

Chapter 281 - An Astonishing Increase In Strength

After Ye Xiu's departure, now only Ye Chen was left in this place.

Ye Chen went back to the place where the dual dragon cauldron was, Ye Chen took all the Golden Lotus pills that were inside the dual dragon cauldron.

Ye Chen would divide these pills to: Zhao Yanyan, Liu Yue, Fu Lanling, Su Mengxin, Lin Rouxi and Xiao Lulu, and for the rest Ye Chen would keep them.

After calculating the right amount, Ye Chen went to find all the women, he would give Golden lotus pills to all of the women.

Ye Chen went to see all the women, fortunately all the women were currently in the dual cultivation room, so Ye Chen didn't have to bother looking for them one by one.

When Ye Chen came, all the women gave him gentle smiles.

Ye Chen walked over to all the women. "Wife, I have a special gift for all of you." Ye Chen took out the Golden Lotus Pill, he showed this pill to everyone.

"What is that?" "Almost all the women who were here asked Ye Chen, they all really didn't know what pill this was.

"This is the Golden Lotus Pill, this pill can increase your cultivation base." Ye Chen explained what benefits one could get from consuming this pill.

All the women who were here were immediately excited upon hearing of the benefits of this pill.

This pill was a shortcut to raise their cultivation base, of course they would be very happy when they heard this.

"Take one each." Ye Chen distributed the pills evenly.

"Husband, keep it, I don't need this." Fu Lanling didn't want this, the current Fu Lanling after this step towards divine realm pill wouldn't be of much use to her.

The journey to Divine Realm was very hard, she needed more than these pills to reach that stage.

"I see, then I'll just give you this" because Fu Lanling refused the Golden Lotus Pill, Ye Chen replaced it with an immature fire Phoenix Fruit, if it is ripe it can increase Fu Lanling's fire power.

"Thank you." Fu Lanling of course knows what fruit Ye Chen gave her, she didn't expect that Ye Chen would give her the fire Phoenix fruit.

For Fu Lanling, this fruit was very, very valuable, it could increase her phoenix fire power.

Everyone has got their share, only Xiao Lulu has not gotten this pill.

The current Xiao Lulu was still sleeping very comfortably, it seemed she was still exhausted from the battle she had had with Ye Chen.

Ye Chen looked at Zhao Yanyan, Zhao Yanyan was the tallest at the moment, maybe it was because of the Saintess body Zhao Yanyan had.

whereas for the other three women, that was a very fine improvement.

"Congratulations you have reached the Emperor Realm level, from now on you can fly in the sky." Ye Chen and Fu Lanling congratulated Zhao Yanyan, Liu Yue, Su Mengxin and Lin Rouxi.

"Husband, thank you, this is all thanks to the pills that you gave us." Zhao Yanyan went to Ye Chen's side, Zhao Yanyan was too happy she kissed Ye Chen, this is Zhao Yanyan's gratitude.

Liu Yue, Su Mengxin didn't want to lose, they also thanked Ye Chen by kissing him.

Lin Rouxi was the only woman who didn't kiss Ye Chen, she was very embarrassed if she had to kiss Ye Chen in front of the other sisters.

Lin Rouxi felt left alone, while other women were competing to kiss Ye Chen, she was just silent without doing anything.

Not wanting to be left behind, Lin Rouxi strengthened her pressure and went to Ye Chen's side.

Without saying a word the beautiful teacher Lin Rouxi kissed Ye Chen.

Ye Chen didn't expect that Lin Rouxi would also be brave like other women, it seemed that Lin Rouxi didn't want to lose to other women.

Ye Chen gave Zhao Yanyan, Liu Yue and Su Mengxin a thumbs up, thanks to his three wives, Lin Rouxi, who usually has high morals, could do something like this in front of the others.

"How about celebrating we do something fun." Ye Chen hugged the bodies of all the women he had.

All the women who were here started to turn red, they naturally knew what Ye Chen wanted.

without waiting for answers from all the women. Ye Chen started to undress everyone.

battle was inevitable, all women had to join hands to fight against Ye Chen.

Chapter 282 - All Wife Discuss

in outside room

At this time Ye Xiu looked at the Dual Cultivation Room, even though she couldn't see inside the Dual Cultivation Room, but she guessed what was going on in there.

"Why are you just staying here, don't you want to join them?" Chu Yuechan suddenly appeared beside Ye Xiu.

"No, this queen doesn't want to do that." Ye Xiu immediately rejected Chu Yuechan.

"Hahaha, you are so cute, you have a very beautiful body, but unfortunately you are still a little virgin." Chu Yuechan laughed at Ye Xiu who was still a virgin.

"What is the problem with being a virgin at my current age, I can still live for several thousand more years, with my current appearance, finding a partner is not difficult for me." Ye Xiu didn't want to lose, she fought Chu Yuechan's words.

Ye Xiu didn't dare to use harsh means against Chu Yuechan, the aura that Chu Yuechan emitted was extremely dangerous. This woman made herself a little afraid.

"It's such a pity, if you give it to Master, he will definitely like it very much." Chu Yuechan continued to tease the beautiful Milf Ye Xiu.

Ye Xiu's face turned red. "Why don't you just give it to this person, you're still a pure virgin who is older than me." Finally Ye Xiu was able to reply to Chu Yuechan.

Ye Xiu just remembered that this beautiful fairy was still a virgin, especially since she was much older than her.

A threatening aura leaked out from Chu Yuechan's body. "What did you say I was, old lady?" Chu Yuechan felt dissatisfied at being called old, every woman would not like being called old, that includes Chu Yuechan.

Ye Xiu immediately shuddered when she saw the aura that Chu Yuechan gave off, the aura that Chu Yuechan emitted was very threatening to Ye Xiu.

"No, I didn't say it like that, I said you were still a virgin just like me." With quite a panic Ye Xiu tried to explain to Chu Yuechan, Ye Xiu who usually acted like a queen immediately turned obedient in front of Chu Yuechan.

"Very good." Chu Yuechan was satisfied with Ye Xiu's change of attitude.

"You don't have to worry about this, after all, sooner or later I will give mine to master." Chu Yuechan knew that sooner or later she would become Ye Chen's woman.

It's just that right now the time is not right, Chu Yuechan must wait until Ye Chen becomes stronger, Chu Yuechan likes men who have stronger power than herself.

Ye Xiu didn't expect that Chu Yuechan would speak such courage.

Chu Yuechan looked back at Ye Xiu, "then what about you, do you like Ye Chen?" Chu Yuechan again asked Ye Xiu whether she liked Ye Chen or not.

"I don't know, I'm looking for someone perfect for myself." Ye Xiu didn't know, what she was looking for was the perfect man for herself.

"Hmmm, you're looking for the perfect Men ?, Doesn't that point to Ye Chen? ," Ye Xiu's words backfired on herself.

Milf Ye Xiu's face became even redder, why every time she spoke this woman would always favor Ye Chen, this made her not know what to do.

Ye Xiu couldn't take it anymore, she left this place.

"Giggled." Chu Yuechan giggled, she looked towards Ye Xiu's departure.

Chu Yuechan guessed that Ye Xiu might like Ye Chen, it was only a matter of time until this beautiful Milf realized her feelings for Ye Chen.

That's why Chu Yuechan previously bombarded Ye Xiu with questions about Ye Chen, she wanted to see what reaction Ye Xiu would show, it was unexpected that Ye Xiu would show such an embarrassed reaction.

"It seems like everyone will have fun tonight." Chu Yuechan looked at the dual cultivation room where Ye Chen and all the women were.

Chu Yuechan who was connected with Ye Chen, naturally knew what Ye Chen was doing right now.

Chu Yuechan did not interfere with what everyone was doing, she only smiled softly and disappeared from where she was standing.

