

### Chapter 471 - Dongfang Xiu Gentle Groaned

Ye Chen returned to the place where Dongfang Xiu was, when Ye Chen arrived at where Dongfang Xiu was, he saw that currently Dongfang Xiu was still in the process of recovering herself.

Ye Chen approached where Dongfang Xiu was, Ye Chen got on the bed

Ye Chen sat cross-legged beside Dongfang Xiu, he began to close his eyes and cultivate.

"What do you find? ", Dongfang Xiu asked what did Ye Chen find after exploring this cave.

"There is nothing interesting, you better recover quickly so we can get out of this problem as soon as possible" Ye Chen did not tell Dongfang Xiu about what he had just found in this cave.

Dongfang Xiu didn't ask any further, she closed her eyes and regained the strength she had.

Two more days have passed, Ye Chen feels very bored if he has to stay in this cave any longer.

Usually Ye Chen wouldn't be bored when he was with a beautiful goddess like Dongfang Xiu, but this time Ye Chen was really bored.

Dongfang Xiu was too quiet and cold, even after two days together she didn't speak a word to Ye Chen.

"Hey goddess Dongfang Xiu, don't you have a way so that we can get out of this kind of situation, I can't stand having to keep hiding like this." Ye Chen couldn't take it anymore, Ye Chen wanted Dongfang Xiu to find a solution so that the two of them could get out a situation.

"Why are you so fussy, it's only been two days, if you really don't like it you can leave here" Dongfang Xiu said to Ye Chen.

Dongfang Xiu's tone was no longer cold, she was currently turning into an absurd young woman

For Dongfang Xiu two days was a very short time, so she didn't feel that two days was a very long time.

"May I ask something about you?" Ye Chen wanted to ask something about Dongfang Xiu.

"What is that?" Dongfang Xiu replied to Ye Chen.

"What's your ideal man like?" Ye Chen wants to know what kind of man a goddess Dongfang Xiu likes.

"Why do you ask things like this?" Dongfang Xiu started to question Ye Chen.

"Well I just want to know, who knows if I fall into the category of your ideal type." To overcome this boredom, Ye Chen decided to tease Dongfang Xiu a little.

Seeing that the current Dongfang Xiu didn't show a cold temper like before, Ye Chen now dared to tease Dongfang Xiu.

"Hempf, it's definitely not like you." Dongfang Xiu sniffed at Ye Chen.

"Come on, just tell me what type you like." Ye Chen became curious about the man who was Dongfang Xiu's favorite type.

"Well if you insist, I will say a man who is worthy of being my husband, first he must be smart, second he must be great than me, and third he must be the strongest person in God Realm" Dongfang Xiu told Ye Chen what kind of man is worthy of her. .

Ye Chen: "-\_-".

The conditions that Dongfang Xiu said were too unreasonable, it was an extremely difficult thing for most people in the entire God Realm to do.

Even Ye Chen doubted that anyone could fulfill all of the conditions that Dongfang Xiu said at this time.

"How do you understand? , if you want to chase me then you have to fulfill all the conditions I said earlier "said Dongfang Xiu to Ye Chen.

"Well it seems I don't have a chance to pursue a beautiful goddess like you." Ye Chen felt that Dongfang Xiu's conditions were too much.

"You give up too quickly, do you dare to call yourself a man with your character like that" Dongfang Xiu sneered at Ye Chen.

"Who are you saying not Man? , I am a big man. "Ye Chen was dissatisfied when Dongfang Xiu doubted that he was not a man.

"Then show me that you really are Man" said Dongfang Xiu to face Ye Chen.

"Okay I will show you who I am" Ye Chen will show who he is to Dongfang Xiu.

This is the right time for Ye Chen to take revenge for what Dongfang Xiu did to his younger brother.

Ye Chen started extending his hand towards Dongfang Xiu, he used the king's heart technique to make Dongfang Xiu excited.

"What do you want to do. . . , Ah. . . " Dongfang Xiu started to feel hot and weak when Ye Chen's hand touched her.

"You pervert, what do you want to do to me? " Dongfang Xiu asked Ye Chen while enduring the discomfort in her body.

"Isn't it obvious, show you that I am a man." Ye Chen began to stretch out his hand towards the white ancient dress that was worn by Dongfang Xiu.

Ye Chen deftly took off the white ancient dress that was worn by Dongfang Xiu, because he was very familiar with it, now Ye Chen could easily take off the white ancient dress that Dongfang Xiu was wearing.

"You shameless perverted criminal, I will definitely kill you." Dongfang Xiu shouted at Ye Chen with the various nicknames of a pervert,Dongfang Xiu even threatened to kill Ye Chen.

If only Dongfang Xiu's strength was present, she would have killed Ye Chen with just one clap.

Ye Chen no longer cared about the threats that Dongfang Xiu said, his pride as a man was at stake here, so he couldn't back down anymore.

Ye Chen had finished removing all the ancient dresses that Dongfang Xiu wore, Dongfang Xiu's entire naked body was currently displayed right in front of Ye Chen's eyes.

Ye Chen could even see Dongfang Xiu's secret garden which was very, very beautiful, Dongfang Xiu's secret garden was very clean, not a single grass grew at the bottom of Dongfang Xiu's.

A woman with the nickname white tiger is indeed different, No matter how many times Ye Chen sees this, he never gets tired of seeing Dongfang Xiu's secret garden.

Ye Chen started stretching out his fingers to play with Dongfang Xiu's secret garden.

"Um, ah. . . , stop. "Dongfang Xiu told Ye Chen to stop, she could not stand the stimulation by Ye Chen.

Ye Chen was not satisfied just playing on Dongfang Xiu's courtyard, Ye Chen's fingers began to try to enter the honey cave that no one in the entire world had ever explored.

"Ahhh. . . , "Dongfang Xiu groaned in a very, very soft voice, her body moved extremely violently when Ye Chen's fingers entered a place that no one had ever visited in her life.

Ye Chen's bones melted just from hearing the soft moaning sound that Dongfang Xiu let out.

Unexpectedly when the beautiful Goddess Dongfang Xiu was stimulated, he would make a groaning sound that could make every man in this world melt because of a very soft voice.

"Wow, this is so scandalous." Ye Chen felt that his fingers were pinched very tightly by the very soft walls of Dongfang Xiu's honey cave, plus a very strong suction kept pulling Ye Chen's fingers deeper.

Ye Chen began to imagine what it would be like if his younger brother entered Dongfang Xiu's honey cave. Wouldn't it be amazing if you were in there.

#### **Chapter 472 - I Will Do Whatever You Want**

Ye Chen continued to use the fingers he had to make Dongfang Xiu feel even better.

"Stop it. . . , I beg you to stop. "Dongfang Xiu could no longer stand Ye Chen's fingers stimulating her.

Dongfang Xiu's body couldn't help but feel the pleasure emanating from Ye Chen's fingers.

Strangely, even though Dongfang Xiu tried to reject Ye Chen, she didn't even try to push Ye Chen away, her body seemed to be enjoying this.

Ye Chen smiled with satisfaction when he saw that Dongfang Xiu had started to sink into this pleasure.

" Do you now believe that I am a man? ", Ye Chen said to Dongfang Xiu.

Yes. . yes, I believe, please let me go right now. "Dongfang Xiu immediately nodded to Ye Chen, Dongfang Xiu only hoped to get out of this situation, she didn't care if she had to lie in front of Ye Chen.

"I feel that your words are completely insincere, then I will let you know how good I am." Ye Chen started to get serious this time, he put all the power he had to make Dongfang Xiu feel a pleasure that is incomparable in the world.

In the past, Chu Yuechan once said that women from God Realm cannot be obtained by normal means, to be able to get women from God Realm, you must be able to dominate them so that they can be conquered.

"Goddess, you are so beautiful, it would be very dear to me if your beauty was not respected wholeheartedly." Ye Chen started whispering sweet words to Dongfang Xiu.

Dongfang Xiu's body trembled when she heard Ye Chen's words that were so sweet, Dongfang Xiu had never heard such sweet words from a man.

Ye Chen suddenly bit Dongfang Xiu's ear.

"Ahh. . , stop, don't bite me." Dongfang Xiu groaned when Ye Chen bit her ear.

This stimulation made Dongfang Xiu's mind very confused, she felt that her mind would really be overpowered by the pleasure that Ye Chen gave.

"Goddess, don't fight anymore, be my woman, I will definitely make you the happiest woman in this world, okay." Ye Chen whispered sweet words to Dongfang Xiu.

Every whisper from Ye Chen was like a demonic whisper that was drowning herself in lust.

Dongfang Xiu had to admit that this was the most joyful thing she had ever experienced in this life.

