

A True God 331

### **Chapter 331 - Sleepless Night For Xia Qingyu And Nangong Xiang**

Ye Chen is so helpless, Even though tonight he wants to sleep with the three beauties.

Suddenly Ye Chen's mind flashed a cunning plan, the plan that Ye Chen had was to sneak onto the third beauty bed.

The moment when the beauty had already slept, Ye Chen intended to sneak into the third beauty bed and sleep together with the three beauties.

Ye Chen felt that it would be more fun to do.

First Ye Chen went to the sofa, he pretended to look like he wanted to sleep on the sofa.

Xia Qingyu looked back, she was surprised to see Ye Chen was so obedient, it was unusual for Ye Chen to act obediently like this.

Xia Qingyu felt that something was strange, she felt that Ye Chen intended to do something unkind.

Ye Chen started arranging the sofa into a bed, the sofa here is very good, it can be adjusted into a medium sized bed, at least it can accommodate about 3 ~ 4 medium-sized adults.

Ye Chen started sleeping and waited for the right time, before executing his plan, he had to wait for Xia Qingyu to sleep first.

Ye Chen couldn't wait to become a thief who climbed onto the third beauty bed.

After turning off the light, Xia Qingyu Liu Yue and Nangong Xiang got on the bed, they started to close their eyes and fell asleep.

15 minutes later Xia Qingyu and Nangong Xiang seemed to have fallen asleep, this was the perfect time for Ye Chen to slip onto the bed of three beauties.

When Ye Chen was about to get up, his body was crushed by a woman.

"Husband, do you want to do that?" Liu Yue was riding on top of Ye Chen's body, she asked Ye Chen if he wanted to do something fun with herself.

Ye Chen did not expect that Liu Yue would even be the one who would sneak into the sofa where he slept.

Ye Chen was quite happy when he saw Liu Yue knew the desire he wanted. "Yue, you are my most understanding wife." Ye Chen hugged Liu Yue's body and kissed her lips.

The two of them started kissing passionately, after kissing Ye Chen repeatedly, Liu Yue's kissing technique was already very experienced.

She now knew how to make Ye Chen happy.

Ye Chen and Liu Yue kissed for about 10 minutes, after 10 minutes Liu Yue stopped kissing Ye Chen, Liu Yue was out of breath because of the pleasure she got from kissing Ye Chen.

At the bottom of her body Liu Yue felt that she was very wet, the kiss she did with Ye Chen just now made Liu Yue very excited.

Liu Yue started helping Ye Chen to pull the pants down, Liu Yue purposely didn't take off all the clothes Ye Chen was wearing just in case.

Liu Yue started to roll her ball gown down, Liu Yue's two large rabbits were displayed right before Ye Chen's eyes

Seeing this, Ye Chen quickly squeezed Liu Yue's two soft objects.

"Ahh. . .", Liu Yue started groaning softly as Ye Chen squeezed her big rabbit.

The voice that Liu Yue made was quite small, she didn't want to let Xia Qingyu and Nangong Xiang hear her voice.

Liu Yue also got into action, she started to hold Ye Chen's Little Brother in her hand.

"Husband, it looks a little sticky here, did you just do something with Sister Xiang?" When Liu Yue carried Ye Chen's younger brother, she felt that this big one was a little sticky.

Liu Yue wasn't a virgin in this matter, she naturally knew what made this thing sticky.

"I haven't done anything with Nangong Xiang, before I met a beautiful goddess who was not inferior to Nangong Xiang, I forced her to serve me with her mouth." Ye Chen told Liu Yue that previously he forced a beautiful goddess like Dongfang Xiu to serve him.

"It's not like your usual self." Liu Yue was very familiar with Ye Chen, Ye Chen couldn't possibly force a woman to do something like that.

"That's because that beautiful goddess wanted to kill me, even though I was kind and helped her, but she wanted to kill me instead." Ye Chen was a little dissatisfied when he remembered Dongfang Xiu.

"It's like that." Liu Yue now understood why Ye Chen forced a woman to help him.

"Then let's start doing Dual Cultivation." Liu Yue could no longer stand the itchy feeling on her body.

She wanted to immediately enter Ye Chen's large object into her Honey Cave which was very uncomfortable.

Liu Yue climbed back on top of Ye Chen's body, she started to hold Ye Chen's big object and began to aim it at her honey hole.

Liu Yue didn't take off her dress on purpose, she wanted to try to make a relationship by wearing clothes like this.

Liu Yue shifted her underwear to the side, after which she began to lean down.

Liu Yue's bottom was already very wet, so there was no need to warm up anymore.

Ye Chen's large object began to be swallowed up by Liu Yue's Honey Cave.

"Ahhhh. . . .", Liu Yue tried to hold back her voice, unfortunately Liu Yue's voice still leaked out.

Ye Chen's object was very large, this made Liu Yue very unable to endure the pleasure that Ye Chen's large thing gave her.

Liu Yue couldn't take it anymore she wanted more pleasure than this big thing, Liu Yue started to move her hips.

Liu Yue moved her hips very seductively again, she began to rotate her hips clockwise.

This movement is so extreme, if the woman who does this is unprofessional, it can hurt Ye Chen's younger brother.

"Emmm" Ye Chen started to enjoy the taste in Liu Yue's honey cave, the movements that Liu Yue made were really great, Ye Chen really liked this.

"Husband, yours is amazing, it fills me, I really like it." Liu Yue was no longer holding back her voice, she was completely immersed in the pleasure that Ye Chen's big thing gave her.

"Yue, you are really great too, your little honey cave is holding me very tightly, I feel like I will be squeezed by it." Ye Chen also felt a very comfortable feeling from Liu Yue's honey cave.

The two of them no longer held back, they both let go of their passion, they had forgotten Xia Qingyu and Nangong Xiang who were not far from where the two of them were, Ye Chen and Liu Yue felt that here was their own world.

Xia Qingyu was awake at this time, she listened to Liu Yue's soft moan, Xia Qingyu did not expect that Liu Yue would do something so bold like this.

Xia Qingyu saw that Liu Yue was actually making love to Ye Chen right a few meters in front of her.

Xia Qingyu saw that Liu Yue was currently doing up and down movements in Ye Chen's body, Xia Qingyu was not stupid, she certainly knew what the two were doing.

Obstructed by the back of the sofa, Xia Qingyu could not see Ye Chen's large object, she could only see Liu Yue and the moan Liu Yue let out.

Without realizing it, Xia Qingyu felt that her body felt hot and very uncomfortable, she felt something began to seep out of her secret garden.

only hearing Liu Yue groan, Xia Qingyu felt extremely excited.

"You big pervert" in her heart Xia Qingyu cursed Ye Chen.

Xia Qingyu tried to cover her ears so that Liu Yue's voice could no longer be heard, unfortunately Liu Yue's moan was still heard by Xia Qingyu.

Next to Xia Qingyu, Nangong Xiang was also still awake, Nangong Xiang listened to what Ye Chen and Liu Yue were talking about, she was quite embarrassed when she heard the fulgar words spoken by Liu Yue and Ye Chen.

Moreover, she heard something very extraordinary, she heard that Ye Chen did something to Dongfang Xiu.

Nangong Xiang knew very well what kind of character Dongfang Xiu had, that cold-hearted goddess would definitely drive out any man who tried to get close to her.

Nangong Xiang did not expect that Ye Chen would force a cold-hearted goddess like Dongfang Xiu to slay Ye Chen with her mouth, that was something that Nangong Xiang would never have thought of.

Nangong Xiang also felt uncomfortable when she saw Ye Chen and Liu Yue having Dual Cultivation , she felt that her body was starting to heat up and her lower half was getting a little wet.

This night was destined to be a sleepless night for Xia Qingyu and Nangong Xiang.

### **Chapter 332 - Making Ad Video**

next morning.

Ye Chen started to open his eyes, he saw that it was already bright outside, Ye Chen immediately got up from the sofa.

Next to him, Ye Chen saw that Liu Yue was still asleep, it seemed that Liu Yue was still tired after doing intense exercise together with Ye Chen.

Ye Chen began to remember the fun things he did together with Liu Yue last night, last night Liu Yue was very fierce, Ye Chen was made very happy by the service provided by Liu Yue.

Liu Yue was very excited when doing Dual Cultivation with Ye Chen, it had been quite a while since Liu Yue was alone with Ye Chen.

The result was that Liu Yue couldn't move her body because she was too tired.

"Wife, get up it's morning." Ye Chen tried to wake Liu Yue up.

"Husband, I'm still tired, let me sleep a little longer." Liu Yue didn't want to wake up, she still wanted to sleep a little longer.

