Chapter 441 - Spent Night With Su Yuya 2

Su Yuya started drinking the beer she had in hand, she looked like she really enjoyed this beer.

Su Yuya very quickly finished the few cans of beer beside her.

Ye Chen is currently alone in a room with a Sexy adult woman like Su Yuya, how could Ye Chen not be interested when he is with a beautiful and sexy woman like Su Yuya.

Ye Chen looked at Su Yuya who was drinking a can of beer, from this side Ye Chen could see Su Yuya's neck which was very tempting.

Ye Chen started to get a little excited when he saw Su Yuya who looked very sexy.

" hah. . . , this is really very delicious. "Su Yuya felt refreshed after drinking the beer in her hand, she felt the burden on her mind disappear when drinking this beer.

"Hey, Ye Chen, do you think I'm an old woman who is no longer worthy of seeing? ", Su Yuya started talking digressively.

From the start, Su Yuya was already a little drunk by the wine she had been drinking while in the restaurant, in addition to that currently drinking several more cans of beer, Su Yuya now looked completely drunk.

"Su Yuya, looks like you drank too much, you better rest right now" Ye Chen grabbed the beer can that was in Su Yuya's hand.

Ye Chen put the beer can on top of the drawer not far from him.

"I'm not drunk at the same time, right now I'm still aware" Su Yuya denied that she was currently not drunk.

"Don't deny it, you look really drunk right now." Ye Chen told Su Yuya that at this moment he looked really livid.

"Hey Ye Chen, hurry and tell me, do I look like an old woman who is worthy of another look? ". Su Yuya asked Ye Chen again.

"You don't look old at all, to me you still look very beautiful, I'm sure there are still many men who are attracted to you", said Ye Chen to Su Yuya.

" Is it true ? ", Asked Su Yuya again to Ye Chen.

"Yes, I didn't lie to you, right now you still look very beautiful," Ye Chen said back to Su Yuya.

Ye Chen told the truth that Su Yuya was a beautiful woman, even though Su Yuya was 34 years old, at this time she still looked very beautiful.

Su Yuya was very happy when she received praise from Ye Chen, she was very happy with the praise that Ye Chen gave her.

Every woman would like it when she heard men praise themselves as beautiful, including Su Yuya, who liked when she was praised as beautiful by Ye Chen.

Su Yuya suddenly embraced Ye Chen's neck who was beside her, Su Yuya pushed Ye Chen onto the bed.

Due to the influence of alcohol drink, Su Yuya had become very brave.

Su Yuya didn't think about anything anymore, right now she only wanted to be with Ye Chen.

Ye Chen really understood herself very well, Su Yuya currently needed a man like Ye Chen to complete her life.

Ye Chen was quite surprised when he saw Su Yuya pushing himself onto the bed.

"Su Yuya, what are you doing?" Ye Chen asked Su Yuya who was embracing his neck.

Su Yuya did not answer Ye Chen's question, Su Yuya was currently kissing Ye Chen's lips.

Ye Chen suddenly felt something soft and slightly moist pressed against his lips, Ye Chen really did not expect that Su Yuya would kiss him.

This was Ye Chen's first time seeing a woman take the initiative to kiss him.

Ye Chen is a normal man, when he is stimulated by a beautiful and sexy woman like Su Yuya, of course he is very excited.

Ye Chen happily welcomed Su Yuya's kiss, Ye Chen started to greedily enjoy Su Yuya's cherry lips.

Ye Chen started guiding Su Yuya to make Kiss even more pleasant.

Su Yuya started working with Ye Chen, she felt that kissing Ye Chen was really amazing.

Su Yuya started to get addicted when kissing Ye Chen, Su Yuya felt that she didn't want to separate herself from Ye Chen's.

Su Yuya wanted to continue kissing Ye Chen, she didn't want to be apart from Ye Chen.

The two of them continued kissing for 15 minutes, when Su Yuya seemed to have difficulty breathing, Ye Chen let go of herself.

Su Yuya looked breathless after kissing Ye Chen for a long time.

Su Yuya was currently looking directly at Ye Chen's eyes.

"Ye Chen, I like you, I want you" Su Yuya said what was in her heart.

These words came from Su Yuya's innermost heart.

Su Yuya seemed to have no restraint in her heart, after Ji Weng no longer wanted her, Su Yuya decided to open her heart to others.

Su Yuya wanted to try to open her heart to Ye Chen who was below her, right now she really liked the handsome young man below her.

Su Yuya really wanted to do that together with Ye Chen, she wanted to make Ye Chen her first man.

Su Yuya had already kept her virginity for 34 years, now she wanted to try to do that together with the man she liked.

"Su Yuya, right now you are under alcohol influence, you better wait until you calm down before you talk about this." Ye Chen told Su Yuya to calm down first, Ye Chen didn't want to take advantage of Su Yuya's sadness for his own benefit.

Su Yuya had just had a heartbreak because of Ji Weng's actions, of course this had affected Su Yuya's mind, which could not fully accept this sadness.

"Ye Chen, don't you like me ?, is it because I've become an old woman that you rejected me? " Su Yuya looked like she wanted to cry when Ye Chen rejected her.

"No-no I like you, it's just that you are still not able to think clearly, I don't want you to regret all of this in the future," said Ye Chen to Su Yuya.

"I won't regret the decision I made. 9 years is enough for me to realize that I need someone beside me." Su Yuya spoke with the determination she had.

Even though she was drunk, Su Yuya could still tell the determination she had.

Seeing the determination shown by Su Yuya, Ye Chen had a hard time rejecting Su Yuya.

"Master, why do you look doubtful like that, this woman said she wants to be with you, you can't make this woman sad anymore, I'm sure if you refuse it then she will be very sad, this woman will probably experience severe depression." Chu Yuechan spoke in Ye Chen's mind.

If Ye Chen currently rejects Su Yuya, then it can be ascertained that Su Yuya will be very sad, women who are heartbroken are very rare, they can do anything that is beyond reason.

Ye Chen didn't want that to happen to the beautiful, sexy and kind Su Yuya.

"You might be absolutely right, I can't let her down." Ye Chen won't disappoint Su Yuya.

A woman like Su Yuya deserved something even better.

"Very good." Chu Yuechan was happy with Ye Chen's decision.

Chapter 442 - Spent Night With Su Yuya (3)

"Are you sure you don't mind a guy like me who has lots of women? ", Asked Ye Chen to Su Yuya.

"It is precisely I who should ask like that, don't you mind being with an old woman like me", said Su Yuya to Ye Chen.

Ye Chen turned around Su Yuya's body, at this time Ye Chen's position was changing over Su Yuya's body.

"Don't say like, you currently still look very beautiful." Ye Chen told Su Yuya to believe in herself.

Su Yuya felt very happy, she felt that today was the most beautiful day she had ever experienced in her life.

Su Yuya started reaching out her hands towards Ye Chen's neck, she wrapped her hands towards Ye Chen's neck.

Su Yuya started to pull Ye Chen's head towards herself, Ye Chen's lips and Su Yuya's lips reunited, they both started making a passionate kiss.

Su Yuya really liked kissing Ye Chen, she felt that this was very fun.

Ye Chen and Su Yuya were currently filled with happiness, both of them started rolling on Su Yuya's bed which was quite wide and large.

Due to the extremely passionate stimulation that Ye Chen received from Su Yuya, Ye Chen's younger brother who was below started to raise the spear high.

Su Yuya, who happened to be clinging tightly to Ye Chen's body, felt that a large, hard and sturdy object stabbed her stomach.

Su Yuya was not a young woman who was unfamiliar with these kinds of things, Su Yuya naturally knew what large object was piercing her stomach.

Su Yuya began to stretch her hand under Ye Chen's body, she began to touch Ye Chen's large object which was still trapped inside Ye Chen's pants.

This was Su Yuya's first time touching something like this, usually Su Yuya could only see things like this on the internet.

This is the modern era, of course everything can be found on the internet, including the large object that Su Yuya was currently holding.

"Oh my, this is so big, I didn't expect that young Ye Chen would have this big thing." Su Yuya said in her heart.

Su Yuya didn't expect that Ye Chen's thing would be so huge, it might be a little bigger than her arm.

"Hey Ye Chen, does this feel uncomfortable? , I heard that if this is not handled immediately it will be bad for a man. "While stroking Ye Chen's object, Su Yuya said to Ye Chen.

"Huh? , how do you know this? " Ye Chen asked Su Yuya.

"From the internet, I've read an article on a page I've visited," said Su Yuya to Ye Chen.