Dongfang Xiu's body and mind began to completely sink into Ye Chen's technique

Seeing Dongfang Xiu not answering himself, Ye Chen decided to pull back his hand, he pushed Dongfang Xiu away.

"Eh. . ." Dongfang Xiu was surprised when she saw Ye Chen stop, even though she was just about to reach the peak of happiness.

Ye Chen went away from Dongfang Xiu, Ye Chen returned to the side of the bed he previously occupied, Ye Chen acted like nothing had happened.

Dongfang Xiu felt an extremely uncomfortable feeling in her body, this uncomfortable feeling was very disturbing to Dongfang Xiu.

"Why did he stop, even though I was just about to reach the top" in her heart Dongfang Xiu complained to Ye Chen who suddenly stopped at such an important moment.

Dongfang Xiu rubbed her body uncomfortably, now Dongfang Xiu felt that there were hundreds of thousands of ants crawling on her body.

This feeling was very uncomfortable, Dongfang Xiu needed Ye Chen to get rid of this discomfort.

Ye Chen was deliberately making Dongfang Xiu uncomfortable, it would not be called revenge if Ye Chen couldn't make Dongfang Xiu feel such discomfort.

Now that Ye Chen only needed to wait for Dongfang Xiu to beg himself, it would be an extraordinary thing when a beautiful goddess like Dongfang Xiu begged him to do that.

Just imagining this made Ye Chen both very happy and proud.

Time passed, neither Ye Chen and Dongfang Xiu wanted to say a word.

Ye Chen's current situation was very good, he was currently sitting lazily with his back to Dongfang Xiu.

Dongfang Xiu herself was in quite a bad state, she was currently heaving her breath as she tried to endure the uncomfortable feeling in her body.

"This woman is strong enough to endure it." It was unexpected that Dongfang Xiu was strong enough to endure such feelings for such a long time.

When Ye Chen thought about this, he suddenly felt a soft hand hugging him from behind.

When Ye Chen looked back, he saw that Dongfang Xiu was the one hugging him.

"Why are you hugging me, didn't you say to stay away from you?" Ye Chen tried to push Dongfang Xiu away from him.

Dongfang Xiu didn't want to leave Ye Chen's side, she hugged Ye Chen's neck very tightly.

"I'm sorry for that, I beg you to please get rid of this uncomfortable feeling." Dongfang Xiu was really begging and asked Ye Chen to continue what the two of them had previously done.

Dongfang Xiu had already reached her limit, right now she really needed Ye Chen to get rid of the uncomfortable feeling in her body.

Ye Chen's plan finally worked, Dongfang Xiu finally asked himself to do what they had previously done.

If this was discovered by the people of the God Realm, it would definitely be an extraordinary commotion, one of the four beautiful goddesses of the western region actually asked a man to do that.

"No, I don't want to." Ye Chen immediately rejected Dongfang Xiu's request.

If there were people who saw what Ye Chen was doing right now then it was certain that they would yell at Ye Chen stupidly, how could a man refuse the invitation of a beautiful goddess like Dongfang Xiu.

Ye Chen would not be that easy to do what Dongfang Xiu wanted, he had to make Dongfang Xiu pay for what she had done to himself.

Goddess Cold Dongfang Xiu really couldn't take it anymore, right now she really needed Ye Chen to overcome the discomfort in her body.

"I beg of you, I will do whatever you want" Dongfang Xiu spat out the words that Ye Chen wanted.

Ye Chen smiled wickedly when he heard this, finally what he had been waiting for came out of Dongfang Xiu's mouth.

Dongfang Xiu really promised to do whatever Ye Chen wanted.

"are you serious ? ", Asked Ye Chen to Dongfang Xiu.

Dongfang Xiu immediately nodded to Ye Chen, as long as Ye Chen could get rid of this extremely uncomfortable feeling, Dongfang Xiu would do whatever Ye Chen wanted.

"To prove your words I want you to call me a good husband, quickly say" To prove that Dongfang Xiu really has sincere intentions, Ye Chen wanted to test it with very simple things.

"Good husband." Dongfang Xiu called Ye Chen in a very soft voice.

Dongfang Xiu really did what Ye Chen wanted.

Ye Chen was very excited when he heard this, it was unexpected that the goddess Dongfang Xiu would call him a good husband.

This is what every man in God Realm wants, a cold goddess actually calls himself a good husband.

"Very good." Ye Chen was very satisfied, now that he knows how to make the best use of the king's heart technique, even a Cold Goddess like Dongfang Xiu turned into like under the king's heart technique he had.

"This morning, do you still remember what you did to me before? ", Ye Chen asked Dongfang Xiu about the incident that happened this morning.

Dongfang Xiu certainly still remembers the incident that happened this morning when she injured Ye Chen's younger brother who was below.

### **Chapter 473 - Cold Goddess Couldn't Be Honest With Her Feelings**

"I want you to take responsibility and heal it for me, if you can do it well then I will give you a gift." Ye Chen immediately said what he wanted.

At this moment Ye Chen's large thing below had raised the spear very high.

"OK" Dongfang Xiu nodded obediently, as he started to go in front of Ye Chen, Dongfang Xiu started to take off the pants that Ye Chen was wearing.

Dongfang Xiu clumsily enough tried to take off Ye Chen's pants.

After a little more effort, Dongfang Xiu finally took off Ye Chen's pants.

An immense object appeared right before Dongfang Xiu's eyes, Dongfang Xiu's eyes were filled with love when she saw Ye Chen's large object for the second time.

Dongfang Xiu still clearly remembered the taste of tasting this large object, it was truly extraordinary to taste this large object.

Dongfang Xiu stretched her hand towards the large object in front of her, when Dongfang Xiu touched this thing, she felt that it was very hot and very hard.

"Glup. . ." Dongfang Xiu started to gulp her saliva when she touched this large object.

"Er. . . , what should I do now ? ", Dongfang Xiu asked Ye Chen what she should do at this time.

"Just do it like that time, let your little mouth heal it for me" Ye Chen told Dongfang Xiu to serve the younger brother who was downstairs.

Dongfang Xiu was a little scared when Ye Chen told herself to put this big thing into her mouth. This thing was much bigger than what Dongfang Xiu remembered.

Dongfang Xiu started to open her cherry lips to wrap Ye Chen's big thing, Ye Chen's big thing was wrapped in something moist, soft and very comfortable, this feeling was very pleasant for Ye Chen.

one of the western region's four beautiful goddesses was actually volunteering to give Ye Chen a service like this.

Ye Chen certainly enjoyed this very much, this was something he could not imagine in this life.

"Slurppp. . . , Slurppp. . . , Slurppp. . ." Dongfang Xiu started to suck on Ye Chen's big thing like eating a huge Loli candy.

"Don't use your teeth." Ye Chen told Dongfang Xiu not to use the teeth she had so as not to scratch him.

Dongfang Xiu immediately understood, she no longer used her teeth so as not to injure Ye Chen's.

Ye Chen started guiding Dongfang Xiu even further to satisfy himself.

"Well, this is amazing." Ye Chen stroked Dongfang Xiu's snow-white hair which was extremely soft.

Ye Chen felt that this was extraordinary, Dongfang Xiu was very genius in just a very short time Dongfang Xiu could learn what Ye Chen said.

Dongfang Xiu is really addicted to eating this big thing, it's really very delicious for Dongfang Xiu.

Ye Chen didn't want to stay still, now it was his turn to make Dongfang Xiu feel comfortable.

"Rotate your body 180 degrees, let me make you feel comfortable", Ye Chen told Dongfang Xiu to rotate her body 180 degrees.

"Buh." Dongfang Xiu vomited the large object in her mouth.

She started to rotate her body position 180 degrees, right now Dongfang Xiu's secret area was in front of Ye Chen's face.

After turning her body, Dongfang Xiu continued serving Ye Chen's large object.

Ye Chen also started to serve Dongfang Xiu.

"Erm. . . , ahhh. . ." Dongfang Xiu's body suddenly shook as Ye Chen's tongue played in his forbidden place.

Dongfang Xiu finally regained the feeling she had lost before, she was very happy with this feeling.

The two of them continued to serve each other, Ye Chen and Dongfang Xiu were immersed in the pleasure of this love.

All the dissatisfaction in Ye Chen's heart began to dissipate, he now quite liked this kind of Dongfang Xiu.

According to Ye Chen this was better than cold Dongfang Xiu.

After 10 minutes, Ye Chen felt that he was going to come out, Dongfang Xiu's technique was very good, Ye Chen felt that he would take out all the burdens he had.

Dongfang Xiu also felt the same way, he felt that from within her something would come out that he could no longer endure.

"Emmmm, my goddess will come out" Ye Chen shouted to warn Dongfang Xiu.

"I also something will come out" Dongfang Xiu also shouted at Ye Chen.