The next day

The next day Zhao Yanyan, Liu Yue, Fu Lanling, Su Mengxin, Lin Rouxi and Xiao Lulu were lying weakly on the bed.

Last night was very chaotic, the six of them joined hands against Ye Chen who was alone.

Even though they had worked together, the six women were still unable to fight against Ye Chen, as a result they were all defeated and exhausted by Ye Chen.

After obtaining the inheritance from the Azure Dragon, Ye Chen's strength on the bed increased even more, he was even able to do 5 women at once without getting tired at all.

The benefits of dual cultivation are also getting bigger, Zhao Yanyan and others feel the benefits are far greater than before.

Ye Chen was very satisfied, he looked at the six women who were sleeping very comfortably.

Zhao Yanyan, Liu Yue, Fu Lanling, Su Mengxin, Lin Rouxi and Xiao Lulu who were naked looked like fairies who came down from the sky, after getting moisturization from Ye Chen they were all very beautiful now, their beauty was comparable to the goddess of heaven.

The most noticeable changes were Lin Rouxi and Xiao Lulu, now Lin Rouxi's teacher has become much prettier and more seductive, she emitted a mature aura that made Ye Chen like her even more.

As for Xiao Lulu, she is getting prettier and looks a little more mature.

Seeing the six women still asleep, Ye Chen decided to leave this room, he better see Xia Ningzi's condition.

Ye Chen left the dual cultivation room.

A while after Ye Chen left, Zhao Yanyan, Liu Yue, Fu Lanling, Su Mengxin, Lin Rouxi and Xiao Lulu opened their eyes, all the women got up at the same time.

"Geez, husband, became much stronger, even after everyone cooperated, still unable to beat him." Zhao Yanyan did not expect that Ye Chen became even stronger than before.

After doing it in the dorm that time, Zhao Yanyan felt that something had changed from Ye Chen, now that Ye Chen's abilities were much stronger and more powerful.

Zhao Yanyan and all the women were made to reach heaven by Ye Chen's amazing power.

Liu Yue: "You're absolutely right, he's getting stronger, moreover his things are getting bigger and bigger, my body is barely able to fit it." Liu Yue also felt what Zhao Yanyan felt.

Ye Chen's ability was too strong, she could be easily overpowered and immersed in peerless pleasure.

"We should look for a sister again, otherwise we might be killed by a large object belonging to the husband." Zhao Yanyan advised everyone to find another woman for Ye Chen.

Zhao Yanyan's lower half was still a little sore because Ye Chen's big thing was too strong while doing it himself.

Zhao Yanyan really liked the feeling he got from younger brother Ye Chen, but his body couldn't keep on handling such a large object.

Liu Yue, Fu Lanling, Su Mengxin and Lin Rouxi agreed with what Zhao Yanyan had suggested.

"This time I agree with younger sister Yanyan." Even Lin Rouxi who usually didn't like Ye Chen had many women, agreeing with Zhao Yanyan's suggestion, she felt the five of them weren't enough to do Ye Chen.

Yesterday all the women didn't know how many times they were all pierced by Ye Chen's big thing.

If they had to do this every day, they definitely wouldn't be strong.

Even if doing it was fun but if it had to be like this every day, then they wouldn't be able to endure it, moreover Ye Chen needed Yinqi intake from all women, otherwise Ye Chen would be in danger.

"Lulu, how about you?" Zhao Yanyan asked Xiao Lulu.

Now that Xiao Lulu had joined Ye Chen's wife group, she also had to make a choice.

Chapter 283 - Ambiguous Morning

"that . . . , I just agree with you." Xiao Lulu is currently very embarrassed, she did not think that Zhao Yanyan had considered herself as family too.

In her heart Xiao Lulu is very happy, she is finally fully accepted in this family, now she has several beautiful sisters who are kind.

"Well if everyone agrees, then we have to find a beautiful woman for the husband." Zhao Yanyan decided to help Ye Chen in finding a woman who was both good and beautiful.

All the women in the room nodded, they all agreed with what Zhao Yanyan said.

After the agreement is made together, all the women immediately take a shower, change clothes and dress up, after they are done, now they all look very beautiful.

Some women still had difficulty walking, the worst being Xiao Lulu, she needed help from Fu Lanling to keep her feet upright.

After All the women appeared beautiful, Zhao Yanyan led all the women to leave the fairy gate.

On the other hand.

Ye Chen is currently going to the room where Xia Ningzi is sleeping, he wants to see if Xia Ningzi is awake or not.

"Click" Ye Chen entered the room where Xia Ningzi was, currently Xia Ningzi was still fast asleep.

Ye Chen went inside, he wanted to wake Xia Ningzi up.

"Hey Xia Ningzi wake up, it's already morning." Ye Chen shook Xia Ningzi's body.

Xia Ningzi was currently having a sweet dream, she was quite annoyed at being bullied at a time like this.

"Big sister, go away, you disturb my sweet dreams." Xia Ningzi is still a little conscious, she is delirious, she thinks the person who is waking her up is Xia Qingyu, even though right now the person who is waking her up is Ye Chen.

Ye Chen was helpless, he shook Xia Ningzi's body even harder.

Xia Ningzi was getting more and more annoyed, she got out of bed, Xia Ningzi wanted to argue with the person who was bothering her. "Big sister, I'm still sleepy, why are you. . ." Xia Ningzi's words stuck in her throat.

Xia Ningzi was surprised to see the person in front of her, the person in front of her was not her older sister, but Ye Chen.

Now that Xia Ningzi's naked carcass was seen in front of Ye Chen, last night Ye Chen forgot to put the clothes Xia Ningzi was wearing again.

If Xia Ningzi was suspicious, it would be bad.

"Eh, senior brother Ye Chen, I'm sorry, I thought you were my sister." Xia Ningzi apologized to Ye Chen, she thought that Ye Chen was her older sister who was waking herself up.

Xia Ningzi just remembered that she was currently at Ye Chen's house.

Xia Ningzi did not call Ye Chen brother-in-law, because of the incident last night, she was very embarrassed to have to call Ye Chen as brother-in-law.

"Ahemmm, Xia Ningzi you better cover your body, from here I can see everything very clearly." Ye Chen told Xia Ningzi to cover her body.

Hearing Ye Chen's words just now, Xia Ningzi immediately looked down, at this time she really did not wear anything on her body.

Xia Ningzi's face turned red. "Ahh. . . ." Xia Ningzi shouted, she immediately turned away from Ye Chen.

"Senior brother Ye Chen quickly turned around, why are you still looking here?" Xia Ningzi told Ye Chen to turn around.

Hearing this, Ye Chen immediately turned his back on Xia Ningzi. "Last night I saw it enough, why hide it from me." Ye Chen did not say it directly, he said this in his heart.

Xia Ningzi immediately grabbed whatever was nearby, she took a blanket to cover her body.

After the kajadian earlier, the atmosphere in the room became ambiguous, neither Ye Chen nor Xia Ningzi wanted to start a conversation.

"Ehemmm, are you feeling good, is there anything you are uncomfortable with?" To get rid of the awkwardness, Ye Chen asked how Xia Ningzi is currently.

"I'm fine, senior brother Ye Chen doesn't need to worry." Xia Ningzi is healthy as normal, in the morning she feels very fit and healthy.

Xia Ningzi said this with a flushed face, she still remembered what happened last night.

"You don't need to be too formal with me, you can call me Ye Chen or brother-in-law." Ye Chen wanted Xia Ningzi to be less formal with him.

"Okay, I understand, I'll just call you Ye Chen." Xia Ningzi finally called Ye Chen by his full name.

Xia Ningzi's face still looked red.

"Good, you're hungry right ?, I will make breakfast for you, you better go take a shower and wash up." Ye Chen wanted Xia Ningzi to go take a shower and wash up.

If Ye Chen continued to be in this place, it was likely that the situation would become even more awkward.

