

Chapter 501 - Test Measure Strength

"Yes, that woman is still one of my disciple" said Wu Limin to Qing Cheng.

Wu Limin looked scared when he said this to Qing Cheng, he didn't expect that Qing Cheng would be angry because her female disciple said that to Ye Chen.

"Where did that girl come from? I want to know everything." Qing Cheng told Wu Limin to tell her where the woman who insulted Ye Chen came from.

Wu Limin immediately told Qing Cheng about the origin of the woman who insulted Ye Chen and wanted to expel Ye Chen.

"So this girl is the daughter of the city lord, it's no wonder she is very arrogant, after this event I want you to punish her, do you understand?", Qing Cheng said to Wu Limin.

"Fine sister Cheng, I will understand." Wu Limin nodded at Qing Cheng.

Wu Limin could only blame her female disciple for trying to offend Ye Chen who had a relationship with Qing Cheng.

A few minutes later Cheng Mengyan returned carrying a zither with a beautiful ornate decoration.

Cheng Mengyan walked over to Ye Chen and gave the zither she had in her hand to Ye Chen.

"This is for you." Cheng Mengyan handed over her zither to Ye Chen.

Ye Chen received a zither from Cheng Mengyan "I didn't expect that you would join something like this." Ye Chen whispered in Cheng Mengyan's ear.

Ye Chen's voice was very small, only Cheng Mengyan could hear Ye Chen's voice.

Cheng Mengyan's face turned red when she heard this, she was quite ashamed of Ye Chen because she was following something like this.

With a reddened face Cheng Mengyan returned to where she should have been.

Ye Chen smiled when he saw Cheng Mengyan run away like a cat that had just been stepped on by its tail.

The male participants were quite jealous of Cheng Mengyan's treatment of Ye Chen, if they had known this they would have previously pretended to be Ye Chen so that one of these beauties would want to lend them something like Ye Chen.

Unfortunately time cannot be repeated, they can only regret not getting special treatment like Ye Chen.

Ye Chen looked at the zither in his hand, Cheng Mengyan's zither looked very expensive, it seemed that this was a personal zither that Cheng Mengyan often used.

Ye Chen didn't expect that Cheng Mengyan also liked zither like Zhao Yanyan, it seems that these two women have the same liking for each other.

Ye Chen started to sit cross-legged in the middle of the hall, he was getting ready to play zither.

The people who were here waiting for Ye Chen to play a musical instrument, they wanted to hear whether Ye Chen's playing was good or bad.

Ye Chen started to play zither, when Ye Chen played this zither, a very melodious tone of voice began to fill the entire hall.

This tone of voice was so beautiful, everyone here had never heard of someone playing the zither as good as Ye Chen.

Due to listening to Zhao Yanyan playing the zither too often, Ye Chen indirectly learned from Zhao Yanyan's playing.

That's why Ye Chen's zither skills cannot be underestimated.

Everyone began to enjoy Ye Chen's exquisite zither playing

The six beauties in front were dumbfounded by Ye Chen's zither game, they all didn't believe that Ye Chen could playing good zither.

Cheng Mengyan was the one who was most fascinated when she heard Ye Chen's zither play, Cheng Mengyan unconsciously smiled very beautifully.

After 7 minutes of playing the zither, Ye Chen finally finished the song he was playing.

" applause . . ., applause . . ., applause . . . , "The people who were here applauded Ye Chen.

They all praised Ye Chen's talent, after finishing showing what little ability he had, Ye Chen returned this beautiful zither to its original owner, Cheng Mengyan.

Cheng Mengyan received the zither from Ye Chen, she looked very happy when she received the zither from Ye Chen.

After Ye Chen returned the zither to Cheng Mengyan, he returned to his seat.

As Ye Chen walked to his chair, he saw that Nanhua Caiyi was looking at him with the crystal-clear eyes she had.

Nanhua Caiyi suddenly smiled very softly at Ye Chen.

Ye Chen doesn't know what Nanhua Caiyi is thinking of him, which is certain that Ye Chen feels that Nanhua Caiyi has other meanings to him.

Ye Chen started to ignore Nanhua Caiyi, he immediately went to Qing Cheng's side.

"I'm more and more interested in a man named Ye Chen, I think I want to play with Ye Chen a little." Nanhua Caiyi already knew Ye Chen's name.

When Ye Chen introduced himself earlier Nanhua Caiyi immediately remembered Ye Chen's name.

Nanhua Caiyi always remembered something that attracted her, because Ye Chen could attract herself, so Nanhua Caiyi remembered Ye Chen very well.

"That was a really great " Qing Yifi was a woman who said to Ye Chen, Qing Yifi really liked the zither play Ye Chen showed.

"That was just normal, there are still people who can play better than me." In this world there are still many people who can play a better zither than him.

"Besides being talented, it turns out that you are also very low profile, there is rarely a young man like you in this world," the glamorous woman Qing Hongyu said to Ye Chen.

Qing Hongyu very rarely saw a young man like Ye Chen who was low profile, usually young men would be very arrogant with the abilities they had.

Ye Chen smiled at the glamorous woman Qing Hongyu.

"Thanks to young master Ye Chen, it was a very beautiful ending." Pei thanked Ye Chen for presenting a very beautiful musical instrument.

"OK, the next stage ,is the final stage or the stage of determination, at this stage the participants must show the strength they have," Pei began to explain the rules of the game in this last stage.

In this last stage all participants must show the strengths they have.

"Here we have a tool to measure a person's strength, all you need to do is use your full strength to attack this tool, after you attack this tool a number will appear, the higher the number, the stronger the power he have ",Pei told everyone that their strength would be tested using a special tool.

This tool can be used to find out a person's strength, the higher a person's strength, the higher the number they will get.

"Okay everyone has three chances to try." Each participant will be given three chances to attack this tool, the highest score will be used as the benchmark.

"Well what a coincidence, in this last stage there will be a mystery prize for the person who can get the highest score" Pei told everyone here that there is a mystery prize for the participant who can get the highest score.

The participants became so excited when they heard this, they couldn't wait to get the mysterious prize that would be given to the winner.

"Okay, let's just start, please the first participant to come forward" Pei told the first participant to try it.

The first participant immediately came forward, this participant immediately put up a stance to attack the power gauge in front of him.

"Tornado kick" the first participant jumps up and starts kicking several times in the air,

"Bamm. . . ." the first participant's kick regarding the measuring instrument of strength.

"220" a number appeared on the power gauge.

Chapter 502 - Score Strength 99999

the score that came out was very small, the strength of this first participant was relatively weak.

"The score is 220, please you still have 2x more chances" Pei told the participants to try again.

This male participant tried one more time, this time using the full strength he had.

"Bamm"

"226" strength gauge shows a score that is still not too far from before.

"Still not, I can still do it even stronger" The first participant did not want to give up, he still had one chance left.

This time he actually used everything he had to strike the power gauge.

"Bamm"

"231" the score obtained by the first participant is still not much different from the first try.

"Okay, you got the highest score of 231, the next participant please come forward." Pei told the second participant to come forward and show his strengths.

The second participant advances, the second participant this time has a more muscular body and is bigger than the first participant, he should have a stronger strength than the first participant.

"Yargghhh, feel this" The second participant shouted very loudly when he was about to attack the power gauge.

"Bammm"

"198" measuring device shows a score, the score this participant got was much lower than the first participant.

Although this person's body was large, this man's cultivation level was lower than that of the first participant.

"Hahahaha" the people here started laughing at the man with a big and muscular body.

Men with large and burly bodies feel embarrassed because they score so low.

To make up for this embarrassment, the man with a burly and big body tried it again.

