

### **Chapter 361 - Ye Chen Felt Called By Something**

Mu Lanyin still didn't accept Ye Chen's teasing just now, Mu Lanyin started hitting Ye Chen's body.

Mu Lanyin's fist was completely powerless, so it wouldn't hurt Ye Chen.

Ye Chen was quite happy to be able to tease Mu Lanyin, now Mu Lanyin looks different from the first time she met Ye Chen.

Ye Chen hugged Mu Lanyin's body again, he stared into Mu Lanyin's crystal-clear eyes.

Mu Lanyin who was in Ye Chen's arms also looked into Ye Chen's eyes, Mu Lanyin looked at Ye Chen with a gentle gaze.

"You've changed a lot since we first met." Ye Chen told Mu Lanyin that she had changed a lot.

"What has changed from me? ", Mu Lanyin asked Ye Chen.

"Now that you have become a normal woman who has emotions, back then when I first met you you were like an emotionless ice statue." Ye Chen told Mu Lanyin's changes.

Back then, Mu Lanyin was like an Emotionless Ice Statue, but now that she looks like a normal woman, Mu Lanyin is no longer like an Emotionless Ice statue.

Ye Chen hopes that if all the women here can change like Mu Lanyin, Ye Chen wants them to live life like normal women who have Emotions.

Mu Lanyin also felt the same way, after she met Ye Chen, she was no longer like before, who lived without an emotion, now Mu Lanyin often thinks of Ye Chen, maybe this is what is called the emotion of love.

"Isn't it your fault that you have turned me into this," Mu Lanyin blames Ye Chen, because of Ye Chen, Mu Lanyin turned into this.

"Do you regret yourself like this? ", Asked Ye Chen to Mu Lanyin.

Ye Chen wanted to know if Mu Lanyin regretted the changes she currently had.

Mu Lanyin shook her head, "I don't regret all of this at all, I'm very happy to have this kind of emotion, I feel comfortable enough." Mu Lanyin doesn't regret the change in emotions she has at all.

After having Emotions, Mu Lanyin felt that her world had become more colorful, now her life had become more meaningful.

And all this thanks to Ye Chen, Ye Chen who made herself like this.

Mu Lanyin brought her lips closer and started kissing Ye Chen, this was the first time Mu Lanyin had taken the initiative while still conscious.

Ye Chen was quite happy with the kiss given by Mu Lanyin.

"Ehheemm" Qing Cheng suddenly coughed and interrupted Ye Chen and Mu Lanyin's conversation.

Ye Chen and Mu Lanyin looked at Qing Cheng, they both questioned Qing Cheng.

"You two cheat, you left me alone" Qing Cheng felt left alone by Ye Chen and Mu Lanyin.

Ye Chen laughed looking at the jealous Qing Cheng like this.

"Come here let me hug you" Ye Chen told Qing Cheng to join together.

"How about we all move my room, there won't be anyone bothering us." Mu Lanyin invited Ye Chen and Qing Cheng to go to Mu Lanyin's private room.

Mu Lanyin wanted to discuss the Seventh Sword Sect matter with Ye Chen and Qing Cheng

Ye Chen and Qing Cheng followed Mu Lanyin, the three of them went to sneak into Mu Lanyin's private room.

Ye Chen, Qing Cheng and Mu Lanyin entered Mu Lanyin's private room.

Inside Mu Lanyin's private room there is only a small ice bed and a mirror to dress up in, nothing else can be seen in Mu Lanyin's room.

"Lanyin, is this really your room?" ,Ye Chen asked Mu Lanyin.

"Yes, this is my room, all the rooms in the Frozen Ice Sect are the same as mine, there is nothing special about this." All the rooms in the Frozen Ice Sect are like this, there is only a small ice bed and a mirror to dress up. .

Life in the Frozen Ice Sect was like this, they didn't need any other items because it didn't matter to them.

"Let's talk about the matter beforehand, I want to know the full details of the plan that the Seventh Sword Sect intends to carry out." Mu Lanyin wanted to go over the matter regarding the Seventh Sword Sect.

This was very important for Mu Lanyin, because it concerned the person who had seriously injured the Four Frozen Fairies.

Ye Chen explained to Mu Lanyin again, this time Ye Chen explained it even more clearly, so that Mu Lanyin understood what the Seventh Sword Sect wanted to do.

"I will definitely take revenge on the Seventh Sword Sect, they dare to harm the people of my sect." Sooner or later, Mu Lanyin will definitely take revenge on the Seventh Sword Sect.

"Sister you don't need to worry, I and my sect will definitely help you." Qing Cheng and the Cherry Blossom Sect will definitely help Mu Lanyin in fighting the Seventh Sword Sect.

Seventh Sword Sect is a threat to Qing Cheng and the Cherry Blossom Sect.

"Thank you very much." Mu Lanyin thanked Qing Cheng.

"You don't need to thank me, now that we have become close sisters, I will definitely help you if you are in trouble." Because both of them are now Ye Chen's women, they both have to help each other.

"If the Seventh Sword Sect dares to find trouble with you guys, I definitely won't let them go." If Seventh Sword Sect dared to find trouble with Mu Lanyin or Qing Cheng, Ye Chen would not let them go.

Mu Lanyin and Qing Cheng were touched by the protection provided by Ye Chen.

Now no one will bother Ye Chen, Mu Lanyin and Qing Cheng.

Time to have some fun with these two beauties, Ye Chen stretched out his hands towards Mu Lanyin's and Qing Cheng's bodies.

He wanted to immediately do what he had done in the ancient heritage site.

"Knock! ! ! "At this time someone knocked on the door from outside.

When Ye Chen wanted to do something to Mu Lanyin and Qing Cheng someone came and knocked on the door.

Ye Chen, Qing Cheng and Mu Lanyin immediately looked at the Ice door.

"Older Sister, may I come in and talk to you." From outside there was a woman who called Mu Lanyin as an older sister.

The woman outside the door is Mu Zhue Fairy, she currently wants to talk to Mu Lanyin.

Mu Lanyin is currently so helpless, why are there so many people who want to meet her in a situation like this.

If Mu Zhue Fairy found out that there was a man in here, then Mu Lanyin's reputation would definitely be destroyed.

Mu Lanyin hurriedly got up and opened the door to the room, she came out of the room in a hurry, Mu Lanyin very quickly closed the door so that Mu Zhue Fairy didn't know that Ye Chen and Qing Cheng were inside.

"Younger sister Zue, what's wrong? "Mu Lanyin asked what Mu Zue wanted from her.

"Older sisters, why did you even come out, I have something to talk to you about alone in the room." Mu Zhue Fairy wanted to have a private talk with Mu Lanyin in the room.

Mu Zhue Fairy tried to open the door to Mu Lanyin's room.

Mu Lanyin saw what Mu Zhue was going to do, she quickly tried to stop Mu Zhue from opening the door to her room.

Mu Zhue was a little confused when Mu Lanyin stopped herself, it was unusual for Mu Lanyin to behave like this.

"Younger sister Zue, let's talk about this in another place." Mu Lanyin invited Mu Zhue Fairy to go from the front entrance of her room, she didn't want Mu Zhue Fairy to find the whereabouts of Ye Chen and Qing Cheng.

Mu Lanyin took Mu Zue Fairy away from this place, Mu Zue Fairy was taken by Mu Lanyin to a place far from her room.

In Mu Lanyin's room, Ye Chen and Qing Cheng were left alone.

"Looks like Sister Lanyin left to distract that woman, I'm sure that she won't come back anytime soon", Qing Cheng guessed that Mu Lanyin wouldn't come back anytime soon.

Ye Chen felt helpless, even though Ye Chen wanted to do Dual Cultivation together with Mu Lanyin and Qing Cheng, it was unexpected that women from the Frozen Ice Sect would always bother him.

Ye Chen walked away from Mu Lanyin's room.

"Husband, where are you going? ", Qing Cheng immediately asked where Ye Chen was going.

"I want to go out and find the air outside." Ye Chen came out to confirm something that made his heart feel uneasy.

"Be careful, don't get caught by a woman from the Frozen Ice Sect." Qing Cheng told Ye Chen to be even more careful.

"You don't need to worry, no one will be able to find my whereabouts." With Ye Chen's current strength, there was no way the woman from the Frozen Ice Sect could find him.

Ye Chen walked out of Mu Lanyin's room, now only Qing Cheng was alone in Mu Lanyin's room

Ye Chen slipped away towards a remote place that was at the very back of this Sect.

On the way to the very back of the sect, Ye Chen occasionally met beautiful women wearing veils, these women were so beautiful, they were even prettier than most of the artists out there.

