relationship took place, Ye Chen and Zhao Yanyan immediately ordered a private room and some food.

The restaurant waiter immediately prepared a room for Ye Chen and Zhao Yanyan, the private room in the order turned out to be the room that Zhao Yanyan and himself had previously ordered.

Ye Chen still remembered vividly a few weeks ago in this room, in this room he expressed his love for Zhao Yanyan.

While waiting to eat ready Ye Chen and Zhao Yanyan joked "husband, do you remember that in this room you bravely express your feelings" Zhao Yanyan began to remember that in this place Ye Chen very boldly expressed his love.

At first Zhao Yanyan was shocked by Ye Chen's courage, Zhao Yanyan was very touched by Ye Chen who had saved herself from the piano that was sliding towards her, because of this she decided to accept Ye Chen as a boyfriend, that decision changed Zhao's life Yanyan, now Zhao Yanyan feels so much happier to live with Ye Chen and a sister who get along well.

"Of course I still remember, this is where our relationship began." Ye Chen held Zhao Yanyan's hand very romantic.

The two of them started staring at each other, without realizing Ye Chen and Zhao Yanyan's lips approached each other, they were both ready to kiss.

"Bang. . . . !!!" The door was suddenly kicked by someone.

"Quickly raise your hands" a male policeman suddenly broke into the room that was being occupied by Ye Chen and Zhao Yanyan, this policeman immediately pointed his weapon at Ye Chen.

This person dared to disturb the good things that Ye Chen wanted to do.

Though Ye Chen's mood began to improve again, suddenly this person came and disturbed his and Zhao Yanyan's pleasures.

Zhao Yanyan was also dissatisfied with the police who suddenly entered very rudely, moreover the policeman was pointing a gun at Ye Chen which made Zhao Yanyan angry.

"What are you two waiting for, quickly raise your hands" The police were angry at Ye Chen and Zhao Yanyan who were still very calm in this situation.

"Why do we have to raise our hands, we do not feel that we are committing a crime" Underestimated Ye Chen spoke to the police who pointed a gun at him.

"You two are suspected of committing violence against some people, don't evade and surrender yourselves well" The male police yelled at Ye Chen very loudly.

This policeman said that Ye Chen perpetrated violence on several people.

The people who had just been beaten up by Ye Chen were people from the evil Ax Gang, how could the police want to arrest Ye Chen because of things like this, wasn't the police greatly helped because Ye Chen helped their work in beating up these criminals.

Ye Chen began to suspect that this policeman was sent from the big Boss Geng Ax, Ye Chen looked at the Police with hostility.

"Quickly raise your hands before I lose my patience" This policeman was very angry with Ye Chen and Zhao Yanyan who were not obedient to his orders.

How dare these two people not obey orders from the police like him "bamm. . . ." Ye Chen hit the cop's face hard enough.

The priandi police flew back a few meters to hit a brick wall "Bang ..." the sound of the crash was quite loud.

To be honest, Ye Chen was not overly pleased with the police who used his authority for other things such as being accomplices.

For the sake of money, some police are willing to cooperate with criminals, Ye Chen doesn't like police like this the most.

The few teeth that were owned by male police officers fell out by Ye Chen's punch, from the mouth of the police the blood flowed out in large quantities.

The police had no idea that this young man dared to hit him, this young man was looking for a death because he dared to fight him.

Moreover, this person made some of his teeth fall out, this could not be forgiven, he had to kill this person, the police had lost the patience he had.

"Die. . . . !!! "He aimed his gun at Ye Chen, he was ready to shoot Ye Chen.

"Dorrrr. . . ."The police pulled the trigger of his gun, the bullet headed straight for Ye Chen.

the bullet hit Ye Chen's head, the police did target Ye Chen's head.

after receiving the bullet right in the head, Ye Chen did not fall into the antai, this made the police who shot Ye Chen suspicious.

In between Ye Chen's teeth there was a bullet fired by the police earlier, "man. . . ."Ye Chen spat out bullets fired by the police at the floor.

The bullet was totally incapable of injuring Ye Chen's body, for Ye Chen a police gun was like a toy gun.

Seeing this the police were very surprised, he saw the bullet he had just fired at the spit by this person, this person was holding his bullet with his teeth, this was very crazy.

Ye Chen hurried towards the police who shot him, he immediately destroyed the pistol in the hands of the police.

Ye Chen grabbed at the collar of the police shirt "Pah. . . ."A very crisp slap echoes in this restaurant.

"Tell me if the people you were referring to came from the Ax Gang?"Ye Chen asked the police who was the person who had reported him committing violence.

The male police shook his head, he did not want to admit that the person he was referring to was the people from the Ax Gang.

"Hah. . . ."Ye Chen slapped the face of the police again.

"Tell me honestly, is the person who told you to come from the Ax Gang?" This policeman was very rotten, he did not want to admit that he was told by the big Boss Ax Gang to catch Ye Chen.

Male police felt that both of his cheeks had been very swollen and painful, plus the pain from tooth loss made the police more in pain like in hell.

The gun shot just now made everyone who was cool to eat immediately scattered out, they thought there was a terrorist attack in this restaurant.

When everyone comes out of their private space, they are shocked by the unexpected, they see that a young man is slapping law enforcement police.

This young man was very brave to deal with the police, the police situation did not look too good, the policeman Ye Chen slapped now had a mouth full of blood, this cop's face was also swollen like a pig's buttocks by the repeated slap done by Ye Chen.