Ye Chen shot a lot of his Yanqi essence into Dongfang Xiu's mouth.

Dongfang Xiu's mouth immediately bulged when she received the hot Yangqi essence from Ye Chen.

"Glupp. . ., Glupp. . ., Glupp. . Dongfang Xiu started to swallow up all of Ye Chen's Essence.

Dongfang Xiu did not feel disgusted by this, she simply enjoyed the taste of Ye Chen's Essence which was very delicious, this was the most extraordinary taste that Dongfang Xiu had ever tasted.

Dongfang Xiu also put a lot of Yinqi on Ye Chen's face, Ye Chen did not waste time and absorbed the Yinqi that Dongfang Xiu just put out.

"Chu. . "Dongfang Xiu cleaned Ye Chen's thing, she didn't let a single drop of Ye Chen's Essence go to waste.

Ye Chen was currently enjoying the services provided by Dongfang Xiu, when Ye Chen was enjoying the services of Dongfang Xiu, suddenly Dongfang Xiu bit his big object.

"Ouch." Ye Chen groaned a little when Dongfang Xiu bit into his large object.

As Ye Chen looked down, he saw Dongfang Xiu's angry gaze.

Ye Chen broke out in a cold sweat when he saw Dongfang Xiu's angry gaze.

After receiving the Essence from Ye Chen, Dongfang Xiu started to become aware, she was no longer under the influence of Ye Chen's king heart technique.

After Dongfang Xiu realized, the first thing Dongfang Xiu did was bite Ye Chen's younger brother.

Luckily, Dongfang Xiu's bite wasn't too heavy, if Dongfang Xiu meant it, then the current Ye Chen's younger brother could break up.

From the start Dongfang Xiu didn't want to hurt Ye Chen, she just wanted to teach the big pervert Ye Chen a little lesson for daring to tease herself like that.

To be honest Dongfang Xiu had difficulty leaving Ye Chen after experiencing things like before, she really really liked what she had just done together with Ye Chen.

"Beautiful goddess, please release your bite." Ye Chen tried to persuade Dongfang Xiu to want to let go of his younger brother who was below.

If Dongfang Xiu bites him, then Ye Chen will no longer be a man.

Dongfang Xiu still didn't want to let go of Ye Chen's things, she kept looking at Ye Chen.

Ye Chen really needed to find a way for Dongfang Xiu to release her bite.

"Good wife, we can talk about this carefully." Ye Chen tried to seduce the beautiful goddess Dongfang Xiu.

After being seduced by Ye Chen, finally Dongfang Xiu wanted to release her bite at Ye Chen's large object.

"Who wants to be your wife, you pervert." Dongfang Xiu turned her face to the side.

Dongfang Xiu really couldn't be honest with her own feelings for Ye Chen.

After being released by Dongfang Xiu, Ye Chen immediately saw his younger brother, fortunately nothing happened to his belongings, he felt very relieved.

It seemed that from the start Dongfang Xiu didn't want to hurt Ye Chen.

Ye Chen was quite happy when he saw Dongfang Xiu not injure him, it seemed that this woman was not as bad as she thought.

#### **Chapter 474 - Hiding Location Was Found By Xui Jin**

Seeing that Dongfang Xiu was not that angry with him, Ye Chen stepped towards Dongfang Xiu, he started to hug Dongfang Xiu's beautiful body.

"Ummm. . . ." Dongfang Xiu was quite surprised by Ye Chen's courage.

This pervert still dared to play with herself, Dongfang Xiu started to fight back, she started pushing Ye Chen away.

"Goddess, you are so beautiful." Ye Chen whispered sweet words in Dongfang Xiu's ear.

Dongfang Xiu stopped fighting when she heard Ye Chen's sweet words, Dongfang Xiu couldn't stand Ye Chen's very sweet words.

Somehow every time Ye Chen praised herself as being beautiful, Dongfang Xiu felt that her heart was very sweet.

in her life, today Dongfang Xiu felt a sweet feeling in her heart, Dongfang Xiu had never felt this sweet feeling in her life.

After all, in God Realm, it was almost impossible for anyone to move Dongfang Xiu's heart.

Apart from her very high status, Dongfang Xiu was known to be extremely cold, so no one dared to cause trouble for Dongfang Xiu.

"Stop seducing me, it won't work on me" Dongfang Xiu told Ye Chen to stop saying such sweet words to herself.

"Really?, Then why is your face slightly flushed?" Ye Chen smiled when he saw Dongfang Xiu's face, which turned slightly red.

Wherever Ye Chen's sweet words worked on Dongfang Xiu.

"It's because it's a bit hot in here." Dongfang Xiu still had some way of making excuses.

"It's hot? It's cold in here, how can you feel hot? "This is a Snow Polar star whose entire surface is covered with Snow and Ice, so the temperature in this place is never high.

The reasoning made by Dongfang Xiu was easily broken by Ye Chen.

Dongfang Xiu became embarrassed when the excuse she made made herself sink deeper into the hole she had made.

Dongfang Xiu was completely cornered by Ye Chen, now she doesn't know how to reply to Ye Chen's words.

Ye Chen felt attracted when he saw Goddess Dongfang Xiu become embarrassed like this, maybe this was a scene that people who came from God Realm had never seen.

Ye Chen immediately pounced Dongfang Xiu onto the bed, Dongfang Xiu, who was not ready, was shocked by what Ye Chen was doing.

"Big pervert, what do you want to do? ", Dongfang Xiu immediately rebelled, she tried to get away from Ye Chen.

"What's more, of course I want you." Ye Chen really wanted Dongfang Xiu, he wanted to do this together with Dongfang Xiu.

Dongfang Xiu blushed when she heard this, this man in front of her was really very brave to say something like that.

Ye Chen was completely different from every man Dongfang Xiu met.

Usually every man that Dongfang Xiu meets will be very respectful and always try to please herself so that he can be close to her.

Whereas Ye Chen didn't respect or please Dongfang Xiu at all, all this man wanted was her.

Ye Chen started caressing Dongfang Xiu's beautiful body, Ye Chen was already ready to do that with Dongfang Xiu.

"Emmm" Dongfang Xiu started to groan when her body was being caressed by Ye Chen.

Dongfang Xiu felt strange about herself, even though she knew that at this time she was being harassed by Ye Chen, Dongfang Xiu had no intention of expelling Ye Chen who was on top of her body.

Dongfang Xiu seemed to accept what Ye Chen was going to do to her

"Beautiful goddess, are you ready to become my woman?" Ye Chen whispered in Dongfang Xiu's ear.

Dongfang Xiu's face immediately turned red, she immediately turned her face to the side, Dongfang Xiu did not dare to look Ye Chen's eyes.

Ye Chen thought that Dongfang Xiu agreed, if Dongfang Xiu rejected him, Dongfang Xiu would have thrown Ye Chen away a long time ago.

"Hahaha, I finally found you, you will no longer be able to escape from me." When Ye Chen and Dongfang Xiu were about to do this, suddenly heard Xui Jin's voice outside.

Ye Chen and Dongfang Xiu were immediately shocked when they heard Xui Jin's voice outside this cave.

Dongfang Xiu immediately pushed Ye Chen away, she immediately took the ancient dress that was beside her, Dongfang Xiu quickly put on the ancient dress she just took.

Ye Chen also did the same, he immediately put his pants back on.

Ye Chen was very annoyed when Xui Jin came and interfered, even though the previous situation was very good to get Goddess Dongfang Xiu, unexpectedly at such an important moment Xui Jin would come and disturb him and Dongfang Xiu.

"How can this man find out where we are?", Ye Chen started to wonder how Xui Jin could find their hidden existence.

"Maybe he used a special method to find our whereabouts", Dongfang Xiu started to suspect that Xui Jin used a special method to find existence.

"What are you going to do, can you fight?", Ye Chen asked Dongfang Xiu.

"The strength that I have still hasn't recovered, at best the strength I have is still around 60%", Dongfang Xiu told Ye Chen that currently the strength she has is still not fully recovered.

Moreover, at this time their escape route was blocked by Xui Jin, so they couldn't run from Xui Jin.

Now that Ye Chen and Dongfang Xiu were completely cornered, the two of them could no longer run from Xui Jin's palms.

Ye Chen and Dongfang Xiu could hear that Xui Jin started to enter this place.

Xui Jin quickly went towards Ye Chen and Dongfang Xiu.

"There is no time let's go to this part of the cave." Ye Chen pulled Dongfang Xiu's hand, he invited Dongfang Xiu to fly towards the deeper part of this cave.

Dongfang Xiu didn't fight Ye Chen at all, she followed Ye Chen to the deeper part of this cave.

Xui Jin didn't let Ye Chen and Dongfang Xiu escape that easily, he went after Ye Chen and Dongfang Xiu who were currently heading towards the inside of this cave.

