

Chapter 311 - Was Forbidden From Entering The Feng Family Party

"Ye Chen, what do you think about my appearance, do I look pretty?" Liu Yue was the first to want to hear Ye Chen's opinion.

"Director Yue, you are so beautiful." Ye Chen was amazed to see Liu Yue, who was wrapped in a black ball gown, Liu Yue looked more mature and bright.

Liu Yue smiled gently at Ye Chen, she quite liked the party dress that Ye Chen had chosen.

Xia Qingyu felt left out of Liu Yue, she strengthened her determination and asked Ye Chen how she looked right now.

"Ye Chen, what do you think?" Xia Qingyu wants to hear Ye Chen's opinion.

Xia Qingyu wasn't as brave as Liu Yue, her words could confuse one.

Fortunately, Ye Chen knew what Xia Qingyu wanted, this woman wanted to be praised like Liu Yue.

"Qingyu, you are also very beautiful, I want to hug you" Ye Chen tried to take this opportunity to hug Xia Qingyu.

"Big pervert, stay away." Xia Qingyu didn't let Ye Chen hug herself, she tried to get away from Ye Chen's reach.

Ye Chen was quite disappointed, even though this was a good opportunity to hug Xia Qingyu.

Liu Yue smiled when she saw Ye Chen who was trying to hug Xia Qingyu.

"Let's go to Feng Xue's family party." Liu Yue invited Ye Chen and Xia Qingyu to go to Feng Xue Family's place.

"Let's go." Ye Chen agreed to go to Feng Xue's place right now.

Liu Yue hugged Ye Chen's arm, she bravely embraced Ye Chen's right arm in front of Xia Qingyu.

Xia Qingyu saw the intimacy carried out by Liu Yue, she felt Liu Yue was getting more and more open in teasing Ye Chen.

Xia Qingyu did not want to lose, she hugged Ye Chen's arm who was free, currently in both his arms, Ye Chen felt a very soft feeling, the two large meatballs belonging to Liu Yue and Xia Qingyu clung tightly to Ye Chen's arms.

This was a fatal temptation for Ye Chen.

Liu Yue was happy, her plan to make Xia Qingyu not be intimate with Ye Chen was successful, if it continues like this then the relationship between the two will become even closer.

Liu Yue and Xia Qingyu dragged Ye Chen towards the floor below, some people who passed on the street with Ye Chen were jealous, they saw the two very beautiful women hugging Ye Chen's arm.

They also wanted to feel the same way as Ye Chen, unfortunately it could only be wishful thinking in their minds.

Ye Chen, Liu Yue, Xia Qingyu went down to the underground parking lot, they headed straight for the car they had previously rented.

"that . . ., do you two know where Feng's mansion is?" Ye Chen asked Xia Qingyu and Liu Yue, he didn't know where Feng Xue's house was.

Xia Qingyu shook her head, she didn't know about this, Feng Xue didn't give her a clue about where she lived.

"I may know where the Feng family mansion is, I'll show you the way." Luckily Liu Yue knew where Feng mansion was.

"Good." After knowing where the Feng family mansion was, Ye Chen immediately drove this car there.

Liu Yue and Xia Qingyu told Ye Chen to stop by a Mall to buy a birthday present, there was no way they could go there empty-handed, they had to bring a present.

Ye Chen didn't participate in buying gifts, he already had a present suitable for an Old man.

After finishing buying gifts, Ye Chen went to the Feng family mansion.

Feng Xue's house was quite far from the Hotel where Ye Chen was staying, in addition to the very busy roads, it took Ye Chen more than 1 hour to get there.

"Finally we arrived, I'm really annoyed with the streets in this place", Ye Chen was a little annoyed because he was stuck in traffic jams, if only the streets weren't clogged Ye Chen could get here in 20 minutes.

"The streets here are known for their traffic jams." Liu Yue told Ye Chen that the roads in the capital are like that, during rush hour, the streets will be very crowded with cars and trucks.

Ye Chen is very lucky because he doesn't live in this city, "let's go inside." Ye Chen invited Liu Yue and Xia Qingyu to come inside.

There were a lot of luxury cars parked in front of the Feng family's gate, the people attending the party were the rich and the big stars in this country, there were even some reporters who had been waiting for the arrival of the big stars in this country.

These reporters were not allowed to enter, they were only allowed to be outside the gate.

When Ye Chen Liu Yue and Xia Qingyu came, these reporters immediately glanced at Ye Chen and the two beautiful women who were at Ye Chen's side.

These reporters were quite surprised when they saw the beauty that Liu Yue and Xia Qingyu possessed, the beauty of these two women could be compared to the most popular star Feng Xue.

The reporter immediately took a photo at Liu Yue and Xia Qingyu, some glare immediately rained down on Ye Chen, Liu Yue and Xia Qingyu.

Liu Yue and Xia Qingyu tried to cover their faces

Ye Chen was annoyed by what these reporters were doing, he snapped his fingers.

When Ye Chen snapped his fingers, instantly all the tools the reporter had were broken and couldn't work anymore.

All the reporters were confused by this, all the tools they were carrying were broken.

After all the imaging tools were broken, Ye Chen felt comfortable again, Liu Yue and Xia Qingyu no longer covered their faces either.

Ye Chen ignored the crowd of reporters at the gate, he invited Liu Yue and Xia Qingyu inside.

"Wait a minute, take out your invitation paper first." The security guard at the gate asked for Ye Chen's invitation paper.

"Invitation paper? "Ye Chen was not given an invitation paper by Feng Xue at all.

"Without paper invitations, no entry into the party" security guards informed that without invitations it is prohibited to enter the birthday party.

"We don't have the invitation papers you mean, but we were invited directly by the great star Feng Xue." Ye Chen told this guard that he was invited directly by Feng Xue.

"Hahaha funny, I've been standing here for a few hours here, and there have been so many people doing the same thing as you do" the gatekeeper laughed at Ye Chen instead.

Previously, there were a lot of people who did the same thing as what Ye Chen did, people said that they were invited directly by Feng Xue, the guards here were not stupid, they did not immediately trust people who claimed to know Feng Xue.

The guards asked that person to call Feng Xue by phone, as a result they couldn't do the conditions the gatekeeper wanted, so the gatekeeper drove out all the liars.

"Why don't you call Feng Xue here, she will definitely know us." Ye Chen told the guards to call Feng Xue here.

"If you really know our young lady Feng Xue, why don't you call her directly to come here" one of the guards sneered at Ye Chen.

Chapter 312 - Who Is The Person Who Dares To Kick My Important Gues

Ye Chen couldn't do that, he didn't have Feng Xue's personal number.

"Hello buddy, I want to come in." A handsome man came to Ye Chen's side, he wanted to enter the birthday party.

"Please come in." The guard's attitude looked different to this handsome man. The guard did not ask for the invitation paper belonging to this handsome man.

Ye Chen raised his eyebrows, the treatment shown by the gatekeeper between himself and the handsome man on the side was completely different.

"Why did you let this person enter without an invitation, didn't you say that the requirement to enter is to have an invitation." Xia Qingyu who was beside Ye Chen finally spoke up, in a very cold tone Xia Qingyu questioned the gatekeeper of the Feng family.

The gatekeeper and handsome man turned towards Xia Qingyu, a handsome man looked dazzled by Xia Qingyu's beauty, he had never seen a woman with such a cold nature.

When the handsome man saw Liu Yue he was more and more surprised, he saw a very glamorous goddess standing beside Ye Chen, these two beauties were extremely beautiful.

"Don't you see that this person is a famous actor, people like them have special access to enter without an invitation like normal guests." The guard told Xia Qingyu that the handsome man next to him was quite a famous actor.

"Miss beautiful, if you two want to enter, I can take you two with me" This handsome actor invited Liu Yue and Xia Qingyu to come along with him.

"That's not necessary" Xia Qingyu refused the offer from the handsome actor in front of her.

The handsome actor was a little disappointed when he was rejected by Xia Qingyu, it was very rare for a woman to reject him, usually women would immediately flock to him.

