

Chapter 301 - Stay In The Same Hotel Room

Judging from Feng Xue's previous attitude, it was likely that Feng Xue was slightly attracted to Ye Chen.

It was Liu Yue's instincts that told herself.

Xia Qingyu didn't say anything, she just turned her head to the side, it seemed that Xia Qingyu was jealous because of Liu Yue's words just now.

Liu Yue was very helpless seeing Xia Qingyu's behavior, Xia Qingyu was different from the other sisters, Xia Qingyu was very jealous of other women, she wanted to monopolize Ye Chen alone.

No wonder Ye Chen had a hard time getting Xia Qingyu, it turned out that Xia Qingyu had become a woman like this, Liu Yue had to make Xia Qingyu understand and want to share Ye Chen with the others.

"Ye Chen, let's find the most luxurious hotel in town." Liu Yue wanted Ye Chen to look for a 5-star hotel in the capital, Liu Yue had her own plans.

"Okay." Ye Chen understood, he changed the original direction, he went to the most luxurious hotel in the capital.

Ye Chen is still unfamiliar with the streets of the capital, fortunately there is a travel guidebook provided by this car borrower, because of this Ye Chen knows where the best Five-star hotels in the capital are.

Ye Chen drove this car following the map that was provided, after about 20 minutes the two of them arrived in front of the very luxurious hotel door.

When Ye Chen, Liu Yue and Xia Qingyu came, a waiter approached Ye Chen, he asked for Ye Chen's car key, The Waiter would park the car in the underground parking lot.

Ye Chen handed the car keys to the Waiter, he, Liu Yue and Xia Qingyu went straight inside.

First they have to check in first.

"Hello can I help you" with a smile The receptionist asked Ye Chen, Liu Yue and Xia Qingyu.

"Are there still empty rooms? We want to book two rooms." Xia Qingyu booked two rooms at the receptionist.

"Of course there is, let me carry out the procedure." The receptionist was getting ready to complete the procedure for booking a room.

"No need to book two rooms, just one room Vip" Liu Yue interrupted Xia Qingyu, she wanted to book only one room for Vip.

"But Director Liu, what about Ye Chen?", Xia Qingyu asked Liu Yue.

Liu Yue smiled at Xia Qingyu "You don't need to worry, Ye Chen can live in a room with both of us." Liu Yue told Xia Qingyu that the three of them would live in the same room.

"But. . . , Ye Chen is a man how can he stay with us, I'm afraid he will do something bad." Xia Qingyu knew how Ye Chen's behavior was a little perverted, she was afraid that Ye Chen would do something bad to both of them while sleeping.

"What can Ye Chen do? ", Asked Liu Yue to Xia Qingyu.

"What can Ye Chen do to the two of us? ", Asked Liu Yue to Xia Qingyu.

Liu Yue was seen teasing Xia Qingyu, Xia Qingyu's face started turning red like an apple, Xia Qingyu couldn't say the shameless things she had done together with Ye Chen.

If Xia Qingyu told Liu Yue, then she wouldn't have the face in front of Liu Yue.

Seeing that Xia Qingyu was embarrassed, Liu Yue decided to stop teasing Xia Qingyu.

"Just let Ye Chen stay with us, it will make it easier for Ye Chen to protect us both." Liu Yue told Xia Qingyu that Ye Chen would find it easier to protect both of them if they were in the same room.

Xia Qingyu was so dumbfounded, how could Liu Yue think like that, one man and two beautiful women living in the same room didn't make any sense.

"Ye Chen, you have no problem right? ", Asked Liu Yue in a coquettish tone.

"I agree with what director Yue said." Ye Chen was very happy, Liu Yue really knows what he wants, living in the same room as Xia Qingyu would be quite fun.

Xia Qingyu didn't know what to say, she was completely clueless about Liu Yue's way of thinking.

"So two regular rooms or one room Vip" The receptionist again asked Xia Qingyu and Liu Yue.

"Just one room Vip, please finish all the procedures." Liu Yue told the receptionist to finish the procedure.

The receptionist nodded, she started her usual procedure.

Xia Qingyu couldn't do anything, she could only obediently comply with Liu Yue's wish.

Liu Yue completed the payment procedure. "Miss, here is the key to your room. Do you need help lifting your luggage?" The receptionist handed Liu Yue the key to Vip, she also offered to lift the goods provided at this hotel.

"That's not necessary, we didn't carry heavy things at all." Liu Yue turned down the receptionist's offer.

"OK, have a nice happy night at our hotel." The receptionist greeted Ye Chen, Liu Yue and Xia Qingyu.

Xia Qingyu's face immediately turned bright red, the Receptionist's words were like a revelation that the three of them were a couple.

Liu Yue only smiled at the receptionist in front of her, the words that the receptionist said could make other people misunderstand.

After getting the room key, the three of them went up to the floor where their room was, because the room being rented was Vip's room, then the location of the room was on the top floor.

The three of them go back up the elevator to reach Vip's room which they have rented.

Within a few minutes Ye Chen, Liu Yue and Xia Qingyu arrived at the door of Vip's room.

They immediately opened Vip's room using the key given by the receptionist earlier.

After the door was opened, Liu Yue was the first to enter, followed by Xia Qingyu and Ye Chen.

The three of them enter Vip's room, the contents of Vip's room are very complete, there is a sofa and Tv. There is air conditioning, there is a dining table, there is a large bed that can accommodate several people, and many other facilities are provided.

The three of them enter Vip's room, the contents of Vip's room are very complete, there is a sofa and Tv. There is air conditioning, there is a dining table, there is a large bed that can accommodate several people, and many other facilities are provided.

Ye Chen rushed to the bed, Ye Chen flopped and slept on it.

the mattress provided here is very soft.

Ye Chen began to wonder if he would play together with Liu Yue and Xia Qingyu on this bed.

"Ye Chen, what are you doing, it's our bed, tonight you will sleep on the sofa." Xia Qingyu scolded Ye Chen for sleeping on a woman's bed, Xia Qingyu pointed at the sofa next to her.

Ye Chen made a relaxed pose on the soft bed. "Come on Qingyu, don't be stingy, come and sleep with me." Using his finger, he invited Xia Qingyu to get on the bed.

"Who wants to sleep with you, hurry down and get down now." Xia Qingyu tried to pull Ye Chen off the bed.

"Puchi. . ." Liu Yue laughed seeing Ye Chen and Xia Qingyu's behavior, what the two of them were doing like a couple flirting with each other.

Liu Yue went to the bed, she sat on the outside of the bed.

Liu Yue started to take off the high heel and stockings she was wearing.

Chapter 302 - Discussion With Xia Qingyu

Ye Chen turned his eyesight towards Liu Yue, what Liu Yue was doing right now was very seductive for Ye Chen.

Ye Chen was drooling, he was currently anxious to pounce Liu Yue onto the bed.

Liu Yue really did know Ye Chen's taste.

As Ye Chen was looking at this beautiful scene, someone closed his eyes.

"What are you looking at, quickly close your eyes." Xia Qingyu's cold voice closed Ye Chen's eyes, Xia Qingyu also saw what Liu Yue was doing.

What Liu Yue did was so brave, she took off her stockings right in front of a man like Ye Chen.

"Director Liu, how can you take off your stockings right in front of Ye Chen, Ye Chen is a perverted man, you shouldn't do something like that." Xia Qingyu told Liu Yue to immediately stop what she was doing right now.

A big pervert like Ye Chen would definitely like what Liu Yue was doing right now.

Xia Qingyu was also protecting Ye Chen from Liu Yue, Xia Qingyu felt Liu Yue's act was becoming very brave, he felt threatened by Liu Yue's existence who was very beautiful and very seductive.

If Xia Qingyu let Ye Chen continue to see what Liu Yue was doing right now, then Ye Chen could be ensnared by Liu Yue's beauty.

