

Chapter 271 - Ye Chen Vs Silver Werewolf (3)

After the Divine Yin Yang Sword was strengthened by Ye Chen's flames, the two silver werewolves easily burned to ashes.

Robet who saw this was quite surprised, his two subordinates were not that weak, how could this person kill both of them with one strike.

Even the two subordinates didn't have time to recover, they were both immediately burned to ashes by Ye Chen's flames.

Ye Chen didn't expect that his flames could become that strong after being combined with the Divine Yin Yang Sword, not even the silver werewolves were given the opportunity to put up a fight.

"Now it's just you alone, now what can you do" Ye Chen put on a evil face on the robet.

With the Divine Yin Yang Sword, the silver werewolves became extremely fragile, they couldn't boast of their regeneration ability.

"Human bastard, how dare you kill our nation, I won't let you go." Robet looked even more angry at Ye Chen.

The silver hairs on Robet's body began to turn a blood red color.

The aura released by Robet was also getting stronger, little by little the power of the robber approached the cultivators at the 6th level of the Overlord Realm, it seemed like he was using the aces he had.

Robet burned the blood of the wolf-god blood he had to temporarily increase his strength.

After burning the wolf-god blood on his body, the price Robet had to pay was that he would no longer be able to turn into a werewolf for some time.

This was comparable to the increase in strength he could gain from burning the wolf god's blood.

In the silver wolf race, only certain people are gifted with wolf god blood, people like this usually have high positions in the royal family.

Prince Joe is also one of the people who has the blood of a wolf god, unfortunately Prince Joe still can't control it, if forced, people who can't control the wolf god's blood will lose control and go on a rampage.

They will become machines that kill anyone around them, be it their family or close members. They will not escape the blood of the wolf god who goes out of control.

It was for this reason that Joe's prince didn't dare to use the wolf god's blood ability, he was afraid he would lose control.

Robet's body was getting bigger and bigger, the muscles in his body were also getting stiffer and harder, the claws he had now became long, these claws turned into knives ready to pounce on Ye Chen.

the fangs of the ribs become large and elongated, it would be very dangerous if used to tear apart the human body.

Her eyes were red like blood, she looked at Ye Chen with an extremely powerful murderous gaze.

"Awwuu" Robet howled again, after he howled he moved forward towards Ye Chen.

"God Silver Claw." Robet's long claw gave off a very dazzling silver light, because it was strengthened by the blood of the wolf god, this time's attack was much stronger than before, Robet swung this claw at Ye Chen.

Ye Chen lifted the Divine Yin Yang Sword, he slashed at the direction of the Robet claw.

"Clang. . ., clang. . . clang. . . clang. . ."The Divine Yin Yang Sword collided with the God Silver Claw.

It was unbelievable that the robot's God Silver Claw technique could match the slash of the Divine Yin Yang Sword.

Even though the God Silver Claw technique was capable of dealing with the Divine Yin Yang Sword, it could be seen that the Divine Yin Yang Sword was superior to Robet's technique.

The ripped long claws were no longer able to withstand the Divine Yin Yang Sword's attack.

Prince Joe, who was behind Ye Chen, was blown away by the power generated from the battle between Ye Chen and Robet.

He was currently in such a bad condition, there wasn't a single barrier protecting Prince Joe from the effects of the battle between Ye Chen and elder Robet.

"Elder Robet, hurry help me, I can not take it anymore" Prince Joe begged elder robot to save himself immediately.

Seeing Joe's pangean was in a bad condition, Robet had to step back, Robet did not think that the artifact weapon used by Ye Chen was this strong.

In fact, he was very confident that he could kill Ye Chen with just one strike.

Robet looked at his claws, his claws were almost half cut off by the Divine Yin Yang Sword.

If he hadn't fallen asleep before, he might have been slashed by the Divine Yin Yang Sword.

What makes Robet strange is that his claws cannot regenerate.

"Now I understand, so the artifact power you have is negating my regeneration power, it's no wonder you can kill my two subordinates easily, it turns out you have a terrifying weapon artifact." Robet is more experienced in battle, he can quickly analyze the power of Divine. Yin Yang Sword.

Ye Chen "turns out you are smarter than those people, it's a shame you are on the wrong side"

Not only is his strength strong, this person also has a clever mind, Robet can very easily analyze the abilities of the Divine Yin Yang Sword.

"I am not on the wrong side, you are on the wrong side, you have dared to cause trouble with our royal family, I swear I will definitely kill you." Robet didn't have much time left to maintain the strength of the wolf god blood.

He had to immediately end Ye Chen, Robet was eager to kill Ye Chen with the ultimate technique he had, unfortunately behind Ye Chen was Joe's master.

If he used this ultimate technique on Ye Chen, then Prince Joe who was behind Ye Chen would also be hit by an attack from Robet.

Robet had to save the crown prince first, that way he could use the ultimate technique he had on Ye Chen.

Robet moved back towards Ye Chen, he was currently not eyeing Ye Chen, what he was aiming for was Prince Joe who was behind Ye Chen.

Ye Chen prepared to attack the Robet that was approaching him, unfortunately the robber turned Ye Chen a little, what he wanted was to take Prince Joe who was behind Ye Chen.

Ye Chen saw that Robet wanted to take Prince Joe who was behind him, Ye Chen did not remain silent, he immediately stabbed Prince Joe's heart behind him.

"Uhhh. . ." "Prince Joe's heart was pierced by the Divine Yin Yang Sword.

Divine Yin Yang Sword channeled fire into Prince Joe's body. The flames started to burn Prince Joe's body, immediately Prince Joe turned to ashes.

" not . . . !!! Robet screamed hysterically, in front of his own eyes, he let Ye Chen kill the crown prince.

"How dare you, I will kill you and all your family members" Robet was furious, from within his body exploded with a very tremendous force.

Robet sucked an enormous amount of air into his mouth.

The torn chest started to bulge. "Sonic Wave, Roar" from his mouth. Robet let out a high power ultra sonic wave.

The strength of this wave is enough for Robet to destroy all the objects in front of him.

The power of the explosion was equivalent to tens of tons of TNT explosives.

Ye Chen went to Xia Ningzi's side, he created a fire barrier in front of himself and Xia Ningzi.

"Bommm. . . !" "An extremely violent explosion occurred within the barrier Ye Chen had created.

The explosive power of the ultra sonic wave made the layered barrier that Ye Chen created vibrate.

If the layered barrier that Ye Chen had created was destroyed, it was certain that a few kilometers from here would be smashed into the ground.

luckily Ye Chen's barrier was still strong enough to withstand the attacks of the Sonic Wave technique.

As a result of the explosion just now Dust was flying everywhere.

After the dust began to dissipate, a fire barrier was still visible standing upright.

Inside the fire barrier were Ye Chen and Xia Ningzi. "People who are quite crazy, he uses that much power in a small barrier like this." Ye Chen did not expect the robbery to be this crazy. that person used such a strong force within a small barrier like this.

Ye Chen wanted to see if that person was still alive or not, it should be that with such a powerful explosion, that werewolf should also be killed by the super sonic attack he used himself.

After the dust had completely disappeared, around here Ye Chen did not find the existence of Robet.

Looks like Ye Chen's guess was right, Robet was killed by the attack he had done himself.

Well that's better, Ye Chen didn't have to bother getting his hands dirty to kill that person.

Ye Chen turned his attention to Xia Ningzi who was currently sleeping on the bed.

Xia Ningzi's current state was not very good, she squirmed like a caterpillar that was overheating.

Seeing this, Ye Chen went over to Xia Ningzi's body, he wanted to see what happened to Xia Ningzi.

Ye Chen started to check the state of Xia Ningzi's body, Xia Ningzi's body is currently very hot.

Looks like Xia Ningzi was given a stimulant by Prince Joe.

"Damn, that bastard, dare to give Xia Ningzi medicine like this." Ye Chen cursed Prince Joe who had given Xia Ningzi a lust stimulant.

Unfortunately that person in question is no longer in this world, so Ye Chen can't take his anger out on Prince Joe.

Chapter 272 - Treat Xia Ningzi

"It's hot, someone help me." Xia Ningzi started delirious a little, at this time she was very uncomfortable, her body was very hot, it felt like it was going to burn.

Xia Ningzi's hand unconsciously touched Ye Chen's body, "whoever you help me, I'm very uncomfortable." Xia Ningzi asked Ye Chen for help.

Xia Ningzi had absolutely no idea that the person she was holding was Ye Chen, what Xia Ningzi wanted right now was to dissipate the extremely uncomfortable heat on her body.

"Ningzi, calm down I will definitely help you." Ye Chen will definitely help Xia Ningzi.

But first, Ye Chen had to take Xia Ningzi away from this place first.

This place wasn't safe for him and Xia Ningzi, with the mess that Ye Chen had made in this room, sooner or later the police / Six Dor Organization would come here.

