

Chapter 241 - The Temptation That Was Hard To Bear By Lin Rouxi

Lin Rouxi's body was already very hot, this feeling was very disturbing, she really wanted to hug Ye Chen and kiss him, but as a teacher how could Lin Rouxi be so immoral like that, she had struggled to maintain morale as Ye Chen's teacher.

Ye Chen looked at Lin Rouxi's ears which had turned very red, it seemed like Lin Rouxi was very embarrassed, Ye Chen opened his mouth and bit Lin Rouxi's ear lobes.

"Ah. . . . Lin Rouxi immediately moaned softly as her ear was bitten by Ye Chen.

Lin Rouxi's body trembled as Ye Chen bit her ear, the bottom of Lin Rouxi was already wet like river water flowing.

Ye Chen's invasion confused Lin Rouxi's mind, she could not think clearly anymore.

After playing enough with Lin Rouxi's two rabbits, Ye Chen went down the Lin Rouxi Skirt, Lin Rouxi wore a short skirt so Ye Chen could easily get into it, he put his hand into Lin Rouxi's secret garden.

"Ye Chen, don't come in. . ! "Feeling something entered into her lower part Lin Rouxi immediately clamped her two thighs.

Ye Chen's hand was now trapped between Lin Rouxi's Soft White Thighs.

"Dear teacher, let's loosen up, let me make you feel better" Ye Chen tried to persuade Lin Rouxi to loosen her thighs.

Lin Rouxi shook her head, she didn't want to loosen the clothespin on her thigh.

Because Lin Rouxi could not be invited to cooperate, with a little strength Ye Chen tried to go deeper in Lin Rouxi's thighs.

Little by little Ye Chen's hands began to draw closer towards Lin Rouxi's secret garden, Lin Rouxi was very absent, she was not Ye Chen's opponent in this matter.

Ye Chen's fingers finally touched Lin Rouxi's panties, when Ye Chen's fingers touched Lin Rouxi's honey cave, Lin Rouxi's body began to shake violently, Lin Rouxi's two thighs began to soften and Lin Rouxi began to loosen the tongs between her two thighs.

Ye Chen's hand that felt mercilessly poured straight into Lin Rouxi's honey hole.

Lin Rouxi's honey cave turned out to be soaking wet, a lot of water was seeping out from Lin Rouxi's secret garden.

"Ah. . . . Yeah. . . . ,, What is this , something will come out, Ye Chen please stop. . . . "Lin Rouxi felt that something was coming out from under her body.

"Ah. . . . , I came out. "Lin Rouxi immediately took out a lot of honey juice from her honey cave, this juice spilled a little in Ye Chen's hands.

Ye Chen pulled his hand from Lin Rouxi's secret garden, he immediately looked into his hand filled with Lin Rouxi's Honey Juice.

Ye Chen sipped Lin Rouxi's honey juice, this was filled by Lin Rouxi's pure Yinqi.

"Dear Lin teacher, look at this you came out very much" Ye Chen showed Lin Rouxi the honey juice in his hands.

Seeing the object that was in Ye Chen's hand, Lin Rouxi's face turned red like an apple, she did not know that he would be a very immoral woman, all morality as a teacher was destroyed in Ye Chen's hands, at this moment Lin Rouxi turned into a shameless woman.

Seeing the object that was in Ye Chen's hand, Lin Rouxi's face turned red like an apple, he did not know that he would be a very immoral woman, all morality as a teacher was destroyed in Ye Chen's hands, at this moment Lin Rouxi turned into a shameless woman. .

Ye Chen absorbed the Yinqi in his hands, after clearing Ye Chen returned to hug Lin Rouxi's body.

"Ye Chen quickly let go of the teacher, we cannot do anything further than. . . , um. . . ." Before Lin Rouxi could finish her words, her cherry lips were kissed directly by Ye Chen.

This sense of kiss is extraordinary, this cannot be described by words, Ye Chen began to insert his tongue into Lin Rouxi's mouth, Lin Rouxi began to welcome a kiss from Ye Chen, for Lin Rouxi the kiss from Ye Chen was very encouraging, she was difficult once forgot the first kiss with Ye Chen in her room Teacher School.

This time Lin Rouxi was again kissed by Ye Chen, Lin Rouxi threw away the morality and ethics of a teacher, all he wanted now was to be with Ye Chen and enjoy this beautiful thing forever.

"Chu. . . , Chu. . . , Chu. . . , Chu. . . ," Both of them are greedy for kissing, both Ye Chen and Lin Rouxi are both already very passionate.

After Lin Rouxi had difficulty breathing, Ye Chen finally released his lips from Lin Rouxi's lips.

"Dear teacher I like you, will you be my woman forever" in a rare moment like this Ye Chen expressed his feelings.

"Of course I want, the teacher will be your woman forever" Lin Rouxi again promised Ye Chen, this time Lin Rouxi was already very fond of Ye Chen, she wanted to be with Ye Chen forever, she wanted to continue to enjoy this beautiful thing together with Ye Chen .

Now that Lin Rouxi didn't mind the other Ye Chen woman, as long as Ye Chen had a heart in herself, Lin Rouxi had enough of that, she didn't want to ask for more.

Ye Chen was very satisfied, finally the beautiful teacher Lin Rouxi really wanted to be his woman.

Ye Chen again pounced towards Lin Rouxi, he prepared to take off the professional clothes worn by Lin Rouxi.

"Ye Chen, let's change locations, it's not good to do it in the living room, let's go into my room." With a shy expression, Lin Rouxi wanted to change the location of their love place.

Ye Chen immediately carried Lin Rouxi like a princess, he rushed towards Lin Rouxi's bedroom, Ye Chen kicked the door of Lin Rouxi's room, after entering Ye Chen threw Lin Rouxi onto the soft mattress.

Ye Chen wanted to get ready to get into Lin Rouxi's bed, but Lin Rouxi's legs held his body "lock the door first." Lin Rouxi asked Ye Chen to lock the door first.

Ye Chen immediately rushed to the door and locked the door, he acted very quickly, after the door in Ye Chen's key returned to Lin Rouxi's side.

"Ye Chen come here, love the teacher" Lin Rouxi used her finger to invite Ye Chen to the bed.

At the moment Lin Rouxi's sleeping pose was very tempting, Ye Chen had no idea that Teacher Lin could make such a seductive pose.

Ye Chen dived into the bed, he hugged Lin Rouxi's adult body which was on the bed.

Both of them began rolling on the mattress, the bed in this hostel was quite large, it could even accommodate four people at a time.

Ye Chen kissed Lin Rouxi's little cherry lips again, both of them started to get their passion back, Ye Chen's hands were not idle, he began to take off the professional clothes worn by Lin Rouxi.

Lin Rouxi was now very obedient with Ye Chen, she easily cooperated with Ye Chen to take off each other's clothes.

Ye Chen with swift movements stripped all the clothes on Lin Rouxi's body, Lin Rouxi's beautiful body was now fully naked, Ye Chen began to admire every inch of Lin Rouxi's exquisite body, Lin Rouxi's two rabbits looked very beautiful Cherry buds still looked very fresh, this is Ye Chen's favorite food.

Chapter 242 - Lin Rouxi Was Shocked By Ye Chen's Object

On the other hand, Lin Rouxi was still very clumsy, she had difficulty removing the clothes worn by Ye Chen, after a very long time Lin Rouxi only managed to remove Ye Chen's upper shirt.

Lin Rouxi saw that the muscles in Ye Chen's body were very perfect, Ye Chen's muscles were not very muscular, but their shape was perfect, this was even better than the Olympic athletes.

Lin Rouxi began to touch the muscles in Ye Chen's body with soft little fingers.

"Teacher, it tickles" Lin Rouxi's finger touch tickled Ye Chen's body.

"Ye Chen, do you often train your body? While touching Ye Chen's perfect muscles, Lin Rouxi asked Ye Chen.

"Not really, just sometimes, why? "Ask Ye Chen, Ye Chen has rarely trained his body's strength enough.

"It's okay, it's just that it looks pretty cool and strong" Lin Rouxi was quite interested in Ye Chen's body, she wanted to know more about the intricacies of the body of the man she liked.

Ye Chen returned to hug Lin Rouxi's body, he buried his face in Lin Rouxi's two big rabbits.

Ye Chen began to open his mouth and put Lin Rouxi's cherry bud into his mouth, Ye Chen was very interested in Lin Rouxi's tiny and beautiful cherry bud.

Ye Chen began to suck, bite and play with Lin Rouxi's bud.

"Ah. . . Ye Chen, you're just like a baby." Lin Rouxi hugged Ye Chen's head very tightly, Lin Rouxi felt like nursing a little baby.

