

Chapter 321 - Heavenly Silver Flame

Ye Chen smiled when he saw the beautiful goddess who looked in pain, he felt that the grudge he had had been avenged.

"Master, I told you you better do this beautiful goddess. Look now she's trying to kill you. "Chu Yuechan scolded Ye Chen for not doing a pretty goddess while still unconscious, now Ye Chen has no chance to approach the Beautiful Goddess.

If only Ye Chen had known that a beautiful goddess had such a personality, he would not have bothered to help her.

Ye Chen started to ignore the beautiful goddess who was in pain, he now focused on the golden chest in his hand.

Ye Chen tried to open this golden chest, unfortunately the gold chest was locked by a seal that was quite complicated, to break this seal Ye Chen had to break this complicated seal.

Ye Chen tried to tamper with the seal on the gold chest, after trying several times, Ye Chen still failed to break the seal that was in this golden chest.

"Hey Yuechan, can you help me to break this seal" finally Ye Chen asked Chu Yuechan for help to break the seal that locked the gold chest.

"It's very easy, let me help you." Chu Yuechan started guiding Ye Chen to open the seal in the gold chest.

With the help of Chu Yuechan, the seal on the gold chest immediately disappeared, now Ye Chen only had to open the gold chest and see what was inside this golden chest.

"Clik. . "The gold chest opened, when the gold chest opened, something immediately gushed out from inside the gold chest.

What came out of the gold chest was a hot silver flame, the silver flame began to envelop Ye Chen's body.

Ye Chen felt this fire start to enter his body, the flames began to spread very quickly throughout his body, Ye Chen's profound veins were also entered by the Silver Flame.

When the Silver Flame entered his body, Ye Chen did not feel any pain, Ye Chen felt a very comfortable feeling.

Ye Chen felt that if the Silver Flame had suddenly eaten the ordinary profound flames in his profound vein, this discovery made Ye Chen a little surprised.

The Silver Flame quickly spread out and ate all the profound flames that Ye Chen had, the Silver Flame began to move towards Ye Chen's Sage God Flame Vein, Silver Flame also wanted to eat the Profound Flames that were within the Sage God's Flames.

When the Silver Flame entered into the Sage God's Flaming Veins, the Sage God's Flame Veins began to take turns eating the Silver Flame, the Silver Flame was sucked up by the Sage God's Flames like a black hole that gave up anything.

The Silver Flame that entered Ye Chen's Profound Vein was sucked by the Sage God's Flame, in an instant all the Silver Flames entered Ye Chen's Sage God vein.

The Silver Flame was easily tamed by the Sage God's Flame veins

"What just happened." Ye Chen didn't know what was happening just now.

From start to finish, Ye Chen did nothing at all, he only saw his Sage God's Flames veins suck the Silver Flame.

"Master, you are amazing, you have successfully fused with heavenly flames." Chu Yuechan congratulated Ye Chen.

"Heavenly fire? , so that Silver Flame earlier was heavenly fire?" Ye Chen was a little surprised when he heard from Chu Yuechan that the flames that had previously entered his body were Heavenly flames.

Ye Chen had very little knowledge of what Heavenly Fire was, Heavenly Flame was the most powerful fire in this world, Heavenly Flame had a power far greater than ordinary flames, even the power of Phoenix's flames could not be compared to Heavenly Flames. .

The Heavenly Flames numbered twelve types, each with its own level of strength, if Ye Chen remembered correctly, the Heavenly Silver Flame should be ranked third on the power list.

It was for this reason that Ye Chen was quite surprised, he did not expect that he could perform a Fusion with the Heavenly Silver Flame.

The beautiful goddess was shocked when Ye Chen succeeded in fusing with Heavenly flames, even though fusing with heavenly flames was not easy, the stakes were lives, even a little mistake in taming one's heavenly flames could be turned into ashes.

This time he saw that someone could easily tame the heavenly flames without any visible pain or pain, this was an extremely rare thing.

The beautiful goddess became interested in this young man in front of her.

Ye Chen started to try to use the Heavenly Silver Flame, a silver colored flame appeared in Ye Chen's hand, the Heavenly Silver Flame in Ye Chen's palm looked tame.

although the tame strength of the Heavenly Silver Flame was much stronger than the ordinary profound flames that Ye Chen had.

Ye Chen wanted to test how great the Heavenly Silver Flame he had, he compared the strength of the Heavenly Silver Flame to his ordinary Profound Flame.

In Ye Chen's right palm currently was the Heavenly Silver Flame, while on his left palm was an ordinary profound flame.

Ye Chen threw these two flames at the cave wall that was here.

Boom. . . . , Boommm. . . . , "An explosion occurred, the cave shook quite strongly.

Even though Ye Chen had tried to withstand the strength he used, it was unexpected that the force of destruction was still so strong.

Ye Chen looked at the wall in front of him, there were two holes formed by Ye Chen's fire explosion, one small and one very large.

The small ones were the result of an explosion of ordinary profound flames, while the large ones were the result of an explosion of the Heavenly Silver Flame.

The difference in strength between ordinary profound flames and heavenly flames was immense, it was fitting that the heavenly flames were very famous with a power stronger than ordinary profound flames, it turned out to be true.

Ye Chen was very happy, he managed to get something really great, the trip this time was not in vain.

There was nothing more Ye Chen could do in this place, he decided to leave here.

"Wait, where are you going?" The beautiful goddess stopped Ye Chen who intended to leave this place.

"Of course I intend to go, what else" Ye Chen intends to leave this place, he already got what he wanted.

"How can I leave after stealing my Heavenly Silver Flame." The beautiful goddess was angry because Ye Chen had stolen her Heavenly Silver Flame.

"I found the chest earlier, so automatically it is mine." Ye Chen shamelessly claimed that the gold chest was his.

Ye Chen wanted to take revenge on the beautiful goddess who previously attacked him quite heavily.

The beautiful goddess gritted her teeth, as she angrily opened the wound on her back, blood started to come out from the wound she had.

The beautiful goddess again felt excruciating pain from the wound on her back.

"You're a doctor, right? Please save me immediately." The beautiful goddess asked Ye Chen to help her, she couldn't stand this pain anymore.

"I don't want to, if I get closer you will definitely attack me like before, I don't want to die silly." Ye Chen refused the beautiful goddess's request, he didn't want to return to end like before, rather than helping the beautiful goddess, Ye Chen better let the beautiful goddess in pain. .

Chapter 322 - Dongfang Xiu

The beautiful goddess could no longer stand the pain she felt. "I beg you to help me treat the wound that I have." This time the beautiful goddess begged Ye Chen with sparkling eyes.

Ye Chen looked directly at the beautiful goddess's crystal clear eyes, he felt that the beautiful goddess's eyes were trying to control Ye Chen's soul.

Ye Chen immediately realized, he was trying to fight the enchantment technique that the beautiful goddess was using on him.

The beautiful goddess was quite surprised when Ye Chen easily rejected the mind enchantment technique she was using, a weak human like Ye Chen could not possibly be able to fight against the enchantment technique she had, it was absolutely impossible.

"Hehehe, so you want to control me with an enchantment technique, just dream" Ye Chen sneered at the beautiful goddess who was trying to control himself.

It seems that the pretty goddess doesn't have any genuine intentions for him, it's better for Ye Chen to stay away from women like this.

Ye Chen went towards the mouth of the cave.

"Wait, don't go." The beautiful goddess tried to hold Ye Chen away, unfortunately right now she didn't have the strength left to hold Ye Chen at all.

"Please save me, I will do whatever you want" The beautiful goddess couldn't take it anymore, she was forced to beg Ye Chen to heal herself.

Hearing this, Ye Chen stopped going "whatever I want? , what can you give me?" Ye Chen wants to know what a beautiful goddess can give him.

"Whatever you want, as long as you can heal me I will give you all your wishes" The beautiful goddess changed her strategy so that Ye Chen wanted to heal herself.

Ye Chen was a little happy when he heard this "Really, then I want you to be my woman, are you willing to" Ye Chen immediately asked something unexpected.

With the temperament of the beautiful goddess, Ye Chen knew that the beautiful goddess would refuse his request.

"Okay, I'm willing." The beautiful goddess nodded to Ye Chen.

"Huh?" Ye Chen was shocked after hearing the answer from the beautiful goddess, he didn't expect that this woman would give such an answer.

