

### **Chapter 491 - Give Lessons To Young Girl**

Ye Chen was constantly learning how to deepen the techniques he had.

time went on, without Ye Chen realizing it, it was already evening, soon it would soon be dark so Qing Cheng should be back here soon.

Ye Chen started to get up from the floor, he intended to relax the muscles he had, when Ye Chen was flexing his muscles, suddenly someone knocked on the door of this room.

"Knock, knock, knock, sir, let me enter" a girl voice asked Ye Chen's permission to enter.

"Come in." Ye Chen invited the girl who were outside to come inside.

"Crack. . ."The door to this room is opened, a young girl

appeared in front of Ye Chen, it was estimated that this girl was about 140cm tall with a slender body.

This young girl came bringing some food for Ye Chen.

"Young master, I have come to deliver food for you." This young girl came to deliver a meal to Ye Chen.

"Just put it on the table." Ye Chen told this young girl to put the food on the table.

The young girl immediately entered the room where Ye Chen was, she began to put the food she brought on the small table in this room.

This girl is very adept at putting food on the table, she arranges the food very neatly.

"Young master, please enjoy." This girl told Ye Chen to enjoy the food that the Cherry Blossom Sect had prepared.

Ye Chen nodded, he began to sit at the table and eat the food that the young girl in front of him had just brought.

The young girl suddenly went behind Ye Chen's body, she was standing behind Ye Chen's back.

This girl started extending her hand to Ye Chen's shoulder, this girl started massaging Ye Chen's shoulder.

" what are you doing ?" Ye Chen asked the girl behind him.

" That . . ., I am giving you a massage to soothe the body, this is a service I can give you. "This girl stuttered a little when she said this to Ye Chen.

Looks like this girl was a little embarrassed when doing massage services for Ye Chen.

What this girl is doing is a special service that all the guests who come to the Cherry Blossom Sect are getting.

All guests who come are entitled to receive the best service from the Cherry Blossom Sect.

Ye Chen didn't really care about what this girl was doing, he started to continue eating the food on the table.

This girl's skills still looked very clumsy, as if she had just learned to massage someone for a while.

While getting massage services from the girl behind him, Ye Chen continued to eat the food that was on the table.

15 minutes later Ye Chen finished finishing the food on the table, the young girl behind Ye Chen looked very tired.

She had been massaging Ye Chen's shoulders for so long that her hands felt numb.

This girl must not stop before Ye Chen is satisfied with the massage technique she is doing, otherwise she will definitely get a scolding from her teacher who is already very skilled at serving and seducing a man.

"You can stop if you want" Ye Chen told this girl to stop massaging himself, Ye Chen realized that this young girl was very tired.

Ye Chen could feel this girl's fingers trembling while massaging him.

The young girl looked relieved when Ye Chen told herself to stop, she was very grateful to Ye Chen.

After stopping giving massage services to Ye Chen, the young girl started to pack the food plate that Ye Chen had finished eating.

"So did you just join this sect?" Ye Chen asked the young girl who was cleaning the dishes on the table.

The little girl who was clearing dishes was surprised when she heard Ye Chen's words.

"Young master, what do you mean?", Asked the young girl to Ye Chen.

"Well, I feel that the massage technique that you did earlier was very clumsy, it can be seen that you just studied not long ago, right?" Ye Chen told this young girl about the massage service that was not satisfactory.

"I'm sorry, I'm sorry, I just joined this sect, so I'm still inexperienced in this matter" This young girl apologized to Ye Chen because the service she provided was not satisfactory.

Ye Chen only smiled when he saw this girl acting like this, this was quite funny for Ye Chen.

"Young master, please don't tell this to my master." This girl is a little afraid of Ye Chen, she is afraid that Ye Chen will report this to her master, if that happens she will be very scolded.

"You don't need to worry, I'm not angry at all with you." Ye Chen told this young girl not to be afraid of himself.

The young girl in front of Ye Chen was quite relieved when she heard this.

"Hey, what's your name?" Ye Chen asked what is the name of the young girl

"My name is Ni Zhi." The young girl easily gave Ye Chen the real name she had.

"Ni Zhi, a pretty good name, my name is Ye Chen." Ye Chen nodded when he heard the name of the young girl in front of him.

Ni Zhi blushed when praised by Ye Chen.

"Hey little Ni Zhi, would you like to learn a massage technique from me?" Ye Chen intends to teach Ni Zhi the trick of massaging someone so that they are satisfied.

"Of course, can big brother Ye Chen teach me?" Ni Zhi looked very excited when Ye Chen wanted to teach herself massage tricks.

Ye Chen was quite happy to see Ni Zhi's enthusiasm.

"Very good spirit, then let's start, first lie down first" Ye Chen told Ni Zhi to lie down on the floor.

Ni Zhi is very obedient, she immediately lies on the floor, Ni Zhi is too innocent, she looks like Xiao Lulu who is very innocent and easy to trick.

If Ye Chen wanted to do something bad, maybe Ye Chen could easily do it.

"I will teach you with hands-on practice, make sure to remember it, okay." Ye Chen told Ni Zhi to remember what he taught this.

"Okay." Ni Zhi nodded at Ye Chen.

After explaining to Ni Zhi, Ye Chen started to put the two palms he had on Ni Zhi's back.

"First you look for the stiff-looking meridian points of the person you want to massage, after getting those stiff meridians, start massaging at that point slowly." Ye Chen started to teach the basics of massage to Ni Zhi.

Ni Zhi nodded her head at Ye Chen, she remembered Ye Chen's words.

"Well I'll start getting ready" Ye Chen told Ni Zhi to get ready, he would show the technique he had.

When Ye Chen's fingers started massaging Ni Zhi's back, Ni Zhi felt a very comfortable feeling in her body, this feeling was really too comfortable, Ni Zhi had never felt this kind of comfortable feeling in her life.

"Erm. . . ." Ni Zhi unconsciously let out a small groan.

This pleasure was too much for little Ni Zhi, she couldn't hold back the pleasure from Ye Chen's massage.

#### **Chapter 492 - This Person Isn't Bullying You, Right?**

Ni Zhi continued to groan in a very cute voice. she really enjoyed Ye Chen's massage technique.

"Hey little Ni Zhi. Make sure you remember what I'm doing right now?" Ye Chen told little Ni Zhi who was under him to remember what he was doing right now.

"Erm, yes. . . I'll remember it." Little Ni Zhi nodded at Ye Chen, Ni Zhi actually couldn't think for now, she currently really enjoyed the massage session that Ye Chen gave.

"Ah. . . ,Ah. . . ,Ah. . . , "The groans that Ni Zhi let out were getting bigger and bigger, several people living around here could hear the groans that came out from Ni Zhi.

The Cherry Blossom Sect did not intentionally put up a sound barrier around their sect, this was to keep the guests who came here from harassing the women within the sect.

Occasionally guests would deliberately harass the women in the Cherry Blossom Sect.

Just because the Cherry Blossom Sect was a Dual Cultivation sect, many people mistakenly thought that the women here were loose women who would do that with anyone.

Whereas the women from the Cherry Blossom Sect would choose a partner they thought was a good fit, they wouldn't do that to random people.

They also still had their pride, the women of the Cherry Blossom Sect didn't like being forced to do what they didn't want to.

The voice that Ni Zhi makes can make people who hear it misunderstand.

"Hey little Ni Zhi, are you okay? "Seeing that Ni Zhi is currently panting and sweating a lot, Ye Chen decided to stop giving Ni Zhi massages.

Ye Chen only used the few abilities he had, never expected that Ni Zhi would become like this.