"Bamm. ., Bamm.

"201, 195" scores obtained by men with muscular and large bodies are still quite low.

With a feeling of disappointment, the man with a large and muscular body returned to his chair.

One by one people started to try the strength they had, the strongest person could get a score of 1065 with the cultivation level he had at the 6th stage of Earth Realm, while the weakest person could get a score of 89.

After such a long time, it was finally Ye Chen's turn.

Ye Chen advanced to the center of the hall, he was standing right in front of the power gauge.

"Good luck, you have 3x chance to do it" Pei said to Ye Chen.

"That, is it fine if I use full power and accidentally destroy this tool?" Ye Chen asked Pei.

Pei smiled when he heard this from Ye Chen, "Young master Ye Chen, please use the full strength you have, this tool will not be destroyed even if you use the full power you have." Pei told Ye Chen not to hold back the strength he had.

"It's good if you say that then I will not hold back" said Ye Chen to a woman named Pei.

Ye Chen here has 3x the chance, so it doesn't matter if he plays around a bit in this.

Ye Chen walked in front of the power gauge, when he arrived in front of the power gauge, Ye Chen hit it with an ordinary punch.

"Bamm." Ye Chen hit this tool with a punch that wasn't strong at all.

"2". the score shows a very small number.

"Hahahaha" Everyone who was here laughed when they saw the number Ye Chen got, they all did not think that Ye Chen would be this weak.

Even a normal man who was not a cultivator could score up to 5, whereas Ye Chen could only get a very small score, it meant that Ye Chen was weaker than the average male in the world.

"It's quite interesting." This was Ye Chen's first time trying a power measuring device like this, of course he wanted to know what this tool could measure.

Previously, Ye Chen used a very weak punch to test what this tool was like, it was unexpected that such a weak punch could still be measured by a power gauge.

Qing Cheng, Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi didn't know what Ye Chen was doing.

"Hey sister Cheng, what is Ye Chen doing, why is he using such a weak punch." Zhou Xi wanted to know what Ye Chen was doing right now.

"Who knows, maybe he just wanted to play around" said Qing Cheng to all the women beside her.

Qing Cheng herself knew how strong Ye Chen was, if Ye Chen was willing to be serious, he could score hundreds of times or even thousands of times higher than all the male participants who took part in this event.

"This man is very weak and doesn't have a good background, what is so good about this man is only his good looks and zither skills", the beauties started to sneer at Ye Chen who has such weak strength.

Ye Chen was really no match for the six of them, a man like Ye Chen was suitable to be the white face for a woman.

"So what if he's weak?, I think he's pretty good," Cheng Mengyan didn't really like it when she heard the words of the woman next to her.

"Why are you defending this weak young man, do you like this weak young man, your taste is so bad." The girl on the side didn't like Cheng Mengyan's words, this woman didn't even hesitate to insult Cheng Mengyan's bad taste.

"You will see." Cheng Mengyan gritted her teeth, and endured the humiliation of the girl beside her.

"Young master Ye Chen, is that the only strength you have?" Pei asked Ye Chen.

"I was just trying it, so it shouldn't count," Ye Chen said to Pei.

The beauties who were here continued to berate Ye Chen, they were all eager for Ye Chen to quickly leave before them.

"Then please try again" Pei smiled at Ye Chen, she told Ye Chen to try one more time.

"OK, I'll be serious now." Ye Chen will start getting serious now, he wants to see if this tool can withstand the strength he has.

Ye Chen gripped his fist very tightly.

"Breaking Meteor Blow" Ye Chen used the Breaking Meteor Blow to attack the power gauge in front of him.

"Boom" a powerful explosion occurred, the entire hall shook when this explosion occurred.

The people near the hall were also swept away by the impact of the explosion that had occurred.

After the explosion occurred this hall was covered with very dense dust.

"Cough. . . , cough. . . , cough, what just happened "people are still a little confused about what just happened, they really don't know what just happened.

After a while the dust began to dissipate from this hall, when the dust disappeared they saw a large crater appearing in the middle of the hall.

The place in the middle of this big answer was Ye Chen and also the strength gauge that had been broken.

The power gauge is completely broken and shows a score of "99999"

"Ehhhh !!! "Everyone stared at the score on the broken strength gauge.

They couldn't believe that this tool would show the maximum score.

Cheng Mengyan and the six other beauties were stunned when they saw this, the six beauties who previously sneered at Ye Chen were speechless after seeing this.

Chapter 503 - All The Beauties Chose Ye Chen

"Impossible, how can he score 99999." Qing Yinan couldn't believe that Ye Chen got such a high score.

Even though Qing Yinan herself, who was currently at the eighth stage of the Sky Realm, was only able to get a score of around 8600.

Ye Chen's score was almost 10x that of Qing Yinan.

This tool was able to measure a person's strength to the Emperor Realm level, meaning that Ye Chen was much stronger than a cultivator at the Emperor Realm level.

"Hey sister Cheng, what cultivation level does Ye Chen have?" ,Qing Hongyu immediately asked what level of cultivation Ye Chen had.

It wasn't just Qing Hongyu who was curious about this, Qing Yinan, Wu Limin, Zhou Xi and Qing Yifi were just as curious as Qing Hongyu.

"fufufu, who knows, I also don't really know what the husband's level is." Qing Cheng answered Qing Hongyu's question with a slight giggle.

Qing Cheng's answer made Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi even more curious.

They all want to know the strength that Ye Chen has.

"Geez. Husband really doesn't know how to hold back" Qing Cheng muttered in her heart.

The attack that Ye Chen had just launched almost made the sect hall collapse, if only this sect hall had not been built with solid enough stone, Qing Cheng was very sure that this sect hall had collapsed earlier.

"Ouch. . . , ouch. . . , ouch. . . , "Pei tried to get up from the floor, because she was too close to Ye Chen, she received the worst impact among all the people in this.

Pei immediately saw Ye Chen who was standing several tens of meters in front of her, when she saw the power gauge in front of Ye Chen, she was very shocked.

Pei didn't expect that the power gauge would be broken by Ye Chen.

She started to remember the words that Ye Chen had previously said, Pei did not expect that if Ye Chen's words were real, he could actually destroy the power gauge.

" That . . . ,That . . . ,Young master Ye Chen's score is 99999. "Pei stuttered a little when asked to read out Ye Chen's score, she had never seen someone who got a score like Ye Chen.

Everyone also did not believe Ye Chen's score, this score was 100x stronger than that of the strongest participant in this place.

The woman who was the most happy about was Cheng Mengyan, she was so happy when Ye Chen got such a high score.

With this high score, the women beside her wouldn't dare to sneer and insult Ye Chen again.

The beauties still couldn't believe it when Pei read out the results of the score obtained by Ye Chen, these six beauties still couldn't believe that the young man they previously thought was weak was so strong.

The eyes of these six beauties became starry when they found out about this, if Ye Chen was this strong then the future life they had would be very guaranteed.

They didn't need to be afraid of anything when they had a man as strong as Ye Chen.

These six beauties had already decided in their hearts to choose Ye Chen, no matter what, they had to get Ye Chen.

Even though Ye Chen didn't have a good background, with Ye Chen's current strength he could easily do whatever he wanted.

Plus Ye Chen is still a very handsome man, these six beauties of course like handsome men like Ye Chen.

Nanhua Caiyi smiled even more beautifully when she saw the strength displayed by Ye Chen.

Nanhua Caiyi knew that Ye Chen was very strong, from just now she had guessed that Ye Chen had not shown the full strength he had.

If Ye Chen showed the full strength he had, then the Cherry Blossom Sect could flatten the ground.