"Ye Chen, it looks like we are not welcomed in this place, let's go from this place." Liu Yue invited Ye Chen to leave, their arrival was not warmly welcomed by the guards here.

"I'm honest, let's just get out of here." Xia Qingyu quite agreed with Liu Yue's suggestion, there was no point in staying here.

Actually, Ye Chen didn't really have any internal interests either, there was no point in causing trouble to get into a birthday party belonging to someone even Ye Chen had never met before.

"Then let's go, we wasted a lot of time coming here." Ye Chen felt like it was a waste of time to come here.

Ye Chen, Liu Yue and Xia Qingyu walked back to the car, they had already decided to leave this place.

The guards only smiled when they saw Ye Chen's party leaving, liars like them didn't deserve to enter.

"Ringing" when Ye Chen almost reached the rental car, his phone rang, he immediately saw who was calling him, maybe it was from one of his wives.

When Ye Chen looked at his phone screen, he saw that the contact person who was calling him was foreign and not registered, Ye Chen wondered who the person was calling him.

Ye Chen immediately picked up the call from this mysterious person.

"Ye Chen, where are you right now?" A very pleasant female voice came from the other side of the phone.

"Who is this?" Ye Chen asked the woman who was calling him.

"It's me, Feng Xue." The person who called Ye Chen turned out to be Feng Xue.

Ye Chen didn't know how Feng Xue got his cell phone contact, he should never have exchanged personal contact with Feng Xue, so how could Feng Xue know about his cell phone contacts.

Ye Chen did not know that back then when Feng Xue asked for a copy of the picture from Ye Chen's cellphone, she secretly sent Ye Chen's cell phone contact, this was done by Feng Xue without Ye Chen's knowledge.

"So where are you now? ", Asked Feng Xue to Ye Chen.

"I want to go back to the hotel, the gatekeeper at your house kicked us out" Ye Chen told Feng Xue that they were kicked out by the security guards who were employed by the Feng family.

"Wait, come back here, how could you leave like that" Feng Xue frantically told Ye Chen to return to her family's mansion.

"Why did you tell us to go back there, it's clear the guards at your house have kicked us out, we better just go home" After receiving this treatment, Ye Chen was a little lazy to return to Feng Xue's grandfather's birthday party.

"Ye Chen, I'm sorry for treating the gatekeepers, please don't go." Feng Xue told Ye Chen not to go, she wanted Ye Chen to come to her grandfather's birthday party.

"Do you want to go back in or not? ", Ye Chen asked Liu Yue and Xia Qingyu.

If these two women wanted to return to the hotel, then Ye Chen would come along with them.

Liu Yue and Xia Qingyu were able to listen to the conversation between Ye Chen and Feng Xue, Feng Xue was heard sincerely asking Ye Chen to come back to the party.

"I am uncomfortable refusing Feng Xue's request, she is the star of our product tomorrow." Xia Qingyu felt uneasy when she refused Feng Xue's sincere request.

"I leave the decision to the two of you, I will follow your decision." Liu Yue left this decision to Ye Chen and Xia Qingyu, let the two of them decide whether to return to the birthday party or leave here.

"Let's just go back to the Feng family party, it's because of Star Feng Xue who asked us" Xia Qingyu told Ye Chen to come back to the party.

"OK." Ye Chen nodded at Xia Qingyu.

Ye Chen continued the conversation with Feng Xue "OK, we agreed to attend your grandfather's birthday." Ye Chen agreed to return to the party.

"Thank you, I will immediately go to the entrance gate." Feng Xue looked excited when Ye Chen was about to return to her grandfather's party.

Feng Xue immediately went to greet Ye Chen, Liu Yue and Xia Qingyu.

Ye Chen, Liu Yue and Xia Qingyu walked back towards the entrance gate of the Feng family.

The guards stopped Ye Chen again. "What else do you want to do here, didn't I tell you to leave here?" The gatekeeper again told Ye Chen's group to leave.

Ye Chen, Liu Yue and Xia Qingyu ignored this guard, they were waiting for Feng Xue's arrival.

The guard felt angry because he was ignored by Ye Chen "how dare you ignore me, I will kick you" The guard was angry, he wanted to kick Ye Chen.

"Who is the person who dares to kick my important guest" an angry female voice sounded from behind the Guard.

The guard who heard this immediately turned around, when he turned around he saw Feng Xue cross her arms, she looked annoyed by the attitude of the guard towards Ye Chen.

The reporters were immediately excited when Feng Xue appeared, unfortunately at this time the equipment they were carrying was damaged, they could not capture the image of Feng Xue who looked so beautiful in a red party dress.

"Miss Feng Xue, what are you doing here." The guard's tone immediately turned respectful as he spoke to Feng Xue.

Feng Xue glared at the guard, this guard dared to act stupid in front of her.

Feng Xue stepped forward and approached the guard "from tomorrow you don't need to work here anymore" in front of so many people Feng Xue fired the guard.

Chapter 313 - Start Of The Birthday Party

Feng Xue's words were like a bolt of lightning for the guard, the guard immediately slumped onto the floor, he could not believe that he would be fired like this.

Feng Xue ignored the guards who were currently on the ground, she went to greet Ye Chen, Xia Qingyu and Liu Yue.

"I deeply apologize for the rudeness committed by the guards I employ." Feng Xue lowered her head and apologized to Ye Chen, she did not expect that Ye Chen would be treated like that.

Ye Chen saw Feng Xue who was wrapped in a red dress, Feng Xue was very beautiful, Ye Chen was fascinated by the beauty that Feng Xue had.

"You don't need to apologize, you're not wrong at all, what was wrong from the start was the guard you hired." Ye Chen told Feng Xue to raise her head.

Feng Xue raised her head, she smiled gently at Ye Chen, Feng Xue's smile looked like a flower that had fully bloomed.

The reporters and people outside were quite surprised when they saw the most popular female star Feng Xue smiling very beautifully, and the person who made Feng Xue like this was a handsome young man in very ordinary clothes.

The reporter wanted to capture this moment, unfortunately they didn't have the tools left to take Feng Xue's pictures.

Some people were jealous of seeing Ye Chen, not only did Ye Chen have two beautiful women in his side, Ye Chen also knew a big star like Feng Xue, people began to suspect that Ye Chen's background was very strong, if not how Feng Xue looked very respectful of Ye Chen.

"Come in, the birthday party will start soon." Feng Xue invited Ye Chen, Liu Yue and Xia Qingyu to enter the mansion.

Ye Chen, Liu Yue and Xia Qingyu followed behind Feng Xue, Feng Xue's courtyard was quite large and wide. It took them 5 minutes to arrive in front of the Feng Family Mansion.

The Feng family's mansion is enormous and majestic, this is truly a super luxurious Mansion.

"Ye Chen, don't you want to change your clothes first? , I have several sets of black suits that might be good for you." Feng Xue asked Ye Chen to change into a better one.

Liu Yue and Feng Xue's appearance was already very good and beautiful, while the clothes that Ye Chen wore looked very ordinary.

Xia Qingyu just realized that Ye Chen's clothes were very ordinary.

"Ye Chen, why didn't you buy clothes for yourself earlier?" Xia Qingyu questioned Ye Chen.

"I feel more comfortable wearing this set of clothes." Ye Chen felt more comfortable when wearing this shirt, this shirt Ye Chen got from the wardrobe in his villa, it looks like this is the clothes belonging to the villa owner before Ye Chen.

Liu Yue didn't say anything, according to her that currently the clothes that Ye Chen was wearing were very good, they were even better than what she was currently wearing.

"If you feel comfortable in your own clothes, then I won't force you." Seeing that Ye Chen liked the clothes he was currently wearing, Feng Xue no longer forced Ye Chen to change into a suit.

"Let's go inside." Feng Xue invited Ye Chen, Liu Yue and Xia Qingyu into the mansion.