Ye Chen let Liu Yue rest, he looked at Xia Qingyu and Nangong Xiang.

Xia Qingyu is currently still asleep, last night Xia Qingyu was awake for most of the night, she was finally able to sleep after Ye Chen and Liu Yue ended their Dual Cultivation session.

Nangong Xiang was currently cross-legged on the bed, she seemed to be recovering her strengt.

Ye Chen decided not to bother Xia Qingyu and Nangong Xiang.

"Ding" someone pressed the doorbell to enter.

Ye Chen immediately saw who was out there, when Ye Chen opened the door, he saw a female servant carrying a push table filled with food.

"Mr. handsome, I'm here to deliver your food." The maid was charmed by the good looks possessed by Ye Chen, she did not expect to meet such a handsome man like Ye Chen.

Ye Chen accepted the push table. "Thank you." Ye Chen thanked the waiter who had delivered the food.

The female servant was quite happy when Ye Chen thanked her.

Ye Chen brought the push table full of food back into the room.

When Ye Chen came back, Liu Yue, Xia Qingyu and Nangong Xiang looked already awake, the loud sound of the doorbell just woke up the three beauties.

Ye Chen and the three beauties started breakfast early, after finishing breakfast Ye Chen had to go to Feng Group to discuss advertisements.

Liu Yue decided not to go to Feng Group, she decided to stay here with Nangong Xiang, Liu Yue still felt tired because of the intense sports she did with Ye Chen.

Since Liu Yue didn't come along, Ye Chen and Xia Qingyu decided to immediately go to Feng Group.

Ye Chen went straight to Feng Group, on the way Xia Qingyu yawned several times, she looked still coughing because of lack of sleep.

"You still look sleepy, did you not sleep well last night? Ye Chen asked if Xia Qingyu didn't sleep well last night.

"It's wrong whose fault I didn't sleep well." Xia Qingyu really wanted to shout at Ye Chen.

But she didn't say this, he didn't want Ye Chen to know that she heard and saw what Ye Chen and Liu Yue were doing.

"It's okay, I still feel a little sleepy." Xia Qingyu looked for an excuse so that Ye Chen would not be suspicious of her.

Ye Chen nodded at Xia Qingyu, Ye Chen continued to drive the car towards the Building belonging to the Feng Group.

A while later Ye Chen arrived in front of the Feng Group headquarters.

"Let's go in." Xia Qingyu invited Ye Chen into the building.

Ye Chen nodded, he walked side by side together with Xia Qingyu.

Ye Chen and Xia Qingyu immediately looked for Feng Xue, it was not difficult for Ye Chen to find Feng Xue's whereabouts, currently Feng Xue was in the shooting room.

Ye Chen invited Xia Qingyu to go to the Filming room where Feng Xue was.

When Ye Chen arrived at the Filming room, Feng Xue immediately rushed towards Ye Chen.

"You two are a little late." Feng Xue complained to Ye Chen and Xia Qingyu.

"Forgive us," Xia Qingyu apologized to Feng Xue for being a little late from the original schedule.

"It's okay, I forgive you." Feng Xue forgave Ye Chen and Xia Qingyu's delay.

"Oh yeah Ye Chen, last night why did you guys go so fast? "Last night Feng Xue searched for Ye Chen's whereabouts, she was quite disappointed that she didn't find Ye Chen.

"Last night we had some important business, so we should leave as soon as possible." Ye Chen looked for an excuse to answer Feng Xue's question.

"I see." After getting Ye Chen's answer, Feng Xue felt even more relieved.

Se thought that last night Ye Chen left because he felt uncomfortable at her grandfather's birthday party.

"Let's start making an ad video for your product." Feng Xue looked very excited while shooting Ye Chen's product.

Xia Qingyu nodded, Ye Chen, Xia Qingyu and Feng Xue started discussing the concept for video advertisement, they also had to make a slogan for their product.

After a long discussion, finally the video ad concept was successfully created.

Xia Qingyu started to take out products from the Xiannu Company, she handed them over to Feng Xue.

Feng Xue received Xiannu company products from Xia Qingyu, after which he went to the camera to shoot a commercial video.

Feng Xue very skillfully began to advertise products belonging to Ye Chen's company.

After Feng Xue's video is taken, it's time for the editing and refinement process, this will be done by the editing professionals owned by Feng Group.

After it's finished editing and refining, it's time to see the results.

In front of the screen, Ye Chen, Xia Qingyu and Feng Xue saw the result of the Video.

The video advertisement played by Feng Xue was very perfect, Feng Xue was not mistaken.

Ye Chen and Xia Qingyu were very satisfied with the results of this video ad.

Now it only remains to submit this ad video so that it can be watched by all people in the world.

Finally everything was over, now Ye Chen could go somewhere with Xia Qingyu or return to the hotel to enjoy the remaining days.

Ye Chen and Xia Qingyu still had a few days left to stay in the capital.

The schedule for this business trip is 3 days, so there are still 2 days left to spend it.

Ye Chen and Xia Qingyu could go anywhere they wanted.

"Qingyu, do you want to go on a trip to the tourist attractions in this city? ", Ye Chen asked Xia Qingyu.

"No, let's just go back to the hotel, I want to rest." Xia Qingyu wanted to go back to the hotel, she still felt tired from lack of sleep.

"OK." Ye Chen had no choice but to go with Xia Qingyu back to the hotel.

on Ye Chen's trip to get a telephone from Feng Xue, Feng Xue wanted to invite Ye Chen to go for a walk.

on Ye Chen's trip to get a telephone from Feng Xue, Feng Xue wanted to invite Ye Chen to go for a walk.

At first Ye Chen wanted to reject it, but Feng Xue still forced himself to go together with her.

Finally Ye Chen promised to go with Feng Xue.

Ye Chen dropped Xia Qingyu at the entrance of the Five star hotel.

### **Chapter 333 - Again Shaming Liu Lee**

"Qingyu, I have to go somewhere." Ye Chen told Xia Qingyu that he was going somewhere.

"It's up to you." Xia Qingyu didn't really care about Ye Chen's business, what Xia Qingyu wanted now was to immediately return to the hotel room and sleep on a soft mattress.

Xia Qingyu entered the Five-Star Hotel.

After Xia Qingyu disappeared from Ye Chen's sight, Ye Chen immediately went to meet Feng Xue.

Ye Chen had to go back and forth to the Feng Group headquarters.

When Ye Chen arrived in front of the Feng Group building he saw Feng Xue was already at the entrance of the Feng Group building.

Feng Xue's appearance looked very closed, Feng Xue used black glasses and a beach hat to hide her appearance.

Becoming a famous female star is not easy, wherever Feng Xue wants to go she has to wear clothes like this.

Otherwise Feng Xue would be hassled by her fans, Feng Xue didn't like that kind of situation.

Next to the current Feng Xue, stood a man in a white coat and carrying a garland.

This man was of course the Liu Lee that Ye Chen had previously kicked out of Feng Luo's Birthday Party.

"Junior sister Xue, do you want to go with me?" Liu Lee knelt while handing over the garland in his hand, he invited Feng Xue to go along with him.

"I don't want to, I already have an appointment with someone." Feng Xue refused Liu Lee's invitation.

"Who do you want to go with? ", Liu Lee looked displeased when he found out that Feng Xue was going out with someone.

"Feng Xue" Ye Chen got out of the car and went over to Feng Xue.

Liu Lee immediately turned his head to the side, he saw Ye Chen walking over here.

Liu Lee looked very angry when he saw Ye Chen here, because this person last night he was kicked out of the Feng Family party.

"Ye Chen" Feng Xue went to Ye Chen's side, she wrapped her hand around Ye Chen's arm.

What Ye Chen and Feng Xue were doing looked like lovers.

Liu Lee's anger grew even bigger, when he saw Feng Xue being very intimate with Ye Chen.

"Ye Chen, let's go." Feng Xue asked Ye Chen to leave this place, she didn't want to see Liu Lee's annoying face for too long.

"Let's go." Ye Chen took this opportunity to hug Feng Xue's waist, he carried Feng Xue away to the car. Feng Xue felt embarrassed as Ye Chen hugged her waist.

"Wait." Liu Lee stopped in front of Ye Chen and Feng Xue, he stopped Ye Chen and Feng Xue from leaving this place.

"Liu Lee, why did you stop us." Feng Xue was dissatisfied when Liu Lee stopped her self and Ye Chen.

"Junior sister Xue, how can you go with an ordinary man like him." Liu Lee really didn't like it when Feng Xue went out with Ye Chen.

In terms of wealth and background, Liu Lee felt that he was winning far from Ye Chen.