Chapter 235 - Luo Bing Came To Stop Ye Chen

Neither the people who were eating nor the restaurant manager dared to stop what Ye Chen was doing, they all just watched the show from the side.

"You all get out of the way quickly" a cold woman's voice came out from behind the crowd of people.

They saw a beautiful woman in a police uniform standing in the back row, this beautiful police woman was of course Luo Bing.

People who saw Ye Chen hitting the police immediately opened the way for Luo Bing.

Just now Luo Bing was patrolling around here, while he was patrolling, Luo Bing heard a gunshot that made her immediately go to the origin of the gunshot.

Not unexpectedly when she arrived, she saw a crowd of people in a restaurant, curious Luo Bing immediately went to the Sea Food restaurant.

When Luo Bing entered she told the crowd to open the road so he could see what was happening.

Luo Bing was surprised to see a policeman being beaten by a young man, the person who was beating the police was of course Ye Chen.

"Ye Chen, what are you doing, hurry up and stop" Luo Bing tried to stop Ye Chen from beating the poor cop.

"Ah, Police Luo, what do you want to come here?" Ye Chen spoke to Luo Bing.

"Miss Luo, Please save me from this demon" The police in Ye Chen's hands tried to ask Luo Bing for help.

Luo Bing raised her eyebrows, what really happened here, how could Ye Chen bully an ordinary policeman.

Seeing the police reinforcements coming, The audience wanted to see what would happen to this young man, whether the beautiful police officer Luo Bing would immediately arrest Ye Chen or do anything else to Ye Chen.

Some people certainly know the most beautiful police figure in this city, the beautiful police Luo Bing is known to have no mercy for anyone who breaks the rules, this young man will surely experience misfortune at the hands of Luo Bing

"Ye Chen let him go first, we can talk about this carefully" Luo Bing tried to ask Ye Chen very kindly.

The audience was astonished when they saw the attitude of the Luo Bing female policeman being very gentle towards this young man, what exactly was the identity of this young man that made the prettiest female police in this city behave like this.

Luo Bing gritted her teeth, Luo Bing was quite annoyed when she had to be gentle with Ye Chen.

If Luo Bing was not gentle, Ye Chen would definitely be even more rude to her, when that happened nothing could stop Ye Chen's actions.

Luo Bing still remembered when Ye Chen slapped her buttocks, insults like that which could be forgotten by proud women like Luo Bing.

If Luo Bing was given the chance, she wanted to beat Ye Chen to a pulp, but that was not possible because the difference in power between the two was so far away, Luo Bing was not a balanced opponent for Ye Chen.

Luo Bing couldn't help but wonder how someone like Ye Chen had the power that was out of her mind.

"No, I still have important business with this person. Don't disturb me." Ye Chen refused to let this person go, this person had to pay because he had disturbed the good things that Ye Chen and Zhao Yanyan wanted to do.

Luo Bing gritted her teeth with extreme anger, what should she do to stop Ye Chen, Luo Bing could not use force on Ye Chen, the only way was negotiation.

Ye Chen prepared to slap this policeman again.

"Ye Chen, wait, wait, what exactly is this person doing that you are angry with him?" Luo Bing tried to find out the reason Ye Chen had hit the policeman to a pulp.

With Ye Chen's temperament, if this police man did not make a mistake, then Ye Chen would definitely not hit him like this.

"This policeman is pointing his gun at me and accusing me of violence against some people" Ye Chen told Luo Bing what this bad police officer was doing.

"Tell me is that true?" Luo Bing asked the police in Ye Chen's hands.

"No, Miss Luo, trust me. I did not do such a thing." The policeman in Ye Chen's hand shook his head, this cop did not want to admit what he had done before.

If he was found out using the police authority he had for something else, surely his career would end in this place, because this was the police in Ye Chen's hands insisting not to acknowledge what he had done, the police in Ye Chen's hand clenched his teeth in pain. , no matter what happens he can't tell the truth in front of Luo Bing.

"Pahh. . . ."Ye Chen slapped the policeman in his hand again hard enough.

This person still dares to lie, even though this person's face has changed like a pig's buttocks.

"You liar, hurry up and tell the truth, if you don't tell the truth I will keep slapping you until no one can recognize you anymore" Ye Chen threatened to continue to slap this person if he kept speaking out the wrong words.

"If you want to be free, hurry up and tell the truth." Luo Bing urged the police in Ye Chen's hands to tell the truth.

This person was very stupid for offending a man like Ye Chen who was terrible.

Seeing Luo Bing not helping him at all, the police in Ye Chen's hands felt strange, even though he had asked Luo Bing for help, but why did Luo Bing not want to help him, instead Luo Bing was more inclined to help this young man in front of him. .

Is it possible that the man in front of him has a higher background than Luo Bing, so Luo Bing doesn't want to help himself "damn you Li Sang, you put me in this kind of situation" in his heart The police in Ye Chen's hand cursed the leader The Ax Gang that has made him deal with demons like this.

Everyone who gathered here also had the same question, actually who was this young man, why did the beautiful Police Luo Bing really respect him.

"Well I will confess, it is true that I put a gun at this person, and I accuse this person of violence without evidence" Finally the police in Ye Chen's hands admitted what he had done.

Finally the male police wanted to confess what he had done to Ye Chen.

"Tell me who was the one who told you to do this" Luo Bing's tone turned very cold to the police in Ye Chen's hands.

finally all was revealed, the wrong person at first was the police in Ye Chen's hands

"No one told me, I just do not like this person" he could not say that the person who had told him was the boss of the ax gang, if he admitted it, his career would be finished forever.

