

### Chapter 291 - Ling Yin's Taste

"Beautiful girl, can I get acquainted with you?" Tu Reng eagerly wants to get acquainted with Ling Yin.

Ye Chen was currently closing his eyes, he wanted to listen to the conversation Tu Reng and Ling Yin were having.

"Of course you can, my name is Ling Yin, so what's your name?" Ling Yin currently has a very seductive voice, people who hear this voice will definitely be very excited.

Ye Chen couldn't believe what he just heard, how could Ling Yin's attitude change 180 degrees for a man who had a lecherous face like this.

Is Ling Yin's taste like that, Ye Chen did not expect that the taste of a woman as strong as Ling Yin was like this, it is only fitting that all the men who are here are rejected by this woman, it turns out that Ling Yin's taste is very bad.

Ye Chen continued to listen to the conversation between Ling Yin and Tu Reng.

"My name is Tu Reng, may we exchange contacts." Tu Reng bravely asked Ling Yin for contact information.

"I forgot to bring my cell phone." Ling Yin didn't bring her cell phone.

"Too bad, then I'll just give you this" Tu Reng handed over the business card to Ling Yin "This is my business card, you can contact me using the contacts that are here" Tu Reng told Ling Yin that this business card contained his contacts

Ling Yin with a very seductive gesture received the business card from Tu Reng, she slightly leaned her body forward, Ling Yin whispered in Tu Reng's ear, she whispered words that only Tu Reng could hear. "Sir, do you want to do fun things with me, I'll be waiting for you in the restroom." Ling Yin invited Tu Reng with very vulgar words.

Hearing this, Tu Reng was very excited, he did not expect that this woman would become such a vulgar woman, this was a golden opportunity that he should not miss.

Ye Chen became even more shocked, how could a female cultivator this strong want to do something shameless with the man she had just met, moreover Ling Yin was the first to invite Tu Reng, Ye Chen really can't stop thinking about Ling Yin.

After saying vulgar words to Tu Reng, Ling Yin pushed the table back to the back cabin, she disappeared from everyone's sight.

Tu Reng didn't immediately follow Ling Yin, he first had to wait some time before he went to meet this beautiful flight attendant.

The medicine that Ling Yin had given him started to work, everyone who had eaten the food and drink began to fall asleep.

The medicine that Ling Yin gave him might be quite potent, but it won't work on Ye Chen, Ye Chen easily neutralizes the medicine that Ling Yin gave him.

After 5 minutes, finally Tu Reng left his seat, he immediately went back to meet the beautiful woman Ling Yin.

After Tu Reng's departure, Ye Chen opened his eyes, he was quite curious about what Tu Reng and Ling Yin would do.

Ye Chen still couldn't believe that a woman as great as Ling Yin would do something like that with a perverted man like Tu Reng.

Out of curiosity, Ye Chen decided to see what Ling Yin and Tu Reng would do, maybe Ye Chen would find an interesting spectacle from these two people.

Ye Chen walked to the back cabin, at this time the female flight attendants in the rear cabin were sleeping, they seemed to have taken medicine like the other passengers.

It turned out that not only the passengers were given medicine by Ling Yin, but all the flight attendants who were here were also given sleeping pills by Ling Yin, it seems there is something strange about this beautiful woman .

Seeing this, the curiosity in his heart became even greater, Ye Chen went to the restroom in this plane, the only restroom in this plane was only one, so Ye Chen could easily find his whereabouts.

Ye Chen is right now standing in front of the restroom, at this time the door has been closed and locked, in the restroom are Tu Reng and Ling Yin.

These two people really did something like that, moreover they did it in a small room like this.

Ye Chen used a bit of his strength to make a small hole in the door.

Ye Chen peeked into the restroom, he wanted to see what Ling Yin and the perverted man were doing.

Currently inside, Tu Reng and Ling Yin were starting to do something shameless, Tu Reng was currently trying to touch Ling Yin's beautiful body.

Ling Yin sassy enough tried to stop Tu Reng's hand from touching her.

"Be patient a little, good things will start soon, you have to be more patient" Ling Yin told Tu Reng to be more patient.

How could Tu Reng be patient when he saw a beauty like Ling Yin that was extraordinary, he couldn't wait to play with Ling Yin's beautiful body.

"I can't take it anymore, hurry and give it to me." Tu Reng couldn't wait anymore, he had been drooling a lot at Ling Yin's beauty.

Ling Yin smiled seductively at Tu Reng "It's all not free, you know what I want?" Ling Yin again teased Tu Reng by using the expectation of her beauty.

"How much do you want? , whatever you want I will give it to you. "Tu Reng couldn't take it anymore, he was willing to give anything to Ling Yin.

Even though he had to pay a high price, he naturally wanted to do it, as long as he could taste this delicious meat, Tu Reng was willing to pay whatever Ling Yin wanted.

"Ahahah, then I will charge mine right now" Ling Yin put her arm around Tu Reng's neck.

Tu Reng was very excited when he saw Ling Yin's two arms that were smooth and white as snow, in his heart Tu Reng wondered what exactly this woman's skin was made of, why this woman had such an extraordinary beauty.

Tu Reng had already played with countless women, but this was the first time Tu Reng saw a beauty that could make the blood all over his body heat and flow this fast.

Ye Chen really couldn't believe what he was seeing right now, how could a female cultivator like Ling Yin do something like this with a perverted man like Tu Reng.

Even in Ye Chen's wildest imagination, he couldn't imagine how Ling Yin would make money this way.

From what he had heard from the conversation between the two, Ling Yin wanted a fee to do this with a man named Tu Reng, this woman was looking for money in a very strange way.

Would a cultivator as strong as Ling Yin lacked money to that extent, to the point that he would do such a daring thing.

Ye Chen felt there was something strange about Ling Yin, whereas previously Ye Chen felt that Ling Ying still gave off the aura of a pure virgin, but why could he do something like this, a pure virgin couldn't possibly do something like this, What a pure virgin aura that previously felt by Ye Chen on Ling Yin's body wrong? .

## **Chapter 292 - Beautiful Assassin**

In the restroom, Tu Reng intended to hug Ling Yin's beautiful waist, but when his hand almost reached Ling Yin's waist, suddenly his gaze turned 180 degrees backwards.

"Ehhhh? "Tu Reng did not understand why suddenly his gaze turned 180 degrees, he tried to move his head, unfortunately he could not do that, when his eyes looked down, he was surprised because what was below was his back.

Tu Reng just realized that at this time his head was turning 180 degrees backwards

Tu Reng didn't have a chance to scream, his body started to lose balance, Tu Reng's body fell forward and hit the floor of the plane.

Tu Reng looked at Ling Yin with a horrified gaze, he didn't expect that this woman would turn out to be a beautiful assassin.

Ling Yin squatted in front of Tu Reng, he patted Tu Reng's head.

" do you know ? , I hate being shameless like you the most. "Ling Yin gave Tu Reng a cold gaze who had been lying on the ground.

Ling Yin hated men like Tu Reng the most, this man played a woman like an object of absolutely no value.

Tu Reng wanted to say something, unfortunately his words were stuck in his throat and couldn't be spelled out.

Little by little Tu Reng's consciousness began to disappear, he finally let out the last breath he had, at this time Tu Reng was dead.

After confirming that Tu Reng was dead, Ling Yin took an object from her storage ring, she sprinkled a liquid she had over Tu Reng's corpse.

Instantly Tu Reng's corpse turned into steam and disappeared without leaving a trace.

From beginning to end Ye Chen saw what Ling Yin was doing to Tu Reng.

Ye Chen did not expect that this beautiful flight attendant turned out to be a beautiful assassin, it is only fitting that Ling Yin has such a high cultivation base, it turns out that from the start this woman was a beautiful assassin.

Ye Chen was quite disappointed, even though he hoped that there was something to be seen.

Ye Chen might be overly hopeful, how could a woman as strong as Ling Yin want to do something like that with a man like Tu Reng, it's absolutely impossible to happen.

Ye Chen didn't want to interfere too much in this kind of matter, he decided to return to his seat.