"What right do you have to forbid me, whomever I go is up to me." Feng Xue didn't like outsiders to interfere with her personal life.

"You better just go, Feng Xue won't want to go with a guy like you." Ye Chen used Liu Lee's words to mock Liu Lee.

"You bastard, how dare you mock me, I'll teach you a lesson so you understand where you are." Liu Lee prepared to attack Ye Chen.

Liu Lee was just a weak person, Ye Chen only needed to use a little of his strength to deal with Liu Lee.

"Pah. . ." When Liu Lee approached him, Ye Chen slapped Liu Lee's face very hard, a slap sound that sounded very crunchy.

Liu Lee fell to the ground after receiving a slap from Ye Chen, Liu Lee grabbed his face which was currently swollen from the slap he received from Ye Chen.

"You. . ., you. . ., how dare you slap me." Liu Lee pointed at Ye Chen.

"Do you think I'll just stay silent when you attack me?" Ye Chen scoffed at Liu Lee's stupidity, Ye Chen kicked Liu Lee's body on the ground.

Liu Lee flew several meters and rolled on the ground, Liu Lee tried to get up from the ground, Liu Lee's current appearance was very dirty.

"Just wait, I will repay you for this humiliation." Liu Lee tried to escape from this place.

Ye Chen wanted to chase Liu Lee, after being hit by Ye Chen, that person still dared to threaten him.

"Ye Chen, please, don't waste your time taking care of Liu Lee." Feng Xue stopped Ye Chen, she didn't want Ye Chen to make a bigger problem.

Being stopped by Feng Xue, Ye Chen did not continue to chase Liu Lee, Ye Chen snapped his finger.

A silver colored flame began to burn the jacket that Liu Lee was wearing.

Under the morning sun the Heavenly Silver Flame was not that obvious.

Liu Lee was very surprised to find himself naked, he tried to cover the important parts with his hands.

"Hahahahaha" the people on the street started laughing at Liu Lee, some people even took pictures of Liu Lee naked.

Liu Lee was very embarrassed, he tried to go to his car, when Liu Lee ran to his car, Liu Lee tripped several times.

People laughed even more when they saw the ridiculousness that Liu Lee was doing.

Liu Lee was so embarrassed that he immediately got into the car and drove away from here.

Ye Chen was very happy when he saw Liu Lee being humiliated in public.

"Ye Chen, was it your doing just now? ", Feng Xue asked if the incident just now was Ye Chen's doing.

Feng Xue already felt strange when she saw Liu Lee's clothes turning into pieces.

Feng Xue felt that it must be Ye Chen's doing.

"I don't know." Ye Chen tried to avoid Feng Xue's question.

Feng Xue didn't give up, she kept asking Ye Chen about Liu Lee's clothes getting destroyed.

"Let's go" so that Feng Xue wouldn't keep asking about what happened to Liu Lee, Ye Chen decided to take Feng Xue away.

Ye Chen and Feng Xue got into the car.

"Where do you want to go" Ye Chen asked where Feng Xue wanted to go.

"Let's go to the underwater aquarium, I really want to see the beauty of the underwater aquarium over there." Feng Xue invited Ye Chen to go to the underwater aquarium, she had always wanted to go there.

"Okay." Ye Chen nodded, he took Feng Xue away to the underwater aquarium.

In a car that was quite luxurious, Liu Lee looked really very angry, today he was having the worst day he had ever had.

Liu Lee suspected that the cause of his clothes being destroyed was Ye Chen, Ye Chen must be the one who destroyed his clothes.

Liu Lee didn't expect that Ye Chen was a cultivator.

"I have no other choice, I have to ask great cultivators I know for help." Liu Lee was forced to ask for help from strong cultivators he knew.

Liu Lee tried to contact strong cultivators he knew to deal with Ye Chen.

Liu Lee didn't care how much price he had to pay to deal with Ye Chen as long as he could make Ye Chen miserable, Liu Lee would pay any price.

### **Chapter 334 - Feng Xue's Heart Relapsed**

When Liu Lee was contacting his acquaintance, right around his car appeared several beautiful butterflies that had wings like snow.

Seeing this strange scene, Liu Lee became a little confused, after the appearance of the beautiful butterfly, the temperature inside Liu Lee's car suddenly decreased very drastically.

Liu Lee felt a chill that ran to his bones, Liu Lee started to shiver with cold, he didn't know what was going on here.

Suddenly Liu Lee's gaze turned white, Liu Lee's body froze and turned into an ice statue.

Not only was Liu Lee frozen, the car that Liu Lee was driving also turned into an ice statue.

"Clank", Liu Lee and his car broke into shards of ice crystals.

in the process Liu Lee didn't feel anything at all, he was killed instantly.

Above the clouds in the sky at this time was a beautiful woman who was looking at Liu Lee who had turned into an ice crystal shard.

This beautiful woman looked very calm, no ripples could be seen when she killed Liu Lee.

This beautiful woman who killed Liu Lee, after killing Liu Lee, this beautiful woman went to follow the car that Ye Chen was riding.

No one knows what this beautiful woman is thinking.

Ye Chen took Feng Xue to the biggest underwater aquarium in the country.

Here it is said that there are thousands of rare species of sea creatures that live in super large aquariums.

"Let's go in." Feng Xue looked very happy when she arrived at the underwater aquarium.

First they both have to buy a ticket to go down, after buying a ticket they both go straight down.

Before going into the underwater aquarium, Ye Chen looked up at the sky.

somehow, since earlier Ye Chen felt that he was being watched by someone, Ye Chen tried to find the whereabouts of the person who was watching him, unfortunately he didn't feel the sign of someone above the sky at all.

Ye Chen felt very strange, even though he felt that someone was watching him earlier.

"Maybe it's just my imagination." Ye Chen decided to enter the underwater aquarium.

After Ye Chen entered the underwater aquarium, he saw a very beautiful scene, thousands of sea creatures swam around Ye Chen and Feng Xue.

The underwater aquarium was incredibly large, Ye Chen and Feng Xue felt that they were under the ocean.

"Seeing the fish's movements are so beautiful." Feng Xue pointed at several fish dancing in the water.

Ye Chen also saw this beautiful scene, he was enjoying all the beauty that was in here.

Feng Xue hugged Ye Chen's arm she felt comfortable while hugging Ye Chen's arm.

Feng Xue didn't know that what she was doing right now was too stimulating for Ye Chen, Feng Xue's two soft objects were tightly pressed against Ye Chen's body.

Ye Chen tried to endure the stimulation of the two gentle objects belonging to Feng Xue.

As the two of them walked, Feng Xue's soft object continued to rub against Ye Chen's body.

This female star must have done this to himself on purpose.

Ye Chen decided to tease Feng Xue a little, Ye Chen started massaging Feng Xue's body.

As Ye Chen's hand touched Feng Xue's body, Feng Xue felt an electric current flow through her body.

Feng Xue's body suddenly felt pleasure from the small massage Ye Chen's hand was giving.

The place was a little dim, so not many people saw what Ye Chen was doing to Feng Xue.

"Ahh. . ." Feng Xue groaned softly as Ye Chen's hand moved over her body.

This feeling was so extraordinary, Feng Xue felt that her body had become weak and could no longer walk.

"Are you okay?" Ye Chen asked with a slight evil smile on his face.

"I'm fine, just feeling a little tired from walking too long." Feng Xue looked for an excuse not to be embarrassed in front of Ye Chen.

Feng Xue couldn't possibly tell that she was like this because of a small massage that Ye Chen did.

"Let's find a place to rest" Ye Chen led Feng Xue to a seat that was provided along the tunnel path.

Ye Chen let Feng Xue rest on the seat, after resting for a moment, Feng Xue finally felt a little recovered.

"Hey Ye Chen, I want to show you a dance, do you want to see it" Currently Feng Xue wants to dance in this place.

"Yes, of course." Ye Chen didn't mind seeing Feng Xue dance.

Feng Xue got up from the seat, she had removed her glasses and hat, Feng Xue was standing several meters in front of Ye Chen.

Feng Xue started to show the dance she had.

The dance performed by Feng Xue was very beautiful, the underwater aquarium background made the dance performed by Feng Xue even more stunning to Ye Chen.

Ye Chen enjoyed the dance that Feng Xue presented.

Feng Xue finally finished her dance.

Ye Chen immediately clapped his hands to Feng Xue

Feng Xue suddenly felt her vision blurred, she lost her balance and was about to fall onto the floor

Ye Chen saw that Feng Xue was about to fall, he immediately went to help Feng Xue.

Ye Chen hugged Feng Xue's Waist so as not to fall to the floor.

