

Chapter 341 - Conversation Between Two Beautiful Goddesses

"Qingyu, didn't I say before that Ye Chen and I were cultivators, this is one of the abilities we have as cultivators." Liu Yue again explained to Xia Qingyu that she and Ye Chen were cultivators.

"So you two can fly? ", Asked Xia Qingyu quite astonishedly.

Liu Yue and Ye Chen nodded simultaneously.

Xia Qingyu did not expect that Ye Chen and Liu Yue could fly above the sky, Xia Qingyu felt a little jealous of Ye Chen and Liu Yue who could fly freely in the sky.

Xia Qingyu had to find some time for Ye Chen to teach herself how to fly.

"Let's go." Ye Chen invited Liu Yue and Xia Qingyu back to their city.

Liu Yue drew closer to Ye Chen, she was hugged by Ye Chen again.

Ye Chen brought the two beauties in his arms towards the city where they live.

Currently in the hotel room, Nangong Xiang saw the departure of Ye Chen, Liu Yue and Xia Qingyu.

"How long will you hide like that, I never thought that a cold goddess like you would stalk someone." Nangong Xiang was seen talking to someone.

Even though there were no people around this space.

After the words from Nangong Xiang came out, a gust came in from the window, in front of Nangong Xiang appeared a woman in plain white ancient clothes and had white hair, this woman used a veil to cover her face.

This woman was of course Dongfang Xiu, Dongfang Xiu stared straight at Nangong Xiang.

Nangong Xiang also stared straight at Dongfang Xiu, the two beautiful goddesses staring at each other.

It had been a long time since the two of them had seen each other, perhaps thousands of years since their last meeting.

Neither Nangong Xiang nor Dongfang Xiu started the conversation, the two were still staring at each other.

"What is an empress like you doing in a place like this, especially if you make out with a man other than your husband, If King Sun Quan knows for sure he will be very angry" finally Dongfang Xiu started a conversation with Nangong Xiang.

Dongfang Xiu's tone sounded cold and heartless, Dongfang Xiu also looked more mature and dignified, this was completely different from the Dongfang Xiu whom Ye Chen met yesterday.

Dongfang Xiu, whom Ye Chen met yesterday, looks like a young lady who is very arrogant, while the current one looks more mature and dignified.

"Don't say that disgusting man in front of me, that man is not my husband now." Nangong Xiang didn't like when Dongfang Xiu mentioned Sun Quan, that man was completely unworthy of Nangong Xiang.

"It's quite rare to see a Sun Empress angry like this." This was Dongfang Xiu's first time seeing Nangong Xiang angry.

An empress like Nangong Xia rarely got angry, an empress should always look graceful and dignified, they shouldn't show their emotions in public, otherwise it would embarrass the king's name.

"Hemppp." Nangong Xiang snorted coldly.

"Why are you secretly following Ye Chen, actually what do you want from Ye Chen" Nangong Xiang asked Dongfang Xiu, Nangong Xiang wanted to know why a cold hearted goddess like Dongfang Xiu was secretly following Ye Chen.

"It's because the man named Ye Chen dared to steal the heavenly flames I had, because of this I followed him secretly." Dongfang Xiu very easily answered Nangong Xiang's question.

" that is it ? , didn't you come to take revenge on Ye Chen for harassing you. "Nangong Xiang still remembered what Ye Chen said last night.

Nangong Xiang herself heard that Ye Chen had abused a cold-hearted goddess like Dongfang Xiu, with the temper that Dongfang Xiu had, Dongfang Xiu would definitely come to take revenge on Ye Chen.

When Nangong Xiang said this, there were slight ripples that appeared in Dongfang Xiu's crystal clear eyes, Nangong Xiang only saw a moment, Dongfang Xiu's eyes immediately returned to calm, she again turned into a cold, dignified goddess.

" Why ? , are you afraid to admit it? "Nangong Xiang tried to lure Dongfang Xiu into admitting this.

Suddenly the room temperature around here turned cold, the things in this room started to freeze.

Around Dongfang Xiu, several snow colored butterflies appeared, Dongfang Xiu used her own power to freeze this place.

Dongfang Xiu didn't seem to like what Nangong Xiang had said, trying to provoke her.

Nangong Xiang looked at the snow butterflies around her, it seemed that Dongfang Xiu wanted to fight with her.

"Don't be so rude like that, I have no interest in fighting with you." Nangong Xiang did not want to fight Dongfang Xiu, the current she was definitely no match for Dongfang Xiu.

Nangong Xiang only wanted to talk to the Snow Butterfly Goddess in front of her a little.

Dongfang Xiu became calmer, she began to withdraw the strength he had.

"Don't ever mention that in front of me, otherwise I won't let you go." Dongfang Xiu gave Nangong Xiang a strong warning.

"One more thing, I hope you don't tell anyone about my existence." Dongfang Xiu again warned Nangong Xiang not to tell someone about her whereabouts.

After warning Nangong Xiang, Dongfang Xiu turned around, it seemed that Dongfang Xiu intended to leave this room.

"Wait a minute" Nangong Xiang suddenly stopped leaving Dongfang Xiu.

Dongfang Xiu stopped. She looked back and looked at Nangong Xiang "what's wrong? Asked Dongfang Xiu to Nangong Xiang.

"I also have one condition for you, I hope you don't tell my whereabouts to anyone, especially people from God Realm." Nangong Xiang didn't want her existence to be known by people from God Realm.

Especially by Sun Quan, she didn't want a man like Sun Quan to know of her existence, Nangong Xiang wanted to live peacefully here,

Nangong Xiang had no interest in taking revenge against the Eternal Sun Star Realm, Nangong Xiang knew that she would not be able to fight against the Eternal Sun Star Realm.

The Eternal Sun Star Realm is a very powerful star, it is impossible for Nangong Xiang to fight against a star as strong as the Eternal Sun Star Realm.

Nangong Xiang would prefer to live in a remote place like this, at least here no one would disturb her.

There was also Ye Chen and her favorite female disciple Nangong Xiang would not be lonely.

Dongfang Xiu nodded lightly, after which she left this hotel room, now only Nangong Xiang remained in this room.

Nangong Xiang looked at the direction where Dongfang Xiu was going, the direction that Dongfang Xiu was going to was the same direction as Ye Chen was going.

"Interesting." Nangong Xiang smiled in a very charming manner.

She didn't expect that a cold-hearted goddess like Dongfang Xiu would be attracted to Ye Chen to that extent.

If this was the Dongfang Xiu that she usually knew, this cold-hearted woman would immediately hunt down the person who dared to abuse her.

from what Nangong Xiang was currently seeing, Dongfang Xiu had quite a bit of interest in Ye Chen.

Nangong Xiang was eager to know what kind of medicine Ye Chen gave Dongfang Xiu, so that Dongfang Xiu became like this.

"Looks like I'm not the only one who fell because of the seduction of that little man, even a cold-hearted goddess like Dongfang Xiu can easily be changed by him." Nangong Xiang must praise the greatness possessed by Ye Chen.

According to Nangong Xiang, Ye Chen was very powerful, he was indeed a natural enemy of a beautiful goddess, even Dongfang Xiu did not escape his evil claws.

Nangong Xiang returned cross-legged on the bed, she tried to recover.

After Nangong Xiang's body recovered, Nangong Xiang intended to go after Ye Chen.

Chapter 342 - Perpetrator Of Burning

In less than 1 hour, Ye Chen made it to the front of his company building.

Ye Chen brought Liu Yue and Xia Qingyu who was in his arms down.

Ye Chen saw his Xiannu company building, it is true that this building was just burned by fire, dozens of fire engines were deployed to extinguish the fire that burned this building.

Ye Chen saw that almost half of the building was on fire.

"Who did this ?, he was brave enough to look for trouble like this." Ye Chen was very annoyed to see his company building destroyed.

"Husband, we should find out the person who did this, later, let's first see what happened to the employees in the company, I hope there are no victims in this incident." Liu Yue wanted to know whether in this incident there were any victims or not .

"I agree, let's find out whether there are victims or not." Xia Qingyu agreed with Liu Yue's proposal, first they had to take care of the employees who were victims of this fire incident.

When Ye Chen and the two women wanted to find out the victim in this incident, Police Commissioner Bei Wu suddenly came to Ye Chen, Liu Yue and Xia Qingyu.