The man who gets these beautiful women will surely be very lucky.

In the instant that Ye Chen arrived in front of the mouth of the Cave, this was where Ye Chen's feelings came from.

Inside, Ye Chen felt that something was calling out to him, Ye Chen felt himself being directed in there.

Ye Chen was very curious about this, Ye Chen wanted to immediately enter the cave, Ye Chen wanted to confirm what was in there. Is there maybe a treasure or something related to him.

### **Chapter 362 - Frozen Glass Heart Special Body**

Ye Chen walked into the cave, he slowly entered this cave.

Ye Chen entered a cave that was quiet and also lacking light.

When Ye Chen entered, he heard the sound of water gurgling, Ye Chen became more curious, Ye Chen stepped forward to confirm what was ahead.

Ye Chen was very careful, he walked with very light steps, so it was difficult to find Ye Chen's whereabouts.

The sound of water gurgling becomes clearer, as long as this sound is clear from the front.

Ye Chen also felt that something calling him was right there.

Ye Chen finally arrived in front of a small pond that was about 10 meters in size.

Right inside the Ice Water pool there was a very beautiful woman with blue hair, this woman had a very good body, Ye Chen had to admit that this woman's body was very well developed.

Seeing that there were other people here, Ye Chen immediately looked for a place to hide, he immediately looked at the woman who was in the Ice Water pool.

At this time, the beautiful woman with blue hair was bathing in the pool of water, because the water was exposed to the clothes that this woman was wearing turned transparent, Ye Chen could see a little of this beautiful woman's beautiful body.

Ye Chen can feel that the beautiful woman who is taking a bath is quite strong, this beautiful woman is currently at the second stage of the Emperor Realm.

With the strength that this beautiful woman possessed, she should be an ancestor of the Frozen Ice Sect.

Ye Chen didn't expect that an ancestor from the Frozen Ice Sect would be such a beauty.

Ye Chen continued to look at the beautiful woman who was taking a bathing.

The way a beautiful woman takes a bath is very tempting, Ye Chen is drooling just from looking at a beautiful woman who is bathing.

This beautiful woman is Mu Nianci, Mu Nianci has just finished cultivating, after cultivating the habits that Mu Nianci has is washing her body in the Ice Water in this pool.

The cold water in this pool can make Mu Nianci's body and mind calm and peaceful.

When Mu Nianci was washing her own body, she felt that someone was staring at her, Mu Nianci immediately turned to the direction where the gaze she felt came from.

"Who is there?" Mu Nianci looked at Ye Chen.

Seeing Mu Nianci staring at him, Ye Chen immediately hid himself, Mu Nianci's eyes were very calm, no ripples could be seen where Mu Nianci, Mu Nianci was very calm, she looked like water in a calm pool.

Mu Nianci immediately looked around the Ice Water pool, Mu Nianci did not find anyone's existence.

"Was it just a hallucination?" Mu Nianci just felt that someone was staring at her, but somehow she didn't find someone's existence by using her spirit sense.

Currently Ye Chen was hiding himself using the Reideran Pendant necklace, there was no way Mu Nianci would be able to find Ye Chen's whereabouts.

Not finding the existence of other people around this place, Mu Nianci continued washing her body.

Seeing that Mu Nianci had distracted hers, Ye Chen looked back at Mu Nianci, Ye Chen admired Mu Nianci's beauty.

"Master, this woman has a Frozen Glass Heart Special Body." While Ye Chen was admiring this beauty in front of him, Chu Yuechan spoke in Ye Chen's mind.

"Frozen Glass Heart Special Body? , Isn't that a Special body which is quite rare to find? "Ye Chen asked Chu Yuechan whether this was true or not.

Ye Chen knows a little about the Frozen Glass Heart Special Body, the owner of this body can learn techniques with the Ice attribute at a very extraordinary speed, even the speed of learning the Ice attribute Technique of the Pure Yin Special body is still a little less when compared to Frozen Glass Heart Special Body.

"Yes, this woman does have a Frozen Glass Heart Special Body, unfortunately this woman's special body is still half awake, so she is still not aware of this." Mu Nianci's Frozen Glass Heart Special Body is still not fully awakened, so the effect is not very strong. felt by Mu Nianci.

Ye Chen did not expect that this woman in front of him had a Frozen Glass Heart Special Body, when the Frozen Glass Heart Special Body was fully awakened, this woman's cultivation would definitely be very fast.

"Master, are you interested in this woman? " ,Chu Yuechan asked Ye Chen.

"Me. . ., Yuechan why do you think I'm attracted to this woman? "Asked Ye Chen to Chu Yuechan.

"Chuckle, I can see your saliva dripping when you saw this beautiful woman taking a bath." Chu Yuechan laughed when she saw Ye Chen's saliva dripping when he saw Mu Nianci who was taking a bath.

Ye Chen immediately realized, he immediately wiped his saliva, Ye Chen was a little embarrassed for showing this to Chu Yuechan.

Chu Yuechan laughed even more, she saw Ye Chen's behavior which was quite funny.

Again Mu Nianci felt someone staring at her, this time Mu Nianci felt that this was very clear.

Mu Nianci didn't use her Spirit Sense, she jumped out of the ice water pool and headed towards Ye Chen.

"Damn I got caught" seeing himself caught, Ye Chen tried to leave this place.

Too bad Mu Nianci was already in front of Ye Chen and blocked Ye Chen's path away.

What Mu Nianci felt was true, there were people peeking at her taking a shower, what else was the person peeking at her was a handsome man.

Mu Nianci was shocked when she saw a man enter her place, Mu Nianci wondered how could there be a man in the Frozen Ice Sect, this was absolutely impossible.

"Who are you? How did you get here?" "Mu Nianci didn't directly attack Ye Chen. First she asked about the origin that Ye Chen had, Mu Nianci wanted to know how Ye Chen got to this place.

Ye Chen did not answer Mu Nianci's question, currently Ye Chen was admiring the beauty of Mu Nianci's body, which he could clearly see from Mu Nianci's clothes which were transparent from being exposed to water.

Mu Nianci's double peak is very beautiful, at least the size that Mu Nianci has is the F Cup, and again Mu Nianci's Cherry Bud still looks very pink and very beautiful, surely no one has ever touched this before.

Mu Nianci immediately saw Ye Chen's gaze, when Mu Nianci looked down at her body, she saw that the clothes she was currently wearing had become translucent due to being hit by the Water.

At this moment, Mu Nianci's body could be seen clearly by Ye Chen.

From Mu Nianci's hand appeared an ice sword, she swung this sword towards Ye Chen's neck.

"Slash", Mu Nianci only cut through thin air.

Seeing the arrival of Mu Nianci's attack, Ye Chen immediately stepped back, he avoided Mu Nianci's attack.

"Big pervert, I want your life." Mu Nianci wanted Ye Chen's life, Mu Nianci would not let Ye Chen go after seeing her naked body.

Mu Nianci's tone became extremely cold, Ye Chen felt chills just from hearing Mu Nianci's cold voice.

Ye Chen looked at Mu Nianci standing, currently Mu Nianci was still the same as before, the face that was shown by Mu Nianci was very calm as if nothing was happening.

### **Chapter 363 - The Expression You Show Is So Boring**

Ye Chen really didn't know what Mu Nianci was thinking, Ye Chen didn't see the emotion Mu Nianci had at all.

Ye Chen didn't know whether Mu Nianci was angry, annoyed or hated him, Mu Nianci didn't show Ye Chen anything at all.

Only Ye Chen can feel strong killing intent, Mu Nianci is very different from Mu Lanyin, Mu Nianci looks completely devoid of an emotion.

Mu Nianci looked at everything in this world as if it had nothing to do with her.

Mu Nianci again attacked Ye Chen, this time the movement that Mu Nianci showed was faster than before.

Mu Nianci's target remains the same, which is Ye Chen's neck, this woman is again eyeing Ye Chen's Life.

What Qing Cheng said was true, the women here maintained their purity more than anything else, the women here would choose to kill any man who had seen their naked face or body.

They would rather kill than be with men who had seen their naked faces and bodies.

Ye Chen started thinking in his mind "wait a minute. Doesn't that mean this woman has to marry me" this thought suddenly crossed Ye Chen's mind.

Ye Chen looked back at Mu Nianci, this woman is indeed beautiful, unfortunately this woman has no emotions and her expression is ordinary, if only she could express emotions she would definitely look even more beautiful.

Ye Chen wanted to try to bring out the emotions that Mu Nianci had, Ye Chen knew how to do that. :)

Mu Nianci's Ice Sword was getting closer to Ye Chen, the Ice Sword was only less than 15 cm from Ye Chen's neck.

