

Chapter 351 - Passion In The Morning

Zhao Yanyan was still waiting for Cheng Mengyan's answer, she wanted to know what Ye Chen and the beautiful and sexy women were doing in the family room.

Cheng Mengyan was quite confused about how to explain it to Zhao Yanyan.

There was no way Cheng Mengyan would tell Zhao Yanyan that Qing Cheng and Ye Chen were currently doing fun things in the living room.

At this time Cheng Mengyan still didn't know that the sect master had told Zhao Yanyan that she was Ye Chen's woman as well.

Currently Cheng Mengyan thought that Zhao Yanyan knew nothing about the relationship between Ye Chen and Qing Cheng.

"Inside the two of them are discussing something very important, that's why I came out to let the two of them discuss important matters." Cheng Mengyan tried to find a way to keep Zhao Yanyan away from the living room.

"Is it true? , then let me see it." Zhao Yanyan stretched out her hand, she wanted to open the entrance to the living room.

"No." Cheng Mengyan immediately tried to stop Zhao Yanyan who was trying to enter the living room.

"Why did you stop me? ", Asked Zhao Yanyan to Cheng Mengyan.

Cheng Mengyan was currently looking very confused, she was having a hard time finding a way to stop Zhao Yanyan from entering the living room.

In her heart, Zhao Yanyan was currently very happy, Zhao Yanyan was very happy when she saw Cheng Mengyan who looked confused and panicked.

Zhao Yanyan already knew what Ye Chen and Qing Cheng were doing inside.

From the start Zhao Yanyan only acted clueless in front of Cheng Mengyan, Zhao Yanyan only wanted to make Cheng Mengyan panic and be confused.

Finally, after all this time, Zhao Yanyan was able to make Cheng Mengyan panic and confused like this.

"that . . . , it's because right now the two of them can't be bothered by anything else, so don't go in there." Cheng Mengyan pulled Zhao Yanyan away from the entrance to the living room.

"It's weird, it's not like Ye Chen would do this." Zhao Yanyan pretended to be suspicious.

Cheng Mengyan's heart was beating very fast, she was currently looking very panicked and terrified while talking to Zhao Yanyan.

Cheng Mengyan had to find a way to distract Zhao Yanyan from the Living Room.

"Yanyan, that. . . , are you still angry with me because of what happened when we were little?" Cheng Mengyan tried to change the conversation with Zhao Yanyan.

It just so happened that she also wanted to improve her relationship with Zhao Yanyan.

"Angry for what? ", Asked Zhao Yanyan to Cheng Mengyan.

"Angry, because I always steal the things you like from you" Cheng Mengyan immediately focused on the main point of the problem.

"Yes, I'm still a little angry when I remember that." Zhao Yanyan was a little angry when she remembered that.

Cheng Mengyan wore a slightly disappointed expression, it seemed like it was difficult for her to repair her relationship with Zhao Yanyan.

"For me what happened in the past is not counted, in the past you were a cultivator while I was still a human." The competition from the two that happened in the past was unfair to Zhao Yanyan.

In the past, Zhao Yanyan was still an ordinary human, how could she beat Cheng Mengyan, who had been trained as a cultivator from childhood.

It was completely unfair, because this was what Zhao Yanyan wanted to rematch Cheng Mengyan.

"Yanyan, you already know that I am a cultivator? ", Cheng Mengyan was a little surprised when she found out about this.

She didn't expect that Zhao Yanyan already knew she was a cultivator.

"Of course I already know, now that I have also become a cultivator, let's fight and prove who is the best among us." Zhao Yanyan wanted to fight and prove who was the better between the two.

Zhao Yanyan dragged Cheng Mengyan away to the courtyard of the Villa, where there wouldn't be anyone disturbing the second fight.

What Zhao Yanyan was doing right now was clearly bullying Cheng Mengyan.

In terms of Zhao Yanyan's strength far above Cheng Mengyan, Zhao Yanyan only needed to use one finger of hers to deal with Cheng Mengyan.

Zhao Yanyan very clearly wanted to avenge the past she had against Cheng Mengyan.

Cheng Mengyan had a bad feeling when Zhao Yanyan wanted to fight her.

Somehow the current Zhao Yanyan made Cheng Mengyan be very wary.

Zhao Yanyan and Cheng Mengyan reached the backyard of the villa.

Zhao Yanyan forced Cheng Mengyan to fight herself.

the two of them started their battle.

In the middle of the dark night, there were two beautiful women who were fighting quite beautifully.

.
. .
. .
. .
. .
. .
the next morning

Ye Chen was currently sleeping very comfortably, the battle he had with Qing Cheng last night was quite intense.

Ye Chen tried several new poses with Qing Cheng, Qing Cheng enthusiastically did a new pose with Ye Chen, something like this that Ye Chen had never tried.

the two of them left traces of their love on the floor, the sofa, the table, the chairs, and the entire living room.

The two of them did a dual cultivation session for almost 10 hours.

After Qing Cheng begged for mercy, Ye Chen finally let her go.

Qing Cheng did not expect that Ye Chen would be this strong, she was exhausted by Ye Chen's large object.

Qing Cheng didn't complain at all, the pleasure she got was far greater than the fatigue she felt.

When Ye Chen was sleeping, he felt his lower part starting to become a little moist and warm, there was a feeling of being immersed in the soft stuff on his lower body.

"Jubo. . . , Jubo. . . , Slurrrppp. . . , Slurrrppp. . . , "Ye Chen heard a familiar voice, he immediately opened his eyes and saw what was going on.

When Ye Chen looked down, he saw a sight that was quite stirring, at this time Qing Cheng was pinching Ye Chen's large object using the two large meatballs she had.

Qing Cheng also put the rest into her mouth, she ate Ye Chen's big thing like the most delicious food in this world.

While sucking up Ye Chen's large object, Qing Cheng also massaged Ye Chen's large object by using the two giant peaks she belonged to.

Things like this can only be done by women who have large double tops and men who have long objects.

Seeing Ye Chen had woken up, Qing Cheng vomited Ye Chen's big thing, she smiled gently at Ye Chen.

"husband, Good morning ." Qing Cheng wished Ye Chen good morning.

Qing Cheng did not pull her two large double peaks away from Ye Chen's large object, Qing Cheng's huge double peak still clasped Ye Chen's large double peak.

"Good morning too." Ye Chen said good morning to Qing Cheng.

Qing Cheng returned to continue serving Ye Chen's objects, she again put Ye Chen's objects into her mouth and returned to massaging Ye Chen's large objects with her two mountain peaks.

Ye Chen's large object was stuck in the gap between Qing Cheng's mountain peaks.

Qing Cheng very skillfully began to lick, suck, and occasionally spit out Ye Chen's large object, the pose that Qing Cheng did was very erotic.

"Husband, don't just take it out. Let me taste your delicious essence." Qing Cheng stroked Ye Chen's object using her milky smooth cheeks.

Qing Cheng deeply adored Ye Chen's large object like the most valuable thing in this world.

Chapter 352 - Frozen Ice Sect News

Ye Chen couldn't stand the seductive words that came out of Qing Cheng's mouth.

Ye Chen held Qing Cheng's head and stuck his object deep into Qing Cheng's throat.

Ye Chen's large object could be easily swallowed by Qing Cheng, Qing Cheng didn't look at all in pain when she put Ye Chen's large object into her mouth.

Ye Chen started moving Qing Cheng's head back and forth, every time Ye Chen put his thing deep into Qing Cheng's throat, Qing Cheng would slightly moan.

"Slurppp. . ." Qing Cheng started to suck and roll her tongue on the shaft of Ye Chen's large object.

Qing Cheng's technique made Ye Chen's huge object swell to an extreme level.

Qing Cheng felt that Ye Chen's was getting bigger and twitching, her mouth was full of Ye Chen's large object.

Qing Cheng knew that soon Ye Chen would come out soon, so Qing Cheng was more enthusiastic when serving Ye Chen's large object.

Ye Chen couldn't take it anymore, she took a lot of Essence into Qing Cheng's small mouth.

In an instant, Qing Cheng's mouth was filled with Ye Chen's Yangqi essence.

"Glup. . . , Glup. . . , Glup. . . , "Qing ", Cheng started to drink Yangqi essence from Ye Chen.

Ye Chen took out a lot of Yangqi Essence, for 1 full minute he took all of his essence into Qing Cheng's mouth, Qing Cheng's stomach was almost full because she swallowed Ye Chen's Yangqi Essence.

"Thank you for breakfast." With a smiling face, Qing Cheng thanked him for the delicious food Ye Chen gave her.

Qing Cheng was completely addicted to Ye Chen's Yangqi taste, Qing Cheng didn't even let a single drop go to waste.

Ye Chen's Yangqi is too delicious, every woman who feels this will definitely be very addicted.

Ye Chen got up from the sofa and held Qing Cheng's body. "You little Succubus, you are too seductive." Qing Cheng is too seductive for him, this woman knows how to make a man excited.