The beautiful goddess gritted her teeth, she tried to endure as she spoke With Ye Chen, this shameless man dared to ask something shameless like this.

as long as she is healed, the beautiful goddess intends to poke out Ye Chen's eyes, Ye Chen has seen her body, she won't let Ye Chen loose so easily.

"Why are you still there, even though I promised, please treat me" The voice of the beautiful goddess became so soft, it made Ye Chen's bones feel like melting.

The voice of the beautiful goddess was too extraordinarily soft, Ye Chen's bones felt tiring just from listening to her voice.

Ye Chen was seduced by the beautiful Goddess, who was a normal man who had no interest in a woman as beautiful as this.

"Okay" Ye Chen promised the beautiful goddess, Ye Chen immediately went towards the beautiful goddess.

The beautiful goddess turned around, she didn't want Ye Chen to see her naked body.

Ye Chen was quite disappointed, he could only see the back of the beautiful goddess who was injured.

It doesn't matter, soon Ye Chen will have this beautiful goddess in his arms.

Ye Chen took out a bottle from the fairy gate storage room, this bottle contained a potion that could heal wounds quickly.

This was much better than the Powder that Ye Chen had previously used.

Ye Chen started to pour the potion that was in the bottle over the wound that the beautiful goddess had.

The beautiful goddess felt a cool feeling when this potion was poured behind her back, this feeling was very comfortable.

"Oh, yes, what's your name? , I don't know your name yet." Ye Chen asked the name of the beautiful goddess.

"My name is Dongfang Xiu, then who are you yourself?" To make Ye Chen believe in herself more, Dongfang Xiu asked Ye Chen's name.

"My name is Ye Chen, you can call me Ye Chen." Ye Chen looked very happy when talking to Dongfang Xiu.

This beautiful goddess was not as bad as Ye Chen thought, she looked very gentle and kind to himself.

After pouring the potion over Dongfang Xiu's wound, Ye Chen began to sprinkle a powder, this powder would remove the scar left from Dongfang Xiu's wound.

It would be a pity if this wound left a trace, it would stain Dongfang Xiu's beautiful body.

After that Ye Chen wrapped the wound with a bandage, he carefully treated Dongfang Xiu's wound.

While treating Dongfang Xiu's wounds, occasionally Ye Chen touched Dongfang Xiu's perfect body, Dongfang Xiu's body was very pleasant to touch, Ye Chen felt quite addicted.

In his heart at this time, Ye Chen was very happy, Dongfang Xiu did not fight back when Ye Chen touched her body, it looks like this woman really sincerely wants to be Ye Chen's woman.

What Chu Yuechan said was true, this woman had very pure Yinqi, just by touching her, Ye Chen got a very abundant Yinqi.

Dongfang Xiu tried to restrain herself, she didn't expect that one day, she would let a man see and touch her naked body.

This was an unforgivable humiliation, a holy goddess who had never been tarnished by anything, today stained by a poor man like Ye Chen, how could Dongfang Xiu not be angry with this.

In God Realm strength is everything, there wealth doesn't really matter, as long as you have great strength, you can get whatever you want.

Finally everything was finished, Dongfang Xiu's wound had been treated by Ye Chen, now it was only just waiting for the wound to completely disappear.

Dongfang Xiu very quickly took out a change of clothes from her storage ring, she very quickly covered herself in the plain white ancient dress.

Ye Chen looked at Dongfang Xiu who had finished changing clothes, this woman was really very beautiful, she really deserved to be called a goddess.

Dongfang Xiu looked at Ye Chen with crystal clear eyes, she quickly went in front of Ye Chen.

After being treated by Ye Chen's wound, Dongfang Xiu is now a little easy to move, now she can do whatever she wants.

First of all, Dongfang Xiu must take revenge on the poor thief who dared to abuse him.

Not only insulting herself, Ye Chen also took his Heavenly Flame, Dongfang Xiu wouldn't let Ye Chen go alive.

Dongfang Xiu started extending a snow-white smooth hand towards Ye Chen's neck, she immediately grabbed Ye Chen's neck and lifted him into the air.

Ye Chen was very surprised when he saw the change from Dongfang Xiu, Ye Chen thought Dongfang Xiu intended to hug him, unexpectedly that Dongfang Xiu would choke his neck.

Dongfang Xiu stared at Ye Chen with a murderous gaze, if only this gaze could injure someone, then Ye Chen would have had a very sad end.

"What are you doing, hurry up and put me down, didn't you promise beforehand" Ye Chen told Dongfang Xiu to let go of himself.

Dongfang Xiu didn't want to let Ye Chen go at all, she further strengthened her grip on Ye Chen's neck.

Dongfang Xiu's snow-white hand grip was so strong, Ye Chen was starting to have difficulty breathing.

"You poor thief, you have dared to stain this young woman's body, now I will kill you." Dongfang Xiu really intended to kill Ye Chen.

Ye Chen did not expect that Dongfang Xiu would break her promise, this is the reply Ye Chen received after he saved Dongfang Xiu.

If only Ye Chen had known that Dongfang Xiu was dishonest from the start, Ye Chen had better let this beautiful goddess die.

Everything was too late, Dongfang Xiu had already regained her strength a little, this was enough to kill Ye Chen a thousand times.

Chapter 323 - Take Revenge On Dongfang Xiu

"Master, how can you so easily believe in this woman, the goddess who comes from the God Realm is different from the woman in your place, they are not easy to get with just a favor you do." Chu Yuechan said in Ye Chen's mind.

From the start, Chu Yuechan did not intentionally warn Ye Chen about Dongfang Xiu, she wanted Ye Chen to know that women from God Realm were not easy to get.

Chu Yuechan's words were too late, now Ye Chen's life is in the hands of Goddess Dongfang Xiu.

Ye Chen didn't want to die at the hands of the beautiful woman he saved, it seemed like Ye Chen had to attack Dongfang Xiu.

This is quite a good opportunity, Ye Chen is very close to Dongfang Xiu, he can use the King's Heart Technique to deal with a beautiful Goddess like Dongfang Xiu.

Ye Chen started to touch Dongfang Xiu's wrist which was used to choke his neck, he started to use the king's heart technique.

Ye Chen hoped that the King's Heart Technique would work against Dongfang Xiu who had a cultivation base that had reached Divine Realm.

When Ye Chen's finger touched her hand, Dongfang Xiu felt stung by an electric current, Dongfang Xiu's body suddenly became hot and uncomfortable.

Dongfang Xiu didn't understand what was going on, how her body suddenly became hot and so uncomfortable.

The strength in Dongfang Xiu's body began to loosen up, the hands that Dongfang Xiu used to choke Ye Chen also began to loosen.

Ye Chen took this opportunity to escape from Dongfang Xiu.

He smiled wickedly when he saw Dongfang Xiu's face turn red and look uncomfortable.

Dongfang Xiu felt the energy in her body disappear, it was like her profound energy was sealed by something, she slumped to the ground, Dongfang Xiu looked helpless.

Dongfang Xiu looked at Ye Chen who was smiling evilly at her.

Dongfang Xiu knew that this must be Ye Chen's doing.

"Poor thief, what did you do to me, why did my profound energy disappear." With an extremely uncomfortable feeling Dongfang Xiu asked Ye Chen.

"Who knows, maybe this is a punishment from heaven because you have broken the promise you made", Ye Chen looked very satisfied when he saw Dongfang Xiu who was in this state.

Dongfang Xiu could not believe what Ye Chen said, this thief must be the mastermind behind all this, it all started when Ye Chen's finger touched her body, Dongfang Xiu immediately felt a very uncomfortable heat and began to lose the profound energy in her body.

Dongfang Xiu was sure that Ye Chen must have given her some poison without her knowing, this man was very despicable.

"Quickly give me the antidote, otherwise I will destroy you and the planet." Dongfang Xiu asked Ye Chen as an antidote, she also threatened to destroy Ye Chen and this planet.

Ye Chen was not happy with Dongfang Xiu's words, In a situation like this, Dongfang Xiu still had time to threaten Ye Chen.

Are all the beautiful goddesses in God Realm really have this kind of nature, it is only natural that Gu Xuan did not let Ye Chen go looking for women in God Realm, it turns out that women there have hearts that are difficult for a man to move.

In the God Realm, most women pursue the path of cultivation, they don't really care about making a relationship with a man.

After all, they could protect themselves if they had a high cultivation base, which was why it was difficult to move the hearts of women in God Realm.