Until now Ye Chen didn't move at all, he didn't intend to dodge Mu Nianci's Ice sword strike.

Mu Nianci's ice sword landed on Ye Chen's neck, when the ice sword landed on Ye Chen's neck, the ice sword stopped at Ye Chen's neck, Mu Nianci's ice sword was completely unable to cut the slightest bit of skin that Ye Chen had.

Mu Nianci had used the full strength she had, unfortunately the sword still didn't move an inch, the ice sword was still on Ye Chen's neck, Mu Nianci's ice sword was still unable to cut Ye Chen's neck.

Seeing that her sword was unable to cut Ye Chen's head, Mu Nianci used other means.

From Mu Nianci's Ice Sword to the Ice Body, this Ice spread to Ye Chen's body, This Ice quickly enveloped Ye Chen's body.

In an instant, Ye Chen's body was covered in ice.

Ye Chen is now trapped in the Ice, and has become an Ice statue.

Mu Nianci saw Ye Chen who had turned into an Ice statue, Mu Nianci believed that Ye Chen was dead, it was impossible for Ye Chen to still be alive after turning into frozen ice.

Mu Nianci walked away leaving Ye Chen's body which had turned into an ice statue, Mu Nianci looked completely innocent after killing Ye Chen.

"Clank" Suddenly, the ice that covered Ye Chen's body shattered into pieces.

"You're very serious about killing me, don't you have two choices, why don't you just marry me." Ye Chen chuckled at Mu Nianci.

Mu Nianci who heard this immediately stopped, Mu Nianci turned around and saw Ye Chen.

Mu Nianci thought that Ye Chen had turned into a shred of ice, no way that Ye Chen was still alive and looked fine.

Moreover, Mu Nianci was a little surprised when she heard Ye Chen say this, how could Ye Chen know that this Sect has rules like this, there shouldn't be an outsider who knows this.

"Who exactly are you, and how do you know about it?" Mu Nianci asked Ye Chen again.

Mu Nianci was starting to be curious about Ye Chen, she wanted to know where Ye Chen knew the rules of this sect.

"Who knows, maybe that was a lucky guess." Ye Chen chuckled again at Mu Nianci.

Seeing Ye Chen playing with herself, Mu Nianci was a little dissatisfied, she began to form dozens of floating Ice flowers.

Mu Nianci directed these dozens of Ice flowers by Ye Chen's collar.

"Bamm. . . , Bamm. . . , Bamm . . , Bamm. . . , Bamm. . . , Bamm. . . , "" Dozens of Ice Flowers smashed against Ye Chen's body and made a fairly violent explosion.

The cave in this place shook due to the explosive attack from Mu Nianci's Ice Flower.

Mu Nianci could not hold back the strength she had, she wanted to take Ye Chen's life with just this one strike.

After the explosion occurred, Ye Chen's body was enveloped in the ice mist resulting from Mu Nianci's Ice flower explosion.

Mu Nianci wanted to see if Ye Chen was still alive or not after receiving an attack like earlier.

The attack just now was quite strong, Ye Chen should have died if he was hit by all the blasts from her Ice Flower.

Little by little the ice fog began to disappear, there was a black figure standing in the ice fog.

When the Ice mist completely disappeared, Mu Nianci saw Ye Chen still standing in his place.

All of Ye Chen's clothes were still intact, no trace of wounds could be seen on Ye Chen's body.

Mu Nianci came back a little shocked, she didn't expect Ye Chen to still be alive after receiving successive attacks from her.

Ye Chen looked at Mu Nianci, the expressions and emotions shown by Mu Nianci were still the same as before, this woman still looked very calm.

Ye Chen was tired of defending Mu Nianci's attack, it's time for Ye Chen to counterattack Mu Nianci.

Ye Chen used the nine shadow steps to go closer to Mu Nianci, without realizing that Mu Nianci Ye Chen was already in front of her.

Ye Chen and Mu Nianci are now face to face very closely. "Heemmmm, you are indeed a very beautiful woman, unfortunately the expression you show is very boring." At this close Ye Chen told Mu Nianci.

Seeing Ye Chen who was only a few centimeters away from herself, Mu Nianci tried to step back and move away from Ye Chen.

Ye Chen didn't let Mu Nianci escape, he embraced Mu Nianci's perfect waist.

Mu Nianci couldn't go away, she was held back by Ye Chen's arm which was very strong.

"Let's see the real you face." Without giving Mu Nianci a chance to speak, Ye Chen kissed Mu Nianci's cherry lips.

Mu Nianci's eyes widened immediately when Ye Chen kissed her, This is the first time Mu Nianci has been this close to a man, let alone this pervert dared to kiss her.

Mu Nianci raised her palm, from Mu Nianci's palm began to gather extremely terrifying cold profound energy, Mu Nianci wanted to hit Ye Chen using this palm.

When Mu Nianci wanted to hit Ye Chen with her palm, she suddenly felt an electric current entering her body.

Mu Nianci's body suddenly became hot, the power that was in her palms also disappeared.

Mu Nianci's body lost the strength she had

Somehow the kiss that came from Ye Chen felt so strange to Mu Nianci, Mu Nianci had never felt this kind of feeling before.

Mu Nianci's head began to turn, she felt that her consciousness was gradually disappearing.

Ye Chen used the king's heart technique to stimulate Mu Nianci's body and mind, he wanted to see how much expression and emotion Mu Nianci had when he was passionate.

### **Chapter 364 - Mu Nianci's Establishmen**

In Ye Chen's embrace, Mu Nianci looked very weak and helpless, Mu Nianci's face began to turn slightly red.

What made Ye Chen a little disappointed was the expression shown by Mu Nianci, Mu Nianci's expression was still the same, she was still able to calm down even in this kind of situation.

Ye Chen decided to be more serious, Ye Chen's hand began to caress the Pure body that was owned by Mu Nianci.

"Erm" small groans began to leak out of Mu Nianci's mouth.

Mu Nianci felt very strange, her body felt hot and very uncomfortable, when Ye Chen touched her body, Mu Nianci felt a very comfortable feeling, this was never felt by Mu Nianci in this life.

Ye Chen's hands began to dishonestly start caressing Mu Nianci's body which had grown so well.

Mu Nianci's figure was very good, Mu Nianci was truly a very mature woman.

Apart from having a very well developed figure, Mu Nianci's body was also very gentle, Ye Chen felt like he was touching the softest thing in this world.

As Ye Chen stroked Mu Nianci's body, Mu Nianci's expression began to change a little, Mu Nianci looked breathless, her eyes also began to be filled with an unstoppable lust.

Mu Nianci is a lonely woman who has never felt the passion between a boy and a girl. She has endured this burden of loneliness for a long time.

When these shackles were released, Mu Nianci's lust exploded quite strongly.

Mu Nianci couldn't take it anymore, she started groaning at the touch of Ye Chen's hand.

Ye Chen didn't waste the opportunity, he started to absorb Yinqi from Mu Nianci, Mu Nianci's Yinqi was very pure, this was not inferior to Xia Qingyu's body which had Pure Yin.

"Big pervert. .. what have you done. . . . to my body, quickly let me go. . . . right now, if not. . . I will kill you." Mu Nianci threatened Ye Chen with halting words.

Finally Mu Nianci showed the emotions she had, at this time Mu Nianci looked very angry with Ye Chen.

Mu Nianci couldn't possibly be calm when she saw herself being harassed like this, She was pouring out all her anger towards Ye Chen.

"Hehehe, so it turns out you can get angry too, it's very interesting." Ye Chen was quite interested when he saw the angry Mu Nianci.

"You big pervert. . . , just watch I'll cut you. . . to pieces." Mu Nianci looked even angrier.

In these hundreds of years Ye Chen was the first person to make Mu Nianci show the anger she had.

Mu Nianci could no longer endure this humiliation any longer, she tried to fight against Ye Chen who was in front of her.

Unfortunately the current Mu Nianci was extremely weak, she was no match for Ye Chen at all.

Even if Mu Nianci had her strength back, Mu Nianci was still no match for Ye Chen.

"You're quite rude, smile a little, you might look pretty if you want to smile." Ye Chen wanted to see Mu Nianci's smile.

If only Mu Nianci could smile, Mu Nianci would be very beautiful.

"I will never smile in front of you, never." Mu Nianci would not smile in front of Ye Chen.

In this life, Mu Nianci has only smiled a few times, Mu Nianci has always lost the emotions she has, so Mu Nianci can no longer feel happy, happy, sad, angry.