Feng Xue fainted in Ye Chen's embrace, Feng Xue's face looked pale, Seeing this Ye Chen checked Feng Xue's state.

It looks like Feng Xue's Weak Heart has relapsed, this woman is over-pushing herself.

Ye Chen deeply regretted this, even though he had already told Su Yuya to tell Feng Xue to quit the entertainment world.

It seemed that Feng Xue didn't listen to Su Yuya's warning.

Ye Chen had to give Feng Xue an artificial breath, Ye Chen started kissing Feng Xue's cherry lips and gave her an artificial breath.

One hand Ye Chen massaged Feng Xue's very soft left chest, Ye Chen returned to using his profound energy to heal Feng Xue's heart.

"Cough." After 3 minutes of wild breathing, Feng Xue finally regained consciousness.

"Ye Chen, what happened to me?" Feng Xue still feels dizzy and can't think clearly.

"You fainted just now after doing the dance." Ye Chen told Feng Xue what happened earlier.

"Yes, I remember now." Feng Xue began to remember what happened before.

As she danced for Ye Chen, she felt her heart hurt and it was hard to breathe, at that time Feng Xue lost consciousness.

"Ye Chen, did you give me another artificial breath?" Feng Xue's face started to turn red, when Feng Xue fainted, Feng Xue dreamed of Ye Chen kissing her for a moment.

"Of course, otherwise you might die." Ye Chen did give an artificial breath and healed Feng Xue's heart a little.

Hearing Ye Chen admit it, Feng Xue's face turned even redder.

That means that Ye Chen kissed herself back, she did not expect to be kissed twice by Ye Chen.

Feng Xue lowered her head, she was embarrassed to look directly at Ye Chen.

"Feng Xue why don't you just quit the entertainment world, with your current condition you will only make your situation worse." Ye Chen warned Feng Xue to just quit the entertainment world.

With Feng Xue's current condition it is better for her to quit the entertainment world.

"I can't, if I quit the entertainment world then I'll disappoint my grandfather." Feng Xue shook her head, she didn't still insist on not quitting the entertainment world.

### **Chapter 335 - Let's Find A Hotel**

"Life is something precious, you have to take good care of your life, if you die it will make your grandfather sad." Ye Chen again advised Feng Xue to attach importance to his own life.

It doesn't matter if Feng Xue disappoints her grandfather, a family can definitely understand what Feng Xue is going through right now.

After listening to Ye Chen's words, Feng Xue started thinking again.

"Does your grandfather know that your heart is weak? "Ye Chen wants to know if Feng Luo knows that Feng Xue's heart is weak, if he knows this Feng Luo should stop Feng Xue from being in the entertainment world.

The entertainment world has a very busy schedule, it will only make Feng Xue's situation even worse.

Feng Xue shook her head "I hid this thing from my grandfather, I don't want him to worry about my situation." From the start, Feng Xue hid this from Feng Luo.

She didn't want Feng Luo to worry about her predicament.

Ye Chen sighed "You have to talk to your grandfather. I'm sure he will understand your current situation." Ye Chen told Feng Xue to be more honest with her grandfather.

"Ye Chen, you seem to really understand my current state, do you have a way to heal me" Feng Xue felt that Ye Chen knew very well about the condition of her body.

After receiving Ye Chen's artificial breath, Feng Xue felt that he was even better than before.

"I may have a way to heal you, but for that it will take a little longer to fully heal." Ye Chen did have a way to heal Feng Xue.

" Is it true ? "On hearing this Feng Xue looks very happy.

Ye Chen nodded at Feng Xue.

"Then let's try the method you have." Feng Xue wanted to immediately try Ye Chen's method.

"Then let's find a quiet place to do it." First Ye Chen and Feng Xue had to find a quiet place to take medication.

"Let's find a hotel." Feng Xue advised Ye Chen to go to a hotel, there wouldn't be anyone who dared to disturb him and Ye Chen.

Ye Chen did not expect that Feng Xue would immediately invite himself to go to the hotel.

if Feng Xue's fans found out that the goddess in their heart wanted to open a room with a man, what would they think right now.

"Let's go." Feng Xue dragged Ye Chen to leave the underwater aquarium and look for a hotel.

Feng Xue put her sunglasses and beach hat back on.

Ye Chen and Feng Xue were looking for a hotel to do treatment.

they were looking for a hotel that was nearby, it didn't take long for Ye Chen and Feng Xue to find a hotel that had complete facilities.

"One of the nicest rooms please." Feng Xue immediately ordered the best room in this place.

The receptionist immediately gave Feng Xue a room key. "Have a nice day." The receptionist gave a greeting to Feng Xue and Ye Chen.

The receptionist thought Feng Xue and Ye Chen were lovers.

Seeing the receptionist thought she and Ye Chen were lovers, Feng Xue's face turned red.

Feng Xue immediately pulled Ye Chen upstairs where they were renting a room.

Ye Chen and Feng Xue entered the room they had rented.

"So what are we going to do next?" Feng Xue asked what Ye Chen would do next.

"Quickly take off the top shirt you are wearing right now." Ye Chen told Feng Xue to take off the top.

Feng Xue immediately covered her body. "Ye Chen, you are a big pervert, what are you thinking?" Feng Xue did not expect that Ye Chen would be so brave and told her to take off her clothes.

Ye Chen was helpless, it seemed that Feng Xue had misunderstood what he meant.

"I want to do medication for you, to do it you have to take off your upper shirt." Ye Chen made it clear what he was going to do.

Feng Xue now understood what Ye Chen meant, she had misunderstood Ye Chen earlier.

how could Feng Xue take off her clothes in front of Ye Chen, it was so embarrassing.

"Should I do that? Feng Xue asked Ye Chen again.

"Do you want to recover or not? , otherwise you don't have to do it "said Ye Chen to Feng Xue.

Feng Xue bit her cherry lips, Feng Xue wanted so badly to heal her weak heart, she wanted to fully do what she wanted without having to worry about the weak heart she had.

Feng Xue braced herself, "Ye Chen please turn around, I will take off my top shirt" Feng Xue told Ye Chen to turn around.

Ye Chen turned around and turned his back on Feng Xue

Feng Xue started to take off the top shirt she was wearing.

Now on her upper body there was only a bra that covered Feng Xue's two mountain peaks.

"I'm done, now you can turn around." Feng Xue had finished taking off her clothes, now she told Ye Chen to turn around.

Ye Chen immediately turned around, as he turned around he saw Feng Xue covering her upper body with her hands.

The half naked Feng Xue was really sexy and hot.

If this was seen by a reporter, it would be a huge scandal.

"What are you waiting for, let's get started." Feng Xue is already so embarrassed. The look from Ye Chen made her even more embarrassed.

"Okay, now lie down on the bed." Ye Chen started to take out a set of needles from the fairy gate storage room.

First, Ye Chen had to open up Feng Xue's circulation path to make it even smoother.

"Ye Chen, what do you want to do with that needle." Feng Xue was horrified when she saw the needle in Ye Chen's hand.

From a young age Feng Xue was very afraid of needles.

"Of course to heal you, now quickly get rid of your hands, I will immediately start the treatment." Ye Chen told Feng Xue to remove the hand that Feng Xue was currently using to cover her own body.

"Not. Not. , it will definitely be very painful, I changed my mind I don't want to do any treatment." Feng Xue was very afraid of the large needle that Ye Chen was holding.

"We've come this far, I won't let you back down." Ye Chen stabbed Feng Xue's nerve point.

This would render Feng Xue unable to move for a while.

As Ye Chen's needle stabbed into her nerve point, Feng Xue's body lost strength and couldn't move.

Ye Chen started to get rid of Feng Xue's hand, after Feng Xue's hand was removed, Ye Chen saw a sexy red bra that Feng Xue was wearing.

Ye Chen didn't expect that Feng Xue's taste was quite high either.

"Ye Chen, what have you done to my body, quickly let me go." Feng Xue told Ye Chen to immediately let go of herself.

"Don't worry, leave everything to me." Ye Chen told Feng Xue to shut up and observe what he was going to do.

Ye Chen took out a needle and started to stab right next to Feng Xue's chest.

Feng Xue looked horrified as Ye Chen's needle stabbed into her left chest , being too scared, Feng Xue collapsed on the spot.

### **Chapter 336 - You Have To Take Responsibility And Marry Me**

Ye Chen didn't expect that Feng Xue would faint just from seeing a needle.

Feng Xue seemed to be very afraid of the needle in Ye Chen's hand.

Ye Chen decided to continue the treatment session, let Feng Xue pass out for a while.