Ye Chen walked towards his passenger seat.

"Wait, what are you doing here?" Just as Ye Chen was about to go to his chair, Ling Yin came out of the restroom.

This woman quickly recovered herself, Ling Yin was currently smiling sweetly at Ye Chen.

"Hoam. . . , I just wanted to go to the restroom to wash my face, unfortunately there was someone inside so I decided to just go back." Ye Chen very quickly looked for an excuse so that Ling Yin would not be suspicious of him.

Ye Chen pretended to be sleepy so that Ling Yin would believe that he was currently under sleeping pills.

The door on this plane already has a notification, so if someone is in it the light will turn red, but when no one is in it the light will turn green.

"I see, you want to go wash your face, then please, I'm done." Ling Yin invited Ye Chen to use the restroom.

"Hoamm. . . , it's not necessary I want to go back and sleep, I'm sleepy." Ye Chen wanted to go back to his chair.

Ye Chen walked back to his chair, when Ye Chen was walking away from this place, a black butterfly-patterned knife was suddenly on his neck.

Ye Chen naturally knows who this butterfly knife belongs to, this knife is of course Ling Yin's.

"You can't leave here, you already know a lot of things you shouldn't know" Ling Yin won't let Ye Chen go, just as this young man knows what she just did.

Ye Chen: "Beautiful flight attendant, what are you doing? Why did you suddenly pull out a knife around my neck, do you intend to rob me?" , please let me go, I have absolutely no money in my body. "Ye Chen started to act stupid in front of Ling Yin.

Ling Yin, who heard Ye Chen's words, almost fell to the floor, she didn't expect Ye Chen to think of herself as a thief.

"How dare you call this woman a thief, do you want to die? Ling Yin's attitude towards Ye Chen immediately changed, Ling Yin's tone turned very cold.

Ling Yin also gave off a pretty strong killing aura at Ye Chen.

"Then I have to say what you are doing right now, isn't what you are doing right now is like a thief who is pointing a knife at his victim" Ye Chen told Ling Yin that she looked like a thief who pointed a knife at his victim.

Ling Yin saw the position she was taking on Ye Chen, indeed her current position was like a thief pointing a weapon at his victim.

Ling Yin gritted her teeth, she felt humiliated by Ye Chen. "Turn around and raise your hand up." Ling Yin told Ye Chen to raise his hand up.

Ye Chen helplessly started to turn around and raised his hands up.

Currently, Ye Chen came face to face with Ling Yin.

Ling Yin pulled her butterfly knife from Ye Chen's neck. "Tell me did you see it?" Ling Yin again asked whether Ye Chen saw it or not.

"Yes of course I see it, you have something quite big, moreover you are brave enough to wear red underwear." Up close, Ye Chen could see Ling Yin's split peak.

Ye Chen was taller than Ling Yin, when he looked down he could see Ling Yin's gap.

"I never wear red, I always wear black" angrily Ling Yin suddenly told Ye Chen what color the underwear she was currently wearing.

Ye Chen was shocked when he heard Ling Yin tell the color of the underwear she was currently wearing, even though Ye Chen only wanted to tease this female killer a little, unexpectedly this killer had instead printed the color of the underwear she was wearing on Ye Chen.

Ling Yin immediately realized what she just said, why did she tell this man the color of the underwear she was currently wearing, Ling Yin currently felt that Ye Chen was being fooled.

Ling Yin again put her knife on Ye Chen's neck, this time Ling Yin's knife was closer than before, just a little bit Ling Yin moved her knife, Ye Chen's neck might disappear.

Ye Chen could feel the cold metal against his neck, this woman really didn't mess with himself.

"How dare you tease me, don't you know that right now your life is in my hands" Ling Yin looked very angry at Ye Chen.

Ling Yin didn't like this shameless Ye Chen.

Ye Chen: "What's wrong with me, haven't I answered everything you asked me".

Ling Yin didn't know whether Ye Chen was playing dumb or simply ignorant from the start.

"My patience has a limit, hurry up and tell me did you see what I just did in there? Ling Yin asked Ye Chen again, she wanted to know if Ye Chen saw what she was doing in the restroom.

"Do you think I am a superhuman who can see through walls, if I have such ability I would have used it to see the underwear of all women in this world" Ye Chen answered Ling Yin with vulgar words.

### **Chapter 293 - Dealing With Ling Yin**

The answer from Ye Chen didn't make Ling Yin satisfied at all, Ling Yin was even angrier at Ye Chen.

Ling Yin disliked lewd men like Ye Chen the most, at this time Ling Yin wanted to slice Ye Chen's neck.

"You still dare to joke with me, I will really kill you" Ling Yin slightly moved her knife which was on Ye Chen's neck.

Just as Ling Yin's knife was about to scratch Ye Chen's neck, Ye Chen disappeared from Ling Yin's sight.

Ling Yin was very surprised when she saw Ye Chen disappear from her sight, Ling Yin didn't see Ye Chen's movements at all.

From behind Ye Chen stretched out his hand and touched Ling Yin's double peak.

"Ah. . . ." Ling Yin immediately groaned softly, when Ye Chen's hand touched her soft peak, Ling Yin felt an electric current enter her body.

Her body started to heat up and felt soft, all the strength that was in Ling Yin's body began to dissipate.

As the knife was about to stab into his neck, Ye Chen used a nine-shadow step to go behind Ling Yin.

Without wasting any time Ye Chen stretched out his hands and grabbed onto Ling Yin's two soft peaks, Ye Chen used the king's heart technique to deal with Ling Yin.

Ye Chen would make this arrogant woman apologize to himself.

Ling Yin tried to rebel from Ye Chen's evil claw, unfortunately her body was so soft and weak, she simply didn't have the strength to break free from Ye Chen's evil claw.

"What did you do to my body? Why can't I use my strength." Ling Yin asked Ye Chen what he had done to her body.

Ling Yin was really very uncomfortable, she felt thousands of insects crawling on her body.

"Hehehe, you have a very good body, these two big balls are quite soft when squeezed." Ye Chen echoed Ling Yin's two double peaks.

Both of these big balls are very supple and tight, the sensation of touching them is quite comfortable.

"Ah. . . , ummm. . . ", Ling Yin felt an immense sensation as Ye Chen's hand squeezed her two double peaks, she groaned in a voice that was quite seductive.

Ye Chen quite liked hearing Ling Yin's voice, this woman could make himself very excited, Ye Chen began to squeeze the two big balls even more firmly.

Ye Chen did not forget to absorb Yinqi from Ling Yin, Ling Yin's Yinqi was pure and quite a lot, it seemed this woman's Yinqi had accumulated for quite a long time, if Ye Chen plucked Yinqi from Ling Yin's body, it was likely that he could reach the peak of the level seven.

"Big pervert, hurry up and let me go, if you don't let go of me, then I will kill you and cut you into thousands of pieces." Ling Yin threatened to kill Ye Chen if Ye Chen didn't let go.

Ye Chen didn't really like the threats from Ling Yin, Ye Chen put his lips close to Ling Yin's ear, "do you know, I hate someone who dares to threaten me, I'll let you know who I am." Ye Chen started to take off the flight attendant hat and clothes which Ling Yin uses.

Ye Chen's movements were very fast, he very easily took off the flight attendant clothes Ling Yin was wearing.

Ling Yin's hair that was previously rolled up now smelled very beautiful, now on her body Ling Yin only wears a pair of sexy transparent black underwear.

It seems that what Ling Yin said earlier was true, this woman was actually wearing a very transparent Black outfit, the two pink buds could be seen clearly by Ye Chen.

Ye Chen once read that women who like to wear black have very strong lust, it seems that Ling Yin is a lonely woman who is full of lust.

Ye Chen couldn't take it anymore, he wanted to keep touching Ling Yin's body.

Ling Yin felt that her body was cold, when she looked down, she saw that the clothes she was wearing had disappeared somewhere.

"Ahh. . . " Ling Yin screamed quite loudly, if only there were people around here, then they could definitely hear Ling Yin's scream.

