

Chapter 31 - Fairy Gate

Ye Chen again dreamed of being in a beautiful beautiful lake but the difference here was there were no women, this place was empty, not beautiful women like the dream of a dream before.

But it was different from the dream of a Previous Dream Ye Chen could feel a very pure energy here, which Ye Chen had never felt in a dream before.

Ye Chen wandered around the lake at this place. The view was very good, Ye Chen almost thought that this was Heaven.

Ye Chen pinched his cheek "is this a dream but why do I feel this is really real".

"This is not really a dream" A woman's soft voice came from Ye Chen's back.

Ye Chen saw the woman Flying over the lake this woman was very very beautiful who wore white snow white clothes with a mature body, but this woman had a pair of white wings glittering on her back, this fairy beauty could destroy a country.

"Who are you?" Ye Chen asked cautiously.

"The master does not need to be vigilant, I will not do anything harmful to you," answered the fairy.

Ye Chen was not easy to believe because Ye Chen could not feel the cultivation base of this fairy woman there were two possibilities the first of these fairies was stronger than Ye Chen, and the second of these fairy women really had no strength.

Even though Ye Chen didn't feel any hostility from this fairy woman but Ye Chen had to remain vigilant "I Asked Again Who Are You Actually" Ye Chen asked again.

The fairy woman sighed and said "my name is Chu Yuechan and I am the guardian in this place".

"Then where are we now?" Ye Chen asked.

"We are now at the gates of the fairy world" Chu Yuechan answered.

The answer from Chu Yuechan instead made Ye Chen even more confused, "What kind of world is the fairy world, instead I was sleeping on my soft bed" Ye Chen complained in his heart.

Ye Chen "Beautiful fairy Please explain More details so that I understand better".

Chu Yuechan That touched his forehead and shook his head shaking his head "ok I'll explain so that you understand"

Chu Yuechan "This is a fairy world, which is an artifact from the Fairy Gate that you have".

Ye Chen "You mean that iron shaped like a gate"

"Exactly the truth is a very extraordinary artifact, but at this time the artifact does not yet regard you. As its master, all you need to do is give one drop of blood and you will be the owner of this place," Chu Yuechan explained to Ye Chen.

Ye Chen had no idea that the mysterious iron turned out to be keeping a very amazing secret like this
Ye Chen "Then what is the advantage if I become the ruler of this place?".

"The benefits that can be obtained by the master will be extraordinary, after the master becomes the ruler of the Fairy Gate, the master will be able to go in and out at will and the master can also practice here to his heart's content. women then the energy available in this place will be more pure and can speed up the level of cultivation. "Chu Yuechan tried to explain to his advantage to Ye Chen.

Ye Chen who heard this was quite tempted by his advantage Ye Chen then said "you will not lie to me right"

Chu Yuechan "why would I lie to you"

Ye Chen went mad and was thinking whether to accept or not Ye Chen saw Chu Yuechan always give a smile to him, this woman's beauty was very Deadly Ye Chen even almost lost his composure.

"Well I agree to be the owner of this place," Ye Chen said.

"Then master please stretch out your fingers" Chu Yuechan asked Ye Chen to stretch out his finger.

Ye Chen Extending his index finger, Chu Yuechan then approached Ye Chen and suddenly Chu Yuechan put Ye Chen's index finger into his mouth and winced at him.

Ye Chen felt pain from his index finger and blood started coming out of his index finger and was suctioned by Chu Yuechan

"The master's identity has been confirmed from now on there is a master from this place, Chu Yuechan will serve the master from now on" Chu Yuechan then b saluted Ye Chen.

"May I call you Yuechan from now on" Ye Chen asked Chu Yuechan.

"As long as the master likes the master may call me with what the master wants," answered Chu Yuechan.

Ye Chen "don't call the master I'm not used to, just call me Ye Chen from now on"

Chu Yuechan "Ye Chen is good"

Chu Yue Chan then explained again more details about this fairy gate.

For example, this fairy gate can only be accessed by Ye Chen and also Ye Chen women, and another requirement is that the woman must have a dual cultivation relationship with Ye Chen first. enter or pass by the woman Ye Chen appoints who holds the key to enter here, and there are three keys. Therefore, besides Ye Chen, there will be 3 more people who can access this place, but that must also have Ye Chen's permission first.

Ye Chen "At that time I was when I was on the antic camera. What was Yuechan who called me?"

"Yes, Ye Chen, I called you at that time so you would pick up the Fairy gate artifact," Chu Yuechan answered.

Ye Chen "So from the beginning you chose me? "

Chu Yuechan "I chose you because you have an ancient (Yang) body, and I know that you will definitely be with many women in the future"

Chu Yuechan "You know the way fairy gates work, the more women you have, the purer the energy here."

"Hah, what if I'm not with many women? In the future, it won't make you disappointed".

"That's not possible unless you want to die so please just try" Chu Yuechan Terseyum.

Indeed Chu Yuechan was right if Ye Chen didn't immediately get (Yin) from a woman then Ye Chen would die.

And here the energy is several times purer than on earth which makes training here more effective than on earth, and from what Chu Yuechan said the energy here is still able to get stronger again, that's not only benefit Ye Chen but also the women that Ye Chen has in the future.

Chapter 32 - Darkness Is The Power Of The Taboo

Chu Yuechan "oh yes Little master oh no I mean Ye Chen I did not think that you are the heir of the legendary god sage".

"How do you know about that?" Ye Chen was a little panicked after hearing him, except for himself and Gu Xuan. There should be no one else who knew about this secret.

Chu Yuechan "Hahaha Ye Chen you think it's really funny, don't panic like that, we are now connected and I can find out everything that is possessed by my lord, even the details about all the power of the techniques that all the Masters have are saved."

"What !! "Ye Chen didn't expect Chu Yuechan to be that great.

"Yuechan do you know the god of sage too? "Ye Chen asked.

Chu Yue Chan "I do know very little about Sage God, Sage God is one of the Five Great Gods in the past and controls the 7 Elements, fire, water, wind, earth, lightning, Light, Dimension".

"What are you saying? Shouldn't the 8 elements of fire, water, wind, earth, lightning, Light, darkness, Dimensions" Ye Chen interjected.

Chu Yuechan "what are you saying Ye Chen, where might the Sage Gods be highly respected by so many gods and goddesses in the past have the power of darkness".

Ye Chen "but the Sage God Himself who told me and the Sage God had a total of eight additional veins, each vein representing each element".

Chu Yuechan then immediately reached out his hand and grabbed Ye Chen's wrist, Chu Yuechan immediately drew his mental mind to look at Ye Chen's own vein, but Chu Yuechan could only feel 52 Vein doors.

The special vein belonging to the god of sage can only be hidden by Ye Chen at will so that others will not know about it, except with the permission of Ye Chen. No one can know it.

Chu Yuechan knew that Ye Chen hid it "Ye Chen don't be stingy. Let me see it" Chu Yuechan asked spoiledly.

Ye Chen was helpless and showed it, Chu Yuechan did indeed see that there were eight additional veins but one of the eight veins was red like fire.

Chu Yuechan knew that this vein represented the element of fire, and Ye Chen could now control all types of fire in this world.

"How can a Sage deity have the power of darkness, and why is it not mentioned in the notes at all?" Chu Yuechan began to think.

"So what if the god of sage has the power of darkness, is that wrong?" Ye Chen asked.

"What problem do you know that in the realm of the Gods the power of darkness is a taboo, if you have the power of darkness you will be labeled as a Devil and will be hunted by all those in the Deva realm" Chu Yuechan explained to Ye Chen.

"But why?" Ye Chen really did not know Gu Xuan never told him before.

Chu Yuechan "You know that when the era of the True Gods still existed, Satan and also the gods were hostile to each other, they killed each other, which caused many casualties. On both sides, the war that began hundreds of billions of years ago until now is still happening between the two parties between Satan and also the gods. "

Chu Yuechan "Therefore every Satan cultivator who enters the deva realm will be killed immediately and hunted, and vice versa if the Deity cultivators enter Satan's territory will also be killed immediately".

"Ye Chen, if you get the power of darkness in the future, make sure to never use it, otherwise the consequences will be very serious." Chu Yuechan warned Ye Chen.

Ye Chen "If it's like this, I just need to not use the dark crystal when I find it and the problem will be finished easily."

Chu Yuechan "It's best if you keep using the Dark Crystal left by the sage god if you find it, because if not then the inheritance of the Sage god you have is likely to be incomplete which also affects your strength in the future".

Ye Chen was even quite confused by the current situation, if Ye Chen found the Crystal of darkness, had the power of darkness and could be chased by all people in the deva realm, but if not then it would affect Ye Chen's strength in the future.