"Hello Miss Liu, Hello Ceo Xia, fortunately you two came here" Bei Wu greeted Liu Yue and Xia Qingyu.

"Police commissioner Bei Wu, I want to know all the details that happened in this fire incident." Liu Yue immediately asked Bei Wu about the details of this huge fire.

Police commissioner Bei Wu immediately explained to Liu Yue the details about this huge fire.

Apart from the Xiannu company, there were a total of 9 branch buildings belonging to the Liu Yue company that were burning by flames.

Until now, the number of victims who died has been confirmed as many as 16 people, while there are hundreds of people who suffered minor injuries, there are also dozens of people who are currently being taken to the hospital because of the burns they suffered.

Ye Chen, Liu Yue and Xia Qingyu listened to the details Bei Wu said.

Liu Yue and Xia Qingyu raised their eyebrows, they didn't expect that the number of victims would be that many, especially in this incident someone died.

Liu Yue, as the owner of the company, will pay compensation money to everyone who died or was injured in this incident.

"Commissioner Bei Wu, do you have a list of the names of the victims you mentioned earlier, if you have one then I would like to request a copy." Liu Yue would like to request a copy of the list of names of victims who had minor injuries, burns, and victims who had died.

"Of course I have, come with me" Bei Wu told Liu Yue to come with him.

Liu Yue nodded, she followed behind Bei Wu.

"Husband, I'll be going for a while." Liu Yue said goodbye to Ye Chen.

"OK." Ye Chen nodded at Liu Yue.

"Ye Chen, I want to go to see the employees at the company who have been victims of the fire." Xia Qingyu wanted to see Xiannu company employees who were injured.

As a CEO, these employees are her responsibility.

"Be careful, if something happens you can shout out my name." Ye Chen told Xia Qingyu to be careful, this place might still be quite dangerous.

Xia Qingyu nodded, she headed to the place where the employees who were victims of the fire were.

Now that there was only Ye Chen alone, Ye Chen wanted to find out who was the person who had carried out the arson, he had to find a proof of who had burned the Xiannu building and also the branch building belonging to Liu Yue's company.

Ye Chen went into the burning building, he was looking for a clue that might be used as evidence.

Ye Chen used his strength to search for evidence in this location, he started rummaging through the rubble of the building to find evidence.

After searching for quite a while, Ye Chen still couldn't find a clue as to who the person who set the Xiannu company on fire was.

"How can you be here, don't you see that the police have put up a warning so that no one can enter or approach here without permission." A woman's voice rang behind Ye Chen.

This voice was very familiar to Ye Chen, Ye Chen could already guess that this was the beautiful cop Luo Bing.

"Police Luo what are you doing here? ", Ye Chen turned around, he asked Luo Bing.

Luo Bing didn't expect that this person would become Ye Chen, it's no wonder she was familiar when she saw Ye Chen's back.

Luo Bing began to remember the incident a few days ago when she was kissed by Ye Chen, Luo Bing's face unknowingly turned r

"Ahemm." Luo Bing tried to calm herself down, right now she had to act like a professional female police officer.

"Ye Chen, what are you doing in a place like this? ", Luo Bing again asked Ye Chen what he was doing.

"I'm looking for a clue that I can use to find out the person who dared to burn down my company building." Ye Chen told Luo Bing what he was doing in this place.

"Here you might not find anything, all the evidence I found I brought to the police station to investigate." Luo Bing told Ye Chen that the evidence that allegedly belonged to the arsonists had already been secured by her.

"So everything is in the hands of the police? ", Asked Ye Chen to Luo Bing.

"Of course, soon the people who do this will be found soon." Luo Bing replied.

Ye Chen was so helpless, what he did before was just useless, it turned out that the evidence that Ye Chen was looking for had already been brought by Luo Bing.

No wonder Ye Chen didn't find any evidence in this place.

"Then when will that person be found out?" Ye Chen wanted to know when the perpetrator of the arson was discovered.

"You have to be a little more patient, maybe the results will come out soon." Luo Bing told Ye Chen to be even more patient waiting for the results of the investigation to arrive.

Ye Chen had no other choice but to wait for the results from the police.

After about 20 minutes, finally a message entered Luo Bing's cellphone.

Luo Bing immediately opened her cellphone, the message that just came in was the result that the police investigation had found, the police managed to find the person who had set the arson.

"Here let me see it too." Ye Chen tried to take Luo Bing's cellphone, he wanted to see who the person had set the arson.

Luo Bing stopped Ye Chen "can you be a little more patient, I'm reading it" Luo Bing told Ye Chen to be quiet for a while, she also wanted to know who the culprit was.

Ye Chen was already very impatient, he wanted to immediately find out who the culprit was.

Luo Bing started reading the information from the person who had carried out the Burning, she was closely observing the details of the person who had set the building burning.

"You see this for yourself." After she finished reading the information from the person who had carried out the arson, Luo Bing handed over her cellphone to Ye Chen.

Ye Chen received Luo Bing's cell phone, he saw the information from the person who had set the arson.

Ye Chen saw that this person was a criminal, from his history alone, this person has been jailed 7 times, this is truly a record.

There is additional information, that this person is a member of the Ax Gang.

Ye Chen still remembered that the Ax Gang first attacked him, it turned out that the arsonist of the building became the Ax Gang.

Looks like Ye Chen has to do something about this Ax Gang.

"This is your cell phone." Ye Chen returned Luo Bing's cellphone.

Luo Bing again received the cellphone from Ye Chen.

After giving the cellphone to Luo Bing, Ye Chen suddenly left the building that had been burning.

"Ye Chen, where are you going?" Luo Bing asked where Ye Chen wanted to go.

"I want to settle something." Ye Chen answered Luo Bing.

Ye Chen disappeared from before Luo Bing.

Luo Bing could only see Ye Chen's departure, she felt a little lost

Chapter 343 - Time To Finishing Ax Gang

Luo Bing didn't live here, he went to find the person who had set the fire to this building.

Ye Chen flew towards a building, this building was the Red Star building of the Red Wolf Gang headquarters.

Ye Chen used his spirit sense to search for Ai Lang's existence.

Ye Chen finally found Ai Lang's whereabouts, currently Ai Lang was in a large room with several women comforting him.

Ye Chen immediately went to the room where Ai Lang was.

"Bang! ! "Ye Chen entered the room where Ai Lang was.

Ai Lang was having fun with the women around him, he hugged the women who were beside him.

When Ye Chen entered Ai Lang immediately looked towards the entrance.

After knowing that this was Ye Chen, Ai Lang immediately let go of the women in his arms.

Ai Lang immediately went in front of Ye Chen to greet him.

"Hello Ancestor, what do you need to look for me, do you need something from me?" Ai Lang immediately asked Ye Chen's needs to find him.

The tone that Ai Lang used for Ye Chen was very respectful, after obtaining a body strengthening technique from Ye Chen, Ai Lang has now become almost invincible.

the people in the underworld began to fear him.

It was for this reason that Ai Lang respected Ye Chen even more, Ai Lang wanted to make Ye Chen happy with himself as much as possible.

"I need your help for something, I want you to go to destroy the Ax Gang then bring their big boss to me alive." Ye Chen told Ai Lang to bring the big boss of the Ax Gang to himself.

Ai Lang was surprised by the request Ye Chen wanted, he didn't think that Ye Chen wanted him to destroy the Ax Gang.

The request from Ye Chen was quite difficult, Ai Lang didn't have 100% confidence to destroy the Ax Gang.

The Ax Gang wasn't weak, his strength was comparable to that of the Red Wolf Gang he had.

" What is wrong ? , can't you do it? "Seeing Ai Lang's hesitation, Ye Chen asked him again.

"Ancestor, to be honest I don't have 100% confidence to fight the Ax Gang, the Ax Gang's strength is comparable to my Red Wolf Gang, so it will be quite difficult for me to destroy them." Ai Lang told Ye Chen that the Ax Gang was strong enough, Ai Lang was not have the confidence to destroy the Ax Gang.

"You don't need to worry, I have something for you." Ye Chen took out a bottle filled with liquid from the fairy gate storage room.

He gave the bottle filled with this liquid to Ai Lang.

"Ancestor, what is this." After receiving the bottle filled with liquid from Ye Chen, Ai Lang asked what is the function of this bottle.

"This is a medicine to strengthen a person, whoever takes this medicine will gain 10x the strength he has within 5 hours." Ye Chen told Ai Lang the effect of the liquid filled bottle he was currently holding.