Hence, he wanted to keep Xia Ningzi alone for the time being.

Ye Chen left the room, now only Xia Ningzi is left in this room.

"Ouch, why can you be so careless, I let him see my body." Xia Ningzi felt like just dying, she returned to let Ye Chen see her beautiful carcass.

"What should I do, how will I face it in the future." Xia Ningzi's current mind was very chaotic.

Her older sister's fiancé was currently looking at her body, in this situation what would Xia Ningzi do.

"Ouch, why can't I think clearly in this kind of situation" Xia Ningzi hit her head for not wanting to work in a situation like this.

"I should just take a shower, maybe cold water can calm my mind." Xia Ningzi decided to just take a shower, with a cold shower, maybe her mind would be refreshed.

While still wrapped in the blanket, Xia Ningzi went to the small bathroom in this room.

She started washing her body with cold water that came out of the shower.

After leaving the room occupied by Xia Ningzi, Ye Chen is currently going to the kitchen, this time he will make breakfast for everyone.

Right now it was most likely that Zhao Yanyan and the other women were sleeping, so it was best for her to make food for everyone, when they all got up breakfast was ready.

Ye Chen started cooking food, he used makeshift ingredients that he could find in this kitchen, Ye Chen used makeshift ingredients to make delicious food.

Within 30 minutes Ye Chen managed to make a huge amount of food, he put all the food he had made on the dining table.

It so happened that when Ye Chen finished making food, Zhao Yanyan, Liu Yue, Fu Lanling, Su Mengxin, Lin Rouxi and Xiao Lullu came out of the fairy gate.

All women today are so beautifully dressed, Ye Chen is fascinated to see the beauty of all his wives.

"Husband, why are you stunned like that, have you never seen a beauty like us" Zhao Yanyan and other women giggled in front of Ye Chen.

"Wife, all of you are the most beautiful women like goddesses, I am very fortunate to be blessed by women like you." Ye Chen praised all the women who had dressed up so beautifully.

"Look, the husband has a very sweet tongue, it's no wonder he can gather us all." This time Liu Yue said that Ye Chen has a sweet tongue that can make women happy with the words that come out of him.

"Hehehe" Ye Chen just chuckled at all his wives.

Chapter 284 - Liu Yue Wanted To Go Too

All the women headed towards the dining table, all the women sat very neatly.

The dining table in this villa is quite large, it can accommodate up to tens of people at once.

"Ye Chen, did you make all of this." Lin Rouxi asked if all the food on the table was made by Ye Chen alone.

"Of course, let's try it" Ye Chen told everyone to try his cooking.

In this house the only women who had tried dishes from him were Zhao Yanyan and Liu Yue, for Fu Lanling, Su Mengxin, Lin Rouxi and Xiao Lulu had never tried Ye Chen's food.

Fu Lanling, Su Mengxin, Lin Rouxi and Xiao Lulu were quite curious about Ye Chen's cooking skills.

They started trying to taste the dishes that Ye Chen had made.

"Delicious." Fu Lanling, Su Mengxin, Lin Rouxi and Xiao Lulu felt that the food that Ye Chen made was delicious.

Ye Chen was happy to see all the women like the dishes he had made.

"Tap. . ., tap. . ., tap. . .," The sound of footsteps was heard.

Everyone immediately looked at the sound of footsteps, they all saw Xia Ningzi coming to the dining room.

Xia Ningzi who just came downstairs immediately went to the dining room, she was quite difficult to find where the dining room was.

hearing the voices of several people making noise, Xia Ningzi decided to go and take a look.

It turned out that the origin of the noise came from the dining room, when Xia Ningzi arrived at the dining room, Xia Ningzi was surprised to see that there were so many very beautiful women sitting beside Ye Chen.

All the women who sat in the dining room were of utter beauty, each one of them with a different temperament.

Xia Ningzi had never seen so many beautiful women gathered in one and the same place.

Seeing this, Xia Ningzi began to suspect that all the beautiful women here were Ye Chen's women.

Xia Ningzi did not expect that Ye Chen could have so many beautiful women at the same time.

"Xia Ningzi, come here and eat with us." Seeing Xia Ningzi's arrival, Ye Chen told her to join the meal together.

All the women who were here gave Xia Ningzi gentle smiles.

Xia Ningzi didn't dare to look back at this beautiful woman, she only lowered her head and walked towards the nearest chair.

"Xia Ningzi, let's try the dishes that Ye Chen made, you will definitely like them." Zhao Yanyan, who was familiar with Xia Ningzi, immediately offered Xia Ningzi the food that Ye Chen had made.

Xia Ningzi didn't dare to refuse Zhao Yanyan, she immediately tried the dishes that Ye Chen had made.

All the women who were here kept looking at Xia Ningzi, they started to think that maybe Xia Ningzi could be dragged into their group.

From the attitude shown and Xia Ningzi's beauty, all women were quite satisfied, Xia Ningzi might be the right candidate

They would all find the perfect time to talk to Xia Ningzi.

Everyone continued eating the food that was on the table.

All the women were chatting with each other, today they all look very telling, most likely because of the increased power they have done last night.

"Husband, I heard that you are going together with Xia Qingyu to the capital to do business. Is that right?" Liu Yue asked Ye Chen if he and Xia Qingyu were going to the capital to do business.

"Yes, I'm going to the capital together with Qingyu to do some business, by the way, how do you know this?" Ye Chen wanted to know how Liu Yue knew that he was going to the capital together with Xia Qingyu.

"Of course I know, whatever Xia Qingyu does it will not be able to escape from my supervision." Liu Yue told Ye Chen that she knew the work Xia Qingyu was going to do.

it turned out that Liu Yue often monitored Xia Qingyu's work, Xia Qingyu herself also often asked for advice from Liu Yue who was very experienced in business.

"I've decided very well, I'll go with you two to the capital." Liu Yue wanted to go along with Ye Chen and Xia Qingyu to the capital.

Liu Yue will help Ye Chen get a cold woman like Xia Qingyu, she will make a scenario for Ye Chen to get a cold woman like Xia Qingyu as soon as possible.

Liu Yue winked at all the sisters, she had already found one girl she could join the group with.

All the women in the beautiful wife group, understood what Liu Yue was trying to do, they all supported what Liu Yue was going to do.

"OK, if you want to come then just go with it." Ye Chen didn't mind at all if Liu Yue joined him and Xia Qingyu.

With Liu Yue joining in, Ye Chen would not be bored on the trip.

"Ah, I forgot, I haven't told big sister that I'm okay, she will be very worried." Xia Ningzi just remembered that she had not told Xia Qingyu that she was currently safe.

"Are you Xia Qingyu's younger sister?" Liu Yue asked if Xia Ningzi was Xia Qingyu's younger sister.

"Yes, my older sister is Xia Qingyu, er, does the beautiful fairy sister know my older sister?" Xia Ningzi turned to ask Liu Yue, Xia Ningzi still didn't know who the woman's name was who was asking her.

She decided to call this woman a beautiful fairy sister.

"Yes, I am a close acquaintance of your older sister, my name is Liu Yue, you can call me sister Yue." While answering Xia Ningzi's question, Liu Yue introduced herself to Xia Ningzi.

"OK, sister Yue, I understand." Xia Ningzi nodded at Liu Yue.

Seeing that Xia Ningzi didn't know them all, the women started to introduce themselves to Xia Ningzi.

Xia Ningzi began to remember the women of Ye Chen one by one.

"Ye Chen, I want to borrow your cellphone, I want to tell big sister that I'm fine at this time." Xia Ningzi wanted to borrow Ye Chen's cellphone to contact her older sister.

Yesterday when she was kidnapped, the bag she was carrying fell, all the pickpockets and Xia Ningzi's cellphone was in the bag that fell, now her wallet and cellphone must be very difficult to find.