Ye Chen didn't want to drag Xia Ningzi into this problem.

That's why Ye Chen had to take Xia Ningzi away from this place.

Ye Chen carried Xia Ningzi in his arms, Ye Chen took Xia Ningzi, who was not yet too conscious, to leave the star hotel room.

Some time after Ye Chen's departure, under the rubble there was a lump of flesh left over from Robet's body.

This lump of flesh began to squirm as if alive, little by little this lump of flesh began to grow and turn into a human.

Robet who should have died is currently alive, with only a small lump of flesh Robet can restore his body.

The power of regenerating the silver werewolf was indeed terrifying.

Luckily Robet was still able to survive Ye Chen, he was lucky that wolf god blood helped him regenerate this fast.

If there wasn't wolf god blood to help him, the robets couldn't possibly recover with just a tiny lump of flesh.

Now that the wolf god's blood has been burned by Robet, Robet's werewolf ability is now gone.

"Damn, that guy is so strong, I can't fight it." Robet was very sorry for failing to protect Prince Joe.

"I have to report this to the king." Robet decided to return to the western world and report this to the king.

If the king found out that the crown prince had died the king would be very angry.

the city and the people who have killed the crown prince will surely be raged by the king

Robet knows that when he comes back, he will be punished very heavily by the king.

Robet had no other choice, because of the oath he had made, he could not betray the royal family, otherwise the entire family would be destroyed by the king.

With a very weak physique, Robet left the hotel building.

Ye Chen had absolutely no idea that the silver werewolf he thought was dead was still alive.

Right now Ye Chen's priority was to save Xia Ningzi who was very aroused.

While on the way, Xia Ningzi's hands started dishonestly touching Ye Chen's body.

"Give me, quickly give me, I can't take it anymore" Xia Ningzi spat out indecent words, she wanted Ye Chen to help herself get rid of this uncomfortable feeling.

Ye Chen was a normal, healthy man, the stimulation from Xia Ningzi naturally excited him.

But Ye Chen was still trying to restrain himself, Ye Chen brought Xia Ningzi to his village, there was the safest place for Ye Chen to heal Xia Ningzi.

Ye Chen got off in front of his villa, Ye Chen brought Xia Ningzi into the house.

" Husband, are you home? "The beautiful woman who welcomed Ye Chen was Zhao Yanyan.

Zhao Yanyan immediately looked at the beautiful woman in Ye Chen's embrace.

Zhao Yanyan was very familiar with this beautiful woman, this was the Xia Ningzi she met yesterday.

"As expected from husband, you very quickly brought the beautiful woman you met yesterday." Zhao Yanyan giggled at Ye Chen.

She did not expect that Ye Chen would bring Xia Ningzi back here, Ye Chen was too fast in finding the beautiful woman he just met yesterday.

"Dear Yanyan, this is not what you see, currently Xia Ningzi is being hit by a stimulant medicine, I have to heal her." Ye Chen told Zhao Yanyan what was happening to Xia Ningzi.

"Stimulant drug ?, who did it?" "Zhao Yanyan wants to know what's going on with Xia Ningzi.

"I'll explain later, now I have to heal Xia Ningzi first." First, Ye Chen must heal Xia Ningzi first.

"Please help me very uncomfortable." Xia Ningzi kept on delirious.

Zhao Yanyan understood, she let Ye Chen carry Xia Ningzi upstairs.

Ye Chen quickly took Xia Ningzi upstairs, he opened an empty room in this villa.

There are so many empty rooms in this villa, so Ye Chen doesn't have to worry about finding an empty room for Xia Ningzi.

Ye Chen immediately laid Xia Ningzi down on the soft bed.

Xia Ningzi wriggled again like a snake that was overheating, she kept calling for help to get rid of this uncomfortable feeling.

It is time for Ye Chen to heal Xia Ningzi. The stimulant in Xia Ningzi's body is not as dangerous as an aphrodisiac.

But leaving it would also cause a little damage to Xia Ningzi's body.

All Ye Chen needed to do was make Xia Ningzi reach the top.

Ye Chen started to take off the clothes on Xia Ningzi's body.

Ye Chen's movements were very gentle, Ye Chen quickly took off all the clothes on Xia Ningzi's body.

Xia Ningzi's naked carcass was so perfect, it was even comparable to the body that an adult Milf had.

If Ye Chen didn't know that Xia Ningzi was around 15 ~ 16 years old, Ye Chen would have thought that Xia Ningzi was an adult woman who was over 25 years old.

Xia Ningzi's beautiful body was so seductive, Ye Chen's younger brother who was below began to rise.

"Calm down." Ye Chen tried to calm himself down, he now had to treat Xia Ningzi.

Ye Chen started to touch Xia Ningzi's beautiful body, Ye Chen immediately touched the two mountain peaks of Xia Ningzi which were already very well developed, Ye Chen did not expect that at this age Xia Ningzi would have this size.

At least this is an E cup, Ye Chen's one hand can't afford to cover the mountain peak belonging to Xia Ningzi.

When Ye Chen touched her chest, Xia Ningzi felt a very pleasant and comfortable feeling, her body felt very comfortable when Ye Chen touched her.

The uncomfortable feeling in Xia Ningzi's body began to disappear, this was replaced by a very comfortable feeling.

Ye Chen started playing with Xia Ningzi's two lovely pink buds.

"Ahh. . ." Xia Ningzi started to groan with pleasure, she had never tried something like this before.

Ye Chen didn't care, he continued to grope and touch Xia Ningzi's upper body.

Xia Ningzi really couldn't stand the stimulation that was given by Ye Chen.

Her body was twitching, she felt something was about to overflow from her lower body.

Seeing Xia Ningzi's body tremble, Ye Chen knew that Xia Ningzi was about to come out.

Ye Chen squeezed, pinched and kneaded even harder.

"Ahh." Xia Ningzi shouted, she just came out.

In the face of Ye Chen's extremely formidable technique, a pure virgin like Xia Ningzi quickly reached the Peak.

Xia Ningzi's body was still shaking with pleasure from reaching the peak.

Seeing that Xia Ningzi had reached the Peak, this should be enough to eliminate the stimulant that was in Xia Ningzi's body.

Chapter 273 - Big Brother Ye Chen Let Me Rub Your Back

Ye Chen reached out and saw Xia Ningzi's condition.

Xia Ningzi's condition has started to improve a little, maybe Ye Chen needs to do a few more times so that the stimulant in Xia Ningzi's body can disappear completely.

Ye Chen returned to caress Xia Ningzi's body, Xia Ningzi, who was still very sensitive, suddenly felt immense pleasure, suddenly Xia Ningzi groaned again.

"Ahh. . . . , Well that's great, even stronger." Xia Ningzi began to speak sassy and full of passion.

In Ye Chen's ear, Xia Ningzi's coquettish voice was like a devil's whisper telling Ye Chen to do Xia Ningzi.

Ye Chen tried to restrain himself, he couldn't possibly do with a woman who was still 15 ~ 16 years old, that big thing of hers might be able to damage Xia Ningzi's body.

Ye Chen's eyes suddenly looked down, at the bottom of Xia Ningzi's body there was still a little grass growing, for Ye Chen this was very cute.

Xia Ningzi's honey cave lips were still very narrow and tightly closed, it was like a fairy calling Ye Chen to open it.

The flames inside Ye Chen's body started to rise, he felt very uncomfortable.

It was not only Xia Ningzi who had to endure the discomfort, Ye Chen also now felt very uncomfortable, he wanted to confide in a woman's body.

Ye Chen continued to touch and caress Xia Ningzi's body, within 10 minutes Xia Ningzi had vented several times.

After going out several times, Xia Ningzi's body became weak, she was no longer able to make a sound.

Xia Ningzi started to close her eyes and slept very peacefully.

Seeing that Xia Ningzi was getting better.

Ye Chen covered Xia Ningzi's body with a blanket, for now let Xia Ningzi rest in peace.

Finally it was all over, Ye Chen felt relieved, the stimulation just now almost made Ye Chen lose control.

Ye Chen left the room occupied by Xia Ningzi, he went to find one of his wives, Ye Chen felt uncomfortable he needed a place to vent.

After Ye Chen's departure, Xia Ningzi slightly opened her eyes, she actually had a little awareness.

She saw and felt what Ye Chen had done to her body, Xia Ningzi did not expect that she would do something like that with her older sister's fiancé.

But what made Xia Ningzi confused was the comfortable feeling from Ye Chen's hand caress, she had never felt such a comfortable feeling in her life.

Xia Ningzi started to like the feeling earlier, she began to remember what Ye Chen had done to her body.

"Ouchhh, what am I thinking, why am I a perverted woman?" Xia Ningzi curled up on the soft bed.

Xia Ningzi's mind had always imagined the pleasure she had just gotten from Ye Chen.