During these two days Xui Jin had almost gone crazy looking for the whereabouts of Dongfang Xiu and Ye Chen, Xui Jin used various methods and resources at his disposal to search for the whereabouts of Ye Chen and Dongfang Xiu.

After consuming a lot of resources and time, Xui Jin finally discovered the whereabouts of Ye Chen and Dongfang Xiu.

Whatever happens, Xui Jin will not let go of these two people who have made him use up all the resources he has.

Ye Chen brought Dongfang Xiu to the inside of this cave, because Ye Chen had already explored this place, he could easily find a way to the inside of this cave.

10 minutes later, Ye Chen arrived in front of the Ice gate with a strange carving.

When she saw this strange carving, Dongfang Xiu felt curious, she had never seen the language engraved on this Ice gate.

"Let's go inside." Ye Chen immediately ordered Dongfang Xiu to come inside.

Dongfang Xiu followed Ye Chen into the Ice Gate.

After the two of them entered, Ye Chen tried to close the ice gate.

After trying for a while Ye Chen was unable to close the Ice gate.

"Let me help" seeing Ye Chen struggling to close the ice gate, Dongfang Xiu took the initiative to help Ye Chen.

Ye Chen and Dongfang Xiu teamed up to close the Ice Gate.

#### **Chapter 475 - Hopeless Situation**

Even though Ye Chen and Dongfang Xiu had teamed up to push through this Ice Gate, the Ice Gate still didn't want to move an inch.

"Hey Yuechan, do you know how to close this gate? "Seeing the normal way doesn't work, Ye Chen immediately asked Chu Yuechan how to close this gate.

"Sorry, I also don't know how to close the ice gate." Chu Yuechan also didn't know how to close the ice gate.

To Chu Yuechan the mechanism of the Ice Gate door was still very foreign to her.

If Ye Chen and Dongfang Xiu couldn't close this ice gate, then they would not have survived Xui Jin's pursuit.

"Where are you going to run? ", Xui Jin finally caught up with Ye Chen and Dongfang Xiu.

Xui Jin looked at Ye Chen and Dongfang Xiu with very angry eyes.

Seeing that Xui Jin had caught up with them, Ye Chen and Dongfang Xiu became very alert, they immediately retreated a few meters.

"Finally after two days of searching, I managed to find the whereabouts of both of you, hahaha" Xui Jin laughed quite creepily.

Xui Jin was quite satisfied when he saw Ye Chen and Dongfang Xiu.

"Bitch, hurry and give the Heavenly Silver Flame, otherwise I will make both of you die very, very painful." Xui Jin asked Dongfang Xiu for the Heavenly Silver Flame.

"I will never hand over the Heavenly Silver Flame to you, even if I have to die even." Dongfang Xiu still insisted on not giving Xui Jin the Heavenly Silver Flame.

Dongfang Xiu's attitude turned cold towards Xui Jin

Even though Dongfang Xiu gave Xui Jin the Heavenly Silver Flame, Xui Jin would definitely kill herself and Ye Chen.

Xui Jin couldn't help but have to kill Ye Chen and Dongfang Xiu to cover up this problem, if Xui Jin let the two of them escape there would definitely be problems in the future.

Xui Jin didn't want that to happen, he had to kill Ye Chen and Dongfang Xiu so that no one would know that the Heavenly Silver Flame he got was from Dongfang Xiu.

If only Dongfang Xiu was a woman from an ordinary family, Xui Jin might still be able to sell her to a slave seller.

With the beauty that Dongfang Xiu has, there will definitely be many people who pay a very high price to get a beauty like a goddess.

Unfortunately none of the silly sellers were willing to accommodate Dongfang Xiu, they didn't want to find a problem because of a small profit.

Sacred Heaven Star Realm is an immense power in God Realm, there is no fool who wants to find trouble with Sacred Heaven Star Realm.

"Well if that's what you want, before I kill you I will make sure that I will torture you until you beg me to kill you" Xui Jin said what he did to Dongfang Xiu.

"Ye Chen, take this." Dongfang Xiu handed the necklace around her neck to Ye Chen.

Ye Chen received Dongfang Xiu's necklace "why are you giving me this? ", Ye Chen asked why did Dongfang Xiu give himself the profound ark that she had.

"You can use the profound ark that I have to escape from here, I will open a path for you." Dongfang Xiu told Ye Chen to escape from here.

Instead of the two of them dying in this place, it would be better if either of them could escape from this place.

Because of this Dongfang Xiu wanted Ye Chen to leave this place, from the start it was Dongfang Xiu who had dragged Ye Chen into the trouble she had.

"I won't leave you alone in a place like this." Ye Chen didn't want to leave Dongfang Xiu here alone.

"There is no time to argue about this matter, I will immediately open an escape route for you, so prepare yourself." Dongfang Xiu told Ye Chen to get ready, she would pave the way for Ye Chen.

Dongfang Xiu took his Snow Butterfly Sword from the storage room ring, a thin sword appeared in Dongfang Xiu's hand.

Dongfang Xiu did not waste any more time, she rushed towards Xui Jin who was in front of her.

Xui Jin immediately took his two-handed large sword, he immediately fought Dongfang Xiu.

"Clang. . . , clang. . . , clang. . ." Dongfang xiu's weapon collided with Xui Jin's weapon.

In this exchange, Dongfang Xiu was very, very depressed by Xui Jin.

When Dongfang Xiu was fighting Xui Jin, Ye Chen was still in his place.

"Hurry and go, don't waste any more time." Seeing Ye Chen still standing on the spot with a dazed expression, Dongfang Xiu immediately scolded Ye Chen to leave this place.

If Ye Chen didn't leave right away, then Dongfang Xiu wouldn't be able to hold Xui Jin any longer.

"Master, don't waste your time, hurry up and go now, that woman has sacrificed herself for you, don't let that woman's sacrifice go to waste." Chu Yuechan immediately told Ye Chen to leave this place.

For Chu Yuechan, Ye Chen's life was more important than anything in this world, if Ye Chen died, then Chu Yuechan would have a hard time finding a better substitute than Ye Chen.

Ye Chen's heart at this time was very chaotic, on the one hand he wanted to stay here to help Dongfang Xiu, on the other hand Ye Chen felt that he was afraid of death.

for the first time Ye Chen was afraid of death

"Get out of here right now" Dongfang Xiu shouted at Ye Chen in a very loud voice.

"Master quickly leave." Chu Yuechan also shouted at Ye Chen to quickly leave this place.

Due to the insistence of Dongfang Xiu and Chu Yuechan Ye Chen left carrying Dongfang Xiu's pendant necklace.

Dongfang Xiu felt relieved when Ye Chen had left this place, at least what she was currently doing was not in vain.

Dongfang Xiu only hoped that in the future Ye Chen could make the best use of the Heavenly Silver Flame in order to become a great cultivator.

"You stupid woman, you sacrificed yourself for that weak man, is such a weak man worth that you sacrificed yourself" Xui Jin did not understand the line of thought that Dongfang Xiu had.

"Shut up, you don't deserve to say that." Dongfang Xiu was annoyed when Xui Jin said bad things about Ye Chen.

Dongfang Xiu started attacking very aggressively at Xui Jin.

"You stupid woman feel this." Xui Jin didn't want to fight Dongfang Xiu for too long, he wanted to end this battle immediately.

Xui Jin launched a deadly attack on Dongfang Xiu.

"Bang" Xui Jin's great sword hit Dongfang Xiu's body, Dongfang Xiu was flown and crashed into this cave wall.

Dongfang Xiu immediately spat out a large amount of blood, Dongfang Xiu felt her entire internal organs spinning when she received an attack from Xui Jin.

The current condition of Dongfang Xiu was very bad, Dongfang Xiu was really in a desperate situation.

"Hahaha, it's a very rare sight to see one of the four beautiful goddesses in such a desperate situation." Xui Jin walked towards Dongfang Xiu, Xui Jin was standing right in front of Dongfang Xiu.

Xui Jin grabbed Dongfang Xiu's beautiful white hair. "Bitch quickly tell me where you kept the Heavenly Silver Flame." Xui Jin asked where Dongfang Xiu kept the Heavenly Silver Flame.

"You will never find the Heavenly Silver Flame that you are looking for." Dongfang Xiu didn't want to tell Xui Jin anything about the Heavenly Silver Flame.

### **Chapter 476 - Ye Chen Regained Courage**

"You bitch, you really want to die." Xui Jin threw Dongfang Xiu against the wall.

Dongfang Xiu hit the wall again, she spat out a mouthful of blood, Dongfang Xiu's condition became even worse than before.

Dongfang Xiu's gaze started to become blurry, it seemed like Dongfang Xiu would not be able to endure any longer.

