

A True God 431

### Chapter 431 - Cao Zin Arrival

"He is Ye Chen, Ye Chen is a very good musical instrument player, his playing can be said to be the greatest in this country." Su Yuya introduced Ye Chen to her female friends who were next to her.

"Is it true? , is he better than Mr. Ji who is the best musical instrument player in the country?" Su Yuya's female friends are starting to be more curious about Ye Chen's abilities.

Su Yuya nodded at her female friends.

"Teacher Ji Himself even praised Ye Chen's great ability," said Su Yuya to her female friends.

"Wow, that's really amazing, then how do you know that Mr. Ji praised Ye Chen?", One of the women asked Su Yuya.

"You, did you forget that our Yuya is one of Mr. Ji's disciples" another woman reminded the woman who asked Su Yuya.

"Oh yeah, I almost forgot, aren't our Yuya also Tuan Ji's students?" Su Yuya's female friend just remembered that Su Yuya was Mr. Ji's student who was the best musical instrument player in this country.

Su Yuya smiled at her female friends, they still looked the same as before.

Ye Chen is currently just silent, at this time Ye Chen doesn't know the names of the three women Su Yuya is talking to.

Seeing this, Su Yuya finally realized that she had not introduced her female friends to Ye Chen.

"Ye Chen, introduce these are my friends, their names are Qi Ling, Yu Lie and Lu Mue." Su Yuya started to introduce her female friends one by one to Ye Chen.

Ye Chen smiled gently at the women that Su Yuya introduced.

"Hello my name is Ye Chen, nice to meet you" Ye introduced himself to Qi Ling, Yu Lie and Lu Mue.

"Wow, Very handsome." Qi Ling, Yu Lie and Lu Mue simultaneously praised Ye Chen's good looks.

The three of them have never met a man as handsome as Ye Chen, even male artists on television cannot be compared with the good looks possessed by Ye Chen.

"Hey Ye Chen, how old are you right now." Qi Ling was the first woman to ask Ye Chen.

What Qi Ling asked was Ye Chen's current age, she was very curious how old Ye Chen was right now.

"I am 19 years old." Ye Chen shared his age.

"Wow, you're still very young, never thought that our Yuya would like young grass like you." Yu Lie tried to tease Su Yuya.

Hearing this, Su Yuya's face started to turn red.

"What are you saying, me and Ye Chen are only close acquaintances, we don't have a relationship like that." Su Yuya tried to refute Yu Lie's words who were teasing her.

Su Yuya didn't have a relationship with Ye Chen at all, Ye Chen currently had two women who were prettier than herself, so it was impossible for Ye Chen to be attracted to an old woman like her.

When Su Yuya remembered about Ye Chen's woman, she just remembered that she still had a mistake she made during Feng Luo's grandfather's birthday.

It seemed that later Su Yuya would have to find time to apologize for the misunderstanding he had done at that time.

"Giggled." Qi Ling, Yu Lie and Lu Mue laughed when they saw Su Yuya who dodged Yu Lie's words.

"Yuya just now I was just teasing you, why are you taking it so seriously like that, is it true that you have a relationship with Ye Chen ?, hehehehe" Yu Lie laughed at Su Yuya.

"Seriously, you never change even after years of not meeting, you still tease me like this." Su Yuya looked dissatisfied at being teased by Yu Lie.

Yu Lie smiled at Su Yuya, it was quite fun for Yu Lie to tease Su Yuya.

"But I have to admit that this younger brother is quite handsome, if only I wasn't married I might be attracted to him too." Lu Mue suddenly said what was on her mind to Su Yuya.

Among Qi Ling, Yu Lie and Lu Mue. Lu Mue is the most mature woman and very brave in matters like this.

Ye Chen only smiled at Qi Ling, Yu Lie and Lu Mue who were teasing Su Yuya and himself.

"You three please stop teasing Ye Chen and me." Su Yuya asked Qi Ling, Yu Lie and Lu Mue to stop teasing herself and Ye Chen.

"Okay. . . , Okay. . ." Qi Ling, Yu Lie and Lu Mue were giggling again at Su Yuya.

Su Yuya looked happy when she met her old friends, the three of them could make herself laugh.

"Oh yeah, Yuya why did you come together with Ye Chen, where is that man? Are you guys no longer together now?" Qi Ling suddenly asked Su Yuya about someone.

Su Yuya's mood immediately turned sad when Qi Ling asked Su Yuya about someone.

"He is currently in an important task, so he won't be able to come back for the next few years." Su Yuya told Qi Ling that the person he was questioning hadn't returned, he was currently still in an important task.

"I see." Qi Ling nodded at Su Yuya.

Seeing that the mood in Su Yuya's heart changed when she asked about that person, Qi Ling decided not to continue this conversation.

The atmosphere between Qi Ling, Yu Lie, Lu Mue, and Su Yuya became a little awkwardness, they were all currently silent and did not have a conversation like before.

On the other side, Ye Chen was a little curious about what Qi Ling was asking, he wanted to know who the man Qi Ling was asking Su Yuya about.

Judging from the change in Su Yuya's mood, this man should be very important to Su Yuya.

"Oh yeah, why hasn't this event started?" To overcome the awkwardness, Su Yuya decided to start a conversation.

"We are currently waiting for someone before starting this event." Qi Ling told Su Yuya that they were all waiting for someone very important.

This person was also the one who took the initiative to hold the Reunion and booked a room at this luxurious restaurant.

"Who are you talking about?" Su Yuya asked Qi Ling.

"Do you really not know who the person I mean?" Qi Ling asked Su Yuya.

Su Yuya shook her head, she had absolutely no idea who the person Qi Ling was referring to.

"The person I'm talking about is Cao Zin, wasn't he one of your pursuers back in school?" Qi Ling told Su Yuya who she was talking about.

Su Yuya now remembered the name Cao Zin, in the past he was one of his most annoying pursuers.

"I heard that now he is a manager in a large company in the capital with a salary of hundreds of thousands of dollars per year." Yu Lie told Su Yuya that now Cao Zin has become a very successful person.

"I'm quite jealous of him who can have such a huge salary." Lu Mue was a little jealous when she heard of the salary Cao Zin had.

Hundreds of thousands of dollars per year is a lot of money, even Lu Mue, who currently owns a boutique clothing store, can only earn tens of thousands of dollars annually.

This is very far from the salary that Cao Zin has.

When Qi Ling, Yu Lie, Lu Mue, Su Yuya were talking about Cao Zin.

The door to this room suddenly opened again, a man in a suit came into this room.

This man was around 35 years old, this man was Cao Zin who was being talked about by the women by Ye Chen's side.

### **Chapter 432 - Cao Zin Rejected**

When Cao Zin came, everyone immediately welcomed his arrival with a warm smile.

The people here greet Cao Zin quite enthusiastically, however Cao Zin is the one who has paid for dinner at this fine dining restaurant for all of them, so it's natural that they should respect Cao Zin.

Cao Zin ignores the welcome from the people who are here, he is currently looking straight at Su Yuya who tonight looks very beautiful and Sexy.

Cao Zin has not seen Su Yuya for a long time, not to be expected that Su Yuya still looks as beautiful as when she was at school.

Cao Zin did not waste the time he had, he immediately rushed to the side of Su Yuya.

"Yuya's classmates, may I sit next to you" Cao Zin asked permission to sit next to Su Yuya.

Cao Zin is eager to talk to a beautiful Milf like Su Yuya, tonight Cao Zin is very eager to spend the night with a beautiful Milf like Su Yuya.

Cao Zin is very confident in himself, currently a manager at a sizeable company in the capital with an annual salary that reaches hundreds of thousands of dollars.

Certainly with the career he has, he can easily get the woman he wants.

Su Yuya looks not too satisfied when she sees the arrival of Cao Zin to her side, this man is still the same as he used to, he always sticks tightly to her side which makes Su Yuya feel irritated.

"sorry the seats around me are full, you can find another seat" Su Yuya immediately refused Cao Zin.