Qing Cheng smiled shyly, she was quite happy with the praise given by Ye Chen.

Without saying much, Ye Chen took Qing Cheng to the bathroom, he slipped into the bathroom without anyone knowing.

Ye Chen wanted to try doing that in the bathroom.

Ye Chen lowered Qing Cheng to the floor, when Qing Cheng's feet touched the floor, she felt her two feet feel soft.

As Qing Cheng stood on the floor, Qing Cheng's body wobbled a little, it seemed like last night's exercise made her lower half hurt.

Ye Chen caught Qing Cheng's body again "are you okay" Ye Chen asked Qing Cheng.

"Yes I'm fine, just a little pain at the bottom" Qing Cheng told Ye Chen that her lower part hurts.

Ye Chen's thing was too big, every woman who tried it would definitely turn out to be like the current Qing Cheng.

Ye Chen knew that last night he was too aggressive, so Qing Cheng was in a state like this "It's okay, let's wash it together" The fire in Ye Chen's heart began to recede, he knew that Qing Cheng was no longer able to continue dual cultivation with himself.

Ye Chen and Qing Cheng washed each other's bodies, the two of them didn't dare to tease each other like before, they just washed each other's bodies.

After they finished washing, the two of them entered the large bath, both of them soaking in the warm water.

Ye Chen and Qing Cheng faced each other "Oh yeah, where is Lanyin, why don't you invite her over".

Ye Chen asked where Mu Lanyin was at the moment, why didn't Qing Cheng bring her here.

Even if Mu Lanyin was here, the effect of doing Dual Cultivation would be much more effective than doing it alone.

"Actually I wanted to invite her here, unfortunately right now the Frozen Ice Sect is closing itself to outsiders, no one is allowed to leave that place." Qing Cheng told Ye Chen that currently the Frozen Ice Sect was closing itself down.

"What happened, why did the Frozen Ice Sect shut down?" Ye Chen wants to know the reason why the Frozen Ice Sect closed their sect.

"I don't know about this either." Qing Cheng didn't know the cause of the Frozen Ice Sect shutting down at all.

She only knew that the Frozen Ice Sect closed itself to outsiders, even that many array formations were activated to prevent outsiders from forcibly entering the Frozen Ice Sect.

"I see." Ye Chen was worried about Mu Lanyin's situation.

No matter how Mu Lanyin is Ye Chen's woman, he must not let Mu Lanyin be in trouble.

"Wife, can you take me to the place where the Frozen Ice Sect is, I want to know what happened to Mu Lanyin's sect." Ye Chen wanted to go to find out what happened to the Frozen Ice Sect.

"Of course, I'll be happy to take you there." Qing Cheng will gladly escort Ye Chen to the secret headquarters of the Frozen Ice Sect.

"Good." Ye Chen nodded at Qing Cheng.

Qing Cheng who was soaking in warm water suddenly stood up, she slightly approached Ye Chen.

"Boing. . . , Boing. "As Qing Cheng moved closer, Qing Cheng's two Double Peaks shook violently, it looked so amazing.

"Husband, I feel a little better already, how about we continue with the previous thing." Qing Cheng wanted to continue what was previously delayed.

Hearing Qing Cheng's words, Ye Chen was excited again.

Without waiting much time, Ye Chen immediately grabbed Qing Cheng's two double peaks, Ye Chen immediately put one of Qing Cheng's flower bud peaks into his mouth.

Ye Chen started to suck on Qing Cheng's very aggressively, Ye Chen looked like a very thirsty baby.

"Ahhh. . ." Qing Cheng only groaned softly when Ye Chen sucked her flower bud, this feeling was truly extraordinary.

Qing Cheng's double peak was so big and so soft, Ye Chen felt that he could sink into it.

Ye Chen wasn't satisfied with just sucking on it, he started teasing Qing Cheng's pink flower bud peak by biting it.

"Husband don't bite it, it hurts." Qing Cheng started moaning softly when Ye Chen bit her.

There was a feeling of pain mixed with deliciousness when Ye Chen did this.

One Ye Chen's hand started to go down, Ye Chen's fingers began to explore Qing Cheng's secret garden.

When Ye Chen explored, he found that Qing Cheng's Cave mouth was still swollen quite badly, it seemed like Qing Cheng's was still sick because last night Ye Chen was quite harsh with Ye Chen.

Seeing Ye Chen who suddenly stopped, Qing Cheng immediately asked "Husband, why did you stop ?".

"We better stop this, I'm afraid that if we continue your body will hurt" Ye Chen told Qing Cheng to stop this, Ye Chen was afraid to injure Qing Cheng's body.

Qing Cheng was deeply moved when she heard Ye Chen worried about her.

Now Qing Cheng knew that Ye Chen not only loved Qing Cheng's body, it turned out that Ye Chen also loved Qing Cheng.

"Husband, you are very kind, I love you even more" Qing Cheng liked Ye Chen more, she did not want to be separated from Ye Chen.

The two of them continued washing, they didn't continue to do the previous thing.

They just teased each other a little.

Chapter 353 - Seventh Sword Sect's Ancestor

We turn to another place.

Currently somewhere, on a very high and steep cliff, there is a magnificent ancient building

This was the secret place where the Seventh Sword Sect was, only a few people knew the existence of this place.

In the place where the Seventh Sword Sect was, currently enveloped in an enormous array, it could hide the Seventh Sword Sect's existence from outsiders.

Because of Array, outsiders would not know the existence of the Seventh Sword Sect.

Currently, the Seventh Sword Sect is being held a large banquet to welcome the arrival of a very important person.

Whereas the Seventh Sword Sect had just mourned because all four elders of their sect died in the ancient heritage place.

It was because of this that the Seventh Sword Sect experienced a slight decrease in fighting strength due to the deaths of the four great elders of the sect.

the plan they had originally prepared so thoroughly failed, the Seventh Sword Sect had to re-plan their plan to rule over all the sects in the mortal world.

right now They need help from someone strong enough to do this.

It so happened that the important guest they were welcoming was able to help the Seventh Sword Sect rule over all the sects in the mortal world.

It was for this reason that the Seventh Sword Sect held a massive banquet to welcome the important guests who were coming.

Hundreds of disciples and several elders from the Seventh Sword Sect lined up neatly in front of the entrance to the Seventh Sword Sect.

They all wanted to know who was the person who would come to their sect.

Even the sect leader Jian Yan was waiting for an important guest right in front of the sect's entrance.

This proved how important the guests who would come to the Seventh Sword Sect were.

A few meters behind Jian Yan, there were currently two old men cross-legged in the air, currently the two old men were closing their eyes, they both looked like people who were cultivating.

These two people were the ancestors of the Seventh Sword Sect, both of them were the eyes of the leader of the Seventh Sword Sect before Jian Yan.

The names of these two sect ancestors were Jian Ding and Jian Lubo, these two people had already reached the Emperor Realm stage

Jian Ding was currently at the Fourth Emperor Realm stage

Whereas Jian Lubo was slightly inferior to Jian Ding, he was currently at the Emperor Realm third stage.

These two people were both strong, they both had cultivated the Heavenly Sky Sword cultivation technique to the pinnacle level, even the mastery of the two old ancestors was far greater than that of the current Jian Yan.

The Sect Ancestors were very rarely seen by the disciples in the Seventh Sword Sect.

The sect ancestors would only come out if something bad happened to the sect or there was an event of great importance.

Because of this, the Seventh Sword Sect's ancestors were rarely seen by the disciples in the Seventh Sword Sect.

To make the Two sect ancestors come out to welcome this important guest, this proved that this guest was very important to the Seventh Sword Sect.

While all the Seventh Sword Sect disciples were guessing the identity of this important guest, above the previously bright sky suddenly turned dark.

"Rumbled. . . , rumbled. . . , rumbled. . . ", Lightning started to rumble with a very loud sound.

The roar of thunder terrified the disciples and elders of the Seventh Sword Sect.

The disciples and elders who were here were trembling with fear, Their bodies responded to this fear naturally.

It was not only the Disciples and Elders who were afraid.

Even Jian Yan and the two Seventh Sword Sect ancestors were trembling too, they were a little afraid of the aura above them.

Rumbled's voice grew stronger and stronger, from behind the clouds suddenly appeared a profound ark covered in gold.

This profound ark was floating above the dark sky.

The aura emanating from the golden profound ark was so extraordinary, everyone from the Seventh Sword Sect admired the golden profound ark currently hovering above the sky.

The golden profound ark began to descend down, the golden ark landed right in front of the entrance of the Seventh Sword Sect.

After the golden profound ark descended to the ground, from above the golden ark descended a middle-aged man.

This man emitted an extremely powerful aura, judging from this person's cultivation base, should be at the 6th stage of the Overlord Realm.

This man swept his sight towards everyone currently at the entrance to the Seventh Sword Sect.