"Never mind, if Ye Chen wants to see me, I don't mind at all." Liu Yue started to act bold in front of Xia Qingyu.

Xia Qingyu was even more surprised by the courage shown by Liu Yue, how could Liu Yue who he respected so much become such a brave woman.

"Xia Qingyu, let's take a bath together." Liu Yue invited Xia Qingyu to take a bath together.

"Director Liu, me. . ." Xia Qingyu didn't understand at all why Liu Yue suddenly invited herself to take a shower, what Liu Yue wanted.

"Come on" Liu Yue pulled Xia Qingyu who was behind Ye Chen.

Xia Qingyu was helplessly dragged by Liu Yue towards the bathroom.

"Director Liu wait a moment." Xia Qingyu told Liu Yue to wait a little.

"What is wrong? Asked Liu Yue.

"I want to talk to Ye Chen for a while." Xia Qingyu wanted to talk to Ye Chen for a while.

"Okay do it fast" Liu Yue told Xia Qingyu to do it fast.

Xia Qingyu nodded, she went closer to Ye Chen's side.

Xia Qingyu whispered in Ye Chen's ear "Ye Chen, if you dare to peek at us taking a shower then I'll stick out your eyes." Liu Yue warned Ye Chen not to peek at herself and Liu Yue who were taking a shower.

Ye Chen helplessly nodded to Xia Qingyu.

"Good." After getting Ye Chen's answer, Xia Qingyu returned to Liu Yue's side.

She and Liu Yue entered the large bathroom in this room.

Liu Yue and Xia Qingyu started to take off the clothes they were wearing, Xia Qingyu saw Liu Yue who was next to her.

She could see the exquisite, highly developed body that Liu Yue had.

Xia Qingyu began to compare her body with Liu Yue's, there was a large gap between hers and Liu Yue, especially at the peak of the twin mountains, Liu Yue's was enormous, at least it was bigger than hers.

"What are you looking at me like that" Liu Yue felt a strange gaze from Xia Qingyu.

"It's nothing, director Liu really has such a wonderful figure, I became quite jealous when I saw her." Xia Qingyu was envious of Liu Yue's beautiful and graceful figure.

Women are like that, they often compare their body parts.

"Thank you for the compliment, one day you will definitely have a body like mine." Liu Yue told Xia Qingyu that one day she would definitely have a beautiful body like her.

Liu Yue's beautiful and developed body was obtained because she often did Dual Cultivation with Ye Chen, the effect of doing Dual Cultivation was extraordinary. Every woman will be satisfied with the results.

Liu Yue did not tell Xia Qingyu about this, she thought to hide this from Xia Qingyu.

"Let's get into the bath." Liu Yue invited Xia Qingyu to enter the warm water in the bath.

Xia Qingyu nodded, she got into the bath with Liu Yue.

First Xia Qingyu tried the water by dipping her finger, after feeling the temperature of the water just right he started to enter the bath.

The bathtub is quite large in size, it can accommodate 5 to 7 people at a time.

Liu Yue didn't do like Xia Qingyu, she immediately plunged herself into the bath.

The feeling of taking a warm bath was so comfortable, all the fatigue that was in Xia Qingyu's body began to disappear.

It was the perfect time for Liu Yue to talk to Xia Qingyu, Liu Yue created a sound barrier around the bathroom.

Liu Yue learned this sound barrier technique from Fu Lanling, Liu Yue's strength was already very high, now making a barrier like this wasn't as difficult as it used to be.

Liu Yue was closer to Xia Qingyu. "Hey Xia Qingyu, how is your relationship with Ye Chen now, have you ever done something like that with Ye Chen?" Liu Yue asked Xia Qingyu about the extent of the relationship between the two.

Xia Qingyu's face started to turn a little red, she did not expect that Liu Yue would ask something so sensitive like this.

"Director Liu, we haven't done anything like that, we've just started a relationship." Xia Qingyu immediately explained to Liu Yue that their relationship had just started.

"I see, I thought you guys have come that far." Liu Yue smiled at Xia Qingyu.

"Xia Qingyu, I want to know, what if there is a woman who likes Ye Chen, how would you react?" Liu Yue asked Xia Qingyu.

"I won't let another woman take Ye Chen away from me." Xia Qingyu said this with a strong determination

Liu Yue saw how persistence Xia Qingyu belonged to, Xia Qingyu was really hard to accept other women close to Ye Chen.

Liu Yue sighed, it seemed like talking to Xia Qingyu would be a little more difficult than she thought.

It seemed like Liu Yue had to use a more aggressive approach towards Xia Qingyu.

"Xia Qingyu, do you know? , actually I also like Ye Chen. "Liu Yue told Xia Qingyu that she liked Ye Chen.

"Huh? "Xia Qingyu was shocked, what did she just hear from Liu Yue wasn't wrong?, , a beautiful and smart woman like Liu Yue also likes Ye Chen? , what should Xia Qingyu say in the current situation.

"Director Liu, you are a beautiful, smart and very successful woman, how can you like Ye Chen? "Xia Qingyu still doesn't believe that Liu Yue likes Ye Chen.

"Indeed, what's wrong with that, Ye Chen is a handsome man, great and also very competent, lots of women will like him, you can see for example Feng Xue, the most popular female star right now is also a little interested in Ye Chen" Liu Yue tells Xia Qingyu that Ye Chen is very popular among girls.

Xia Qingyu started to think about Liu Yue's words, it is true that many women are attracted to Ye Chen, women who are attracted to Ye Chen are not only beautiful but also have a strong background, for example just Liu Yue and Feng Xue.

Chapter 303 - It Was Difficult To Convince Xia Qingyu

Both of them were beautiful women who had very strong backgrounds, if she had to compete with two beauties like Liu Yue and Feng Xue, Xia Qingyu felt a little less confident.

"Director Liu, if you also like Ye Chen, that means we will become rivals in love right? ", Asked Xia Qingyu to Liu Yue.

Liu Yue smiled at Xia Qingyu "I don't like to be rivals with you, how about this, let's just be Ye Chen's women, that's better." Finally Liu Yue had the opportunity to change Xia Qingyu's way of thinking.

Xia Qingyu was again dumbfounded by the idea Liu Yue had, how could Liu Yue think of such a thing, there was no way a woman could share their man with another woman.

Xia Qingyu simply couldn't do something like that.

Seeing Xia Qingyu's hesitation, Liu Yue again tried to convince Xia Qingyu "Xia Qingyu, think carefully, I don't want either of us to suffer or get hurt because of this, it's better that we both be happy in a way. to be Ye Chen's woman ".

Xia Qingyu started to think about Liu Yue's words, it is true that if they become rivals there will be one of them both hurt, Liu Yue did this because she didn't want to see either side suffer.

"Just think about it carefully, all decisions are yours." Liu Yue again left all decisions to Xia Qingyu.

Xia Qingyu looked back and forth to see herself and Liu Yue, Xia Qingyu saw that Liu Yue was a little more beautiful and glamorous than herself, especially since Liu Yue's beautiful body was very mature, Ye Chen would definitely be very tempted by Liu Yue's beautiful body.

Xia Qingyu also really idolized Liu Yue, she didn't want Liu Yue to be sad if she won.

Xia Qingyu's mind started to become very chaotic, she could no longer think clearly.

The two of them showered without saying anything, neither Liu Yue and Xia Qingyu started the conversation.

Liu Yue did not start a conversation with Xia Qingyu on purpose, she wanted Xia Qingyu to change her mindset if she wanted to become one of Ye Chen's women.

"How, do you agree or not?" Asked Liu Yue again.

"I don't know." Xia Qingyu still looked confused by Liu Yue's words just now.

Liu Yue sighed, it seemed that it was still difficult to convince Xia Qingyu "let's go out, Ye Chen must have been waiting for us." Liu Yue asked Xia Qingyu to go out of the bathroom.