"Big brother Ye Chen, I'm fine, please continue with the lesson just now" Ni Zhi asked Ye Chen to continue what they had previously done.

Ni Zhi was eager to experience Ye Chen's extraordinary technique, Ni Zhi felt that she was addicted to this.

"Fine if you force I will continue" Ye Chen will continue lesson for Ni Zhi.

"Crack. . . " when Ye Chen was going to continue the study session for Ni Zhi, suddenly the door was forcefully opened by someone.

"Don't move, give up right now", There were several women who broke into the room occupied by Ye Chen.

The women got into battle stances in front of Ye Chen.

Ye Chen and Ni Zhi were quite surprised to see the arrival of these women.

"Senior sister, what's wrong with you all coming here? "Ni Zhi immediately got up and sat on the floor, she asked the women who got inside by force.

Ni Zhi is currently unable to stand up, she feels that her legs feel very soft and numb, Ye Chen's massage makes her tiny body feel very soft.

The women who entered were shocked when they saw that nothing had happened between Ye Chen and Ni Zhi, they thought that Ye Chen was bullying little Ni Zhi, so they immediately went in to catch the man who dared to bully Ni Zhi.

To think that if nothing happened in here, the women from the Cherry Blossom Sect felt embarrassed because they had forced their way through the important guest room like this.

"Hey little Ni Zhi what were you doing just now? "In order to overcome the shame they have, one of these ladies asked little Ni Zhi.

"Just now I was enjoying the massage that Big Brother Ye Chen did." Ni Zhi told the senior sisters who just entered that she was enjoying the massage that Ye Chen did.

The women who entered were dumbfounded when they heard this, they didn't expect that the moaning sound they just heard was Ni Zhi's groaning being massaged by Ye Chen.

These women really misunderstood what happened before, they thought Ye Chen was bullying Ni Zhi.

"Little Ni Zhi, this person isn't bullying you, right? "One of the women still can't believe that nothing happened, with Ni Zhi just now looking like someone who is having a relationship with the opposite sex

"No-no, big brother Ye Chen doesn't bully me at all." Ni Zhi tried to explain to the senior sisters in front of her.

"Then why did you make a groaning sound like that, we all almost misunderstood if something happened to you", the woman just asked Ni Zhi.

Ni Zhi's face turned red when she heard this, previously Ni Zhi was not aware that she was letting out a groan like that, what she remembered was that she enjoyed the massage technique from Ye Chen.

"Hey, hurry and answer my question." The woman in front urged Ni Zhi to answer the question she had previously asked.

" That . . . , it's because big brother Ye Chen's technique is too great, I couldn't hold back my voice when being impaled by him. "With a red face like an apple Ni Zhi said to these women in front of her.

"Huh? "These women are again shocked by the words that came out of little Ni Zhi.

They all didn't believe that Ni Zhi would let out a groan like that just because of the massage by Ye Chen.

How comfortable was it that Ni Zhi made a sound like that.

The women became very curious, they also wanted to feel what kind of massage technique that Ye Chen had just said by Ni Zhi.

A woman's curiosity is very strong, sometimes this curiosity can make them enter a path that makes them unable to come back.

" Is it true ? , what a coincidence that my waist hurts a lot these days, can you help me massage it for me. "One woman very boldly asked Ye Chen to massage her aching waist.

"Of course, please lie down here." Ye Chen smiled at this woman, he didn't mind doing it, after all there was still time until tonight's event started.

"Next me, me too." One by one women also want to feel Ye Chen's massage technique.

They were all blown away after seeing Ye Chen's extremely handsome smile.

Their bodies are quite stiff because they are overworked preparing for the event for tonight.

Ye Chen did not expect that all the women who just entered would ask for something like this.

"Fine, but please one by one according to their turn, those who haven't had a turn can wait outside for a while." Ye Chen told these women to wait outside, if all the women come inside then this small place will be crowded.

These women nodded, they came out to wait their turn.

the entrance to the room is closed to maintain privacy from outsiders who pass by.

The woman who previously asked for a massage from Ye Chen immediately lay on the floor, for some reason the position this woman used was very excited.

"Let's do it quickly, if what Ni Zhi says lies, watch out" This woman told Ye Chen to immediately give her a massage.

Ye Chen only smiled when he heard this woman's words, he got closer to the woman's body in front of him.

"So do you want a light, medium or heavy massage?" Before starting the massage, Ye Chen asked the woman in front of him.

"Hemmp, use all the abilities you have, don't hold back", this woman very confidently told Ye Chen to use all the abilities he had.

For Ye Chen this was a very interesting challenge.

"Well if that's what you want, get ready" Ye Chen told this woman to get ready, he will use all the abilities he has.

### **Chapter 493 - Massage Technique That Cannot Be Described In Words**

This woman was waiting for Ye Chen's massage, she really wanted to see if Ye Chen's technique was really that great or just nonsense.

When Ye Chen's fingers started massaging her body, she felt an extremely pleasant feeling, this feeling made her body very excited.

"Ahhh. . . , "Subconsciously the woman who was being massaged by Ye Chen groaned in a very coquettish tone.

This woman tried to hold back her voice from leaking out, unfortunately the enjoyment of Ye Chen's fingers made a moan of hers leak out.

This woman's body also started to tremble when Ye Chen massaged her body.

"Stop. . . , Stop. . . , "This woman told Ye Chen to stop it.

"Take it easy, I just started warming up." Ye Chen didn't want to stop, he just started doing a warm-up, the real thing is just about to start.

Ye Chen started massaging every inch of the woman's body in front of him, Ye Chen had found this woman's most sensitive point, now is the time to let this woman know who he is.

"Ahhh. . ., Emmm. "The woman in front of Ye Chen continued to groan, it seemed that this woman really enjoyed Ye Chen's massage technique.

"Hey sister are you okay? "The woman outside began to ask about the situation of the woman who was currently receiving a massage from Ye Chen.

" I am alright. Ahh. . . ., you don't need to worry. "In a voice that was not very clear she informed the woman outside this room.

The woman outside was quite worried about the state of their sister who was in the room with Ye Chen.

The woman outside did not expect to hear this kind of groaning again, actually how great was Ye Chen's technique that it could make the woman inside groan with a voice like that.

This woman's face looks very satisfied, she begins to lose the sanity she has.

Ye Chen's massage technique was truly amazing, she felt that she was taken to the seventh heaven by Ye Chen's massage.

This is even more Great than having Dual Cultivation relationships with the opposite sex.

She felt that she wouldn't be able to come back after feeling this kind of feeling.

The face of Ni Zhi who was next to became so red , that she did not expect to see the senior sister she observed in this state by Ye Chen.

The senior sister's face was too lustful, she looked like she was having an intimate relationship with a man.

5 minutes later Ye Chen stopped the massage session for this woman, Ye Chen thought that this was enough.

This woman's Yinqi wasn't very much, Ye Chen couldn't expect more from this woman.

The condition of the woman under Ye Chen was very messy, and her body was soaked with sweat, while the skirt she was wearing was soaked with a very sticky liquid.

It is clear that this woman has reached the pinnacle of happiness several times in just 5 minutes.

The woman in front of Ye Chen felt that her body felt very light and at the same time very weak, she even had difficulty moving the fingers she had.

"It's finished, you can go." Ye Chen invited this woman to come out and change with another woman who was outside.

This woman tried to get up from the floor, unfortunately she was too weak to get up from the floor

"Senior sister, let me help you." Ni Zhi decided to help her senior sister who seemed to be in serious trouble.

"Thank you very much" This woman thanked Ni Zhi.

Fortunately, in this room there is Ni Zhi, if it is not possible that at this time he will come out crawling, Ye Chen's technique is so terrifying, she has never tried something so amazing like before.