What made Nanhua Caiyi feel strange was the level of cultivation that Ye Chen had, when Ye Chen released the attack just now Nanhua Caiyi still couldn't tell what cultivation Ye Chen had.

Nanhua Caiyi wanted to know what methods Ye Chen was using to hide the level of cultivation he had.

"Young master Ye Chen, congratulations on getting the highest score, here is a prize for you." Pei gave a gift box to Ye Chen.

Inside this box was a mysterious gift that Pei had said before.

"Thank you very much." Ye Chen received the box from Pei's hand.

"You can open your present later" Pei whispered to Ye Chen to open this box for later.

Ye Chen smiled at Pei, he also already intended to look at the prize in this box for later.

"Okay, after 3 quite long stages we finally arrived at the time to determine the results, now the seven beauties have got a picture of all of you." Pei told all the participants that the event was over, it's time to determine the results.

These beauties will choose the most suitable man after seeing and knowing the strengths, talents, and influence that each participant has.

"Well now you can start to say which male participant has won your heart." Pei invited the seven beauties to make their choice.

The male participants couldn't wait for the results, they hoped that they would be chosen by one of these seven beauties.

Ye Chen himself didn't really care about the outcome, Ye Chen was sure that Cheng Mengyan would choose him, so he wasn't too worried about this matter.

"3, 2, 1, please" pei invites the seven beauties to tell which man deserves them.

"Ye Chen." Cheng Mengyan and the other six beauties answered simultaneously.

"Ehhh! ! ! "All the male participants who were here were so shocked when they heard that the seven beauties chose Ye Chen,

Everyone was also shocked when they heard this, they didn't expect that the result would be like this.

There has never been a situation where all beauties chose the same man.

Ye Chen is the first man in history who can do this.

"Didn't you previously sneer and insult Ye Chen, why did you even choose him?" Cheng disliked when she saw the six beauties beside her also chose Ye Chen.

Cheng Mengyan felt that they were no match for Ye Chen, before they insulted Ye Chen with inappropriate words.

But after seeing that Ye Chen was very strong, they immediately turned around and wanted Ye Chen.

"Who pouted and insulted Ye Chen, we never did that, we admire Ye Chen in our hearts" the woman who previously insulted Ye Chen started acting admiring Ye Chen.

This woman was very shameless, even though she previously said that Ye Chen was poor and weak, but now that she found out that Ye Chen was very strong, she now started acting admiring Ye Chen.

"What a shameless woman you are." Cheng Mengyan pointed at the shameless woman beside her.

"Oh my, the situation is getting more complicated" Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi were helpless when they saw this.

"Fufufu, this has become more and more interesting." Qing Cheng really liked seeing this, she was very, very interested when she saw Ye Chen being fought like this.

Qing Cheng became more and more interested in this, Qing Cheng was very curious about what would happen next.

Chapter 504 - May I Join Your Fun

"You should all give up, you don't have a chance to get Ye Chen." One of the seven beauties stated that she was the one who would get Ye Chen.

"Dream, you won't get Ye Chen." Another beauty didn't want to lose, she didn't let other women steal Ye Chen from her.

"All of you are not worthy of Ye Chen, so don't expect to get Ye Chen." Cheng Mengyan said to the shameless woman beside her.

Girls like them weren't worthy of Ye Chen at all.

Cheng Mengyan and the Six beauties started fighting, they even started to use the strength they had.

Cheng Mengyan and the six beauties were prepared to fight over Ye Chen.

Cheng Mengyan didn't look scared when she had to fight the six women next to her, even though Cheng Mengyan was weaker than these six women, she still had a trick to win against these six women.

"All of you please calm down for a bit." Pei tried to calm the seven beauties who were intending to fight.

"Shut up, this has nothing to do with you." The seven beauties very compactly told Pei not to interfere in this matter.

Pei's guts shrank when she was bullied by Cheng Mengyan and the six women in front of her.

"May I join your fun, I also want Ye Chen" suddenly a very soft female voice interrupted the battle that Cheng Mengyan and the six women were doing.

Cheng Mengyan and the six women immediately looked at the direction of this voice, they all saw that the voice just now came from Nanhua Caiyi.

Cheng Mengyan and the six women didn't know why Nanhua Caiyi wanted to participate in their cause.

Cheng Mengyan and the six women were jealous of Nanhua Caiyi's sexy body.

"Go, we are busy here." One of these women kicked Nanhua Caiyi out of here.

Currently they are doing an important thing where they have to get Ye Chen.

"Fufufu, you have a pretty spicy mouth too, let's see if your mouth will help you." Nanhua Caiyi laughed at the woman who threw herself away.

An extremely strong force began to suppress the woman who had previously insulted Nanhua Caiyi.

The woman who previously insulted Nanhua Caiyi was currently being pressed to the floor with great pain.

"Please forgive me, I know I was wrong, so please let go of me." This girl felt that she was being pressured by an invisible mountain, this woman's entire body was drenched in sweat when pressed by Nanhua Caiyi's aura.

Cheng Mengyan and the Five Women were shocked when they saw this.

Nanhua Caiyi could easily suppress one of them.

"So are there any of you who dare to speak to me like that?" Asked Nanhua Caiyi to Cheng Mengyan and the five women.

The five women immediately shook their heads, they didn't dare to speak harshly to Nanhua Caiyi.

Nanhua Caiyi smiled very softly when she saw this, she was quite happy playing with weak women like Cheng Mengyan and the six girls.

"Sister Cheng, may I teach this woman a lesson." Qing Yinan asked permission to teach Nanhua Caiyi a lesson.

"Yinan, that woman is so strong, even if everyone from our sect joins hands, we still won't be able to fight against that woman, we have no other choice but to let her do as she wants." Nanhua Caiyi is so powerful, Qing Cheng couldn't do anything to this powerful Nanhua Caiyi.

In this place, only Ye Chen could stop Nanhua Caiyi.

Qing Yinan and the other elders didn't know that Nanhua Caiyi would be this strong.

they were all disappointed when they heard this, it seemed they could only see this matter and couldn't do anything about it.

Ye Chen didn't understand what Nanhua Caiyi wanted when she joined the matter, whether she just wanted to have fun or have some other goal in this matter.

Ye Chen became more and more curious about Nanhua Caiyi, if only Ye Chen had the strength like Qing Cheng, maybe Ye Chen wouldn't be curious like this.

"Miss Nanhua, what do you want from me?" Ye Chen asked Nanhua Caiyi.

"Didn't you hear what I said before?, I told you that I wanted you" said Nanhua Caiyi to Ye Chen.

Everyone here was stunned when they heard this, they couldn't believe that a beautiful and very sexy woman like Nanhua Caiyi would like Ye Chen too.

All the men who were here were very jealous of Ye Chen, apart from the seven beauties, Nanhua Caiyi was also fighting over Ye Chen.

this is the dream of every man in this world to be seized by beauties.

All the men looked at Ye Chen with a look of strong hostility, all the men who were here were annoyed that Ye Chen was too greedy to make all the beautiful women fall in love with him.

In the instant that Ye Chen became the enemy of the public, hundreds of eye-popping eyes began to stick to Ye Chen.

Ye Chen didn't expect that he would become an enemy of the public because of this, even though Ye Chen's original intention was not like this.

"Why does Miss Nanhua want me?", Ye Chen wants to know the reason Nanhua Caiyi wants him.

"Do you need a reason to like someone" said Nanhua Caiyi to Ye Chen.

"Of course, if there's no reason then how can you like someone?" Ye Chen said to Nanhua Caiyi.

Nanhua Caiyi smiled softly when she heard this, she headed towards Ye Chen.