Xia Qingyu lowered her head, she didn't dare to look at the face of Liu Yue.

The two of them started drying themselves with towels and started to wear their clothes back, Xia Qingyu forgot to bring spare clothes, this morning she was too worried about Xia Ningzi, that she forgot to prepare a change of clothes for herself.

What should Xia Qingyu do at this time, the clothes she previously wore were also wet.

"What is wrong?" Seeing Xia Qingyu's oddity, Liu Yue immediately asked Xia Qingyu.

"Director Liu, I forgot to bring spare clothes." Xia Qingyu currently doesn't have any clothes to change.

"You can use the towel first, we both will order clothes" Liu Yue told Xia Qingyu to put on the towel first, she would order a change of clothes for herself and Xia Qingyu.

Xia Qingyu nodded at Liu Yue, she could only wear this towel for a while.

"Let's go out." Liu Yue who was only wrapped in a white towel dragged Xia Qingyu out of the bathroom.

"Director Liu Wait. . ." Xia Qingyu tried to fight back when pulled by Liu Yue, unfortunately she didn't have the strength to resist Liu Yue at all.

For Xia Qingyu, Liu Yue was too strong, it was too late, Liu Yue dragged Xia Qingyu out of the bathroom.

Ye Chen was sleeping on the bed, he saw the arrival of Liu Yue and Xia Qingyu, Ye Chen was surprised to see Liu Yue and Xia Qingyu wearing only a towel on their bodies.

The slightly wet hair of the two women made them even more seductive, Liu Yue and Xia Qingyu's current appearance was very seductive to Ye Chen. "Glup" Ye Chen started to swallow his saliva, seeing this kind of temptation. below began to raise the spear upward.

Liu Yue smiled at Ye Chen "Ye Chen, please buy some change of clothes for both of us, we both forgot to bring a change of clothes" Liu Yue told Ye Chen to buy new clothes for herself and Xia Qingyu.

Xia Qingyu lowered her head, she was very embarrassed when she saw Ye Chen in this appearance.

It could be said that her appearance was almost half naked, and this was actually seen directly by Ye Chen.

Xia Qingyu felt very strange when she saw Liu Yue, who was not ashamed, when Ye Chen saw her appearance like this, Liu Yue looked like she was normal in front of Ye Chen.

"Okay, I'll go buy a change of clothes for you two." Ye Chen immediately left this room, if he continued to be here and saw the temptation of Liu Yue and Xia Qingyu, maybe he wouldn't take it anymore and pounced on these two beautiful women.

Puchii. . .", Liu Yue smiled when she saw Ye Chen leaving this place.

"Let's wait for Ye Chen to buy new clothes for both of us." Liu Yue sat on the soft mattress, she waited for Ye Chen to buy new clothes for the two of them.

Xia Qingyu only nodded to Liu Yue, she tried to recover her cold appearance.

Ye Chen went down to the bottom floor by using the elevator, opposite this hotel there was a luxury clothing shop that was quite large and crowded, Ye Chen might be able to buy clothes for Liu Yue and Xia Qingyu at this shop.

Ye Chen crossed the road and went to the luxury clothing shop in front of his eyes, without wasting Ye Chen's time directly into the clothing shop.

The shop was full of both male and female shoppers. When Ye Chen walked in, he was immediately greeted warmly by the employees who worked in this place.

"Young master, I can do anything for you." The employee asked Ye Chen what he wanted.

"Please take me to the place where the ladies party dress is." Ye Chen wanted the employee to guide himself to the place where the party dress set was.

As long as Ye Chen is here, he will buy a party dress for Liu Yue and Xia Qingyu, to wear to the party at Feng Xue's house tonight.

Ye Chen would choose clothes that were suitable for Liu Yue and Xia Qingyu, Ye Chen was already very familiar with the body shapes of Liu Yue and Xia Qingyu, he definitely knew the size that was suitable for both of them.

"Young master, please follow me." The employee guided Ye Chen to the place where the party dress was.

Ye Chen was guided by the employee to go to the party dress.

The choice of colors and motifs in this shop is very complete, everything also looks very good and super luxurious.

"Young master, please choose the party dress you want, if you need anything you can call me, I will go first to see the other customers." The employee told Ye Chen to call herself if there was something he wanted.

Ye Chen nodded at the employee, he started to choose clothes that were nice and suitable for Liu Yue and Xia Qingyu.

Chapter 304 - Ling Yin's Past

"Ye Chen", a beautiful woman in a sexy black dress set hugged Ye Chen from behind.

When Ye Chen was choosing a party dress for Liu Yue and Xia Qingyu, a woman suddenly hugged him from behind, this woman's tone was very soft and spoiled.

Ye Chen is not even aware of this woman's existence, this woman can hide her aura from Him.

Ye Chen turned his head back, as he turned his head, he saw Ling Yin with the Sexy Black Dress hugging her from behind.

Ye Chen was surprised to see a beautiful female Assassin behind him, what Ling Yin wanted to come here.

"Why are you here?" Ye Chen asked Ling Yin.

"It's because I missed you, so I decided to look for you." Ling Yin hugged Ye Chen's neck.

"Boing. . . ."Ye Chen's head is currently trapped between the gaps of Ling Yin's mountain peak, Ling Yin's mountain peak's feeling is very gentle, it's like lying on the softest sponge in the world.

Ling Yin felt very happy because he could meet Ye Chen again, only a few hours apart, she already missed Ye Chen very much.

Ling Yin hugged Ye Chen's head even tighter, Ye Chen felt tight as he was trapped between Ling Yin's mountain peaks.

"Hey let it go, I can't breathe." Ye Chen asked Ling Yin to let go.

Ling Yin was too happy when she met Ye Chen, to the point that she hugged Ye Chen very tightly.

Ling Yin let go of her arm that was wrapped around Ye Chen's neck. "Dear Ye Chen, sorry I didn't mean to do that." Ling Yin apologized to Ye Chen.

Ye Chen felt relieved to be free from Ling Yin's two large meatballs, was this woman deliberately doing that to take his life.

"What are you doing in a clothes shop like this, and you also went to a woman's party dress, could you possibly want to buy me a party dress?" Ling Yin began to suspect that Ye Chen bought this dress for herself, Ling Yin was very happy, women who are in love sometimes can't think logically.

"I didn't buy these clothes for you, I was choosing clothes for my wife" Ye Chen told Ling Yin that he was looking for clothes for Liu Yue and Xia Qingyu.

"Ehh. . . , you already have a wife." Ling Yin was surprised when she found out that Ye Chen already had a wife.

"Yes, I already have a wife, even the number is more than five, you definitely don't like men who have many wives like me, you should just go" Ye Chen tried to expel Ling Yin.

Ling Yin didn't look disappointed after finding out that Ye Chen had many women, she instead gave Ye Chen a gentle smile.

"Then if I join as your wife, won't it be a problem?" Ling Yin is more open minded, she doesn't mind being Ye Chen's wife or concubine.

Ling Yin has lived for quite a long time, she is used to seeing a man have many wives and concubines, so Ling Yin doesn't mind other women at all, the most important thing is that she can be with Ye Chen, that's enough for Ling Yin .

Ling Yin was already excited by the joy that Ye Chen gave, she could no longer escape from Ye Chen.

As long as she was alive, Ling Yin had never felt as pleasant as the one given by Ye Chen while on the plane before, it was the most lovely and pleasant thing for Ling Yin.

Ye Chen looked at Ling Yin, this woman is really very confused.

"Do you really want to be my wife? Ye Chen asked Ling Yin.

"Of course I would, but not for now" said Ling Yin to Ye Chen.

" So what ? , "Asked Ye Chen.

Whereas previously Ling Yin looked excited when she said she wanted to join his wife.