Ye Chen immediately turned Ling Yin's body, without saying much Ye Chen silenced Ling Yin's lips, he covered Ling Yin's lips by kissing her.

"Um. . . , Um. . . , "Ling Yin's eyes widened, she was suddenly kissed by Ye Chen.

In her life, Ling Yin had never kissed a man once, but today she was kissed by a young man who was much younger than her.

In the current situation Ling Yin was unable to think clearly, she just felt that this kiss was quite pleasant, Ling Yin had never felt anything that made her heart happy like this.

Ye Chen felt Ling Yin's cherry lips which were quite soft, Ye Chen bravely stuck his tongue into Ling Yin's mouth.

Ling Yin was enjoying a kiss from Ye Chen, suddenly an object invaded her mouth, this thing instantly snared her tongue.

Ling Yin tried to resist the invasion from this foreign object, but unfortunately she was unable to do so, this thing continued to squirm in her mouth and gave Ling Yin an extremely extraordinary feeling.

Without Ling Yin noticing, she started using her tongue to entangle this thing.

Ye Chen and Ling Yin started kissing passionately, because provoked by Ye Chen's King's heart technique, all the lust that Ling Yin had been holding for decades began to be released.

Ling Yin started entangling Ye Chen's neck using her two arms which were smooth and white as snow.

Ling Yin started to greedily kiss Ye Chen, Ling Yin no longer cared about what was around her, what she wanted was to get a pleasant feeling from Ye Chen.

Ye Chen tried to get away from Ling Yin, but Ling Yin didn't want to let Ye Chen go, she hugged Ye Chen like an octopus.

Ling Yin has been a great woman for a long time, she often looks down on every man who tries to get close to her.

But today she even took the initiative to get closer to this young man.

After 10 minutes of kissing Ling Yin finally removed her lips from Ye Chen's.

Ling Yin pushed Ye Chen down to the floor, she immediately waited for Ye Chen's body.

"I like you, from now on you will be mine." Ling Yin sipped her hand using her lips, Ling Yin's current expression was very lewd.

Ye Chen was surprised by Ling Yin's attitude change too fast, he did not expect that Ling Yin would become such a brave woman.

Even though Ye Chen intended to teach Ling Yin a lesson, but now he was being cornered by Ling Yin instead.

Ling Yin didn't care anymore, what she wanted now was to have more fun with Ye Chen.

Ye Chen didn't want this to happen, he pushed Ling Yin from above his body.

Ling Yin who was completely unprepared, she immediately fell to the floor. "Ouch." Ling Yin rubbed my head which was a little sore from hitting the floor.

"You are so mean, how could you do such cruel things to me" Ling Yin complained to Ye Chen, Ling Yin complained because Ye Chen suddenly pushed herself.

### **Chapter 294 - Ling Yin Fell In Love With Ye Chen**

Ling Yin is now acting coquettishly in front of Ye Chen, Ye Chen is very confused by the changes this woman has made, this woman is changing very quickly.

Previously Ling Yin wanted to kill himself, but now she seems to like himself.

Ye Chen must be careful with this woman, she is a great assassin, Ling Yin must be very good at acting in front of him.

Ye Chen could see that when Ling Yin led Tu Reng into the trap she had set, Tu Reng could easily be fooled by Ling Yin.

It was because of this that Ye Chen had to be careful of this woman.

"Cough. . . , tell me what's your real name?" Ye Chen asked what Ling Yin's real name was.

"My name is Ling Yin, then what's your name? ? Ling Yin turned to ask Ye Chen.

Ye Chen didn't expect that Ling Yin would use her real name to commit such a murder, this woman was so confident.

Ye Chen felt that Ling Yin's current gaze was full of love for him, Ye Chen didn't know if this woman wanted to plan something on him.

Ye Chen will stay alert to Ling Yin. "My name is Ye Chen, by the way why did you kill that person earlier, are you an assassin? ", Ye Chen immediately asked Ling Yin the main point.

He wanted to know if Ling Yin was an Assassin or not.

"Yes, I am an Assassin who is in the Ranking of Legends list, that person was a syndicate boss who used to kidnap beautiful girls / women in small villages, they kidnapped beautiful women to become a comfort woman in a nightclub, I killed his to save The innocent woman / girl who is out there, I don't want them to experience something bad like that. "Ling Yin told Ye Chen that she killed that person for some reason.

Ye Chen didn't know whether or not he should believe Ling Yin's words, Ye Chen was quite hard to believe a beautiful assassin like Ling Yun.

But if what Ling Yin said was true, then Ling Yin did this for good, this woman wasn't as bad as Ye Chen imagined.

"You said you were an Assassin in Legend Rank, what does that mean?" Ye Chen was a little interested in what Lin Yin just said.

"Assassins in Legend Rank are a level that shows that the strength I have is extremely strong, Assassins in Legend Rank have a mission failure rate of below 1%, therefore the price for hiring an Assassin in Legend Rank is quite expensive, Assassins in Legend Rank Nor do we just accept missions, we will only take missions that we think fit our criteria. "Ling Yin told Ye Chen about Assassins in Legend Rank.

Ye Chen just found out that this kind of Assassin exists in this world, with Ling Yin's current strength it won't be difficult to kill a high-ranking countryman, no wonder the pay they can get is so much.

"Then why did you become an Assassin? Aren't with your current strength you can easily earn a lot of money." Ye Chen asked Ling Yin again, why did Ling Yin decide to become an assassin like this.

"What's more, of course I want to take revenge on someone." When Ling Yin said this, Ye Chen felt quite strong killing intent from Ling Yin.

"Eheem, with your current strength that has reached the 3rd stage of the Overlord Realm, wouldn't you be able to easily take revenge on that person" should with Ling Yin's current strength, she could easily take revenge on her enemy.

"I'm still too weak, the person I want to kill has a much stronger power than what I currently have." Ling Yin told Ye Chen that right now she was still weak when compared to the person she wanted to kill so badly.

"I see, then continue what you want to do, I'll go first" "Ye Chen decided to leave this place, let Ling Yin do what she wants.

Ye Chen also couldn't bear to keep looking at Ling Yin's naked body, Ling Yin's transparent underwear made little brother Ye Chen who was below excited.

"Wait, where do you want to go" from behind Ling Yin hugged Ye Chen's body.

"I want to go back to my seat, quickly remove your arm from me" Ye Chen told Ling Yin to let go of himself.

"No, no, no, how can you leave me after staining me, you have to take responsibility." Ling Yin doesn't want to let Ye Chen go, she wants Ye Chen to take responsibility for tarnishing the chastity she has.

"I didn't do anything, didn't you want to kill me earlier, why did you turn out like this" Ye Chen tried to push Ling Yin out of his body.

Ling Yin clung to Ye Chen's body, she didn't want to let Ye Chen go "I was wrong, I will no longer have thoughts like that, after all I didn't kill good people like you." Ling Yin tried to explain to Ye Chen that she was wrong at first.

Ye Chen was completely helpless, currently Ling Yin's half naked body was clinging tightly around himself.

Ye Chen is a normal man, looking at Ling Yin's beautiful body, naturally Ye Chen will be excited, Ye Chen's lower body starts to rise.

"Giggle, master, you are so amazing, in just a few minutes you can make this woman go crazy over you, it seems that your king's heart technique has developed quite a bit." In Ye Chen's mind, Chu Yuechan laughed at Ye Chen.

Ye Chen is so helpless, it looks like Ling Yin really doesn't want to let go of himself.

Ye Chen turned around and looked directly at Ling Yin "Tell me what you want from me? Ye Chen asked what Ling Yin wanted from him.

"I want to continue with you." Ling Yin wrapped her arm around Ye Chen's neck, she took the initiative to kiss Ye Chen.

Ling Yin was very brave, she kissed Ye Chen's lips passionately.

Ling Yin's temptation made Ye Chen excited, Ye Chen started to cooperate with Ling Yin.

Ye Chen's hand began to caress Ling Yin's half naked body.

The two of them didn't care what was around them, they started to do fun things.