"One bottle that you hold can be dissolved into 1000x glasses of drink, you can give it to all your subordinates, I'm sure after they drink this, they will not be defeated." Ye Chen also told Ai Lang that one bottle in his hand can be used. dissolve into 1000x drinking glasses.

Ai Lang was quite surprised when he heard the effect of the liquid in this bottle, Ai Lang did not expect that there was something this great.

With the liquid in this bottle, Ai Lang began to have the confidence to defeat the Ax Gang.

If the Ax Gang is destroyed, then his Red Wolf Gang will become the most powerful Gang in this city, Ai Lang is very happy, he has decided to follow Ye Chen forever.

This liquid is indeed great enough for ordinary humans like the men that Ai Lang has.

but for cultivators the liquid in this bottle was not very useful, the increase in strength gained from consuming this liquid would be very small.

Because of this, Ye Chen was not worried when he gave the bottle of liquid to Ai Lang.

"What are you waiting for, hurry up and do your job." Ye Chen told Ai Lang to immediately go destroy the Ax Gang.

"Good ancestor, I understand." Ai Lang understands, he immediately went to call all the men he had.

Ai Lang would let his men drink the liquid that Ye Chen gave him, after which he would attack the Ax Gang Headquarters.

Ye Chen saw Ai Lang's departure, if Ai Lang lost after getting help from him, then Ai Lang would be completely useless for Ye Chen.

"Hey handsome isn't it hot in here, do you wanna play with us?" The sexy ladies who previously played with Ai Lang started inviting Ye Chen to do fun things with them.

They were very interested when they saw the arrival of Ye Chen who was very handsome, especially seeing that Ai Lang had great respect for Ye Chen, these Sexy women were increasingly interested in being close to Ye Chen.

"Sorry I didn't have time to do that, see you next time" Ye Chen left this place immediately, he didn't like the way sexy women saw him, these women looked like hungry tigers and wanted to eat Ye Chen. .

Ye Chen left the room, Sexy women were quite disappointed when they saw Ye Chen's departure.

Looks like the battle will be a little long, so Ye Chen intends to return to the village to see what his wives are up to.

Ye Chen went down to the bottom of the Red Star building.

On the way down, Ye Chen saw a lot of rich people and office workers who came here.

The Red Star building is a very big and magnificent place, lots of rich people who come here to karaoke, get drunk, and there are some people who come here to do fun things together with the partners they have.

Under the Red Star building, it turns out that there are several Sexy women who are looking for a rich man to go on a date inside the Red Star building.

"Hey handsome, do you want to date with me, you only need to pay 500 dollars." A sexy woman came to Ye Chen.

Ye Chen looked at the Sexy woman who was approaching him, from the first glance Ye Chen could tell that this woman was not good at all.

These sexy women are not shy at all, on a sunny afternoon like this, they are brave enough to offer themselves to rich people who intend to enter the Red Star building.

The clothes worn by sexy women are very minimal and very tight, Ye Chen can see very clearly the body parts of Sexy women.

The ladies down here, were more open than Ai Lang had played before.

This sight was familiar to Ye Chen, after all Ye Chen had come here with Xia Qingyu, so he was already familiar with a scene like this.

In the past, when Ye Chen came here with Xia Qingyu for the first time, he was not stopped by the sexy women under the building, possibly because of the very beautiful Xia Qingyu beside Ye Chen.

So the sexy women didn't dare to get close to Ye Chen, they were afraid to compete with the beautiful Xia Qingyu.

"Sorry I'm not interested, move aside" Ye Chen is not at all interested in the Sexy woman in front of him, Ye Chen prefers to do it with his own wife or woman.

"You poor man." Seeing Ye Chen rejecting himself, Sexy woman insulted Ye Chen with poor words.

The sexy women here are extremely rude and shameless, they don't even hesitate to insult those who reject them.

Ye Chen did not put the woman's words into his heart at all, only a fool would respond to the words that came out a shameless woman like earlier.

Ye Chen decided to continue the journey back to the villa, he would leave the matter of restoring the company building to Liu Yue and Xia Qingyu.

When Ye Chen was about to leave the front of the Red Star building, from behind there was someone who tugged at the hem of his shirt.

"Young master, would you like to buy my virginity for 200,000 dollars" a woman again offered herself to Ye Chen.

Chapter 344 - Li Qingzu Sold Herself

Ye Chen is so helpless, why do women today prefer to sell the purity of their bodies for money, it seems that money has ruled this world.

"Sorry I'm not interested in that, you can just find someone else. . . ". Ye Chen's words stopped, when Ye Chen turned his head back and told the woman who was holding his shirt, he was very surprised.

This woman was no stranger to Ye Chen.

This is Li Qingzu who is one of the four school flowers at Hexing School.

Li Qingzu was quite surprised when she saw that the boy she was currently holding was Ye Chen.

Li Qingzu immediately removed her finger from Ye Chen's shirt, she tried to escape from this place.

Li Qingzu felt that she had no face to look at Ye Chen.

"Li Qingzu, wait a moment." Ye Chen grabbed Li Qingzu's wrist, he held Li Qingzu's arm so he didn't run away.

"Ye Chen please let me go" Li Qingzu tried to rebel against Ye Chen, Li Qingzu was very embarrassed, she felt like she wanted to die.

Li Qingzu didn't expect that she would meet Ye Chen in a place like this, let alone she openly offered herself to Ye Chen.

Ye Chen didn't let Li Qingzu go, he wanted to know what Li Qingzu's previous words meant.

"Li Qingzu, what did you say earlier, you want to sell your virginity?" Ye Chen wanted to know if Li Qingzu really wanted to sell herself, he didn't expect that Li Qingzu would become a woman like this.

Li Qingzu was so embarrassed that she was trying really hard to get away from Ye Chen.

Li Qingzu was too weak for Ye Chen, the resistance that Li Qingzu put on was just useless.

"Li Qingzu, stop fighting." Ye Chen told Li Qingzu to stop rebelling.

Li Qingzu suddenly started to cry, tears began to pour out of her eyes.

"Ye Chen, me. . . ." while crying Li Qingzu tried to explain what she was doing.

"Calm down, explain to me what really happened." Ye Chen stroked Li Qingzu's back, he tried to calm Li Qingzu.

he wanted to hear what happened to Li Qingzu, why did Li Qingzu want to sell himself for that kind of money.

After a few minutes, Li Qingzu finally calmed down.

"Now explain to me what happened, why did you suddenly sell your body." Seeing that Li Qingzu had calmed down, Ye Chen immediately asked Li Qingzu.

"It's because I need a lot of money for my mother's usual operation." Li Qingzu told Ye Chen why she sold herself, she really needed money for her mother's operation.

"Indeed what happened to your mother, did something bad happen to her" Ye Chen immediately asked what happened to Xu Mui's aunt.

"Yesterday my mother had an accident, currently both of her legs are broken and must be treated intensively in the hospital, the doctor told me that if the surgery is not done immediately my mother could become permanently disabled." Li Qingzu told Ye Chen what had happened to her mother.

Yesterday when Xu Mui came home from where he was working, she was suddenly hit by a car from behind, the person who had hit Xu Mui immediately fled to save him.

Fortunately, at that time someone found Xu Mui's whereabouts, that person immediately took Xu Mui away to the nearest hospital to be given help.

After being taken to the hospital, the hospital immediately contacted Li Qingzu.

Li Qingzu, who heard this, immediately left her part-time job, she immediately rushed to the hospital where her mother was being treated.

When Li Qingzu arrived at the hospital, the doctor told her that Xu Mui's two legs were broken quite badly, if surgery was not done immediately, Xu Mui could become disabled for life.

Li Qingzu was very sad when she found out about this, she then asked the ordinary doctor to perform surgery on her mother's leg.

The doctor then told Li Qingzu the cost of the operation. The doctor estimated that the surgery cost around 200,000 dollars.

after Li Qingzu found out about the cost of surgery, she was immediately shocked, she did not expect that the price of doing an operation could be that high.

Where Li Qingzu could find that kind of money in such a short time, even the value of Li Qingzu's house could not be compared to the cost of a fracture surgery.

Li Qingzu was completely helpless, she was trying to rack her brains, whatever happened Li Qingzu had to earn 200,000 dollars.

Li Qingzu did not want her mother to become permanently paralyzed, the only family that Li Qingzu had was her mother, because of this Li Qingzu loved Xu Mui so much.