After Feng Xue's blood circulation was smooth, Ye Chen began to stretch out his hands towards Feng Xue's soft chest.

Ye Chen slightly squeezed Feng Xue's soft chest.

He used his profound energy to heal Feng Xue's Heart.

Ye Chen continued to supply his profound energy to Feng Xue's heart, after 1 hour, Ye Chen finally stopped the flow of his profound energy to Feng Xue's heart.

After he finished treating Feng Xue, Ye Chen took out his needle that was on Feng Xue's body.

Ye Chen was quite sweaty while doing a healing session for Feng Xue.

Ye Chen had to keep the profound energy he was using so as not to injure Feng Xue's Heart.

Ye Chen looked at Feng Xue who was fast asleep, Feng Xue's face looked even better after Ye Chen had a treatment session.

Ye Chen slightly turned his attention down Feng Xue's body, when he looked down, he saw the two peaks of Feng Xue's mountain displayed right before Ye Chen's eyes.

When Ye Chen touched Feng Xue's chest, Ye Chen unconsciously pulled the sexy bra used by Feng Xue, the result was Feng Xue's bra sagging down, the two peaks of Feng Xue's mountain could be seen by Ye Chen.

Feng Xue's two cherry buds looked absolutely gorgeous, this made Ye Chen excited.

Ye Chen's younger brother was a little excited when he saw this, Ye Chen shook his head, he was trying to get rid of the bad thoughts he had, somehow Ye Chen has become more and more pervert lately, he felt very excited when he saw things like this.

As Ye Chen tried to cast off the bad thoughts on Feng Xue's body, Feng Xue opened her eyelids.

Feng Xue started to wake up and looked around, Feng Xue who just woke up, felt that her body was very light and very fresh.

She had never felt this fresh before.

"Finally you woke up, you slept quite comfortably when I did the treatment session." Ye Chen told Feng Xue that the treatment session was over.

"Ye Chen, looks like your method worked, thank you. I feel very refreshed and comfortable." Because Feng Xue was too happy to suddenly hug Ye Chen.

Feng Xue was very happy, she became even more fond of Ye Chen.

When Feng Xue hugged Ye Chen, Ye Chen could feel Feng Xue's two soft objects pressing down on his chest, this sensation was incredible.

The current Feng Xue was still not aware that her upper body was completely naked, she was too happy that her heart had a chance to return to normal.

Feng Xue felt something hard and hot stabbing in her stomach, Feng Xue was a modern woman she certainly knew what was in her stomach.

Feng Xue quickly removed the wound from Ye Chen.

because of just now, the situation became awkward

"Cough, you better put your clothes on." Ye Chen told Feng Xue to get back on her clothes.

Feng Xue immediately looked down, when she looked down, she found that the Bra she was wearing was sagging, the two mountain peaks of hers were currently not blocked by anything.

"Kyahhhhh" Feng Xue shouted very loudly, she immediately turned around and used her arms to cover her chest.

Feng Xue: "Ye Chen why didn't you tell me earlier, you've seen everything right? "

"I didn't see anything." Ye Chen pretended not to see anything.

"Lie, you must have seen it." Feng Xue looked like she wanted to cry.

Now that Feng Xue won't be able to get married, her body has been tarnished by Ye Chen.

"Yes, yes, I was wrong, I did see it, please don't cry anymore" Seeing Feng Xue want to cry, Ye Chen acknowledged what he had seen.

"You have to take responsibility for what you have done." Feng Xue wanted Ye Chen to take responsibility for what he had seen.

"How should I be responsible?" Ye Chen asked Feng Xue.

"You have to marry me" Feng Xue wanted Ye Chen to marry herself, Ye Chen had seen her naked body, that meant Ye Chen had to marry her.

"But, I saw it and touched it while I was treating you, so it shouldn't count." Ye Chen tried to defend himself.

Seeing Ye Chen rejecting her, Feng Xue looked like she wanted to cry again.

Ye Chen couldn't help but see the woman crying in front of him.

"OK, I'll be responsible, but I can't marry you for now." Ye Chen promised to be responsible.

"Good, you promised, you can't break the promise." Feng Xue quickly changed her mood, Feng Xue looked very happy when Ye Chen promised to marry her.

Feng Xue had liked Ye Chen for a long time, finally she had a chance to be with Ye Chen, how could Feng Xue waste a golden opportunity like this.

Ye Chen felt cheated by Feng Xue, this woman must be acting in front of him on purpose.

Feng Xue took her clothes, she started to go back to wearing hers.

After she finished wearing her clothes, Feng Xue turned around and faced Ye Chen.

Feng Xue hugged Ye Chen's arm again.

"So you tricked me" Ye Chen felt dissatisfied because he was tricked by Feng Xue.

"I did not trick you, you have seen my naked body, a woman's naked body is a very valuable item, if you see it you have to dare to take responsibility" Feng Xue explained to Ye Chen that women's bodies are

very valuable, some women are very careful and respectful. their bodies so as not to be seen by foreign men.

Feng Xue was one of those women who looked after and respected her body.

a real man should dare to take responsibility after seeing a woman's naked body

"Ye Chen, you know, I have liked you for so long, now I finally have a chance to be with you." Feng Xue told Ye Chen what was in her heart.

Ye Chen didn't expect that a big star like Feng Xue would like him.

No wonder Feng Xue was very concerned about Ye Chen, it turned out that Feng Xue liked Ye Chen.

"So what do you like about me? ", Ye Chen hugged Feng Xue's body.

"I like all the things you have." Feng Xue liked all the things that Ye Chen had.

Not only smart and strong, Ye Chen is also very good at playing a musical instrument, last night Ye Chen's musical instrument made Feng Xue really fall in love with Ye Chen.

Ye Chen found it difficult to refuse a beautiful female star that fell on him, only a fool would refuse a beautiful star like Feng Xue

Ye Chen kissed Feng Xue's cherry lips, he started having an affectionate kiss with Feng Xue.

Feng Xue was quite surprised when Ye Chen kissed herself, this was the first time she had kissed Ye Chen consciously.

The feeling of kissing was quite pleasant, Feng Xue began to sink into this kiss.

Ye Chen tried not to be too greedy when kissing Feng Xue, he didn't want Feng Xue's heart to get exhausted from being too excited when kissing her.

The kiss didn't last long, after about 5 minutes Ye Chen let go of Feng Xue.

Feng Xue lowered her face on Ye Chen's chest, she looked shy.

"If your fans find out that the goddess at heart likes a man like me, won't I immediately become the public enemy of the men in this country." Ye Chen teased Feng Xue.

"Ye Chen please don't tease me." Feng Xue's face turned red like an apple.

"hehe" Ye Chen chuckled.

### **Chapter 337 - Go To The Yun Family Manor**

"Remember carefully, you shouldn't be too tired, otherwise what I'm doing right now will be in vain." Ye Chen told Feng Xue not to be too tired.

"Okay, I understand." Feng Xue nodded to Ye Chen, Feng Xue would try to reduce activities in the entertainment world for a while.

"Good, then let's go." Ye Chen invited Feng Xue to leave this hotel.

Ye Chen and Feng Xue left the hotel, Ye Chen did not continue sightseeing together with Feng Xue.

Ye Chen escorted Feng Xue back to the Feng family's Mansion to rest.

After arriving at the gate of the Feng family's Mansion, Feng Xue got out of the car.

"Thank you for today." Feng Xue gave Ye Chen a cheek kiss.

After kissing Ye Chen, Feng Xue entered the Mansion.

Ye Chen rubbed the cheek that Feng Xue just kissed, he just smiled at the departure of Feng Xue.

Since there was nothing else for Ye Chen to do, Ye Chen decided to return to the hotel.

"Bipp" when Ye Chen wanted to go back to the hotel, his cellphone rang.

An unknown contact called himself, Ye Chen immediately picked up the call from this unknown contact.

"Hello who is this?", Ye Chen immediately asked who the person had contacted him.

"Ye Chen, I am Ling Yin." The person on the other side of the phone was Ling Yin.

"Oh, it turned out to be you, then what happened did you call me?" Ye Chen wanted to know why Ling Yin contacted him.

"Ye Chen, I have found out who the person intends to kill you is." Ling Yin has already found out who is the person who wants to kill Ye Chen.

"Who is that?" Ye Chen immediately asked who the person wanted to kill himself was.

"His name is Yun Pojun, he is the head of the Yun family which is one of the four major families in the capital, this person charges a very high murder rate to take your head." Ling Yin told Ye Chen that the person who wanted to kill Ye Chen is Yun Pojun.

"Yun Pojun." Ye Chen muttered, it looks like the Yun family is eager to take revenge for Yun Hao's death.