She told Cao Zin to find another seat in the room immediately.

Cao Zin's face darkened when he saw that he was still rejected by Su Yuya, Su Yuya still looks the same as she used to.

Even after having such a brilliant career, Su Yuya still rejects himself.

There is a bit of dissatisfaction in Cao Zin's heart when rejected by Su Yuya.

Despite being rejected directly by Su Yuya, Cao Zin remains Cao Zin, he will never give up on getting the adoration of his heart that he has long wanted.

"Hey you, get up from your chair, now this chair is mine" Cao Zin suddenly expelled Ye Chen who is currently sitting next to Su Yuya.

Ye Chen is currently waiting for dinner to begin, not to be expected that anyone will suddenly come and kick himself out of his seat at this time.

"There are many seats here, you can find another seat in this place" Ye Chen told Cao Zin to go find another seat in this place.

Cao Zin became enraged when Ye Chen dared to reject him who wanted the seat held by Ye Chen.

"How dare you reject me, do you know who I am?, I'm the one who has booked this expensive room, so I have the right to do whatever I want in this room" Cao Zin yelled at Ye Chen, he told Ye Chen that he was the one who had booked and paid for this room.

So Cao Zin has the right to have a seat seated by Ye Chen.

Ye Chen raised his eyebrows slightly when he saw Cao Zin acting very arrogantly and boasting of his rich self.

Su Yuya on Ye Chen's side was also dissatisfied with the behavior exhibited by Cao Zin.

Whereas Su Yuya invited Ye Chen to dinner with herself in a fancy place like this, it is not thought that this will be messed up by Cao Zin.

If Su Yuya knew that the person who organized this event was Cao Zin, then Su Yuya would not come to this place and choose to take Ye Chen to another place.

Unfortunately it's too late for Su Yuya to realize, she's currently in a room controlled by Cao Zin.

"what else are you waiting for, get out of that seat" Cao Zin told Ye Chen to leave the seat immediately.

Ye Chen better relent for now, this is an event that is being held by Su Yuya's friends, so Ye Chen does not want to mess up this event because of people like Cao Zin.

He rises from his current seat and looks for a new seat.

"Ye Chen wait a minute, Let me come with you." Su Yuya decided to follow Ye Chen looking for a new seat.

Su Yuya felt bad when Ye Chen was treated like this by Cao Zin.

Cao Zin's face turns dark when he sees Su Yuya also moving out of her current seat.

The reason Cao Zin expelled Ye Chen was because he wanted to sit next to Su Yuya, not to be expected that Su Yuya would move along with Ye Chen to another seat in the room.

"Giggling" Qi Ling, Yu Lie and Lu Mue were a little giggling when they saw Cao Zin being constantly rejected by Su Yuya.

Cao Zin's current expression is so unsightly, he looks like he's just been told to eat a Dirt.

In order not to lose face in front of his old friends, Cao Zin decided to sit in the chair previously seated by Ye Chen.

Ye Chen and Su Yuya search for an empty seat, after they find an empty seat, they both sit in that seat.

"Ye Chen forgives for the rudeness committed by Cao Zin" Su Yuya apologized to Ye Chen for what has been done by Cao Zin.

"You don't have to apologize to me, it's not your fault" Ye Chen said to Su Yuya.

Su Yuya smiled softly at Ye Chen. "Oh yes Ye Chen, I'd like to apologize to you about the problem at that time" Su Yuya would like to apologize about the trouble she caused while at Feng Luo's grandfather's birthday party.

"what a problem?" asked Ye Chen with a little confused.

"It's . . ., it's about the misunderstanding I caused when I was at Feng Luo's grandfather's birthday party" Su Yuya told Ye Chen about the problems she caused while at Feng Luo's grandfather's birthday party.

"oh about that problem?, you don't have to apologize anymore, I've solved the problem with Xia Qingyu, I'm quite grateful to you, because you're the one I can be honest and explain everything to Xia Qingyu" Ye Chen is not at all angry with Su Yuya.

Ye Chen was even very grateful to Su Yuya, thanks to Su Yuya, his relationship with Xia Qingyu became even closer.

Su Yuya was pleased to hear that Ye Chen was not angry with her.

"oh yes Ye Chen, if you're with Xia Qingyu, then what about Zhao Yanyan?" Su Yuya wants to know what happened to Zhao Yanyan.

"Zhao Yanyan and I still remain together, so does Xia Qingyu" Ye Chen tells Su Yuya of the relationship he has.

Su Yuya's mouth was so wide open that it formed the letter O, Su Yuya was pleasantly surprised to hear this from Ye Chen.

It is not thought that Ye Chen was in a relationship with two beautiful women such as Zhao Yanyan and Xia Qingyu at the same time.

This is something Su Yuya had never thought of before, Su Yuya thought Ye Chen and Zhao Yanyan had separated and Ye Chen had found a new woman as his bride.

### **Chapter 433 - Inappropriate Treatment Of Restaurant Waiters**

"Ye Chen, I didn't expect that other than being good at playing an instrument, you're also very good at making two beautiful women fall in love with you at the same time" Su Yuya told Ye Chen.

Ye Chen does not know if the words that have just come out of Su Yuya's lips want to insinuate him or are praising him.

"Hehehe, you may as well be careful of me, lest you also fall in love with me" Ye Chen wants to tease Su Yuya a little.

Su Yuya smiled at Ye Chen "I've become an old lady, you can't possibly be attracted to an old lady like me" Su Yuya told Ye Chen.

"I don't think you're old at all, you still look so beautiful right now, if someone doesn't know your real age, they'll probably think you're 25 years old" Ye Chen praised the adult beauty possessed by Su Yuya.

Su Yuya does not look like an old woman at all, Su Yuya's face and skin are still very smooth at all, there is not a hint of wrinkles seen on Su Yuya's face.

Su Yuya's face still looks like a 25-year-old woman with a very well developed body.

Su Yuya's face was slightly flushed when she heard the compliment coming out of Ye Chen's mouth.

Su Yuya does not believe that a young man like Ye Chen will praise her nearly 35-year-old self.

Somehow Su Yuya was very happy when she was praised by Ye Chen.

"You have a very slippery mouth, it's fitting that Zhao Yanyan and Xia Qingyu can be deceived by you" Su Yuya laughs to Ye Chen.

"hehehe" Ye Chen also laughed, both currently look very happy.

What Ye Chen and Su Yuya are doing this time is not to escape Cao Zin's eye scrutiny.

Cao Zin was furious when he learned that Ye Chen and Su Yuya were currently flirting with each other and laughing together.

If there was no one else in this room, Cao Zin would have approached Ye Chen and expelled him from being close to Su Yuya.

Unfortunately Cao Zin can't do that for now, Cao Zin is starting to think, he's currently looking for a way to deal with Ye Chen.

After thinking for a while, Cao Zin finally has a way to deal with Ye Chen.

Cao Zin will humiliate Ye Chen in front of Su Yuya and the people in this place, Cao Zin knows what he has to do for it.

Cao Zin called one of the waiters who had been provided in this room.

Cao Zin whispers something to the waiter, when Cao Zin whispers something to the servant next to him, Cao Zin pointing his finger to point at Ye Chen who is currently having a conversation with Su Yuya.

The waiter nodded at Cao Zin.

Cao Zin nodded contentedly to the waiter next to him, he gave a \$500 to the waiter he told.

The waiter who received 500 bucks looks very happy, the waiter will definitely do what Cao Zin told you to do.

After getting an order from Cao Zin, this waiter immediately came out of the room used for the Reunion event.

"applause" Cao Zin suddenly clapped to make the people who were doing the talk to shut up

Hearing the applause from Cao Zin, everyone immediately stopped talking to each other.

"My friends have not met and gathered like this for a long time, today I gather you all here to relive the past that we have" Cao Zin began speaking in front of everyone who was here.

Everyone started listening to the rant that Cao Zin is currently saying.