Ye Chen doesn't care anymore, he will no longer be kind to Dongfang Xiu.

Ye Chen moved closer to Dongfang Xiu, he walked slowly towards Dongfang Xiu.

Dongfang Xiu saw Ye Chen approaching her, for some reason she was a little scared when Ye Chen approached here.

"Don't try to get close, or I'll kill you." Dongfang Xiu again threatened to kill Ye Chen.

Ye Chen disliked Dongfang Xiu's attitude even more.

Ye Chen arrived in front of Dongfang Xiu, he stretched out his finger to hold Dongfang Xiu's chin.

Ye Chen saw Dongfang Xiu's perfectly beautiful face, With a face as beautiful as this, Dongfang Xiu truly deserves to be a goddess.

Dongfang Xiu tried to fight back when Ye Chen touched her face, unfortunately she didn't have the strength to fight Ye Chen.

"I've been kind to you many times, but you even show this kind of attitude to me, I'll make you pay for everything".

Ye Chen destroyed the ancient dress that Dongfang Xiu was wearing.

Dongfang Xiu was shocked when she saw the ancient dress she was wearing was smashed by Ye Chen into pieces.

"So beautiful." Ye Chen looked at Dongfang Xiu's perfectly beautiful carcass.

Ye Chen started caressing every inch of skin on Dongfang Xiu's body.

As her body was being caressed by Ye Chen's hands, Dongfang Xiu felt an extremely delicious feeling, this was the first time she had felt this kind of sensation.

Ye Chen descended to the perfect pair of Dongfang Xiu twin peaks, he began to squeeze the two peaks of Dongfang Xiu's mountains.

Dongfang Xiu's touching sensation is extraordinary, it is very soft, chewy and very tight, the size is also quite large, at least this is E Cup.

"Erm. . . , Ahhh. . . , "Dongfang Xiu started groaning in a very soft voice.

Dongfang Xiu's voice was very pleasant, Ye Chen's bones felt like they were tiring when he heard Dongfang Xiu's soft moan.

Ye Chen couldn't take it anymore, he was really interested in Dongfang Xiu.

Ye Chen began to squeeze, pinch and knead Dongfang Xiu's twin peaks.

Ye Chen began to squeeze, pinch and knead Dongfang Xiu's twin peaks.

"Erm, please stop." Dongfang Xiu continued to groan and asked Ye Chen to stop all of this.

Not satisfied with just being there, Ye Chen also started trying to taste Dongfang Xiu's flower buds.

Dongfang Xiu's flower bud still looks pure pink, it looks so beautiful.

Ye Chen put Dongfang Xiu's flower bud into his mouth, he started to suck like a nursing baby.

"Ahh. . . , ummm. . . , ahh. . . " Dongfang Xiu continued to groan, this sensation was too good for Dongfang Xiu who was still a virgin in a relationship between a man and a woman.

Dongfang Xiu didn't expect that he would be harassed by a man to this extent.

moreover, she didn't fight back at all when this man was harassing her.

Dongfang Xiu even enjoyed the feeling of being sucked by Ye Chen, she felt that this was too extraordinary.

Ye Chen started biting and tugging at Dongfang Xiu's pink flower bud.

"Stop it, please don't bite it, ahh. . . . ", Dongfang Xiu groaned as Ye Chen sucked his flower buds.

Ye Chen enjoyed this, he sucked even more, he hoped that something would come out of Dongfang Xiu's flower bud.

Dongfang Xiu couldn't stand the stimulation given by Ye Chen anymore, she felt something was about to come out of her lower body.

"Ahhh, stop it. . . , stop please let me go. "Dongfang Xiu tried to keep Ye Chen away from her.

Unfortunately, Dongfang Xiu's strength was not enough to drive Ye Chen who was eating his flower buds.

"Ahhh. . . . "Dongfang Xiu has reached the top.

Chapter 324 - Try The Beautiful Goddess Mouth Service

This was the first time for Dongfang Xiu to reach the Peak of happiness, it felt so extraordinary, she had never tried this kind of feeling.

After reaching the peak of expectation, Dongfang Xiu's body was shaking so violently, she still felt very sensitive.

Ye Chen didn't let Dongfang Xiu rest, he lifted Dongfang Xiu's face and started kissing Dongfang Xiu's cherry lips.

Dongfang Xiu already had no energy left to fight back, she could only surrender when Ye Chen kissed her lips.

Her first kiss was snatched away by a man she just met, Dongfang Xiu felt hopeless.

Ye Chen didn't care about Dongfang Xiu's situation, he just wanted to enjoy this beauty in front of him.

Ye Chen started to insert his tongue into Dongfang Xiu's mouth, Dongfang Xiu could only surrender when Ye Chen's tongue invaded her mouth.

Ye Chen snared Dongfang Xiu's tongue, Dongfang Xiu's mouth was very sweet like honey, Ye Chen was really addicted when he kissed this beautiful goddess.

Dongfang Xiu began to sink into the pleasure of the kiss given by Ye Chen, without realizing she was completely immersed in this passionate kiss.

Ye Chen's hand started to play with Dongfang Xiu's bottom, in the secret garden part of Dongfang Xiu, there was absolutely no visible grass growing, it was really clean and very smooth.

Ye Chen could see the mouth of the Honey Cave which was extremely beautiful.

This discovery made Ye Chen even more excited, it turned out that Dongfang Xiu became a woman with the nickname white tiger.

A woman like this if her lust is triggered it will be difficult to satisfy her.

It was unexpected that a goddess like Dongfang Xue would become a white tiger.

Dongfang Xiu felt something was starting to touch the most private part she had, Dongfang Xiu tried to get Ye Chen's hand away from the secret garden she had.

Ye Chen tried to move Dongfang Xiu's hand, he started to absorb the Yinqi that Dongfang Xiu just brought out.

Ye Chen continued to play with Dongfang Xiu's secret garden.

Dongfang Xiu began to lose consciousness, the pure beauty goddess was completely immersed in boundless lust.

Dongfang Xiu had reached the peak many times by Ye Chen's technique.

Ye Chen stopped kissing Dongfang Xiu's cherry lips, Ye Chen started to take off his clothes.

After all the clothes that Ye Chen was wearing were taken off, a huge long meat stick appeared in front of Dongfang Xiu's face.

Dongfang Xiu still had a hint of consciousness. She was shocked when she saw the thing belonging to a man who was sturdy and terrifying.

This was Dongfang Xiu's first time seeing a large thing that belonged to a man.

Dongfang Xiu turned her gaze to the side, she felt uneasy when she saw Ye Chen's big thing.

Ye Chen held Dongfang Xiu's face, Ye Chen slapped Dongfang Xiu's pretty face with his big stick.

"Quickly open your mouth" Ye Chen told Dongfang Xiu to open her mouth, Ye Chen wanted to taste the mouth of a beautiful goddess like Dongfang Xiu.

Dongfang Xiu shook her head, she didn't want to open her mouth.

Ye Chen was annoyed that Dongfang Xiu still refused, he again slapped Dongfang Xiu's beautiful face with his large object.

The smell of Ye Chen's large object made Dongfang Xiu dizzy, without Dongfang Xiu noticing she opened her mouth wide.

This is Ye Chen's chance, Ye Chen immediately put his big thing into Dongfang Xiu's cherry mouth.

Dongfang Xiu's eyes widened when Ye Chen's big and ugly thing entered her mouth, Dongfang Xiu felt like vomiting just from thinking about this.

Dongfang Xiu's mouth was so moist, soft and so comfortable, Ye Chen felt an enormous expectation.

Ye Chen held Dongfang Xiu's head and moved him back and forth.

"That suck, if you dare to hurt my little brother then I won't let you go easily" Ye Chen threatened Dongfang Xiu.

"Jubo. . . , jubo. . . , jubo. . . , jubo. . . , "A sucking sound began to sound, Dongfang Xiu started sucking on Ye Chen's large object.

Somehow after a while Dongfang Xiu didn't feel disgusted like before, she actually felt very pleasant while sucking on Ye Chen's large object.

At first Dongfang Xiu felt disgusted by this thing, but after a while she felt very pleasant sucking on Ye Chen's large object.

Dongfang Xiu actually fell into Ye Chen's palm. "Suck it well, I'll give you a nice gift later." Ye Chen told Dongfang Xiu to continue the oral service she did.