"How can you use your authority to do things like this, starting today you are suspended for 2 months, after your suspension period is over you will be transferred to the traffic control division" Luo Bing gives punishment to the police who have used their power arbitrarily .

Chapter 236 - Luo Bing Asked For Help

The policeman in Ye Chen's hand almost cried, he had worked hard to get to this position, how he would be sent back to being a traffic-controlling police, this was a very cruel demotion.

"Ye Chen, you are satisfied with this, you can release this person" Luo Bing asked Ye Chen to release the police in his hands.

"Humm" Ye Chen sniffed coldly, actually he was still not satisfied with the answer given by this person, because this person had received a proper punishment so Ye Chen let him go.

another time Ye Chen would go make a calculation with the Ax Gang boss.

"You can go to the hospital and treat your wounds, all costs will be borne by the police bureau" Luo Bing told the police to go to the hospital and treat the injuries he suffered.

The male policeman looked very shabby, he did not look at all excited, today he was really unlucky for offending Ye Chen, if he knew beforehand, he would not want to be asked for help by the big Boss gang ax to catch Ye Chen.

Rice has been cooked into porridge, he cannot change what has happened, he must accept what he has done.

"What are you looking at? Quickly disperse" Luo Bing told the crowd of people in this place to disperse.

The crowd began to disperse themselves.

Ye Chen also dispersed, he returned to the room he had ordered together with Zhao Yanyan.

"Ye Chen, wait a minute" Luo Bing stopped Ye Chen from leaving.

"What else?" Ye Chen asked Luo Bing.

"That, will you help me do something?" Luo Bing wants Ye Chen to help her do something.

"Do not want" Ye Chen crossed his arms, he immediately refused Luo Bing's request.

"Eh. . Why did you reject me right away?" Luo Bing was furious at Ye Chen, she hadn't even said what he needed but Ye Chen had already rejected her.

"I'm sure it must be something about a criminal, sorry I'm busy wasting time with my woman" Ye Chen waved his hand at Luo Bing.

He entered the room where Zhao Yanyan was.

Luo Bing gritted her teeth, this man always refused herself, indeed lacking what she compared to other Ye Chen women, Luo Bing was very confident with the beauty she had, if she opened the suitors there would be many men waiting in line to get her.

Luo Bing did not accept Ye Ye's treatment, Luo Bing entered the private room that Ye Chen ordered.

"Sorry Yanyan made you wait a long time" Ye Chen returned to Zhao Yanyan's side.

"It's okay, I understand" Zhao Yanyan understood about the problem that had just come to the two of them.

"Ye Chen, I'm not done talking to you yet" Luo Bing entered the room and shouted Ye Chen's name.

Ye Chen felt a headache, actually what else was Luo Bing wanting.

"I told you I was busy, why don't you understand too, do you want to get hit again?" Ye Chen turned towards Luo Bing's buttocks.

Luo Bing immediately covered her two buttocks using her hands, she hated Ye Chen for mentioning this in front of others.

"Please listen to me first" Luo Bing wanted Ye Chen to hear her request.

"OK, but quickly I don't have a long time, I want to eat together with my wife" Ye Chen was forced to listen to what Luo Bing had to say.

If he refused, surely Luo Bing would not leave this place.

"Good, listen carefully, next week there will be important guests from other countries coming to this city, I want you to help me protect the safety of this important guest" Luo Bing wants Ye Chen to help her protect someone very important.

"Wait, wait, why should I, with your abilities right now, aren't you strong enough to protect that important guest alone" apparently Luo Bing's request was to protect someone.

Luo Bing's current strength should be enough to protect important guests from other countries.

"It's not as simple as you think, the possibility of the person targeting this important guest is very strong, so I want you to come along so that the safety of this important guest is guaranteed, I beg" Luo Bing pleaded with Ye Chen.

Luo Bing is actually helpless with the tasks given by the organization.

Luo Bing was not at all satisfied, How could such a heavy duty be placed on her, but because this was a direct request from an important guest herself, Luo Bing could not refuse it.

Luo Bing also didn't know how this important guest knew her, and how that important guest wanted her to escort her while she was in this city.

"Hemm" Ye Chen was thinking whether he should help Luo Bing or not, if Ye Chen refused Luo Bing would definitely stay here and force him until he wanted to.

Luo Bing's character didn't need to be questioned anymore, before getting what he wanted, it was impossible that Luo Bing would let Ye Chen go.

"Okay, I'll help you, don't forget to prepare my payment," Ye Chen agreed to help Luo Bing, but not just just.

"Hemp" Luo Bing sniffed coldly, Luo Bing could not believe Ye Chen still had time to think of payment, this man was very insincere.

"Get your cellphone" Luo Bing asked Ye Chen's cellphone, Luo Bing wanted to exchange numbers with Ye Chen to make it easier when contacting Ye Chen.

"This" Ye Chen gave his cellphone number to Luo Bing, Luo Bing added his number to Ye Chen's cellphone.

"Okay, now it's much easier when I contact you" after contacting Luo Bing, giving the cellphone back to Ye Chen.

"You don't need to worry, I will give you an appropriate money wage if this task is completed." Luo Bing promised to reward money when the task was completed.

"Who says I want money, I want something else" Ye Chen looked at Luo Bing's two large rabbits that had developed, the sense of touching them would be extraordinary.

Luo Bing immediately covered her two large rabbits, she glared at the perverted face shown by Ye Chen "You pervert, I will not let you touch my body" Luo Bing roared at Ye Chen.