Ye Chen himself can't wait to try the food served by this restaurant.

From morning Ye Chen hasn't eaten anything yet, so he's a little hungry.

Finally after a long time, Cao Zin finally finished his speech.

"then let's just start the Dinner" Cao Zin immediately started this dinner.

"applause . . . , applause . . . Applause..." the people who are here are starting to applaud Cao Zin.

These people can't wait to taste what the food is like in an expensive restaurant like this.

Some of the waiters of this restaurant come into the room, they bring some dishes on top of which there is food that looks very delicious, all the dishes brought by the waiter have the same stuffing on it.

the waiters began handing out plates on which there was food to everyone in the room.

After the waiters at this restaurant distributed the food evenly, everyone started to eat the food that was in front of them.

Ye Chen looked at the plate in front of him, on the plate in front of Ye Chen there was only a prayer and tomatoes.

Ye Chen began to compare the food on his plate with those around here.

Obviously what Ye Chen got is very different from the people who are here.

"hey you, are you sure you didn't give me the wrong plate?" Ye Chen asked the waiter behind him.

"sorry sir, it looks like we're running out of the same food stock for you, so we can only give you food like that" the waiter in the back tells Ye Chen that the food in the order is up, so Ye Chen gets nothing.

"then why don't you give me another food ?" ye chen said to the waiter behind him.

"Sorry, the food ordered by Mr. Cao Zin is just this, so we can't give you any other food menu other than the same one we gave to the guests who are here" the waiter told Ye Chen that he could not get any other food in this restaurant.

Ye Chen raised his eyebrows, how could a restaurant of this size run out of food like this.

"looks like there's one guy who doesn't get food here" Cao Zin said to Ye Chen.

After Cao Zin spoke to Ye Chen, everyone immediately stared at Ye Chen, as they looked up at Ye Chen's plate, they all laughed out loud.

In this room all that doesn't laugh is Qi Ling, Yu Lie and Lu Mue.

Qi Ling, Yu Lie and Lu Mue were sorry when they saw what was on Ye Chen's plate.

What's on Ye Chen's plate is just a prayer and tomatoes, this is a long way off when compared to the food in front of each one.

Su Yuya sees that Ye Chen is getting a very inappropriate treatment once, how can a large restaurant like this serve a prayer and tomatoes to their customers.

Ye Chen looks at Cao Zin, it looks like what's going on with him right now is planned by Cao Zin.

"Ye Chen, how about you just take my food" Su Yuya gave Ye Chen the food ration she had

Su Yuya was really bad when she saw Ye Chen who only got a prayer and tomatoes.

Whereas Su Yuya was the one who invited Ye Chen to come here, it is not thought that Ye Chen would receive this kind of treatment.

"it's not necessary, I can order my own food" Ye Chen told Su Yuya.

Hearing this, Su Yuya's heart felt sad, it seems that at this time Ye Chen is really angry.

**Chapter 434 - I Want To Rent My Own Room**

Ye Chen is not angry with Su Yuya, Ye Chen is currently angry at Cao Zin and the people who are currently laughing at him.

Previously Ye Chen did not fight because he was very reluctant to old friends of Su Yuya.

But now that he sees for himself the behavior of these people, Ye Chen becomes aware that these people are not as good as he initially thought.

"hey you, I want to order my own food, quickly get me get menu" Ye Chen yelled at the waiter behind him to give him the menu that was in this restaurant.

"Sir if you want to order a meal, then you have to rent a room in advance" The waiter behind Ye Chen tells Ye Chen to rent a room if you want to order food.

In view of what this waiter is doing, this waiter seems to want to make things difficult for Ye Chen.

"then I'll rent a room" Ye Chen now has a lot of money, so it's not hard for Ye Chen to rent a room in this restaurant.

"sorry this time the room is already full of messages by others, so I can't do that for you" the waiter again made things difficult for Ye Chen.

The waiter smirked at Ye Chen who was acting like a rich man in front of himself, seeing Ye Chen's very ordinary clothes, the waiter made sure that Ye Chen was just an ordinary person who wasn't rich at all.

"hahaha, you want to rent a room here?, do you have money in your body" Cao Zin insults Ye Chen, Cao Zin doesn't even hesitate to say that Ye Chen looks poor.

From Ye Chen's current clothes that look very ordinary, Cao Zin can make sure that Ye Chen is just an ordinary person who doesn't have too much money.

There is no way that people who have a regular appearance like Ye Chen can rent a private room in this restaurant.

This is why Cao Zin dared to humiliate Ye Chen in front of the people who were here.

People here started laughing at Ye Chen ,most of these people thought Ye Chen was very young and too stupid.

The price to rent a room in this restaurant is not cheap, the price can reach thousands of dollars , even the food sold in this restaurant is very expensive once the value.

Most of the people who attend this reunion event may not even be able to pay for the food they are currently eating.

For these people, the food they are eating is very expensive and very tasty.

Food like This can cost them the savings they have collected painstakingly.

That's why when Ye Chen said he wanted to rent a room and order a meal, these guys thought of Ye Chen as an idiot who didn't know anything.

Ye Chen raised his eyebrows, at this time he looks very dissatisfied with the waiter behind him, this waiter really dares to underestimate him.

If Ye Chen wants this right now he can buy this restaurant with the money he has.

Actually Ye Chen doesn't really like to show off the wealth he has, but since Cao Zin touches his lower limit, then Ye Chen will show who he really is.

"Hurry up call your manager, I want to talk and complain to him" Ye Chen wants to talk to the manager of this restaurant.

"Our manager can't be bothered by someone like you" The waiter behind Ye Chen tells us that their manager can't be bothered at this time.

"I don't care, just call your manager here" Ye Chen said to the waiter in a fairly high note.

Ye Chen has lost the patience he has, this waiter really annoyed him

"don't you hear what he's saying? , quickly call your manager here, otherwise I'll call the owner of this restaurant" Su Yuya took the initiative to help Ye Chen.

Su Yuya is unlikely to stay when she sees the treatment received by Ye Chen.

Su Yuya happened to be a little acquainted with the owner of this luxury restaurant, Su Yuya had met the owner of this restaurant several times.

While being threatened by Su Yuya, the waiter who were behind started to get scared.

If it was true that Su Yuya found out about the big boss who owned this restaurant, then the job he currently had would be over.

He looked at Cao Zin who was far ahead of him, he tried to ask Cao Zin for help.

Cao Zin shook his head at the waiter behind Ye Chen, he told the waiter not to be afraid of the threat from Su Yuya.

Seeing Cao Zin supporting himself, he gained her confidence again.

"Miss, if you really want to call our big boss then do it." The waiter at the back seemed to be challenging Su Yuya.

He couldn't believe that Su Yuya had the contact information of their Big Boss.

"Okay, you asked me to do it." Su Yuya took out her cell phone that was in her bag, she started looking for contact information of this restaurant owner.

After finding the contact information she was looking for, Su Yuya immediately made a call.

A while later the other party received a call from Su Yuya.

Su Yuya started talking to the other party who was on the other side of the phone, she informed the other party about what was going on in this Room Number five.

After 1 minute of making a call with the boss of this restaurant owner, Su Yuya ended the call.

"Ye Chen, the manager will come here soon." Su Yuya told Ye Chen that the manager of this restaurant would come here soon.

Ye Chen nodded at Su Yuya, he was quite happy with what Su Yuya was doing.

The waiter behind Ye Chen only sneered at what Su Yuya was doing, according to him what Su Yuya was doing right now was just boasting.

When he saw Su Yuya continue to help Ye Chen, Cao Zin felt even more furious with Ye Chen, he currently wanted to beat Ye Chen up.

A few moments later the door to this room was opened by someone, a middle-aged man entered this room.

When the middle aged man entered this room, the waiter standing behind Ye Chen started breaking out in cold sweat.

"Where is the man named Ye Chen." The middle aged man asked about Ye Chen.

"Here." Ye Chen raised his hand.