"Here it is." Ye Chen gave his cell phone to Xia Ningzi.

Xia Ningzi received a cellphone from Ye Chen, she unlocked the cellphone screen, when Xia Ningzi opened Ye Chen's cellphone screen, dozens of missed call notifications and also direct messages appeared in front of Xia Ningzi.

The person who called Ye Chen repeatedly was her older sister, it seems that when she was kidnapped, Xia Qingyu called Ye Chen to ask for help finding Xia Ningzi's whereabouts.

Xia Ningzi was quite touched to see that her older sister was so worried about her.

Even though Xia Qingyu was often cold towards other people, Xia Qingyu was actually very kind to Xia Ningzi and the people she loved.

Xia Ningzi immediately called her sister's number.

"Bipp. . . ." Call connected.

"Ye Chen, where have you been, from last night I have called you dozens of times, I really need your help, currently Xia Ningzi is missing and the police can't find her." Xia Qingyu immediately vented her frustration because Ye Chen did not pick up the calls that had been made she did dozens of times.

Chapter 285 - Special Gift From Xia Qingyu

Xia Ningzi covered her ears, Xia Qingyu's angry voice was so big, it made Xia Ningzi's eardrums hurt.

"Big sister, it's me Ningzi, currently I'm fine," Xia Ningzi told Xia Qingyu that she was currently fine.

"Ningzi is that really you?" Xia Qingyu asked if this was really Xia Ningzi.

"Big sister, don't you know my voice? Xia Ningzi said to Xia Qingyu.

Hearing Xia Ningzi's voice for the second time, Xia Qingyu finally believed that it really was Xia Ningzi.

"Thank God you're fine, now where are you ?, and who are you with." Xia Qingyu asked where Xia Ningzi was currently.

Xia Qingyu showered Xia Ningzi with countless questions.

"Big sister, right now I'm at Ye Chen's house, I'll be going home soon." Xia Ningzi told Xia Qingyu that she was currently at Ye Chen's house.

"At Ye Chen's house? , how did you get to Ye Chen's house, the older sister of your roommate told me that you were being kidnapped, how did you get to Ye Chen's house explain everything to me. "Xia Qingyu wanted Xia Ningzi to explain everything to herself.

She wanted to know how Xia Ningzi could be with Ye Chen, was Xia Ningzi not kidnapped by someone from the start.

if Xia Ningzi was not kidnapped and only left with Ye Chen, she would be very angry with Xia Ningzi and Ye Chen, Xia Qingyu had not slept at all all night because she was worried about Xia Ningzi's whereabouts.

Xia Ningzi tries to explain what happened to her, Xia Ningzi tells her that she was indeed kidnapped, fortunately Ye Chen came to save herself so that she is free from the clutches of bad people.

Xia Ningzi did not tell the ambiguous things she had with Ye Chen, if her older sister knew that there would be even more chaos.

At this moment Xia Ningzi already felt chaotic because Ye Chen had so many peerless beautiful women, if she told this to her elder sister, her older sister would be very angry.

"So you were saved by Ye Chen from the hands of a thief." After hearing Xia Ningzi's explanation, now Xia Qingyu knew how Xia Ningzi could be with Ye Chen.

"Yes, Ye Chen is the one who saved me." Xia Ningzi nodded on the phone.

"Then hand over this phone to Ye Chen, let me talk to him." Xia Qingyu wanted to speak directly to Ye Chen.

"Ye Chen, older sister said that she wanted to talk to you, this is your cellphone." Xia Ningzi handed the cellphone back to Ye Chen.

Ye Chen, who was busy eating, received a cellphone from Xia Ningzi. "Hello, Qingyu, what's wrong? Ye Chen asked Xia Qingyu.

"Ye Chen why don't you call me right away when you saved Xia Ningzi, you kept me from sleeping all night" Xia Qingyu took out her frustration on Ye Chen for letting herself not sleep all night.

"Sorry I forgot to tell you last night" while scratching his head Ye Chen apologized to Xia Qingyu who was on the other side.

"Hemmmpp." Xia Qingyu snorted coldly.

"Okay, I'll forgive you, it's because you saved Ningzi, Ye Chen, thank you very much." Xia Qingyu thanked Ye Chen.

Ye Chen did not understand at all how Xia Qingyu's attitude had changed so quickly, before she was annoyed but now she is even grateful to himself, this is very strange.

Women are indeed strange creatures, they are very difficult to understand.

"Hurry here. Our plane will take off in 1 hour 30 minutes." Xia Qingyu asked Ye Chen to come to his house immediately, they had to go to the airport on time to fly to the capital.

"Alright, in half an hour I will go to your place" Ye Chen promised Xia Qingyu that he would come on time.

After that Xia Qingyu hung up on Ye Chen.

The other Ye Chen woman giggled when she heard the conversation between Ye Chen and Xia Qingyu.

After becoming a cultivator, the hearing of all women had improved considerably, even though the sound of a small call they could all hear.

Everyone returned to continue their breakfast, after finishing breakfast, Ye Chen, Liu Yue and Xia Ningzi had to go to the Xia family's house.

Ye Chen left all responsibility to Zhao Yanyan and Fu Lanling, when he is not in this city, Ye Chen hopes they can take good care of themselves.

After saying goodbye to his wife, Ye Chen took Liu Yue and Xia Ningzi to the car garage.

Ye Chen was going to use his car, yesterday Ye Chen left Xia Qingyu's car by the side of the road, he hoped that the car would not get lost in someone's steal.

"Yue, please tell people to take the car with the License Plate XXXX series, yesterday I left it by the side of the road" Ye Chen asked Liu Yue for help to tell her subordinates to take Xia Qingyu's car.

"Okay, I understand, I will tell my subordinates to take the car you mentioned earlier." Liu Yue accepted Ye Chen's request, she immediately called her subordinates to do the job Ye Chen wanted.

Ye Chen nodded with satisfaction at Liu Yue "then let's go" Ye Chen invited Liu Yue and Xia Ningzi to go.

The two women nodded, they both immediately got into Ye Chen's car.

Ye Chen also got into the car, he immediately drove this car to Xia's house.

On the way Liu Yue whispered and told Xia Ningzi to keep her relationship with Ye Chen a secret from Xia Qingyu.

For now Liu Yue didn't want Xia Qingyu to know that she was Ye Chen's woman, so it would be easier for Liu Yue to make an opportunity for the two to get close.

Xia Ningzi nodded, she couldn't refuse Liu Yue's request at all, Liu Yue's request was like an absolute order for Xia Ningzi.

"Good." Liu Yue gave Xia Ningzi a smile.

It didn't take long for Ye Chen to arrive at the Xia residence, when Ye Chen arrived at the gate, at this time Xia Qingyu was already waiting for his arrival.

Ye Chen and Xia Ningzi got out of the car, while Liu Yue remained in the car.

"Big sister" Xia Ningzi came to Xia Qingyu, when Xia Ningzi approached Xia Qingyu suddenly hugged her.

"Ningzi, I am glad that you are fine." Xia Qingyu was glad to see that Xia Ningzi was fine.

"Older sister?" "This is Xia Ningzi's first time seeing her older sister do this, Xia Ningzi has never seen Xia Qingyu hug her, even when she was a child.

The two of them continued to hug tightly, after a few minutes Xia Qingyu finally let go of Xia Ningzi.

"Ningzi come in, right now your roommate is inside, she must also really want to see you." Xia Qingyu told Xia Ningzi to see Su Yuyu in inside House.

From last night the person who had accompanied Xia Qingyu was Su Yuyu, this little loli was eagerly awaiting news of Xia Ningzi's whereabouts.

Xia Ningzi nodded at Xia Qingyu, she headed inside the house to meet Su Yuyu.