Jian Yan, Jian Ding and Jian Lubo immediately stepped forward and greeted this middle aged man.

"Yours truly to Jian Teng's ancestors." Jian Yan, Jian Ding and Jian Lubo paid their respects to the middle aged man.

Jian Yan, Jian Ding and Jian Lubo even called this person the ancestor.

This middle aged man was Jian Teng, he was the sect leader of the 21st generation.

Currently Jian Yan was the sect leader of the 30th generation, that meant that Jian Teng had become the sect leader hundreds of years ago.

Because this was Jian Yan, Jian Ding and Jian Lubo called Jian Teng as the ancestor.

"Hahaha, it's been a long time since I last visited this sect." It had been hundreds of years since Jian Teng last saw the Seventh Sword Sect.

So many things had changed since he left the Seventh Sword Sect.

Several hundred years ago Jian Teng left the Seventh Sword Sect towards the Kunlun Holy Land.

to go to the holy land of kunlun is not easy the risk is too great, many people have died trying to go to the holy land of Kunlun.

The entrance to the Kunlun holy land was extremely dangerous, countless weak cultivators had died at the hands of the monsters living in the dark and gloomy forest of death that were at the entrance to kunlun.

It is for this reason that few people dare to take the risk of going to the ancient holy lands.

Jian Teng was one of those people who dared to take that risk and managed to become a great cultivator.

After making it through the forest of death, Jian Teng joined one of the powerful sects that ruled the Kunlun holy land.

This was the reason why Jian Teng had become this strong in just a few hundred years.

"Ancestor Jian Teng, it's an honor to welcome you back to the Seventh Sword Sect." Jian Yan looked very pleased when he greeted Jian Teng.

Jian Teng nodded at Jian Yan. "It seems that after this sect I live the strength becomes a little weaker than before." Jian Teng overpowered everyone here.

He saw that the Seventh Sword Sect's strength had decreased slightly after he left this place.

Jian Yan, Jian Ding and Jian Lubo felt embarrassed when they heard Jian Teng's words.

"That's true, the Seventh Sword Sect's sect has declined from when you were around, but other sects have experienced the same thing as us." Jian Yan told Jian Teng that all sects had decreased considerably.

This possibility is caused by a decrease in the pure energy on earth, in today's era pure energy is difficult to find, this is caused by the actions of mortals destroying the purity of nature, because of this now all sects are experiencing a slight decline.

Jian Teng hadn't visited the mortal world in a long time, which was why he didn't know what was happening to the mortal world right now.

Chapter 354 - Gates Of Eternity Sect

"Ancestor Jian Teng, may I ask what made you come here again" finally Jian Ding asked Jian Teng.

Jian Ding wanted to know the reason why Jian Teng returned to the Seventh Sword Sect, there was no way that Jian Teng would come here without a special reason.

Otherwise how could Jian Teng return to the mortal world, the Kunlun holy land was much better than the mortal world.

"I came to the mortal world just to accompany the Young Master I serve now." Jian Teng came to the mortal world for an important reason regarding the Young Master he served.

Jian Yan, Jian Ding and Jian Lubo didn't know who the person Jian Teng was referring to, they had absolutely no idea about the Young Master that Jian Teng was referring to.

At this time in the golden profound ark returned several more people, some of these people were wearing the same clothes as Jian Teng's.

These people had cultivation bases almost the same as Jian Teng's, there were even two people who had cultivation bases higher than Jian Teng's.

In the midst of these people, there was a handsome man who looked around 23 ~ 25 years old.

This man was wearing different clothes from the people around him, it could even be seen that the people around him really respected this man.

Seeing this man coming, Jian Teng immediately bowed and saluted.

"Salute young master Hong" Jian Teng saluted this man.

Jian Teng addressed this man by the name Young Master Hong.

This man named Hong Won, he is the young master of the Gates of Eternity Sect, Hong Won has a rare talent, he is too genius.

At the current age of only 25, Hong Won was able to reach the sixth stage of Ancient Warrior Realm.

To be able to reach the sixth stage of the Ancient Warrior Realm at such a young age was a great thing, it was a very proud achievement.

Because of this, Hong Won was so spoiled by the Gates of Eternity Sect.

Because of this, Hong Won's attitude is so arrogant, in his eyes Hong Won thinks of everyone as little ants who can kill him at will.

Hong Won ignored Jian Teng, he swept through the crowd from the Seventh Sword Sect.

Hong Won saw several women with pure Yinqi and still virgins who came from the Seventh Sword Sect.

"Bring all the women with pure Yinqi who are here into the profound ark" Hong Won ordered his followers to bring the women who were still virgins Up onto the golden profound ark.

"OK, we understand", Hong Won followers understand, they forcibly took the woman who had pure Yinqi into the profound ark.

The women who are here cannot fight when they are brought by Hong Won's followers, they can only surrender and remain silent when being taken away by Hong Won's followers.

All these women were carried aboard the golden profound ark.

All the male students were a little confused when they saw this, they all didn't know what was happening right now.

A few moments later the followers of Hong Won came back, they knelt down to Hong Won. "Young master Hong, we have done everything, we have moved all those women into your room." One of Hong Won's loyal followers reported the work they had done.

"Good." Hong Won nods to his loyal followers.

"For some time we will stay here, don't let anyone get close to the profound ark, do you all understand?" Hong Won again gave orders to all his subordinates including Jian Teng.

"We understand." All of Hong Won's subordinates nodded, these people did not dare to go against the decision that was made by Hong Won.

No fool would want to go against the decision of the young master of the Gates of Eternity Sect.

After giving orders to all of his subordinates, Hong Won got on board the profound ark.

After Hong Won's departure, Jian Teng and the others became relieved.

"What true ancestor just happened, where did that person take the woman from this sect to? ", Jian Yan ventured and asked Jian Teng.

"Those women will become Dual Cultivation furnaces for our young master Hong, our young master Hong has just cultivated a Dual Cultivation technique, right now he needs a lot of pure Yinqi from virgin women to increase the cultivation base he has." Jian Teng gave knew what would happen to the female disciples and some of the female elders who had been carried on the profound ark.

Jian Yan, Jian Ding, Jian Lubo and everyone here were shocked when they heard this, they did not expect that the woman from this sect would be turned into a Dual Cultivation furnace to increase the young man's cultivation base.

Some of the male students were very disappointed, the woman they were looking at was currently being used by a man who was in the deep ark.

There were some people who were very angry when they found out about this, they wanted to protest against Jian Teng and the People from the Gates of Eternity Sect.

"Give me back my adored woman." One male disciple was very brave to challenge the people of the Gates of Eternity Sect.

He wanted the woman he admired to be returned to him.

"Slash", an invisible force came crashing down on the man who dared to challenge the people of the Gates of Eternity Sect.

The man was instantly turned into a mist of blood by an invisible force.

Everyone was horrified when they saw this, in the instant they saw the disciple who dared to challenge the Gates of Eternity Sect die very miserably.

The people who previously wanted to voice their dissatisfaction with this matter immediately fell silent, they swallowed their words back down their throats.

After seeing this matter, no one else dared to protest to the people of the eternal gate sect.

"You'd better accept this with grace, a blessing to be liked by our sect's young master, the Seventh Sword Sect will definitely benefit from our young master." Jian Teng instructed everyone in the Seventh Sword Sect to accept this,

This would definitely benefit the Seventh Sword Sect.

"Jian Teng ancestor, did you come to the world just to do this? ", Jian Ding asked Jian Teng.

Jian Ding was such a smart person, he was starting to suspect that the reason Jian Teng came here was because of this.

"That's right, the reason we came here was to find a pure virgin woman for the young master." Jian Teng admitted that the arrival of the Gates of Eternity Sect entourage was for this.

"If you can help, then maybe you will get a worthy reward." Jian Teng told Jian Yan, Jian Ding, Dan Jian Lubo to help Hong Won find pure women in the mortal world.

There will be prizes for doing this.

Jian Yan, Jian Ding and Jian Lubo were very happy when they heard this, the gift that Jian Teng spoke of would definitely be an extremely valuable item.

Jian Yan, Jian Ding and Jian Lubo should not miss this opportunity, they should make the most of this opportunity.

"Well we understand." Jian Yan, Jian Ding and Jian Lubo understood.

"Good, then prepare a room for us to live in, for the time being we will live in this sect." Jian Teng wanted a room for himself and his comrades to live in.

"OK, I understand." Jian Yan nodded at Jian Teng.

"You guys, hurry up and prepare a room for these guests." Jian Yan ordered his disciples to prepare a room for Jian Teng and the people from the Gates of Eternity Sect.

Disciples from Jian Yang immediately went to prepare a room for Jian Teng and the people from the Gates of Eternity Sect.

Jian Teng and the people from the eternity gate sect followed the disciples from the Seventh Sword Sect.

One person from the Gates of Eternity Sect remained in front of the profound ark, he would guard around the profound ark so that no one would get close to the profound ark.