Dongfang Xiu's skills were not as good as his wives, but the feeling inside Dongfang Xiu's mouth was very pleasant.

Dongfang Xiu continued to suck Ye Chen's large object for 15 minutes, after 15 minutes of helping Ye Chen, Dongfang Xiu felt that her jaw was numb.

Ye Chen's large thing was too big for Dongfang Xiu to eat.

Ye Chen felt that he was already on the threshold, he again held onto Dongfang Xiu's head and sped up the movements of Dongfang Xiu's mouth.

"Ughh." Dongfang Xiu felt her throat tighten when Ye Chen's large object went too deep.

" I am out . . .uhhh. . . , Byurr. . . , Byurr. . .Byurr. . .Byurr. . . "Ye Chen poured Yangqi essence into Dongfang Xiu's mouth.

"Umm" Dongfang Xiu's mouth immediately swelled because she was unable to load, the Yangqi essence shot by Ye Chen.

"Swallow it." Ye Chen told Dongfang Xiu to swallow his Essence.

"Glup. . . , Glup. . . , Glup. . . , Glup. . . , "Dongfang Xiu desperately tried to swallow the thick liquid that was in her mouth.

At first Dongfang Xiu felt a little disgusted when she ate Ye Chen's essence, unexpectedly after tasting it, the Yangqi Ye Chen taste was really very delicious.

This was far better than all the food that Dongfang Xiu had tasted at God Realm.

Dongfang Xiu swallowed all of Ye Chen's Essence into her Stomach, Dongfang Xiu felt full after eating Ye Chen's Essence.

Ye Chen looked at the Dongfang Xiu under him, Dongfang Xiu really looked very seductive when she ate his essence, Ye Chen felt like doing Dual Cultivation immediately with the goddess Dongfang Xiu.

Without realizing it, Ye Chen, from Dongfang Xiu's hand appeared a stone, this stone shone with a very bright and dazzling light.

The entire cave was covered in this dazzling light, for a moment Ye Chen couldn't see anything in front of him.

For approximately 10 seconds Ye Chen managed to regain his sight.

When Ye Chen regained his sight, he saw that Dongfang Xiu had disappeared from here.

Ye Chen immediately looked around to find Dongfang Xiu's whereabouts, but he simply couldn't find Dongfang Xiu's whereabouts.

Ye Chen was confused about where Dongfang Xiu had gone.

"Master, that woman used teleportation stones to randomly move places on this planet, you can't possibly find her around here." Chu Yuechan told Ye Chen that Dongfang Xiu had teleported to a place that might be very far from here.

"Damn it." Ye Chen gritted his teeth, Dongfang Xiu managed to escape, sooner or later the beautiful goddess would definitely come back to find himself and kill him because of what he did before.

"Master, you don't need to worry, Dongfang Xiu has already tasted your Yangqi, she can't possibly escape from your grip." Chu Yuechan giggled at Ye Chen.

Chu Yeuchan believed that Dongfang Xiu couldn't possibly leave Ye Chen after tasting Ye Chen's taste.

Sooner or later Dongfang Xiu will definitely come back looking for Ye Chen, even a goddess will not be able to escape from the king's heart technique.

Chapter 325 - Nangong Xiang

Ye Chen was a little disappointed, even though he intended to do something exciting with Dongfang Xiu, it was unexpected that Dongfang Xiu would run away at such an important moment.

With a sense of disappointment Ye Chen returned to his clothes, Ye Chen's younger brother still raised his spear high, it seemed like he had to find Liu Yue to vent this.

With a bit of disappointment Ye Chen left the cave, he decided to return to the capital where Liu Yue and Xia Qingyu were.

Ye Chen didn't waste any time as he flew back to the capital at full speed.

Even though he failed to get Dongfang Xiu, Ye Chen's harvest wasn't bad, he managed to get a very powerful Heavenly Flame.

As Ye Chen flew towards the capital, he met a woman who wore a mask on her face, this woman had golden hair and golden clothes.

The figure of this woman can be described very perfectly, this woman exudes an extraordinary noble aura, unfortunately this woman's face cannot be seen because she is wearing a mask.

Seeing the mysterious woman hovering in front of him, Ye Chen decided to stop.

He saw the woman in front of him, "Who are you?" Ye Chen asked who this mysterious woman is.

Ye Chen was quite wary of this mysterious woman, Ye Chen couldn't understand the cultivation base that belonged to this mysterious woman in front of him.

There were two possibilities for this woman to hide her cultivation base using special artifacts or that the mysterious woman did indeed have a cultivation base much higher than him.

If indeed this woman had a cultivation base that was higher than Ye Chen's, it was likely that this woman was at the half-step stage to Divine Realm or perhaps had already broken through to the Divine Nascent Realm.

Because of this, Ye Chen was quite wary of this woman in front of him.

"Master, a woman's body was injured, I saw that some of the meridian lines she had were very badly injured and difficult to heal." Chu Yuechan told Ye Chen that the mysterious woman in front of him had an injured body.

Ye Chen started to look at the mysterious woman, It is true what Chu Yuechan said, this woman was indeed injured, some of this woman's meridian lines were quite badly injured.

Ye Chen felt that it was difficult to heal the meridians of this woman, most likely a mysterious woman was injured by someone to become like this.

"Yuechan, do you think a woman is strong? , I absolutely can't feel this woman's cultivation base." Ye Chen wanted to know whether the woman wearing this mask was strong or not.

"Hemmp." Chu Yuechan started to think.

"The strength that this woman has while still at the peak of glory is much stronger than the Dongfang Xiu you just met, even this woman is hundreds or even thousands of times stronger than Dongfang Xiu".

"Because this woman's body was injured, this woman's cultivation base has also dropped quite a lot, now that this woman is at the half-step stage to Divine Realm, it is very likely that this woman will find it difficult to re-enter the Divine Nascent Realm with this state of mind."

Chu Yuechan began to explain the discovery she had found from the mysterious woman who was in front of Ye Chen.

"Huh? , the power of the peak of glory possessed by this woman is much stronger than the current Dongfang Xiu? , how strong is this woman? "Ye Chen didn't expect that in one day he would meet two very strong women.

"I don't know, but for sure this woman is not weak at all, she is a former cultivator who has a cultivation base in the Divine Overlord Realm realm, so surely this woman's strength is not what it seems on the surface " ,Chu Yuechan did not know how much strength this mysterious woman possessed.

what was certain was that this woman was extremely strong, considering that she was a former cultivator who had reached the Divine Overlord Realm stage.

Ye Chen did not expect that this woman used to be a cultivator in the Divine Overlord Realm, that meant that back then this mysterious woman's strength was no weaker than Gu Xuan's, or maybe this woman actually had a much stronger strength than Gu Xuan's.

Ye Chen started to be curious about the masked woman in front of him.

Nangong Xiang saw Ye Chen in front of her eyes, she could smell a familiar fragrance from Ye Chen's body.

"Tell me if you have just met a woman who has snow-white hair." Nangong Xiang asked if Ye Chen had just met a woman who has the characteristic snow-white hair.

Ye Chen was surprised when he heard Nangong Xiang knew that he was just with Dongfang Xiu.

Ye Chen started to think that this mysterious woman in front of him might be one of Dongfang Xiu's enemies.

"I didn't meet the woman you mean earlier." Ye Chen better act ignorant in front of Nangong Xiang, he didn't want to get involved in the trouble between the two of them.

Ye Chen acted strong in front of Nangong Xiang, after all at this time Ye Chen was hiding his strength with Reideran pendant necklace, so the opposing party must not know about his strength, he must not act weak in front of this woman, otherwise it will be dangerous for Ye Chen.

"You're lying to me, right? , I can smell that woman's scent on your body. "Nangong Xiu was quite familiar with the fragrance that Ye Chen had. This was definitely Dongfang Xiu's smell.

Ye Chen started to smell his body, it was true that Dongfang Xiu's very fragrant smell still remained on his body.

It seemed like it was Dongfang Xiu's scent that made Nangong Xiang suspicious of him.

Ye Chen's guess was right, this woman seemed to know about Dongfang Xiu, this mysterious woman must also come from the God Realm just like Dongfang Xiu, otherwise how could this woman know Dongfang Xiu.

Nangong Xiang Looking at Ye Chen, she seemed to hate Ye Chen.

Nangong Xiang had a bad experience with a man who dared to lie to her.

The reason Nangong Xiu turned into this state was because she was tricked by the man she trusted the most.