Xia Qingyu then looked at Ye Chen "Ye Chen, thank you very much for saving my little sister, I owe you even more" This time without any outsiders around here, Xia Qingyu thanked Ye Chen quite sincerely.

Xia Qingyu's attitude was no longer cold, she was now gentler when she spoke to Ye Chen.

"Just saying thanks? , there are no other gifts for me?" Ye Chen asked for a gift from Xia Qingyu.

"Then close your eyes, I will give you a gift" Xia Qingyu asked Ye Chen to close his eyes.

Ye Chen closed his eyes, he wanted to see what Xia Qingyu would give him.

Xia Qingyu tiptoed and brought her lips closer to Ye Chen, she immediately kissed Ye Chen's lips.

Ye Chen, who was closing his eyes, felt that someone had kissed his lips, he immediately opened his eyes, when he opened his eyes, he saw Xia Qingyu kissing himself.

Ye Chen who saw this immediately returned Xia Qingyu's kiss with passion, the two of them passionately kissed right at the door.

The two of them began to sink into a sea of romance, they thought that in this place only they were alone. .

Xia Qingyu started to like kissing Ye Chen, this feeling made her very addicted

Chapter 286 - Your Relationship Looks Good

Liu Yue, who was still in the car, saw Ye Chen and Xia Qingyu kissing, she didn't expect that Ye Chen and Xia Qingyu's relationship had gone that far.

It seemed like she didn't have to bother to help Ye Chen get Xia Qingyu, soon Xia Qingyu might become part of the beautiful wife group.

After all, once Xia Qingyu tasted Ye Chen's big thing, she would definitely no longer be satisfied with the others

Liu Yue smiled seductively, he had already thought of a way to make Xia Qingyu quickly become Ye Chen's woman.

After 5 minutes of kissing Xia Qingyu tried to get away from Ye Chen "Big pervert hurry off me, isn't the gift I gave you enough?" Xia Qingyu pushed Ye Chen away.

"Hehehe, Qingyu I still want more" Ye Chen wiped the saliva from the kiss with Xia Qingyu, Ye Chen was not satisfied.

The Yinqi that came from Xia Qingyu was very rich in pure, this made Ye Chen very addicted.

"Let's quickly go to the airport, otherwise we'll miss our flight" Xia Qingyu invited Ye Chen to go to the airport.

"Ye Chen, where is my car, why is the car you drive different." Xia Qingyu saw the car that Ye Chen was driving, obviously this luxury car did not belong to her.

"Your car is currently in the garage because it broke down, that's why I brought this car here." Ye Chen made an excuse to Xia Qingyu if Xia Qingyu's car was currently in the garage.

"I see, then let's just go" Xia Qingyu invited Ye Chen to get into the car immediately.

Xia Qingyu doesn't care whose car it is, the important thing is that it can be used to go to the airport.

Both of them get into the car.

"Looks like you guys have a pretty good relationship too." When Xia Qingyu just got into the car, a woman's voice was heard from the back seat.

Suddenly Xia Qingyu turned her head back, when Xia Qingyu looked back she saw a beautiful woman sitting in the back seat.

Xia Qingyu was shocked when he saw the beautiful woman sitting in the back seat, Xia Qingyu naturally knew who was the beautiful woman sitting in the back seat, this was the main director Liu Yue.

What was president Liu Yue doing in this car.

"Director. . . . Liu, what. . . . that is. . . you are doing here "in a stuttering voice Xia Qingyu asked what Liu Yue was doing in this car.

"Didn't I say in the message I sent earlier, that I would go with you to the capital?" Liu Yue had sent a message to Xia Qingyu that she was going to go to the capital too.

Xia Qingyu didn't know at all, after making a call with Ye Chen, she didn't look at her cellphone at all.

Xia Qingyu immediately opened her cellphone, on her cellphone there was indeed an incoming message that was from Liu Yue, in the short message it was written that she was going to go to the capital, she would also come here with Ye Chen.

After seeing the contents of this message, Xia Qingyu's face turned bright red, and there was steam rising from Xia Qingyu's face.

If Liu Yue had been in this car earlier, then Liu Yue should have seen what she and Ye Chen were doing.

Xia Qingyu did not expect that when she kissed Ye Chen, she would be seen directly by Liu Yue who was her superior.

For Xia Qingyu this was such a shame, how should she face Liu Yue in the future.

Liu Yue had seen herself making out with her own bodyguard.

"Director Liu. Did you see that just now? With a flushed face, Xia Qingyu asked Liu Yue if she just saw herself and Ye Chen kissing.

"No, I didn't see anything." Seeing Xia Qingyu become awkward, Liu Yue was forced to lie if she didn't see the kiss scene just now.

Xia Qingyu's face became even more red and hot, it was obvious that Liu Yue saw it, but she lied and said she didn't see the thing just now.

"Director Liu I know you saw him just now, you don't have to lie like that" Xia Qingyu said to Liu Yue with a very red face.

"Yes, I did see it, you don't need to be ashamed, it's been a face for adults to do just now" Liu Yue told Xia Qingyu that things just now are commonplace in today's world.

hearing Liu Yue's words, Xia Qingyu was even more embarrassed, Xia Qingyu did not expect that Liu Yue was so brave, Xia Qingyu did not dare to look directly at Liu Yue

"Yue director, Ceo Qingyu, can we go to the airport right now" in this case Ye Chen used a formal name to call the two of them.

Xia Qingyu was a very jealous woman, if she knew that he and Liu Yue had a relationship, Xia Qingyu would be angry with him.

"Yes, you can go right away." Liu Yue told Ye Chen to go to the airport immediately.

On the other hand, Xia Qingyu didn't say anything at all, she could only bow her head in utter embarrassment.

Ye Chen drove his car to the airport.

On the way to the airport, Xia Qingyu was still the same as before, she kept her head lowered, she didn't dare look at Liu Yue or Ye Chen.

In Liu Yue's eyes By now, her image must have crumbled to pieces.

She performed a shameless scene right in front of Liu Yue, the more Xia Qingyu thought about it, the more embarrassed she felt.

In her heart Xia Qingyu began to wonder how Ye Chen knew Liu Yue, from Liu Yue's tone, it was obvious that Liu Yue looked very familiar with Ye Chen.

Xia Qingyu began to remember, previously when she wanted to fire Ye Chen, Liu Yue strongly defended Ye Chen and did not allow herself to fire Ye Chen, and Ye Chen's expression at that time was very confident that she would not be fired.

From here Xia Qingyu had come to a conclusion that it turned out that Ye Chen had known Liu Yue for a long time, it was only natural that Ye Chen was very arrogant in his work, it turned out that this person knew the great director Liu Yue.

Xia Qingyu was very annoyed with Ye Chen, why didn't he tell herself that he knew Liu Yue and again how could Ye Chen not tell herself that Liu Yue had been in this car before.

If only Xia Qingyu had known this beforehand, she wouldn't have kissed Ye Chen in the open like that.

Xia Qingyu stretched out his hand and started pinching Ye Chen's waist using both of her finger pincers.

Ye Chen, who was focused on driving, was shocked by this, why did Xia Qingyu suddenly pinch his waist, why did this woman like to do things like this.

Ye Chen looked at Xia Qingyu, he asked what made Xia Qingyu do this.

Xia Qingyu sniffed coldly and turned her face to the side, she didn't care about Ye Chen anymore.

Liu Yue, who saw Ye Chen and Xia Qingyu's behavior smiled, the two of them looked more and more like an angry lover.

Chapter 287 - Feng Grup

On the way, Liu Yue asked which company, Xia Qingyu would be doing business.

Xia Qingyu told Liu Yue that she would do business with the Feng Group which is a giant engaged in media and advertising in this country.

The Feng Group may not be the richest in the capital, but the strength of the Feng Group is no weaker than the Four Great Families in the capital.

When asked about Xia Qingyu's business so quickly recovering herself, now she is back to being a cold woman as usual.