"Oh forget it anyway I also have not found the dark crystal left by the God of Sage," said Ye Chen.

Chu Yuechan "I'm right Now you don't have the power of darkness so you don't need to worry for now".

Then Chu Yuechan changed the topic of the conversation "So Ye Chen, how many women do you have right now?" Chu Yuechan asked curiously.

Ye Chen "I only have one woman and we are still new dating today".

"Hahaha, you only have one woman, with your abilities you should be able to get many women easily, right?" Chu Yuechan teased.

Ye Chen "I am not the one who will date the woman I just met".

"Really" Chu Yuechan blinked her eyes mischievously then Chu Yue Chan whispered in Ye Chen's ear "Then master what if I taught you some movements in bed do you want? Chu Yuechan's temptation voice was very sweet which made Ye Chen's Whole Body soft.

It must be acknowledged that Chu Yuechan is indeed a very beautiful woman, who has the power to destroy a nation.

And women like this teased Ye Chen, how could Ye Chen withstand temptation, but Ye Chen was trying to survive.

"What master do you want a minority position or from behind or am I riding you" Chu Yuechan Bolder In teasing Ye Chen.

Ye Chen sipped his water Ye Chen looked to the side

Chapter 33 - DESOLATE PALMS Technique

Ye Chen and also Chu Yuechan played the chase for 15 minutes, for these 15 minutes Ye Chen was really unable to chase Chu Yuechan.

Ye Chen knew that Chu Yuechan's strength was above Ye Chen, Ye Chen gave up and lay on the grass.

"Ye Chen, have you given up, then become stronger as fast as possible" Chu Yuechan tried to give encouragement to Ye Chen.

"Yuechan, can you get out of this place too?" Ye Chen asked.

Chu Yuechan "for the time being I cannot, unless you are capable enough to call me out".

Ye Chen "do you mean?"

"To maintain my body Outside I need strength from you, so when I come out, your deep energy will be used as long as I am outside, and when Your deep energy runs out, I will automatically Return to Inside the Fairy Gate" Chu Yuechan explained to Ye Chen about the details.

Ye Chen "then what is your current cultivation base?"

"It's a secret, but Supposedly in the God Realm only a few are able to fight with me considering that the Era of the Gods has ended".

If Ye Chen could call Chu Yuechan out then Ye Chen would not have to fear anyone in the Deity's Realm.

"That's great Ye Chen said, but how do you know that the era of the Gods is over, does this place have other masters before?"

"Not you are the first person to be the owner of this place, but the person who made this place is the last true god, who is also the first spiritual weapon master in all the deva realms, he made this place from the best and rarest things available. In the deva realm.

Ye Chen "Oh, I see."

"Let's see some places that are here," Chu Yue Chan stood there, invited to draw Ye Chen's hand to get around this place.

Ye Chen just resigned to follow Chu Yuechan just went several places such as, medicinal plant gardens, hot water pemandis also in this place, training ground, armory and also pills, workshop making weapons there are even rooms for dual cultivation also here, with A super big bed that can hold dozens of people maybe.

Unfortunately inside the Armory and Pill there was nothing, then Ye Chen and Chu Yuechan proceeded to a tower of Pagodas.

When he entered Ye Chen saw that the room inside was far bigger than what he could see outside, there were various neatly arranged books.

Chu Yuechan said that this book is a cultivation technique or fighting art.

Ye Chen thought there were more than hundreds of thousands of Cultivation Technique books, fighting techniques that were here.

Ye Chen then immediately went and looked to see if there were any good fighting techniques for him.

Chu Yuechan sat in a chair there and watched Ye Chen choose some cultivation techniques.

Ye Chen ahirya get 1 Technique which according to him is quite strong and also suitable for him.

"Hey Yuechan, may I take this technique?" Ye Chen asked.

Chu Yuechan "what are you saying, everything here is yours from now on, so you may take what you want".

The name of the technique Ye Chen took was DESOLATE PALMS

DESOLATE PALMS has 5 stages The first stage is displaying 1 finger to the fifth displaying 1 finger.

Ye Chen then went to the training room to study and wanted to try it at the same time.

To understand a technique usually had quite a long time, but Ye Chen only read it once, Ye Chen had understood it.

So Ye Chen decided to give it a try, Ye Chen made the Yang Movement movement written in the Book, right then at the fairy Gate the sky that was originally bright suddenly suddenly became pitch black.

Ye Chen "DESOLATE PALMS First finger technique" A hand that emits an ancient aura coming out from behind the clouds, there is only 1 finger that is open in the palm of the hand while the other 4 fingers are closed.

DESOLATE PALMS then crashed to the floor in the practice room and made a Loud Sound Bmmmmm !, the entire training room shook a little.

Ye Chen was quite satisfied with this technique, although DESOLATE PALMS was unable to make a scratch to the floor in this practice room but judging by the effect it was definitely quite strong.

This training room was made with a variety of strong stone paliang therefore it was quite difficult to destroy it even if it was even Chu Yuechan.

Ye Chen then tried it again this time. Trying the second level of the second finger DESOLATE PALMS technique.

The sky is dark again but now it's much darker than the first one,

Ye Chen "DESOLATE PALMS second finger technique" this time the hand that came out of the ancient aura was much stronger than before and the palm of his hand opened 2 fingers.

Bammmmm! The sound produced is much more intense. The power produced is also several times stronger than the first level that makes great vibrations in the practice room.

"Hahaha Very powerful Tekni" Ye Chen Laughed Because Satisfied With This Technique.

After using the second level Ye Chen felt his body was very weak, Ye Chen felt his vision become blurry and Ye Chen fell to the floor and passed out.

Chu Yuechan who was watching from a distance could only shake his head, although Chu Yuechan had to admit that Speed in Ye Chen's understanding was great, but it turned out that Ye Chen was quite stupid enough to faint after using the second level DESOLATE PALMS technique.

Ye Chen did not know the Limitation of the deep energy that existed in his own body, because the burden of the DESOLATE PALMS technique of the second finger, was unable to withstand the deep energy in Ye Chen's current body.

Chu Yue Chan then approached to Ye Chen who was currently collapsed on the floor.

Chu Yuechan sat on the floor, then raised Ye Chen's head and put it on his thighs.

Chu Yuechan stroked Ye Chen's hair. Seeing Ye Chen who was currently sleeping peacefully made Chu Yuechan happy, Chu Yuecha looked at Ye Chen's handsome face, and Chu Yuechan felt that he was not bored with this.

Time Passed so Fast after a few hours and the fainting Ye Chen was finally a little conscious, Ye Chen felt Something soft and soft propped up his head, the smell was also very fragrant at all Ye Chen saw the two snow white thighs before his eyes, when Ye Chen looked up at Ye Chen saw the two Double Mountain Peaks encased in white cloth.

Then Chu Yuechan's face appeared behind the two mountain peaks

Chu Yuechan who looked up and said, "Ye Chen, are you awake?"

Ye Chen immediately got up from Chu Yuechan's lap and sat here Chu Yuechan.

Ye Chen then asked Chu Yuechan "Yuechan what just happened to me"

"You just used the DESOLATE PALMS technique and ran out of deep energy and then passed out.

Ye Chen then remembered what happened to him just now, Ye Chen had no idea that the second level of DESOLATE PALMS required a considerable amount of deep energy consumption

"Then how long have I passed out?" Ye Chen asked.

"Maybe you fainted for about 8 ~ 9 hours," answered Chu Yuechan.

Ye Chen "During that time, I must get out of here immediately. If not, I will be late going to school to meet Yanyan".

Chu Yuechan just laughed at Ye Chen's panic "Ye Chen, you don't need to worry about the time here is much longer than in the real world. 5 days here are the same as 1 day in the real world. So long as you are here 10 hours in the outside world, only 2 hours" .

"Ah, is this place really extraordinary?" Ye Chen said.

"Now Restore Yourself first I will go first for now, If you need anything just call my name" Chu Yuechan then left the practice room.

In the practice room leaving only Ye Chen Alone, Ye Chen then crossed his legs and absorbed the energy that was here to restore his Strength and also while Cultivating.

Chapter 34 - Saintess Body

After recovering the deep energy, Ye Chen then cultivated at the fairy's gate, after 1 full day Ye Chen finally opened his eyes.

Ye Chen looked around and found no trace of Chu Yuechan around him. Most likely, Chu Yuechan had not returned.

Ye Chen finally called "Yuechan where are you?" A few moments later Chu Yuechan finally appeared in front of Ye Chen.

When Chu Yuechan appeared before Ye Chen, Ye Chen almost had a nosebleed because, the dress Yang Chu Yuechan was wearing was now dripping wet and Ye Chen could see the underwear that Chu Yuechan was wearing.