"Tap. . , tap. . , tap. . ", Xui Jin walked closer to Dongfang Xiu.

"I asked you once where you hid the Heavenly Silver Flame, otherwise I will start tormenting you even more." Xui Jin asked Dongfang Xiu one last time.

if the answer given by Dongfang Xiu was still the same as before, then Xui Jin would start torturing Dongfang Xiu even more.

"Even if I die, I will never tell the Heavenly Silver Flame to someone like you." Dongfang Xiu would rather die than tell Xui Jin about the existence of the Heavenly Silver Flame that had fused with Ye Chen's body.

"You bitch, get ready." Xui Jin raised one of his hands, preparing to torture Dongfang Xiu.

Dongfang Xiu closed her eyes, she was already prepared to accept the consequences of this.

"Stop, the Heavenly Silver Flame you are looking for is on me." When Xui Jin was preparing to torture Dongfang Xiu, Ye Chen came and stopped Xui Jin.

Xui Jin and Dongfang Xiu immediately looked at Ye Chen, both of them did not believe that Ye Chen would come back to this place again.

"You Stupid." Dongfang Xiu didn't believe that Ye Chen would come back to this place again, even though she had been bothering to buy time to hold Xui Jin in this place, not expecting Ye Chen to come back to this dangerous place again.

Dongfang Xiu had already reached her limit, Dongfang Xiu's consciousness disappeared, the current Dongfang Xiu was completely unconscious.

Earlier when Ye Chen had fled from this place, he had felt in his heart a feeling of guilt and discomfort.

The feeling of fear made him forget who he really was, a cultivator should not be afraid of death, if indeed a cultivator was afraid of death, then it was useless to set foot in the cultivator world full of battles and risks.

After getting his identity back, Ye Chen decided to return to the place where Dongfang Xiu was, he couldn't let Dongfang Xiu die because of him.

Chu Yuechan was really angry with Ye Chen's reckless decision, if Ye Chen returned to that place, then it was certain that he would die at the hands of Xui Jin.

No matter how many aces Ye Chen brought out, he definitely wouldn't be able to win against Xui Jin.

The strength of the two of them was already in a completely different world, like an ant challenging a giant dragon.

Ye Chen paid no heed to Chu Yuechan's opinion, Ye Chen had his own plans to fight Xui Jin.

Ye Chen knew that he couldn't possibly win against Xui Jin using strength, therefore Ye Chen would rely on his brain to fight against Xui Jin.

Xui Jin turned his attention to Ye Chen "so the Heavenly Silver Flame is in your hands, that's great, quickly give the Heavenly Silver Flame to me, if you give the Heavenly Silver Flame to me then I will let you go alive" Xui Jin promised to let Ye Chen go if Ye Chen wanted to give himself the Heavenly Silver Flame.

"If I give you the Heavenly Silver Flame, will you let that woman go too? ", Asked Ye Chen to Xui Jin.

"Of course, as long as you give me the Heavenly Silver Flame, then I'll let you two go." Xui Jin smiled at Ye Chen.

Ye Chen did not believe in this person at all, it was clear that this person would not let go of himself even if he had obtained the Heavenly Silver Flame.

Currently the Heavenly Silver Flame has fused into Ye Chen's body, so Xui Jin could not possibly get the Heavenly Silver Flame he wanted.

Ye Chen used Nine Shadow Steps to sneak up behind Xui Jin.

"If you really want the Heavenly Silver Flame then chase after me" Ye Chen said to Xui Jin.

Ye Chen returned to using Nine Shadow Steps to go to the interior of this cave.

"You weak ant don't know yourself, how dare you challenge me, you will definitely feel the consequences" Xui Jin muttered in his heart.

Xui Jin did not immediately use the full speed he had to catch up with Ye Chen, he only used normal speed to catch up with Ye Chen.

A few moments later Ye Chen arrived in front of the Void Abyss, Ye Chen was already trapped, he had no way to go forward.

"Hahaha, why did you stop, don't you have the strength to run away from me?" Xui Jin has caught up with Ye Chen.

Even though he was only using his normal speed, Xui Jin could easily catch up with Ye Chen.

Ye Chen turned around, he looked at Xui Jin who was in front of him.

Ye Chen immediately summoned the Divine Yin Yang Sword, he prepared to fight against Xui Jin.

"Oi. Oi. Oi, do you seriously want to fight with me with your kindness?" Xui Jin laughed at Ye Chen who wanted to fight himself with very weak strength.

This was a joke that was very funny for Xui Jin, Xui Jin did not expect that someone who had not even reached the Divine Realm stage would dare to challenge himself like this.

But no problem, Xui Jin would play with this man for a while, he felt that it was quite fun to play with weak people like Ye Chen.

"You are so strong, if I don't dare to fight you, then I won't be able to protect what is precious I have." Ye Chen said to Xui Jin..

If Ye Chen was afraid of something like this, how could he protect the precious thing he had, in order to protect the precious thing he had, Ye Chen had to dare to do everything, even though he had to challenge a god once.

"How interesting, let's see if the words you have are comparable to the strength you have." Xui Jin immediately rushed towards Ye Chen.

From Ye Chen's body immediately came out of the Heavenly Silver Flame and Profound Ice, the two elements of fire and ice began to coalesce around Ye Chen's body.

Ice and Fire truly merged into one terrifying unity.

Xui Jin who saw this was quite shocked, he had never seen anyone who could combine Ice and Fire into one like that.

The thing that made Xui Jin the most shocked was the Heavenly Silver Flame that was brought out by Ye Chen.

"Damn, so you've successfully combined the Heavenly Silver Flame with yourself." Xui Jin looked very angry when he found out about this.

No wonder Dongfang Xiu said that he would never find the Heavenly Silver Flame he was looking for, it turned out that the Heavenly Silver Flame had fused with Ye Chen's body which he considered very weak.

Xui Jin now also knows why Dongfang Xiu insists on protecting Ye Chen, it turns out that Ye Chen is the person who holds the Heavenly Silver Flame.

## **Chapter 477 - Unbalanced Fight**

"You stupid bitch, how can she give the Heavenly Silver Flame to a weak person like this person?" Xui Jin grumbled in his heart, he was constantly chiding Dongfang Xiu's stupidity who had given something very precious to a weak person like Ye Chen.

" good . . ., good . . ., because I can't get back the Heavenly Silver Flame that I have, then I will make you a loyal puppet that will obey every command I give ".

Because Xui Jin could no longer get the Heavenly Silver Flame he wanted, Xui Jin could only turn Ye Chen into a loyal puppet that would serve him for life.

Xui Jin headed straight for Ye Chen, he stretched out his hand to grab Ye Chen's neck.

Ye Chen immediately raised the Divine Yin Yang Sword, the Divine Yin Yang Sword began to be enveloped by the fusion of the Heavenly Silver Flame and Profound Ice.

"Slash. . ."Ye Chen immediately cut towards the arrival of Xui Jin who was currently heading here.

"Clang. . ."Xui Jin's and Divine Yin Yang Sword's hands clashed.

As he collided with the Divine Yin Yang Sword that had been enveloped by the fusion of the Heavenly Silver Flame and Profound Ice, Xui Jin felt a tingling sensation just from touching it.

Knowing this, Xui Jin immediately took a few meters back.

When Xui Jin looked at his hand, he saw that his hand was slightly scratched, this was the most absurd thing Xui Jin had ever seen.

"What are you using it for?" Xui Jin wants to know what technique Ye Chen is using.

"Don't you see it yourself, this is the power of the Heavenly Silver Flame." Ye Chen told Xui Jin what this was.

Ye Chen didn't tell Xui Jin about his Sage God ability, Ye Chen wasn't that stupid to tell this to his enemy.

"Bastard, I'm teasing me, do you think the Heavenly Silver Flame has such terrifying power in your hands? ",Xui Jin doesn't believe that this is the power of the Heavenly Silver Flame.

The Heavenly Silver Flame would be very frightening if it was in the right hands, but if it was in the hands of a weak person, the Heavenly Silver Flame would not be a terrifying weapon.

"Do you think I am weaker than you", Ye Chen immediately used the Reideran pendant necklace he had to hide the cultivation he had from Xui Jin.

Now Xui Jin couldn't tell what level of strength Ye Chen had.

Xui Jin was very shocked when suddenly Ye Chen's strength could not be found out.

There were two possibilities if he could not know the opposing party's strength, the first was that the person was much stronger than himself, and the second was that the opponent was hiding his strength using a special artifact.

In the case of Ye Chen using an artifact was impossible, because an artifact could not possibly cover the power that had been released.

Seeing Xui Jin starting to hesitate while fighting himself, Ye Chen immediately took this opportunity to sneak up on Xui Jin.