If she hadn't been harassed by Ye Chen, Mu Nianci would not have shown the angry emotions she had.

"You are so stubborn once, why are you hiding the emotions you have? , do you live only to cultivate to the end of your life? "Ye Chen really didn't know the way of thinking that Mu Nianci had.

Life is something precious, it's not good to waste life just focusing on pursuing an endless path of cultivation.

It is better to live this life well while pursuing the path of cultivation.

It will be better and not waste the valuable time it has.

Mu Nianci was shocked when she heard Ye Chen's words just now, she began to think about what Ye Chen said just now.

All this time Mu Nianci had only pursued the path of cultivation to reach a stage she had never reached, for that reason she threw away the meaning of life that she had and moved away from this world.

Mu Nianci's mind became even more chaotic, Ye Chen's words made Mu Nianci very confused, plus the stimulation from Ye Chen made Mu Nianci unable to think clearly.

Mu Nianci began to shake her head. "Be aware, I can no longer be deceived by this pervert, you have decided to take this path, you must not regret this." Mu Nianci tried to convince herself.

"Stop uttering words like that, until whenever I will not be fooled by the words you have." Mu Nianci loudly voiced her determination.

Ye Chen saw the determination that Mu Nianci had, this woman remained firm in her stance.

Mu Nianci was the most powerful woman Ye Chen had ever met, even before Ye Chen's king heart technique Mu Nianci still had the determination to maintain her own consciousness.

"Let's see if you stick to the stance you have." Ye Chen will no longer waste words for Mu Nianci, it's time to let Mu Nianci know the happiness that exists in this world.

Ye Chen pulled the cloth belt that held Mu Nianci's white clothes, after the belt was removed now Mu Nianci's clothes became loose, Mu Nianci's beautiful double peak was now exposed in Ye Chen's eyes.

Mu Nianci's Cherry Buds looked so delicious to eat, Ye Chen wanted to immediately put this thing in his mouth and taste it.

"It's beautiful." Ye Chen praised the beauty that was owned by Mu Nianci.

Mu Nianci saw what Ye Chen was doing, half of hers was exposed in Ye Chen's eyes.

"Big pervert quickly let me go, I will never forgive you." Mu Nianci shouted at Ye Chen, Mu Nianci's voice was very cold and filled with anger.

"Come on, don't get angry too easily, you can get old if you often get angry." Ye Chen wanted to joke a little with Mu Nianci.

Mu Nianci was a woman who couldn't joke around at all, Mu Nianci looked at Ye Chen with a very powerful murderous gaze.

Ye Chen ignored Mu Nianci's murderous gaze, Ye Chen focused on Mu Nianci's double peak.

Ye Chen stretched his hand towards Mu Nianci's double peak, Ye Chen began to touch and squeeze Mu Nianci's double peak.

Ye Chen felt that Mu Nianci's double peak was very soft, Ye Chen wanted to try to sink his head into Mu Nianci's soft double peak.

"Ahhh! ! !", Mu Nianci immediately groaned softly when Ye Chen's hand touched hers, Mu Nianci's body started to shake very strongly.

This feeling was much more pleasant than before, Mu Nianci's mind began to fly to the seventh heaven.

Mu Nianci's double peak was very sensitive, with just a little touch of Ye Chen, Mu Nianci had almost lost the sanity she had.

This discovery made Ye Chen excited, it seemed that this double peak was the most sensitive part that Mu Nianci had.

### **Chapter 365 - Mysterious Blue Light**

Ye Chen started quite roughly kneading and kneading Mu Nianci's double peaks like a cookie dough.

Ye Chen really liked Mu Nianci's soft texture, the sense of touching this double peak was amazing for Ye Chen.

"Ahhhhh. . . . "Mu Nianci's groan was getting louder, Mu Nianci felt a pleasure she had never felt in this life.

Mu Nianci did not expect that one day she would be treated like this by a handsome young man like Ye Chen.

Mu Nianci didn't fight Ye Chen anymore, Little by little Mu Nianci started to enjoy this pleasant feeling.

Ye Chen didn't stop there, Ye Chen began to bring his mouth closer to Mu Nianci's cherry bud.

Ye Chen opened his mouth and started to eat these cherry buds.

"Ahhh. . . "Mu Nianci groaned even louder, this pleasure was too great, Mu Nianci couldn't hold it in anymore.

Unconsciously Mu Nianci's arm hugged Ye Chen's neck who was eating her cherry buds, Mu Nianci didn't seem to want to let Ye Chen go.

Ye Chen greedily began to suck and bite Mu Nianci's cherry buds, to Ye Chen it was so delicious.

"Stop, please stop." Mu Nianci begged Ye Chen to stop this.

If this continued, Mu Nianci felt that she might never be able to return to her old self.

Mu Nianci's mind might reject Ye Chen, but Mu Nianci's body had already begun to be attracted to Ye Chen

Ye Chen ignored the pleas from Mu Nianci, he continued to enjoy Mu Nianci's most delicious buds Cerry.

The stimulation from Ye Chen was getting stronger, Mu Nianci felt something was going to come out from under her body, Mu Nianci's body started to tremble, she tried to hold back from coming out in front of Ye Chen.

Ye Chen could feel that Mu Nianci's body was shaking violently, it seemed like Mu Nianci would come out soon.

Ye Chen bit into Mu Nianci's cherry bud even harder, he wanted to make Mu Nianci feel like a real woman.

"Ahhh! ! ! "Mu Nianci shouted, right now she has reached the pinnacle of the highest happiness she has never felt in this life.

Mu Nianci's body trembled violently, Mu Nianci's mind also went blank because of incomparable joy, she could no longer think about anything, the consciousness that Mu Nianci had also began to disappear, Mu Nianci's body collapsed into Ye Chen's arms.

Seeing Mu Nianci collapse, Ye Chen immediately hugged Mu Nianci's body, Ye Chen did not expect that Mu Nianci would leave because of something like this.

Mu Nianci was too weak, just from a little stimulation from Ye Chen, she had already fainted

Ye Chen saw Mu Nianci's sleeping face, currently Mu Nianci's face was smiling and very happy, it seemed like Ye Chen's mission was successful to see Mu Nianci smile.

Ye Chen's guess is 100% correct, Mu Nianci who is currently smiling is very beautiful, Ye Chen must immortalize this to become a memento.

Ye Chen lifted Mu Nianci's body onto an Ice bed in this place, Ye Chen laid Mu Nianci right on the Ice bed.

Ye Chen took out an imaging stone from the fairy gate storage room.

Ye Chen still had some of the imaging stones he got from Gu Xuan, Ye Chen took out an imaging stone and started to take a picture of Mu Nianci who was sleeping on the Ice bed half naked.

Ye Chen will keep this as a private collection that he owns.

Ye Chen didn't continue bullying Mu Nianci, he let Mu Nianci rest, Ye Chen didn't really like bullying a woman who was in a weak state.

Once again Ye Chen felt something calling out to him from within the Ice Water pool that Mu Nianci used to bathe in.

"Master, what are you doing ? , you've always looked really strange." Chu Yuechan saw Ye Chen's change, Chu Yuechan felt strange that Ye Chen always looked into the pool of ice water.

"Yuechan, do you think that under the ice pool there is something valuable or something?" Asked Ye Chen to Chu Yuechan.

Chu Yuechan immediately looked at the Ice pool that was in front of her, she began to look for anything valuable or not.

After searching for a while, Chu Yuechan found nothing.

"Master, I didn't find anything valuable in there at all." Chu Yuechan told Ye Chen that she didn't find anything in there.

"Yuechan, are you sure?" Asked Ye Chen to Chu Yuechan.

"I really believe." Chu Yuechan was very confident in herself.

If there were any precious objects in there, Chu Yuechan would definitely be able to sense them.

Ye Chen still believed the summons he felt before, because curious Ye Chen decided to dive deep into the pool and find out the source of the thing that had summoned him.

Ye Chen started to dive into the ice pool, the bottom of the ice pool was quite deep, at least the depth of this pool was more than 500 meters.

Ye Chen began to suspect how this Ice pool was formed in a place like this, even though the Frozen Ice Sect was on top of a mountain, theoretically the water would not be able to rise above the mountains like this.

Most likely this Ice Pool was formed by someone, Perhaps this is a relic from the previous Ancestor of the Frozen Ice Sect.

Ye Chen decided to dive even deeper.

"Master, why do you still insist on diving into here, I told you that there is nothing in here." Chu Yuechan was a little dissatisfied with Ye Chen.

Ye Chen paid no heed to Chu Yuechan's words, he continued to dive even further towards the bottom of this pool.