Xia Ningzi's body was currently very exhausted from Ye Chen's stimulation just now, without her realizing it she closed her eyes and fell asleep.

Ye Chen went down to the bottom floor, he is currently looking for his wife, too bad Ye Chen did not find the whereabouts of Zhao Yanyan and others.

"Big brother Ye Chen, what are you doing?" Xiao Lulu suddenly came to Ye Chen and asked him.

"Oh Lulu, that. . . I'm looking for Zhao Yanyan and the others, have you seen them? ", Ye Chen asked where Zhao Yanyan and other women are.

"I don't know either, sometimes they all disappear like ghosts." Xiao Lulu himself sometimes confused about where Zhao Yanyan and the other women had gone.

Zhao Yanyan and the other women usually disappeared and appeared suddenly, which made Xiao Lulu confused about where Zhao Yanyan and the other women had gone.

Ye Chen understood Xiao Lulu's confusion, it seemed that Zhao Yanyan and other women were entering the fairy gate.

Xiao Lulu didn't know about the fairy gate, therefore she didn't know that currently Zhao Yanyan and the other women were inside the fairy gate.

"Big brother Ye Chen, do you want to take a shower?" Xiao Lulu suddenly offered Ye Chen a bath.

It's not usually Xiao Lulu to have Ye Chen take a bath.

What was going on here, it was unusual for Xiao Lulu to offer Ye Chen a hot shower, Xiao Lulu's face suddenly turned bright red, there was a hint of steam above Xiao Lulu's head.

Xiao Lulu is still the same, she is a shy girl.

Ye Chen probably needed a bath to calm his discomfort.

After all, Ye Chen couldn't bear to reject Xiao Lulu's good intentions. "Okay, I'll take a shower, please prepare everything." Ye Chen agreed to take a shower.

"OK, I'll heat the water, wait a minute." Xiao Lulu was very excited, she quickly went to the bathroom to prepare hot water.

Ye Chen was also happy when he saw Xiao Lulu happy, this cute woman like a doll made Ye Chen want to always take care of her.

It didn't take long for Xiao Lulu to heat the water, she checked the water temperature for Ye Chen, after feeling the temperature was just right for Xiao Lulu to call Ye Chen.

"Big brother Ye Chen, the water is ready, please take a shower." Xiao Lulu told Ye Chen to take a shower immediately.

"Alright, I'll take a shower soon." Ye Chen went to the main bathroom, the main bathroom in this house was enormous, it could accommodate dozens of people in it.

Ye Chen took off all the clothes on his body, first he went to the shower to wash his body.

After becoming a cultivator, Ye Chen quite rarely enjoyed bathing like this, usually he would bathe in a hurry without caring about cleanliness.

A cultivator could protect himself from dust or dirt, which was why even if Ye Chen didn't shower his body could still be clean.

The water that came out of the shower was quite warm and soothing, the fire in Ye Chen's body began to recede.

"Click" Suddenly the bathroom door opened, Ye Chen immediately looked back to see who broke into this bathroom.

In front of the entrance door, currently standing Xiao Lulu with a bath towel wrapped around her body.

Xiao Lulu's hair had been rolled up so that it didn't get wet with water, Xiao Lulu's seductive appearance made the fire in Ye Chen's body come back to life.

"Lulu, what are you doing?" Ye Chen asked what Xiao Lulu was doing, why did she suddenly break in.

"Big brother Ye Chen, that. . . , let me rub your back." With a shy face, Xiao Lulu wanted to rub Ye Chen's back.

"Eh why suddenly?" Ye Chen covered the younger brother who was at the bottom.

"Because this is a maid's job." Xiao Lulu walked behind Ye Chen.

She knelt right behind Ye Chen's back, from behind here Xiao Lulu could see Ye Chen's large back.

"Maid duty?" Ye Chen doesn't understand why Xiao Lulu turned out like this.

"Yes, this is a maid's duty, big brother Ye Chen should be quiet and leave this to me." Xiao Lulu took a cloth, she rubbed the liquid bath soap on this cloth.

The cloth that had been exposed to the soap liquid immediately foamed, Xiao Lulu used a cloth to rub Ye Chen's back.

Ye Chen was so helpless by what Xiao Lulu was doing, how could Xiao Lulu change from being a shy girl to being so brave like this.

Chapter 274 - Ye Chen & Xiao Lulu (1)

Ye Chen started to wonder what really got into Xiao Lulu's mind that she wanted to do this.

Behind Ye Chen, currently Xiao Lulu was rubbing Ye Chen's back very carefully, she tried not to hurt Ye Chen while rubbing his back.

"Rub. . . , rub. . . , rub. . . , rub. . . , rub. . . , rub. . . , "

Xiao Lulu saw that Ye Chen's back was enormous, it was much bigger than a girl's, it was also sturdy and muscular.

Xiao Lulu felt very comfortable when she touched Ye Chen's back.

"Rub. . . , rub. . . , rub. . . , rub. . . , rub. . . , rub. . . , "Xiao Lulu wholeheartedly rubbed Ye Chen's back.

The current Ye Chen was very difficult, Xiao Lulu's small and soft fingers tickled his body.

Moreover, the flames at the bottom of Ye Chen were still standing upright.

"Big brother Ye Chen, is this comfortable?" Xiao Lulu asked Ye Chen whether the service was comfortable or not.

"Yes, yes, yes, it's comfortable." Ye Chen answered yes three times.

"I'm so happy." With a really beautiful smile, Xiao Lulu looks so beautiful.

Ye Chen did not expect Xiao Lulu to be so innocent, she didn't know that what she had done made Ye Chen so uncomfortable.

Ye Chen felt like he wanted to blow off all the complaints inside his lower body.

"Oh yeah, Lulu where did you learn this?" Ye Chen asked where did Xiao Lulu learn this kind of thing.

There was no way the usually shy Xiao Lulu could do something like this, there must be someone teaching her, Ye Chen wanted to know who it was.

"That, I just learned this from the book I bought yesterday." Xiao Lulu learned this from the book she bought yesterday.

Book? , what book is it ? "Ye Chen wants to know what kind of book Xiao Lulu studied.

"The book is entitled How to be a good maid, yesterday the shop owner suggested the book to me" yesterday Xiao Lulu went to buy a new book for cooking recipes, unexpectedly when she bought the book, the shop owner suggested that she buy a book on how to be a good maid.

The shop owner said that if Xiao Lulu learned what was in this book, master, who you are serving will be very happy.

Xiao Lulu was tempted by the shop owner's teasing, she wanted to thank Ye Chen for allowing herself to live in such a comfortable house.

Xiao Lulu wanted to repay Ye Chen by serving wholeheartedly, that's why she bought the book that the shop owner suggested.

Xiao Lulu wanted to make Ye Chen happy with her better service.

The books that Xiao Lulu learned were filled with how to become a good maid, from waking up the master in the morning, helping the master to change clothes, preparing breakfast, helping with the shower, massaging, and even warming the bed.

Xiao Lulu did not understand the meaning of warming the bed at all, she intended to turn to sister Fu Lanling, because Xiao Lulu and Fu Lanling were the closest of all of Ye Chen's women.

For now Xiao Lulu learned how to help master bath, and the result made her happy, Ye Chen enjoyed what she was doing.

It seems that Xiao Lulu didn't buy books wrongly, now she understands how to be a good maid.

Xiao Lulu continued to rub Ye Chen's back, Ye Chen's back was now completely clean.

"Okay done, big brother Ye Chen, now let me clean your front." Xiao Lulu got up and went in front of Ye Chen.

"Wait, Lulu, you don't have to go that far." Ye Chen told Xiao Lulu to just stop, he didn't want Xiao Lulu to see his big thing.

Ye Chen's words were a little late, at this time Xiao Lulu was already in front of him.

Xiao Lulu knelt in front of Ye Chen, Xiao Lulu looked at Ye Chen's front body, in the middle of Ye Chen's crotch, Xiao Lulu saw a large object that looked like a mushroom.

"Big brother Ye Chen, why do you grow mushrooms at your bottom?" Xiao Lulu innocently asked Ye Chen.

Xiao Lulu felt strange with Ye Chen's large object, why didn't she have one like Ye Chen's.

Xiao Lulu did not really know about the differences between male and female bodies, she never attended school, therefore Xiao Lulu did not understand the difference between male and female bodies.

Since childhood, Xiao Lulu was only taught how to read, she never touched a lesson like this.

Ye Chen didn't know whether to laugh or cry at the innocence that Xiao Lulu had.

"This Lulu is an important life root for a man, if it is damaged then a man will not be a man anymore." Ye Chen told Xiao Lulu what big thing he had.

"Ah. . . This is twitching." Xiao Lulu muttered in her heart, she was a little scared when she saw this big thing.

But Xiao Lulu had to wash Ye Chen's body, like it or not, she had to touch this big thing.