After seeing the departure of Jian Teng and the people from the Gates of Eternity Sect, Jian Yan, Jian Ding and Jian Lubo started discussing.

"Two ancestors, now what should we do? ", Jian Yan asked Jian Ding and Jian Lubo.

"Of course we have to look for women with pure Yinqi, we will get a decent reward for doing that", Jian Ding suggested looking for women who have pure Yinqi and handing them over to Hong Won.

"The problem is where do we look for it? Jian Lubo asked Jian Ding.

"Why are you so stupid, we can find women with pure Yinqi in the Frozen Ice Sect and in the Cherry Blossom Sect, we can ask for help from the ancestors of Jian Teng to do that." Jian Ding told Jian Lubo and Jian Yan.

Jian Ding wanted to borrow strength from Jian Teng to destroy the Frozen Ice Sect and in Cherry Blossom, with the destruction of these two great sects, there was no longer any powerful sect that could block their plan to rule the mortal world.

"An ancestor is great, you are such a genius." Jian Yan praised Jian Ding's idea.

"That's a pretty good idea." Jian Lubo agreed with Jian Ding's idea.

"Then I will find an appropriate time to talk to Ancestor Jian Teng, I will discuss this matter with Ancestor Jian Teng." Jian Ding would find the perfect time to talk to Jian Teng.

After discussing this, these three people went into the sect, they wanted to try to please the people of the Gates of Eternity Sect, who knew they could get a decent reward for this.

Chapter 355 - Zhao Yanyan Was Happy

After finishing showering and changing clothes, Ye Chen wanted to invite Qing Cheng to enter the fairy gate.

First Ye Chen wanted to introduce other women to Qing Cheng, after which they could later go to the Frozen Ice Sect

"Close your eyes," Ye Chen told Qing Cheng to close her eyes for a while.

Qing Cheng obediently closed her eyes, she wanted to know what Ye Chen was up to.

After Qing Cheng closed her eyes, Ye Chen took Qing Cheng into the fairy gate.

"Now you can open your eyes" Ye Chen allowed Qing Cheng to open her eyes.

Qing Cheng started to open her eyes, when Qing Cheng opened them she was very surprised when she saw a scene that was different from before.

Right in Front her eyes, Qing Cheng saw a very beautiful place, not only was this place very beautiful, the energy in this place was extremely pure.

It's tens or hundreds of times purer than where the Cherry Blossom Sect is.

Husband, where are we currently? ", Qing Cheng immediately asked where they were right now.

Whereas earlier they were still in Ye Chen's villa, it was unexpected that in just a few seconds they had moved to such an extraordinary place.

"This is the fairy gate, the place where all my women practice." Ye Chen started explaining about the fairy gate to Qing Cheng.

Qing Cheng very seriously heard Ye Chen's explanation.

"This is great." Qing Cheng started admiring the artifact of the Fairy Gate that Ye Chen had.

If Qing Cheng cultivated in this place, then she would be very quick to raise her cultivation base.

", Chuckled, so the two of you have finished having fun." Chu Yuechan suddenly came behind Ye Chen.

This beautiful fairy really liked to surprise Ye Chen, she often came and went unnoticed.

Qing Cheng immediately looked back to see which woman was speaking to her and Ye Chen.

When Qing Cheng looked back, she saw that behind him stood a beautiful woman who had the appearance of a fairy goddess.

Qing Cheng saw that this woman was much prettier and sexier than herself, Qing Cheng did not expect that Ye Chen would have such a beautiful woman.

Chu Yuechan smiled, she suddenly disappeared and reached behind Qing Cheng.

From behind Chu Yuechan's hand immediately grabbed Qing Cheng's two large objects.

"Kyahh" In shock, Qing Cheng let out a little scream.

", I am a little jealous of seeing yours as large as this. You have the biggest thing I have ever seen, I am sure that Master likes you very much." Chu Yuechan began measuring Qing Cheng's double peak with her hand.

Ye Chen tapped Chu Yuechan's head gently. "Yuechan, stop, don't tease her anymore." Ye Chen told Chu Yuechan to stop teasing Qing Cheng.

"You cheapskate." Chu Yuechan stuck out her tongue.

Qing Cheng immediately covered her double peak with her two arms, she tried to cover it up so that this beautiful woman wouldn't touch it again.

"Husband, who is this woman?" Qing Cheng finally asked who this beautiful woman was.

"This is Chu Yuechan, is she the guardian of this place?" Ye Chen introduced Chu Yuechan to Qing Cheng.

"Hello little sister, my name is Chu Yuechan, you may call me Sister Yuechan." Chu Yuechan introduced herself to Qing Cheng.

Qing Cheng did not expect that she would be called by this little sister by this woman, Qing Cheng began to wonder how old this woman had.

Given that this woman was the guard at this place, Chu Yuechan should have an unknowable age.

It was also impossible for Qing Cheng to ask Chu Yuechan how old she was, it would be very disrespectful.

"Hello Yuechan's sister." Finally Qing Cheng called Chu Yuechan by the name of sister Yuechan.

"Good, let's go, I'll take you around this place." Chu Yuechan wanted to take Qing Cheng around this place.

There was something personal that Chu Yuechan wanted to talk to Qing Cheng about, it concerned the matters of the other Ye Chen women.

Chu Yuechan didn't ask Ye Chen for a decision, she took Qing Cheng away from Ye Chen.

Qing Cheng herself was a little reluctant to leave Ye Chen, she still wanted to be with Ye Chen for a little longer.

Ye Chen was left in this place alone, even though Ye Chen only wanted to introduce Qing Cheng to his other women, not expecting Chu Yuechan to even take Qing Cheng to go around.

To wait for the two to finish walking around, Ye Chen decided to go see his medicinal garden, it had been a long time since Ye Chen had seen his medicinal garden.

Ye Chen wanted to see if his medicinal garden had flourished or not.

Just as Ye Chen wanted to go to the medicinal garden, a light appeared right in front of Ye Chen.

After the light disappeared there was a beautiful woman appearing in front of Ye Chen, the beautiful woman who appeared was of course Zhao Yanyan.

Currently Zhao Yanyan looks very cheerful and very happy, Ye Chen wants to know what made Zhao Yanyan act like this.

"Yanyan, you look so happy, did something good happen?" Ye Chen approached Zhao Yanyan, he asked what had just happened to Zhao Yanyan.

"Husband, do I look happy now?" Zhao Yanyan asked Ye Chen.

Ye Chen nodded "Yes, you seem very happy, tell me what happened when you were?" Ye Chen is becoming more and more curious about what makes Zhao Yanyan happy like this.

"That, actually last night I did sparring battle with Mengyan, when I did sparring I gave a lesson to Mengyan, I was very happy when I thought about it." It turned out that the thing that made Zhao Yanyan happy was bullying Cheng Mengyan.

Ye Chen didn't expect that Zhao Yanyan also had this kind of cruel side.

Ye Chen thought that Zhao Yanyan was an innocent and kind-hearted woman, unexpectedly Zhao Yanyan also had this kind of side.

"So last night you had fun by bullying Cheng Mengyan" said Ye Chen to Zhao Yanyan.

Zhao Yanyan nodded lightly "Usually Mengyan is a person who bully me a lot, now I finally have the opportunity to get even, I am very happy anyway." Zhao Yanyan was happy because she could take revenge on the past she had with Cheng Mengyan.

Ye Chen wouldn't complain about this, he would let Zhao Yanyan do whatever she wanted.

After all from now on Cheng Mengyan would be Zhao Yanyan's servant.

"Oh yes Yanyan, I haven't told you, from now on Cheng Mengyan will be your servant for the next 2 years, so she will obey your words for the next 2 years." Ye Chen told Zhao Yanyan that Cheng Mengyan would become Zhao Yanyan's personal servant.

"Is it true?", Zhao Yanyan could hardly believe what Ye Chen just said.

"That's right." Ye Chen nodded at Zhao Yanyan.

Zhao Yanyan didn't expect that from now on Cheng Mengyan would be her servant, from now on, Zhao Yanyan could get Cheng Mengyan to do what she wanted.

"Husband, you are great, I am very happy." Zhao Yanyan suddenly hugged Ye Chen, she was overflowing with pleasure by kissing Ye Chen's lips.

Zhao Yanyan's lips started to kiss Ye Chen's lips, this time Zhao Yanyan was the one who took the initiative first.

Ye Chen of course was very happy about this, he started to cooperate with Zhao Yanyan.

Chapter 356 - YGGDRASIL Heart Art

"Stare. . . ." When Ye Chen and Zhao Yanyan were kissing, there was a little girl who looked at them from the side.

Zhao Yanyan and Ye Chen were quite surprised when they saw this little girl was already beside them.

The two of them immediately stopped kissing.

Zhao Yanyan looked at the little girl standing beside her, she didn't know who this little girl was and where she came from.