Both body, soul and mind that he possessed were very satisfied, she really didn't mind being Ye Chen's servant for life as long as he could feel that way once again.

Ni Zhi took her Senior Sister outside, when they arrived outside, they were immediately surrounded by women who were waiting outside.

"Sister, what happened to you?" One by one the women outside asked the women who had just finished tasting Ye Chen's massage technique.

They saw that the condition of the woman who came out of Ye Chen's room was very messy.

"Nothing happened, I was just massaged by that man." This woman answered questions from everyone outside.

"Who is next, if not there I will go back to sleep" Seeing that no woman entered the room, Ye Chen decided to call the woman outside.

All the women outside looked at each other, they were a little afraid to go inside after seeing what happened to the woman who was previously massaged by Ye Chen.

"Get in quickly, don't let you miss this golden opportunity, you will definitely not be disappointed after entering there," she immediately ordered the woman outside to come inside.

She wanted to share the joy he felt with the women outside.

"Let me try it, I want to see what kind of abilities this young man has". a Mature woman who looks very Sexy and dares to say to all the women who are outside.

She said that he wanted to try Ye Chen's technique, she couldn't believe that just a massage could make a sound like that.

A sexy adult woman entered the room where Ye Chen was, she very confidently entered the room where Ye Chen was.

"Sister Fii has really gone inside, that young man will definitely become a toy for sister Fii." The women who were outside felt sorry for Ye Chen.

This woman named Fii is quite famous among female students because her experience and Charm ability are quite strong.

Every man who confronts this woman named Fii will definitely be controlled Men very quickly, because these are women who are beyond pity for Ye Chen.

"Ahhhh. . . , ahhh. . . . , this is amazing, please be stronger. . . ." When the woman outside was discussing what would happen to Ye Chen later, suddenly from inside the room where Ye Chen was, there was a woman's groaning voice that was even bolder than before.

All the women outside were dumbfounded when they heard that the highly experienced Sister Fii would make such a groan.

The women outside became increasingly curious about Ye Chen's massage technique, even a woman who was so experienced that she was forced to let out a groan like this.

"Hey-hey sister, how great is the massage technique that young man has that sister Fii makes such a voice." All the women here immediately sought answers to the women who had previously experienced Ye Chen's massage technique.

"That young man's massage technique can't be described using words, which is definitely more fun than doing Dual Cultivation." The woman who previously felt Ye Chen's technique smiled with interest.

finally she was able to share what she had felt to the woman who was here.

The faces of the women outside the room turned red, especially those who were still pure virgins who had never felt like doing this with men, they became curious about Ye Chen's massage technique.

The women outside could only wait their turn to find out how great Ye Chen's technique was.

#### **Chapter 494 - What Actually Happened Here**

The groans of the woman named Fii continued to echo in this courtyard, this woman's voice was more seductive than the first woman's.

Fii sounded like she was having an abusive relationship with Ye Chen.

The face of the woman who was here turned red, they did not expect that they would hear a very vulgar moan that came from a woman named Fii.

After 5 minutes, finally the sound in the room stopped.

The women in the courtyard were relieved when the voice that came from a mature and Sexy woman named Fii had finished.

A few moments later a woman named Fii came out of the room where Ye Chen lived, this woman came out crawling on the floor.

The appearance of a mature and sexy woman was no different from the first woman who received a massage from Ye Chen, in fact this woman's appearance looked even worse than the first woman who received a massage from Ye Chen.

The women who saw this were so shocked, they did not expect that an experienced woman like Fii was made like this by Ye Chen.

The women in the courtyard immediately helped Fii to stand up from the floor.

"Sister Fii, are you alright?" asked one of the women to the woman named Fii.

"Yes, I'm fine" Fii answered the women around her.

"Brother Fii, what are you doing inside together with that man, your voice just now sounded very hot." One woman bravely asked what was being done in the room together with Ye Chen.

"What's more, of course enjoy the young man's massage technique." The answer that came from a mature and sexy woman was the same as the first woman to experience Ye Chen's massage technique.

"You all have to try it, that guy's technique is really extraordinary, it's even hundreds of times more enjoyable than doing Dual Cultivation." Fii told all the women here that Ye Chen's massage technique was just amazing.

Fii really enjoyed the massage session done by Ye Chen, Fii just found a new world that she had never seen before.

She Herself did not think that her massage skills could be that good, it even felt better than doing dual cultivation.

The women who had not tried immediately looked at each other, they immediately scrambled to try Ye Chen's massage technique.

In an instant this courtyard became a very chaotic place.

.  
. .  
. .  
. .

Night had fallen, Qing Cheng had finished doing all the work for tonight's Event.

"It's all over at last." Qing Cheng was finally happy that everything was over, she felt that these few days were the most tiring days in her life.

It seems that after everything is over, she will ask Ye Chen to satisfy herself, doing that together with Ye Chen will definitely be very easy to get rid of this fatigue.

Qing Cheng decided to immediately take a shower and change into even better clothes, tonight he would dress up so beautifully for Ye Chen.

Qing Cheng hopes that Ye Chen will like her when he sees herself dressed up beautifully.

Without wasting any more time, Qing Cheng immediately took a shower.

It took Qing Cheng nearly 30 minutes to shower and clean her body.

After feeling that her body was completely clean, Qing Cheng immediately came out of the bathroom, she immediately took a set of white dresses that looked very beautiful.

Qing Cheng had already prepared this dress set a few days ago, she knew that Ye Chen liked something plain like this, so she had prepared this dress for Ye Chen.

Qing Cheng immediately put on this beautiful white dress, she also started wearing some completely inconspicuous jewelry.

The current Qing Cheng looked like an innocent woman who had never been tainted by anything in this world.

"This looks really good, I'm sure Ye Chen will definitely like this." Qing Cheng couldn't wait to see Ye Chen's reaction, Qing Cheng really hoped that Ye Chen would be very surprised when he saw herself dressed up like this on purpose.

Qing Cheng didn't waste her time, she immediately went towards where Ye Chen was.

While on the way to Ye Chen's place, it happened that Qing Cheng met Qing Yinan who had also just finished taking a shower and changed clothes.

Qing Yinan was currently wearing a Pink dress which was a little tighter, in this outfit Qing Yinan highlighted some of the body parts she had.

"Sister Cheng, is that you? ", Qing Yinan looks very surprised when she sees Qing Cheng's appearance like this.

The current Qing Cheng looked like a young girl who had just turned 20 years old, she looked very innocent and pretty deep after the clothes she wore.

Qing Yinan felt that this was not the Qing Cheng she was used to.

"It's me, what's wrong? "Asked Qing Cheng to Qing Yinan.

"No, it's just that why are you dressed like an innocent young girl, it's not like the you I know? " Qing Yinan immediately asked why Qing Cheng was dressed like this.

"Oh this? , I dress like this to please Ye Chen. "Qing Cheng told Qing Yinan that she dressed like this to please Ye Chen.

"Hey, sister Cheng, do you really have a relationship with that young man? " Qing Yinan asked Qing Cheng.

"Of course, he is now my man", Qing Cheng immediately nodded at Qing Yinan.

The answer that came from Qing Cheng was very emphatic.

"So what makes you attracted to that young man? ", Qing Yinan wants to know what makes a beautiful woman like Qing Cheng attracted to Ye Chen who is much younger.

"Hehehe, there are many things that make me like him, he is kind, caring, helpful and good at saying sweet things." There are so many things that made Qing Cheng like Ye Chen from the bottom of his heart.

"Is that all? ", Asked Qing Yinan to Qing Cheng.