The four of them entered, the main room of the mansion was very spacious, it could accommodate thousands of people at once.

in the main room there were already a lot of rich people and famous stars present, most of them talking about their business and future careers.

When Feng Xue arrived, there were a lot of young men and women who were looking at Feng Xue, they looked very excited when Feng Xue arrived at this place, there were also some women who were jealous of Feng Xue's popularity.

Ye Chen felt like a spectacle that was in a zoo, he was very unfamiliar with the gazes of this many people.

Wherever they are A big star will definitely attract the attention of many people.

Liu Yue and Xia Qingyu instantly turned into indifferent women, they ignored the gazes from these people.

"I'll go upstairs first, do whatever you like." Feng Xue still has something to do, she has to go over this matter.

Ye Chen, Liu Yue and Xia Qingyu nodded at Feng Xue.

After saying to Ye Chen, Feng Xue went upstairs.

After Feng Xue's departure, Ye Chen took Liu Yue and Xia Qingyu to a corner, they tried their best not to attract the attention of the people who were here.

Unfortunately, the beauty that Liu Yue and Xia Qingyu had still attracted the attention of many people, some men came to try to get acquainted with Liu Yue and Xia Qingyu.

Liu Yue and Xia Qingyu rejected all generations of rich men and star men who tried to get close to them, they didn't like men like this.

While some female stars glanced at Ye Chen, they were quite interested in Ye Chen's good looks, but after seeing Ye Chen's very ordinary clothes, they were disappointed and started to ignore Ye Chen.

The female stars who are present here are very brave, they are wearing very sexy and revealing clothes, even female stars are half naked.

The tastes of female stars are different from normal women, what they are looking for is not a handsome man, but a man who is rich enough who can be used as a support for their future career, on this occasion the female stars who are here try their luck, they hope they can get a rich man at an event like this.

Ye Chen looked around the place, the capital is indeed a very extraordinary place, there are so many novice cultivators in this place, they are mostly young men and women from influential families.

It seems that the old saying is true, in the capital it is indeed a lair of dragons and tigers, there are many cultivators who hide themselves very well.

The birthday party hasn't started yet, the main star of tonight's party is yet to come.

While waiting for the event to start, Ye Chen brought several glasses of wine and food for Liu Yue and Xia Qingyu.

Liu Yue and Xia Qingyu received food and drink from Ye Chen.

As Ye Chen, Liu Yue and Xia Qingyu prepared to eat, the lights in the room turned off, a bright light focused on the top of the stairs.

Currently in the center of the beam of light stood an old man who was roughly 70 years old, this old man had a special charisma to him.

Next to this old man stood a very beautiful and smiling woman, this was of course Feng Xue,

Feng Xue helped the old man down the stairs, when Feng Xue and the old man came down the stairs, a piece of music accompanied them, this music game was very good.

This musical play Ye Chen had heard before, this was Ye Chen heard on television.

Everyone started enjoying the music that was being played, they were carried away by the strains of this music.

Feng Xue and the old man descended the steps slowly, just as the male master stepped on the floor. Music was finished.

looks like everything has been setup very well.

Chapter 314 - Feng Luo & Ji Zen

"Long live Mr. Feng Lou." Everyone simultaneously gave longevity greetings to the old man next to Feng Xue.

This old man's name is Feng Luo.

"Thanks to all of you who wanted to come to my birthday tonight, this old man was very happy to receive all of you." Feng Luo thanked everyone who wanted to attend his birthday.

After the event's welcoming words began, as usual birthday people have to say their wishes, Feng Luo only has one hope that the Feng family will continue to be victorious.

After saying Feng Luo's wish, together with Feng Xue started cutting the immense cake, after the cake was cut, the maids started distributing it to everyone who was here.

"My old friend Feng Luo, happy birthday." An old man came to Feng Luo, this person is a person who has just played a very good musical instrument.

"Hahaha, Mr. Ji, thank you for being here." Feng Luo looked very respectful of this old man.

This old man is called Ji Zen, he is a great teacher who has trained many stars in this country, some of the people who have been trained by Ji Zen have become big stars, for example is Feng Xue.

"Big Teacher Ji, nice to see you again." Feng Xue paid her respects to Ji Zen.

"Hahaha, Feng Xue, you now look more beautiful and more mature, your career is also very good, I am very happy to have a student like you." Ji Zen is very happy to have a student like Feng Xue.

Feng Xue is not only beautiful and has a good voice, she is also very talented with musical instruments, therefore Ji Zen is very proud of Feng Xue.

"Big Master Ji, thank you for your compliment." Feng Xue smiled when she heard Ji Zen's praise.

"Feng Luo's grandfather, happy birthday." A man standing behind Ji Zen also wished Feng Luo a happy birthday.

This man wished Grandpa Feng Luo a happy birthday, but this man's eyes were instead looking at Feng Xue's body, this man's gaze looked very lustful when he saw Feng Xue's beauty.

Feng Xue felt indecent gaze from this man, she was completely dissatisfied with what this man was doing.

"Junior sister Xue, long time no see, you've looked even more beautiful since our last meeting." This young man smiled at Feng Xue.

"Liu Lee, why are you here." Feng Xue looked dissatisfied at the arrival of this person.

"I came here with the teacher to celebrate your grandfather's birthday." Liu Lee told Feng Xue that he came here to celebrate Feng Luo's birthday.

"Aren't you bruised because you want to meet me? Feng Xue sniffed coldly at Liu Lee.

Liu Lee who heard this was a little awkward, it seemed that his intentions were easily discovered by Feng Xue.

"Xue don't be like that, isn't Liu Lee still a senior above you, you should respect him even more." Feng Luo scolded Feng Xue for being too harsh to Liu Lee.

Liu Lee is Ji Zen's most talented student, it is estimated that in the future Liu Lee can replace Ji Zen's position to train young talents in this country, that's why many people try to close and please Liu Lee who is still like this, if in the future of Liu Lee being famous like Ji Zen, it will be difficult to be able to establish a good relationship with Liu Lee.

Liu Lee smiled at Feng Luo, he was quite happy when Feng Luo helped him, the benefits that Liu Lee got from becoming Ji Zen's successor were extraordinary, there were so many people trying to please him.

"Liu Lee why don't you play a piece of music for Feng Luo's birthday present, he will definitely be very happy to hear your music." Ji Zen told Liu Lee to play music for Feng Luo, he wanted Liu Lee to show the greatness he had taught him.

"OK teacher, I'll do it." Liu Lee went to show his skills in playing musical instruments.

Everyone who is here waiting for Liu Lee to play a musical instrument, they want to hear the sound of the musical instrument Liu Lee produced, whether Liu Lee's skills are really close to Ji Zen or not.

Everyone who was here was waiting for Liu Lee to play a musical instrument.

Liu Lee went to the musical instrument where he was holding a zither, Liu Lee intended to play this zither.

Liu Lee started to play the Sitar he was holding, when Liu Lee started plucking the zither strings, a very melodious music began to be heard.

Everyone is starting to enjoy this melodious voice, when compared to Ji Zen's music game, it can almost match the abilities of Ji Zen.

Everyone enjoyed the music played by Liu Lee, after playing for 5 minutes, Liu Lee ended his Sitar game. "Thank you." Liu Lee looked down and thanked him.

"Nice, beautiful, amazing." Everyone in this place applauded, only Feng Xue did not seem to be clapping when she heard Liu Lee's music playing.

Feng Xue felt that Liu Lee's game was still far behind when compared to Ye Chen's piano playing.

After receiving applause from the people who were here, Liu Lee returned to Ji Zen's side.

Now he looks even more proud of himself.

Ji Zen nodded at Liu Lee, he was delighted to see Liu Lee's instrument playing skills almost approaching him.

"You are very talented, in the future you will definitely become someone who is as great as Ji Zen." Feng Luo praised Liu Lee's ability to play musical instruments.

"Grandpa Feng Luo, thank you for the compliment, I still have a very long way to go." Liu Lee tried to look quite low profile, he wanted to receive a good impression from Feng Luo.