Ye Chen was very grumpy eating Lin Rouxi's flower buds, Lin Rouxi continued to moan to enjoy Ye Chen's mouth and tongue service which was extremely delicious.

Teacher Lin Rouxi who usually seemed authoritative, now turned into a passionate woman who moaned under Ye Chen's technique.

Ye Chen began to descend down on Lin Rouxi's flat stomach.

Seeing Ye Chen descend down Lin Rouxi immediately covered his private garden from Ye Chen's eyes "Ye Chen don't look at it, I'm so embarrassed" Lin Rouxi was very embarrassed when a man saw her secret garden.

"Teacher, let me see it" Ye Chen tried to move Lin Rouxi's hand.

With Ye Chen's persuasion, Lin Rouxi finally wanted to let go of her hand.

Lin Rouxi's secret garden was presented in front of Ye Chen's eyes, the grass in Lin Rouxi's garden looked very dense, usually women who had thick grass were more passionate than normal women, now Lin Rouxi was indeed very passionate, she had never felt a feeling of comfort and this delicious before.

Lin Rouxi's honey cave is pink and still narrow, this honey cave is waiting for someone to drill into.

"Beautiful" Ye Chen praised Lin Rouxi's secret garden.

Lin Rouxi's face was already very red, she was unable to withstand the vulgar words of Ye Chen, but in her heart she was glad to be praised by Ye Chen.

Ye Chen used his finger to try to enter Lin Rouxi's honey hole.

"Ah." Lin Rouxi's body immediately stiffened when a mysterious object entered her.

Lin Rouxi's honey cave tightened, Ye Chen's fingers were clamped tightly by the wall in Lin Rouxi's honey cave.

"Teacher relax his body, let your body enjoy everything" Ye Chen told Lin Rouxi to be more relaxed.

Lin Rouxi looked very tense when Ye Chen's finger came in, this was still a small object, if Ye Chen's younger brother was below in. Maybe Lin Rouxi would shout even louder.

Lin Rouxi tried to be more relaxed, he was still not used to the relationship between men and women, every time Ye Chen played with her body Lin Rouxi felt her body was stung by electricity.

After being more relaxed, Ye Chen began to move his fingers more in Lin Rouxi's honey cave, this feeling was very comfortable, Ye Chen's fingers felt stroked by something very soft and warm.

The walls of Lin Rouxi's Honey Cave are very gentle, he has never tried a woman with Lin Rouxi's soft walls.

it seemed like Ye Chen's younger brother would really like Lin Rouxi's soft cave wall.

"Ah. . . . Ah. . . . Ah. . . . Ye Chen, stop it, I feel like I can die and fly to the sky. "Lin Rouxi begged Ye Chen to stop the finger invasion, this was completely different from Ye Chen's touch and caress, it felt really very delicious, Lin Rouxi felt like she was at seventh heaven.

Instead of stopping Ye Chen even more excited, he began to scratch the walls of the cave and want Lin Rouxi to be even stronger "ahh. . . , I really like this, "Lin Rouxi finally reached the top for the umpteenth time.

When he reached the peak of the water that came out quite a lot, even Ye Chen's hands were even more soaked by Lin Rouxi's water.

After reaching the top Lin Rouxi lay on the bed with a satisfied expression, today was the most pleasant day of Lin Rouxi's life.

Finally Ye Chen managed to make Lin Rouxi feel unequalled pleasure, now it was Ye Chen's turn to enjoy Lin Rouxi's body, he immediately took off the pants he was wearing, now Ye Chen was only using a men's underwear.

Ye Chen's younger brother had already stood very strong, Ye Chen's underwear was unable to stem Ye Chen's younger brother who had fully enlarged.

Lin Rouxi who was resting finally began to wake up, he saw something extraordinary, beneath Ye Chen there was something big enough to stand out.

Lin Rouxi of course knew what this thing was, that night Lin Rouxi looked at Zhao Yanyan very eagerly eating this large object.

Lin Rouxi also wanted to try to eat the big object Ye Chen, was it really as good as what Zhao Yanyan had shown that night or just ordinary.

Ye Chen took Lin Rouxi's hand and placed it on his big bed. "Teacher, please take responsibility." Ye Chen wanted Lin Rouxi to take responsibility for making this thing hard.

Lin Rouxi started stroking Ye Chen's large object, this object was bigger than Yang Lin Rouxi saw that night, it was estimated that this object was almost the same size as her own arm.

Is this big object can go into her small mouth, wouldn't her small mouth be destroyed if an object of this size entered.

Lin Rouxi was starting to get scared while thinking about this, but Lin Rouxi really wanted to try it, she herself wanted to try the taste of this thing.

Lin Rouxi helped Ye Chen release the last part that covered Ye Chen's Great object.

when Ye Chen's large object appeared, Lin Rouxi was very surprised, this object was huge, its size was bigger than Lin Rouxi's own arm.

"immense" involuntarily Lin Rouxi muttered, she sipped her saliva, this thing was not only big but also twitching, it was a little scary.

Lin Rouxi had no idea that male objects could be this big.

Ye Chen was very proud to hear the praise from Lin Rouxi, every man would be happy when their objects were praised by a woman they liked.

Ye Chen grabbed his large object and rubbed it on Lin Rouxi's soft cheeks, Lin Rouxi felt her cheeks pressed by hot and hard objects Ye Chen, Lin Rouxi started to get dizzy when she smelled Ye Chen's large objects, the smell made Lin Rouxi even more excited.

Chapter 243 - Lin Rouxi Wanted To Taste It

Unconsciously Lin Rouxi's two hands moved on their own and held Ye Chen's Great object "Ye Chen, could the teacher try the taste of this object" Lin Rouxi very boldly wanted to try the Ye Chen object in her mouth.

Ye Chen almost had a nosebleed after hearing Lin Rouxi's words, Lin Rouxi's words just now were very fatal to every man who heard it.

"Of course. You can do whatever you want" Ye Chen let Lin Rouxi do whatever she wanted, he wanted to see how Lin Rouxi served himself.

Lin Rouxi was very happy, every night after the incident she peeked at Ye Chen and Zhao Yanyan, Lin Rouxi always dreamed of doing this together with Ye Chen.

Lin Rouxi started to stick out her small tongue, Lin Rouxi's small tongue began to touch Ye Chen's large object, Lin Rouxi began to lick this thing and taste the taste, it felt a little salty, but there was little satisfaction when licking this object.

Ling Rouxi began to dare to lick Ye Chen's large object.

The taste of Lin Rouxi's tongue was quite pleasant for Ye Chen, but Ye Chen wasn't enough with this, he wanted to try inside Lin Rouxi's Mouth.

"Dear Lin teacher, let's try it" Ye Chen told Lin Rouxi to open her mouth.

Lin Rouxi obediently opened her mouth wide, she immediately ate Ye Chen's large object.

"Aarggg. . . "Ye Chen groaned, Lin Rouxi's mouth felt extraordinary, it was moist, warm and very soft.

"Ummm. . . "Lin Rouxi felt very crowded by Ye Chen's large object.

Lin Rouxi gradually began to familiarize herself with the large object Ye Chen, after feeling accustomed to Lin Rouxi began to do as Zhao Yanyan had done that night.

In Lin Rouxi's memory, what Zhao Yanyan had done that night was still clearly remembered in her head.

Lin Rouxi's mouth began to move up and down, as Lin Rouxi moved up and down, Ye Chen felt incredible pleasure, Lin Rouxi was quite great, even though she first did this, her teeth did not scratch Ye Chen like another virgin woman.

Moreover, Lin Rouxi's technique was quite skilled, though not as good as Qing Cheng, Ye Chen felt quite comfortable with Lin Rouxi's technique.

"Teacher, you are very skilled, like you have the talent to be a passionate woman" Ye Chen praised Lin Rouxi.

Hearing what Ye Chen said, Lin Rouxi suddenly stopped, she vomited a large object Ye Chen and looked up at Ye Chen "Ye Chen, you wouldn't hate a teacher like this right?" Lin Rouxi was very upset, she became a lustful woman in front of Ye Chen, she was afraid that Ye Chen would not like women like her.

"No matter what you are I will still like you" how can Ye Chen hate Lin Rouxi like this, Ye Chen likes Lin Rouxi who is honest and passionate, This is the true nature possessed by Lin Rouxi which is hidden from outsiders, and only Ye Chen can enjoy this.

"Thank you, you are indeed my good little man" Lin Rouxi smiled at Ye Chen, she again ate a large object Ye Chen, Lin Rouxi was quite fond of this, especially when she saw Ye Chen's face that seemed to enjoy her service, making Lin Rouxi try her own tricks .

"Jubo. . . , jubo. . . , jubo. . . , jubo. . . , jubo. . . , jubo. . . , "Lin Rouxi sucked, licked and occasionally spewed out Ye Chen's large object.