Ye Chen only smiled when he heard this from Su Yuya, Ye Chen did not expect that Su Yuya would learn such things.

When Ye Chen thought about this, suddenly in Ye Chen's mind an idea occurred to play flirting with Su Yuya.

"Yes, you are right, this is very uncomfortable, this is your fault that has made me like this, so I hope you will take responsibility" said Ye Chen to Su Yuya.

Su Yuya did not expect that the reason Ye Chen's object became hard was because of being seduced by her.

Su Yuya herself currently feels very proud, even though he is 34 years old, Su Yuya can still make a young man like Ye Chen excited like this.

"Then let me help you solve this." Su Yuya took the initiative to help Ye Chen's younger brother who was below.

Su Yuya started to go downstairs, she started to help take off the pants that Ye Chen was wearing.

Su Yuya had a little trouble removing the pants that Ye Chen was wearing.

After a very hard struggle, Su Yuya was finally able to take off the pants that Ye Chen was wearing.

When Ye Chen's pants were taken off, an extremely large and hard object immediately shot out and stood straight before Su Yuya's eyes.

"Glup" Su Yuya gulped her saliva, she was quite surprised when she saw Ye Chen's enormous object.

This was much bigger than Su Yuya had ever seen on the internet pictures.

To think that a young man like Ye Chen would have such a big thing, this big thing must be the natural enemy of every woman.

Su Yuya herself had never tried a male thing, but from what she read on the internet, the bigger the male thing, the more enjoyable it would be for woman.

Su Yuya herself began to be afraid to imagine that if this large object entered her body, wouldn't her body be destroyed by this big and hard object.

"Dear Yuya, what are you waiting for, come help me" Seeing that Su Yuya was currently dumbfounded when she saw his belongings, Ye Chen began to whisper in Su Yuya's ear.

Ye Chen started calling Su Yuya very intimately.

Su Yuya understood what Ye Chen wanted, she began extending her hand towards Ye Chen's large object.

When Su Yuya's hand touched Ye Chen's thing, she felt that it was as hard as iron and felt hot.

Su Yuya's one hand was unable to completely grip Ye Chen's large object.

Su Yuya drank her saliva again, she didn't expect that Ye Chen's thing would feel hot when she held it.

Su Yuya started to move her hands up and down, Su Yuya did this very gently so that Ye Chen wouldn't be in pain.

Ye Chen started to enjoy Su Yuya's hands, the way Su Yuya's hands went through himself was really very delicious.

When Su Yuya was serving Ye Chen, she felt that the thing in her hand was getting bigger, Su Yuya became a little surprised when this thing got bigger.

Su Yuya did not think that Ye Chen's things could still get bigger.

Su Yuya looked up at Ye Chen, when she looked at Ye Chen, she saw Ye Chen's face that was satisfied when he gave this kind of service.

Seeing Ye Chen really enjoying what she was doing right now, Su Yuya started to be even bolder, she wanted to make Ye Chen comfortable with herself.

Su Yuya's other hand began to hold Ye Chen's two ball sacks, Su Yuya began massaging the two ball sacks that were on top of her palms.

"Emmmm" Ye Chen started groaning when Su Yuya grabbed his most sensitive object.

It felt so extraordinary when Su Yuya gave a massage to his two ball sacks.

Su Yuya heard the groan that came out of Ye Chen, Su Yuya knew that Ye Chen must really enjoy this.

Su Yuya continued to do double service for Ye Chen, Su Yuya's hand never left Ye Chen's large object.

After 15 minutes of providing hand service to Ye Chen, Su Yuya felt that her hands were getting numb, so far Ye Chen has not shown any signs of erupting.

Ye Chen felt that Su Yuya's hand movements were getting slower over time.

Ye Chen could understand that by now Su Yuya must have been very tired, having served himself by using her hands for a long time.

Ye Chen got up from his sleeping position, he lifted Su Yuya's body and laid her on the bed.

Su Yuya could only surrender when Ye Chen lifted her body and laid her on the bed.

"You must be very tired right? , now let me help you feel pleasure." Ye Chen whispered in Su Yuya's ear.

Chapter 443 - Spent Night With Su Yuya (4)

Ye Chen very deftly began to take off all the clothes on Su Yuya's body.

In an instant Ye Chen had removed all the clothes on Su Yuya's body,

The Su Yuya who was in front of Ye Chen was completely naked.

Su Yuya felt a little embarrassed when Ye Chen took off all her clothes, she used her hands to cover her private parts.

Ye Chen stretched out his hand to move Su Yuya's hand.

"Dear Yuya, let me see it." Ye Chen said to Su Yuya, Ye Chen wanted to see Su Yuya's well-developed body.

Hearing Ye Chen's request, Su Yuya began to move her hands.

Now that Ye Chen could see the beauty of Su Yuya's body, Ye Chen was very excited when he saw Su Yuya's well-developed body.

Even though Su Yuya is currently 34 years old, her body still looks very toned and beautiful, not the slightest part looks loose.

Every Sunday, Su Yuya always took care to maintain her beauty, that's why Su Yuya's body was still very well preserved.

Su Yuya started to feel embarrassed when Ye Chen looked at herself with a desire.

"Ye Chen hurry up, don't make me embarrassed" Su Yuya told Ye Chen to do it herself as soon as possible.

Su Yuya currently wanted to try to do that together with Ye Chen, she wanted to experience what it was like to be a real woman.

"Don't be in a hurry, let's take it slow" Ye Chen said to Su Yuya.

Ye Chen didn't want to be too hasty, he still wanted to see Su Yuya's beauty.

Ye Chen started to descend, Ye Chen's face was right in front of Su Yuya's place.

Ye Chen looked at Su Yuya's secret garden, it was unexpected that the grass in Su Yuya's secret part had just been shaved.

Now that the entrance to Su Yuya's honey cave looked so clean, it looked really good.

Ye Chen was very aroused when he saw this, Ye Chen felt that at this time he wanted to immediately explore the contents in Su Yuya's honey cave.

Ye Chen started to bring his hand closer to the entrance of Su Yuya's honey cave, he began to explore Su Yuya's honey cave using his finger.

"Ahhh. . ." Su Yuya immediately groaned when she felt Ye Chen's finger drilling into her honey cave.

Su Yuya felt her body strange when Ye Chen's finger entered her honey cave.

"Ye Chen, stop it, it's dirty." Su Yuya stretched out her hand, she tried to push Ye Chen's hand away from her.

Unfortunately, Ye Chen did not want to let Su Yuya go, he was currently enjoying the pinch made by Su Yuya's honey cave wall.

As Ye Chen's fingers explored deeper, Su Yuya's body writhed like a snake in the heat, she felt an extremely intense feeling in her body.

"Ahh. . . , Ye Chen, stop it, my body feels weird, I feel like something will come out." Su Yuya tried to stop Ye Chen, she felt that something would come out of her body.

"Don't hold it out, just take it out, you will definitely feel very comfortable" Ye Chen whispered in Su Yuya's ear.

Ye Chen wanted Su Yuya to enjoy the technique he had.

"Ahhh." Su Yuya reached the top very quickly, so much Yinqi that Su Yuya released.

This Yinqi soaked Ye Chen's hand, Ye Chen saw the thick liquid in his hand, he did not expect that Su Yuya could produce this much.

Ye Chen looked at Su Yuya's collar, at this moment Su Yuya looked like she was gasping for breath because she had just reached the top.

Seeing that Su Yuya was ready, it was time for Ye Chen to do the main event, he would do Dual Cultivation with Su Yuya.

Ye Chen lifted one of Su Yuya's leg, Ye Chen put Su Yuya's one on his shoulder, Ye Chen started to hold his thing, he aimed at Su Yuya's honey cave.

With one shot, Ye Chen's large object immediately pierced Su Yuya's defense.

"Ahhh. . . it hurt. "Su Yuya groaned in pain, Su Yuya's body curved when Ye Chen's younger brother walked in, Su Yuya was not ready for the arrival of Ye Chen's immense younger brother, Su Yuya grit his teeth to endure this pain.

Ye Chen felt that Su Yuya was very warm and very soft, his things were being crushed by the softest thing in this world.

This sensation is very comfortable for Ye Chen,

"Ye Chen is very sick." Su Yuya complained to Ye Chen, this pain was too great for Su Yuya.

Su Yuya even cried while enduring the pain caused by Ye Chen's large object.

"Yuya calm down, the pain will definitely disappear soon, you have to be strong" Ye Chen tried to persuade Su Yuya, Ye Chen currently looked like he was persuading a crying little girl.

After a few minutes, the pain began to disappear, the pain began to be replaced with a comfortable feeling.