Ye Chen said that this thing was very important, so Xiao Lulu had to be careful when cleaning this big thing.

Xiao Lulu's small fingers touched Ye Chen's large object, she began to rub Ye Chen's large object very gently.

Xiao Lulu felt that this thing was hot, hard and very sturdy, her fingers began to tremble while holding Ye Chen's large object.

Ye Chen did not expect that Xiao Lulu would do something like this, the flames in Ye Chen's body started to rampage, he could barely stand the temptation Xiao Lulu was doing anymore.

Ye Chen's large body object became much bigger, Xiao Lulu's two little fingers were unable to hold onto this.

"Big brother Ye Chen, why is this thing getting so bloated, does it hurt?" Xiao Lulu innocently asked Ye Chen, Xiao Lulu was worried that Ye Chen was currently in pain.

"Damn, isn't this your fault for teasing me?" Ye Chen roared in his heart, Xiao Lulu's innocent teasing was fatal to Ye Chen.

Ye Chen tried to resist Xiao Lulu's temptation, he had to endure this.

"Giggle, master, this girl is so innocent, I don't know if she actually did this to you." Chu Yuechan laughed at Ye Chen who was in a bad state.

Chu Yuechan felt funny about what a cute girl like this doll was doing, she was so innocent that Ye Chen was in this state.

"Master, why are you holding her back, just do this cute girl, I'm sure she will really like dual cultivation with you." Chu Yuechan teased Ye Chen with a very coquettish voice.

What Chu Yuechan did did not help Ye Chen, she instead added fuel to Ye Chen's fire.

Xiao Lulu looked up, she saw Ye Chen who was moaning, "Big brother Ye Chen, are you okay, is what I'm doing uncomfortable for you? Xiao Lulu very worriedly asked Ye Chen.

Xiao Lulu was afraid that something would happen to Ye Chen, was this thing really in serious trouble, if that was true then Ye Chen would no longer be a man.

Ye Chen could no longer stand this humiliation, he had to find a place to vent.

Ye Chen had an evil thought on Xiao Lulu "Then I really feel uncomfortable, can you help me heal this thing with your mouth?" Ye Chen told Xiao Lulu to help himself by using her mouth.

Chapter 275 - Ye Chen & Xiao Lulu (2)

"Mouth ?, how to do it." Xiao Lulu didn't know what Ye Chen meant.

"I mean, put this big thing in your mouth, let you suck what is in it, if what's inside this thing that is mine comes out, then I will recover." Ye Chen told Xiao Lulu to use her mouth to help his belongings.

Ye Chen didn't know where these evil thoughts came from, but he wanted to try the taste of an innocent girl like Xiao Lulu.

Xiao Lulu now understood Ye Chen's meaning, but she didn't know if this huge thing would fit inside her mouth.

The size of this thing is too big for Xiao Lulu, Xiao Lulu looked at Ye Chen, saw Ye Chen in pain, Xiao Lulu wanted to help Ye Chen.

Xiao Lulu easily believed what Ye Chen said, she strengthened her determination.

Xiao Lulu saw the large object in front of her eyes, she opened her small mouth towards Ye Chen's large object.

Ye Chen's large object began to enter Xiao Lulu's small mouth.

Xiao Lulu's small mouth was so moist and comfortable, little brother Ye Chen was enjoying this sensation very much.

Xiao Lulu felt that her mouth was so full of Ye Chen's large object, she felt that she almost vomited because this thing was too big.

Xiao Lulu spat out Ye Chen's big thing. "Coughed. . . . , cough. . . . , cough. . . . " Xiao Lulu is coughing painfully like Xiao Lulu is incapable of doing this.

"Are you okay then?" Ye Chen asked Xiao Lulu's situation, it seems like he was overdoing Xiao Lulu.

"No, I'm fine it's just that I'm not used to big brother Ye Chen's size." Xiao Lulu wasn't used to eating this big thing.

"If you can't, then forget it." Seeing Xiao Lulu in pain, the fire in Ye Chen's heart started to go out, he felt guilty towards Xiao Lulu.

"No, no, no, let me help you, it must still hurt right?" Xiao Lulu didn't want to give up, she had to help Ye Chen heal this big swollen object.

Without waiting for Ye Chen's answer, Xiao Lulu put Ye Chen's large object into her mouth, Xiao Lulu began to suck Ye Chen's large object.

"Slurp. . ." Xiao Lulu's suction sound can be heard all over the bathroom.

"Arghh" Ye Chen groaned, the suction from Xiao Lulu almost sucked his soul, this is so delicious.

When Ye Chen was enjoying this sensation, suddenly Xiao Lulu spat out his belongings again. "Big brother Ye Chen, why does nothing come out of the inside, you said if I could suck it what was in it would come out" Xiao Lulu said to Ye Chen.

Previously, Ye Chen had said that if he sucked this thing something would come out, if the thing in here came out then he would recover.

Ye Chen smiled wryly, it seemed that Xiao Lulu did not know anything about the function of his large object.

"Lulu is not as easy as you imagine, in this case you have to work extra hard, besides sucking, try to stick it with your tongue, and move forward." Ye Chen taught Xiao Lulu how to make his things come out.

Xiao Lulu understood, she nodded at Ye Chen, Xiao Lulu again tried to eat Ye Chen's big thing.

This time Xiao Lulu did everything Ye Chen had taught.

Xiao Lulu started to suck, lick and move back and forth, this made Ye Chen very enjoyable.

"Lulu, don't use your teeth, it can make me sick." Ye Chen reminded Xiao Lulu not to use his teeth.

Xiao Lulu knew, she didn't let her teeth scratch Ye Chen's big thing as much as possible.

Even though Xiao Lulu's movements were still clumsy, Xiao Lulu quickly learned what Ye Chen had taught.

"Then you're great, I'm very comfortable." Ye Chen praised Xiao Lulu's mouth skills.

Xiao Lulu was very happy, she went back and forth doing what Ye Chen had taught.

After 20 minutes Ye Chen still didn't come out, Xiao Lulu was already very tired, her jaw and tongue had started to feel numb.

Xiao Lulu regurgitated Ye Chen's big thing. "Big brother Ye Chen, why haven't you come out yet, are you lying to me?" Xiao Lulu complained to Ye Chen, until now what Ye Chen said still hasn't come out either.

The current Ye Chen was very dissatisfied, even though he had almost reached the top.

Ye Chen didn't care, he fed Xiao Lulu with his big thing.

Xiao Lulu was shocked when Ye Chen's huge thing went even deeper.

Xiao Lulu felt suffocated by Ye Chen's large object, Ye Chen held Xiao Lulu's head and began to sway back and forth quickly.

Ye Chen was very fierce, Xiao Lulu almost vomited by Ye Chen's large object.

"Ahh Lulu I'm out, Byurr. . . , Byurr. . . , Byurr. . . , "Finally Ye Chen released his essence in Xiao Lulu's small mouth.

"Umm. . ., umm. . ., umm. . ., "Xiao Lulu's mouth was instantly filled with Ye Chen's millions of essences.

Xiao Lulu's head was currently being held by Ye Chen, so she couldn't go backwards.

"Lulu drink it, it's very nutritious for you." Ye Chen told Xiao Lulu to drink the essence.

Xiao Lulu was helpless, she obeyed Ye Chen's command "Glup, Glup, Glup, Glup," Xiao Lulu started to swallow Ye Chen's essence in large quantities.

At first Xiao Lulu couldn't stand the thickness of this liquid, but after tasting it a little, she felt that this thing was very delicious, Ye Chen's essence was very sweet and radiating, this was much better than the honey that Xiao Lulu had ever drank.

After taking care of Xiao Lulu, Ye Chen was satisfied, he intended to remove his belongings from Xiao Lulu's mouth.

"Slurp..." Too bad Xiao Lulu didn't let Ye Chen's younger brother escape, she again sucked in forcefully to take the last drop of Ye Chen's essence.

Ye Chen's previously soft thing was currently starting to swell again.

Xiao Lulu was shocked when she saw Ye Chen's object swell back up.

"Big brother Ye Chen, yours is getting swollen again, do I need to help you." Still holding Ye Chen's big brother, Xiao Lulu said provocative words to Ye Chen.

Xiao Lulu happily wanted to help Ye Chen, she was quite addicted to the taste of the liquid that Ye Chen's thing had emitted.

Xiao Lulu must have teased herself on purpose. "Bad girl you must have done it, this time I will punish you." Ye Chen pulled the towel Xiao Lulu used, he hugged Xiao Lulu's doll-like tiny body.

Ye Chen doesn't care anymore, tonight he will eat Xiao Lulu.

Xiao Lulu's face had turned bright red, she didn't expect that Ye Chen would see her naked body, Xiao Lulu was very embarrassed when she showed her naked body.

"Big brother Ye Chen, why are you suddenly angry, did Lulu make a mistake." Xiao Lulu was a little afraid of Ye Chen at this time.