The middle-aged man looked at Ye Chen who was lifting his hand, after that he went towards Ye Chen.

"I heard you wanted to make a complaint?" The middle aged man asked Ye Chen.

"Yes, I want to complain about the services that are here." Ye Chen wanted to complain about the services that are here.

"What's wrong with our service?" The middle-aged man asked Ye Chen about the service problem in this restaurant.

"My manager can explain it for you." The waiter behind Ye Chen immediately tried to talk to the middle-aged man who had just arrived.

"Shut up, I'm not talking to you." The manager snapped at the waiter behind Ye Chen,

The waiter behind Ye Chen immediately fell silent and lowered his head.

"Please explain in more detail to me." The manager asked Ye Chen to explain what happened in detail.

Ye Chen began to explain what happened to this restaurant manager.

Hearing this, the face of the restaurant manager turned unsightly.

He did not think that if something like this could happen, how could a classy restaurant waiter dare to treat guests like this.

It's really not very worthy of being hired as a waiter in this fancy restaurant.

"Hey you, hurry up and tell me what's going on, how can you treat guests in this way" the manager immediately asked the waiter who was standing behind Ye Chen.

"Me. . . , me. . . , me. . . ," The waiter standing behind Ye Chen was confused enough to explain everything to his superior.

There was no way he would tell if he was bribed by Cao Zin, that his work would end here.

"Manager, actually I don't want to do something like this, I was forced by the person who rented this room to do this kind of thing, he is the one who pays for all the food here, so I just obey what he says. the issue of responsibility to Cao Zin.

Cao Zin's face turned dark as the maid told everything to Su Yuya and the people who were here.

His reputation could be tarnished because of something like this.

hearing this, everyone started whispering to each other, they were currently talking about Cao Zin.

"You despicable waiter, how dare you accuse me of such a thing" Cao Zin tried to defend himself.

He wouldn't let his reputation take a turn for the worse in front of his old friends.

"Cao Zin, just admit what you've done and apologize to Ye Chen." Su Yuya asked Cao Zin to confess his actions and apologize to Ye Chen.

"Classmate Yuya, I really don't do anything like that, believe me." Cao Zin tried to convince Su Yuya.

"I don't believe you." Su Yuya couldn't believe the words that came out of Cao Zin, she trusted the words that came out of the waiter behind her right now.

Ye Chen saw the debate that was going on here, if this was continued then there would be no end, Ye Chen had to end it all.

"I want a room, can you give me a room" Ye Chen asked the Manager who was nearby.

#### **Chapter 435 - Ye Chen Showed His Wealth**

"At this time all the rooms on this floor have been ordered by other people, only Vip's room is still left." The manager told Ye Chen that all the rooms were full for the next few days. right now only Vip's room is left in this restaurant.

"Then I'll just take Vip's room." Ye Chen decided to take Vip's room.

Everyone was shocked when they found out that Ye Chen wanted to take the room, everyone in this room began to wonder if this young man in front of them was so rich that they wanted to rent a room for Vip.

"Please pay first for the cost of renting the room" the manager told Ye Chen to pay in advance so that everyone can walk easily.

This manager looked even better than the restaurant waiter that Ye Chen had previously spoken to.

The middle-aged man had been working in this fancy restaurant for quite a long time, so he knew very well that sometimes rich people came here wearing ordinary clothes.

So he should not judge someone by their outward appearance alone, it could be that an ordinary looking person has an enormous amount of wealth.

"Do you accept card payments here?" Ye Chen asked the manager of this restaurant.

"Of course, we accept all the cards that come from all over the world." The manager answered Ye Chen's question.

"Good, here's my card, as well as I want to order all the best food in this restaurant" Ye Chen gave his card to the manager of this restaurant.

"OK" The restaurant manager received a card from Ye Chen, he immediately swiped Ye Chen's card to pay for the usual room rent and food that Ye Chen ordered.

When the restaurant manager swiped Ye Chen's card, he was quite surprised by the large number of nominal numbers on Ye Chen's card.

The restaurant manager did not believe the many nominal numbers on this young man's card.

The amount on Ye Chen's card is "5.1 billion \$"

The restaurant manager started rubbing his eyes, he thought that there might be something wrong with the vision he had.

after he rubbed his eyes repeatedly, the nominal numbers he saw remained the same as before.

The restaurant manager started trembling when he learned this, he did not think that this man was so rich, that he had \$ 5.1 billion in his card.

The restaurant manager started to sweat when he looked at Ye Chen, fortunately he didn't offend Ye Chen before, if not possible now he would be very sorry.

"What's wrong, is there less money in there?" Ye Chen asked the restaurant manager.

"No ..., no ..., this is enough." The restaurant manager immediately answered Ye Chen.

The attitude that the manager showed to Ye Chen now looked even more respectful.

The manager started to treat Ye Chen like a very important honored guest.

The restaurant manager started to complete the payment that Ye Chen wanted.

After finishing the payment, the restaurant manager returned the Card back to Ye Chen.

"Sir, everything has been paid, please come with me to Vip's room." The restaurant manager himself will escort Ye Chen to Vip's room upstairs.

This includes a form of respect for this restaurant customer.

Everyone's jaw almost fell on the table when they saw that Ye Chen could pay for a Vip class room, they couldn't believe that the young man who looked so ordinary was so rich that he could afford to rent Vip's room.

The people who previously laughed at Ye Chen felt embarrassed, they all did not expect that the person they laughed at was richer than they are currently.

"Su Yuya, let's move to Vip's room." Ye Chen asked Su Yuya to go to Vip's room.

"okay." Su Yuya nodded at Ye Chen, she decided to follow the decision made by Ye Chen.

"Do you three want to come too?" Ye Chen invited Qi Ling, Yu Lie and Lu Mue to go to the Vip Room together with himself and Su Yuya.

"yes we will." Qi Ling, Yu Lie and Lu Mue simultaneously answered Ye Chen.

These three women were very excited when they found out that Ye Chen was taking them to Vip's room which is upstairs.

the three of them hurriedly got up from their seats, the three of them followed Ye Chen and Su Yuya to the upper floor where the Vip Room was.

apart from these three women, Ye Chen did not invite the other people in this room to go with him at all.

Ye Chen couldn't possibly invite people who had previously laughed at him.

Ye Chen together with the four women and the restaurant manager left this room.

Before leaving this room, the restaurant manager told the waiter who had previously been looking for trouble with Ye Chen to leave this restaurant immediately and never come back here again, that meant this waiter was fired on the spot by the restaurant manager.

Everyone in this room could only see the departure of Ye Chen, Su Yuya and Qi Ling, Yu Lie and Lu Mue.

Some of these people regretted laughing at Ye Chen, if only they were like Qi Ling, Yu Lie and Lu Mue who didn't laugh at Ye Chen, maybe now they could enjoy a Vip Room in this restaurant.

rice has become porridge, what has happened now cannot be repeated, they all can only accept this regret.

all of them could only continue to eat the food that was on the plate in front of them.

while for Cao Zin, right now he was feeling very embarrassed, the person he should have humiliated turned around to humiliate himself in front of everyone in this place.

Cao Zin had no face in front of everyone present in this place, he had just made a joke of himself for everyone in this room.

Cao Zin doesn't have the mod anymore to eat the food in front of him.

"Hey you, this is all your fault, it's because of you that I lost the job I have." The waiter who was fired by the restaurant manager came to Cao Zin..

This waiter looked very annoyed at Cao Zin who was sitting in front of him.

The waiter who had previously been looking for trouble with Ye Chen was very sorry, just because of Cao Zin's 500 \$, he had to lose a job that meant a lot to himself.

"How dare you shout at me, don't you know who you are talking to?" Cao Zin is currently in a pretty bad mood.

This person's shouting made Cao Zin's mood even worse than before.

The waiter felt very angry, he immediately rushed towards Cao Zin, this waiter knocked Cao Zin out of his chair and started to beat Cao Zin.