Ye Chen took the pill plug and started to swallow it, he also immediately opened the Sage God Flame Vein, the strength that Ye Chen had immediately increased hundreds of times.

"Nine Shadow Step" Ye Chen used Nine Shadow Step, Ye Chen went straight behind Xui Jin.

"Feel this" Ye Chen slashed at Xui Jin using all the full strength he had.

Xui Jin did not realize that Ye Chen was currently behind him, he did not have time to avoid Ye Chen's attack, because of that Xui Jin could only cross his arms to ward off Ye Chen's slash.

"Bang. . ." Xui Jin was forced to take two steps back when he received this attack.

"Damn it's still not strong." The attack that Ye Chen did was still not strong enough to take Xui Jin away.

What Ye Chen is currently doing is extremely extraordinary, he is actually able to make a person at the Divine Preceptor Realm stage take two steps back, this is an extraordinary thing for a cultivator at the stage to do it. Overlord Realm.

"Bastard, how dare you do this to me, I don't care anymore if you die, this time I'll be serious." Xui Jin looked very angry when Ye Chen made a sneak attack on him.

Xui Jin immediately used the full strength he had, an immense pressure directly pressed against Ye Chen's body.

Ye Chen had a little trouble moving when Xui Jin brought out the strength he had

"Die, you bastard. . ." The profound flames started to envelop this place, Ye Chen was also surrounded by the profound flames that Xui Jin released.

Xui Jin's Profound Flames charged towards Ye Chen, Profound flames wanted to burn Ye Chen's body.

Ye Chen's body was immediately engulfed by the profound flames that were burning extremely hot.

" ha ha ha . . . Xui Jin laughed when he saw Ye Chen locked in the Profound Flame that he had, in a moment he would surely hear a scream of despair that would be very pleasant to hear.

30 seconds have passed, until now Xui Jin has not heard Ye Chen's scream of despair, this is very strange for Xui Jin.

What happened, why didn't he scream at all. "Xui Jin felt strange when he didn't hear Ye Chen's scream of despair.

"Whosss." Ye Chen used his finger to pinch the profound flames that enveloped him, the profound flames that enveloped him immediately dispersed when Ye Chen did this.

" What ? ? ? "Xui Jin couldn't believe that Ye Chen could destroy the profound flames he had so easily.

This is the power of the Sage God that can subdue all kinds of elements in this world, no matter how strong the fire is, he will not be able to injure Ye Chen, even if it is a type of Heavenly Flame.

Seeing this, Ye Chen became more and more confident, the more he was sure that he had a chance to beat this person.

"Get ready" Ye Chen attacked Xui Jin again using the Divine Yin Yang Sword that had been strengthened by using the Heavenly Silver Flame and Profound Ice.

"Damn, I won't let you win." Xui Jin took his two-handed sword, he used his two-handed sword to fight Ye Chen.

"Clang" Divine Yin Yang Sword collided with Xui Jin's two-handed sword,

In this exchange, Ye Chen was forced back several tens of steps, while Xui Jin still remained in his original position.

"Damn. very strong." After feeling the exchange, Ye Chen understood how strong Xui Jin really was, Ye Chen's hand felt very numb when he exchanged attacks with Xui Jin.

Ye Chen's hand that was used to hold the Divine Yin Yang Sword trembled due to the effect from the previous exchange.

Ye Chen used his other hand to hold his trembling hand.

Now Ye Chen's hands were holding the Divine Yin Yang Sword using both of his hands.

Xui Jin moved back towards Ye Chen, he was told to attack Ye Chen.

"Clang. . ., Clang. . ., Clang. . .," Ye Chen made another exchange with Xui Jin.

In every exchange, Ye Chen was forced to take several tens of steps back.

The battle this time was clearly unbalanced.

"Where the power you had before, quickly show it back to me" Seeing Ye Chen was cornered like this, Xui Jin became very happy.

### **Chapter 478 - Tough Win**

Ye Chen was really in a very bad state, every inch of Ye Chen's body really hurt so badly, every muscle he had ached when he exchanged attacks with Xui Jin.

Ye Chen's body really was no longer able to fight, but Ye Chen still forced his body to fight against Xui Jin.

"Hahahah, feel this." Xui Jin continued to attack Ye Chen, he didn't allow Ye Chen to breathe for a moment.

Ye Chen didn't want to give up, he kept trying to attack Xui Jin.

Even though Ye Chen knew that he was less powerful than Xui Jin, Ye Chen did not give up, he believed that he could beat Xui Jin.

Ye Chen's profound energy was running low because he had used up such an enormous amount.

Ye Chen had no choice but to open the Sage God Water Vein.

After Ye Chen used the Sage God Water Vein, an enormous amount of profound energy flowed through his body.

Ye Chen felt that the profound energy he had was limitless.

"One Hundred Thousand Fire Swords" Ye Chen summoned a thousand flaming flying swords to help himself against Xui Jin.

Whether Ye Chen's feelings or this was true, the One Hundred Thousand Fire Swords now looked much stronger than they had originally been.

With this Ye Chen firmly believed that this technique could help him against Xui Jin.

A thousand flaming swords started attacking Xui Jin, a thousand flames simultaneously aimed at Xui Jin's body.

"You idiot, what are you doing right now is useless, feel this." Xui Jin started swinging the two-handed sword in his hand.

Xui Jin's two-handed sword "slash" swept away all the flaming blades that were coming his way.

The thousand flying swords that Ye Chen just made disappeared instantly.

The power of Xui Jin's slashes was truly terrifying.

"Damn, it's useless." Ye Chen's attacks were completely pointless when dealing with Xui Jin.

Xui Jin was really too strong for Ye Chen to fight, even after Ye Chen used all the aces he had, Ye Chen was still unable to fight Xui Jin.

Ye Chen will not be able to win if this continues, he must immediately go to the direction the Void Abyss are in, this is Ye Chen's last hope, he hopes that this plan will work out very well.

"Gahhh" Xui Jin attacked Ye Chen with very strong power.

Ye Chen immediately avoided Xui Jin's attack which was very powerful.

Ye Chen ran towards the Void Abyss, he used the strength he had to run towards the Void Abyss.

"Where are you going to run, I will not let you run away after what you have done to me" Xui Jin chased after Ye Chen who was heading towards the Void Abyss.

Ye Chen continued to run towards the Void Abyss, only a few more steps Ye Chen arrived in front of the Void Abyss.

"Bamm" from behind someone hit Ye Chen's body, Ye Chen immediately fell to the ground when receiving this blow.

Ye Chen immediately turned around and saw that Xui Jin was right in front of him.

Xui Jin pointed the two-handed sword he had at Ye Chen's chest.

"Do you have any last words before dying? ",Xui Jin asked Ye Chen if he had one last word before he killed him.

"Hehehe, maybe I just said that to you." Ye Chen chuckled at Xui Jin.

"Huh? Are you too scared to become stupid and can't think clearly?" Xui Jin started to think Ye Chen was stupid when he heard Ye Chen's digressing words.

"I told you that you are the fool for underestimating your enemy." Ye Chen is currently behind Xui Jin.

Ye Chen used Nine Shadow Stepsto sneak behind Xui Jin, Xui Jin was completely unaware that what he was seeing was only Ye Chen's shadow.

"Azure Dragon Domain" Ye Chen didn't waste this opportunity, he immediately opened a domain, finally Ye Chen showed the Azure Dragon inheritance he got.

Around where Ye Chen had started to get dark, an Azure Dragon shadow projection appeared right behind Ye CHen.

"Roar. . ."This shadow projection began to roar towards Xui Jin.

An extremely strong ancient pressure began to envelop Xui Jin's body, Xui Jin was rendered immobile when the dragon shadow projection in front of Ye Chen roared.

"What's this?" Xui Jin didn't know what was going on, suddenly his body couldn't move at all. Xui Jin felt very depressed when he heard the roar of the dragon projection behind Ye Chen's body.

This is one of the greatness that Ye Chen got when he got the inheritance from the Azure Dragon, when this Domain is opened a very strong pressure will appear, everyone in this domain will not be able to move for a while.

The pressure within this domain was terrifying, no matter how strong Xui Jin was, he would definitely not be able to move for a while.

To open this Domain required immense amounts of profound Energy, if only Ye Chen didn't use the Sage God Water Vein then he wouldn't be able to maintain this Domain for a long time.

at most without the Sage God Water Vein, Ye Chen could only maintain this Domain for a few seconds.

Seeing that Xui Jin was no longer able to move for a while, it was time for Ye Chen to carry out the plan he had.

"I hope this is successful." Ye Chen just hopes that this plan can go very well.

From Ye Chen's chest appeared several specks of light, within each of these specks of light contained quite a strong force.