"Arghhh ..." Ye Chen enjoyed this.

Lin Rouxi had already discovered her own technique to make Ye Chen feel delicious

The dignified teacher Lin Rouxi turned into Ye Chen's little prostitute.

"Arhhh. . . , dear teacher, you are very good, I like your mouth, please go deeper. "Ye Chen really likes Lin Rouxi's mouth and technique, Lin Rouxi is very talented in doing this.

Lin Rouxi was very happy to be praised by Ye Chen, she began to insert Ye Chen's large object deeper.

Lin Rouxi seemed to have difficulty inserting a very large Ye Chen object, after a considerable effort, Nearly 90% of Ye Chen's objects were successfully swallowed by Lin Rouxi.

Ye Chen didn't expect Lin Rouxi could do this, among the Ye Chen women the only one who could do this was Qing Cheng, it seemed like Lin Rouxi did indeed have the talent from birth to do this.

15 minutes later, Lin Rouxi's jaw was already very numb, until now Ye Chen still hadn't come out yet.

Ye Chen really enjoyed Lin Rouxi's mouth technique, he almost reached the limit, Ye Chen held Lin Rouxi's head and accelerated Lin Rouxi's movements.

"Jubo. . . , Jubo. . . , Jubo. . . , Jubo. . . , "Lin Rouxi's throat was very tight as Ye Chen poked very fast and hard.

"Teacher, I'm coming out" Ye Chen took out an enormous amount of her load into Lin Rouxi's cherry mouth.

"Umm. "Lin Rouxi wasn't ready with Ye Chen's heavy burden, she tried to pat Ye Chen's thigh, she wanted Ye Chen to let go of her.

Lin Rouxi's mouth was already full of Ye Chen's warm white magma.

"Teacher, drink this. It contains very good nutrition for beauty." Ye Chen told Lin Rouxi to drink his Yangqi Essence.

Hearing this from Ye Chen, Lin Rouxi tried to drink it "Glup. . . ." Lin Rouxi tasted it a little, it didn't taste as bad as she had imagined, instead it was very delicious, even Yangqi Ye Chen was far more delicious than the best food Lin Rouxi had ever eaten.

"Glup. . . , Glup. . . Glup . . Glup" Lin Rouxi gulped everything down, she did not waste Ye Chen's delicious essence.

"Slurpppp. . ." Lin Rouxi even sucked in the rest of Ye Chen's large object, Lin Rouxi was very addicted to Ye Chen's taste, this was the most delicious thing she had ever eaten.

No wonder that night Zhao Yanyan really like to serve this thing, it turns out that what is in this object tastes very delicious.

Lin Rouxi looked at Ye Chen's large object, Ye Chen's object still stood very erect.

This was extraordinary, from what Lin Rouxi knew, after coming out, Men would immediately go limp and take a long time to stand up again.

Ye Chen's difference was very strong, even some women were not enough to handle this thing.

Ye Chen hugged Lin Rouxi's body "Teacher may I do it" Ye Chen asked Lin Rouxi.

Lin Rouxi nodded at Ye Chen "Ye Chen don't call me teacher, call me Rouxi, I feel embarrassed when you call me teacher" in the current situation Lin Rouxi was very embarrassed when Ye Chen called her teacher.

"No, I like to call you like this, I feel excited when I call you teacher" Ye Chen felt like calling Lin Rouxi by the teacher's call, it added to the excitement when doing Dual Cultivation.

Lin Rouxi was very embarrassed, Ye Chen was really a very naughty student.

Ye Chen started to align his objects at the entrance of Lin Rouxi, Lin Rouxi was a little afraid when an object of this size intended to enter, her small cave would definitely be destroyed by this large object.

"Ye Chen slowly I'm very scared" Lin Rouxi told Ye Chen to be even slower, he was afraid of Ye Chen's big object.

"Dear teacher, don't be so tense, I will be very gentle" Ye Chen said to Lin Rouxi to be more relaxed.

Chapter 244 - Zhao Yanyan Was Outside The Door

Ye Chen's younger brother began to dash into Lin Rouxi's honey cave.

In order not to suffer prolonged pain, Ye Chen did it in one jerk.

"Ouch.", Lin Rouxi's body curved forward almost like a bow.

Lin Rouxi's body felt like it was split in half when Ye Chen's large object entered her body.

Blood started coming out, this proves that Lin Rouxi is still a virgin, finally Ye Chen got Lin's beautiful teacher, now Ye Chen is very proud of him.

It was so painful, it was not as fun as he had read in a book.

"Ye Chen please pull out, it hurts so much" Lin Rouxi wanted Ye Chen to pull out that thing, right now she was feeling very sick, Lin Rouxi started to shed tears.

"Teacher, wait a little while, the first time it really hurts, after a while you will definitely like it" Ye Chen tried to persuade Lin Rouxi like a child.

Lin Rouxi began to hug Ye Chen's neck very tightly, little by little the pain indeed began to diminish and no longer taste.

The pain was replaced by a feeling full and bloated, Lin Rouxi tried to shake her body.

As Lin Rouxi moved, Ye Chen's younger brother felt very good, Lin Rouxi's soft wall clamped on Ye Chen's younger brother and made Ye Chen's younger brother really enjoy it.

Lin Rouxi no longer felt sick. "Ye Chen, you can continue" Lin Rouxi wanted to try the taste between men and women.

"Okay, I'll start" Ye Chen started the piston slowly slowly.

"Ahh. . . ", When Ye Chen poked her flower core, Lin Rouxi growled with great pleasure.

It felt extraordinary, Lin Rouxi's entire body felt a very comfortable feeling.

Ye Chen also enjoyed Lin Rouxi's very gentle walls, Ye Chen started pumping even faster.

"Ah. . . ."Ye Chen, I like this, yours is very big, it makes me very full and comfortable." Lin Rouxi started shouting passionately, she really liked doing dual cultivation together with Ye Chen.

Lin Rouxi did not expect to do this much more pleasant than Ye Chen's finger before, Lin Rouxi's mind began to cut into the seventh heaven.

Lin Rouxi continued and groaned very sassyly, Ye Chen enjoyed every second in and out of Lin Rouxi's gentle honey cave.

"Ah. . . , I will die . . . !!!" Lin Rouxi very quickly reached the peak.

Ye Chen did not stop at all, he continued to drill further inside Lin Rouxi's honey cave.

Both of them began trying a few poses, this time Lin Rouxi knelt on the bed and Ye Chen did from behind, this position made Ye Chen go deeper.

"Iyahhhh" Lin Rouxi continued and continued shouting.

" Knock. . . ,Knock. . . ,Knock. . . ,Knock. . . ,Knock. . . ,Knock. . . ,Knock. . . "When they were playing, someone knocked on the door of Lin Rouxi's room.

"Ye Chen stop! " Lin Rouxi immediately whispered and told Ye Chen to stop.

"Rouxi sister, are you okay?" The person who knocked on the door was Zhao Yanyan.

Lin Rouxi's body immediately triumphed when she found out the person outside the door was Zhao Yanyan.

Because Lin Rouxi's body stiffened, Ye Chen's younger brother was clamped tighter by Lin Rouxi's soft walls, it felt very extraordinary.

"Rouxi sister, what is happening to you" Zhao Yanyan, who did not get an answer, asked Lin Rouxi again.

"I'm fine, it was just a cockroach that was passing by" Lin Rouxi tried to find an excuse so that Zhao Yanyan was not suspicious that she was currently having an intimate relationship with Ye Chen.

"Are you sure it's okay, I can help you inside" Zhao Yanyan tried to open the door, unfortunately the door was locked.

"Everything is finished, you don't need to go inside, ahh. . ." While Lin Rouxi was talking to Zhao Yanyan, Ye Chen suddenly grabbed her hips and pumped back in her honey cave.

sister Rouxi are you alright, what's going on in there? ", Hearing Lin Rouxi's moans, Zhao Yanyan asked again.

Lin Rouxi hit Ye Chen to stop moving, instead of stopping Ye Chen became even stronger in doing herself. "Emm. ... Emm. ... Emm. ... Emm. . .", involuntarily Lin Rouxi's voice leaked out.

If Zhao Yanyan knew this would be bad.

"Yanyan. . ., I am fine . . .emmm. . ., you should buy groceries. . . for tonight. . ." In a halting voice, Lin Rouxi tried to talk to Zhao Yanyan.

"Okay, if that's the way I go first, giggling" Zhao Yanyan giggled at Lin Rouxi who was inside, she immediately went out to buy groceries.

After Zhao Yanyan left, Lin Rouxi immediately glared at Ye Chen, she pinched Ye Chen's waist "Ye Chen, you're so bad, what if Yanyan found out, I certainly didn't have the face to meet Yanyan again" Lin Rouxi was a little annoyed at Ye Chen because it was too reckless.