Seeing that Su Yuya was able to familiarize herself with Ye Chen's objects, Ye Chen started pumping in Su Yuya's honey cave.

The wall inside Su Yuya's honey cave clamped down on Ye Chen's large object very gently.

When Ye Chen was pumping he felt an unharmed feeling, Ye Chen felt that his younger brother was melting because of the tenderness that Su Yuya gave him.

Ye Chen started to use the king's heart technique to manage Dual Cultivation with Su Yuya.

"Dear Yuya, your thing is really very soft, I feel like melting because of this" Ye Chen praised Su Yuya.

"Erm. . . , ahhh. . . , ahhh. . . , "Su Yuya groaned in a very seductive voice.

Su Yuya was currently unable to answer Ye Chen's words, at this time she felt peerless pleasure from Ye Chen's large object.

Ye Chen's large object made her mind chaotic, what Su Yuya was currently thinking about was only the pleasure she got from doing Dual Cultivation with Ye Chen.

Su Yuya had never felt this kind of feeling in her life, she felt that she was being carried to the seventh Heaven by Ye Chen.

"Ye Chen is even faster, make me even more comfortable, ahh. . .", "Su Yuya started asking for more from Ye Chen.

Ye Chen understood what Su Yuya wanted, Ye Chen pumped even faster, he used all of his abilities to make Su Yuya reach the blanché of happiness,

When Ye Chen was really serious, Su Yuya felt immense pleasure, her body and mind really enjoyed this.

In less than 3 minutes Su Yuya had reached her limit, she was no longer able to hold back this feeling.

"Ahhh, I'm out." Su Yuya finally reached the peak of happiness.

Su Yuya returned to spraying a large amount of Yinqi.

Ye Chen didn't waste the Yinqi of Su Yuya, she started to absorb the Yinqi released by Su Yuya.

After reaching the peak of happiness, Su Yuya felt that her current body was very weak, there was not the slightest energy left in Su Yuya's body.

"Yuya, unfortunately the night is still long, let's continue this." Ye Chen wants to continue the Dual Cultivation session with Su Yuya, Ye Chen is still not satisfied, so this is very uncomfortable for Ye Chen.

"Eh, wait a minute, let me rest for a bit." Su Yuya wanted a ceasefire for a while, she wanted to rest for a while.

Unfortunately Ye Chen couldn't wait anymore, he could no longer hold back his younger brother who was currently very excited.

Ye Chen started pumping again in Su Yuya's honey cave.

"Ahhhh" Su Yuya groaned again in a very seductive voice.

The two of them continued to fight for the whole night, Ye Chen and Su Yuya tried tons of new styles, they both left traces of their love all over this room.

Chapter 444 - Mysterious Person

Meanwhile in another place

Currently Zhao Yanyan, Su Mengxin and Xiao Lulu were on their way back to the villa.

The three of them had just finished buying stock of groceries at a super market not far from the golden Eagle district.

"What do you think husband is doing right now? Until now he hasn't come home yet." Zhao Yanyan asked Su Mengxin and Xiao Lulu who were beside her.

"Who knows, maybe right now he's having fun with a new woman, you know yourself that the charm possessed by a husband is difficult to resist" said Su Mengxin a little jokingly.

Su Mengxin just wanted to be a joke, it was unexpected that what she said would now come true, Ye Chen was currently having an intimate relationship with Su Yuya.

"Giggling, maybe you have a point too, I want to know whether Ye Chen will bring a new woman home tomorrow or not." Zhao Yanyan giggled when she said this.

Zhao Yanyan and Su Mengxin really liked to joke like this, they liked to joke especially when it came to things about Ye Chen.

"Little sister Lulu, why are you just silent? "Seeing that Xiao Lulu was silent, Su Mengxin asked her.

"Ahhh, nothing, I just want to know what Big Brother Ye Chen is currently doing," Xiao Lulu replied to Su Mengxin.

"Lulu, do you know where Ye Chen went this morning? "Zhao Yanyan asked Xiao Lulu where Ye Chen went.

"This morning I saw Big Brother Ye Chen leave with police Luo Bing." Xiao Lulu told Zhao Yanyan that Ye Chen went with police Luo Bing.

Police? , why is a police officer looking for Ye Chen, is Ye Chen causing trouble? "Asked Su Mengxin to Xiao Lulu.

"I don't know, I know Big Brother Ye Chen went with Sister Luo Bing, I don't know where they went." Xiao Lulu didn't know where Ye Chen and Luo Bing went.

"Oh yeah I just remembered, if I'm not mistaken at that time Police Luo asked Ye Chen to help escort an important guest who came from abroad, I thought they were both carrying out an assignment." Zhao Yanyan just remembered the incident that happened last week.

At that time Zhao Yanyan overheard the conversation between Luo Bing and Ye Chen, so she knew a little detail about what Ye Chen was doing with Luo Bing.

"I see, I thought the husband caused a problem until the police looked for him" said Su Mengxin.

"With his current strength, I don't think it will be difficult to escape from the prison." Zhao Yanyan giggled when she said this.

"You're right, he's strong so there's no way the police can catch him." Su Mengxin agreed with Zhao Yanyan's words.

"Sister Yanyan, Sister Mengxin, look there is a strange person ahead." Xiao Lulu told Zhao Yanyan and Su Mengxin who were joking that a strange person was standing several tens of meters in front of them.

Hearing Xiao Lulu's words, Zhao Yanyan and Su Mengxin immediately looked forward.

When the two of them looked forward, they saw that there was a person wearing a very thick coat.

This mysterious person is wearing a mask and also a hat to hide his identity.

Zhao Yanyan, Su Mengxin, and Xiao Lulu immediately stopped, they started to be alert to this mysterious person.

"Yanyan, I think this person is very dangerous." Su Mengxin said to Zhao Yanyan who was beside her.

Su Mengxin could feel the extremely dangerous aura emitted by this mysterious person.

"sister Mengxin, you are absolutely right, I also feel that this man is dangerous." Zhao Yanyan agreed with Su Mengxin, she felt that this mysterious person in front of her was emitting a quite dangerous aura.

Zhao Yanyan and Su Mengxin are now better than before, they are now good at judging someone from their aura alone.

Mysterious people started walking towards Zhao Yanyan, Su Mengxin and Xiao Lulu.

This mysterious person began to raise his right hand, he showed his hand to Zhao Yanyan, Su Mengxin and Xiao Lulu.

Zhao Yanyan, Su Mengxin and Xiao Lulu were shocked when they saw this person's hand, this person's hand was large, hairy and had a large claw.

Just from glancing at this, Zhao Yanyan, Su Mengxin and Xiao Lulu could conclude that this person was not a human.

The mysterious person increased his speed, now he was running towards Zhao Yanyan, Su Mengxin and Xiao Lulu, this mysterious person intended to attack Zhao Yanyan, Su Mengxin and Xiao Lulu.

"Sister Mengxin, Lulu, be careful, this person has bad intentions towards us." Zhao Yanyan tried to warn Su Mengxin and Xiao Lulu who were nearby.

"Light Shield", Zhao Yanyan created a Light Shield to deflect attacks from this mysterious man.

"Bang. . . , "The mysterious person monster hand collided with the light shield that Zhao Yanyan made.

"Crack. . . ,Crack. . . , "It was so easy that the Light Shield that Zhao Yanyan created started to crack.

"Get back quickly." Zhao Yanyan told Su Mengxin and Xiao Lulu to immediately step back, the shield that Zhao Yanyan had made was no longer able to withstand the attacks of the mysterious person.

"Booom. . "The Light Shield that Zhao Yanyan created broke, because Zhao Yanyan and the other women had retreated a little, the Mysterious Man's mustard hand destroyed the path that was underneath.

Zhao Yanyan, Su Mengxin and Xiao Lulu were hit by a slight explosion in front of them, the three of them were immediately forced back several tens of meters.

Luckily Zhao Yanyan, Su Mengxin and Xiao Lulu avoided it in time otherwise they would have been seriously injured if they were hit by an attack from the mysterious person in front of them.

"Not bad, I didn't think that one of you could make a shield as strong as that earlier", the mysterious person started talking to Zhao Yanyan, Su Mengxin and Xiao Lulu.

This mysterious person's voice was hoarse for Zhao Yanyan, Su Mengxin and Xiao Lulu to listen.

"Who are you? , what do you want with us?" Zhao Yanyan asked the mysterious person in front of her.

"Hehehe, you don't need to know who I am, I came here to take the three of you, if you three don't want to get hurt then don't fight and come with me." This mysterious person wanted to take Zhao Yanyan, Su Mengxin and Xiao Lulu away.