Light began to gather in front of Ye Chen, the light began to condense into a ball the size of an adult male fist.

Ye Chen pointed this ball of light at Xui Jin. "Get ready to accept your death." Ye Chen said to Xui Jin who was currently unable to move.

"Shoot" ball of light were fired at Xui Jin.

"boomm" The ball of light exploded right in front of Xui Jin, Xui Jin immediately took a few steps backwards upon receiving this powerful explosion.

After Ye Chen shot a ball of light at Xui Jin, he immediately fell to the floor of the cave, Ye Chen was at his limit, he was no longer able to defend the Domain and Sage God Water Vein that he opened.

After Ye Chen fell, the Azure Dragon Domain disappeared immediately, after the Azure Dragon Domain Disappeared, Xui Jin could naturally move back.

Xui Jin did not expect that his previous strength was strong enough to make him take a few steps back.

Xui Jin felt very strange, he suddenly lost his footing on the cave floor underneath.

When Xui Jin looked down he saw that the floor below him had turned completely dark, this was clearly different from the floor that was several meters ahead of him.

It was not only under his feet that darkened, the surroundings of Xui Jin also darkened.

Xui Jin tried to get out of the Void Abyss, when he tried to move the legs he had, Xui Jin felt that his legs couldn't be moved.

When Xui Jin looked down, he saw that his legs were starting to disappear in the darkness that was around him.

"Argggg. . . , what happened to me? "Xui Jin really doesn't know what happened to him, he feels that his body is being swallowed up by this darkness.

" Help me . . . "Xui Jin is trying to ask anyone who is here to save himself.

Unfortunately no one other than Ye Chen was in this place, even Ye Chen would not want to save Xui Jin who previously wanted to kill himself.

"Arggg. . . ! ! ! "Xui Jin kept screaming for help.

Xui Jin's voice gradually started to become very small, Xui Jin was completely swallowed up by the Void Abyss, Xui Jin's body completely disappeared from this world.

Ye Chen smiled very satisfied when he saw this, it was unexpected that his plan would succeed to defeat Xui Jin.

"Thank God it worked." Ye Chen held the Reideran Pendant necklace around his neck, thanks to the Reideran Pendant necklace, Ye Chen was able to win against Xui Jin.

The ball of light that Ye Chen previously released was the power accumulated in the Reideran Pendant necklace, this is one of the special abilities possessed by the Reideran Pendant necklace.

This ability is very useful for helping Ye Chen in this condition.

Ye Chen is currently very tired, both body and mentally, his eyes are too heavy to open, he has never felt tired like this.

Ye Chen was not strong anymore, he started to close his eyes and fell asleep, Ye Chen fainted right in front of the Void Abyss.

Suddenly, a light wrapped Ye Chen's body, Ye Chen disappeared from in front of the Void Abyss.

Ye Chen currently appeared again on a very extraordinary expanse of grass, right behind Ye Chen's head currently was the beautiful fairy Chu Yuechan.

Chu Yuechan lent her the lap of her thigh to rest on Ye Chen's head.

"Ye Chen, you really deserve to be my master, I never thought you managed to win against someone who has such a high cultivation base." Chu Yuechan said to Ye Chen who was currently unconscious.

Chu Yuechan had seen how the fight between Ye Chen and Xui Jin was going.

Chu Yuechan saw Ye Chen's persistence when fighting against someone who was much stronger than himself.

The determination that Ye Chen had was extraordinary, even though Ye Chen knew that he was not Xui Jin's opponent, Ye Chen still did not want to give up fighting against Xui Jin.

Ye Chen used his intelligence to fight against Xui Jin who had a much stronger power than himself.

This is something that cannot be done by everyone in this world.

Chu Yuechan smiled at Ye Chen, she brought her face closer to Ye Chen who was below her.

"Good night." Chu Yuechan kissed Ye Chen's lips, she said good night to Ye Chen.

this was Chu Yuechan's first kiss.

#### **Chapter 479 - Dongfang Xiu's Breakthrough**

Several days had passed, Ye Chen was currently sleeping on Chu Yuechan's lap very peacefully.

Chu Yuechan's lap was very comfortable, this made Ye Chen very comfortable when he fell asleep.

Ye Chen's lashes started to tremble slightly, it seemed like Ye Chen was about to come to his senses.

Sure enough, Ye Chen opened his eyes, what Ye Chen saw first was Chu Yuechan's double peak towering before his eyes.

Ye Chen himself still doesn't know whose double peak this is, it is certain that this double peak is so perfect.

"Master, you are awake." From behind this double peak, Chu Yuechan peeked down at Ye Chen.

"Yuechan, where am I?" Ye Chen immediately asked Chu Yuechan where this was.

"Where else, of course you are inside the fairy gate." Chu Yuechan told Ye Chen where they were right now.

Ye Chen started to get up from Chu Yuechan's lap, when Ye Chen got up he felt that his head was still very dizzy.

Ye Chen immediately grabbed his head which was still very dizzy.

"Master, are you okay, you better rest a little longer." Chu Yuechan told Ye Chen to rest a little longer to recover.

"It's okay, I'm fine." Ye Chen is fine, he just feels a little dizzy.

"Hey Yuechan, how long have I been unconscious?" Ye Chen wants to know how long he has been unconscious.

"Hemmm. . . , maybe around 3 days." Chu Yuechan told Ye Chen that he had been unconscious for approximately 72 hours.

"What ? ", Ye Chen didn't expect that he would pass out for 72 hours.

"How is Goddess Dongfang Xiu's situation, is she all right?" The first thing Ye Chen asked Ye Chen was the state of Dongfang Xiu.

"I don't know, after bringing you in here, I don't know what's going on out there." Chu Yuechan didn't know the current state of Dongfang Xiu.

"I'll go out and take a look." Ye Chen decided to go out and see how Dongfang Xiu was doing.

If he had been unconscious for 3 days inside the fairy gate, it meant that it was almost a little over 14 hours outside.

Chu Yuechan didn't stop Ye Chen, she let Ye Chen do what he wanted.

Ye Chen immediately came out of the fairy gate, Ye Chen appeared again in front of the Void Abyss.

Ye Chen saw the Void Abyss in front of him, the Void Abyss were very frightening, even the very powerful Xui Jin could die if he entered there.

Ye Chen really wanted to know what was hidden in this Void Abyss hall, whether what Chu Yuechan said had any merit if behind this Void Abyss was stored an invaluable treasure.

Unfortunately for the time being Ye Chen couldn't do anything about this, if he really wanted to pass the Void Abyss, then Ye Chen would have to find the inheritance of the Dimensional principle from the Sage God.

Ye Chen himself didn't know when he would find the Inheritance, until he found the inheritance, no one in this world would be able to know about it.

Ye Chen turned his attention away from the Void Abyss, Ye Chen turned around and went towards the place where Dongfang Xiu was.

When Ye Chen arrived at where Dongfang Xiu was, he saw that Dongfang Xiu was currently still in a state of unconsciousness.

Ye Chen immediately went towards Dongfang Xiu to see how Dongfang Xiu's current condition was.

Ye Chen arrived in front of Dongfang Xiu, he immediately checked Dongfang Xiu's current condition.

When Ye Chen checked Dongfang Xiu's condition, he found that Dongfang Xiu's current condition was very bad, Dongfang Xiu's current condition was even worse than before.

This time, not only was Dongfang Xiu's internal organs injured, Dongfang Xiu's meridian pathway was also seriously injured as well.

"This is bad, her condition is really bad, even if I can save her, she probably won't be able to become a strong cultivator anymore." Ye Chen might have a way to help Dongfang Xiu.

The biggest problem, Dongfang Xiu might not be able to become a great cultivator again in the future.

Dongfang Xiu will definitely not be able to accept that, if Dongfang Xiu loses the strength she has, then the position she has in Sacred Heaven Star Realm will decrease drastically.

In God Realm strength and talent are everything, as long as you have both, then everyone can get the high position they want.

"Master, if I can give you a suggestion, you can take care of this woman in the pool of water in this place, the pure energy there might help Dongfang Xiu become even better." Chu Yuechan gave a suggestion to Ye Chen.

Ye Chen started thinking about the suggestion that Chu Yuechan said, the way Chu Yuechan said might be used.

"Let's just try it." Ye Chen carried Dongfang Xiu's body, He brought Dongfang Xiu to a pool of water not far from this place.

After arriving in front of the water pool, Ye Chen put Dongfang Xiu's body into the water pool, because this pool of water was very shallow, Ye Chen could easily put Dongfang Xiu into the water pool.

When Ye Chen put Dongfang Xiu into the pool of water, something strange started to happen.

The pure energy in the pool immediately rushed into Dongfang Xiu's body, this pure energy immediately repaired Dongfang Xiu's internal organs and meridian pathways.