Feng Luo was delighted to see Liu Lee, not only is his talent very great but this person also looks very low profile.

"Xue, what do you think about Liu Lee's ability to play musical instruments, doesn't Liu Lee play really well?" Feng Luo asked Feng Xue who was beside him.

From earlier, Feng Xue didn't seem to be praising Liu Lee's ability to play musical instruments, even though he remembered that his granddaughter really liked musical instruments too, he wanted to know what Feng Xue thought about Liu Lee's ability.

"Not bad enough, but when compared to my friend he is still far behind." Feng Xue answered her grandfather's question.

Everyone here was shocked when they heard Feng Xue's words, Feng Xue said that Liu Lee's abilities were quite good, Feng Xue also told everyone that her friend's abilities were far greater than Liu Lee's.

The people here were starting to wonder who this person Feng Xue was talking about, they wanted to know who could surpass Liu Lee in playing a musical instrument.

"Xue why are you being so rude to Liu Lee" Feng Luo scolded Feng Xue again.

"Grandfather, I'm not lying, my friend can indeed play better than this person." Feng Xue didn't lie to Feng Luo, when compared to Ye Chen, Liu Lee's ability was still far away.

Feng Luo saw that Feng Xue was very stubborn, he could not do anything, it was not good to scold Feng Xue in public like this.

"Ahemm, Feng Xue, may I know your friend who can play better than Liu Lee, I want to meet that person." Ji Zen believed what Feng Xue said, Feng Xue couldn't possibly lie in front of him.

Chapter 315 - Ye Chen Was Dragged Into Trouble

"Wait a minute I'll call him" Feng Xue went to Ye Chen's side.

When Feng Xue said there were people who could play better than Liu Lee, Ye Chen already felt that Feng Xue was referring to him, this female star gave Ye Chen an unnecessary problem.

"Ye Chen come with me, I'll introduce you to my teacher and grandfather." Feng Xue dragged Ye Chen away to where her grandfather was.

"I don't want to, I don't feel well." Ye Chen tried to find an excuse to refuse Feng Xue's request.

Feng Xue was quite angry when Ye Chen rejected her, Ye Chen was the first man to continuously reject her.

Feng Xue was a little annoyed, she didn't care anymore, she dragged Ye Chen to the middle of the hall.

Ye Chen is so helpless, this female star is very troublesome.

"Grandfather, Big Teacher Ji, introduce this is Ye Chen, he is the person I meant earlier" Feng Xue introduced Ye Chen to Feng Luo and Ji Zen.

Feng Luo and Jizen looked at Ye Chen up and down, they saw that this young man looked normal, there was nothing special about this person.

"So you are the one that Feng Xue is talking about." Ji Zen nodded at Ye Chen. "

"I want to hear firsthand the ability to play musical instruments that you have." Ji Zen wants to hear the ability to play musical instruments that Ye Chen has.

"My ability to play musical instruments is not that great, I'll just go back." Ye Chen didn't want to get involved in something like this, he preferred to come back to accompany Liu Yue and Xia Qingyu.

"Wait, you can't go, you have to play just one song." Feng Xue stopped Ye Chen who was trying to escape.

Whatever happens, Feng Xue must make Ye Chen want to play a musical instrument.

"Young friends, you don't need to worry, you just need to show the abilities you have." Ji Zen tried to persuade Ye Chen, he wanted to hear this young man playing a musical instrument.

"What are you waiting for, quickly prove the abilities you have, don't be such a cowardly woman." Liu Lee started to sneer at Ye Chen, he wanted to see this person's ability.

Liu Lee wanted to see how great the ability of the person who was praised by Feng Xue was, whether this person really had an ability that was far greater than himself.

If this guy's abilities were even worse than him, then he was ready to be the first to insult and laugh at Ye Chen.

Ye Chen felt challenged by Liu Lee's words, he didn't like this person's way of speaking.

"Okay, I'll play a musical instrument, but if I play better, then he has to leave here." Ye Chen pointed at Liu Lee.

Liu Lee who heard this immediately glared at Ye Chen, he saw Ye Chen with a hostile gaze, this was the first time anyone had dared to expel him.

"Okay, that's agreed, now show the abilities you have." Liu Lee's tone seemed to look down on Ye Chen.

Feng Xue was very happy when she heard Ye Chen agree, she dragged Ye Chen away towards where the musical instruments were.

Ye Chen and Feng Xue arrived in front of the musical instrument.

"Ye Chen choose the musical instrument you want to play" with a smile Feng Xue wanted Ye Chen to choose the instrument he liked.

Ye Chen looked at all the musical instruments that were here, there were only ancient musical instruments here, to be honest Ye Chen was only good at playing the piano, for others Ye Chen was not very good.

Ye Chen took a zither that was previously used by Liu Lee, Ye Chen often saw Zhao Yanyan playing the zither, so he knew a little about how to play the zither.

Feng Xue kept watching at Ye Chen's side, she wanted to see how much of the Zither game Ye Chen had.

Everyone was also waiting for Ye Chen to play the music.

They wanted to see how great Ye Chen's abilities were.

Xia Qingyu did not know that Ye Chen could play a musical instrument, he himself had never seen or heard Ye Chen doing that.

Liu Yue looked very calm, she believed in Ye Chen's abilities.

Ye Chen started plucking some zither, when Ye Chen did, the sound was ugly and irregular.

"Huuuuuuu, your abilities are terrible, you better get down." Liu Lee was the first to mock Ye Chen, he looked very satisfied when he saw that the music played by Ye Chen was bad.

Everyone immediately looked at Ye Chen with disdain.

Feng Xue didn't like it when Liu Lee mocked Ye Chen, she felt very annoyed when Ye Chen was teased by Liu Lee.

"Ye Chen, you must be on purpose, right? Please play seriously, don't play around anymore" Feng Xue asked Ye Chen hopefully.

"Young man, are you really playing?" Ji Zen also questioned Ye Chen, Ji Zen is not the same as the people present here, he doesn't seem to underestimate Ye Chen at all.

Ji Zen really wanted to see Ye Chen's abilities.

Ye Chen scratched his head, "Hehehe, I was just warming up." Ye Chen laughed at everyone.

Ye Chen did not expect that playing the zither was not as easy as it seemed, even though he had plucked the zither like Zhao Yanyan had done, unexpectedly the sound that came out was different from Zhao Yanyan's which was very pleasant to hear.

"Hey, Yuechan can you give me a song from the past" Ye Chen asked Chu Yuechan for help.

"What kind of song do you want" asked Chu Yuechan to Ye Chen.

"Whatever is important is good and can make people amazed." Ye Chen asked Chu Yeuchan to give himself a good song from the past.

"Okay I will transfer it for you." Chu Yuechan started transferring some information on Ye Chen's mind.

Ye Chen began to digest the information that entered his mind, in his mind an image appeared of a person playing the zither, there were also words that came from the information given by Chu Yuechan, Ye Chen began to learn how to play this person's zither.

Playing the zither is different from playing the piano, playing the sitar must be done using the heart and soul, if it is done it will create a perfect harmony.

Ye Chen started to learn everything at an incredible speed, in just a few minutes Ye Chen had mastered it.

"What are you waiting for, hurry up and play the zither." Liu Lee couldn't wait anymore, he told Ye Chen to immediately play the zither in his hand.

Everyone also grew impatient when they saw Ye Chen not immediately playing the zither, the people who were here started to get annoyed with Ye Chen.

Ye Chen paid no heed to the words of the people around him, he focused on uniting his soul and heart to play Zither.

Finally Ye Chen started plucking the zither in his hand, when Ye Chen plucked the zither, a splendid music sounded in the ears of everyone who was here.

Chapter 316 - Amazing Music

The music was very melodious, the hearts and souls of the people who were here began to sink into the zither melody that was done by Ye Chen.

Some people feel that their souls are carried back to the past and are shown the past they have passed, the people who are here begin to remember the meaning of the life they have lived.