Cao Zin wasn't good at fighting someone at all, as a result he was beaten up by the maids without putting up a fight.

The battle between Cao Zin and the waiter made the tables and chairs around here become very chaotic, the food and drinks on the table scattered everywhere.

The people who were here began to summon the security guards outside the room to stop the battle between Cao Zin and the waiter

The situation in this room became very chaotic after Ye Chen left this room.

### **Chapter 436 - Su Yuya Was Drunk**

Ye Chen had already left the room, so he didn't know what was currently happening in the room he had previously left.

Ye Chen is currently together with Su Yuya, Qi Ling, Yu Lie and Lu Mue.

Qi Ling, Yu Lie and Lu Mue were very happy when Ye Chen invited them to go to Vip's room.

the three of them did not expect that Ye Chen would become a handsome young man who was very rich.

The three of them were grateful that they previously supported Ye Chen, otherwise they would not currently be invited to dinner by Ye Chen in Vip's room.

The restaurant manager took Ye Chen to the top floor, when everyone arrived upstairs, they were greeted by several waiters who looked very handsome and beautiful.

on the floor there was a red carpet which was beautifully decorated.

The interior on Vip's floor is also very nice, Ye Chen and all the women feel that they are currently being welcomed as a noble family.

Ye Chen, Su Yuya, Qi Ling, Yu Lie and Lu Mue were guided by the restaurant manager to a door, some of which were decorated with gold.

"This master is your room, we will immediately send it to this room, please wait and enjoy our service," the restaurant manager told Ye Chen that this was his room.

After guiding Ye Chen to Vip's room, the hotel manager went downstairs, he had to make sure that Ye Chen and these women had the most satisfying service so they could feel at home here.

"let's go inside" Ye Chen invited all the women to enter Vip's room.

Su Yuya, Qi Ling, Yu Lie and Lu Mue nodded at Ye Chen, they all followed Ye Chen into Vip's room.

Ye Chen opened the door which was decorated with gold, after he opened the door, Ye Chen saw that in Vip's room it was very luxury and very classy, here there were various kinds of facilities they got.

"sir and Miss , please sit in your seats, we have prepared chairs for you." Several Waitress who had been prepared in this room welcomed the arrival of Ye Chen's group.

The Waitress guided Ye Chen's group to go to the chairs that had been prepared in this room.

The chairs in Vip's room are very soft and very comfortable to sit on, this is indeed worth the money that Ye Chen has spent.

Ye Chen, Su Yuya, Qi Ling, Yu Lie and Lu Mue, followed the Waitress to the chairs that had been prepared in this room.

The Waitress prepared the chairs for Ye Chen, Su Yuya, Qi Ling, Yu Lie and Lu Mue to sit.

Everything Ye Chen, Su Yuya, Qi Ling, Yu Lie and Lu Mue wanted to do was served by these Waitress who were here.

"Sir and Miss, do you want a massage while waiting for your meal to come?" One of the Waitress offered Ye Chen, Su Yuya, Qi Ling, Yu Lie and Lu Mue a massage.

"Of course, please do" Ye Chen of course will not refuse what is offered, he has already paid, of course he must take advantage of all the benefits given to customers who rent this VIP room.

The Waitress nodded at Ye Chen, they started giving Ye Chen, Su Yuya, Qi Ling, Yu Lie and Lu Mue a massage.

the Waitress here are quite skilled and skilled in performing massage for Ye Chen, Su Yuya, Qi Ling, Yu Lie and Lu Mue.

Ye Chen and the women enjoyed the servants given by the Waitress in Vip's room.

time passed so fast, Ye Chen and the ladies enjoyed the massages that were given by the Waitress who were here.

without them knowing it, food had started to be delivered to the table, in a very short time, the table in front of Ye Chen was filled with a lot of food that looked very, very delicious.

Su Yuya, Qi Ling, Yu Lie and Lu Mue saw all the delicious food on the table, they didn't expect that Ye Chen would order this much.

The amount of food that Ye Chen ordered was enormous, how would they all use up this much food.

Besides serving food to the table, several Waitress poured the best wine into the glasses in front of Ye Chen and the women who were next to Ye Chen.

the Waitress were very careful in pouring the aggur, the female servants took care that this expensive wine did not spill at all.

"Let's toast" Ye Chen took the glass that had been poured wine, Ye Chen then invited Su Yuya, Qi Ling, Yu Lie and Lu Mue to toast.

Su Yuya, Qi Ling, Yu Lie and Lu Mue also raised their wine glasses, they toasted together with Ye Chen.

After toasting and drinking the wine in the glass, Ye Chen, Su Yuya, Qi Ling, Yu Lie and Lu Mue started to eat the food on the table, everyone seemed to be enjoying the food on the table.

Ye Chen himself ate a lot of food on the table, he looked very greedy in eating the food on the table.

Su Yuya, Qi Ling, Yu Lie and Lu Mue were shocked at how Ye Chen ate, the four of them did not expect that Ye Chen could eat that much..

Su Yuya, Qi Ling, Yu Lie and Lu Mue could only smile when they saw the way Ye Chen ate, to them Ye Chen's way of eating looked funny.

the Waitress who were here continued to serve Ye Chen, Su Yuya, Qi Ling, Yu Lie and Lu Mue who were eating.

a few hours later the food on the table was only half, Ye Chen had finished almost half of the food on the table.

Ye Chen is currently very miserable, he is unable to finish the food on the table, there is too much food on the table for Ye Chen.

Su Yuya, Qi Ling, Yu Lie and Lu Mue only ate a little, the four of them preferred the wine that was served here.

The taste of this wine was so delicious, Su Yuya, Qi Ling, Yu Lie and Lu Mue started to get drunk from drinking too much wine.

"uh my head is dizzy, looks like I drank too much" Su Yuya complained that her head was a little dizzy.

Su Yuya drank so much wine that she started getting a little drunk.

On the other side, the state of Qi Ling, Yu Lie and Lu Mue was far worse than Su Yuya, the three of them were completely drunk, the three of them leaned their heads on the table, the three of them were already unable to lift their heads off the table.

" Are you okay ?" Ye Chen asked Su Yuya's situation.

"I'm fine, Ye Chen, can you take me home?" Su Yuya wanted Ye Chen to deliver herself back to her house.

Su Yuya was afraid something like that would happen if she came home alone, so she asked Ye Chen to deliver herself to home.

"Alright." Ye Chen helped Su Yuya who was beside to stand up.

Su Yuya clung to Ye Chen tightly, she was currently very weak, so she needed Ye Chen's help to walk.

"You all please take care of the three of them." Ye Chen ordered the Waitress who were here to take care of Qi Ling, Yu Lie and Lu Mue.

"okay." The Waitresst who was here nodded at Ye Chen.

Ye Chen nodded, after that Ye Chen took Su Yuya away from Vip's room and went downstairs.

## Chapter 437 - Su Yuya Crying

Ye Chen took Su Yuya downstairs, Su Yuya looked very troubled while walking, if at this time there was no Ye Chen helping her, maybe Su Yuya had already fallen to the floor.

Ye Chen kept Su Yuya from falling to the floor, on the way downstairs, Ye Chen met several times with people who wanted to eat at this restaurant.

Ye Chen and Su Yuya happened to run into two people who were lovers.

"Hey dear, what are we going to eat tonight?" a pretty young woman asked her partner who was next to her.

This young woman is quite beautiful, her beauty is only slightly inferior when compared to the beauty belonging to Su Yuya who is beside Ye Chen.

This young woman's partner looked a little older than this young woman, from the looks of it this man was 37 ~ 40 years old.

"We will eat the best food in this city, I guarantee you will be satisfied eating in this restaurant" this man promised the young woman who was beside him.

When Su Yuya heard the voice of the man she had just passed by with Ye Chen, Su Yuya regained consciousness from her hangover.

Su Yuya immediately turned around and looked at the pair he had just passed by. Su Yuya looked at the two people who were currently flirting with each other.