Dongfang Xiu recovered at an unbelievably fast speed.

"What happened?" Ye Chen really doesn't understand this, how can this pool heal Dongfang Xiu's body so quickly, this is completely absurd.

"Master seems like besides having very pure energy, the water in this pool also has a healing effect." Chu Yuechan began to suspect what was happening right now.

"So that's how it was, I didn't expect that this water besides having pure energy also has a healing effect." Ye Chen really didn't expect this pool to have other functions.

"Well, something like this shouldn't be something strange, considering that there is a statue of Goddess Shen Niang who is the goddess of life and mercy here." Chu Yuechan was no longer surprised after finding something like this.

After her internal organs and meridian pathways were healed, Dongfang Xiu could now open her eyes, Dongfang Xiu found herself in a pool filled with very pure energy, the feeling of soaking in this water was very comfortable.

Dongfang Xiu didn't waste the pure energy that entered her body, she immediately managed the pure energy that entered her body.

"Boom. . . , Boom. . . , Boom. . . , Boom. . . , "Dongfang Xiu started to make power breakthroughs continuously.

"Master, that woman stole the pure energy in the pool of water, won't you stop her? "Seeing Dongfang Xiu absorb the pure energy in the water pool, Chu Yuechan told Ye Chen.

"No need, let her do whatever she wants." Ye Chen would not stop Dongfang Xiu.

"Didn't you say before that you would never give this precious resource to that woman, but now why are you volunteering to give that woman something valuable like this? ", Chu Yuechan started to question Ye Chen.

"It was before, but now it's different, this beautiful goddess is willing to sacrifice herself for me, I won't be stingy with people who are nice to me," Ye Chen said to Chu Yuechan.

Ye Chen was not a cheapskate when it came to people who were kind to him

#### **Chapter 480 - I Really Believe That I Can Get Dongfang Xiu's Heart,**

"Hmm, your attitude changes very quickly, but if you're not like that then it's not the master I know." Chu Yuechan giggled at Ye Chen.

"But is it okay to give that woman a huge increase in strength like that? ", Chu Yuechan asked Ye Chen.

"Hehehe, you don't have to worry about that, sooner or later she will definitely be on our side." Ye Chen chuckled at Chu Yuechan.

"You are very confident, are you sure you can make that beautiful woman's heart belong to you, I have said before that women from God Realm are difficult to move their hearts, they prefer the secretion of the relationship between men and women" Chu Yuechan said to Ye Chen.

"I really believe that I can get Dongfang Xiu's heart, you will see." Now Ye Chen is very confident.

He believed that Dongfang Xiu had a little feeling for himself, the problem was that this beautiful goddess could not be honest with her own feelings, it was Ye Chen's job as a man to make Dongfang Xiu aware of her own feelings.

Dongfang Xiu continued to make breakthroughs, in an instant Dongfang Xiu had already reached the fourth stage of Divine Overlord Realm.

It seemed that this was the limit that Dongfang Xiu could reach, Dongfang Xiu could no longer rise to the next level.

After the breakthrough ended Dongfang Xiu started to stabilize the strength that was in her body.

The pure energy in the pool had also been used up without being absorbed by Dongfang Xiu.

Now that this pool was just an ordinary pool filled with water, after stabilizing the breakthrough she made, Dongfang Xiu started to open her eyes.

Dongfang Xiu smiled gently when she saw the strength she possessed greatly increased.

Ye Chen was quite excited when he saw Dongfang Xiu smile, as this woman smiled, the world around Ye Chen was filled with blooming flowers.

Dongfang Xiu looked as if she had just been reborn into this world.

"Congratulations." Ye Chen went towards Dongfang Xiu, he congratulated Dongfang Xiu for breaking through several levels at once.

"Thank you very much." For the first time, the Cold Goddess Dongfang Xiu gave Ye Chen a thank you, before Dongfang Xiu never thanked Ye Chen.

Dongfang Xiu rose from the water pool, when Dongfang Xiu rose from the water pool, the wet dress that Dongfang Xiu was wearing became transparent.

Ye Chen could see all parts of Dongfang Xiu's body under the white Dress she was wearing.

Ye Chen almost drooled when he saw this, Dongfang Xiu's beauty was indeed worthy of being called a goddess, a beauty like this could make every man in this world become enchanted

Dongfang Xiu looked okay when Ye Chen saw her body like this, Ye Chen had seen this several times after all, so Dongfang Xiu was somewhat used to this.

"Where is that person?", The thing that Dongfang Xiu asked was the existence of Xui Jin, Dongfang Xiu wanted to take revenge on Xui Jin.

Now that Dongfang Xiu's strength had greatly increased, he was no longer afraid of going against Xui Jin.

"That man is dead?" Ye Chen told Dongfang Xiu that Xui Jin had died.

"Dead? Who killed him?" ", Dongfang Xiu asked Ye Chen who was the person who had killed Xui Jin.

"Of course I am." Ye Chen pointed at himself very proudly.

"Huh?" Dongfang Xiu doesn't believe that Ye Chen can kill Xui Jin who is much stronger than Ye Chen.

"How do you beat him?", Dongfang Xiu asked the method used by Ye Chen to win against Xui Jin.

"I beat him using the intelligence I have" Ye Chen said to Dongfang Xiu.

"Don't act mysterious, tell me quickly?", Dongfang Xiu forced Ye Chen to say what happened when she passed out.

"Alright." Ye Chen began to tell how he defeated Xui Jin, in this story Ye Chen did not expose the power of the Sage God he had.

"So it's like that." Now Dongfang Xiu knows how Ye Chen can beat Xui Jin.

Dongfang Xiu did not expect that Ye Chen could think of a way like that to defeat Xui Jin, the method used by Ye Chen to defeat Xui Jin could be said to be quite unique.

Dongfang Xiu saw the new potential that Ye Chen had.

"Can you turn around for a moment? , I want to change clothes. "Dongfang Xiu told Ye Chen to turn around for a bit, she wanted to change into a better dress.

The dress that Dongfang Xiu was wearing was currently covered with several bloodstains that had dried up and were difficult to remove, inevitably Dongfang Xiu had to change to one that was even better.

"No, I want to see it." Ye Chen refused to turn around, he wanted to see Dongfang Xiu change clothes.

"You big pervert." Dongfang Xiu immediately called Ye Chen a big pervert.

Dongfang Xiu looked like she couldn't be angry with Ye Chen anymore, after the previous life and death situation, now Dongfang Xiu felt that the relationship she had with Ye Chen had become very close.

Dongfang Xiu created an ice barrier around herself, she started to take off her dress and change into a new one.

Ye Chen couldn't see anything because the ice barrier made by Dongfang Xiu was very thick, Ye Chen was very disappointed, even though he wanted to see the goddess Dongfang Xiu change clothes directly in front of him.

10 minutes later Dongfang Xiu released the barrier she had created.

After the Ice barrier disappeared, Ye Chen could see Dongfang Xiu who had finished changing into a nice dress.

The current Dongfang Xiu was no longer wearing plain white clothes, the clothes that Dongfang Xiu was wearing now had some very pretty butterfly motifs.

Behind her hair, Dongfang Xiu is currently wearing a white butterfly-shaped hairpin that is very compatible with the color of her hair.

Dongfang Xiu looked so beautiful when she dressed up like this.

Ye Chen barely blinked when he saw the beauty radiating from Dongfang Xiu.

Dongfang Xiu now looked very beautiful.

"Look, your eyes are almost out of place." Dongfang Xiu saw that Ye Chen didn't blink when he looked at herself.

This was Dongfang Xiu's first time dressing up for a man, she had never done this for a man before.

"Goddess, you are so beautiful." Ye Chen walked closer to Dongfang Xiu, he began to praise the beauty that Dongfang Xiu had.

"Hempp, how many times have I heard this from you, aren't you tired of saying things like that to me?" Dongfang Xiu had heard this from Ye Chen many times, this man really kept praising herself as a beauty which made Dongfang Xiu can't stand it.

Ye Chen could only chuckle when he heard Dongfang Xiu's words.

"Let's get out of this place." Dongfang Xiu invited Ye Chen to get out of this place.

Ye Chen nodded at Dongfang Xiu.

Before leaving this place, Dongfang Xiu took out a veil and put it on her face.

Before they left this place, it happened that Dongfang Xiu and Ye Chen passed Shen Niang's statue.

Dongfang Xiu was quite surprised when she saw the beauty engraved on this statue, even though it was only a statue, the beauty engraved on this statue was very beautiful.

Dongfang Xiu felt a little inferior when compared to the figure engraved on this statue.

"This statue is truly beautiful. " Dongfang Xiu admits that the figure of beauty engraved in this statue is very beautiful.