"I still haven't got my revenge on that person. Maybe when I get revenge I will die or something bad happens to me, I don't want you to be sad if that happens." Ling Yin had already thought of all the risks she had to take when taking revenge on that person.

It was likely that Ling Yin would not be able to return, or have an accident, If that happened she was afraid that Ye Chen would be sad.

Ye Chen listened to Ling Yin's explanation, Ye Chen felt a little sorry to see a beautiful woman like Ling Yin had to endure something like this.

"Master, this woman looks quite pitiful, why don't you help her, she doesn't look evil at all." Chu Yuechan felt a little sorry for Ling Yin.

"You may have a point," said Ye Chen to Chu Yuechan.

Ye Chen stroked Ling Yin's straight hair "actually who is the person you want to take revenge on, tell me everything, I might be able to help you." Ye Chen wanted to know who the real person Ling Yin wanted to kill was.

Ling Yin enjoyed stroking Ye Chen's hand, it made her feel very comfortable and safe.

"The person I want to kill has the nickname Phantom Blade, he is the most powerful Assassin God on earth, people who hear his name will definitely get scared and run away as fast as they can." Ling Yin told Ye Chen who the person wanted to be kill.

It turned out that the person Ling Yin wanted to kill was an assassin God who had the nickname Phantom Blade.

"Then why do you want to kill that person, did that person ever do anything to you? ", Asked Ye Chen.

When Ye Chen asked Ling Yin this question, Ling Yin gritted her teeth, Ling Yin's emotions looked unstable when Ye Chen asked this.

Ye Chen saw that Ling Yin's emotions changed when he asked Ling Yin's reason for wanting to kill the Phantom Blade "if you really don't want to or can't say it, then don't say it".

Ling Yin tried to calm her heart, she shook her head at Ye Chen "I will tell you a Story.

"In the past, there was a 7 year old girl who lived in a small town on the edge of a mountain".

"The little girl's family is very rich and has a lot of business, everyone really respects the girl's family because they often help people who are in need, every day the girl is always spoiled by her father and mother and everyone in the small town".

"Until one day some unknown people came, these people were an Assassin who was paid to kill the girl's entire family and everyone in that small town, a 7 year old girl who was still innocent didn't know anything, saw a scene of utter horror. "Ling Yin told Ye Chen a story.

"You know, that 7 year old girl is me, I saw all my family members and everyone in the city die right in front of my eyes. At that time I was very scared." Ling Yin's body began to lose balance, Ling Yin's body would fall into floor.

Ye Chen who saw this immediately hugged Ling Yin's body, Ye Chen felt Ling Yin's body shaking quite violently, Ling Yin's body temperature also started to rise.

It seems that Ling Yin is traumatized when she remembers what happened to her family.

Ye Chen hugged Ling Yin even tighter, "calm down, everything will be fine." He tried to calm Ling Yin down.

Chapter 305 - Trying To Please Ling Yin

A few minutes later Ling Yin started to calm down again. "Sorry because I bothered you" Ling Yin apologized to Ye Chen.

Every time Ling Yin remembered that incident, she would be very sad and her heart would also feel very painful.

"It's okay, I know how you feel right now." Ye Chen knows Ling Yin's feeling right now. Ling Yin must be very troubled, a girl who is still 7 years old seeing such a sadistic slaughter, will definitely be very traumatized.

"Thank you very much, I am happy." Ling Yin felt very happy because Ye Chen understood himself, Ye Chen was the letter in Ling Yin's heart who came and made her life change more colorful and beautiful.

"Then how can you survive that" Ye Chen is still a little curious how Ling Yin can survive such an incident.

"I was saved by an old wanderer who was strong enough, he took me away from the evil hands of the Phantom Blade, he was also the one who taught me to become a cultivator." Ling Yin told Ye Chen that she was saved by an old wanderer and was adopted as a cultivator. student.

"But why did you end up being an assassin? "If Ling Yin was saved by someone, why did Ling Yin choose to become an assassin.

"It's because I'm looking for information about the Phantom Blade, by being part of the assassination network I can find out who this Phantom Blade is." It turned out that the reason Ling Yin became an assassin was to find out information from the Assassin's God Phantom Blade.

"Have you found the person? ", Asked Ye Chen.

Ling Yin shook her head "I haven't found the existence of the Phantom Blade yet, but I managed to find out the information from the Phantom Blade, the Phantom Blade is currently in the tenth stage of the Overlord Realm, he is very strong, the strength I have is far from belonging to the Phantom Blade" Ling Yin told Ye Chen that her strength was far from being compared to that of Phantom Blade.

Ling Yin used to think that with his current strength she could kill Phantom Blade, never thought the Phantom Blade was much stronger than she thought.

Because of this, Ling Yin continued to train to raise her cultivation level, Ling Yin didn't care how long it took, as long as she could kill the Phantom Blade with her own hands, then she would be very satisfied.

"So the person with the Phantom Blade Nickname is that strong." Ye Chen nodded after receiving the explanation from Ling Yin, Ling Yin's enemy was quite strong, that person might have strength comparable to him.

"You don't need to think about it, someday I can definitely beat that person and take revenge on my family, when that time comes I will completely become your wife." Ling Yin started smiling again, she started kissing Ye Chen's lips very greedily.

This time Ye Chen didn't refuse like before, he is now kissing Ling Yin with more sincere feelings than before.

Ling Yin felt that this time's kiss was different from before, This time's kiss was much more pleasant than before, Ling Yin really liked this feeling.

The two of them continued kissing for a long time, Ye Chen and Ling Yin immersed in their world.

"Sir, have you found your party dress. . "The employees came back to see Ye Chen, just as she was about to ask about the dress Ye Chen got, she was surprised when she saw Ye Chen and Ling Yin making a passionate kiss.

"Sorry for disturbing you" with red faces the employees ran away leaving Ye Chen and Ling Yin.

Ye Chen and Ling Yin stopped kissing, they both smiled at the employees running like cats who had just been trampled by their tails.

"Let me buy you a nice dress." Ye Chen asked Ling Yin to choose clothes, as well as Ye Chen could buy a new set of clothes for Ling Yin.

"Alright" Ling Yin of course wants, this is the first time she is shopping together with a man.

Ling Yin wants to try dressing up clothes with Ye Chen.

Ling Yin and Ye Chen started to choose clothes, Ling Yin tried to choose various clothes that suited her. After getting clothes that fit Ling Yin went to the dressing room, she started trying on the new clothes she chose.

It took a while before Ling Yin walked out of the changing room.

"Ye Chen, how do I look right now? ", Ling Yin asked Ye Chen how she looks when wearing this plain white outfit.

Ye Chen was choosing a party dress for Liu Yue and Xia Qingyu, when he heard Ling Yin's voice, he immediately turned towards Ling Yin who had finished changing clothes.

Ling Yin is currently wearing a long sleeved shirt with the bottom of a short skirt, the color Ling Yin chose is plain white.

Ling Yin's hair was currently tied into a ponytail, Ling Yin's current appearance was extremely beautiful.

"Beautiful, you are very suitable when wearing those clothes" Ye Chen praised Ling Yin.

Ling Yin's heart was currently flowery, she felt happy to be praised beautiful by Ye Chen.

"Really, then I'll take this outfit." Ling Yin decided to take this set of clothes, from now on he would mark this set of clothes as his Favorite.

Ling Yin tried a lot of clothes in this shop, because Ling Yin's appearance was already beautiful, all the clothes Ling Yin wore looked suitable.

Ling Yin really bought a lot of clothes, all the clothes that Ye Chen praised was directly wanted by Ling Yin.

Ye Chen had found a suitable set of party dresses for Xia Qingyu and Liu Yue, the color Ye Chen chose for Liu Yue was black, while Xia Qingyu was light blue, Ye Chen hoped that Liu Yue and Xia Qingyu liked the clothes he bought.

"You're done, let's go to the cashier and pay for everything." Ye Chen asked Ling Yin to go pay for all the things they took.