When Ye Chen dived 100 meters, the temperature around Ye Chen became colder, when Ye Chen reached 200 meters, the temperature was much colder.

After diving as deep as 300 meters the current temperature was too cold, even Ye Chen who had a high level of cultivation started to feel a chill stabbing inside his body.

"It's too cold in here." Ye Chen did not expect that the temperature under the pool water would be this cold.

Chu Yuechan also started to feel something very strange, how could the temperature under the pool be this cold, Chu Yuechan began to suspect that something was not right down there.

Ye Chen continued to dive deeper down, this time Ye Chen used his heavenly flames to warm himself.

The temperature at the very bottom was too cold, even Ye Chen's Heavenly Flame still struggled to endure the cold temperature in this place.

Ye Chen had dived nearly 1000 meters, and until now he had not seen the bottom of this pool.

Ye Chen has come this far, there is no way Ye Chen will return to the top, it's better for Ye Chen to continue the journey down there.

In this depth, Ye Chen felt that something that called him was very close, Ye Chen's feeling said that it was very close.

Ye Chen had to be strong, he had to fight the cold temperature down here.

Ye Chen dived further and further down here, it was very dark here, no light could enter here.

As the light around Ye Chen disappeared, Ye Chen saw a blue light shining far ahead.

From hundreds of meters away, Ye Chen could feel the familiar feeling of this mysterious blue light.

Ye Chen felt that this light was the source that had summoned Ye Chen.

Ye Chen started to wonder what this mysterious blue light was shining.

In order to ascertain what exactly this mysterious blue light was, Ye Chen began to dive deeper towards the mysterious blue light.

Little by little Ye Chen started to become close to the mysterious blue light.

**Chapter 366 - Sage God's Water Veins**

As Ye Chen drew closer to the mysterious blue light, he saw that this light was being emitted by a blue crystal.

When Ye Chen got very close to this crystal, the crystal suddenly started to vibrate and shot at a very high speed towards Ye Chen.

This blue crystal went directly into Ye Chen's body.

Ye Chen didn't know what was going on at all, when the blue crystal entered his body, Ye Chen only felt a very comfortable feeling.

he felt the blue crystal give him an extremely soothing feeling.

The blue crystal began to fuse with Ye Chen's Sage God Vein, one of the 7 Sage God's Veins that previously did not emit color, now became blue like water.

After the blue crystal completely fused with the Sage God's Veins, the temperature around Ye Chen was no longer as cold as before, now Ye Chen felt a comfortable feeling while in the cold water.

"Was it the water crystal left by the god of Sage? "Ye Chen doesn't believe that he will find the Sage God Water Crystal in this pool of water, Ye Chen is very fortunate to find the Sage God's Water Crystal.

"Master, what exactly happened before? "Chu Yuechan was confused by the incident just now, Chu Yuechan didn't know what blue crystal just entered Ye Chen's body.

Chu Yuechan really didn't know the blue crystal that entered Ye Chen's body, Chu Yuechan couldn't even identify the blue crystal just now.

"Earlier that was a water crystal left behind by Sage God, it is one of the legacies that the Sage God left to me, all the crystals represent the elements that Sage God has, if I can find all the crystals left by the Sage God then I will. obtained a complete inheritance. "Ye Chen told Chu Yuechan what just happened.

Chu Yuechan already knew that Ye Chen had an inheritance from the Sage God, so Ye Chen did not hide this matter from Chu Yuechan.

"So that crystal is part of the legacy of the immature Sage God? "Now that Chu Yuechan knows what blue crystal just now, it turns out that the blue crystal just now was the legacy left by the Sage God, it's no wonder Chu Yuechan didn't know the existence of the blue crystal just now.

"Yes, that was the legacy of the Sage God, now I can use the water element." Ye Chen is very happy, now Ye Chen can use the water element, and from now Ye Chen will not be affected by the opponent's Profound Ice element, this is amazing. .

There was little that made Ye Chen disappointed, after getting the Water Crystal, Ye Chen's cultivation base only rose a little, now that he is at the peak of the 7th stage, Ye Chen only needs a little more time to raise his cultivation base.

After obtaining the water crystal, which should have been the manual of the book left by the Sage God opened, Ye Chen wanted to know the ability of the Water Vein he had just acquired.

Ye Chen started looking for the Sage God manual he had in mind, Ye Chen began to look at the Manual that Sage God left behind.

Sure enough, after opening the Water Vein, now appears the Information belonging to the Water Vein in the manual left by the Sage God.

Ye Chen started reading the information about the Water Vein he just got.

It reads here: The Water Veins can render immunity from all types of deep attacks with the Water Release. author's notes (it includes the ice elements comrades)

Another special ability: if you open the Sage God's Water Veins, the user will receive an endless supply of profound energy, or infinity.

Author's note: you could say this is infinity Mana.

Ye Chen was quite surprised when he read the description of the power that could be obtained by opening the Water Veins, this was too great.

A cultivator's biggest weakness was running out of Profound Energy, if a cultivator had infinite profound energy, then it was certain he would not be defeated.

Ye Chen was quite happy with the new ability he had, who would not like to acquire such a great new ability.

Ye Chen continued the rest of the information from the Water Vein, the next part was written about the side effects of opening the Water Vein.

Here it is written that when opening the Sage God's Water Vein, mental thoughts will be overwhelmed from opening the Sage God's Water Vein.

If Ye Chen's mental mind was not strong, then Ye Chen could fall unconscious while Opening the Sage God's Water Veins.

The price to pay for using this technique was quite large as well, it meant that Ye Chen wouldn't be able to use the Water Veins continuously.

Ye Chen knew that in this world nothing was free, strong power always needed a price to use it.

So Ye Chen wasn't too disappointed about this.

Ye Chen has got what he was looking for, There is nothing Ye Chen can do in this place, now Ye Chen can rise to the surface.

Ye Chen dashed very quickly towards the surface, Ye Chen jumped from the ice water pool towards the mainland.

"Is that Ye Chen? "Someone called Ye Chen.

As Ye Chen walked out of the Ice Water pool, far away in front of him stood Mu Lanyin.

"Lanyin how come you are here? ", Ye Chen asked why Mu Lanyin is here.

"I'm here to discuss important matters with my master, what are you doing yourself at my master's place? ", Mu Lanyin asked Ye Chen again.

"I happened to be traveling, and suddenly got lost here." Ye Chen tried to find an excuse, he didn't want Mu Lanyin to know about the legacy of the Sage God.

"Lost, how can you get lost? , aren't you a great cultivator? "Mu Lanyin doesn't believe that Ye Chen can get lost, there must be something Ye Chen is hiding from her.

What Ye Chen was afraid of happened, Mu Lanyin began to be suspicious of him.

Ye Chen had to find a way to convince Mu Lanyin, Mu Lanyin should not know about the inheritance from his Sage God.

Ye Chen had promised Gu Xuan to keep the Sage God's legacy a secret from anyone, including his woman and Ye Chen's closest person.

If this was leaked to outsiders, the safety of Ye Chen's woman would be compromised.

"Hehehe, this is my first time here, so it's only natural that I get lost" Ye Chen scratched his head, he pretended to be stupid in front of Mu Lanyin.

Mu Lanyin was still a little suspicious of Ye Chen.

"Oh yeah, you said you wanted to talk about something with your master, then where is your master? ", Ye Chen immediately changed the subject.

Mu Lanyin just remembered that she came here to discuss something with Mu Nianci.

Mu Lanyin immediately searched for Mu Nianci's existence.

When going into this cave, Mu Lanyin would always ask Mu Nianci for permission first, but this time when Mu Lanyin asked Mu Nianci for permission, she didn't get an answer from Mu Nianci, this is not like usual.

Mu Lanyin repeatedly tried to ask Mu Nianci for permission, unfortunately Mu Nianci did not answer herself at all.

Feeling that something strange was happening, Mu Lanyin decided to go inside and confirm what happened to Mu Nianci.

When Mu Lanyin entered the cave, Ye Chen suddenly came out of the pool and made herself surprised.

Seeing a stranger coming out of the Ice water pool, Mu Lanyin was immediately alert.

After finding out that the person who just walked out was Ye Chen, Mu Lanyin let her guard down.

### **Chapter 367 - Mu Nianci Oddity**

At first Mu Lanyin wondered how Ye Chen came to be here.

With Mu Nianci's temperament, Mu Nianci should immediately attack and kill Ye Chen.

This is very strange for Mu Lanyin.

Return to the current time

Mu Lanyin searches for Mu Nianci's whereabouts, she finally finds Mu Nianci sleeping on a bed made of ice.