Finally, Li Qingzu was told by a woman the fastest way to get very much money, that way of course selling herself.

Rich people would definitely buy Li Qingzu at a fairly high price, considering that Li Qingzu was very beautiful and still very young.

The rich will pay a very high price.

Li Qingzu was ordered to come here and offer herself to rich people who came and went from this place.

Li Qingzu was an innocent pure woman, she didn't know what to do at all, to Li Qingzu the middle-aged men here were so terrifying, Li Qingzu felt scared when she tried to talk to one of the rich middle-aged men.

It was then that Li Qingzu saw the figure of a young man who was the same age as her from behind, Li Qingzu finally ventured and offered herself to the young man in front of her.

It was unexpected that the young man in front of her was Ye Chen.

"So you need money for surgery for your mother's broken leg? ", Asked Ye Chen to Li Qingzu.

Li Qingzu nodded, at this time Li Qingzu lowered her head, she felt very embarrassed when she looked at Ye Chen's face.

"Sorry to make you see such a shameless thing" Li Qingzu apologized to Ye Chen, she turned around and tried to escape from this place.

Seeing Li Qingzu want to run away from Ye Chen, Ye Chen stopped Li Qingzu again, Ye Chen reached out and held Li Qingzu's small waist.

Li Qingzu entered Ye Chen's arms, Li Qingzu was in Ye Chen's arms her face became even redder.

"Why do you want to run away from me again? ", Ye Chen asked Li Qingzu.

"I'm ashamed, now you must think of me as a bad woman." Li Qingzu was ashamed, Ye Chen must have thought of herself as a bad woman.

Ye Chen smiled "I won't think of you as a bad woman, what you did was very good, you only want your mother to recover, but the way you did it was wrong" Ye Chen didn't hate Li Qingzu, what Li Qingzu did was very good. , she just wanted her mother to recover like normal people.

Li Qingzu was a little relieved when she found out that Ye Chen didn't think of her as a bad woman.

"If you don't have to worry, let me help you." Ye Chen decided to help treat Li Qingzu's mother.

"Ye Chen, do you really have that much money?". Li Qingzu couldn't believe that Ye Chen had that kind of money, whether Ye Chen's family was that rich.

200,000 dollars is a very large amount, in this life Maybe Li Qingzu is very difficult to get that kind of money.

"You don't need to worry about money, now just show me where your mother is currently being treated." Ye Chen wanted Li Qingzu to show you the place where her mother was being cared for.

Chapter 345 - You Really Don't Deserve To Be A Doctor

Li Qingzu really believed in Ye Chen, Ye Chen was a person who had helped her many times, that's why Li Qingzu trusted Ye Chen's words so much.

"Then come with me" Li Qingzu invited Ye Chen to go to where her mother was treated.

Li Qingzu stopped a taxi, she and Ye Chen immediately got into the taxi.

"Miss and young master, where do you want to go" The taxi driver immediately asked where Ye Chen and Li Qingzu were going.

"We want to go to the XXX hospital in this city." Li Qingzu immediately told the taxi driver where they were going.

"Okay" the taxi driver immediately spurred this vehicle to the XXX hospital in this city.

The distance from the Red Star building to the XXX hospital in the city is not too far, it's only about a few kilometers.

The taxi driver was driving very fast, he arrived at the gate of the hospital.

After paying all fees to the taxi driver, Ye Chen and Li Qingzu got off the taxi.

The two of them immediately went to the room where Li Qingzu's mother was being treated.

When the two of them arrived at Xu Mui's ward, the Ward was already empty.

Li Qingzu felt quite confused, this morning she remembered that her mother was in this ward.

Not finding the whereabouts of her mother, Li Qingzi asked the nurse who was on guard.

"Nurse, have you seen the patient who previously occupied that ward? ", Li Qingzu asked the nurse who was on guard.

"Miss, the patient you mentioned has been transferred to another ward." The nurse told Li Qingzu that Xu Mui had been transferred.

"Where was my mother transferred?" Asked Li Qingzu to the nurse.

"The patient has been transferred to the nun who is on the bottom floor, you can look for her there" The nurse told Li Qingzu that Xu Mui was in the ward downstairs.

The ward on the lower floor is the worst ward in this hospital, with Xu Mui's current condition, how could the hospital move Xu Mui to such a place.

"How can you transfer my mother to the worst ward in this hospital, my mother's condition has not fully recovered" Li Qingzu tried to protest to the nurse in front of him.

Li Qingzu was furious when she found out about this.

"Sorry miss, I really don't know anything about that, the person who has transferred the patient is a doctor." The nurse tried to explain to Li Qingzu that, the person who had transferred Xu Mui was a doctor.

"Where is the doctor, I want to talk to him." Finally Ye Chen spoke up, Ye Chen immediately asked where the doctor mentioned by this nurse was.

"What is it, you are looking for me?" When Ye Chen asked where the doctor mentioned by the nurse was, a young man came from behind Ye Chen.

This young man was wearing a plain white doctor coat, he looked very arrogant.

This man looked at Li Qingzu with an extremely lecherous gaze.

"Why did you move my mother, isn't my mother's condition not getting better?" Li Qingzu took her anger out on this young doctor.

This young doctor is named Meng Renli, he is the best graduate doctor in this hospital has.

It was for this reason that Meng Renli was so arrogant, in this hospital there was no doctor who dared to make himself angry.

"I transferred the old woman to another ward because you haven't paid the hospital fees, if you want your mother to be treated in a good ward, then you have to finish the administration as soon as possible." Meng Renli told Li Qingzu to pay for the usual administration that had not yet been paid done.

"I told you that I will pay for it later, I just need time for that." Li Qingzu looked angry, because she had not paid a penny to the hospital, his mother was abandoned by the hospital.

"How long do we want to wait? , here we are running a business, you are still lucky enough because we still make room for your mother, if we are not kind, maybe we will put her outside the hospital corridor." Meng Renli sneered at Li Qingzu.

Li Qingzu is completely speechless, this doctor is really bad enough, there is only business in his head.

"Actually, you are a doctor or a businessman, how can you ignore someone's safety because of money" Ye Chen didn't really agree with this arrogant young doctor.

As a doctor, the patient's life must come first, Ye Chen knew this was because he was also a doctor, so Ye Chen cursed Meng Renli's actions.

"The patient's life is not my concern, if you don't have money, don't ever come to the hospital." Meng Renli doesn't care about the patient's life, as long as there is money he will treat the patient.

"You are such a shameless man, how can you wear such a holy doctor's clothes, you should just take it off." Li Qingzu cursed Meng Renli, how could a doctor say such words.

"Whatever you say, I don't care, hahaha" Meng Renli burst out laughing.

Li Qingzu did not expect that the hospital would be a place like this, even though Li Qingzu had an aspiration to become a doctor.

Li Qingzu did not expect that the hospital would be filled with bad people like this.

"I can help your mother recover, but there is a condition, you have to sleep with me for 1 month" finally Meng Renli showed his venomous fangs.

From the beginning this man only wanted to get the body and beauty that Li Qingzu had.

"You shameless man, I will never do that with you at any time." Li Qingzu really couldn't stand Meng Renli.

Even Li Qingzu, who was usually a gentle woman, gave off harsh words like this.

"Li Qingzu, don't waste your time talking to this man, let's just go where your mother is, I'll heal your mother, then we can take Aunt Xu Mui away from this place." Ye Chen was already very lazy when he heard his words. from Meng Renli.

Ye Chen felt that this person had never experienced life as a poor person, which was why he could act arrogantly like this.

Li Qingzu nodded, she decided to go together with Ye Chen to the place where her mother was.

"Go there, I want to see how you will come back and beg under my feet, hahaha" Meng Renli burst into laughter again.

Meng Renli felt amused by the words he just heard from Ye Chen.

Ye Chen wanted to heal Xu Mui whose two bones broke quite badly, indeed he thought he could heal someone that easily.

For Meng Renli this was a very funny joke.

Curious about what Ye Chen and Li Qingzu would do, Meng Renli decided to go and see what Ye Chen would do to Xu Mui's two broken legs.

Meng Renli couldn't wait to laugh at a fool like Ye Chen.

Ye Chen and Li Qingzi looked for the whereabouts of the ward Xu Mui was in.

Ye Chen used his spirit sense to find out Xu Mui's whereabouts, after knowing Xu Mui's whereabouts.