Because of this, Nangong Xiang really hated men who dared to lie to her.

"Yes, I did meet the woman you mentioned earlier, what's wrong? Ye Chen asked Nangong Xiang.

"Then where is that woman now? ", Nangong Xiang asked Ye Chen where Dongfang Xiu was.

"How do I know, that woman left using a teleportation stone." Ye Chen told Nangong Xiang that Dongfang Xiu left using a teleportation stone.

Nangong Xiang didn't say anything, she flew to Ye Chen's side, Nangong Xiang intended to attack Ye Chen.

when Nangong Xiang wanted to attack him, Ye Chen immediately put on a combat stance, Ye Chen opened the Sage God's Flame Vein.

"Bamm", in the night sky Ye Chen and Nangong Xiang exchanged blows.

In this exchange Ye Chen was forced back hundreds of meters, while Nangong Xiang only retreated a few meters.

Chapter 326 - Golden Flame Supernova

The discovery of Ye Chen's strength made Nangong Xiang surprised, she did not expect that the strength of this man who was so young was able to fight against her.

From the exchange of blows earlier, Ye Chen could conclude that this woman's strength is indeed strong.

Even after opening the Sage God's Flaming Veins, Ye Chen still lost when fighting this woman.

"Hey Miss, why did you suddenly attack me, I have already answered all the questions you asked, so why do you want to hurt me" Ye Chen was not satisfied with the attitude shown by this mysterious woman.

"You lied to me ?, quickly tell me where the woman is." Nangong Xiang told Ye Chen to immediately tell herself where Dongfang Xiu was.

"I told you I don't know, that woman left by using a teleportation stone, why don't you just find her whereabouts" Ye Chen sneered at Nangong Xiang, Ye Chen was still annoyed because Dongfang Xiu managed to escape from him.

Nangong Xiang did not believe what Ye Chen said.

Ye Chen had lied to herself before, it was for this reason that Nangong Xiang didn't really trust Ye Chen anymore.

"I have limited patience, quickly tell me where that woman is, you must be hiding it somewhere."

Nangong Xiang guessed that this man must be hiding Dongfang Xiu somewhere.

"Why would I lie to you, that woman has indeed left using a teleportation stone." The tone of voice used by Ye Chen was getting high.

Nangong Xiang still didn't believe it, she looked even more angry at Ye Chen.

Nangong Xiang gave off a pure flame that was extremely powerful, the pure fire that Nangong Xiang gave off was golden color.

"Heavenly fire?" This discovery surprised Ye Chen, he didn't expect that this woman also had heavenly flames in her body.

The Heavenly Golden Flame was a heavenly flame that was ranked fifth on the list of powers, it meant that the Heavenly Golden Flame was still below Ye Chen's Heavenly Silver Flame.

"Looks like I have to use harsh means to get you to talk." Nangong Xiang was forced to use harsh means to deal with Ye Chen.

Nangong Xiang's Heavenly Flame started to aim in the direction of Ye Chen, the Golden Fire began to envelop around Ye Chen's body.

Ye Chen was trapped in the Heavenly Golden Flame prison.

The Heavenly Golden Flame was quite hot, Nangong Xiu believed that Ye Chen could not possibly endure it when he was in a prison made of Heavenly Golden Flame.

Nangong Xiang did not intend to kill Ye Chen, she only wanted to torture Ye Chen into talking about where Dongfang Xiu was.

In the Heavenly Golden Flame prison, Ye Chen did not feel any heat or pain at all, the strength of the inheritance that he had left Ye Chen unharmed even though he was near the Heavenly Golden Flame.

Ye Chen looked very unwilling when dealing with Nangong Xiang's Heavenly Golden Flame.

Nangong Xiang felt that something was strange, how could Ye Chen not make a sound when he was enveloped by her Heavenly Flame.

Nangong Xiang knew how powerful her heavenly flames were. Heavenly flames were so hot and powerful, ordinary people could not stand being in a prison made of the Heavenly Golden Flame.

Nangong Xiang waited for a long time, but not a voice of pain could be heard from Ye Chen.

Feeling that something was wrong, Nangong Xiang withdrew her Heavenly Golden Flame.

As the Heavenly flames pulled back, Nangong Xiang saw Ye Chen who was lying lazily in the air.

Ye Chen was currently lying in the air with one hand supporting his head.

"Hoamm, is that all the power you have?" Ye Chen yawned, he seemed to be teasing Nangong Xiang.

Seeing this, the flames in Nangong Xiang's heart were getting bigger and bigger, the golden flame aura that was emitted by Nangong Xiang became even stronger than before, a raging storm began to appear because of the aura that was emitted by Nangong Xiang.

Nangong Xiang no longer held back the strength she had.

This time she will be more serious in fighting with people who dare to underestimate her.

Nangong Xiang Waved her hand, the enormous Heavenly Golden Flame headed towards Ye Chen.

The Heavenly Golden Flame looked like a wave of flames that was ready to overthrow Ye Chen.

Nangong Xiang no longer cares about Ye Chen's life and death, she will show the full strength he has.

Ye Chen still looked very relaxed when the Heavenly Golden Flame headed towards him, the Heavenly Golden Flame couldn't possibly hurt Ye Chen.

Seeing that Nangong Xiang was a Flame cultivator, Ye Chen had more and more confidence in fighting this woman.

Ye Chen didn't need to be too afraid of Nangong Xiang anymore.

The Heavenly Golden Flame swept away everything that was blocking its path, all the objects that the Heavenly Golden Flame passed were burned and turned to ashes.

"Boomm." The Heavenly Golden Flame hit Ye Chen, an explosion of flames that were quite strong occurred.

The forest that was previously filled with trees had now turned into a sea of golden flames.

Nangong Xiang continued to watch the Heavenly Golden Flame devour everything in here.

"Hooam" Ye Chen appeared from within the Heavenly Flame Sea, he again floated in front of Nangong Xiang.

Nangong Xiang's eyes widened when she saw Ye Chen was still alive after receiving her attack.

Nangong Xiang started to get a little confused when she saw this nonsense.

Nangong Xiang came from the God Realm, she had seen so many things that were beyond her mind.

This was the first time that Nangong Xiang had seen something utterly absurd.

She still didn't understand how Ye Chen could endure after receiving her Heavenly Flame attack. There wasn't even a sign of burns on Ye Chen's body, all of Ye Chen's clothes were still intact.

"It turns out that you are quite strong too, it's no wonder you are very confident." Nangong Xiang had to admit that Ye Chen was indeed strong.

Ye Chen was the first cultivator on this planet who was able to fight against Nangong Xiang for this long period of time.

"I'm not strong at all, maybe you are too weak." Now that Ye Chen has the upper hand, of course he should tease Nangong Xiang who was in front of him a little.

Nangong Xiang is a woman who is very serious in everything, Nangong Xiang took Ye Chen's words as an insult.

Extremely powerful profound energy shot out from Nangong Xiang's body, this explosion made the heavens and earth tremble.

Looks like Nangong Xiang is really very angry, the aura that Nangong Xiang has is really very strong.

The sky that was previously bright now turned dark, the aura that was released by Nangong Xiang was affecting the situation around this place.

From the tip of Nangong Xiang's finger appeared a round Heavenly flame that resembled a marble, Nangong Xiang raised her finger up.

The fire that was previously small as a marble, now began to grow, in a matter of time the small fire became very large.

Now the small fire has turned into a mini version of the sun.

The land below starts to rise upwards, it looks like the mini version of the Sun is affecting the gravity around it.

"We'll see if you can withstand my attack this time"

"Golden Flame Supernova" Nangong Xiang threw the small sun that was above her towards Ye Chen.

Chapter 327 - A Wound On The Face

The Golden Flame Supernova's strength was terrifying, ordinary cultivators who were at the peak stage of the Overlord Realm would definitely get goosebumps just from the radiant aura of the Golden Flame Supernova.

The Golden Flame Supernova headed towards Ye Chen.

Ye Chen again looked very relaxed as the Golden Flame Supernova headed his way.

The Golden Flame Supernova hit Ye Chen.

"Boooooommmmmmmmmmm. . . ."The Golden Flame Supernova made an extremely powerful explosion.

The power of the explosion was tens of times stronger than an atomic bomb, the explosion of the Golden Flame Supernova created a very strong earthquake, this earthquake can be felt all over the world.