Seeing this, Mu Lanyin immediately went to the side of Mu Nianci, she wanted to see the state of Mu Nianci.

Mu Lanyin began to check on Mu Nianci's condition, after knowing that Mu Nianci was fine and only fainted, Mu Lanyin felt relieved.

Mu Lanyin immediately looked at Ye Chen. "Ye Chen, what have you done to my master?" Mu Lanyin immediately interrogated Ye Chen.

The suspicion she had turned out to be true, Mu Lanyin guessed that if this must be Ye Chen's doing, Ye Chen must be trying to hide this from herself.

"I'm just teasing her a little, there's nothing else." Previously, Ye Chen only teased Mu Nianci.

"Teasing? , hurry and explain in detail what you have done." Mu Lanyin wanted to know clearly what Ye Chen had done to Mu Nianci.

Ye Chen saw Mu Lanyin's extremely sharp eyes, these eyes made Ye Chen couldn't avoid it.

Ye Chen helplessly began to explain what he had done to Mu Nianci.

Mu Lanyin was a little dissatisfied with Ye Chen, how could Ye Chen peek at a woman taking a bath like this.

Mu Lanyin began to remember the time when she and the Four Frozen Fairies bathed in the lake water, at that time Ye Chen also peeked at herself taking a bath.

While remembering this, Mu Lanyin's face started to turn red. "Ye Chen, you are so perverted." Mu Lanyin said this while sniffing Ye Chen coldly.

"Dear Lanyin, this is not my fault, I happened to be passing by here, so this is purely an accident." Ye Chen tried to explain to Mu Lanyin who looked annoyed at him.

"If it was an accident, why don't you just leave here? Why are you teasing my master?" Mu Lanyin questioned Ye Chen again.

Ye Chen became dizzy, Mu Lanyin was a smart woman, it was quite difficult for Ye Chen to hide something from Mu Lanyin.

"Okay, okay I'll confess, I was blown away by the beauty of your master." Ye Chen finally told the truth.

"Humppp" Mu Lanyin coldly sniffed "finally you admit it too" finally Mu Lanyin got the answer he wanted.

"Well your master is quite beautiful, how can a normal man like me not be attracted to a woman as beautiful as this." Ye Chen looked at Mu Nianci who was sleeping on the ice bed.

At this time, Mu Nianci's clothes were still loose, Ye Chen could still see Mu Nianci's beautiful body.

"Big pervert, what are you looking at, quickly get out of here and come back to my room." Seeing Ye Chen's gaze on Mu Nianci's body, Mu Lanyin immediately scolded Ye Chen and told him to return to her room.

Ye Chen glanced at Mu Nianci's body one last time, after which he immediately turned around and left this cave.

Now only Mu Lanyin and Mu Nianci are left here.

"Geez" What Ye Chen just did did not escape Mu Lanyin's eyes, Mu Lanyin was a little annoyed by Ye Chen's behavior, unfortunately she could not be angry with Ye Chen, after all Ye Chen was her man.

Mu Lanyin took a new suit and put it on Mu Nianci's body, Mu Lanyin put it on slowly, she didn't want Mu Nianci to wake up and see this.

After finishing dressing Mu Nianci's new set of clothes, Mu Lanyin tried to wake Mu Nianci.

"Master. . ., master. . .," Mu Lanyin slightly shook the body of Mu Nianci who is currently fainting.

Due to being awakened by Mu Lanyin, Mu Nianci woke up from her sleep.

Mu Nianci immediately alerted Mu Lanyin who was in front of her.

Seeing Mu Nianci who was very alert, Mu Lanyin tried to calm her "Master, calm down, it's me Lanyin".

Mu Nianci immediately realized that this was Mu Lanyin, Mu Nianci felt confused and dizzy, as she remembered, there was a man who was harassing her, but why now that man was replaced by Mu Lanyin, what really happened to her.

Mu Nianci felt dizzy, she still couldn't think clearly, Mu Nianci was still confused about whether it was reality or just a dream.

Mu Nianci took a little longer to think about it, unfortunately she did not find an answer to this problem.

"Lanyin why are you here?" Finally, Mu Nianci asked why Mu Lanyin was here.

"I came here to talk about something with Master, unexpectedly when I came here Master fell asleep like this." Mu Lanyin had to lie to Mu Nianci, she had to hide what Ye Chen did to Mu Nianci.

Mu Lanyin couldn't possibly let Mu Nianci know that when she was taking a bath, she was snooped on by Ye Chen

"So it's like that" Mu Nianci was asleep, Mu Nianci began to think that what she had experienced earlier was a dream.

"Then what do you want to talk to me about?" Mu Nianci wants to know what Mu Lanyin wants to talk about with herself.

Mu Lanyin said the reason for seeing Mu Nianci, Mu Lanyin wanted to go to save the group of female disciples who were currently in trouble, when she left, Mu Lanyin wanted to leave everything here to Mu Nianci.

Mu Lanyin couldn't leave this matter to the Four Frozen Fairies. Currently, the Four Frozen Fairies still haven't fully recovered, they currently need a lot of rest to recuperate.

It was for this reason that he met Mu Nianci.

Mu Nianci started thinking "You don't need to go there, you just stay here, let me go there." Mu Nianci took the initiative to go save the group of female disciple who were in trouble.

Mu Nianci had been here too long, perhaps it was for this reason that she had such a shameless dream.

Mu Lanyin was a little surprised when she heard that Mu Nianci wanted to go to save the group of female disciples who were in trouble.

It's not like the usual Mu Nianci, the usual Mu Nianci definitely wouldn't want to leave this cave, but now she voluntarily left this cave.

Mu Lanyin began to wonder what Ye Chen had done with Mu Nianci, why Mu Nianci could turn out like this.

It is necessary to know that Mu Nianci has not come out of this cave for a long time, Mu Nianci has been in this cave for decades.

And today Mu Nianci decided to get out of this Cave.

"Tell me where they are currently?" Mu Nianci asked where the final location of the sect's girl group disciples who were in trouble.

"They are in the eastern part of the country, the exact location is in a small village." Mu Lanyin told the final location of the aid signal the sect received.

Mu Nianci nodded "Then I'll go there." Mu Nianci got down from the bed Ice.

When Mu Nianci got off the bed of ice, Mu Nianci's feet felt soft, Mu Nianci lost her balance and was about to fall.

Mu Lanyin who saw this immediately helped Mu Nianci up.

"Master, are you okay?" Mu Lanyin asked Mu Nianci.

"I'm fine" Mu Nianci told Mu Lanyin that she was fine.

after a while Mu Nianci was finally able to stand up normally.

### **Chapter 368 - Mu Lanyin's Bad Feeling**

"Okay, I'll go first." Mu Nianci will go to save the group of female disciples who are in trouble.

"Master, are you sure you are okay?" Mu Lanyin is still a little worried about Mu Nianci's condition.

"I told you that I'm fine, you don't need to worry about this." Mu Nianci told Mu Lanyin not to worry about her own situation.

After saying this, Mu Nianci left this cave, Mu Nianci flew towards the East.

Mu Lanyin could only see Mu Nianci's departure, she was still worried about Mu Nianci's situation.

"Looks like I have to ask my husband to secretly protect my master." Mu Lanyin will ask Ye Chen's help to protect Mu Nianci's safety.

Somehow Mu Lanyin felt a bad feeling about this.

It's not that Mu Lanyin underestimates the power possessed by Mu Nianci, but Mu Lanyin feels that something bad is going to happen, her intuition tells this.

Without delaying much more time, Mu Lanyin immediately went to her room, she had to meet Ye Chen and ask Ye Chen for help.

After being kicked out of the cave by Mu Lanyin, at this time Ye Chen went to sneak into Mu Lanyin's room.

Ye Chen immediately entered Mu Lanyin's room.

"Husband, you're back." When Ye Chen entered Mu Lanyin's room, he was immediately greeted by Qing Cheng, who is currently cultivating on the bed of ice.

Qing Cheng couldn't concentrate while she was here, The temperature here was not suitable for Qing Cheng to cultivate.

"I'm back." Ye Chen answered Qing Cheng's welcome.

Qing Cheng stood up from the bed of Ice, She immediately went in front of Ye Chen.

"Sniff. . . , sniff. . . " Qing Cheng sniffed the scent that was on Ye Chen's body.

" what are you doing ? ", Ye Chen asked what is Qing Cheng doing right now.

"Husband, I smell another woman's scent on your body, I firmly believe that this is not Sister Lanyin's scent." Qing Cheng smelled Mu Nianci's scent on Ye Chen's body.