"Little girl, where are you from ?, how did you get here? ", Zhao Yanyan asked this little girl directly.

This little girl is Yin Yinger, Yin Yinger turned her head, she was confused by Zhao Yanyan's question.

"Yanyan, she is Yin Yinger, this girl is the sword spirit I have." Because Yin Yinger couldn't answer Zhao Yanyan's questions, Ye Chen was the one who had to explain to Zhao Yanyan.

"Sword spirit? You mean this girl is a sword? ", Asked Zhao Yanyan to Ye Chen.

Zhao Yanyan did not believe that the little girl in front of her was a sword spirit, this was Zhao Yanyan's first time seeing a sword spirit, she did not think that a sword spirit could have a human-like appearance.

Ye Chen nodded at Zhao Yanyan.

"Yinger what do you want? ", Asked Ye Chen to Yin Yinger.

"I'm hungry, I want to eat." Yin Yinger is very hungry, she wants to eat.

Without waiting for Ye Chen's approval, Yin Yinger jumped into Ye Chen's embrace.

Yin Yinger opened her small mouth, two small fangs belonging to Yin Yinger biting Ye Chen's neck, Yin Yinger started to suck Ye Chen's blood.

After a while Yin Yinger removed her bite from Ye Chen's neck.

"Master, thank you for the meal." Yin Yinger thanked Ye Chen.

After getting food from Ye Chen, Yin Yinger started to go to play around the garden inside the fairy gate.

"Husband, you feed her blood? ", Asked Zhao Yanyan to Ye Chen.

"Yes, Ying'er does eat blood," Ye Chen said to Zhao Yanyan.

"Is a little girl a Vampire? "Zhao Yanyan is starting to suspect that Yin Yinger is a vampire.

"Maybe, I don't know about it." Ye Chen himself also didn't know about Yin Yinger.

what Ye Chen knows this girl is a sword spirit, for the origin is still unknown to Ye Chen.

"I'm going to the medicinal garden, do you want to come? "Ye Chen invited Zhao Yanyan to go to the medicinal garden.

"Sorry I have to go to the practice room, today I intend to train with elder sister Rouxi, sister Rouxi said she wants to become strong as soon as possible, she doesn't want to be left behind with the others." Zhao Yanyan can't go with Ye Chen.

she had to go to the practice room to train together with Lin Rouxi.

"OK, I'll go alone." Because Zhao Yanyan wanted to train with Lin Rouxi, Ye Chen decided to go to the medicinal garden alone.

Ye Chen and Zhao Yanyan parted ways, the two of them walked in opposite directions. The location of the medicinal garden and the training ground were at opposite ends, so the two of them couldn't go together.

Ye Chen walked off towards the medicinal garden, when he arrived at the medicinal garden Ye Chen was a little surprised, his medicinal garden was a little different from the one he remembered a few days ago.

Today the medicinal garden is filled with lots of fruit trees and some beautiful plants that dot the surroundings.

The medicinal garden inside the fairy gate looked nicer and prettier than before, moreover, all medicinal plants flourished together with other plants.

Currently in the medicinal garden there is Xiao Lulu, Xiao Lulu looks like she is taking care of all the plants that are here.

Ye Chen is a little confused about Xiao Lulu, even though in this medicinal garden there is an array mechanism that can keep the plants here in order to stay awake and cared for, so there is no need to take care of the medicinal plants that are here.

Ye Chen got closer he wanted to see what Xiao Lulu was doing.

When Ye Chen approached, he saw that there was a fruit tree growing at an extremely fast speed, within seconds this tree had a fairly large body, fruits began to grow from this tree.

Ye Chen didn't know that in the medicinal garden there were array that could accelerate growth to this extent.

perhaps there was a new array mechanism that Chu YueChan had added to the medicinal garden.

Ye Chen decided to come closer and see for himself what was going on.

Just as Ye Chen was about to get close, Xiao Lulu happened to turn around.

"Big brother Ye Chen" Xiao Lulu immediately called Ye Chen, Xiao Lulu rushed towards Ye Chen.

Xiao Lulu arrived in front of Ye Chen, Xiao Lulu still looked shy when she met Ye Chen.

The shy Xiao Lulu looked very beautiful, after doing Dual Cultivation with Ye Chen she became more and more like a doll.

"Lulu, what are you doing? Ye Chen asked Xiao Lulu.

"I'm practicing." Currently, Xiao Lulu is practicing.

"Practice ?, practice what? "Ye Chen didn't see Xiao Lulu practicing, he only saw that Xiao Lulu was tending the plants here.

"I'm practicing the YGGDRASIL heart art, right now I'm trying to unite my heart with nature." Xiao Lulu is currently practicing the YGGDRASIL heart art.

This technique can make Xiao Lulu control all the plant life in this world. If Xiao Lulu can master this technique, it will be a very terrifying weapon.

No wonder the tree could grow and bear fruit very quickly, it turned out to be Xiao Lulu's doing.

Now that Ye Chen understood why there were so many new trees and plants in the medicinal garden, it turned out that this was Xiao Lulu's job.

"I'm still just learning, so I can only accelerate plant growth, I still can't control plants completely", Xiao Lulu is still at the elementary stage, she's still not able to control plants at will.

"Don't be like that, believe in yourself, I'm sure that one day you will be able to master it." Ye Chen encouraged Xiao Lulu to try even harder.

"Thank you very much." Xiao Lulu looked happy at the encouraging words given by Ye Chen.

Xiao Lulu hugged Ye Chen's neck, Xiao Lulu tried to act even bolder together with Ye Chen, Lin Rouxi had taught Xiao Lulu to act even bolder.

Xiao Lulu has now become Ye Chen's woman, she has to be even more courageous to look like a real couple.

"Lulu, what's wrong?", Ye Chen asked Xiao Lulu, it's not usual for Xiao Lulu to act this bold.

"It's nothing, I just want to hug you for a moment." Xiao Lulu let go of her arm from Ye Chen's neck, Xiao Lulu still felt embarrassed when she tried to have intimate with Ye Chen.

Ye Chen saw that Xiao Lulu looked shy, this girl was too shy, now that Xiao Lulu is the woman, Ye Chen should try to get closer to Xiao Lulu.

when Xiao Lulu wanted to get away, Ye Chen embraced her.

"Big Brother Ye Chen, what's wrong?" Xiao Lulu asked Ye Chen.

"Lulu, are you helping me harvest some ripe medicinal plants in here?" Ye Chen asked Xiao Lulu to help him harvest the medicinal plants that were here.

Ye Chen knows that Xiao Lulu likes plants, so surely Xiao Lulu will be happy when doing this together with him

After all, Ye Chen saw that some of the medicinal herbs here were ripe and ready to be harvested.

"Of course I would." Xiao Lulu seemed to be very excited, she has always been very fond of doing plant-related work.

Ye Chen's guess was correct, now he is taking Xiao Lulu to harvest the ripe Medicinal plants.

Ye Chen and Xiao Lulu finally started harvesting the herbs in the medicinal garden.

Chapter 357 - Headed Towards The Frozen Ice Sect

Ye Chen and Xiao Lulu started to harvest all the medicinal herbs that had matured.

Sometimes Ye Chen would tease and joke with Xiao Lulu a little, Xiao Lulu himself seemed quite happy with what Ye Chen was doing.

Both of them look happy while harvesting medicinal plants.

After several hours, finally Ye Chen and Xiao Lulu finished harvesting all the medicinal plants that were here.

Apart from harvesting medicinal plants, Ye Chen also replanted medicinal plants so that the medicinal garden was not empty.

Ye Chen also picked fresh fruits that Xiao Lulu grew, he tasted this fruit, it was quite sweet and delicious, this was even better than the fruit on the market.

"Now this is another Ye Chen woman," when Ye Chen and Xiao Lulu were picking fruits.

Chu Yuechan and Qing Cheng came to this place, the two of them walked towards Ye Chen and Xiao Lulu.

Ye Chen and Xiao Lulu stopped their fruit picking activities, both of them turned towards Chu Yuechan and Qing Cheng.

"Have you finished walking around this place? ", Asked Ye Chen to Qing Cheng.

Qing Cheng nodded "I've been around this place, this place is very extraordinary, and again I did not think that you have so many very beautiful women" Qing Cheng has been going around all the places in the fairy gate.

Qing Cheng was already acquainted with all the women who were currently inside the fairy gate, only Liu Yue and Xia Qingyu that Qing Cheng had not met.

The current Liu Yue was probably taking care of company matters.

Whereas Xia Qingyu might now be helping Liu Yue restore the company.

Since Ye Chen had already dealt with the person behind the incendiary, so he didn't have to worry anymore, Ye Chen would let Liu Yue take over the restoration of the company.

"Cute sister, what's your name? ", Qing Cheng asked Xiao Lulu.

According to Qing Cheng Xiao Lulu as cute as a doll, Qing Cheng wanted to hug Xiao Lulu and caress her.