"Who also wants to touch you, all I want is a few tens of years old ginseng plants, can you find them for me?" Ye Chen doesn't want money, all he wants is a decades-old ginseng medicinal plant for the alchemical exercise he is doing.

Luo Bing was very embarrassed, she apparently misunderstood what Ye Chen wanted "okay I promise, after the work is done I will give you decades-old Ginseng" Luo Bing promised Ye Chen that the task of escorting important guests was complete he would pay Ye Chen with some Ginseng is tens of years old.

"I want that ginseng now" Ye Chen needs this ginseng now, he can't wait any longer.

"You haven't even worked yet but have demanded that much payment" Luo Bing was furious with Ye Chen, Ye Chen hadn't even started his job yet, but he had asked a lot of requests that didn't make sense.

"It's up to you, if you don't want it, then I don't mind either, after all the person who needs me is you" Ye Chen didn't really care, from the start the person who needed him was Luo Bing.

If Luo Bing didn't want Ye Chen to do it, too.

Chapter 237 - Persuade Lin Ruoxi

"Okay we agreed, now go, Huss" Ye Chen chased Luo Bing out of this private room.

Luo Bing's heart heated up again, right now Luo Bing's chest was going up and down, so far Luo Bing had never seen a man who treated her like Ye Chen, she really wanted to pounce towards Ye Chen and then hit Ye Chen.

Luo Bing turned and walked out of this room. "Ye Chen, be careful, the Yun Family has begun to move, Bamm. . ." "The door was closed very loudly by Luo Bing.

Before leaving Luo Bing told Ye Chen that the Yun Family already knew of Yun Hao's killer and intended to take revenge on Ye Chen.

Hearing Luo Bing's warning, Ye Chen knitted his eyebrows, it seemed like Family Yun already knew that he was Yun Hao's killer, well it didn't matter whether he would fight Yun's family sooner or later.

"Husband, why are you not too friendly with police Luo, I think she's a beautiful woman, you don't usually behave like this to a beautiful woman" Zhao Yanyan didn't expect wolves like Ye Chen not to want to put fangs on the beautiful Luo Bing police.

Well maybe you're right, she's pretty, but that woman is full of problems, so I'm close to her." Ye Chen is lazy to be close to Luo Bing because Luo Bing always has problems that come from six-door organizations.

"Is that your only reason?" Zhao Yanyan asked.

"There's more, this woman is so annoying, she's always looking for a problem with me." Another thing that Ye Chen hates from Luo Bing is always looking for trouble with him.

If Luo Bing didn't know that Ye Chen was a powerful cultivator, Luo Bing must have been looking for trouble with him.

"So that is the reason you are not too friendly to Police Luo" Zhao Yanyan now understands why Ye Chen was a little rude every time he met Luo Bing police, it turns out Ye Chen had a slight dispute with Luo Bing.

If only Luo Bing wasn't looking for trouble with Ye Chen, then maybe Ye Chen would definitely like pretty cops like Luo Bing.

The Sea food ordered by Zhao Yanyan had arrived, Ye Chen and Zhao Yanyan began eating their Sea Food.

"Husband, let's open your mouth" Zhao Yanyan told Ye Chen to open his mouth, she wanted to feed this delicious Ye Chen lobster.

"Aaaaa" Ye Chen opened his mouth and waited for Zhao Yanyan to feed himself.

Zhao Yanyan put a piece of Lobster meat into Ye Chen's mouth, both of them began to enjoy their food intimate.

After finishing eating Ye Chen and Zhao Yanyan returned to school, just as Ye Chen and Zhao Yanyan returned, the bell for lessons had rang.

Ye Chen and Zhao Yanyan immediately went to class J, the lesson proceeded as usual, Ye Chen was currently re-thinking of Lin Rouxi's attitude towards him, after returning from school he had to go to see Lin Rouxi.

"Ding. . . , Ding. . . , Ding. . . , Ding. . . , Ding. . . , "The bell home from school sounds, it's time for all students to go home.

Now it was time for Ye Chen to go see Lin Rouxi "Yanyan, I will go to Teacher Lin, you go home first" Ye Chen wanted to go to Lin Rouxi, he told Zhao Yanyan to go home first.

"Okay" Zhao Yanyan nodded at Ye Chen, after this Zhao Yanyan had to train Little Loli Su Yuyu, if Zhao Yanyan didn't give Su Yuyu a new movement, surely Su Yuyu would continue to stick to Zhao Yanyan.

Ye Chen immediately left Lin Rouxi's private room, when he reached Lin Rouxi's private room, Ye Chen did not find any sign of Lin Rouxi inside.

It seems like Lin Rouxi deliberately went to avoid Ye Chen, Ye Chen used his spirit sensei to look for Lin Rouxi's whereabouts.

It turned out that Lin Rouxi was currently in the park behind the school, after finding Lin Rouxi's whereabouts, Ye Chen went straight to the backyard of the school, he finally found Lin Rouxi, Lin Rouxi was currently sitting on a bench in this planting, Lin Rouxi seemed to be thinking about something.

Ye Chen sneaked behind Lin Rouxi, he wanted to surprise Lin Rouxi.

Ye Chen closed Lin Rouxi's eyes from behind "ah. . . ." Lin Rouxi shouted and tried to fight when someone closed her eyes.

"Teacher calm down" Seeing Lin Rouxi who panicked, Ye Chen immediately tried to calm her down.

Ye Chen released his hand from Lin Rouxi's eyes, Lin Rouxi immediately looked back, behind her stood Ye Chen, Ye Chen smiled towards her very warmly.