Ye Chen immediately took Li Qingzu to where Xu Mui's ward was.

Chapter 346 - Healed Xu Mui's Broken Leg

Xu Mui's ward was in the deepest part and difficult to access, the ward Xu Mui was in was terrible.

The bed is very worn out, what's more here is very lacking in air ventilation, this is not at all worth living in.

This place is not only Xu Mui alone, there are dozens of people who are being treated here, this is what makes this place very crowded.

Ye Chen didn't expect that a large hospital like this would have such an unfit room.

"Mother" Li Qingzu immediately ran over to Xu Mui's side.

"Qingzu, what are you doing here, shouldn't you be working part time?" Xu Mui just woke up, she still felt pain in her legs.

Li Qingzu hugged Xu Mui "Mother I have asked aunt Chen for a few days off, so I am not working and can take care of you" Li Qingzu told her mother that she had asked Chen Qui for leave.

Li Qingzu didn't want to tell her mother that she just went to the Red Star building to get money, if Xu Mui found out, surely Xu Mui would be very angry with Li Qingzu.

"Little girl, mother is fine, you don't need to worry, you better spend your time studying." Xu Mui told Li Qingzu to just study.

Xu Mui didn't want to influence Li Qingzu's exam scores because of her condition.

Li Qingzu shook her head "No, I will take care of mother, I can delay my studies for a while." Li Qingzu is more worried about her mother, for now she doesn't really care about the value of her studies.

Xu Mui was quite touched, she didn't expect that she would have such a filial daughter like Li Qingzu.

Xu Mui just realized that behind Li Qingzu was Ye Chen. "Ye Chen, did you come too?" Xu Mui gave Ye Chen a smile.

"Hello Aunt Xu Mui." Ye Chen gave Xu Mui the wrong.

"Ye Chen, can you really cure my mother?" , Li Qingzu immediately asked whether Ye Chen could cure her mother or not.

"Let me see your mother's condition." Ye Chen drew closer to Xu Mui's side, she wanted to see Xu Mui's situation.

"Aunt Xu Mui, sorry to let me check your condition first." Ye Chen asked Xu Mui to see her condition.

"Go ahead" Xu Mui let Ye Chen see the situation.

Ye Chen started to check on Xu Mui's situation, after checking all of Xu Mui's body, Ye Chen began to conclude that Xu Mui had indeed suffered a very severe fracture.

There were even parts of the leg bones that were shattered, it might be repaired by surgery, but there might be an after-effects, so it's useless to do the surgery.

" How ? "Asked Li Qingzu, Li Qingzu really hopes that Ye Chen can save her mother.

"Your mother has a bad fracture, there is a part of the leg that has been crushed, I don't think the operation will fully heal your mother's leg." Ye Chen told Li Qingzu what he found.

" Is it true ? "Li Qingzu is quite disappointed.

"What are you talking about huh? , are you underestimating our ability to operate to that patient "when Ye Chen was explaining Xu Mui's situation to Li Qingzu.

Meng Renli suddenly came and interrupted Ye Chen, Meng Renli didn't like it because someone dared to underestimate the operation ability he had.

Ye Chen and Li Qingzu glanced at Meng Renli, the two of them were already very sick of seeing someone like this.

"I said your abilities won't be able to heal Aunt Xu Mui, is that not clear to you?" Ye Chen told Meng Renli that the hospital's abilities wouldn't be able to heal Xu Mui like before.

"Who do you think you are? You are not even a doctor, but you are very brave to underestimate me." Meng Renli looked angry, this was the first time anyone dared to underestimate the medical skills he had.

"I am a doctor of traditional medicine who is much greater than you." Ye Chen told himself that he was a traditional doctor.

"Then why don't you try to heal that old woman, I want to see how great traditional medicine you are proud of." Meng Renli sneered at Ye Chen, for Meng Renli traditional medicine was worse than modern medicine.

"Let me show you the prowess of a traditional doctor." Ye Chen will show that traditional medicine is not inferior to modern medicine.

"Ye Chen, do you have the confidence to be able to make my mother go back to normal as before" Li Qingzu again asked Ye Chen.

"It's very easy, leave everything to me" Ye Chen told Li Qingzu to leave everything to himself.

Li Qingzu was eager to see how Ye Chen healed her mother

Ye Chen drew closer to Xu Mui, he took out a bottle filled with bone growth pills to Xu Mui.

"Auntie, eat this first, then do the treatment for you." Ye Chen told Xu Mui to take the bone-massaging pill that was in the bottle.

Xu Mui received the bone growth pill from Ye Chen, she took out the pill from the bottle.

When the bone growth pill came out of the bottle, a very pure medicinal aroma came out, this scent made the person who smelled it feel a comfortable feeling.

Xu Mui immediately put this pill into her mouth, she began to swallow the bone-growth pill into her stomach.

When the Bone Growth Pill entered Xu Mui's body, the Pill's effect started to work, the bones that Xu Mui had started to regenerate.

The bones that were previously broken and shattered were starting to come back, the effect of the pill that Ye Chen had created was too great.

After eating Ye Chen's bone growth pill, Xu Mui felt that her legs had become too sore, she could even feel her legs return.

After the bones in Xu Mui's leg were healed, it was time for Ye Chen to heal the nerves in Xu Mui's feet.

When Ye Chen examined Xu Mui, he saw that some of Xu Mui's nerves were blocked and narrowed, because of this Ye Chen had to heal the nerves in Xu Mui's feet.

Ye Chen took out several needles and started to stick them into Xu Mui's leg nerves.

Ye Chen began to open and clean Xu Mui's nerves using his profound energy.

Xu Mui was currently closing her eyes, she felt a warm feeling emanating from Ye Chen's needle.

Li Qingzu continued to observe what Ye Chen was doing to her mother.

Li Qingzu saw that her mother's face was getting better, it was likely that Ye Chen's Method had succeeded in curing her mother.

On the other hand, Meng Renli was looking at Ye Chen with disdain, only a fool could heal a broken bone with a needle.

This is the stupidest thing that Meng Renli has ever seen in this life "Are you stupid or an idiot, you want to heal someone who has a broken leg using a gold needle, you should just be a clown." Meng Renli laughed at Ye Chen.

In this ward, only Meng Renli himself laughed, the other person was just him and watched what Ye Chen was doing.

Everyone who was sick in the ward saw how Ye Chen treated Xu Mui, they wanted to see if this young man could or not cure Xu Mui.

Chapter 347 - How Dare You Steal My Patient

A while later Ye Chen finished healing the nerves in Xu Mui's feet.

"Auntie, now try to get down from the downstairs." Ye Chen told Xu Mui to get out of bed.

Xu Mui tried to get up, she started to stomp her feet on the floor.

At first Xu Mui was afraid when she stepped her foot on the floor, she thought it would be very painful.

But after she stepped onto the floor, Xu Mui didn't feel any pain at all.

Xu Mui felt like she was back to normal, there wasn't the slightest discomfort in her legs.

"Mother, are you cured?" Li Qingzu can't believe that her mother is cured and able to walk again.

Xu Mui nodded "yes I already feel that I'm back to good health." Xu Mui is now recovering, her broken leg has completely healed completely.

Li Qingzu looked very happy when she saw her mother recovered, to express her pleasure, Li Qingzu unconsciously hugged Ye Chen's body.

Li Qingzu was very grateful to Ye Chen, if there was no Ye Chen, maybe her mother would really not recover.

This was probably Li Qingzu's female instincts, women's instincts always led them towards people who could make them comfortable.

Xu Mui saw how her daughter looked really close to Ye Chen, it seemed that her daughter had started to mature.

Xu Mui thought that if Ye Chen was a good man, Li Qingzu might not regret being with Ye Chen.

At first Xu Mui forbade Li Qingzu from dating for fear of influencing Li Qingzu's study, because of this Xu Mui forbade Li Qingzu to be close to a man during school time.

Xu Mui decided not to interfere in her daughter's affairs anymore, let Li Qingzu find her own happiness.

Li Qingzu hugged Ye Chen for a little longer, after a while Li Qingzu came to her senses.

She immediately pushed Ye Chen away, Li Qingzu's face turned bright red.

"Ye Chen, thank you for saving my mother, I owe you a lot." With her face red like an apple, Li Qingzu thanked Ye Chen.

"You don't need to think about it, I'm sincere in helping Aunt Xu Mui." Ye Chen did this voluntarily.