"Hahaha, dear teacher, Yanyan is a cultivator, she patiently knew I was in here, from the start she just wanted to tempt us together" From the start Ye Chen already knew that Zhao Yanyan only wanted to tease Lin Rouxi, his first wife was really loves to tease Ye Chen.

" What ! ! ! "Lin Rouxi was very surprised, so from the beginning Zhao Yanyan already knew that she was having an intimate relationship with Ye Chen.

Lin Rouxi immediately blushed when recalling the previous thing, it turns out she had been found out by Zhao Yanyan, how she had to face Zhao Yanyan.

She felt uncomfortable doing this behind Zhao Yanyan, although Lin Rouxi knew that Zhao Yanyan would not be angry, but Lin Rouxi was still ashamed if she was found out by Zhao Yanyan.

"Hehehe, dear teacher you don't need to think about it, in the future you two will serve me together" Ye Chen chuckled at Lin Rouxi.

"Bahhh. . , who wants to serve you with other women, you are too confident. "Lin Rouxi pouted at Ye Chen.

Let's see, Ye Chen returned to hug Lin Rouxi's body and began pumping inside Lin Rouxi's honey cave.

Both of them continued to enjoy their Dual Cultivation session.

After 1 hour Ye Chen finally let out an essence in the depth of Lin Rouxi's flower core.

Lin Rouxi was already very tired, she was actually thrown by Ye Chen for 1 hour, this was crazy.

What Zhao Yanyan said was true, Ye Chen's ability in that field was too strong, Lin Rouxi alone was unlikely to be able to handle Ye Chen.

Lin Rouxi was glad everything was over, but suddenly Ye Chen's object hardened again, this scared Lin Rouxi.

"Ye Chen, you. . ."Lin Rouxi immediately said to Ye Chen.

"Dear teacher I still want more" Ye Chen returned to Lin Rouxi.

"Ah. . . Ye Chen, wait, I can't anymore, you can kill me, Ah. . Anyone Help me . ."Lin Rouxi is no longer able to serve Ye Chen, she could die under Ye Chen's large object.

"Bang. ." The door was kicked by someone, Zhao Yanyan went straight inside.

Zhao Yanyan saw what Ye Chen and Lin Rouxi were doing.

"Yanyan help me" Lin Rouxi asked Zhao Yanyan for help, at this time she didn't care if it was known by Zhao Yanyan, she just wanted to ask Zhao Yanyan for help.

Zhao Yanyan certainly knew Ye Chen's strength in that field, Zhao Yanyan immediately took off her clothes and went towards the bed.

Zhao Yanyan immediately released Ye Chen from Lin Rouxi, after that Zhao Yanyan immediately drove Ye Chen's body "husband, let me replace Rouxi sister, she is no longer able" Zhao Yanyan grabbed Ye Chen's large meat stick and deployed it into the door of her honey cave .

Ye Chen's large object was swallowed directly by Zhao Yanyan's honey cave which was very narrow and comfortable.

Zhao Yanyan's honey cave was already very wet, it seemed outside, this girl was entertaining herself.

After buying ingredients for dinner, Zhao Yanyan immediately returned to the hostel, she wanted to hear what Lin Rouxi and Ye Chen were doing.

Ye Chen chuckled, Everything was according to his plan, deliberately doing Lin Rouxi to the point of being helpless to shout for help, hearing Lin Rouxi's screams surely Zhao Yanyan who was outside would enter here.

Now both women will serve themselves "Yanyan get ready, you two won't sleep tonight" Ye Chen began to grab Zhao Yanyan's buttocks and poke Zhao Yanyan even stronger.

"Husband, you are great. Your objects are very big, this feels very full and delicious" Zhao Yanyan who was riding on Ye Chen immediately shouted passionately.

Groans continued to echo in Lin Rouxi's dormitory until nightfall.

Chapter 245 - Beautiful Morning

Into the sunny morning tomorrow.

Ye Chen felt something tickle his nose, Ye Chen tried to reach this object, too bad when Ye Chen tried to grab it, it suddenly disappeared.

When Ye Chen put his hand back, it tickled his nose again.

"Giggling" next to his ear, Ye Chen heard the voices of two women who were very tempting.

Ye Chen knew this was definitely Zhao Yanyan and Lin Rouxi, Ye Chen opened his eyes, right before his eyes Ye Chen saw Lin Rouxi and Zhao Yanyan using their hair to tease Ye Chen.

"Husband, finally you wake up" Zhao Yanyan immediately stopped teasing Ye Chen.

On the other side Lin Rouxi did not say anything, she again buried her head in Ye Chen's left chest, and enjoyed sleeping on it.

Lin Rouxi was currently acting quite spoiled, she had turned into a young woman for the first time tasting the beauty of love.

Ye Chen hugged these two women very tightly, last night was quite pleasant, Ye Chen threw the two women for hours. Even Lin Rouxi who was still a virgin was also forced to fight with Ye Chen for hours.

Lin Rouxi was very exhausted, her lower parts seemed to be numb and swollen, but she didn't complain too much, last night was the most beautiful night she had ever experienced.

Lin Rouxi knew, after tasting Ye Chen's taste in large objects, she could not possibly leave Ye Chen again.

Zhao Yanyan herself was more tired than Lin Rouxi, Lin Rouxi wasn't too strong against Ye Chen, as a result she had to fight with Ye Chen alone.

Zhao Yanyan was eager to call some sisters to help her, but she was stopped by Ye Chen, Ye Chen said tonight he wanted to enjoy herself and Lin Rouxi only.

Luckily now Zhao Yanyan was a cultivator, so he wasn't killed by Ye Chen.

"let's cook" Zhao Yanyan and Lin Rouxi decided to get out of bed, both of whom wanted to make breakfast.

Zhao Yanyan immediately looked for her clothes that were on the floor, while being dressed Zhao Yanyan did some erotic poses, this girl was in line to tease Ye Chen.

Ye Chen's younger brother began to rise again to see this.

Lin Rouxi who got off the bed, when she got down she felt her legs were very painful, her bottom swelled quite badly after the battle last night.

Zhao Yanyan who finished wearing clothes immediately helped Lin Rouxi to stand up.

"Dear teacher, you are okay" Ye Chen also wanted to help Lin Rouxi, but Zhao Yanyan stopped Ye Chen "Big pervert, hurry up and take a shower, let me take care of Rouxi sister" Zhao Yanyan told Ye Chen to immediately go take a shower.

If Ye Chen continued here, Zhao Yanyan was afraid that Ye Chen's Libido would rise again, if that happened, then Zhao Yanyan could really die under the large object Ye Chen was starting to rise.

Ye Chen was helpless, he was kicked out by Zhao Yanyan.

Ye Chen immediately went to the bathroom, he began to take a shower to clean himself.

After finishing the bath, Ye Chen changed clothes, in Lin Rouxi's room there was no Zhao Yanyan and Lin Rouxi anymore, both of them had gone to the kitchen to cook.

"Ringing. . . ringing. . . ringing. . . ringing. . .", "A telephone ringing.

Ye Chen who heard this voice immediately looked for his cellphone, Ye Chen saw whose number was calling him.

The person who called himself was Luo Bing's beautiful police officer, Ye Chen picked up the call from Luo Bing.

"Ye Chen, where are you? At this time I am in front of your villa gate." Luo Bing asked where Ye Chen was right now.

"I'm at the girl's dormitory at school, what's wrong?" Ye Chen asked.

Luo Bing who heard this was astonished, why would a man be in a girl's dormitory, this big pervert must have done something to the girl there.

Even though Luo Bing was very dissatisfied, right now he couldn't do anything to this masher man.

"Huft. . ." Luo Bing tries to calm down.

"I ordered what you wanted yesterday, now we can go to get it checked by ourselves" Luo Bing invited Ye Chen to go to the place where the ginseng that Ye Chen wanted was.

"Wait for me, I'll see you soon" After saying that to Luo Bing, Ye Chen immediately turned off the call.

"Ye Chen don't make me wait long. . . , Bipp. . ." Before Luo Bing finished her words, the call was closed.

"Damn you Ye Chen, just watch out if you dare make me wait a long time" Luo Bing could only grit her teeth and wait for Ye Chen's arrival.

Ye Chen didn't really care, he just wanted to spend the morning with Zhao Yanyan and Lin Rouxi.

After finishing changing clothes, Ye Chen immediately went to the kitchen, there he saw Lin Rouxi and Zhao Yanyan cooking food.

Thanks to the ointment given by Zhao Yanyan, Lin Rouxi was able to return to normal walking, although sometimes it still felt a little painful, this did not bother her at all.