"So you're going to do business with the biggest media giant in the country?" Liu Yue nodded at Xia Qingyu, Liu Yue already knew what Xia Qingyu would do with Feng Group.

"Director Liu, how about it? Are you going to talk about this business yourself?" Xia Qingyu asked if Liu Yue would personally discuss business with Feng Group.

"No, you better do it, if I do it myself they will definitely charge a much higher rate than the original." Liu Yue let Xia Qingyu handle this.

If it came to Liu Yue who talked about business, it was likely that the Feng Group would charge a slightly higher than normal rate.

In the capital the influence of Liu Yue was not very strong, the Feng Group would definitely seek personal gain from the wealth that Liu Yue possessed.

in the business of profit is number 1, as long as it is profitable, a deal will definitely be made.

Moreover, the Feng Group has almost the same financial strength as Liu Yue's company, it is certain that both parties do not want to give up in doing a large scale business.

"Okay, I understand, I will definitely try to do this business well." Xia Qingyu promised to do the best she could.

"Good, I really hope for you." Liu Yue was satisfied to see the trust Xia Qingyu had, it seemed that she was not wrong in choosing the CEO for Ye Chen's company.

At this time Ye Chen was listening to the conversation of the two women, from what he heard that Feng's group was a giant group engaged in media and advertising, most likely it was about making Xiannu company known and having a wider reach.

Ye Chen will leave this business matter to Xia Qingyu, he firmly believes that Xia Qingyu can handle this all.

It didn't take long for Ye Chen to arrive at the airport, after arriving at the airport everyone immediately got out of the car, the three of them headed straight to the plane they were going to board.

The plane that Xia Qingyu ordered is the business class / Vip, the plane, this class has a service that is much more complete than the economy class, and again Class Vip has a very reliable crew, so the chance of an accident is very much smaller.

the officers at the airport immediately checked Ye Chen, Liu Yue and Xia Qingyu's tickets.

Xia Qingyu gave the VIP ticket to the officer, the officer immediately received the ticket from Xia Qingyu's hand, after confirming that this ticket was genuine, the officer let Xia Qingyu's group enter the plane.

1x ticket Vip can bring up to 8 companions, that's why when Xia Qingyu handed over 1 x Vip flight ticket, the officer no longer asked for tickets from Ye Chen and Liu Yue.

The officers already knew that the two of them were Xia Qingyu's companions.

Ye Chen, Liu Yue and Xia Qingyu entered the Vip class plane, when the three of them entered they were warmly welcomed by the flight attendants on this plane.

All the flight attendants on this plane are quite beautiful, they have a very sexy, and seductive body, it's no wonder that rich people have more rides in Vip-class aircraft, it turns out that the flight attendants on this plane are very tempting.

The female flight attendant gave Ye Chen a charming smile, when the female flight attendant saw Ye Chen, she immediately fell in love with Ye Chen.

For female flight attendants, Ye Chen was the ideal handsome man she often dreamed of in her dreams every night.

It was not only this female flight attendant who looked at Ye Chen with a sparkling gaze, almost all of the flight attendants who were here stared at Ye Chen with eager eyes.

They all don't care if this handsome man has a beautiful woman by his side, the flight attendants are very confident in their seductive abilities.

The female flight attendants started blinking their eyes at Ye Chen.

Xia Qingyu immediately glared at the flight attendant who was teasing Ye Chen.

All the female flight attendants who saw Xia Qingyu's gaze shuddered, they could feel the chills emitted from Xia Qingyu.

Liu Yue smiled when she saw how Xia Qingyu was jealous of the woman who tried to tease Ye Chen.

Seeing this, the female flight attendant tried to stop teasing Ye Chen. "Sir and miss, please come with me, I will find a seat for all of you." One of the flight attendants with a rather beautiful appearance guided Ye Chen to find a seat.

Ye Chen, Liu Yue and Xia Qingyu followed the female flight attendants, they went to their seats.

This was Ye Chen's first time boarding an airplane, he was still quite unfamiliar with this kind of airplane.

Ye Chen continued to look around, There were lots of empty seats here, there were only a few people who occupied the passenger seats that had been provided on this plane.

The only people who can get on this plane are rich people and businessmen, that's why there are only a few people who get on this plane.

When Ye Chen's entourage entered, several people who were here saw Liu Yue and Xia Qingyu, everyone was shocked when they saw the two beauties walking side by side.

One is a cool beautiful woman, another is a super beautiful woman who is proud and glamorous, their beauty can break the heart of any man who sees her.

Liu Yue and Xia Qingyu ignored the gazes from those who were staring at them, they continued walking towards their seats.

Ye Chen, Liu Yue and Xia Qingyu finally found a seat in the corner, this seat fits three passengers.

The current sitting position, Ye Chen was on the outermost side, Liu Yue was in the middle and Xia Qingyu was by the window.

The plane still needs about 5 more minutes before taking off.

so Ye Chen, Liu Yue and Xia Qingyu could still relax for a while.

While waiting for the plane to take off, Liu Yue and Xia Qingyu exchanged a little experience in doing a business.

Xia Qingyu highly adored Liu Yue's business queen, at a relatively young age, Liu Yue was able to make a company of hers become enormous, within a few years Liu Yue's company became the first company in this city, this made Xia Qingyu adore Liu Yue.

Moreover, Liu Yue was still a woman who had extraordinary beauty, Xia Qingyu even had to admit that Liu Yue was much more beautiful than herself, the man who got Liu Yue would definitely be very blessed.

Xia Qingyu did not know that the man who was blessed by Liu Yue's beauty was her own fiancé, Ye Chen.

Xia Qingyu continued to ask about some of the business knowledge that Liu Yue had.

Liu Yue was happy to answer all of Xia Qingyu's questions, there was no harm in sharing her business knowledge with Xia Qingyu, who would soon become a sister with her.

Chapter 288 - Flatly Rejected

Xia Qingyu was very happy that when she got new experiences from Liu Yue, he and Liu Yue continued to chat about business science.

Ye Chen was currently left alone, Liu Yue and Xia Qingyu were discussing their preferred topic.

Ye Chen didn't have anything he could do, so Ye Chen finally decided to just sleep.

"Hello, two beautiful ladies, may I have a chat with you two." A handsome young man came to Liu Yue and Xia Qingyu, this young man wanted to get acquainted with these two beautiful women.

Liu Yue and Xia Qingyu were busy talking, suddenly this person came and disturbed the two of them.

The two women gave a quick glance after which they both started to ignore the young man who came to them, they both completely ignored this man.

Young men are quite awkward because they are ignored by these two beautiful women.

"Beautiful Miss, I came here sincerely to get to know you a little" young man did not give up he still wanted to get to know these two women better.

Liu Yue and Xia Qingyu were still the same, they both still ignored the words of young men, Liu Yue herself didn't really like strangers trying to get close to her, on the other hand Xia Qingyu acted coldly and chased away any men who tried to get close to her.

"You better just go, you just disturb us." Ye Chen, who had just closed his eyes, told this young man to just leave from their sight.

" Who are you ? , how dare you throw me out, from the start I just wanted to get acquainted with these two beautiful ladies why do you dare to interrupt "Young men don't like Ye Chen who suddenly kicked himself out.

From Ye Chen's appearance, the young man began to suspect that this person must be the subordinate of the two beautiful women who wanted to get to know.

"I am the man of these two women, you should just go, they both don't have time to talk to you." Ye Chen told this young man that he was the man of these two women.

Hearing Ye Chen's words, the young man couldn't believe it at all, how could this person be the man of these two beauties, seeing this person was quite handsome, at most Ye Chen was only a white face that was magnified by the two beauties.

"With your clothes I already know that you must be just an ordinary person, how can you be compared to the two beautiful ladies beside you" The young man gave Ye Chen a cynical look.