Su Yuya's eyes widened when he saw the back belonging to the man they had just passed, Su Yuya hurriedly pushed Ye Chen away from him.

He then ran towards the couple he had just passed with Ye Chen.

Ye Chen was quite surprised by what Su Yuya was doing, he did not expect that Su Yuya would suddenly push himself like this.

"Hey, Su Yuya, where are you going?" Ye Chen hurriedly pursued Su Yuya, who was currently running towards the couple they had just passed.

The current Su Yuya didn't listen to Ye Chen's screams at all, she was currently rushing towards the man in front of her.

"Ji Weng, is that you?" Su Yuya shouted at the man in front of her.

The man Ye Chen had just passed immediately turned around, he was now looking at Su Yuya who was in front of him.

When Su Yuya saw the face of this man, Su Yuya looked very happy, it turned out that this man was really Ji Weng who had disappeared from her life for more than 9 years.

This man named Ji Weng, he is Su Yuya's past lover, 9 years ago Ji Weng went to undergo a special military training to become a soldier.

"Ji Weng, where have you been, you know I've been waiting for you for a long time." Su Yuya wanted to hug Ji Weng in front of her.

When Su Yuya wanted to hug Ji Weng, Ji Weng who was in front of Su Yuya stopped Su Yuya from hugging him.

Su Yuya was very surprised when she saw Ji Weng rejecting her, Su Yuya wanted to know why Ji Weng rejected her at this time.

"Husband, who is this beautiful woman, is she an acquaintance of yours?" The young woman beside Ji Weng asked if Ji Weng knew Su Yuya.

"Wife, I don't know who this woman is, it looks like this woman is drunk and wrong to recognize people." Ji Weng tried to explain to the young woman beside him.

Su Yuya's heart shattered to pieces when she heard that Ji Weng didn't know her.

Su Yuya, was very surprised when Ji Weng called the woman beside him as wife, is it possible that Ji Weng has married this young woman? .

"Ji Weng, I am Su Yuya, have you forgotten me?" Su Yuya, who was about to cry, shouted at Ji Weng.

Su Yuya was very- very sad when she saw Ji Weng forget about herself, even though for 9 years Su Yuya had been waiting for Ji Weng's return.

In the past, Su Yuya herself was the one who escorted Ji Weng to the enlistment place to become a soldier.

When Ji Weng went to become a soldier, he had promised Su Yuya that when he came back he would marry Su Yuya.

During these 9 years Su Yuya continued to wait for Ji Weng's return to herself, during these 9 years Su Yuya continued to be alone, she even rejected every application she received from her many suitors because she was waiting for Ji Weng's return.

"Hey drunken woman, didn't you listen to what my husband just said? He said he didn't know you, so go right now" The young woman who was Ji Weng's wife kicked Su Yuya away.

"Shut up I'm not talking to you, I have personal business with this man, do you know this man has a promise that hasn't been kept with me?" Su Yuya snapped at the young woman who was beside Ji Weng.

Su Yuya was eager to know the reason Ji Weng did this to her.

"hey Ji Weng, why are you doing this to me, 9 years ago didn't you promise to come back and marry me?" Su Yuya asked Ji Weng who was in front of her.

"Whenever I talked like that, I don't remember promising something like that to you." Ji Weng tried to dodge the promise he had made.

Su Yuya completely cried when she heard this, she did not expect that the man she had been waiting for would say something like this.

"Ji Weng you bastard, how could you do something like this to me" Su Yuya was currently crying even harder.

hearing this, the young woman beside Ji Weng started to raise her eyebrows.

"Husband, what does this woman mean, did you have a lover with this woman, didn't you say that you had never had an intimate relationship with a woman?" The young woman began to question Ji Weng.

seeing this young woman angry with him, Ji Weng immediately tried to explain to this young woman.

"It's true that my wife used to have a relationship with this old woman, but it's just a normal relationship, when we were in a relationship, I never had any intimate relationship with her, you are the first woman in my life" Ji Weng tried to explain to the young woman who was beside him.

With a little seduction from Ji Weng, the young woman finally calmed down a little.

"That's good, if you dare to play behind me, I will make my father fire you from your current position." This young woman threatened to fire Ji Weng if he dared to cheat behind her back.

The young woman looked at Su Yuya who was crying, this young woman did not look sorry for Su Yuya who was currently crying.

"let's go to the room we have rented." The young woman invited Ji Weng to go to the room they both rented earlier

Ji Weng nodded to the young woman beside him, he walked away leaving Su Yuya who was already shedding many tears.

"Hey you, wait a minute" Ye Chen stopped Ji Weng who wanted to leave this place.

Ji Weng and the young woman immediately stopped when Ye Chen called the two of them.

### **Chapter 438 - A Woman Broken Heart (1)**

"What's wrong huh? , Why did you stop us?" Ji Weng asked Ye Chen.

Ji Weng wanted to know what kind of business Ye Chen wanted to stop him.

"Aren't you ashamed of yourself for making a kindhearted woman like Su Yuya cry like this? ", Said Ye Chen to Ji Weng.

From earlier Ye Chen had listened to what happened between Su Yuya and this man, it was not denied that Su Yuya had a complicated relationship with this man.

Moreover, Ye Chen was very sorry for Su Yuya, Su Yuya had been waiting for the arrival of the man who had promised to marry her for 9 years, it was unexpected that all the promises made by Ji Weng were just false promises.

"So what? Is it a problem for you?" Ji Weng didn't like it when Ye Chen wanted to interfere with his business.

"Of course it's a problem for me, I don't like the way you treat Su Yuya." Ye Chen didn't like the way Ji Weng treated Su Yuya.

Su Yuya is a kind woman, how can she be treated like this by a man like Ji Weng.

"Hahaha, why if I treat him like that, I have the right to do whatever I want" Ji Weng said to Ye Chen.

"Hasn't he been waiting for you for a long time, how can you talk to a woman who has been waiting for you for a long time," said Ye Chen back to Ji Weng.

"This woman alone is stupid for waiting for me, I was never serious when I made a promise that time" Ji Weng very easily replied to Ye Chen's words.

Ji Weng did not seem to regret what he had done so far.

Ye Chen clasped his fist, he was eager to hit a man like Ji Weng.

Su Yuya, who heard this, was very angry in her heart, the 9 years that she had passed all this time felt like a waste, the person she was so late with turned out to not care about her at all.

Su Yuya felt that being a stupid woman, she wasted the 9 years of her youth she had waiting for a man like Ji Weng who had even forgotten her for a long time.

Su Yuya started to stop crying, she wiped away the tears she had, Su Yuya had already decided she would end things here.

"Ye Chen, stop it, I don't want you to be dragged into my troubles, let me solve this problem with him." Su Yuya stopped Ye Chen, Su Yuya didn't want to bother Ye Chen anymore.

Ye Chen looked at Su Yuya, "Are you sure?" Ye Chen asked Su Yuya.

"Yes, I am very sure, let me end everything I have started" Su Yuya said to Ye Chen.

Ye Chen nodded at Su Yuya, he would let Su Yuya do whatever she wanted.

Su Yuya went to the front of Ji Weng, she was currently standing right in front of Ji Weng.

"Ji Weng so you've been giving me a false hope all this time?" Su Yuya asked Ji Weng.

"Yes, that's right." Ji Weng answered Su Yuya's question, Ji Weng looked like he didn't have the slightest regret for Su Yuya.

"Tell me, what lack of me until you prefer this woman over me?" Su Yuya wants to know why Ji Weng prefers the young woman beside him to her.

"Do you really want to know the answer?" Ji Weng said to Su Yuya.

"Yes, I want to know." Su Yuya wanted to know the reason.

"It's because you've become an old woman who is no longer worthy of being." Ji Weng said what was the reason he preferred the young woman beside him to Su Yuya.

Ji Weng doesn't like a beautiful Milf like Su Yuya, the reason is very simple, in a few years maybe Su Yuya will experience aging, so Su Yuya will look no longer beautiful and unpleasant to look at.