For 30 minutes Ye Chen kissed and played with Ling Yin's body, Ling Yin really enjoyed playing with Ye Chen, she reached the peak of happiness several times by Ye Chen's caress.

Ling Yin liked this little man so much, she felt that she could no longer leave Ye Chen.

Ling Yin started to put her clothes back on, she tried to tidy up her whole appearance like before.

After experiencing the peak of happiness Ling Yin's face became much brighter than before, it seemed that all the complaints she had over the years were eliminated by Ye Chen.

After all, Ye Chen had been away for quite a long time, he was afraid that Xia Qingyu would wake up and search for his whereabouts.

Ling Yin, who was wearing clothes, saw Ye Chen leave, in her heart she felt a little lost when Ye Chen left.

Ling Yin accelerated in restoring her own appearance, after everything was back in order she decided to follow Ye Chen's departure.

### **Chapter 295 - Pampered**

Ye Chen returned to his passenger seat, when he returned Liu Yue and Xia Qingyu were still sleeping quite soundly.

Ye Chen didn't disturb the two of them sleeping, he returned to the passenger seat and leaned his head on the soft backrest on the seat.

"Ye Che, this is eating and drinking for you." Ling Yin came to Ye Chen's side, she brought Ye Chen a drink and food.

Ye Chen saw the food and drink that Ling Yin brought, this woman is very strange, why did she turn out like this.

"You don't have to bother like that." Ye Chen told Ling Yin to stop doing something like this.

"I didn't bother at all, I'm even happy to do this for you." Ling Yin didn't feel bothered at all, she was even happy when she did this for Ye Chen.

At this time Ling Yin looked at Ye Chen very very gently, "quickly open your mouth, let me feed you" Ling Yin asked Ye Chen to open his mouth, she wanted to spoil Ye Chen even more.

Ling Yin feels very happy when doing this, it turns out that liking someone is very happy.

Ling Yin continued to force Ye Chen, she didn't want to leave before Ye Chen finished the food and drink she had brought.

Ye Chen was so helpless, Ye Chen opened his mouth, he received a bribe from Ling Yin.

The food and drink that Ling Yin gave him didn't contain anything strange, so Ye Chen could be relieved when he ate it.

Here Ye Chen felt like he had a personal flight attendant all to himself.

This kind of feeling is not bad at all, Ling Yin continues to serve Ye Chen, after feeding Ye Chen Ling Yin starts massaging Ye Chen's body.

This woman is not only a beautiful Assassin, she is also very skilled in everything, you can see that Ling Yin serves Ye Chen very well.

Even Ye Chen, who previously felt uncomfortable, was made comfortable by the service that Ling Yin gave.

Ye Chen really enjoyed this, he was currently feeling very relaxed, Ye Chen closed his eyes and started sleeping.

Ling Yin saw that Ye Chen was asleep, she stopped the massage that was being given to Ye Chen's body.

Ling Yin took a blanket from the small trunk that was in front of Ye Chen, she covered Ye Chen's body with this blanket.

Before leaving, Ling Yin kissed Ye Chen's cheek. "Little man sleep well." Ling Yin said sweet words to Ye Chen.

Today is the most beautiful and joyful day Ling Yin has ever experienced, and it's thanks to Ye Chen, Ye Chen gave herself a comfortable feeling.

Ye Chen didn't really sleep, he was still wary of Ling Yin, fortunately Ling Yin didn't intend to harm him.

This woman gave him a blanket and kissed himself, Ling Yin spoiled Ye Chen too much.

After Ling Yin's departure, Ye Chen started to really fall asleep.

After giving Ye Chen a kiss, Ling Yin went to take care of the four burly men who had previously sat with Tu Reng.

Ling Yin had to make sure that no one knew what she had done.

Ling Yin took out a needle from her body, Ling Yin stabbed several important points I thunder which was on the body of the four burly men.

Ling Yin stabbed right at the vital nerve point, it meant that these four burly men would become paralyzed.

After he finished doing what she had to do, Ling Yin sat back down on the chair belonging to her, from here on she kept an eye on Ye Chen, she wasn't bored at all while doing this.

The time has passed for 7 hours, this plane will arrive at its destination soon.

The people who were previously taking and taking sleeping pills started to wake up, they don't remember how they fell asleep for more than 6 hours.

The flight attendants in the back cabin also don't know why they can fall asleep, if the boss finds out about this then their career will be over.

All flight attendants deftly get back to their work.

"Dear passengers, we will soon arrive at our destination, hope everyone returns to wearing your belts, the plane will soon land on the tarmac" a flight attendant told all passengers to return to their seat belts.

Some of the flight attendants also started to wake up the passengers who were still asleep, they checked everyone to comply with seat belts.

Liu Yue and Xia Qingyu were awakened by the sound of the flight attendant's announcement, they just realized that they would soon arrive at their destination.

Xia Qingyu did not expect that she could sleep this well.

Liu Yue was now refreshed, she felt that her body had become much lighter than before. It seemed like it was true that she needed a little sleep to recover her exhausted mental mind.

Ye Chen got up first from Liu Yue and Xia Qingyu, Ye Chen folded the blanket back and placed it in the small trunk in front of him.

Liu Yue looked at Ye Chen, when she saw Ye Chen's face, Liu Yue was quite surprised, she saw a red lipstick stain on Ye Chen's cheek.

Liu Yue of course knew where this stain came from, it must have come from a woman's lips, Liu Yue started to wonder what Ye Chen was doing when she fell asleep earlier.

Liu Yue took a handkerchief from her bag, she handed her handkerchief to Ye Chen.

"Husband, you better get rid of the kiss marks on your cheeks, if Xia Qingyu sees it it will be troublesome." Liu Yue whispered and told Ye Chen, she handed her handkerchief to Ye Chen.

Ye Chen immediately touched the cheek that Ling Yin kissed, it was true that there was a lipstick stain left on his cheek.

Ye Chen immediately received a handkerchief from Liu Yue. He immediately wiped the lipstick stain from his cheek.

This was the act of Ling Yin's kiss, from the start that woman must have done this to him on purpose.

After a while, Ye Chen managed to get rid of the kiss stain on his cheek.

Luckily Liu Yue told himself, otherwise Xia Qingyu would misunderstand him again.

"Ye Chen, let me help you put the seat belt on." Ling Yin walked back to Ye Chen, she helped Ye Chen put on the seat belt.

Liu Yue and Xia Qingyu turned their heads immediately when a woman called Ye Chen's name.

The two of them saw a very beautiful flight attendant helping Ye Chen put on the seat belt.

This is a beautiful flight attendant who previously helped Ye Chen wear a seat belt, now this beautiful flight attendant calls Ye Chen's name using Ye Chen's real name.

Xia Qingyu sniffed coldly at Ye Chen, she didn't expect that when she fell asleep, Ye Chen could get acquainted with a beautiful flight attendant like Ling Yin, Xia Qingyu felt that Ye Chen was too close to a beautiful woman.

Xia Qingyu started counting the beautiful women that Ye Chen knew, first the beautiful police yesterday, Liu Yue and now Ye Chen is also close to this beautiful flight attendant.

Xia Qingyu felt jealous when Ye Chen was with many beautiful women.

Liu Yue saw Ling Yin's very gentle gaze on Ye Chen, Liu Yue began to suspect that the kiss mark on Ye Chen's cheek was from this woman.

Liu Yue still remembered Ye Chen's earlier words, this female flight attendant was much stronger than her current self.

Liu Yue did not expect that when she was sleeping, Ye Chen must have done something with a beautiful flight attendant, it's no wonder Ye Chen didn't tease herself who was sleeping, it turned out that while she was sleeping, Ye Chen did something with this beautiful flight attendant.

### **Chapter 296 - Feng Jinx**

Ye Chen felt Xia Qingyu's stare, what Ling Yin was doing at this time made the situation even more chaotic.

After confirming Ye Chen's seat belt was properly attached. Ling Yin finally left Ye Chen's side, she returned to her seat.