After the explosion disappeared, a giant hole was formed right where Ye Chen was standing, the diameter of this hole was estimated to be more than 100 Km.

Thousands of kilometers of forest and also the mountains around this hole had already been leveled, the Golden Flame Supernova's explosion almost flattened half of the forest here.

The destructive power of the Golden Flame Supernova was tremendous, with this kind of power it could destroy a country.

Nangong Xiang saw where the huge hole was formed, she did not expect that one day she would be forced to use the full strength she had.

"Cough " Nangong Xiang coughed up blood, it seemed like she was pushing herself too hard to use the Golden Flame Supernova technique.

The result was that Nangong Xiang's body was not strong enough to withstand the strength of the Golden Flame Supernova.

Nangong Xiang fell to the ground, the profound energy that was in Nangong Xiang's body was exhausted, in addition to her body feeling excruciating pain, at this time she felt very weak and helpless.

"Wasn't what you did just now too much." A voice came from behind Nangong Xiang.

Nangong Xiang immediately turned her head towards the back, she was shocked when she saw Ye Chen was still alive after receiving the Golden Flame Supernova's attack.

What's more, Ye Chen looked very healthy, he wasn't hurt at all, this made Nangong Xiang very shocked.

"How can you. . . ", Nangong Xiang could not continue her words, she again vomited a mouthful of blood.

The old wounds on her body seemed to be getting worse from using the Golden Flame Supernova.

Are you okay, do you need help? ", Ye Chen asked the state of the mysterious woman in front of him.

"I don't need you to pity me, just kill me quickly." Nangong Xiang was resigned, she no longer had the strength to fight Ye Chen.

"Kill you? , I have no intention of doing that, I'm even more curious about you ".

Ye Chen drew closer to Nangong Xiang, he was curious about the face behind this mask.

Nangong Xiang did not have the strength to do anything, she could only remain silent and accept what Ye Chen would do to her.

Ye Chen reached out and picked up the mask Nangong Xiang was wearing, she wanted to see what kind of face this woman had.

From the figure that Nangong Xiang possessed, Ye Chen knew that this woman must be beautiful.

After the mask was removed, Ye Chen saw a very beautiful face, this face was completely comparable to the beauty that Dongfang Xiu had.

It was a shame that this beautiful face had a wound that looked quite gruesome, this made the beauty that belonged to Nangong Xiang imperfect.

"You're not disappointed after seeing my broken face." Nangong Xiu said with a sour feeling.

This was the reason Nangong Xiu hid her face, she did not want others to see this terrible wound.

She hated his appearance like this.

"No, I think you're still beautiful" to Ye Chen Nangong Xiang still looks beautiful.

Nangong Xiang's face turned red, she did not expect that a man would praise her for being beautiful, even though at this time her face looked very ugly and creepy.

"You liar man, why don't you just be honest and say that I'm ugly" Nangong Xiang said with a red face.

"I'm not lying, you are beautiful." Ye Chen was so helpless, It was very difficult to convince Nangong Xiang that he was not lying at all.

Ye Chen's words made Nangong Xiang's face turn even redder.

Nangong Xiang immediately looked Ye Chen's eyes, she felt that Ye Chen's words were sincere.

"What makes you think I'm beautiful? ", Nangong Xiang asked Ye Chen.

"Why don't you take a mirror and look for yourself, after that compare with the woman out there who has a face worse than yours." Ye Chen told Nangong Xiang to compare his face with the woman out there.

There are so many women out there who don't have good fortune like Nangong Xiang who is blessed with a beautiful face.

Nangong Xiang started to think about what Ye Chen just said, it was true that there were still many poor women who were sadder than her.

Nangong Xiang should be grateful to still have a face like this.

Nangong Xiang felt touched by the words Ye Chen gave, now she no longer needed to hate herself.

"Thank you very much, thanks to you now I realize that I don't need to hate myself" Nangong Xiang thanked Ye Chen.

After all this time, finally Nangong Xiang could smile again.

"By the way why don't you heal the wound, with the resources you have I believe you must be easy to find the wound remedy." Ye Chen felt strange seeing Nangong Xiang not looking for medicine to get rid of the wound on his face.

"This is no ordinary wound, it was carved by a powerful heirloom artifact, ordinary medicine won't be able to heal it." Nangong Xiang told Ye Chen that this wound was caused by a Celestial Tier artifact.

"I see." Ye Chen nodded to Nangong Xiang, Ye Chen wanted to know who the person who had done this cruelty to Nangong Xiang.

It would be rude if Ye Chen asked Nangong Xiang such a thing.

"Master, don't you still have the heavenly beauty pills you got from leveling up the fairy gate? , why don't you just give that pill to this woman, she might be able to protect you from Dangfang Xiu. "Chu Yuechan told Ye Chen to give Nangong Xiang a beauty pill.

from the beginning Chu Yuechan did not feel any ill will from this woman at all, from the beginning Nangong Xiang did not have any animosity towards Ye Chen.

Everything that happened before was just a misunderstanding.

Ye Chen just remembered that he still had the heavenly beauty pill that he got from the fairy gate, Ye Chen wondered if the heavenly beauty pill could heal the wound on Nangong Xiang's face.

Ye Chen took out a beauty pill from the fairy gate storage.

"Quickly open your mouth" Ye Chen told Nangong Xiang to open her mouth immediately.

" What do you want ? "Nangong Xiang didn't understand what Ye Chen wanted, why did Ye Chen tell her to open her mouth.

"Just do it quickly, this is an order." Ye Chen ordered Nangong Xiang to immediately open her mouth.

Nangong Xiang obediently opened her small mouth, after Nangong Xiang opened her mouth, Ye Chen threw a heavenly beauty pill into Nangong Xiang's mouth.

The heavenly beauty pill I went straight into Nangong Xiang's stomach.

Nangong Xiang was completely unprepared when the pill entered her mouth, Nangong Xiang had swallowed a Pill which she had no clue what pill it was.

Chapter 328 - Empress Dowager

"What did you just give me" frantically Nangong Xiang asked Ye Chen what Ye Chen had just given her.

"Hehehe, soon you will know what I just gave you" Ye Chen chuckled at Nangong Xiang.

Seeing Ye Chen's smile, Nangong Xiang felt something strange, Nangong Xiang thought that the pill Ye Chen gave her was poison.

Nangong Xiang misjudged Ye Chen, it turned out that Ye Chen was the same as other men.

Ye Chen's smile made Nangong Xiang misunderstand, even though Ye Chen had good intentions towards Nangong Xiang.

After eating the heavenly beauty pill, Nangong Xiang felt that her face was heating up, in her mind Nangong Xiang Ye Chen gave herself an aphrodisiac pill.

Sensing this, Nangong Xiang was a little frightened.

The heavenly beauty pill starts to work, the effect of the heavenly beauty pill starts to repair Nangong Xiang's skin cells which are difficult to heal.

The wound that was on Nangong Xiang's face started to emit a hint of smoke, The wound started drying up very quickly.

After the wound completely dried up, the scar that was on Nangong Xiang's face fell out and fell to the ground.

Now Nangong Xiang's face looked very beautiful and very smooth, there was no more wound on Nangong Xiang's face.

At this time Nangong Xiang's face was very beautiful, beaming, she looked like a beautiful goddess that was very graceful, Ye Chen was really fascinated by Nangong Xiang's beauty.

Nangong Xiang immediately touched her face, she touched where her old wound was.

She was surprised to find that her face now looked very smooth.

Nangong Xiang took out a mirror and his storage room Ring.

In the mirror She immediately saw her face. she was surprised to see her face healed and looked much prettier than before.

Nangong Xiang was so happy when she found that her face had healed, she shed tears of joy.

"Thank you very much, thank you very much, thank you very much." Nangong Xiang thanked Ye Chen.

She really misunderstood Ye Chen, she thought Ye Chen wanted to do something bad to her, it turned out that she was wrong, Ye Chen only intended to heal herself.

"You're welcome, then I'll go first, see you later" Ye Chen decided to leave here, he couldn't stand to see the beauty that belonged to Nangong Xiang.

Ye Chen did not think that the effect of the heavenly beauty pill could be this great.

"Wait." Nangong Xiang got up from the ground, she wanted to stop Ye Chen.

Nangong Xiang's body was still limp, when she stood up she felt her legs soft.

Nangong Xiang staggered and was about to fall to the ground.

Ye Chen went to support Nangong Xiang's body, from behind he hugged Nangong Xiang's waist.