"What are you doing? Dry your clothes quickly," Ye Chen said, turning his face away.

Chu Yuechan was taking a shower And suddenly Ye Chen called to him so Chu Yuechan immediately rushed over and forgot to dry himself.

Chu Yuechan waved his hand and A wind enveloped him, and in just a few seconds Chu Yuechan's hair and clothes were already dry.

"So why do you call me?" Chu Yuechan asked.

Ye Chen "how to get out of this place? "

"Geez you call me just to ask questions like that, all you need to do is use your mind to get out of this fairy gate," Chu Yuechan answered.

"It's that easy" then Ye Chen closed his eyes and used his mind.

When Ye Chen opened his eyes again Ye Chen was already in the hotel bedroom like before.

"How did you understand the way to Get Out of here, the way to enter the Fairy Gate is the same as you only need to use your mind alone" Chu Yuechan spoke inside Ye Chen's mind.

Ye Chen "You Can also speak in my mind Also ter? "

Chu Yuechan "Not only can I speak in my mind but I can also see what the Master sees".

"Oh, I see." Ye Chen touched his chest and did not find the fairy gate artifact Yang Ye Chen put on his chest before "Yuechan Where is the fairy Gate artifact?" Ye Chen asked.

"That artifact is now joined with your body, flow your deep energy and look at the back of your hand, a picture of a fairy gate will surely appear" Chu Yuechan told Ye Chen to try it.

Ye Chen then tried what Yang was instructed by Chu Yuechan, and sure enough when Ye Chen ran his energy in the back of his hand A tattoo of a Fairy appeared.

Ye Chen saw that the clock was 7 o'clock in the morning and the class would start in half an hour, Ye Chen got up from the bed then washed his face and immediately changed clothes, when Ye Chen was about to wear his leather mask, asked by Chu Yuechan.

"Ye Chen, why are you wearing a mask to cover your face," Chu Yuechan asked.

Ye Chen then explained what happened when Ye Chen first came here and did not wear this leather mask until he was chased by a woman.

Chu Yuechan who heard this laughed, "Ye Chen is not because your face is more precisely because of the King's heart technique that you have, which can make a woman aroused just by looking at your face alone, it is a special charm technique possessed by the king's heart technique, and only people who have strong minds are not affected by the Enchanting Technique of the king's heart. "

Chu YueChan then told him how to deactivate That charm technique.

Ye Chen wanted to try it so Ye Chen didn't wear a mask when going to school.

While on the Road there were indeed many women who saw Ye Chen but they didn't do anything crazy. Just watched Ye Chen.

On the way to Chu Chuechan School, he almost always asked questions about what attracted his attention because Chu Yuechan had never seen anything like that before, so Ye Chen had to explain it continuously while on the way to school.

On the way to appoint a woman who has quite a lot of yin and told Ye Chen to immediately take her to bed to do dual cultivation.

Ye Chen only shook his head, and tried not to hear the ravings of Chu Yuechan.

Finally, after a few minutes riding the Ye Chen Bus finally arrived at the school gate, When arriving at the school gate many students

The woman who saw Ye Chen, Ye Chen wasn't too used to being the center of attention.

"Hey hey, is he a transfer student? I've never seen him before," said one female student.

"I also do not know but he is very handsome even my idol artist is less handsome with him," said one of the women with starry eyes.

"Do you think he has a girlfriend or not? If not yet I want to be his girlfriend "

Many women talked about Ye Chen behind Ye Chen

When Ye Chen arrived in class there were only a few students who had arrived, Ye Chen looked at the whole class and found Zhao Yanyan who was focused on reading the book.

Ye Chen wanted to surprise Him, Ye Chen settled down and arrived behind Zhao Yanyan and covered Zhao Yanyan's eyes with both hands.

Ye Chen disguised the voice "Guess Who"

"Ah, who are you? Quickly release me." Zhao Yanyan Doesn't Know whose voice this is Zhao Yanyan Panic "

Ye Chen finally used his original voice "let's guess if not then I won't let it go".

Hearing the voice this time Zhao Yanyan knew that this was Ye Chen "Ah Ye Chen quickly release the naughty net".

Ye Chen finally let go of his hand and sat next to Zhao Yanyan, when Zhao Yanyan looked behind Zhao Yanyan to see Ye Chen showing his real face.

"Ye Chen, why don't you wear a mask like yesterday?" Zhao Yanyan asked.

"I'm not too fond of wearing it so I just let it go". Ye Chen said.

"Didn't you say there would be a problem if you took off your skin mask? "Ask Zhao Yanyan again.

Ye Chen "I can overcome the problem so I don't need to worry anymore".

"I see, but why do I feel something's different from you huh? "

"It might just be your feeling Yanyan" Ye Chen said, maybe because Ye Chen didn't activate the Enchantment of the King's Heart Technique.

"What master is your woman? Chu Yuechan asked in Ye Chen's mind.

"Yes, she is my girlfriend" Ye Chen answered proudly.

"This woman has the body of Khusu Saintess who can make her a great cultivator in the future," said Chu Yuechan.

"Saintess's body, what else?" Ye Chen asked.

"Saintess's body is a Special body that is less frequent than the owner of the Pure Body (Yin), if the body is bangkin then the path of the mind of the owner will be far more advanced than other cultivators, even the speed of the practice can be 5 times faster than the owner of the body (Yin) Pure, "Chu Yuechan explained as simple as possible so Ye Chen could find out.

Ye Chen had no idea that Zhao Yanyan had such a Special Body

Chu Yue Chen "Ye Chen, you're really lucky to be able to find a woman who has a special body in a remote place like this, if this woman can awaken her body specifically, surely a woman can increase her strength very quickly.

"Then how to awaken Yanyan's Special Body Quickly?" Ye Chen asked.

"It's easy you just need to do Dual Cultivation with him, With Your Ancient Yangqi It should be easy enough to awaken his Saintess Body" Chu Yuechan answered, speaking in his mind.

Ye Chen did not depart that it turned out that the method was quite easy, but the problem was how to persuade Zhao Yanyan to do Dual Cultivation with him.

"Is there no other way?" Ye Chen asked.

"Other ways can only wait for the Saintess's body to rise up on its own but the time needed also cannot be known, but why are you hesitating about dual cultivation? , you are a man, you should be the one who took the Initiative ".Chu Yuechan tried to advise Ye Chen.

"Hey, who are you to dare to occupy my chair?" A harsh voice shouted at Ye Chen.

Chapter 35 - Zhao Yanyan's Reques

The person who shouted at Ye Chen had a ferocious face, this man was Sen Tu who was a tyrant in this class, everyone in this class was afraid of him.

Sen Tu Immediately walked towards Ye Chen then Sen Tu lifted the collar of Ye Chen's shirt and pulled him away from his seat "How dare you occupy my seat, do you not know who I am? "

"I don't know you and I don't want to know either" Ye Chen said indifferently.

Sen Tu Who heard this Anger ignited in the whole class almost all students are afraid of him and now there are new students who are not afraid of him "it seems I have to give lessons so you know your place".

Students who have come to see this and they want to watch what will happen to this poor handsome man who dares to provoke Sen Tu.

Sen Tu prepared to hit on his face, Ye Chen smiled wickedly, Ye Chen caught the hand from Sen Tu.

"Tuluang kraakkkk from the finger of Sen Tu made a clear voice.

"Release Pain" Sentu screamed in pain and tried to wriggle to get his fist out of Ye Chen, it's a shame that the Capit doesn't want to let go.

"I do not like violence, but if you are still looking for trouble with me again then I will not hesitate in the future" Ye Chen warned Sen Tu, After that Ye Chen Ye Chen threw Sen Tu back and hit a wall

Sen Tu tried to get up from the floor and saw that his hand was trembling in pain. His hand was really red-colored and his body hurt after hitting Diding, but he didn't dare to protest towards Ye Chen.

But later Sen Tu will make a few brothers who are in the gang to make him disabled, Sen Tu immediately leave the class so he doesn't lose more face.

"Ye Chen, you are OK" Zhao Yanya immediately approached Ye Chen and asked about his situation.

"I'm fine, just Small Ants trying to find a problem with me," said Ye Chen, insulting Sen Tu.

"Ye Chen, though Sentu is not too strong, but behind him there are some evil gangs, that's why people who are in school prefer to avoid him, I'm afraid he will look for trouble again to you," said Zhao Yanyan, a little worried about Ye Chen.

"Take it easy Yanyan sanyang I can definitely handle it, because I'm strong, just trust me" Ye Chen said confidently.

Yanyan always believes in what Ye Chen said so Ye Chen and also Zhao Yanyan returned to their seats, Zhao Yanyan went back to studying a book.