Lots of people start to shed their tears, they feel the life they are living is meaningless, all this time they are only pursuing a career and money, they forget all the important things that are around them, everything is too late, when they realize and look back all the important things they had were gone.

Even the female stars who were here started crying miserably, they threw away everything they had to pursue a career to become a famous super star.

Everyone continued to immerse themselves in the music played by Ye Chen, they began to feel a very comfortable feeling from hearing Ye Chen's zither playing.

After a few minutes of playing the zither, Ye Chen finally stopped.

After the melody from Ye Chen's zither ended, Everyone's Soul started to return to this world.

"Applause, clap hands, applause." Everyone started clapping. They were very touched by the sitar music performed by Ye Chen.

The people who originally looked at Ye Chen with a bad gaze also clapped their hands, they were very touched by the music that Ye Chen sang.

Ji Zen and Feng Luo had also come to their senses, they both did not expect that they would listen to a young man playing the zither so well.

Ye Chen's zither level was far above a master's, this could be described as a god-level zither.

Feng Xue who was behind Ye Chen was deeply touched by Ye Chen's zither skill, he did not expect that Ye Chen's zither skill was this great, this was far more amazing than Feng Xue had heard at that time.

After he finished playing the zither, Ye Chen intended to return to Liu Yue and Xia Qingyu's side.

Feng Xue didn't let Ye Chen go, she hugged Ye Chen's arm right in front of the multitude of people.

"Boing. . ." Ye Chen felt Feng Xue's two soft objects clinging very tightly to his arms. Feng Xue's may not be too big, just the right size for a woman of this age.

Everyone saw how intimate Feng Xue was with Ye Chen, the men who were here started to feel jealous of Ye Chen.

Xia Qingyu felt jealous when she saw Feng Xue close to Ye Chen, this female star dared to tease Ye Chen right in front of her.

Liu Yue smiled at Ye Chen, Ye Chen's zither skill made Liu Yue love Ye Chen even more.

Feng Xue accompanied Ye Chen to get off the stage, Feng Xue tried to pull Ye Chen towards where the grandfather and the teacher were, Feng Xue wanted to show off Ye Chen in front of the grandfather, and the teacher Ji Zen.

"Grandpa and teacher, how? I didn't lie to you, right?" Feng Xue looked very proud when she said this.

Feng Luo and Ji Zen simultaneously nodded.

"Young friend, where did you learn such great zither skills, I really want to know who the person taught you is?" Ji Zen is very curious about the master who taught Ye Chen to be able to play such a great zither.

"I learned the zither from someone I met before." Ye Chen didn't tell Ji Zen where he learned the skill of playing the zither like this, let it be his secret.

Ji Zen was a little disappointed because Ye Chen didn't want to tell himself the person who taught Ye Chen how to play the zither, even though Ji Zen really wanted to meet the master who taught Ye Chen.

"Your name is Ye Chen, right? ", Feng Luo finally spoke up.

"Yes, my name is Ye Chen." Ye Chen told Feng Luo his name.

"Are you interested in becoming a star? , with your current music skills, you will definitely get lots of fans out there very quickly." Feng Luo offered Ye Chen to become a star.

Feng Luo saw that Ye Chen had everything, Ye Chen had a very handsome face, that capital alone was enough for Ye Chen to become a big star.

"Sorry, but I have absolutely no interest in becoming a star, I prefer to live my current life." Ye Chen politely rejected the offer made by Feng Luo.

Feng Luo was disappointed that Ye Chen refused this very appealing offer, even though if this were someone else then they would definitely accept Feng Luo's offer right away.

"If in the future you change your mind, you can come to me, I will always welcome you." Feng Luo still opened the door wide for Ye Chen to become a star.

"I'll think about it." Ye Chen smiled at Feng Luo.

"Why are you still here, didn't you say you would leave if the game I did was good." Ye Chen collected the promise that Liu Lee had made.

Liu Lee's face immediately darkened, Ye Chen collected the promise he had said before.

Liu Lee is a little reluctant to leave here.

"Liu Lee, you have to leave here." Ji Zen told Liu Lee to leave here, it's better to tell Liu Lee to go to save the reputation that Liu Lee has.

Liu Lee left the main hall with an unsightly face, some people took pity on Liu Lee.

Liu Lee gritted his teeth. "Just watch you later I will definitely take revenge on you." Liu Lee vowed to take revenge on Ye Chen.

Ye Chen was happy to see Liu Lee leave, he gave a proper lesson to people who had dared to insult him.

"Feng Xue, I will return to my place." Ye Chen tried to let go of Feng Xue who was still tightly clinging to his arm.

Feng Xue felt a little itchy as she let go of Ye Chen's arm, she felt that it was quite comfortable to hug Ye Chen's leg.

After Ye Chen managed to break free from Feng Xue, he returned to Liu Yue and Xia Qingyu's side.

When Ye Chen returned to Liu Yue and Xia Qingyu's side, he was stopped by the horde of young women and female stars.

All of these women swarmed around Ye Chen like ants finding sweet food.

"Ye Chen, do you have time tonight, how about if you go to my place, we can have fun at my place".

"Ye Chen, your skill was extraordinary, can you play it one more time for me, later I will give you a special gift.

"Ye Chen, how about we go to a nice place, I'll sing a really beautiful song for you"

One by one the beautiful women who were here invited Ye Chen to go, they became interested in Ye Chen, after listening to Ye Chen's zither game, they immediately fell in love with Ye Chen.

Among these women there were those who kissed Ye Chen's cheek, some women even dared to touch Ye Chen's big brother.

The woman who touched Ye Chen's big brother was shocked, she could feel that Ye Chen's thing was very large and magnificent, this was a favorite food for a woman like herself.

Chapter 317 - Explained The Truth To Xia Qingyu

Xia Qingyu couldn't take it anymore, she went to Ye Chen. "You all move aside, she is mine." Xia Qingyu chased away all the women who surrounded Ye Chen.

Young ladies and female stars only glimpsed Xia Qingyu, they immediately ignored Xia Qingyu, they came back to fight over Ye Chen.

Xia Qingyu was very upset. She pulled Ye Chen back to her side.

Xia Qingyu looked like a tigress protecting her favorite thing, she wouldn't let her favorite thing be stolen by others.

"Sorry ladies, I have to refuse your invitation, I already have an appointment with my girlfriend" Ye Chen tried to reject the young woman and the female star who was by his side.

All the women were a little disappointed when Ye Chen refused their invitation, these women did not give up, they were all quite persistent, the women gave their personal contacts to Ye Chen, these women wanted Ye Chen to contact them when they were not busy.

Ye Chen received a deck of cards from all the women who were near him, after they gave Ye Chen personal contact, these women finally wanted to go too, some women gave Ye Chen a coquettish wink or a long distance kiss.

Xia Qingyu was very dissatisfied with seeing these women, they shamelessly tried to seduce a man who already had a partner.

"Come here." Xia Qingyu pulled Ye Chen to the corner where Liu Yue was.

The birthday party continued, everyone started to enjoy the event that the Feng family had prepared.

The people here are entertained by male and female stars who are present in this place, they contribute several songs to sing.

"Ye Chen, your skills in playing musical instruments are getting better, I hope you can teach me a little" a beautiful Milf came to Ye Chen.

This beautiful Milf smiled at Ye Chen, beautiful Milf wearing a purple colored outfit that looks very striking and quite sexy, this woman is of course Su Yuya.

It turned out that Su Yuya was also attending Feng Luo's birthday event.

"Su Yuya, so you also came here" Ye Chen was not too surprised when he saw Su Yuya here, he already knew the relationship between Feng Xue and Su Yuya, the relationship between these two women was very good, of course Feng Xue would definitely invite Su Yuya to her grandfather's party.

"Xue who forced me to come here, she kept calling me to come to attend this birthday party." Su Yuya looked helpless, she was forced by Feng Xue to come here.