The two's positions were quite ambiguous, at this time Ye Chen was hugging Nangong Xiang like a lover.

Nangong Xiang's face turned red, she did not expect that she would be hugged by a man in this position.

It was strange that Nangong Xiang felt a very comfortable feeling when she was hugged by Ye Chen.

Nangong Xiang's body was so fragrant, Ye Chen could smell the extraordinary fragrance of Nangong Xiang's golden hair, this gave Ye Chen a special expectation.

Ye Chen's younger brother got back up again, Ye Chen's younger brother poked Nangong Xiang's beautiful butt.

Nangong Xiang felt something hard poke her butt, she wanted to know what Ye Chen was keeping under, out of curiosity that she was grabbing this hard thing.

Nangong Xiang's gentle hand touched Ye Chen's large object, Nangong Xiang began to squeeze Ye Chen's large object.

Ye Chen was very surprised by the courage shown by Nangong Xiang, he did not expect that a beautiful goddess like Nangong Xiang would dare to do something like this.

"Emmm" Ye Chen groaned as Nangong Xiang's hand squeezed his younger brother.

At first Nangong Xiang was confused about what this thing was, after hearing Ye Chen's groan, Nangong Xiang finally realized what this thing was.

Nangong Xiang immediately removed her hand from Ye Chen's large object. "I'm sorry." Nangong Xiang apologized, she didn't know that this was Ye Chen's most important thing.

Nangong Xiang's face was already red like an apple, she didn't expect that she would do such an embarrassing thing.

"It's okay." Ye Chen was a little disappointed when Nangong Xiang's soft hand left a large object of him.

After the incident just now, the situation between Ye Chen and Nangong Xiang became awkward.

"That, may I know what your name is?" Nangong Xiang was the first to start the conversation.

"My name is Ye Chen, you can call me Ye Chen" Ye Chen told Nangong Xiang what his name was.

"So your name is Ye Chen, I am Nangong Xiang, you can call me Nangong Xiang" when Nangong Xiang called Ye Chen's name, Nangong Xiang's tone was very soft, Ye Chen felt like melting just from hearing Nangong Xiang's voice.

Ye Chen started to wonder if the woman from God Realm really had such a gentle voice, even the bones in Ye Chen's body trembled slightly when he heard Nangong Xiang's voice.

Ye Chen felt that he couldn't stand to be together for such a long time with a woman like this.

He felt that his soul could be sucked in by Nangong Xiang's beauty and soft voice.

Nangong Xiang is so beautiful, why didn't Ye Chen just take her home.

Ye Chen had already let go of a beauty like Dongfang Xiu, he couldn't possibly let go of a beauty like Nangong Xiang again.

Ye Chen took Nangong Xiang fly away from this place, he took Nangong Xiang towards the hotel where he rented.

Nangong Xiang looked obedient when Ye Chen took her away, instead it would be weird if Ye Chen left herself in a place like this when she was this weak.

Nangong Xiang snuggled in Ye Chen's embrace, she felt very comfortable when she was in Ye Chen's embrace.

"Tell me why are you so kind to me? , even though before I intended to kill you." Nangong Xiang asked why Ye Chen was so nice to her, even though she had previously attacked Ye Chen.

" Why ? , maybe because I feel quite a familiar feeling from you. "Ye Chen said to Nangong Xiang.

" that is it ? Nangong Xiang couldn't believe that Ye Chen was helping her because of this.

"Another one you are very beautiful, I of course want to get a beautiful goddess like you" Ye Chen did not hide his meaning from Nangong Xiang.

"Looks like I was wrong, it turns out that you are just like any other man." Nangong Xiang's face was slightly flushed.

"I am a normal man, of course I will like a beauty like yourself"

"At least you are more honest, that's a Plus Point for you" to Nangong Xiang Ye Chen was better than a man who approached her with special intent.

" do you know ? , I am an empress dowager, so don't expect too much From me. "Nangong Xiang told Ye Chen that she was an empress dowager.

"Huh? , but I can still feel the virgin Yin from you, how can you become an empress dowager. "Ye Chen was a little confused by Nangong Xiang's words.

It was clear that Nangong Xiang was a virgin, but why did she say that she was an empress widow.

Ye Chen started to wonder, whether Nangong Xiang was testing himself or wanted to joke with him.

Chapter 329 - Eternal Sun Star Realm

Nangong Xiang shook her head "I've been married to a king who ruled the eternal sun star realm, in God Realm I was often called the empress of the sun." Nangong Xiang told Ye Chen who she was.

While listening to this, Ye Chen immediately stopped on the spot.

He looked at Nangong Xiang with an incredulous look. "You, you are one of the four beautiful women in the Western God Realm?" Ye Chen still doesn't believe that the woman in his arms is one of the four beautiful women in the Western God Realm.

Nangong Xiang nodded "I am one of the four most beautiful women in God Realm." Nangong Xiang did not evade, she admitted that she was one of the four beauties in the Western God Realm.

"But why are you here? , shouldn't you be in the eternal sun star realm. "Ye Chen wanted to know how could Nangong Xiang be on Earth, she should be in the eternal sun star realm.

"The story is a little long, do you want to hear it?" Nangong Xiang doesn't mind sharing her story with Ye Chen.

"Of course, why not." Ye Chen didn't mind hearing Nangong Xiang's story at all.

"It started thousands of years ago, I came from the Star Holy Flame Star Realm, the Holy Flame Star Realm is a top ranked star that ranks 7th."

"At that time I was still a young princess in the royal family, at that time I rarely appeared in public, so not many people knew that I was a beautiful woman." Nangong Xiang told Ye Chen that in the past she was just a beautiful young woman who not as famous as it is today.

"My family is the ruler of the Holy Flame Star Realm, at that time my family experienced a very severe crisis, we were even on the verge of being crushed and could potentially be demoted to Mid-rank Star."

"When we were in a desperate situation, a man came to our place, the man suddenly helped us out of the crisis we were experiencing, the man helped without expecting anything in return."

◆◆◆Is that guy the Eternal Sun Star Realm Lord King? " Ye Chen asked Nangong Xiang.

Nangong Xiang nodded "Yes, that man is Sun Star Realm Eternal Ruler King, his name is Sun Quan, he is one of the three most powerful people in Western God Realm".

Nangong Xiang told Ye Chen that the Eternal Sun Star Realm Ruler King was a very strong person.

"After my father found out that that man was the Eternal Sun Star Realm Lord King, then he decided to marry me to that man, it was a blessing to be able to marry one of the rulers of the domain in the western region. "

"At that time I couldn't refuse it, I could only obey my father's orders." Nangong Xiang began to tell Ye Chen.

"Then what happened next" Ye Chen wanted to know what happened next.

"Of course I married Sun Quan, after that I was adopted as the main empress, at that time Sun Quan was very kind to me, he gave me all the things I wanted, even I was given a lot of resources."

"Using the resources that Sun Quan gave me, within a few thousand years I could reach the pinnacle of cultivation."

"Has that man not done something to you for thousands of years?" Ye Chen was very curious about this.

Nangong Xiang shook her head "after we got married, he and I have never shared the same bed, even touching it can only be counted a few times, at first I was concerned about this, but because of the kindness given by Su Quang, gradually I got used to it. with that "Nangong Xiang and Sun Quan have never had a normal male-female relationship.

Ye Chen began to think that the ruler of the Eternal Sun Star Realm was a eunuch, how could he not touch a goddess as beautiful as Nangong Xiang.

"Because of Sun Quan's sincerity and kindness, I started to really believe in him, until one day Sun Quan asked me something."

"Then what does he want from you", Ye Chen was getting more intimate with the next story.

"Sun Quan wanted me to take him to my family treasure room, at that time I was not at all suspicious, I took Sun Quan away to my family's treasure room."

"In my family there are only a few people who are allowed to enter the treasure room, I am the one who has the special right to enter the treasure room".

"After I brought Sun Quan inside, Sun Quan suddenly launched a sneak attack on me, I was completely unprepared for this surprise attack, I was seriously injured by the attack carried out by Sun Quan".

Nangong Xiang told Ye Chen that Sun Qung had made a sneak attack on her.

"Why did he attack you, didn't you say Sun Quan was very good to you", Ye Chen wanted to know the reason Sun Quan attacked Nangong Xian.