Ye Chen didn't expect that Qing Cheng would find this out too easily.

"So who is the woman you just did? "Qing Cheng wants to know who the woman Ye Chen just did.

Even though Ye Chen had just left for less than an hour, it was unexpected that in these few minutes Ye Chen had done something with the woman in the Frozen Ice Sect.

"Hehehe, I'm just flirting a little with the master of Lanyin." Ye Chen didn't hide this from Qing Cheng.

Ye Chen didn't want to argue with Qing Cheng about this matter.

With Qing Cheng's temperament, Qing Cheng would definitely support Ye Chen's actions.

This woman will definitely support Ye Chen to do Dual Cultivation with all the women who are here.

"Geez, you didn't even let go of the master of the beautiful Lanyin sister, do you want to bring these two beauties onto the bed." Qing Cheng smiled at Ye Chen.

Of course, Qing Cheng knew who Mu Lanyin's master was, Qing Cheng had once met Mu Nianci.

At that time Qing Cheng was not yet a Sect master, she was still a great elder in her sect.

Qing Cheng knew that Mu Nianci was a very beautiful woman, even Mu Nianci's beauty was on par with Mu Lanyin.

With the beauty that Mu Nianci possesses, Ye Chen will definitely be attracted to Mu Nianci.

"Heheheh" Ye Chen was a little embarrassed, unexpectedly Qing Cheng could easily read the thoughts he had.

While Ye Chen and Qing Cheng were talking, the door behind them opened, Mu Lanyin finally returned to this room.

Mu Lanyin immediately looked at Ye Chen with a strange gaze.

"Lanyin, why are you looking at me like that." Ye Chen felt uncomfortable when Mu Lanyin looked at himself like this.

Ye Chen felt like Mu Lanyin saw himself as a criminal.

Qing Cheng giggled when she saw Mu Lanyin who saw Ye Chen as if he was looking at a criminal.

"Ye Chen, what have you done to my master, I'm sure you didn't just peek at her taking a shower, right?"

"Mu Lanyin brought up this issue again.

"Come on Lanyin dear, can we forget this, I was just joking with your master, so please forgive me." Ye Chen apologized to Mu Lanyin for what he had done.

Ye Chen knew that what he did before was wrong.

"Hemmp" Mu Lanyin sniffed cold again.

"Ye Chen, I have a request for you." Mu Lanyin wanted to ask Ye Chen for help.

"What is that?", Asked Ye Chen to Mu Lanyin.

"I want you to go follow and protect my Master, I feel something bad will happen to him." Mu Lanyin wanted Ye Chen to go and protect Mu Nianci's safety.

"Didn't your master possess such a strong cultivation, I'm not sure anyone could harm her." With the strength Mu Nianci possessed, she should be fine.

"I know that my master has strength that isn't weaker than mine, but I'm still worried about her." Mu Lanyin was still worried about Mu Nianci's departure.

Seeing this kind of Mu Lanyin, Ye Chen finally promised "it's okay I will go to protect him secretly".

"But before that I want a present." Ye Chen wanted a gift from Mu Lanyin.

"What gift?" Asked Mu Lanyin confusedly.

"I want a kiss of encouragement from you." Ye Chen chuckled at Mu Lanyin.

Hearing this, Mu Lanyin's face turned red, the longer Ye Chen became more and more brave with her.

Mu Lanyin has no choice.

Mu Lanyin didn't waste much time, she went in front of Ye Chen, Mu Lanyin stretched her hand towards Ye Chen's face.

Mu Lanyin grabbed Ye Chen's face using the two gentle hands she had, then Mu Lanyin started to bring her lips closer and started kissing Ye Chen.

This kiss is just an ordinary kiss.

After approximately 30 seconds, Mu Lanyin stopped kissing Ye Chen.

"Okay, I've done it, now you can go to escort my master." Mu Lanyin was a little embarrassed, she turned her face aside.

"With the kiss my wife just gave, I will definitely be very enthusiastic about doing this task." Ye Chen looks very excited.

"Wife, wait for me to come back." After saying goodbye, Ye Chen immediately left following Mu Nianci's departure.

Mu Lanyin saw Ye Chen's departure. "Geez, how could I fall for someone like this?" Mu Lanyin was so helpless how could she fall for Ye Chen.

Just now Ye Chen really looked like a very spoiled child.

"Giggle, sister Lanyin, don't you think that's what makes Ye Chen special." This was what Qing Cheng liked about Ye Chen.

Qing Cheng liked Ye Chen who would sometimes be very serious, sometimes naughty, sometimes perverted, and finally sometimes act spoiled like a child.

"Well, you may be right" what Qing Cheng said was true too, this trait made Mu Lanyin like Ye Chen.

one more thing, Ye Chen was the only person who could make herself comfortable like this.

Mu Lanyin's heart still had a bad feeling, somehow Mu Lanyin felt that something really big was going to happen.

Mu Lanyin hopes that everything will be fine, hopefully nothing bad will happen to this sect and the people she cares about.

### **Chapter 369 - Found The Frozen Ice Sect's Female Disciple**

Ye Chen immediately flew up to catch up with Mu Nianci.

In a moment, Ye Chen was able to catch up with Mu Nianci.

Ye Chen's flying speed was much faster than Mu Nianci's, so Ye Chen could catch up with Mu Nianci very easily.

Ye Chen tried to keep his distance from Mu Nianci, he didn't want Mu Nianci to find him, Ye Chen would secretly protect Mu Nianci, if nothing happened then Ye Chen wouldn't have to come out and help her.

Mu Nianci is currently wearing her veil back, so Mu Nianci's beautiful face is covered, even though she is covered, Mu Nianci still looks beautiful.

At this moment Mu Nianci flew out in a slight daze, She was still thinking about what Ye Chen did to her.

Somehow she kept thinking about this, Mu Nianci could no longer be as calm as before.

For the first time in this life, Mu Lanyin felt mixed feelings in her heart.

"Sigh." Mu Nianci sighed softly

Mu Nianci had already tried to get rid of all the memories she had previously shared with Ye Chen, somehow she still couldn't get rid of these memories.

Mu Nianci was very helpless, she decided to continue this journey, maybe in the journey she could forget about the things she had done together with Ye Chen.

Mu Nianci increased his flying speed, she immediately sped away towards the east.

Ye Chen who is currently behind Mu Nianci also slightly increases the speed he has, Ye Chen keeps his distance from Mu Nianci

The two of them flew towards the east.

After several hours, Mu Nianci arrived at the place Mu Lanyin told her.

Mu Nianci saw a small village that was still quite far behind in terms of technology.

This is where the help signal came from, so the female disciple group should be here.

Mu Nianci used her spirit mark to search for the existence of the female disciple group.

The Spirit Mark was proof someone was sect bound, this mark would make it easier for any sect disciple or elder to know each other's identities.

Spirit Marks can also be used to find out the whereabouts of fellow sect members as long as it is close.

Because of this, Mu Nianci used spirit marks to search for the existence of the female disciple group

Unfortunately Mu Nianci did not find the slightest existence of the female disciple groups around here.

"It's strange, have they gone far from here or something has happened to them" There were two possibilities that happened, first they weren't here, and secondly something bad had happened to them.

not finding any trace of the group of female disciples, Mu Nianci decided to search for them in the usual way.

Mu Nianci came down to this village, she had to find out the information from the female disciple group.

Mu Nianci tried to ask one of the villagers who was passing near her.

Mu Nianci had been out of touch with the outside world for a long time, so she felt a little strange when she met other people.

"I want to ask you something, did a few days ago a group of young girls wearing veils came to this place?", Mu Nianci asked one of the women she met.

The woman Mu Nianci met did not immediately answer Mu Nianci's question, she looked at Mu Nianci from top to bottom.

After seeing Mu Nianci, this woman immediately pointed towards a mountain not far from here.

After giving Mu Nianci a hint, this woman walked away leaving Mu Nianci.

From start to finish, that woman didn't say a word to Mu Nianci.

Mu Nianci felt a little strange about this, this woman didn't answer any questions from her, she just pointed towards the mountains not far from here.

It really seems quite strange, whether the people here are mute or can't speak.

Mu Nianci didn't really think about this, her purpose in coming here was to save the female disciple group who were in trouble.

As for the weirdness of the people here, that was none of the business for Mu Nianci, after all Mu Nianci also didn't know about the habits of the people who lived in this village.

Mu Nianci did not immediately go to the mountains, she first looked for traces of female disciples around this village.

Mu Nianci started looking from one house to another House, unfortunately Mu Nianci could not find anything in this village.

Looks like the girl group didn't come to this village.