Nanhua Caiyi was standing right in front of Ye Chen's body, Nanhua Caiyi started leaning her body forward and began to whisper in Ye Chen's ear.

As Nanhua Caiyi leaned forward, unconsciously the two double peaks were extremely gentle on Ye Chen's chest,

This sensation was so extraordinary, Ye Chen couldn't endure the temptation emanating from Nanhua Caiyi's two double peaks.

"I'm interested in you, do you want to be mine." Nanhua Caiyi whispered very soft words in Ye Chen's ears, these gentle words could only be heard by Ye Chen.

It was clear that Nanhua Caiyi was using a charm to control Ye Chen's mind.

Nanhua Caiyi is attracted to Ye Chen, she wants to make Ye Chen her own.

Spring Palace is a place where the women who live there are like queens, the women there consider men as items that they can take advantage and use at will.

When Nanhua Caiyi said that she wanted Ye Chen, it was the same as she wanted Ye Chen to become her personal item.

"I'm sorry but I refused" Ye Chen very firmly rejected Nanhua Caiyi.

Nanhua Caiyi was shocked when she heard Ye Chen rejecting her, this was the first time a man could reject her.

Nanhua Caiyi's face was no longer smiling softly like before, now Nanhua Caiyi's face looks very annoyed.

"You know, I hate disobedient men the most, men who are disobedient should be punished." Nanhua Caiyi was furious at Ye Chen who had dared to reject her.

Nanhua Caiyi will punish Ye Chen and make him a loyal servant who will obey all orders from her.

Nanhua Caiyi started to bring out the strength she had, when Nanhua Caiyi took out the strength she had, an extremely terrifying pressure began to fill the sect hall.

The Sect Hall began to shake by the power that Nanhua Caiyi gave off.

Chapter 505 - Battle Between Dual Cultivation Techniques

The pressure put out by Nanhua Caiyi was too strong, the weak people who were here were suppressed by Nanhua Caiyi's strength.

These people were terrified by the pressure that Nanhua Caiyi put out.

There were even some people who wet their pants because of the fear of Nanhua Caiyi's strength.

"You all quickly evacuate everyone out of here" Qing Cheng ordered Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi to evacuate everyone who was here.

"Well we understand." Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi nodded at Qing Cheng.

They all started carrying out orders from Qing Cheng.

Qing Cheng did not expect that things would turn out like this, Nanhua Caiyi really wreaked havoc at a time like this.

Qing Cheng only hopes that Ye Chen can prevent Nanhua Caiyi from destroying the Cherry Blossom Sect.

Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi were also affected by the pressure exerted by Nanhua Caiyi, they still forced themselves to resist the pressure emanating from Nanhua Caiyi.

All the disciples from the Cherry Blossom Sect and the guests who were in the sect hall immediately evacuated out, these people were evacuated out of the Cherry Blossom Sect.

seeing that everyone had already been evacuated out, Qing Cheng decided to leave this place.

if she continued to be here, then she would be dragged into the battle that Ye Chen and Nanhua Caiyi were doing, Qing Cheng didn't want to trouble Ye Chen.

The sect hall began to collapse under the forceful pressure exerted by Nanhua Caiyi.

Above the sky began to occur lightning phenomena that swept everywhere, strong winds also began to hit this hall, now the Cherry Blossom Sect sect hall really looked very chaotic.

"Why don't you move? , are you scared after seeing the power I have?" Nanhua Caiyi said to Ye Chen.

"Not really, I want to see how strong your strength is." Ye Chen was not at all afraid of the strength shown by Nanhua Caiyi.

"Fufufu, alright, if you want to see the power I have then I'll show you." Nanhua Caiyi intended to show the strength she had to Ye Chen.

Nanhua Caiyi went towards Ye Chen, she stretched out her hand to grab Ye Chen's neck.

When Nanhua Caiyi was about to grab Ye Chen's neck, someone grabbed her wrist.

The person holding her wrist was Ye Chen.

Ye Chen was currently holding Nanhua Caiyi's wrist. "Very soft hands, you must take care of this very well." Apart from holding Nanhua Caiyi's hand, Ye Chen took the opportunity to touch the soft hand that Nanhua Caiyi had.

Nanhua Caiyi's hands were very soft, the sensation of touching this thing was very pleasant.

Nanhua Caiyi became even more annoyed when Ye Chen touched herself without permission like this, this was the first time that a man had dared to touch her without permission like Ye Chen.

"How dare you touch my body like that, I will definitely make you pay for it." Nanhua Caiyi this time really looked very irritated when she found out that Ye Chen touched her body without her permission.

For Nanhua Caiyi men are a toy that she can control at will, she dislikes men like Ye Chen who dare to touch her body without her permission.

Nanhua Caiyi used her leg to kick Ye Chen's head.

Ye Chen who saw this immediately used his other hand to hold Nanhua Caiyi's smooth thighs.

Just like before, Ye Chen took this opportunity to touch Nanhua Caiyi's smooth thighs.

Ye Chen stroked this thigh like he was stroking the best item he had.

This woman has a body that is so perfect that all aspects of Nanhua Caiyi can make any male who touches her very excited.

Nanhua Caiyi was even more annoyed when she saw Ye Chen touching her body without her permission like this.

Nanhua Caiyi used all kinds of means to attack Ye Chen who was in front of her.

Ye Chen fended off all the attacks made by Nanhua Caiyi, the results of his training so far made it easier for Ye Chen to deal with Nanhua Caiyi.

Ye Chen could easily hold Nanhua Caiyi's body, Nanhua Caiyi couldn't move when her body was held by Ye Chen.

Nanhua Caiyi did not expect that a young man like Ye Chen would have a higher level of cultivation than hers.

If she had known this beforehand then Nanhua Caiyi would have been even more careful when dealing with Ye Chen.

Currently Nanhua Caiyi and Ye Chen's positions are very ambiguous, Ye Chen's body actually touched some important parts of Nanhua Caiyi's.

"You brat, hurry up and let me go, otherwise don't blame me if I use that on you", Nanhua Caiyi threatened Ye Chen to let go of herself.

"I will not let you go, you know I hate someone who threatens me the most" said Ye Chen to Nanhua Caiyi.

Currently, the distance between Ye Chen's face and Nanhua Caiyi was only a few centimeters.

"Hemmp, you forced me to do it, get ready" Suddenly Nanhua Caiyi kissed Ye Chen's lips in front of her.

Ye Chen was quite surprised by what Nanhua Caiyi was doing, Nanhua Caiyi was very brave enough to kiss Ye Chen.

when Nanhua Caiyi kissed him, Ye Chen could feel that Nanhua Caiyi's lips were very soft, this feeling wasn't bad.

Suddenly something strange happened, Ye Chen felt that the Yangqi and Yuanying he had were being sucked out of his body.

This discovery made Ye Chen aware of what Nanhua Caiyi was doing, Nanhua Caiyi was currently absorb himself.

Ye Chen tried to get away from Nanhua Caiyi, unfortunately he currently couldn't get away from Nanhua Caiyi, Nanhua Caiyi was stuck tightly against Ye Chen's body like an octopus.

Nanhua Caiyi was very surprised to find that Ye Chen had a very pure Yangqi, a Yangqi this pure that Nanhua Caiyi had never seen.

Nanhua Caiyi was very excited, right now she wanted to take off the clothes on her body and start harvesting the Yangqi and Yuanyin that Ye Chen had until Ye Chen became dry like a bone.

Nanhua Caiyi's tongue started to enter and snared Ye Chen's tongue, Nanhua Caiyi looked very skilled in this technique that she used was very skillful.

Experienced women are different compared to women who are still virgins, experienced women are much more skilled at pleasing men than women who are still virgins.