"You'd better just go, we all won't come with you." Su Mengxin spoke to this mysterious person.

"Too bad, then I have no other choice but to take the three of you by force." This mysterious person would use force to bring Zhao Yanyan, Su Mengxin and Xiao Lulu along with him.

A mysterious person ran towards Zhao Yanyan, Su Mengxin and Xiao Lulu, he wanted to come back to attack Zhao Yanyan, Su Mengxin and Xiao Lulu.

"Chain of Light" Zhao Yanyan used the Chain of Light technique to seal the movements of the mysterious person.

Several chains of light appeared out of nowhere, these chains of light began to wrap around and seal the mysterious person's body.

The mysterious person immediately stopped when he was sealed by Zhao Yanyan's chain of light.

"Sister Mengxin, now it's your turn, hurry up and attack that person." Zhao Yanyan ordered Su Mengxin to attack the mysterious person who was currently unable to move because he was sealed by the chain of light made by Zhao Yanyan.

Chapter 445 - Xiao Lulu Was Taken Away

Su Mengxin understood, she was taking advantage of the opportunity Zhao Yanyan had created.

Su Mengxin started to use the Eternal Goddess Flower technique that she was good at, several flower petals began to appear around Su Mengxin's body.

Su Mengxin used her thoughts to move flower petals towards the mysterious person.

The red flower petals immediately charged towards the mysterious person.

The red flower petals began to chop up the mysterious person's coat.

The coat worn by the mysterious person began to be cut by Su Mengxin's flower petals.

The mysterious person was again shocked when he saw the techniques Zhao Yanyan and Su Mengxin used.

These two women's techniques were very mysterious and too powerful, if only he wasn't currently that much stronger than Zhao Yanyan and Su Mengxin, maybe now he would have been defeated by these two women.

"I told you what you are doing right now is useless, ggahhh" This mysterious person uses his power to blow away the Chain of Light and also the red flower petals.

"Ahhh. . . ." Zhao Yanyan and Su Mengxin simultaneously shouted, both of them being forced back by the power that the mysterious person had just used.

The mysterious person did not waste this opportunity, he immediately rushed towards the collar of Zhao Yanyan who had the most powerful cultivation among the three women.

"Sword of Light". Seeing a mysterious person aiming for her, Zhao Yanyan immediately used the sword of light technique.

Several quite dazzling flying swords began to appear around Zhao Yanyan.

Zhao Yanyan began to control this flying sword to attack the mysterious person who was heading her way.

The flying sword of light aimed directly at the body that belonged to the mysterious person who was heading for Zhao Yanyan.

"Silver Claw Slahs", the claws that the mysterious person possessed began to give off a silver light.

The mysterious person used his claws to attack the flying sword that was heading towards him.

"Clang, clang, clang," the sword of light and the Silver Claw Slahs clashed.

Zhao Yanyan's sword of light was easily destroyed by a mysterious person.

"Feel this", this mysterious man was right in front of Zhao Yanyan, he used the monster arm he had to hit Zhao Yanyan.

Zhao Yanyan didn't have time to use the Light Shield technique anymore, she could now only use both of her arms to deflect the attacks that were aimed at her.

"Bamm" Zhao Yanyan received a direct attack from a mysterious person, she was flown tens of meters to crash into a house in the distance.

"Yanyan, Sister Yanyan." Su Mengxin and Xiao Lulu called Zhao Yanyan, both of them were very worried about Zhao Yanyan's situation.

"You stupid woman, you should worry about yourself." A mysterious person suddenly appeared in front of Su Mengxin.

The mysterious person stretched out his hand to grip Su Mengxin's neck.

Su Mengxin was lifted off the floor by this mysterious man.

Su Mengxin tried to break free from this mysterious person, unfortunately Su Mengxin was unable to escape from the mysterious person in front of her.

Su Mengxin was having trouble breathing, the grip that the mysterious man was holding was too strong.

Due to the difficulty in breathing for a long time, Su Mengxin's Consciousness started to gradually become blurry.

When the consciousness that Su Mengxin had started to disappear, from below suddenly appeared a giant plant, this giant plant began to wrap around the body of a mysterious person.

"Hurry up and release Sister Mengxin, otherwise I will destroy you." Xiao Lulu who was doing nothing from the start is now starting to show the abilities she has.

she used the YGGDRASIL heart art to grow large plants .

"Again a very strange technique, I wonder how you guys have such a strange technique." Mysterious people said to Xiao Lulu and Su Mengxin.

The mysterious person still looked very relaxed when the huge plant that Xiao Lulu had grown wrapped around his body.

"Awooo" a mysterious person roared by Xiao Lulu's collar, this roar was not only very loud but also had a bit of destructive power.

"Ahhh. . "Xiao Lulu was blown away several tens of meters by a roar that came from a mysterious person.

Due to receiving a direct hit from a mysterious person, Xiao Lulu was suddenly knocked unconscious.

"Lulu's little sister." Su Mengxin called out to Xiao Lulu who was currently lying on the ground.

Su Mengxin's consciousness also started to dissipate, she could no longer endure the pain due to difficulty breathing.

Su Mengxin ended up completely unconscious.

Seeing that Su Mengxin who was in his hand had passed out, the mysterious person released his grip from Su Mengxin's neck.

Su Mengxin immediately fell to the ground, she was currently lying on the ground unconscious.

"This is too easy, I think it will be a little difficult." The mysterious person felt that it was very easy, he managed to complete this task very easily and quickly.

Now all he had to do was bring these three women back to where the king was.

When he wanted to take the bodies of Zhao Yanyan, Su Mengxin, and Xiao Lulu, suddenly from somewhere appeared a large fireball which was currently aiming at him.

Seeing the arrival of a large fireball, Suddenly the mysterious person immediately avoided the large fireball that was aiming at him.

"Boom. . . "An enormous explosion occurred, this explosion swept across the streets that were around here.

The fireball explosion just now destroyed everything around here, the road that was actually good had now turned to rubble.

"That was close, if I got hit earlier maybe I would be finished" the mysterious person said in his heart.

If he hadn't dodged the massive fireball attack earlier, he might have disappeared from this world by now.

From above the sky descends a very beautiful woman, this woman looks at a mysterious person with a very strong murderous gaze.

of course This woman was is Fu Lanling, she had come to save Zhao Yanyan, Su Mengxin and Xiao Lulu.

Previously Fu Lanling was sparring with Nangong Xiang, while she was sparring with Nangong Xiang, she felt Zhao Yanyan and Su Mengxin's profound energy flux.

When Fu Lanling sensed this, she immediately rushed over to see what was happening to Zhao Yanyan, Su Mengxin and Xiao Lulu.

Fu Lanling wanted to make sure nothing happened to Zhao Yanyan and the others, that's why she ended the spar with Nangong Xiang, Fu Lanling immediately flew towards where Zhao Yanyan, Su Mengxin and Xiao Lulu were.

When Fu Lanling got to where Zhao Yanyan, Su Mengxin and Xiao Lulu were, Fu Lanling saw that Zhao Yanyan, Su Mengxin and Xiao Lulu were injured and were currently unconscious.

Fu Lanling was immediately angry when she found out about this, she suspected that this mysterious person had injured Zhao Yanyan and the others.

Fu Lanling didn't think much, she immediately charged towards the mysterious person.

The mysterious person felt the threatening pressure exerted by Fu Lanling, his instincts telling him that Fu Lanling was a very dangerous woman.

"It seems like this time I failed, I did not expect there will be a strong woman who appears at a time like this, if I face him directly then my chance of winning is very small, I'd better withdraw first" The mysterious person decided to withdraw first.

He knew that he wasn't Fu Lanling's opponent, which was why he chose to retreat.

"Too bad, even though I'll be successful soon, I never thought I would be disturbed at a time like this" a mysterious person said to Fu Lanling.

"You are not a cultivator, what exactly are you? "Fu Lanling doesn't feel that this man in front of her is a cultivator, more precisely she feels that this person is a monster.

"You are indeed great, in just one glance you can find out who I am, you are indeed different from the three women earlier" The mysterious person praised the ability possessed by Fu Lanling.

"I might not be able to win if I force myself to fight you, I better just retreat" The mysterious person took a small stone from his shirt pocket.

He broke the stone that was in his hand, a bright light began to envelop the mysterious man's body.

Judging by what this fellow was trying to do, this person seemed intent on escaping using a teleportation stone.

It happens that this man's distance is close to Xiao Lulu, he takes Xiao Lulu who is near him, this person intends to take Xiao Lulu along with him.