"Ye Chen you have to be careful, maybe there will be a lot of assassins who come to kill you" Ling Yin told Ye Chen to be careful of the murderers who come to him.

"You don't need to worry, I will solve this alone, you just give the coordinates of the residence belonging to the Yun family to me." Ye Chen is not someone who will wait for the enemy to come to him, he prefers to attack the enemy first.

"You have to be careful, surely the Yun family has prepared something for you." Ling Yin told Ye Chen to be careful when dealing with the Yun family.

Ling Yin sends the location of the residence belonging to the Yun family.

Ye Chen accepted the location where the Yun family lived.

"When are you coming back?" Ye Chen asked when Ling Yin would come back here.

"Maybe I won't be able to be with you anytime soon, I found a little information about the whereabouts of the Phantom Blade, I will go to find out the truth of this information." Ling Yin won't be able to meet Ye Chen anytime soon, she will find out the whereabouts of the blade Phantom.

"Take care of yourself, if you need anything just contact me" Ye Chen told Ling Yin to be careful while looking for the whereabouts of the Phantom Blade.

"I know, honey I have to go, see you later" Ling Yin hung up on the phone.

After the call closed, Ye Chen got out of the car, he put the car into the fairy gate storage room.

It was quite inconvenient to go by car, Ye Chen preferred to fly because it was faster.

After entering the car into the fairy gate storage room, Ye Chen flew towards the Yun family residence.

Ye Chen only took a few minutes to arrive at the Yun family manor.

"So this is where the Yun family is." From above the sky Ye Chen saw the enormous manor.

The Yun Family Manor was immense, it was several times bigger than the mansion owned by the Feng family.

Ye Chen descended in front of the Yun Family Manor.

"Wiu. . . , Wiu. . . . . , wiu. . . , Wiu. . . . ."When Ye Chen came down, the warning siren sounded very loud.

Dozens of guards that were owned by the Yun family came out, they were carrying an Ak47 weapon.

Dozens of people were aiming at Ye Chen's body.

"Quickly raise your hand." One of the dozens of people told Ye Chen to raise his hand and surrender.

It seemed this person was the leader of the guard squadron of the Yun family.

It seems that Ling Yin's guess was correct, the Yun family was already eagerly awaiting Ye Chen's arrival.

Ye Chen didn't really care about the dozens of Ak 47 weapons that were pointed at him.

"Tell me where is the leader of the Yun Clan." Ye Chen asked where Yun Pojun was at this time.

"Don't you listen to my orders, hurry up and raise your hands, otherwise we will kill you" the leader of the Guards shouted at Ye Chen.

Ye Chen didn't listen to the order from the guard squad leader, he started to step forward.

"Shoot" Seeing that Ye Chen was about to fight back, the leader of the guards ordered the people behind him to shoot Ye Chen.

"Dooorrrr. . . . . , Dooorrrr. . . . . , Dooorrrr. . . . . , Dooorrrr. . . . . , Dooorrrr. . . . . , "Hundreds of bullets directly rained down on Ye Chen's body.

Ye Chen made a shield from Heavenly flames to protect his body.

The bullet that hit Ye Chen's fire barrier, was immediately turned to ashes by Ye Chen's Heavenly Flame.

In an instant the bullets in the magazine ran out, strangely after receiving hundreds of bullets Ye Chen could still move forward.

Ye Chen's body also looked good, no blood stains came out of Ye Chen's body.

Seeing this weirdness, the guards started to get scared, Ye Chen really isn't normal.

"Quickly load your bullets and shoot that person again" the leader of the guard immediately ordered the people to reload and shoot Ye Chen again.

"Bamm" Ye Chen hit the guard squad leader who was in front of him.

The leader of the guard was flown tens of meters by Ye Chen, he hit a wall, the leader of the guard vomited a lot of blood, he lost consciousness and fainted.

It is not known whether this leader of the guards is alive or dead.

Seeing this the guards became even more afraid, they immediately threw away the weapons they were carrying.

"We give up, please don't hurt us." The Yun family guards admitted their defeat.

These people were only the ones employed by the Yun family, they would not sacrifice their lives to defend the Yun family.

"Tell me where Yun Pojun is." Ye Chen asked where Yun Pojun was.

"He is currently in the underground bunker at the very back of this manor." The guard told him where Yun Pojun was.

After knowing where Yun Pojun was, Ye Chen immediately went to the backyard of the Yun family manor.

Using his spirit sense, Ye Chen tried to find the underground bunker in the backyard.

Ye Chen finally found a bunker right under his feet, this bunker was about 10 meters underground.

Inside the bunker that Ye Chen found, there were a total of dozens of people currently in it, it seemed that this was Yun Pojun and some members of the Yun Family.

From Ye Chen's hand appeared the Heavenly Fire Ball, Ye Chen threw down his heavenly flames.

"Booommmm" a very strong burst occurred, under Ye Chen appeared a large and quite deep hole.

Right inside this hole, Ye Chen could see Yun Pojun and several other people who were inside the bunker.

### **Chapter 338 - Destroying Yun Family**

Yun Pojun was currently sitting on the ground, he was shocked when he saw Ye Chen's arrival.

Yun Pojun looked scared when he saw Ye Chen here, Yun Pojun started to crawl backwards.

Ye Chen got down right in front of Yun Pojun, Ye Chen grabbed Yun Pojun's neck, he picked up Yun Pojun who was on the ground.

"So you are a person named Yun Pojun, I came here to destroy your entire Yun family." Ye Chen pointed at Yun Pojun.

Ye Chen is fed up with being kind to the Yun family, he will destroy the Yun family.

"You are not mistaken, I am not Yun Pojun, he is the Yun Pojun you are looking for." Yun Pojun pointed at his brother who had an appearance that was almost similar to himself.

"No, no, I am not Yun Pojun, the real Yun Pojun is in your hands." Yun Pojun's brother immediately denied the words that came out from Yun Pojun.

Ye Chen saw the debate that Yun Pojun and his brother were having, both of them seemed to want to confuse Ye Chen.

"Shut up, all of you Yun family members I will destroy" Ye Chen was sick of seeing the drama that Yun Pojun and his brothers were showing.

His goal here was to destroy the Yun family, he would not let go of a single person from the Yun family.

The entire Yun family became speechless, they were immediately frightened by Ye Chen.

"What are you waiting for quickly kill him" Yun Pojun shouted and ordered the masters behind him to attack Ye Chen.

Yun Pojun had been waiting for the master cultivators who were here to save him.

Unfortunately the master cultivators here did not dare to help Yun Pojun, they did not want to take a risk against someone who could fly above the sky.

The master cultivators who were here knew that Ye Chen was a great cultivator.

"Sorry we don't want to interfere in this matter, we'll just go" The master cultivators tried to run away from this place.

Just as the master cultivators wanted to leave, Ye Chen's Heavenly Silver Flame appeared around their bodies.

"Where are you going? You should also go along with the Yun family to hell. "Ye Chen won't let Master cultivators just run away.

The Heavenly Silver Flame began to envelop the master cultivators' bodies, the Heavenly Silver Flame began to burn the bodies of the cultivators invited by the Yun family.

"Ahhhhh . . . , please don't forgive us " The master cultivators tried to beg Ye Chen for mercy.

It's a shame that in a matter of seconds they were burnt down by Ye Chen's Heavenly Silver Flame.

The eyes of Yun Pojun and the Yun family members suddenly opened wide, when they saw that master cultivators were killed so easily by Ye Chen.

All of them naturally knew how great the master cultivators in their family were, it was not easy to deal with one of the master cultivators in this family.

They were all very shocked when they saw Ye Chen kill cultivator masters so easily.

"Now it's your turn." Ye Chen prepared to burn Yun Pojun.

"Stop it. . . ! ! "Someone tried to stop Ye Chen from killing Yun Pojun.

This person's voice was extremely loud, his voice was like a thunderous bolt of lightning.

Ye Chen immediately looked where this voice was coming, above the sky Ye Chen saw an old man with white hair and all-white clothes.

This old man was of course Lord Guardian.

"What business are you stopping me for." Ye Chen was not too happy when he saw this old man come to stop himself.

"I'm trying to stop you from making a big mistake." Lord Guardian tried to stop Ye Chen, what Ye Chen is doing poses a big risk to this country.

"What wrong have I done? "Ye Chen doesn't really like Lord Guardian speaking wisely in front of him.

"The mistake you did was destroying the Yun family, the Yun family is one of the pillars of this country, if it is destroyed there will be undesirable chaos." Lord Guardian told Ye Chen what the consequences would be if the Yun family disappeared from this world.