Nangong Xiang sighed "that's when I knew the rottenness that Sun Quan has, from the beginning Sun Quan only wanted to steal the precious treasure that belonged to my family"

"What precious price is that?" Ye Chen asked about the precious treasure that the Nangong Xiang family had.

"It is the Horn of Heavenly Unicorn beings, it is an extremely rare treasure in God Realm, only my family is the only one who owns this treasure." Nangong Xiang told Ye Chen that the thing Sun Quan wanted was a Unicorn horn.

"What does that guy want to do with the Unicorn Horn that your family has.", Ye Chen had never learned about Unicorn Horn, so he didn't know what the use of Unicorn Horn was.

"The Unicorn Horn is one of the ingredients that can be used to make the Pill of Immortality, the Pill of Immortality is a pill that can make you live forever" Nangong Xiang explained to Ye Chen the function of the Immortal Life Pill.

"So Sun Quan attacked you just to steal the Unicorn Horn in your family's treasure room? ", Asked Ye Chen to Nangong Xiang.

"Yes, from the start he was after that thing, everything was planned by Sun Quan, from the crisis that my family was experiencing to my marriage, everything was planned by Sun Quan".

Since the beginning of her family crisis caused by Sun Quan, she and her family had been tricked by Sun Quan.

"After Sun Quan got what he wanted, he immediately threw me away, he crippled the cultivation base that I had, it didn't stop there that he was also the one who had carved wounds on my face, after doing this, he threw me away using a teleportation stone. realized I was already in this place. "Nangong Xiang finished telling her story.

"So that's the reason you can be on this planet, I didn't expect that a great king like Sun Quan would do such a heinous thing." Ye Chen didn't think that Sun Quan, a domain king, would do something like that.

"Sun Quan is a very ambitious person, he wants to become the strongest person in the Western God Realm, he will do whatever it takes to make his wish come true, even if it costs a lot of the lives of billions of people." Nangon Xiang already knew how ambition Sun Quan had.

Chapter 330 - Tonight You Sleep On The Sofa

"After knowing this, do you still want to be with me now? ", Nangong Xiang asked whether Ye Chen still wanted to be with her after knowing that she was a former Empress who had been banished.

"How could I refuse a beautiful goddess like you, I don't care even if you are a former empress, to me you are a very beautiful woman." Ye Chen did not mind this, how could he reject the beauty that was delivered to him.

"You are too easily deceived by beautiful women, one day you might die under a beautiful woman's pomegranate skirt." Nangong Xiang gave Ye Chen a warning.

"Hehehe, I don't mind getting stuck in the pomegranate skirt of a woman as beautiful as you." Ye Chen teased Nangong Xiang.

Nangong Xiang's face started to turn slightly red, Ye Chen's words were too cute, in her heart Nangong Xiang felt very happy.

"By the way, how do you know about the four beauties that exist in God Realm, are you also from God Realm? ", Nangong Xiang asked if Ye Chen was also from the God Realm like herself.

"No, since I was little I lived on this planet, it's just that my Master who taught me came from the God Realm, he was the one who had trained me until I became like this." Ye Chen told Nangong Xiang that he was not from the God Realm.

"What is the name of your master? "Nangong Xiang wants to know who Teacher Ye Chen's name is.

""His name is Gu Xuan." Ye Chen told Nangong Xiang what his master's name was.

"So you are a disciple of Gu Xuan." Nangong Xiang actually knew Gu Xuan.

"Do you know my master? "From the answer given by Nangong Xiang, it seems that Nangong Xiang is familiar with Gu Xuan.

"Of course I know him, he is a person who has come to fight with one of the elders in the Eternal Sun Star Realm." Nangong Xiang knew a little about Gu Xuan, Gu Xuan had come to Eternal Sun Star Realm to fight one of the elders who is in the Eternal Sun Star Realm.

"What is the problem with my master fighting an elder in the Eternal Sun Star Realm?" Ye Chen did not know that Gu Xuan had ever fought an existing elder who came from the Eternal Sun Star Realm.

"I'm a little ignorant about it, it seems that it involves a personal grudge." Nangong Xiang was not very clear about the matter between Gu Xuan and one of the elders in the Eternal Sun Star Realm.

She only vaguely knew that this matter was triggered by personal grudges, unfortunately Nangong Xiang did not know what grudge both parties had.

Ye Chen just found out that Gu Xuan had a grudge from someone from the Eternal Sun Star Realm, it was only natural that Gu Xuan had told Ye Chen to stay away from people from the Eternal Sun Star Realm, it turned out that this was the reason.

"Okay, let's go." Ye Chen decided to continue his journey to the capital.

Within a few minutes Ye Chen took Nangong Xiang to the Five-star hotel where he rented.

"Do you live in this building? ", Nangong Xiang asked if this was where Ye Chen lived.

"This is the hotel where I stayed for a while, my house is in another city far from here." Ye Chen told Nangong Xiang that this was a hotel where I stayed overnight for a while.

"There is my woman there, I hope you don't mind this." Ye Chen told Nangong Xiang that there lived the woman.

Nangong Xiang did not mind this at all, Nangong Xiang was used to seeing men have multiple wives or concubines.

Nangong Xiang's royal father had thousands of concubines, so Nangong Xiang was not at all strange when she saw Ye Chen had several women.

Ye Chen took Nangong Xiang to Vip's room where Xia Qingyu and Liu Yue were.

Ye Chen brought Nangong Xiang inside from the glass window.

Xia Qingyu and Liu Yue were discussing something, the two of them were talking about Ye Chen.

Liu Yue told Xia Qingyu about Ye Chen and herself.

Xia Qingyu was quite surprised to find out that Ye Chen and Liu Yue were cultivators, she thought that such a thing only existed in ancient myths, she did not think that Ye Chen and Liu Yue were real cultivators.

As the two of them were talking, a gust of wind came from, as the two of them turned their heads to see that Ye Chen had returned. Liu Yue and Xia Qingyu saw that in their arms was a woman with golden clothes and golden hair.

The two of them were curious about the woman Ye Chen brought back.

"Chuckle, as expected from Husband, you've only been away for a few hours and have brought back a woman." Liu Yue giggled at Ye Chen.

"You pervert man, you are indeed the natural enemy of all women." Xia Qingyu looked dissatisfied when he saw Ye Chen return with a woman in his arms.

Nangong Xiang came down from Ye Chen's embrace, she looked at Liu Yue and Xia Qingyu.

Liu Yue and Xia Qingyu were surprised when they saw the appearance that Nangong Xiang had, Nangong Xiang had a very beautiful and perfect face, plus Nangong Xiang gave off an aura that was very graceful and very elegant.

Nangong Xiang's beauty was on a different level, both of them thought that a woman came out of a painting.

Even the female Liu Yue and Xia Qingyu were enchanted by Nangong Xiang's beauty.

"Husband, where did you find such a beauty?" Liu Yue immediately asked where this woman came from. She had never seen such a beautiful woman, even this woman's beauty could match Fu Lanling's goddess charm.

"Hello my name is Nangong Xiang, I am from the Holy Flame Star Realm, I currently live in the holy land of Kunlun." Nangong Xiang started to introduce herself to Liu Yue and Xia Qingyu.

"Holy Flame Star Realm , where is it? "Liu Yue and Xia Qingyu did not understand what Nangong Xiang had just said.

"It's a very far place, I also don't know where the Holy Flame Star Realm is." Ye Chen told Liu Yue and Xia Qingyu that Nangong Xiang came from a very far away place.

"Ohh." Liu Yue and Xia Qingyu nodded.

"She looks a little tired, is she okay? ", Liu Yue saw that Nangong Xiang's face was a little tired.

"Thank you for worrying about me, I'm fine, I just need a little rest to recover my strength." Nangong Xiang was touched by the care given by Liu Yue.

"It is already night, let's sleep together" It was getting dark, it's time for Ye Chen to invite beauty to sleep.

"Tonight you sleep on the sofa" Xia Qingyu told Ye Chen to sleep on the sofa.

"But I want" Ye Chen really wanted to sleep together with Liu Yue, Xia Qingyu and Nangong Xiang.

"Nothing but, you have to sleep on the sofa." Xia Qingyu told Ye Chen to sleep on the sofa.

Who told Ye Chen to bring a new beauty home, this made Xia Qingyu's Mod not good

"Sister Xiang, sister Yue let's sleep." Xia Qingyu invited Nangong Xiang and Liu Yue to sleep on the bed.