"There is one more thing, Ye Chen's ability in bed is great, if you try it once I'm sure you won't be able to get away from him." Qing Cheng gave a little of Ye Chen's ability on the bed to Qing Yinan.

Qing Cheng and Qing Yinan were almost like sisters, they had been together for quite a long time, so Qing Cheng had a lot of trust in her.

Qing Yinan now understood why Qing Cheng's skin had become even more beautiful and moisturised, it turned out that all this time she had been moisturized by Ye Chen.

Qing Yinan did not expect that Ye Chen had fully acquired Qing Cheng.

It seemed that Qing Yinan looked down on Ye Chen too much, Qing Yinan thought that Ye Chen was only Qing Cheng's white face, it was unexpected that Ye Chen would really have completely won Qing Cheng's heart.

"Then I'll go to Ye Chen's place first, see you later" Qing Cheng said goodbye to Qing Yinan, Qing Cheng had to hurry to go to Ye Chen's place.

"Wait, I'm joining." Qing Yinan caught up with Qing Cheng, Qing Yinan wanted to see Ye Chen again.

Qing Cheng and Qing Yinan went to the courtyard where Ye Chen was staying.

When Qing Chen and Qing Yinan arrived in front of where Ye Chen was, they saw that there were dozens of women from the Cherry Blossom Sect lined up neatly in front of this courtyard .

Qing Cheng and Qing Yinan were quite confused when they saw this.

" What actually happened here ? ", Qing Yinan felt confused when she saw the countless women from the Cherry Blossom Sect lined up in front of the room where Ye Chen was staying.

#### **Chapter 495 - Rumors Of Ye Chen's Massaging Ability**

Qing Cheng smiled when she saw this, it seemed like Ye Chen was throwing a tantrum to the point that the ladies from the Cherry Blossom Sect came to this place.

"Let's see what's going on here." Qing Cheng invited Qing Yinan to see what's going on here.

Qing Cheng and Qing Yinan went to meet the women who were neatly lined up.

It looked as if these women were waiting in line for something very precious.

" What are you all doing here? ", Qing Cheng immediately asked all the women who were neatly lined up in this courtyard.

All the women who were lined up immediately looked at Qing Cheng and Qing Yinan's arrival.

They all immediately paid their respects to Qing Cheng and Qing Yinan.

"Raise your heads." Qing Cheng told the women who were here to lift the heads they had.

Hearing this order all the women who were here raised their heads.

"Hurry up and tell me what are you all doing here? " Qing Cheng asked all the women here again.

She wanted to know what they were doing at night at Ye Chen's place.

Even though the events held by the Cherry Blossom Sect will start soon.

Usually in events like this will be used by women who don't have a partner to get a partner.

Even though they won't be able to take part in tonight's Event, they still have a chance to find a partner they like or attract them.

This was the golden opportunity they had to join the rich and influential family that existed in the mortal world.

Usually women who don't have a partner will never miss an opportunity like this.

"Sect Master, we are currently waiting for our turn to enter. Inside there is a young man who has amazing massage abilities" One of the women told Qing Cheng about what was currently happening.

Rumors of Ye Chen's massaging ability were swiftly spread among the woman in the Cherry Blossom Sect.

The woman in the Cherry Blossom Sect immediately flocked to try out what kind of massage technique Ye Chen said was amazing.

They had even queued up long enough to be able to try Ye Chen's massage technique.

Qing Yinan was very surprised when she heard the answer that came from the woman in front of her, it was unexpected that they would line up at this courtyard just to feel Ye Chen's massage technique.

Just how great is Ye Chen's massage technique that there are so many Cherry Blossom Sect women who are willing to queue like this.

Qing Cheng's reaction was unlike Qing Yinan, Qing Cheng was currently smiling when she heard this.

Qing Cheng herself knew very well how great Ye Chen's massage technique was, in the past she had been made quite embarrassing when she tried Ye Chen's massage technique.

"Ahh. . . , ahh. . . Well, that's right there, you're amazing." From inside the room where Ye Chen was, a woman's voice let out a very seductive groan.

Qing Yinan became dumbfounded when she heard a voice coming from within the room, it was clear that this sound was made by a woman who was in the peak of happiness.

There was no way that just a massage could make a woman make such a lustful voice.

"Damn this man is really so brave, I didn't expect him to openly do something like this to a woman from this sect." Qing Yinan muttered in her heart.

"You all hurry back right now, the sect events are about to start." Qing Cheng ordered all the women who were here to immediately return to where they should be.

All of the women who were here felt very disappointed when they heard this, even though they couldn't try Ye Chen's technique yet.

All the women with feelings of disappointment left this yard, before they left they didn't forget to look at the building where Ye Chen lived.

Qing Yinan saw that there were a few women who were walking a little unsteadily.

as a highly experienced cultivator, Qing Yinan naturally knew what could make women walk in such a manner.

"Sister Cheng, isn't your man very brave, he actually dares to play with nearly a quarter of the women in this sect." Qing Yinan said to Qing Cheng.

"Giggle, if Ye Chen wants all the women here, I have absolutely no means to give it away" replied Qing Cheng to Qing Yinan.

Qing Yinan's face turned red when she heard this, it was unexpected that Qing Cheng would say that.

"I want to see what the husband is doing in there." Qing Cheng wanted to see what Ye Chen was doing in there.

Qing Yinan also wanted to see what Ye Chen was up to with the woman inside, Qing Yinan following behind Qing Cheng.

"Crak. . ." Qing Cheng opened the door to Ye Chen's room.

When Qing Cheng opened the door to the room, she and Qing Yinan saw that Ye Chen was currently massaging a woman.

"This man really only gave a massage." This discovery made Qing Yinan even more surprised, she did not expect that this woman made such a voice because she was given a massage by Ye Chen.

Ye Chen and the woman in this room immediately looked towards the arrival of Qing Cheng and Qing Yinan.

"Sect master, elder." The woman in front of Ye Chen panicked a little when she saw the arrival of Qing Cheng and Qing Yinan.

"I have important business with him, I hope you can leave us all." Qing Cheng told this woman that she had business with Ye Chen.

"Okay, okay, I'll go." The woman in front of Qing Cheng nodded immediately, she would immediately leave this place.

This woman left the room on all fours, she still had a hard time standing up after feeling the satisfaction of Ye Chen's massage technique.

Qing Yinan looked at the woman who had just left this room, for some reason this woman reminded Qing Yinan of Qing Cheng who did things like this while at the inn when they went to the ancient heritage place.

Qing Yinan began to suspect that Qing Chen and Ye Chen's relationship originated from that night in inn.

Maybe what the womans just said was right, Ye Chen's massage technique must be so powerful that it turns a woman into such a state.

Qing Yinan became very curious, she felt that she wanted to try it too.

"Geez, I just left you for a while and you've been playing with the womans in this sect, you're really naughty" Qing Cheng said to Ye Chen.

"They were the ones who came here from the start, so I'm not at all wrong" Ye Chen said defensively.

"Lie, you must be deliberately trying to touch the women who are here? , if you don't want you must have rejected them all. "Qing Cheng didn't believe in Ye Chen's defense.

"Hehehe", Ye Chen just chuckled at Qing Cheng.

"Wife, tonight you look very beautiful." Ye Chen praised Qing Cheng, who tonight looks very beautiful.

"Fufufu, thank you." Qing Cheng blushed when she heard Ye Chen's praise.

Qing Cheng was very happy when she received praise from Ye Chen, all the efforts she had put in were not in vain.

Qing Yinan saw the interaction between Ye Chen and Qing Cheng, for some reason she was quite jealous when she saw these two people doing something like this right in front of her.