Ji Weng hated seeing a woman who had gotten old like that, so he preferred the young woman beside him.

One more thing that Ji Weng didn't tell Su Yuya, was the background of the young woman beside him.

The young woman beside Ji Weng had a pretty strong military family background, Ji Weng was willing to leave Su Yuya because of this kind of thing.

"Pahhhhh! !! Su Yuya slapped Ji Weng's face very hard.

She was pouring out all her emotions at this slap.

"Husband, are you okay?" The young woman who was beside Ji Weng immediately asked where Ji Weng was.

Ji Weng touched his face which was just slapped by Su Yuya, Ji Weng did not think that Su Yuya dared to slap him.

"You bitch, how dare you slap me, I'll repay you, feel this" Ji Weng was very angry with Su Yuya who dared to slap him, Ji Weng raised one of his hands, he prepared to slap Su Yuya who was in front of him.

Su Yuya could only close her eyes when she saw Ji Weng raise his hand and prepare to slap her.

Ji Weng did not hold back the strength he had at all, he intended to slap Su Yuya with the full power he had.

If Su Yuya was hit by the slap that Ji Weng was about to do, Su Yuya's face would be badly injured.

Ji Weng's palm drew closer to Su Yuya's face, this palm almost hit Su Yuya's beautiful face.

A few milliseconds before Ji Weng's palm slapped Su Yuya's face, Ye Chen had already stopped Ji Weng's wrist.

Ye Chen gripped Ji Weng's wrist very firmly.

"Ah. . . , let go of my hand, it hurts so much. "Ji Weng roared in pain, Ye Chen's grip was too strong, he felt that his wrist was almost crushed because of Ye Chen's grip.

Ye Chen did not let go of Ji Weng's grip at all, Ye Chen even strengthened his grip on Ji Weng's wrist.

"Ye Chen please stop this, I don't want you to get into trouble because of me." Su Yuya tried to stop Ye Chen who looked like he wanted to hurt Ji Weng.

"You don't need to worry, I won't get into trouble because of trivial things like this." Ye Chen told Su Yuya not to worry about himself.

"Hey you, hurry and take your hands off my husband, if not I will tell my father who is an officer in the military, he will definitely make you regret being born in this world". The young woman beside Ji Weng also told Ye Chen to remove his hand from Ji Weng's wrist.

This young woman also didn't hesitate to threaten Ye Chen.

Ye Chen paid no attention to the babbling of the young woman beside Ji Weng.

"Cracked. . . , Cracked. . . , Cracked. . . , "Suddenly there was a sound of cracking bones.

Ye Chen completely crushed Ji Weng's wrist.

"Ahhh, my hand, it hurts. . . ", Ji Weng immediately fell to the floor, he is currently curled up on the floor holding his wrist which was crushed by Ye Chen.

Ji Weng even cried because of the pain he was currently feeling.

Su Yuya was shocked when she saw Ye Chen crush Ji Weng's wrist, she did not expect to believe Ye Chen would do something like this for herself.

Su Yuya felt a hint of sweetness in her heart, when she saw what Ye Chen was doing for her.

### **Chapter 439 - A Woman Broken Heart (2)**

Ji Weng continued to scream in pain as he cried while enduring the pain caused by Ye Chen's crushed wrist.

"Dear husband, what happened to you, quickly tell me." The young woman beside Ji Weng was very worried about Ji Weng's current state.

"My wrist was crushed, that person crushed my wrist" Ji Weng told the young woman who was beside him that his arm was crushed by Ye Chen.

The young woman immediately looked at Ye Chen, she looked very angry at Ye Chen who had crushed Ji Weng's wrist.

"How dare you crush my husband's wrist, my father is an officer in the military, he definitely won't let you go easily." This young woman threatened to take revenge on Ye Chen who had dared to hurt Ji Weng.

"I'm not afraid at all of the threats you say, be it soldiers or whatever, if it makes me angry then I'll get rid of them." Ye Chen gave a stern warning to this young woman in front of him.

Ye Chen was not afraid of the threat from the young woman in front of him, as long as anyone dared to disturb him then Ye Chen would definitely fight them.

Ye Chen's principle is very simple, if there are parties who dare to disturb his calm then Ye Chen will definitely fight them.

"Ye Chen please, don't waste your time and energy talking to a woman like her, let's just leave here." Su Yuya said to Ye Chen.

Su Yuya didn't want Ye Chen to waste time serving a woman like this.

A woman like this only dared to use her background to bully a weak person like them.

"Well if that's what you want, let's get away from this place." Ye Chen nodded at Su Yuya, he and Su Yuya finally walked away leaving Ji Weng and the young woman.

"Heti wait I haven't finished talking to you, how dare you go like that" the young woman shouted at Ye Chen and Su Yuya who walked away leaving this place.

Ye Chen and Su Yuya completely ignored the words that came out of the young woman's mouth, the two of them continued to walk away leaving this luxurious restaurant.

The young woman was very angry when she was ignored like this by Ye Chen and Su Yuya.

from childhood to growing up like now, she had never been treated like this by anyone else.

Ye Chen and Su Yuya were the first to treat young women in this manner.

"Ahh. . , it hurts, help me, hurry up and call an ambulance here. "Ji Weng kept screaming in pain, he couldn't stand the pain he was feeling right now.

The young woman came back to Ji Weng's side, she tried to help Ji Weng who was currently looking so badly hurt.

Ye Chen and Su Yuya had arrived at the very bottom floor of this hotel, both of them were currently leaving the luxury restaurant.

A while after the two of them left the hotel, suddenly Su Yuya squatted on the ground.

Su Yuya lowered her face, Su Yuya started to cry again.

" Are you okay ? ",Ye Chen asked Su Yuya's state.

Su Yuya did not answer Ye Chen's question , she was currently too sad because she had just broken heart.

Ye Chen understood what Su Yuya was feeling right now, Su Yuya just had a broken heart, of course she still couldn't accept what happened to her.

According Ye Chen, Su Yuya is a woman who is quite strong, just imagine, Su Yuya has accepted injustice for almost 9 years.

If this was replaced by another woman, they would cry all day long or faint on the spot.

No normal woman wanted to be in Su Yuya's position at this time, the 9 years of extremely long waiting ended in bitterness.

"Don't be sad like that, there's no point in you being sad because of a guy like him, you still have a lot of things to do, I'm sure in the future everything will be better." Ye Chen tried to comfort Su Yuya so she wouldn't be sad anymore.

Su Yuya was a little happy when Ye Chen comforted herself, this was something that Su Yuya needed, namely someone who was willing to comfort herself in times of sadness like this.

Ye Chen's words gave Su Yuya encouragement not to cry over someone like Ji Weng.

Su Yuya raised her head, she started to wipe the tears on her cheeks again.

"Ye Chen, you are absolutely right, there is no point in crying over a man like that, I still have time to improve the life I have, I must not be dissolved in sadness like this." Because of the words and motivation given by Ye Chen, Su Yuya regained the spirit she had.

"Very good, I'm sure you can do it" Ye Chen believes that Su Yuya can do it.

Su Yuya smiled at Ye Chen.

"Thank you very much for all the things you have done, I am very indebted to you." Su Yuya thanked Ye Chen for providing motivation for her.

"You're welcome." Ye Chen smiled gently at Su Yuya.

Seeing Ye Chen's smile, Su Yuya's face suddenly turned slightly red, Su Yuya's heart also suddenly beat very fast. somehow according to Su Yuya, Ye Chen is now very handsome for herself.

"What happened to me, why when I saw Ye Chen my heart suddenly beat very fast" Su Yuya said in her heart.

"Why did your face suddenly turn red, do you not feel well?" Ye Chen asked Su Yuya.

"Ahem, Ye Chen I'm okay, I'll go home now, see you later" Su Yuya decided to go back to her house, if he kept staring at Ye Chen she felt that she would really fall on Ye Chen .