This person guessed Ye Chen's identity only from the clothes Ye Chen was currently wearing.

Ye Chen's clothes do look very ordinary, he rarely wears good clothes, Ye Chen prefers to appear as they are.

"Get out of here, we don't want to know you at all." Liu Yue was the first to chase away this young man.

Liu Yue didn't like the way this person treated Ye Chen at all, this person dared to insult Ye Chen, this made the bottom line of Liu Yue's patience disappear.

"Go away, here we don't accept you." The words that came out of Xia Qingyu's lips were cold and piercing, this was much harsher than Liu Yue's words just now.

Hearing Liu Yue and Xia Qingyu's words, the young man's face immediately turned dark.

He did not expect that these two beauties were angry because he insulted Ye Chen.

The young man was increasingly convinced that Ye Chen was a white face that these two beauties had raised.

"Two beautiful ladies, I apologize to you two, I didn't mean to offend you two, my name is Xiao Yan I come from the large Xiao family in the capital." This young man did not leave Liu Yue and Xia Qingyu, he introduced himself to Liu Yue and Xia Qingyu.

Xiao Yan was very proud when he told the two women that he was the young master of the Xiao family, the Xiao family was one of the four major families in the capital.

The Xiao family has great influence in government and business, which is why the Xiao family has a much stronger power than the Yun family.

Xiao Yan was very sure that if these two beautiful women knew his identity, they would both be happy to get acquainted with him.

In this country who would not want to be close to the four big families, the four big families have a very great influence in this country.

There are so many women in this country who wish to enter the circle of the four big families, if they can enter then they will live a very secure life.

Women will be willing to do anything to get into the circle of four big families, even if they have to sell their family or themselves.

after Xiao Yan told her self-identity that his confidence had increased greatly, these two beauties would immediately be attracted to his.

"Didn't you hear what I just said. Get out of here" Liu Yue and Xia Qingyu simultaneously drove Xiao Yan out of their way.

The two of them didn't care at all if the identity of this person came from four big families, for Liu Yue and Xia Qingyu this man was very disturbing.

Xiao Yan did not expect that he would be kicked out by these two beautiful women again, even though usually he could easily get the woman he wanted by using the influence of his family.

But this time Xiao Yanyan was rejected by Liu Yue and Xia Qingyu.

this was an insult to Xiao Yan.

Xiao Yan's face turned black, Xiao Yan gave off a threatening aura at Ye Chen, Liu Yue and Xia Qingyu.

It turned out that Xiao Yan was a cultivator who was still weak, a weak cultivator like Xiao Yan was very brave enough to challenge Ye Chen who had a very high level.

"You better just leave here, don't let me use violence against you." This time Ye Chen's tone was no longer as relaxed as before, he threatened Xiao Yan to immediately leave in front of him.

Xiao Yan was not afraid of Ye Chen at all, he was quite confident in his fighting abilities, for Xiao Yan defeating Ye Chen was just like stepping on a small ant.

This commoner could not be compared to himself who had been trained from childhood to become a great cultivator.

Xiao Yan stared at Ye Chen with a murderous gaze, anytime Xiao Yanyan could make Ye Chen disappear from this world.

Liu Yue was also starting to lose her temper with this man, this strange man dared to come and look for trouble with Ye Chen and herself.

"Ladies and gentlemen, the plane will take off soon, please everyone to come back to your seats," the flight attendant told all passengers to sit in their respective seats, soon the plane will take off.

Xiao Yan, who was preparing to beat Ye Chen, immediately abandoned his intention, with an angry feeling Xiao Yan returned to his seat.

"Hempppf" Ye Chen sniffed coldly, if that person dared to attack him, then he would make that person a punching bag for himself.

After Xiao Yan's departure, Liu Yue and Xia Qingyu resumed their conversation.

Ye Chen also closed his eyes and prepared to sleep.

Chapter 289 - Ling Yin

"Ladies and gentlemen, are you guys fastening your seat belts properly?" A soft female voice came from beside Ye Chen's ear, a female flight attendant came to Ye Chen, Liu Yue and Xia Ningzi.

The female flight attendant asks whether the seat belt is properly installed or not.

Ye Chen immediately looked up at the flight attendant beside him.

Next to him, Ye Chen saw a beautiful woman with a full red flight attendant uniform, this woman has a very perfect goose egg-shaped face, this female flight attendant's facial features are also very perfect and beautiful, the body of this flight attendant is very well developed. Currently, the hair of a beautiful flight attendant is rolled up so that the snow-white neck can be seen clearly, the body wrapped in tight flight attendant clothes makes this woman look very sexy, the beautiful flight attendant gives a very sweet smile to Ye Chen.

This female flight attendant is really very beautiful, every man who glances at this woman will definitely fall in love with her.

Ye Chen was very surprised by this beautiful flight attendant, how could a woman like this work to become a flight attendant on this plane.

What made Ye Chen very surprised was not the beauty this woman possessed, but the strength that this woman possessed.

The strength that this woman possessed was very strong, this beautiful flight attendant's cultivation base was the 3rd level of the Overlord Realm.

With such a high level of cultivation, why should this beautiful woman work as a flight attendant on this plane.

A woman who has this kind of power, can easily earn a lot of money.

So Ye Chen was very curious why this beautiful and strong woman worked on an airplane like this.

The beautiful flight attendant saw Ye Chen's gaze, somehow she felt that Ye Chen's gaze could dig up all the secrets she had.

Beautiful flight attendants have to admit that Ye Chen is the most handsome man she has ever met in this life, with Ye Chen's current good looks there will definitely be many women who are crazy about Ye Chen.

The beautiful flight attendants have repeatedly checked Ye Chen's body, this person is just an ordinary person, but the beautiful woman by Ye Chen's side currently has quite high strength, even though Liu Yue's strength is still far from hers.

This time, Ye Chen completely hid his strength from outsiders, let alone Ye Chen's cultivation base was higher than that of a beautiful flight attendant, which was why beautiful flight attendants did not know what level of Ye Chen was currently.

It was quite rare for a beautiful flight attendant to see a young woman with such a strong cultivation level, which was why she intended to see how strong Liu Yue was, who was currently at the fourth stage of the Emperor Realm.

"Sir, you haven't fastened your belt, let me help you fasten it." With a very friendly smile. Beautiful stewardess helped Ye Chen to put on the seat belt.

Ye Chen was silent, he allowed the beautiful flight attendant to put a seat belt on his body.

When the female flight attendant bowed, Ye Chen could see the two double peaks which were quite large and looked perfect. On this woman's chest was an identification tag that could be used to call out the name of this beautiful flight attendant.

The name of this beautiful flight attendant is Ling Yin.

Ling Yin felt Ye Chen's indecent gaze, this person was very brave to stare at her double peak, if only she wasn't on a mission, Ling Yin would have slapped Ye Chen really hard.

Ling Yin quite deftly put the seat belt on Ye Chen's body, the woman deliberately put the seat belt very firmly on Ye Chen's body.

After finishing putting the seat belt on Ye Chen, Ling Yin saw Liu Yue and Xia Qingyu who were beside Ye Chen, the two women were already wearing their seat belts, so Ling Yin didn't need to help them both.

"Ladies and gentlemen, please enjoy this trip, if there is anything you need you can call one of us." Ling Yin told if you needed something Ye Chen and the others could call herself and the other flight attendants on this plane.

Liu Yue and Xia Qingyu nodded at Ling Yin, after they finished checking everyone on this plane, Ling Yin returned to the back seat which was specially designated for the flight attendants on this plane.

Ye Chen continued to stare at Ling Yin's departure.

Xia Qingyu sniffed coldly at Ye Chen, Xia Qingyu could see Ye Chen's gaze on the beautiful flight attendant just now, she was completely dissatisfied with the behavior shown by Ye Chen.