#### **Chapter 496 - Go To The Sect Hall**

Qing Cheng very boldly embraced Ye Chen's body, she immediately kissed Ye Chen's lips.

Qing Cheng was very brave, even though she was near Qing Yinan, she didn't hesitate to kiss Ye Chen.

Qing Yinan looked away, she tried not to see what Ye Chen was doing with Qing Cheng.

5 minutes had passed since they started kissing, until now neither Qing Cheng nor Ye Chen showed any signs of ending this.

"Ahemm. . ., both of you, can you stop doing that in front of me, "Qing Yinan interrupted Ye Chen and Qing Cheng who were kissing.

Due to pressure from Qing Yinan, finally Ye Chen and Qing Cheng wanted to separate.

Ye Chen and Qing Cheng only smiled when they saw Qing Yinan was dissatisfied with the two of them.

"Husband, let's go right now, the event will start soon, you must be impatient not to see who is a beautiful woman who will follow this event" said Qing Cheng to Ye Chen.

Without waiting for Ye Chen's answer, Qing Cheng took Ye Chen to the place where the event to get a beautiful woman from the Cherry Blossom Sect was being held.

"Is this still the Cheng brother I know", Qing Yinan shook her head,

Qing Yinan couldn't believe that Qing Cheng would turn out like this.

Qing Yinan could only follow behind Ye Chen and Qing Cheng.

Ye Chen, Qing Cheng and Qing Yinan went to the hall of the sect where tonight's event would be held.

When Ye Chen, Qing Cheng and Qing Yinan arrived at the Sect hall, they saw that there were hundreds of people who had already come to this place.

The guests who came were dominated by men, while the guests who came were almost 95% cultivators while the remaining 5% were just ordinary people.

On average, the invited guests present at this place have very low cultivation bases, there are only a few people who have cultural bases who are at the Sky Realm stage.

"You have quite a lot of invited guests too." Ye Chen did not expect that there would be this many invited guests.

"Fufufu, of course there are quite a lot of guests, this event is only held every 2 decades, so there are many men who want to take part in this event to get beautiful, virgin and pure women who have been strictly selected", Qing Cheng explained to Ye Chen.

Ye Chen nodded at Qing Cheng, it turned out that these people had come here to get the beautiful, virgin and pure woman that the Cherry Blossom Sect had strictly chosen.

The reason these people come here is because they are looking for a woman who can be made the perfect wife.

The women of the Cherry Blossom Sect are known for their proficient in bed skills, plus the female temperament of the Cherry Blossom Sect is simply dazzling.

You could say that this is one of the criteria for the ideal woman of most men in this world.

"So how do you get the beautiful, virgin and pure woman you said earlier?" Ye Chen asked how to get the woman that Qing Cheng said before.

Qing Cheng "There are a lot of methods you can use to win over the hearts of women who will be grabbed"

"First strength, second family influence, third talent, these three factors you can use to attract the hearts of beautiful women" Qing Cheng explained to Ye Chen.

" Oh, I see ? ", Ye Chen nodded again at Qing Cheng.

"Husband, are you interested in participating in this event?" Asked Qing Cheng to Ye Chen.

Qing Cheng wanted to know whether Ye Chen would participate in the event to win the hearts of women or not.

"Hemmp, let's see first, if there is a woman who can make me interested then I will join" Ye Chen said to Qing Cheng.

"Giggling, I'm sure you will be attracted to the beautiful woman that this sect has chosen very strictly", Qing Cheng giggled at Ye Chen, she was sure that Ye Chen would be attracted to the beautiful and pure women who would appear later. .

Qing Yinan herself who was behind heard the conversation between Ye Chen and Qing Cheng, she did not believe that Qing Cheng would encourage Ye Chen to participate in the event to win the heart of a beautiful, virgin and pure woman who was chosen by Cherry Blossom Sect.

The women of the Cherry Blossom Sect did not like to share their men with other women, the reason was very simple, they wanted to monopolize Yangqi for themselves.

Women from the Cherry Blossom Sect needed Yangqi from men to manage the Dual Cultivation techniques they learned, without Yangqi from a man they would have taken a very long time to raise their cultivation level.

That's why the virgin woman from the Cherry Blossom Sect has a relatively low-key cultivation base.

Meanwhile, women who have managed Dual Cultivation will have a higher level of cultivation.

It was because of this that the women from the Cherry Blossom Sect wanted to quickly find a partner so that they could more quickly raise their cultivation level.

"Hooo, I didn't expect one of the top leaders of the Six Door Organization to come here." Qing Cheng saw that one of the higher ups of the Six Door Organization had come here.

" who ? ", Ye Chen asked Qing Cheng.

"That, that man called Ji Te, should be currently at the ninth stage of the Sky Realm, he is now the leader of the Six Door Organization." Qing Cheng pointed out a man who has a cultivation level at the Sky Realm realm.

"What made a leader of the Six Door Organization come, did that person also want to take part in this event? ", Asked Ye Chen to Qing Cheng.

"Giggling, maybe it's not true, the reason Ji Te came here might be because of our Yinan." Qing Cheng told Ye Chen that the reason Ji Te came here was because of Qing Yinan.

"Huh? ,What do you mean?" Asked Ye Chen to Qing Cheng.

Qing Cheng looked at Qing Yinan who was behind, seeing Qing Cheng's gaze, Qing Yinan immediately turned her face to the side.

Qing Yinan seemed to want to avoid this problem.

"Husband, actually when they were young Qing Yinan and Ji Te had met, Ji Te was once a chaser for Qing Yinan, unfortunately Qing Yinan rejected him because Ji Te was still weak, unexpected after decades passed Ji Te became a leader at Six Door. organization. "Qing Cheng explained to Ye Chen what kind of complicated relationship that Qing Yinan and Ji Te had.

After hearing Qing Cheng's explanation, Ye Chen now understood what had happened.

"Yinan, now that Ji Te has become the leader of the Six Door organization, will you accept him if he returns to being your chaser? "Asked Qing Cheng to Qing Yinan.

"I told you that I don't like that guy, that guy isn't my type at all." Qing Yinan told Qing Cheng that Ji Te was not the type of guy she liked.

Qing Yinan's preferred type was a handsome man, you could say Qing Yinan's type was like Ye Chen.

If only Ye Chen didn't belong to Qing Cheng, maybe this time Qing Yinan would try to get him.

"Hahahahah." Ye Chen and Qing Cheng laughed when they heard Qing Yinan's answer, it seemed that Ji Te still didn't have a chance to win Qing Yinan's heart.

When Ye Chen and Qing Cheng laughed, there was a very beautiful woman who came to the hall of this sect, this woman was very beautiful and also very sexy, her figure was even more Sexy and hotter than Qing Cheng's.

#### **Chapter 497 - Nanhua Caiyi From Spring Palace**

Besides being beautiful and sexy, this woman also has a very gentle temperament.

beautiful and Sexy women wearing a rainbow colored dress that looks very beautiful.

This woman has a special charm that can make any man who sees her very excited.

Almost all the men who were here looked at the arrival of this beautiful and sexy woman, all the men looked very excited when they saw this woman arrived here.

Every movement made by this woman made all the men here feel very excited.

Beautiful and Sexy woman looking at all the men who are here, she smiled very softly at all the men who are here.

All the men here can't stand the charm of a beautiful and very sexy woman, they all feel that their soul is being sucked by this woman.

Ye Chen looked at the beautiful and very sexy woman who had just arrived at the sect hall, he did not expect that he would see a woman with a figure much sexier than Qing Cheng.