"Yanyan, why do you memorize English this morning?" Ye Chen asked.

"Today there will be a sudden test today, Rouxi's older sister told me," Zhao Yanyan said.

Ye Chen "oh it turned out that way"

"You Must Also Fight If your grades are good then I will give you a Special Gift" Yanyan tries to Motivate Yanyan.

"What is that special gift?" Ye Chen was quite curious about what gifts Zhao Yanyan would give to him.

"Hehehe" Zhao Yanyan Laughing and Saying "It's a secret, If your score is good in today's test, then I will give it, But if the result is bad, then the prize will be canceled".

"I'll look forward to it later" After saying then Ye Chen slept on his desk.

"Hey, why are you sleeping, aizz," even though Zhao Yanyan hoped Ye Chen would be even more excited.

Zhao Yanyan didn't know that Ye Chen had memorized all the subjects in the school because Ye Chen's ability to answer must be 100% accurate.

Zhao Yanyan was helpless to see this then went back to learning, I don't know how long Ye Chen slept until Zhao Yanyan woke him up.

"Hey, king, Sleep, Rouxi sister's lesson will soon begin. Quickly wake up," Zhao Yanyan tried to wake Ye Chen.

"Hah, what time is Yanyan now?" Ye Chen asked while rubbing his eyes, Ye Chen really felt comfortable sleeping near Zhao Yanyan.

"It's 11:00 already," said Zhao Yanyan helplessly.

"Hah I've slept more than 3 hours" Ye Chen actually wanted to sleep for only a few tens of minutes but didn't expect that I would sleep for more than 3 hours.

"Yes and you have missed 2 other subjects belonging to his teacher" Zhao Yanyan looked away and started ignoring Ye Chen.

"Yanyan did I make a mistake?, I'm sorry" Ye Chen knew that Zhao Yanyan was angry.

Zhao Yanyan then face to face with Ye Chen "Ye Chen considers this as my request, in the future surely my grandfather will put me in the best university in the country, what will I do if you cannot enter there, I do not want to be separated from you" .

Ye Chen who heard this was touched by the words of Zhao Yanyan, even though they were just dating but, the two of their ties were inseparable.

Ye Chen then took Zhao Yanyan's hand "Yanyan I Promised that I will definitely get good grades from now on".

Zhao Yanyan's eyelids softly After hearing this, Zhao Yanyan was happy because Ye Chen could understand what Zhao Yanyan wanted.

, Zhang Liao's empty chair today, that's why Zhang Liao didn't bother Ye Chen.

Ye Chen felt that there were many women in the class who often glanced at him

Chapter 36 - Kisses Indirectly

"OK, the time is over, gather all your books, and your English notes in front." Lin Rouxi ordered one of the students to collect all the books.

After all the books were collected, Lin Rouxi distributed the Questioners to all the students.

"You have 1 hour to answer this question, after the time is up or not finished you just collect your answers, if you feel finished Before the time you can also collect them, the cheating will get a punishment" Lin Rouxi Explains the Rules.

Lin Rouxi looked at the clock in his hand and said "time starts from now".

After Lin Rouxi gave the signal, all the students immediately worked on, Problem, Ye Chen also began working on the problems.

Ye Chen saw the question and it was very easy to do, Ye Chen then began to write all the answers of all the questions, only within 10 minutes the answer sheet Ye Chen was already full of writing.

Ye Chen stood up from his seat and came forward, Ye Chen then piled up the answer sheet and filled back into his seat, this scene was also seen by all students in the class.

Lin Rouxi looked at his watch and saw that time was running for about 10 minutes and Ye Chen had already collected the answer sheet, Lin Rouxi then said to Ye Chen "Ye Chen are you sure? To collect it, there is still 50 minutes left why don't you correct it first".

"Teacher Lin, I am sure of the answer I wrote" After saying this, Ye Chen returned to his seat.

Strangely, the whole class looked at Ye Chen with a look of pity, even though in this class, all students were not smart in their lessons, but they were not stupid enough to answer them with careless origins. These were the subjects of their homeroom teacher, Lin Rouxi, if anyone got a score below 30 Then there will definitely be a full day Lecture by Master Lin Rouxi.

"Ye Chen, why are you too hunted to collect the answer, not a long time, are you sure of the answer?"
Zhao Yanyan worried about Ye Chen when he got bad grades.

Ye Chen "Calm down Yanyan Darling I'm Confident With my own answer, By the way, what's the prize for me later?" Ye Chen is Laughing Satisfied.

Zhao Yanyan's face immediately blushed "huf Forget If you get a bad score just watch out" After that Zhao Yanyan Focused answering those English questions.

Ye Chen was quite bored waiting there were still about 40 minutes left until the Practice Exam was Over, so Ye Chen slept while Absorbing (Yin) from Zhao Yanyan.

Lin Rouxi was quite curious about Ye Chen's Worksheet, so Lin Rouxi took and looked at the contents Ye Chen wrote.

The more Lin Rouxi saw her the more surprised, all of Ye Chen's answers were almost the same as the one in the answer key that Lin Rouxi made, what made Lin Rouxi shocked was that Ye Chen had finished all the Questions Yag had in just 10 minutes.

Lin Rouxi did not think that Ye Chen was smart enough in terms of lessons, it was clear that Ye Chen's worksheet was all right and there were no wrong answers Ye Chen's belonged to, this was the first time anyone had a perfect score in this class during Lin Rouxi start teaching here.

Lin Rouxi looked towards the place where Ye Chen sat and Lin Rouxi saw that Ye Chen was sleeping while the other students were working on the practice test.

Lin Rouxi Who saw This shook his head, Lin Rouxi actually wanted to reprimand him but it was okay for Ye Chen to finish

Finally the exam time is over and all students collect all the answer sheets in front of the class, including Zhao Yanyan too.

Lin Rouxi then corrected the results of all the answer sheets belonging to all students, the students were not too enthusiastic about the results of their answers.

After 15 Minutes Later Lin Rouxi Called Students One By One and read the Score.

30,41,35,51,47,39 Results from the average students who are here even nobody touches the value of 60, Ye Chen finally understands why this class is called the worst class, students who are here are very bad at Exam.

Zhao Yanyan Graded 90, Lin Rouxi read out the results of the Examination when the results of the Retrial were read aloud to the entire Class.

"It is worthy of being a Goddess in our hearts, the value is very good".

"Yak you're right, we're very lucky to still have Zhao Yanyan who begged in our class".

Students Male students praised Zhao Yanyan

Zhao Lin Rouxi then handed over the results to Zhao Yanyan "Yanyan's good work" Lin Rouxi whispered and only with Zhao Yanyan.

Zhao Yanyan was displeased with this, Zhao Yanyan was worried about the value that Ye Chen would get.

"Ye Chen's results are" when Lin Rouxi read out the results of Ye Chen, all the students became curious.

Because Ye Chen had already collected the results of his answer in just 10 minutes which made all the students guess Ye Chen answered it carelessly.

Lin Rouxi "100" when Lin Rouxi's words were finished all the students in the class were quiet, they thought they were not mistaken. Hear what had just been said by Teacher Lin Rouxi.

Ye Chen accepted the results of the Examination and saw the 3-digit number which was 100, Zhao Yanyan who was beside him closed his mouth in surprise as well as the results.

"Teacher maybe Ye Chen cheated from the book"

"Ye Chen must have cheated on how he could get such a perfect score."

Sen Tu first protested and was followed by several male students in the class.

Whereas Female Students look at Ye Chen With starry eyes Star, in the minds of female students Besides handsome Ye Chen is also very smart.

Who is a woman who does not like men who are handsome and smart, Zhao Yanyan is more happy because his men get good grades.

"Silent" Lin Rouxi slammed the ruler on the table, which made the noisy class like the market calm.

"All of you think that Ye Chen copied the results from the Book? then I ask if you have seen someone cheating can finish in just 10 minutes?" Lin Rouxi then asked all the students in the class.

All students in the class were silent because they just remembered that Ye Chen had finished the test in just 10 minutes.

So the students who were protesting accepted Ye Chen's results gracefully, but that did not apply to Sen Tu, his sense of hatred towards Ye Chen was getting bigger and bigger.

After seeing that the students were able to accept it, Lin Rouxi then said, "Today's lesson will end here, you who get a score below 50, then you have to do the exercises Question 50 ~ 60 and get it collected tomorrow. Those who don't collect can't get into class, now you can rest now.

Students who score below 50 face suddenly become gloomy, including Sen Tu.

"Yanyan I have got a good grade where my gift" Ye Chen asked impatiently.

"Huh, not here, I'll give it to you later," Zhao Yanyan said with a reddened face.