After being humidified by Ye Chen, Lin Rouxi's appearance was far more beautiful and fresher, Lin Rouxi was now far more beautiful than before.

Lin Rouxi now believed what Zhao Yanyan said that night, apparently doing the Essence of Ye Chen had the ability to make women more beautiful and gentler.

Zhao Yanyan and Lin Rouxi worked together to cook food, in a short time the dining table was filled with dishes made by two beautiful women.

"Husband, the food is ready, let's eat together." Lin Rouxi had started to call Ye Chen by the husband's name just as Zhao Yanyan called Ye Chen.

In her heart Lin Rouxi already regarded Ye Chen as her husband.

Ye Chen, Zhao Yanyan and Lin Rouxi started eating the food on the table, Zhao Yanyan and Lin Rouxi's cooking didn't need to be questioned anymore, this was very delicious.

"Delicious" Ye Chen praised the food made by Zhao Yanyan and Lin Rouxi.

Lin Rouxi and Zhao Yanyan were both happy when Ye Chen praised the food they made.

Both of them began to serve Ye Chen, they added a lot of food on Ye Chen's plate.

A few moments later all the food on the table had been eaten by Ye Chen, Zhao Yanyan and Lin Rouxi had not much food, they only ate a little, the rest of it was all consumed by Ye Chen.

"Dear teacher, there is something I want to say to you" Ye Chen wanted to say something to Lin Rouxi.

"What is that?" Asked Lin Rouxi.

"This is about you, now that you have officially become a cultivator, from now on you must practice the same as Zhao Yanyan" Ye Chen told Lin Rouxi that she had become a cultivator.

"Huh?" Lin Rouxi did not expect that now she has become a cultivator just like Ye Chen and Zhao Yanyan.

No wonder now Lin Rouxi felt that her body had become stronger than before.

"And one more thing, from now on you will stay in behavior, this is for your safety" Another Ye Chen wanted Lin Rouxi to live in his villa, there was the safest place for Ye Chen's woman.

Chapter 246 - Meet Xia Ningzi Again

It would be difficult for Ye Chen if the women lived in different locations, if that happened Ye Chen would be difficult to protect them all.

"But. . ." Lin Rouxi still doubted whether she should live with another Ye Chen woman.

"Rouxi's sister. You don't need to worry, all of Ye Chen's women are good women, you can definitely get close to them quickly" Zhao Yanyan told Lin Rouxi to stay with them.

Lin Rouxi still doubted whether she should leave this girl's hostel and live together with Ye Chen.

"Rouxi sister, if something like last night happened, who would help you, if in Ye Chen Villa you could ask for help from the other sisters, giggling" Zhao Yanyan laughed teasingly Lin Rouxi.

Lin Rouxi's face instantly turned red like an apple, she certainly still remembered what happened last night, to fight Ye Chen in bed Lin Rouxi needed a sister to help her pack Ye Chen.

"Okay, I agree" after careful consideration, Lin Rouxi finally agreed to move to Ye Chen's Villa.

After finishing cleaning the dining table, Ye Chen and Zhao Yanyan helped Lin Rouxi package the important items in this room.

The process of packing Lin Rouxi's goods was very easy, Ye Chen gave Lin Rouxi a storage ring to store all her belongings.

Lin Rouxi was surprised after seeing a ring that could insert any object into it, for Lin Rouxi it was like magic.

After all the items had been packed, Ye Chen Zhao Yanyan and Lin Rouxi went to the parking lot where Ye Chen's Car was located.

Ye Chen and the two women immediately got into the car, after everyone had entered, Ye Chen drove the car to the Golden Eagle district.

The trip took time, on the way Zhao Yanyan and Lin Rouxi gossiped with a very small voice, they began to exchange a little of their experiences in bed.

15 minutes later Ye Chen finally arrived in front of his villa, in front of the villa gate there was a luxury car that was crushed, next to this car was Luo Bing who was wearing plain white cheongsam, today was a national holiday so Luo Bing was not wearing the police clothes she usually wears.

Luo Bing's clothes now make Luo Bing look very pretty and sexy.

but Luo Bing's face didn't look happy right now, she had been waiting here for almost 2 hours, but until now Ye Chen hadn't come yet, Luo Bing had to make calculations when Ye Chen arrived here.

"Biipppp" Ye Chen sounded the horn to tell Luo Bing to get out of the entrance gate.

Seeing that the horn was Ye Chen's car, Luo Bing immediately approached Ye Chen's car.

Luo Bing tapped Ye Chen's car window hard enough "knock. .knock. .knock. .knock. . "Ye Chen lowered the rearview mirror of his car.

"Hehehe, sorry Luo police made you wait for a while" Ye Chen chuckled at Luo Bing.

"Wait a minute? . . . Ye Chen, you know, you've made me wait almost 2 hours here, you say 2 hours a minute, I want a beating." Luo Bing clenched her fists quite strongly.

Luo Bing really wanted to vent her anger at Ye Chen "Calm down, you know that today is a national holiday, the road is very tight, I'm stuck for a long time" Ye Chen was looking for an excuse to calm Luo Bing so he wouldn't get angry again.

Luo Bing also knew that today was a national holiday, so the streets were full of people on vacation.

"Huppp" Luo Bing sniffed coldly at Ye Chen, the reason Ye Chen made Luo Bing calm down a little.

Lin Rouxi and Zhao Yanyan smiled seeing Ye Chen deceiving Luo Bing.

Ye Chen immediately parked the car into the garage, everyone who was in the car immediately got down.

"Yanyan you bring in teacher Rouxi inside and introduce her to all the women in the house, I will go together with police Luo somewhere" Ye Chen told Zhao Yanyan to bring Lin Rouxi into the villa.

"Okay, Rouxi sister let's go inside" Zhao Yanyan dragged Lin Rouxi into the villa.

After seeing the departure of Zhao Yanyan and Lin Rouxi, Ye Chen returned to meet Luo Bing.

"Well where is the ginseng you said earlier" Ye Chen immediately asked Luo Bing where the dozens of ginseng aged as he knew he was asking.

"I don't currently carry it, the ginseng is in the seller's hands, let's go there." Luo Bing got into the car.

"What are you waiting for, quickly get in the car" See Ye Chen who was still outside, Luo Bing told Ye Chen to get into her car.

Luo Bing's car is not bad, the price may be millions of dollars.

"Put on your seat belt, we will get there quickly" Luo Bing told Ye Chen to put a seat belt on.

Ye Chen was very helpless, even if Ye Chen didn't wear a seat belt that was no problem, a small accident wouldn't be able to injure or kill Ye Chen.

Unfortunately Luo Bing forced Ye Chen, if Ye Chen would not, then Luo Bing would not drive this car, helplessly Ye Chen put a seat belt on his body.

After Ye Chen put his seat belt on, Luo Bing immediately stepped on the gas pedal and glided off the golden Eagle district.

How to drive Luo Bing is really very fierce, on a very crowded road like this Luo Bing spur vehicles to walk more than 250 Km per hour.

If Ye Chen was not a strong cultivator, surely he would be very frightened by driving Luo Bing who was very fierce.

With this speed, it didn't take long to arrive at the place of people who wanted to sell Ginseng to Luo Bing.

Luo Bing stopped right in front of a fairly large house, Luo Bing and Ye Chen immediately got out of the car.

Ye Chen looked at the large house in front of him, Ye Chen was of course familiar with this house, this was the home of Xia Tian's grandfather.

"Don't tell me that the person who wants to sell Ginseng to Luo Bing is Xia Tian's grandfather?" Ye Chen murmured.

"Let's go inside, before I made an appointment to meet with the ginseng seller" Luo Bing invited Ye Chen into the house and met the ginseng seller.

The guards immediately opened the gates for Luo Bing and Ye Chen, the gatekeepers of course still remembered Ye Chen, this young man was the prospective fiance of Miss Xia Qingyu.

Luo Bing felt strange with the attitude shown by the gatekeepers, usually if there was someone they didn't know wanted to enter, they would ask first to confirm the identity of the person who wanted to enter.

But when she and Ye Chen entered, she was not stopped by the guards, the guards only smiled at Ye Chen and herself.

Luo Bing didn't think too much about it, maybe Mr. Xia had already sent guards to let herself in when she came.

Ye Chen and Luo Bing walked towards the entrance of Xia Tian's grandfather's house.

"Ding. . . "Luo Bing pressed the doorbell.

"Wait a minute" A voice came from inside the house, a few moments later the door was opened by a beautiful woman with a body that was very well developed.

This was not Xia Qingyu, this was Xia Ningzi that Ye Chen met yesterday morning while together with Zhao Yanyan.

Chapter 247 - This Is Very Little, I Want 200 Pieces

"Uh, senior Ye Chen, what are you doing here?" Xia Ningzi was quite surprised to see Ye Chen here.