Apart from having a very sexy figure, this woman also had a very-very high cultivation base, this woman was actually in the tenth stage of the Overlord Realm.

It was clear that this woman's cultivation was completely abnormal, with such a high cultivation, this woman could not possibly be from the Cherry Blossom Sect.

If this sexy and beautiful woman were from the Cherry Blossom Sect, surely the Cherry Blossom Sect could easily become the first sect in the mortal world.

Ye Chen was curious about the beautiful and sexy woman who had just come.

'Wife, do you know who that woman is? ', Ye Chen asked Qing Cheng about the identity of the woman who had just come.

Qing Cheng was currently also looking at the beautiful and sexy woman who had just arrived at this place, for some reason Qing Cheng felt that this woman was too seductive.

When compared to the woman from the Cherry Blossom Sect, this woman was much more seductive.

"Husband, this woman is named Nanhua Caiyi, she is from the Spring palace." Qing Cheng explained to Ye Chen who was a beautiful and very sexy woman who had just come.

"Spring palace" Ye Chen felt that he had heard this name at some point.

After remembering for a while, Ye Chen finally remembered about Spring palace.

In the past, Fu Lanling had told Ye Chen about the Spring palace.

If I'm not mistaken, Spring Palace is a quite mysterious place in the Kunlun Holy Land, it is said that there are many beautiful and sexy women living there.

Spring Pace is also known as a place that is most feared by male cultivators, the reason is because the women in the Spring Palace cultivate a cultivation technique that can absorb the Yangqi essence of men and steal the Yuanyin of men.

Yuanyin was a cultivator's essential essence, if it got stolen then the cultivator's strength would decrease.

The worst thing was that cultivators could die immediately if they ran out of Yuanyin.

this method was even more violent than absorbing Yangqi forcibly from someone.

It was for this reason that the Spring Palace was the place most feared by every male in the Kunlun Holy Land, they didn't want to get too close for fear of being sucked dry by the women in the Spring Palace.

Ye Chen has to be a little careful when dealing with a woman named Nanhua Caiyi, don't let Ye Chen be fooled by the beautiful and sexy figure this woman has.

"Husband, you have to be careful of this woman, don't let this woman suck you up, even though this woman is beautiful she can suck you completely dry to bones." Qing Cheng told Ye Chen to be careful of a woman named Nanhua Caiyi.

"You seem very knowledgeable about the Spring palace, how do you know about this? ",Ye Chen wants to know where Qing Cheng found out about the information about the Spring palace.

"That's because the first founder of the Cherry Blossom Sect was also from the Spring Palace." Qing Cheng said something quite shocking.

It was unexpected that the first founder of the Cherry Blossom Sect was from the Spring Palace, it meant that the Cherry Blossom Sect still had a little distant relationship with the Spring Palace.

"I didn't expect that this sect would still have a relationship with the Spring Palace from the ancient holy lands," said Ye Chen to Qing Cheng.

"The founder of this sect used to be expelled from the Spring Palace and ended up going to this mortal world, so we don't have a close relationship with the Spring Palace." Qing Cheng told Ye Chen that this sect's relationship with the Spring Palace was not like that.

"Then do you know what this woman wanted to come here? "Ye Chen wants to know the original purpose of this woman coming here.

"I also don't know about it, all I know is this woman came looking for something." Qing Cheng told Ye Chen that this woman came to the mortal world looking for something.

"Wife, can't you read what's on this woman's mind with the inheritance you have." Ye Chen said to Qing Cheng.

Ye Chen wanted to know why Qing Cheng didn't use the inheritance she had to find out what this woman had in mind.

"Husband, Nanhua Caiyi is so strong, I don't dare to carelessly expose the strength I have in front of this woman." Qing Cheng didn't dare to use her strength to this woman.

Qing Cheng, was afraid that women would destroy the Cherry Blossom Sect if she offended Nanhua Caiyi.

"You just use the inheritance of purple butterflies that you have to read this woman's mind, if this woman dares to fight then I will face it" Ye Chen told Qing Cheng to find out the purpose of this woman.

Since Xiao Lulu's kidnapping incident, Ye Chen has been wary of the great power in this world, that's why Ye Chen told Qing Cheng to find out what Nanhua Caiyi's goal was until she came to the mortal world.

"It's fine if that's what you want." Qing Cheng understood, she would do what Ye Chen wanted.

Qing Cheng immediately tried to get into Nanhua Caiyi's mind, she wanted to know what was on her mind.

Currently Nanhua Caiyi was so unwary, Qing Cheng could easily enter her mind.

Nanhua Caiyi was not aware of this, she was currently focused on looking at the people in the Sect hall.

Qing Cheng very quickly found out what Nanhua Caiyi was doing in the mortal world.

After a while Qing Cheng got what she wanted, Qing Cheng immediately withdrew from Nanhua Caiyi's mind.

"How?", Asked Ye Chen to Qing Cheng.

Qing Cheng began to whisper what she got from Nanhua Caiyi's mind, in Nanhua Caiyi's mind, Qing Cheng found that Nanhua Caiyi had come to the mortal world to look for talented women to join the Spring palace with.

It was most likely that Nanhua Caiyi came to the Cherry Blossom Sect to look for talented women to join the Spring Palace with.

"I see." Ye Chen now understands what Nanhua Caiyi wants, it turns out that Nanhua Caiyi has come to look for a talented woman to be invited to join the Spring Palace.

#### **Chapter 498 - Cheng Mengyan's True Appearance**

"What husband will you do after this?" Qing Cheng asked Ye Chen.

"For now we let this woman do what she wants, if she does anything suspicious I will stop her", for the time being Ye Chen will let this woman do what she wants.

As long as Nanhua Caiyi didn't do anything to Ye Chen's people, then Ye Chen wouldn't bother to deal with this woman.

Ye Chen is currently still busy training to get stronger, he is not bothered by problems like Nanhua Caiyi.

Nanhua Caiyi felt someone's gaze upon her, when Nanghuang Caiyi found this direction of gaze, she found that the person who was staring at her was Ye Chen.

somehow the gaze from Ye Chen made Nanhua Caiyi feel a little uneasy in her heart.

"Who is that man, why is he fixing me with such a gaze" Nanhua Caiyi felt that Ye Chen's gaze towards her was a little different from the man who was here.

The gazes of the men who were here all admired and wanted Nanhua Caiyi's figure and beauty, while Ye Chen's gaze was more towards wanting to know about Nanhua Caiyi.

Ye Chen was currently smiling at Nanhua Caiyi who was looking at him.

Nanhua Caiyi also smiled very gently at Ye Chen.

"Hemm, what an attractive man, he is not even affected by the charm I have." Nanhua Caiyi could tell right away that Ye Chen was not currently under the influence of her charm.

Not to be swayed by Nanhua Caiyi's enchantment requires a very strong mental mind, if that mind is weak then Nanhua Caiyi can easily confuse them.

A simple example is the invited guests who came to this place, without realizing that they were already under the influence of Nanhua Caiyi's charm.

After exchanging smiles with Nanhua Caiyi, Ye Chen turned his attention to another place, he looked at the people who were arriving at this sect hall.

Ye Chen saw that more and more people were coming to the sect hall, even the Cherry Blossom Sect disciples and elders were starting to arrive one by one.

This hall became more and more alive when many people came to this place.

The woman in Cherry Blossom Sect tried to show their beauty in front of the guests present in this hall.

Unfortunately all the men who were here ignored the woman from the Cherry Blossom Sect.

They preferred to look at the beautiful, sexy and gentle ,Nanhua Caiyi.

The ladies of the Cherry Blossom Sect saw that their current stage was taken by the beautiful and very sexy, Nanhua Caiyin.