Xiao Lulu was a little scared when she saw Qing Cheng, she was hiding behind Ye Chen's body.

Ye Chen looked at the Xiao Lulu who was hiding behind himself, Xiao Lulu was like this, she was quite shy when she met people she had just met.

"Sorry Lulu didn't mean that to you, she's just a little shy." Ye Chen told Qing Cheng that Xiao Lulu is really shy like this.

"It's okay, I can understand the situation he has." Qing Cheng can understand Xiao Lulu's situation.

"Lulu, hurry out and introduce yourself, from now on she will also be your other sister, so you have to get along even more." Ye Chen pulled Xiao Lulu who was hiding behind him.

Xiao Lulu who was hiding was pulled by Ye Chen out, now she was standing in front of Qing Cheng.

"Hello. . ., Hello. My name is Xiao Lulu, nice to meet you." Xiao Lulu shyly introduced herself to Qing Cheng.

"Ahhh, cute, let the sister hug you." Qing Cheng couldn't stand the cuteness that Xiao Lulu had.

Qing Cheng hugged Xiao Lulu into her arms, Qing Cheng hugged Xiao Lulu's head and buried her into her two large double peaks. Qing Cheng started stroking Xiao Lulu's head, she was treating Xiao Lulu like a doll.

Xiao Lulu was currently caught between the two soft and large objects that belonged to Qing Cheng.

Xiao Lulu felt unable to breathe when trapped between soft objects "help I can't breathe" Xiao Lulu asked for help, she couldn't breathe.

"Oh sorry" seeing that Xiao Lulu couldn't breathe, Qing Cheng finally let her go.

After being released by Qing Cheng, Xiao Lulu was finally able to breathe again.

Xiao Lulu ran behind Ye Chen, she returned to hide behind Ye Chen.

Xiao Lulu began to fear Qing Cheng's soft and large object.

Ye Chen and Chu Yuechan laughed when they saw Xiao Lulu's cute behavior.

Ye Chen knew how great Qing Cheng's double peak strength was, it must be that Xiao Lulu had a hard time breathing just now.

"Sorry sister Lulu, I accidentally" saw Xiao Lulu being afraid of her, Qing Cheng decided to apologize for what he just did to Xiao Lulu.

"It's okay, I forgive you." Xiao Lulu forgave Qing Cheng, but she was still hiding behind Ye Chen.

Qing Cheng is helpless, what Ye Chen said is true, Xiao Lulu is quite shy, Qing Cheng should slowly try to get close to Xiao Lulu.

"My name is Qing Cheng, I hope from now on we can get closer" Qing Cheng stretched out her hand towards Xiao Lulu.

Xiao Lulu saw Qing Cheng's hand, Xiao Lulu initially hesitated to shake Qing Cheng's hand.

seeing Qing Cheng's sincerity, finally Xiao Lulu wanted to shake Qing Cheng's hand.

Qing Cheng was delighted to see Xiao Lulu willing to shake hands with her, this would be a great start for both of them.

All of Ye Chen's women are quite good, Qing Cheng can easily get along with all of Ye Chen's other women.

"Oh right, Qing Cheng can we go to the Frozen Ice Sect now? ❖❖❖ Ye Chen invited Qing Cheng to go to the Frozen Ice Sect.

"Of course, let me take you there right now" Qing Cheng will take Ye Chen to the Frozen Ice Sect.

"Lulu, we have to go, you can continue the training you are currently doing." Ye Chen said goodbye to Xiao Lulu, he had to go to the Frozen Ice Sect to see what happened to Mu Lanyin.

Xiao Lulu nodded "be careful on the way." Xiao Lulu will pray for Ye Chen's safety.

"Okay." Ye Chen understands, he will always be careful.

"Yuechan, if anyone asks where I am you can answer them" Ye Chen will not interfere with a woman who is practicing, he will go with Qing Cheng secretly.

"OK, I understand." Chu Yuechan understood what she had to do.

Chu Yuechan and Ye Chen were connected, so Chu Yuechan could know where Ye Chen was, Chu Yuechan told the women where Ye Chen was.

after that Ye Chen took Qing Cheng's hand, both of them turned into particles, both of them came out of the Fairy Gate.

right now in the medicinal garden there were only Xiao Lulu and Chu Yuechan.

"Lulu, how far have you progressed in practicing the YGGDRASIL heart art." Chu Yuechan wanted to know how far Xiao Lulu had progressed.

"Right now I can only grow plants, I can't completely control the plants." Xiao Lulu told Chu Yuechan about the progress she had made.

"No problem, let me give you a little direction, you might quickly master it." Chu Yuechan intended to give Xiao Lulu directions.

Xiao Lulu nodded she wanted to be taught by Chu Yuechan.

Xiao Lulu and Chu Yuechan started training again, Chu Yuechan guided Xiao Lulu in learning the YGGDRASIL heart art.

After exiting the fairy gate, Ye Chen and Qing Cheng walked out of the villa.

"Qing Cheng, you lead the way to the Frozen Ice Sect." Ye Chen wanted Qing Cheng to lead the way to the Frozen Ice Sect.

Qing Cheng nodded, she led the way to the Frozen Ice Sect.

Currently Ye Chen and Qing Cheng flew towards the Frozen Ice Sect.

Chapter 358 - Infiltrated The Frozen Ice Sect

"Qing Cheng, by the way where is the existence of your sect." Ye Chen was curious to know the location of the Cherry Blossom Sect.

"What's the matter? Are you interested in going to my sect?" Qing Cheng asked Ye Chen.

"I just want to know a little about the existence of your sect." Ye Chen wanted to know a little about Qing Cheng's Sect.

"My sect is in the southern region of this country, our sect is in a valley a little far from mortal existence." Qing Cheng told Ye Chen where the Cherry Blossom Sect was.

"So that's where your sect is." Ye Chen nodded at Qing Cheng.

"Husband, what other times are you interested in going to my sect? ", Qing Cheng again offered Ye Chen to go to the Cherry Blossom Sect.

"Go to the Cherry Blossom Sect? Why are you offering me this? ", Asked Ye Chen to Qing Cheng.

Ye Chen found it strange why Qing Cheng wanted him to go to the Cherry Blossom Sect so badly.

"Husband doesn't you need quite a lot of Yinqi from girls, I just want to help you a little in that matter." Qing Cheng only wanted to help Ye Chen get Yinqi from the women in the Cherry Blossom Sect, even though there were not too many of them, at least it could help. for Ye Chen.

Qing Cheng already knew about Ye Chen's special body, Qing Cheng knew this from looking at the memories that belonged to Ye Chen's woman.

Even Qing Cheng already knew what the women were planning for Ye Chen, they wanted to find a new sister to help fight Ye Chen on the bed.

After discovering this, Qing Cheng decided to recommend the women in her sect to Ye Chen.

In the Cherry Blossom Sect there were at least a few dozen women who had no partners, the rest had partners so Qing Cheng wouldn't recommend it to Ye Chen.

"Well, I will go to the Cherry Blossom Sect if there is free time." Ye Chen did not reject Qing Cheng's good intentions, Ye Chen promised to go to the Cherry Blossom Sect if he had time.

"Good, you promised." Qing Cheng smiled at Ye Chen, she was very happy that Ye Chen wanted to go to the Cherry Blossom Sect.

Ye Chen and Qing Cheng continued on their way towards the Frozen Ice Sect.

The journey to the Frozen Ice Sect was quite far, it took Ye Chen and Qing Cheng several hours to arrive at the Frozen Ice Sect.

Finally Ye Chen and Qing Cheng arrived at a high mountain, it was snowy and very cold, the temperature in this place was too cold, it was not suitable for humans and animals to live in here.

What's more down there on just a pretty dangerous road, there is a very deep chasm, it's impossible for ordinary people to pass in a place like this.

From earlier, Ye Chen had not found any signs of life in this place, with this cold temperature, there was no way any plants or animals could live here.

"Qing Cheng, does the Frozen Ice Sect really live in a place like this?" Ye Chen again asked if it was true that the Frozen Ice Sect lived in an extreme place like this.

"This is indeed the place where the Frozen Ice Sect is, the Frozen Ice Sect has access that is very difficult to reach, because of this they have very little connection with the outside world." Qing Cheng told Ye Chen that the location of the Frozen Ice Sect was here.

Ye Chen nodded, even though this place was too extreme cold, this was probably the most suitable place for the Frozen Ice Sect to cultivate their Ice techniques.

After flying for a while, Ye Chen and Qing Cheng finally arrived in front of the Frozen Ice Sect building.

"We've arrived," Qing Cheng told Ye Chen that the two of them had already arrived at the Frozen Ice Sect.

Ye Chen saw that all of the Frozen Ice Sect's buildings were made of very strong and very sturdy Ice, this Ice building should have been made by someone who had a fairly strong cultivation.

Currently the surrounding of the Frozen Ice Sect building was enveloped in a multi-layered array of defensive arrays, the function of this array seemed to block outsiders from entering the Frozen Ice Sect.