"I won't let you escape that easily." Fu Lanling used her phoenix flames to attack a mysterious person. Fu Lanling's phoenix flames quickly headed towards a mysterious person, in less than a split second the phoenix flames would burn a mysterious person.

Unfortunately, the mysterious person had moved before Fu Lanling's fire could burn him.

"He managed to escape" Fu Lanling did not expect that this person had managed to escape before her fire burned him.

That mysterious person was too lucky, if he had been hit by Fu Lanling's phoenix flames, then it was certain that he would turn to ashes.

Fu Lanling did not expect that this person had a teleportation stone that was extremely rare in this world.

Teleportation stones were extremely rare on this earth, the existence of teleportation stones was extremely rare, even Fu Lanling did not have a teleportation stone in her body.

Fu Lanling didn't have that because the teleportation stone was very expensive.

apart from being used for teleportation, this stone is usually used to save someone's life.

If only the person just now didn't have a teleportation stone, then it can be ascertained that the mysterious person just now will experience defeat at the hands of Fu Lanling.

The current Fu Lanling couldn't immediately go after the mysterious person, she now had to focus on Zhao Yanyan and Su Mengxin who were currently injured.

Fu Lanling went towards the two of them, she wanted to see the situation of Zhao Yanyan and Su Mengxin.

Fu Lanling began to check on Zhao Yanyan, Su Mengxin.

Zhao Yanyan was currently experiencing fractures in both of his arms.

as for Su Mengxin, she suffered a wound on the neck due to the grip that was done by the mysterious person earlier.

"I have to immediately take the two of them back to the villa, it is not safe for them here at all." Fu Lanling decided to take Zhao Yanyan and Su Mengxin back to the villa.

There she could provide first aid to Zhao Yanyan and Su Mengxin, after which Fu Lanling would go after the mysterious person who took Xiao Lulu away.

Fu Lanling couldn't just let the person who took Xiao Lulu go away, no matter what happened she should be able to take Xiao Lulu back, otherwise Ye Chen might be disappointed in her.

Fu Lanling took Zhao Yanyan and Su Mengxin who were unconscious and flew towards the villa

Chapter 446 - Convinced Su Yuya

Returned to Su Yuya's room.

Right now, both Ye Chen and Su Yuya are sleeping, both of them are currently looking tired after doing the intense exercise they did last night.

Last night was the toughest night Su Yuya has ever gone through, she was forced to do dual cultivation with Ye Chen all night.

This really made Su Yuya's body and mind exhausted, even though last night was quite tiring, Su Yuya looked very satisfied, last night Su Yuya felt the true pleasure of being a woman, it was the happiest thing in life.

Last night Su Yuya was quite aggressive when playing with Ye Chen, maybe this was influenced by the alcohol factor and also the desire that had been pent up for a long time.

When Su Yuya's passion was triggered, she actually showed the most aggressive side she had.

"Kyahhh! ! ! "Suddenly there was a loud scream in Su Yuya's room.

Ye Chen who was currently sleeping immediately woke up because of this loud scream.

"What's the matter? Why are you making such a fuss in the morning? Ye Chen said to Su Yuya who was beside him.

The scream just now came from Su Yuya who was beside Ye Chen.

Su Yuya suddenly screamed for no apparent reason.

Su Yuya herself initially woke up like usual morning, when she woke up and looked sideways, Su Yuya saw Ye Chen sleeping right beside her, seeing this Su Yuya was quite surprised, when she found herself naked together with Ye Chen, Su Yuya immediately screamed very very hard.

Su Yuya immediately grabbed the blanket that was nearby, she immediately used the blanket to cover her body so that it wouldn't be seen by Ye Chen.

"Ye Chen, what did you do to me last night? "Su Yuya asked what did Ye Chen do to her last night.

"Why are you asking me instead? "Don't you remember what happened last night, didn't you ask me to go to bed last night?" Ye Chen said teasingly Su Yuya.

Su Yuya's face turned red when she heard Ye Chen's words.

Su Yuya started to remember what happened last night.

After remembering hard what happened last night, Su Yuya finally remembered that last night she teased Ye Chen so that he did something like that together with Ye Chen.

Moreover, last night Su Yuya was very excited when Ye Chen's large object entered her body.

Last night was an indescribable feeling for Su Yuya, it was impossible for Su Yuya to forget what happened last night, what happened last night was already imprinted on Su Yuya's body and mind.

Ye Chen smiled when he saw Su Yuya who became embarrassed like this, it was unexpected that this beautiful Milf could be embarrassed like this.

Ye Chen stretched out his hand towards Su Yuya's face, now Su Yuya looked even more beautiful, after doing Dual Cultivation with Ye Chen, now Su Yuya was even more beautiful than before.

Su Yuya looked more and more like a woman who was only 20 years old with a well-developed body.

Su Yuya's mind was currently in chaos, she could not think clearly, when she remembered what happened last night, Su Yuya became very embarrassed.

Su Yuya really didn't expect that he would tease Ye Chen who was 1 ½ decades younger than herself.

This was extremely embarrassing for Su Yuya.

When Ye Chen's hand touched Su Yuya, Su Yuya immediately regained her senses.

Su Yuya immediately brushed Ye Chen's hand "Ye Chen stop, don't touch me anymore".

"Why is that, now that you have become my woman, so it doesn't matter if I touch you a little." Ye Chen stretched out his hand again to touch Su Yuya's face.

Su Yuya moved back a little, she didn't let Ye Chen touch her.

"Ye Chen what we did last night was a mistake, so we can't repeat a mistake like that again" said Su Yuya to Ye Chen.

Ye Chen smiled wryly, he moved behind Su Yuya's body.

Without realizing it by Su Yuya, Ye Chen was currently moving behind Su Yuya's body, Ye Chen hugged Su Yuya from behind.

"Do you think what we did last night was a mistake? , I clearly still remember that last night you said you really loved me, even you called me husband. "While hugging Su Yuya's body, Ye Chen whispered sweet words to Su Yuya.

Su Yuya felt warmth from the hug given by Ye Chen, this was very comfortable, Su Yuya felt that he had become very peaceful.

The feeling that Ye Chen gave was very comfortable for Su Yuya, Su Yuya felt that she didn't want to be apart from Ye Chen's embrace.

Unfortunately Su Yuya couldn't enjoy this all the time, at her current age she might find it difficult to be with Ye Chen.

what would an outsider say if she and Ye Chen were together.

Su Yuya felt that if she had become an old woman, in a few years Su Yuya might lose the beauty she had.

"Ye Chen, hurry up and let me go, we both can't go on like this" Su Yuya asked Ye Chen to let go of herself.

"So what if we're both like this? "Ye Chen asked Su Yuya.

"Ye Chen ,if people see you together with an old woman like me, then they will laugh at both of us" said Su Yuya to Ye Chen.

"Whoever dares to laugh at both of us, I will beat up people who dare to laugh at us both" Ye Chen replied to Su Yuya.

Ye Chen wouldn't allow anyone who dared to laugh at himself and Su Yuya.

"Dear Yuya, from now on you are my woman, I will not let you suffer injustice like before." For Ye Chen, now Su Yuya is the woman, he will not let Su Yuya feel an injustice.

Su Yuya felt touched by Ye Chen's words just now, it turned out that Ye Chen was a very responsible man.

"Geez, your words just now really make it difficult for me to get away from you." Su Yuya placed her head on Ye Chen's chest behind her.

Su Yuya began to be honest with the feelings she had.

Ye Chen had made it difficult for Su Yuya to get away from him.

"Ye Chen, don't you mind being with me? Maybe soon I'll be an old woman, I'm afraid you won't want me anymore when that happens" Su Yuya is still a little afraid if one day Ye Chen doesn't want her anymore.

Ye Chen immediately covered Su Yuya's lips with his fingers.

"Dear Yuya, please don't talk like that, it makes me feel sad, even if you turn into an ugly woman, I will never leave you" said Ye Chen to Su Yuya.

Su Yuya immediately turned around, she looked straight at Ye Chen's eyes, when Su Yuya looked at Ye Chen's eyes, she saw a sincerity in Ye Chen's eyes.

The stone floating in Su Yuya's heart finally sank, now that she has no more doubts about Ye Chen, Ye Chen looks sincere in loving herself.

"Ye Chen, thank you very much." Su Yuya hugged Ye Chen's neck, she looked very happy to have a man like Ye Chen.