"Then where will you give the gift to me?" Ye Chen asked again.

Zhao Yanyan "Let's go to the back garden of the school first".

Ye Chen began to think with dirty thoughts, maybe Yanyan would give his body to him

When the two of them are ready to go to the park behind the school Lin Rouxi Called "Ye Chen come with me to my office".

Ye Chen was quite displeased with this, good things would start soon and Lin Rouxi messed it up.

"Ye Chen I will wait for you in the back garden of the school then" then Zhao Yanyan Go first to the back garden of the school.

Ye Chen was helpless and could only follow Lin Rouxi towards his room.

After arriving at Lin Rouxi's private room, Lin Rouxi then walked to his chair and took two boxes from his drawers and put them on the table.

"Ye Chen, because I promised that if you cure my illness, I will treat you food. This is food for you. This food is much healthier than instant food sold in the canteen. Lin Rouxi Said With a slightly flushed face, Lin Rouxi tried to hold the image as a teacher in front of Ye Chen, but still Lin Rouxi was still shy.

Ye Chen was not Segan Segan and received the city Food that Lin Rouxi gave, Ye Chen then opened the contents inside.

When the food box is opened, inside the food is neatly arranged, there are vegetables, Tomatoes, Danging and also Eggs which are complete foods for Nutrition for Growth.

And this food looks really good, Ye Chen just remembered that Zhao Yanyan once said that the food made by Lin Rouxi was better than what he made.

So Ye Chen immediately took one bite, and sure enough the food was very delicious, Ye Chen immediately ate it heartily.

Lin Rouxi Yang saw how to eat Ye Chen laughing in his heart, Lin Rouxi thought that the situation would become ambiguous but apparently not, Ye Chen seemed to think that he was eating with friends not with Master.

Lin Rouxi also opened the food supply for herself, and what was in the food box was almost exactly what Ye Chen ate.

Lin Rouxi also started to eat it but slowly and gracefully, Ye Chen finally finished eating all the food in the box.

Lin Rouxi then asked when the next treatment would be carried out.

Ye Chen replied that the treatment would be done in a few days, and the method was still the same, namely massage, but in the end Ye Chen would use a needle to remove the remaining cold air and Lin Rouxi could recover completely.

When Ye Chen said that Lin Rouxi's Massage remembered the Indecent Shouts last night, but fortunately Ye Chen didn't discuss it at all, so Lin Rouxi felt relieved.

Lin Rouxi fetched a cup and poured tea for Ye Chen, from wherever Lin Rouxi was like a wife serving her husband while eating.

But Lin Rouxi didn't realize this and just getting carried away, Lin Rouxi was shocked at the speed Ye Chen was eating, Lin Rouxi's food stock was still lacking a little but Ye Chen's had run out.

Because Ye Chen had finished saying goodbye to leave because there was still an appointment with Zhao Yanyan "Teacher Lin I Go First" Ye Chen got up and left the room belonging to Lin Rouxi.

Lin Rouxi Seeing the departure of Ye Chen, actually Lin Rouxi was happy to be able to eat together with Ye Chen because this was the first time Lin Rouxi had eaten with the opposite sex, what else was still his own student.

Lin Rouxi picked up the glass and gulped down the tea and then drank it. After finishing drinking Lin Rouxi Seeing that there was another glass beside him, Lin Rouxi then realized that the glass he made to drink was Ye Chen's, It seemed like Lin Rouxi was wrong in taking the glass.

"Ahhh" Lin Rouxi Screamed, "I just drank from Ye Chen's former name. It's not this which was called a kiss indirectly" after saying that Lin Rouxi's face turned red like an apple.

What's more Ye Chen was his Disciple, the more Lin Rouxi thought about it the more red his face was.

Ye Chen didn't know this scene because Ye Chen had already left for the back garden of the School at full speed.

Chapter 37 - Zhao Yanyan Was Kidnapped

Ye Chen who had arrived at the Backyard School garden, Ye Chen searched for Zhao Yanyan's whereabouts but Ye Chen did not find it, Ye Chen felt a pretty bad premonition.

Ye Chen saw the butterfly ribbon that Zhao Yanyan often used fell to the ground, Ye Chen then took the butterfly ribbon and it turned out that the ribbon seemed to fall and was trampled by someone until it was damaged.

Ye Chen then used his Spirit Sensei to search for Zhao Yanyan, but as far as a 5-mile radius, but Ye Chen found no trace of Zhao Yanyan, which made Ye Chen even more worried.

Ye Chen then widened his range to a maximum of 10 miles, but still Ye Chen found no sign of Zhao Yanyan's whereabouts.

"YueChan Can you help me look for Zhao Yanyan" Ye Chen tried to ask Chu Yuechan for help to find Zhao Yanyan's whereabouts now.

Chu Yuechan "Yes Ye Chen I can do but I have to use your medalam energy".

Ye Chen is "good".

Then Ye Chen felt his profound energy seemed to be sucked up very fast, if this was done for a long time Ye Chen could run out of profound energy.

Chu Yuechan seemed to use his Spirit Sensei to detect Zhao Yanyan's whereabouts

Chu Yuechan "Ye Chen Zhao Yanyan is in the North 25Mil from Here, Looks like Zhao Yanyan is Moving Very Fast leaving this City, there are 9 people who are around Zhao Yanyan, one among the Nine People is a Cultivator".

After hearing where Zhao Yanyan Ye Chen's whereabouts were immediately flew in the direction of where Chu Yuechan was told.

Elsewhere in a Black Car there are a total of 4 people who carry pistols and wear ski masks.

"This woman's boss looks beautiful. Can we play it first?" Asked one of the criminals.

"We have to get a big boss's license first, and this woman is pretty. Also, if sold, it will certainly be quite expensive," the man called Boss said to his men.

"Ah, what a shame" said the villain.

"Calm down at the school there are still more 3 Beautiful Women including Teachers in the class that I entered are also beautiful, I will look for the right time to kidnap her and we certainly can get quite a lot of money from selling all the beautiful women in the school" young man Sura said to all the people in the car.

Zhao Yanyan is currently in the back of the chair and his mouth is being gagged by a cloth, his arms and legs are also tied by a rope which makes him unable to do anything.

From their conversation They must be a plot to sell women. To be made slaves for rich people abroad, Zhao Yanyan did not think that he would fall into the hands of people like this.

Initially Zhao Yanyan went to the park behind the school, the park behind the school rarely went there, when Zhao Yanyan was waiting for Ye Chen.

A classmate approached him, this young man was a gloomy young man who was saved by Ye Chen when he first entered Class J.

This young man immediately took out a cloth and closed his nose until his consciousness disappeared.

when Zhao Yanyan was awake Zhao Yanyan was in the car with his mouth and hands tied.

And around him were 4 Criminals Who wore Ski Masks carrying Pistol Guns, and aimed at Zhao Yanyan's Head, which made Zhao Yanyan very scared.

Zhao Yanyan had never been in a situation like this, Zhao Yanyan only hoped that Ye Chen would come to save him, but that might just be a miracle in the current situation.

Ye Chen flew with all the speed he had and was finally able to catch up with the people who brought Zhao Yanyan.

Ye Chen saw 2 black cars moving at a very fast speed in the car that each contained 5 people including Zhao Yanyan also in it.

Zhao Yanyan is locked in the back and front of the car filled by criminals only.

Ye Chen then landed on a few dozen meters in front of that car, Bammm! ! ! when Ye Chen landed the ground around Ye Chen Cracked, the car of the people who kidnapped Zhao Yanyan still did not want to stop even when he saw Ye Chen in front of him.

"Boss, there is a strange person in front, should we stop?" The criminal in the other car told me through a walkie talkie.

"Just shoot and hit him" The man called Boss gave the order to the people in the front car.

The villains in the Front Opened the Meraka Window and Took their heads off at Ye Chen.

Bangg. . . , Bangg. . . , Bangg. . . , Bangg. . . , Bangg. . . , Bangg. . . , Shot Sounds.

Ye Chen remained standing in his place as if a bullet aimed at him was not a threat to him.

The bullets rained down on Ye Chen but it didn't hurt Ye Chen at all, Ye Chen's body was very hard. This small caliber bullet wasn't a threat to him.

That car didn't seem to have the desire to stop and want to crash into Ye Chen.

Ye Chen did a ready position to hit, when the car was ready to crash into Ye Chen, Ye Chen hit the car until it flew tens of meters.

The car spun around in the air and landed dozens of yards from Ye Chen and exploded "BOOOOMMMMM".

The five people who were in it could not get out and explode along with that car.

Seeing this the second car in which immediately stepped on the brakes "ciitttttttttttttt" suddenly the brakes sound was heard.