Ye Chen looked where Meng Renli was.

Currently Meng Renli looked stupid and surprised, Meng Renli was very surprised when he saw Xu Mui able to walk normally.

This is simply beyond the understanding that exists in Science.

Ye Chen was very happy to see Meng Renli looking stupid and surprised. "You see how great a traditional doctor is." Ye Chen prided himself.

Meng Renli's face was dark, Meng Renli didn't know what to say in this kind of situation.

What Ye Chen was doing was beyond the range of knowledge Meng Renli had.

"Li Qingzu, Aunt Xu Mui, let's get out of this hospital, we don't have to stay in a place like this for long." Ye Chen invited Li Qingzu and Xu Mui to leave this ward.

Li Qingzu and Xu Mui nodded, the two of them followed Ye Chen out of this hospital.

"Sir. Wait a moment, can you save my mother, she is currently very ill." Someone came and stopped Ye Chen.

This person wanted Ye Chen to heal his mother who was very sick.

This person even knelt down and begged Ye Chen, he looked very sincere asking Ye Chen for help.

The people who were treated in this ward were poor, they did not have the capital to pay for the normal hospital.

It was because of this that everyone here was abandoned by the hospital.

"Get up" Ye Chen told this person to wake up.

The person who was previously on his knees immediately got up, he looked at Ye Chen hopefully.

"Where is your mother, let me take a look." Ye Chen didn't mind helping those people in distress who were here.

"Sir, my mother is here, come with me." This man pointed to the place where his mother was.

Ye Chen followed the man who asked himself for help, the man who asked for help led Ye Chen to a corner.

Here lay a very thin middle aged woman.

Ye Chen began to observe the middle-aged woman's body, it turned out that the middle-aged woman had a blood vessel clot.

If this continues, in a few days this middle-aged woman will definitely die.

Ye Chen took out his needle, he started treating this middle aged woman.

It didn't take Ye Chen long to heal the clotting veins of the middle aged woman.

After Ye Chen healed her, the middle aged woman immediately came to her senses.

The man who asked for help was happy that his mother was able to recover again, he was very grateful to Ye Chen.

"Sir, our family doesn't have much money, so I can only give you this." This man gave Ye Chen a 100 dollar bill.

Only this money he has in his body.

"No need, I don't charge for it." Ye Chen stopped what this person wanted to do.

"Thank you, thank you." Young man, thank Ye Chen.

After seeing this miracle, the people who were here started asking Ye Chen for help in healing their siblings, relatives or family.

Ye Chen didn't reject these people, he helped heal everyone in this ward.

"Ye Chen let me help you" Li Qingzu offered to help Ye Chen, from the beginning Li Qingzu had dreams of becoming a doctor or nurse.

So Li Qingzu quite liked to do this thing willingly.

"How dare you steal a patient from me, quickly get away from this place" when Ye Chen was doing medication for the people who were here.

Suddenly Meng Renli screamed and kicked Ye Chen out of this hospital.

Meng Renli really disliked seeing Ye Chen heal these people.

These people still had uses for Meng Renli, they still owed quite a lot of money to the hospital, if these people left then the hospital would suffer a considerable loss.

The people who heard Meng Renli's words were very angry, their families had been abandoned by this hospital.

Now that a good person like Ye Chen could heal them, Meng Renli was brave enough to drive Ye Chen out of this place.

"Why don't you just leave this place, you are not needed here"

"That's right, bastard get out of here"

"If you dare to chase away our helper, we will beat you." One by one the people started insulting and berating Meng Renli.

"You useless poor people, how dare you speak to me like that, who do you think you are? ", Meng Renli became even more angry, he insulted everyone in this ward.

Everyone who was here was getting more and more annoyed, they couldn't stand the humiliation that the doctor at the hospital was doing.

"Let's just beat up this guy, I'm already so sick of seeing this guy's arrogance" one of the people who was here voiced his voice to hit Meng Renli.

Everyone who was here immediately rushed towards Meng Renli, these people punched, kicked and stomped on Meng Renli's body.

"Stop it quickly, you poor people dare to beat me, I will make you all pay for this," in such a situation Meng Renli still had time to curse those who beat him.

Chapter 348 - Big Boss Ax Gang Captured

The people who were hitting Meng Renli became even more angry at the words that were coming out of Meng Renli, they hit Meng Renli even harder.

" Not ! ! !, don't hit my handsome face. "Finally Meng Renli asked for mercy to the people who were in this place.

Unfortunately the people who beat Meng Renli didn't want to stop, they kept hitting Meng Renli really hard.

In this place there was no one willing to help Meng Renli, they instead joined forces to beat Meng Renli.

They began to vent the anger they had been holding back for so long.

Meng Renli kept screaming for mercy, Meng Renli's face was already badly battered, It is likely that this wound won't be able to heal unless he has plastic surgery.

Because this ward was far from where the doctors and nurses were located, no outsider heard a cry for help from Meng Renli, Meng Renli was being beaten up by the people inside this ward.

While Meng Renli was beaten up, Ye Chen had already finished treating all the patients who were here, now everyone has fully recovered.

People started to thank Ye Chen, they were very grateful for the help given by Ye Chen.

Ye Chen paid no attention to Meng Renli, who was battered, he deserved this for being too mean to the poor patients in this ward.

After finishing treating all the patients who were here, Ye Chen, Li Qingzu and Xu Mui left the hospital.

When they left the hospital, it was already dark, it turned out that Ye Chen had spent quite a long time healing those people.

"Ye Chen, auntie is very grateful because you have helped me" Xu Mui finally had the opportunity to thank Ye Chen.

"You're welcome." Ye Chen smiled at Xu Mui.

"Ye Chen, if you don't mind how about tonight, you have dinner at our place." Xu Mui wanted to thank Ye Chen for helping her.

"Auntie, I still have business to do, so I can't go. Maybe another time." Ye Chen subtly refused Xu Mui's invitation.

Ye Chen still had a problem he needed to solve.

"Too bad, then maybe another time." Xu Mui didn't really mind this, there was still another time to invite Ye Chen to dinner.

Li Qingzu was a little disappointed when Ye Chen refused her mother's invitation to dinner, actually Li Qingzu hoped that she could have dinner with Ye Chen.

"Then I'll go first, see you later." Ye Chen decided to go, he returned to the Red Star building to see Ai Lang's work.

Ye Chen separated from Li Qingzu and Xu Mui, Li Qingzu continued to look towards Ye Chen's departure.

Xu Mui paid attention to Li Qingzu, it seemed that her daughter had a little taste for Ye Chen.

"Qingzu, do you like Ye Chen?", Asked Xu Mui.

"No-no, I don't like Ye Chen, he's just my friend." Li Qingzu shook her head, trying to dodge Xu Mui's question.

Li Qingzu didn't want Xu Mui to know what she was thinking about Ye Chen, if Xu Mui found out, Xu Mui would definitely forbid herself to be close to Ye Chen.

"Do you think your mother doesn't know what you are thinking right now, I've been taking care of you since you were a child, you can't hide this from your mother?" Xu Mui knows that Li Qingzu is trying to avoid this.

"Mother, Ye Chen and I are just ordinary friends." Li Qingzu again tried to dodge her mother's question. Li Qingzu's face was so red, she looked embarrassed.

"It's up to you let's go home" seeing Li Qingzu was very embarrassed, Xu Mui decided not to continue the conversation.

Xu Mui stopped a public transportation, she and Li Qingzu returned to the house they owned.

Meanwhile it's where the Ax Gang's headquarters is.

In this place there had just been a great battle. After a long battle, the Red Wolf Gang led by Ai Lang managed to destroy the Ax Gang headquarters.

The fighting was so chaotic, all the civilians stayed as far away as possible from the scene of the battle between the Red Wolf Gang and the Ax Gang.

Even hundreds of police were deployed to secure the area around the Ax Gang Headquarters.

The police do not interfere in the matter of fighting between the Gangs, they are only keeping the civilians around here from getting caught up in the battles of these two Great Gangs.

After the Ax Gang headquarters was destroyed and their great leader captured, the Ax Gang members surrendered, they voluntarily gave up and didn't want to continue the fight anymore.

"Take the big boss of the Ax Gang to the Red Star building where the ancestors are." Ai Lang ordered his men to take the big boss of the Ax Gang to the Red Star building where Ye Chen was.