If only this was a normal beautiful and very sexy woman Ye Chen would probably be very happy, unfortunately this is Nanhua Caiyi who cultivated Dual Cultivation to suck her up.

Ye Chen's body was a little hot when he got the stimulation intake from Nanhua Caiyi.

"Master, you better use the king's heart technique that you have against this woman." Chu Yuechan told Ye Chen to use the king's heart technique he had against Nanhua Caiyi.

Ye Chen also thought about this before, perhaps the best way to fight Nanhua Caiyi was to use fellow Dual Cultivation techniques against her.

Nanhua Caiyi was getting worse, she started to become a lustful woman, Nanhua Caiyi continued to absorb the Yangqi and Yangyin that Ye Chen had.

When Nanhua Caiyi was busy sucking Ye Chen, she suddenly felt that Ye Chen's pure Yuanyin and Yangqi suddenly could no longer be absorbed by her.

A few moments later Yinqi and Yuanyin who were owned by Nanhua Caiyi suddenly entered Ye Chen's body.

This strange discovery made Nanhua Caiyi very panicked.

Chapter 506 - Get A New Sexy Servant

Nanhua Caiyi tried to do something about this, unfortunately what she did didn't help, Yinqi and Yuanyin who were in her body left her body and went into Ye Chen's body.

Finding this oddity Nanhua Caiyi immediately stopped kissing Ye Chen.

"You. . . ,you. . . , you are also a Dual Cultivator?" This discovery made Nanhua Caiyi very surprised.

Nanhua Caiyi did not expect that Ye Chen was also a cultivator cultivating a Dual Cultivation technique.

Nanhua Caiyi immediately tried to push Ye Chen away, Nanhua Caiyi tried to break away from Ye Chen's Snare.

"Quickly let me go" Nanhua Caiyi tried to get away from Ye Chen, too bad this time Ye Chen hugged Nanhua Caiyi so tightly.

Ye Chen would not let Nanhua Caiyi escape so easily.

"Didn't you just hug me like an octopus, why are you trying to leave now?" Ye Chen smiled evilly at Nanhua Caiyi.

Ye Chen found it very pleasant to do this to Nanhua Caiyi.

Previously, Nanhua Caiyi, who clung tightly to Ye Chen, now it's Ye Chen's turn to cling tightly to Nanhua Caiyi.

Nanhua Caiyi was so helpless, she could only see her Yinqi and Yuanyin being sucked by Ye Chen.

Ye Chen didn't expect that Nanhua Caiyi's Yinqi and Yuanyin would be so rich.

If Ye Chen harvested all of these and cultivated them well, perhaps he would be able to reach the tenth stage of the Overlord Realm.

This was the first time Ye Chen had tried to absorb Yuanyin from a woman's body.

Actually, Ye Chen didn't really like using this method, this could make a woman experience a decrease in strength.

It could be said that this method was like stealing someone's power,

Since Nanhua Caiyi was the first to start, Ye Chen had no choice but to go along with the current that was going on.

Ye Chen had to take back the Yuanyin that Nanhua Caiyi stole, because this is why Ye Chen did this.

Nanhua Caiyi was currently closing her eyes, she was completely helpless when she saw this, the strength she had, was gradually leaving her body.

Currently, Ye Chen's Yuanyin absorption rate is very slow, if this is done for a long time then Nanhua Caiyi's strength will decrease quite a lot.

Ye Chen's Yuanyin absorption rate is relatively slower because the method Ye Chen uses is only in contact with the body.

If only Ye Chen had an intimate relationship with Nanhua Caiyi, then perhaps Ye Chen's absorption speed could have increased a thousand fold.

It was for this reason that Ye Chen took long enough to retrieve the Yuanyin that Nanhua Caiyi had previously stolen.

"Please let me go, I know I was wrong so please let me go", Nanhua Caiyi tried to ask Ye Chen for mercy.

Nanhua Caiyi had no other choice but to ask Ye Chen for mercy, she had no way of dealing with Ye Chen.

Nanhua Caiyi currently looks like a woman who is being bullied, seeing this alone will surely many men who feel sorry for Nanhua Caiyi.

Too bad Ye Chen won't be fooled by the pity face shown by Nanhua Caiyi, this woman is quite dangerous, if Ye Chen is fooled by this pity face it will be very dangerous.

Ye Chen was looking for a way to deal with Nanhua Caiyi, it would be a pity if Ye Chen crippled Nanhua Caiyi's cultivation.

"Master, what if you make this woman a loyal servant, it would be a pity if you crippled this woman's cultivation base." Chu Yuechan advised Ye Chen to make this woman a servant.

Nanhua Caiyi can still be made a servant by Ye Chen, besides Nanhua Caiyi is still a beautiful woman and is also very sexy, there's nothing wrong with making Nanhua Caiyi a woman who warms the bed.

Ye Chen started to think about what Chu Yuechan said, maybe he could make Nanhua Caiyi as his loyal servant.

With Nanhua Caiyi's strength as strong as this, Nanhua Caiyi could really help Ye Chen in every way.

After thinking about this so thoroughly, finally Ye Chen had decided to take Nanhua Caiyi as his loyal servant.

"Nanhua Caiyi, I give you two choices, the first is that I will take the cultivation that you have, or the second you willingly follow me and become my servant." Ye Chen gave two choices to Nanhua Caiyi.

The choice that Ye Chen gave was quite difficult, none of them were profitable for Nanhua Caiyi.

Nanhua Caiyi was currently thinking about the choice given by Ye Chen.

This choice was very difficult for Nanhua Caiyi, she felt that she had no way of escaping from Ye Chen's wolf fangs.

If Nanhua Caiyi chose the first option then she would lose the strength she had accumulated for a very long time, even though Nanhua Caiyi would soon be heading to the stage half a step towards Divine Realm.

It would be a waste of time when Nanhua Caiyi lost the strength she had after arriving at this stage.

if she chose to be Ye Chen's servant she would have to obey Ye Chen's orders, it would be better than losing the strength she had accumulated for a long time.

no matter where Ye Chen was, he was a good man

if Nanhua Caiyi followed Ye Chen then she wouldn't have experienced anything bad.

Nanhua Caiyilah's female instincts told her that Ye Chen was actually a very nice man.

"OK, I will choose to be your servant." Nanhua Caiyi has decided to follow Ye Chen and become his servant.

"That's a very wise choice." Ye Chen smiled at Nanhua Caiyi.

Nanhua Caiyi did not expect that one day she would be forced by a 19 year old young man into such a state.

"Prepare yourself, I will give you a servant and master contract." Ye Chen told Nanhua Caiyi to get ready, he would give Nanhua Caiyi a contract.

Nanhua Caiyi closed her eyes, she was ready to accept the fate she had.

Ye Chen stretched out his hand towards Nanhua Caiyi's lower abdomen, Ye Chen's hand was currently touching Nanhua Caiyi's lower abdomen.

Nanhua Caiyi's body trembled slightly when she felt Ye Chen's hand touch her lower abdomen.

As Ye Chen's hand touched Nanhua Caiyi's lower abdomen, a purple colored light emerged from Ye Chen's hand.

When this purple light appeared Nanhua Caiyi felt that her lower abdomen felt a little hot.

This servant and master contract was taught by Chu Yuechan to Ye Chen.

Chu Yuechan said this contract was the most effective contract to bind someone like Nanhua Caiyi so that he couldn't go against Ye Chen.

One more thing. This contract also gave Nanhua Caiyi the freedom to do whatever she wanted as long as it didn't harm Ye Chen.

If Nanhua Caiyi had thoughts of harming Ye Chen then this contract would activate and start to torture Nanhua Caiyi.