"Yes, you did something wrong, you have awakened a hungry wolf, so you have to take responsibility" Ye Chen carried Xiao Lulu to his room.

Ye Chen threw Xiao Lulu on the bed.

Xiao Lulu didn't understand what Ye Chen wanted to do, right now Ye Chen looked like a hungry wolf.

Chapter 276 - Ye Chen & Xiao Lulu (3)

Ye Chen got on the bed, he got closer to Xiao Lulu, Ye Chen started to touch Xiao Lulu's beautiful carcass.

When Ye Chen's hand touched her, Xiao Lulu felt electrocuted, this feeling made Xiao Lulu's body weak and helpless.

"Big brother Ye Chen, there is something strange about my body when you touch me." Currently, Xiao Lulu is very strange with her own body.

Her body suddenly felt a tingling feeling and a very pleasant feeling.

"Lulu, that means your body is enjoying my love, you just leave this to me, I will make you the happiest woman in this world." Ye Chen whispered in Xiao Lulu's ear, Ye Chen's words were full of very strong love.

Xiao Lulu's face was currently flushed red, she was embarrassed after hearing Ye Chen's romantic words.

Xiao Lulu actually liked Ye Chen from the first time she met, but she was embarrassed to reveal that she liked Ye Chen.

Especially knowing that Ye Chen already has a woman who is far more beautiful than herself, Xiao Lulu's hope is no longer there for Ye Chen's love.

Xiao Lulu didn't expect Ye Chen to say romantic words like this today.

"Lulu, I also like you, will you be my woman" Ye Chen also confessed his feelings to the innocent Xiao Lulu.

"Big brother Ye Chen, I am very happy, from the first time I met you I really like you" very boldly Xiao Lulu confessed her feelings to Ye Chen.

Ye Chen was quite satisfied with the answer given by Xiao Lulu.

"Then tonight you have to warm my bed." Ye Chen stroked Xiao Lulu's body again, he began to touch Xiao Lulu's forbidden zone.

Xiao Lulu still didn't understand about warming the bed, because Xiao Lulu's curiosity asked Ye Chen.

"Ah. . . Big brother Ye Chen, what does warming up the bed mean, in the book I bought yesterday I also came across that term, but I don't really understand what it means. "Xiao Lulu asked what the meaning of warming the bed meant in the book. which is entitled to be a good play.

Ye Chen did not expect Xiao Lulu to ask something so simple like this, even teenagers today know what warming a bed means.

It seems that Xiao Lulu's knowledge is still very shallow, it seems that Ye Chen should make teacher Lin Rouxi teach Xiao Lulu a little so that it is not easy to be tricked.

"Lulu, warming the bed means sleeping with the person you want, you have to serve to make the person you want feel comfortable, do you understand what I mean? Ye Chen explained as simply as he could.

"I still don't really understand." Xiao Lulu still doesn't understand Ye Chen's explanation.

"Then let me teach you how to do it" Ye Chen will teach Xiao Lulu how to warm a bed.

Ye Chen started by sucking the flower bud in one of Xiao Lulu's twin peaks, Ye Chen began to greedily suck like a hungry baby.

"Umm. . . "Xiao Lulu groaned" Big brother Ye Chen, I feel something strange with my body, I feel like I'm going to go crazy. "Xiao Lulu first felt a feeling that made her very comfortable.

"Lulu calm down, this is normal for you, all you need to do is enjoy it and leave the rest to me." Ye Chen told to enjoy this, let him guide Xiao Lulu to get peak happiness.

Xiao Lulu listened to Ye Chen, she enjoyed the feeling when Ye Chen sucked the two flower buds.

Ye Chen continued to enjoy Xiao Lulu's flower bud, Ye Chen's one hand began to descend down towards Xiao Lulu's forbidden zone.

Ye Chen's hand gently caressed Xiao Lulu's forbidden zone.

"Ahh. . . "Xiao Lulu suddenly groaned, the touch of Ye Chen's hand made her body feel electrocuted.

This made Xiao Lulu weak, the pleasure continued and continued to be felt by Xiao Lulu.

An innocent girl like Xiao Lulu very quickly fell on Ye Chen's palm.

Ye Chen's fingers began to explore Xiao Lulu's honey cave, Xiao Lulu's honey cave was still very tight, Xiao Lulu's honey cave wall pinched Ye Chen's fingers who were roaming in it.

When Ye Chen's fingers entered her honey cave, Xiao Lulu's body curved into an arc.

She felt very strange about his lower body, the electricity seemed to be flowing from her lower body to her brain.

"Ahhh. . . , "It feels really too good for Xiao Lulu, Xiao Lulu can't think of anything anymore, all she can think of is this endless enjoyment.

"Big brother Ye Chen, please let me go, I feel like urinating." Xiao Lulu felt that something would come out of her lower body.

"Lulu is not peeing, it means you will reach the top." Ye Chen explained Klimaxs to Xiao Lulu.

"No, no, no, ahh. . . , I came out. "Xiao Lulu has finally reached Klimaxs.

Ye Chen saw that Xiao Lulu had fallen into the abyss of endless enjoyment, now is the time for Ye Chen to open Xiao Lulu's virgin body.

"Lulu, are you ready?" Ye Chen asked Xiao Lulu if she was ready to become Ye Chen's woman.

" ready for what ? "With a body that is still very sensitive, Xiao Lulu asked Ye Chen.

"Of course ready to be my woman, I will make you feel the most pleasant thing in this world" Ye Chen carried Xiao Lulu's body, he put Xiao Lulu on his lap.

The weak Xiao Lulu could only surrender to what Ye Chen was going to do.

Ye Chen's younger brother immediately aimed for Xiao Lulu's honey cave entrance.

"Lulu, be prepared, it will be fun." Ye Chen whispered in Xiao Lulu's ear.

Xiao Lulu only nodded at Ye Chen, she wanted to enjoy this session with Ye Chen more.

Ye Chen's younger brother immediately drilled into Xiao Lulu's honey cave.

"Ah. . . . " Xiao Lulu screamed in pain, Xiao Lulu felt her body almost split in two.

Blood started coming out of Xiao Lulu's honey cave, this proves that Xiao Lulu is still a virgin.

Tears began to fall on Xiao Lulu's cheeks. "Big brother Ye Chen, please pull it out. It really hurts, this is really uncomfortable, you lied to me." Xiao Lulu complained to Ye Chen, she wanted Ye Chen to pull out the big thing in her body.

"Lulu calm down, soon it will feel comfortable." Ye Chen told Xiao Lulu to be more patient, soon it will feel comfortable for Xiao Lulu.

Currently Ye Chen's large object is pinched by the very narrow wall of Xiao Lulu's honey cave, Xiao Lulu's honey cave has a high enough suction power, Ye Chen's younger brother feels sucked inside.

After a few minutes, finally the pain started to disappear, Xiao Lulu's pain was replaced with an itchy and full feeling.

"Lulu, how? Is it still sick?" Ye Chen asked whether Xiao Lulu still felt pain or not.

"It doesn't hurt anymore, but I feel itchy, this is very uncomfortable." Xiao Lulu told Ye Chen that she felt a little itchy and uncomfortable.

"You don't need to worry, then I will start moving, you will definitely feel comfortable." Seeing that Xiao Lulu's condition was getting better, it was time for Ye Chen to move.

Ye Chen started pumping slowly, he wanted Xiao Lulu's honey hole to get used to his big thing.

Chapter 277 - Ye Chen & Xiao Lulu (4)

The itching that Xiao Lulu experienced began to disappear, the itching sensation was replaced by an extremely comfortable feeling, Xiao Lulu had never felt such a pleasant sensation like this.

Every time Ye Chen's got smashed into her flower core, the overwhelming feeling made Xiao Lulu groan

"Lulu, I'm also very comfortable, your little hole pinched mine very tightly." Ye Chen also felt the pleasure she got from Xiao Lulu's little bastard.

"Lulu, I'm also very comfortable, your little hole pinched mine very tightly." Ye Chen also felt the pleasure he felt from Xiao Lulu's little honey cave.

Ye Chen pumped even more, his weapon causing Xiao Lulu's small cave to swell.

Xiao Lulu was enjoying the pleasure of being a real woman, it really felt too great.

Xiao Lulu wrapped her arms around Ye Chen's neck, she hugged Ye Chen tightly.

"Big brother Ye Chen, I feel like something else will come out." Xiao Lulu felt that something would come out of her, this time the feeling was much stronger than before.

"Big brother Ye Chen, I'm going to fly, yeah. . . ." Xiao Lulu reached the Peak of pleasure.

After reaching the peak of pleasure, his body trembled violently, all the nerves in Xiao Lulu's body were extremely sensitive.

Xiao Lulu rested her head on Ye Chen's shoulder, Xiao Lulu was already very tired.