"I understand how you feel" Ye Chen understood what Su Yuya was feeling, just now he was also forced by Feng Xue to play a musical instrument, even though Ye Chen didn't want to show his zither skill, but because of Feng Xue's insistence Ye Chen was forced to do it.

"Ye Chen, where is Zhao Yanyan right now? Why did you even go out with these two beauties?" Su Yuya was quite curious why Ye Chen wasn't with Zhao Yanyan, Ye Chen was with Xia Qingyu and also Liu Yue.

Su Yuya was already familiar with these two women, one was Xia Ningzi's older sister and the other was Liu Yue's very famous business queen.

Su Yuya did not expect that Ye Chen knew two beautiful women like Xia Qingyu and Liu Yue.

"Zhao Yanyan? , Miss Su, who is Zhao Yanyan " Xia Qingyu wondered who the woman Su Yuya was referring to.

"Zhao Yanyan is Ye Chen's girlfriend." Su Yuya answered Xia Qingyu honestly, she told Xia Qingyu who Zhao Yanyan was.

Xia Qingyu Shocked when she heard that this woman named Zhao Yanyan was Ye Chen's girlfriend, how could Ye Chen have a girlfriend other than her.

Xia Qingyu did not expect that Ye Chen had another woman behind her all this time.

Xia Qingyu suddenly started to shed tears, her heart felt very hurt when she learned this, regardless of the surroundings Xia Qingyu ran away from the main hall.

"Qingyu wait, for a moment I can explain it to you" Ye Chen tried to catch up to Xia Qingyu who was running away.

Su Yuya saw Xia Qingyu leaving who was crying, it seemed she had said something wrong "did I say something wrong?" Asked Su Yuya to Liu Yue.

"No, you are not wrong at all, you are telling the truth." Liu Yue did not blame Su Yuya, what Su Yuya said was indeed a reality, Zhao Yanyan was Ye Chen's woman, it couldn't be changed.

Liu Yue saw Ye Chen and Xia Qingyu's departure, she shook her head, it seemed that Xia Qingyu already knew everything, Liu Yue hoped that Xia Qingyu could accept this.

"Husband, I hope you can convince Qingyu." Liu Yue could only hope that Ye Chen succeeded in changing Xia Qingyu's heart.

Ye Chen chased Xia Qingyu to a garden in front of the Feng family, Xia Qingyu cried near the fountain in this garden.

Ye Chen approached Xia Qingyu, he wanted to explain to Xia Qingyu.

"Qingyu" Ye Chen called Xia Qingyu.

"Don't go, see me again" in a voice that was so cold and full of anger, Xia Qingyu chased Ye Chen away.

Ye Chen did not leave, instead he approached Xia Qingyu, Xia Qingyu saw Ye Chen's arrival, she tried to move backward, unfortunately behind Xia Qingyu was a fountain, she had nowhere to run.

Ye Chen gripped Xia Qingyu's shoulder, he stared straight into Xia Qingyu's crystal clear eyes.

Xia Qingyu turned her gaze to the side, she didn't want to look at Ye Chen's eyes, at this time she felt that she couldn't look at Ye Chen.

"Qingyu, look at my eyes right now" Ye Chen told Xia Qingyu to look at his eyes.

Xia Qingyu finally wanted to look Ye Chen's eyes directly, she saw Ye Chen's eyes were looking at her gently, Xia Qingyu could feel the feeling of love from Ye Chen.

"What do you want to talk to me about, say" Xia Qingyu is currently very disappointed, she is disappointed because Ye Chen was just playing with her.

"I just want to say that I love you very much." Ye Chen wanted to tell Xia Qingyu that he loved her very much.

"Then what about that girl named Zhao Yanyan, don't you love her" asked Xia Qingyu to Ye Chen.

"I also love Yanyan" Ye Chen admitted that he loved Zhao Yanyan, Zhao Yanyan was Ye Chen's first woman, she was the woman who understood Ye Chen the most.

"Bahh, you finally admit it, go you pervert I don't want to meet you" Xia Qingyu tried to get away from Ye Chen, she was very angry with Ye Chen.

"It's true that I'm a pervert, but I sincerely love you." Ye Chen had to admit that now he's become a little more perverted.

Maybe it was because he practiced the king's heart technique, so his way of thinking also started to change.

Xia Qingyu stopped rebelling, she looked back at Ye Chen's eyes, "tell me which woman and I will you choose?" Xia Qingyu wanted to know who Ye Chen would choose, whether Ye Chen would choose herself or Zhao Yanyan, Xia Qingyu wanted to know the answer from Ye Chen.

"I choose you two, you two are women I love, I will not let you and Zhao Yanyan leave me." Ye Chen wanted Xia Qingyu to be his woman.

Chapter 318 - Shooting Star

"You shameless man, hurry and let me go." Xia Qingyu was disappointed with Ye Chen's answer, Ye Chen was too greedy, he wanted to have herself and Zhao Yanyan together.

"I don't care." Ye Chen kissed Xia Qingyu's cherry lips right away.

Xia Qingyu tried to fight back when Ye Chen kissed herself, Xia Qingyu was hugged by Ye Chen so tightly that he could not escape from Ye Chen's arm.

Ye Chen hugged Xia Qingyu very tightly, he wouldn't let Xia Qingyu go, if Xia Qingyu left, then he would be very sorry.

Ye Chen kissed Xia Qingyu with great affection, Xia Qingyu, who initially fought back directly, was defeated by Ye Chen, Xia Qingyu enjoyed a kiss from Ye Chen.

No matter how many times Xia Qingyu felt the feeling of kissing Ye Chen, Xia Qingyu never felt bored, she was even more interested in things like this.

Ye Chen greedily kissed Xia Qingyu enough, he really liked Xia Qingyu's little lips.

Xia Qingyu began to sink into the kiss that Ye Chen did,

In this park there are only the two of them so there's no need to worry about other people knowing.

After 15 minutes of kissing, Ye Chen finally let go of his kiss from Xia Qingyu.

"Qingyu, do you believe in me now?" Asked Ye Chen to Xia Qingyu who was in his arms.

Xia Qingyu did not answer Ye Chen, she buried her head in Ye Chen's chest, Xia Qingyu could feel Ye Chen's heart beat quite fast, what Ye Chen said seemed to be true.

Under the very beautiful night star, a man and woman hugging in front of the fountain, it looks very romantic.

"I hate, how can I fall for a man like you" Xia Qingyu took out her anger by hitting Ye Chen's chest.

Xia Qingyu didn't use force at all, she didn't want to hurt Ye Chen.

Ye Chen hugged Xia Qingyu, he put Xia Qingyu on his lap.

"This is predestined, you are destined to be my wife," said Ye Chen to Xia Qingyu.

Xia Qingyu snuggled in Ye Chen's embrace, she was very comfortable snuggling in Ye Chen's embrace.

"Look at the stars tonight is very beautiful." Ye Chen pointed at the stars in the sky.

Xia Qingyu looked up at the sky, the sky was indeed a very beautiful star.

Xia Qingyu together with Ye Chen enjoyed the sight of the stars in the sky.

"Ye Chen, look at a shooting star, let's make a wish." Xia Qingyu pointed to a blue light in the sky, Xia Qingyu tried to make a wish to the shooting star.

Ye Chen looked at the direction pointed by Xia Qingyu, at this time Ye Chen saw a blue light descending from the sky, this blue light was abnormal, he felt that this blue light emitted a very strong aura.

The blue light was getting closer and closer to the earth, blue light streaked above Ye Chen, the blue light directed towards a remote place that was a bit far from the city.

"Boomm" when the blue light hit the ground there was a shock and a very strong blow, the ground that Ye Chen was stepping on was shaking violently.

Xia Qingyu was scared, she hugged Ye Chen's neck quite tightly.

Xia Qingyu did not think that the light just now was a comet, fortunately the comet did not fall in their place, if that happened maybe she and Ye Chen would die.

Xia Qingyu didn't want things to die, she still wanted to live happily together with Ye Chen.