The Yun family has the strongest business in this country, if it is destroyed then you can be sure that the economy will become chaotic.

"God, please save me from this devil, I beg of you" Yun Pojun finally found a savior who might be able to save himself.

He thought that this old man with an all white appearance was a god who was sent to help his family.

"I don't care, it's none of my business." Ye Chen didn't really care about this matter, if the Yun family fell, there would definitely be another big family that replaced the position of the Yun family.

"Then I have to stop you" Lord Guardian tried to stop Ye Chen.

Lord Guardian emitted a very powerful aura, because the Lord Guardian's aura was very strong, the sky that was originally bright immediately turned black.

The Lord Guardian this time had to be really serious, the opponent was Ye Chen who probably had a stronger strength than he currently had.

Ye Chen looked at Lord Guardian, this old man always interferes in other people's business.

Ye Chen threw Yun Pojun's body against the wall of the Bunker, first he would take care of this annoying old geezer.

Ye Chen used the nine shadow step, he was directly behind Lord Guardian.

Lord Guardian did not see Ye Chen's movements at all, without him realizing that Ye Chen was already behind him

"Get lost, breaking meteor blow." Ye Chen used a breaking meteor blow to attack Lord Guardian.

Lord Guardian crossed his arms, he tried to block Ye Chen's attack.

"Bamm" Ye Chen's attack hit Lord Guardian's arm.

Lord Guardian was pushed back tens of Km.

Lord Guardian fell and hit a building, the building that was hit by Lord Guardian was immediately destroyed and badly damaged.

One of the hands that was owned by Lord Guardian was broken from receiving Ye Chen's attack.

"Damn, I'm not his opponent." Lord Guardian cursed Ye Chen.

Lord Guardian intends to stop Ye Chen again.

"Don't move, if you dare to move even a little you will die" a cold voice spoke to Lord Guardian.

Lord Guardian felt goosebumps just from hearing this woman's voice.

His body shook violently with fear, Lord Guardian had never met a situation like this, Lord Guardian did not dare to move his body.

Ye Chen looked at the direction where the Guardian Lord fell, the old man didn't come here anymore, it meant that the Guardian Lord had already lost to the attack he just did.

Ye Chen turned his attention back to Yun Pojun and the rest of the Yun family.

"Time to end all of this." It's time for Ye Chen to destroy the Yun family.

Ye Chen raised both of his arms, a huge silver colored fire dome appeared right above Ye Chen.

An extremely intense aura emanated from Ye Chen's Heavenly flames.

Ye Chen lowered his arm, when Ye Chen's arm went down, the silver colored fire dome also fell down.

This huge fire dome began to descend and enveloped the manor belonging to the Yun family.

The dome of fire began to hit the Yun family manor, the dome of fire burned everything it touched.

Yun Pojun and Yun family members were very scared when they saw this, they could only see the fire getting closer and grabbing their bodies.

Yun Pojun and the rest of the Yun family did not have time to shout, they were burned down by the Heavenly Silver Flame.

After a while the giant dome disappeared, the Yun family manor had now flattened into an empty expanse of land.

Finally, the Yun family who was one of the four great families disappeared from this world.

## Chapter 339 - Stalker

Ye Chen looked down, now what was beneath him was just a large expanse of empty land.

The manor belonging to the Yun family that had previously stood firmly here now vanished like a swallow of the earth.

The reason Ye Chen destroyed the Yun family was because the Yun family could threaten the people Ye Chen loved.

The Yun family can hire an assassin that is in the legend list, the killer who is in the legend list has no weak power.

They could threaten the safety of those who loved Ye Chen, for this reason Ye Chen destroyed the Yun family.

The biggest threat has been removed by Ye Chen. Now no one can threaten Ye Chen and the women anymore.

Ye Chen didn't want to stay here any longer, he decided to leave this place.

A while after Ye Chen's departure, Lord Guardian returned to the place where the Yun Family Property had been razed to the ground.

Lord Guardian saw the Yun family's residence that had been leveled to the ground, Lord Guardian shook his head, he was too late to stop Ye Chen.

Previously, Lord Guardian was detained by a woman who made him unable to do anything, after Ye Chen's departure, Lord Guardian could move his body again.

The Guardian Lord was still horrified by the cold voice of the woman who had restrained him.

"Everything has happened, I can't do anything about this, I will report this to the Kunlun higher-ups, let them just make up their minds about what happened today." Lord Guardian can't do anything, behind Ye Chen. definitely standing someone strong enough.

If not, how could Ye Chen have such courage, Lord Guardian began to suspect that the mysterious woman who was holding him back was the strong support behind Ye Chen.

Lord Guardian still has a lot of work to do, he has to make sure no one knows about the Destruction of the Yun family.

Lord Guardian created a gigantic barrier around the former residence of the Yun family manor.

Lord Guardian made a projection that made outsiders think that the Yun Family Manor was still standing firmly above this place.

Now it remains only to get the Six-Door organization to carry on with the rest.

Lord Guardian flew towards the horizon, no one knew where Lord Guardian was going.

After destroying the Yun family, Ye Chen immediately returned to the five-star hotel.

On the way back to the hotel, Ye Chen felt someone following him again, Ye Chen tried to find the whereabouts of this stalker.

"How strange." Again, when Ye Chen searched, he didn't find anyone around here.

"Yuechan, do you feel that someone is following us? ", Ye Chen finally asked Chu Yuechan, if there really were people who followed him, Chu Yuechan would definitely know.

"I don't feel anyone's presence, maybe it's just your hallucination." Chu Yuechan told Ye Chen that no one was around.

"Maybe you're right, maybe it's just my hallucinations." Maybe what Chu Yuechan said was true, he was probably hallucinating.

Ye Chen continued his journey back to the hotel.

Chu Yuechan looked far behind Ye Chen, there Chu Yuechan saw the figure of a beautiful woman with a veil covering her face.

This woman is the beautiful goddess Dongfang Xiu whom Ye Chen met and harassed yesterday.

From the start, Chu Yuechan had already discovered the existence of Dongfang Xiu, even Chu Yuechan saw that Dongfang Xiu had helped Ye Chen twice.

The first she killed Liu Lee, and the second she kept Lord Guardian from interfering in Ye Chen's matters.

Chu Yuechan didn't feel any hostility from Dongfang Xiu, it seemed like Dongfang Xiu didn't come to take revenge on Ye Chen.

therefore he didn't tell Ye Chen where Dongfang Xiu was.

Chu Yuechan really wanted to know what Dongfang Xiu wanted, why was this woman secretly helping Ye Chen.

Chu Yuechan felt a little strange about the current Dongfang Xiu, the current Dongfang Xiu looked very calm and cold, not a single ripple flashed through Dongfang Xiu's crystal clear eyes.

Chu Yuechan had a hard time seeing what Dongfang Xiu was thinking at the moment.

Chu Yuechan continued to observe the movements of Dongfang Xiu, she didn't want to take her eyes off Dongfang Xiu.

A while later, Ye Chen arrived at the five-star hotel where he was staying.

Ye Chen immediately went to the room where Liu Yue, Xia Qingyu and Nangong Xiang were.

He was eager to see what these three beauties were up to.

"Click" Ye Chen immediately opened the entrance to the hotel room, he immediately entered the room.

When Ye Chen walked in, he saw a very amazing sight, Ye Chen almost got a nosebleed just from seeing this.

Currently Nangong Xiang was changing clothes, Nangong Xiang had just taken off some of the ancient clothes she was wearing.

Nangong Xiang did not expect that when she wanted to change clothes, Ye Chen would enter this room.

Ye Chen saw the half naked body that Nangong Xiang had, Nangong Xiang did not wear any underwear.

Ancient women like Nangong Xiang never wore such underwear, their bodies would still be well preserved even without wearing any underwear.

Ye Chen could see everything very clearly, especially the two sizable mountain peaks that belonged to Nangong Xiang.

Ye Chen did not think that Nangong Xiang's was quite large, before Nangong Xiang wore ancient clothes, so the two peaks of this mountain were covered by the golden ancient clothes that Nangong Xiang was wearing.

"How long are you going to stand there and see me, quickly turn around." Nangong Xiang told Ye Chen to turn around.

Nangong Xiang felt a little embarrassed when Ye Chen looked at her half naked self.

If the current man who was peeping wasn't Ye Chen, Nangong Xiang would have immediately gouged out the two eyes of the man who dared to peek at her.

To Nangong Xiang Ye Chen was a good man, so Nangong Xiang could not hurt Ye Chen because of this.

Ye Chen didn't turn around, he instead headed in front of Nangong Xiang.