"Good Boss" Ai Lang's men swiftly brought the Big Boss Ax Gang into the car.

After that they immediately returned to the Red Star building.

In front of the entrance to the Red Star building, Ye Chen was quite bored waiting for Ai Lang's arrival.

Ye Chen thought that Ai Lang had succeeded in defeating the Ax Gang quickly, unexpectedly that Ai Lang would need quite a long time as well.

After a while finally a car came right in front of Ye Chen.

The car door opened and Ai Lang got out of the car.

"Ancestor." Ai Lang saluted Ye Chen.

"How, did you succeed?" Ye Chen asked Ai Lang whether he succeeded or not.

"Ancestor, I can't possibly disappoint you."

"Bring that person here." Ai Lang ordered his men to bring the big boss of the Ax Gang to Ye Chen.

Ai Lang's men took someone out of the car, the person who got out of the car was the big boss of the Ax Gang.

Currently, the big boss of the ax gang is tied with a rope, on the face of the ax boss, there are several bumps of punch marks, the clothes worn by the ax boss are also torn and lots of blood stains are left.

It seemed that when Ai Lang was about to catch him, the big boss of the ax gang tried to fight back, finally he was turned into this state by Ai Lang.

Ai Lang's men brought the big boss of the Ax Gang in front of Ye Chen.

they told the big boss of the ax gang to kneel in front of Ye Chen.

Ye Chen looked at the big boss of the Ax Gang, it turned out that this person had caused chaos in his company and Liu Yue's.

"I only have one question for you, who is the person who told you to burn Xiannu company and Liu Yue's company?" Ye Chen immediately asked the main point.

Ye Chen knew that this person could not possibly burn his company without being ordered by someone else, so there must be someone behind this person.

Ye Chen was eager to know who the person had dared to order this person to burn his company.

Big Boss Ax Gang did not answer Ye Chen, he was still silent and did not say.

"Pahh" a crisp slap sounded.

"what are you waiting for quickly answer the question from the ancestor" Ai Lang was the one who had slapped the big boss of the Ax Gang.

he told the big boss of the Ax Gang to answer Ye Chen's question.

Chapter 349 - Two Beautiful Female Visitors

"Ai Lang kept slapping the big boss of the ax gang repeatedly.

Due to the excruciating pain of Ai Lang's slap, the big boss of the Ax Gang finally spoke up.

"The person who ordered me was Jun Moxi, he told me to burn down the building that was owned by Liu Yue and Xiannu's company." The big ax gang boss told Ye Chen that the person who ordered him to burn the company was Jun Moxi.

Hearing this, Ye Chen slightly raised his eyebrows, it turned out that the one who had ordered the big boss of the Ax Gang was Jun Moxi.

Even though Jun Moxi's company was already on the verge of collapse and bankruptcy, it was unexpected that Jun Moxi still had the courage to look for trouble with himself and Liu Yue.

"How much did that person pay you." Ye Chen wanted to know how much money Jun Moxi had given up until the big boss of the Ax Gang would do what Jun Moxi told him to do.

"At first Jun Moxi promised to give me 25 million dollars after burning the company, but until now I still haven't been given the money that Jun Moxi promised." The big boss of the ax gang told me that Jun Moxi paid himself a pretty high price.

Ye Chen smiled, how could Jun Moxi have that much money, just now Jun Moxi's company is on the verge of collapse.

Jun Moxi would definitely have to keep that kind of money for himself.

"Ai Lang, hurry and find the whereabouts of Jun Moxi and Jun Jing, after that you know what to do." Ye Chen told Ai Lang to find the whereabouts of Jun Moxi and Jun Jing.

Ye Chen wanted to get rid of Jun Jing and Jun Moxi, this father and son had to be removed immediately.

"Okay, I understand." Ai Lang nodded, he understood what Ye Chen wanted.

"Good." Ye Chen was quite happy with Ai Lang.

"Ancestor, what should you do with this person? ", Ai Lang asked Ye Chen what to do with the Big Boss Ax Gang.

"You can do whatever you want, I really don't need this person anymore." Ye Chen no longer needed the Big Boss Ax Gang.

He already knows who the culprit behind the fire that broke out at his company.

"Okay, I understand." Ai Lang nodded.

After giving the order to Ai Lang, Ye Chen disappeared from in front of Ai Lang.

Ai Lang was getting used to this, he was no longer surprised when he saw Ye Chen disappear into thin air.

It seems that Ai Lang's decision back then was not wrong, if he were to fight someone like Ye Chen, his Gang would have been destroyed now,

"Boss, what are we going to do with this person? "Ai Lang's men asked what they should do to the big boss, the leader of the Ax Gang.

"Throw him away as far as possible from this city, after that mobilize everyone to search for the whereabouts of Jun Moxi and Jun Jing, I want these two people to be eliminated from this world." Ai Lang gave orders to his men.

"Well, we will carry out your orders." The two men of Ai Lang understood, they immediately carried out the orders from Ai Lang.

After finishing his business, Ye Chen called Liu Yue and Xia Qingyu, he wanted to know what was going on, he wanted to know whether Liu Yue and Xia Qingyu needed help from him.

Liu Yue and Xia Qingyu told Ye Chen that things were under control, so Ye Chen didn't need to come to help.

Seeing that the situation was under control, Ye Chen decided to return to his residence.

He descended right in front of the entrance to his villa.

"Ding. . . .", "Ye Chen rang the bell. He wanted to surprise his wives a little.

After a while the door was finally opened, the person who opened the door was Zhao Yanyan.

"Eh? , husband, you're back. "Zhao Yanyan was a little surprised when she saw Ye Chen come back so soon.

According to the itinerary said by Liu Yue, Ye Chen should be going home in a few days, Zhao Yanyan did not expect that Ye Chen would come home this quickly.

"Yanyan dear, do you miss me?" Ye Chen hugged Zhao Yanyan's waist, he really wanted to kiss Zhao Yanyan's cherry lips.

Ye Chen started kissing Zhao Yanyan's lips, Zhao Yanyan didn't fight back at all, she started to cooperate with Ye Chen.

The two of them started kissing very affectionately, after a few minutes Ye Chen finally let go of Zhao Yanyan.

Ye Chen sipped his lips that had just kissed Zhao Yanyan, Zhao Yanyan's lips were really sweet like honey.

"Husband, what a coincidence you came home, there is a beautiful woman who is looking for you, she said that she is your woman" Zhao Yanyan told Ye Chen that if there was a beautiful and sexy woman who was looking for Ye Chen, this woman admitted that she was Ye Chen's woman.

"Who is that?" Ye Chen started to suspect that this might be Nangong Xiang, he didn't expect that Nangong Xiang had already arrived at his villa.

"Why don't you see it for yourself, she's currently in the family room." Zhao Yanyan told Ye Chen to see for yourself the woman who was looking for him.

Ye Chen didn't waste much time, he immediately rushed into the villa.

Ye Chen went straight to the family room where the beautiful woman Zhao Yanyan said.

Ye Chen opened the entrance to the living room. "Clik", when Ye Chen entered, he saw two beautiful women sitting on the sofa.

One of the Sexy ladies wearing a plain white cheongsam outfit with a very tall double top.

The other woman is wearing the Hexing school uniform, the double top that belongs to the woman in the Hexing School uniform no less than the sexy woman in the plain white cheongsam outfit.

These two beauties were Qing Cheng and Cheng Mengyan.

When she saw Ye Chen's arrival, Qing Cheng immediately stood up from the sofa where she was sitting, Qing Cheng rushed towards Ye Chen.

"Husband," Qing Cheng jumped into Ye Chen's arms.

"Boing. . . ." Two large meatballs of Qing Cheng smashed into Ye Chen's face, this sensation of tenderness was extraordinary.

"Qing Cheng, what are you doing here." Ye Chen hugged Qing Cheng's waist.

"Of course I miss you, that's why I came all the way to see you." Qing Cheng hugged Ye Chen's neck tighter.

In these few days Qing Cheng missed Ye Chen a lot, every night she always missed the love she got from Ye Chen.

Unable to stand this longing, Qing Cheng decided to go see Ye Chen.

She is eager to meet the man she loves.

Cheng Mengyan's jaw almost fell to the ground when he saw sect master Qing Cheng hugging Ye Chen, she could not believe what he was seeing at this time, a great sect master of the Cherry Blossom Sect hugged a handsome young man like Ye Chen.