Lin Rouxi's heart was beating really fast when she saw Ye Chen's warm smile, Lin Rouxi immediately tried to calm herself back. "Ye Chen, what are you doing here?" Lin Rouxi returned to using a cold tone to Ye Chen.

Ye Chen came forward and sat next to Lin Rouxi "Teacher why are you being cold to me, did I do something wrong before" Ye Chen asked Lin Rouxi why she was being cold like this, indeed what wrong did he do to make Lin Rouxi behave like this.

"I'm not being cold to you, I've always been like this, if you don't like it you can go" Lin Rouxi looked away, she denied Ye Chen's words just now.

Ye Chen was very helpless, it was very clear that Lin Rouxi was angry with him.

Ye Chen took Lin Rouxi's right hand "Dear teacher, be honest with me why are you angry? We can talk about this" Ye Chen tried to persuade Lin Rouxi who was angry.

Ye Chen was very curious as to why Lin Rouxi behaved like this to him, what was wrong with him while going on a trip to an ancient heritage place these past few days.

"Who are you calling dear, I am not your lover, I am your teacher, you better have fun with your other women" Lin Rouxi let go of her hand from Ye Chen's hand.

Lin Rouxi stood up from the bench, she wanted to leave this place, Lin Rouxi still could not accept Ye Chen who had many women, whatever happened Lin Rouxi had to educate Ye Chen to eliminate the bad

behavior that liked many women at once, for this reason Lin Rouxi acted coldly to Ye Chen, she wanted to let Ye Chen know that women don't like to be doubted.

Ye Chen was astonished when he heard Lin Rouxi say he had a lot of women, from where did Lin Rouxi know that he had many women, did Lin Rouxi find this out alone or had someone tell him.

"Teacher Wait, how did you know this?" Ye Chen asked how did Lin Rouxi know that he had many women.

"So you admit it. Hemppp, all men are the same, you are all not good people." Lin Rouxi sniffed towards Ye Chen with dissatisfaction.

Ye Chen mispronounced, he instead made Lin Rouxi even more angry with him.

"Dear teacher, I can explain everything" Ye Chen tried to explain everything to Lin Rouxi.

"No need to explain anymore, everything is clear" Lin Rouxi was very clear that Ye Chen did have many women out there, Lin Rouxi felt uncomfortable with Ye Chen having many women, Lin Rouxi might be able to accept Zhao Yanyan, but for women others Lin Rouxi found it difficult to accept them.

Chapter 238 - Yun Family Master

Lin Rouxi prepared to leave this place. "Teacher Wait," Ye Chen stopped Lin Linxi from leaving this place again, Ye Chen had to explain everything so that Lin Rouxi knew and was not angry.

"Let me go, let Teacher Go, if you don't let me go I'll be mad at you forever" Lin Rouxi told Ye Chen to let her go, or she would be really angry.

Seeing Lin Rouxi getting more and more angry, Ye Chen let go of Lin Rouxi, right now Lin Rouxi was very upset and didn't want to accept an explanation from himself, Ye Chen had to wait until Lin Rouxi was even calmer, before explaining everything to Lin Rouxi.

Lin Rouxi walked out of the park behind the school, when she left she did not look back at all.

Lin Rouxi actually felt a little sorry for Ye Chen, but she had to strengthen her determination, this was for the sake of giving lessons to Ye Chen.

Ye Chen immediately chased after Lin Rouxi who had left, when Ye Chen rose from his seat he felt a murderous nature from behind a tree which was behind the school, there were two intentions to kill him and one directed at Lin Rouxi.

"Lin teacher, watch out" Ye Chen immediately rushed towards Lin Rouxi to save Lin Rouxi.

Sure enough, from above the sky slid a long spear towards Lin Rouxi.

Lin Rouxi who heard Ye Chen immediately looked up at the sky, above the sky there was a long spear that was pointing at her with a very fast speed, Lin Rouxi did not have the time to avoid the Spear that was rushing towards her.

"Ahhhhh. . . Lin Rouxi shouted and closed her eyes.

"Boom" The iron spear hit the ground with extreme force.

Before the spear struck her body, Lin Rouxi felt that someone was hugging her waist, the person who was hugging her waist was Ye Chen.

Ye Chen rushed towards Lin Rouxi, he hugged Lin Rouxi's body and avoided the impact of the iron spear.

Ye Chen and Lin Rouxi rolled on the grass, Lin Rouxi currently closed her eyes and buried her head in Ye Chen's chest.

Lin Rouxi was so scared, she thought he would die because of the spear that was aimed at her just now.

Ye Chen saw the spear in front of him, this spear could make a big hole in the ground, around this spear gave out a blue lightning aura, it was clear that this spear was not an ordinary spear, this spear was clearly a Tier two artifact.

Someone must have deliberately thrown this spear towards Lin Rouxi.

"It's a pity that it was missed, if it was certain that both of them would die right away" there were two people who came, these two people looked very old, their hair was white, these two were masters sent by the Yan Family to kill Ye Chen.

These two people of course were San Seng and Tu Zen, they looked at Ye Chen with killing eyes.

Tu Zen couldn't wait to torture Ye Chen and kill him slowly, he would definitely enjoy the killing session of these two people until he was satisfied.

"So this is a person who has offended the Yun family, this young man is very brave, he will meet death soon" San Seng looked towards Ye Chen and Lin Rouxi.

"Teacher, you are alright" Ye Chen asked how Lin Rouxi was at the moment.