Ye Chen is also quite happy to have a kind and beautiful woman like Su Yuya, Ye Chen will make Su Yuya happy forever.

the two looked at each other, unconsciously the two lips that belonged to both of them approached each other, Ye Chen and Su Yuya began to make an adult kiss.

The two of them started rolling on the bed, they started to continue what they had done last night.

Chapter 447 - Conjecture

After about 2 hours of doing morning exercise with Su Yuya, finally Ye Chen could also come out of Su Yuya's room.

For nearly two hours that Su Yuya was rendered helpless by Ye Chen, Ye Chen had completely conquered Su Yuya.

Beautiful Milf Su Yuya was now obedient to Ye Chen, the current Su Yuya really couldn't afford to leave Ye Chen.

Previously, Ye Chen had invited Su Yuya to move to his villa, unfortunately Su Yuya refused Ye Chen's offer, Su Yuya currently wanted to live in this house, after all this house was the house she had lived in for quite a long time, so Su Yuya a little hard to leave this house.

In addition, if she left this house and moved to Ye Chen's house, then who would take care of Su Yuyu on weekends, there was no way Su Yuya would trouble Ye Chen with Su Yuyu's presence.

Su Yuya knew very well how the temperament her younger sister had, if she moved to Ye Chen's house then it was certain that Su Yuyu would cause trouble for Ye Chen.

It was for this reason that Su Yuya wanted to remain in this house.

Ye Chen understood Su Yuya's circumstances, so Ye Chen didn't force the will he had.

Ye Chen gave his villa address to Su Yuya, this was just in case Su Yuya wanted to find him.

After giving Su Yuya his villa address, Ye Chen said goodbye to Su Yuya, Ye Chen had to return to the villa.

surely now the women are looking for his whereabouts because he disappeared without telling a clear news.

Su Yuya also understood Ye Chen's situation, she obediently let Ye Chen go.

Ye Chen left Su Yuya's room.

After Ye Chen's departure, finally Su Yuya was able to rest too, Su Yuya was currently too tired because of the pleasure that Ye Chen gave, she needed rest to recover the strength she had.

One of the reasons Su Yuya let Ye Chen go was because she wanted to rest. If Ye Chen was here all the time, then Su Yuya would not be able to stand it and go back to doing it together with Ye Chen.

Su Yuya at least could not stand the temptation of a little man like Ye Chen, if Ye Chen continued to be here then, Su Yuya would definitely do it again together with Ye Chen.

So it was better to let Ye Chen go so that he could rest for a while.

Su Yuya started to close her eyes, she started to rest.

.
. .
. .
. .

After leaving Su Yuya's room, Ye Chen was currently flying towards his villa in the Golde Eagle district.

After several minutes of flying, Ye Chen finally arrived at the entrance to his villa.

Ye Chen opened the villa entrance, after which Ye Chen went straight into the villa.

When Ye Chen entered the villa, it just so happened that at this time several of Ye Chen's women were in the living room.

All of Ye Chen's women currently circled Zhao Yanyan and Su Mengxin.

Seeing this oddity, Ye Chen immediately saw what they were all doing.

As Ye Chen walked closer to his wives, he finally saw what was happening right now.

Ye Chen saw that currently Zhao Yanyan and Su Mengxin were injured.

Ye Chen saw that Zhao Yanyan's two hands were currently bandaged.

As for Su Mengxin she was bandaged around the neck area which was injured because of the mysterious person's grip.

"What happened to you two?" Ye Chen immediately rushed towards Zhao Yanyan and Su Mengxin who were injured, Ye Chen checked the situation of the two of them.

Hearing Ye Chen's voice, finally the women realized that Ye Chen was already in this place.

Ye Chen had finished checking the conditions of Zhao Yanyan and Su Mengxin, fortunately the two of them were not too badly injured and could still be treated easily.

"What exactly happened when I wasn't around?" asked Ye Chen back to the women who were here.

"Husband, you finally came home, last night Zhao Yanyan, Su Mengxin and Xiao Lulu were attacked by mysterious people." Liu Yue was the first woman to explain what happened to Ye Chen.

Hearing Liu Yue's explanation, Ye Chen now knew what had happened to Zhao Yanyan and Su Mengxin.

"Yanyan, Mengxin, who would have dared to attack the two of you, hurry up and tell me?" Ye Chen was a little angry when he found out that Zhao Yanyan, Su Mengxin and Xiao Lulu were attacked by mysterious people.

"I don't know who that person is, that person is very mysterious." Zhao Yanyan answered Ye Chen's question.

Zhao Yanyan did not know who the person who had attacked her was, the person who had attacked Zhao Yanyan was very mysterious.

Ye Chen slightly raised his eyebrows, it seems this matter is more complicated than he thought.

"Don't you two really know who the person who attacked you is?" Ye Chen asked Zhao Yanyan and Su Mengxin again.

Zhao Yanyan and Su Mengxin both shook their heads.

The identities of the people who attacked Zhao Yanyan, Su Mengxin and Xiao Lulu were very closed, it was difficult to know who it was and where it came from.

Ye Chen started to think very hard, if he didn't know who the person who attacked Zhao Yanyan was, then how could he find the people who had attacked Zhao Yanyan, Su Mengxin and Xiao Lulu.

"Oh yeah, there's a hint of that person." Zhao Yanyan said to Ye Chen.

"What is that?" Asked Ye Chen curiously.

"The person who attacked us, had bristly arms and long claws." Zhao Yanyan shared a few traits possessed by the mysterious person who had attacked them.

Ye Chen started to analyze the instructions Zhao Yanyan had given him.

"Yanyan, if I may know what color the fur of the person who attacked you?" Ye Chen wanted to know the color of the fur the people who had attacked Zhao Yanyan and the others had.

"If I'm not mistaken, it's silver," Zhao Yanyan said to Ye Chen.

"Silver! , could it be a silver werewolf?" Muttered Ye Chen.

Ye Chen began to suspect that this was done by the silver werewolf.

But why are there more silver werewolves in this city and why are they looking for a problem with him, even though at that time Ye Chen had killed all the werewolves.

So there shouldn't be any eyewitnesses who know that he was the one who killed Prince Joe.

This is so strange for Ye Chen.

"That's it." Su Mengxin finally remembered something.

"What is Mengxin?" Ye Chen asked Su Mengxin.

"Husband, do you still remember the werewolves we met at the amusement park?" , Said Su Mengxin to Ye Chen.

"Yes, of course, I still remember clearly." Ye Chen certainly still remembers that incident.

"That person has the same arm characteristics as the werewolves we have met before, I believe that the person who attacked us was one of the werewolves we met back then" Su Mengxin said to Ye Chen.

If what Su Mengxin said was true, then it can be confirmed that the mysterious person who attacked Zhao Yanyan and the others was a silver werewolf.

"You two don't need to worry, I will find out the truth about this, if it is the werewolves who have done this, then I will not let them go." Ye Chen promised Zhao Yanyan and Su Mengxin.

Chapter 448 - Ye Chen Asked Ling Yin For Help

Ye Chen started to heal Zhao Yanyan and Su Mengxin.

Ye Chen gave Zhao Yanyan Bone growth pills, while for Su Mengxin Ye Chen gave an ointment that could quickly heal the bruise on Su Mengxin's neck.

"Oh yeah where is Lulu, why haven't I seen her before? , didn't you say that Xiao Lulu was also attacked.
"Ye Chen asked Xiao Lulu's whereabouts to all the women here.

From earlier Ye Chen had not seen Xiao Lulu's whereabouts, if Xiao Lulu was attacked by a mysterious person, then she should be injured right now.

The Ye Chen women looked at each other, they were all confused about how to answer Ye Chen's current question.

"Ye Chen, actually Lulu was taken away by that mysterious person." The woman who dared to tell Ye Chen this was Zhao Yanyan.

Zhao Yanyan told Ye Chen that Xiao Lulu was taken away by a mysterious person who had attacked her.

" What ? "Ye Chen was both shocked and angry when he found out about this, he did not expect that apart from attacking the woman, this mysterious person also dared to take Xiao Lulu away.

Ye Chen definitely won't forgive the person who has taken Xiao Lulu away.

"I will immediately go to find that person." Ye Chen must immediately go find the person who took Xiao Lulu.

Ye Chen didn't want anything bad to happen to Xiao Lulu, Xiao Lulu was an innocent, shy and timid girl, Ye Chen was afraid that Xiao Lulu would be traumatized again because of this.

"Ye Chen, wait a moment" Nangong Xiang stopped Ye Chen who wanted to go find the whereabouts of the person who had taken Xiao Lulu.

"Xiang, what's wrong? , why did you stop me "asked Ye Chen to Nangong Xiang.