The plane finally landed at its destination, after the plane landed safely, the flight attendant immediately directed all passengers to get off the plane.

Ye Chen, Liu Yue and Xia Qingyu also got off the plane.

When Ye Chen came down he looked behind him, behind Ling Yin smiled softly at himself, Ling Yin gave Ye Chen an indirect kiss.

Ling Yin's style was very seductive, Ye Chen smiled at Ling Yin, this woman really seemed to have fallen on him.

Ye Chen invited everyone to get out of the airport, Ye Chen, Liu Yue and Xia Qingyu arrived in front of the airport, in front of the airport there was already someone holding up a paper with the name Xia Qingyu written on it.

It seemed this person was looking for Xia Qingyu's whereabouts.

Xia Qingyu approached the person who was holding a paper with her name on it.

"Are you Xia Qingyu?" This person asked Xia Qingyu.

"Yes that's me, where are the car keys" Xia Qingyu immediately asked this person for car keys.

"Here comes your key, enjoy your trip." This person gave Xia Qingyu the keys to the car behind himself.

Xia Qingyu received the car keys from this person, Xia Qingyu had prepared everything quite well, before leaving Xia Qingyu had already rented a car that could be used while they were in the capital.

After giving Xia Qingyu the car key, this man immediately left.

"Ye Chen, you drive." Xia Qingyu gave this key to Ye Chen, she wanted Ye Chen to drive.

"OK." Ye Chen received the car keys from Xia Qingyu.

Ye Chen, Liu Yue and Xia Qingyu got into the car.

Ye Chen drove the car leaving the airport.

"Where are we going?" Ye Chen asked where he wanted Xia Qingyu to go.

"We go to Feng Group headquarters." Xia Qingyu told Ye Chen to drive the car towards Feng Group headquarters.

Ye Chen nodded, he drove the car towards the headquarters of the Feng Group.

The streets in the capital city are very congested, Ye Chen is having a hard time overtaking the car in front because the space is too narrow.

Ye Chen had to drive even more patiently, after 50 minutes Ye Chen finally arrived at the Feng Group headquarters building.

The headquarters of the Feng Group was quite large, it was comparable to Liu Yue's corporate headquarters.

"Ye Chen, director Liu Yue, let's go inside." Xia Qingyu invited Ye Chen and Liu Yue inside.

Ye Chen and Liu Yue simultaneously nodded, they followed behind Xia Qingyu.

The three of them entered the Feng Group headquarters building, they headed straight for the Receptionist who was in front of the entrance.

"Sir And Miss, can I help you." The female receptionist welcomed the arrival of Ye Chen's entourage quite friendly.

The female receptionist was very surprised when she saw Ye Chen, this was the first time she had seen a man this handsome.

The female receptionist has worked here for quite a while, every day she meets countless handsome male stars.

Today she saw a very handsome man like Ye Chen, she fell in love at first sight, the receptionist started to daydream when she saw Ye Chen.

"I want to meet Mr. Feng Jinx if he is currently around." Xia Qingyu asked the female receptionist in a quite cold tone

The receptionist immediately realized and recovered "Miss, do you have an appointment before? The receptionist asked Xia Qingyu.

"I made an appointment with Mr. Feng Jinx. My name is Xia Qingyu." Xia Qingyu told her name.

"Oh so you are Miss Xia Qingyu, then please go up to the 35th floor, there Mr. Feng Jinx is waiting for your arrival." The female receptionist informed that Feng Jinx is currently waiting for Xia Qingyu to arrive on the 35th floor.

"Okay I'll go there" after getting information from the female receptionist, Xia Qingyu invited Ye Chen and Liu Yue to go up to the 35th floor.

"Hey handsome, wait a minute." The female receptionist stopped Ye Chen.

"What is wrong ? ", Asked Ye Chen to the female receptionist.

"This is my number, if you have time you can contact me at any time." It turned out that the female receptionist gave Ye Chen her personal contact.

It's not good to reject the kindness of women in public, so Ye Chen smiled and accepted the paper from the female receptionist, Ye Chen put the paper in his pants pocket.

After that, Ye Chen took care of Xia Qingyu and Liu Yue.

"Ahh, so handsome, I fell in love at first sight." After Ye Chen left, the female receptionist returned to daydreaming about Ye Chen, she really fell in love at first sight.

Ye Chen's group took the elevator to the 35th floor, the elevator very quickly arrived at the 35th floor.

When the elevator door was opened, a nice interior appeared in the eyes of Ye Chen, Liu Yue, Xia Qingyu, Feng Group's taste was quite good, the design of this building was very luxurious.

Ye Chen's group walked out of the elevator, they immediately searched for the room where Feng Jinx was.

It didn't take long for Ye Chen's group to find Feng Jinx's room, Feng Jinx's room was straight from the direction of the elevator entrance, that's why Ye Chen's group could easily find Feng Jinx's room.

"I'll wait for you here, good luck." Liu Yue didn't go inside, she decided to stay outside and wait.

"Director Liu Yue I will do my best, I will make sure the Xiannu company gets a lot of profit" Xia Qingyu promised Liu Yue that she would not lose when doing business with this person named Feng Jinx.

Liu Yue was satisfied with the enthusiasm shown by Xia Qingyu, Liu Yue would not be too worried about Xia Qingyu, on Xia Qingyu's side was Ye Chen, when the situation was out of control Ye Chen could definitely help Xia Qingyu solve it.

"Ye Chen, let's go in." Xia Qingyu invited Ye Chen into the room.

"You go first." Ye Chen told Xia Qingyu to come in first.

"Knock, knock, knock" Xia Qingyu knocked on the door.

"Enter the door not locked." A voice sounded from inside the room, Feng Jinx told Ye Chen and Xia Qingyu to enter.

After getting approval from within, Xia Qingyu opened the door.

Inside was a middle-aged man who was sitting reviewing documents, in front of the middle-aged man sat two people, one was a handsome man and the other was a woman with quite a hot appearance.

Ye Chen of course knew the two people who were sitting in front of the middle aged man, this was Xiao Yan and also the hot female star who was previously a plane with him.

Xiao Yan and also the hot female star saw the arrival of Xia Qingyu and Ye Chen.

Xiao Yan immediately looked at Ye Chen with a hostile gaze.

"Who are you, what do you want to come to my office" with a serious face Feng Jinx asked Xia Qingyu and Ye Chen.

"Mr Feng, I am the Xia Qingyu who previously discussed business with you." Xia Qingyu introduced herself to Feng Jinx.

"So you were Xia Qingyu who spoke to me on the phone at that time." Feng Jinx nodded at Xia Qingyu.

"Then sit on the sofa, I will finish my business with Mr. Xiao first" Feng Jinx told Ye Chen and Liu Yue to wait on the chair, Feng Jinx didn't seem to care too much for Ye Chen and Xia Qingyu, he seemed to care more about Xiao Yan and this hot female star.

### **Chapter 297 - You Better Go Home**

"Mr. Feng, we have made an appointment beforehand, I hope you can quickly discuss business with me." Xia Qingyu was not happy to be told to wait by Feng Jinx.

Business with the Feng Group must be carried out immediately, otherwise it can be detrimental to both parties.

"Aren't you seeing that I'm talking to an important guest, if you really don't have the patience you can leave here" Feng Jinx's tone looked very arrogant when talking to Xia Qingyu.

Ye Chen didn't like this person's way of speaking at all, they wanted to discuss a business with the Feng Group, but it seemed that the Feng Group had absolutely no interest in doing business with his company.

"You two are nothing, it's better if you wait until we finish talking." Xiao Yan mocked Ye Chen and Xia Qingyu.

Finally Xiao Yan had the opportunity to take revenge on Ye Chen and Xia Qingyu for their treatment of him on the previous plane.

"Then how long do we have to wait until you are finished? Xia Qingyu asked Feng Jinx.

"Of course it's still a long time, if you can't wait for you to leave here." The person who answered Xia Qingyu was Xiao Yan.

Xiao Yan took advantage of this opportunity to take revenge on Xia Qingyu who had rejected him.