Luo Bing didn't think that this beautiful woman knew Ye Chen too, why did so many beautiful women know Ye Chen, was this person so famous that there were so many women who knew him.

"Xia Ningzi, where is Xia Tian's grandfather?" Ye Chen asked where Xia Tian's grandfather was.

"Oh, grandfather is in the living room, please both of you go inside" Xia Ningzi informed him that Xia Tian was currently in the living room.

Ye Chen did not expect Xia Ningzi to be Xia Qingyu's sister, it was fitting that this woman reminded Ye Chen to someone, apparently Xia Ningzi was the sister of Xia Qingyu.

"You look very familiar with Mr. Xia, have you ever met before?" Luo Bing asked whether Ye Chen had met with Xia Tian before.

"Well, who knows, hehehe" Ye Chen just chuckled at Luo Bing, he followed Xia Ningzi into the house.

Luo Bing was not satisfied to hear the answer from Ye Chen, Luo Bing followed Ye Chen and Xia Ningzi inside.

"Grandfather, someone is looking for you," after arriving in the living room, Xia Ningzi told Xia Tian that someone was looking for him.

Xia Tian who was reading the news paper immediately saw who was the person who came to visit.

Seeing that the person visiting was Ye Chen, Grandfather Xia Tian immediately smiled warmly "Ye Chen, welcome, you haven't come here for a long time, I think you forgot this place, hahahaha" Xia Tian welcomed Ye Chen's arrival.

"Xia Tian's grandfather hasn't seen you in a long time, how are you, is Xia Tian's grandfather feeling better?" Ye Chen immediately asked Xia Tian's condition.

"Hahaha, of course, I feel like I'm 30 years younger, I now feel very healthy" Xia Tian was very happy, because all the illnesses in his body had healed, he no longer felt sick as before.

Next to Xia Tian was Xia Qingyu, who was reviewing a documentary, although today was a holiday, Xia Qing Yu still had time to review the Xiannu company documentary.

When Ye Chen came, Xia Qingyu immediately glanced at Ye Chen, after that Xia Qingyu returned to focus on the document that was on the table.

It seems like Xia Qingyu did not look happy when she saw Ye Chen.

"Qingyu why are you just silent, hurry up and welcome Ye Chen too, after all he is your fiance" Xia Tian told Xia Qingyu to welcome Ye Chen.

"Ye Chen, hello" There were only a few words that came out of Xia Qingyu's mouth, Xia Qingyu was still the same, in front of other people she would be very cold.

Xia Tian was completely helpless when he saw Xia Qingyu who was like this, fortunately Ye Chen could accept Xia Qingyu's cold nature.

Luo Bing didn't think that the cold woman sitting on the sofa was Ye Chen's fiancée, actually how many women did Ye Chen have.

Luo Bing didn't understand why there were so many women who wanted to be with annoying people like Ye Chen.

Well, it must be admitted that Ye Chen was indeed very handsome, for Luo Bing to be handsome was useless, Luo Bing's ideal type of man was a man who was stronger than herself.

"Wait a minute, isn't Ye Chen stronger than me, is he really my type? , gosh what am I thinking?" Luo Bing tried to get rid of such thoughts from her brain.

"Oh yes, Ye Chen, this is Xia Ningzi, she is also my granddaughter, she should be under you" Xia Tian introduced Xia Ningzi to Ye Chen.

"Xia Tian's grandfather I've met with Xia Ningzi before" Ye Chen told Xia Tian that he had met with Xia Ningzi.

Xia Ningzi was the most shocked person, how could this person be her sister's fiance, wasn't Ye Chen's senior already partnered with the beautiful Fairy Zhao Yanyan, what was going on here, Xia Ningzi could not think clearly.

"Oh, I see." Grandfather Xia Tian nodded, apparently Ye Chen had known his other granddaughter.

Xia Tian finally realized behind Ye Chen there was a beautiful woman who was daydreaming.

"Oh, are you Luo Bing who spoke to me last night on the phone?" Xia Tian's grandfather asked Luo Bing.

"Yes, Mr. Xia, I was the one who contacted you last night, did the item I asked for already exist?" Luo Bing asked about the business she talked about last night with Xia Tian's grandfather.

"Of course, come here, this is the item" Xia Tian pulled out a large box from under the table, he opened the box and showed the contents to Luo Bing.

In the box there are about 10 ginseng whose age is estimated above 50 years.

Last night Luo Bing had discussed the price with Xia Tian, the initial price was actually more than 100 thousand dollars per one Ginseng, after a long transaction Luo Bing finally managed to offer Ginseng from Xia Tian's grandfather for 100 thousand dollars per one Ginseng.

Luo Bing didn't have much money to pay for Ye Chen, so she could only pay Ye Chen for one million dollars.

1 million dollars can only buy 10-year-old Ginseng in tens of pieces.

After seeing the contents of the box Luo Bing nodded at Xia Tian "Ye Chen, how are you satisfied?" Luo Bing asked.

"This is too little, this is not enough" The amount given by Luo Bing was very small, this was not enough to be used by Ye Chen's training.

"Ye Chen, this is already very much, the price is even 1 million dollars, and you say this is still not enough, do you think decades-old Ginseng is cheap?" Luo Bing roared at Ye Chen, finding / growing tens of years old Ginseng is not easy, because this is the price of decades-old Ginseng can be very expensive.

For normal people this Ginseng is very much at all, but for Ye Chen this is very little.

"Xia Tian's grandfather, do you still have more stock for decades-old ginseng?" Ye Chen asked whether Xia Tian's grandfather still had stock for decades-old Ginseng.

"Of course I still have it, how much do you want?" Xia Tian asked how much Ginseng Ye Chen wanted.

"I want 200 pieces of ginseng tens of years old" Ye Chen needs about a hundred ginseng tens of years old.

"Buffft" Xia Qingyu spouted the tea she was drinking, didn't she hear that right? Ye Ye wanted to buy tens of 200-year-old Ginseng, this was crazy.

Does Ye Chen have that much money, even Xia Qingyu's salary of being a CEO for 1 year would not be enough to buy that much Ginseng, how would someone like Ye Chen who worked as her bodyguard dare to speak that much nominal.

"Huh" Xia Tian was quite surprised when he heard the nominal mentioned by Ye Chen, 200 was a very large number, Xia Tian himself couldn't possibly have that many tens of years old Ginseng.

Luo Bing knew that Ye Chen was richer than she was, with wealth like that Ye Chen still had time to blackmail her, this made Luo Bing not too satisfied with Ye Chen.

Chapter 248 - Brother

"Ye Chen, to be honest I don't have that much Ginseng" Xia Tian told Ye Chen that he didn't have Ginseng as much as Ye Chen wanted.

"Xia Tian's grandfather, can't you find me that much, right now I really need it" Ye Chen asked Xia Tian's grandfather to find tens of years old Ginseng.

"Alright, I'll try, I'll ask some of my business friends if they have that much stock." Xia Tian tried to find the ginseng that Ye Chen wanted.

"Xia Tian's grandfather, thank you very much" Ye Chen thanked Xia Tian's grandfather who was willing to find a decades-old ginseng for him.

"No problem, soon we will become a family, problems like this do not need to think too much, hahaha" Xia Tian laughed.

"Alright I will go to my business friend's house to ask him, if indeed I will contact you immediately" Xia Tian decided to go to his business friend's house, Xia Tian has not met his business friends for a long time.

After that Ye Chen exchanged contact information with Xia Tian, if the item Ye Chen wanted was there, Xia Tian would immediately contact Ye Chen.

Xia Tian immediately went to his old friend's house, now in this house only Ye Chen, Luo Bing, Xia Qingyu and Xia Ningzi were left.

Xia Qingyu had finished reviewing all the documents on the table, now all that was left was to send this to the company, she had to go upstairs to send a copy of the document to the company.

Now in this room only Ye Chen, Xia Ningzi and Luo Bing were left.

Xia Ningzi went straight to Ye Chen's side "Senior Ye Chen, I didn't think that you would be my sister's fiance, so from now on I must call you brother-in-law: v" Xia Ningzi smiled at Ye Chen.

The personalities of Xia Qingyu and Xia Ningzi are very contradictory, Xia Qingyu has a cold personality to everyone, while Xia Ningzi is friendly and smiles to everyone.

"You can call me as you like" Ye Chen didn't mind being called like anything by Xia Ningzi.

"Hehehe, brother-in-law, by the way how can you get engaged with my sister?" Xia Ningzi wants to know how the two can get engaged.

"Well, this is the engagement that was decided since childhood, my grandfather and your grandfather arranged all of this" Ye Chen told Xia Ningzi that the engagement was given by their two grandfathers.