Nanhua Caiyi's body became extremely hot and uncomfortable, their Nanhua Caiyi if something was crawling all over her body.

"Ahhh. . , ahhh. . , "This feeling made Nanhua Caiyi let out a very, very soft moan.

The soft moan that Nanhua Caiyi let out could make any man who heard her feel very excited.

Ye Chen himself also tried not to be taken aback by Nanhua Caiyi's groan.

Ye Chen couldn't believe that one day he would have such a seductive and sexy servant as Nanhua Caiyi.

Chapter 507 - Servant Love Contract

A few moments later the contract was successfully formed, because there was no resistance from Nanhua Caiyi, everything went very smoothly.

Nanhua Caiyi didn't feel any special changes in herself, Nanhua Caiyi felt that there wasn't a contract forming on her body.

"What kind of contract did you give me? Why can't I feel it?" Nanhua Caiyi couldn't feel the contract that Ye Chen had given me.

"This is a special contract where you can still do whatever you want as long as it doesn't harm me." Ye Chen told Nanhua Caiyi about the contract he made with Nanhua Caiyi.

"Really? Let me try it." Nanhua Caiyi was a little curious about Ye Chen's words, she wanted to try what kind of contract she had with Ye Chen.

Nanhua Caiyi gave Ye Chen a killing aura, currently Nanhua Caiyi is thinking of killing Ye Chen.

When Nanhua Caiyi thought of doing something bad to Ye Chen, she felt that her body suddenly became hot and very uncomfortable.

Nanhua Caiyi felt her legs suddenly become very weak.

Nanhua Caiyi who felt limp fell to the floor, Nanhua Caiyi's face turned red and she started to become breathless, she looked like a very lustful woman.

Seeing the strange changes made by Nanhua Caiyi, Ye Chen immediately asked Nanhua Caiyi's situation.

"Hey, are you okay? ", Asked Ye Chen to Nanhua Caiyi.

"My body feels hot and very uncomfortable, young master please help me." Nanhua Caiyi asked Ye Chen for help to get rid of the discomfort in her body.

This discomfort was really torturous for Nanhua Caiyi, Nanhua Caiyi felt that right now there were a lot of insects crawling on her body.

plus the bottom part when it is very itchy.

Se really needed Ye Chen's help to overcome this discomfort.

Why did Nanhua Caiyi become weird after forming a contract with him.

"Hey Yuechan, what kind of contract did you give me just now? "Ye Chen immediately asked Chu Yuechan what contract she just awarded.

"This is the Servant Love Contract, if she intends to do something bad for You, then the contract will be active and she will become a very passionate woman."

"The only person who can heal her is you alone, if another man touches her, she will feel tremendous pain." Chu Yuechan told Ye Chen what kind of contract she had just given.

Chu Yuechan seemed to be giggling when giving this kind of contract to Ye Chen.

"Why don't you give me an ordinary master and servant contract" Ye Chen said to Chu Yuechan.

"Fufufuf, a contract like that is too weak to bind a woman like her, with this Servant Love Contract you can make this woman a bed warmer if you want" Chu Yuechan giggled at Ye Chen.

Ye Chen was very helpless with Chu Yuechan's mischievous actions, everything had happened, he would not be able to undo this.

"Young master, hurry and give it to me, I want to." Nanhua Caiyi suddenly crawled under Ye Chen's feet.

Nanhua Caiyi began to become a very passionate woman, currently what Nanhua Caiyi wanted was only Ye Chen.

Nanhua Caiyi's entire mind was only filled by Ye Chen, nothing else in this world could replace Ye Chen in her mind.

Nanhua Caiyi started rubbing Ye Chen's younger brother who was downstairs.

Due to the highly skilled and gentle stimulation of Nanhua Caiyi's hands, Ye Chen's younger brother who was below began to rise from his sleep.

"Master, you better make Nanhua Caiyi satisfied right away, if she continues like this, then it will be really bad." Chu Yuechan told Ye Chen to do something about Nanhua Caiyi.

Ye Chen indeed had to do something to Nanhua Caiyi, if he continued like this it would be very embarrassing for Ye Chen.

In addition to the temptation of Nanhua Caiyi, which is very unbearable, Ye Chen is still a normal man, when he sees a beautiful and sexy woman like Nanhua Caiyi, of course he will also be excited.

Ye Chen started to take Nanhua Caiyi into his arms, Ye Chen began to reach into Nanhua Caiyi's clothes to reach Nanhua Caiyi's double peak.

When Ye Chen touched Nanhua Caiyi's double peak, he could feel that it was extremely soft and had a very flawless shape.

It was like touching the softest Tofu in this world.

Ye Chen's hand started to touch this soft double peak and pinched the cherry bud that belonged to Nanhua Caiyi.

When Ye Chen played with Nanhua Caiyi body, Nanhua Caiyi felt immense pleasure.

As an experienced woman Nanhua Caiyi had never felt such a feeling, this feeling was extremely comfortable for Nanhua Caiyi.

"Ahhh. . . , ahhh. . . , ahhh. . . , Young master please do more." Nanhua Caiyi asked Ye Chen to do this even more.

She wanted a sense of comfort more than this.

Since Nanhua Caiyi excused herself, Ye Chen started to do this even harder.

He pinched and continued to play Nanhua Caiyi's two soft double peaks.

Nanhua Caiyi's soft moaning sound echoed through this nearly sect hall.

Luckily there were no people around this place.

If until now someone had approached and heard this voice, they would have easily guessed that Ye Chen and Nanhua Caiyi were having a male and female relationship.

Time passed very quickly, during these 15 minutes Ye Chen was still playing with Nanhua Caiyi's double top.

"Ahhh, I'm out again. . . . This is great." Nanhua Caiyi shouted to Ye Chen, in these 15 minutes, Nanhua Caiyi has just come out for the third time, the feeling of reaching the top is indeed very comfortable.

In her life this was the first time that Nanhua Caiyi had reached the pinnacle of happiness as a woman.

Nanhua Caiyi didn't expect that Ye Chen would be this great, even without doing Dual Cultivation relationships, Nanhua Caiyi had already been made to the top several times.

Nanhua Caiyi probably won't be able to leave Ye Chen behind forever.

After reaching the top three times, Nanhua Caiyi's condition started to improve.

She now looks normal as before.

After Nanhua Caiyi's condition returned to normal, Ye Chen decided to let Nanhua Caiyi go.

"Caiyi, hurry up and change your clothes with new ones." Ye Chen told Nanhua Caiyi to change the clothes she was wearing with new ones.

Currently the clothes that Nanhua Caiyi were wearing were wet, it wasn't good to let Nanhua Caiyi wear wet clothes like that.

The people outside the sect would misunderstand him if they saw Nanhua Caiyi in this appearance.

"Okay, I understand." Nanhua Caiyi understands, she will change clothes with new ones.

Nanhua Caiyi formed a barrier around Ye Chen and herself.

The barrier that Nanhua Caiyi created would prevent outsiders from seeing what was inside this barrier.

After creating a barrier around herself and Ye Chen. Nanhua Caiyi started to take off the clothes she had.

In front of the current Ye Chen Nanhua Caiyi was completely naked.

Nanhua Caiyi's perfect naked body was now displayed before Ye Chen's eyes.

Ye Chen was no longer surprised when he saw Nanhua Caiyi's courage, it was clear that Nanhua Caiyi was teasing him right now.

Nanhua Caiyi did intend to tease Ye Chen, after the previous incident, now in Nanhua Caiyi's mind and heart was filled with Ye Chen.

Even Nanhua Caiyi's eyesight of Ye Chen was now filled with love.