The person who paid for everything was Ye Chen, Ye Chen was a man so he had to pay for everything.

After completing the payment, Ye Chen and Ling Yin left the luxury clothing shop.

"Where are you going next" asked Ye Chen to Ling Yin.

"For the time being I will stay by your side, I have also rented a room in a Five Star hotel." Ling Yin has already booked a room at the same hotel as Ye Chen, so Ling Yin can stay with Ye Chen for a while.

"OK, let's go back." Ye Chen invited Ling Yin back to the hotel across the street.

"Whoosh" a throwing knife came towards Ye Chen.

Ling Ying who was beside Ye Chen immediately rushed over to stop the throwing knife that was heading towards Ye Chen.

Previously, Ye Chen had intended to catch the knife that was pointing at him, but Ling Yin took one step ahead and stopped the throwing knife that was pointing at him.

"Ye Chen, you're okay." Ling Yin asked Ye Chen's condition.

"I'm fine, I don't have to worry I'm not that weak." Ye Chen told Ling Yin that he wasn't that weak.

Ling Yin nodded at Ye Chen, Ling Yin was looking for the person who had tried to kill Ye Chen, unfortunately the person who killed Ye Chen hid the aura very well.

It could be seen that the other side was no weaker than Ling Yin.

Chapter 306 - Assassin Python King

The opposing party was quite good at hiding the aura of existence, even Ye Chen had to be serious about finding the whereabouts of the person who had just thrown a knife at him.

Using Spirit Sense, Ye Chen found the person who had just thrown a knife at him.

"That person is in a building 5 km away from here, he is on the 20th floor to be precise at window number 3 from the left." Ye Chen told Ling Yin the location of the person who had just thrown this knife.

Ling Yin nodded at Ye Chen, she immediately returned to throwing the knife in her hand in the direction Ye Chen pointed.

Ling Yin threw at full force, she intended to kill anyone who dared harm Ye Chen.

Ling Yin was a cultivator at the 3rd stage of the Overlord Realm, if Ling Yin used her full strength, then a building could be cut in half by the knife Ling Yin had just thrown.

The knife that Ling Yin threw straight at the person who intended to harm Ye Chen.

The person who intended to harm Ye Chen, saw the direction of the knife he threw at Ye Chen, this person caught the knife that Ling Yin had thrown.

"Bomm" this guy managed to catch the knife that Ling Yin had thrown with his two fingers, the wall behind him had a hole due to the effect of Ling Yin's throwing force which was too strong.

From a distance of 5 Km, Ling Yin saw that the knife she had just thrown was stopped by the person who had bad intentions towards Ye Chen.

"Ye Chen, I'll be right back." Ling Yin disappeared from Ye Chen's face, Ling Yin's movement speed was amazing, she went to take care of people who had evil intentions towards Ye Chen.

Ye Chen did not stay here, he complied with Ling Yin.

Ling Yin very quickly arrived in front of the person with malicious intentions towards Ye Chen.

The male assassin saw Ling Yin's arrival "very interesting, I think I'll have a little fun here". This person licked his knife with a terrifying expression, this person's tongue was very long, it looked like a snake's tongue.

This person had a very sinister and frightening face, from his expression alone could see that he was an extremely cruel and merciless assassin.

"Who are you, and what do you want to harm Ye Chen? ", Ling Yin asked the person in front of her.

" Who am I ? , hahahah, you are a very cute woman. "The male assassin laughed at Ling Yin.

"An assassin will never reveal his identity to outsiders, you don't have to bother knowing who I am, anyway soon I'll torture you and skin you, I'll enjoy this, hahaha" The male assassin laughed very creepily.

Ling Yin raised her eyebrows, judging by this person's strength he was no weaker than herself, it was certain that this person was an assassin on the legend list.

Ling Yin started looking at this male assassin from top to bottom, she was looking for something that could be used as a clue about this male assassin.

Ling Yin finally found a clue that was a tattoo that was on this male Assassin's neck, there was a snake-shaped tattoo on this guy's neck.

"Are you the Python King? "Ling Yin already guessed this person's identity from the tattoo on this person's neck.

Ling Yin had obtained an enormous amount of information about the assassins on the Legend List.

Ling Yin may have never met a Python King, but she has very little information about the Assassin Python King, one of the characteristics of the Assassin Python King is that he has a snake tattoo of a Python that coils from waist to neck.

It was because of this that Ling Yin began to suspect that this person was the Assassin Python King.

"Hahaha, I did not think that you knew about me, it seems you are also an Assassins in the legend list like me." Python King did not expect that this woman in front of him, is also an assassin who is in the legend list.

Python King is getting excited and wants to fight Ling Yin right away.

Ling Yin didn't waste any more time talking to the Python King, an Assassin like the Python King definitely wouldn't want to talk about who the person had sent him here.

Ling Yin took out her black Butterfly knife.

"Hoo, so you are Shadow Butterfly, I never thought I would meet the most powerful female assassin on the Legend list." The assassin Python King seemed to know a little about Ling Yin's identity.

Ling Yin didn't say anything to the Python King, she immediately went towards the Python King.

" Shadow Dance", Ling Yin's body turned into a lot of shadows, these shadows swirled around the Python King, these shadows were made up by Ling Yin's movement speed that was too fast.

Ling Yin's movement speed is indeed very great, it is fitting that she is called Shadow Butterfly.

Ling Yin with extremely beautiful movements and quickly started attacking the Python King.

"Clang. . . , Clang. . . , Clang. . . , Clang. . . , "Ling Yin's knife clashed against the Python King's Blade.

Ling Yin's movements may have looked beautiful, but in each of these beautiful movements the attacks launched by her were extremely dangerous and extremely deadly.

The Python King had to retreat due to receiving consecutive attacks from Ling Ying.

Ling Yin didn't waste this opportunity, from the side she tried to kick the Python King in the head.

Ling Yin kicked so hard that the Python King's head turned 360 degrees.

After successfully attacking the Python King, Ling Yin immediately retreated backwards.

"Hahaha that's not bad too." The Python King assassin whose head turned 360 degrees was still alive and could speak like a normal person.

If this person normally must have died earlier, the Python King's head turned 360 degrees and returned to its original position.

"Those physical attacks won't work on me at all, look at this." The Python King twisted several parts of his body quite Extreme.

This guy really looked like he didn't have a bone in his body.

Ling Yin was on alert again, she must not let her guard down against the Python King.

"Shadow Dance", Ling Yin's body again turned into a multitude of shadows, she again attacked the Python King with a beautiful and deadly move.

This time the Python King was fighting more aggressively than before, this time he was using the flexibility of his body to fight against Ling Yin.

Ling Yin started having a little trouble against assassins like the Python King.

It seemed that he had to be more serious about fighting the Python King, from Ling Yin's body started to come out quite strong, the aura that came out from Ling Yin's body was green.

The aura emitted by Ling Yin created a very strong storm, it seemed that Ling Yin was practicing the Wind technique, it was only natural that he could have an incredibly fast speed.

"Very good, bring out all the strength you have, let's have fun hahaha" Python King was even more excited when he saw Ling Yin getting serious.

The Python King didn't want to lose, he also started to give off an aura comparable to Ling Yin's.

The aura that came out from the Python King's body was brown.

"You have dared to hurt the person I like, so be ready to meet your death" from Ling Yin's palm appeared a whirlwind .

Ling Yin directed the whirlwind that was in her palm at the Python King.

"Storm Blast" Ling shot a whirlwind that was in her hand towards the Python King, a powerful blast of wind aimed at the Python King.

Chapter 307 - You Can Kill Him

"Booom", a blast of wind hit the body of the Assassin Python King, the body of the Assassin Python King was blown away by Ling Yin's Storm Blast technique.

Ye Chen, who just saw Ling Yin flew someone, that person was flown quite far by Ling Yin.