"Looks like the Frozen Ice Sect really is shutting down to outsiders." After seeing it with her own eyes, Qing Cheng finally believed the rumors that were circulating.

The Frozen Ice Sect had completely shut itself off to outsiders.

"Well, you're absolutely right, judging from the array of arrays they activated, it looks like the Frozen Ice Sect doesn't want outsiders to enter their premises", looking at the layered defense array that enveloped the Frozen Ice Sect building.

Ye Chen can conclude that the Frozen Ice Sect does not want outsiders to enter their sect.

Then what are we going to do now? "Asked Qing Cheng to Ye Chen.

"Let's go inside and look for Lanyin's existence, we will ask what happened to the Frozen Ice Sect." Ye Chen wanted to go inside and search for Mu Lanyin's existence.

"Then how do we get inside? , if we force our way into and trigger this Array barrier, then we will be considered enemies by women from the Frozen Ice Sect. "Qing Cheng asked how Ye Chen entered the Frozen Ice Sect.

"Hehehe, it's so easy, I'll try to find an opening to use to enter the Frozen Ice Sect." Ye Chen chuckled at Qing Cheng, For Ye Chen it wasn't difficult to find a gap between the defensive Array that enveloped the Frozen Ice Sect building.

"You just wait here, I'll be right back" Ye Chen told Qing Cheng to wait for him here, Ye Chen will go closer to the Frozen Ice Sect's Array.

First Ye Chen flew around the Array covering the Frozen Ice Sect building, after that Ye Chen studied the array of Array that the Frozen Ice Sect had, Ye Chen would take a little longer to learn this.

The Frozen Ice Sect's Array array was extremely complex, Ye Chen had a little trouble learning it.

"Is it true that this Array was made by cultivators from Earth, why is it so complex and so perfect, I feel like it was made by someone who doesn't come from Earth." Ye Chen felt that the Frozen Ice Sect's

Array was quite complicated and very complex, it was impossible for a weak cultivator to be able to make Array arrays this complicated and complex.

It took Ye Chen a little longer than he expected, after several tens of minutes finally Ye Chen finished studying the array of Frozen Ice Sect's array.

Now Ye Chen just needs to find the weakest point of this array array.

Ye Chen went around the Array array looking for the weakest point of the Frozen Ice Sect's array.

As Ye Chen revolved around the array, he saw several beauties from the Frozen Ice Sect standing guard in front of the Frozen Ice Sect's entrance.

These women were seen watching the situation outside the array.

Seeing this, Ye Chen kept his distance a little to make it safer so that the beautiful woman from the Frozen Ice Sect wouldn't find out.

After turning around a few times, Ye Chen had found the weakest point of the Frozen Ice Sect's Array array.

Now Ye Chen and Qing Cheng can enter the Frozen Ice Sect.

Ye Chen returned to where Qing Cheng was.

"How? , did you find it" asked Qing Cheng to Ye Chen.

"Yes I have found it, now let's go inside." Ye Chen invited Qing Cheng to enter the Frozen Ice Sect.

Ye Chen took Qing Cheng to the weakest point of the Frozen Ice Sect Array.

Luckily, the weakest place in the array was far from the eyes of the beauties who were on guard, so the two of them would not be found.

Ye Chen stretched out his palm to touch the formation array, when Ye Chen's palm touched the Array, a 1 meter gap appeared.

"Let's go in." Ye Chen told Qing Cheng to go inside, otherwise the array would close again.

Qing Cheng nodded, she followed Ye Chen into the Frozen Ice Sect.

After Ye Chen and Qing Cheng managed to enter the gap that previously closed again.

Finally, Ye Chen and Qing Cheng managed to enter the Frozen Ice Sect.

"Let's find the whereabouts of Lanyin." Ye Chen invited Qing Cheng to go find Mu Lanyin's whereabouts.

"Okay, let's look for the existence of my cold sister, giggle." Qing Cheng giggled, he didn't expect to be a sister with the cold and arrogant Mu Lanyin.

Qing Cheng and Ye Chen went to find Mu Lanyin's whereabouts.

Chapter 359 - My Heart Hurts

Ye Chen began to feel the existence of Mu Lanyin, Ye Chen this time did not use his spirit sense, he used the soul inheritance of the Azure Dragon to find the existence of Mu Lanyin.

Since Ye Chen, Qing Cheng and Mu Lanyin were now connected by the inheritance they had from the ancient heritage site, they could now sense each other's existence very easily.

Now that Ye Chen has sensed the existence of Mu Lanyin, currently Mu Lanyin is in the largest and most majestic building in the solid part of the Frozen Ice Sect.

Ye Chen invited Qing Cheng to go to the building where Mu Lanyin was.

Ye Chen and Qing Cheng immediately headed to the building where Mu Lanyin was.

The guards here were not as strict as those near the entrance, so Ye Chen and Qing Cheng could easily go to the building where Mu Lanyin was.

Ye Chen and Qing Cheng snuck into the huge and majestic building where Mu Lanyin was.

After the two of them entered, they saw a very large hall made of ice.

Ye Chen looked at the hall in front of his eyes, it was so amazing, he did not expect that the building that was made of ice could be so amazing.

In this hall there was absolutely nothing in sight, everything was clean and empty.

At the end of this hall was a beautiful woman who was cultivating, this woman was naturally Mu Lanyin, Mu Lanyin was currently cultivating.

"Looks like she's cultivating." Qing Cheng saw that Mu Lanyin was cultivating.

"Hehehe, I'll surprise her." Ye Chen wanted to give Mu Lanyin a little surprise.

Ye Chen crept towards Mu Lanyin's back, he got closer and wanted to hug Mu Lanyin's body.

Ye Chen stretched out both hands and hugged Mu Lanyin's body, Ye Chen's arms unconsciously touched the two soft rabbits that Mu Lanyin had.

When Ye Chen hugged Mu Lanyin's body, a huge force suddenly hit Ye Chen's body, Ye Chen who was not ready for this was flown several tens of meters.

"Bamm!!" Ye Chen hit the Ice wall in this hall.

Knowing that someone wanted to hug her, Mu Lanyin reflexively used her strength to chase away the person who tried to hug her.

Mu Lanyin immediately turned around, she wanted to see who was the thief who dared to enter this place.

When Mu Lanyin turned around and saw who this thief was, she was very surprised, the person she just attacked was Ye Chen.

Mu Lanyin didn't expect that the person who just hugged her was Ye Chen.

Mu Lanyin started to wonder how Ye Chen could be here.

Mu Lanyin approached Ye Chen, she tried to help Ye Chen who was on the ice floor.

Mu Lanyin helped Ye Chen who was lying on the ice floor, she slightly lifted Ye Chen's head, Mu Lanyin hugged Ye Chen's head and put it on her lap.

Ye Chen, what are you doing here." Mu Lanyin immediately asked what Ye Chen was doing in the Frozen Ice Sect.

"I came all the way here to see you, I didn't expect you to injure me like this", while stroking his chest, Ye Chen wore a sad expression.

Seeing this, Mu Lanyin felt a little guilty, "Where the part hurts, show me, let me treat you." Mu Lanyin immediately worried about Ye Chen's condition, this is a very rare moment to see the cold fairy Mu Lanyin worrying about a man.

"Here." Ye Chen took one of Mu Lanyin's soft and cold hands, Ye Chen guided Mu Lanyin's hand to his chest.

Mu Lanyin began to look at Ye Chen's situation. "Where does it hurt, why can't I find it?" Mu Lanyin did not find any injuries on Ye Chen's body.

"Of course it's in my heart, my heart hurts, because you hit me earlier" Ye Chen chuckled at Mu Lanyin.

His attempt to seduce Mu Lanyin was successful, Mu Lanyin was deceived by him.

Mu Lanyin began to realize that she had been tricked by Ye Chen, Mu Lanyin immediately stood up and pulled her hand from Ye Chen's chest.

Because Mu Lanyin suddenly got up and let Ye Chen go, Ye Chen's head hit the floor.

"Ouch." Ye Chen stroked his head which had just hit the floor.

"Ye Chen, you dare to tease me." Mu Lanyin was not satisfied because she was teased by Ye Chen.

Ye Chen immediately got up from the ice floor "hehehe, dear Lanyin, don't be angry, I just want to joke with you a little" Ye Chen tried to calm Mu Lanyin who looked cranky.

"Who do you call Lanyin dear, I'm not your lover." Mu Lanyin tried to ward off the sweet words of Ye Chen, she really looked cranky at Ye Chen.

Ye Chen approached and hugged Mu Lanyin's body, Ye Chen whispered in Mu Lanyin's ear "You are my woman, until whenever you will remain my woman" Mu Lanyin is the woman, until whenever it will never change.

Mu Lanyin's face turned slightly red, Mu Lanyin blushed in embarrassment at the words spoken by Ye Chen.