The car stopped about 10 meters from Ye Chen, the remaining 4 people from the nine criminals finally got out of the car and Zhai Yanyan was also taken out. Two of the 4 people aimed their weapons at Ye Chen and 1 pointed at Zhao Yanyan.

Ye Chen Looking at these four people, one of them was the Gloomy Ye Chen saved yesterday when he wanted to enter the classroom, Ye Chen had no idea that he was a member of these criminals.

Ye Chen also saw Zhao Yayan crying and his mouth was gagged by a cloth and his arms and legs were tied up, Zhao Yanyan wanted to say something to Ye Chen but unfortunately his mouth was now on a gag that made him unable to speak.

Ye Chen who saw this was getting angry, these bad guys dared to make Zhao Yanyan cry.

"Who are you really?" Asked the Boss of the criminals, Boss of the Criminals did not use a firearm instead using a One-Hand katana.

This person looked to be around 40 years old and had a 3rd level Realm spirit formation base, that's why among these 4 people, only this person wasn't afraid of Ye Chen, the others held the pistol with a little trembling.

Ye Chen did not want to talk much and immediately rushed towards the four people with lightning speed.

These people could not see the Ye Chen Movement. They only felt that their chest was hurting and these three people were flying dozens of meters away, when these 3 people landed on the ground they were shedding blood which was very much and finally died.

The boss of the criminals who saw this incident could not maintain his calm anymore.

The boss of the criminals has been through the battle of life and death and countless people have died in his hands.

But today he feels a Terror from a Youth who is less than 20 years old.

The boss of the bad guys can't run anymore so he gritted his teeth and prepared to fight with Ye Chen.

Ye Chen lifted his index finger and from the index finger a fire came out, Ye Chen then directed the fire towards the villain.

When the fire left Ye Chen's finger and rushed towards the Criminal Boss, when the fire touched the Criminal Boss, the fire immediately enlarged and covered the criminal boss.

"Ahhhh. . ."The boss of the criminal is screaming in pain, in a matter of one minute, his whole body has been burnt to the bone to be ashes.

Ye Chen didn't hold back his strength at all so for the Spirit Formation Cultivator Cultivator, he would definitely be able to immediately kill him without any resistance at all.

Zhao Yanyan was quite surprised to see a scene like this.

Finally, all the bad guys have been eliminated by Ye Chen, Ye Chen then opened all the ties in Zhao Yanyan's body.

When all bonds were open Zhao Yanyan cried and hugged Ye Chen.

"It's all done. Ye Chen patted Zhao Yanyan's back to calm him down.

"Ye Chen, I'm very scared, I'm afraid I can't see you anymore," Zhao Yanyan said, crying in Ye Chen's arms.

"Yanyan I will always be there for you and always protect you I promise" Ye Chen swears.

Seeing this chaotic place, surely soon there will be a tone of police who came here so Ye Chen and also Zhao Yanyan Must go immediately so as not to get into trouble Further.

"Yanyan, let's go away from this place," Ye Chen invited Zhao Yanyan to leave this place.

Zhao Yanyan just nodded obediently, Ye Chen Then picked up Zhao Yanyan Like a Princess and flew, After seeing that incident Ye Chen didn't have to hide his Power from Zhao Yanyan again.

Chapter 38 - Dual Cultivation

Warning: this scene contains adult scenes if you don't like it or are underage!!!!

Ye Chen took Zhao Yanyan to fly to the place of the hotel where Ye Chen lived, Ye Chen did not bring Zhao Yanyan off to school.

Ye Chen brought Zhao Yanyan to his place to calm down first, this was for the good of Zhao Yanyan too.

Zhao Yanyan Seeing The Scenery Below The first time Zhao Yanyan was flying but not on a plane but in the arms of Ye Chen's arms.

Zhao Yanyan had only seen the scene of people flying on television but Zhao Yanyan had no idea that he would feel it in real life.

Zhao Yanyan Asked if Ye Chen was a superhuman

After 5 minutes of traveling Ye Chen brought Zhao Yanyan into his room through the open window

Zhao Yanyan: "Ye Chen, how many more secrets do you have? Actually?" Zhao Yanyan asked.

Ye Chen "Yanyan I don't want to hide it from you but I'm afraid you can't accept it"

"Don't say it like that, I will definitely accept you for who you are," said Zhao Yanyan.

Ye Chen was quite touched by Zhao Yanyan's words Ye Chen took Zhao Yanyan's hand and held it with both his hands and said "I will also accept you for what Yanyan is dear".

Both of their eyes met, Ye Chen saw Zhao Yanyan's Cherry lips, Ye Chen then approached toward Zhao Yanyan's lips.

Zhao Yanyan knew what Ye Chen would do so Zhao Yanyan closed his eyes.

Both of his lips met, Ye Chen kissed Zhao Yanyan greedily, not until there Ye Chen put his tongue into Zhao Yanyan's mouth.

Zhao Yanyan also started cooperating with Ye Chen, both of their tongues entangled with each other, the feeling of a kiss like this made Zhao Yanyan immediately lose his mind.

Finally After Zhao Yanyan could not breathe Ye Chen let go.

Ye Chen carried Zhao Yanyan and threw him to bed, Ye Chen could no longer stand it.

"Ye Chen closed the window and the curtains first" Zhao Yanyan asked Ye Chen.

Ye Chen waved his hand and immediately the window and curtains immediately closed making this place a little dark.

Zhao Yanyan knew what Ye Chen would do next, at the bottom of his heart Zhao Yanyan had accepted Ye Chen as her husband.

Ye Chen began to release Zhao Yanyan's clothes button, and a plain white bra appeared before Ye Chen's eyes, Ye Chen then let go of the white bra.

After the Bra was removed, the two newly developed double peaks of Zhao Yanyan were exposed in Ye Chen's eyes

Ye Chen then touched and squeezed the two very soft double peaks, making Zhao Yanyan attack pleasure.

Ye Chen used the King's Heart Technique which made more and more enjoyment from Zhao Yanyan.

, "Ahhh, ahhh, Ye Chen is lighter" Zhao Yanyan moaned Enjoying Ye Chen's touch, Zhao Yanyan was already Feeling in Heaven only from the Touch of Ye Chen.

Ye Chen looked at the double peak of Zhao Yanyan, and saw the two pink Cerry Zhao Yanyan, Ye Chen then played with the two pink Cerry then, Inserted it into his mouth and sucked him like a suckling baby.

Ahh . . . ahhhh. . . . Zhao Yanyan could only moan Pleasure, Zhao Yanyan never felt pleasure like this in his life that made him unable to say anything else, Zhao Yanyan felt his bottom was soaking wet, juice overflowed from the hole in his lower body.

After being satisfied smoking two of Zhao Yanyan's Ye Chen's Cerry then went down and opened Zhao Yanyan's Skirt

When opening Yanyan's panties Zhao Yanyan was already wet with Zhao Yanyan's own juice.

"Ye Chen, don't look. It's a shame." Zhao Yanyan tried to cover her private parts by using her hands.

"No, this Yanyan is very beautiful" Ye Chen said, Ye Chen then stretched out his hand and helped Zhao Yanyan take off his underwear.

After opening the underwear Ye Chen saw a little hole in the color of Pink Yang which was already wet with juice.

Ye Chen's face approached then stretched out his tongue to suck Zhao Yanyan's Little Hole.

Seeing what Ye Chen would do, Zhao Yanyan shouted "Ahhh, Ye Chen is dirty"

Ye Chen: "There's nothing dirty about you dear" Ye Chen continued to suck.

Ye Chen didn't waste Yin from Zhao Yanyan so Ye Chen continued to suck the Yang Juice out of Zhao Yanyan's small hole

Ahhhhh . . . , ahh. . . Zhao Yanyan continued to make a sweet moan, Zhao Yanyan's mind was already empty, Zhao Yanyan could only be passive in accepting this pleasure.

Seeing the preparations was enough, Ye Chen stopped to suck, preparing to take the courtesy of Zhao Yanyan.

Ye Chen took off all the clothes he was wearing, Zhao Yanyan saw Ye Chen take off his clothes and saw Ye Chen's big brother.

The size of Ye Chen's meat stick was 11 inches and its size was almost the same as Zhao Yanyan's wrist.

Initially Ye Chen's meat stick was only 4.5 inches long, but after practicing the king's heart technique unconsciously it became 11 inches

Zhao Yanyan who saw the big stick that was twitching was quite frightened, whether such a large object could get into him.

Ye Chen approached Zhao Yanyan and directed his meat level to Zhao Yanyan's small hole.