"But if you want to be my woman, maybe I will consider ending all this immediately." Xiao Yan made an offer for Xia Qingyu.

Xia Qingyu looked at Xiao Yan with a cold gaze, this person was so shameless, how dare he make such an offer with herself.

"We have nothing to do with you, you should just keep quiet." Ye Chen told Xiao Yan to be quiet and not voice his voice.

"You poor man, how dare you say harshly like that to my dear, don't you know that the person in front of you is the young master of the Xiao family." The hot female star insulted Ye Chen who looked poor.

Ye Chen may be very handsome, but unfortunately the clothes that Ye Chen is wearing are just ordinary, hot female stars don't like poor men like Ye Chen the most.

Ye Chen glared at the hot lady beside Xiao Yan.

"You are just a toy woman from this ugly man, what right do you have to speak like that?" Ye Chen mocked this hot female star.

This female hot star is only a toy for Xiao Yan, when Xiao Yan gets bored, this woman will definitely be thrown away immediately.

"You. you." The hot female star pointed at Ye Chen with her finger.

"You are so arrogant, it seems I have to teach you a little lesson so that you understand where you are." Xiao Yan stood up from the chair, he walked closer to Ye Chen.

Xiao Yan will teach Ye Chen a lesson for daring to insult him.

Xiao Yan was very confident in his abilities, he only needed one hand to deal with Ye Chen.

Feng Jinx looked at Xiao Yan, from the rumors he heard that Xiao Yan had now become a cultivator, it was very likely that this person would suffer at Xiao Yan's hands.

Xiao Yan's movements suddenly became fast, within a few seconds Xiao Yan was already in front of Ye Chen.

"Dieeeeeee" Xiao Yan hit Ye Chen in the stomach, Xiao Yan did not hold back his strength at all, he hit Ye Chen with full strength.

"Bang. . ." The sound of the punch is quite loud, Xiao Yan sounded like he was hitting iron.

With Xiao Yan's full strength, Ye Chen's internal organs would definitely be seriously injured.

Xia Qingyu immediately realized that Xiao Yan was already behind him, especially when Xiao Yan was hitting Ye Chen's stomach.

Ye Chen didn't feel any pain from Xiao Yan's punch at all, Xiao Yan's punch had absolutely no effect on him.

"Ouchhh. . ." The person who was moaning in pain was not Ye Chen but Xiao Yan.

Xiao Yan felt that his hands were sore and sore, he felt that he had just hit a steel wall, Xiao Yan did not expect that this person's body was as hard as iron.

Everyone in this room was shocked when they saw that the person who was groaning in pain was Xiao Yan, wasn't Xiao Yan the one who hit Ye Chen, how could someone who was injured be Xiao Yan himself.

For Xia Qingyu, Feng Jinx and also the hot female Star, this was very strange.

Ye Chen grabbed the collar of Xiao Yan's shirt who was kneeling on the floor, he lifted Xiao Yan up high.

"Is that all you have? , if it's like this you should just go home ", Ye Chen threw Xiao Yan against the wall.

"Bamm" Xiao Yan hit the wall quite hard, Xiao Yan grabbed his back which was in pain, he hit the wall very hard.

"Dear." The hot female star immediately went to help Xiao Yan who looked in pain.

"Dear wake up, don't scare me." The hot female star tried to help Xiao Yan.

Xiao Yan did not answer at all, he could only moan in pain as he felt his injured back.

"Now can we start our business?" Ye Chen exerted intimidating pressure on Feng Jinx.

Feng Jinx broke out in a cold sweat when he felt an intimidating aura emanating from Ye Chen.

Feng Jinx began to suspect that this young man was a strong master, otherwise how could Xiao Yan be defeated so easily.

"Of course, please sit down." Feng Jinx immediately told Xia Qingyu and Ye Chen to sit on the chair opposite him.

Xia Qingyu and Ye Chen went to the sitting chair in front of Feng Jinx, they both ignored and started ignoring Xiao Yan who was in pain.

"So Miss Xia, how much money do you have for this advertisement." Feng Jinx asked Xia Qingyu how much money Xia Qingyu had.

"50 million dollars." Xia Qingyu told Feng Jinx how much money he had to make Xiannu company advertisement.

"50 million dollars? , that's quite a lot, with that kind of money you can reach a lot of people both domestically and abroad. "Feng Jinx told Xia Qingyu that with that kind of money he could reach a lot of people.

"With the money I currently have, can you recommend a star to advertise our products?" Xia Qingyu wanted a female star to advertise products from Xiannu company.

"What about that woman over there, she looks good to do that, the fee for that female star is also cheap, only around 20 million dollars." Feng Jinx told Xia Qingyu the price for hiring a female star.

Hearing this, the hot female star was immediately excited, if she could get this contract, then she would definitely not be short of money in the next few years.

The hot female star immediately left Xiao Yan's side who was in pain, she immediately rushed towards Ye Chen and Liu Yue.

"Miss, I can become a star for your products." The hot female star immediately offered herself to Xia Qingyu.

This woman is very shameless, she previously insulted Ye Chen because Ye Chen looked poor, but now she wants to become a star for the products belonging to Ye Chen's company.

### **Chapter 298 - Feng Xue Arrival**

Ye Chen wouldn't let this woman become a star for the products in his company.

"No, you don't deserve anything from us." Ye Chen was the first to reject this hot female star.

"Sir, I was wrong before, so please forgive my mistake earlier, I really sincerely want to be a Star for your products." Hot female star will not give up, this woman doesn't care if she has to sell her shame, as long as she can get a contract then she will become a rich woman.

Xia Qingyu didn't say anything to the hot lady, she completely ignored the hot female Star.

"Mr Feng, isn't there another female star who can do this? Xia Qingyu asked Feng Jinx if there weren't any other stars she could use to advertise her products.

After all, Xia Qingyu felt that the price set by the Feng Group was extremely high, how could the price of a female Star reach 20 million dollars, isn't that too much.

Xia Qingyu had to be smarter at bargaining, she couldn't afford to lose in doing business with Feng Jinx.

"Of course there is, but the price may be even more expensive, our main star costs 3 times that of this woman." Feng Jinx told Xia Qingyu that the price of the main star was very expensive.

Xia Qingyu raised her eyebrows how could a star cost that much, wasn't this called blackmail.

"Miss just use me, my price is not as expensive as them, you will definitely be satisfied with me" again hot female star offered herself to Xia Qingyu.

Xia Qingyu can not take it anymore, this woman really annoys her "Get out of the way, until whenever I won't use you, you better take care of your boyfriend." Xia Qingyu chased away a hot female star, currently Xia Qingyu has lost a lot the patience she has.

The hot female star was angry when she heard Xia Qingyu kicking herself out. "You slut, you will regret all of this." The hot female star scolded Xia Qingyu.

This woman has really gone mad, the hot female star with great dissatisfaction returned to Xiao Yan's side, she helped Xiao Yan leave this room.

"The star I recommended has gone, now make your choice." Feng Jinx wanted Xia Qingyu to make her choice.

The price this person set was very high, if Xia Qingyu agreed to this cooperation, Xiannu's company would be at a loss.

It was not as easy as Xia Qingyu imagined, Xia Qingyu racked his brains to try to make Feng Jinx lower the price he was charging.

"Isn't the price you put on us so expensive, it should not be that expensive to hire a female star." Ye Chen dared to speak to Feng Jinx, he felt that the price mentioned by Feng Jinx was completely absurd.

"That is our market price, if you don't want you to go and find another place to advertise your product, we will not suffer a loss either." Feng Jinx seemed indifferent to the business they were talking about, what Feng Jinx wanted was profit, as long as he made a profit, he didn't care if he had to blackmail all the business associates who had ties with the Feng Group.

This was quite a difficult thing for Xia Qingyu, from the start the Xia Qingyu side that needed this cooperation, therefore Feng Jinx could act at will in doing this business.

Currently outside Liu Yue's room door was listening to what Ye Chen and Xia Qingyu were doing, it was unexpected that this person named Feng Jinx intended to blackmail Ye Chen and Xia Qingyu.