This made the women from the Cherry Blossom Sect feel very angry, even though they were struggling to be as pretty as possible to captivate the hearts of the men who were here.

Unexpectedly the appearance of Nanhua Caiyi changed everything, Nanhua Caiyi really became the focus of the attention of every man who was here.

"Hello everyone, welcome to the Cherry Blossom Sect, I will be here as your guide for tonight's event, my name is Pei", a young woman who was full of enthusiasm appeared in the middle of the hall.

This woman said that she would be a guide for tonight's event.

Everyone immediately turned their attention to the center of the hall.

"I am very happy to be able to guide you tonight, okay, no need to linger anymore, let's just start. The event for tonight, here are the beautiful women who have been chosen by the sect" Pei told everyone that beautiful women will appear immediately.

After Pei said those words, seven women appeared from above, these women slid down while carrying a very beautiful umbrella on their shoulders.

The guests below admired the beauty of the women who looked like beautiful fairies descending from the sky.

Most striking were the women who were in the middle of the group of descending beauties.

The woman in the middle was extremely beautiful, her beauty was comparable to Qing Cheng and Nanhua Caiyi, plus this woman had very beautiful hair with a slender body and large double tops.

These seven women descended right in the middle of the hall, when these seven women came down, around them seven flowers appeared that gave off a very fragrant aroma.

This fragrant aroma makes the guests who are here drunk when they inhale it.

After descending into the center of the hall, these seven women began to dance in front of everyone who was here.

Every woman dances with a harmonious rhythm. Besides dancing, the women also show the beauty they have.

The men did not blink when they saw the dance that these seven beauties performed.

Some of the men had even drooled when they saw the seven beauties dancing so beautifully in the middle of the hall.

The men who were here turned into wolves, they couldn't wait to get one of these seven beauties.

After dancing for a while, the seven beauties finally ended their dance.

"Applause . . . , Applause . . . , Applause . . . , "Everyone started clapping.

Ye Chen also clapped his hands together, among these seven beauties, there was a woman who attracted Ye Chen.

The beautiful woman who was in the middle of the beauty group attracted Ye Chen.

Somehow this beautiful woman reminded Ye Chen of someone.

After taking a closer look, Ye Chen felt that this woman was Cheng Mengyan.

"Is that Cheng Mengyan? ", Asked Ye Chen to Qing Cheng who was beside him.

"Yes it is Cheng Mengyan, how can she be beautiful in her real appearance?" Said Qing Cheng with a very gentle smile.

Ye Chen nodded at Qing Cheng.

Finally Ye Chen could see Cheng Mengyan's real face, it was unexpected that Cheng Mengyan's real face was so beautiful.

So far, Cheng Mengyan always used a skin mask to cover a face as beautiful as this.

Ye Chen did not understand why Cheng Mengyan was wearing a leather mask, even though Cheng Mengyan's face was very beautiful if she didn't use the skin mask she used to wear.

"Now here are the seven beauties that you can fight over, the rules are very simple, you only need to show what you have in a predetermined theme".

"The seven beauties will judge you one by one, after everything is over these seven beauties are free to choose who is worthy of them.", Pei told the rules of the game in this event.

The rules are very simple, people who want to participate only need to show what they have in front of these seven beauties, after which the seven beauties will determine who is the man they deserve.

"Please those who want to come forward" Pei told all the men who were here to come forward if they wanted to participate in the event to get these seven beauties.

After the pei words came out, almost 70% of the men who were here immediately came forward, all men wanted to participate in the Event to get these seven beauties

"Cheng Mengyan really dares to participate in events like this, even though she still has a duty to be Yanyan's servant " Ye Chen didn't like it when Cheng Mengyan participated in events like this.

#### **Chapter 499 - Ye Chen Participated In This Event**

Even though Cheng Mengyan still had a debt to himself to be Zhao Yanyan's servant, it was unexpected that Cheng Mengyan would even join an event like this.

Ye Chen wouldn't let this happen, he wouldn't let Cheng Mengyan go so easily from her responsibility.

Ye Chen got up from his seat, he was going to take part in this event.

Qing Cheng and Qing Yanan saw that Ye Chen went to the front, it was clear that he would participate in this event.

"Fufufu, husband finally decided to join" Qing Cheng laughed when she saw Ye Chen participating in this event.

Since Ye Chen will participate in this event, there will definitely be something interesting to see.

"Hey Sister Cheng, you really didn't stop Ye Chen?" Qing Yinan asked in confusion.

"Why should I stop him, let him do what he wants" Qing Cheng will not stop Ye Chen, she will let Ye Chen do what he likes.

Qing Yinan didn't know what to say, since the party concerned had no problem with this, then Qing Yinan had no right to interfere.

After everyone gathered, Pei immediately counted the total participants who took part in this event.

"Okay, all of you have now participated in this Event, now the first thing you have to do is introduce yourself one by one." Pei told all the men who were here to introduce themselves to the seven beauties in front of them.

The seven beauties who were in the middle of the hall right now were neatly seated, they looked like a jury ready to select these men.

Everyone started to introduce themselves to the seven beauties in front of them.

Apart from introducing themselves, the men here used the backgrounds they had, they used the influence that their family had to attract the seven beauties here.

Everyone has a very good background, they very confidently describe the background they have.

One by one the men who were here began to introduce themselves, the seven beauties began to remember the backgrounds each of the men in front of them had.

These beauties are considering the better background among all these men.

The better the background these men have, the life they will live will be very comfortable.

This is one of the important factors in considering a suitable man for all seven of them.

Everyone finished introducing themselves in front of these seven women.

Finally it was Ye Chen's turn.

When Ye Chen appeared, all the beauties were immediately excited, they immediately focused their gaze on Ye Chen.

They all did not expect that a handsome man like Ye Chen would participate in this event.

All the beauties are very curious about where Ye Chen came from, they really hope that Ye Chen comes from a family that is strong enough so that Ye Chen can enter their list.

Cheng Mengyan was very surprised when she saw Ye Chen here, she did not expect that Ye Chen would participate in the Cherry Blossom Sect Event.

Ye Chen gave a smile to Cheng Mengyan, Cheng Mengyan who received a smile from Ye Chen immediately lowered her head, she didn't dare to look at Ye Chen.

"Young master, please introduce yourself." Pei told Ye Chen to introduce himself.

All the beauties other than Cheng Mengyan were eagerly waiting for Ye Chen to introduce himself.

"My name is Ye Chen, I'm currently 19 years old, I come from an ordinary family" Ye Chen started to introduce himself.

Ye Chen's introduction was extremely brief, he didn't even expose what he had like the man who previously introduced himself to these beauties.

The men who participated in this event introduced themselves as well as boasted everything they had, they were not even ashamed to say the wealth and assets they had.

All the women were quite disappointed when they heard this, they were disappointed to hear that this handsome young man only came from an ordinary family, even though they really hoped for more from Ye Chen who was very handsome.

Ye Chen saw that these women were disappointed in him, from here Ye Chen could easily guess that these women were hungry for wealth.

From the start, Ye Chen didn't want to expose too much about the wealth he had, he just wanted to see how all these beauties had reaction when she found out that he only came from an ordinary family.

Among these seven women, only Cheng Mengyan didn't really mind this.

"Okay, everyone has introduced themselves, now let's move to the next stage, on this stage you have to show the talents you have, you are allowed to show whatever you have, be it fighting arts, poetry, songs, playing instruments music and much more." Pei told all the men to get ready to show their skills at the next stage.

The next stage is quite simple, everyone just needs to show their talents to attract the attention of the seven beauties.