"Chuckled", Qing Cheng saw what Ye Chen was doing, Qing Cheng tried not to laugh when he saw Ye Chen teasing Mu Lanyin.

Hearing this voice, Mu Lanyin immediately looked at Qing Cheng, not expecting Qing Cheng to be here too.

Mu Lanyin was confused about what happened, how could Ye Chen and Qing Cheng be in this place.

Mu Lanyin clearly remembered that she had used the defensive Array to prevent outsiders from entering the Frozen Ice Sect.

Mu Lanyin began to wonder how Ye Chen and Qing Cheng got in here.

"How did the two of you get in here, isn't there an array that prevents outsiders from entering here?"

"Not finding the answer, Mu Lanyin asked Ye Chen and Qing Cheng.

"We came here because we were worried about your situation what really happened to your sect, why did your sect shut itself up to outsiders." Ye Chen finally asked why the Frozen Ice Sect closed itself to outsiders.

Mu Lanyin was touched when she heard Ye Chen worrying about her, Mu Lanyin started to explain what happened to this sect.

After getting Mu Lanyin's answer, Ye Chen and Qing Cheng now understood what happened to the Frozen Ice Sect.

"So the reason this sect closed was because the Four Frozen Fairy was injured, then who was the person who injured Four Frozen Fairy? ", Ye Chen asked who was the person who injured the Four Frozen Fairy.

"This is just a bit of a guess that I have, it is possible that the person behind the current Four Frozen Fairy is the Seventh Sword Sect, but I also don't know the reason for the Seventh Sword Sect to attack the Four Frozen Fairy, before we had never crossed the Seventh Sword Sect." Mu Lanyin suspected that The Seventh Sword Sect was behind all of this.

Ye Chen and Qing Cheng looked at each other, the two of them already knew that this must be the Seventh Sword Sect's doing.

Ye Chen finally started explaining to Mu Lanyin the real face that belonged to the Seventh Sword Sect, Ye Chen also explained what the Seventh Sword Sect was planning to do to the other three major sects.

Mu Lanyin was quite surprised to find out about this, she did not expect that the Seventh Sword Sect would have such bad intentions towards the other three major sects.

Chapter 360 - Playing Seductively In Front Of Mu Lanyin's Disciples

"Ye Chen, Qing Cheng how do you know about this? "Mu Lanyin wants to know how Ye Chen and Qing Cheng know about this matter.

"We both knew about this while at the ancient heritage site, back then the great elders of the Seventh Sword Sect wanted to kill me, they even told me they wanted to rule all the sects in the mortal world." Qing Cheng told Mu Lanyin.

At that time, Qing Cheng was very fortunate to be able to survive the Seventh Sword Sect elder, if only there was no Ye Chen beside her, then it was certain that she would die at the hands of the great elder of the Seventh Sword Sect.

"So the ones who killed the elders of the Seventh Sword Sect were you two," Mu Lanyin asked Ye Chen and Qing Cheng.

"Yes, it is us." Ye Chen and Qing Cheng nodded.

Mu Lanyin did not expect that the elders from the Seventh Sword Sect were killed by Ye Chen and Qing Cheng.

No wonder the Seventh Sword Sect was so angry with all the great sects, due to the death of their great elder, the strength of the Seventh Sword Sect would definitely decrease a lot.

"Sect leader, disciple asked permission to enter" while Ye Chen, Qing Cheng and Mu Lanyin were discussing an important matter concerning the Seventh Sword Sect.

From outside this Hall there was the voice of a woman asking to see Mu Lanyin.

Mu Lanyin immediately panicked, at a time like this there was a female disciple who wanted to go inside and meet her.

Mu Lanyin immediately created a thick Ice barrier to cover herself, Ye Chen and Qing Cheng.

From the outside, it was impossible for anyone to see Ye Chen, Qing Cheng and Mu Lanyin.

"You can enter" after creating a barrier to cover herself, Ye Chen and Qing Cheng. Mu Lanyin allows female disciple to enter the hall.

The female disciple entered, she arrived in front of the ice barrier created by Mu Lanyin.

The beautiful female student was confused when she saw the barrier in front of her.

"What do you need from me?" From within the barrier of ice, Mu Lanyin asked what this female disciple wanted.

"Sorry for disturbing sect master, sect master something very important happened." This female disciple wanted to tell Mu Lanyin a very important matter.

"What is it ?, quickly say" Mu Lanyin wants to know what important things are happening.

"We just got a message from the female disciple group that is tasked with eradicating the evil cultivators in the eastern part of this country, this group sent an emergency signal to ask the sect for help." The female disciple told Mu Lanyin that something bad happened to the group. female disciple who is assigned to eradicate evil cultivators.

"How could that happen, didn't I tell you to cancel all existing tasks and order all the disciples outside to return to the sect as quickly as possible." Mu Lanyin has issued an order to all the female disciples outside to quickly return to the sect.

"Sect master, all the female disciples outside have returned to the sect, only this group can't come back, they must be in trouble." The female disciple told Mu Lanyin that this group of female disciples must have experienced something bad.

The female disciple that was sent to eradicate evil cultivators was not weak, the cultivation they had was the most superior among all the female disciples in the Frozen Ice Sect.

Mu Lanyin will find a way to save the group of female disciple who ask for help. "You don't have to worry, I will find a way to. . . Ahhh! ! ! "Suddenly Mu Lanyin's words stopped, Mu Lanyin let out a sassy Moan.

"What sect master is happening to you? "Hearing Mu Lanyin's moan, the female disciple immediately became worried about Mu Lanyin's condition.

The moment Ye Chen touched Mu Lanyin's two fluffy rabbits, he started playing with these two fluffy rabbits.

Ye Chen was quite tired of hearing the talk of Mu Lanyin and the female disciple for a long time.

Even though Ye Chen came all the way here to meet Mu Lanyin, Ye Chen didn't like being ignored like this. It was for this reason that Ye Chen had so boldly done this to Mu Lanyin.

With Ye Chen's skills, Mu Lanyin quickly fell into the flames of passion.

"Ye Chen please stop, I can't stand it." Mu Lanyin begged Ye Chen to stop, Mu Lanyin's voice was so small, Ye Chen could barely hear it.

Mu Lanyin couldn't stand the stimulation that came from Ye Chen, after doing Dual Cultivation with Ye Chen, Mu Lanyin's body became much more sensitive than before.

Ye Chen whispered in Mu Lanyin's ear, "Dear Lanyin, you better answer your female disciple in front, otherwise she might be suspicious." Ye Chen doesn't want to let Mu Lanyin go, Ye Chen enjoys this kind of game play.

"Sect master, are you all right? "The beautiful female disciple asked Mu Lanyin again.

Mu Lanyin realized that when the female students were still kneeling and waiting for her answer, "I'm fine. . . . emm, you don't need to worry. . . .emmm "Mu Lanyin's groaning sound occasionally leaked out, at this time Mu Lanyin was very uncomfortable.

The female disciple is becoming increasingly confused about what happened to Mu Lanyin at this time.

"Ye Chen, please stop this, if you keep doing this, how can I have the face to see my disciple." Mu Lanyin again asked Ye Chen to let go of herself.

"Lanyin dear, call me husband, maybe I will think about letting go of you." Ye Chen really wanted to hear Mu Lanyin calling himself husband.

Mu Lanyin's face turned slightly red, she was still embarrassed to call Ye Chen such an intimate name, but if she didn't do that, Ye Chen would definitely not let go of herself.

"Dear husband, please let me go." Mu Lanyin used a gentle tone to call Ye Chen.

Hearing Mu Lanyin's exquisite voice, Ye Chen became even more stinging, Ye Chen's one hand left Mu Lanyin's soft rabbit.

Ye Chen touched Mu Lanyin's chin and started kissing her very greedily.

Mu Lanyin was completely defeated, she was drowning in the fire of love that was very deep.

Mu Lanyin began to kiss back from Ye Chen.

The female disciple outside still didn't get the answer she wanted. "Sect master, what should we do for the female disciple group that doesn't return." The female disciple again asked Mu Lanyin.

The voice from the female disciple in front of her made Mu Lanyin aware, Mu Lanyin hurriedly removed her lips from Ye Chen's lips.

"You go, I will take care of everything." Mu Lanyin's tone was quite cold, Mu Lanyin expelled the female disciple from the hall, Mu Lanyin would take care of all that herself.

The female disciple was a little scared after hearing Mu Lanyin's cold tone, she hurriedly walked out of the hall.

After the female disciple came out, Mu Lanyin stretched out her hand and pinched Ye Chen's waist quite hard.

"Qing Cheng, help me, Lanyin wants to kill me" Ye Chen asked Qing Cheng for help.

Qing Cheng only giggled at Ye Chen teasing Mu Lanyin.

"Feel who told you to tease me right in front of my disciple," Mu Lanyin vented her anger because Ye Chen teased herself right in front of this sect disciple.