Zhao Yanyan: "Ye Chen, I'm a little scared"

Ye Chen: "Calm down, Yanyan, the pain will only be at ease after that. I'll make sure it feels very good.

"Then make me yours forever" Zhao Yanyan reached out his hand and waited for Ye Chen to insert his large meat stick.

Ye Chen then slowly walked in. When Ye Chen's large meat stick came in, Zhao Yanyan felt his body was like torn, Zhao Yanyan hugged Ye Chen's back and his nails scratched Ye Chen's flesh.

Finally, the meat stick managed to enter, Ye Chen did not move to look at Zhao Yanyan who was moved to tears.

"Does it still hurt?" Ye Chen asked.

Zhao yanyan "Ye Chen feels sick" After waiting for a few minutes the pain finally decreased "Ye Chen you can move now".

After getting approval from Zhao Yanyan Ye Chen began to move slowly.

Zhao Yanyan felt a little pain as Ye Chen moved but after several times the pain had disappeared and was replaced by unrivaled pleasure.

"Ah. . . , ah . . . , ah . . . , ah . . . , ah . . ." More husband tastes great." Shouted Zhao Yanyan, Zhao Yanyan did not call Ye Chen anymore but called her husband.

Luckily the hotel room was soundproof even though Zhao Yanyan Shouted Sagat loudly it wouldn't be heard by anyone else

Ye Chen circulated his king's heart technique, (Yin) which Ye Chen could get by Ye Chen hundreds of times more than absorbing (Yin) from the air let alone the flower path Zhao Yanyan gripped his Meat Stick very tightly which also made Ye Chen feel too Delicious .

"Ah. . . , husband not too deep, ah. . . , ah . . . , deeper, it feels too extraordinary, something will come out ahhhhhhhhh. . . "Finally, Zhao Yanyan's kimask Come.

Ye Chen continued on because Ye Chen hadn't come out yet.

"Ah. . . , husband Let me rest for a moment "Zhao Yanyan tried to ask for mercy.

But Ye Chen ignored it and kept moving forward and backward, Ye Chen also felt an extraordinary pleasure as if Ye Chen wanted to continue to do it for a while.

The battle continued, After an hour Ye Chen finally took out his (Yangqi) in the depths of Bungga Zhao Yanyan.

Zhao Yanyan panted like a broken ship in a fierce sea, Zhao Yanyan didn't know how many times he had come out, which Zhao Yanyan knew felt very extraordinary like a difference in heaven.

Even for 17 years Zhao Yanyan this feeling was the most pleasing, Zhao Yanyan, Zhao Yanyan knew that he would not be able to leave this man who took his virginity again.

Zhao Yanyan saw that Ye Chen's younger brother was still standing upright, which made him a little scared, from the Book that Zhao Yanyan read, a normal man could have an intimate relationship for just

10 ~ 20 minutes, but Ye Chen really threw him for 1 hour and a younger brother Ye Chen's man still wasn't limp.

Seeing Chen Chen approached himself and still wanted to continue again, Zhao Yanyan asked for mercy. husband spare me, I can no longer do it anymore, my bottom may already swollen ".

Seeing the bottom of Zhao Yanyan It was already swollen, Ye Chen took pity and released it "I understand wife then sleep" Ye Chen then pulled Zhao Yanyan to his chest.

Zhao Yanyan felt a very sweet feeling, because of exhaustion Zhao Yanyan quickly fell asleep on Ye Chen's chest.

Seeing Zhao Yanyan sleeping Peacefully Ye Chen Terseyum, Finally Zhao Yanyan became his woman, and Today's harvest (Yin) from Zhao Yanyan is quite rich, only from doing Dual Cultivation With Zhao Yanyan Ye Chen has risen 2 levels From the ancient warrior Realm to the 6th level Realm It became Level 8, probably because Zhao Yanyan's special body of Saintess made him break through two levels at once.

Ye Chen finally accompanied Zhao Yanyan to sleep, Ye Chen did not know that the love scene with Zhao Yanyan was chosen by Chu Yuechan.

Chu Yuechan originally did not want to see but Out of Curiosity Chu Yuechan saw it, upon seeing Ye Chen and Zhao Yanyan doing Dual Cultivation, Chu Yuechan's body felt hot and involuntarily, Chu Yuechan touched his private parts with his own hands.

Chu Yuechan though often teases Ye Chen but in truth Chu Yuechan is still a pure virgin who has never felt being touched by a man.

Chapter 39 - Mysterious Female Police Officer

In another place, the place where Ye Chen was fighting was now filled by the police who secured that place.

Initially a driver reported that there was an accident in the lane near the city border, the police who received the report immediately headed to the place where the accident was.

When they got there the police were shocked, because at the scene there was a fairly large crack, and around the crack there were a lot of gun bullets scattered about, and the bullets were not intact, the bullet shape was flat and bumped like crashing into something very big hard.

The police were assigned immediately to secure the location around the place, the police also began to interrogate the person who reported the incident for the first time.

But when asked the person who reported said that, when he was passing on this road he saw a black car that was stopped in the middle of the road and a crack a few meters in front of the car, so the informant stopped his car on the side of the road and went down to see it.

When the informant saw the crack that was on the road from close range there was something similar like a bullet scattered about, but the informant did not know that it was a bullet because it looked almost like a coin because flattened.

The informant wants to see if there is someone inside the car parked in the middle of the road. After looking closely, it turns out that no one is in the car. That makes the informant confused. Why is this good car left in a place like this? Moreover, the car key is still attached.

then when the informant looked around the place, and the informant saw Something Burnt Looks in the distance A few hundred meters from where he stands today.

Because the informant's curiosity approached him, after walking several tens of meters the informant saw that what was burning was a pretty good car, the informant did not dare to come any closer and immediately called the police and reported what he saw at this time.

After Hearing All the explanations from the informant the police immediately conducted an investigation, after an investigation it turned out there were a total of eight victims.

For how the police were deployed was quite confused to conclude, because there seemed to be a fight at this location a while ago.

Car tire trail Shows that the car is about to head towards the crack, but when it gets around the crack of the car tire disappears and the car suddenly arrives at Discover a few hundred meters from the last place of the car tire trail.

Moreover, cracks on this road are not the result of explosives, that's why the police do not know the origin of this big crack.

Because the police found a way in this case, they called the Central office and explained all the inconveniences at the location, and asked for help from the Special Investigation Team.

After that the police who were there waiting for the Investigation team to come to this place, After waiting Approximately 20 minutes at the end there were 2 cars approaching towards them. The other one was a black jeep. A new Lamborghini luxury sports car.

After the two cars were parked on the side of the road, the people inside came out one by one, in the Black Jeep car came out 4 people wearing black suits, and in the Lamborghini car came out the police Beautiful woman aged 22/23 years had the figure Which is pretty good.

After getting out of his car, the female policeman went straight to the evidence. The one at the location ignored the policemen who had been waiting for him.

Fortunately, one of the four men in suits approached the police and showed his badge, then asked for the results of all the investigations obtained by the police.

After getting all the explanations of the man in the suit then told the police that "well, from here we will take it, your job is to secure 1 mil from here and make sure no one / reporter can come to this place".

After receiving orders, the police saluted and immediately left to secure the 1mil street from the scene.

The investigation team immediately moved to collect evidence and see the victims of this tragedy. After quite a long period of collecting evidence, finally the four men handed it over to the beautiful woman police officer.

"Miss Luo, this is the result that we can conclude at this time." The man in the black suit handed over the details of the investigation results that could be found. After the female policeman read the results, the female policeman slightly raised his eyebrows.

Reports related to the number of victims who were Burned in the car, a fist found in a burning car, it was estimated that the car was hit until it flew and landed several hundred meters, several pistols that had just been used for firing and also 3 victims which were all The bones in his chest crumbled as if he were hit by a heavy object.

The man in the suit came to the conclusion that all of this is really strange and impossible for normal humans to do.

"Are you sure this number is correct?" Asked the female Luo police.

"From the location there were only eight people we could find," the man in the suit explained to the female Luo police.

"You see the ashes in front of the car," Luo policewoman pointed to the ashes in front of the black car in the middle of the road.

"That is the ashes of the ninth victim, I can smell the blood from the ash," said Luo police.

The man in the jacket who heard this was shocked, if the ash on the road turned out to be ash from human combustion.

"But but there is no leftover bone around the ashes," said the man in the black suit.

"I know the culprit is definitely a person who is very strong and I think this person is a cultivator and his level must be High, maybe the level of Sky Realm that can burn people to ashes easily" Luo female police explained to the man in the black coat.

After the man in the black coat knew that this was done by a cultivator the man in the black suit understood why this incident was so strange.