"Oh, I see, then what about the beautiful sister Zhao Yanyan, if you will separate from her?" Xia Ningzi asked how Ye Chen and Zhao Yanyan's relationship would be in the future.

Xia Ningzi already knew about Ye Chen's relationship with Zhao Yanyan from Su Yuyu's little loli.

Ye Chen was a little dizzy, this woman knew the relationship between himself and Zhao Yanyan, if Xia Ningzi came to tell Xia Qingyu it would be very bad for Ye Chen.

"Of course not, Yanyan is also my woman, I will not leave her" Ye Chen could not leave Zhao Yanyan.

"But if you marry an older sister, you have to choose one, right?" Asked Xia Ningzi.

"I will choose both of them and make them my two wives," Ye Chen told Xia Ningzi.

"Wait, don't tell me you want to play 3p together with my sister and beautiful sister Zhao Yanyan, ah. . .
. "Brotherhood, brother-in-law is very shameless" Xia Ningzi held her cheek with her hand, she began to think of bad things in the complicated relationship between Ye Chen, Zhao Yanyan and her sister Xia Qingyu.

Ye Chen had no idea that Xia Ningzi knew of this kind of thing, it seemed like today's girls were too brave and open.

"Tch, this person is not good at all, he has a lot of women in his house" Luo Bing suddenly interrupted Ye Chen and Xia Ningzi's conversation.

Even Luo Bing told Xia Ningzi that Ye Chen had several women living in his villa.

"Eh, really, I didn't expect Brother-in-law to be a man like that." Xia Ningzi looked at Ye Chen with questioning eyes.

"Police Luo don't make other people misunderstand, do you really want another beating from me? Ye Chen glared at Luo Bing who was looking for trouble with him.

"You dare" Luo Bing glared at Ye Chen again, she didn't like Ye Chen who often threatened to hit her butt.

"Why don't I dare, let me show who the boss is here" Ye Chen immediately rushed towards Luo Bing, he raised Luo Bing's body with one arm.

Ye Chen's movements were very fast, Luo Bing didn't even have time to run away from Ye Chen's evil hand.

Xia Ningzi who was beside Ye Chen also didn't see Ye Chen's movements just now, she felt Ye Chen disappeared in front of her.

"Ye Chen, what are you doing quickly stop?" Luo Bing tried to free herself from Ye Chen.

"Luo police seems like you've forgotten the lesson at that time, let me remind you again who I am, hehehe" Ye Chen chuckled, he put an evil smile on Luo Bing.

Luo Bing became frightened by the evil smile shown by Ye Chen "Ye Chen please let me go, I know I was wrong, so please let me go" Luo Bing finally lowered her pride and begged for mercy on Ye Chen.

"Okay, I will forgive you," Ye Chen said.

Luo Bing was relieved Ye Chen forgave herself, this person was scary, she was almost beaten in front of other people.

"Hehehe, but I think you need to be given a little punishment so as not to come back against me in the future, Pah. . . .", "Ye Chen slapped Luo Bing's plump ass.

"Ahhh. . . .", "Luo Bing felt a hot feeling in her buttocks.

"Ye Chen will someday kill you, Pah ..." Luo Bing roared angrily at Ye Chen.

Hearing Luo Bing still daring to threaten him, Ye Chen struck even harder "Pahh. . . , Pahh. . . , Pahh. . . , Pahh. . . , Pahh. . . , Pahh. . . "Ye Chen hit repeatedly, he really enjoyed the feeling of hitting Luo Bing's buttocks that were very elastic.

Luo Bing had to endure this humiliation, she was really seen like this by others, this made Luo Bing embarrassed to death.

Xia Ningzi covered her face, she wanted a little peek at the scene that was being done by brother-in-law Ye Chen and Luo Bing.

Xia Ningzi didn't expect the two of them would do something like this, scenes like this might only be in soap operas or something, Xia Ningzi didn't think she could see this in the real world.

After several more beatings, Ye Chen finally released Luo Bing, Luo Bing put on an angry face at Ye Chen.

"Ah, it's time for me to leave, brother-in-law, see you again" In order not to get involved in the dispute between these two people, Xia Ningzi chose to run away, from the beginning Xia Ningzi had an appointment to meet with Su Yuyu, both of whom wanted to go enjoy this holiday.

Xia Ningzi was like a scared rabbit leaving her house.

"Ye Chen, you are very brave to slap my butt again, this time I will make a calculation with you" Luo Bing pounced towards Ye Chen, she was very angry at Ye Chen, Luo Bing had lost her mind, now she just wanted to pounce on Ye Chen and beat him up.

Chapter 249 - Kiss Luo Bing

Luo Bing immediately placed Ye Chen's body on the sofa, she tried to hit Ye Chen's chest repeatedly, Ye Chen who saw this tried to stop Luo Bing's action, he immediately locked Luo Bing's two hands.

Seeing her hands tied by Ye Chen, Luo Bing used another method, she used her teeth to bite Ye Chen.

Ye Chen had no idea that Luo Bing could act this crazy, the old adage was true, an angry woman could do something so crazy beyond reason.

"Luo Bing, calm down, I was just playing" Ye Chen tried to calm Luo Bing's anger.

"What's playing around, you make me embarrassed in front of other people" Luo Bing was angry at Ye Chen.

"Giggling, master seems like you had gone a little too far for this woman, you'd better find a way to calm this woman's anger" Chu Yuechan who saw this giggled.

She felt funny seeing Ye Chen being assaulted by a woman.

Ye Chen found it quite difficult to calm down Luo Bing's female police officer, he had to find a way for Luo Bing to calm down.

Ye Chen finally had a way, he used his charm to confuse Luo Bing.

Luo Bing who saw Ye Chen's face suddenly became confused, her heart was beating very fast, her mind was currently only filled by Ye Chen, this was the same as the first time Luo Bing met Ye Chen, this feeling made Luo Bing confused, Luo Bing began to feel embarrassed as she looked at Ye Chen's face.

"Police Luo, are you alright?" Ye Chen asked Luo Bing.

Luo Bing couldn't answer, she was too shy to answer a question from Ye Chen.

Seeing this, Ye Chen knew that his charm worked on Luo Bing, Ye Chen was glad his charm worked on Luo Bing, Ye Chen began to let go of Luo Bing's hand.

Luo Bing who had escaped, didn't fight Ye Chen, she just buried her face in Ye Chen's chest.

Luo Bing felt that her heart and mind were strange, no matter how hard Luo Bing tried he was very difficult to hate Ye Chen, actually what was happening to her.

It's very rare to see Luo Bing acting shyly like this, if Luo Bing acts like this she looks like a gentle and beautiful woman.

Luo Bing who shyly looked beautiful was Ye Chen's type, involuntarily Ye Chen brought his lips closer to Luo Bing's.

Ye Chen immediately kissed Luo Bing's lips, "umm" Luo Bing was very surprised when Ye Chen kissed her, this was the first time Luo Bing had kissed a man.

Luo Bing felt a very pleasant feeling when kissing with Ye Chen, this could not be said with a single word.

Luo Bing didn't fight at all, she enjoyed kissing with Ye Chen.

Luo Bing's lips were quite soft and pleasant Ye Chen was quite addicted to kissing Luo Bing.

At first Luo Bing was unfamiliar and just passive, eventually Luo Bing started responding to Ye Chen's kiss, Both of them started kissing very greedily.

"Tap. . . , tap. . . , tap. . . , "The sound of footsteps came from the stairs above.

Ye Chen who heard this immediately released Luo Bing, he immediately stopped his charm technique.

After the charm technique disappeared Luo Bing began to regain consciousness, she could not believe what she had just done together with Ye Chen.

She just kissed with Ye Chen passionately, what actually happened to her just now, why she did not refuse when kissed by this bad boy.

Luo Bing felt very confused, Luo Bing's mind began to be very chaotic, each time remembering the kiss just now Luo Bing's face turned red like an apple.

"Ye Chen, where is Ningzi?" Xia Qingyu who just sent a documentary immediately asked where Xia Ningzi went.

"Xia Ningzi just left, she said there was an urgent matter" Ye Chen told Xia Qingyu where Xia Ningzi had gone.

"Oh so Ningzi is gone" Xia Qingyu's tone sounded cold to Ye Chen.

Luo Bing currently bowed her head, Luo Bing's face turned red like an apple, she didn't want anyone else to see her shy face like this.

"I have to go first, you can go home by taxi" Luo Bing could not take it anymore, she immediately excused herself to go home.

Luo Bing immediately ran away from this house, Luo Bing immediately went towards her car that was outside.

"Strange woman" Xia Qingyu felt strange to Luo Bing, why did Luo Bing's attitude change like that, what happened to that woman.