Ye Chen hugged Nangong Xiang's body, the two eyes belonging to Ye Chen and Nangong Xiang met.

"So beautiful." Ye Chen praised the beauty that Nangong Xiang had.

Nangong Xiang looked quite happy when praised by Ye Chen, who is a woman who doesn't like being praised by a man they like.

"Seriously, you really know how to tease that makes this empress happy." Nangong Xiang had to admit that the words that Ye Chen spat made her happy.

"I'm talking about the fact that you are really very beautiful, if you don't believe it you can ask the magic mirror." Ye Chen wanted to tease the beautiful goddess in his arms.

"Where's the magic mirror? ", Nangong Xiang started looking for the magic mirror that Ye Chen was referring to.

"It's right in front of your eyes." Ye Chen told Nangong Xiang that the mirror was right in front of Nangong Xiang's eyes.

"Where? I can't see it." Nangong Xiang couldn't see the magic mirror that Ye Chen was referring to.

"Hehehe, don't you see that my eyes are magic mirrors that I mean" what Ye Chen meant from the start is his eyes.

Nangong Xiang looked into Ye Chen's eyes, in Ye Chen's eyes she could indeed see herself.

"Why don't you try to ask with my magic mirror, he will definitely give you the answer you want" Ye Chen told Nangong Xiang to ask.

"Well, I will try, O magic mirror who is the most beautiful woman in this world" Nangong Xiang finally tried to ask the magic mirror.

"Of course my dear Nangong Xiang is the most beautiful woman." Ye Chen answered Nangong Xiang's question.

Nangong Xiang's heart was very sweet and happy, she had never played flirting with the opposite sex like this, it was quite pleasant.

"You're teasing me again." Nangong Xiang was teased by Ye Chen again, the seduction of this little man was too difficult for Nangong Xiang to resist.

"I speak the truth, you are indeed a beautiful goddess." Ye Chen kept saying sweet words to Nangong Xiang's ear.

"You little boy, you have very sweet words, it is only fitting that many women fall to you" Nangong Xiang was very happy with Ye Chen, she hugged Ye Chen's neck.

#### **Chapter 340 - Xiannu Company Caught Fire**

The atmosphere turned good and looking very romantic, Ye Chen's face and Nangong Xiang's face started to get closer to each other.

The lips of the two of them are getting closer and will soon make direct contact.

"Ahemmm" when Ye Chen and Nangong Xiang were about to kiss, Xia Qingyu suddenly coughed and disturbed Ye Chen and Nangong Xiang's beautiful moment.

Nangong Xiang immediately came to her senses, she immediately pushed Ye Chen away from her.

Nangong Xiang almost forgot that there were still two beautiful women who lived together with Ye Chen.

"Dear Qingyu, did you sleep well" so that Xia Qingyu's mood would not deteriorate, Ye Chen immediately tried to please Xia Qingyu's heart.

He called Xia Qingyu very intimately.

"Hemppp, those cute words of yours will no longer work on me." Xia Qingyu snorted coldly, trying not to be swayed by Ye Chen's sweet words.

Xia Qingyu had heard and saw what Ye Chen and Nangong Xiang had just done, the two of them seemed to tease each other.

Unable to bear to see Ye Chen and Nangong Xiang teasing each other, Xia Qingyu interrupted the beautiful moment that the two of them were about to do.

"Hehehe, as expected from dear Qingyu." Ye Chen chuckled, it seemed that Xia Qingyu already knew Ye Chen's mind.

"Ye Chen, we have to go home now, the company is having a big problem." Xia Qingyu invited Ye Chen to return to their city immediately.

"What happened to the company?" Ye Chen wants to know what's going on with his company.

"The company is on fire, you just look at this." Liu Yue came with a laptop, she showed Ye Chen a video.

In the video shown by Liu Yue, you can see that several buildings belonging to the company were burned down, one of which is Ye Chen's Xiannu Company.

"What happened?" Ye Chen immediately asked what happened, how could the company catch fire.

"I also don't know, I just got this video from my subordinates." Liu Yue also didn't know what happened to the building that had been burned, which must have been very strange.

"This is so strange, how can several buildings burn at the same time, in this video all the burning buildings are related to my company." Liu Yue had checked repeatedly.

Apart from Ye Chen's Xiannu company, some of the burning buildings were part of a small branch of Liu Yue's company, Liu Yue felt that this must be someone's doing.

"Okay, I understand, let's go back soon", because of this matter Ye Chen had to return earlier than the original schedule.

"Okay I'll book a plane ticket." Xia Qingyu wanted to book a plane ticket back to town.

"It's not necessary, we can come back by flying, it will save more time." Ye Chen stopped Xia Qingyu from ordering plane tickets, it would be faster if they flew back to the city.

"Fly?" Xia Qingyu didn't understand what Ye Chen was saying.

"Husband, I agree." Liu Yue agreed with Ye Chen, if they fly they will be able to return to the city very quickly, it will save a lot of time.

"Nangong Xiang, are you going to stay here or come with us." Ye Chen wanted to know whether Nangong Xiang would come with him or stay here.

"Ye Chen I will stay here for a while, later I will follow you" Nangong Xiang did not follow Ye Chen, there is something that Nangong Xiang must do.

"OK, I understand." Ye Chen understood, he didn't force Nangong Xiang to come along with him.

Ye Chen told Nangong Xiang the address where he lived, he hoped that Nangong Xiang would really go there.

Nangong Xiang understood, she nodded at Ye Chen.

"Now let's go" Ye Chen invited Liu Yue and Xia Qingyu.

Liu Yue nodded, she went to Ye Chen's side, Xia Qingyu didn't understand what Ye Chen wanted, she was still very confused.

"Qingyu come here" seeing Xia Qingyu was still very confused about what Ye Chen wanted, Ye Chen told Xia Qingyu to get closer to him.

Xia Qingyu immediately went to Ye Chen's side, she was now standing beside Ye Chen.

Liu Yue and Xia Qingyu stood on the right and left of Ye Chen's side, Ye Chen hugged Liu Yue and Xia Qingyu's waist.

Ye Chen brought the two of them jumping from the very high floor of the hotel.

Seeing that Ye Chen was carrying herself jumping from the top of a tall building, Xia Qingyu was so scared, she closed her eyes and hugged Ye Chen's body very tightly.

On the other hand, Liu Yue looked very relaxed, with the cultivation base that Liu Yue currently had, Liu Yue could fly like Ye Chen.

It's just that Liu Yue's flying speed is still far from that of Ye Chen.

It was because of this that Ye Chen brought Liu Yue Flying, it would have greatly saved their time.

Currently Xia Qingyu still closed her eyes, she looked very scared.

Ye Chen smiled slightly when he saw Xia Qingyu who was frightened. "Dear Qingyu, you can open your eyes, everything is fine." Ye Chen told Xia Qingyu to open her eyes.

Xia Qingyu thought that she had died from falling from the top of a tall building, when Xia Qingyu heard Ye Chen's voice, she started to open her eyelids.

When Xia Qingyu opened her eyes, she saw an extremely beautiful sight from above the sky.

"Ye Chen our is still alive, right ? "What's on Xia Qingyu's mind right now is that she died from falling from a tall building and his spirit went to heaven.

Ye Chen smiled when he heard Xia Qingyu's words, Ye Chen wanted to tease Xia Qingyu a little.

"Our Qingyu has indeed died, now our souls have turned into wandering souls, but that doesn't matter, as long as we can be together I'm very happy" Ye Chen said to Xia Qingyu.

"So we really died." Xia Qingyu looked sad after knowing this.

"Don't you want to stay with me" Ye Chen asked Xia Qingyu

"No, I'm happy to live with you." As long as he can be with Ye Chen, Xia Qingyu is satisfied.

Ye Chen and Xia Qingyu embraced.

"Giggle." Liu Yue giggled when she saw what Ye Chen and Xia Qingyu were doing.

"Sister Qingyu, you are currently being tricked by Ye Chen, it is clear that you are currently alive." Liu Yue told Xia Qingyu that she was still alive.

Hearing Liu Yue's words, Xia Qingyu realized that she was still alive, she immediately tried to push Ye Chen away. "Ye Chen, you dare to trick me, watch out for you."

"Dear Qingyu, if you move a lot you will fall." Ye Chen told Xia Qingyu to be quiet and not fight back.

Xia Qingyu immediately realized that right now they were above a very high sky, if she fell from this kind of height then it was certain that she would die.

Xia Qingyu hugged Ye Chen so tightly again, she was afraid to fall down there.

"What's going on here" Xia Qingyu did not expect that Ye Chen and Liu Yue could float in the sky.