"How does it feel, then?" Ye Chen asked how Xiao Lulu is currently feeling.

"Amazing, I've never felt anything so extraordinary like this" Xiao Lulu had never felt anything so great.

Xiao Lulu did not expect that Ye Chen's large object could make her feel this kind of pleasure.

"Good, then let's continue, I'm still not out." Ye Chen is still very hard, he hasn't fired the ammunition that accumulated in his weapon.

Xiao Lulu did not understand what Ye Chen meant, this time Ye Chen pumped again. "iyah . . . ,iyah . . . , iyah . . . , "Xiao Lulu groaned again, Xiao Lulu's voice was so cute, it was like a cat meowing.

"Lulu, I like you" While continuing to pump in the depths of Xiao Lulu's cave, Ye Chen started to suck on Xiao Lulu's twin peaks.

The two stimuli that Ye Chen did made her reach the peak of extinction, Xiao Lulu could not think clearly, what was in her mind was only Ye Chen's large object.

The two of them continued to do sports in bed for 1 whole hour, Ye Chen and Xiao Lulu several times changed their fighting positions.

Ye Chen felt that his will come out, he drilled into the deepest part of Xiao Lulu. "Then I'll come out, Byur. . . , Byur. . . , Byur. . . , "Ye Chen sprayed a lot of essence into Xiao Lulu's flower core.

Xiao Lulu immediately felt a warm feeling in her body, Xiao Lulu's stomach began to swell because it was filled with Ye Chen's essence.

Ye Chen did not expect that he could come out this much, after fusing with Azure Dragon Marrow, Ye Chen's Essence accumulated was much more than before, Yangqi Ye Chen's essence was also much more than before.

Xiao Lulu is currently asleep, she is very tired after doing the most fun things with Ye Chen.

Ye Chen looked at the sleeping Xiao Lulu, he stroked Xiao Lulu's beautiful hair, seeing Xiao Lulu's cute beauty, Ye Chen felt like he wanted to continue doing Xiao Lulu.

But seeing Xiao Lulu's current state, he knew that he could no longer do it with Xiao Lulu.

Ye Chen pulled out his huge weapon from inside Xiao Lulu's honey cave.

Ye Chen used a little of the king's heart technique skill so that his Yangqi wouldn't leak from Xiao Lulu's body.

Yangqi Ye Chen's essence will definitely start working on refining Xiao Lulu's body.

"I almost forgot, I still have to practice my alchemy, I have to quickly make pills from the Golden Lotus Flower so that all women can increase their strength." Ye Chen almost forgot that he had to raise his alchemy level immediately.

Ye Chen immediately searched for clothes from his storage room, he immediately put on the new clothes that he just took from the storage room.

Ye Chen carried Xiao Lulu who was sleeping like a prince, he brought Xiao Lulu into the fairy gate.

After entering the fairy gate, Ye Chen took Xiao Lulu to the dual cultivation room.

Ye Chen opened the dual cultivation room, in the room it turned out that there was a Ye Chen woman, the Ye Chen women who were in the dual cultivation room were Zhao Yanyan and Lin Rouxi.

"Yanyan, I am very tired, the training that sisters Lanling and Yuechan gave me was cruel." Lin Rouxi complained to Zhao Yanyan for the cruelty committed by the two beauties.

Both Fu Lanling and Chu Yuechan trained Lin Rouxi very hard, Lin Rouxi who rarely sports, she was made exhausted by the training given by Chu Yuechan and Fu Lanling.

"Hehehe, they are doing this for the good of elder sister Rouxi, after all if you are not diligent in training you may be left behind with the others." Zhao Yanyan told Lin Rouxi to be more enthusiastic in practicing, otherwise Lin Rouxi could fall behind the others.

"Huft" Lin Rouxi sighed, she did not expect that this would happen, Lin Rouxi did not believe that all the women that Ye Chen had were so beautiful, when compared to her current Lin Rouxi felt a little defeated.

What's more, after seeing beauties from other worlds like Fu Lanling and Chu Yuechan, Lin Rouxi really felt like nothing.

These two women were like the reincarnation of a beautiful goddess, Lin Rouxi was even amazed by the beauty that was possessed by Fu Lanling and Chu Yuechan.

"Click" suddenly the door to the Dual Cultivation Room opened, immediately Zhao Yanyan and Lin Rouxi saw who had entered this room.

The person who entered the room was Ye Chen, Ye Chen was currently carrying Xiao Lulu in his hand.

If Xiao Lulu can enter here, then it means that she has become Ye Chen's woman, how can Ye Chen do it with Xiao Lulu, wasn't Ye Chen with Xia Ningzi earlier?

"Husband, why is Xiao Lulu in your hands, weren't you with Xia Ningzi just now? Zhao Yanyan asked why Xiao Lulu was in Ye Chen's hands.

"It's a long story, I'll explain later." First Ye Chen had to put Xiao Lulu on a large dual cultivation bed, Ye Chen laid Xiao Lulu down gently.

After doing that, Ye Chen looked at Zhao Yanyan and Lin Rouxi.

"Dear teacher, are you used to living with my other women? Ye Chen asked if Lin Rouxi was used to living with another Ye Chen woman.

"Yes, I'm getting used to it." Lin Rouxi started getting used to the other Ye Chen women, luckily all the women here were able to quickly get along with her.

Everyone looks very kind and receptive to each other.

Now that Lin Rouxi didn't really mind Ye Chen having many women, she had already heard from Zhao Yanyan why Ye Chen needed so many women.

It turned out that the reason Ye Chen needed Yinqi from many women to stabilize the Yangqi in his body.

Ye Chen's special body forced him to do this.

Otherwise he will die from Yangqi Excess.

Chapter 278 - Make A Golden Lotus Pill

"I'm glad you got used to this, I hope that my dear teacher can continue to get along with my other women." Ye Chen was happy to see Lin Rouxi accepting another woman.

Lin Rouxi's face suddenly turned red "Ye Chen why do you still call me dear teacher, you should call me Rouxi or wife, teacher calls make me feel embarrassed" Lin Rouxi feels embarrassed every time Ye Chen calls her dear teacher.

She found such calls very lewd and shameless.

"Hehehe, what's wrong with calling it looks good to you, right Yanyan? Ye Chen chuckled at Lin Rouxi.

Perhaps because it had become a habit, Ye Chen preferred to call Lin Rouxi, dear teacher.

"I told you to call me Rouxi, why don't you understand, you naughty student." Lin Rouxi tugged at Ye Chen's ears, she took her anger out on Ye Chen's ears.

"Yanyan help me, save me from the teacher who wants to kill me" Ye Chen asked Zhao Yanyan for help.

Zhao Yanyan just smiled at Ye Chen's teasing Lin Rouxi. Both of them were really cute.

After being satisfied playing flirting with Lin Rouxi, finally Ye Chen apologized and called Lin Rouxi just by calling Rouxi.

Lin Rouxi who heard this was delighted and she finally wanted to let go of Ye Chen's ears.

"Rouxi, I have a request for you, can you do it? "Ye Chen wants to ask Lin Rouxi something.

" What is that ? Lin Rouxi asked questioningly.

"I want you to teach Xiao Lulu about the lessons that exist in this world, it seems that Xiao Lulu still doesn't understand some of the sciences in this world." Seeing Xiao Lulu who was too innocent, Ye Chen wanted Lin Rouxi to teach Xiao Lulu a little about the science exist in this world.

if Ye Chen wasn't around, he was afraid that Xiao Lulu would be easily tricked and manipulated by someone.

"OK, leave this girl to me, I will make her good at everything." Lin Rouxi is very passionate, she likes teaching someone to be smart.

"Good, as expected from Rouxi, come here let me give you a kiss." Ye Chen nudged Lin Rouxi's body and tried to kiss her.

"Ye Chen don't." Lin Rouxi tried to avoid Ye Chen, unfortunately she was too late.

Ye Chen kissed his cherry lips, Ye Chen started kissing her very passionately.

Lin Rouxi who initially refused was immediately rendered helpless, she began to be drowned by Ye Chen's passionate kiss.

The two of them started kissing passionately, they considered this world their own.

"Ehemmm." Zhao Yanyan who was beside suddenly coughed.

Zhao Yanyan's cough made Lin Rouxi push Ye Chen away, she just remembered that Zhao Yanyan was still watching.

How could she do such a shameless thing right in front of her disciple, Lin Rouxi felt extremely embarrassed.

"Ye Chen you are so perverted, how can I have such a naughty student like you" Lin Rouxi scolded Ye Chen who was like this.

She had to teach Ye Chen a little bit so as not to be too perverted like this.

"Hehehe." Ye Chen just chuckled at Lin Rouxi.

"Yanyan, are you envious of Rouxi, then let the husband kiss you" Ye Chen pounced Zhao Yanyan onto the bed.