Seeing the new beautiful woman, Ye Chen's eyes immediately didn't want to leave his sight from Ling Yin's body.

Because of Liu Yue by her side, Xia Qingyu was completely unable to scold Ye Chen, he could only look at Ye Chen with a cold gaze.

On the other hand, Liu Yue also felt that the beautiful flight attendant just now was a little strange, Ling Yin looked at herself with a strange gaze, moreover Liu Yue could feel quite a dangerous aura from Ling Yin's body.

Liu Yue felt that Ling Yin was finding out about her.

"Husband, do you know the woman earlier? Liu Yue used a telepathic voice to talk to Ye Chen.

"No, I don't know a beauty at all just now, but she has strength that isn't weak at all, she's even more powerful than you." Ye Chen told Liu Yue that the beautiful flight attendant just now had a cultivation base that wasn't weak at all.

"So that flight attendant is a cultivator, it is only fitting that I feel that this woman has an aura that threatens me." After knowing Ling Yin was a strong cultivator, now Liu Yue understood why she felt threatened by Ling Yin's presence, it turned out that this woman was stronger than herself.

Ye Chen felt that this woman's aura was completely familiar to him, Ye Chen tried to find the memories that were in his mind.

After trying to remember repeatedly, Ye Chen finally remembered that this woman's aura was similar to the woman who had competed with him for the Reideran Pendant necklace.

No wonder Ye Chen didn't feel the strength in this woman's body in the past, it turns out that this woman's cultivation base is much higher than his former self.

For now, Ye Chen can naturally deduce the strength of Ling Yin.

Ling Yin who returned to her chair was very uncomfortable with Ye Chen's gaze, she felt that Ye Chen gave her a feeling that was quite dangerous.

Even though she had clearly repeatedly confirmed that Ye Chen was only a human, and not a cultivator, but why did she feel uncomfortable when Ye Chen looked at her.

Ling Yin tried to ignore the gaze from Ye Chen, unfortunately he completely couldn't ignore the gaze from this handsome young man.

Ling Yin was so helpless, what happened to her, how could she be messed up by a young man who was several times smaller than she was.

Ling Yin had to stay focused on the mission she was currently carrying out, this kind of thought shouldn't mess everything up.

Chapter 290 - A Drink That Has Been Mixed With Sleeping Pills

With an angry feeling, Xiao Yan returned to his seat.

"Honey, why do you look so angry, did those two women do things that made your heart displeased?"
"When Xiao Yan returned to his seat, he was greeted by a woman with quite a hot appearance.

This woman is quite beautiful with a seductive face, she is an artist who is quite famous in the capital, this woman is willing to be a toy from Xiao Yan so that her career becomes even brighter.

This woman did not care if she was only toyed with by Xiao Yan, as long as she remained a famous star she would do anything to make it happen, even if she had to sell her own body to people who had influence in this country.

In today's world this has become a natural thing, everyone is free to make their own choices, whatever they think is right they will immediately do it without caring what other people think.

"The two women dared to openly reject me, even though I already told you that I was a young master from the Xiao family, but they still kicked me out, it made me very angry." Xiao Yan told this hot woman that he had just been rejected rudely by Liu Yue and Xia Qingyu.

"The two women have absolutely no idea what they have missed, even though young master Xiao is attracted to both of them, it is a blessing that is rarely encountered in this world." In a quite sassy fashion, this hot female star mocked Liu Yue and Xia Qingyu. who had missed a golden opportunity to get close to the Young Master of the Xiao family.

"You are indeed a woman who really understands me, I will give you a gift of a luxury villa and an offer of a contract with a major media." Xiao Yan was quite happy to see this hot female star, he decided to gift this hot woman.

"Honey, thank you very much, I really love you." The hot star woman immediately hugged Xiao Yan who was by her side and kissed him, she acted even more coquettishly towards Xiao Yan.

This woman knew how to make a man happy, she acted coquettishly in front of Xiao Yan in order to benefit from Xiao Yan.

As long as the young master of this Xiao family is happy and not bored with herself, her career will definitely continue to shine with full of light.

The plane starts to vibrate a little, it looks like this plane will take off soon, when it takes off the shaking will be a little bit, that's why the flight attendants ask all passengers to wear seat belts so that there is no unwanted accident.

A few moments later the plane managed to do take off, the plane managed to fly safely.

After the plane started to stabilize, finally everyone was allowed to remove the seat belts they were wearing.

The trip to the capital is quite long, at least it will take around 7 ~ 8 hours of travel.

for Ye Chen, just sitting around was boring enough, he wanted to do something else.

Ye Chen looked to the side, beside at this time Liu Yue and Xia Qingyu closed their eyes.

It seemed the two of them were sleeping, Xia Qingyu was very tired because last night she hadn't slept at all.

Whereas Liu Yue was currently trying to recover her mental mind because last night she was too intense against Ye Chen, Liu Yue also needed to sleep a little to recover herself.

Liu Yue's physical strength might have increased considerably, but last night's pleasure made her mental mind quite exhausted, so Liu Yue needed a short nap to recover her mental thoughts.

Ye Chen was so helpless, even though he intended to do something fun with Liu Yue.

"Sir, this is your drink." Suddenly Ling Yin was at Ye Chen's side, carrying a push table he went around to distribute food and drinks to the passengers on the plane.

"Thank you very much." Ye Chen received a drink from Ling Yin.

"May I know a little about you?" Ye Chen wants to get to know Ling Yin.

"Sorry sir, I'm currently working, I can't continue to chat with you, there are still many passengers who haven't gotten food and drinks." Ling Yin refused Ye Chen, she still had to do her job.

"Oh so, then I won't bother you" Seeing this woman didn't want to be spoken to, Ye Chen didn't want to continue anymore.

Ling Yin just smiled sweetly at Ye Chen, after which she pushed the table back towards the other passengers.

Ye Chen saw Ling Yin's departure, even though he wanted to know a little about this beautiful flight attendant.

Ye Chen drank the drink Ling Yin gave him, when Ye Chen drank a little, he felt that there was something strange about the drink Ling Yin had given him.

This drink has been mixed with a drug that can make people fall asleep for several hours.

Ye Chen didn't understand why Ling Yin gave himself a drink that had been mixed with sleeping pills, actually what this woman wanted by giving himself sleeping pills.

Ling Yin continued to distribute food and drink to everyone on this plane, everyone happily accepted food and drink from Ling Yin.

Just like Ye Chen, these people are also eager to get acquainted with Ling Yin, too bad Ling Yin rejects all men who try to get close to her.

Even Xiao Yan, who tried to get close to Ling Yin, was immediately rejected by Ling Yin.

Xiao Yan's face darkened again, this was the third time he was rejected by a beautiful woman, what is really wrong today, why is he repeatedly rejected by a beautiful woman, is there something strange about him.

Ye Chen saw that all the food and drink that Ling Yin gave to all the passengers, contained a medicine that could make people fall asleep.

It seemed that Ling Yin's target wasn't just Ye Chen alone, everyone on the plane was given food and drink that had been mixed with a sleeping medicine.

After giving everyone food and drink that had been given sleeping pills, it was time for Ling Yin to put her plan into action.

Ling Yin pushed the table towards the four five people who were in the middle passenger seat.

These five people consist of four men with burly bodies, and a man who has a lecherous face.

The name of the man who has a perverted face is Tu Reng

From earlier Tu Reng had always been watching Ling Yin's every move, he was very interested in this beautiful flight attendant, the beautiful flight attendant gave him an extraordinary feeling of expectation.

Tu Reng was eager to try Ling Yin's taste.

"Sir, this is your food and drink, please enjoy." Ling Yin gave food and drink to these five people.

One of the four burly men receiving food and drink from Ling Yin, Tu Reng pushed aside the big man in front of him, he would personally receive food and drink from Ling Yin.