Everyone was enjoying the birthday party with great joy, when the great shock occurred, people started to scatter out of the Feng family mansion, they were trying to save themselves.

Everyone was scared by the great shaking that was happening, this was much more intense than an earthquake in general.

The situation became noisy and chaotic.

"Husband, Qingyu, are you guys okay?" Liu Yue came to Ye Chen's side, she thought Ye Chen was the one who just made a big shock.

"We're fine." Ye Chen was completely unharmed or in danger, the shock was not his doing.

"Master, I detected an object that was very valuable in the blue light earlier, you should try to see it, you might be lucky and get that precious thing." Chu Yuechan told Ye Chen that the blue light earlier carried an extremely valuable object.

This thing is very rare in this world, even in God Realm this thing is extremely rare, if it appears this thing might be fought over by the gods and goddesses in the God Realm.

Ye Chen heard Chu Yuechan's explanation, no doubt Ye Chen felt the great power of the blue light earlier, it turned out that the blue light was indeed a very valuable and powerful object.

Ye Chen had to see what Chu Yuechan was referring to, maybe this thing could be of use to himself or his wives.

"Yue, please take care of Qingyu, I will see the object that fell just now" Ye Chen asked Liu Yue for help to protect Xia Qingyu.

Ye Chen wanted to go over there and see the blue light that had just fallen.

"Okay, husband, you just leave everything to me." Liu Yue nodded at Ye Chen.

After handing Xia Qingyu to Liu Yue, Ye Chen went to the place where the blue light had just fallen.

"Ye Chen, don't go, it's dangerous." Xia Qingyu didn't let Ye Chen go, maybe the place where the blue light was full of danger.

"You take it easy, I will definitely be fine." Ye Chen told Xia Qingyu not to worry too much, he would definitely take care of himself well.

Ye Chen disappeared from Xia Qingyu and Liu Yue's sight.

Xia Qingyu was surprised to see Ye Chen disappear, this was very strange for Xia Qingyu.

"Ye Chen, where are you?" Xia Qingyu tried to call Ye Chen, but there was no answer from Ye Chen.

"Little sister Qingyu, calm down Ye Chen is now gone, you won't find him here." Liu Yue came to Xia Qingyu's side, she told Xia Qingyu that Ye Chen had already left.

Xia Qingyu turned sideways "Director Liu, I just heard you call Ye Chen a husband, have you also become Ye Chen's woman?" Xia Qingyu wondered if Liu Yue was also Ye Chen's woman.

"Guess what?" Liu Yue smiled, she wanted to play with Xia Qingyu a little.

Xia Qingyu knew that Liu Yue must also be Ye Chen's woman. "Director Liu, how can you be Ye Chen's woman, you already know that Ye Chen has a girlfriend like Zhao Yanyan", asked Xia Qingyu to Liu Yue.

Liu Yue smiled at Xia Qingyu "I and Yanyan have become close sisters, we both agreed to be Ye Chen's woman." Liu Yue explained to Xia Qingyu that her relationship with Zhao Yanyan was very good.

"But you are very beautiful, how can you share a man you like" Xia Qingyu could not believe that Liu Yue shared a man she liked with other women, with the beauty that Liu Yue possessed it was not difficult to get a rich handsome man.

"It's because I love Ye Chen, for me Ye Chen is irreplaceable, so I can get rid of the selfishness I have and share with other sisters." Liu Yue explained to Xia Qingyu what it means to love.

"One more thing, Ye Chen's ability in such matters is very strong, I am unable to handle it alone, that's why I need another sister to help me pack Ye Chen, otherwise I will be killed by extreme pleasure", she told Xia Qingyu if Ye Chen's ability in that field was very strong, a woman would not be able to handle Ye Chen alone.

Chapter 319 - Beautiful Wounded Goddess

Xia Qingyu's face turned red as an apple, he did not expect that Liu Yue would say such vulgar things, Xia Qingyu was not a child, he naturally knew what Liu Yue meant.

Xia Qingyu herself did not expect that Liu Yue and Zhao Yanyan had done something like that with Ye Chen, she felt that she was left far behind from the two of them.

Xia Qingyu started to think, whether she would stay with Ye Chen or leave Ye Chen, after careful consideration, Xia Qingyu really couldn't leave Ye Chen, she felt that she already loved Ye Chen.

If she stayed with Ye Chen, then she had to be ready to accept another Ye Chen woman, Xia Qingyu tried to throw away the selfishness she had, she had already made a decision to become Ye Chen's woman.

Xia Qingyu will try to accept Ye Chen's other woman.

"So what decision do you make, whether you will join us or not" Liu Yue asked whether Xia Qingyu would become one of Ye Chen's wives or not.

"I really love Ye Chen" Xia Qingyu said what was in her heart, she had decided to become Ye Chen's woman.

"Great, from now on you can call me sister Yue." Liu Yue wanted Xia Qingyu to call herself sister.

"Sister Yue" Xia Qingyu called Liu Yue.

Liu Yue nodded at Xia Qingyu.

"Sister Yue, can you explain a little about Ye Chen to me, I want to know fully about Ye Chen" Xia Qingyu wanted to know all the secrets that Ye Chen had.

Xia Qingyu wanted to also want to know about Ye Chen's other women.

"Then let's go back to the hotel, I'll tell you everything" Liu Yue invited Xia Qingyu back to the hotel, she would tell everything to Xia Qingyu.

Xia Qingyu was already one of Ye Chen's wives, so it was okay to tell Xia Qingyu everything.

Liu Yue and Xia Qingyu left the Feng Family Mansion, they immediately returned to the five-star hotel where they were staying tonight.

Ye Chen flew at high speed towards where the blue light fell, the distance that the blue light fell was quite far, Ye Chen needed about 10 minutes to arrive at the place where the blue light fell.

When Ye Chen got close, he saw that the area around here was already destroyed, lots of trees and herbs scattered all over the place.

In the distance Ye Chen saw a super large crater, around this crater was covered by snow.

Ye Chen was quite confused about this, how could it be covered by snow around the crater, if it was an extraterrestrial object then surely the crater would be covered by something hot due to friction when it hit the earth.

Out of curiosity Ye Chen decided to get closer to the super large crater.

As Ye Chen got a little closer he saw something right in the middle of the super large crater hole.

When Ye Chen was really very close, he saw that it was not an object from outer space, Ye Chen saw that this was a woman.

Seeing this, Ye Chen even became interested, Ye Chen got closer to see who the woman was lying in the middle of the giant crater.

When Ye Chen arrived in the middle of a super large crater, he saw a very beautiful woman like a goddess sleeping in the middle of this crater, a woman who has a beautiful face that cannot be described, long hair and snow-white color is very beautiful, The body that this woman has is very good and very perfect, there is not the slightest flaw in this beautiful woman's body.

"So beautiful, she's like a goddess who descends from the sky." Just from one glance, Ye Chen was immediately attracted to the beautiful woman in front of him.

The attractiveness of this woman is extraordinary.

"Master, you better be careful, this woman's one finger is enough to kill you." Chu Yuechan told Ye Chen to be careful with this beautiful woman.

This woman's cultivation base was extremely high, with just one finger this woman could kill Ye Chen.

With such a high cultivation base, it was likely that this woman came from the God Realm.

Ye Chen immediately retreated, he started to be wary of the goddess sleeping in front of him, Ye Chen believed the warning given by Chu Yuechan.

Ye Chen didn't know the origin of this woman, if this woman was evil then Ye Chen would be killed by her.

"Master, why are you even retreating? , you better dual cultivate with the beautiful goddess in front of you. If you do Dual Cultivation with that beautiful goddess, then your strength will definitely increase very rapidly. "Chu Yuechan told Ye Chen to dual cultivate with a beautiful goddess.

"You want to make me die, if she wakes up, she can kill me with one tap." Ye Chen didn't want to find trouble with a woman this strong.

"It's up to you, I'm just telling you that right before your eyes there is a golden opportunity that you might never meet in this life." Chu Yuechan didn't want Ye Chen to miss a golden opportunity like this.