When Ye Chen looked at Nanhua Caiyi's naked body, he found a heart tattoo on the bottom of Nanhua Caiyi's stomach.

Chapter 508 - Information About Spring Palace

Judging from this tattoo, this must be a form of contract made by Ye Chen and Nanhua Caiyi.

"Young master, why are you looking at me with such a gaze, if you want you can touch my body" Nanhua Caiyi said the words that every man in this world expected the most.

"Hey, what is the tattoo that is on the bottom of your stomach" to confirm this Ye Chen asked Nanhua Caiyi.

Nanhua Caiyi, who was changing clothes, immediately looked at the heart tattoo that Ye Chen had said.

When Nanhua Caiyi looked at his lower abdomen, he saw that currently on the lower part of his stomach was a heart tattoo.

"I don't remember ever getting a tattoo like this." Nanhua Caiyi didn't remember that she ever had this, when she thought back this was the place that Ye Chen had previously touched.

"Maybe this is the sign of the contract you have given me." Nanhua Caiyi began to suspect that this was a sign of a contract that came from Ye Chen.

Ye Chen's guess turned out to be true, this was a sign of the master and servant contract he made together with Nanhua Caiyi.

It was unexpected that the Servant Love Contract would turn out like this.

Nanhua Caiyi could only smile gently at Ye Chen, now that she has become Ye Chen's servant, this kind of thing will not bother her anymore.

After all, looking at it from a different point of view, it made Nanhua Caiyi look even more seductive than before.

Nanhua Caiyi immediately changed into something newer and nicer than before.

"Young master, sorry to keep you waiting." Now Nanhua Caiyi has finished changing clothes.

Nanhua Caiyi has now returned to a beautiful woman, Sexy and has a very gentle temper as before.

"Good, then there are some things I want to ask you." Ye Chen wanted to ask Nanhua Caiyi a few things.

"Young master, what do you want to ask me?" Nanhua Caiyi asked Ye Chen what she wanted to ask.

"You don't need to call me a young master like that, I'd rather you call me Ye Chen", Ye Chen told Nanhua Caiyi to call himself by his real name.

If Nanhua Caiyi called himself a young master, then it could create a misunderstanding between people.

"Fine, from now on I'll call you Ye Chen." Nanhua Caiyi nodded lightly at Ye Chen.

"I want you to explain to me about the Spring Palace which is where you came from." Ye Chen wanted to know about the Spring palace.

The spring palace is the most mysterious place in the Kunlun Holy Land, Ye Chen wants to know what that mysterious place looks like.

Nanhua Caiyi was a little surprised when Ye Chen found out about the origin she had, it was not strange that Ye Chen could easily deal with her, it turned out that Ye Chen already knew where she came from.

"Our spring palace is a place where all who live in it are girls, over there is a paradise for women, we cultivated a technique called Queen Heart Silk, with the Queen Heart Silk we can take the strength of a man to increase the power base we have and to increase the lifespan we have ", Nanhua Caiyi told Ye Chen about the Spring Palace.

"Wait, wait, wait, you said you cultivated a technique called Queen Heart Silk, then why is the Cherry Blossom Sect cultivation technique called Woman Heart Silk?" Ye Chen asked Nanhua Caiyi.

"Woman Heart Silk is a technique that is given to a woman with low status in the Spring Palace, while women who have high status will be given a cultivation technique called Queen Heart Silk." Nanhua Caiyi told Ye Chen a small detail.

"Oh, so it's like that." Now Ye Chen understands what happened.

"Then what is your status at the Spring Palace? ", Asked Ye Chen to Nanhua Caiyi.

"I have a great elder in the Spring Palace." Nanhua Caiyi's status in the Spring palace is an ambassador.

With Nanhua Caiyi's current strength, Ye Chen thought Nanhua Caiyi was a ruler in the Spring Palace.

It turned out that Ye Chen's guess was wrong, Nanhua Caiyi was only a Great elder in the Spring Palace.

"There is one more thing I want to ask you, why did you come to the mortal world? "Ye Chen wants to know the reason Nanhua Caiyi came to this mortal world.

"I came to the mortal world to look for some talented women who could be invited to join our Spring Palace" Nanhua Caiyi told Ye Chen that she was looking for a talented woman who could be invited to join the Spring Palace.

"Why are you looking for talented women in a place like this, shouldn't the women in the Kunlun Holy Land have to be more talented than those here? ",Ye Chen asked Nanhua Caiyi.

"That's not true, a few weeks ago one of our women brought several women who were heartbroken, these women who are heartbroken are very talented in cultivating the Queen Heart Silk technique, in just a moment they can easily cultivate this technique" Nanhua Caiyi told Ye Chen the reason why he was looking for talented women in this mortal world.

The answer given by Nanhua Caiyi was exactly the same as what Qing Cheng had said.

"It turned out like that", Ye Chen now understood why Nanhua Caiyi bothered to go to the mortal world like this.

"I've got the answers to all my questions, let's leave this place." Ye Chen invited Nanhua Caiyi to go see Qing Cheng and the people outside the Cherry Blossom Sect.

"Okay" Nanhua Caiyi very obediently followed Ye Chen's wishes.

Ye Chen Nanhua Caiyi went towards the exit of the Cherry Blossom Sect, outside the Cherry Blossom Sect the two of them saw hundreds of crowds of people standing tens of kilometers from the Cherry Blossom Sect.

These people kept their distance so as not to be affected by the battles that Ye Chen and Nanhua Caiyi were doing.

"Eh? Why are the two of them walking together, weren't the two of them previously at odds" Qing Yinan felt strange when she saw Nanhua Caiyi walk out of the Cherry Blossom Sect together with Ye Chen.

"Looks like they've settled the misunderstanding that happened, let's go see Ye Chen." Qing Cheng invited all the elders of the Cherry Blossom Sect to go see Ye Chen and Nanhua Caiyi.

Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi nodded at Qing Cheng, they all flew behind behind Qing Cheng and headed towards Ye Chen and Nanhua Caiyi.

Qing Cheng, Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi got off in front of Ye Chen.

"Husband, what happened?" Qing Cheng was the first to ask Ye Chen what happened.

"Nothing happened, we just solved a little misunderstanding." Ye Chen said to Qing Cheng.

"I see, because Ye Chen didn't want to tell herself, Qing Cheng didn't force Ye Chen to say it.

After all, there were a lot of people here, maybe this was the reason Ye Chen didn't tell what happened to her.

Qing Yinan, Qing Hongyu, Wu Limin, Zhou Xi and Qing Yifi were a little afraid when they were close to Nanhua Caiyi, they were afraid of the power that Nanhua Caiyi had.

Chapter 509 - Ye Chen Demanded A Promise

"Ye Chen! ! ! ! ! "In a while, Cheng Mengyan and the Seventh beauties arrived in front of Ye Chen.

They all called Ye Chen's name very compactly, they all looked worried about Ye Chen.

"Ye Chen, you haven't decided to choose which woman you want, you will choose one of them or you want all of them", Qing Yinan told Ye Chen to choose one of these Seven beauties.

"Ye Chen choose me" one by one the beauty shouted for Ye Chen to choose her.

After seeing the strength possessed by Ye Chen these beauties made up the determination they had to get Ye Chen, no matter what happened they had to get Ye Chen.

No matter how they should be able to get Ye Chen, if they can get Ye Chen, then the future they have will be very bright.

"I will choose Cheng Mengyan only, for other women I do not need them" Ye Chen firmly said rejection of these six beauties.

The six beauties felt shocked when they heard Ye Chen reject them so rawly like this.