Liu Yue was a veteran in this matter, hiring a female star would not be that expensive, the price mentioned by Feng Jinx was almost tens of times the normal price.

Liu Yue wanted to come in and help Xia Qingyu who was inside.

"Hey, beautiful older sister, long time no see" when Liu Yue wanted to enter the room, someone called her from behind.

Liu Yue immediately looked back, when she turned her head she saw someone who was quite familiar, this is the current most popular female star Feng Xue.

"Oh, Miss Feng Xue, it has been a long time since we last met." Liu Yue greeted Feng Xue.

Feng Xue was quite surprised when she saw Liu Yue who looked even more beautiful, even though the two of them had not seen each other for several weeks, but Liu Yue's change was extraordinary.

"Beautiful sister, what are you doing here?", Feng Xue asked what Liu Yue was doing in this place.

"I'm waiting for Ye Chen, Ye Chen is currently doing business inside." Liu Yue told Feng Xue that she was waiting for Ye Chen.

"Ye Chen? , is Ye Chen in this room?" Feng Xue asked Liu Yue back, Feng Xue looked happy when she heard Ye Chen's name.

"Yes, right now he is inside and doing business with someone named Feng Jinx." Liu Yue told Feng Xue that Ye Chen was currently inside and discussing business together with a man named Feng Jinx.

Feng Xue was very happy when she found out that Ye Chen was in this room, previously Feng Xue had not had the chance to thank Ye Chen for helping her from the kidnappers on the night of the concert.

After the kidnapping incident at that time, Feng Xue dreamed of Ye Chen every night in her dreams, in every dream Ye Chen turned into a prince who always helped her.

Even several times she had dreamed of marrying Ye Chen and living happily with Ye Chen, Feng Xue didn't know what had happened to her, which Feng Xue must have felt that she missed Ye Chen enough.

Feng Xue couldn't wait anymore, Feng Xue opened the entrance of Feng Jinx's room.

"Ye Chen, are you here?" Feng Xue called Ye Chen's name.

Ye Chen, Xia Qingyu and Feng Jinx immediately looked at the origin of the sound.

The three of them saw a beautiful woman in a pretty dress standing at the door.

The three of them naturally knew who this beautiful woman was, this was the current most popular female star, Feng Xue.

Feng Xue saw that Ye Chen was really in here, it didn't seem like Liu Yue was lying to her.

Feng Xue walked closer to Ye Chen, Feng Xue looked happy when she met Ye Chen again.

Xia Qingyu looked at Feng Xue from top to bottom, she did not expect that Ye Chen also knew the most beautiful female star in this country.

Actually, how many beautiful women did Ye Chen know, why did every beautiful woman that Xia Qingyu met always knew Ye Chen

Xia Qingyu was very helpless when she saw this, it seemed that she had very many rivals.

Feng Xue finally arrived in front of Ye Chen, Feng Xue bowed her head "Ye Chen, thank you for that time you helped me, I finally had the opportunity to thank you." Feng Xue immediately thanked Ye Chen who helped her.

"You're welcome, get up, you don't have to go that far." Ye Chen told Feng Xue to raise her head.

Feng Xue raised her head, she smiled back at Ye Chen.

"Ye Chen, I heard that you're doing business, then what kind of business are you doing?", Feng Xue asked Ye Chen what business they were talking about at the moment.

### **Chapter 299 - Get A Female Star For Ad.s**

"Yes, we are indeed discussing a business, unfortunately this person charges a very high price." Ye Chen told Feng Xue what they were doing, Ye Chen pointed at Feng Jinx who put a high price on him.

"High price, how much is he asking for?" Feng Xue wants to know what price Feng Jinx wants from Ye Chen.

"50 million dollars just to hire a female star to advertise a product." Ye Chen told Feng Xue everything.

Feng Jinx's face turned pale, he did not expect that at a time like this Feng Xue would enter here.

Feng Xue Instantly looked at Feng Jinx. "Uncle Jinx, how can you charge such high rates? , are you doing a squeeze behind the company?", Feng Xue asked Feng Jinx.

Feng Xue called Feng Jinx uncle, which meant that the two of them were close relatives.

"Xue, it's not what you think, I'm running a business honestly." Feng Jinx tried to explain to Feng Xue.

"Then explain quickly, otherwise I will tell Grandpa that you have used your given authority at will." Feng Xue threatened Feng Jinx.

Feng Jinx started explaining everything to Feng Xue.

Ye Chen saw that Feng Jinx was quite afraid of Feng Xue, it seemed that this woman had a big influence in her family.

So Ye Chen has an idea to deal with Feng Jinx.

"Qingyu let's just go, it looks like the Feng Group doesn't have any good intentions to cooperate with us." Without waiting for Xia Qingyu's reply, Ye Chen pulled Xia Qingyu from the sitting chair.

Xia Qingyu did not understand why Ye Chentiba suddenly withdrew herself, herself being dragged by Ye Chen to leave this room.

"Ye Chen, wait a moment." Feng Xue immediately stopped Ye Chen.

"Miss Feng why are you stopping us? ", Asked Ye Chen to Feng Xue.

"Don't go first, we can return to discuss this carefully." Feng Xue asked Ye Chen to stay here, he saw that Ye Chen looked displeased when cooperating with her family's Feng Group.

"There's nothing to explain, the price in this place is expensive, we will look for another place that can offer a more reasonable price." Ye Chen again invited Xia Qingyu to leave this room.

Looks like his plan worked, Feng Xue caught the bait from him.

Feng Xue ran towards Ye Chen's front, she stopped Ye Chen from leaving here.

"You don't need to go, we can talk about the price back, after all I still didn't repay your kindness at that time." Feng Xue didn't want Ye Chen to leave here.

Feng Xue just met Ye Chen, Feng Xue won't let Ye Chen go so easily.

"Then what price can you offer us" asked Ye Chen to Feng Xue.

"How about this, I will voluntarily become a female star for your products, you don't have to worry I will do it for free, just think of it as my thank you." Feng Xue offered to become a female star for Ye Chen and Xia Qingyu.

Xia Qingyu did not expect that Feng Xue would offer to become a star for Xiannu company products, moreover Feng Xue would do it for free without asking for a monetary reward.

"Since Miss Feng's offer was so good, we agreed." Ye Chen didn't waste any more time, he agreed that the female star for his product would be Feng Xue.

Feng Jinx didn't expect that Feng Xue would want to become a female star for Ye Chen's products for free without expecting a monetary reward.

Feng Jinx was furious at Feng Xue, even though before his eyes was a huge advantage, but because of the arrival of this little prostitute all the benefits that were before his eyes evaporated.

"Xue what are you saying, we will suffer a huge loss because of your words just now." Feng Jinx roared at Feng Xue.

Feng Xue didn't like it at all when she was scolded by Feng Jinx. "Uncle Jinx, if you keep doing things like this that can tarnish the reputation of the Feng Group, I will tell grandfather and the other elders." Feng Xue again threatened Feng Jinx.

Feng Jinx grit his teeth in anger, he glared at Feng Xue.

In the family, Feng Xue's position was higher than him, Feng Xue was the favorite granddaughter of the Clan Leader, which was why the Clan leader really loved Feng Xue.

Moreover, Feng Xue is also the most valuable asset of the Feng Group, the Feng Group will definitely not allow anyone who dares to find trouble to Feng Xue.

"Feng Xue will see, after that old freak enters the funeral, I will make you a prostitute for the big bosses, I will definitely benefit a lot from that." Feng Jinx did not dare to say it directly, he swore and said this in his heart.

Feng Jinx didn't say anything, he returned to his seat.

Feng Xue was happy to see Feng Jinx succumbing to herself. "Then let's make a deal." Feng Xue intends to discuss a deal with Ye Chen and Xia Qingyu.

Ye Chen and Xia Qingyu nodded at Feng Xue. The two of them sat on the sofa and discussed the contract for this advertisement.

"What kind of advertisement do you want, small, medium, or broad?" Feng Xue asked Ye Chen and Liu Yue about the advertising contract they would take.