If Ye Chen did dual cultivation with a beautiful goddess, Ye Chen would definitely be able to break through to the Divine Realm level very easily, the Yinqi of this woman is very pure, Ye Chen will definitely get tremendous benefits if he dual cultivates with this beautiful goddess.

Ye Chen started to think that if he did dual cultivation with this beautiful goddess, Ye Chen would definitely be very satisfied.

Ye Chen shook his head, he cleared such evil thoughts, it is not good to take a chance on a woman who is helpless.

Ye Chen tried to slowly get closer, he wanted to confirm what happened to this beautiful goddess.

Up close, Ye Chen could smell a very fragrant aroma, a fragrant aroma was emitted by the sleeping body of a beautiful goddess.

Ye Chen held one of the hands of the beautiful goddess, when Ye Chen touched the wrist of the beautiful goddess, he felt that the skin of the beautiful goddess was very soft, this was too extraordinary, this goddess must have taken care of her body very well, otherwise how could she have very soft skin.

Ye Chen again tried to clear the evil thoughts he had, he tried to be even more calm.

Ye Chen began to check the state of the beautiful goddess, Ye Chen found that the beautiful goddess was seriously injured.

Ye Chen slightly lifted the neck of the beautiful goddess, one more hand supported the beautiful goddess's upper back.

Ye Chen felt a thick liquid as he tried to support the beautiful goddess's back, Ye Chen immediately saw what was happening to the beautiful goddess's back.

It turns out that on the back of the beautiful goddess there is a slash wound that is deep enough, This wound is quite terrible, if it is not immediately helped, maybe the beautiful goddess will die from blood loss.

Ye Chen immediately stopped the blood flowing out of the wound on the back of the beautiful goddess.

Now Ye Chen will clean the blood impurities that are still left in the wounds suffered by the beautiful goddess.

"Master, there are a lot of people who are heading here, the cultivation that the people who are headed here have is quite high, you should immediately take that woman away from here, otherwise you will be stuck with these people". Chu Yuechan told Ye Chen to leave this place immediately.

Ye Chen nodded, he prepared to leave this place together with the beautiful goddess in his hands.

"Wait, bring that little gold chest too, inside there is something very precious." Chu Yuechan stopped Ye Chen, she wanted Ye Chen to take a small gold chest not far from the beautiful goddess's body.

Chapter 320 - Take Care Of The Beautiful Goddess

Ye Chen looked at the gold chest that was nearby, for some reason he felt a strange feeling inside this gold chest.

Ye Chen didn't think about it anymore, he took the gold chest and carried the beautiful goddess away from this place.

Ye Chen used the pendant necklace to hide himself, this way Ye Chen would not be detected by people who were coming here.

Ye Chen brought the beautiful goddess who was injured to a safe place far from here.

Ye Chen headed towards the west, there was a dense forest that was rarely visited by anyone.

There was a very safe place to hide.

Some time after Ye Chen's departure, there came a few people with extremely high cultivation bases, the weakest one had an Overlord Realm third level cultivation base.

Lord Guardian also came to this place, he stroked his long white beard. "What exactly happened here, why is this place so chaotic" Lord Guardian did not know what had just happened in this place.

From what he saw, there was no trace of a battle in this place, obviously this super giant crater was formed because something from the sky hit the ground, but what kind of thing could hit the ground like this.

If it was a fallen meteor then surely the super large crater was still emitting something hot from the impact of the meteor.

But what he saw was that the crater did not give off anything hot, what was around the super giant crater was snow.

This is a very strange thing, it actually becomes a puzzle for Lord Guardian.

Lord Guardian tried to find a clue in this place, when he was looking for a clue, came a masked woman with golden hair and wearing golden clothes.

Lord Guardian's eyes widened when he saw the arrival of the masked woman, Lord Guardian seemed to tremble when this masked woman came.

The masked woman looked at the super giant crater in front of her eyes.

This woman is seen watching the crater very seriously.

"Goddess Nangong, what made you come here" Lord Guardian looked terrified while trying to talk to this woman named goddess Nangong.

The name of the masked woman with golden hair was Nangong Xiang, she was the woman most feared by all the major factions in the world, which was why Lord Guardian looked afraid when he saw this woman come to this place.

"What happened in this place before, tell me everything." Nangong Xiang asked Lord Guardian.

"I don't know either, when I came here everything was like this." With a slightly trembling voice, Lord Guardian answered Goddess Nangong Xiang's question.

After hearing Lord Guardian Nangong Xiang's answer instead of leaving this place, no one knew what this masked woman was thinking.

Lord Guardian was relieved to see Nangong Xiang's departure. "Why is that woman here, she scared me to death" Lord Guardian was very scared when Nangong Xiang came here.

it was quite strange to see an old man like Lord Guardian frightened when he saw a woman who still looked young.

Lord Guardian knew very well how terrifying Nangong Xiang was, Nangong Xiang had defeated one of the great factions alone, because of this, Nangong Xiang was feared by all the big factions, no big faction wanted to offend Nangong Xiang.

Nangong Xiang was not part of any faction, Nangong Xiang was independent he was not tied to any faction.

After Nangong Xiang's departure, Lord Guardian returned to find out what was happening in this place, he also had to cover this incident from the public, if this was leaked it would create a stir.

Ye Chen took the beautiful goddess flying in his arms to a safer place, Ye Chen tried to find a suitable place to treat this beautiful goddess.

After searching many places, Ye Chen finally found a cave that looked worthy of living in, inside this cave that looked quite beautiful, there was a beautiful light coming out of the crystals in the ceiling of this cave.

Ye Chen leaned the beautiful goddess on the cave wall, now Ye Chen must treat this beautiful goddess.

Ye Chen started to take off the clothes this beautiful goddess was wearing, this would make it easier for Ye Chen to treat a beautiful goddess.

The clothes worn by beautiful goddesses are very difficult to take off, Ye Chen needs a little time to remove the clothes belonging to beautiful goddesses.

After Ye Chen's efforts, Ye Chen was finally able to take off all the clothes that the beautiful goddess was wearing.

The beautiful goddess does not wear an underwear like the one on earth, after the main clothes are removed there is no cloth covering the body of the beautiful goddess.

Ye Chen's breath started a little faster when he saw the perfect body that was possessed by the beautiful goddess.

This woman's body was so perfect, Ye Chen was barely strong anymore to hold back the lust he had.

In Ye Chen's mind, Chu Yuechan continued to whisper extremely vulgar words to Ye Chen, he wanted Ye Chen to do the beautiful goddess that was in front of him.

Ye Chen tried to endure Chu Yuechan's temptation, Ye Chen started to clear the evil thoughts he had.

He started tending to the wounds the beautiful goddess had suffered.

Ye Chen started to clean the remaining blood impurities on the beautiful goddess's back, after finishing cleaning the wound from the blood, Ye Chen prepared to sprinkle the powder he had to heal the beautiful goddess.

This powder will feel painful when it touches an open wound, the effect of this powder is quite great, this powder can accelerate the healing of external wounds.

As Ye Chen sprinkled the powder on the wound, the beautiful goddess's eyelashes trembled slightly, the beautiful goddess started to regain a little consciousness and opened her eyelids.

When she was awake, the beautiful goddess felt that her lower body was a little windy, when she looked down she saw that the clothes on her body had disappeared.

The beautiful goddess of course was surprised to find this, she felt something strange on the back of her back, when she turned around she saw a man kneeling and sprinkling something on her back.

Suddenly the goddess of beauty was alert, she hit Ye Chen who was treating behind her back.

"Bamm. . ." Ye Chen was completely unprepared for the attack from the beautiful goddess, he felt his chest was hit by a hammer that was very heavy.

Ye Chen was flown and hit the stone wall, the stone wall immediately had a hole due to the force of the impact.

Ye Chen vomited blood, he felt that his internal organs were spinning, this pain was extremely intense.

Ye Chen did not expect that the beautiful goddess would wake up and attack him.