Not finding a trace of the female disciple group, Mu Nianci decided to look for them on the mountain that the woman pointed at.

Mu Nianci immediately headed for the mountain not far from here.

When Mu Nianci left, everyone in the village looked strange, the eyes of the people in this village turned red like blood, they now looked like zombies.

Everyone in the village also immediately headed to the mountain not far from this village.

After arriving near the mountain, Mu Nianci found a cave mouth that was quite large.

This cave is the only place that is likely to be the most suspicious of all.

Mu Nianci decided to enter this cave, maybe there was a clue about the girl group inside.

When Mu Nianci entered the cave, she smelled a very thick scent of blood. Her guess was that it seemed like something was hidden in this cave.

Mu Nianci moved forward, it was very dark in front of her, Mu Nianci had a hard time seeing what was ahead.

Mu Nianci took out a stone from the storage ring,

When this stone was flowed by Mu Nianci's profound energy, it glowed a very bright blue.

Now that Mu Nianci could see more clearly within this cave, Mu Nianci began to look around this place.

Mu Nianci walked further into the cave, Mu Nianci smelled the bad smell even more.

A few meters in front of herself, Mu Nianci saw an Array made by someone.

This array had the function of giving illusions to everyone who saw it, most likely something was hidden within this array.

Mu Nianci's suspicion became even stronger, without thinking Mu Nianci immediately destroyed the Array in front of her.

Mu Nianci used ice flowers to destroy this Array.

"Crack. . . . ."After receiving Mu Nianci's attack, the Array in front of her started to collapse.

After the array collapsed, what was inside was terrifying, within Array there were countless corpses lying on the ground, these corpses were already rotting and emitting a very unpleasant smell.

Looks like someone deliberately allowed these corpses to rot.

This is so terrible, Mu Nianci wants to know who the person who has done such a cruel thing.

Mu Nianci looked around, she was looking for the existence of the female disciple group.

After looking around this place, Mu Nianci saw that there were several people tied up on the cave walls, these people were tied using an iron chain that had been strengthened by someone.

Mu Nianci finally found four women in white clothes belonging to the Frozen Ice Sect.

These four women could be confirmed as the group of female disciples sending signals to the sect.

Mu Nianci saw that, The four of them were in a very bad condition, their bodies were covered with extremely heavy wounds.

Seeing this wound, it was certain that the four female disciple had just been tortured by someone.

Mu Nianci wanted to know who was the one who dared to do this.

### **Chapter 370 - Insect Gu**

Mu Nianci approached the female disciples who was being bound by a chain, Mu Nianci waved her two fingers.

"Clankkk. . ."All the chains that bound the girls from the Frozen Ice Sect were cut by Mu Nianci.

The four female disciples immediately fell to the ground.

Before the four of them fell to the ground, Mu Nianci used her profound energy to hold the bodies of the four female disciples from falling to the ground.

Mu Nianci slowly lowered them on the ground that looked clean of dirt.

Mu Nianci approached the four female disciples who were currently lying on the ground, she wanted to check the situation of the four of them.

When Mu Nianci approached and wanted to check the condition of one of the female disciples, suddenly the female disciples who were on the floor woke up, she threw something similar to powder to Mu Nianci.

Mu Nianci stepped back a little, she immediately saw that the female disciples in front of her were very alert to her.

"Calm down, I also come from the Frozen Ice Sect." Mu Nianci tried to calm the female disciples in front of her.

Mu Nianci even showed her spirit mark to female disciples to convince her that Mu Nianci was also from the Frozen Ice Sect.

It had been a long time since Mu Nianci had come out of the Cave where she had cultivated, it wasn't strange that the female Disciples of the sect didn't know her or even knew about her.

Maybe only Mu Lanyin and the Four Frozen Fairies knew about Mu Nianci's existence.

The female disciple in front of Mu Nianci still looked very wary, the eyes of this female disciple turned red like blood.

After seeing the eyes of this female disciple, Mu Nianci felt that something was wrong.

"Applause, Applause, Applause," someone suddenly clapped.

"Wow. . , wow. . , wow. . , Look who comes into this trap. "A young woman came from nowhere and said to Mu Nianci.

From the appearance this woman had, it could be seen that this woman came from an evil sect.

" Who are you ? , what have you done to the four female disciples from my sect? ", Mu Nianci immediately asked who this woman was in front of her.

"Hahahaha, Mu Nianci. You may not know me, but I know you." This woman laughed quite creepily.

Mu Nianci raised her eyebrows, how did this woman know about her, even though she had not left the sect for a long time, except for old old people, only a few people knew about her.

Mu Nianci started to be wary, Mu Nianci felt that a woman's strength was no weaker than hers.

"You must be wondering who I am right? , let me introduce myself to you, my name is Gu Nifei I am a disciples of Gu Luze or you may know my teacher better by the nickname of the man-eater. "This woman introduced herself to Mu Nianci.

Mu Nianci began to remember who Gu Nifei was talking about, after a while Mu Nianci finally remembered who Gu Luze was.

Gu Luze was an evil cultivator who had killed countless innocent people in the past.

Mu Nianci remembered that in the past she had killed Gu Luze, Gu Luze was an insect controller Gu, in the past Gu Luze killed a lot of humans to make food by her Pet Gu insects.

Gu Luze was a very dangerous evil cultivator, in the past he killed all her enemies using her Gu insect.

The Gu insect is an insect species that is very dangerous and difficult to overcome, this insect can kill its target from inside the body, if it gets into a person's body it will be difficult to remove it.

If it was true that this woman was a disciple of Mu Luze, then this woman was truly extremely dangerous.

Mu Nianci had to be careful with Gu Nifei who was in front of her.

"My little girl, come here" Gu Nifei called out to the girl next to her.

These female disciples obeyed Gu Nifei's orders, she went towards Gu Nifei and knelt in front of this evil woman.

"My very nice little girl." Gu Nifei touched the face of the female student.

Mu Nianci saw that if the female students obeyed Gu Nifei's orders, Gu Nifei seemed to be able to control the female disciples according to her wishes.

"How much have you done to my sect members?" Mu Nianci again asked what Gu Nifei was doing to the innocent female disciples, why could the female disciples obey Gu Nifei's words.

Has Gu Nifei brainwashed the female disciples like this?

"Hahaha, you don't need to put on a face like that, soon you'll also become my loyal doll, I can't wait to play with you." Gu Nifei wants to make Mu Nianci a doll that he can control at will.

"Dream, soon I will eradicate you from this world." Mu Nianci must eliminate this evil woman, if this woman continues to live, there will be more people who will become victims of this woman.

"Hahahaha, are you sure about that, you better see what's around you" Gu Nifei laughed at Mu Nianci.

"Squeak. . ., squeaked. . ., squeaked. . ., squeaked. . ., squeaked. . .," Suddenly heard the sound of insects squeaking.

As Mu Nianci looked around, he saw countless Gu insects coming out of the corpses that were here.

The number of Gu insects that came out of the corpse was immense, at least tens of thousands of them.

Tens of thousands of Gu insects immediately surrounded Mu Nianci, Mu Nianci was surrounded by thousands of disgusting Gu insects.

If at this time Mu Nianci's position was replaced by an ordinary woman, then they would definitely faint when they saw the tens of thousands of these disgusting insects.

Just looking at it can make people amused.

"Tap. . ., tap. . ., tap. . ." From outside the cave heard hundreds of footsteps leading into here.

The sound of footsteps drew closer, were hundreds of people standing behind the Gu insect.

These people were the villagers that Mu Nianci had just met, the eyes of the villagers were also red, meaning that they were all controlled by Gu Nifei.

"So you used the villagers to lure outsiders to this place." Mu Nianci had guessed what happened.

Gu Nifei uses the villagers to lure outsiders to come here and make food for her Gu insects.

What Gu Nifei did was really very cruel.

"Hahahaha, these people are just useless people, they deserve to be the food of my Gu insect." Gu Nifei laughed evilly.

"You are very much like your Master, you two are both cruel and heartless killers." Mu Nianci saw that Gu Nifei was a cruel killer, she killed thousands of innocent people just to feed her Gu insects.

Mu Nianci really has to get rid of this evil woman.

Mu Nianci had already used her profound energy, a powerful ice aura began to envelop Mu Nianci's body.

As the ice aura left Mu Nianci's body, the temperature in this place dropped drastically and became extremely cold.

The ground that Mu Nianci stepped on began to turn into ice, the ice quickly spread out in all directions.

This ice instantly covered Insect Gu and the villagers near her.

In a few seconds everything around Mu Nianci turned into ice.