Cheng Mengyan smiled so beautifully when she heard this, Ye Chen finally decided to throw these shameless women away.

"Everything is finished, I will return to my place", After rejecting the Six beauties Ye Chen turned around and entered the room that the Cherry Blossom Sect had provided for him.

Qing Cheng, Cheng Mengyan and Nanhua Caiyi followed Ye Chen.

"Wait a minute, how can you treat us like this." One of the six beauties that Ye Chen had previously rejected did not accept this.

This beauty didn't accept it when she was treated like this by Ye Chen.

"That's why, I'm free to make my own choices, after all you are not the type of woman I like." Ye Chen bluntly said that this woman was not the type he liked at all.

"How dare you say that to me", this beauty felt insulted when she heard this, no one has yet dared to say this to her.

This beauty was a daughter of a city lord, this woman had never experienced this kind of treatment from a man.

If this woman opens a job for her husband, there will be thousands of people lining up to get her.

As the daughter of a city lord, this woman's status was quite high in the eyes of normal people in this world.

"Bamm" beauty suddenly flew hundreds of meters away.

Everyone who saw this didn't know what just happened to the beauty that said harshly to Ye Chen.

"Did you not hear what Ye Chen just said, he said that he didn't need you" Nanhua Caiyi said to the woman who previously said harshly to Ye Chen.

Seeing this, everyone was shocked, for some reason Nanhua Caiyi was now on Ye Chen's side, even though before, it was clear that the two of them looked hostile.

The five women started to feel afraid of Nanhua Caiyi, all of them immediately swallowed back the words of those who wanted to also protest against Ye Chen.

"Don't mind this woman, come with me." Ye Chen told Nanhua Caiyi to let the woman go.

There was also no use for Ye Chen to deal with women like them.

Nanhua Caiyi nodded, she went with Ye Chen into the Cherry Blossom Sect.

The five beauties could only see Ye Chen disappear into the sect.

"All of you, don't you know who you are dealing with?" Wu Limin helplessly said to the five beauties in front of her.

"Master, who is that man?" The five beauties are curious about the identity that Ye Chen has.

"He is a man from the sect master, if you dare to offend the man belonging to the sect master, you will suffer bad luck." Wu Limin told the five beauties about the identity possessed by Ye Chen.

The five beauties were so shocked when they heard this, they didn't expect that Ye Chen was a man from the Sect master.

No wonder he was so strong, it turned out that he was a man from Sect Master Qing Cheng.

"Quickly bring the injured woman inside, after she realizes, I want you to tell her to meet me in my room, the sect events will be postponed for a while, during that time you all think carefully about the man you think suits you, Ye Chen already choose Cheng Mengyan, you guys won't have another chance".

Wu Limin told all the beauties to immediately bring the woman who was injured by Nanhua Caiyi inside.

Besides that Wu Limin also told these beauties to choose a suitable partner from the male participants, they already couldn't possibly get Ye Chen.

"Okay, we understand." These five women understand, they will go inside and treat women who are injured.

After giving directions to the beauties, Wu Limin now had to join to calm the guests along with Qing Yanan, Qing Hongyu, Zhou Xi and Qing Yifi.

After all, they were still guests of the Cherry Blossom Sect, it would not be good to leave these people stranded, it was still night after all, so it was bad to leave these guests outside like this.

.
. .

Ye Chen, Qing Cheng, Cheng Mengyan, and Nanhua Caiyi had now arrived in front of the courtyard where Ye Chen lived.

"Caiyi you can go, when I need something from you, I will call you" Ye Chen told Nanhua Caiyi to go back to her residence.

If Ye Chen had something he would call Nanhua Caiyi.

"OK, I understand, bye." Nanhua Caiyi said goodbye to Ye Chen, she returned to her own residence reserved in the Cherry Blossom Sect.

"Mengyan, you go to get ready, you already know what your task is after this?" Qing Cheng told Cheng Mengyan to get ready.

"Okay Sect master, I understand." Cheng Mengyan nodded at Qing Cheng, she knew what she had to do at this time.

After saying those words Cheng Mengyan had gone somewhere, not knowing what Cheng Mengyan would do next.

Now only Ye Chen and Qing Cheng remained in this yard.

"Husband, I want to know why Nanhua Caiyi has been so obedient to you, what have you done to that woman." Qing Cheng wanted to know what Ye Chen had done to the point that Nanhua Caiyi was in such a state.

"Let's discuss all of that in" Ye Chen invited Qing Cheng into the room in this courtyard.

Ye Chen and Qing Cheng entered the room, after the two entered Ye Chen closed the door so that no one would interfere with what they were going to do.

Once inside the room, Ye Chen started to tell Qing Cheng what happened.

Qing Cheng started hearing stories that Ye Chen had.

"So Nanhua Caiyi has now turned into your servant?" Qing Cheng said to Ye Chen.

"Yes, that's absolutely true." Ye Chen answered Qing Cheng's question.

" husband, is so great, I never thought you could make a woman like Nanhua Caiyi your servant." Qing Cheng praised Ye Chen who had succeeded in making a beautiful and very sexy woman like Nanhua Caiyi become his servant.

"We'll forget about that matter for a moment, don't you still have a promise to me?" Ye Chen collected the promise that Qing Cheng said this afternoon.

Without waiting for Qing Cheng's reply, Ye Chen immediately pulled Qing Cheng into his embrace.

Chapter 510 - Yin & Yang Wine

Qing Cheng's face turned slightly red when she was in Ye Chen's embrace.

Ye Chen started caressing Qing Cheng's body, he looked very attentive when stroking Qing Cheng's body.

"Husband, don't do that." Qing Cheng tried to resist the caress of Ye Chen's hand which was so stimulating to her.

Currently Qing Cheng turned into a passive, not usually Qing Cheng would be passive like this, usually Qing Cheng was very active in teasing Ye Chen.

In Ye Chen's mind, it was possible that Qing Cheng was currently playing an innocent woman, from her current appearance Qing Cheng looked like a very innocent woman.

This new game made Ye Chen very excited, he wanted to try playing like this with Qing Cheng

Qing Cheng really knew best how to make Ye Chen happy.

"Tonight you will be mine", Ye Chen whispered in Qing Cheng's ear.

"Husband, wait a moment, why don't you open the gifts you got first, you see what gifts you get" Qing Cheng said to Ye Chen to see the gifts he has received from the event earlier.

Ye Chen stopped caressing Qing Cheng's body, he forgot that he hadn't seen the gift he had received.

"Fine, but tonight you won't be able to escape from me." Ye Chen released Qing Cheng from his embrace.

Even though he released Qing Cheng from his embrace, Ye Chen would not let Qing Cheng go that easily, after opening the Mystery Gift they would continue what they had previously done.

Ye Chen took out a gift box that he got from the previous event.

Ye Chen opened this mysterious gift box, when Ye Chen opened this box, he found that in this box there was a wine bottle.

"Huh, a bottle of wine?" Ye Chen is confused why the gift in this box is only a bottle of wine.

Ye Chen started to take out the wine bottle that was in the box, Ye Chen started researching this wine bottle.

After a while Ye Chen understood what kind of wine was in this bottle.

"Is this Yin u0026 Yang wine?" Ye Chen asked Qing Cheng about the wine bottle in his hand.

Yin u0026 Yang wine is a wine that can increase Yinqi production to women who drink and Yangqi production for men who drink, is very well suited to be used to perform Dual Cultivation.

"That's right, with Yin u0026 Yang Wine we can multiply the Dual Cultivation results that can be obtained" Qing Cheng explained this to Ye Chen.

"So you have prepared this on purpose for tonight? ", Ye Chen said to Qing Cheng.