Hearing Ye Chen's voice, Lin Rouxi slowly opened her eyelids, Lin Rouxi looked towards Ye Chen, the eyes of Ye Chen and Lin Rouxi meeting.

"I'm fine" Lin Rouxi shook her head at Ye Chen, she had no idea that Ye Chen would save her in a situation like this, if Ye Chen didn't act Lin Rouxi might have died by the spear.

Lin Rouxi was very touched by what Ye Chen had just done, all the uncomfortable feelings in Lin Rouxi's heart instantly disappeared, Lin Rouxi knew that Ye Chen was very worried about herself, this made Lin Rouxi believe that Ye Chen loved her.

"Until when are you going to lie there, do I need to throw my spear back," a hoarse voice interrupted Ye Chen and Lin Rouxi.

Ye Chen helped Lin Rouxi rise from the ground "Teacher wait here, I will take care of these two people" Ye Chen asked Lin Rouxi to stay here.

He had to defeat the two assassins who were trying to kill Lin Rouxi.

"Ye Chen wait, we should just run away and look for help." Looking at the hole in the ground, Lin Rouxi felt that these two people were not ordinary people.

If Ye Chen fought the two of them, Lin Rouxi feared that something had happened to Ye Chen, Lin Rouxi's cold attitude towards Ye Chen had disappeared, now Lin Rouxi was very worried about Ye Chen's condition more than anything.

"Teacher calm down, I will finish these two people quickly, you don't need to worry" Ye Chen told Lin Rouxi not to worry.

"But. . ." Lin Rouxi is still worried about Ye Chen.

"It's okay everything will be fine" Ye Chen stroked Lin Rouxi's head who looked scared, he tried to make Lin Rouxi as calm as possible.

Lin Rouxi understood and nodded at Ye Chen, Lin Rouxi finally believed in Ye Chen's words

Ye Chen came forward and looked at San Seng and Tu Zen with a killing look.

Ye Chen didn't need to bother to find out who these two people were, all Ye Chen needed to do was eliminate these two people.

"Hehehe, it seems like you are brave enough to fight us, it seems like this will be very fun" Tu Zen chuckled at Ye Chen, he looked very excited when he saw the enemy has the courage to fight, it wouldn't be as boring as fighting an enemy who didn't want to fight.

"Be careful it seems like this person has a little ability" San Seng told Tu Zen to be careful when fighting Ye Chen.

San Seng felt that Ye Chen gave off a quite dangerous aura, he had never seen a youth who had a frightening aura like Ye Chen.

"What needs to be afraid, our opponent is just a runny nose whose hair has not grown yet, hahahaha" Tu Zen mocked Ye Chen, for both Ye Chen was still a smelly kid.

Ye Chen didn't say anything at all, he glared at Tu Zen and San Seng, true masters didn't need to say much, actions would say everything.

Tu Zen pulled his spear from the ground, from Tu Zen's body came a lightning current that enveloped Tu Zen's entire body.

Tu Zen turned into lightning, he moved at an extremely fast speed, the eyes of a norm person might not be able to see Tu Zen's current movements.

Lin Rouxi who saw this increasingly worried about Ye Chen's condition, Lin Rouxi thought these two people were not normal humans, Lin Rouxi was afraid that Ye Chen would suffer defeat at the hands of these two people.

Tu Zen swirled around Ye Chen's body, Tu Zen's speed could not be underestimated, with the Lightning Lightning Step cultivation technique, the speed possessed by Tu Zen was like lightning.

Chapter 239 - Kill Enemies With Two Movements

"Hahaha, how is it? , you can't see me right, "Tu Zen seems to want to show off his strength in front of Ye Chen.

This was very funny a Eart Realm expert dared to show off his strength before Ye Chen who had reached the Overlord Realm realm.

This was a joke for Ye Chen, Ye Chen could see every move made by Tu Zen, for Ye Chen the speed of Tu Zen was relatively slower than his own, with this kind of speed it was very easy for Ye Chen to attack Tu Zen.

"First I will cut off one of your arms first" finally Tu Zen began to launch an attack at Ye Chen, with lightning speed, Tu Zen aimed at one of Ye Chen's arms.

"Prick", Tu Zen pierced Ye Chen's arm using a lightning tombat, when the spear approached Ye Chen immediately used his palm to catch Tu Zen's lightning spear.

"Ahh. . . "Lin Rouxi shouted, this scene is very dangerous, she is very worried about Ye Chen's salvation.

"Huh. . . ? "Tu Zen couldn't believe it when he saw Ye Chen could see the direction of the spear he was launching, even though his speed was already very fast and difficult to see naked-eyed.

what made Tu Zen confused was how Ye Chen caught his spear which contained lightning, it was impossible for ordinary people to catch this lightning spear.

Tu Zen tried to pull his lightning spear, unfortunately his spear was held very tightly by Ye Chen's hand.

"You bastard quickly release your hand from my spear" Tu Zen shouted to Ye Chen to immediately release his lightning spear.

San Seng who saw this immediately went to the side of Tu Zen to help him. Against Ye Chen, San Seng threw his iron fan towards Ye Chen.

This fan was not an arbitrary fan, all parts of the fan were made as sharp as possible to pierce the opponent's body, with a strong wind drive the fan circled and shot towards Ye Chen.

San Seng's fan was aimed right at Ye Chen's neck, whoever was hit by this fan would immediately lose their neck.

"Ye Chen, watch out !!! "Lin Rouxi told Ye Chen that there was a very sharp fan headed towards him.

Seeing the fan approaching towards him, Ye Chen raised his left hand which was free, Ye Chen used his two fingers to hold the opponent's fan towards him.