"Ah. , Husband stop it, elder sister Rouxi help me." Zhao Yanyan asked Lin Rouxi for help.

Ye Chen ignored Zhao Yanyan's screams, he kissed Zhao Yanyan's cherry lips right away.

Lin Rouxi who was by the side tried to separate Ye Chen from Zhao Yanyan.

Unfortunately, he was dragged by Zhao Yanyan into the water, the three of them took turns kissing.

After being satisfied playing flirting with Zhao Yanyan and Lin Rouxi, Ye Chen left the dual cultivation room.

Ye Chen told Zhao Yanyan and Lin Rouxi to look after Xiao Lulu when she wakes up.

Now that Ye Chen had to raise the level of alchemy he had, Ye Chen went to a very lonely place,

he took the dual dragon cauldron from the storage room, he put in the ingredients to make pills, after the ingredients were entered Ye Chen started making pills.

During these 12 hours, Ye Chen spent his time continuously and continued to make pills, all the ginseng that Ye Chen had bought in the traditional medicine festival had been used up into pills, now Ye Chen's proficiency had increased a lot.

it was time for Ye Chen to make a Pill from the Golden Lotus Flower medicinal plant.

Ye Chen took the 100,000 year old Golden Lotus Flower and Ginseng, for the mixture Ye Chen used the best Ginseng he had.

With 100,000 year old Ginseng the effects of the Pill that he was going to make would have been even more extraordinary.

Ye Chen put the two rare ingredients into the dual dragon cauldron, after the two ingredients entered Ye Chen closed the cauldron.

Ye Chen started to calm his mind and heart, if this failed it would be a loss for Ye Chen.

Ye Chen started to circulate his flames into the dual dragon cauldron, Ye Chen's flames began to purify the dirt in the Golden Lotus Flower and also the 100,000 year old ginseng.

Ye Chen had to be extra careful in removing the dirt inside the Golden Lotus Flower and the 100,000 year old ginseng.

This stage will determine the level of pill purity he will make, if Ye Chen is wrong a little The pills he makes will not be pure, and the effect will also decrease.

The Refining Process took longer than Ye Chen's estimate, at this time Ye Chen's body was already covered with sweat pouring down his entire body.

Ye Chen shouldn't let his guard down, if he was to be careless, all the efforts he had put in so far would be in vain.

Finally, Ye Chen finished refining the 100,000 year old Golden Lotus Flower and also the Ginseng, now it was only left to combine the refined extract of the two into a pill.

this is the final phase, Ye Chen hopes that it will work, Ye Chen started to condense the extract from the 100,000 year old Golden Lotus Flower and Ginseng into a Pill.

Ye Chen had to be extra careful, even the slightest bit of material could evaporate or fail, if it evaporated Ye Chen didn't know where to look for rare plants like the Golden Lotus Flower.

The Golden Lotus Flower is too difficult to find, let alone looking for it in an energetic place that is not as pure as the earth.

This was tantamount to looking for a needle in the hay mountain pile, Ye Chen was already very lucky to get 1 Golden Lotus Flower.

Maybe in Ye Chen's life, Ye Chen would have a hard time finding a rare medicinal plant like the Golden Lotus Flower.

A very fragrant aroma began to appear from the dual dragon cauldron.

"Bamm!!! . . . , bamm!!! . . . , bamm!!! . . . , bamm!!! . . . , "During the compaction process, suddenly the cauldron shook violently.

The weather inside the Fairy Gate started to get weird, profuse lightning started to grab the dual dragon cauldron.

Seeing this weirdness Ye Chen didn't leave, he created a barrier to protect himself from getting hurt.

If Ye Chen leaves in a situation like this, it is certain that the pill in the dual dragon cauldron will evaporate.

This was common in making high-ranking pills, when making high-ranking pills, the process of combining pills could affect the circumstances around the maker.

Ye Chen had to go through all of this for the sake of making a perfect pill.

"Bamm. . . , bamm. . . , bamm. . . , bamm. . . ," Hundreds of thunderbolts continued to strike the dual dragon cauldron.

"Boom" suddenly exploded with a very strong cauldron, this explosion made a pretty strong blow.

Chapter 279 - Beautiful Milf Woman

Dust covered Ye Chen and the dual dragon cauldrons.

"Cough. . . , cough. . . , cough. . . , Ye Chen coughed from inhaling the dust around him.

"Am I successful? "Ye Chen is curious whether the pill he made was successful or failed.

Ye Chen opened the lid of the dual dragon cauldron, when the lid of the dual dragon cauldron was opened, the aroma that came out from inside was very fragrant.

"So fragrant." Ye Chen smelled a very fragrant pill, Ye Chen had never smelled a pill that smelled like this.

Ye Chen peeked into the dual dragon cauldron, inside the dual dragon cauldron there were a total of 12 pills that glowed with a golden color.

"Wow, there are so many, it turns out that I can make so many pills from the Golden Lotus Flower." Ye Chen didn't expect that he could make so many pills.

At first Ye Chen thought he could make just 5 ~ 6 pills using the support of the dual dragon cauldron, unexpectedly with his current ability he could make this much.

Ye Chen took one of the Golden Lotus Pills into his palm.

Ye Chen started researching whether this pill had any abnormalities or flaws.

After researching for a while, Ye Chen found absolutely no abnormality in the pills he had made.

Everything looks very pure and good. "This is perfect, I will try one, maybe it still has an effect on me." Ye Chen wanted to try this pill on him.

Ye Chen knew that taking this pill would not have much effect on increasing his strength, Ye Chen wanted to try it on himself before giving this pill to the woman.

Ye Chen was afraid that this pill would have other effects that could harm Zhao Yanyan and the others.

"Nyu, Nyu, Nyu, Nyu" Suddenly, Ye Xiu appeared beside Ye Chen.

Ye Xiu's little fox, suddenly shook his little hand on Ye Chen's thigh.

Ye Chen immediately looked at Ye Xiu "Little Xiu what's wrong" Ye Chen asked Ye Xiu what she wanted "

"Nyu. . ., Nyu. . ., Nyu. . ., "Ye Xiu tried to point at the pill in Ye Chen's hand, it seemed that Ye Xiu wanted to ask Ye Chen one pill.

"Do you want this? While asking Ye Xiu, Ye Chen pointed to the pill in his hand.

Ye Xiu nodded at Ye Chen, she wanted the pill that Ye Chen had.

Ye Chen didn't understand why Ye Xiu wanted one of the Golden Lotus pills.

"Nyu. . ., Nyu. . ., Nyu. . ., "Ye Xiu nagged at Ye Chen like a child wanting a candy.

"Fine, this is for you." Ye Chen gave one of the Golden Lotus pills to Ye Xiu.

Ye Xiu immediately opened her mouth wide, she was waiting for the pill from Ye Chen.

Ye Chen threw the Golden Lotus Pill into Ye Xiu's mouth.

Ye Xiu immediately swallowed the pill Ye Chen gave her into her stomach.

After getting what she wanted, Ye Xiu jumped into Ye Chen's embrace, she licked Ye Chen with her little tongue.

"Hahaha, it's amused." This was the first time Ye Xiu acted spoiled like this to Ye Chen.

"Okay now go and play as you please." Ye Chen told Ye Xiu to go and do whatever she wanted.

Ye Xiu left Ye Chen's embrace, she went to a corner where there was a boulder, Ye Xiu was lying on top of this boulder.

Ye Chen is impotent, Ye Xiu sleeps after being full, this little fox only knows eating and sleeping.

Ye Chen didn't see the pill's effect on Ye Xiu, actually this pill has efficacy or not?.

Ye Chen refocused on the pill that was in the dual dragon cauldron, to prove it he also wanted to try one.

Ye Chen took one golden Lotus pill and then put it in his mouth.

When Ye Chen swallowed the Golden Lotus Pill, an extremely pure energy appeared within Ye Chen's body, this energy was not only pure but also immense.

Feeling this, Ye Chen immediately sat cross-legged, he started to close his eyes, Ye Chen had to manage the pure energy that was overflowing in his body.

The pure energy began to be refined by Ye Chen.

After approximately 2 hours, the pure energy in Ye Chen's body was almost completely refined.

"Boooooom. . . , boooooom. . . , boooooom. . . , "Ye Chen's body exploded a formidable aura, it looks like Ye Chen is about to break through to the sphere to the seven Overlord Realm.

"Boooooom. . . , "A burst of even more powerful aura occurred, finally Ye Chen broke through to the Seventh Overlord Realm.

After breaking through, Ye Chen opened his eyes. "I didn't expect that I would break through after consuming the Golden Lotus Pill." Ye Chen did not expect that he could break through after consuming the golden lotus pill he made.

For Ye Chen the effect of this pill was so great, now Ye Chen had no more doubts about giving this pill to all the women.

"Master, congrats on breaking through." A very soft and seductive voice came from behind Ye Chen.