Even though the man in the black suit was not a cultivator, but after becoming an Investigation policy, the man in the black suit had little knowledge of what a cultivator was, and how strong they all were, cultivators could be called monsters because they were far more powerful than even trained soldiers.

Luo female police officer "Let's just close this special for a while, take the bodies and identify all of them, whether they are bad people or not, I will report it to the organization first, whether this characteristic is continued or not will be decided by the organization" Luo female police did not dare to make a decision because the person concerned had enough strength, so only the organization could decide.

after saying that Luo woman policeman walked towards his car, After entering the policy Luo woman immediately started the engine and left this place

Chapter 40 - Misunderstanding

I don't know how long Ye Chen had fallen asleep, when Ye Chen opened his eyes and looked at the ceiling. With a very nice decoration, this was not Ye Chen's hotel room, Ye Chen looked around and saw

a giant size mattress, Ye Chen remembered that this was a room for Doing Dual cultivation but somehow Ye Chen could enter into the Fairy Gate.

Beside him Zhao Yanyan was still sleeping Very Peacefully, It seemed that Zhao Yanyan was still exhausted

"Your master is awake" Chu Yuechan's voice was heard near the door.

Ye Chen panicked and immediately took a blanket beside him to cover the naked part of his body.

"Yuechan why did you come into this room?" Ye Chen asked.

Chu Yuechan Giggling "The master doesn't need to cover yourself anymore Last night I saw all your body parts so what else do you want to hide from me".

Chu Yuechan's words Like a bolt of lightning for Ye Chen, Ye Chen had no idea that he and Zhao Yanyan when they were doing Dual Cultures were seen by Chu Yuechan.

"Bad girl, how can you peek at someone who is intimately connected, are you not ashamed?" Ye Chen scolded Chu Yuechan.

"It's not your fault Ye Chen, who told me to show the spectacle to me" Chu Yuechan said with a very red face.

Chu Yuechan said as if he wasn't the one who was wrong at the beginning, Ye Chen didn't want to be right with this girl so Ye Chen tried to find where his clothes were.

Ye Chen: "Yuechan where did you put my clothes?"

"This" Chu Yuechan then took out a shirt. A shirt from his storage room and handed it to Ye Chen.

Ye Chen accepted the clothes given by Chu Yuechan and wore them on his body, these clothes were like the old china clothes that often appeared on dynasty TV series.

"Now Ye Chen, you just broke through and it looks like your stiffness isn't stable yet. You should stabilize it first." Chu Yuechan gave Ye Chen a suggestion.

Ye Chen cursed indeed Ye Chen intended to stabilize his strength first, Seeing that Zhao Yanyan was still Sleeping Very Peacefully, Ye Chen went to a Calm Enough place to start stabilizing his strength.

Chu Yuechan didn't follow Ye Chen because he didn't want to bother him and go somewhere.

Ye Chen began to imprison in a calm place and stabilize his strength. After about 5 hours, Ye Chen managed to stabilize his strength, now Ye Chen had truly entered the eighth level ancient warrior Realm.

Ye Chen then rose from the place where he sat, Ye Chen immediately went back to the room where Zhao Yanyan slept.

When he reached the door of the dual cultivation room Ye Chen heard Zhao Yanyan Yang's voice calling his name while crying a little.

Ye Chen immediately opened the door and saw what was happening in that room.

Zhao Yanyan initially dreamed that he and Ye Chen were married and were having a Honeymoon in a private island which had a very beautiful view, Zhao Yanyan dreamed if Ye Chen took him to a big bed and Ye Chen laid him on a very comfortable mattress and Ye Chen hugging him until they both fall asleep together.

But when Zhao Yanyan woke up, Zhao Yanyan did not see Ye Chen around him and started shouting calling Ye Chen, Zhao Yanyan was afraid that what he had just experienced was only a dream.

Zhao Yanyan who felt hopelessly curled up while Continuing to call on Ye Chen's Name, Finally the Door was Open and the figure of Ye Chen came out from behind that Door.

Ye Chen saw Zhao Yanyan who was crouching on the bed "dear wife what is going on?" Ye Chen asked worried.

Ye Chen then approached Zhao Yanyan and Zhao Yanyan immediately hugged Ye Chen "Husband everywhere you just now I was very afraid you would leave me" Zhao Yanyan said while hugging Ye Chen very tightly.

"Calm down I will not leave you in this life and the next life," Ye Chen said.

After that Ye Chen kissed Zhao Yanyan, Zhao Yanyan also started to kiss Ye Chen.

"Ehemmm" they both kissed long enough for a coughing voice to wake them both.

The person who disturbed this moment was Chu Yuechan, Chu Yuechan originally wanted to see Ye Chen's condition but when Chu Yuechan entered the room he saw that Ye Chen and also Zhao Yanyan were kissing.

But because the kiss of the two of them took a long time to make Chu Yuechan annoyed and he coughed to disrupt the world of those two.

Ye Chen looked at Chu Yuechan with hostility for bothering him, while for Zhao Yanyan saw the woman in front of him who was very beautiful, like a fairy in a fairyland.

Zhao Yanyan was quite curious who this beautiful woman was, so Zhao Yanyan asked the woman "who are you? "

"I am Chu Yuechan Ye Chen's servant, right master dear" Chu Yuechan said teasing Ye Chen.

Ye Chen knew how Chu Yuechan's character, who liked to tease him but this time Chu Yuechan teased him in front of Zhao Yanyan this would definitely be a misunderstanding before them.

Zhao Yanyan who heard This Zhao Yanyan raised her eyebrows and was not satisfied. Zhao Yanyan then reached out her hand and pinched Ye Chen's waist "Husband Please Explain what the beautiful woman just said".

"Ah Yanyan is sick, I'll explain, let go first" Actually Ye Chen doesn't feel pain but if Ye Chen doesn't pretend then Zhao Yanyan might get even more angry.

Ye Chen: "Yanyan our relationship is only limited to masters and servants and there is no other special relationship" Ye Chen tried to explain to Zhao Yanyan.

Chu Yuechan: "Your master is really bad, after you do that to me you throw me away" Chu Yuechan said while crying a little.

"This woman" Ye Chen had no idea that Chu Yuechan was very good at acting, if it continued then maybe it really could lead to a misunderstanding.

"Yanyan's sister you have to help me pack Ye Chen" Chu Yuechan ran towards Zhao Yanyan while complaining to him.

Zhao Yanyan immediately looked at Ye Chen with a hostile look "Ye Chen came out there is something I want to discuss with sister Chu Yuechan" Zhao Yanyan drove Ye Chen out of this room.

"Yanyan Can I explain this to you," Ye Chen said, trying to convince Zhao Yanyan.

"There is nothing to explain. Hurry and get out of here," Zhao Yanyan said.

Ye Chen was helpless with all this and could only leave the room, but in his heart Ye Chen had already vowed to give Chu Yuechan a punishment if Ye Chen could catch him.

Now in the room only Zhao Yanyan and also Chu Yuechan just "puchii" Chu Yuechan Laughing, Zhao Yanyan Quite confused why Chu Yuechan suddenly laughed.

"Yanyan's younger sister, how was my acting good?" Said Chu Yuechan.

"What" Now Zhao Yanyan Yang was astonished that he had no idea that Chu Yuechan was acting in front of him, even causing Zhao Yanyan to scold Ye Chen.

Zhao Yanyan was afraid that Ye Chen was angry and didn't want to let him go anymore, Zhao Yanyan pushed Chu Yuechan away and immediately chased after Ye Chen.

But when Zhao Yanyan's feet stepped on the floor, Zhao Yanyan felt extreme pain from the bottom, Zhao Yanyan tried to get up but the pain even increased.

Chu Yuechan who saw this felt sorry for Zhao Yanyan so Chu Yuechan tried to help Zhao Yanyan Stand from the floor.

Zhao Yanyan: "Let me go, I have to chase Ye Chen" Zhao Yanyan tried to break away from Chu Yuechan.

"Little brother calm down Ye Chen will not be angry from such a thing, let's discuss something more important first," said Chu Yuechan.

" Is it true ? "Asked Zhao Yanyan Yang, who still couldn't believe Chu Yuechan's words.

"Yanyan's sister this time I will not lie to you again I promise" Chu Yuechan swore at Zhao Yanyan.

Zhao Yanyan then Received help from Chu Yuechan, Chu Yuechan helped Zhao Yanyan got up from the floor and helped her to sit on the bed.

Zhao Yanyan still felt the pain of the relationship he had with Ye Chen last night, Zhao Yanyan could only blame Ye Chen who was too excited just now, but even so Zhao Yanyan was also quite excited last night enjoying the intimate relationship, Zhao Yanyan could still feel the satisfaction that was given by Ye Chen last night