As Su Yuya took a step forward, she felt that her feet were extremely soft.

Su Yuya felt that she couldn't walk like a normal person.

Su Yuya looks difficult to walk, if Su Yuya can't walk then how can she return to her house.

When he saw Su Yuya who seemed to have difficulty walking, Ye Chen suddenly squatted in front of Su Yuya

"Come on, let me carry you, I'll take you home" Ye Chen told Su Yuya to get on his back.

Su Yuya was very embarrassed when Ye Chen offered something like this to herself.

"What are you waiting for, come on, hurry up, it's getting late." Ye Chen told Su Yuya to get on his back.

Somehow Su Yuya felt that she couldn't resist Ye Chen's good intentions, The charm of Ye Chen made it difficult for Su Yuya to refuse what Ye Chen wanted.

Su Yuya started to climb onto Ye Chen's back, Su Yuya's two hands rested on Ye Chen's shoulders.

After Su Yuya climbed onto his back, the crouched Ye Chen started to stand up, Ye Chen used his hands to support Su Yuya's smooth thighs.

Su Yuya felt Ye Chen's hand which was currently supporting her thigh, Milf woman Su Yuya felt embarrassed when Ye Chen touched her thigh.

This was Su Yuya's first time doing something like this with the opposite sex, according to Su Yuya this was a bit embarrassing.

Su Yuya could only bury her face in Ye Chen's back which was very sturdy and wide.

Su Yuya felt that a man's back was very wide and very strong, she felt a comfortable feeling when he leaned on Ye Chen's back.

#### **Chapter 440 - Spent Night With Su Yuya ( 1 )**

"Oh, by the way, where is your house?" Ye Chen doesn't know where Su Yuya lives.

"You just go ahead, my place is only a few tens of blocks from here" Su Yuya told Ye Chen where she lived.

Su Yuya's residence was not too far from this restaurant, that was why Su Yuya had previously walked away when she went to this restaurant.

"OK, I understand." Ye Chen nodded at Su Yuya, he started walking while carrying Su Yuya.

Currently Su Yuya continued to bury her face on Ye Chen's back, Ye Chen's back gave her a very comfortable and safe feeling.

"Hey Ye Chen, may I ask you something." Suddenly Su Yuya wanted to ask Ye Chen something.

"What do you want to ask me?" Ye Chen said to Su Yuya.

" that . . , why did you want to help me deal with Ji Weng before, even though you had nothing to do with my problem? ", Su Yuya asked why Ye Chen was helping herself when she was dealing with Ji Weng.

"Why do you ask that? , shouldn't I help a kindhearted woman like you who is in trouble like that earlier "said Ye Chen to Su Yuya.

"How do you know that I am a kind-hearted woman, we only met a few times, so you shouldn't know anything about my true nature," said Su Yuya to Ye Chen.

"Maybe you're right if we just met a few times, but I feel you are a kind and very beautiful woman." Ye Chen is good at judging someone, so he is very sure that Su Yuya is a very kind woman.

hearing Ye Chen's words, Su Yuya's face turned red, she was a little embarrassed and happy when Ye Chen praised herself as kind and beautiful.

This felt very pleasant for Su Yuya, Su Yuya's heart felt very sweet when she heard the words spoken by Ye Chen.

"I am now an old woman, in a few years I will lose the beauty that I have, at that time you may not praise me as beautiful anymore like now." Said Su Yuya to Ye Chen, Su Yuya returned to remember the words in said by Ji Weng to herself.

Ye Chen was silent, he was a little confused about how to answer the words that Su Yuya had just said

"Ye Chen, right now I look like a stupid woman, I have spent 9 years of my precious youth waiting for someone who doesn't even think about me anymore." Su Yuya had to admit that she had wasted her precious youth waiting for a man like Ji Weng.

"I think it's not completely in vain, every second of life we have is the most precious gift in this world, you shouldn't regret the gift of life you've got so far." Ye Chen said to Su Yuya.

Su Yuya looked very astonished when she heard words like this from Ye Chen, she did not expect that a young man like Ye Chen had a way of thinking that was much more mature than her.

What Ye Chen said is very true, life is the most precious gift, you must not regret the gift that was given to you.

Su Yuya felt that Ye Chen was someone who was specially sent for her, all the sadness in Su Yuya's heart instantly disappeared when she heard Ye Chen's words.

"Ye Chen, thank you very much." Su Yuya suddenly wrapped her arm around Ye Chen's neck, she whispered in Ye Chen's ear in a very soft voice.

Ye Chen was surprised when Su Yuya hugged his neck, Su Yuya's two soft objects were currently striking Ye Chen's back very strongly, it felt so extraordinary when these two soft objects pressed against his back.

"You're welcome" Ye Chen said to Su Yuya.

Su Yuya smiled at Ye Chen, finally she was able to smile again, all thanks to Ye Chen who gave her a lot of encouragement.

Su Yuya had decided to forget the past that she had with Ji Weng, from now on she would continue her life with all her heart.

After walking for about 10 minutes, Ye Chen finally arrived at the gate of Su Yuya's house.

Su Yuya's house looked pretty good even though it wasn't very luxurious.

"Ye Chen please take me in, I feel that my feet still feel soft" Su Yuya asked Ye Chen to escort herself into the house.

Ye Chen nodded at Su Yuya, he led Su Yuya into the house.

Ye Chen opened the entrance to Su Yuya's house, he immediately brought Su Yuya into the house.

When Ye Chen entered Su Yuya's house, he saw that in Su Yuya's house it looked very luxurious, there were many luxury items in this house, there were also several trophies and photos that were neatly arranged on a glass shelf.

The appearance inside Su Yuya's house was inversely proportional to the outward appearance

"Su Yuya where is Su Yuyu, is he not home right now?" Ye Chen asked Su Yuya.

"It's not a holiday, so Su Yuyu is currently living in the school dormitory." Su Yuya told Ye Chen that Su Yuyu was currently living in the school dormitory.

Su Yuyu will only come home on weekends or national holidays.

"Oh" Ye Chen understands now.

"Ye Chen, my room is at the very end of this house, you can take me there" Su Yuya told Ye Chen where her room was.

Ye Chen understood, he led Su Yuya towards the room at the very end of this house.

Ye Chen took Su Yuya to the room at the very end, he opened the door to the room and immediately took Su Yuya inside.

When Ye Chen entered Su Yuya's room, it happened that the lights in Su Yuya's room were off, so Ye Chen had to find a light switch so that this place would look bright.

"Clik" Ye Chen turned on the light switch in Su Yuya's room.

After Ye Chen turned on the room lights, Ye Chen saw what was in Su Yuya's private room.

The private room that belonged to Su Yuya looked very beautiful, all the architecture was thought of by Su Yuya very nicely.

it looked like a five-star hotel room Ye Chen had visited.

"Ye Chen put me down" Su Yuya asked Ye Chen to lower herself.

Ye Chen lowered Su Yuya who was on his back, after Su Yuya got off Ye Chen's back, she went towards the refrigerator that was specially provided in this room.

Ye Chen was a little surprised when he saw Su Yuya able to walk normally as usual, even though previously Su Yuya told Ye Chen that her feet still felt soft, but now it seemed like Su Yuya looked fine.

Su Yuya deliberately made excuses like that so that Ye Chen wanted to visit her house, Su Yuya still wanted to spend a lot of time with Ye Chen.

Su Yuya took out a few cans of beer that was in the refrigerator, she brought this can of beer to Ye Chen.

"Ye Chen is for you, you must be thirsty after carrying me home" Su Yuya gave a cold beer can to Ye Chen.

Ye Chen accepted the beer can in Su Yuya's hand. "Thank you very much." Ye Chen thanked Su Yuya.

"Let's sit on my bed, I still want to discuss some things with you" Su Yuya invited Ye Chen to sit on her bed.

Ye Chen followed Su Yuya, he sat on top of Su Yuya's soft bed.