"Miss Feng, please explain to me what you mean beforehand, I still don't really understand what you are talking about." Xia Qingyu didn't understand what Feng Xue was saying, she wanted to be clear from Feng Xue.

"OK let me explain, our Feng Group has several levels for the advertising sector"

"The first is a small level: this level can reach people in several cities at once."

"The second is the moderate level: it can reach people all over the country".

"When is a broad level: this level can reach all people around the world".

"The three levels I mentioned earlier have their own price, the small level has a price of 5 million dollars per year, the medium level has a price of 10 million dollars per year, and the broad level has a price of 20 million dollars per year." Feng Xue explained everything to Xia Qingyu. .

"So that's how it is, then we choose the Broad level only, we want to reach more people at once." Xia Qingyu told Feng Xue that she was going to take the Broad Level.

Se wanted to reach even more people around the world, Xia Qingyu wanted everyone in the world to know about the products of Xiannu company.

"Then how long do you want this contract to run, Minimum contract period is 1 year" Feng Xue told Xia Qingyu about the period of this advertising contract.

"We'll just take 2 years, is that fine" asked Xia Qingyu to Feng Xue.

"Of course it doesn't matter." Feng Xue gave Xia Qingyu a cute smile.

"Uncle Jinx please make a contract for them." Feng Xue told Feng Jinx to prepare a contract for Xia Qingyu.

Feng Jinx sniffed coldly, he was currently in a bad state because of Feng Xue's actions.

Feng Jinx gave Feng Xue a document, this document already contained a cooperation contract.

### **Chapter 300 - Party Invitation**

Feng Xue received the Documents from Feng Jinx, she told Xia Qingyu to sign these documents.

Xia Qingyu did not immediately sign the contract document, she first read the contents of the contract that was in it.

After checking everything OK and according to what Feng Xue said, Xia Qingyu started to sign the contract documents.

After finishing signing the contract, Xia Qingyu returned the documents to Feng Xue, Xia Qingyu only brought a copy of the documents for proof of this cooperation.

This is for proof that both parties have cooperated.

"Miss Feng, we will pay you our price, don't you mind that?" Xia Qingyu still wanted to pay for Feng Xue's services, she didn't feel comfortable getting something from someone like Feng Xue for free.

"You don't have to do that, I did it without needing a reward." Feng Xue refused Xia Qingyu's payment, she did this because she wanted to repay Ye Chen's kindness.

"If it's your wish I can't do anything." Since Feng Xue didn't want to be paid, Xia Qingyu couldn't do anything.

Feng Jinx again sniffed Feng Xue, This beautiful star is so stupid, she refused a payment from Xia Qingyu.

If it was him, he would definitely receive the money from Xia Qingyu.

After the same job was fulfilled by Feng Xue and Xia Qingyu shaking hands, the two women smiled at each other.

Xia Qingyu is relieved that everything is going well, this is all thanks to Ye Chen, Ye Chen always helps herself in difficult times, Xia Qingyu likes Ye Chen even more.

"Then we will go first, we will come again tomorrow to discuss the advertisement of our products." Everything is finished, tomorrow it is only left to make advertisements for Xiannu company products with the female star is Feng Xue.

"Okay, Miss Feng we will say goodbye to go see you later" Ye Chen also said goodbye to Feng Xue.

"Ye Chen, you don't need to call me Miss Feng, you can just call me Feng Xue." Feng Xue asked Ye Chen to call herself a more familiar nickname.

"Alright, from now on I'll call you Feng Xue." Ye Chen started calling Feng Xue's name more intimately.

Feng Xue was quite happy to hear Ye Chen calling herself that, she felt like she was getting closer to Ye Chen.

What Ye Chen and Feng Xue were doing did not escape Xia Qingyu's eyes, Xia Qingyu felt that the relationship between the two was not what it seemed on the surface, she felt that Feng Xue also liked Ye Chen.

"Oh yeah, do you have an event tonight?" Feng Xue asked Ye Chen.

"Nothing, what is it?", Ye Chen asked Feng Xue nicely.

"Tonight at my residence, there will be a birthday party for my grandfather, I hope you two can come there." It turned out that Feng Xue invited Ye Chen and Xia Qingyu to go to her grandfather's birthday.

"that . . ." Ye Chen doesn't feel comfortable rejecting Feng Xue's invitation.

"Miss Feng, you don't need to worry, tonight we will go to attend your grandfather's birthday." Xia Qingyu immediately answered Feng Xue's invitation.

"That's great, tonight I'll wait for both of you to come." Feng Xue was happy to see Xia Qingyu agree.

If this woman agreed, it was very likely that Ye Chen would also go along to her grandfather's birthday party.

After agreeing to come to Feng Xue's grandfather's birthday party, Ye Chen and Xia Qingyu left this room.

Feng Xue saw the departure of Ye Chen and also Xia Qingyu, Feng Xue felt a little lost when Ye Chen left.

"Xue, do you know what you just did?" Asked Feng Jinx to Feng Xue.

"What did I do? I don't think I did anything wrong." Feng Xue replied to Feng Jinx indifferently.

"You just made this Group lose quite a lot, even though before I almost got a lot of profit from this cooperation, but because of your actions all of them failed completely, see how I will report this to other legal holders." Feng Jinx this time threatened to report Feng Xue to the shareholders.

"I don't care at all, the shareholders can't do something about this, the highest share of the Group is still in my grandfather's hand, they won't be able to do anything they want." Feng Xue simply said to Feng Jinx.

Actually, Feng Xue's grandfather did not agree when choosing Feng Jinx to be the chairman who manages all the Group's business, due to pressure from the elders and shareholders, Feng Xue's grandfather was forced to appoint Feng Jinx as the new chairman of the Feng Group.

Feng Jinx had many connections with shareholders, Feng Jinx's father was also a great elder within the Clan, which was why he was able to sit in the chair of Feng Group chairman with the help of the shareholders as well as his father.

Feng Jinx's biggest problem was that the current Clan leader, the Clan leader really didn't like him, because of this the scope of Feng Jinx's movements was very limited.

Feng Jinx repeatedly tried to get rid of Feng Xue's grandfather, unfortunately all his attempts often failed and did not work, if only Feng Jinx could get rid of Grandpa from Feng Xue then he would definitely be able to master the whole Feng Group.

"Keep this agreement document." Feng Xue threw the advertising contract document on Feng Jinx's table, after that Feng Xue left the room, Feng Xue still had to take care of the party for tonight, she didn't have much time to stay and argue with Feng Jinx.

Feng Jinx could only grit his teeth, he did not expect that he could lose to a junior like Feng Xue.

"You little bitch, you will see, I will definitely take revenge for all the humiliation you have done today." Feng Jinx swore that he would make Feng Xue pay for all the humiliation that was done today.

Feng Xue had already walked out of the room, she didn't hear what Feng Jinx had just said, if she heard what Feng Jinx said, Feng Xue would be very angry.

Feng Xue descended from this building to her car, she had to return to the main house immediately.

At another place.

Ye Chen, Liu Yue, and Xia Qingyu now got back into the rental car, the three of them intended to look for a hotel to stay for the night.

"So how did it go, did you guys succeed." Liu Yue asked whether the cooperation was successful or not.

"Everything is going well, this is all thanks to the female star Feng Xue who knows Ye Chen" Xia Qingyu told Liu Yue that this cooperation was successful thanks to the help from Feng Xue who knew Ye Chen.

"Ye Chen, so Feng Xue is really helping you, looks like your relationship with Star Feng Xue is quite good." Liu Yue teased Ye Chen.

"Director Yue you praise too much, my relationship with Feng Xue is not that good, it is possible that the reason she is nice to me is because I helped her." In front of Xia Qingyu, Ye Chen could not be too intimate with Liu Yue, if Ye Chen was too intimate with Liu Yue, Xia Qingyu would be suspicious of the two of them.

"So that's what happened." Liu Yue of course knew that Ye Chen had saved Feng Xue from the kidnapers in the past.