"Yuechan, thank you for your words. . . , uh. . . ? "When he turned around, Ye Chen was surprised to see that the woman who congratulated him was not Chu Yuechan. A very beautiful adult woman stood right in front of Ye Chen.

This woman was wearing a very sexy Kimono outfit, her long black hair flowing like water, this woman's body was really a Milf that was fully ripe.

The twin peaks owned by this woman were quite fantastic in size, the same size as Qing Cheng's.

What makes this woman's appearance seductive is the part of the kimono she is wearing.

The kimono that this woman wore was very loose, especially in the two twin peaks, Ye Chen saw the bottomless abyss in the middle of this Milf woman's double peak.

"Who are you ?, how were you here? "Ye Chen immediately asked who this beautiful woman was, this woman was not Ye Chen's acquaintance, obviously this was the first time Ye Chen had met this beautiful Milf woman.

"Chuckled, chuckled, chuckled, Master, don't you really know who I am? "This MILF chuckled at Ye Chen.

Ye Chen looked at the beautiful Milf woman from top to bottom. "Who are you, I never knew you at all, and how did you get into here." Ye Chen did not know who this beautiful woman was.

The beautiful Milf suddenly disappeared and appeared in front of Ye Chen. "You have made this queen like this, do you really not know who I am?" The eyes of the current Milf questioned Ye Chen.

This mature Milf is too close, before his eyes Ye Chen can see a bottomless slit which is very amazing.

Subconsciously Ye Chen turned his face to the side.

Mature Milf was not at all happy with what Ye Chen was doing, she felt neglected.

Beautiful Milf's fingers touched Ye Chen's face. "Master, you better try to remember well, otherwise I will be very angry." Mature Milf got angry at Ye Chen who didn't know who she was.

Ye Chen was very confused about who and where this woman had come from, he had absolutely no idea about this woman.

"Is there any indication of who you are?" Ye Chen wants a hint of who this beautiful Milf is.

Beautiful Milf is helpless, Ye Chen really doesn't know who she is, even though she has struggled with all kinds of ways to get her form back, and Ye Chen doesn't know who she is at all.

Chapter 280 - Ye Xiu's Original Appearance

"If I do this you will probably remember who I am." The beautiful Milf woman brought her face close to Ye Chen's neck, pulling out her tongue.

The beautiful Milf woman suddenly licked Ye Chen's neck, Ye Chen was amused by what this Milf woman was doing, how this woman had this kind of courage.

"Wait for this feeling, don't tell me that this Milf woman is Ye Xiu" Ye Chen looked at this Milf woman with a shocked look.

"Are you Ye Xiu?" Ye Chen asked the beautiful Milf woman.

"Chuckled, chuckled, chuckled, finally you remember this queen too." Ye Xiu laughed teasingly at Ye Chen.

Ye Chen was shocked when he found out that this beautiful Milf woman was little Ye Xiu.

This is very far from Ye Chen's expectations. "But, but. . ., how can you have a form like this, the attitude you show is also very different." Ye Chen thought that Ye Xiu was a cute little girl.

Hearing this, Ye Xiu was angry, nine white tails started to come out from behind her body, these tails immediately wrapped around Ye Chen's body.

Ye Chen was chosen by Ye Xiu's tail, seeing this tail Ye Chen was increasingly convinced that this was little Ye Xiu, he did not expect that Ye Xiu would become a woman this beautiful.

Ye Xiu pulled Ye Chen closer to his side "it is indeed the fault of this queen to have to act like that, if only you were not stingy then I have always recovered my true appearance." Ye Xiu said beside Ye Chen's ear.

Ye Xiu was quite dissatisfied because Ye Chen was stingy with herself, fortunately the other Ye Chen women were very kind, as long as Ye Xiu was cute, they would give himself medicinal plants.

Ye Xiu was forced to do that, she had no other choice, it was for the sake of restoring her original appearance.

"Oh, I'm sorry, can you let me go now?" Ye Chen asked Ye Xiu to let go.

Because Ye Chen had sincerely apologized, Ye Xiu let go of her tail from Ye Chen's body.

Ye Chen is now free from Ye Xiu's tail, "so this is your true appearance, but why haven't you shown it to me all this time? Ye Chen asked why Ye Xiu had never shown this form before.

"I can't do that, before when I fought the five old tao, I used a forbidden technique to increase my strength in a short time, the reward of doing that is to be trapped in fox form for some time, that's why I needed a lot of medicinal herbs for my form. recover quickly, unfortunately I have a master who is

stingy and doesn't want to give me valuable medicinal herbs. "Ye Xiu explained to Ye Chen why she didn't show her true appearance before.

Ye Chen didn't know whether Ye Xiu was explaining to himself or was making fun of himself for being stingy.

Ye Chen: "Didn't I apologize just now, why do you keep mentioning it".

"Humpf." Ye Xiu snorted coldly.

"Hey Xiu, you always said that you were the queen, are you really a queen?" Ye Chen heard Ye Xiu several times calling herself the queen, is it true that Ye Xiu is a queen.

"This queen used to be the leader of the nine-tailed fox clan, I was often called the queen by my followers." Ye Xiu told Ye Chen that he used to be the leader of the nine-tailed fox clan.

Because that was the attitude and temperament that Ye Xiu was currently showing was like a noble.

Coupled with Milf's seductive appearance, every man who saw her would be attracted.

"Then where is your clan today?" Ye Chen wants to know the existence of the Nine-Tailed Fox Clan.

When Ye Chen asked about this, Ye Xiu's face turned a little sad. "I don't need to tell you." Ye Xiu didn't want to tell Ye Chen what happened to her Clan.

Seeing Ye Xiu's strange reaction, Ye Chen knew that something bad must have happened, so Ye Chen didn't ask Ye Xiu any further.

"You and I are now masters and servants, I'll still call you little Xiu." Ye Chen smiled at Ye Xiu.

Ye Xiu's tail again wrapped around Ye Chen's body very strongly "Who do you call little Xiu? This queen has lived for thousands of years, how dare a boy like you dare to call me small, you must call me the queen" Ye Xiu doesn't really like being called small by Ye Chen, she wanted to be called the queen by Ye Chen.

In terms of age Ye Xiu had lived for thousands of years, how could she be called Little Xiu by Ye Chen who was not even 20 years old.

Ye Chen "it will never happen, I am your master, you should obey me".

Ye Xiu started to get angry, she tightened her tail, suddenly the contract mark in Ye Chen's hand glowed.

Immediately Ye Xiu's head felt dizzy and very sore, Ye Xiu immediately let go of her tail which was wrapped around Ye Chen's body.

Ye Xiu held her head in pain. "Oh, it hurts, master, please stop it quickly." Ye Xiu begged Ye Chen to stop this.

Because of the soul contract with Ye Chen, Ye Xiu couldn't do anything detrimental to Ye Chen, if Ye Xiu had the slightest thought of harassing Ye Chen then she would feel pain like this.

"I'll stop it, but you have to promise to make more sense." Ye Chen told Ye Xiu to be absurd.

"OK, OK, I promise you please stop this right now, it hurts." Ye Xiu begged, she was in great pain.

Ye Chen stopped the soul contract so as not to hurt Ye Xiu, after the pain in her head disappeared Ye Xiu felt better.

"Smart girl, you have to be more obedient from now on." Ye Chen stroked Ye Xiu's beautiful Milf head.

Ye Xiu felt so embarrassed, how could he who had lived for thousands of years be needed like this by Ye Chen.

But Ye Chen's touch was quite pleasing to her, she felt back to the touch that his mother used to do.

Ye Chen looked at the ears that were above Ye Xiu's head, Ye Xiu's ears began to move up, it seemed like Ye Xiu was enjoying this.

Ye Chen wanted those who saw this to touch Ye Xiu's fox ears, he wanted to confirm whether this was real or fake.

"iyahh. . . ." When Ye Chen grabbed Ye Xiu's ear, Ye Xiu let out a soft groan.

"Master, don't touch it, it's very sensitive." Ye Xiu told Ye Chen that her ears were a very sensitive part of her body.

"Is it true? , the feeling of touching this is quite pleasant." Ye Chen continued to touch Ye Xiu's ear which was very tender.

Ye Xiu started to groan, her body felt hot from the touch of Ye Chen's hand, Ye Xiu's body started to wriggle, she felt a very pleasant feeling.

"not . . ." Ye Xiu tried to get away from Ye Chen, if Ye Chen kept touching her ears, Ye Xiu couldn't stand this.

Ye Xiu ran away from this place, she was trying to get as far away from Ye Chen as possible.

Ye Chen looked at Ye Xiu's departure, Ye Xiu ran away like a rabbit that was frightened by its prey.

:)

"I never thought that Ye Xiu would become a very beautiful adult woman." Ye Chen still couldn't believe that Ye Xiu's true form was so beautiful.