Ye Chen walked in and saw what was going on there, when he arrived he saw that this room was very messy, this building was dirty everywhere.

Ling Yin didn't hold back her strength at all, this building was almost destroyed by Ling Yin.

"Are you okay?" Ye Chen asked Ling Yin.

"I'm fine, the problem is that person is still alive after receiving my attack just now." Ling Yin didn't expect that the Python King could withstand her attack.

If it was replaced by an ordinary cultivator on the same level as Ling Yin, perhaps all of that person's bones and body would be crushed in the blast from the Ling Yin Technique.

"We must not let him go, if he runs away he will again try to kill you" Ling Yin must not let the Assassin Python King.

"Huh? , did the person just now not come for you? ", Asked Ye Chen to Ling Yin.

"I have absolutely no problem with that person, that person clearly came to kill you." Ling Yin has absolutely no problem with the Python King, especially when seen from the Python King's reaction, the Python King doesn't even know she is a Shadow Butterfly. , it means that from the beginning the Python King came to aim for Ye Chen's life.

So that person had come to kill him, no doubt the knife was pointing at him, if indeed that person was aiming for Ling Yin he would have killed Ling Yin right away.

The assassin was also quite good at hiding himself, Ye Chen didn't realize that someone wanted to kill him.

"You are so what are we waiting for, let's go to hunt that Assassin" Ye Chen has to catch that person and find out who the person wants to kill him.

Ye Chen was quite disgusted by someone who repeated we sent assassins to kill him, he had to settle accounts with the person who sent this assassin.

Ling Yin nodded at Ye Chen, Ye Chen and Ling Yin flew towards the direction Ling Yin flew the Python King.

Python King flown hundreds of Km by Ling Yin's Storm Blast, Python King landed in a remote place near the city.

The place is quiet and there aren't too many people around.

The skin of the Assassin Python King started to peel off, the Python King's skin was like a steel shield protecting him from Ling Yin's attack, "That woman is quite strong too, if I didn't make a defense then I would have been injured".

Python King admits that Ling Yin's strength is quite strong.

Python King looked up, he saw that at this moment the woman was flying along with the target he was aiming for.

"You fools, you are looking for a death because you are looking for me, you should go and save yourself while you can." Python King thought what Shadow Butterfly and Ye Chen were doing as stupid.

Should the two of them leave while they had the chance to escape, now the Python King would be very serious and wouldn't let these two people go alive.

Ye Chen looked at the Python King, this person's face was like an assassin who tormented his target.

Who is the person who sent you to come and kill me? "Ye Chen asked Python King who the person had ordered to kill himself.

"Hahaha, you two are really funny, do you think I am that stupid. To tell you who the client told me" Python King laughed again at Ye Chen and Ling Yin.

A professional assassin like Python King really keeps the client's identity confidential, they will not tell anyone about the identity of the Client who hires their services.

"Ye Chen, don't waste time talking to this person with the Python King's nickname, no matter how much you force him he won't tell you about the client's identity, later I will help you find out who the person behind all this is", Ling Yin told Ye Chen to no longer waste unnecessary time and words on Python King.

Ye Chen nodded at Ling Yin, it seems that this person really won't tell who the person who sent him here to kill himself.

"Then this person is useless, you can kill him if you want." This assassin is of no use to Ye Chen, it's better to let Ling Yin kill this person, it will save countless innocent lives.

"Okay, I'll finish it people as soon as possible." Ling Yin understands, she will finish Python King as soon as possible.

Ye Chen believes in Ling Yin's strength and ability, Ling Yin can definitely beat the Python King.

"Hahaha, you want to get rid of me, so funny, do you know that the two of you will soon die" Python King laughed quite creepily.

An extremely powerful killing aura shot out from the entire body of the assassin Python King.

This killing aura was extremely strong, this was the first time Ye Chen had encountered someone with this powerful killing aura.

With this powerful killing aura, the Python King must have killed millions of innocent people.

Ling Yin was slightly horrified when she felt the Python King's killing aura.

"Get ready I will crush all your bones" Python King rushed towards Ye Chen and Ling Yin area.

Ling Yin raised her knife, she prepared for the Python King's attack.

The Python King's hand suddenly stretched out like rubber, an extremely long hand swiftly wrapped around Ling Yin's body.

Ling Yin did not expect that the Python King's speed would increase several times from before.

"Hahaha, beautiful woman, you are too easy to catch, from the start we fought I was just playing with you, this time I was serious about getting ready to be crushed, hahaha" Python King started tightening his arm around Ling Yin's body.

The long arms of the Python King are like a snake that entangles its prey.

Ling Yin did not give up as she tried to break free from the entanglement of Python King's long arm.

"Wind barrier", Ling Yin finally used the defensive techniques he had at her disposal.

An extremely strong wind began to envelop Ling Yin's body, this strong wind barrier instantly knocked the Python King's long arm away from Ling Yin's body.

The Assassin Python King tried to tighten his hand, unfortunately the wind barrier Ling Yin created was too strong, so he was unable to wrap around this wind barrier.

Ling Yin looked very confident, this wind barrier could ward off all physical attacks coming her way, so the Python King's abilities would be unable to do anything to her.

"Let's see if your wind barrier can withstand my attack this time." The Python King started to grab the ground beneath him.

As the Python King did this, the ground below began to tremble and looked like a rugged sea.

The ground starts to rise upwards and forms a Tsunami wave hundreds of meters high.

Tsunami waves that formed from the ground started to circle Ling Yin.

The Python King is no joke, with this great strength, he is able to destroy a city to the ground

Ling Yin was completely surrounded by the Earth Wave, she had no way out.

Chapter 308 - Hurricane Vortex

Ling Yin "Storm Blast" tries to attack the Tsunami Wave which is created from the ground.

"Boomm. . . , boomm. . . , boomm. . . , "A blast of wind started to hit the Tsunami Wave on the ground, it's a shame this huge Wave didn't budge at all when Ling Yin's attack hit it.

"Hahaha, your attack is useless, you won't be able to destroy my technique, be prepared to be buried alive." Python King laughed at Ling Yin.

"Impact Wave", a ground tsunami wave began to fall and hit everything in front of him.

Ling Yin was completely surrounded from all directions, if a force of this magnitude collided, he would be severely impacted.

"Breaking meteor blow" Ye Chen suddenly came and attacked the ground Tsunami Wave that was about to hit Ling Yin.

"Booom", a breaking meteor blow instantly swept away Python King's Impact Wave technique.

"What !!!" The Python King was stunned when he saw Ye Chen so easily destroy his Impact Wave technique.

Python King has never seen someone who could break or destroy his Impact Wave Technique.

"Are you okay?" Ye Chen was a little worried about Ling Yin.

"Thank you, I'm fine" Ling Yin thanked Ye Chen for the helping hand.

Ling Yin didn't expect Ye Chen to have this strong power, she thought that Ye Chen's cultivation base was below hers, didn't Ling Yin expect Ye Chen to be this strong.

Ye Chen can break Python King's Impact Wave technique very easily.

"Bastard, how dare you disturb my fun." Python King looked angry when Ye Chen harassed himself in killing Ling Yin.

Ling Yin came back forward to fight the Python King.

"Do you need help fighting this person" asked Ye Chen to Ling Yin.

"No, I will fight him alone, if I can't beat this guy, how can I kill a Blade Phantom that is much stronger than this guy." Ling Yin wanted to win against the Python King.

"OK." Ye Chen understood what Ling Yin wanted.

Ye Chen stepped back so as not to disturb Ling Yin's concentration.

"So you still want to fight me, hahaha, come here and show your abilities." Python King told Ling Yin to come forward.

A green aura burst back up from Ling Yin's body, a gust of wind that was quite strong started blowing around the Python King's body.

The Python King saw that there was a gust of wind around him that began to envelop him.