"Qingyu long time no see, I miss you enough" Ye Chen hugged Xia Qingyu from behind.

as Ye Chen embraced Xia Qingyu's body, Xia Qingyu's body trembled slightly.

"Ye Chen let me go, what are you doing" Xia Qingyu acted coldly on Ye Chen, she told Ye Chen to let her go.

"Hehehe, what is wrong if I hug my fiancée" Ye Chen did not want to release his hug from Xia Qingyu.

"Bah, you still remember I am your fiancée, I think you have forgotten me" Xia Qingyu finally let out a temper that she buried.

Xia Qingyu was angry that Ye Chen had been unable to contact for several days, even Ye Chen had left his work as a bodyguard.

"How could I forget my beautiful fiancée, in a few days I went out of town so it was very difficult to contact me" Ye Chen explained to Xia Qingyu that for several days he had been in a remote place.

"Hupp" Xia Qingyu sniffed coldly she did not want to hear an explanation from Ye Chen.

Ye Chen was helpless, quite difficult to explain to Xia Qingyu who was already sulking.

"Forget it, you don't need to explain, tomorrow morning you must come with me" Xia Qingyu began to calm down, tomorrow morning Xia Qingyu wanted Ye Chen to go along with her.

"Where?" Asked Ye Chen.

"Tomorrow we will go to the capital to do business, you must accompany me there, if you ever reject this, I will ignore you forever" Xia Qingyu threatened to ignore Ye Chen if Ye Chen refused this.

"Okay, okay, please don't ignore me" Ye Chen promised Cold Ceo Xia Qingyu.

"Good" Xia Qingyu was satisfied because Ye Chen did not refuse this task.

Xia Qingyu invited Ye Chen to sit on the sofa, the two of them hadn't seen each other in a few days, Xia Qingyu had missed Ye Chen for quite a few days, she didn't think that one day he would think of someone like this.

Luo Bing who had just come out of the Xia family's house immediately rushed to her car, she immediately entered her luxury car.

"Geez, what I did just now, how could I kiss Ye Chen" Luo Bing still couldn't believe she was kissing Ye Chen.

"Bam. . ., Bam. . ., Bam. . .," Luo Bing vented her ignorance on the steering wheel of her car, steering the car that did not know anything was beaten by Luo Bing: V.

Luo Bing tried to calm herself, she was still shadowed by the kiss scene just now.

A few minutes later Luo Bing was finally able to calm down again, After calming Luo Bing began to think about the reason she was acting like that.

Chapter 250 - Traditional Medicine Festival

Luo Bing was very sure that it was Ye Chen, Ye Chen must have used something on her, otherwise how could Luo Bing let Ye Chen kiss her,

"Ye Chen, just remember later, I will definitely find a way to get revenge on you" today Luo Bing did not accept Ye Chen's treatment of her, in the future Luo Bing will definitely find a way to deal with Ye Chen.

With a chaotic feeling Luo Bing stepped on the gas of her car, Luo Bing's car immediately left the Xia family's residence.

"Where did your father go, did after that incident he still behaved as before? Ye Chen asked where Xia Wuxan was.

"Dad is now in a village not far from this city, he and my mother are taking care of the medicine garden there, grandfather told him to take care of the medicine garden in the village" Xia Qingyu told him that Xia Wuxan was sentenced by Xia Tian grandfather taking care of the medicine garden in the village.

Xia Tian wants Xia Wuxan to learn more so that life is not always about money, because this is what Xia Tian made Xia Wuxan live in the village, in the village Xia Wuxan will learn a little meaning of simplicity.

"So your father is being punished by Xia Tian's grandfather, I hope he learns from his mistakes and change" This is good enough news, Xia Wuxan is being taught by Xia Tian's grandfather.

"Oh yeah, do you still remember Jun Moxi who always bothered me" asked Xia Qingyu.

"Of course, so what? "Ye Chen answered, Ye Chen certainly remembered Jun Moxi, that person dared to disturb Xia Qingyu.

"The company is in the midst of a very extraordinary crisis, soon the Jun Moxi Company will go bankrupt, fortunately I have already cut off cooperation with their company. I'm glad Jun Moxi's company people are bankrupt, from now on Jun Moxi probably won't interfere with my life anymore. "Xia Qingyu told Ye

Chen that Jun Moxi's company would end soon, and that shameless person would eventually stop bothering her.

"That's very good news, hehehe" Ye Chen chuckled, Ye Chen did not tell Xia Qingyu that the destruction of Jun Moxi's company was due to his wife Liu Yue.

Because Jun Moxi's father Jun Jing offended him and Liu Yue, Jun Moxi's company had to bear the consequences of Jun Jing's actions.

"By the way, what business are we doing in the capital tomorrow?" Ye Chen wants to know what business Xia Xiayu wants to do in the capital.

"Tomorrow we will discuss, Ring. . . Ring, . . . Ring, . . ." Before Xia Qingyu could say, Ye Chen's cellphone rang.

Ye Chen immediately saw who the person who was calling him was.

The person who was calling himself turned out to be Xia Tian's grandfather, it seems like Xia Tian wanted to tell Ye Chen the news about the Ginseng that Ye Chen wanted.

Ye Chen picked up a call from Xia Tian "hello grandfather Xia Tian" Ye Chen greets Grandfather Xia Tian.

"Ye Chen I have good news for you, in the next city there is currently a traditional medicine market festival, there maybe you can get the ginseng that you are looking for" Xia Tian told Ye Chen that in the next town there is an annual festival of traditional medicine that is currently in a title every year.

"Grandfather Xia Tian, where is the location, let me go there" Ye Chen asked where the location of the traditional medicine festival was.

"I will send the coordinate to you, right now my old friend and I are also on their way there, you can catch up with us" Xia Tian's grandfather was also on his way to go to the annual festival of traditional medicine.

"Okay I'll catch you up" Ye Chen turned off the call.

"Ye Chen is that my grandfather, what did he say?" Xia Qingyu wants to know what her grandfather just said.

"Your grandfather said that there is a traditional medicine festival in the next town, he said there I can get the ginseng that I want" Ye Chen told Xia Qingyu what he had just talked about with his grandfather Xia Tian.

"Are you sure you want to buy that much ginseng, do you have that much money?" Xia Qingyu immediately asked if Ye Chen had that kind of money to buy hundreds of decades of ginseng.

"Hehehe, you don't need to worry, I certainly have enough savings to buy that much Ginseng" Ye Chen chuckled at Xia Qingyu.

Ye Chen was the boss of the owner of the Xiannu company, how could Ye Chen be a poor man, Ye Chen hid that he was the owner of the Xiannu Company of Xia Qingyu, for now Ye Chen had let Xia Qingyu not know about this matter.

by being Xia Qingyu's bodyguard, Ye Chen could be closer to Xia Qingyu, if Ye Chen told Xia Qingyu that he was the owner of the Xiannu company then Xia Qingyu's attitude would have changed for him.

"If you're really that rich, why do you want to work as a bodyguard for a company? , isn't the salary there small for you?" Xia Qingyu began to suspect why Ye Chen worked in the company she manages.

Ye Chen misheard, it seems like Xia Qingyu started to get suspicious about Ye Chen, it was because I was tired of just staying at home, I worked to fill my free time. "Very quickly Ye Chen found a reason to answer Xia Qingyu's question.

"Then what do you need that much Ginseng for?" Xia Qingyu wants to know what Ye Chen will do with that much Ginseng.

"What's more, of course making a pill" Ye Chen told Xia Qingyu what he would do with this much ginseng.

"Do you think you can mix a pill?" Asked Xia Qingyu.

"Hehehe, have you forgotten who healed your grandfather?" Ye Chen is very proud to show off his medical abilities to Xia Qingyu.

Xia Qingyu almost forgot this, she almost forgot that Ye Chen was a very great medical doctor, even her grandfather's illness could be easily cured by Ye Chen.

Xia Qingyu began to think maybe Ye Chen was getting money from selling the pills he had made, if that were true then the money he would have gotten would have been very tolerable.

let alone the efficacy of the pill that Ye Chen made was very effective, one would not hesitate to pay a lot of money if the efficacy of medicine was effective.

"Ding. . ." A message entered Ye Chen's cellphone, the contents of this message tell where the location of the Traditional Medicine Festival is.

"Qingyu, I will go to the festival venue, do you want to come with me? Do you want to go?" "Ye Chen must go there, he invited Xia Qingyu to come along, who knows Xia Qingyu is interested in going with him.

"I'm coming with you, I feel bored staying at home alone", Xia Qingyu felt bored staying at home alone, anyway it's a holiday, very rarely Xia Qingyu can relax without having to think about work.

"Wait for me here, I will change clothes first" Xia Qingyu told Ye Chen to wait here, she went upstairs to change clothes.