"Ye Chen calm down first, if you act like this then this matter will not be resolved" Nangong Xiang asked Ye Chen to be calmer in dealing with situations like this.

"Xiang can't possibly be calm when Lulu is in the hands of a dangerous person." How could Ye Chen be calm when faced with a situation like this.

Xiao Lulu's safety was at stake here, so he had to quickly find the person who had taken Xiao Lulu away.

"Then do you know where the person who has brought Xiao Lulu now, even Lanling currently has not found the whereabouts of the person who brought Xiao Lulu" Nangong Xiang told Ye Chen that Fu Lanling until now has not found the whereabouts of the mysterious person who kidnapped her. Xiao Lulu.

From last night Fu Lanling had been looking for the person who took Xiao Lulu, she even searched outside this city to find the whereabouts of Xiao Lulu.

Fu Lanling guessed that the mysterious person who had taken Xiao Lulu had left this city.

That's why Fu Lanling was looking for the whereabouts of the person who had taken Xiao Lulu outside of the city, Fu Lanling was also looking in other cities that were close to this city.

Ye Chen raised his eyebrows, what Nangong Xiang said was true too, at this time he did not know where the silver werewolf who kidnapped Xiao Lulu was.

If at this time Ye Chen moved without a clear aim and direction, then he would never find Xiao Lulu's existence.

"Well you may have a point." Ye Chen now understood what Nangong Xiang meant.

"Ye Chen, if I can give you advice, you should just try going to the western continent, if it is true that the person who brought Xiao Lulu was a silver werewolf, then it is very likely that this time that person took Xiao Lulu to the western continent." suggested Ye Chen to go to the western continent.

"Why can you think that the person who brought Xiao Lulu is currently in the western continent?" Ye Chen asked Nangong Xiang.

"It's very simple, if it's what they are aiming for is you, they will definitely try to make you go to the western world, in the western continent they will find it easier to deal with you, if they deal with you here, then surely the Kunlun Holy Land will not stay. shut up and watch this thing." Nangong Xiang told Ye Chen the analysis she had.

After hearing Nangong Xiang's words, Ye Chen finally started to become enlightened, it was most likely that these people's plans wanted to take Xiao Lulu as a hostage so that Ye Chen would go to the western continent.

"Xiang, do you know where the silver werewolf is?" Ye Chen asked Nangong Xiang.

"Sorry Ye Chen, I don't know where the werewolf territory is." Nangong Xiang didn't know about the territory of the Silver Werewolf.

If Nangong Xiang found out where the territory of the silver werewolf was, then she would have definitely told Ye Chen a long time ago.

Since she didn't know where the territory of the silver werewolf was, Nangong Xiang didn't say anything to Ye Chen.

Seeing that Nangong Xiang had absolutely no idea where the territory of the silver werewolves was, then Ye Chen had to find someone who could inform himself about this.

Ye Chen began to wonder who he should ask for help with this.

After thinking long enough, Ye Chen finally knew who to ask for help with this problem.

Ye Chen could ask Ling Yin for help, Ye Chen was sure that with Ling Yin's killer network connection, Ling Yin would be able to find out of the Silver Werewolf's territory easily.

Ye Chen immediately went upstairs to find his cell phone, he would contact Ling Yin and ask him for help.

All the women in the living room were confused about what Ye Chen was doing right now, they all wanted to know why Ye Chen suddenly went upstairs.

"It seems like he has found a way to settle this." Among the women in the living room, Nangong Xiang could easily see that Ye Chen had found a way to find out the realm of the silver werewolves.

For now Nangong Xiang would let Ye Chen do what he could, if Ye Chen encountered a problem that was difficult to solve, then Nangong Xiang was ready to help Ye Chen solve it.

Ye Chen went upstairs, he immediately looked for his phone, after finding his cellphone, Ye Chen immediately made a video call to Ling Yin.

"Bipp. . "Video calls started to go to Ling Yin

"Ling Yin come pick up a video all from me" Ye Chen hopes that Ling Yin can receive video calls from him.

After about 30 seconds, finally Ling Yin received a call from Ye Chen.

"Ye Chen finally you remember to call me, I think you've forgotten me" Ling Yin looked sad when she said this

Ling Yin currently only wants to tease Ye Chen a little, it has been a long time since Ling Yin has seen and heard Ye Chen's voice, so currently Ling Yin misses Ye Chen quite a bit.

"How could I forget you" Ye Chen immediately said to Ling Yin

Ling Yin was glad to hear that Ye Chen didn't forget herself, Ling Yin felt a very sweet feeling in her heart.

"Ling Yin, I need your help." Ye Chen did not mince words anymore, he currently needed Ling Yin's help.

"What help do you need? ", Asked Ling Yin to Ye Chen.

Chapter 449 - Information Obtained By Ling Yin

"I want you to find out about the realm existence of the silver werewolf race." Ye Chen told Ling Yin what he wanted.

"Silver werewolf race territory ?, Ye Chen so why did you search for the territory of the Silver werewolf race ? "Ling Yin wants to know why Ye Chen is looking for something so hard to find like this.

"It's because one of them kidnapped my woman." Ye Chen told Ling Yin the reason he was looking for the existence of the Silver werewolf race

"Huh? , how can that be, aren't you so strong? " Ling Yin was a little surprised when she heard that one of Ye Chen's women was kidnapped.

Even though Ye Chen possessed an unmistakably strong strength, it should only be a silver werewolf class that couldn't possibly be against Ye Chen.

"That's because at that time I was not around, they took the opportunity to kidnap one of my women." Ye Chen replied to Ling Yin.

Ye Chen told Ling Yin a little about what had happened.

"Oh so it's like that" after getting the explanation from Ye Chen, Ling Yin finally knew what was going on.

"So, can you find out where the silver werewolf territory is for me? ", Asked Ye Chen to Ye Chen.

Ye Chen hopes that Ling Yin can find this out for himself.

"Hmmm, this might be a little difficult, but since Ye Chen honey has asked me, then I will try to find out the information about the silver wolf race you said earlier." Ling Yin promised Ye Chen, Ling Yin will find out information about Silver werewolf.

"Thank you very much." Ye Chen thanked Ling Yin.

"Honey, you don't need to thank me as long as you keep me in your heart, that's enough for me" said Ling Yin in a sassy tone.

"You don't have to worry about that problem, I will definitely always remember you in my heart" Ye Chen promised to always remember Ling Yin.

Ling Yin fell more and more fall in love with Ye Chen.

"Ye Chen, I need a little more time, I will find information about the silver werewolf race for you. After I find the information you want, I'll contact you right away." Ling Yin asked for time to find out what information Ye Chen wanted.

The information that Ye Chen wanted was not easy to find, she needed time to find the information that Ye Chen wanted.

"Fine." Ye Chen understands, he will wait for Ling Yin's results, Ye Chen really hopes that Ling Yin can find the information he is looking for.

Ye Chen ended the video call with Ling Yin, he would patiently wait for the results Ling Yin got.

After about 20 minutes Ye Chen waited for the results of Ling Yin's work, finally Ling Yin contacted Ye Chen again.

" How is the result ? ", Ye Chen immediately asked Ling Yin.

Ling Yin's face looked a little gloomy "I'm sorry, I couldn't find the territory of the silver werewolf race, I couldn't find any details about it." Ling Yin apologized to Ye Chen.

Ling Yin was a little disappointed with herself for not being able to find the information Ye Chen wanted.

"You don't have to be disappointed like that, you did your best, so I will appreciate the effort you put in." Ye Chen did not blame Ling Yin's failure to find information about the territory of the silver werewolf race.

It was possible that the territory of the Silver werewolf race was very secret, so Ling Yin was unable to find it with the network he currently had.

"I might not be able to find the existence information of the territory of the silver werewolf race you want, but I did find a little information about the silver werewolf race you are looking for," Ling Yin said to Ye Chen.

Ling Yin might not be able to find the existence of the highly secret silver werewolf race territory, but she could still find a bit of information about the werewolf race.

Maybe the little information that Ling Yin got, could be of use to Ye Chen.

"What information do you get, quickly tell me." Ye Chen wanted to know what information Ling Yin got.

Ling Yin started to tell Ye Chen the information she got.

The information that Ling Yin obtained was in the form of who the king of the silver werewolves was, and what kind of strength the silver wolf race had

The king of the silver werewolf race named Zura, Zura's strength was equivalent to that of a cultivator at the 7 ~ 8 Overlord Realm stage.

King Zura is known as one of the loyal followers of the wolf god named Sirius.