The gust of wind turned into a huge tornado vortex, this vortex sucked everything into it.

"Hurricane vortex", this is Ling Yin's strongest technique, whoever is sucked into her hurricane vortex technique, will be instantly chopped by millions of invisible wind blades.

The Python King was trapped in the middle of the hurricane vortex, the Python King's body began to be cut by millions of invisible wind blades.

Even the leather armor that he had was quickly shattered by millions of invisible wind blades.

"Ahh. . . , bastard, it hurts. "The Python King felt his entire body being slashed by countless invisible blades of wind.

"Great Wall" Python King made a wall from the strongest rock, he hid inside the wall he just made.

Python King is relieved that his wall can protect him from the power of the wind blades in this vortex.

Now he only needed to slip out of this vortex by going into the ground, it was impossible for this vortex to penetrate the ground beneath him.

Python King started to use the technique to dig the ground, when he had dug several meters, he did not find the ground, what he achieved was an empty air, he saw that at this time his stone barrier had been lifted up into the sky by this vortex.

Ling Yin has strengthened the hurricane vortex strength again, the hurricane vortex strength is getting stronger, the Great Wall that the Python King just created is immediately raised high, Ling Yin won't let the Python King escape so easily.

The destructive power of the hurricane vortex grew stronger, the Great Wall's barrier began to be chopped to dust.

Python King in it also did not escape the rage of the Hurricane Vortex.

"Damn woman, I will. . ." Before the Python King finished his words, he was turned into a mist of blood by the millions of wind blades that were inside the hurricane vortex.

After the death of the Python King assassin, Ling Yin stopped her technique,

After using such a powerful technique, Ling Yin felt very tired, she looked weak and had no profound energy left in her body.

Ye Chen came to help Ling Yin. "Are you okay?" Ye Chen was worried about Ling Yin who just used such a powerful technique.

"I'm fine, I'm just a little tired from using too much Profound Energy." Ling Yin was unharmed, she was just exhausted and needed a short rest to recover strength.

Ye Chen nodded at Ling Yin, Ye Chen looked around, at this time his surroundings were very messy, lots of trees, stones and plants were scattered everywhere because of Ling Yin's hurricane vortex technique.

Luckily Ling Yin used the technique in a quiet place, if a technique like the hurricane vortex was used in the city, the whole city would be very chaotic.

Ye Chen intended to find a comfortable place for Ling Yin to rest for a while to recover his profound energy.

"So you guys are the ones who create chaos in this place, I think it's the act of monsters." An old voice spoke from above the sky.

When Ye Chen helped Ling Yin walk to find a resting place, he heard someone speak from above the sky.

Ye Chen was immediately alert, he immediately saw the direction of the voice coming.

Above the sky floated an old man with white hair and clothes, little Ye Chen had to notice the arrival of this old man.

"Who are you, and what do you want to come here" asked Ye Chen to the old man who was floating above the sky.

"Hahaha, a young man who is brave enough." This old man burst out laughing.

"Lord Guardian, sorry for being presumptuous, what are you doing in this place?" Ling Yin called the old man in the sky as Lord Guardian.

Ling Yin looked very respectful of the old people above the sky.

"Ling Yin do you know that old man? ", Ye Chen whispered to Ling Yin.

Ling Yin shook her head "I've never met an old man, but from the token on that old man's waist, that old man should be Lord Guardian".

Ye Chen looked at the waist of the old man, it was true that on the waist of the old man there was an imperial token that was often used by high-ranking generals / officials, the token was engraved with the words Lord Guardian.

"So that person's name is Lord Guardian? ", Whispered Ye Chen to Ling Yin.

Ling Yin shook his head "Lord Guardian is a position given to the strongest cultivator in this country, their main task is to oversee the running of the government in this country, this person is also in charge of protecting everyone from the dangers caused by the battle between cultivators who have high levels. ", Ling Yin tried to explain everything to Ye Chen.

Ye Chen nodded when he heard the explanation about this person from Ling Yin.

Chapter 309 - Sparing With Lord Guardian

Ye Chen: "So you can say that this person is a senior in this country, then why did he come here? "

Ye Chen wanted to know the reason a person this strong had appeared before himself and Ling Yin.

"What do you want from us? "Ye Chen asked what Lord Guardian wanted from the two of them.

"I came here to settle the mess that you guys have done, do you know that the battle just now damaged a lot of the country's facilities?" Lord Guardian told Ye Chen and Ling Yin the chaos that Ling Yin and Python King's battle had caused.

"Isn't the battlefield far away from the residential areas? ". Ye Chen said to Lord Guardian.

the battlefield here was quite far from the residential areas, so there shouldn't be damaging a state owned facility.

"Then what is this?" Lord Guardian took out an image stone, this image stone brought out a picture of the situation near here, many houses were crushed by trees and also collapsed due to the impact of the battle of Ling Yin and Python King.

Ye Chen saw the image displayed by the imagery stone, Ling Yin should have created a barrier first so that the area around here wouldn't be affected by the two's battle.

"I'm sorry, I will replace all the damage I have caused." Ling Yin took the initiative to replace all the damage she had done.

"That's good, but you have to come with me to take responsibility for everything, you will be punished properly." Lord Guardian is not only asking for compensation, this old man will also sanction Ye Chen and Ling Yin.

"I don't have time for that, just paying compensation is enough." Ye Chen didn't have time to go with this old man and receive a Sanction from Lord Guardian.

"You can't refuse it, if you dare to refuse then I will forcibly take you two." Lord Guardian threatened to use force to take Ye Chen and Ling Yin.

"I don't have time, you should just go, I will compensate all the losses." Ye Chen told this old man to leave his sight.

"Hahaha, very brave young man, if you really don't want to then I will have to take you by force." Lord Guardian stepped forward towards Ye Chen, he stretched out his palm, he was preparing to hit Ye Chen.

Ling Yin did not expect that Ye Chen would dare to challenge a Lord Guardian who has the strength at the 10th stage of the Overlord Realm.

"Ye Chen, don't be careless, this person is very strong, you are not his opponent." Ling Yin tried to stop Ye Chen who was intending to fight Lord Guardian.

"You are calm, leave all this to me" Ye Chen told Ling Yin to calm down and leave everything to himself.

Ye Chen used his free left hand to welcome Lord Guardian's palm strike.

"Bamm. . ."Ye Chen and Lord Guardian's palms collided with each other.

The collision of the two palms made a very strong blow, Lord Guardian was flown back several kilometers.

Ling Yin was dumbfounded when she saw Lord Guardian retreating several km by the exchange just now, from this alone Ling Yin already knew how strong Ye Chen was.

Lord Guardian did not expect that Ye Chen was this strong, the palm that was previously used to attack Ye Chen now felt a little sore from the exchange of blows just now.

"No wonder you are very brave, it turns out that you are very confident in the strength you have." Lord Guardian must praise Ye Chen who has this kind of strength.

"Only with your strength like that you will not be able to forcefully carry me" Ye Che looked very confident in the strength he currently has.

After receiving the inheritance from the Azure Dragon, Ye Chen's strength was now much stronger than before, even a cultivator who was 3 levels higher than his own was unable to match himself.

Ye Chen hasn't even opened his Fire Vein yet, if he does that then he really won't be invincible.

"I was still warming up, this time I will be serious." Lord Guardian again tried to attack Ye Chen, this time he was very serious, Lord Guardian's aura was radiating very strongly, the profound energy in Lord Guardian's body exploded out.

"Five finger seal." The tip of Lord Guardian's Five fingers came out some strange runes, he started to lock the tag on Ye Chen's body.

Ling Yin who was in Ye Chen's embrace felt a terrifying force heading towards her, she trembled slightly as these five fingers drew closer.

Ye Chen saw the arrival of Lord Guardian's attack, "breaking meteor blow" Ye Chen used breaking meteor blow to punch Lord Guardian.