"Clank" Ye Chen pinched San Seng's iron fan, the iron fan stopped immediately after being pinched by Ye Chen's finger.

Ye Chen's two fingers were like a very strong iron brace.

San Seng Trying to control the fan that was in Ye Chen's finger, the iron fan in Ye Chen's finger wouldn't move at all, this fan had been held by Ye Chen's two very strong fingers.

"Damn it" San Seng cursed at his fan which was stuck between Ye Chen's two fingers.

San Seng rushed towards Ye Chen, San Seng opened his palm preparing to hit Ye Chen, San Seng's palm contained a very strong wind.

San Seng aimed this attack at Ye Chen.

On the other hand Tu Zen also did not remain silent, he used his lightning legs to kick Ye Chen's chest.

Ye Chen saw the two attacks simultaneously aiming at him.

From inside Ye Chen's body came a very strong aura pressure, this pressure immediately blew Tu Zen and San Seng far backward.

"Argh. . . ."Tu Zen and San Seng were thrown tens of meters by Ye Chen's aura pressure.

"Cough. . . ."Both of them immediately threw up a mouthful of blood, the aura released by Ye Chen just now was very great, The aura of Ye Chen's pressure just now was like a comet that struck the bodies of Tu Zen and San Seng.

Ye Chen closed the iron fan and stuck the spear on the ground, he saw Tu Zen and San Seng with killing eyes.

"You two are looking for trouble to the wrong person, be prepared to accept the consequences of what you have done" Ye Chen would not release these two people who had tried to kill Lin Rouxi, these two people could not be forgiven.

Ye Chen took the spear from the ground, he used the nine shadow step to go towards San Seng, with the step nine shadow Ye Chen reached in front of San Seng.

San Seng and Tu Zen did not see how Ye Chen reached in front of San Seng, both of them were very surprised at the speed shown by Ye Chen, this was far faster than the lightning steps that Tu Zen had.

San Seng tried to stand up from the ground, "wait, us. . . ."When he wanted to speak the lightning spear pierced his chest, Ye Chen threw this spear right in San Seng's chest.

Ye Chen's pitch was very strong. San Seng's body flew along with this spear towards the sky.

Tu Zen who saw this was shocked, San Seng was killed very easily by this person, Tu Zen was immediately afraid of Ye Chen, this person was far stronger than he predicted, "damn I don't want to die" Tu Zen uses lightning lightning steps to escape from Ye Chen.

With an extremely fast speed, in just a few seconds Tu Zen had run away a few hundred meters from where Ye Chen was standing, his instincts made him run as fast as he could.

Ye Chen couldn't possibly let this person just leave, this person had to pay for what he had done before.

Ye Chen threw a fan towards Tu Zen who had gone far away from him, an iron fan with a very high speed following lagging with Tu Zen.

Tu Zen kept running as fast as he could, he didn't have the chance to look back.

"Jlubbb. ." involuntarily an object pierced his left chest, when Tu Zen saw in his left chest there was a large hole, blood began to seep out from this hole.

Tu Zen's body began to lose strength and collapse on the ground, little by little the awareness of Tu Zen began to disappear, eventually Tu Zen died because his heart was crushed by the iron fan that Ye Chen had just thrown.

From a distance Ye Chen saw Tu Zen's death, now everything was finished, everything was completed by Ye Chen in just two steps.

Ye Chen immediately returned to Lin Rouxi's side. "Teacher, what are you. . . . Before Ye Chen finished his words, Lin Rouxi had embraced him.

Lin Rouxi cried as she buried her head in Ye Chen's chest "I'm very worried about you" Lin Rouxi was very worried about Ye Chen's condition, she had never worried about others like she did to Ye Chen, without knowing Lin Rouxi knew that she had really liked Ye Chen , if not how could she possibly be very worried about Ye Chen's condition.

"Okay, Teacher everything is fine now you don't need to worry anymore" Ye Chen stroked Lin Rouxi's back to calm her down.

Lin Rouxi felt a very comfortable feeling while in Ye Chen's arms.

"Teacher, let's go to the dormitory where you live, maybe you can be more calm there." Ye Chen intended to take Lin Rouxi back to the female dormitory where Lin Rouxi lived, Lin Rouxi might still be a bit shocked because he was almost killed by a lightning spear.

Chapter 240 - Lin Rouxi Was Jealous

Lin Rouxi nodded at Ye Chen, Lin Rouxi again buried his face in Ye Chen's chest, seeing Lin Rouxi agree Ye Chen immediately brought Lin Rouxi flying to the female dormitory.

Ye Chen no longer needed to hide the power he had in front of Lin Rouxi.

"Teacher, we have arrived" Lin Rouxi was very surprised when she saw herself already at the door of her room, even though she and Ye Chen were still behind the school, how could both of them now be at the door of the girl's dormitory, actually what had just been happen.

Ye Chen opened the entrance to Lin Rouxi's room, he brought Lin Rouxi inside.

Ye Chen helped Lin Rouxi sit on the couch "Teacher, do you want a glass of warm water or water?" Ye Chen asked Lin Rouxi if she wanted a glass of water to further relax her body.

Lin Rouxi shook her head, right now he didn't want anything. "Ye Chen come here, there's something I want to ask you." Lin Rouxi patted the sofa, she told Ye Chen to sit near her.

After seeing all the strangeness earlier, there were so many things that Lin Rouxi wanted to ask Ye Chen, she wanted to get answers to the questions in her heart.