"Okay, first please go to the middle of the hall, for the rest you can wait for your turn on your seats first" Pei told the male participants to wait first on their seats.

The male participants returned to their seats to wait their turn.

Ye Chen returned to Qing Cheng and Qing Yinan's side to await his turn.

When Ye Chen returned to Qing Cheng and Qing Yinan's side, Ye Chen saw that there were currently four additional beautiful women by Qing Cheng's side.

From the cultivation bases these women possessed, it was clear that these women were sect elders like Qing Yinan.

"Husband welcome," When Ye Chen returned to his chair he was warmly welcomed by Qing Cheng.

"Sister Cheng, so this is the man you told us before." The four beauties who had just joined looked at Ye Chen up and down.

The four of them began to observe Ye Chen closely, it was unexpected that Qing Cheng would like this handsome young man.

"Yes, that's absolutely true." Qing Cheng nodded at the four of them.

"Ye Chen introduces these are the elders of our sect, their names are Qing Hongyu, Wu Limin, Zhou Xi, Qing Yifi." Qing Cheng introduced one by one the elders of this sect to Ye Chen.

Qing Hongyu was a mature woman who was beautiful and looked glamorous.

Wu Limin is a beautiful mature woman who is graceful and full of smiles.

Zhou Xi is a beautiful mature woman who looks indifferent.

Qing Yifi is a young woman who is beautiful and full of vitality, she has just become an elder to replace the previous elder who died in the ancient heritage place.

These four women have different charms.

"Hello, I am Ye Chen, I am very happy to meet you." With a friendly smile, Ye Chen introduced himself to the four beauties who had just joined.

"Wow, so handsome, it's no wonder the Sect Master likes you." Qing Yifi is a very honest woman, she immediately said what was on her mind.

Qing Hongyu, Wu Limin, Zhou Xi also had to admit that Ye Chen was handsome, unfortunately they were not as brave as Qing Yifi who dared to say it openly, they only dared to keep this in their heart.

### **Chapter 500 - You Can Use My Mine If You Want**

"Hehehe, thank you for the compliment, the four of you are also very beautiful, a man who can have you will definitely be very lucky", now it's Ye Chen's turn to give praise to Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi.

The faces of Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi turned red when they heard Ye Chen's praise, the four of them had never heard of praise like this from a man like Ye Chen.

Somehow Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi felt their hearts were very happy when they heard this from Ye Chen.

Ordinary people will look down on the four of them because they are no longer pure.

Because of this, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi were happy when they heard these sweet words from Ye Chen.

Qing Cheng smiled when she saw Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi turning shy like this, she felt that Ye Chen was a natural enemy of women, even though Ye Chen had just met Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi.

It was unexpected that Ye Chen could easily leave an imprint of himself in the hearts of Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi.

"Husband, just now why didn't you expose what you had, you acted as nothing in front of the seven of them? "Qing Cheng wants to know Ye Chen not to expose what he has to the beauty that is being fought over.

"I just want to see how those women react when they find out that I only come from an ordinary family, it was unexpected that their reactions will be like that," Ye Chen told Qing Cheng that these six beauties were not suitable for him.

" Oh, I see. it means you will just play around in this matter "said Qing Cheng to Ye Chen.

"That's so true." Ye Chen nodded at Qing Cheng.

Ye Chen looked at the center of the hall, currently in the middle of the hall, Ye Chen saw that the participants were currently showing their talents.

all the participants highlighted their talents, some showed their talent to play weapons, some did poetry, some sang, and many others.

Time went on, over time Ye Chen became bored seeing this show, the talents shown by these people were just like that, there was nothing special about the male participants.

In order to overcome this boredom, Ye Chen decided to talk to the beautiful women who were next to him.

Ye Chen started joking with the beautiful women beside him, he felt that the beautiful women beside him were very easy to get along with him.

"Young master Ye Chen, it's your turn." Pei called Ye Chen's name, she asked Ye Chen to immediately go to the center of the hall to show the talent he had.

Since it was his turn, Ye Chen immediately went to the middle of the hall.

"Young master Ye Chen, what will you display this time? ",Pei asked Ye Chen what he would show everyone who was here.

"I'll just play a musical instrument." Ye Chen answered Pei's question, Ye Chen had decided to just play an instrument.

From earlier, Ye Chen had not seen any of the participants playing a musical instrument, so he decided to play a musical instrument.

"Musical instruments, then please just start" Pei told Ye Chen to start playing musical instruments.

"Wait a minute, don't you guys provide musical instruments here?" Ye Chen asked Pei.

"Sorry we don't provide things like that, the participants have to bring everything individually" Pei told Ye Chen that they are not here to provide tools for the participants.

Participants should use their own tools for this.

Ye Chen was a little disappointed when he heard this, Ye Chen himself did not currently carry a musical instrument in his body.

Without a musical instrument, Ye Chen can't play music.

The beauty started to sneer at Ye Chen, they didn't expect that Ye Chen would be this poor to the point that he didn't have a cheap musical instrument in his body.

"If you don't have musical instruments on your body, you can return to your seat." One of the beauties in front of Ye Chen immediately drove Ye Chen from the center of the hall.

This woman hated seeing a poor man who was nothing like Ye Chen.

This woman's voice represented the voice of the other 5 beauties in front of Ye Chen, the other five beauties also didn't like to see Ye Chen who had nothing.

"You can use my zither if you want." Cheng Mengyan offered Ye Chen a musical instrument in the form of a zither she had.

Everyone was shocked when they saw Cheng Mengyan offer her the zither she had for Ye Chen.

They all didn't understand why the extremely beautiful Cheng Mengyan would want to help Ye Chen.

"Thank you, if you don't mind then I'll borrow it", Ye Chen certainly didn't reject Cheng Mengyan's good intentions.

Luckily Cheng Mengyan knew that she had to help Ye Chen in a situation like this, if until now Cheng Mengyan had been silent and didn't help Ye Chen, maybe after all this was over Ye Chen would punish Cheng Mengyan a little.

"Wait a minute, let me get it for you" Cheng Mengyan would get her zither for Ye Chen.

Cheng Mengyan left this hall, inevitably they all had to wait for Cheng Mengyan to return before continuing this event.

The woman who previously kicked Ye Chen out was quite annoyed when she saw Cheng Mengyan helping Ye Chen, even though she intended to expel Ye Chen so that she would no longer participate in this event.

It's a shame this woman can only harbor her resentment in her heart, right now she can't get angry in front of the men who are here, if that happens then her reputation will decline in the eyes of the male participants in here.

After this event is over, this woman intends to teach Cheng Mengyan a lesson.

Even though Cheng Mengyan was prettier than herself, Cheng Mengyan's cultivation level was still lower than hers.

because of this this woman dared to make calculations with Cheng Mengyan.

"Looks like Mengyan knows Ye Chen quite well, have they ever met before", Wu Limin said to all the women beside her.

Wu Limin was very familiar with Cheng Mengyan, Cheng Mengyan couldn't possibly help people she didn't know before.

That means Cheng Mengyan must know Ye Chen.

"You're absolutely right, Mengyan is currently in the same school as Ye Chen." Qing Cheng told Wu Limin that Ye Chen and Cheng Mengyan were in the same school.

"So that's how it is, it's no wonder Mengyan wanted to help Ye Chen, it turns out that the two of them already knew first" said Wu Limin to Qing Cheng.

"Oh yeah, Limin wasn't the woman who previously insulted Ye Chen was also one of your students" Qing Cheng's tone turned slightly angry when talking about the woman who previously insulted and intended to expel Ye Chen.

Somehow Qing Cheng didn't like the woman who previously insulted and kicked Ye Chen away.