"Booommmmm" an explosion occurred, this explosion made the earth rumble, a crater was formed by the collision of the attacks made by Ye Chen and Lord Guardian.

In the battle this time, Lord Guardian suffered defeat again, he retreated even further than before.

This time the hand he had just used to attack Ye Chen was badly injured. Blood started dripping from Lord Guardian's palm.

Lord Guardian was more and more surprised when he saw Ye Chen "who exactly are you, how can you have this kind of power" Lord Guardian can no longer be calm, Ye Chen's strength is far beyond his expectations.

"I am just a young man who is still in school" Ye Chen told Lord Guardian that he was just a student.

Lord Guardian's jaw fell to the ground. He could not believe that a person who had this strength was still a school student.

Ling Yin was also shocked, she couldn't believe that Ye Chen was still a student, where might a student have this kind of strength.

"Why, don't you believe me?" Ye Chen saw that Lord Guardian didn't believe he was still a student.

"Yes, yes, yes, I believe you are still a student." Lord Guardian nodded at Ye Chen.

Seeing this, Ye Chen chuckled "now that you know my strength, you should just go, on earth no one can match my strength." Ye Chen told Lord Guardian to leave here.

Lord Guardian stroked his white beard. "It's true that your strength is strong, but in this world there are still people who can fight you." Lord Guardian told Ye Chen that there was still someone who could take him away against Ye Chen.

"You mean?" , Asked Ye Chen to the old Lord Guardian.

"Your strength is almost comparable to that of a great faction ancestor in this world, I estimate that your current strength is comparable to cultivators who are half-step towards Divine Realm." Lord Guardian guessed that Ye Chen's strength was comparable to someone in the half-step stage. Divine Realm, otherwise he wouldn't suffer defeat like this.

"Author's note: half a step to Divine Realm is a level that is in the middle of the 10th level of the Overlord Realm and Divine Nascent Realm's first level, there is still a huge gap if you want to break through to the first stage of the Divine Nascent Realm.

"So in this world there are also cultivators who have reached the half-step level to Divine Realm, it seems that I have underestimated cultivators on earth." Ye Chen just found out that there is a cultivator who has reached the half-step stage to Divine Realm.

he thought that Fu Lanling was the only cultivator on earth who had managed to reach half a step towards Divine Realm, it turned out that all of the great factions had already reached that stage as well.

Chapter 310 - A Warning From The Guardian Lord

"In this world there are so many strong people who hide themselves, you probably won't know that on this earth there are people who have succeeded in reaching the Divine Realm stage which is a legend." Lord Guardian actually looked like he was giving a lecture to Ye Chen.

Ye Chen doesn't really care about people who have broken through the Divine Realm, in the future he will definitely be able to reach that stage.

"So what are you going to do to me now?" Ye Chen asked Lord Guardian.

"I can't do anything to you, but sooner or later your existence will be known by the Kunlun Faction, if you are considered a threat you might be eliminated, but if you can be invited to become an ally then maybe the Kunlun Faction will recruit you to join." Lord Guardian can't do anything to Ye Chen, the power that Ye Chen has is beyond his control.

"You better be careful, it's better not to be too flashy and lure a large bee nest like the Kunlun Faction, or you won't have the freedom like before." Lord Guardian told Ye Chen not to be too flashy, or else the Kunlun Faction would find Ye Chen's whereabouts.

"Why are you warning me instead, aren't you one of the Kunlun Faction?" Ye Chen asked Lord Guardian.

"Think of it as a gift for our meeting, I will go, young man take care of yourself." After saying the words of farewell, Lord Guardian left this place.

"Quite a strange old man." Ye Chen didn't understand the old man's mind at all.

"Ye Chen, you are so strong, you can even drive someone who is in the Lord Guardian position." Ling Yin looked excited when he said this, she did not expect that the man she liked was so much stronger than herself.

Ling Yin was already feeling better after resting in Ye Chen's arms, she felt that her strength had recovered a little.

"Hehehe, now that you know that I'm great, I might be able to help you to get revenge" Ye Chen chuckled at Ling Yin.

"Thank you, you sure are a bit of hope sent for me." Ling Yin was very happy, she now has the confidence to take revenge on the Phantom Blade.

"Here, eat it, it might recover the profound energy you have." Ye Chen handed the heavenly peach to Ling Yin.

Ling Yin didn't understand why Ye Chen gave herself a peach, Ye Chen said that this peach can restore the profound energy she has.

Ling Yin doubted a little whether this peach could recover the profound energy she had, as Ling Yin's curiosity tried to eat it.

When Ling Yin ate the Heavenly Peanut Fruit, she felt a very sweet delicious fruit taste, after the fruit was swallowed into the stomach, Ling Yin felt a very fresh feeling in her body, her profound energy recovered very quickly.

This was far from the Energy Recovery Pill she had, Ling Yin very quickly used up the Heavenly Peach that Ye Chen gave her.

As well as being able to restore profound energy, this fruit tastes incredibly delicious, Ling Yin has never eaten such delicious food.

"Let's go back, it's not good to stay here." Ye Chen took Ling Yin back to town.

"I will go somewhere first, I will find out who the person who sent the Python King assassin is." Ling Yin didn't come back with Ye Chen, he had to go somewhere first to find out who was the person who intended to harm Ye Chen.

"Then be careful." Ye Chen told Ling Yin to be careful.

Ling Yin nodded, the two parted ways Ling Yin flew in the opposite direction to Ye Chen.

Ye Chen flew off to the five-star hotel where Liu Yue and Xia Qingyu were staying, the two of them must have been waiting for him a lot.

Ye Chen only needed a few minutes to return to the five-star hotel, he rushed back to the room occupied by Liu Yue and Xia Qingyu.

Liu Yue and Xia Qingyu were quite bored waiting for Ye Chen to come back, they both didn't expect that Ye Chen would be this long.

"Did something happen to Ye Chen, why did he take so long" Xia Qingyu began to worry about Ye Chen's condition.

"Ye Chen is a strong person, there shouldn't be anything to harm him." Liu Yue told Xia Qingyu that Ye Chen must be fine.

Xia Qingyu nodded, but she was still a little worried about Ye Chen.

"Clik. . "The entrance is open.

Ye Chen entered the room with a bag containing a party dress for Liu Yue and Xia Qingyu.

Liu Yue and Xia Qingyu saw Ye Chen's arrival, they were both happy that Ye Chen was fine.

"Ye Chen, why are you taking so long, both of us are so bored waiting for you" Xia Qingyu protested Ye Chen who took too long to buy a change of clothes.

"Hehehe, sorry I had a hard time finding clothes that fit both of you." Ye Chen scratched his head, he was trying to find the right excuse so that these two women would not be suspicious.

"Then hurry up and bring our clothes" Xia Qingyu asked for the bag in Ye Chen's hand.

"This." Ye Chen handed the bag in his hand to Liu Yue and Xia Qingyu.

Xia Qingyu was very curious about the clothes that Ye Chen bought. Xia Qingyu saw that Ye Chen bought herself a party dress that was quite beautiful.

Liu Yue also peeked into the bag that Ye Chen gave her, she saw a very expensive party dress.

"Why did you buy me a party dress, aren't there any clothes that are a little inconspicuous" asked Liu Yue to Ye Chen.

"I forgot to tell you, tonight we will go to Feng Xue's grandfather's birthday, so I might as well buy you a party dress." Ye Chen told Liu Yue that tonight they will attend a party at Feng Xue's mansion.

"I see." Liu Yue now understood why Ye Chen bought herself a party dress.

"Why are you still standing here, come out quickly, we will change clothes" Xia Qingyu kicked Ye Chen out of this room, both of them intending to change clothes with the dress that Ye Chen gave.

Ye Chen helplessly came back out of this room, he let Liu Yue and Xia Qingyu change clothes.