Sirius is a wolf god who is one of the higher ups of the Dark Legacy faction. Sirius is have a very powerful destructive power and also an immortal body that cannot be destroyed or injured by anyone.

Under the protection of the wolf god Sirius, King Zura obtained a special territory within the Dark Legacy faction's territory.

This territory was so secretive that Ling Yin couldn't even figure out where the special territory that wolf god Sirius had given King Zura was.

To be sure the territory of the silver werewolf race was in the territory of the Dark Legacy faction, among all factions in the western continent The Dark Legacy faction's most extensive territory.

If Ye Chen searched for him in the usual way, it was likely that it would take Ye Chen days to find the existence of the silver werewolf race.

"Ye Chen, if you are dealing with the silver werewolf race in the western continent, then I can confirm that you will deal with the wolf god Sirius, maybe this is also the wish of the person who kidnapped your woman". Ling Yin told Ye Chen that this was most likely a trap that the silver werewolf race had set for Ye Chen.

"If indeed I have to fight against the wolf god Sirius then I will fight, they have dared to take my woman away, I will definitely fight them" Ye Chen will not back down, no matter what happens he must get Xiao Lulu back.

"This Ye Chen is not as simple as you think, this wolf god Sirius is a very mysterious existence, not many people know what kind of power he has. Most likely the wolf god Sirius has a much stronger power than the Phantom Blade that I am currently tracking." Ling Yin told Ye Chen that it was likely that the wolf god Sirius was stronger than the Phantom Blade that Ling Yin was looking for.

"Thanks for the warning, but you don't need to worry, I'll try to be careful if it comes to fighting the wolf god Sirius" said Ye Chen to Ling Yin.

"Ye Chen, I hope you quickly find the whereabouts of your woman." Ling Yin prayed that Ye Chen would quickly find Xiao Lulu's whereabouts.

"I hope like that too" said Ye Chen to Ling Yin.

"Okay, see you later, Muahh. . Ling Yin blew a farewell kiss at Ye Chen.

What Ling Yin was doing right now was very tempting to Ye Chen.

After giving the information to Ye Chen, Ling Yin hung up the video call.

After the video call with Ling Yin ended, Ye Chen immediately threw away the cell phone he had.

Ye Chen was lying on the bed, he was currently confused about how he could find Xiao Lulu's whereabouts.

Chapter 450 - Another Ability Of The King's Heart Technique

For the first time Ye Chen thought very hard, he was thinking of a way to find the whereabouts of the person who had kidnapped Xiao Lulu.

"Knock, knock, knock," suddenly from outside someone knocked on Ye Chen's door.

Hearing the sound of knocking on the door, Ye Chen immediately got up from his bed.

"Come in, the door is not locked." Ye Chen ordered the people outside to enter his room.

"Click" the door to this room was opened by a beautiful woman, the beautiful woman who opened the door was Fu Lanling.

Fu Lanling immediately entered Ye Chen's room, after Fu Lanling entered, she closed the door to Ye Chen's room again.

"Ling'er, how did it go, did you find the person who took Lulu away? ". What Ye Chen first asked Fu Lanling was about the news of Xiao Lulu's whereabouts.

Fu Lanling shook her head at Ye Chen. "Little husband, I'm sorry, I tried my best to find the whereabouts of Lulu's little sister, it's a shame I didn't find a trace of her at all." Until now, Fu Lanling has still not found Xiao Lulu's whereabouts.

"Didn't you really find the slightest trace of that person? ", Asked Ye Chen to Fu Lanling.

"The person who brought Lulu Little Sister is very good at removing traces, I was unable to find the slightest hint of that person's whereabouts." Fu Lanling told Ye Chen that the person who brought Xiao Lulu was very good at covering traces.

Fu Lanling herself had many methods of finding someone, But This time Fu Lanling having a hard time dealing with the person who had kidnapped Xiao Lulu.

The person who kidnapped Xiao Lulu is really too good at hiding themselves.

If only the person who kidnapped Xiao Lulu wasn't that good at removing traces, Fu Lanling could use her bird puppet to find out the person's whereabouts.

Since that person was very good at removing traces, Fu Lanling couldn't use this method to find the whereabouts of the person who had kidnapped Xiao Lulu.

"Maybe the only way is for me to go to the western continent, if it continues like this then the possibility of finding Xiao Lulu will be very small." Ye Chen had thought about this from earlier, maybe the only way he found Xiao Lulu was to go directly to the world. west.

"Little husband, don't be too reckless in making a decision, the western continent is an unfamiliar territory to all of us, I'm afraid you will get into trouble if you go there without careful preparation," said Fu Lanling to Ye Chen.

Fu Lanling was afraid that something bad would happen to Ye Chen if he went to the western world in this reckless manner.

It wasn't that Fu Lanling doubted Ye Chen's strength, but she was afraid that Ye Chen would fall into the trap of an enemy whose clarity was still unknown until now.

Until now, both Ye Chen and the women still suspected that the silver werewolf race had kidnapped Xiao Lulu, that means there is no definite clarity about who the party kidnapped Xiao Lulu.

If Ye Chen mistook the party who kidnapped Xiao Lulu, you can be sure that Ye Chen will turn into a public enemy in the western continent.

Fu Lanling didn't want that to happen to Ye Chen.

This problem becomes even more complicated, it was unexpected that finding the identity of a mysterious enemy would be this difficult, according to Ye Chen, it was much easier to fight with enemies that were visible in plain sight.

"Hey master, why do you look confused like that?" While Ye Chen was confused about finding ways to find Xiao Lulu, Chu Yuechan spoke in Ye Chen's mind.

"You are still asking me why I look confused like this? Haven't you seen it that right now I'm confused looking for Lulu's whereabouts," Ye Chen said to Chu Yuechan, Ye Chen was not too happy when Chu Yuechan asked him about this. .

Chu Yuechan herself should have known what was going on at this moment, considering that Ye Chen and Chu Yuechan were connected all the time.

"I already know what is happening to Lulu's little sister, what I'm asking you is why are you so confused like that when you search for Lulu's little sister?" Chu Yuechan was not at all angry with Ye Chen's treatment of her.

Chu Yuechan understood how Ye Chen felt when he found out that one of his women was kidnapped by a stranger whose origins are unknown.

"Yuechan, what do you mean by these words?" Ye Chen wanted to know the meaning of the words Chu Yuechan said to himself.

"Giggling, I mean finding the existence of little sister Lulu is very easy, why should you confuse like that just to find the whereabouts of little sister Lulu" Chu Yuechan giggled at Ye Chen.

"Yuechan do you have any way to find Lulu's whereabouts?" , Ye Chen quickly asked Chu Yuechan back.

"Of course I know how, it's very easy" Chu Yuechan said to Ye Chen.

"Yuechan , quickly tell me how." Ye Chen was a excited when he heard that Chu Yuechan had a way to find Xiao Lulu's whereabouts.

"Giggle, master, it's very easy, all you need to do is use the king's heart technique to sense the presence of little sister Lulu." Chu Yuechan told Ye Chen to use the King's heart technique he had.

"Huh? , using the king's heart technique to find Lulu's whereabouts? "Ye Chen was a little confused when Chu Yuechan told himself to use the king's heart technique to find the existence of Xiao Lulu.

"Master, didn't I tell you to study the king's heart technique more deeply, why are you so lazy to learn more about the King's heart technique." Chu Yuechan said helplessly.

Apart from being used for Dual Cultivation and seducing a woman, the King's Heart technique still had many other extraordinary uses, one of which was in this kind of situation.

"Sorry about that." Ye Chen was ashamed of Chu Yuechan's words, it was true that Ye Chen was very lazy to learn more about the king's heart technique.

The reason Ye Chen didn't study the king's heart technique more deeply was because he didn't want to be more obscene than this time, the contents in the king's heart technique were too obscene to learn, Ye Chen was afraid he would turn into a very perverted man if he studied deeper into the king's heart technique.

Even now, Ye Chen felt a significant difference when he had not learning the king's heart technique and after learning the king's heart technique.

One of the factors that he became what he is today was probably because of this technique, because of this Ye Chen did not study the king's heart technique any more.

Chu Yuechan only sighed when he heard Ye Chen's defense.

"Ye Chen, you and Xiao Lulu should have connected with each other after perfect Dual Cultivation, you can use this connection to search for Lulu's little sister." Chu Yuechan told Ye Chen how to find Xiao Lulu's whereabouts very easily.

"So it turns out like that." Ye Chen nodded at Chu Yuechan, after getting an explanation from Chu Yuechan , he started trying to do what Chu Yuechan told himself.