Moreover, the two of them looked very intimate, they looked like a real couple.

Qing Cheng's reputation in the Cherry Blossom Sect was very good, in these decades there had not been any bad rumors about Qing Cheng, because of this Qing Cheng was highly respected and adored by everyone in the Cherry Blossom Sect.

Today Cheng Mengyan did not expect that the sect master would have a handsome young man, namely Ye Chen.

Ye Chen and Qing Cheng hugged for a little while, Qing Cheng let go of her longing for Ye Chen, suddenly Qing Cheng's hands started to be dishonest, she started teasing Ye Chen's body.

Ye Chen felt that when Qing Cheng's hands were starting to tease his body, this woman really knew how to tease him.

Every touch that was made by Qing Cheng made Ye Chen feel excited, this woman really deserves to be called a Succubus.

Qing Cheng's hands fell further down, Qing Cheng's soft hands began to reach into Ye Chen's pants.

Qing Cheng's hand went towards the place where Ye Chen's younger brother was.

Ye Chen's younger brother was gripped by Qing Cheng's soft hands, Qing Cheng's gentle hands began to play with Ye Chen's large object that had not yet fully awakened.

Chapter 350 - Qing Cheng's Teasing

Qing Cheng very skillfully started playing with Ye Chen's younger brother who was below, Qing Cheng's hand skill was very great, in a short time Ye Chen's younger brother had already raised his spear up high.

"Wow, Husband, your younger brother downstairs is already as hard as iron, this must be very uncomfortable right, let me help you overcome this inconvenience." Qing Cheng whispered very tantalizing words to Ye Chen.

The words that came out of Qing Cheng were very tempting for Ye Chen, Ye Chen couldn't take it anymore, he started grabbing the two large meatballs that Qing Cheng had.

"Ahh. . .", Qing Cheng started groaning very coquettishly, Ye Chen's hand made hers very comfortable.

The two of them began to sing to each other, Qing Cheng continued to caress Ye Chen's younger brother who was below, while Ye Chen played with Qing Cheng's two large meatballs.

Ye Chen and Qing Cheng had even forgotten the existence of Cheng Mengyan who was near them, they both immersed into their own world.

When Cheng Mengyan's face had turned red like an apple.

Cheng Mengyan didn't expect that she would see such a mature scene between the sect leader and Ye Chen.

This was the thing she had most never imagined before, even though Cheng Mengyan often teased other people's partners.

Cheng Mengyan was still a pure virgin, she had never even had this kind of relationship with a man.

Ye Chen and Qing Cheng continued to serve each other, the two of them began to sink into the flames of passion.

"Cough. . .", Cheng Mengyan coughed lightly.

Cheng Mengyan's coughing sound woke Ye Chen and Qing Cheng who were drowning in the flames of passion.

Qing Cheng didn't let Ye Chen go, she looked at Cheng Mengyan.

"Disciple Cheng Mengyan, what's wrong?", Qing Cheng asked Cheng Mengyan.

"Sect master, if there is nothing else you want, I want to leave first." Cheng Mengyan wanted to leave this place immediately, he couldn't bear to see the sect master making out with Ye Chen.

At first Cheng Mengyan had only come here to show her where Ye Chen lived.

Cheng Mengyan was quite surprised when she saw Qing Cheng came to see her, he didn't expect that the sect master would meet her and ask where Ye Chen lived.

"Yes, you can go" Qing Cheng allowed Cheng Mengyan to go, she wanted to spend time alone with Ye Chen.

"Thank you sect master." Cheng Mengyan saluted Qing Cheng, she then immediately got up and left this room.

"Wait a minute!!" When Cheng Mengyan was about to leave this room, Ye Chen stopped her.

Cheng Mengyan immediately stopped. "Ye Chen, what's wrong?", Cheng Mengyan asked what Ye Chen wanted.

"Do you still remember the promise you made a few days ago" asked Ye Chen to Cheng Mengyan.

Cheng Mengyan nodded "Yes, I still remember, what request do you want from me" Cheng Mengyan asked Ye Chen.

Ye Chen looked at Cheng Mengyan from top to bottom, for some reason today Cheng Mengyan was dressed better than Ye Chen had ever.

Cheng Mengyan immediately lowered her head, seeing Ye Chen's gaze on her, her face turned red like an apple.

In her mind, Cheng Mengyan started wondering what kind of request Ye Chen would ask.

Cheng Mengyan began to imagine that Ye Chen's request was very obscene, was it possible that Ye Chen wanted herself to serve him together with the sect master Qing Cheng.

If that was Ye Chen's wish, how should Cheng Mengyan reject it, she had already promised Ye Chen back then, so Cheng Mengyan had a hard time refusing it.

"It's a very simple thing, I want you to be Zhao Yanyan's servant for 2 years" Ye Chen said his request to Cheng Mengyan.

"Huh? ,Is that all?" Cheng Mengyan asked, Cheng Mengyan was quite surprised, Ye Chen's request that Ye Chen wanted was beyond her expectations.

"Is it what I want, do you think that the wish I want is to warm my sleep" Ye Chen teased Cheng Mengyan a little.

Cheng Mengyan's face became even more red, as steam was coming out of her cheeks.

Cheng Mengyan tried to blame the perverted thoughts she had, how could she think of such things, Cheng Mengyan was really very embarrassed.

Cheng Mengyan had to leave this room, she didn't have the face to look at Ye Chen. "Fine, I agree." Cheng Mengyan agreed unconditionally.

Cheng Mengyan turned her attention in another direction, she was still embarrassed to look directly at Ye Chen.

After agreeing to the request that Ye Chen had made, Cheng Mengyan immediately left this room.

Ye Chen and Qing Cheng saw Cheng Mengyan leave who looked like a frightened rabbit.

"It seems that something is strange about Cheng Mengyan today." Ye Chen felt that Cheng Mengyan was a little strange, it was unusual for Cheng Mengyan to behave like this.

Today Cheng Mengyan looks shy, this is not like the usual Cheng Mengyan.

"Husband, are you interested in Mengyan ?, if you are interested I can give her to you", Qing Cheng offered Cheng Mengyan to Ye Chen.

Qing Cheng would do whatever it took to make Ye Chen happy, she did this to show her love for Ye Chen.

"That's not necessary, after all, one of my wives didn't allow me to be with Cheng Mengyan." Ye Chen told Qing Cheng that he wasn't allowed to be with Cheng Mengyan.

" So what ? "Asked Qing Cheng to Ye Chen.

"The story is quite long, I'll tell you about it later, right now what I want is you." Ye Chen smiled at Qing Cheng.

Ye Chen excitedly started to take off the white Cheongsam that Qing Cheng was wearing.

Qing Cheng saw how aggressive Ye Chen was at the moment, it seemed like her choice to wear the plain white Cheongsam was just right.

Qing Cheng is seen to be a pure mature woman.

Qing Cheng knew that Ye Chen really liked things like this, because of this Qing Cheng chose to wear plain white Cheongsam clothes that were not too sexy.

Qing Cheng wanted to please Ye Chen with something like this, the Cheongsam outfit that Qing Cheng was wearing initially was not too sexy.

But because Qing Cheng's body shape was like a Succubus, the Cheongsam looked innocent and turned very sexy.

This was also a kind of incentive that was quite fun for Ye Chen.

"Husband, take it slow, I will not run away from you, tonight I will be your woman" Qing Cheng said very coquettishly.

The expression Qing Cheng was currently showing made Ye Chen even more excited.

Ye Chen could no longer stand the temptation of the succubus in front of him, Ye Chen pounced on Qing Cheng to the floor, the two of them began to do Dual Cultivation in the Family room.

Qing Cheng's groaning sound echoed within the family room.

Outdoors.

At this moment Cheng Mengyan was relieved to be able to get out of such a place, if Cheng Mengyan had remained in the room earlier, perhaps she would have died of unbearable embarrassment.

"Hey Mengyan, why are you coming out, is inside okay?" Zhao Yanyan suddenly came next to Cheng Mengyan.

Cheng Mengyan was quite surprised when she saw Zhao Yanyan's arrival, Cheng Mengyan felt strange, she couldn't feel Zhao Yanyan's arrival at all.

With Zhao Yanyan's current level of cultivation, it wasn't difficult for Zhao Yanyan to hide her presence from Cheng Mengyan.

"Yanyan, me. . .", Cheng Mengyan tried to explain to Zhao Yanyan.