Ye Chen did not go to fetch water for Lin Rouxi, he sat next to Lin Rouxi.

"Teacher, what do you want to ask?" Ye Chen is ready to answer all questions from Lin Rouxi.

"Ye Chen, who exactly were those people, and how did they have such strange abilities?" First of all, Lin Rouxi wanted to find out who the two old men wanted to kill her and Ye Chen.

"I also do not know about the identities of the two men, but they can be called a cultivator who has abilities above the average human." Ye Chen himself did not know about the identities of the two people, he knew the two men were messengers from the Yun family in the capital.

What Luo Bing said was proven, It seemed that the Yun family had begun to move against him, they didn't even hesitate to hurt Ye Chen's closest people.

"Are you also a cultivator?" Asked Lin Rouxi.

Lin Rouxi was eager to know whether Ye Chen was a cultivator like the other two people.

Ye Chen nodded "yes, I am also a cultivator all the way like them" Ye Chen explained that he was also a cultivator just like the two people earlier.

"Does Yanyan know about this?" Lin Rouxi wanted to know if Zhao Yanyan knew that Ye Chen was a cultivator.

"Of course Yanyan knows, even Yanyan and all my women are also cultivators just like me." Ye Chen told Lin Rouxi that Zhao Yanyan was also a cultivator just like him.

Zhao Yanyan's strength was no longer weak, after training very hard and often doing dual cultivation with Ye Chen, Zhao Yanyan's strength was now at the level of the Earth Realm, it was already a realm high enough for Zhao Yanyan's current age.

Lin Rouxi was surprised to learn that Zhao Yanyan and the other Ye Chen women turned out to be a cultivator, however Zhao Yanyan never said this to Lin Rouxi.

"Teacher, are you still mad at me? Ye Chen asked if Lin Rouxi was still angry with him.

"I told you before I'm not mad at you" Lin Rouxi was never angry at Ye Chen, Lin Rouxi only wanted to give a little lesson to Ye Chen.

"Then why were you cold to me?" Ye Chen really wanted to know why Lin Rouxi had been cold to him before.

" that . . . , that's because I want to teach you a lesson, who told you to have so many women, I don't like to see men cuckold their women. "Lin Rouxi said the reason why she was being cold to Ye Chen.

Ye Chen now understood why Lin Rouxi was being cold with himself, apparently Lin Rouxi was only jealous of the other Ye Chen woman.

Ye Chen hugged Lin Rouxi's waist and whispered something in Lin Rouxi's ear "Teacher, you don't need to be jealous, I love you as much as I love all my women".

"I'm not jealous" Lin Rouxi tried to avoid Ye Chen's words just now, Lin Rouxi began to think maybe the reason she wanted to teach Ye Chen out of jealousy ?, after thinking about this, Lin Rouxi's face turned red like an apple.

The more Lin Rouxi denied, the more certain Ye Chen was that Lin Rouxi was jealous of other women.

Ye Chen smiled wickedly at Lin Rouxi, he immediately pressed Lin Rouxi's body onto the soft sofa.

Lin Rouxi was very surprised to see the courage done by Ye Chen "Ye Chen, what are you doing? Quickly release me." Lin Rouxi tried to free herself from under Ye Chen's body.

With Ye Chen's current strength, how could Lin Rouxi be able to resist Ye Chen's invasion, she could not shift Ye Chen's body to the side.

"Teacher I want you" Ye Chen very boldly wanted Lin Rouxi to be his complete woman.

"Ye Chen, what are you saying, quickly release me" Lin Rouxi was not ready to do such a thing with Ye Chen at all.

Ye Chen was a little disappointed to hear that Lin Rouxi still did not want to do with him "Lin teacher I like you, I really want you", Ye Chen continued and whispered words of love in Lin Rouxi's ears.

Lin Rouxi's body began to heat up, she felt a very strong burst of love emanating from Ye Chen's words.

Little by little Lin Rouxi started not to fight Ye Chen anymore, Ye Chen was glad to see Lin Rouxi not rebelling anymore, it seemed that his seduction succeeded in breaking through Lin Rouxi's defenses.

Ye Chen very courageously began to caress and touch Lin Rouxi's body.

"Ahh. . . ."When Ye Chen touched her body, Lin Rouxi slightly moaned slowly, she felt Ye Chen's touch was really delicious, this kind of feeling could never be forgotten by Lin Rouxi.

Lin Rouxi began to wonder what Ye Chen's hand was actually made of, why his touch and caress techniques were so much fun.

Unconsciously Lin Rouxi began to sink into Ye Chen's touch and caress, Lin Rouxi's body had never felt this comfortable, even Ye Chen's previous massage session couldn't be compared to this caress.

Seeing Lin Rouxi begin to deepen in pleasure made Ye Chen even bolder, it seemed that Lin Rouxi's lust that was very strong could not be stopped.

Ye Chen began to touch Lin Rouxi's two rabbits, even though they were separated by a cloth, the sense of touching this object was great, it was very soft and very flexible, it seemed like Lin Rouxi guarded these two large and soft objects very well.

"Ahh. . . ." Ye Chen, stop it, I feel my body is very uncomfortable. "Lin Rouxi wanted to stop Ye Chen's invasion of her two large objects, she almost lost her sanity due to the touch of Ye Chen's hands on both of her objects.

"Dear teacher, you don't have to hold it off and enjoy all of this" Ye Chen whispered in Lin Rouxi's ear, Ye Chen's words made Lin Rouxi's mind begin to relax, Lin Rouxi began to enjoy Ye Chen's touch.
